四级·真题卷第1套·2021年12月

Part I

Writing

(30 minutes)

Directions: Suppose your school is organizing an orientation program to help the freshmen adapt to the new environment and academic studies. You are now to write a proposal, which may include its aim, duration, participants and activities. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1. A) It found a pet dog on board a plane to a city in Texas.
B) It had one of its cargo planes land at a wrong airport.
C) It sent two dogs to the wrong destinations.
D) It had two of its domestic flights mixed up.
2. A) Correct their mistake as soon as possible.
B) Give the two pets a physical checkup.
C) Hire a charter jet to bring the pets back.
D) Send another plane to continue the flight.

Questions 3 and 4 are based on the news report you have just heard.

3. A) She weighs 130 kilograms.
B) She has had babies before.
C) She was brought from Africa.
D) She has a big family of six.
4. A) It took 22 hours.
B) It had some complications.
C) It was smooth.
D) It was monitored by Dr. Sue Tygielski.

Questions 5 to 7 are based on the news report you have just heard.

5. A) It enjoyed great popularity.
B) It started business three years ago.
C) It was frequented by newly-weds.
D) It was built above the sea-water.
6. A) Expand his business on the beach.
B) Replace the restaurant's wooden deck.
C) Post a picture of his restaurant online.
D) Celebrate his silver wedding anniversary.
7. A) She sold it for two thousand dollars.
B) She took it to the restaurant manager.
C) She posted its picture on Facebook.
D) She returned it to its owner right away.

Section B

Directions: *In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 8 to 11 are based on the conversation you have just heard.

8. A) The number of ducks has declined sharply in recent years.
B) Climate change has little effect on the lives of wild ducks.
C) Duck meat is not eaten in Australia, Canada and the U.S.
D) Duck hunting remains legal in many parts of the world.
9. A) Droughts.
B) Bushfires.
C) Farming.
D) Hunting.
10. A) They are not easy to domesticate.
B) Their meat is not that popular.
C) It is not environmentally friendly.
D) It is not considered cost-effective.
11. A) They hunted ducks as a traditional sport.
B) They killed wild ducks and geese for food.
C) They raised ducks and geese for their eggs.
D) They poisoned wild ducks in large numbers.

Questions 12 to 15 are based on the conversation you have just heard.

12. A) Have her house repainted.
B) Replace some of her old furniture.
C) Move into a newly-painted house.
D) Calculate the cost of the paint job.
13. A) How long the work will take.
B) How much the work will cost.
C) How the paint job is to be done.
D) How many workers are needed.
14. A) Cover up her furniture.
B) Ask some friends for help.
C) Stay somewhere else.
D) Oversee the work herself.
15. A) She could have asked a friend for help with the paint job.
B) Painting a house involves more trouble than she thought.
C) She should have repainted her house much earlier.
D) Moving her furniture is harder than the paint job.

Section C

Directions: *In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on Answer Sheet 1 with a single line through the centre.*

Questions 16 to 18 are based on the passage you have just heard.

16. A) To cultivate good habits.
B) To prepare for secondary school.
C) To review what is learned in class.
D) To stimulate interest in learning.
17. A) Discuss their academic achievements with them.
B) Create an ideal study environment for them.
C) Allow them to learn independently.
D) Check their homework promptly.
18. A) Finish them before they get tired.
B) Tackle the most difficult task first.
C) Start with something they enjoy.
D) Focus on the most important ones.

Questions 19 to 21 are based on the passage you have just heard.

19. A) Workers who meet its body weight standards.
B) Workers who can lose 30 pounds in a year.
C) Workers who try the hardest to lose weight.
D) Workers who are in the top 10% of the slimmest.
20. A) Impractical.
B) Inconsistent.
C) Unmanageable.
D) Unfair.
21. A) Offer them much fatter bonuses.
B) Improve working environment.
C) Encourage healthy behaviors.
D) Provide free lunch and snacks.

Questions 22 to 25 are based on the passage you have just heard.

22. A) It has not done enough to help left-handed children.
B) It has treated left-handed children as being disabled.
C) It has not built facilities specially for the left-handed.
D) It has ignored campaigns on behalf of the left-handed.
23. A) They are as intelligent as other children.
B) They have a distinctive style of handwriting.
C) They sometimes have psychological problems.
D) They tend to have more difficulties in learning.
24. A) Punish teachers discriminating against left-handed students.
B) Lay more emphasis on improving children's mental health.
C) Encourage students to develop various professional skills.
D) Keep track of left-handed children's school performance.
25. A) How they can be reduced in number.
B) Why their numbers are so high.
C) What percentage they account for.
D) If their percentage keeps increasing.

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding*

letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Many people believe that passion and commitment are the foundations of strong romantic relationships. But a relationship is made of two 26 individuals. And the personality traits(特性) these individuals 27 or lack can often make a relationship more or less likely to 28 . Recent research has found that one trait in particular—humility(谦逊)—is an important indicator of successful relationships.

Humility can sometimes be 29 with a lack of confidence. But researchers have come to realize that being humble generally indicates the 30 of deeply admirable personal qualities. Being humble means you have the ability to accurately 31 your deficiencies without denying your skills and strengths. For example, you might recognize that you are intelligent, but realize that you are not a 32 . Thus, humility leads to an honest view of one's own advantages and shortcomings. Humble people do not ignore, avoid, or try to deny their limits or deficiencies. They can 33 mistakes, see value in things that are far from perfect and identify areas for improvement.

Perhaps it is not 34 , then, that humility appears to be a huge asset to relationships. One study found that people tend to rate this quality 35 in their spouse. The study also found that someone who is humble is more likely to initiate a romantic relationship, perhaps because they are less likely to see themselves as "too good" for someone else. Thus, a humble partner might be your ideal partner.

- | | |
|----------------|---------------|
| A) acknowledge | I) possess |
| B) assess | J) presence |
| C) confused | K) puzzled |
| D) endure | L) status |
| E) extremely | M) surprising |
| F) genius | N) thoroughly |
| G) highly | O) unique |
| H) permanent | |

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

There's a stress gap between men and women

- A) "I used to work very hard. I love to create things, grow them and solve problems," said Meng Li, a successful app developer in San Francisco. "I didn't really care about my mind and my body until they decided to go on strike."
- B) Ms. Li said her stress led to sleeplessness. When she did sleep, she experienced "problem-solving dreams," which left her feeling unrested when she woke up. "After I became a first-time mother, I quickly realized I was so busy caring for other people and work that I felt like I'd lost myself," she said.

- C) It's a common story—one we frequently ridicule and readily dismiss, for example, by claiming that women tend to complain more than men, despite the growing sum of research that underlines the problem. Women are twice as likely to suffer from severe stress and anxiety as men, according to a 2016 study published in *The Journal of Brain & Behavior*. The American Psychological Association reports a gender gap year after year showing that women consistently report higher stress levels. Clearly, a stress gap exists.
- D) "The difference is not really news to me, as a clinical psychologist," said Erin Joyce, a women and couples therapist in Los Angeles. "It's been well documented in extensive research over the years that prevalence rates for the majority of the anxiety disorders are higher in women than men." Some people may argue that this is merely reported data, and they say many men feel the same pressures as women in terms of fulfilling responsibilities at work and home. In other words, we're all really, really stressed.
- E) "The difference, however, is in the nature and scope of these responsibilities in the home environment in particular," Dr. Joyce said. For example, the United Nations reported that women do nearly three times as much unpaid domestic work as men. The problem is, housework is often overlooked as work, even though it is often as laborious (or in some cases, more so) as any paid job. As the scholar Silvia Federici put it in 1975, the unpaid nature of domestic work reinforces the assumption that "housework is not work, thus preventing women from struggling against it."
- F) It's not just inside the home, though. Research from Nova Southeastern University found that female managers were more likely than male managers to display "surface acting," or forcing emotions that are not wholly felt. "They expressed optimism, calmness and sympathy even when these were not the emotions that they were actually feeling," the study said.
- G) Surface acting is a prime example of "emotional labor," a concept that the writer Jess Zimmerman made familiar in a 2015 essay. The essay sparked a massive thread on the internet community blog MetaFilter. Hundreds of women spoke up about their own experience with emotional labor: the duties that are expected of them, but go unnoticed. These invisible duties become apparent only when you don't do them. Like domestic labor, emotional labor is generally dismissed and not labeled work. But research shows it can be just as exhausting as paid work. Emotional labor can lead to difficulty in sleeping and family conflict. Sure, circumstantial stress, like losing a job, may lead to these same issues. But emotional labor is not circumstantial. It's an enduring responsibility based on the socialized gender role of women.
- H) Like Ms. Li, many women try to manage the added stress to reach what Dr. Joyce said was an unattainable ideal. "Some professional women aim to do it all. They want to reach the top of the corporate ladder and fly like supermom," she said. When women don't reach this ideal, they feel guilty; and even more stressed. After her own struggle with this, Ms. Li took a step back and used her experience to build *Sanity & Self*, a self-care app and platform for overworked women. "The realizations I had in that process helped me gain insights and ultimately got me ready to integrate self-care into my daily life," she said.
- I) The stress problem extends beyond mental health when you consider the link between stress, anxiety and heart health. Worse, most of what we know about heart disease comes from studies involving men. However, "there are many reasons to think that it's different in women," Harvard Medical School reported. For example, women are more likely to experience disturbed sleep, anxiety and unusual fatigue before a heart attack. Stress is so normalized that it is easy for women to shrug off those symptoms as simply the consequences of stress. Many women also do not experience chest pain before a heart attack the way men do, which leads to fewer women discovering problematic heart issues. Harvard reports that women are "much more likely than men to die within a year of having a heart attack" and "many women say their physicians sometimes don't even recognize the symptoms."

- J) The good news is, women are more likely than men to take charge of their stress and manage it, the American Psychological Association reports. The concept of self-care, at its core, is quite simple. "The basics of adequate sleep, healthy diet and exercise are a good place to start," Dr. Joyce said. "Support from trusted relationships is vital. This includes professional support from various health and wellness providers if stress is becoming increasingly overwhelming."
- K) Disconnecting from work and home responsibilities is also obviously important. But it's much easier said than done. It is important to understand what causes your stress in the first place. "Get really specific with what's stressing you out," Ms. Li said. "We often chalk up our stress to broad experiences like work. But work stress can take many different forms. Is a colleague being disrespectful of your time? Is a boss undermining your day-to-day control over decision making? These are different causes of stress and can benefit from different kinds of self-care."
- L) Ideally, your spouse or partner will be supportive, rather than dismissive, of your stress. It is important to talk through these issues before they come to a head. "Women working outside of the home should make an effort to have a conscious conversation with their partners about more equitable sharing of household and family responsibilities," Dr. Joyce said.
36. Some career women who aim high tend to feel guilty if they fail to achieve their goals.
37. The unpaid housework done by women is triple that done by men.
38. It is reported that women consistently suffer more from severe stress than men.
39. Women are advised to identify the specific causes of their stress so that steps can be taken to deal with it.
40. One study showed that women managers often expressed positive emotions that they didn't really feel.
41. Women tend to mistake signs of heart attacks for symptoms of stress.
42. For a time an app developer in America was so busy attending to work and family that she suffered from sleeplessness.
43. The emotional labor women do is noticed only when it is not done.
44. Dr. Joyce suggests that apart from self-care, women should seek professional support if they experience severe stress.
45. Some people believe that there may not exist a stress gap between men and women.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

As many office workers adapt to remote work, cities may undergo fundamental change if offices remain under-utilized. Who will benefit if working from home becomes the norm?

Employers argue they make considerable savings on real estate when workers shift from office to home work. However, these savings result from passing costs on to workers.

Unless employees are fully compensated, this could become a variant of parasitic(寄生的) capitalism, whereby corporate profits increasingly rely on extracting value from the public—and now personal—realm, rather than on generating new value.

Though employers are backed by a chorus of remote work advocates, others note the loneliness, reduced productivity and inefficiencies of extended remote work.

If working from home becomes permanent, employees will have to dedicate part of their private space to work. This requires purchasing desks, chairs and office equipment.

It also means having private space dedicated to work: the space must be heated, cleaned, maintained and paid for. That depends on many things, but for purposes of illustration, I have run some estimates for Montreal. The exercise is simple but important, since it brings these costs out of the realm of speculation into the realm of meaningful discussion.

Rough calculations show that the savings made by employers when their staff works from home are of similar value to the compensation workers should receive for setting up offices at home.

What does this mean for offices in cities? One of two things may happen: Employers pass these costs onto employees. This would be a form of expropriation(侵占), with employees absorbing production costs that have traditionally been paid by the employer. This represents a considerable transfer of value from employees to employers.

When employees are properly compensated, employers' real estate savings will be modest. If savings are modest, then the many advantages of working in offices—such as lively atmosphere, rapidity of communication, team-building and acclimatization(适应环境) of new employees—will encourage employers to shelve the idea of remote work and, like Yahoo in 2013, encourage employees to work most of the time from corporate office space.

46. What does the author say about working from home?

- A) It will become the norm sooner or later.
- B) It requires employees to adapt promptly.
- C) It benefits employers at the expense of employees.
- D) It will force cities to transform their infrastructure.

47. Why do some people oppose working from home?

- A) It discourages team spirit.
- B) It invades employees' privacy.
- C) It undermines traditional values.
- D) It negatively impacts productivity.

48. Why did the author run the estimates for Montreal?
- A) To provide convincing data for serious discussion.
 - B) To illustrate the ongoing change in working patterns.
 - C) To show the impact of remote working on productivity.
 - D) To exemplify how remote working affects the economy.
49. What can we conclude from the author's calculations?
- A) There is no point in transferring office work to working from home.
 - B) Employees can benefit as much from remote working as their employers.
 - C) Employers' gain from remote working should go to employees as compensation.
 - D) Effective measures should be taken to motivate employees to set up offices at home.
50. What is the author's opinion on working from home?
- A) It should be avoided if possible.
 - B) It is only a temporary measure.
 - C) It can reduce companies' real estate costs.
 - D) It may affect employees' corporate loyalty.

Passage Two

Questions 51 to 55 are based on the following passage.

The human thirst for knowledge is the driving force behind our successful development as a species. But curiosity can also be dangerous, leading to setbacks or even downfalls. Given curiosity's complexity, scientists have found it hard to define.

While pinning down a definition has proven tricky, the general consensus is it's some means of information gathering. Psychologists also agree curiosity is intrinsically(内在地) motivated.

Curiosity covers such a large set of behaviors that there probably isn't any single "curiosity gene" that makes humans wonder about and explore their environment. That said, curiosity does have a genetic component. Genes and the environment interact in many complex ways to shape individuals and guide their behavior, including their curiosity.

Regardless of their genetic makeup, infants have to learn an incredible amount of information in a short time, and curiosity is one of the tools humans have found to accomplish that gigantic task.

Hundreds of studies show that infants prefer novelty. It's what motivates non-human animals, human infants and probably human adults to explore and seek out new things before growing less interested in them after continued exposure.

But curiosity often comes with a cost.

In some situations, the stakes are low and failure is a healthy part of growth. For instance, many babies are perfectly proficient crawlers, but they decide to try walking because there's more to see and do when they stand upright. But this milestone comes at a small cost. A study of 12- to 19-month-olds learning how to walk documented that these children fell down a lot. Seventeen times per hour, to be exact. But walking is faster than crawling, so this motivates expert crawlers to transition to walking.

Sometimes, however, testing out a new idea can lead to disaster. For instance, the Inuit people of the Arctic regions have created incredible modes to deal with the challenges of living in northern climates, but what we forget about are the tens of thousands of people that tried and failed to make it in those challenging landscapes.

51. What does the author say about curiosity?
- A) It is too complex for non-scientists to understand.
 - B) It is the force that pushes human society forward.
 - C) It is a unique trait specific to the human race.
 - D) It is often the major cause for human failures.
52. What is the general understanding of curiosity?
- A) It motivates people to seek information.
 - B) It is destined to transform human genes.
 - C) It does people more good than harm.
 - D) It underlies all human behaviors.
53. What do we learn about how genes shape people's behavior?
- A) They determine people's way of thinking.
 - B) They account for age differences in learning.
 - C) They enable people to undertake massive tasks.
 - D) They work in conjunction with the environment.
54. What do numerous studies show about infants?
- A) They are far more curious than adults.
 - B) They prefer to go after all that is novel.
 - C) They have different interests than adults.
 - D) They show non-human animal behaviors.
55. What does the example of the Inuit people of the Arctic regions illustrate?
- A) The cost of humans' curiosity to explore.
 - B) The incredible harshness of cold weather.
 - C) The innovative ideas stemming from curiosity.
 - D) The importance of learning from past failures.

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

大运河 (Grand Canal) 是世界上最长的人工河, 北起北京, 南至杭州。它是中国历史上最宏伟的工程之一。大运河始建于公元前4世纪, 公元13世纪末建成。修建之初是为了运输粮食, 后来也用于运输其他商品。大运河沿线区域逐渐发展成为中国的工商业中心。长久以来, 大运河对中国的经济发展发挥了重要作用, 有力地促进了南北地区之间的人员往来和文化交流。

PROMPT & MODEL ESSAY • 写作题和范文

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2021年12月·第1套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第1套(2021-12) • 四级

Part I

Directions: Suppose your school is organizing an orientation program to help the freshmen adapt to the new environment and academic studies. You are now to write a proposal, which may include its aim, duration, participants and activities. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.

【参考范文 • 171 词】 写作无唯一标准答案，以下为达标示范

A Proposal for the Freshmen Orientation Program Our school is planning an orientation program for this year's freshmen, and its main arrangements are proposed below. The program aims to help new students adapt to the new environment and academic studies as smoothly and quickly as possible.

In terms of duration, the program will last for one week, starting from the day of registration. As for the participants, it is open to all incoming freshmen, and it will be organized by the Student Union together with volunteer seniors and several advisers from each department.

A variety of activities will be arranged during the week. First, campus tours and library workshops will help newcomers find their way around. Second, group meetings with academic advisers will introduce course selection and effective study methods. Finally, evening social parties will give students a chance to make new friends and relax.

We are confident that this program will give every freshman a warm and confident start. Your approval and support would be highly appreciated. The Student Union

【参考译文】

新生入学适应方案 本校正为今年的新生筹办一个入学适应项目，主要安排如下。该项目旨在帮助新生尽可能顺利、迅速地适应新环境与学业。

在时长方面，项目为期一周，从报到当天开始。在参与者方面，项目面向全体新生，由学生会联合高年级志愿者和各院系的若干名顾问共同组织。

这一周将安排多种活动。第一，校园导览和图书馆工作坊帮助新生熟悉校园；第二，与学业顾问的小组见面会介绍选课与有效的学习方法；最后，晚间的社交派对让同学们结交新朋友、放松身心。

我们相信这个项目会让每位新生拥有一个温暖而自信的开始。恳请校方批准并给予支持。学生会

【第1段】标题 + 主旨句落地。本段用标题 A Proposal for the Freshmen Orientation Program 点题，开头句 our school is planning ... arrangements are proposed below 总起，再用 The program aims to help new students adapt ... 把 aim 前置，正是『开头一句亮方案主旨』方法的落地。

【第2段】两标签领出两要点。In terms of duration 领出『one week, starting from the day of registration』写死时长，As for the participants 领出『all incoming freshmen』『organized by the Student Union ...』写清人员，一句一要点，覆盖 duration 与 participants。

【第3段】First/Second/Finally 写实活动。先用 A variety of activities will be arranged 总起，再以 First / Second / Finally 分列三类活动，且每条都补了作用 (help newcomers find their way around、introduce course selection、make new friends)，实现『分点罗列活动』且不空泛。

【第4段】信心 + 请求 + 组织落款。We are confident that ... a warm and confident start 表信心并扣目的，Your approval and support would be highly appreciated 客气请求批准，末行以 The Student Union 落款，避免出现真名。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

写一份新生入学适应方案

本题要写的是 write a proposal，并且要求已经把必写框架给死：which may include its aim, duration, participants and activities。所以本篇的核心任务不是论证入学适应有多重要，而是拿出一套包含目的、时长、参与者、活动四块的可执行安排。

读者 • 语域

面向校方的正式方案口吻

题目设定是 organizing an orientation program 的校方情境，这份 write a proposal 是提交给学校审阅的，读者是校方而非同学，所以要用正式、得体的书面语，语气客气而有条理；落款用组织身份（如学生会）而不是个人真名，既贴合校方文书口吻，也符合四级不署真名的惯例。

中心立意

一套帮新生尽快适应的可执行方案

全篇要达成的交际目的：向校方提交一套安排，用来 help the freshmen adapt to the new environment and academic studies，让新生尽快融入校园与学业。这句是全篇的主心骨，四个要点都围着它转。

要展开的要点

1. 目的：助新生适应环境与学业

对应要点 aim：写清方案的目的是帮助新生适应新环境与学业，即 help the freshmen adapt to the new environment and academic studies。

2. 时长：为期一周

对应要点 duration：给出项目持续多久，本篇定为入学报到起的一周，让安排显得具体可落地。

3. 参与者：全体新生 + 组织方

对应要点 participants：说清面向哪些人（全体新生）以及由谁组织（学生会、高年级志愿者与各院系顾问），把 its aim, duration, participants and activities 里的 participants 一项写实。

4. 活动：三类具体安排

对应要点 activities：给出可执行的具体活动——校园导览与图书馆工作坊、选课与学习方法指导会、晚间社交派对，避免只说『开展一些活动』这类空话。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文——对应。

第 1 段 标题 + 主旨句点目的

拟标题表明这是新生入学方案，开头一句总起并点明方案目的（aim），即 help the freshmen adapt to the new environment and academic studies。

第 2 段 交代时长与参与者

一段之内讲清 duration（为期多久）与 participants（面向谁、由谁组织）两个要点。

第 3 段 分点铺开活动

单独成段，用 First / Second / Finally 分点列出具体的活动 (activities)，把安排写实。

第 4 段 礼貌收尾 + 落款

表达信心、请求校方批准与支持，末尾以组织身份落款。

第 1 段 点题 + 写明目的

标题表明这是新生入学方案，开头总起后点明目的是帮新生尽快适应，呼应 help the freshmen adapt to the new environment and academic studies。

亮明方案主旨 · To help ____, our school proposes ____, and the main arrangements are outlined below. (空位填『帮谁做什么』与『提出的方案名』)

点明目的 · The program aims to help ____ as ____ as possible. (空位填服务对象与目标状态，专门承接 aim 这一要点)

第 2 段 一周 + 全体新生由学生会组织

时长定为入学报到起的一周 (duration)，参与者为全体新生、由学生会联合高年级志愿者与各院系顾问组织 (participants)，落实 its aim, duration, participants and activities 中的两项。

交代时长 · In terms of duration, the program will last for ____, starting from _____. (空位填时长与起始时间)

交代参与者 · As for the participants, it is open to ____, and it will be organized by _____. (空位填面向对象与组织方)

第 3 段 导览 + 选课指导 + 社交派对

落实要点 activities：校园导览与图书馆工作坊帮新生熟悉环境、与学业顾问的会面指导选课与学习方法、晚间社交派对帮新生交友，三类活动分别对应适应环境与学业两条线。

总起活动 · A variety of activities will be arranged during _____. (空位填时段，引出后面的分点)

分点 + 点功能 · First, _____ will help _____; second, _____ will introduce _____; finally, _____ will give students a chance to _____. (每个空位填一个活动及其作用)

第 4 段 表信心 + 请批准 + 组织落款

表达方案将帮每位新生顺利起步的信心，回扣 help the freshmen adapt to the new environment and academic studies，请求校方批准支持，落款用组织身份而非真名。

表达信心回扣目的 · We are confident that _____ will _____. (空位填方案名与预期效果，收束时呼应开头的目的)

礼貌请求批准 · Your approval and support would be highly appreciated. (固定客气收尾句，适用于各类提交给上级/校方的方案)

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

四要点必须全覆盖

本题必写 its aim, duration, participants and activities 四项，缺一即扣内容分；范文里目的、一周、全体新生 + 学生会、三类活动各有明确落点，四项齐全。

结构连贯**标题 + 四段 + 序号词**

本篇用标题起、四段推进、活动段用 First/Second/Finally，结构一目了然；自查时确认每段只承担明确任务、无跳跃。

语言准确**将来时表安排 + 句式简洁**

范文介绍安排统一用 will last / will be arranged / will help，时态一致；多用目的与建议句式（aims to help、is open to），句子结构稳，不堆砌复杂从句。

字数格式**落区间 + 方案格式齐**

本题要求 You should write at least 120 words but no more than 180 words，是硬性上下限，两头都不能碰；同时要具备方案该有的标题、分段与落款，缺格式也丢分。

典型低分写法 · 反面示例与改法

空谈重要性无安排

反面示例：Adapting to a new environment is very important for every freshman, so we should pay great attention to it.（通篇这种感慨，没有时长、人员、活动）。改法：直接写 The program will last for one week and offer campus tours, study workshops and social parties for all freshmen. 用可执行安排替掉空泛感慨。

活动笼统无细节

反面示例：We will organize many interesting and colorful activities for the freshmen.（说了等于没说）。改法：We will arrange campus tours, library workshops and group meetings with academic advisers to help freshmen settle in. 把活动名和用途都写出来。

只写活动漏时长人员

反面示例：只有一大段活动描述，全文找不到项目持续多久、面向谁。改法：补一句 The one-week program is open to all incoming freshmen and organized by the Student Union. 一句同时补齐 duration 与 participants 两项。

落款暴露真名

反面示例：末尾写 Yours, Li Ming（暴露姓名，且口吻偏私信）。改法：落款改为 The Student Union，既符合考试要求，也贴合提交校方的正式方案口吻。

2021年12月·第1套 英语四级听力真题原文与答案解析

PAPER & KEY • 听力题和解析

听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2021年12月·第1套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第1套(2021-12) • 四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1 United Airlines has apologised for mistakenly shipping an American family's pet dog thousands of miles in the wrong direction to Japan.

