四级 · 真题卷第2套 · 2021年12月

Part I

Writing

(30 minutes)

Directions: Suppose your university student union is planning to hold a speech contest. You are now to write a proposal for organizing the contest. The proposal may include the topic, aim, procedure and selection of contestants. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1. A) She was pierced by a chicken bone.
B) She was coughing all the time.
C) She suffered from lung cancer.
D) She suffered from shock.
2. A) By eating chicken soup daily.
B) Through regular exercising.
C) Through a surgical operation.
D) By using traditional Chinese medicine.

Questions 3 and 4 are based on the news report you have just heard.

3. A) It was born 13 years ago.
B) It was Alice Gray's lovely pet.
C) It got injured in a big bushfire.
D) It ran away into a nearby forest.
4. A) They rebuilt the fencing around their farm.
B) They spent seven years replanting their farm.
C) They claimed damages for their heavy losses.
D) They installed a camera to monitor sheep activity.

Questions 5 to 7 are based on the news report you have just heard.

5. A) The disappearance of some gold and diamonds.
B) The transfer of tons of precious metal by air.
C) The crash of a Russian cargo airplane.
D) The loss of gold from an airplane.
6. A) It made an emergency landing.
B) It informed the local police at once.
C) It contacted the goldmine company.
D) It had a crew member fix the problem.
7. A) They will cooperate with the police.
B) They had checked the plane carefully.
C) They will be questioned by the police.
D) They took some gold bars and diamonds.

Section B

Directions: *In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 8 to 11 are based on the conversation you have just heard.

8. A) For the company's records.
B) For future training purposes.
C) To follow the company's rule.
D) To ensure information security.
9. A) To check her customer reference number.
B) To inquire about the price of office chairs.
C) To get her money back for the returned chair.
D) To make complaints about its customer service.
10. A) She had to update its information.
B) She forgot where she had left it.
C) She lost it about three days ago.
D) She was issued a new card.
11. A) Reconsider her options for payment methods.
B) Make a specific note on the company's system.
C) Update her bank card details on the company's website.
D) Upload her personal information to the company's website.

Questions 12 to 15 are based on the conversation you have just heard.

12. A) He is feeling exhausted.
B) He is tired of cooking.
C) He has to work late.
D) He wants to try Asian foods.
13. A) Book a table.
B) Order a delivery.
C) Download a menu.
D) Locate a restaurant.
14. A) It is not tasty.
B) It is not healthy.
C) It is too oily.
D) It is too spicy.
15. A) She is too concerned about money.
B) She is too weight-conscious.
C) She is too picky about food.
D) She is too eager to please.

Section C

Directions: *In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on Answer Sheet 1 with a single line through the centre.*

Questions 16 to 18 are based on the passage you have just heard.

16. A) Owners' personalities affect their cats' behaviour and wellbeing.
B) Parents' personalities can affect the personalities of their children.
C) Parents and cat owners alike experience high levels of anxiety.
D) More and more people are treating pet cats like their children.
17. A) Give their pets behavioural training.
B) Provide their pets with the best care.
C) Know their pets' feelings and desires.
D) Interact with their pets in novel ways.
18. A) More convincing explanation.
B) More extensive sampling.
C) Collection of more data.
D) Further investigation.

Questions 19 to 21 are based on the passage you have just heard.

19. A) People should do more running than mere walking.
B) Running is the best exercise for extending one's life.
C) People should exercise at least 60 minutes every day.
D) Running is the easiest form of exercise for most people.
20. A) Improving their brain function.
B) Regulating their breathing rate.
C) Slowing down their ageing process.
D) Accelerating their blood circulation.
21. A) They found it easy to control their emotions.
B) They struggled to handle negative emotions.
C) They were more eager to enjoy a movie.
D) They were less affected by sad movies.

Questions 22 to 25 are based on the passage you have just heard.

22. A) He is a tour guide.
B) He is a famous architect.
C) He is a local entrepreneur.
D) He is the owner of the Hill House.
23. A) He studied the blueprints of other famous buildings.
B) He inquired about his client's family background.
C) He observed his client's life and habits.
D) He took a tour of his client's old home.
24. A) A house made of timber and brick.
B) A house with a lot of free space.
C) A house of the current fashion.
D) A house of a unique design.
25. A) They are well preserved and in pretty good shape.
B) They are copies built to the architect's designs.
C) They were designed by another architect.
D) They were badly damaged but restored.

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding*

letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

It is commonly believed that the great English dramatist and poet William Shakespeare was born in Stratford-on-Avon on April 23, 1564. But it is impossible to know the 26 day on which he was born.

Church records show he was baptized(施洗礼) on April 26, and three days was a customary amount of time to wait before baptizing a newly born baby. Shakespeare's date of death is 27 known, however: it was April 23, 1616. He was 52 and had retired to Stratford three years before.

Although few plays have been performed or analyzed as extensively as the 38 plays Shakespeare wrote, there are few surviving details about his life. This 28 of biographical information is due primarily to his social 29 ; he was not a noble, but the son of a leather trader.

Shakespeare 30 attended the grammar school in Stratford, where he would have studied Latin and read 31 literature. He did not go to university and at age 18 married Anne Hathaway, who was eight years his 32 . They had four children, including the twins, Hamnet and Judith. Nothing is known of the period between the birth of the twins and Shakespeare's 33 as a dramatist in London in the early 1590s.

In a million words written over 20 years, he 34 the full range of human emotions and conflicts with a 35 that remains sharp today. As his great contemporary the poet and dramatist Ben Jonson said, "He was not of an age, but for all time."

- | | |
|-----------------|-------------------|
| A) captured | I) precision |
| B) classical | J) probably |
| C) conclusively | K) quality |
| D) emergence | L) scarcity |
| E) exact | M) senior |
| F) generated | N) separated |
| G) particular | O) systematically |
| H) position | |

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

How to not be boring

- A) Humans are creatures of habit. We love to establish a routine and stick with it. Then we often put ourselves on auto-pilot. Routines can be incredibly useful in helping you get things done. However, too much of a routine can also make you incredibly boring. Nevertheless, many people live lives that are boringly predictable, or live a life where everything is outlined or planned.
- B) To tell the truth, interesting people are more popular among their friends. If you don't arouse someone's curiosity or brighten someone's day, you probably come across as being a little bit dull. But that doesn't

mean your life has ended and you can't do anything to change it. If you find yourself searching for something to say beyond small talk, try these tactics to find more interesting approaches to conversation.

- C) Recently, I was at a gathering of colleagues when someone turned to me and asked, "So, what's new with you?" Ordinarily, I think I'm a good conversationalist. After all, it's literally my job to talk to people and tell their stories or share their advice. And that's not exactly an unexpected question. Still, the only "new-to-me" topics that came to mind were my daughter's basketball tournament(锦标赛) and my feelings about that morning's political headlines—neither amusing nor appropriate topics at that moment.
- D) Oh, no, I thought. Have I become boring? But sharing our experiences in an authentic way to connect with other people is what makes us interesting, says associate professor Michael Pirson. The hesitation I felt in not sharing the ordinary things that were happening in my life, and the wild mental search for something more interesting, may have backfired and made me seem less interesting.
- E) "If someone is making up some conversation that might be interesting, it's probably not going to land well," says Pirson, whose expertise includes trust and well-being, mindfulness, and humanistic management. "It's going to feel like a made-up conversation that people don't necessarily want to tune in to."
- F) The most interesting people aren't those who've gone on some Eat, Pray, Love journey to find themselves. Instead, Pirson says, they're those who examine the ordinary. "Often, the 'boring things' may not be boring at all. Maybe they are actually little miracles," he says. Share your observations about the world around you—interesting stories you heard or things you noticed—and you may be surprised by the universal connection they inspire.
- G) This is essentially how Jessica Hagy starts her day. The author of *How to Be Interesting: An Instruction Manual*, Hagy spends a lot of time thinking about what's interesting to her. People who are interesting are persistently curious, she says.
- H) Think about the everyday things around you and ask questions about them. What is that roadside monument I see on my way to work every day? Who built that interesting building in my city? What nearby attractions haven't I visited? Why do people do things that way? Use what you find to ask more questions and learn more about the world around you. "Having that sort of curiosity is almost like a protective gear from getting into boredom," she says. And when you find things that are truly interesting to you, share them.
- I) Television veteran Audrey Morrissey, executive producer of NBC's *The Voice*, is always looking for what will make a person or story interesting to viewers: It's usually a matter of individuality. "Having a strong point of view, signature style, or being a super-enthusiast in a particular field makes someone interesting," she says. That means embracing what is truly interesting or unique about yourself. "Many people are 'not boring' in the way that they can carry a conversation or can be good at a social gathering, etc. To be interesting means that you have lived life, taken risks, traveled, sought out experience to learn for yourself and share with others," she says.
- J) Of course, it's possible to be a fountain of knowledge and a boring person, says public relations consultant Andrea Pass. Paying attention to the listener is an important part of having a conversation that's interesting to both parties. Talking on and on about what's interesting to you isn't going to make you an interesting person, she says.
- K) "If the listener is not paying attention, it's your sign to shorten the story or change direction. Make sure to bring the audience into the conversation so that it is not one-sided," Pass says. Be a better listener yourself, and give others opportunities to participate in the conversation by inviting them with questions or requests to

share their own experiences or thoughts. (e.g., "Now, tell me about your favorite book," or "Have you ever been to that attraction?") Questions are a powerful tool, especially when they encourage others to disclose information about themselves. A 2012 study from the University of California, Santa Barbara, found that roughly 40% of the time we are talking, we're disclosing subjective information about our experience. And when we're doing so, our brains are more engaged. So one strategy to leave others with the impression that you're a sparkling conversation partner is to get others to talk about themselves.

- L) Being relatable is also essential, Morrissey says. "The best entertainment and storytelling comes from people who are relatable—those who don't shy away from opening up but freely share who they are and what they care about. These are the people viewers most relate to and find interesting. Being authentic, honest, and vulnerable is always interesting."
- M) I have now come to realize that being boring, in actuality, is not only about who you are as a person, but also how you present yourself. No matter what, make sure you are having fun in life. Because when you are enjoying, people around you will begin to enjoy as well. Show some interest in them and they will definitely show some in you. If you are a very reserved person, this could be a little difficult at first. But with a little effort, you can definitely improve.

36. Pirson claims that some ordinary things may often prove to be miraculously interesting.
37. To make a conversation interesting, it is important that you listen to the other party attentively.
38. A person who is unable to stimulate others' curiosity or make their life enjoyable may appear somewhat boring.
39. Interesting people usually possess certain unique qualities, according to a TV program producer.
40. Be interested in others and they are sure to be interested in you.
41. The author considers himself usually good at conducting conversations.
42. Interesting people are always full of curiosity.
43. Falling into a routine can turn a person into an utter bore.
44. One strategy to be a good conversationalist is to motivate your partner to tell their own stories.
45. Interesting as it might appear, a made-up conversation will probably turn out to be dull.

Section C

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

With obesity now affecting 29% of the population in England, and expected to rise to 35% by 2030, should we now recognise it as a disease? Obesity, in which excess body fat has accumulated to such an extent that health may be adversely affected, meets the dictionary definition of disease, argues Professor John Wilding. He points out that more than 200 genes influence weight. "Thus body weight is strongly influenced by biology—it is

not an individual's fault if they develop obesity." Yet the widespread view is that obesity is self-induced and that it is entirely the individual's responsibility to do something about it. Recognising obesity as a chronic disease with severe complications rather than a lifestyle choice "should help reduce the stigma(耻辱) and discrimination experienced by many people with obesity," he adds.

Professor Wilding disagrees that labelling a high proportion of the population as having a disease removes personal responsibility or may overwhelm health services, pointing out that other common diseases, such as high blood pressure and diabetes, require people to take action to manage their condition. He suggests that most people with obesity will eventually develop complications. "But unless we accept that obesity is a disease, we are not going to be able to tackle it," he concludes.

But Dr. Richard Pile, a physician with a special interest in diabetes, argues that adopting this approach "could actually result in worse outcomes for individuals and society." He believes that the dictionary definition of disease "is so vague that we can classify almost anything as a disease" and says the question is not whether we can, but whether we should, and to what end.

If labelling obesity as a disease was harmless then it wouldn't really matter, he writes. But labelling obesity as a disease "risks reducing autonomy, disempowering and robbing people of the intrinsic(内在的) motivation that is such an important enabler of change." What's more, making obesity a disease "may not benefit patients, but it will benefit healthcare providers and the pharmaceutical(制药的) industry when health insurance and clinical guidelines promote treatment with drugs and surgery," he warns.

46. What does Professor John Wilding argue about obesity?

- A) Its impact on society is expected to rise.
- B) It is now too widespread to be neglected.
- C) It should be regarded as a genetic disease.
- D) Its dictionary definition should be updated.

47. What is the popular view of obesity?

- A) It is difficult to define.
- B) It is a modern disease.
- C) It has much to do with one's genes.
- D) It results from a lack of self-control.

48. Why are some people opposed to labelling obesity as a disease?

- A) Obese people would not feel responsible to take any action.
- B) Obese people would not be able to afford the medical costs.
- C) Obese people would be overwhelmed with anxiety.
- D) Obese people would be discriminated against.

49. What does Dr. Richard Pile think of the dictionary definition of disease?

- A) It is of no use in understanding obesity.
- B) It is too inclusive and thus lacks clarity.
- C) It helps little to solve patients' problems.
- D) It matters little to the debate over obesity.

50. What is Dr. Richard Pile's concern about classifying obesity as a disease?

- A) It may affect obese people's quality of life.
- B) It may accelerate the spread of obesity.
- C) It may cause a shortage of doctors.
- D) It may do little good to patients.

Passage Two

Questions 51 to 55 are based on the following passage.

Nationwide, only about three percent of early childhood teachers are male in the U.S. Experts say this can have an impact on young children whose understanding of gender roles and identity are rapidly forming. Research has found that having access to diverse teachers is beneficial for children. For the youngest learners, it means they are more likely to get exposed to different varieties of play and communication. It also helps them develop healthy ideas around gender.

"In our world and our society, we have very specific stereotypes(模式化形象) of gender roles," said Mindi Reich-Shapiro, an assistant professor in the teacher education department of the Borough of Manhattan Community College, and one of the authors of a recent study. "It's important for children to see other possibilities and other paths they can take."

Despite mostly feeling supported by colleagues and family members, many of the male educators surveyed in the study reported facing social or cultural resistance in their careers as early education teachers. Some also reported that there were parents surprised or concerned that their child had a male teacher. And they had been advised by colleagues or other staff not to hug children.

Reich-Shapiro and fellow researchers made several recommendations to increase male representation in the field. Low pay has long been acknowledged as a major issue in the early childhood field. Over 70% of male educators who said they intended to stay in the early education workforce noted an increased salary was a major motivating factor for them to commit to the career long-term. The report suggests paying all early childhood educators the way elementary school teachers are paid.

Cities and programs should establish support groups for male early childhood educators and provide mentoring and professional development advice for male educators and their program leaders.