美国联合航空公司为误将一个美国家庭的宠物狗运送到数千英里外的日本方向而道歉。

2 The dog owner's beloved 10-year-old dog named Buddy took an unexpected 16-hour flight to Tokyo following a mix-up by the airline.

狗主人心爱的10岁狗狗名叫Buddy,由于航空公司的失误,意外搭乘了16小时的航班飞往东京。

3 The dog owner's family are currently in the process of moving. They were meant to be reunited with the pet in their new home city in Texas.

狗主人一家目前正在搬家过程中。他们原本应该在得克萨斯州的新家与宠物团聚。

4 But when they arrived at the United Airlines cargo facility in the southern U.S. state, they found a stranger's dog waiting in Buddy's place.

但当他们到达美国南部州的美国联合航空公司货运设施时,发现一只陌生的狗在Buddy的位置等待。

5 Both of the dogs had been sent to the wrong destinations on connecting flights from Denver, with Buddy mistakenly being sent to Japan instead.

这两只狗都在丹佛转机时被送到了错误的目的地,Buddy被错误地送到了日本。

6 Buddy was given a physical checkup when he arrived at Tokyo's International Airport. The dog was then sent back to the U.S. on a private charter jet.

Buddy抵达东京国际机场后接受了身体检查。随后这只狗被用私人包机送回美国。

7 "I'm so glad he's alive and coming home soon!" said the relieved dog owner.

"我太高兴了,它还活着并且很快就要回家了!"如释重负的狗主人说。

8 "And an error occurred during the connections in Denver. We have notified our customers that their pets arrived safely. We will arrange to return the pets to them as soon as possible," a spokesperson of United Airlines said.

"在丹佛转机期间发生了一个错误。我们已通知客户他们的宠物安全抵达。我们将尽快安排将宠物送还给他们。"美国联合航空公司发言人表示。

1. A) It found a pet dog on board a plane to a city in Texas.
- B) It had one of its cargo planes land at a wrong airport.
- C) It sent two dogs to the wrong destinations.
- D) It had two of its domestic flights mixed up.

【题目】 What does the news report say about United Airlines?

【翻译】 新闻报道关于美国联合航空公司说了什么?

- A) 在一架飞往德克萨斯州某城市的飞机上发现了一只宠物狗。
B) 其中一架货运飞机降落在了错误的机场。 c) 将两只狗送到了错误的目的地。
D) 将其两个国内航班搞混了。

【答案】 C (细节题) It sent two dogs to the wrong destinations.

【定位】 Both of the dogs had been sent to the wrong destinations on connecting flights from Denver, with Buddy mistakenly being sent to Japan instead.

两只狗都在从丹佛转机时被送错了目的地, 其中 Buddy 被错送到了日本。

【信号】 Both...wrong destinations 直陈事故。 这句以 Both of the dogs had been sent to the wrong destinations 正面点出事故核心——两只狗都被送错目的地, 是整则新闻交代『航空公司做了什么』的事实落点; 句中 Both 与 wrong destinations 是直接承载答案的信号词。

【替换】 Both of the dogs had been sent to the wrong destinations ↔

It sent two dogs to the wrong destinations.

Both the dogs = two dogs

【排除】 A) 原词陷阱

选项盗用了原文里 Texas 这个地名 (their new home city in Texas)，但原文是说一家人本应在得州的新家与狗团聚，并非『在飞往得州的飞机上发现一只狗』；它把真实情节拼凑改写，属听到 Texas 就想选的陷阱。

借用原文：They were meant to be reunited with the pet in their new home city in Texas.

B) 偷换概念

原文反复说送错的是 dog (shipping an American family's pet dog...in the wrong direction)，是『狗被运错方向』，从没说『一架货机降错机场』；选项把错送对象从狗偷换成 cargo plane、把『送错目的地』偷换成『降错机场』，与原文不符。

借用原文：United Airlines has apologised for mistakenly shipping an American family's pet dog thousands of miles in the wrong direction

D) 答非所问

原文是两只狗在转机时被送错 (on connecting flights from Denver)，出错的是狗的去向；选项却说是『两个国内航班被搞混』，把出错对象从狗换成 flights，且原文只字未提『国内航班搞混』，属答非所问。

借用原文：Both of the dogs had been sent to the wrong destinations on connecting flights from Denver

-
2. A) Correct their mistake as soon as possible.
B) Give the two pets a physical checkup.
C) Hire a charter jet to bring the pets back.
D) Send another plane to continue the flight.

【题目】 What did the spokesperson for United Airlines say they would do after the incident?

【翻译】 美国联合航空公司的发言人表示事件发生后他们会做什么？

- A) 尽快纠正他们的错误。 B) 给这两只宠物做身体检查。 C) 租用包机把宠物送回来。
D) 派另一架飞机继续该航班。

【答案】 A (细节题) Correct their mistake as soon as possible.

【定位】 We will arrange to return the pets to them as soon as possible.

我们会尽快安排把宠物送还给他们。

【信号】 We will 未来承诺。 这句出自发言人原话，以 We will arrange to return the pets to them as soon as possible 的 We will 领头，是典型的官方补救承诺句；will 这个未来时信号正对应题干 say they would do，故为答案句。

【替换】 We will arrange to return the pets to them as soon as possible ↔

Correct their mistake as soon as possible.

送还宠物=纠正错误

【排除】 B) 原词陷阱

选项盗用了原文真出现的 physical checkup (Buddy was given a physical checkup) , 但那是 Buddy 到东京后已经做过的事, 不是发言人承诺『事故后将要做』的动作; 时间错位, 张冠李戴到发言人头上。

借用原文: Buddy was given a physical checkup when he arrived at Tokyo's International Airport.

C) 原词陷阱

选项盗用原文的 charter jet (sent back to the U.S. on a private charter jet) , 但那是叙述 Buddy 已经被私人包机送回美国的既成事实, 不是发言人对今后的承诺; 选项把已发生说成将要做, 且 Hire (雇用) 也非原文所述。

借用原文: The dog was then sent back to the U.S. on a private charter jet.

D) 未提及

原文从没说要『再派一架飞机继续这趟飞行』; 发言人只承诺尽快把宠物送还 (return the pets to them as soon as possible) 。选项 Send another plane to continue the flight. 是凭 plane/flight 这类话题词臆造的动作, 未提及。

Questions 3 and 4 are based on the news report you have just heard.

1 Officials at Reid Park Zoo in Tucson Arizona are celebrating the birth of a baby elephant. Zoo officials say the baby was born on Monday. It is a female and she weighs nearly 130 kilograms.

亚利桑那州图森市Reid Park动物园的官员们正在庆祝一头小象的诞生。动物园官员表示,这头小象于周一出生。它是雌性,体重近130公斤。

2 Semba, her mother, is a 30-year-old African elephant. The pregnancy lasted 22 months.

它的母亲Semba是一头30岁的非洲象。怀孕期持续了22个月。

3 Officials describe the baby elephant as "healthy, standing and nursing".

官员们描述这头小象"健康、能站立并在哺乳"。

4 The baby hasn't been given a name yet.

这头小象还没有被命名。

5 Semba has given birth before. Zoo officials said during this pregnancy, she was closely monitored through physical exams and blood tests.

Semba之前曾生育过。动物园官员表示,在这次怀孕期间,通过身体检查和血液测试对她进行了密切监测。

6 Dr. Sue Tygielski is the zoo's director of zoological operations. She said the elephant's birth went smoothly and that there were no complications.

Sue Tygielski博士是该动物园的动物运营总监。她表示大象的分娩过程顺利,没有出现并发症。

7 The new baby expands the zoo's elephant herd to six. That includes the baby's parents, a sister, a brother and an adult female.

这头新生小象使动物园的大象群扩大到六头。其中包括小象的父母、一个姐姐、一个哥哥和一头成年雌象。

3. A) She weighs 130 kilograms.
B) She has had babies before.
C) She was brought from Africa.
D) She has a big family of six.

【题目】 What do we learn about the mother elephant Semba?

【翻译】 关于母象Semba我们了解到什么?

- A) 她体重130公斤。 B) 她以前生过小象。 C) 她是从非洲带来的。
D) 她有一个六口之家的大家庭。

【答案】 B (细节题) She has had babies before.

【定位】 Semba has given birth before.

Semba 以前生过孩子 (不是第一次生产)。

【信号】 直陈母象过往经历。 答案句是录音里专门交代 Semba 经历的一句 Semba has given birth before., 它直接陈述了关于这只母象本身的一项事实, 与题干 "关于 Semba 我们了解到什么" 严丝合缝, 是无需转折提示、直接点出的事实句。

【替换】 has given birth before ↔ has had babies before
生过=有过孩子

【排除】 A) 原词陷阱

选项 She weighs 130 kilograms. 盗用了录音里真实出现的数字 130 公斤, 但录音说的是新生小象 she weighs nearly 130 kilograms, 主语是 baby 而非母亲 Semba, 把宝宝的体重安到了母亲头上, 对象搞错。

借用原文: she weighs nearly 130 kilograms

C) 偷换概念

选项 She was brought from Africa. 借用了录音里的 Africa 一词, 但录音只说 Semba, her mother, is a 30-year-old African elephant.——她是一头 "非洲象" (品种), 并没有说 "她是从非洲被带来的", 把物种来源偷换成了运输来历。

借用原文: a 30-year-old African elephant

D) 原词陷阱

选项 She has a big family of six. 盗用了录音末尾的数字 six, 但录音说 The new baby expands the zoo's elephant herd to six.——是 "动物园象群扩大到六只", 描述的是整个园区象群规模, 而非 "母亲 Semba 有一个六口之家", 对象与口径都被改了。

借用原文: expands the zoo's elephant herd to six

-
4. A) It took 22 hours.
B) It had some complications.
C) It was smooth.
D) It was monitored by Dr. Sue Tygielski.

【题目】 What does the report say about the birth of the new baby elephant?

【翻译】报道中关于新生小象的出生说了什么？

A) 花了22小时。 B) 有一些并发症。 C) 很顺利。 D) 由Sue Tygielski博士监护。

【答案】C (细节题) It was smooth.

【定位】She said the elephant's birth went smoothly and that there were no complications.

她(动物园动物运营主管 Sue Tygielski 博士)说,这次大象的出生过程很顺利,没有出现任何并发症。

【信号】对出生过程的直接定性。答案句 the elephant's birth went smoothly and that there were no complications 是录音里唯一对"出生过程怎么样"下定性的句子, went smoothly 是正面评价词、no complications 是配套补充,直接回答了题干"出生说了什么",靠这个"定性词"信号即可锁定。

【替换】went smoothly ↔ It was smooth.

副词转形容词同义

there were no complications ↔ It was smooth.

无并发症佐证顺利

【排除】A) 原词陷阱

选项 It took 22 hours. 盗用了数字 22, 但录音里的 22 是 The pregnancy lasted 22 months.——是怀孕 22 个"月",且说的是孕期长短不是"出生过程用了多久",单位(hours↔months)和对象(出生过程↔整个孕期)双双被换。

借用原文: The pregnancy lasted 22 months

B) 与原文相反

选项 It had some complications. 直接盗用录音原词 complications, 但录音是 there were no complications——明确说"没有"并发症,选项却说"有一些",把否定改成了肯定,极性正好相反。

借用原文: there were no complications

D) 张冠李戴

选项 It was monitored by Dr. Sue Tygielski. 把录音里真实出现的人名 Sue Tygielski 搬来当出生过程的监控者,但录音说被密切监控的是 during this pregnancy, she was closely monitored——监控的是 Semba 的"孕期",而 Tygielski 博士只是在 Dr. Sue Tygielski is the zoo's director 里被介绍头衔并转述"出生很顺利",并没说出生由她监控,把"孕期被监控"和"这位博士"硬拼到一起。

借用原文: during this pregnancy, she was closely monitored

Questions 5 to 7 are based on the news report you have just heard.

1 Three years ago, a couple was enjoying a meal at a beach restaurant. The restaurant was built on a wooden structure above the sea-water. During the meal, the man's wedding ring slipped off his finger. It fell through the wooden floorboards, apparently lost forever.

三年前,一对夫妇在一家海滩餐厅用餐。这家餐厅建在海面上的木质结构上。用餐期间,男士的结婚戒指从手指上滑落了。它掉进了木地板的缝隙里,看似永远丢失了。

2 Recently, the restaurant manager Ryan Krivoy decided to replace the wooden deck and he found an old gold coin, some \$100 bills and a silver wedding ring while replacing the deck.

最近,餐厅经理Ryan Krivoy决定更换木质甲板,在更换甲板时他发现了一枚古老的金币、一些100美元的钞票和一枚银质结婚戒指。

3 The restaurant waitress Sasha Formica posted a picture of the ring on Facebook. The post was shared about 5,000 times.

餐厅女服务员Sasha Formica在Facebook上发布了这枚戒指的照片。这条帖子被分享了大约5000次。

4 Three days later, the happy wife called to claim the ring. She even texted pictures of her and her husband eating there in 2017 as proof.

三天后,这位高兴的妻子打电话来认领戒指。她甚至发送了她和丈夫2017年在那里用餐的照片作为证明。

5 The restaurant mailed the ring back to the happy couple. Meanwhile, Krivoy discovered that the gold coin was very rare. It was from 1855 and worth as much as \$2,000.

餐厅将戒指邮寄回给了这对幸福的夫妇。与此同时,Krivoy发现那枚金币非常罕见。它来自1855年,价值高达2000美元。

5. A) It enjoyed great popularity.

B) It started business three years ago.

C) It was frequented by newly-weds.

D) It was built above the sea-water.

【题目】 What do we learn about the restaurant?

【翻译】 关于这家餐厅我们了解到什么?

A) 它非常受欢迎。 B) 它三年前开始营业。 C) 它经常有新婚夫妇光顾。

D) 它建在海面上。

【答案】 D (细节题) It was built above the sea-water.

【定位】 The restaurant was built on a wooden structure above the sea-water.

这家餐厅建在海水之上的一个木质结构上。

【信号】 录音里唯一直接描述餐厅本身的句子。 全篇只有这一句在正面描述餐厅这个事物本身——

The restaurant was built on a wooden structure above the sea-water., 其余句子讲的是戒指、经理、服务员的动作; 当题问某事物的事实, 就锁定录音里主语正是该事物、且在交代它属性的那句。

【替换】 built on a wooden structure above the sea-water ↔ **It was built above the sea-water.**

选项是原句的压缩概括

【排除】 A) 未提及

It enjoyed great popularity. 说餐厅很受欢迎，但录音通篇只讲戒指失而复得，从未评价餐厅的人气或生意好坏，属于无中生有。

B) 原词陷阱

It started business three years ago. 借了录音开头的 three years ago，但 Three years ago, a couple was enjoying a meal 里这个时间是指三年前有对夫妇在此用餐、戒指掉落，根本不是讲餐厅三年前开业；把三年前从用餐时间偷换成开业时间，是典型的原词陷阱。

借用原文：Three years ago, a couple was enjoying a meal at a beach restaurant.

C) 过度推断

It was frequented by newly-weds. 说餐厅常被新婚夫妇光顾；录音只提到一对夫妇曾来用餐 a couple was enjoying a meal，既没说他们是新婚、更没说这里常有新婚夫妇来，属于由一对夫妇过度推断成常客群体。

借用原文：a couple was enjoying a meal at a beach restaurant

-
6. A) Expand his business on the beach.
B) Replace the restaurant's wooden deck.
C) Post a picture of his restaurant online.
D) Celebrate his silver wedding anniversary.

【题目】 What did the restaurant manager decide to do recently?

【翻译】 这家餐厅的经理最近决定做什么？

- A) 在海滩上扩展他的生意。 B) 更换餐厅的木质平台。 C) 在网上发布他餐厅的照片。
D) 庆祝他的银婚纪念日。

【答案】 B (细节题) Replace the restaurant's wooden deck.

【定位】 Recently, the restaurant manager Ryan Krivoy decided to replace the wooden deck and he found an old gold coin, some \$100 bills and a silver wedding ring while replacing the deck.
最近，餐厅经理 Ryan Krivoy 决定更换那个木质平台，他在换平台时发现了一枚古老的金币、一些百元钞票和一枚银质结婚戒指。

【信号】 decided to 直接给出经理的决定动作。 the restaurant manager Ryan Krivoy decided to replace the wooden deck 里 decided to 后面紧跟的动词短语，就是题目要的决定；听到 decided to 这种表决定的信号词，后面接的动作即是答案落点。

【替换】 decided to replace the wooden deck ↔ **Replace the restaurant's wooden deck.**

几乎同表述，仅补出所属

【排除】 A) 原词陷阱

Expand his business on the beach. 里的 beach 借自录音背景中的海边餐厅 (beach restaurant) , 但录音从没说经理要扩张生意, 他决定的是换平台 replace the wooden deck; 把场景词 beach 拿来拼一个原文没有的动作, 是原词陷阱加无中生有。

借用原文: a beach restaurant

C) 张冠李戴

Post a picture of his restaurant online. 里发照片到网上这件事, 录音里做的人是女服务员 The restaurant waitress Sasha Formica posted a picture of the ring on Facebook., 且发的是戒指照片不是餐厅照片; 既把动作的人从服务员张冠李戴到经理, 又把戒指换成餐厅, 双重偷换。

借用原文: The restaurant waitress Sasha Formica posted a picture of the ring on Facebook.

D) 原词陷阱

Celebrate his silver wedding anniversary. 里的 silver wedding 拼自录音的 silver wedding ring (银质结婚戒指) , 但 a silver wedding ring 说的是经理找到的一枚银戒指, 根本不是他要庆祝结婚周年; 把 silver wedding ring 截成 silver wedding, 是诱人的原词陷阱。

借用原文: a silver wedding ring

-
7. A) She sold it for two thousand dollars.
B) She took it to the restaurant manager.
C) She posted its picture on Facebook.
D) She returned it to its owner right away.

【题目】 What did the waitress do about the recovered ring?

【翻译】 女服务员对找回的戒指做了什么?

- A) 她以两千美元的价格把它卖了。 B) 她把它交给了餐厅经理。
C) 她在Facebook上发布了它的照片。 D) 她立即把它归还给了失主。

【答案】 C (细节题) She posted its picture on Facebook.

【定位】 The restaurant waitress Sasha Formica posted a picture of the ring on Facebook.

餐厅女服务员 Sasha Formica 把戒指的照片发到了脸上。

【信号】 主语正是 waitress、动作直接针对 ring. The restaurant waitress Sasha Formica posted a picture of the ring on Facebook. 这一句主语恰是题目问的 waitress、动作 posted 又直接落在 ring 上, 人、物、动作三者齐全; 当题目锁定某人对某物的动作, 就找主语是该人、宾语含该物的那一句。

【替换】 posted a picture of the ring on Facebook ↔ **She posted its picture on Facebook.**

几乎原句, 仅用 its 回指 ring

【排除】 A) 原词陷阱

She sold it for two thousand dollars. 里的两千美元搬自录音结尾 the gold coin was very rare. It was from 1855 and worth as much as \$2,000, 但这金额是说那枚稀有金币值两千美元、并非服务员把戒指卖了两千; 既盗用了金额数字, 又把对象从金币偷换成戒指, 是原词陷阱加偷换概念。

借用原文: It was from 1855 and worth as much as \$2,000.

B) 未提及

She took it to the restaurant manager. 说服务员把戒指交给经理, 但录音里其实是经理先发现戒指 he found ... a silver wedding ring、服务员再去发照片, 戒指并非由服务员上交经理; 这是个原文没发生、还把人物关系方向弄反的干扰项。

D) 张冠李戴

She returned it to its owner right away. 借了录音里确有的归还戒指情节, 但还戒指的是餐厅而非服务员 The restaurant mailed the ring back to the happy couple., 而且是失主三天后来认领 Three days later, the happy wife called to claim the ring 才寄还, 并非 right away (立刻); 张冠李戴加篡改时间。

借用原文: The restaurant mailed the ring back to the happy couple.

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

1 W: I can't believe that duck hunting is still legal in so many parts of the world. The scientific evidence from countries like Australia, Canada and the USA clearly indicates a decline in the birds' numbers.

W: 我真不敢相信在世界上这么多地方猎鸭仍然是合法的。来自澳大利亚、加拿大和美国等国家的科学证据清楚地表明这些鸟类的数量正在下降。

2 M: But can anyone be sure if the decline is really caused by the hunting or by climate change?

M: 但是有人能确定这种下降真的是由狩猎引起的还是由气候变化引起的吗?

3 W: It's caused by both in fact. We see more droughts in countries like Australia. Ducks are birds that feed and breed in areas where there is a lot of water, but their habitats have been shrinking in recent decades because of the droughts.

W: 实际上两者都有影响。我们在澳大利亚这样的国家看到更多的干旱。鸭子是在有大量水源的地区觅食和繁殖的鸟类,但近几十年来由于干旱,它们的栖息地一直在缩小。

4 M: And I guess with fewer places to inhabit, they concentrate in greater numbers in few areas, which surely makes them easier targets for the hunters.

M: 我猜随着可居住的地方越来越少,它们会更集中地聚集在少数几个区域,这肯定让它们更容易成为猎人的目标。

5 W: It does. My grandfather was a duck hunter. He told me hunting ducks and geese began in the 19th century. They were easily found and a plentifully available food source in farming areas, especially for poor immigrants.

W: 确实如此。我祖父曾是个猎鸭人。他告诉我猎鸭和猎鹅始于19世纪。在农业地区它们很容易找到,是充足的食物来源,尤其对贫穷的移民来说。

6 M: What do they use for hunting during that period?

M: 那个时期他们用什么来狩猎?

7 W: They use new types of guns, and birds could easily be shot down in flight. And in such great numbers, their commercial hunting of ducks and geese became an industry. Yet, there's no commercial farming of these birds nowadays. Their meat is hardly eaten in Western countries.

W: 他们使用新型枪支,鸟类在飞行中很容易被射下来。而且数量如此之多,对鸭子和鹅的商业狩猎成了一个产业。然而,现在已经没有这些鸟类的商业养殖了。在西方国家几乎没人吃它们的肉。

8 M: No, duck hunting seemingly exists as the continuation of a tradition.

M: 是的,猎鸭似乎只是作为一种传统的延续而存在。

9 W: Well, ducks have never been popular with farmers like my grandfather anyway because they sometimes destroy crops. In fact, farmers used to poison them in large numbers.

W: 其实,鸭子从来都不受像我祖父这样的农民欢迎,因为它们有时会破坏庄稼。事实上,农民过去常常大量毒杀它们。

10 M: That somehow doesn't surprise me. Nobody places much value on the lives of these poor birds or on their meat.

M: 这倒不让我意外。没人重视这些可怜鸟儿的生命,也不重视它们的肉。

8. A) The number of ducks has declined sharply in recent years.

B) Climate change has little effect on the lives of wild ducks.

C) Duck meat is not eaten in Australia, Canada and the U.S.

D) Duck hunting remains legal in many parts of the world.

【题目】 What does the woman find unbelievable?

【翻译】 女士认为什么难以置信?

A) 近年来鸭子的数量急剧下降。 B) 气候变化对野鸭的生活影响甚微。

C) 在澳大利亚、加拿大和美国不吃鸭肉。 D) 在世界许多地方捕猎鸭子仍然是合法的。

【答案】 D (态度观点题) Duck hunting remains legal in many parts of the world.

【定位】 W: I can't believe that duck hunting is still legal in so many parts of the world.

女：我真不敢相信，在世界上这么多地方猎鸭居然还是合法的。

【信号】 “我不敢相信”直接喊出态度。答案信号是开口第一句的强烈表态 I can't believe that——这正是 unbelievable 的口语版，紧跟其后的内容就是她觉得难以置信的对象，无需再往下找。

【替换】 duck hunting is still legal in so many parts of the world ↔

Duck hunting remains legal in many parts of the world.

is still=remains 的同义替换

【排除】 A) **原词陷阱**

录音确实提到 a decline in the birds' numbers, A 用 declined sharply 盗了这个原词。但她惊讶的是“居然合法”，数量下降只是她用来佐证的事实，答非所问。

借用原文：a decline in the birds' numbers

B) **与原文相反**

录音里 It's caused by both in fact. 明确说气候（干旱）是原因之一，B 却说 Climate change has little effect, 与原文相反；climate change 这个词是男士在 climate change 提出的疑问，被借来做诱饵。

借用原文：It's caused by both in fact.

C) **偷换概念**

录音说 Their meat is hardly eaten in Western countries., 指“西方国家”。C 把范围偷换成 Australia, Canada and the U.S. 三个具体国家，且这是后文的细节、不是她开头表态的“不敢相信”对象。

借用原文：Their meat is hardly eaten in Western countries.

9. A) Droughts.

B) Bushfires.

C) Farming.

D) Hunting.

【题目】 What does the woman say has caused the shrinking of ducks' habitats in Australia?

【翻译】 女士说是什么导致了澳大利亚鸭子栖息地的缩小？

A) 干旱。 B) 丛林火灾。 C) 农业耕作。 D) 捕猎。

【答案】 **A** (细节题) Droughts.