The authors also suggest that traditional recruitment approaches for early childhood educators "do not address the gender gap in the field." They recommend providing young men opportunities to work with children through training and volunteer programs, targeting groups of men who are considering a career change, such as fathers.

51. What do we learn from the first paragraph about early childhood education in the U.S.?

- A) It helps raise children's awareness of gender roles.
- B) It exposes children to different ways of interaction.
- C) It is negatively impacted by a lack of male teachers.
- D) It clearly aims to form children's identity through play.

52. What does Mindi Reich-Shapiro emphasize in her comment on childhood education?
- A) The importance of broadening children's horizons.
 - B) The responsibilities of fathers for children's growth.
 - C) The urgency of creating teacher education programs.
 - D) The role of teachers in motivating children to learn.
53. What do we learn about male teachers from their responses in the study?
- A) Some of them find it awkward when hugging children.
 - B) They feel pressured to keep up with female colleagues.
 - C) They find it hard to meet the expectations of kids' parents.
 - D) Many of them feel prejudiced against socially and culturally.
54. What is needed for men to commit to early childhood education?
- A) Higher pay.
 - B) Job security.
 - C) Social recognition.
 - D) Better working conditions.
55. What do the authors of the study recommend to bridge the gender gap in early childhood education?
- A) Recruiting young men who have a passion for educating young children.
 - B) Taking measures to attract prospective male teachers to work in the field.
 - C) Persuading prospective fathers to consider a change in their career.
 - D) Providing male teachers with more opportunities for advancement.

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

坎儿井(Karez)是新疆干旱地区的一种水利系统, 由地下渠道将水井连接而成。该系统将春夏季节渗入(seep into) 地下的大量雨水及积雪融水收集起来, 通过山体的自然坡度引到地面, 用于灌溉农田和满足人们的日常用水需求。坎儿井减少了水在地面的蒸发(evaporation), 对地表破坏很小, 因而有效地保护了自然资源与生态环境。坎儿井体现了我国人民与自然和谐共存的智慧, 是对人类文明的一大贡献。

PROMPT & MODEL ESSAY • 写作题和范文

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2021年12月·第2套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第2套(2021-12) • 四级

Part I

Directions: Suppose your university student union is planning to hold a speech contest. You are now to write a proposal for organizing the contest. The proposal may include the topic, aim, procedure and selection of contestants. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.

【参考范文·151词】 写作无唯一标准答案，以下为达标示范

A Proposal for a Speech Contest On behalf of the Student Union, I am writing to propose that our university hold a campus speech contest next month, and the details are outlined below for your approval.

The contest will focus on the theme "My Chinese Dream." Our aim is to sharpen students' public-speaking skills, build their confidence, and enrich campus cultural life.

As for the procedure, we will first post a notice to call for entries. Then a preliminary round will be held in each college. Finally, twelve finalists will deliver their speeches on stage, scored by a panel of teachers and students.

The selection of contestants will be fair and open: applicants must submit a written draft, and those with clear ideas and fluent expression will be shortlisted through a short interview. We sincerely hope you will approve this proposal, and any suggestions would be warmly welcomed. The Student Union

【参考译文】

一份演讲比赛方案 谨代表学生会，我写此提案，建议我校于下月举办一场校园演讲比赛，具体细节列于下文，恳请批准。

本次比赛以「我的中国梦」为主题。我们的目的是锻炼同学们的公众演讲能力、增强他们的自信，并丰富校园文化生活。

关于比赛流程，我们将先张贴通知征集报名；随后在各院系举办初赛；最后，十二名决赛选手将登台演讲，由师生组成的评委团打分。

选手选拔将公平公开：报名者须提交一份书面讲稿，思路清晰、表达流畅者将经过一次简短面试择优入围。我们衷心希望您能批准这份提案，也十分欢迎任何建议。 学生会

【第1段】标题 + 首句表来意。标题 A Proposal for a Speech Contest 一眼点题；首句 On behalf of the Student Union, I am writing to propose that... 落实了「首句报身份表来意」，并用 outlined below for your approval 预告下文、点明请批目的。

【第2段】主题 + 目的两要点。The contest will focus on the theme "My Chinese Dream." 先定主题；Our aim is to sharpen... build... and enrich... 用并列结构一次说清三个办赛目的，落实「先定主题再讲意义」。

【第3段】序数词分步写流程。As for the procedure 总起，first... Then... Finally... 把报名、初赛、决赛三步依次串起，条理清晰，落实「序数词串起流程」。

【第4段】补选拔 + 礼貌收尾。The selection of contestants will be fair and open 单独交代最易漏的选拔要点；结尾 We sincerely hope you will approve... and any suggestions would be warmly welcomed 请批并欢迎反馈，末署 The Student Union，落实「补齐选拔再礼貌收尾」。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

为演讲比赛写提案

本题要写的不是一篇作文而是一份可执行的方案：题面明确 You are now to write a proposal for organizing the contest，即为「组织一场演讲比赛」提交提案。所以全篇的落脚点是「怎么办这场比赛」，而不是「为什么要办演讲比赛」。

读者 • 语域

以学生会身份写给校方

身份由题面给定——your university student union is planning to hold a speech contest，你代表学生会执笔；读者是有权批准方案的校方。因此语域是正式书面语，口吻要像「向上级报请批准」，多用 We propose、It is suggested that 这类提案措辞，结尾请求审批，不能写成同学间的随意告知。

中心立意

报请批准办比赛

本篇的交际目的一句话：代表学生会提交一份主题、目的、流程、选拔俱全的演讲比赛方案，请校方批准。它不是论点而是「要办成一件事」，所有内容都为「让方案清楚到能被批准」服务。

要展开的要点

1. 比赛主题

对应 the topic：给比赛定一个明确、积极、贴合校园的主题，如 "My Chinese Dream"，一句话交代即可，不必展开议论。

2. 举办目的

对应要点 aim：说明办赛想达到什么，如锻炼同学的公众演讲能力、增强自信、丰富校园文化生活，两三句点到为止。

3. 比赛流程

对应 procedure：把办赛步骤讲清楚——发通知报名、各院系初赛、决赛登台并由评委打分，用 first/then/finally 串成一条线。

4. 选手选拔

对应 selection of contestants，这是最易被漏掉的一条：说明怎么选人——提交讲稿、按思路清晰与表达流畅经简短面试择优入围，务必单独写到。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文——对应。

第 1 段 标题 + 开门见山点目的

写出标题 A Proposal for a Speech Contest，正文首句以学生会身份点明写作目的：提议下月举办一场演讲比赛、呈请批准。

第 2 段 写主题与目的

落实两个要点——先亮出比赛主题，再说明举办目的（锻炼演讲能力、丰富校园生活）。

第 3 段 写比赛流程

落实 procedure 要点：用序数词把报名、初赛、决赛三步依次讲清。

第 4 段 写选手选拔 + 礼貌收尾落款

落实 selection 要点，说明选拔办法；再以一句礼貌请批与欢迎建议收束，末尾署学生会。

第 1 段 学生会提议办赛呈批

内容落点：代表 your university student union is planning to hold a speech contest 中的学生会执笔，正文首句提出下月举办校园演讲比赛，方案细节列于下文供校方批准。

亮身份表来意 · On behalf of ____, I am writing to propose that _____. (填：学生会／举办某活动)

预告下文 · The details are outlined below for your approval. (把「细节见下、请批准」一句带出)

第 2 段 主题为梦想，旨在练口才

内容落点：主题定为 "My Chinese Dream" (对应 the topic)；目的是锻炼同学的公众演讲能力、增强自信、丰富校园文化生活。

点明主题 · The contest will focus on the theme "_____." (填本次主题)

陈述目的 · Our aim is to ____, ____ and _____. (并列填三个办赛目的)

第 3 段 报名—初赛—决赛三步

内容落点：对应 procedure——先发通知征集报名，接着各院系办初赛筛选，最后十二名决赛选手登台、由师生评委打分。

总起流程 · As for the procedure, _____. (引出「流程如下」)

分步推进 · To begin with, _____. Then _____. Finally, _____. (三步依次填报名／初赛／决赛)

第 4 段 择优选拔 + 请批欢迎建议

内容落点：对应 selection of contestants——报名者须提交讲稿，按思路清晰、表达流畅经简短面试择优入围；随后礼貌请校方批准并欢迎提出建议，末尾署学生会。

说明选拔标准 · Applicants must ____, and those with ____ will be shortlisted. (填提交材料／入围条件)

礼貌请批收尾 · We sincerely hope you will approve this proposal, and any suggestions would be warmly welcomed. (请求批准并欢迎反馈)

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法——这是写作版的「狠拆诱人错项」。

内容切题

四要点全覆盖

逐条核对 the topic、aim、procedure、selection of contestants 是否都真正落地；本题最易漏 selection，务必确认它有独立一句。

结构连贯**格式块 + 序数词**

本题应有标题、身份开头、分点正文、请批落款四块清楚可辨；流程段务必用 first/then/finally 之类连接词把步骤串成线。

语言准确**现在 / 将来时 + 提案口吻**

用 We propose / will hold 等表达安排；避免中式直译，如把「举办比赛」写成 hold the match（应为 hold a contest）。

字数格式**守住上下限 + 齐格式**

题面限定 at least 120 words but no more than 180 words，写完确认既不欠也不超；同时确认标题与学生会落款都在，别为凑字堆砌套话。

典型低分写法 · 反面示例与改法

只谈意义不落办法

反面示例："Speech contests are very important. They can improve our abilities and make our life colorful..."（通篇夸意义，没主题没流程没选拔）。改法：改成 "We propose to hold a speech contest on 'My Chinese Dream,' which will proceed in three steps..."，把笔墨转到主题与办法上。

漏写选手选拔

反面示例：只写了主题、目的、流程，全文找不到怎么选入。改法：补上一句 "Contestants will be selected through a written draft and a short interview."，让 selection 要点落地。

无标题无提案措辞

反面示例："I think we should have a speech contest. It is good for us."（口语、无标题、无请批）。改法：加标题 A Proposal for a Speech Contest，正文改为 "On behalf of the Student Union, we propose holding a speech contest, and we hope it will be approved."

套话重复凑字

反面示例："As we all know, with the development of society, speech contests are more and more important and more and more popular..."（无信息、纯凑字）。改法：删掉套话，换成有内容的一句，如 "The contest aims to sharpen students' public-speaking skills."

PAPER & KEY · 听力题和解析

听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2021年12月·第2套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第2套(2021-12) · 四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1 A 22-year-old Chinese woman who suffered from a persistent cough was shocked to learn that she had a piece of chicken bone lodged in her lung.

一名22岁的中国女性因持续咳嗽而震惊地得知,她的肺部卡着一块鸡骨头。

2 The unnamed woman, from the province of Shandong, started to have coughing problems when she was 7 or 8 years old. For 14 years, she made numerous hospital visits. However, no doctor could identify any problem. Her uncontrollable coughing was a mystery.

这名来自山东省的未透露姓名的女性,在7岁或8岁时开始出现咳嗽问题。14年来,她多次前往医院就诊。然而,没有一位医生能够发现任何问题。她无法控制的咳嗽一直是个谜。

3 Finally, the woman got a full body scan at a hospital in the city of Qingdao. This special medical procedure revealed she had a chicken bone stuck in her lung. Doctors performed surgery and removed

the bone. The simple procedure went smoothly and the woman has recovered fully. With the bone finally removed from her lung, the woman is very happy that she no longer suffers from that annoying cough. 最终,这名女性在青岛市的一家医院进行了全身扫描。这项特殊的医疗检查显示她的肺部卡着一块鸡骨头。医生进行了手术并取出了骨头。这个简单的手术进行得很顺利,女性已完全康复。随着骨头最终从肺部取出,这名女性非常高兴,因为她不再遭受那恼人的咳嗽困扰。

1. A) She was pierced by a chicken bone.
B) She was coughing all the time.
C) She suffered from lung cancer.
D) She suffered from shock.

【题目】 What was the woman's problem?

【翻译】 这位女士的问题是什么?

A) 她被鸡骨头刺伤了。 B) 她一直在咳嗽。 C) 她患有肺癌。 D) 她受到了惊吓。

【答案】 B (细节题) She was coughing all the time.

【定位】 The unnamed woman, from the province of Shandong, started to have coughing problems when she was 7 or 8 years old. For 14 years, she made numerous hospital visits. However, no doctor could identify any problem. Her uncontrollable coughing was a mystery.

这名未透露姓名的女子来自山东省,从七八岁起就开始有咳嗽的毛病。十四年间,她无数次跑医院。然而,没有一个医生能查出任何问题。她那无法控制的咳嗽成了一个谜。

【信号】 反复强调的核心症状即答案句。判定她问题是什么,要抓原文反复落在同一件事上的那句。第2段 started to have coughing problems、Her uncontrollable coughing was a mystery 两处都把焦点钉在咳嗽上,第1段也以 a persistent cough (持续的咳嗽) 开篇——多处强调、贯穿始终的那个症状,就是她的核心问题,这就是答案信号。

【替换】 coughing problems ↔ **coughing all the time**

同义改写: 咳嗽的毛病等于一直在咳

For 14 years ↔ **all the time**

概括替换: 长达14年等于一直总是

【排除】 A) 原词陷阱

选项 She was pierced by a chicken bone. 借用了原文确实念到的 a piece of chicken bone, 听到 chicken bone 很容易手一抖就选。但原文说的是鸡骨头卡在肺里, 是导致咳嗽的原因, 而且并非 pierced (刺穿); 题问的是她表现出的问题——咳嗽, 不是病因, 故 A 答非所问。

借用原文: a piece of chicken bone lodged in her lung

C) 原词陷阱

选项 She suffered from lung cancer. 蹭了原文反复出现的 lung (肺), 把肺里有东西夸大成肺癌。原文通篇只说咳嗽和鸡骨头, 根本没出现 cancer 一词, 这是把听到的 lung 顺手脑补成重病的陷阱。

借用原文: lodged in her lung

D) 原词陷阱

选项 She suffered from shock. 借了原文 was shocked to learn (得知时大为震惊) 里的 shock。但原文的 shocked 指她得知真相时很吃惊这一情绪反应, 不是她患的疾病; 题问她的问题 (毛病), 故 D 张冠李戴、答非所问。

借用原文: was shocked to learn

-
2. A) By eating chicken soup daily.
B) Through regular exercising.
C) Through a surgical operation.
D) By using traditional Chinese medicine.

【题目】 How was the woman's problem eventually solved?

【翻译】 这位女士的问题最终是如何解决的?

A) 通过每天喝鸡汤。 B) 通过定期锻炼。 C) 通过外科手术。 D) 通过使用中药。

【答案】 C (细节题) Through a surgical operation.

【定位】 Doctors performed surgery and removed the bone.