【定位】 W: We see more droughts in countries like Australia. Ducks are birds that feed and breed in areas where there is a lot of water, but their habitats have been shrinking in recent decades because of the droughts.

女：在澳大利亚这样的国家，我们看到了更多的干旱。鸭子是在水多的地方觅食和繁殖的鸟，但近几十年来，由于干旱，它们的栖息地一直在缩小。

【信号】 **because of 后面直接点出原因**。答案信号是明确的因果短语 because of the droughts —habitats shrinking 紧跟 because of，连接词后的 droughts 就是栖息地缩小的直接原因。

【替换】 because of the droughts ↔ **Droughts.**

原文与选项同词直接对应

【排除】 B) **未提及**

Bushfires. 只是“澳大利亚”这一情境下考生脑补出来的常识，录音从头到尾未提 bushfire，属凭印象的无中生有。

C) **原词陷阱**

录音后面才提到 farming areas、农民毒鸭等，C 用 Farming. 盗了这个原词，但题问的是“栖息地缩小的原因”，农业与之并无因果关系，答非所问。

借用原文：farming areas

D) **原词陷阱**

录音里 hunting 与 a decline in the birds' numbers 相关，D 用 Hunting. 盗了全篇高频词。但题专问 habitats 缩小，原文把这一项的因明确归给 droughts，hunting 答非所问。

借用原文：It's caused by both in fact.

10. A) They are not easy to domesticate.

B) Their meat is not that popular.

C) It is not environmentally friendly.

D) It is not considered cost-effective.

【题目】 **Why is there no commercial farming of ducks and geese in Western countries?**

【翻译】 为什么西方国家没有鸭子和鹅的商业化养殖？

A) 它们不容易驯化。 B) 它们的肉不那么受欢迎。 C) 这不环保。

D) 这被认为不具成本效益。

【答案】 **B** (细节题) Their meat is not that popular.

【定位】 W: Yet, there's no commercial farming of these birds nowadays. Their meat is hardly eaten in Western countries.

女：然而，如今并没有对这些鸟类的商业养殖。在西方国家，它们的肉几乎没人吃。

【信号】 **现象句紧跟的下一句即解释**。答案信号是“现象+紧贴解释”的相邻结构：先说 there's no commercial farming (现象)，紧接着 Their meat is hardly eaten in Western countries. 就是原因——没人吃，自然不必养。

【替换】 Their meat is hardly eaten in Western countries. ↔ **Their meat is not that popular.**

“几乎没人吃”=“不太受欢迎”

【排除】 A) 未提及

They are not easy to domesticate. 听着像个合理理由，但录音没说过驯养难易，属凭常识脑补的无中生有。

C) 未提及

It is not environmentally friendly. 蹭了“环保”这个当下热词，但录音解释“不养”的理由是肉没人吃，从未提环保，无中生有。

D) 过度推断

It is not considered cost-effective. 看似能从“没人吃→养了不赚钱”推出来，但这是考生自己多走的一步，原文只说肉没人吃，没说成本不划算。

借用原文：Their meat is hardly eaten in Western countries.

-
11. A) They hunted ducks as a traditional sport.
B) They killed wild ducks and geese for food.
C) They raised ducks and geese for their eggs.
D) They poisoned wild ducks in large numbers.

【题目】 What does the woman say about farmers in her grandfather's time?

【翻译】 女士对她祖父那个时代的农民说了什么？

- A) 他们把捕猎鸭子作为一项传统运动。 B) 他们猎杀野鸭和野鹅作为食物。
C) 他们饲养鸭子和鹅以获取蛋。 D) 他们大量毒杀野鸭。

【答案】 D (细节题) They poisoned wild ducks in large numbers.

【定位】 W: ducks have never been popular with farmers like my grandfather anyway because they sometimes destroy crops. In fact, farmers used to poison them in large numbers.

女：反正鸭子从来都不受我祖父那样的农民待见，因为它们有时会毁坏庄稼。事实上，农民过去常常大量毒杀它们。

【信号】 主语为 farmers 的应答句直接点动作。答案信号是女士应答里主语明确为 farmers 的那句 farmers used to poison them in large numbers——题问 farmers，原文恰由 farmers 当主语给出动作，定位即在此。

【替换】 farmers used to poison them in large numbers ↔ They poisoned wild ducks in large numbers.
原话与选项近乎逐词对应

【排除】 A) 张冠李戴

They hunted ducks as a traditional sport. 蹭了男士那句 duck hunting seemingly exists as the continuation of a tradition 里的 tradition，但那是讲“如今猎鸭是传统延续”，主语不是祖父年代的农民，张冠李戴。

借用原文：duck hunting seemingly exists as the continuation of a tradition

B) 张冠李戴

They killed wild ducks and geese for food. 盗用了 a plentifully available food source，但那讲的是祖父那辈猎人把鸭鹅当食物来源，主语是猎人而非本题问的 farmers，且农民对鸭子的态度是毒杀而非食用，张冠李戴。

借用原文：a plentifully available food source

C) 未提及

They raised ducks and geese for their eggs. 里的 raised（饲养）和 eggs（蛋）录音从未念到——原文讲的全是猎杀、毒杀，没有任何“养鸭取蛋”，属无中生有。

Questions 12 to 15 are based on the conversation you have just heard.

1 M: Okay, Miss Bright. I've finished calculating. I estimate you have between 210 and 240 square meters of walls and ceiling.

M: 好的，Bright小姐。我已经算完了。我估计您的墙面和天花板加起来有210到240平方米。

2 W: So, how much would the paint job cost?

W: 那么，刷漆要花多少钱？

3 M: That would depend on the quality of paint you choose. We carry two brands. One costs 60 cents every square meter, and the other 90 cents. The second is guaranteed to look great for about 10 years, whereas the cheaper one will start to dull after around six or seven years.

M: 这取决于您选择的油漆质量。我们有两个品牌。一种每平方米60美分，另一种90美分。第二种保证能保持大约10年的良好效果，而便宜的那种在六七年后就会开始褪色。

4 W: In that case, we would prefer the more expensive option.

W: 那样的话，我们更倾向于选贵一点的。

5 M: All right, then. So including labor costs, taxes, and everything, this job would come to \$3,000.

M: 好的。那么包括人工费、税费和所有费用，这项工作总共需要3000美元。

6 W: Um, to be perfectly honest, that's more than I expected.

W: 嗯，说实话，这比我预期的要高。

7 M: Please bear in mind that the price includes moving all the furniture, and the whole task would take two days.

M: 请注意价格包括搬动所有家具，而且整个任务需要两天时间。

8 W: Really? Why?

W: 真的吗？为什么？

9 M: Well, we can't paint the walls without clearing all the furniture first. So every time we paint a room, we first have to move the furniture to another room. So that takes more time. Plus, it requires two people, which works out more expensive.

M: 嗯，我们不清空家具就没法刷墙。所以每刷一个房间，我们都得先把家具搬到另一个房间。这样就需要更多时间。而且需要两个人，费用就更高了。

10 W: I see. But does that mean I could not live here in my own house during those two days?

W: 我明白了。但这是不是意味着这两天我不能住在自己家里？

11 M: That is correct.

M: 没错。

12 W: Oh well, that changes everything, I'm afraid. I would have to stay with a friend or check into a hotel. I hadn't considered any of that. I'm starting to realize that painting my house is far more troublesome than I had anticipated.

W: 哦，那恐怕一切都变了。我得去朋友家住或者住酒店。我之前都没考虑过这些。我开始意识到粉刷房子比我想的麻烦得多。

13 M: This is usually the case. Most of our clients go through the same realization.

M: 通常都是这样。我们大多数客户都会有同样的感受。

14 W: I see.

W: 明白了。

15 M: You have my number. Please feel free to call me for any further questions.

M: 您有我的电话。如果有任何其他问题，请随时给我打电话。

16 W: Thank you.

W: 谢谢。

12. A) Have her house repainted.

B) Replace some of her old furniture.

C) Move into a newly-painted house.

D) Calculate the cost of the paint job.

【题目】 What is the woman planning to do?

【翻译】 这位女士计划做什么？

- A) 让人重新粉刷她的房子。 B) 更换她的一些旧家具。 C) 搬进一所新粉刷的房子。
D) 计算粉刷工作的费用。

【答案】 A (细节题) Have her house repainted.

【定位】 W: So, how much would the paint job cost?

女：那么，这次刷漆要花多少钱呢？

【信号】她默认刷漆为前提。整段对话从男方 I estimate you have between 210 and 240 square meters of walls and ceiling. 量墙面起，到女方追问 how much would the paint job cost, 全程围绕 the paint job 推进——她来咨询、谈价钱，前提就是她正打算把房子刷一遍。信号是「她把刷漆当作既定要做的事在谈费用」，而非在犹豫要不要刷。

【替换】the paint job ↔ Have her house repainted.

刷漆=请人重刷房子

【排除】B) 原词陷阱

录音确实念到 furniture, 但只在 we can't paint the walls without clearing all the furniture first 里讲「刷漆要先搬开家具」，从没说她要更换旧家具。这一项盗用 furniture 这个原词制造「听到就想选」的诱惑，实则答非所问。

借用原文：we can't paint the walls without clearing all the furniture first

C) 偷换概念

录音里女方说的是 I would have to stay with a friend or check into a hotel, 即刷漆那两天临时去别处住，绝不是搬进一所新刷好的房子。这一项借「新刷好的房子」这一刷漆语境的联想来误导，与原文意思不符。

借用原文：I would have to stay with a friend or check into a hotel

D) 张冠李戴

录音开头是男方说 I've finished calculating.——计算面积、费用的是这位男技师，不是女方；女方只是问价。这一项盗用 calculate/cost 这两个原词，又把「算钱」这个动作张冠李戴到女方身上。

借用原文：I've finished calculating.

-
13. A) How long the work will take.
B) How much the work will cost.
C) How the paint job is to be done.
D) How many workers are needed.

【题目】What is the woman's chief concern?

【翻译】这位女士最关心的是什么？

- A) 这项工作需要多长时间。 B) 这项工作需要花费多少钱。 C) 粉刷工作将如何进行。
D) 需要多少工人。

【答案】B (细节题) How much the work will cost.

【定位】W: So, how much would the paint job cost?

女：那么，这次刷漆要花多少钱呢？

【信号】她主动追问的就是钱。女方主动开口问的第一件事就是 how much would the paint job cost, 随后听到报价 \$3,000 又反应 that's more than I expected——她的注意力始终落在费用上。信号是「她主动发问且事后又对价钱有强烈反应」，这正标记出她的 chief concern 是钱。

【替换】 how much would the paint job cost ↔ **How much the work will cost.**
the paint job=the work

【排除】 A) **原词陷阱**

录音里 the whole task would take two days 确实念到两天工期，但这是男方主动告知的，不是女方在意发问的。这一项盗用「两天/工期」这一原词信息，却不是她的 chief concern。

借用原文：the whole task would take two days

C) **答非所问**

施工方式由男方在 every time we paint a room, we first have to move the furniture to another room 主动解释，女方只是问了句 Why?，并未把「怎么刷」当成核心关切。这一项借「刷漆流程」这段原文诱选，却答非所问。

借用原文：every time we paint a room, we first have to move the furniture to another room

D) **未提及**

录音里只在 it requires two people 提到「需要两个人」是抬高费用的原因，而不是讨论「需要几个工人」这个独立话题，女方更没把人数当关切。选项把 two people 偷换成「需要多少工人」这个题目，属未提及该问法。

14. A) Cover up her furniture.

B) Ask some friends for help.

C) Stay somewhere else.

D) Oversee the work herself.

【题目】 **What does the woman have to do while the paint job is being done?**

【翻译】 在粉刷工作进行期间,这位女士必须做什么?

A) 把她的家具盖起来。 B) 请一些朋友帮忙。 C) 待在别的地方。 D) 亲自监督工作。

【答案】 **C** (细节题) Stay somewhere else.

【定位】 W: Oh well, that changes everything, I'm afraid. I would have to stay with a friend or check into a hotel.

女：哦，那这下情况就全变了，恐怕得这样。我就只能去朋友那儿住，或者住进酒店了。

【信号】 **I would have to 必要性信号。**前一句男方确认 That is correct. (指她那两天不能住在自己家)，紧接着女方说 I would have to stay with a friend or check into a hotel, have to 正是「不得不」的必要性信号。信号是「条件触发后她亲口说出的 have to + 动作」，这就是答案句。

【替换】 stay with a friend or check into a hotel ↔ **Stay somewhere else.**

住朋友家或酒店=去别处住

【排除】 A) 原词陷阱

录音里和家具有关的是 the price includes moving all the furniture——搬家具由施工方包办，根本没说要女方去「盖住」家具。这一项盗用 furniture 原词，又把动作安错了执行人。

借用原文：the price includes moving all the furniture

B) 偷换概念

录音里 friend 出现在 stay with a friend——是去朋友家借住，不是叫朋友来帮忙刷漆。这一项盗用 friend 这个原词，把「投奔朋友住」偷换成「请朋友帮忙干活」。

借用原文：stay with a friend

D) 未提及

录音通篇没有女方要「亲自盯着施工」的内容，反而她说自己 I would have to stay with a friend or check into a hotel，两天不在家，更谈不上监工。这一项是凭刷漆场景空想出来的，原文无据。

-
15. A) She could have asked a friend for help with the paint job.
B) Painting a house involves more trouble than she thought.
C) She should have repainted her house much earlier.
D) Moving her furniture is harder than the paint job.

【题目】 What has the woman come to realize at the end of the conversation?

【翻译】 在对话结束时,这位女士意识到了什么?

- A) 她本可以请朋友帮忙做粉刷工作。 B) 粉刷房子涉及的麻烦比她想象的多。
C) 她应该早得多就重新粉刷她的房子。 D) 搬动她的家具比粉刷工作更困难。

【答案】 B (细节题) Painting a house involves more trouble than she thought.

【定位】 W: I'm starting to realize that painting my house is far more troublesome than I had anticipated.

女：我开始意识到，给我的房子刷漆远比我原先料想的要麻烦得多。

【信号】 realize 引出的结尾总结。 这句出现在对话接近尾声处，由 I'm starting to realize 领起，正是她亲口说出的醒悟；后文男方还附和 Most of our clients go through the same realization. 加以印证。信号是「结尾处由 realize 引出、且对方附和的总结句」，这就是答案句。

【替换】 painting my house is far more troublesome than I had anticipated ↔

Painting a house involves more trouble than she thought.

more troublesome=more trouble

【排除】 A) 原词陷阱

录音里 friend 只在 stay with a friend (去朋友家借住) 出现, 从没说「本可以找朋友帮忙刷漆」。这一项盗用 friend 原词, 又用 could have 这个虚拟句式凭空造了个她没说过的懊悔。

借用原文: stay with a friend

C) 未提及

对话里没有任何「她后悔没早点刷房子」的内容, 她的醒悟是刷漆太麻烦, 与时间早晚无关。这一项用 should have repainted 的虚拟语气编了一个原文不存在的后悔。

D) 偷换概念

录音里搬家具是 the price includes moving all the furniture 由公司负责的一个环节, 女方并没有说「搬家具比刷漆本身还难」。这一项盗用 furniture/moving 原词, 把她「整件事很麻烦」的醒悟偷换成「搬家具比刷漆难」这个原文没下过的比较。

借用原文: the price includes moving all the furniture

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

1 Homework is an important part of schooling, but the purposes of giving children homework will change as they grow older. At the primary level, the main aim is to cultivate good habits, like learning to plan and exercising self-discipline. During the secondary school years, extending what is learned at school is positively related to academic achievement, so the content of homework becomes more important.

家庭作业是学校教育的重要组成部分,但给孩子布置作业的目的会随着他们年龄的增长而改变。在小学阶段,主要目的是培养良好的习惯,比如学会计划和锻炼自律。在中学阶段,拓展在学校学到的知识与学业成绩呈正相关,因此作业的内容变得更加重要。

2 So how can you help your child do their best?

那么你如何帮助孩子做到最好呢?

3 Creating an ideal working environment will make it easier for them to get down to their assignments quickly. Make sure it's free of distractions, and for primary school children at least somewhere near you, so you can answer questions and offer encouragement.

创造一个理想的学习环境会让他们更容易快速投入作业。确保环境没有干扰,至少对小学生来说要在你附近的某个地方,这样你就能回答问题并给予鼓励。

4 You probably have to help younger children plan their session, but it's important that by the end of primary school it's second nature. Get them to tell you everything they have to do. Then encourage them

to establish an order in which they do work.

你可能需要帮助年幼的孩子规划他们的学习时段,但重要的是到小学毕业时这应该成为自然而然的事情。让他们告诉你所有需要做的事情,然后鼓励他们确定完成作业的顺序。

5 When there are several different assignments, make sure they begin with one they enjoy, so it seems easy to get started. It's best to take on the most difficult task second once they're settled, but before they get tired.

当有几项不同的作业时,确保他们从喜欢的作业开始,这样看起来容易上手。最好在他们进入状态后、但还没感到疲倦之前,第二个处理最难的任务。

6 If older children have more than an hour of homework, encourage them to schedule a short break to stretch.

如果年龄较大的孩子有超过一小时的作业,鼓励他们安排一个短暂的休息时间来伸展身体。

7 If you encourage them to tell you what they've learned, they'll absorb the information more deeply and remember it more readily.

如果你鼓励他们告诉你学到了什么,他们会更深入地吸收信息并更容易记住它。

16. A) To cultivate good habits.

B) To prepare for secondary school.

C) To review what is learned in class.

D) To stimulate interest in learning.

【题目】 What is the main aim of homework for primary school kids?

【翻译】小学生家庭作业的主要目的是什么?

A) 培养良好的习惯。 B) 为中学做准备。 C) 复习课堂上学到的内容。

D) 激发学习兴趣。

【答案】 A (细节题) To cultivate good habits.

【定位】 At the primary level, the main aim is to cultivate good habits, like learning to plan and exercising self-discipline.

在小学阶段,主要目的是培养好习惯,比如学会做计划和锻炼自律。

【信号】 学段词+main aim原话直给。答案句以 At the primary level 点出学段,紧跟 the main aim is to cultivate good habits 几乎把题干的 main aim 原样念出——这种『题干关键词在录音里被复述』的句子就是答案句信号。

【替换】 the main aim is to cultivate good habits ↔ **To cultivate good habits.**

近乎原词对应

【排除】 B) 张冠李戴

To prepare for secondary school. 借了录音里 During the secondary school years 的 secondary school 一词，但录音讲 secondary 时说的是『延伸课堂所学』，根本没说小学是为升中学做准备——把中学段的话错安到了小学目的上。

借用原文：During the secondary school years

C) 答非所问

To review what is learned in class. 像是改写自录音 extending what is learned at school，但那句讲的是『中学阶段』延伸课堂所学，并非小学目的；且 review（复习）也不等于 extending（延伸/拓展）。

借用原文：extending what is learned at school

D) 未提及

To stimulate interest in learning. 听起来很合理（作业激发学习兴趣），但录音讲小学目的只说了 cultivate good habits、learning to plan、self-discipline，全程没提『激发兴趣』，属于凭常识脑补出来的选项。

17. A) Discuss their academic achievements with them.

B) Create an ideal study environment for them.

C) Allow them to learn independently.

D) Check their homework promptly.

【题目】 What does the passage suggest parents do to help their children?

【翻译】 文章建议家长做什么来帮助孩子？

A) 与孩子讨论他们的学业成绩。 B) 为孩子创造理想的学习环境。

C) 允许孩子独立学习。 D) 及时检查孩子的家庭作业。

【答案】 B（细节题） Create an ideal study environment for them.

【定位】 Creating an ideal working environment will make it easier for them to get down to their assignments quickly.

营造一个理想的学习环境，会让孩子更容易快速投入到作业中。

【信号】 首句建议句直陈做法。 第3段开头 Creating an ideal working environment 就是一条建议家长落地去做的具体动作，篇章里这种『动名词/祈使开头、紧跟好处』的句子是典型建议落点。

【替换】 Creating an ideal working environment ↔ **Create an ideal study environment for them.**
working≈study的同义替换

【排除】 A) 原词陷阱

Discuss their academic achievements with them. 借了录音 academic achievement 这个原词，但那是在讲『中学作业与学业成绩正相关』，根本没让家长去和孩子『讨论成绩』——听到 achievement 就选正中陷阱。

借用原文：academic achievement

C) 与原文相反

Allow them to learn independently. 看似呼应录音 by the end of primary school it's second nature (小学末要变成自觉)，但录音始终在讲家长要『帮忙、陪在旁边』

(somewhere near you)，方向是陪伴而非放手，选独立自学正好反了家长此刻该做的事。

借用原文：somewhere near you

D) 原词陷阱

Check their homework promptly. 用了话题原词 homework，特别勾人，但录音从没让家长『及时检查作业』，只说营造环境、陪在旁边答疑鼓励 (answer questions and offer encouragement)，check homework 是无中生有。

借用原文：answer questions and offer encouragement

-
18. A) Finish them before they get tired.
B) Tackle the most difficult task first.
C) Start with something they enjoy.
D) Focus on the most important ones.

【题目】 What should children do to deal with multiple assignments?

【翻译】 孩子应该如何处理多项作业？

- A) 在感到疲劳之前完成作业。 B) 先处理最困难的任务。 C) 从自己喜欢的内容开始。
D) 专注于最重要的作业。

【答案】 C (细节题) Start with something they enjoy.

【定位】 When there are several different assignments, make sure they begin with one they enjoy, so it seems easy to get started.

当有好几项不同的作业时，要确保孩子从一项他们喜欢的开始做，这样起步就显得轻松。

【信号】 情境词+begin with点起手。录音先用 When there are several different assignments 复述了题干的『多项作业』情境，紧跟 begin with one they enjoy 用次序词 begin with 直接点出第一步——情境复述+次序词就是答案句信号。

【替换】 begin with one they enjoy ↔ Start with something they enjoy.

begin with=Start with的同义替换

【排除】 A) 原词陷阱

Finish them before they get tired. 借了录音 before they get tired 的 tired 一词，但原文 before they get tired 是修饰『第二步做最难的要赶在累之前』，不是说『趁不累把全部做完』——把限定条件偷换成了总目标。

借用原文：before they get tired

B) 与原文相反

Tackle the most difficult task first. 用了录音原词 the most difficult task，极其诱人，但录音说的是 take on the most difficult task second——是『第二步』才做最难的，选项却改成 first，次序被反，与原文相反。

借用原文：take on the most difficult task second

D) 未提及

Focus on the most important ones. 的 most important 听着和 18B 的 most difficult 很像、也很合常理，但录音排序依据是『喜欢的先、最难的第二』，从没按『重要性』排，important 是脑补出来的。

Questions 19 to 21 are based on the passage you have just heard.

1 Workers at Mexican oil company will receive a healthy incentive of almost \$300 a year if they meet certain body weight standards. To qualify for the bonus, they must maintain a healthy weight. For those who are overweight or obese, they could receive the bonus if they reduce their weight by 10% during the year.

墨西哥石油公司的员工如果达到特定体重标准，将获得每年近300美元的丰厚奖励。要获得这项奖金，他们必须保持健康体重。对于超重或肥胖的员工，如果在一年内减重10%，也可以获得该奖金。

2 Some applaud the policy as fair, because it rewards both the individuals who maintain a healthy weight and those who are working towards achieving it.

一些人赞扬这项政策公平合理，因为它既奖励保持健康体重的个人，也奖励那些正在努力实现这一目标的人。

3 But critics say the policy contradicts recommendations by many health experts, who warn that a person's weight is influenced by genetic and environmental factors. That means weight can be hard for individuals to control, which makes the bonus unfair.

但批评者表示，这项政策与许多健康专家的建议相矛盾，这些专家警告说，一个人的体重受遗传和环境因素的影响。这意味着体重对个人来说很难控制，这使得这项奖金不公平。

4 Some experts say the policy is inconsistent with the science of what we know about body weight regulation. These experts argue that focusing on wage is the wrong approach. A more productive method of encouraging health among employees is to promote healthy behaviors. For example, companies can give workers gym memberships, or encourage participation in lectures on healthy eating and living. They can also reduce sweets and provide healthier snacks in the office and healthier meals at the company

canteen. Or they can give employees more time during their lunch break to exercise. These are much better and much more productive ways for companies to move forward on their employees' wellbeing.

一些专家表示,这项政策与我们关于体重调节的科学知识不一致。这些专家认为,关注体重是错误的方法。鼓励员工健康的更有效方法是促进健康行为。例如,公司可以为员工提供健身房会员资格,或鼓励参加有关健康饮食和生活的讲座。他们还可以减少甜食,在办公室提供更健康的零食,在公司食堂提供更健康的餐食。或者他们可以在午休时间给员工更多时间锻炼。这些都是公司在员工福祉方面前进的更好、更有效的方式。

19. A) Workers who meet its body weight standards.
B) Workers who can lose 30 pounds in a year.
C) Workers who try the hardest to lose weight.
D) Workers who are in the top 10% of the slimmest.

【题目】 Who will qualify for the bonus in Mexican oil company?

【翻译】 谁将有资格获得墨西哥石油公司的奖金?

- A) 符合其体重标准的员工。 B) 一年内能减掉30磅的员工。 C) 最努力减肥的员工。
D) 体重最轻的前10%的员工。

【答案】 A (细节题) Workers who meet its body weight standards.

【定位】 Workers at Mexican oil company will receive a healthy incentive of almost \$300 a year if they meet certain body weight standards. To qualify for the bonus, they must maintain a healthy weight.