医生做了手术, 把那根骨头取了出来。

【信号】 结尾处交代最终处置的动作句。 问最终怎么解决, 答案信号是叙事收束段里那句表最后做了什么动作句。第 3 段先靠扫描查出病因, 紧接 Doctors performed surgery and removed the bone 给出明确处置动作——做手术取骨, 这就是解决问题的那一刻, 是答案句。

【替换】 Doctors performed surgery ↔ **Through a surgical operation**

同根改写: 做手术等于通过外科手术

【排除】 A) 原词陷阱

选项 By eating chicken soup daily. 蹭了原文反复出现的 chicken (来自 a piece of chicken bone), 把鸡骨头致病偷换成天天喝鸡汤治病。原文根本没提任何喝汤、食疗, 这是靠 chicken 撞词制造的听到鸡就选陷阱。

借用原文: a piece of chicken bone

B) 未提及

选项 Through regular exercising. 说靠规律锻炼解决, 但原文从开头到结尾只字未提运动锻炼。它利用的是考生生病要多锻炼的生活常识, 诱你用常识替代原文, 属于原文未提及。

D) 原词陷阱

选项 By using traditional Chinese medicine. 里的 Chinese 和原文 A 22-year-old Chinese woman 的 Chinese 撞词, 让人以为中国人就用中医。但原文交代的解决手段明明是 performed surgery (手术), 全篇没提任何中医草药, 这是借 Chinese 撞词加常识联想的双重陷阱。

借用原文: A 22-year-old Chinese woman

Questions 3 and 4 are based on the news report you have just heard.

1 A white sheep named Prickles that ran away from an Australian farm during the 2013 bushfires, recently returned home.

一只名叫Prickles的白羊在2013年丛林大火期间从澳大利亚一个农场逃跑,最近回家了。

2 According to farmer Alice Gray, Prickles was only a lamb when she ran away. The bushfires that hit the area back then destroyed a large part of her family's massive property. They thought Prickles had died in the fire. But instead, the young sheep escaped into a 200-acre forest near the farm. Once the fires were over, the family had to fix the damage done to the farm, as it was such a large property. This included rebuilding about 50 kilometers of fencing. It was this huge fencing that prevented Prickles from finding her way back. Over the years, the family spotted her a few times. They even recorded her with cameras installed to monitor deer activity. But while they knew Prickles was alive, they couldn't find her and never expected her to return by herself. Seven years later, they were proven wrong.

据农场主Alice Gray说,Prickles逃跑时还只是一只羊羔。当时袭击该地区的丛林大火摧毁了她家大片地产的很大一部分。他们以为Prickles在火灾中丧生了。但实际上,这只小羊逃进了农场附近一片200英亩的森林。火灾结束后,由于地产面积很大,这家人不得不修复农场遭受的损坏。这包括重建约50公里的围栏。正是这道巨大的围栏阻止了Prickles找到回家的路。多年来,这家人看到过她几次。他们甚至用安装来监测鹿类活动的相机拍到过她。但尽管他们知道Prickles还活着,却找不到她,也从未料到她会自己回来。七年后,事实证明他们错了。

3. A) It was born 13 years ago.

B) It was Alice Gray's lovely pet.

C) It got injured in a big bushfire.

D) It ran away into a nearby forest.

【题目】 What does the news report say about the white sheep Prickles?

【翻译】新闻报道中关于白羊Prickles说了什么？

- A) 它出生于13年前。 B) 它是Alice Gray心爱的宠物。
C) 它在一场大型丛林火灾中受伤。 D) 它跑进了附近的森林。

【答案】D (细节题) It ran away into a nearby forest.

【定位】A white sheep named Prickles that ran away from an Australian farm during the 2013 bushfires, recently returned home.

一只名叫 Prickles 的白羊，在 2013 年的山火期间从一座澳大利亚农场逃走，最近回了家。

【信号】新闻首句即核心事实。新闻短消息的第一句通常就把最关键的事实交代清楚。这里开篇 A white sheep named Prickles that ran away from an Australian farm during the 2013 bushfires 直接点明这只羊 "在山火期间逃走"，这就是承载第 3 题答案的信号句——顺听到第一句就该锁定。

【替换】ran away from an Australian farm ↔ ran away into a nearby forest

同一逃走动作的去向补全

【排除】A) 原词陷阱

选项说羊 It was born 13 years ago., 但录音只提到 "2013 bushfires" 这个火灾年份，从没说羊出生于 13 年前——它把年份信息张冠李戴到 "出生" 上，专骗听到年数就对号入座的人。

借用原文：during the 2013 bushfires

B) 原词陷阱

选项称羊是 It was Alice Gray's lovely pet., 录音里 According to farmer Alice Gray 确实出现了 Alice Gray，但她是农场主、是消息来源，录音从没说这羊是她的 "宠物"——这是借真实人名编造的关系。

借用原文：According to farmer Alice Gray

C) 原词陷阱

选项说羊 It got injured in a big bushfire., "bushfire" 是录音反复出现的原词，听到就想选；但录音说的是羊 escaped into a 200-acre forest 逃走并活了下来，从没说它在火中受伤，"injured" 是无中生有。

借用原文：escaped into a 200-acre forest near the farm

-
4. A) They rebuilt the fencing around their farm.
B) They spent seven years replanting their farm.
C) They claimed damages for their heavy losses.
D) They installed a camera to monitor sheep activity.

【题目】What did the family do after the bushfires?

【翻译】丛林火灾后这家人做了什么？

- A) 他们重建了农场周围的围栏。 B) 他们花了七年时间重新种植农场。
C) 他们为重大损失索赔。 D) 他们安装了摄像头来监控羊的活动。

【答案】 **A** (细节题) They rebuilt the fencing around their farm.

【定位】 Once the fires were over, the family had to fix the damage done to the farm, as it was such a large property. This included rebuilding about 50 kilometers of fencing.

大火一过，这家人就不得不修复农场受到的损坏，因为农场面积太大了。这其中就包括重建约 50 公里的围栏。

【信号】 **时间信号词 Once the fires were over**。答案句由时间信号 Once the fires were over (大火一过) 引出，正好对上题干的 "after the bushfires"。这个时间词就是定位信号——它一出现，后面紧跟的就是 "灾后这家人做的事"，听到它要立刻进入接答案状态。

【替换】 rebuilding about 50 kilometers of fencing ↔ **rebuilt the fencing around their farm**

同一重建围栏动作的概括

【排除】 **B) 原词陷阱**

选项说 They spent seven years replanting their farm., "seven years" 是录音原词，但录音里 Seven years later, they were proven wrong 的七年指的是 "羊七年后回来"，不是 "花七年补种农场"，"replanting" 录音根本没提，是张冠李戴加无中生有。

借用原文：Seven years later, they were proven wrong

C) 未提及

选项称 They claimed damages for their heavy losses., 录音确实说山火 destroyed a large part of her family's massive property 造成了损失，听到 "损失" 容易顺势联想到 "索赔"，但录音从头到尾没说他们去索赔，"claimed damages" 是凭损失情节脑补出来的。

借用原文：destroyed a large part of her family's massive property

D) 偷换概念

选项说 They installed a camera to monitor sheep activity., 录音里 cameras installed to monitor deer activity 确实有装摄像头，但监控的是 "deer (鹿)" 不是 "sheep (羊)"，选项只改了一个名词就把意思偷换了，专骗听到 "camera/monitor" 就选的人。

借用原文：cameras installed to monitor deer activity

Questions 5 to 7 are based on the news report you have just heard.

1 Tons of gold have fallen out of the sky in Russia after a cargo plane malfunctioned in midair this morning.

今天上午，一架货机在空中发生故障后，数吨黄金从俄罗斯天空坠落。

2 The aircraft was carrying 265 million pounds worth of gold and diamonds, when the door flew open—sending the precious metal back to earth.

这架飞机载有价值2.65亿英镑的黄金和钻石，当舱门突然打开时，贵重金属被抛回地面。

3 According to the official news agency, Russian authorities have recovered more than 170 gold bars weighing 20 kilograms each. The plane was traveling from Yakutsk Airport in a major diamond-producing region to the city Krasnoyarsk in Siberia.

据官方通讯社报道，俄罗斯当局已经回收了超过170根金条，每根重20公斤。该飞机从主要钻石产区的Yakutsk机场飞往西伯利亚的Krasnoyarsk市。

4 However, the aircraft made an emergency landing in Magan after it began losing some of its valuable cargo.

然而，这架飞机在开始丢失部分贵重货物后，在Magan紧急降落。

5 Reports suggest some bars of gold were scattered up to 15 miles away from the airport. Nine tons of gold on plane AN-12 belonged to a goldmine company.

报道称，一些金条散落在距离机场15英里远的地方。AN-12飞机上的9吨黄金属于一家金矿公司。

6 Police have sealed off the runway, and say it is unclear if it was an accident or an attempted robbery. Technical engineers who worked on the plane prior to take-off are reportedly going to be questioned by the police.

警方已经封锁了跑道，并表示尚不清楚这是一起事故还是抢劫未遂。据报道，起飞前在飞机上工作的技术工程师将接受警方问询。

5. A) The disappearance of some gold and diamonds.

B) The transfer of tons of precious metal by air.

C) The crash of a Russian cargo airplane.

D) The loss of gold from an airplane.

【题目】 What is the news report mainly about?

【翻译】 这则新闻报道主要关于什么？

- A) 一些黄金和钻石的失踪。 B) 数吨贵金属的空运。 C) 一架俄罗斯货机的坠毁。
D) 飞机上黄金的丢失。

【答案】 D (主旨题) The loss of gold from an airplane.

【定位】 Tons of gold have fallen out of the sky in Russia after a cargo plane malfunctioned in midair this morning.

今天上午，一架货机在半空中发生故障后，数吨黄金从俄罗斯的天空中坠落下来。

【信号】 新闻首句即点题。 新闻短消息的核心动作往往压在开头第一句，本则的首句 Tons of gold have fallen out of the sky in Russia after a cargo plane malfunctioned in midair 一句话就交代了“金子从飞机上掉下来”，整篇后文都是围着它展开的细节。

【替换】 Tons of gold have fallen out of the sky ↔ **The loss of gold from an airplane.**

金子掉落=金子丢失

a cargo plane ↔ **from an airplane**

货机就是飞机

【排除】 A) 原词陷阱

A 盗用了录音里的 gold 和 diamonds 两个原词，听着很耳熟，但它说的是 The disappearance of some gold and diamonds. (金子钻石的消失)，"消失"指不知去向，而录音明确是"从飞机上掉落"且大部分已被寻回，方向不符，也漏掉了"飞机"这个关键。

借用原文：265 million pounds worth of gold and diamonds

B) 答非所问

B 的 The transfer of tons of precious metal by air. (用飞机空运大量贵金属) 确实是事情的背景，precious metal、by air 也都能在录音里找到影子，但它只描述了"正在空运"这个前提，完全没提"出故障、金子掉落"这个真正的新闻点，以偏概全。

借用原文：265 million pounds worth of gold and diamonds

C) 过度推断

C 说 The crash of a Russian cargo airplane. (俄罗斯货机坠毁)，Russian、cargo airplane 都是原词，但录音里飞机是 made an emergency landing (紧急迫降) 而非坠毁，crash 把事故程度夸大了，与事实相反。

借用原文：the aircraft made an emergency landing in Magan

-
6. A) It made an emergency landing.
B) It informed the local police at once.
C) It contacted the goldmine company.
D) It had a crew member fix the problem.

【题目】 What did the aircraft do when the incident happened?

【翻译】 事件发生时飞机做了什么？

- A) 它进行了紧急降落。 B) 它立即通知了当地警方。 C) 它联系了金矿公司。
D) 它让一名机组人员修理了问题。

【答案】 A (细节题) It made an emergency landing.

【定位】 However, the aircraft made an emergency landing in Magan after it began losing some of its valuable cargo.

然而，这架飞机在开始丢失部分贵重货物后，于马甘紧急迫降。

【信号】 转折 However 后是落点。本句以转折词 However 起头——前文一直在讲金子掉了、被寻回多少，转折之后才交代飞机本身的应对动作 made an emergency landing，转折后的句子正是本题答案句。

【替换】 the aircraft made an emergency landing ↔ **It made an emergency landing.**

几乎原句对应

【排除】 B) 张冠李戴

B 说 It informed the local police at once. (飞机立刻通知了当地警方), police 一词录音确实念到了, 但录音是 Police have sealed off the runway (警方封锁跑道), 是警方主动介入, 并没有“飞机通知警方”这回事, 张冠李戴。

借用原文: Police have sealed off the runway

C) 原词陷阱

C 说 It contacted the goldmine company. (飞机联系了金矿公司), goldmine company 是原词, 但录音只说 Nine tons of gold on plane AN-12 belonged to a goldmine company (飞机上九吨金子归一家金矿公司所有), 金矿公司只是货物的主人, 根本没说飞机去联系它。

借用原文: belonged to a goldmine company

D) 未提及

D 说 It had a crew member fix the problem. (飞机让机组人员修好了故障), 录音确实提到 malfunctioned (故障) 和后文的 technical engineers (技术工程师), 听着像“有人修”, 但录音里飞机是迫降处理, 从没说让机组成员在空中把问题修好了, 纯属无中生有。

-
7. A) They will cooperate with the police.
B) They had checked the plane carefully.
C) They will be questioned by the police.
D) They took some gold bars and diamonds.

【题目】 What does the news report say about the technical engineers who worked on the plane before take-off?

【翻译】 新闻报道对起飞前检修该飞机的技术工程师有何说法?

- A) 他们将配合警方工作。 B) 他们曾仔细检查过飞机。 C) 他们将接受警方问询。
D) 他们拿走了一些金条和钻石。

【答案】 C (细节题) They will be questioned by the police.

【定位】 Technical engineers who worked on the plane prior to take-off are reportedly going to be questioned by the police.

据报道, 起飞前给这架飞机做过工作的技术工程师将接受警方问询。

【信号】 末段交代相关人员后续。 新闻把对涉事人员的后续处置放在结尾, 末段 Technical engineers ... are reportedly going to be questioned by the police 一句直接点出工程师的去向, 是本题答案句; 且它与题干用的 technical engineers...prior to take-off 几乎同词, 定位极其明确。

【替换】 are reportedly going to be questioned by the police ↔ **They will be questioned by the police.**

将被警方问询, 几乎同句

Technical engineers who worked on the plane prior to take-off ↔ **They**

代词回指工程师

【排除】 A) 与原文相反

A 说 They will cooperate with the police. (他们将配合警方), police 是原词且"将来 + 警方"的框架很像, 但录音是 be questioned by the police (被警方询问, 被动), 工程师是被调查的对象, 并非主动配合, 主被动方向被偷换。

借用原文: are reportedly going to be questioned by the police

B) 未提及

B 说 They had checked the plane carefully. (他们已仔细检查过飞机), 借工程师 worked on the plane 联想出"检查", 但录音只说工程师"起飞前做过工作"且"将被询问", 从没说他们"仔细检查过", 更没说检查得是否仔细, 无中生有。

D) 过度推断

D 说 They took some gold bars and diamonds. (他们拿走了金条和钻石), gold bars、diamonds 全是原词, 又借录音 it is unclear if it was an accident or an attempted robbery (尚不清楚是事故还是抢劫未遂) 的联想, 把工程师直接坐实成偷窃者, 但录音只说"将被询问"、尚未定性, 是过度推断。

借用原文: it is unclear if it was an accident or an attempted robbery

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

1 M: Hello, you're through to customer service. This is Michael speaking. Before we continue, I just want to make you aware that this call is being recorded and may be used in the future for training purposes. What can I help you with today?