墨西哥这家石油公司的员工, 如果达到一定的体重标准, 每年可领到将近 300 美元的健康奖励。要拿到这笔奖金, 他们必须保持健康的体重。

【信号】 qualify 与 if 引出的资格条件句。 录音出现题干同源词 qualify, 且紧跟 To qualify for the bonus, they must maintain a healthy weight 这一明确的资格条件句, 加上前句 if they meet certain body weight standards 的 if 条件, 正是承载答案的信号句。

【替换】 they meet certain body weight standards ↔ **meet its body weight standards**

近乎同表, certain→its 的限定替换

they must maintain a healthy weight ↔ **meet its body weight standards**

保持健康体重=达到体重标准

【排除】 B) 原词陷阱

B 借了录音里的减重情节，但录音说的是 reduce their weight by 10% (减重 10%)，选项却写成 lose 30 pounds in a year (一年减 30 磅)，数字被偷换，属听到减重就想选的原词陷阱。

借用原文：reduce their weight by 10% during the year

C) 未提及

C 说奖给 Workers who try the hardest to lose weight (最努力减重的人)，录音判定标准只看体重结果 (达标或减 10%)，从没提以努力程度评奖，属无中生有。

D) 原词陷阱

D 用了录音里的数字 10%，但录音的 reduce their weight by 10% 是减重幅度 10%，选项却说成 in the top 10% of the slimmest (最瘦的前 10%)，把幅度偷换成排名，属原词陷阱。

借用原文：reduce their weight by 10% during the year

20. A) Impractical.

B) Inconsistent.

C) Unmanageable.

D) Unfair.

【题目】 What do critics think of Mexican oil company's bonus policy?

【翻译】 批评者如何看待墨西哥石油公司的奖金政策？

A) 不切实际。 B) 前后矛盾。 C) 难以管理。 D) 不公平。

【答案】 D (态度观点题) Unfair.

【定位】 But critics say the policy contradicts recommendations by many health experts, who warn that a person's weight is influenced by genetic and environmental factors. That means weight can be hard for individuals to control, which makes the bonus unfair.

但批评者说，这项政策与许多健康专家的建议相抵触，这些专家警告说，一个人的体重受遗传和环境因素影响。这意味着体重对个人来说可能难以控制，这就使得这笔奖金不公平。

【信号】 题干主语 **critics** 出现 + 转折 **But** + 结论 **unfair**。录音以 But critics say 直接对上题干的 critics，转折词 But 标示真正的批评态度要来了，段末 which makes the bonus unfair 给出批评者的定性结论，是答案句。

【替换】 which makes the bonus unfair ↔ **Unfair**

原词直现的评价结论

【排除】 A) 未提及

A 说政策 Impractical (不切实际), 录音批评者的定性是 unfair (不公平), 从未说它不切实际, 属未提及的近义干扰。

B) 张冠李戴

B 的 Inconsistent 确是录音原词, 但说它的是第 4 段的 Some experts say the policy is inconsistent, 而本题问的是 critics (批评者) 的看法, 二者不是同一方, 属张冠李戴。

借用原文: Some experts say the policy is inconsistent with the science

C) 偷换概念

C 说政策 Unmanageable (难以管理), 录音里批评者谈的是体重难以由个人控制 (hard for individuals to control), 讲的是个人控体重难, 不是政策难管理, 属偷换概念加未提及。

21. A) Offer them much fatter bonuses.

B) Improve working environment.

C) Encourage healthy behaviors.

D) Provide free lunch and snacks.

【题目】 What do experts propose companies do about workers' wellbeing?

【翻译】 专家建议公司如何对待员工福祉?

A) 向他们提供更丰厚的奖金。 B) 改善工作环境。 C) 鼓励健康行为。

D) 提供免费午餐和零食。

【答案】 C (细节题) Encourage healthy behaviors.

【定位】 These experts argue that focusing on wage is the wrong approach. A more productive method of encouraging health among employees is to promote healthy behaviors.

这些专家认为, 盯着工资是错误的做法。在员工中促进健康的一种更有效的方法, 是推动健康的行为。

【信号】 对比 wrong approach 与 A more productive method 引出的建议句。录音先用 focusing on wage is the wrong approach 否定旧法, 紧接 A more productive method... is to promote healthy behaviors 这个更有效的方法句正面给出专家建议, 是承载答案的信号句。

【替换】 to promote healthy behaviors ↔ Encourage healthy behaviors

promote=encourage 的近义替换

【排除】 A) 原词陷阱

A 说 Offer them much fatter bonuses (发更肥的奖金), 借了全篇核心词 bonus, 但专家明说 focusing on wage is the wrong approach, 盯着钱正是被否定的错误做法, 属原词陷阱加与原文相反。

借用原文: focusing on wage is the wrong approach

B) 未提及

B 说 Improve working environment, 录音专家给的建议是促进健康行为并举了健身、讲座、健康饮食等例, 没提改善工作环境这一概括, 属未提及。

D) 答非所问

D 的 Provide free lunch and snacks 确与录音 provide healthier snacks... and healthier meals at the company canteen 沾边, 但那只是促进健康行为的具体举例之一, 题目要的是上位的建议, 拿例子冒充结论, 属以偏概全。

借用原文: provide healthier snacks in the office and healthier meals at the company canteen

Questions 22 to 25 are based on the passage you have just heard.

1 Campaigners have warned that the British government is not doing enough to prevent left-handed pupils from falling behind their peers. They claim that thousands of children are still being "penalized" for being left-handed. This is due to a lack of action from ministers, who've failed to take any meaningful action for years.

活动人士警告称,英国政府在防止左撇子学生落后于同龄人方面做得不够。他们声称,成千上万的儿童仍因左撇子而受到“惩罚”。这是由于部长们缺乏行动,多年来未能采取任何有意义的措施。

2 It is feared that a failure to address early-year challenges, such as poor handwriting, leads to much more serious problems down the line—with these pupils facing reduced career prospects.

人们担心,如果不能解决早期阶段的挑战,例如书写能力差,会导致后续出现更严重的问题——这些学生将面临职业前景受限的困境。

3 Studies in recent years show that left-handed children are more likely to suffer with learning difficulties and their scores are lower on IQ tests.

近年来的研究表明,左撇子儿童更容易出现学习困难,他们在智商测试中的得分也较低。

4 Campaigners feel it's strange that children in British schools are penalized because they happen to be left-handed. They don't understand why successive governments have failed to act on this. They want the department of education to record which children are left-handed and what their educational attainments are, since they make up some 10% of the population.

活动人士认为奇怪的是,英国学校的儿童会因为恰好是左撇子而受到惩罚。他们不理解为什么历届政府都未能就此采取行动。他们希望教育部记录哪些儿童是左撇子以及他们的学业成绩如何,因为左撇子占人口的约10%。

5 In early-year education, left-handed children are struggling and making a mess of their handwriting. Educators don't know how to deal with this. In many cases, there is no active help and a lack of teacher

training. Campaigners point out that a high percentage of the prison population is left-handed. They say that these prison numbers are unusually high and ask why it is the case.

在早期教育中,左撇子儿童很吃力,把字写得一团糟。教育工作者不知道如何应对这一问题。在许多情况下,没有积极的帮助,也缺乏教师培训。活动人士指出,监狱人口中左撇子的比例很高。他们说这些监狱数字异常高,并询问为什么会出现这种情况。

22. A) It has not done enough to help left-handed children.
B) It has treated left-handed children as being disabled.
C) It has not built facilities specially for the left-handed.
D) It has ignored campaigns on behalf of the left-handed.

【题目】 Why are some people criticizing the British government?

【翻译】 为什么有些人批评英国政府?

- A) 英国政府在帮助左撇子儿童方面做得不够。
B) 英国政府把左撇子儿童当作残疾人对待。 c) 英国政府没有专门为左撇子建造设施。
D) 英国政府忽视了代表左撇子的运动。

【答案】 A (细节题) It has not done enough to help left-handed children.

【定位】 Campaigners have warned that the British government is not doing enough to prevent left-handed pupils from falling behind their peers.

活动倡导者警告说, 英国政府在防止左撇子学生落后于同龄人方面做得不够。

【信号】 warned 引出的批评首句。 录音开篇即由 Campaigners have warned that 引出批评, warned(警告)是明确的指责信号, 紧随其后的 the British government is not doing enough 就是被批评的具体内容, 是承载答案的那一句。

【替换】 the British government is not doing enough to prevent left-handed pupils from falling behind ↔
It has not done enough to help left-handed children

防止落后=帮助, 措辞改写

【排除】 B) 未提及

treated left-handed children as being disabled 说政府"把左撇子当残疾人对待", 录音从头到尾没有 disabled 这个说法, 是凭"左撇子常被特殊对待"的常识硬推出来的, 属未提及。

C) 偷换概念

not built facilities specially for the left-handed 把批评落到"没建专门设施"。录音批评的是政府/部长 failed to take any meaningful action\ (没采取有意义的行动\), 从未提"设施"; 选项用一个看似具体的硬件方向偷换了"行动不足"这一真正指责点。

D) 张冠李戴

ignored campaigns on behalf of the left-handed 说政府"无视了为左撇子发起的呼吁"。录音里 Campaigners(活动倡导者)是发出批评的一方, Campaigners have warned; 选项盗用了 campaign 这个原词, 却把"倡导者在批评"反说成"政府无视呼吁", 是把发声方和被批方混在一起的张冠李戴, 且"无视呼吁"不等于首句明指的"做得不够"。

借用原文: Campaigners have warned that the British government is not doing enough

23. A) They are as intelligent as other children.
B) They have a distinctive style of handwriting.
C) They sometimes have psychological problems.
D) They tend to have more difficulties in learning.

【题目】 What do studies in recent years show about left-handed children?

【翻译】近年来的研究显示左撇子儿童有什么特点?

- A) 他们和其他儿童一样聪明。 B) 他们有独特的书写风格。 C) 他们有时会有心理问题。
D) 他们在学习方面往往有更多困难。

【答案】 D (细节题) They tend to have more difficulties in learning.

【定位】 Studies in recent years show that left-handed children are more likely to suffer with learning difficulties and their scores are lower on IQ tests.

近年的研究表明, 左撇子孩子更可能存在学习困难, 他们在智商测试中的得分也更低。

【信号】 Studies show 引出的结论句。录音 Studies in recent years show that 与题干用词几乎重合, 是明显的定位信号; 其后 more likely to suffer with learning difficulties 就是研究给出的结论, 承载答案。

【替换】 more likely to suffer with learning difficulties ↔ **tend to have more difficulties in learning**
更可能有=更倾向有, 近义改写

【排除】 A) 与原文相反

as intelligent as other children\ (和别人一样聪明)\ 与录音相反: 录音说 their scores are lower on IQ tests\ (智商测试得分更低)\, 恰恰是"不一样/更低", 选项把极性反了过来。

借用原文: their scores are lower on IQ tests

B) 原词陷阱

a distinctive style of handwriting\ (独特的书写风格)\ 盗用了录音多处提到的 handwriting。录音里 handwriting 是 poor handwriting\ (糟糕的书写)\、是困难, 绝非"独特风格"这种中性/褒义说法; 本题问的又是 studies 的结论, 与书写无关, 属答非所问。

借用原文: poor handwriting

C) 未提及

psychological problems\ (心理问题)\ 在 studies 那句里没有对应, 录音 P3 只说了 learning difficulties 和 IQ 得分低, 没提心理; "左撇子有心理问题"是听起来合理的常识联想, 但录音没念到。

24. A) Punish teachers discriminating against left-handed students.

B) Lay more emphasis on improving children's mental health.

C) Encourage students to develop various professional skills.

D) Keep track of left-handed children's school performance.

【题目】 What do the campaigners demand the department of education do?

【翻译】 运动人士要求教育部门做什么?

- A) 惩罚歧视左撇子学生的教师。 B) 更加重视改善儿童的心理健康。
C) 鼓励学生发展各种专业技能。 D) 跟踪左撇子儿童的学业表现。

【答案】 D (细节题) Keep track of left-handed children's school performance.

【定位】 They want the department of education to record which children are left-handed and what their educational attainments are.

他们希望教育部门记录哪些孩子是左撇子、以及他们的学业成绩如何。

【信号】 want 引出的诉求句。 录音 They want the department of education to 用 want 直接给出诉求, want 后面接的 record which children are left-handed and what their educational attainments are 就是要求做的事, 是答案句。

【替换】 record which children are left-handed and what their educational attainments are ↔

Keep track of left-handed children's school performance

记录学业成绩=追踪学业表现

【排除】 A) 原词陷阱

Punish teachers discriminating against left-handed students 借了录音末段的 teacher(出现在 a lack of teacher training)。录音说的是"缺乏教师培训", 从没要求"惩罚老师"; Punish 这一强硬动作是录音没有的, 属原词陷阱。

借用原文: a lack of teacher training

B) 未提及

improving children's mental health 把诉求引向"心理健康"。录音的诉求只在"记录左撇子身份与学业成绩", 全篇没提 mental health; 本项用一个貌似教育部门该管的方向偷换了真正的诉求。

C) 答非所问

develop various professional skills\ (发展各种职业技能\)在录音诉求句里没有对应。录音 P2 虽提到 reduced career prospects\ (职业前景受损\), 但那是描述后果, 不是"要求教育部门去发展技能", 本项答非所问。

借用原文: facing reduced career prospects

25. A) How they can be reduced in number.

B) Why their numbers are so high.

C) What percentage they account for.

D) If their percentage keeps increasing.

【题目】 What do the campaigners want to know about left-handed prisoners?

【翻译】 运动人士想了解左撇子囚犯的什么情况?

- A) 如何减少他们的数量。 B) 为什么他们的数量如此之高。 C) 他们占的百分比是多少。
D) 他们的百分比是否持续增加。

【答案】 B (细节题) Why their numbers are so high.

【定位】 They say that these prison numbers are unusually high and ask why it is the case.

他们说这些监狱里的人数高得反常, 并追问为什么会这样。

【信号】 ask why 的追问信号。 录音末句 ask why it is the case 里的 ask why 是明确的"追问原因"信号; 前半 these prison numbers are unusually high 交代了他们想弄清的对象\ (数量为何反常地高\), 整句承载答案。

【替换】 these prison numbers are unusually high and ask why it is the case ↔

Why their numbers are so high

追问数量为何反常高=问为何这么高

【排除】A) 偷换概念

How they can be reduced in number\ (如何减少其数量)\ 录音没说。录音只是追问"为什么高", 并未谈"怎么把它降下来"; 本项把"问原因"偷换成"找办法"。

C) 原词陷阱

What percentage they account for 借了录音里 a high percentage of the prison population is left-handed 中的 percentage 一词。但录音用 percentage 是为了铺垫"人数反常高"、进而追问原因, 呼吁者想知道的是"为什么高"而非"占多少比例"; 本项用一个真念到的数字词诱你选偏。

借用原文: a high percentage of the prison population is left-handed

D) 过度推断

If their percentage keeps increasing\ (比例是否持续上升)\ 同样盗用 percentage 一词, 但录音从未说"在不在增长", 只说 unusually high\ (反常地高); "持续上升"是录音没有的延伸。

借用原文: these prison numbers are unusually high

SENTENCE INSIGHTS • 句子精讲

40 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Both of the dogs had been sent to the wrong destinations on connecting flights from Denver, with Buddy mistakenly being sent to Japan instead.

第5段, 第1句

本句包含主语、谓语、三个不同类型的状语(地点状语、方式状语、伴随状语), 成分较为丰富。尤其是 with 独立主格结构作为伴随状语, 是值得练习的语法点。对于学习如何识别和划分状语、理解独立主格结构的作用, 本句有较高的训练价值。

Semba, her mother, is a 30-year-old African elephant.

第2段, 第1句

本句涵盖主语、同位语、系动词、表语四种成分, 其中同位语的识别(被逗号隔开、对主语的补充说明)是一个值得练习的知识点。但整体成分种类较少, 且无复杂修饰结构, 训练价值中等偏下。

Meanwhile, Krivoy discovered that the gold coin was very rare.

第5段，第2句

主句 + 宾语从句是四六级和考研阅读中的高频句式，that 引导宾语从句跟在及物动词后是典型用法，掌握此结构可迁移到大量类似句子。

M: But can anyone be sure if the decline is really caused by the hunting or by climate change?

第2段，第1句

疑问句 + 宾语从句的组合在考试中较为常见，尤其是 whether/if 引导的宾语从句。被动语态在从句中的使用也是典型考点。并列结构（or 连接两个介词短语）是常见句式。这种疑问 + 从属 + 被动 + 并列的组合具有较强的代表性，掌握后可应用于大量真题句式分析。

Yet, there's no commercial farming of these birds nowadays.

第7段，第3句

"there be" 句型在四六级和考研阅读中较为常见，属于基础句式，但本句结构过于简单，不具备真题中常见的修饰层次或从句嵌套，代表性中等。

W: Well, ducks have never been popular with farmers like my grandfather anyway because they sometimes destroy crops.

第9段，第1句

主句使用现在完成时搭配原因状语从句，是四六级和考研阅读中较常见的句式；because 引导的原因从句是高频结构，学习后迁移性强；但整体复杂度偏低，不如多层嵌套或定语从句的句子更具代表性。

What does the woman say has caused the shrinking of ducks' habitats in Australia?

第9题题干

这句结构不算极端复杂，但非常典型，且同时覆盖外层提问框架、内层内容结构和现在完成时识别，训练收益高。对句子结构与时态的综合练习来说，值得优先学习。

The second is guaranteed to look great for about 10 years, whereas the cheaper one will start to dull after around six or seven years.

第3段，第4句

"whereas" 引导对比状语从句是四六级和考研阅读中常见的句式,用于对比两个事物的不同特征。主句中的被动语态加不定式结构也较为典型。掌握本句的分析方法可迁移到大量类似对比句型中。

W: In that case, we would prefer the more expensive option.

第4段，第1句

"情态动词 + 动词原形" 结构在四六级和考研阅读中较为常见，尤其是 "would prefer" 这种表达委婉意愿或假设选择的用法在对话和议论文中频繁出现。掌握这种结构有一定的迁移价值。但本句整体过于简单，缺少从句或复杂修饰，典型性中等偏上。

M: Please bear in mind that the price includes moving all the furniture, and the whole task would take two days.

第7段，第1句

祈使句加宾语从句、并列主句补充说明的结构在口语和应用文中极为常见，"bear in mind that"和"would take"都是四六级听力和阅读中的高频句式，掌握后可直接迁移到大量类似场景的理解和表达中，代表性强。

So every time we paint a room, we first have to move the furniture to another room.

第9段，第2句

"every time" 引导的时间状语从句 + 主句结构在四六级和考研阅读中频繁出现，"have to" 表示必要性的用法也是高频句式。本句结构简单但典型，学习后可直接迁移到大量类似句子，实用性强。

Plus, it requires two people, which works out more expensive.

第9段，第4句

非限制性定语从句用 "which" 指代整句内容是四六级和考研常见句式，系动词短语作谓语也是典型结构。掌握后可在阅读和写作中大量复用。

Most of our clients go through the same realization.

第13段，第2句

简单句的主谓宾结构在真题中常见，动词短语 "go through" 也是常考搭配，但本句无复杂修饰或从句，作为典型句式代表性一般，迁移价值中等。

Have her house repainted.

第12题，A

结构高度典型。祈使句和使役结构 have something done 都是四六级和考研中的常考句式，掌握后可迁移到大量类似表达（如 get it done, make it known 等），实用性和复用性很强。

She could have asked a friend for help with the paint job.

第15题，A

情态动词加完成式（could/should/would have done）是四六级和考研阅读中的高频结构，常用于表达对过去的推测、遗憾或未实现的可能性。本句的主谓宾加状语框架也是标准句式，掌握后可迁移到大量类似句子。因此结构具有较高的典型性和复用价值。

She should have repainted her house much earlier.

第15题，C

情态动词加完成式（should have done）是四六级和考研中常考的结构，用于表达对过去动作的遗憾、责备或推测，句式简洁且具有高度代表性，掌握后可大量复用到类似表达中。

During the secondary school years, extending what is learned at school is positively related to academic achievement, so the content of homework becomes more important.

第1段，第3句

动名词短语作主语在四六级和考研阅读中高频出现，宾语从句由 "what" 引导且 "what" 在从句中充当成分也是典型结构，并列主句通过因果连词连接是常见的句式。本句结构具有较高的代表性，学生掌握后可在大量真题和学术文本中复用这些模式。唯一不足是句子整体长度和复杂度属于中等偏下，未涉及更高级的结构如多重嵌套或特殊句式。

Creating an ideal working environment will make it easier for them to get down to their assignments quickly.

第3段，第1句

本句结构非常典型。"make it + 形容词 + for sb to do sth" 是四六级和考研阅读中的高频句式，动名词短语作主语也是常考结构。这类句式在真题中反复出现，掌握后可以大量复用到类似句子的理解和翻译中，具有很强的代表性和实用性。

Then encourage them to establish an order in which they do work.

第4段，第3句

句子覆盖了宾语、宾语补足语（不定式）、定语从句（关系代词引导）等多种成分，且定语从句中 "in which" 的用法（介词前置）是易错点，值得练习。宾补与定语从句的叠加结构对成分划分有一定训练价值，但句子整体不算复杂，未涉及更高阶的成分类型（如独立主格、同位语从句等）。

When there are several different assignments, make sure they begin with one they enjoy, so it seems easy to get started.

第5段，第1句

本句结构高度典型：时间状语从句 + 主句 + 宾语从句 + 定语从句 + 结果状语从句的组合是考试中常见的复合句模式。祈使句 make sure 接宾语从句、定语从句省略关系代词、so 引导结果状语从句、it 作形式主语等都是四六级和考研真题的高频考点。掌握此句的分析方法可直接迁移到大量类似句型。

It's best to take on the most difficult task second once they're settled, but before they get tired.

第5段，第2句

形式主语 + 不定式结构 ("It is + 形容词 + to do") 以及时间状语从句 ("once"、"before") 都是四六级和考研常考句式。两个状语从句通过 "but" 连接的用法也有一定代表性，学生掌握后可在多种语境中复用。

What does the passage suggest parents do to help their children?

第17题题干

本句是典型的阅读理解题干句式，主句加宾语从句的嵌套结构在四六级和考研真题中频繁出现，suggest后的虚拟语气用法也是常考点，结构代表性很强。

Allow them to learn independently.

第17题，C

成分种类适中，含一个典型易错点。本句覆盖主语（省略）、谓语、宾语、宾语补足语四种成分，其中宾补 "to learn independently" 是学生常与目的状语混淆的结构，具有一定训练价值。但成分总数有限，缺少定语、状语等其他类型，丰富度中等。

Focus on the most important ones.

第18题，D

祈使句在四六级和考研写作、翻译中常见，尤其在建议类、指令类表达中频繁出现。掌握这种结构对应用文写作有一定帮助，但相比复杂句式，其结构过于简单，迁移价值中等。

Some applaud the policy as fair, because it rewards both the individuals who maintain a healthy weight and those who are working towards achieving it.

第2段，第1句

原因状语从句配合定语从句的嵌套是四六级和考研阅读中的常见句式，尤其是 "both ... and ..." 并列结构中各自带定语从句的情况在议论文中频繁出现，掌握后可迁移到大量类似长句

But critics say the policy contradicts recommendations by many health experts, who warn that a person's weight is influenced by genetic and environmental factors.

第3段，第1句

该句结构高度典型：主句 + 宾语从句 + 非限制性定语从句 + 宾语从句的嵌套模式，在四六级和考研真题中非常常见，掌握后可大量复用于类似长难句的分析。

That means weight can be hard for individuals to control, which makes the bonus unfair.

第3段，第2句

主句带宾语从句 + 非限制性定语从句的组合是四六级和考研阅读中的高频句式。宾语从句省略 that、which 引导非限制性定语从句补充说明前文、make 加宾补表达因果关系，都是真题常考结构。掌握本句的分析方法可直接迁移到大量类似长句，实用性强。

For example, companies can give workers gym memberships, or encourage participation in lectures on healthy eating and living.

第4段，第4句

双宾语结构 "give + 人 + 物" 以及并列谓语的承前省略,都是四六级和考研英语阅读中的高频句式。本句作为例证说明的句型("For example, ...")也符合学术和应用文写作的典型表达,学习者掌握后可在多种语境中复用。

What do experts propose companies do about workers' wellbeing?

第21题题干

特殊疑问句嵌套宾语从句、宾语从句使用虚拟语气、疑问词提前兼做双重成分,这些都是四六级和考研英语阅读中的典型结构,尤其 propose/suggest/recommend 等动词后接虚拟语气宾语从句是高频考点,掌握后迁移性强

Campaigners have warned that the British government is not doing enough to prevent left-handed pupils from falling behind their peers.

第1段，第1句

主句 + that 引导的宾语从句是四六级和考研英语阅读中的高频句式,特别是在新闻报道和学术文章中常见。从句内嵌套不定式作目的状语也是典型搭配。这种结构的掌握对应试和阅读理解有较强的迁移价值。

They claim that thousands of children are still being "penalized" for being left-handed.

第1段，第2句

主句加宾语从句是四六级和考研英语阅读中的高频句式, "claim/say/think + that从句"这种结构在真题中反复出现。从句中现在进行时被动语态的组合以及 "for + 动名词"表原因的用法,也是真题常考的语法现象。掌握本句结构后可以迁移到大量类似句子。

This is due to a lack of action from ministers, who've failed to take any meaningful action for years.