M: 您好,您已接通客户服务部。我是Michael。在我们继续之前,我想提醒您,本通话正在录音,未来可能用于培训目的。请问有什么可以帮您的?

2 W: Hi, my name is Jean Seimon. I recently bought an office chair from your company, but I returned it about a week ago. I'm just calling to inquire when I will be able to get my money back. It says on your website that your company will pay back the money within three working days of you receiving the returned item. But it's been five working days and I haven't received anything.

W: 您好,我叫Jean Seimon。我最近从贵公司买了一把办公椅,但大约一周前退了货。我打电话是想询问什么时候能拿到退款。贵公司网站上说,在收到退货后三个工作日内会退款。但已经过了五个工作日了,我还没收到任何款项。

3 M: I'm sorry to hear that, Miss Seimon. What's your customer reference number, please?

M: 很抱歉听到这个情况,Seimon女士。请问您的客户编号是多少?

4 W: It's 389460.

W: 是389460。

5 M: Okay, 389460. I'm just looking on the system here. And according to our records, the chair you returned was received by our warehouse on Friday morning. The payment was made on Wednesday. But this seems to be a problem with your card number.

M: 好的,389460。我这就在系统里查一下。根据我们的记录,您退回的椅子是周五上午被我们仓库收到的。退款是在周三处理的。但您的卡号似乎有问题。

6 W: My card number? Oh, maybe it has something to do with my new card. It was sent to me on Tuesday. Maybe the bank canceled my old one before you've made the payment.

W: 我的卡号?哦,可能跟我的新卡有关。周二才寄给我的。也许银行在你们付款之前把我的旧卡注销了。

7 M: Well, you'll need to update your card details directly on our website. Just make sure you're logged in. And then under the description of your personal information, you should see an option for updating payment methods.

M: 那您需要直接在我们网站上更新您的银行卡信息。确保您已经登录,然后在个人信息栏下面,应该能看到更新付款方式的选项。

8 W: I am logged in, and I'll give that a go.

W: 我已经登录了,我试试看。

9 M: I'll make a note here on the system for you, so that the payment will be made tomorrow morning.

M: 我会在系统里给您做个备注,这样明天上午就能给您退款。

10 W: Thank you very much.

W: 非常感谢。

8. A) For the company's records.

B) For future training purposes.

C) To follow the company's rule.

D) To ensure information security.

【题目】 Why does the man have his conversation with the woman recorded?

【翻译】 男士为什么将他与女士的对话录音?

- A) 为了公司的记录。 B) 为了将来的培训目的。 C) 为了遵守公司的规定。
D) 为了确保信息安全。

【答案】 B (细节题) For future training purposes.

【定位】 I just want to make you aware that this call is being recorded and may be used in the future for training purposes.

我想提醒您一下,本次通话正在录音,将来可能会用于培训目的。

【信号】目的状语 for...purposes。答案信号是表目的的短语 used in the future for training purposes——"录音"这一动作后面紧跟的"for ... purposes"就是它的目的，听到 for...purposes 这种目的状语，落点即在其后那个理由词上。

【替换】used in the future for training purposes ↔ For future training purposes.

几乎原句压缩

【排除】A) 原词陷阱

选项 For the company's records. 里的 records，借自客服后面查单时说的 according to our records——那是"按我们的记录"，与"为什么录音"毫不相干，是听到 records 就想选的原词陷阱。

借用原文：according to our records

C) 未提及

选项 To follow the company's rule. 说"为遵守公司规定"，录音里客服只说录音用于培训目的，从没提"规定/rule"这回事，属原文未提及。

D) 未提及

选项 To ensure information security. 说"为保障信息安全"，虽与客服场景的常识联想很近，但录音讲录音原因时只字未提"信息安全"，是按常识脑补出来的理由，原文无依据。

-
9. A) To check her customer reference number.
B) To inquire about the price of office chairs.
C) To get her money back for the returned chair.
D) To make complaints about its customer service.

【题目】What is the woman's purpose of calling the furniture company?

【翻译】女士致电家具公司的目的是什么？

- A) 核查她的客户参考编号。 B) 询问办公椅的价格。 C) 为退回的椅子拿回她的钱。
D) 对其客户服务进行投诉。

【答案】C (目的题) To get her money back for the returned chair.

【定位】I recently bought an office chair from your company, but I returned it about a week ago. I'm just calling to inquire when I will be able to get my money back.

我最近从贵公司买了一把办公椅，但大约一周前退掉了。我打电话就是想问问，我什么时候能拿到退款。

【信号】自报来意 I'm just calling to。答案信号是女方自报来意的句式 I'm just calling to inquire when I will be able to get my money back——"I'm (just) calling to..."后面接的正是来电目的，听到这个句式就锁定其后内容。

【替换】get my money back ↔ get her money back for the returned chair

人称改写+补宾语

【排除】 A) 原词陷阱

选项 To check her customer reference number. 搬来客服后面要的 customer reference number——那是客服为查单向她索取编号，不是她打电话的目的，属听到原词就选的原词陷阱。

借用原文：What's your customer reference number, please?

B) 未提及

选项 To inquire about the price of office chairs. 借了 office chair 的熟悉感（录音确有 office chair），但她从没问价格，全程围绕退款，属未提及。

借用原文：I recently bought an office chair

D) 过度推断

选项 To make complaints about its customer service. 说"投诉客服"，她确实抱怨了退款超时 it's been five working days and I haven't received anything，但语气是查询而非投诉，且本题问"来电目的"是退款，把抱怨语气推成"投诉"是过度推断。

借用原文：it's been five working days and I haven't received anything

10. A) She had to update its information.

B) She forgot where she had left it.

C) She lost it about three days ago.

D) She was issued a new card.

【题目】 What does the woman say about her bank card?

【翻译】 女士关于她的银行卡说了什么？

A) 她不得不更新其信息。 B) 她忘记把它落在哪里了。 C) 她大约三天前丢失了它。

D) 她获发了一张新卡。

【答案】 D （细节题） She was issued a new card.

【定位】 Oh, maybe it has something to do with my new card. It was sent to me on Tuesday. Maybe the bank canceled my old one before you've made the payment.

哦，这可能跟我的新卡有关。新卡周二寄到我这儿了。也许银行在你们付款之前就把我的旧卡注销了。

【信号】 她主动提及 my new card。 答案信号是女方自己抛出的新信息 my new card——客服说卡号有问题后，她解释"可能跟我的新卡有关，新卡周二寄到"，这句关于卡的主动陈述就是答案句。

【替换】 my new card ↔ She was issued a new card.

主被动转换

【排除】 A) 原词陷阱

选项 She had to update its information. 里的 update, 搬自客服随后的建议 update your card details——那是客服让她去更新, 不是她"说关于卡"的内容, 且发生在后面, 属张冠李戴式原词陷阱。

借用原文: update your card details

B) 未提及

选项 She forgot where she had left it. 说她忘了卡放哪, 录音里她对卡的陈述只有"换了新卡、旧卡可能被注销", 从没说"忘了放哪", 属未提及。

C) 原词陷阱

选项 She lost it about three days ago. 拼了两处熟悉感: 卡的话题里没说"丢", three days 则盗自网站规则 within three working days (退款时限), 把"三个工作日"嫁接成"三天前丢卡", 属原词陷阱。

借用原文: within three working days

-
11. A) Reconsider her options for payment methods.
B) Make a specific note on the company's system.
C) Update her bank card details on the company's website.
D) Upload her personal information to the company's website.

【题目】 What does the man advise the woman to do?

【翻译】 男士建议女士做什么?

- A) 重新考虑她的支付方式选项。 B) 在公司的系统上做一个具体备注。
C) 在公司的网站上更新她的银行卡详细信息。 D) 将她的个人信息上传到公司的网站。

【答案】 C (细节题) Update her bank card details on the company's website.

【定位】 Well, you'll need to update your card details directly on our website. Just make sure you're logged in. And then under the description of your personal information, you should see an option for updating payment methods.

嗯, 您需要直接在我们网站上更新您的卡信息。先确保您已登录。然后在您个人信息那一栏下面, 您应该能看到一个更新支付方式的选项。

【信号】 建议句 you'll need to. 答案信号是建议句式 you'll need to update your card details directly on our website——"you'll need to"是客服给出建议的标志, 落点就是其后那个动作"在网站上更新卡信息"。

【替换】 update your card details directly on our website ↔

Update her bank card details on the company's website

人称改写+近义等值

【排除】 A) 原词陷阱

选项 Reconsider her options for payment methods. 盗用原文 an option for updating payment methods 里的 option、payment methods, 但原文是"看到一个更新支付方式的选项", 不是"重新考虑支付方式", reconsider 是凭空换上的动作, 属原词陷阱。

借用原文: an option for updating payment methods

B) 张冠李戴

选项 Make a specific note on the company's system. 盗自客服自己说的 I'll make a note here on the system for you——那是客服"我来做个备注", 不是建议"她"做的, 主语张冠李戴, 属原词陷阱。

借用原文: I'll make a note here on the system for you

D) 原词陷阱

选项 Upload her personal information to the company's website. 把原文 under the description of your personal information 的 personal information 搬来, 又把 update 偷换成 upload (更新≠上传), 原文只让她更新卡信息、没让她上传个人信息, 属原词陷阱兼偷换概念。

借用原文: under the description of your personal information

Questions 12 to 15 are based on the conversation you have just heard.

1 M: I'm getting a bit hungry.

M: 我有点饿了。

2 W: Yes, me too. I'm starving. Are you going to prepare a meal for us?

W: 是啊,我也是。我快饿死了。你要给我们做饭吗?

3 M: No, sorry, I'm actually pretty worn out. Let's just go out somewhere close to eat.

M: 不,抱歉,我实在太累了。我们还是出去找个近点的地方吃吧。

4 W: Well, I think we should stay in and save some cash. Can we get a meal delivered?

W: 嗯,我觉得我们应该待在家里省点钱。我们可以叫外卖吗?

5 M: Yeah, great. I'll use that food delivery app on my phone. What do you want, fried chicken, hamburgers, or fish and chips?

M: 好啊,太好了。我用手机上的外卖app点。你想吃什么,炸鸡、汉堡还是炸鱼薯条?

6 W: Oh, can we stay away from the junk food? How about something healthy?

W: 哦,我们能不能别吃垃圾食品?来点健康的怎么样?

7 M: Okay, well, there's a place that does salads.

M: 好吧,有家店做沙拉的。

8 W: Let me have a look at that. Yeah, that looks delicious. But to be honest, I'd prefer something hot, not cold.

W: 让我看看。嗯,看起来挺好吃的。但说实话,我更想吃点热的,不要凉的。

9 M: How about Indian food?

M: 印度菜怎么样?

10 W: That's not the kind of hot I mean. I'm just not a fan of sauces. That made me sweat and cry. I need something mild.

W: 我说的热不是那种辣。我就是不喜欢那种酱料,会让我出汗流泪。我要清淡点的。

11 M: Okay. So would you consider Mexican? Oh no, sorry. There's also very hot pepper in that. Would you like some Italian food, perhaps? It's a bit heavy, but it's great food for a cold night like this.

M: 好的。那你会考虑墨西哥菜吗?哦不,抱歉。那里面也有很辣的辣椒。那意大利菜怎么样?有点油腻,但在这么冷的晚上吃很不错。

12 W: Pizza? Spaghetti with creamy sauce? I know it's really tasty and great comfort food, but it's too fattening for me. I'm trying to keep a slim figure, you know.

W: 披萨?奶油酱意大利面?我知道真的很好吃,是很棒的comfort food,但对我来说太容易发胖了。你知道的,我想保持苗条身材。

13 M: Oh, you're really difficult to please. Well, there's a nice Chinese restaurant that delivers.

M: 哦,你真是太难伺候了。嗯,有家不错的中餐馆可以送外卖。

14 W: Yes, I love Chinese food. Let me see. Oh, it's 15 kilometers away.

W: 好啊,我喜欢中国菜。让我看看。哦,有15公里远。

15 M: That's a bit too far away. Do you feel like Vietnamese food then?

M: 那有点太远了。那越南菜你觉得怎么样?

16 W: Yeah, awesome. It's healthy, and we can afford it.

W: 好啊,太棒了。健康,而且我们也吃得起。

17 M: Great. Let's order Vietnamese right away.

M: 太好了。我们马上点越南菜吧。

12. A) He is feeling exhausted.

B) He is tired of cooking.

C) He has to work late.

D) He wants to try Asian foods.

【题目】 Why isn't the man going to cook?

【翻译】 男士为什么不打算做饭?

- A) 他感到筋疲力尽。 B) 他厌倦了做饭。 C) 他必须工作到很晚。
D) 他想尝试亚洲食物。

【答案】 A (细节题) He is feeling exhausted.

【定位】 M: No, sorry, I'm actually pretty worn out. Let's just go out somewhere close to eat.

男: 不了, 抱歉, 我其实挺累的。我们就近找个地方出去吃吧。

【信号】 被问者对做饭请求的直接应答。上一句女方问 Are you going to prepare a meal for us?, 男方紧接着应答 I'm actually pretty worn out, 这句被问者的直接回答就是答案信号, 理由就在他亲口给的这句里。

【替换】 worn out ↔ exhausted
worn out 与 exhausted 是同义替换

【排除】 B) 未提及
男士只说累, 从没说讨厌做饭这件事, He is tired of cooking. 属凭空添加, 录音无对应。

C) 未提及
现实里累常因为加班, 但录音从头到尾没提工作, He has to work late. 是拿常识替文本, 属未提及。

D) 答非所问
录音后面确实聊到印度、越南等亚洲菜, He wants to try Asian foods. 盗用了这层话题, 但那是点什么外卖, 不是他不做饭的原因, 答非所问。
借用原文: How about Indian food?

-
13. A) Book a table.
B) Order a delivery.
C) Download a menu.
D) Locate a restaurant.

【题目】 What does the man say he'll do on his phone?

【翻译】 男士说他会手机上做什么?

A) 预订餐位。 B) 订外卖。 C) 下载菜单。 D) 定位一家餐厅。

【答案】 B (细节题) Order a delivery.

【定位】 M: Yeah, great. I'll use that food delivery app on my phone.

男: 好啊, 太好了。我用手机上那个外卖配送 app。

【信号】 说话人用 I'll 直接表态要做的动作。紧承上句女方问 Can we get a meal delivered?, 男方应答 I'll use that food delivery app on my phone, I'll 后跟的动作就是答案信号, 明确说出他要做叫外卖这件事。

【替换】 use that food delivery app ↔ Order a delivery
用外卖 app 等于点外卖配送

【排除】 A)

Book a table. 对应出去吃饭订桌，但女方说 I think we should stay in, 两人改成在家叫外卖，订位的方案被放弃，与原文相反。

借用原文：I think we should stay in and save some cash.