第1段，第3句

主句 This is due to 表原因的结构、非限制性定语从句修饰名词、现在完成时搭配 for + 时间段,都是四六级和考研英语阅读中常见的句式。整体结构不算特别复杂,但各部分都是典型用法,学生掌握后可在多种语境中复用,具有较高的代表性和迁移价值。

It is feared that a failure to address early-year challenges, such as poor handwriting, leads to much more serious problems down the line—with these pupils facing reduced career prospects.

第2段，第1句

这句结构典型、可迁移性强，且能集中训练形式主语、名词性从句和附加说明的识别。虽然时态难度不高，但正因为时态简单，更适合把注意力放在结构拆解上，值得优先训练。

They want the department of education to record which children are left-handed and what their educational attainments are, since they make up some 10% of the population.

第4段，第3句

本句覆盖主谓宾、主系表、不定式复合结构、并列宾语从句、状语从句等多种成分，且两个宾语从句中的疑问词分别充当表语和表语前置，可训练疑问词在从句中的成分判断，成分种类丰富且有典型易错点。

Campaigners point out that a high percentage of the prison population is left-handed.

第5段，第4句

主句 + that 引导的宾语从句是四六级和考研阅读中的高频句式，尤其是在表示观点、陈述、发现等语境中极为常见，掌握这个结构可以应对大量类似句子。

It has not done enough to help left-handed children.

第22题，A

简单句 + 现在完成时 + 不定式作目的状语是常见搭配，在四六级和考研阅读中经常出现，具有一定代表性；但由于结构过于简单，没有复杂句式的典型特征，代表性属于中等水平。

They are as intelligent as other children.

第23题，A

as ... as 原级比较结构是四六级和考研常考句式，频繁出现在阅读和翻译中。比较从句中的省略现象也是典型用法。掌握本句可直接迁移到大量同类比较句的理解，代表性较强。

What do the campaigners demand the department of education do?

第24题 题干

本句成分划分训练价值高:涵盖主句的主谓宾、宾语从句的主谓宾,且宾语"What"跨越两个分句被提前到句首,学生需要识别长距离依存关系;还涉及虚拟语气从句中谓语的判定(易误认"do"为情态动词或省略标志),以及疑问句中助动词与实义动词的区分;这些都是易错且高频的考点。

Lay more emphasis on improving children's mental health.

第24题, B

祈使句在考试中较常见,尤其在建议类、倡议类写作中频繁使用;"动词 + 宾语 + 介词短语"的搭配模式也较为典型,具有一定代表性,但结构过于简单,迁移价值中等。

Keep track of left-handed children's school performance.

第24题, D

祈使句在四六级、考研阅读中较少作为考查重点,但在应用文写作(建议信、通知类)中偶有出现;作为句式代表性中等

adj. 木制的, 木头的

本卷4次·真题 15 句

employee A2

n. 雇员, 员工

本卷3次·真题 194 句

learning A1

n. 学习

本卷3次·真题 120 句

physical B1

adj. 身体的

本卷3次·真题 98 句

decline B2

v. 下降

本卷3次·真题 73 句

wild A2

adj. 野生的

本卷3次·真题 42 句

assignment B1

n. (学校的) 作业、任务

本卷3次·真题 29 句

commercial B2

adj. 商业的

本卷3次·真题 23 句

percentage B1

n. 百分比, 百分率

本卷3次·真题 15 句

farming A2

n. 农业;耕作

本卷3次·真题 14 句

lack B1

v. 缺少

本卷2次·真题 115 句

focus B1

n. 重点

本卷2次·真题 107 句

individual B2

adj. 单独的

本卷2次·真题 79 句

academic B2

adj. 学术的

本卷2次·真题 69 句

department A2

n. 部门

本卷2次·真题 66 句

climate B1

n. 气候

本卷2次·真题 60 句

claim B1

v. 声称

本卷2次·真题 56 句

realize B1

v. 意识到, 认识到

本卷2次·真题 50 句

recently A2

adv. 最近

本卷2次·真题 48 句

easily A2

adv. 容易地

本卷2次·真题 47 句

maintain B1

v. 维持

本卷2次·真题 44 句

facility B2

n. 设施

本卷2次·真题 43 句

aim B1

v. 瞄准

本卷2次·真题 38 句

female

A2

adj. 女性的

本卷2次·真题 37 句

snack

A2

n. 零食

本卷2次·真题 37 句

expand

B2

v. 扩大;扩展;增长

本卷2次·真题 34 句

achievement

B1

n. 成就

本卷2次·真题 33 句

productive

B2

adj. 富有成效的

本卷2次·真题 32 句

cultivate

B2

v. 培养, 发展 (技能、态度、关系等)

本卷2次·真题 31 句

legal

B1

adj. 法律的

本卷2次·真题 23 句

habitat

kilogram

A2

n. 千克, 公斤 (重量单位, 等于1000克)

本卷2次·真题 8 句

qualify B2

v. 使具备资格;取得资格

本卷2次·真题8句

likely A2

adj. 很可能的

本卷1次·真题224句

effect A2

n. 影响

本卷1次·真题156句

online A2

adj. 在线的

本卷1次·真题145句

better A1

adj. 更好的 (good 的比较级)

本卷1次·真题139句

tend B1

v. 倾向于, 往往会

本卷1次·真题137句

customer A2

n. 顾客, 客户

本卷1次·真题124句

career B1

n. 职业

本卷1次·真题119句

process B1

n. 过程

本卷1次·真题108句

quality A2

n. 质量

本卷1次·真题100句

decade B1

n. 十年

本卷1次·真题99句

type A2

n. 类型

本卷1次·真题97句

behavior B1

n. 行为

本卷1次·真题92句

mental B1

adj. 精神的

本卷1次·真题86句

least A2

det. 最少的

本卷1次·真题84句

challenge B1

n. 挑战

本卷1次·真题80句

concern B1

v. 涉及

本卷1次·真题 79 句

traditional B1

adj. 传统的

本卷1次·真题 79 句

factor B1

n. 因素

本卷1次·真题 77 句

later A1

adv. 以后, later

本卷1次·真题 70 句

professional B1

adj. 专业的

本卷1次·真题 67 句

performance B1

n. 表演

本卷1次·真题 66 句

involve B1

v. 包含

BLANKS & ANALYSIS • 选词填空题和解析

选词填空题和解析 · 26–35 题

本页 26–35 题的正确答案词与逐空解析由懒笔记按2021年12月·第1套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、3 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第1套(2021-12) • 四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Many people believe that passion and commitment are the foundations of strong romantic relationships. But a relationship is made of two 26 individuals. And the personality traits(特性) these individuals 27 or lack can often make a relationship more or less likely to 28 . Recent research has found that one trait in particular—humility(谦逊)—is an important indicator of successful relationships.

许多人认为激情和承诺是牢固恋爱关系的基础。但一段关系是由两个独特的个体组成的。这些个体所拥有或缺乏的人格特质往往能使一段关系更有可能或更不可能持久。最近的研究发现,有一种特质——谦逊——是成功关系的重要指标。

Humility can sometimes be 29 with a lack of confidence. But researchers have come to realize that being humble generally indicates the 30 of deeply admirable personal qualities. Being humble means you have the ability to accurately 31 your deficiencies without denying your skills and strengths. For example, you might recognize that you are intelligent, but realize that you are not a 32 . Thus, humility leads to an honest view of one's own advantages and shortcomings. Humble people do not ignore, avoid, or try to deny their limits or deficiencies. They can 33 mistakes, see value in things that are far from perfect and identify areas for improvement.

谦逊有时会被误解为缺乏自信。但研究人员已经认识到,谦逊通常表明具有令人钦佩的个人品质。谦逊意味着你有能力准确评估自己的不足,同时不否认自己的技能和优势。例如,你可能认识到自己很聪明,但意识到自己不是天才。因此,谦逊能让人诚实地看待自己的优势和缺点。谦逊的人不会忽视、回避或试图否认自己的局限性或缺陷。他们能够承认错误,看到远非完美的事物中的价值,并识别出需要改进的领域。

Perhaps it is not 34 , then, that humility appears to be a huge asset to relationships. One study found that people tend to rate this quality 35 in their spouse. The study also found that someone who is humble is more likely to initiate a romantic relationship, perhaps because they are less likely to see themselves as "too good" for someone else. Thus, a humble partner might be your ideal partner.

也许毫不奇怪,谦逊似乎是关系中的巨大财富。一项研究发现,人们倾向于在配偶身上高度评价这一品质。该研究还发现,谦逊的人更有可能开启一段恋爱关系,可能是因为他们不太可能认为自己"配不上"某人。因此,一个谦逊的伴侣可能是你的理想伴侣。

|----------------|---------------|
| A) acknowledge | I) possess |
| B) assess | J) presence |
| C) confused | K) puzzled |
| D) endure | L) status |
| E) extremely | M) surprising |
| F) genius | N) thoroughly |
| G) highly | O) unique |
| H) permanent | |

26. a relationship is made of two __(26)__ individuals

【答案】 **O) unique** 形容词

【词性槽】数词 two 与名词 individuals 之间作定语

【依据】『两个独特的个体』呼应全文『个体特性影响关系』主线

a relationship is made of two __(26)__ individuals, 下一句紧接 the personality traits(特性) these individuals possess or lack 强调每个人各有不同特质——unique (独特的) 正好点出『两个各不相同的个体』, 为后文讨论个体特性如何影响关系铺垫。

【竞争词】c) confused 义为『困惑的』, 描述人状态而非个体本质, 跑题

confused 是『困惑的』, 『两个困惑的个体』与下文谈『个体特质差异』毫无关联, 且 confused 在 29 题有死搭配 confused with, 该留给 29。

h) permanent 义为『永久的』, 修饰 individuals 不通

permanent 是『永久的』, 『两个永久的个体』讲不通, 个体不存在永久不永久之说。

k) puzzled 义为『迷惑的』, 与 confused 同类, 跑题

puzzled 是『困惑、迷惑的』, 与 confused 近义, 『两个迷惑的个体』同样接不上『个体特质』这条线。

m) surprising 义为『令人惊讶的』, 且 34 题有更贴切去处

surprising 是『令人惊讶的』, 『两个令人惊讶的个体』语义突兀, 且 surprising 在 34 题 not surprising (不足为奇) 处更贴切, 应留给 34。

27. the personality traits(特性) these individuals __(27)__ or lack

【答案】 **I) possess** (动词)

【词性槽】 主语 these individuals 后缺谓语动词

【依据】 与 lack (缺乏) 构成『拥有或缺乏』的天然反义并列

the personality traits(特性) these individuals __(27)__ or lack, or 后的 lack 是『缺乏』, or 前最自然的反义就是『拥有』——possess (拥有) 与 lack 正好一正一反, 『这些人拥有或缺乏的性格特质』逻辑通顺。

【竞争词】 A) acknowledge 义为『承认』, 与 lack 不构成对照

acknowledge 是『承认』, 『承认或缺乏特质』并列别扭, 且 acknowledge 在 33 题有更贴切的去处 (acknowledge mistakes 承认错误), 此处不选。

B) assess 义为『评估』, 与 lack 不成对照

assess 是『评估』, 『评估或缺乏特质』逻辑不顺, 且 assess 在 31 题有更贴切的『评估自己缺点』之用, 此处不选。

D) endure 义为『忍受/持续』, 与 lack 不成正反对照

endure 意为『忍受、持续』, 『忍受或缺乏特质』讲不通, 与 lack 也不形成反义关系, 且 endure 在 28 题作『持久』正好对应『关系能否长久』。

28. make a relationship more or less likely to __(28)___

【答案】 **D) endure** (动词)

【词性槽】 不定式 to 后接动词原形

【依据】 『关系能否持久』正好接 likely to endure (持续)

make a relationship more or less likely to __(28)___, 谈的是性格特质让一段关系『更可能或更不可能』怎样——结合首句 passion and commitment are the foundations of strong romantic relationships, 这里说的是关系能否长久维系, endure (持续、持久) 正合『一段关系是否长久』之意。

【竞争词】 A) acknowledge 『承认』需要人作主语, 关系不能 acknowledge

acknowledge 是『承认』, 主语得是人; 本句主语是 a relationship, 关系不会『承认』什么, 语义不通。

B) assess 『评估』是及物动作, 缺宾语且关系不会评估

assess 是『评估』, 通常要带宾语 (评估某事物), 而此处 to __(28)___ 后没有宾语, 且关系本身不会『评估』, 语义和结构都不通。

29. Humility can sometimes be __(29)__ with a lack of confidence

【答案】 **C) confused** (形容词)

【词性槽】 be 动词 be 后作表语

【依据】 **be confused with=被混淆为，介词 with 锁死**

Humility can sometimes be __(29)__ with a lack of confidence, 空后紧跟介词 with, be confused with sth 是固定搭配, 意为『被与.....相混淆』——『谦逊有时被混淆为缺乏自信』, 与下句 But researchers have come to realize that being humble generally indicates ... admirable personal qualities 的转折 (其实谦逊是好品质) 逻辑严丝合缝。

【竞争词】 **K) puzzled 义近 confused 但不搭 with, 且主语应是人**

puzzled 也表『困惑』, 是最像的干扰项, 但 puzzled 指『人感到困惑』、不能说『谦逊被 puzzled with 缺乏自信』, 更没有 be puzzled with 这种把两概念相混的搭配——搭配框架把它排除。

H) permanent 义为『永久的』, 与 with 不搭、语义不通

permanent『永久的』代入『谦逊被永久地.....缺乏自信』根本读不通, 与下句转折也接不上。

M) surprising 义为『令人惊讶的』, 不与 with 搭、留给 34 题

surprising『令人惊讶的』无 be surprising with 一说, 语义也不通, 且它在 34 题 not surprising 处才是正解。

【易错】最具迷惑性的错误词是 **K)** —— puzzled 与正解 confused 中文同为『困惑』, 词性也对, 极易混填。Humility can sometimes be __(29)__ with a lack of confidence, puzzled 和 confused 词义、词性都像, 很多考生凭中文一看就填 puzzled。防坑: 盯空后的 with——be confused with (被混淆为) 是固定搭配, be puzzled with 不成立, 搭配是分近义词最硬的尺。

30. being humble generally indicates the __(30)__ of deeply admirable personal qualities

【答案】 **J) presence** (名词)

【词性槽】 定冠词 the 后、of 短语前作中心名词

【依据】 **the presence of=.....的存在, 正面引出『具备好品质』**

being humble generally indicates the __(30)__ of deeply admirable personal qualities, 与前半句 Humility can sometimes be confused with a lack of confidence 的 a lack of (缺乏) 形成对照——这里要说『谦逊其实表明好品质的存在』, the presence of (.....的存在) 正好与 a lack of 一缺一有相对。

【竞争词】 **L) status 义为『地位』, 与『好品质的存在』语义偏离**

status『地位、状态』代入『谦逊表明好品质的地位』讲不通——这里要的是『品质的有无』, 与上文 a lack of 对照的应是『存在 presence』, 而非『地位 status』。

31. you have the ability to accurately __(31)__ your deficiencies

【答案】 **B) assess** (动词)

【词性槽】 情态 can 后、副词 accurately 后接动词原形

【依据】 **accurately assess (准确评估) + 后文 honest view 呼应**

accurately __(31)__ your deficiencies without denying your skills and strengths 说的是『准确地□自己的不足』，下一句 humility leads to an honest view of one's own advantages and shortcomings 点明这是对自身长短的『诚实评判』——assess (评估) 正好，accurately assess 是高频搭配，『准确评估自己的缺点』。

【竞争词】 **A) acknowledge 义为『承认』，但 accurately 修饰它别扭，且 33 题更需要它**

acknowledge 是『承认』，可与 accurately 搭配略显牵强（承认通常不论『准确』），更关键的是后文 They can __(33)__ mistakes 『承认错误』非 acknowledge 莫属，acknowledge 该留给 33 题，此处用 assess 更贴 accurately。

32. realize that you are not a __(32)___

【答案】 **F) genius** (名词)

【词性槽】 不定冠词 a 后只能接名词

【依据】 **与前句『intelligent』构成『聪明但算不上天才』的递进对比**

上文 you might recognize that you are intelligent, but realize that you are not a __(32)_, but 前说『你也许聪明』，but 后该说一个比『聪明』更高一档、自己却够不上 的身份——天才 genius 正好，承认聪明却不自封天才，恰好呼应『谦逊=客观看待自己』的主旨。

【竞争词】 **J) presence 语义不搭，『你不是一个存在』不通**

presence 意为『存在、在场』，代入『you are not a presence』读不通，跟前文『intelligent』毫无对比关系，逻辑上接不上。

L) status 指地位而非『一类人』，与『聪明』不构成对比

status 是『地位、状态』，但 but 前的 intelligent 描述的是个人才智，转折后该接一个表示『更高才智级别的人』的词，status 指地位，对不上这条才智递进线，且后文 34、35 空更需要它充当名词候选作干扰。

33. They can __(33)__ mistakes

【答案】 **A) acknowledge** (动词)

【词性槽】 情态 can 后接动词原形、带宾语 mistakes

【依据】 **acknowledge mistakes=承认错误，固定搭配且贴合谦逊主旨**

They can __(33)__ mistakes, see value in things that are far from perfect, 谦逊的人能『承认错误、看到不完美事物的价值』——acknowledge mistakes (承认错误) 是地道固定搭配，与本段『谦逊者不回避、不否认自身缺陷』完全一致。

34. Perhaps it is not __(34)__, then, that humility appears to be a huge asset to relationships

【答案】 **M) surprising** (形容词)

【词性槽】 it is not + 空, 作表语形容词

【依据】 **not surprising=不足为奇, 承接上文顺理成章**

Perhaps it is not __(34)__, then, that humility appears to be a huge asset to relationships, then (因此) 承接第二段对谦逊种种好处的铺陈, 得出『谦逊对关系大有裨益, 这并不令人意外』——it is not surprising that... (.....并不奇怪) 是高频句式, 逻辑上水到渠成。

【竞争词】 K) puzzled 义为『(人) 困惑的』, 不能修饰事/作 it 的表语

puzzled 形容人感到困惑, 主语须是人, 不能说『it is not puzzled that...』, 结构上就排除。

H) permanent 义为『永久的』, 代入 it is not permanent that 语义不通

permanent『永久的』代入『谦逊有益于关系这件事并非永久的』, 与 then 承接的因果语气、与全文论证都不搭。

35. people tend to rate this quality __(35)__ in their spouse

【答案】 **G) highly** (副词)

【词性槽】 动词 rate 后修饰动作, 作状语

【依据】 **rate ... highly=高度评价, 固定搭配**

people tend to rate this quality __(35)__ in their spouse, rate sth highly 是固定搭配, 意为『高度评价某物』——『人们往往非常看重配偶身上谦逊这一品质』, 与下文『谦逊的伴侣或许是你的理想伴侣』正向呼应。

【竞争词】 E) extremely 义为『极其』, 不与 rate 搭配作『评价高』

extremely『极其』一般修饰形容词/副词 (extremely good), 不能说 rate sth extremely 表示『高度评价』; 它要修饰的是程度形容词, 这里 rate 后没有形容词可修饰, 搭配不成立。

N) thoroughly 义为『彻底地』, 与『评价高』方向不符

thoroughly『彻底地、完全地』修饰的是『做得彻底』 (thoroughly clean), rate sth thoroughly 表示『彻底地评价』而非『评价很高』, 与下文『理想伴侣』的褒扬语气对不上。

【易错】 最具迷惑性的错误词是 E) —— extremely 与正解 highly 都译『非常』, 词性也对, 最易误选。rate this quality __(35)__, extremely 副词且中文同『非常』, 看着也能填。防坑: 记住 rate sth highly 是『高度评价』的固定搭配, 而 extremely 必须后接形容词/副词, rate 后无形容词, extremely 无处落脚。

WORD BANK · 词库分类表

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A–O) , 为 10 个空各选一个、每词最多用一次。
下面给出每个词的词性与中文词义; 标注「用于第 N 空」的 10 个为答案, 其余 5 个为干扰词。

A) **acknowledge** 动词

承认、坦承

用于第 33 空

B) **assess** 动词

评估、评价

用于第 31 空

C) **confused** 形容词

(被) 混淆的、弄糊涂的 (confuse 的过去分词)

用于第 29 空

D) **endure** 动词

持续、持久; 忍受

用于第 28 空

E) **extremely** 副词

极其、非常

干扰词 · 未选用

F) **genius** 名词

天才

用于第 32 空

G) **highly** 副词

高度地、非常 (评价高)

用于第 35 空

H) **permanent** 形容词

永久的、长期的

干扰词 · 未选用

I) **possess** 动词

拥有、具备

用于第 27 空

J) **presence** 名词

存在、在场

用于第 30 空

K) **puzzled** 形容词

困惑的、迷惑不解的

干扰词 · 未选用

L) **status** 名词

地位、身份; 状态

干扰词 · 未选用

M) **surprising** 形容词

令人惊讶的、出人意料的

用于第 34 空

N) **thoroughly** 副词

彻底地、完全地

干扰词 · 未选用

0) **unique** 形容词

独特的、独一无二的

用于第 26 空

全文主旨

谦逊是亲密关系成功的重要标志

全文围绕一个核心结论展开：Recent research has found that one trait in particular—humility(谦逊)—is an important indicator of successful relationships. 第一段引出话题，第二段解释「谦逊」到底是什么（不是缺乏自信，而是能客观看待自身长短），第三段说明谦逊为何有益于亲密关系。把握住「谦逊=好品质」这条主线，后面凡是带褒义、跟『客观评价自己』有关的空，词义方向就定准了。

DISTRACTORS · 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

E) **extremely** 最像 35 题副词答案，中文同译『非常』迷惑性强

extremely 词性是副词、且和正解 highly 都能译成『非常』，最容易被填进 35 题 rate this quality __ (35) __。识破点：extremely 要修饰形容词/副词 (extremely good)，不能 rate sth extremely 表『高度评价』，缺一个可修饰的形容词就出局。

H) **permanent** 形容词词性对，但放进任何形容词空都语义不通

permanent 是形容词，词性上能进 26/29/34 任一形容词空，但『永久的个体/谦逊被永久混淆/谦逊有益并非永久』全讲不通。识破点：先用上下文语义过一遍，permanent『永久的』和本篇谈品质、谈关系长短的语境都搭不上。

K) **puzzled** 与正解 confused 近义，最像 29 题答案

puzzled 和 confused 同表『困惑』，词性也是形容词，极易误填 29 题 be __ (29) __ with a lack of confidence。识破点：puzzled 只能形容『人感到困惑』、且无 be puzzled with 这种『把两者混淆』的搭配，搭配框架直接判它出局。

L) **status** 名词词性对, 像 30 或 32 题答案

status 是名词, 可冲 30 题 the __(30)__ of... 或 32 题 not a __(32)__. 识破点: 30 题要与 a lack of 对照的是『存在 presence』、32 题要与『聪明』对照的是『天才 genius』, status 『地位』哪条线都接不上。

N) **thoroughly** 副词词性对, 像 35 题答案, 中文译『彻底/完全』沾边

thoroughly 是副词, 能冲 35 题 rate this quality __(35)__, 且中文『彻底地、完全地』也带『程度』味。识破点: rate ... thoroughly 是『彻底评价』而非『高度评价』, 与下文夸赞谦逊伴侣的褒扬语气对不上, 唯 highly 表『看重』。

SENTENCE INSIGHTS • 句子精讲

7 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

And the personality traits(特性) these individuals possess or lack can often make a relationship more or less likely to endure.

第1段, 第3句

句中包含省略关系代词的限制性定语从句修饰主语、情态动词谓语、使役动词加宾补结构等多个四六级和考研阅读中的高频句式, 结构典型且实用性强。

Recent research has found that one trait in particular—humility(谦逊)—is an important indicator of successful relationships.

第1段, 第4句

"主句 + that 引导的宾语从句" 是四六级和考研阅读中的高频结构, 从句内部的 "主系表 + 同位语" 组合也很常见。掌握后可广泛应用于理解科研报告、观点陈述类句子, 迁移性强。

For example, you might recognize that you are intelligent, but realize that you are not a genius.

第2段，第4句

本句的结构在四六级和考研英语阅读中较为典型:情态动词加并列谓语,搭配that引导的宾语从句,是考试中常见的句式。but连接并列谓语表达转折对比的用法也频繁出现。掌握本句的分析方法可以迁移到大量类似句子,代表性较强。

Thus, humility leads to an honest view of one's own advantages and shortcomings.

第2段，第5句

本句采用“主语 + 不及物动词 + to 介词短语”结构(lead to 常见于表示因果关系的表达),且主语为抽象名词、宾语为带后置定语的名词短语,这种模式在四六级和考研英语阅读中较为常见;但句子本身过于简单,缺少从句或复杂修饰,作为典型练习句代表性一般。

Humble people do not ignore, avoid, or try to deny their limits or deficiencies.

第2段，第6句

本句涵盖主语、谓语(并列否定结构)、宾语(并列名词短语)三种核心成分,适合练习识别并列结构。但成分种类相对单一,缺少定语从句、状语从句、补语等更丰富的成分类型,训练价值中等。

They can acknowledge mistakes, see value in things that are far from perfect and identify areas for improvement.

第2段，第7句

情态动词 + 并列谓语 + 限制性定语从句的组合在四六级和考研英语阅读中极为常见。本句结构简洁但层次分明,是典型的学术或说明文句式,掌握后可迁移至大量类似长句。

Thus, a humble partner might be your ideal partner.