C)

选项 Download a menu. 蹭了用手机 app 的场景，听上去和外卖相关，但录音说的是用 app 下单，从没说下载菜单，属未提及的脑补。

D) 答非所问

后文女方查中餐馆说 it's 15 kilometers away, Locate a restaurant. 盗用了查距离这层，但那是后面挑菜时顺带看位置，不是男士在手机上表态要做的事，答非所问。

借用原文：it's 15 kilometers away

14. A) It is not tasty.

B) It is not healthy.

C) It is too oily.

D) It is too spicy.

【题目】 What does the woman think of Indian food?

【翻译】 女士认为印度食物怎么样？

A) 不好吃。 B) 不健康。 C) 太油腻。 D) 太辣。

【答案】 D (态度观点题) It is too spicy.

【定位】 W: That's not the kind of hot I mean. I'm just not a fan of sauces. That made me sweat and cry. I need something mild.

女：那不是我说的那种热乎。我就是不喜欢那种酱料，辣得我又出汗又流泪。我需要清淡点的。

【信号】 评价对象后跟出的负面理由与感受。男方提 How about Indian food?, 女方应答 made me sweat and cry, 这句对印度菜的具体负面感受就是答案信号——辣得出汗流泪，正是她嫌它的点。

【替换】 That made me sweat and cry ↔ **It is too spicy**

辣得出汗流泪即太辣

【排除】A) It is not tasty. 听上去像负面评价，但女方嫌的是辣，从没说印度菜难吃，属未提及。

B) **原词陷阱**

录音里 healthy 出现在女方说 How about something healthy?, It is not healthy. 盗用了这个词，但她对印度菜的嫌弃是辣，不是不健康，张冠李戴。

借用原文：How about something healthy?

C) **张冠李戴**

录音里油腻感对应的是意大利菜 It's a bit heavy 和后文 too fattening, It is too oily. 把对别道菜的印象安到印度菜上，张冠李戴。

借用原文：It's a bit heavy

15. A) She is too concerned about money.

B) She is too weight-conscious.

C) She is too picky about food.

D) She is too eager to please.

【题目】 What does the man think of the woman?

【翻译】 男士认为女士怎么样？

A) 她太在意钱。 B) 她太注重体重。 C) 她对食物太挑剔。 D) 她太急于取悦别人。

【答案】 C (态度观点题) She is too picky about food.

【定位】 M: Oh, you're really difficult to please.

男：哦，你可真难伺候。

【信号】 评价者忍不住说出的直接总评。在女方一路否掉沙拉、印度菜、墨西哥菜、意大利菜之后，男方脱口而出 you're really difficult to please，这句直接总评就是答案信号——他嫌她样样不满意、太难伺候。

【替换】 you're really difficult to please ↔ She is too picky about food

难伺候即对吃太挑剔

【排除】 A)

录音里钱对应女方说 save some cash, She is too concerned about money. 盗用了省钱这层，但那是她的想法，男方对她的评价是难伺候，张冠李戴。

借用原文：save some cash

B)

录音里身材对应女方说 I'm trying to keep a slim figure, She is too weight-conscious. 盗用了这层，但那是她自己的理由，男方的总评是难伺候，张冠李戴。

借用原文：I'm trying to keep a slim figure

D) **原词陷阱**

She is too eager to please. 借用了答案句里的 please，却把方向反了：男方说的是她 difficult to please (难被讨好)，不是她急着讨好别人，与原文相反。

借用原文：you're really difficult to please

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

1 A new study carried out by the University of Lincoln has found a link between the personalities of cat owners and the behaviour and wellbeing of their cats. The findings suggest that, just as a parent's personality can affect the personality of a child, the same is true for a cat and its owner.

林肯大学开展的一项新研究发现,猫主人的性格与其猫的行为和健康状况之间存在联系。研究结果表明,正如父母的性格会影响孩子的性格一样,猫和其主人之间也是如此。

2 Owners—defined as individuals with high levels of anxiety, fear, anger, depression and loneliness—were more likely to have cats with behavioural issues.

那些被定义为具有高度焦虑、恐惧、愤怒、抑郁和孤独感的主人,更有可能养出有行为问题的猫。

3 Such cats displayed more aggressive and anxious behavioural styles as well as more stress-related sickness. They were also more likely to have an ongoing medical condition and be overweight.

这些猫表现出更具攻击性和焦虑的行为方式,以及更多与压力相关的疾病。它们也更有可能患有持续性疾病和超重。

4 The research also found that mentally well-adjusted owners had calmer, happier and healthier cats.

研究还发现,心理健康状况良好的主人养的猫更平静、更快乐、更健康。

5 The researchers explained that "Many owners regard their pets as a family member, and form close social bonds with them." The majority of owners want to provide the best care for their pets and it's therefore possible that pets could be affected by the way their owners interact with and manage them. The study highlights an important relationship between our personalities and the wellbeing of our pets. Further research is needed to investigate the causal nature of this relationship and to look at how owners' personalities are directly influencing their pets' behaviour and wellbeing.

研究人员解释说,"许多主人将他们的宠物视为家庭成员,并与它们建立了紧密的社会联系。"大多数主人希望为他们的宠物提供最好的照顾,因此宠物可能会受到主人与它们互动和管理方式的影响。这项研究强调了我们的性格与宠物健康之间的重要关系。需要进一步研究来探讨这种关系的因果性质,以及主人的性格如何直接影响宠物的行为和健康状况。

6 It is possible that the wellbeing of pets is driven by the underlying nature of the owner, not simply by their conscious decisions and behaviours.

宠物的健康状况可能是由主人的内在本质驱动的,而不仅仅是由他们有意识的决定和行为驱动的。

16. A) Owners' personalities affect their cats' behaviour and wellbeing.
B) Parents' personalities can affect the personalities of their children.
C) Parents and cat owners alike experience high levels of anxiety.
D) More and more people are treating pet cats like their children.

【题目】 What do we learn from the new study by the University of Lincoln?

【翻译】 我们从林肯大学的新研究中了解到什么？

- A) 主人的性格会影响他们的猫的行为和健康状况。
B) 父母的性格会影响他们孩子的性格。 C) 父母和养猫者都经历高度焦虑。
D) 越来越多的人像对待孩子一样对待宠物猫。

【答案】 A (主旨题) Owners' personalities affect their cats' behaviour and wellbeing.

【定位】 A new study carried out by the University of Lincoln has found a link between the personalities of cat owners and the behaviour and wellbeing of their cats.

林肯大学开展的一项新研究发现，猫主人的性格与其猫咪的行为和健康状况之间存在关联。

【信号】 开头点题句即结论。篇章独白的主结论几乎都在第一句，has found a link between the personalities of cat owners and the behaviour and wellbeing of their cats 这一“研究发现了...关联”的句式就是答案信号，开门见山给出研究主发现。

【替换】 a link between the personalities of cat owners and the behaviour and wellbeing of their cats ↔

Owners' personalities affect their cats' behaviour and wellbeing.

"关联"被改写成"影响"

【排除】 B) **原词陷阱**

录音里确实念到 a parent's personality can affect the personality of a child，但那只是用来打比方说明“猫和主人也一样”，研究本身讲的是猫不是孩子；B 把这个比方当成研究发现，是典型“听到原词就选”。

借用原文：just as a parent's personality can affect the personality of a child

C) **原词陷阱**

录音第 2 段确实念到 high levels of anxiety，C 把“焦虑”这个词捡来，硬说“父母和猫主人都有高焦虑”，但原文只说某些主人焦虑会影响猫，从没说父母也焦虑，是把原词拼成了一句没说过的话。

借用原文：individuals with high levels of anxiety, fear, anger, depression and loneliness

D) **偷换概念**

录音第 5 段念到 Many owners regard their pets as a family member（很多主人把宠物当家人），D 偷换成“越来越多人把猫当孩子养”，既加了“越来越多”的趋势，又把“家人”换成“孩子”，原文并未讲这是个增长趋势。

借用原文：Many owners regard their pets as a family member

17. A) Give their pets behavioural training.
B) Provide their pets with the best care.
C) Know their pets' feelings and desires.
D) Interact with their pets in novel ways.

【题目】 What does the passage say most pet owners want to do?

【翻译】 文章说大多数宠物主人想做什么？

- A) 给他们的宠物进行行为训练。 B) 为他们的宠物提供最好的照顾。
C) 了解他们宠物的感受和愿望。 D) 以新颖的方式与他们的宠物互动。

【答案】 B (细节题) Provide their pets with the best care.

【定位】 The majority of owners want to provide the best care for their pets and it's therefore possible that pets could be affected by the way their owners interact with and manage them.

绝大多数主人都想为自己的宠物提供最好的照料，因此宠物很可能会受到主人对待和管理它们的方式的影响。

【信号】 意愿动词 **want to 直接应答**。信号是题干钩子词 want to 在原文原样出现：The majority of owners want to provide the best care for their pets, want to 后面紧跟的动作就是答案，是最直接的细节定位。

【替换】 The majority of owners want to provide the best care for their pets ↔

Provide their pets with the best care.

几乎原句保留

【排除】 A) **原词陷阱**

录音反复出现 behavioural styles、behaviours 这类"行为"词，A 把它捡成"behavioural training (行为训练)"，但原文从没说主人想给猫做训练，是听到 behavioural 就想选的陷阱。

借用原文：more aggressive and anxious behavioural styles

C) **答非所问**

原文 the underlying nature of the owner 讲的是主人内在性格驱动宠物状态，C 把它扭成"主人想了解宠物的感受和愿望"，可原文说的是主人想"照料"宠物，不是想"了解其感受"，方向被换了。

借用原文：the underlying nature of the owner

D) **原词陷阱**

录音第 5 段确有 interact with and manage them, D 借走 interact 拼成"用新颖方式互动"，但原文只说主人会以某种方式对待宠物，从没提"novel (新颖)"方式，多加了限定词。

借用原文：the way their owners interact with and manage them

18. A) More convincing explanation.
B) More extensive sampling.
C) Collection of more data.
D) Further investigation.

【题目】 What does the passage say is still needed to understand the effects of owners' personalities on their pets?

【翻译】 文章说仍然需要什么来理解主人性格对其宠物的影响?

A) 更有说服力的解释。 B) 更广泛的取样。 C) 收集更多数据。 D) 进一步调查。

【答案】 D (细节题) Further investigation.

【定位】 Further research is needed to investigate the causal nature of this relationship and to look at how owners' personalities are directly influencing their pets' behaviour and wellbeing.

还需要进一步的研究, 来探究这种关系的因果本质, 并考察主人的性格是如何直接影响宠物的行为和健康的。

【信号】 篇末展望句 is needed。信号是篇末的研究展望句式 Further research is needed to investigate, is needed 与题干 still needed 直接对应, 这种"还需进一步研究"的收束句正是答案落点。

【替换】 Further research is needed to investigate the causal nature of this relationship ↔ Further investigation.

research 与 investigate 同义

【排除】 A) 未提及

原文说的是还需"进一步研究去探究因果", 并没说现有解释不够可信、需要"更有说服力的解释"; A 凭"研究、解释"的话题氛围编出一个原文没提的需求。

B) 未提及

原文从未提样本大小, B 的 More extensive sampling. (更大范围取样) 是借科普研究的专业气味硬造的, 篇末展望句里根本没有"样本/取样"这层意思。

C) 偷换概念

原文需要的是宽泛的 Further research (进一步研究), C 的 Collection of more data.

(收集更多数据) 只是研究的一个具体环节, 原文并没单指"收数据", C 以偏概全、缩小了范围。

借用原文: Further research is needed to investigate

Questions 19 to 21 are based on the passage you have just heard.

1 "One 60-minute run can add seven hours to your life." This was a claim made by The Times last week. The claim was based on a new review of studies about the effects of running. The review concluded that on average runners live three years longer than non-runners and that running does more to extend life than any other form of exercise. But there's more to running than its health benefits.

Research published in recent years has shown that running changes your brain and mind in some fascinating ways, from increasing your brain function to regulating your emotions. However, the precise effects vary according to whether you engage in short, fast running or long-distance running.

"一次60分钟的跑步可以为你的生命增加7小时。"这是《泰晤士报》上周提出的一项声明。该声明基于一项关于跑步效果的新研究综述。该综述得出结论,跑步者平均比不跑步者多活3年,并且跑步比任何其他形式的运动都更能延长寿命。但跑步的意义不仅仅在于其健康益处。近年来发表的研究表明,跑步以一些引人入胜的方式改变你的大脑和思维,从提高大脑功能到调节情绪。然而,具体效果因你从事短距离快速跑步还是长距离跑步而异。

2 For example, in one study, researchers compared participants' ability to learn new words after several minutes of intense running and after 40 minutes of gentle running. Participants were able to learn 20 percent faster after the intense running and they showed a superior memory when tested again a week later.

例如,在一项研究中,研究人员比较了参与者在几分钟高强度跑步后和40分钟温和跑步后学习新单词的能力。参与者在高强度跑步后学习速度提高了20%,并且在一周后再次测试时表现出更优异的记忆力。

3 In another study, researchers asked volunteers to jog for 30 minutes and then showed them clips from a sad movie. Participants who usually struggled to handle negative emotions were more intensely affected by the sad clips, just as you'd expect. But crucially, this was less so if they had completed the 30-minute jog. The researchers said moderate exercise appears to have helped those participants to be less vulnerable to the impact of the sad movie.

在另一项研究中,研究人员要求志愿者慢跑30分钟,然后向他们播放悲伤电影的片段。通常难以处理负面情绪的参与者受到悲伤片段的影响更为强烈,正如你所预期的那样。但关键的是,如果他们完成了30分钟的慢跑,这种影响会有所减轻。研究人员表示,适度运动似乎帮助这些参与者减少了对悲伤电影影响的脆弱性。

19. A) People should do more running than mere walking.
B) Running is the best exercise for extending one's life.
C) People should exercise at least 60 minutes every day.
D) Running is the easiest form of exercise for most people.

【题目】 What did the new review of studies claim?

【翻译】 新的研究综述声称了什么?

- A) 人们应该多跑步而不是仅仅走路。 B) 跑步是延长寿命的最佳运动。
C) 人们每天至少应该运动60分钟。 D) 跑步是对大多数人来说最容易的运动形式。

【答案】 B (细节题) Running is the best exercise for extending one's life.

【定位】 The review concluded that on average runners live three years longer than non-runners and that running does more to extend life than any other form of exercise.