第3段，第4句

主系表结构是英语中常见的基本句型之一,情态动词“might”表示可能性的用法也是考试中的常见考点,具有一定的典型性和复用价值,但句子过于简单,不如复合句那样更具代表性。

HIGH-FREQUENCY · 真题高频词

真题卷第1套(2021-12) · 四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

There's a stress gap between men and women

A) "I used to work very hard. I love to create things, grow them and solve problems," said Meng Li, a successful app developer in San Francisco. "I didn't really care about my mind and my body until they decided to go on strike."

"我过去工作非常努力。我喜欢创造事物、发展它们并解决问题,"旧金山一位成功的应用程序开发者 Meng Li 说。"我真的不关心我的身心,直到它们决定罢工。"

B) Ms. Li said her stress led to sleeplessness. When she did sleep, she experienced "problem-solving dreams," which left her feeling unrested when she woke up. "After I became a first-time mother, I quickly realized I was so busy caring for other people and work that I felt like I'd lost myself," she said.

Li 女士说她的压力导致了失眠。当她入睡时,她经历"解决问题的梦",这让她醒来时感到没有得到休息。"在我第一次成为母亲后,我很快意识到我忙于照顾他人和工作,以至于我觉得失去了自我,"她说。

C) It's a common story—one we frequently ridicule and readily dismiss, for example, by claiming that women tend to complain more than men, despite the growing sum of research that underlines the problem. Women are twice as likely to suffer from severe stress and anxiety as men, according to a 2016 study published in The Journal of Brain & Behavior. The American Psychological Association reports a gender gap year after year showing that women consistently report higher stress levels. Clearly, a stress gap exists.

这是一个常见的故事——我们经常嘲笑并轻易忽视它,例如,声称女性往往比男性更爱抱怨,尽管越来越多的研究强调了这个问题。根据2016年发表在《大脑与行为杂志》上的一项研究,女性遭受严重压力和

焦虑的可能性是男性的两倍。美国心理学会年复一年地报告性别差距,显示女性持续报告更高的压力水平。显然,压力差距是存在的。

- D) "The difference is not really news to me, as a clinical psychologist," said Erin Joyce, a women and couples therapist in Los Angeles. "It's been well documented in extensive research over the years that prevalence rates for the majority of the anxiety disorders are higher in women than men." Some people may argue that this is merely reported data, and they say many men feel the same pressures as women in terms of fulfilling responsibilities at work and home. In other words, we're all really, really stressed.

"作为一名临床心理学家,这种差异对我来说并不是新闻,"洛杉矶的女性和夫妻治疗师Erin Joyce说。"多年来的广泛研究已充分证明,大多数焦虑症的患病率在女性中高于男性。"有些人可能会争辩说这只是报告的数据,他们说许多男性在履行工作和家庭责任方面感受到与女性同样的压力。换句话说,我们所有人都真的、真的压力很大。

- E) "The difference, however, is in the nature and scope of these responsibilities in the home environment in particular," Dr. Joyce said. For example, the United Nations reported that women do nearly three times as much unpaid domestic work as men. The problem is, housework is often overlooked as work, even though it is often as laborious (or in some cases, more so) as any paid job. As the scholar Silvia Federici put it in 1975, the unpaid nature of domestic work reinforces the assumption that "housework is not work, thus preventing women from struggling against it."

"然而,差异在于这些责任的性质和范围,特别是在家庭环境中,"Joyce博士说。例如,联合国报告称女性从事的无报酬家务劳动几乎是男性的三倍。问题是,家务劳动常常被忽视为工作,尽管它往往与任何有偿工作一样辛苦(或在某些情况下更辛苦)。正如学者Silvia Federici在1975年所说,家务劳动的无偿性质强化了"家务劳动不是工作"的假设,从而阻止女性与之抗争。

- F) It's not just inside the home, though. Research from Nova Southeastern University found that female managers were more likely than male managers to display "surface acting," or forcing emotions that are not wholly felt. "They expressed optimism, calmness and sympathy even when these were not the emotions that they were actually feeling," the study said.

然而,这不仅仅发生在家庭内部。Nova Southeastern University的研究发现,女性管理者比男性管理者更有可能表现出"表面表演",即强迫表现并非完全感受到的情绪。"她们表达乐观、冷静和同情,即使这些不是她们实际感受到的情绪,"该研究说。

- G) Surface acting is a prime example of "emotional labor," a concept that the writer Jess Zimmerman made familiar in a 2015 essay. The essay sparked a massive thread on the internet community blog MetaFilter. Hundreds of women spoke up about their own experience with emotional labor: the duties that are expected of them, but go unnoticed. These invisible duties become apparent only when you don't do them. Like domestic labor, emotional labor is generally dismissed and not labeled work. But research shows it can be just as exhausting as paid work. Emotional labor can lead to difficulty in sleeping and family conflict. Sure, circumstantial stress, like losing a job, may lead to these same issues. But emotional labor is not circumstantial. It's an enduring responsibility based on the socialized gender role of women.

表面表演是"情绪劳动"的一个典型例子,这是作家Jess Zimmerman在2015年的一篇文章中使其为人所熟知的概念。这篇文章在互联网社区博客MetaFilter上引发了大量讨论。数百名女性谈论了她们自己在情绪劳动方面的经历:那些被期望她们承担但却未被注意到的职责。这些看不见的职责只有在你不做

时才变得明显。像家务劳动一样,情绪劳动通常被忽视,不被标记为工作。但研究表明,它可能与有偿工作一样令人疲惫。情绪劳动可能导致睡眠困难和家庭冲突。当然,情境性压力,如失业,可能导致同样的问题。但情绪劳动不是情境性的。它是基于女性社会性别角色的持久责任。

- H) Like Ms. Li, many women try to manage the added stress to reach what Dr. Joyce said was an unattainable ideal. "Some professional women aim to do it all. They want to reach the top of the corporate ladder and fly like supermom," she said. When women don't reach this ideal, they feel guilty; and even more stressed. After her own struggle with this, Ms. Li took a step back and used her experience to build Sanity & Self, a self-care app and platform for overworked women. "The realizations I had in that process helped me gain insights and ultimately got me ready to integrate self-care into my daily life," she said.

像Li女士一样,许多女性试图管理额外的压力以达到Joyce博士所说的一个无法实现的理想。"一些职业女性的目标是做到一切。她们想要达到企业阶梯的顶端,并像超级妈妈一样飞翔,"她说。当女性没有达到这个理想时,她们感到内疚,甚至更有压力。在她自己与此斗争之后,Li女士后退一步,利用她的经验建立了Sanity & Self,一个为过度工作的女性提供的自我护理应用程序和平台。"我在那个过程中的领悟帮助我获得了洞察力,并最终让我准备好将自我护理融入我的日常生活,"她说。

- I) The stress problem extends beyond mental health when you consider the link between stress, anxiety and heart health. Worse, most of what we know about heart disease comes from studies involving men. However, "there are many reasons to think that it's different in women," Harvard Medical School reported. For example, women are more likely to experience disturbed sleep, anxiety and unusual fatigue before a heart attack. Stress is so normalized that it is easy for women to shrug off those symptoms as simply the consequences of stress. Many women also do not experience chest pain before a heart attack the way men do, which leads to fewer women discovering problematic heart issues. Harvard reports that women are "much more likely than men to die within a year of having a heart attack" and "many women say their physicians sometimes don't even recognize the symptoms."

当你考虑压力、焦虑和心脏健康之间的联系时,压力问题超越了心理健康。更糟糕的是,我们对心脏病的大部分了解来自涉及男性的研究。然而,"有很多理由认为女性的情况不同,"哈佛医学院报告说。例如,女性在心脏病发作前更有可能经历睡眠紊乱、焦虑和异常疲劳。压力是如此正常化,以至于女性很容易将这些症状简单地视为压力的后果而不予理会。许多女性在心脏病发作前也不会像男性那样经历胸痛,这导致发现有问题的的心脏问题的女性更少。哈佛报告称,女性"在心脏病发作后一年内死亡的可能性远高于男性",并且"许多女性说她们的医生有时甚至不识别这些症状。"

- J) The good news is, women are more likely than men to take charge of their stress and manage it, the American Psychological Association reports. The concept of self-care, at its core, is quite simple. "The basics of adequate sleep, healthy diet and exercise are a good place to start," Dr. Joyce said. "Support from trusted relationships is vital. This includes professional support from various health and wellness providers if stress is becoming increasingly overwhelming."

好消息是,美国心理学会报告称,女性比男性更有可能掌控她们的压力并管理它。自我护理的概念,从本质上讲,非常简单。"充足的睡眠、健康的饮食和锻炼的基础是一个很好的起点,"Joyce博士说。"来自信任关系的支持至关重要。如果压力变得越来越难以承受,这包括来自各种健康和保健提供者的专业支持。"

- K) Disconnecting from work and home responsibilities is also obviously important. But it's much easier said than done. It is important to understand what causes your stress in the first place. "Get really specific with what's stressing you out," Ms. Li said. "We often chalk up our stress to broad

experiences like work. But work stress can take many different forms. Is a colleague being disrespectful of your time? Is a boss undermining your day-to-day control over decision making? These are different causes of stress and can benefit from different kinds of self-care."

与工作和家庭责任脱离联系显然也很重要。但说起来容易做起来难。重要的是首先理解是什么导致了你的压力。"非常具体地了解是什么让你感到压力,"Li女士说。"我们经常将压力归因于像工作这样的广泛经历。但工作压力可以采取许多不同的形式。是同事不尊重你的时间吗?是老板削弱你对日常决策的控制吗?这些是不同的压力原因,可以从不同类型的自我护理中受益。"

L) Ideally, your spouse or partner will be supportive, rather than dismissive, of your stress. It is important to talk through these issues before they come to a head. "Women working outside of the home should make an effort to have a conscious conversation with their partners about more equitable sharing of household and family responsibilities," Dr. Joyce said.

理想情况下,你的配偶或伴侣将支持而不是忽视你的压力。重要的是在这些问题达到顶点之前进行讨论。"在家庭外工作的女性应该努力与她们的伴侣进行有意识的对话,以更公平地分担家庭和家庭责任,"Joyce博士说。

陈述句与逐句解析

36. Some career women who aim high tend to feel guilty if they fail to achieve their goals.

一些志向远大的职业女性如果未能实现目标往往会感到内疚。

【答案】 H 段 (强锚点)

【锚点】 career women aim high + fail + feel guilty

【定位】 Some professional women aim to do it all. They want to reach the top of the corporate ladder and fly like supermom. When women don't reach this ideal, they feel guilty; and even more stressed.

一些职业女性想把所有事都做到——既要爬上公司顶层、又要像超级妈妈一样飞起来。当她们没能达到这个理想时,她们会感到内疚,压力反而更大。

【改写】 Some career women who aim high ↔ **Some professional women aim to do it all**

同义替换: aim high ≈ aim to do it all

if they fail to achieve their goals ↔ **When women don't reach this ideal**

同义替换: fail to achieve ≈ don't reach

tend to feel guilty ↔ **they feel guilty**

原样复现

37. The unpaid housework done by women is triple that done by men.

女性完成的无偿家务劳动是男性的三倍。

【答案】 E 段 (强锚点)

【锚点】 unpaid housework + triple

【定位】 For example, the United Nations reported that women do nearly three times as much unpaid domestic work as men.

例如, 联合国报告说女性承担的无偿家务劳动几乎是男性的三倍。

【改写】 The unpaid housework done by women ↔

women do nearly three times as much unpaid domestic work

同义替换: housework ≈ domestic work

is triple that done by men ↔ **nearly three times as much unpaid domestic work as men**

数量倍数的同义改写: triple ≈ three times

38. It is reported that women consistently suffer more from severe stress than men.

据报道,女性持续遭受的严重压力多于男性。

【答案】 C 段 (强锚点)

【锚点】 reported + women consistently + severe stress

【定位】 The American Psychological Association reports a gender gap year after year showing that women consistently report higher stress levels.

美国心理学会年复一年地报告存在一种性别差距, 显示女性持续报告更高的压力水平。

【改写】 It is reported that ↔

The American Psychological Association reports a gender gap year after year

被动"被报告"对应主动"APA 报告说"

women consistently suffer more from severe stress than men ↔

women consistently report higher stress levels

同义替换: suffer more from severe stress ≈ report higher stress levels

【辨邻】 D It's been well documented in extensive research over the years that prevalence rates for the majority of the anxiety disorders are higher in women than men 谈的是"研究中已有记录", 但具体数据和"年复一年报告"的源头还是 C 段, D 段属于话题相邻的解读, 不是"被报告"原句。

It's been well documented in extensive research over the years that prevalence rates for the majority of the anxiety disorders are higher in women than men

39. Women are advised to identify the specific causes of their stress so that steps can be taken to deal with it.

建议女性识别造成压力的具体原因,以便采取措施应对。

【答案】 K 段 (强锚点)

【锚点】 identify specific causes of stress

【定位】 It is important to understand what causes your stress in the first place. "Get really specific with what's stressing you out," Ms. Li said.

首先弄清楚是什么造成了你的压力，这一点很重要。Li 女士说："对到底是什么让你有压力，要弄得非常具体。"

【改写】 Women are advised to identify the specific causes of their stress ↔

Get really specific with what's stressing you out

祈使句⇌被动建议句的句式转换

so that steps can be taken to deal with it ↔

These are different causes of stress and can benefit from different kinds of self-care

上位概括：不同自我照护 ⊆ 采取措施处理

【辨邻】 J J 段建议的是 The basics of adequate sleep, healthy diet and exercise 与 Support from trusted relationships is vital，没有提到"识别具体压力源"这件事，只是话题相邻的另一类建议。

The basics of adequate sleep, healthy diet and exercise are a good place to start

40. One study showed that women managers often expressed positive emotions that they didn't really feel.

一项研究显示,女性管理者经常表达她们实际上并未真正感受到的积极情绪。

【答案】 F 段 (强锚点)

【锚点】 women managers + positive emotions + didn't really feel

【定位】 Research from Nova Southeastern University found that female managers were more likely than male managers to display "surface acting," or forcing emotions that are not wholly felt. "They expressed optimism, calmness and sympathy even when these were not the emotions that they were actually feeling," the study said.

Nova Southeastern 大学的研究发现，女性管理者比男性管理者更倾向于"表层表演"，也就是强行表现出并非完全真切感受到的情绪。研究称："她们表现出乐观、镇定和同情，即便这些并不是她们实际感受到的情绪。"

【改写】 women managers ↔ **female managers**

同义替换：women ≈ female

often expressed positive emotions ↔ **They expressed optimism, calmness and sympathy**

上位概括：positive emotions ⊇ optimism/calmness/sympathy

they didn't really feel ↔ **not the emotions that they were actually feeling**

同义替换：didn't really feel ≈ not actually feeling

【辨邻】 G Surface acting is a prime example of emotional labor 借"表层表演"引出新概念，是延伸讨论，但 One study showed 指的是 Nova Southeastern 大学那项研究本身，源头仍在 F 段。

Surface acting is a prime example of emotional labor

41. Women tend to mistake signs of heart attacks for symptoms of stress.

女性倾向于将心脏病发作的征兆误认为是压力的症状。

【答案】 I 段 (强锚点)

【锚点】 mistake signs of heart attacks for symptoms of stress

【定位】 For example, women are more likely to experience disturbed sleep, anxiety and unusual fatigue before a heart attack. Stress is so normalized that it is easy for women to shrug off those symptoms as simply the consequences of stress.

例如，女性比男性更容易在心脏病发作前出现睡眠紊乱、焦虑和异常疲劳。由于压力被视为常态，女性很容易把这些症状当成不过是压力的副产品而不当回事。

【改写】 signs of heart attacks ↔ **disturbed sleep, anxiety and unusual fatigue before a heart attack**

上位概括: signs of heart attacks $\supseteq$ disturbed sleep/anxiety/unusual fatigue

mistake signs of heart attacks for symptoms of stress ↔

shrug off those symptoms as simply the consequences of stress

动作等值: mistake A for B $\approx$ shrug off A as B

42. For a time an app developer in America was so busy attending to work and family that she suffered from sleeplessness.

美国一位应用程序开发者曾经一度忙于工作和家庭以至于失眠。

【答案】 B 段 (强锚点)

【锚点】 app developer in America + work + family + sleeplessness

【定位】 Ms. Li said her stress led to sleeplessness. When she did sleep, she experienced "problem-solving dreams," which left her feeling unrested when she woke up. "After I became a first-time mother, I quickly realized I was so busy caring for other people and work that I felt like I'd lost myself," she said.

Li 女士说她的压力让她失眠。当她真的睡着时，她会做"解题梦"，醒来仍感到没休息好。她说："当上新手妈妈之后，我很快意识到自己忙着照顾别人和工作，感觉迷失了自己。"

【改写】 an app developer in America ↔ **Ms. Li said her stress led to sleeplessness**

回指等值: Ms. Li = 上文已介绍的 app developer

so busy attending to work and family that she suffered from sleeplessness ↔

her stress led to sleeplessness

同义替换: suffered from sleeplessness ≈ stress led to sleeplessness

attending to work and family ↔ **so busy caring for other people and work**

同义替换: attending to ≈ caring for; family ≈ other people

【辨邻】 **A** I love to create things, grow them and solve problems 与 I didn't really care about my mind and my body until they decided to go on strike 只展示她工作热情和身心崩溃的暗示, 没有"sleeplessness"和"work and family"具体细节, 只能算只覆盖局部。

a successful app developer in San Francisco

43. The emotional labor women do is noticed only when it is not done.

女性所做的情感劳动只有在未完成时才会被注意到。

【答案】 **G** 段 (强锚点)

【锚点】 emotional labor + noticed only when not done

【定位】 These invisible duties become apparent only when you don't do them.

这些看不见的职责, 只有在你不做的时候才会被察觉。

【改写】 The emotional labor women do ↔

emotional labor: the duties that are expected of them, but go unnoticed

原样复现 + 局部解释

is noticed only when it is not done ↔

These invisible duties become apparent only when you don't do them

同义替换: noticed ≈ become apparent; it is not done ≈ you don't do them

【辨邻】 **F** female managers were more likely than male managers to display surface acting 把焦点放在"表层表演", 是 G 段所说 emotional labor 的下位例, 但不承载"只有不做才被注意"这一陈述。

Research from Nova Southeastern University found that female managers were more likely than male managers to display surface acting

44. Dr. Joyce suggests that apart from self-care, women should seek professional support if they experience severe stress.

Joyce博士建议,除了自我照顾外,女性如果经历严重压力应寻求专业支持。

【答案】 **J** 段 (强锚点)

【锚点】 Dr. Joyce + apart from self-care + professional support + severe stress

【定位】 Support from trusted relationships is vital. This includes professional support from various health and wellness providers if stress is becoming increasingly overwhelming.

来自可信关系的支持至关重要，这包括在压力越来越压垮人时寻求各种健康与身心保健专业人士的支持。

【改写】 Dr. Joyce suggests that ↔ **Dr. Joyce said**

言说动词同义: suggests ≈ said (在 give advice 语境)

apart from self-care, women should seek professional support ↔

The basics of adequate sleep, healthy diet and exercise are a good place to start This includes professional support from various health and wellness providers

递进关系等值: apart from self-care ≈ self-care 之外再加 professional support

if they experience severe stress ↔ **if stress is becoming increasingly overwhelming**

条件等值: severe stress ≈ stress is becoming increasingly overwhelming

【辨邻】 L Women working outside of the home should make an effort to have a conscious conversation with their partners about more equitable sharing of household and family responsibilities 只涉及与伴侣沟通分担责任，不是 professional support 的建议。

have a conscious conversation with their partners about more equitable sharing of household and family responsibilities

45. Some people believe that there may not exist a stress gap between men and women.

有些人认为男性和女性之间可能不存在压力差距。

【答案】 **D** 段 (强锚点)

【锚点】 may not exist + stress gap between men and women

【定位】 Some people may argue that this is merely reported data, and they say many men feel the same pressures as women in terms of fulfilling responsibilities at work and home. In other words, we're all really, really stressed.

有些人或许会反驳说这只不过是报告出来的数据，并称许多男性在履行工作与家庭责任时也承受着与女性同样的压力。换句话说，我们都真的真的很有压力。

【改写】 Some people believe ↔ Some people may argue

同义替换: believe ≈ argue (持有/主张观点)

may not exist a stress gap between men and women ↔

many men feel the same pressures as women in terms of fulfilling responsibilities at work and home

语义反推等值: 男女都同样有压力 ⇒ 差距不存在

may not exist a stress gap between men and women ↔

In other words, we're all really, really stressed

总结句把反方立场显化: "我们都同样有压力"

【辨邻】 C Clearly, a stress gap exists 是对差距存在的正面肯定, 立场与 may not exist a stress gap 完全相反; C 的所有数据都在支持"差距存在", 因此不是反方立场段。

Clearly, a stress gap exists

PARAGRAPH MAP • 段落主旨图

12 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」, 是逐句回扫定位的工作台。

A 引入旧金山某 app 开发者 Meng Li 的自述, 她过去拼命工作、热爱解决问题, 直到身心罢工才开始关注自己。

信息指纹 Meng Li 自述其工作热情与崩溃起点

B Meng Li 进一步讲述压力导致的失眠、做"解题梦", 以及当上新手妈妈后照顾他人与工作两头烧、感到迷失自我。

信息指纹 压力—失眠—解题梦—新手妈妈迷失自我

C 用数据指出"压力性别差距"客观存在: 研究显示女性遭受严重压力和焦虑的可能性是男性的两倍, APA 也年复一年地报告女性压力水平更高。

信息指纹 压力性别差距的统计证据 (两倍/逐年报告)

D 临床心理学家 Erin Joyce 指出研究早已记录女性焦虑障碍患病率更高; 同时介绍"另一种声音"——有人认为男性在工作和家庭责任上承受同样压力, 差距并不真存在。

信息指纹 Joyce 引出反方声音: 差距或许并不存在

E Joyce 解释差距体现在家庭责任的性质与范围上：联合国数据显示女性承担的无偿家务劳动几乎是男性的三倍，无偿性掩盖了家务作为劳动的事实。

信息指纹 联合国数据：女性无偿家务是男性的近三倍

F Nova Southeastern 大学的研究发现：女性管理者比男性管理者更倾向“表层表演”，强行表现并非真实感受的乐观、镇定和同情。

信息指纹 女性管理者的“表层表演”研究

G 把“表层表演”接到“情感劳动”概念：作家 Jess Zimmerman 让这一概念广为人知，强调这些被期待却不被注意的职责只有在没做时才被察觉，且像家务一样不被当作工作，长期消耗女性。

信息指纹 情感劳动“不做才发现”的隐形性

H 许多职业女性追求“事业登顶+超级妈妈”的不可能理想，做不到就内疚、压力更大；Meng Li 自己经历后退一步，做出 Sanity & Self 这款自我照护 app。

信息指纹 追求“全做到”未达即内疚 + Sanity & Self 由来

I 压力问题延伸到心脏健康：心脏病研究多基于男性，但女性在心脏病发作前更易出现睡眠紊乱、焦虑和异常疲劳，常被当成压力症状忽略，因此女性心脏病发作后一年内死亡率更高。

信息指纹 女性心脏病前兆被当成压力征兆而忽略

J 好消息是女性更可能主动管理压力；Joyce 给出自我照护的基础（充足睡眠、健康饮食、运动），并强调如压力越来越压垮人，应寻求各类健康与身心专业人士的支持。

信息指纹 自我照护基础 + 必要时寻求专业支持

K 脱离工作和家庭责任说易行难；Meng Li 建议把压力源“具体化”——别笼统说“工作累”，要细到是同事不尊重时间还是上司削弱决策权，因为不同压力源需要不同自我照护。

信息指纹 把压力源具体化才能对症

L

结尾建议伴侣应支持而非轻视女性的压力，且应在矛盾爆发前进行“有意识的对话”，更公平地分担家务与家庭责任。

信息指纹 与伴侣“有意识对话”分担家庭责任

SENTENCE INSIGHTS • 句子精讲

20 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

"I didn't really care about my mind and my body until they decided to go on strike."

A段，第2句

主句加时间状语从句的结构在四六级和考研真题中频繁出现，“until”引导时间从句表达状态持续界限是典型用法。并列宾语和不定式作宾语也是常考点。整体句式具有一定代表性，学习后可迁移到类似句型。

When she did sleep, she experienced "problem-solving dreams," which left her feeling unrested when she woke up.

B段，第2句

本句主干识别难度中等，嵌套复杂度和时态语态难度中等偏上，成分覆盖丰富且含易错点，结构典型性较高。综合来看，适合作为中等难度的句子结构和时态训练材料，对提升学习者的分句识别能力和成分划分能力有较好的训练价值。

"After I became a first-time mother, I quickly realized I was so busy caring for other people and work that I felt like I'd lost myself," she said.

B段，第3句

这句话在结构上有一定层次，但线索又比较清楚，既能训练主干定位，也能训练结果结构和过去完成时的识别。对句子结构与时态练习来说，难度和代表性都比较合适，值得优先练。

Women are twice as likely to suffer from severe stress and anxiety as men, according to a 2016 study published in The Journal of Brain & Behavior.

C段，第2句

倍数比较结构 twice as ... as 在四六级和考研阅读中高频出现，是科研报道和数据对比的常见句式，掌握后可迁移至大量同类型句子。

Some people may argue that this is merely reported data, and they say many men feel the same pressures as women in terms of fulfilling responsibilities at work and home.