该综述总结道:平均而言,跑步者比不跑步者多活三年,而且在延长寿命方面,跑步比任何其他形式的运动都更有效。

【信号】结论动词 **concluded** 领出的那句就是答案句。录音里 The review concluded that 用 concluded (总结道) 这个结论信号词领出综述的正式说法, 结论信号后面跟的就是该研究 claim 的内容, 正是 19 题要的答案句。

【替换】running does more to extend life than any other form of exercise ↔

Running is the best exercise for extending one's life

比任何其他都强=最好, 比较级升级为最高级

【排除】A) **原词陷阱**

A 项 People should do more running than mere walking. 借了录音反复出现的 running 来诱选, 但综述说的是跑步比其他运动更延寿, 从没让人多跑少走, 是听到 running 就想勾的原词陷阱。

借用原文: than any other form of exercise

C) **原词陷阱**

C 项 People should exercise at least 60 minutes every day. 偷了开头 One 60-minute run 里的 60 分钟, 但原文只是举例说一次 60 分钟的跑步, 从没说每天至少运动 60 分钟, 是把听到的数字硬塞进一个原文没有的主张。

借用原文: One 60-minute run can add seven hours to your life

D) **未提及**

D 项 Running is the easiest form of exercise for most people. 听上去像常识, 但综述比的是延寿效果 (哪个更长寿), 根本没比哪种运动最容易; easiest 是凭印象脑补出来的, 原文未提。

-
20. A) Improving their brain function.
B) Regulating their breathing rate.
C) Slowing down their ageing process.
D) Accelerating their blood circulation.

【题目】What is one effect that running has on people according to recent research?

【翻译】根据近期研究, 跑步对人们有什么影响?

A) 改善大脑功能。 B) 调节呼吸频率。 C) 减缓衰老过程。 D) 加速血液循环。

【答案】**A** (细节题) Improving their brain function.

【定位】Research published in recent years has shown that running changes your brain and mind in some fascinating ways, from increasing your brain function to regulating your emotions.

近年发表的研究表明, 跑步会以一些奇妙的方式改变你的大脑和心智, 从提升你的脑功能到调节你的情绪。

【信号】shown that 引出近期研究结论, 且与题干 recent research 对应。录音 Research published in recent years has shown that 正对应题干里的 according to recent research, shown that 这一结论信号后列出的效果就是答案来源; 其中 increasing your brain function 直指本题。

【替换】 increasing your brain function ↔ **Improving their brain function**

increasing≈improving, brain function原义保留

【排除】 B) **原词陷阱**

B 项 Regulating their breathing rate. 偷了录音里 regulating your emotions 的 regulating, 但原文 regulating 后面跟的是 emotions (情绪), 不是 breathing rate (呼吸频率); 它把对的动词配上错的对象, 是张冠李戴式的原词陷阱。

借用原文: regulating your emotions

C) **未提及**

C 项 Slowing down their ageing process. 蹭了前文延长寿命的话题让人误以为有关衰老, 但讲近期研究效果这句只提了脑功能和情绪, 没说延缓衰老; 属把别处话题挪过来的混淆。

D) **未提及**

D 项 Accelerating their blood circulation. 是大家凭常识觉得跑步必然会有效果, 但录音讲的是改变大脑和心智 (脑功能、情绪), 完全没提血液循环, 属常识代替原文。

21. A) They found it easy to control their emotions.

B) They struggled to handle negative emotions.

C) They were more eager to enjoy a movie.

D) They were less affected by sad movies.

【题目】 **What did another study find about the participants after they had a 30-minute jog?**

【翻译】 另一项研究发现参与者在进行30分钟慢跑后有什么变化?

A) 他们发现控制情绪变得容易了。 B) 他们难以处理负面情绪。

C) 他们更渴望欣赏电影。 D) 他们受悲伤电影的影响更小。

【答案】 **D** (细节题) They were less affected by sad movies.

【定位】 Participants who usually struggled to handle negative emotions were more intensely affected by the sad clips, just as you'd expect. But crucially, this was less so if they had completed the 30-minute jog.

那些平时难以处理负面情绪的被试, 正如你所料, 会被悲伤片段影响得更强烈。但关键在于, 如果他们完成了那 30 分钟的慢跑, 这种影响就会小一些。

【信号】 **转折But crucially之后才是真结论。** 录音前半 were more intensely affected by the sad clips 是铺垫常态, 真正的研究发现在转折词后: But crucially, this was less so if they had completed the 30-minute jog, But crucially 提示这才是关键落点, 对应题干问的慢跑后的发现。

【替换】 this was less so if they had completed the 30-minute jog ↔

They were less affected by sad movies

less so指回less affected, sad clips=sad movies

【排除】 B) 原词陷阱

B 项 They struggled to handle negative emotions. 几乎照搬录音 struggled to handle negative emotions 的原话，但那是描述被试平时 (usually) 的状态，不是慢跑后的发现；题干问的是慢跑之后，它答的是慢跑之前，是最毒的原词陷阱。

借用原文：Participants who usually struggled to handle negative emotions

A) 过度推断

A 项 They found it easy to control their emotions. 把原文的受影响变小 (less affected) 夸成了能轻松控制情绪 (easy to control)，原文只说影响减弱，没说他们就能掌控情绪，是把程度推过了头。

借用原文：less vulnerable to the impact of the sad movie

C) 原词陷阱

C 项 They were more eager to enjoy a movie. 借了录音里 movie 这个词，但原文讲的是被试被悲伤片段影响的程度，从没说他们更想看电影 (eager to enjoy)；是借 movie 一词编出原文没有的内容。

借用原文：showed them clips from a sad movie

Questions 22 to 25 are based on the passage you have just heard.

1 Welcome to the tour of the Hill House. This house built in 1904 is one of the most well-known works of Charles Hill, the famous architect. It was designed and built for a local entrepreneur and his family. Before starting the tour, let me give you a brief introduction about the design of this amazing building.

欢迎参观Hill House。这座建于1904年的房子是著名建筑师Charles Hill最知名的作品之一。它是为一位当地企业家及其家人设计和建造的。在开始参观之前,让我简要介绍一下这座令人惊叹的建筑的设计。

2 Prior to beginning his design, the architect spent some time in the client's old home, observing their life and studying their habits. This meant that he could design the house according to the needs of the family.

在开始设计之前,建筑师在客户的老房子里待了一段时间,观察他们的生活并研究他们的习惯。这意味着他可以根据这个家庭的需求来设计房子。

3 The client's main desire was to have a home with the unique design, so the architect was given complete freedom. The building style is radically different from what was the fashion of the period. At the time, most large homes were constructed of timber and brick. This one, however, is made of concrete, a novel construction material in those days. The interior of the house, including fittings and furniture, was also designed by the same person. Most of the furniture you will see is original and in good condition. However, those pieces in the children's bedrooms are copies built to the designs of the architect. Fortunately, all the blueprints for both the building and its contents have been preserved, so we've been able to replace badly damaged furniture. Let's begin our tour, starting from the rooms.

客户的主要愿望是拥有一座设计独特的房子,因此建筑师获得了完全的自由。这座建筑的风格与当时的流行风格截然不同。那时,大多数大型住宅都是用木材和砖块建造的。然而,这座房子是用混凝土建造的,这在当

时是一种新颖的建筑材料。房子的内部,包括装置和家具,也是由同一个人设计的。你将看到的大部分家具都是原件且保存完好。然而,儿童卧室里的那些家具是按照建筑师的设计建造的复制品。幸运的是,建筑及其内部陈设的所有蓝图都被保存了下来,所以我们能够更换严重损坏的家具。让我们开始参观吧,从这些房间开始。

22. A) He is a tour guide.

B) He is a famous architect.

C) He is a local entrepreneur.

D) He is the owner of the Hill House.

【题目】 What do we learn about the speaker?

【翻译】 关于说话者我们了解到什么?

A) 他是一名导游。 B) 他是一位著名建筑师。 C) 他是一位本地企业家。

D) 他是Hill House的主人。

【答案】 A (细节题) He is a tour guide.

【定位】 Welcome to the tour of the Hill House.

欢迎参加希尔之屋的参观。

【信号】 开场欢迎语暴露讲解员身份。 答案信号是录音第一句的开场套话 Welcome to the tour of the Hill House。——『欢迎来参观』这种带 tour 的欢迎词,只有带队讲解的人才会说,等于自报家门是导游/讲解员。讲解类录音的身份信号常藏在开头的欢迎句里,一开口就要抓。

【替换】 Welcome to the tour of the Hill House. ↔ **He is a tour guide.**

由动作反推身份

【排除】 B) 张冠李戴

录音确实念到 Charles Hill, the famous architect, 但 famous architect 说的是设计这栋房子的查尔斯·希尔,不是正在讲解的说话人。选项 He is a famous architect. 把建筑师的身份安到了说话人头上,是典型的张冠李戴。

借用原文: Charles Hill, the famous architect

C) 原词陷阱

It was designed and built for a local entrepreneur and his family. 里的 local entrepreneur (本地企业家) 指的是当年请人盖房的客户,与说话人无关。选项 He is a local entrepreneur. 同样把客户的身份扣到说话人头上。

借用原文: a local entrepreneur and his family

D) 未提及

录音只说房子是为 a local entrepreneur and his family 建的,从头到尾没说说话人是房主;带队做 tour 的讲解员通常也不是产权所有者。选项 He is the owner of the Hill House. 属未提及的臆测,原文无对应依据。

23. A) He studied the blueprints of other famous buildings.
B) He inquired about his client's family background.
C) He observed his client's life and habits.
D) He took a tour of his client's old home.

【题目】 What did the architect do before beginning his design?

【翻译】 建筑师在开始设计之前做了什么？

- A) 他研究了其他著名建筑的蓝图。 B) 他询问了客户的家庭背景。
C) 他观察了客户的生活和习惯。 D) 他参观了客户的旧居。

【答案】 C (细节题) He observed his client's life and habits.

【定位】 Prior to beginning his design, the architect spent some time in the client's old home, observing their life and studying their habits.

在开始设计之前，建筑师在客户的旧居里待了一段时间，观察他们的生活、研究他们的习惯。

【信号】 时间状语 Prior to 对上题干 before。 答案信号是时间状语 Prior to beginning his design——它和题干里的 before beginning his design 几乎一字不差地对应，等于直接告诉你『答案就在这句』。听到与题干时间限定词同义的标志词 (prior to = before)，立刻锁定其后的动作。

【替换】 observing their life and studying their habits ↔ **He observed his client's life and habits.**

两个并列动作概括为一句

in the client's old home ↔ **his client's**

their 与 client's 指同一对象

【排除】 A) 原词陷阱

录音后文确实出现 all the blueprints for both the building and its contents have been preserved, blueprints (图纸) 这个词被念到了, 但那是说『这栋房子自己的图纸被保存下来』, 并非建筑师设计前去研究『别家名建筑的图纸』。选项 He studied the blueprints of other famous buildings. 盗用 blueprints 一词, 却凭空加了 other famous buildings, 答非所问。

借用原文: all the blueprints for both the building and its contents have been preserved

B) 未提及

录音提到 client 和 family (a local entrepreneur and his family), 让 family background 看着眼熟, 但建筑师做的是『观察生活、研究习惯』, 从没『inquired about family background (打听家世背景)』。inquire 这个动作录音根本没说, 属未提及。

借用原文: a local entrepreneur and his family

D) 原词陷阱

录音说建筑师 spent some time in the client's old home (在旧居里待了一段时间, 目的是观察生活), 并不是去 took a tour of his client's old home (参观一下旧居)。选项盗用 old home 一词, 把『常驻观察』偷换成『参观一趟』, 重点完全跑偏。

借用原文: spent some time in the client's old home

-
24. A) A house made of timber and brick.
B) A house with a lot of free space.
C) A house of the current fashion.
D) A house of a unique design.

【题目】 What did the architect's client mainly want?

【翻译】 建筑师的客户主要想要什么?

- A) 一座木材和砖砌的房子。 B) 一座有大量自由空间的房子。
C) 一座符合当前时尚的房子。 D) 一座独特设计的房子。

【答案】 D (细节题) A house of a unique design.

【定位】 The client's main desire was to have a home with the unique design, so the architect was given complete freedom.

客户的主要愿望是拥有一栋设计独特的房子, 于是建筑师获得了完全的自由。

【信号】 desire 直接点出客户愿望。答案信号是表愿望的词 The client's main desire was—— desire (愿望) 与题干的 want 同义, 直接领出客户到底想要什么。听到 desire / want / wish 这类表意愿的词, 其后内容往往就是这类需求题的答案。

【替换】 a home with the unique design ↔ A house of a unique design.

home 与 house 近义、措辞几乎照搬

【排除】 A) 原词陷阱

录音确实念到 most large homes were constructed of timber and brick, 但这是在说『当时大多数大房子』的普遍做法, 紧接着用 however 转折说这栋房子是用混凝土造的。选项 A house made of timber and brick. 盗用 timber and brick, 描述的却是别家房子, 不是客户想要的这栋。

借用原文: most large homes were constructed of timber and brick

B) 未提及

录音说 the architect was given complete freedom (建筑师获得完全的设计自由), freedom 与选项里的 free space 长得像、听起来也像, 但 free space 指『大量空闲空间』, 录音从没说客户想要宽敞空间。选项 A house with a lot of free space. 是利用 freedom / free 的相似制造混淆, 属未提及。

借用原文: the architect was given complete freedom

C) 与原文相反

录音明说 The building style is radically different from what was the fashion of the period (这栋房子的风格与当时的流行式样截然不同)。选项 A house of the current fashion. 盗用 fashion 一词, 却把意思反了过来——客户要的恰恰是不随流行、独一无二, 与原文意思相反。

借用原文: The building style is radically different from what was the fashion of the period

-
25. A) They are well preserved and in pretty good shape.
B) They are copies built to the architect's designs.
C) They were designed by another architect.
D) They were badly damaged but restored.

【题目】 What do we learn about the pieces of furniture in the children's bedrooms?

【翻译】 关于儿童卧室里的家具我们了解到什么?

- A) 它们保存完好, 状况相当不错。 B) 它们是按照建筑师的设计建造的复制品。
C) 它们由另一位建筑师设计。 D) 它们曾严重损坏但已修复。

【答案】 B (细节题) They are copies built to the architect's designs.

【定位】 However, those pieces in the children's bedrooms are copies built to the designs of the architect.

不过, 儿童房里的那些家具是按建筑师的图纸做出来的复制品。

【信号】 However 转折锁定儿童房家具真相。 答案信号是转折词 However——前一句刚说大多数家具是原件、状况好, However 一转, 专门交代『儿童房那批是复制品』。转折后正是题目问的那个对象的真相, 这类题答案常落在转折之后。

【替换】 those pieces in the children's bedrooms are copies built to the designs of the architect ↔
They are copies built to the architect's designs.

措辞几乎照搬, 仅语序微调

【排除】A) 张冠李戴

录音说 Most of the furniture you will see is original and in good condition——『状况好、是原件』讲的是『大多数家具』，紧接着 However 才转到儿童房那批是复制品。选项 They are well preserved and in pretty good shape. 把『大多数家具』的状态安到了题目问的『儿童房家具』头上，张冠李戴。

借用原文：Most of the furniture you will see is original and in good condition

C) 与原文相反

录音说儿童房家具是 copies built to the designs of the architect（按『这位建筑师』的图纸做的复制品），设计者就是本建筑师本人。选项 They were designed by another architect. 却说是『另一位建筑师』设计的，与原文意思相反。

借用原文：copies built to the designs of the architect

D) 原词陷阱

录音确实念到 we've been able to replace badly damaged furniture, badly damaged 这个词被说到了，但那是讲『靠保存下来的图纸去更换严重损坏的家具』，并不是说儿童房的家具被严重损坏后又修复了。选项 They were badly damaged but restored. 盗用 badly damaged，把它扣到儿童房家具上，对象与意思都错了。

借用原文：we've been able to replace badly damaged furniture

SENTENCE INSIGHTS • 句子精讲

30 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

However, no doctor could identify any problem.

第2段，第3句

简单句的标准结构在考试中常见，情态动词的使用也是高频考点，具有中等代表性，但缺乏复杂句式的典型特征。

Finally, the woman got a full body scan at a hospital in the city of Qingdao.

第3段，第1句

覆盖了主语、谓语、宾语、状语（含时间副词和地点介词短语）等基本成分，适合初学者练习识别核心成分和状语修饰关系，但成分种类较单一，无定语从句、宾补、双宾语等进阶结构，训练价值中等偏低。

With the bone finally removed from her lung, the woman is very happy that she no longer suffers from that annoying cough.

第3段，第5句

本句体现了“主系表 + 宾语从句”的常见句式，且从句由“that”引导跟在表示情感的形容词后，这是四六级和考研阅读中高频出现的结构。句首的“with”独立主格作状语也是书面语中的典型用法，具有较高的迁移复用价值。

She suffered from lung cancer.

第1题，C

简单句在考试阅读中占比不高，且本句结构过于基础，缺乏考试常见的复杂修饰或从句嵌套特征，典型性较低。

She suffered from shock.

第1题，D

“主语 + 不及物动词 + 介词短语”是常见句式，“suffer from”也是高频搭配，具有一定代表性，但过于简短，缺乏考试中常见的修饰成分和从句嵌套，典型性中等。

How was the woman's problem eventually solved?

第2题 题干

被动语态的特殊疑问句是四六级和考研听力、阅读中的常见句式，结构典型且实用性强，掌握后可在理解类似问句时快速定位主干和成分。

But instead, the young sheep escaped into a 200-acre forest near the farm.

第2段，第4句

“主语 + 不及物动词 + 地点状语”是基础句式，在真题中常见，但本句结构过于简单，缺少从句、复杂修饰等真题高频考点，代表性中等偏下。

It was this huge fencing that prevented Prickles from finding her way back.

第2段，第7句

强调句 It is/was ... that 是四六级和考研阅读写作中的高频句式，prevent sb from doing 也是常考动词搭配，掌握本句结构后可直接迁移到大量真题句子，典型性很强

They even recorded her with cameras installed to monitor deer activity.

第2段，第9句

覆盖主谓宾、状语、后置定语（分词短语）、不定式作目的状语等多种成分，且方式状语内部的定语结构具有一定辨识难度，适合练习如何拆解介词短语和非谓语修饰成分。

Tons of gold have fallen out of the sky in Russia after a cargo plane malfunctioned in midair this morning.

第1段，第1句

主句 + 时间状语从句的结构在考试中较为常见，"after" 引导的时间从句是典型的状语从句形式。现在完成时与一般过去时的搭配也是真题中常出现的时态组合。整体结构具有一定代表性，掌握后可复用于类似句式。

Police have sealed off the runway, and say it is unclear if it was an accident or an attempted robbery.

第6段，第1句

覆盖并列谓语、双宾语结构(两个 object)、形式主语 it 与真正主语从句、两层宾语从句嵌套、主系表结构、并列表语等多种成分;特别适合练习识别并列谓语各自的宾语、形式主语与真正主语的对应关系,以及宾语从句的层级归属

M: I'll make a note here on the system for you, so that the payment will be made tomorrow morning.

第9段，第1句

本句使用"so that"引导目的状语从句,这是四六级和考研阅读中高频出现的句式。从句使用被动语态也是真题常见的表达方式。主句结构虽然简单,但整句的"主句陈述动作 + 目的从句说明意图"这一模式非常典型,学习后可迁移到大量类似句子的理解中。

What does the man advise the woman to do?

第11题题干

疑问句 + 宾语补足语是四六级听力和阅读中的高频句式，"advise/tell/ask somebody to do something" 结构及其疑问形式在考试中反复出现。掌握本句结构后，可直接迁移到 tell、ask、want、expect 等动词的类似句式，复用性强。

Can we get a meal delivered?

第4段，第2句

本句覆盖主语、谓语、宾语、宾语补足语四种核心成分，其中 "get + 宾语 + 过去分词" 的使役结构是常见易错点，适合练习如何识别宾语补足语以及区分谓语与非谓语动词，成分划分有一定练习价值。

W: Let me have a look at that.

第8段，第1句

祈使句中的使役结构 "Let + 宾语 + 动词原形" 是口语和书面语中的高频句式，在对话、说明文、应用文中大量出现。掌握这一结构后可以迁移到其他使役动词（如 make、have）和请求表达场景，具有较强的典型性和实用性。

That made me sweat and cry.

第10段，第3句

使役动词 "make + 宾语 + 宾语补足语" 是四六级和考研常考的核心结构之一，在阅读和写作中频繁出现。掌握这一结构后可直接迁移到其他使役动词（let、have等）及感官动词（see、hear等）的类似用法，实用性和迁移性较强。

He is tired of cooking.

第12题，B

主系表结构配合 "be tired of" 这类形容词加介词的固定搭配，是考试中常见的基础句式，掌握后可迁移到其他类似搭配。

She is too eager to please.

第15题，D

覆盖主系表结构和 "too...to" 程度状语这一常考搭配，能帮助学生理解不定式作状语修饰形容词的用法；但成分种类较单一，缺少宾语、定语从句等其他重要成分的训练机会

A new study carried out by the University of Lincoln has found a link between the personalities of cat owners and the behaviour and wellbeing of their cats.

第1段，第1句

本句呈现"主语（含后置定语）+ 现在完成时谓语 + 宾语（含复杂介词短语）"的结构，是四六级与考研阅读中常见的学术陈述句式；后置定语修饰主语和宾语的用法具有较高迁移性，学习后可应用于大量类似长句。

The researchers explained that "Many owners regard their pets as a family member, and form close social bonds with them."

第5段，第1句

主句加宾语从句是四六级和考研常见句式，宾语从句内部的并列谓语结构也高频出现，整体句式具有较强的代表性，掌握后可在真题中大量迁移。

The majority of owners want to provide the best care for their pets and it's therefore possible that pets could be affected by the way their owners interact with and manage them.

第5段，第2句

本句主干清晰但嵌套三层，包含形式主语、情态被动、定语从句省略等多个常考知识点，成分丰富且结构典型。对基础较弱的学生来说，难度适中且训练价值高，是优质的句子结构和时态综合练习材料，建议优先学习。

More and more people are treating pet cats like their children.

第16题，D

简单句的主谓宾加状语结构在考试中较为常见，现在进行时的使用也符合考试常考时态范围，但本句过于简单、无从句嵌套或特殊句式，作为真题句式代表性一般，学生掌握后可迁移至同类简单句，但对复杂长难句帮助有限。

Provide their pets with the best care.

第17题，B

本句涵盖祈使句主语省略、双宾语结构（provide sb with sth）、以及直接宾语与间接宾语的区分，对初学者有一定训练价值。但成分种类较少，无定语、状语等其他成分，训练覆盖面有限。

The claim was based on a new review of studies about the effects of running.

第1段，第3句

"主语 + be based on + 名词短语" 是学术写作和考试阅读中极为常见的句式，典型性高，掌握后可大量迁移

However, the precise effects vary according to whether you engage in short, fast running or long-distance running.

第1段，第7句

"主句 + 介词短语(含宾语从句)作状语" 是四六级和考研阅读中的高频句式;"whether" 引导的名词性从句也是常考结构;掌握后迁移性强。

For example, in one study, researchers compared participants' ability to learn new words after several minutes of intense running and after 40 minutes of gentle running.

第2段，第1句

本句展现了学术文章中常见的举例句式：句首插入语引出例子，主句陈述研究内容，宾语带不定式定语说明研究对象，并列状语对比两种实验条件。这种结构在四六级和考研阅读中高频出现，具有较强的代表性。

The researchers said moderate exercise appears to have helped those participants to be less vulnerable to the impact of the sad movie.

第3段，第4句

said 引出宾语从句(省略 that)、appear to have done 结构、help sb to do 结构都是四六级和考研阅读中的高频句型;典型性强;掌握后迁移性好。

They found it easy to control their emotions.

第21题，A

find/make/consider/think it + 形容词/名词 + to do 是四六级和考研阅读写作中的高频句式，本句完整展现了这一典型结构，学习者掌握后可直接迁移到大量类似句子（如 make it possible to do, consider it important to do 等），实用性强。

The client's main desire was to have a home with the unique design, so the architect was given complete freedom.

第3段，第1句

因果关系的并列句 (so 连接) 和被动语态都是四六级和考研中的常见考点。这种 "原因 + so + 结果" 的句式在阅读和写作中频繁出现，掌握后可迁移到大量类似句子。典型性较强。

The building style is radically different from what was the fashion of the period.

第3段，第2句

主系表结构搭配介词短语,以及 what 引导的宾语从句,都是四六级和考研阅读中的常见句式。特别是 be different from 这种形容词 + 介词 + 从句的结构,在比较和对比类话题中频繁出现,学习迁移价值高。

BLANKS & ANALYSIS • 选词填空题和解析

选词填空题和解析 · 26–35 题

本页 26–35 题的正确答案词与逐空解析由懒笔记按2021年12月·第2套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、5 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第2套(2021-12) • 四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

It is commonly believed that the great English dramatist and poet William Shakespeare was born in Stratford-on-Avon on April 23, 1564. But it is impossible to know the 26 day on which he was born.

人们普遍认为,伟大的英国剧作家和诗人威廉·莎士比亚于1564年4月23日出生在埃文河畔斯特拉特福。但不可能知道他出生的确切日期。

Church records show he was baptized(施洗礼) on April 26, and three days was a customary amount of time to wait before baptizing a newly born baby. Shakespeare's date of death is 27 known, however: it was April 23, 1616. He was 52 and had retired to Stratford three years before.

教堂记录显示他于4月26日接受施洗礼,而在给新生婴儿施洗礼之前等待三天是惯例。然而,莎士比亚的死亡日期是确切已知的:1616年4月23日。他52岁,三年前已退休回到斯特拉特福。

Although few plays have been performed or analyzed as extensively as the 38 plays Shakespeare wrote, there are few surviving details about his life. This 28 of biographical information is due primarily to his social 29; he was not a noble, but the son of a leather trader.

尽管很少有戏剧能像莎士比亚所写的38部剧作那样被广泛演出或分析,但关于他生平的现存细节却很少。这种传记信息的匮乏主要是由于他的社会地位;他不是贵族,而是一个皮革商人的儿子。

Shakespeare 30 attended the grammar school in Stratford, where he would have studied Latin and read 31 literature. He did not go to university and at age 18 married Anne Hathaway, who was eight years his 32. They had four children, including the twins, Hamnet and Judith. Nothing

is known of the period between the birth of the twins and Shakespeare's 33 as a dramatist in London in the early 1590s.

莎士比亚可能就读于斯特拉特福的文法学校,在那里他会学习拉丁语并阅读古典文学。他没有上大学,18岁时娶了比他年长八岁的安妮·海瑟薇。他们有四个孩子,包括双胞胎哈姆内特和朱迪思。从双胞胎出生到1590年代初莎士比亚作为剧作家在伦敦崭露头角这段时期,没有任何记载。

In a million words written over 20 years, he 34 the full range of human emotions and conflicts with a 35 that remains sharp today. As his great contemporary the poet and dramatist Ben Jonson said, "He was not of an age, but for all time."

在20年间写下的一百万字中,他以至今依然敏锐的精确性捕捉了人类情感和冲突的全部范围。正如他的伟大同时代人、诗人兼剧作家本·琼森所说:'他不属于一个时代,而属于所有时代。'

- | | |
|-----------------|-------------------|
| A) captured | I) precision |
| B) classical | J) probably |
| C) conclusively | K) quality |
| D) emergence | L) scarcity |
| E) exact | M) senior |
| F) generated | N) separated |
| G) particular | O) systematically |
| H) position | |

26. it is impossible to know the (26) day on which he was born

【答案】 **E) exact** 形容词

【词性槽】 the 与名词 day 之间的定语

【依据】 **exact day = 确切的那一天, 呼应“无法确知”**

上句说 It is commonly believed that ... Shakespeare was born ... on April 23, 1564 只是“人们普遍认为”, 本句转折 But it is impossible to know the (26) day——“无法知道确切的日子”, exact (确切的) 与 impossible to know 的语气精确对应。

【竞争词】 G) particular 义近但不及 exact 精准

particular (特定的) 虽也修饰 day, 但本句强调的是“确切与否”(与下段靠受洗日推算呼应), exact 才精准击中“无法确知确切日期”的语义; particular 偏“某一特定的”, 指向不准, 是本空最具迷惑性的干扰。

27. Shakespeare's date of death is __(27)__ known, however

【答案】 **C) conclusively** (副词)

【词性槽】 修饰过去分词 known 的状语

【依据】 **conclusively known = 确凿可考，与上文“生日不可考”形成对照**

本句有转折词 however，与前文“生日无法确知”相对：Shakespeare's date of death is __(27)__ known, however: it was April 23, 1616——卒日则“确凿地为人所知”，conclusively（确凿地）与紧接的精确日期 April 23, 1616 完全吻合。

【竞争词】 O) systematically “系统地被知道”不通，且无转折对照义

systematically（系统地）修饰 known 读作“系统地被知道”，语义生硬；本句靠 however 与上文“无法确知生日”作对照，需要的是表“确凿”的词，systematically 接不上这层对照。

28. This __(28)__ of biographical information is due primarily to...

【答案】 **L) scarcity** (名词)

【词性槽】 指示词 This 后、of 短语前的主语名词

【依据】 **scarcity of information 呼应“few details”**

本段开头 there are few surviving details about his life（生平细节极少）正是 This __ 所指，scarcity（匮乏）与 of biographical information 搭成“传记信息的匮乏”，是对 few details 的同义复指。

【竞争词】 K) quality “质量”不呼应“数量少”

quality（品质）指好坏，而上文说的是资料“少”（数量问题），quality 方向错位。

D) emergence “出现”与“资料缺乏”逻辑相反

emergence（出现）放进“传记信息的出现”与下文“due to 出身低、记载少”的因果不通，且它另有归宿（第 33 空）。

29. This __(28)__ of biographical information is due primarily to his social __(29)___

【答案】 **H) position** (名词)

【词性槽】 形容词 social 后的名词中心词

【依据】 **social position = 社会地位**

下一句 he was not a noble, but the son of a leather trader (不是贵族、而是皮匠之子) 正是在解释他的“社会地位”，position 与 social 搭成 social position (社会地位)，与下文出身的说明完全对应。