D段，第3句

句子结构非常典型：并列主句加宾语从句的组合在议论文写作中极为常见，用于陈述不同观点。第一个主句使用 argue that 引出观点，第二个主句使用 say 加省略 that 的宾语从句，都是标准的观点引述句式。比较结构 the same...as 和介词短语 in terms of 也是四六级和考研阅读中的高频结构。掌握这个句子的分析方法，可以直接应用于大量类似的观点陈述句和比较句。

In other words, we're all really, really stressed.

D段，第4句

主系表结构是常见基础句式，同位语 all 和程度副词重复使用 really, really 也是口语和书面语中常出现的表达方式，有一定代表性，但结构过于简单，不涉及真题中常考的复杂句式

For example, the United Nations reported that women do nearly three times as much unpaid domestic work as men.

E段，第2句

"主句 + 宾语从句 + 嵌套比较结构" 是四六级和考研阅读中的高频句式，尤其是 "report/show/indicate that..." 的结构和 "as...as" 比较句式都极为常见，掌握后可大量迁移。

The problem is, housework is often overlooked as work, even though it is often as laborious (or in some cases, more so) as any paid job.

E段，第3句

主系表结构 + 表语从句 + 让步状语从句的组合，是四六级和考研阅读中的常见句式。表语从句后接让步从句的嵌套关系，在议论文中频繁出现，用于呈现问题和反差。掌握后可迁移到大量类似句子。

But research shows it can be just as exhausting as paid work.

G段，第6句

"主句 + 省略 that 的宾语从句" 是四六级和考研阅读中的高频结构,从句内 "情态动词 + be + 形容词" 的主系表结构以及 "as...as" 比较结构也极为常见。掌握本句模式后可广泛迁移至学术文本和新闻报道。

"The realizations I had in that process helped me gain insights and ultimately got me ready to integrate self-care into my daily life," she said.

H段，第5句

本句结构高度典型：引述句 + 宾语从句 + 定语从句修饰主语 + 并列谓语带补足语，是四六级和考研阅读中的常见句式。定语从句省略关系代词、并列谓语各自带不同补足语结构，都是考试高频考点，掌握后可大量复用到类似长难句的分析中。

Stress is so normalized that it is easy for women to shrug off those symptoms as simply the consequences of stress.

I段，第5句

so ... that 引导结果状语从句以及 it is + 形容词 + for sb to do 句型都是四六级和考研真题中的高频句式，本句结构典型、实用性强，掌握后可大量复用。

Many women also do not experience chest pain before a heart attack the way men do, which leads to fewer women discovering problematic heart issues.

I段，第6句

主句包含主谓宾、时间状语、方式状语从句等多种成分，非限制性定语从句中有"which"作主语、复合宾语结构"fewer women discovering..."。涵盖了常见核心成分及修饰成分，方式状语从句和复合宾语都是值得练习的结构点，具有较好的训练价值。

Disconnecting from work and home responsibilities is also obviously important.

K段，第1句

主系表结构是英语基本句型之一，动名词短语作主语在考试阅读中较常见，具备一定代表性，但本句结构过于简单，缺少四六级或考研常考的复杂修饰、从句嵌套等特征，迁移价值中等。

It is important to understand what causes your stress in the first place.

K段, 第3句

"It is + 形容词 + to do" 句型和 "what" 引导的宾语从句都是四六级和考研中的高频结构, 掌握本句的分析方法可以直接迁移到大量类似句子, 典型性很强。

It is important to talk through these issues before they come to a head.

L段, 第2句

形式主语it加不定式短语是四六级和考研阅读写作中的高频句式, 时间状语从句before引导也属常考结构, 二者组合具有较强代表性, 掌握后可广泛迁移至类似句式

The unpaid housework done by women is triple that done by men.

第37题 题干

本句主系表结构清晰, 但主语和表语都较长、含后置定语, 适合练习如何在复杂名词短语中识别核心成分。两个 "done" 短语平行出现, 可训练学生区分后置定语与谓语、理解过去分词作定语的用。表语中 "that" 的指代关系也是常见考点。

Women are advised to identify the specific causes of their stress so that steps can be taken to deal with it.

第39题 题干

被动语态加不定式补足语以及so that引导的目的状语从句都是四六级和考研阅读中的高频句式, 学会分析此句可迁移到大量类似结构, 代表性强

Women tend to mistake signs of heart attacks for symptoms of stress.

第41题 题干

"tend to" + 动词原形和 "mistake A for B" 均为四六级和考研常考句式; 虽然本句为简单句, 但其展示的固定搭配和双宾语结构在真题中频繁出现, 掌握后可迁移至大量类似句型。

For a time an app developer in America was so busy attending to work and family that she suffered from sleeplessness.

第42题 题干

so ... that 引导结果状语从句是四六级和考研阅读中的高频句式, 分词短语作状语也是常考点。该句式在真题中具有较高代表性, 学习后迁移性强

Dr. Joyce suggests that apart from self-care, women should seek professional support if they experience severe stress.

第44题 题干

"suggests that" 引导宾语从句、宾语从句内嵌套 "if" 条件状语从句的结构,是四六级和考研英语阅读中的高频句式。掌握后可迁移到大量类似的建议、观点表达句型。

QUESTIONS & ANALYSIS · 阅读理解题和解析

阅读理解题和解析·46-50 题

本页 46-50 题的答案与逐题解析由懒笔记基于2021年12月·第1套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 9 段原文（段首标 P1-P9 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第1套(2021-12) · 四级

Part III Section C (1)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

P1 As many office workers adapt to remote work, cities may undergo fundamental change if offices remain under-utilized. Who will benefit if working from home becomes the norm?

随着许多办公室员工适应远程工作,如果办公室持续利用不足,城市可能会经历根本性变化。如果在家工作成为常态,谁将从中受益?

P2 Employers argue they make considerable savings on real estate when workers shift from office to home work. However, these savings result from passing costs on to workers.

雇主认为,当员工从办公室转向在家工作时,他们在房地产方面节省了大量开支。然而,这些节省是通过将成本转嫁给员工实现的。

P3 Unless employees are fully compensated, this could become a variant of parasitic(寄生的) capitalism, whereby corporate profits increasingly rely on extracting value from the public—and now personal—realm, rather than on generating new value.

除非员工得到充分补偿,否则这可能成为寄生资本主义的一种变体,即企业利润越来越依赖于从公共领域——现在是个人领域——攫取价值,而不是创造新价值。

P4 Though employers are backed by a chorus of remote work advocates, others note the loneliness, reduced productivity and inefficiencies of extended remote work.

尽管雇主得到了一群远程工作倡导者的支持,但也有人指出长期远程工作带来的孤独感、生产力下降和低效率问题。

P5 If working from home becomes permanent, employees will have to dedicate part of their private space to work. This requires purchasing desks, chairs and office equipment.

如果在家工作成为永久性安排,员工将不得不把私人空间的一部分用于工作。这需要购买办公桌、椅子和办公设备。

P6 It also means having private space dedicated to work: the space must be heated, cleaned, maintained and paid for. That depends on many things, but for purposes of illustration, I have run some estimates for Montreal. The exercise is simple but important, since it brings these costs out of the realm of speculation into the realm of meaningful discussion.

这也意味着要有专门用于工作的私人空间:这个空间必须供暖、清洁、维护和支付费用。这取决于很多因素,但为了说明问题,我对Montreal进行了一些估算。这个练习虽然简单但很重要,因为它把这些成本从推测领域带入了有意义的讨论领域。

P7 Rough calculations show that the savings made by employers when their staff works from home are of similar value to the compensation workers should receive for setting up offices at home.

粗略计算表明,雇主在员工在家工作时节省的开支,与员工因在家建立办公室而应获得的补偿价值相当。

P8 What does this mean for offices in cities? One of two things may happen: Employers pass these costs onto employees. This would be a form of expropriation(侵占), with employees absorbing production costs that have traditionally been paid by the employer. This represents a considerable transfer of value from employees to employers.

这对城市中的办公室意味着什么?可能会发生两种情况之一:雇主将这些成本转嫁给员工。这将是一种侵占形式,员工吸收了传统上由雇主支付的生产成本。这代表着价值从员工向雇主的大量转移。

P9 When employees are properly compensated, employers' real estate savings will be modest. If savings are modest, then the many advantages of working in offices—such as lively atmosphere, rapidity of communication, team-building and acclimatization(适应环境) of new employees—will encourage employers to shelve the idea of remote work and, like Yahoo in 2013, encourage employees to work most of the time from corporate office space.

当员工得到适当补偿时,雇主在房地产方面的节省将是有限的。如果节省有限,那么在办公室工作的诸多优势——如活跃的氛围、快速的沟通、团队建设和新员工的适应环境——将促使雇主搁置远程工作的想法,并像Yahoo在2013年那样,鼓励员工大部分时间在公司办公空间工作。

题目与逐题解析

46. What does the author say about working from home?

- A) It will become the norm sooner or later.
- B) It requires employees to adapt promptly.
- C) It benefits employers at the expense of employees.
- D) It will force cities to transform their infrastructure.

作者对在家办公有何看法?

- A) 它迟早会成为常态。 B) 它要求员工迅速适应。 C) 它以牺牲员工利益为代价使雇主受益。
- D) 它将迫使城市改造其基础设施。

【答案】 C (细节题)

【判型】 What does the author say about working from home? 没有 infer/imply/mainly about, 而是问作者就 working from home 这一具体话题说了什么, 落点在一处可定位的判断句, 因此按细节题处理。

【拆句】 题干 What does the author say about working from home? 主干是 What does the author say, about working from home 是 say 的介词宾语状语, 无从句、无否定、无比较, 结构平铺直叙, 无陷阱。

【定位】 Employers argue they make considerable savings on real estate when workers shift from office to home work. However, these savings result from passing costs on to workers.

雇主声称: 员工从办公室转向居家办公时, 他们能在地产上省下相当一笔。然而, 这些节省其实来自把成本转嫁给员工。

【选项】 A) **把假设说成必然**

It will become the norm sooner or later. 把 if working from home becomes the norm 的假设条件硬改成确定预测, 作者只是在假设语境下讨论后果, 并未断言它必将成为常态。

B) **无中生有**

It requires employees to adapt promptly. 中的 require 与 promptly 在文中无任何对应; 首段虽提 office workers adapt to remote work, 但并未提出“要求迅速适应”的规定性命题。

C) **✓ 正确**

Employers argue they make considerable savings on real estate ↔ **It benefits employers**
these savings result from passing costs on to workers ↔ **at the expense of employees**
预判到的“雇主受益、员工承担”两段恰好被 It benefits employers at the expense of employees. 同时覆盖, 是定位句两部分的同义合并。

D) **过度推断**

It will force cities to transform their infrastructure. 中的 force 与 transform their infrastructure 远超原文 cities may undergo fundamental change 的措辞——文中只是说城市可能发生根本性变化, 并未具体到基建改造, 更未说“被迫”。

47. Why do some people oppose working from home?

- A) It discourages team spirit.
- B) It invades employees' privacy.
- C) It undermines traditional values.
- D) It negatively impacts productivity.

为什么有些人反对在家办公?

- A) 它削弱团队精神。 B) 它侵犯员工隐私。 C) 它破坏传统价值观。 D) 它对生产力产生负面影响。

【答案】 **D** (细节题)

【判型】 Why do some people oppose working from home? 用 why 直接问反对原因, 答案是文中明确列举的事实理由, 可在一句话里找到, 按细节题处理。

【拆句】 题干 Why do some people oppose working from home? 是标准 why 引导的疑问句，working from home 是 oppose 的动名词宾语，结构清晰，无陷阱。

【定位】 Though employers are backed by a chorus of remote work advocates, others note the loneliness, reduced productivity and inefficiencies of extended remote work.

尽管雇主有一群远程办公拥护者助阵，也有人指出长期远程办公带来的孤独感、生产力下降和低效问题。

【选项】 A) 张冠李戴

It discourages team spirit. 与 team-building 有形近，但 team-building 出现在尾段讲办公室优势的语境里，并非反对方的理由；原文反对方提的是 loneliness 而不是 team spirit。

B) 无中生有

It invades employees' privacy. 中的 invades privacy 在文中无对应；dedicate part of their private space to work 只是说要在私人空间里腾地方，并非侵犯隐私。

C) 偷换概念

It undermines traditional values. 中的 traditional values 在原文完全没出现；traditionally been paid by the employer 里的 traditionally 是说“历来由雇主支付”，跟“传统价值观”风马牛不相及。

D) ✓ 正确

reduced productivity ↔ negatively impacts productivity

并列三项里 reduced productivity 与 negatively impacts productivity productivity 一词原词复现，且 reduced 与 negatively impacts 极性一致，是最干净的同义替换。

48. Why did the author run the estimates for Montreal?

- A) To provide convincing data for serious discussion.
- B) To illustrate the ongoing change in working patterns.
- C) To show the impact of remote working on productivity.
- D) To exemplify how remote working affects the economy.

作者为什么对 Montreal 进行估算？

- A) 为严肃讨论提供有说服力的数据。
- B) 说明工作模式正在发生的变化。
- C) 展示远程办公对生产力的影响。
- D) 举例说明远程办公如何影响经济。

【答案】 A (细节题)

【判型】 Why did the author run the estimates for Montreal? 问的是作者具体动作的目的，原文一般在动作句的同一句或紧邻句用 since/so as to/in order to 直接给出，按细节题处理。

【拆句】 题干 Why did the author run the estimates for Montreal? 是 why 引导的一般疑问句过去时，for Montreal 作 estimates 的修饰短语，结构简单，无陷阱。

【定位】 The exercise is simple but important, since it brings these costs out of the realm of speculation into the realm of meaningful discussion.

这项估算操作虽简单却重要，因为它把这些成本从空想范畴推进到可作有意义讨论的范畴。

【选项】 A) ✓ 正确

brings these costs out of the realm of speculation ↔ **convincing data**

into the realm of meaningful discussion ↔ **serious discussion**

选项 To provide convincing data for serious discussion. 把 since 子句的两段（出空想→入严肃讨论）逐一对应，是最干净的同义替换。

B) 答非所问

To illustrate the ongoing change in working patterns. 中的 change in working patterns 在原文是话题背景，不是作者做估算的目的；since 子句里完全没有这一含义。

C) 张冠李戴

To show the impact of remote working on productivity. 把 reduced productivity 的子话题硬装成估算目的；蒙特利尔估算的是成本，不是生产力。

D) 过度推断

To exemplify how remote working affects the economy. 把作者只为蒙特利尔一城做的成本估算拔高为“对经济的影响”，原文 since 子句只说要推进 meaningful discussion，没有提 the economy。

49. What can we conclude from the author's calculations?

A) There is no point in transferring office work to working from home.

B) Employees can benefit as much from remote working as their employers.

C) Employers' gain from remote working should go to employees as compensation.

D) Effective measures should be taken to motivate employees to set up offices at home.

我们能从作者的计算中得出什么结论？

A) 将办公室工作转为在家办公毫无意义。 B) 员工从远程办公中获得的好处与雇主一样多。

C) 雇主从远程办公中获得的收益应作为补偿给予员工。

D) 应采取有效措施激励员工在家设立办公场所。

【答案】 C (推断题)

【判型】 What can we conclude from the author's calculations? 用 conclude，要求由文内信息推出一个未直接写出的结论，但只能一步延伸，属于轻推断题。

【拆句】 题干 What can we conclude from the author's calculations? 是 wh-疑问句，from the author's calculations 是 conclude 的来源状语，结构简单，无陷阱。

【定位】 Rough calculations show that the savings made by employers when their staff works from home are of similar value to the compensation workers should receive for setting up offices at home.

粗略计算表明，员工居家办公时雇主所节省的费用，与员工为在家设立办公空间应得的补偿金额相当。

【选项】 A) **过度推断**

There is no point in transferring office work to working from home. 用 no point in 全盘否定居家办公，原文只说省额会被补偿抵消，并未说居家办公毫无意义；这是把作者的有限主张推过头。

B) **偷换概念**

Employees can benefit as much from remote working as their employers. 中的 as much as 等同关系在原文无对应；原文是说雇主省的需要全数补偿员工，并未推出员工获得等额收益。

C) **✓ 正确**

the savings made by employers ↔ **Employers' gain from remote working**
are of similar value to the compensation workers should receive ↔

should go to employees as compensation

预判到的“雇主省的~员工该被补的→所以这笔钱应转给员工”恰好被 Employers' gain from remote working should go to employees as compensation. 完整覆盖，是教科书式的一步推断。

D) **与原文相反**

Effective measures should be taken to motivate employees to set up offices at home. 中的 motivate 是规定性命题，原文从未提出任何鼓励员工建家庭办公室的政策建议；恰恰相反，作者偏向回办公室。

50. What is the author's opinion on working from home?

- A) It should be avoided if possible.
- B) It is only a temporary measure.
- C) It can reduce companies' real estate costs.
- D) It may affect employees' corporate loyalty.

作者对在家办公的看法是什么？

- A) 如果可能应该避免。
- B) 它只是一种临时措施。
- C) 它可以降低公司的房地产成本。
- D) 它可能影响员工的企业忠诚度。

【答案】 A (态度题)

【判型】 What is the author's opinion on working from home? 直接用 opinion 询问作者态度，需要聚合全文极性词，按态度题特殊路径处理。

【拆句】 题干 What is the author's opinion on working from home? 主干是 What is the author's opinion, on working from home 修饰 opinion, 限定话题范围, 结构简单, 无陷阱。

【选项】 A) ✓ 正确

shelve the idea of remote work ↔ It should be avoided if possible.

parasitic(寄生的) capitalism ↔ should be avoided

全文从 parasitic→expropriation→shelve 一路负向收束, 无一处肯定, It should be avoided if possible. 是唯一与主线全篇极性一致的选项。

B) 无中生有

It is only a temporary measure. 中的 temporary 在原文没有任何对应词; 作者讨论的是若成为常态会怎样, 并未把它定性为“临时措施”。

C) 张冠李戴

It can reduce companies' real estate costs. 是雇主的说法 Employers argue they make considerable savings on real estate, 但作者随即反驳并在尾段说 employers' real estate savings will be modest——所以这不是作者的观点。

D) 无中生有

It may affect employees' corporate loyalty. 中的 corporate loyalty 在文中完全没出现, 作者关心的是成本转嫁与办公室优势, 不涉及忠诚度问题。

SENTENCE INSIGHTS • 句子精讲

9 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

However, these savings result from passing costs on to workers.

第2段, 第2句

result from 作为因果关系的表达是四六级和考研常见句式, 动名词短语作介词宾语也是高频结构。但本句过于简洁, 没有体现从句、并列或复杂修饰等更典型的长难句特征, 作为考试句式的代表性中等偏上。

Unless employees are fully compensated, this could become a variant of parasitic(寄生的) capitalism, whereby corporate profits increasingly rely on extracting value from the public—and now personal—realm, rather than on generating new value.

第3段，第1句

本句结构有代表性，难度中上但不过分偏怪，既能训练主干识别，也能训练从句归属和时态辨认。对于提升长句结构判断能力，这是一句值得优先练习的材料。

This requires purchasing desks, chairs and office equipment.

第5段，第2句

涵盖主谓宾三大核心成分，宾语为动名词短语且内含并列名词，对初学者有一定练习价值，但成分种类单一，缺少定状补等其他成分，训练价值中等偏下。

The exercise is simple but important, since it brings these costs out of the realm of speculation into the realm of meaningful discussion.

第6段，第3句

"主句 + since 引导的原因状语从句" 是四六级和考研阅读中的高频句式，用于解释原因或论证观点。从句中 bring something from A to B 的结构也很常见。掌握后可迁移到大量类似句子。

Rough calculations show that the savings made by employers when their staff works from home are of similar value to the compensation workers should receive for setting up offices at home.

第7段，第1句

主句 + 宾语从句 + 后置定语 + 嵌套状语从句/定语从句的结构，在四六级和考研阅读中高频出现，句式具有很强的代表性，掌握后可迁移到大量类似长难句的分析

This would be a form of expropriation(侵占), with employees absorbing production costs that have traditionally been paid by the employer.

第8段，第3句

主句 + 限制性定语从句的组合是四六级和考研阅读中的高频句式，with 伴随状语也是常见结构。本句结构标准且无生僻变体，掌握后可直接迁移到大量真题句式中，典型性很强。

It benefits employers at the expense of employees.

第46题，C

简单句中主谓宾加介词短语状语是常见句式，但过于简单，缺乏四六级和考研真题中常见的从句、复合结构等典型考点，迁移价值有限

There is no point in transferring office work to working from home.

第49题，A

There be 句型 + 介词短语后置定语是四六级和考研阅读中的高频结构，本句用 "no point in doing" 表达"做某事没有意义"也是典型搭配，句式代表性较强。

Effective measures should be taken to motivate employees to set up offices at home.

第49题，D

"情态动词加被动"与"主句后接目的不定式"都是很常见的考试句式，迁移性强。像"to motivate employees to do..."这样的双层不定式链条也很有代表性。

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 The human thirst for knowledge is the driving force behind our successful development as a species. But curiosity can also be dangerous, leading to setbacks or even downfalls. Given curiosity's complexity, scientists have found it hard to define.

人类对知识的渴求是推动我们作为一个物种成功发展的驱动力。但好奇心也可能是危险的,会导致挫折甚至失败。鉴于好奇心的复杂性,科学家们发现很难对其下定义。

P2 While pinning down a definition has proven tricky, the general consensus is it's some means of information gathering. Psychologists also agree curiosity is intrinsically(内在地) motivated.

虽然确定一个定义被证明很棘手,但普遍的共识是它是某种信息收集的手段。心理学家也认同好奇心是内在驱动的。

P3 Curiosity covers such a large set of behaviors that there probably isn't any single "curiosity gene" that makes humans wonder about and explore their environment. That said, curiosity does have a genetic component. Genes and the environment interact in many complex ways to shape individuals and guide their behavior, including their curiosity.

好奇心涵盖如此大量的行为,以至于可能不存在任何单一的"好奇心基因"使人类对其环境感到好奇并进行探索。也就是说,好奇心确实有遗传成分。基因和环境以许多复杂的方式相互作用,塑造个体并引导他们的行为,包括他们的好奇心。

P4 Regardless of their genetic makeup, infants have to learn an incredible amount of information in a short time, and curiosity is one of the tools humans have found to accomplish that gigantic task. 无论他们的基因构成如何,婴儿都必须在短时间内学习大量信息,而好奇心是人类为完成这一巨大任务而找到的工具之一。

P5 Hundreds of studies show that infants prefer novelty. It's what motivates non-human animals, human infants and probably human adults to explore and seek out new things before growing less interested in them after continued exposure. 数百项研究表明,婴儿偏好新奇事物。正是这种偏好激励着非人类动物、人类婴儿以及可能的人类成年人去探索和寻求新事物,然后在持续接触后对它们逐渐失去兴趣。

P6 But curiosity often comes with a cost. 但好奇心往往伴随着代价。

P7 In some situations, the stakes are low and failure is a healthy part of growth. For instance, many babies are perfectly proficient crawlers, but they decide to try walking because there's more to see and do when they stand upright. But this milestone comes at a small cost. A study of 12- to 19-month-olds learning how to walk documented that these children fell down a lot. Seventeen times per hour, to be exact. But walking is faster than crawling, so this motivates expert crawlers to transition to walking. 在某些情况下,风险很低,失败是成长过程中健康的一部分。例如,许多婴儿爬行非常熟练,但他们决定尝试走路,因为当他们直立时可以看到和做更多事情。但这一里程碑伴随着小小的代价。一项针对12至19个月大正在学习走路的婴儿的研究记录显示,这些孩子经常摔倒。准确地说,每小时17次。但走路比爬行更快,因此这激励熟练的爬行者过渡到走路。

P8 Sometimes, however, testing out a new idea can lead to disaster. For instance, the Inuit people of the Arctic regions have created incredible modes to deal with the challenges of living in northern climates, but what we forget about are the tens of thousands of people that tried and failed to make it in those challenging landscapes. 然而,有时测试一个新想法可能导致灾难。例如,北极地区的Inuit人创造了令人难以置信的模式来应对在北方气候中生活的挑战,但我们忘记的是成千上万试图在那些充满挑战的环境中生存但失败了的人。

题目与逐题解析

51. What does the author say about curiosity?

- A) It is too complex for non-scientists to understand.
- B) It is the force that pushes human society forward.
- C) It is a unique trait specific to the human race.
- D) It is often the major cause for human failures.

作者对好奇心有何看法?

- A) 它对非科学家而言过于复杂而难以理解。
- B) 它是推动人类社会前进的力量。
- C) 它是人类特有的独特特征。
- D) 它常常是人类失败的主要原因。

【答案】 B (细节题)

【判型】 题干 What does the author say about curiosity? 询问作者明确陈述的内容，而非暗含意思或主旨概括，属于针对原文具体表述的细节题。

【拆句】 题干 What does the author say about curiosity? 是简单特殊疑问句，主干 the author say 接 about curiosity 介词短语作状语，无从句、无否定、无比较，结构平铺直叙、无陷阱。

【定位】 The human thirst for knowledge is the driving force behind our successful development as a species.

人类对知识的渴求是我们作为一个物种成功发展背后的驱动力。

【选项】 A) 偷换概念

原文 scientists have found it hard to define 只说科学家觉得它难定义，并未说非科学家无法理解；too complex for non-scientists to understand 把对象从“科学家”悄悄换成“非科学家”、把“难定义”夸大为“无法理解”。

B) ✓ 正确

the driving force behind our successful development as a species ↔

the force that pushes human society forward

our successful development as a species ↔ human society

预判“好奇心推动人类整体发展”与 It is the force that pushes human society forward 在语义上完全重合，是定位句最干净的同义替换。

C) 无中生有

原文从未说好奇心是“人类专有的特征”，P5 反而提到 non-human animals 也会探索新事物，a unique trait specific to the human race 与原文相反，属无中生有兼与原文相反。

D) 过度推断

原文 curiosity can also be dangerous, leading to setbacks or even downfalls 用 also 引出次要补充，often the major cause for human failures 把 setbacks/downfalls 升级为 the major cause，并加上频率词 often，过度推断。

52. What is the general understanding of curiosity?

- A) It motivates people to seek information.
- B) It is destined to transform human genes.
- C) It does people more good than harm.
- D) It underlies all human behaviors.

人们对好奇心的普遍理解是什么？

- A) 它激励人们寻求信息。
- B) 它注定会改变人类基因。
- C) 它给人们带来的好处多于坏处。
- D) 它是所有人类行为的基础。

【答案】 A (细节题)

【判型】 题干 What is the general understanding of curiosity? 只问大家的共识内容是什么，属于客观信息检索类细节题。

【拆句】 题干 What is the general understanding of curiosity? 是“What is 主语？”句型，主语 the general understanding of curiosity 是名词词组，of 短语作后置定语限定 understanding，无陷阱。

【定位】 While pinning down a definition has proven tricky, the general consensus is it's some means of information gathering.

尽管要给出确切定义被证明很棘手，普遍共识是好奇心是某种信息收集的手段。

【选项】 A) ✓ 正确

some means of information gathering ↔ motivates people to seek information

预判“好奇心是信息收集的手段”与 It motivates people to seek information 在功能上等价：好奇心驱动人去寻找/收集信息。

B) 无中生有

原文 curiosity does have a genetic component 只说好奇心有遗传成分，并未说好奇心“注定要改变人类基因”；destined to transform human genes 不仅方向反转，还把名词性的“遗传成分”改成动词性的“改造基因”，完全无据。

C) 无中生有

原文 can also be dangerous 与 But curiosity often comes with a cost 都明示了好奇心的代价，并未给出“好处大于坏处”的比较结论；does people more good than harm 凭空加上比较结构。

D) 以偏概全

原文 some means of information gathering 只说好奇心是信息收集的“某种”手段，underlies all human behaviors 把范围夸大到“支配全部人类行为”，远超原文范围。

53. What do we learn about how genes shape people's behavior?

- A) They determine people's way of thinking.
- B) They account for age differences in learning.
- C) They enable people to undertake massive tasks.
- D) They work in conjunction with the environment.

关于基因如何塑造人们的行为,我们了解到什么?

- A) 它们决定人们的思维方式。
- B) 它们解释了学习中的年龄差异。
- C) 它们使人们能够承担重大任务。
- D) 它们与环境共同起作用。

【答案】 D (细节题)

【判型】 题干 What do we learn about how genes shape people's behavior? 问的是文中明示的机理而非推断，属细节题。

【拆句】 题干 What do we learn about how genes shape people's behavior? 主干是 What do we learn about, about 后跟 how 引导的宾语从句 how genes shape people's behavior——how 在此是“以何种方式”，不是“是否”，提问点落在“机理”而不是“结果存在与否”。

【定位】 Genes and the environment interact in many complex ways to shape individuals and guide their behavior, including their curiosity.

基因和环境以许多复杂的方式相互作用，塑造个体并指导他们的行为，包括他们的好奇心。

【选项】 A) **偷换概念**

原文谈的是 behavior（行为），选项 way of thinking 偷换为思维方式；且 determine 的力度比 shape and guide 强，原文也强调“与环境互动”，并非基因单方“决定”。

B) **无中生有**

原文没有讨论学习中的年龄差异，age differences in learning 完全是凭空添加的话题。

C) **张冠李戴**

原文 infants have to learn an incredible amount of information in a short time 描述的是婴儿任务量大，并未说基因让人“承担巨大任务”；enable people to undertake massive tasks 把对象张冠李戴。

D) **✓ 正确**

Genes and the environment interact in many complex ways ↔

They work in conjunction with the environment

shape individuals and guide their behavior ↔ **work**

预判“基因与环境共同起作用”与 They work in conjunction with the environment 在主语、对象、动作方向上一一对应。

54. What do numerous studies show about infants?

- A) They are far more curious than adults.
- B) They prefer to go after all that is novel.
- C) They have different interests than adults.
- D) They show non-human animal behaviors.

大量研究表明婴儿有什么特点？

- A) 他们比成年人好奇心强得多。
- B) 他们更喜欢追逐所有新奇的事物。
- C) 他们的兴趣与成年人不同。
- D) 他们表现出非人类动物的行为。

【答案】 B （细节题）

【判型】 题干 What do numerous studies show about infants? 问研究“表明了什么”，是对原文研究结论的直接询问，属细节题。

【拆句】 题干 What do numerous studies show about infants? 是“What do A show about B?”句型，主语 numerous studies、宾语为 What、关于 infants，提问点是“关于婴儿的研究结论”，无陷阱。

【定位】 Hundreds of studies show that infants prefer novelty.

数以百计的研究表明，婴儿偏爱新奇事物。

【选项】 A) 无中生有

原文没有对婴儿与成人做“好奇程度比较”，只在末尾说 probably human adults 也会探索；far more curious than adults 凭空加上比较级 + 程度副词 far more。

B) ✓ 正确

infants prefer novelty ↔ They prefer to go after all that is novel

预判“婴儿偏爱新奇事物”与 They prefer to go after all that is novel 几乎逐字对应，是定位句最干净的同义替换。

C) 偷换概念

原文只说婴儿偏好新奇事物，并没有比较婴儿与成人的兴趣范围；different interests than adults 偷换为“兴趣点的差异”，与原文研究结论不在一个维度。

D) 偷换概念

原文 non-human animals, human infants and probably human adults 把动物、婴儿、成人并列为同样会“偏好新奇”的群体，并非说婴儿“表现出非人类动物的行为”；show non-human animal behaviors 把并列关系曲解为附属关系。

55. What does the example of the Inuit people of the Arctic regions illustrate?

- A) The cost of humans' curiosity to explore.
- B) The incredible harshness of cold weather.
- C) The innovative ideas stemming from curiosity.
- D) The importance of learning from past failures.

北极地区因纽特人的例子说明了什么？

- A) 人类探索好奇心的代价。 B) 寒冷天气令人难以置信的严酷。 C) 源于好奇心的创新想法。
D) 从过去失败中学习的重要性。

【答案】 A (例证目的题)

【判型】 题干 What does the example of the Inuit people of the Arctic regions illustrate? 明确把 the Inuit people 标记为 the example，问其“说明了什么”，是典型的例证目的题。

【拆句】 题干 What does the example of the Inuit people of the Arctic regions illustrate? 主干 the example illustrate，其中 of the Inuit people of the Arctic regions 嵌套两层 of 短语作 example 的后置定语；考生易把宾语错认为“因纽特人本身”，实际宾语是 What，即“这个例子说明了什么”。

【定位】 But curiosity often comes with a cost.

但好奇心往往是有代价的。

【选项】 A) ✓ 正确

But curiosity often comes with a cost ↔ The cost of humans' curiosity to explore
tens of thousands of people that tried and failed ↔ to explore

预判“好奇心要付出代价”与 The cost of humans' curiosity to explore 在“代价 + 好奇心 + 探索”三要素上完全对应。

B) 答非所问

The incredible harshness of cold weather 只是 living in northern climates 的背景描述，是例子中的细节，而非例子要支撑的论点；例证目的题不能选例子内部的表层细节。

C) 以偏概全

原文 created incredible modes to deal with the challenges 与 tens of thousands of people that tried and failed 是一组对比，选项 innovative ideas stemming from curiosity 只看到前者“创新成果”，忽略后者“代价”——而后者才是本段真正想强调的部分（由 but what we forget about 引出）。

D) 偷换概念

原文 But curiosity often comes with a cost 与 tens of thousands of people that tried and failed 只强调“代价/牺牲”这一客观事实，没有谈“从过往失败中学习”的主观行动；learning from past failures 把客观代价偷换为主观学习行为。

SENTENCE INSIGHTS • 句子精讲

12 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Given curiosity's complexity, scientists have found it hard to define.

第1段，第3句

本句的“find it + 形容词 + to do”结构和句首分词状语“Given”都是四六级、考研阅读中的高频句式。形式宾语结构在长难句中反复出现，分词状语也是书面语的典型特征。掌握本句的拆解方法后，可以直接迁移到大量类似句子上，实用性很强。

While pinning down a definition has proven tricky, the general consensus is it's some means of information gathering.

第2段，第1句

"While + 从句, 主句" 的让步状语从句结构, 以及 "主语 + is + 表语从句" 的主系表结构加表语从句, 都是四六级和考研阅读中高频出现的句式。状语从句表达让步转折、主句给出观点、表语从句说明内容, 这种逻辑组合在学术和说明文中非常典型, 掌握后可以迁移到大量类似句子的理解中。

Curiosity covers such a large set of behaviors that there probably isn't any single "curiosity gene" that makes humans wonder about and explore their environment.

第3段，第1句

"such...that"引导结果状语从句、定语从句修饰从句主语、"make sb do"使役结构,都是四六级和考研阅读中高频出现的典型句式,且本句长度适中、结构规整,具有很强的代表性和复用价值

That said, curiosity does have a genetic component.

第3段，第2句

本句覆盖主谓宾三大核心成分, 结构清晰, 适合初学者练习基本成分划分。谓语中的 "does" 强调用法是一个值得讲解的知识点, 可帮助学生区分助动词在不同语境中的作用。但成分种类相对单一(无定语从句、状语从句、复杂修饰语等), 练习价值中等。

Regardless of their genetic makeup, infants have to learn an incredible amount of information in a short time, and curiosity is one of the tools humans have found to accomplish that gigantic task.

第4段，第1句

本句结构高度典型:并列句、定语从句(含关系词省略)、状语修饰都是四六级和考研阅读中的高频句式。句首状语 + 并列主句 + 嵌套定语从句的组合,在真题中大量出现,掌握本句的分析方法可以直接迁移到许多类似长难句,实用性强。

It's what motivates non-human animals, human infants and probably human adults to explore and seek out new things before growing less interested in them after continued exposure.

第5段，第2句

本句包含多个典型考点：形式主语 It 句式、what 引导的表语从句、before 引导的时间状语从句、宾语补足语结构、省略现象等，都是四六级和考研常考句式。句子结构的代表性很强，掌握后可以迁移到大量类似句子。

But walking is faster than crawling, so this motivates expert crawlers to transition to walking.

第7段，第6句

"比较级 + than 从句" 和 "动词 + 宾语 + 不定式宾补" 都是四六级和考研阅读中的高频句式。"so" 连接的因果并列句也是常见逻辑结构。这类句子在真题中反复出现，掌握后可以迁移到大量类似句子的分析中，典型性较高。

Sometimes, however, testing out a new idea can lead to disaster.

第8段，第1句

本句涵盖动名词短语作主语、情态动词作谓语、介词短语作状语、插入副词等多种成分，适合练习识别非典型主语（动名词）和区分状语与其他成分，具有一定训练价值

It is too complex for non-scientists to understand.

第51题，A

It is + 形容词 + for sb to do 是四六级和考研阅读中的高频句式，形式主语结构和 too...for sb to do 搭配都具有较强的代表性和复用价值。

It is the force that pushes human society forward.

第51题，B

强调句 "It is ... that ..." 是四六级和考研阅读、写作中的高频句式，定语从句修饰名词也是基础必考点。本句结构清晰、长度适中，非常适合作为强调句与定语从句结合使用的典型例句，学习后可迁移到大量类似句子。

It is destined to transform human genes.

第52题，B

"be destined to do" 是常见表达，主系表结构加不定式状语的句式在四六级和考研阅读中频繁出现，具有一定典型性，但句式本身较简单，代表性中等。

They account for age differences in learning.

第53题，B

主谓宾加后置定语的结构在真题中较为常见，但本句过于简短且无从句，不如带定语从句或状语从句的句子更具代表性。掌握后有一定迁移价值，但不属于高频复杂句式。

2021年12月·第1套英语四级汉译英（段落翻译）·客观介绍大运河 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2021年12月·第1套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第1套(2021-12) • 四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

大运河 (Grand Canal) 是世界上最长的人工河，北起北京，南至杭州。它是中国历史上最宏伟的工程之一。大运河始建于公元前4世纪，公元13世纪末建成。修建之初是为了运输粮食，后来也用于运输其他商品。大运河沿线区域逐渐发展成为中国的工商业中心。长久以来，大运河对中国的经济发展发挥了重要作用，有力地促进了南北地区之间的人员往来和文化交流。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

The Grand Canal is the longest man-made river in the world, running from Beijing in the north to Hangzhou in the south. It is one of the most magnificent projects in Chinese history. The construction of the Grand Canal was started in the 4th century BC and completed in the late 13th century. It was originally built to transport grain and was later used to transport other goods as well. The areas along the Grand Canal gradually developed into industrial and commercial centers of China. For a long time, the Grand Canal has played an important role in China's economic development, greatly promoting personnel exchanges and cultural communication between the north and the south.

【衔接】句2 用 It 承接句1 主语

句1 主语是 The Grand Canal, 句2 中文它是中国历史上最宏伟的工程之一用「它」承接。英文译文相应地把句2 主语改用代词 It, 避免连续两句都写 The Grand Canal 造成重复, 是英文形合衔接最低成本的处理。

句3→句4 主语承接·句4 用 It 续指

句3 主语是 The construction of the Grand Canal, 句4 中文修建之初是为了运输粮食承接同一被建造物, 英文用 It 续指(指代上句主干所述的大运河整体), 避免再写一遍 The Grand Canal/The construction。

句3→句4 时间线·originally / later 显化先后

句3 译文给出「公元前4世纪开建、13世纪末建成」的时间锚点, 句4 中文修建之初后来延续这一时间线。英文用副词 originally 与 later 把「建造时期内部的先后」显化出来, 读者立刻能跟上从建造期到「后来」的演化。

句6 句首 For a long time 切到「贯穿至今」时间框架

前五句时间线是「古代建造→后来用途扩展→沿线发展」, 句6 中文长久以来切到「贯穿至今」的时间框架, 英文用句首 For a long time + 现在完成时 has played 显出整篇时间线由「过去阶段」收束到「持续至今」, 给整篇一个稳的收束。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作, 句前 N. 为逐句解析自切的句序号(非考卷题号), 与卷面中文逐字对应。

【主旨】客观介绍大运河

本段是一篇典型的中国文化/工程介绍类说明文, 从开篇大运河 (Grand Canal) 是世界上最长的人工河这一判断句即可看出, 全篇围绕大运河的「身份、历史、用途、影响」做客观陈述, 语体平实、不抒情, 属于四级汉译英最常见的「中国文化/历史介绍」类。

【时态】一般现在时

全篇主线是在向读者介绍大运河「是什么、起什么作用」这一仍然成立的客观事实, 如大运河 (Grand Canal) 是世界上最长的人工河、它是中国历史上最宏伟的工程之一都不带时间限制, 故以一般现在时为主基调; 只有真正讲「过去发生过的具体动作」(如始建于公元前4世纪, 公元13世纪末建成、修建之初是为了运输粮食)才偏离基调改用一般过去时, 讲「一段时期持续影响至今」(如长久以来, 大运河对中国的经济发展发挥了重要作用)可用现在完成时。

【译法】大运河

原文大运河 (Grand Canal)已在括号里给出官方英文译名，全篇统一用 the Grand Canal(首字母大写，作为专有名词，且前面加定冠词 the，因其特指世界上唯一的这条运河)，第二次及以后出现可用 it / the canal 代指，避免重复。

北京 / 杭州

原文北起北京，南至杭州中的地名按约定俗成译名走：Beijing、Hangzhou，无需音译变体；前面均不加冠词。

公元前4世纪 / 公元13世纪末

原文公元前4世纪统一译作 the 4th century BC；公元13世纪末统一译作 the late 13th century，世纪表达固定为「the + 序数词 + century」，BC/AD 用大写不加点，全篇同一时间表达只用同一种写法。

1. 大运河 (Grand Canal) 是世界上最长的人工河，北起北京，南至杭州。

【主干】大运河作主语·is 作系动词 (主语策略：原句主语)

中文已明确给出主语大运河 (Grand Canal)，直接取作英文主语 The Grand Canal；核心判断动词「是」对应系动词 is；表语是世界上最长的人工河→ the longest man-made river in the world。主干即 The Grand Canal is the longest man-made river in the world。

【降级】「北起...南至...」降级为分词短语

中文北起北京，南至杭州是两个并列的方位说明，紧跟在主干之后。若照中文写成「it starts from... and ends at...」会变成一个独立分句、和前句强行用 and 拼在一起，是典型流水句。更地道的处理是降级为现在分词短语作伴随状语：running from Beijing in the north to Hangzhou in the south，挂在主干之后；如此一来「世界上最长的人工河」与「北起南至」自然形成「身份+延伸方位」的形合结构。

【语法】时态

回指全篇基调用一般现在时：is、running 都是讲「现在的事实」，与 globalPlan.tenseBaseline 一致。

冠词

大运河世界上独一份的专有事物，加定冠词 the→ The Grand Canal；「最长」是最高级，最高级前必须加 the→ the longest man-made river；地名 Beijing、Hangzhou 前不加冠词。

用词准确

「人工河」译 man-made river / artificial river 均可，但四级语境下 man-made river 更常用、更稳；不要写成 hand-made(只用于物品)。

【译文】The Grand Canal is the longest man-made river in the world, running from Beijing in the north to Hangzhou in the south.

2. 它是中国历史上最宏伟的工程之一。

【主干】It 作主语·is 作系动词 (主语策略：原句主语)

中文主语它承接上句的大运河，直接译为 It，避免重复 The Grand Canal；系动词 is，表语是中国历史上最宏伟的工程之一→ one of the most magnificent projects in Chinese history。

【降级】 无需降级·标准判断句

本句结构简单，「它+是+.....之一」是标准 SVC 判断句，直接对译即可，无次要成分需要降级。

【语法】 时态

回指全篇基调用一般现在时：is，讲「现在仍成立的客观评价」。

「之一」固定句式

「最...之一」是四级高频踩点：固定写成 one of the + 最高级 + 复数名词→ one of the most magnificent projects, project 必须用复数；漏掉复数(写成 one of the most magnificent project)是主体考生最密集的失分点之一。

用词

「宏伟」可选 magnificent / great / grand；为避免与专名 the Grand Canal 中的 grand 撞词，优先用 magnificent。「工程」用 project 即可；engineering work / construction 也行但不如 project 简洁。

【译文】 It is one of the most magnificent projects in Chinese history.

3. 大运河始建于公元前4世纪，公元13世纪末建成。

【主干】 大运河作主语·两个被动谓语并列（主语策略：转被动）

中文始建建成两个动作的逻辑主语都是「人」（动作承受者是大运河本身），中文以「大运河」作受事主语隐含被动语义。英文需显化为被动语态：主语 The construction of the Grand Canal 或直接用 The Grand Canal，谓语 was started / was completed。本句采用 The construction... was started... and completed...，主语统一、两个被动谓语并列。

【降级】 两个时间状语并列·合并被动谓语

始建于公元前4世纪与公元13世纪末建成是同一主语下的两个并列动作 + 两个时间状语。降级处理：主语共享 The construction of the Grand Canal，谓语用 was started 和 (was) completed 并列，时间状语分别用 in the 4th century BC 和 in the late 13th century 紧跟其后，用 and 连接两个谓语而非两个分句，避免重复主语。

【语法】 时态

偏离全篇基调：本句讲过去具体已完成的两个动作，改用一般过去时 was started / was completed；这是 globalPlan.tenseBaseline 允许的合理偏离。

语态

「始建」「建成」的真实施事是「人」、承受者是「大运河」，必须用被动 was started / was completed；写成 The Grand Canal started... 是经典中式英语错误(变成大运河自己启动自己)。

时间表达

「公元前4世纪」译 the 4th century BC，世纪固定「the + 序数词 + century」；「公元13世纪末」译 in the late 13th century，late 放序数词前；BC 大写不加点。

介词

世纪前用 in，不用 at 或 on：in the 4th century BC、in the late 13th century。

【译文】 The construction of the Grand Canal was started in the 4th century BC and completed in the late 13th century.

4. 修建之初是为了运输粮食，后来也用于运输其他商品。

【主干】 It 作主语·两个被动谓语并列 (主语策略：补主语)

中文修建之初是为了运输粮食，后来也用于运输其他商品整句无显式主语，但承接上句逻辑主语就是「大运河」。英文不能没有主语，补一个代词 It 指代大运河；两个谓语「是为了运输」「也用于运输」均带被动含义(被用来运输)，统一处理为 was originally built to... 与 was later used to..., 主语共享 It。

【降级】 「之初/后来」处理为时间副词·两个目的状语降为不定式

修建之初降级为副词 originally(放在 was built 之间或之后)；后来降级为副词 later。为了运输粮食与用于运输其他商品中的目的关系，英文统一用动词不定式 to transport... 表达目的。整体重构为 It was originally built to transport grain and was later used to transport other goods, 两个并列被动谓语共享主语 It, 时间副词紧贴谓语动词。

【语法】 时态

偏离基调：本句讲过去的修建意图与后来的用途变化，全句用一般过去时 was built / was used。

语态

「(它)被建造」「被用于」均为被动：was built、was used，不能写成 It built.../used...。

可数性

「粮食」grain 在表「谷物总称」时是不可数名词，前面不加 a、词尾不加 s；「其他商品」goods 永远以复数形式表示「商品」，不可写成 a good 或去掉 s；commodities 也可，但 goods 更日常。

用词

「运输」用 transport / carry 均可，本段是介绍性语体，transport 更书面也更贴近文化介绍语体。

【译文】 It was originally built to transport grain and was later used to transport other goods as well.

5. 大运河沿线区域逐渐发展成为中国的工商业中心。

【主干】 沿线区域作主语·develop into 作谓语 (主语策略：原句主语)

中文主语大运河沿线区域直接对应 The areas along the Grand Canal；核心动词「发展成为」译为短语动词 develop into / grow into；宾语中国的工商业中心→ industrial and commercial centers of China。主干即 The areas along the Grand Canal gradually developed into industrial and commercial centers of China。

【降级】 「沿线」处理为介词短语作后置定语

「大运河沿线区域」若直译 The Grand Canal along areas 是死译；地道处理是把「沿线」改为介词短语 along the Grand Canal 后置修饰 areas：The areas along the Grand Canal。「逐渐」是程度副词 gradually，放在谓语动词前即可，无需复杂改写。

【语法】时态

偏离基调：「逐渐发展成为」描述一段过去的演变过程，用一般过去时 developed；也可用现在完成时 have developed 强调「演变至今的结果」，本句采过去时与上下文时间线(13 世纪建成→后来发展)一致。

主谓一致

主语 The areas 是复数(沿线不止一处区域)，谓语用复数动词 developed(过去时通用)，宾语 centers 也用复数；写成 the area / center 会显著缩小语义。

搭配

develop into 表「发展成为」是固定搭配，介词 into 不能换成 to 或 as；industrial and commercial centers 中两个形容词并列修饰同一名词，用 and 连接，名词只出现一次。

【译文】 The areas along the Grand Canal gradually developed into industrial and commercial centers of China.

6. 长久以来，大运河对中国的经济发展发挥了重要作用，有力地促进了南北地区之间的人员往来和文化交流。

【主干】 大运河作主语·play 作主谓 (主语策略：原句主语)

中文主语大运河直接作英文主语 the Grand Canal(为避免重复，可用 it)；核心谓语发挥了重要作用套固定句式 play an important role in...；宾语 sth = 中国的经济发展→ China's economic development。主干即 The Grand Canal has played an important role in China's economic development。

【降级】 后半句降为现在分词短语作伴随状语

中文用逗号并列了两件事：发挥了重要作用与有力地促进了...人员往来和文化交流。若两个谓语用 and 平铺会变成流水句。更地道的处理是把后半句改成现在分词短语 greatly promoting personnel exchanges and cultural communication between the north and the south 作伴随状语，挂在主干之后——既忠实表达并列关系，又显出「发挥作用」是主、「促进交流」是其具体表现。「长久以来」处理为时间状语 for a long time/over the centuries，置于句首或句末。

【语法】时态

偏离基调用现在完成时：长久以来明确给出「从过去持续到现在」的时间标志，配现在完成时 has played 最精准；写成一般现在时 plays 也勉强可接，但与「长久以来」语义不匹配；写成一般过去时 played 错(暗示作用已结束)。

「发挥作用」搭配

play a role in sth: role 前要么用 important/key/significant/vital 等形容词修饰，要么用 a 不加形容词；介词永远是 in；写成 play important role 漏冠词、play role for 介词错、take a role 动词错，都是主体考生密集失分点。

「南北地区之间」搭配

「在 A 和 B 之间」固定 between A and B, A、B 用同类项：the north and the south(地理方位用 the + 方位词)；写成 between south and north 漏冠词、between northern and southern 词性不对应都不地道。

用词

「人员往来」译 personnel exchanges / movement of people 均可；「文化交流」译 cultural exchanges / cultural communication 均可；为避免与 exchanges 重复，本句采 personnel exchanges and cultural communication 区分用词。「有力地促进」用 greatly promote / strongly boost / effectively facilitate 均可。

【译文】 For a long time, the Grand Canal has played an important role in China's economic development, greatly promoting personnel exchanges and cultural communication between the north and the south.