【竞争词】 **K) quality social quality 不指“出身地位”**

quality (品质) 与 social 搭出的意思偏“社交素质”，无法解释下文“非贵族、皮匠之子”的出身落差，方向不对。

D) emergence “出现”与 social 不搭、另有归宿

emergence (出现) 放进 social ___ 不成短语，且它真正的位置在第 33 空 his emergence as a dramatist。

L) scarcity 已优先归属第 28 空

scarcity (匮乏) 与 social 搭不出意义，且与第 28 空 “___ of biographical information” (资料的稀少) 天然对应，应留给那个空。

30. Shakespeare __(30)__ attended the grammar school in Stratford

【答案】 **J) probably** (副词)

【词性槽】 主语与实义动词 attended 之间的状语

【依据】 **probably 呼应全文“资料缺乏、只能推测”的基调**

全文反复强调生平不可考 (there are few surviving details about his life) , Shakespeare __(30)__ attended the grammar school 这里用 probably (很可能) 表“据推测他上过文法学校”，与下文 he would have studied Latin 的虚拟推测语气一致。

【竞争词】 **C) conclusively “确凿地”与“资料缺乏只能推测”矛盾**

conclusively (确凿无疑地) 表肯定无疑，与上下文“记载稀少、多靠推断”及 would have studied 的推测语气直接冲突，且它另有更贴的归宿 (第 27 空 conclusively known) 。

O) systematically “系统地上学”不合逻辑

systematically (系统地) 修饰 attended (上学) 读作“系统地上过文法学校”，语义生硬、不合常理，与句意无关。

【易错】 最具迷惑性的错误词是 **C)** —— probably 与 conclusively 易填反。conclusively 词性同为副词、也能修饰 attended，看着也通；但第 30 空 he would have studied Latin 是推测语气，全文又说资料缺乏，须填 probably，把 conclusively 留给第 27 空——防坑靠认准全文“推测”基调。

31. where he would have studied Latin and read __(31)__ literature

【答案】 **B) classical** (形容词)

【词性槽】 read 的宾语 literature 前缺定语

【依据】 **classical literature 是固定搭配“古典文学”**

上文 he would have studied Latin (学拉丁语) 正是古希腊罗马古典教育的标志, classical 与 literature 搭配成“古典文学”, 与学拉丁语的语境严丝合缝。

【竞争词】 E) exact exact literature 搭配不成立

exact 意为“确切的”, 没有“确切的文学”这种说法, 且它另有更贴的归宿 (第 26 空 exact day) 。

G) particular 语义空泛、与学拉丁语无呼应

particular (特定的) 虽语法可修饰 literature, 但上下文并未限定“某一种”文学, 与 Latin 也无逻辑呼应, 远不如 classical 精准。

32. Anne Hathaway, who was eight years his __(32)__

【答案】 **M) senior** (形容词)

【词性槽】 be 动词 was 后作表语

【依据】 **eight years his senior = 比他大八岁**

married Anne Hathaway, who was eight years his __(32)__ 配 senior 构成英语固定表达 “eight years one's senior” (年长某人八岁), 与下文夫妻育有子女的叙述完全吻合。

【竞争词】 E) exact 不能与 years 构成年龄比较

exact (确切的) 无法说“比他确切八岁”, 不构成比较关系, 语义不通。

G) particular 无“年长”义, 框架对不上

particular (特定的) 同样无法填进 “eight years his ___” 表达年龄差, 逻辑指向不对。

33. Nothing is known of the period between the birth of the twins and Shakespeare's __(33)__ as a dramatist in London

【答案】 **D) emergence** (名词)

【词性槽】 物主代词 Shakespeare's 后的名词

【依据】 **emergence as a dramatist = 作为剧作家的崭露头角**

Shakespeare's __(33)__ as a dramatist in London in the early 1590s 讲他在伦敦“崭露头角成为剧作家”这一时间节点, emergence (出现、崭露) 与 as a dramatist 搭配, 正好填补“双胞胎出生”到“成名”之间这段空白。

【竞争词】 K) quality “品质 as a dramatist”逻辑不通

quality (品质) 说 “Shakespeare's quality as a dramatist in the early 1590s” 与 “Nothing is known of the period between ... and ...” 所要求的 “一个时间事件” 对不上, 本句要的是一个事件节点而非抽象品质。

34. he __(34)__ the full range of human emotions and conflicts

【答案】 **A) captured** (动词)

【词性槽】 主语 he 后缺谓语动词

【依据】 **capture emotions = (用文字) 捕捉、刻画情感**

he __(34)__ the full range of human emotions and conflicts with a precision that remains sharp today, captured (捕捉、刻画) 与 emotions 搭成“捕捉人类情感”，正契合“用文字精准刻画情感”的赞颂，与后半句 precision/sharp 一脉相承。

【竞争词】 **F) generated “生成情感”搭配与语义都不当**

generated (产生、生成) 说 “generated human emotions” 意为“制造出情感”，但莎翁是“描绘、捕捉”既有的人类情感而非“凭空生成”，与 precision/sharp 所赞的“刻画之精准”指向不符。

35. with a __(35)__ that remains sharp today

【答案】 **I) precision** (名词)

【词性槽】 介词 with + 冠词 a 之后

【依据】 **与 sharp 呼应，指写作的“精准”**

he __(34)__ the full range of human emotions and conflicts with a __(35)__ that remains sharp today, 说他以一种“至今依然锐利的”刻画人类情感，precision (精准) 正好与 sharp (敏锐、犀利) 语义共振，指莎翁文字的精准笔力。

【竞争词】 **K) quality 义太泛，与 sharp 不直接呼应**

quality (品质) 过于笼统，说 “a quality that remains sharp” 远不如 precision 与 sharp 贴合，缺少“精准锐利”的指向性，是最大干扰。

D) emergence “出现”无法被 sharp 修饰

emergence (出现) 说 “a emergence that remains sharp” 既不搭也不通，且它另有归宿 (第 33 空 emergence as a dramatist)。

H) position “地位”与 sharp 不搭

position (地位) 说“依然锐利的地位”讲不通，本词的真正归宿是第 29 空 social position。

L) scarcity “稀少”与赞美语气相反

scarcity (匮乏) 是贬义、表少，本句在称赞莎翁笔力，感情色彩相反，且它另有归宿 (第 28 空 scarcity of information)。

【易错】 最具迷惑性的错误词是 **K)** —— quality 冒充 precision。quality 词性对、放进 with a __(35)__ that remains sharp today 读着也顺，最具迷惑性；但 sharp 指“精准”，唯 precision 与之同向，quality 太空泛——防坑紧盯紧修饰语 sharp 的语义方向。

WORD BANK · 词库分类表

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A–O)，为 10 个空各选一个、每词最多用一次。
下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **captured** 动词

捕捉、捕获 (此处指用文字“捕捉、刻画”情感)

用于第 34 空

B) **classical** 形容词

古典的 (尤指古希腊罗马的)

用于第 31 空

C) **conclusively** 副词

确凿地、毫无疑问地

用于第 27 空

D) **emergence** 名词

出现、崭露头角

用于第 33 空

E) **exact** 形容词

确切的、精确的

用于第 26 空

年长的、资深的；前辈

用于第 32 空

N) **separated** 动词 形容词

分开 (的)、分隔 (的)

干扰词 · 未选用

0) **systematically** 副词

系统地、有条理地

干扰词 · 未选用

全文主旨

莎士比亚生平资料稀少的人物小传

全文围绕莎士比亚展开：开篇即点题 the great English dramatist and poet William Shakespeare was born in Stratford-on-Avon on April 23, 1564，随后第 3 段挑明核心矛盾——Although few plays have been performed or analyzed as extensively as the 38 plays Shakespeare wrote, there are few surviving details about his life，即作品极著名、生平却极少留存。把握住这条主线（出身平民、记载稀少、却成就斐然），后面每个空填进去通不通顺、贴不贴主旨就有了判断的工作台。

DISTRACTORS · 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

F) **generated** 最像第 34 空的动词答案

generated 词性是过去式动词、也能接 emotions，极易冒充第 34 空；识破点：莎翁是“捕捉/刻画”既有情感（captured），而非“凭空生成”情感，generate 与 precision/sharp 的赞美指向不符。

G) **particular** 最像第 26 空的形容词答案

particular 是形容词、放进 the ___ day 也通顺，是第 26 空对 exact 的头号干扰；识破点：本句强调“无法确知”，要的是表“确切”的 exact，particular（特定的）指向不准。

K) **quality** 最像第 35 空（也沾第 28 空）的名词答案

quality 是抽象名词，放进 with a __(35)__ that remains sharp today 看着也通，是 precision 的最大干扰；识破点：sharp 指“精准锐利”，precision 与之同向，quality（品质）太泛、无此精准指向。

N) **separated** 形近动词，易误填动词空

separated 可作过去式动词，可能被误塞进第 34 空；识破点：separate（分开）与宾语 the full range of human emotions 搭不出意义，语义完全不沾。

O) **systematically** 最像第 27 或第 30 空的副词答案

systematically 是副词，可冒充两个副词空之一；识破点：它表“系统地”，既不构成第 27 空 however 所需的“确凿”对照、也不合第 30 空“推测上学”的语气，两处都接不上。

SENTENCE INSIGHTS • 句子精讲

6 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

But it is impossible to know the exact day on which he was born.

第1段，第2句

本句的形式主语结构(it is + 形容词 + to do)和定语从句(介词+which引导)都是四六级和考研阅读中的高频句式。形式主语结构用于避免头重脚轻,在书面语中极为常见;定语从句的“介词+关系代词”用法也是考试重点。掌握本句结构后,学习者可以迁移到大量类似句子,如"It is important to..." "the way in which..."等。典型性很高,学习收益显著

Shakespeare's date of death is conclusively known, however: it was April 23, 1616.

第2段，第2句

主系表结构和被动语态都是四六级、考研阅读中的高频句式。冒号引出解释说明的并列结构也很常见，尤其在学术或新闻文本中。掌握这种“概括+具体”的并列模式，以及被动语态的识别，可以迁移到大量类似句子的理解中。

Although few plays have been performed or analyzed as extensively as the 38 plays Shakespeare wrote, there are few surviving details about his life.

第3段，第1句

让步状语从句 + 主句的对比结构是四六级和考研阅读中的高频句式。there be 存在句、现在完成时被动语态、省略关系代词的定语从句均为考试常考点。本句将这些典型结构有机结合，既符合学术写作风格，又体现真题中常见的复杂句型特征，代表性很强，掌握后可大量迁移到同类句子的理解。

This scarcity of biographical information is due primarily to his social position; he was not a noble, but the son of a leather trader.

第3段，第2句

并列句是考试中的常见结构，但本句的两个分句都是系表结构，句式相对简单且相似，代表性一般。如果能包含更多样的从句类型（如定语从句、状语从句）或更复杂的谓语结构，典型性会更高。

Shakespeare probably attended the grammar school in Stratford, where he would have studied Latin and read classical literature.

第4段，第1句

非限制性定语从句修饰地点、关系副词 where 的用法、并列谓语共享助动词、would have done 表推测，这些都是四六级和考研阅读中的高频句式，句子结构简洁但要素齐全，极具代表性和复用价值。

As his great contemporary the poet and dramatist Ben Jonson said, "He was not of an age, but for all time."

第5段，第2句

"As" 引导状语从句 + 主句的结构是四六级和考研阅读中的常见句式，特别是引述他人观点时经常使用。同位语修饰主语的用法也很典型。掌握本句结构后，学生可以迁移到大量类似的引用句和带同位语的长主语句式中。

真题卷第2套(2021-12) · 四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

How to not be boring

A) Humans are creatures of habit. We love to establish a routine and stick with it. Then we often put ourselves on auto-pilot. Routines can be incredibly useful in helping you get things done. However, too much of a routine can also make you incredibly boring. Nevertheless, many people live lives that are boringly predictable, or live a life where everything is outlined or planned.

人类是习惯的生物。我们喜欢建立常规并坚持下去。然后我们常常让自己进入自动驾驶模式。常规在帮助你完成事情方面可能非常有用。然而,过多的常规也可能让你变得极其无趣。尽管如此,许多人过着无聊且可预测的生活,或者过着一切都被规划好的生活。

B) To tell the truth, interesting people are more popular among their friends. If you don't arouse someone's curiosity or brighten someone's day, you probably come across as being a little bit dull. But that doesn't mean your life has ended and you can't do anything to change it. If you find yourself searching for something to say beyond small talk, try these tactics to find more interesting approaches to conversation.

说实话,有趣的人在朋友中更受欢迎。如果你不能激发某人的好奇心或让某人开心,你可能会显得有点沉闷。但这并不意味着你的生活已经结束,你无法做任何事情来改变它。如果你发现自己在寻找超越寒暄的话题,试试这些策略来找到更有趣的交谈方式。

C) Recently, I was at a gathering of colleagues when someone turned to me and asked, "So, what's new with you?" Ordinarily, I think I'm a good conversationalist. After all, it's literally my job to talk to people and tell their stories or share their advice. And that's not exactly an unexpected question. Still, the only "new-to-me" topics that came to mind were my daughter's basketball tournament(锦标赛)

and my feelings about that morning's political headlines—neither amusing nor appropriate topics at that moment.

最近,我参加一个同事聚会时,有人转向我问道:'那么,你有什么新鲜事吗?'通常,我认为自己是一个善于交谈的人。毕竟,与人交谈并讲述他们的故事或分享他们的建议就是我的工作。而且这个问题并不出乎意料。然而,我脑海中浮现的唯一'对我来说新鲜的'话题是我女儿的篮球锦标赛和我对那天早上政治新闻标题的感受——这两者在那个时刻都既不有趣也不合适。

- D) Oh, no, I thought. Have I become boring? But sharing our experiences in an authentic way to connect with other people is what makes us interesting, says associate professor Michael Pirson. The hesitation I felt in not sharing the ordinary things that were happening in my life, and the wild mental search for something more interesting, may have backfired and made me seem less interesting.

哦不,我想。我变得无趣了吗?但副教授Michael Pirson说,以真实的方式分享我们的经历来与他人建立联系,这正是让我们变得有趣的原因。我不愿分享生活中正在发生的平凡事情时感到的犹豫,以及疯狂地寻找更有趣话题的心理活动,可能适得其反,让我显得更无趣。

- E) "If someone is making up some conversation that might be interesting, it's probably not going to land well," says Pirson, whose expertise includes trust and well-being, mindfulness, and humanistic management. "It's going to feel like a made-up conversation that people don't necessarily want to tune in to."

Pirson的专业领域包括信任与幸福感、正念和人本主义管理。他说:'如果有人编造一些可能有趣的谈话内容,这可能不会有好效果。这会让人觉得是编造的对话,人们不一定想要参与其中。'

- F) The most interesting people aren't those who've gone on some Eat, Pray, Love journey to find themselves. Instead, Pirson says, they're those who examine the ordinary. "Often, the 'boring things' may not be boring at all. Maybe they are actually little miracles," he says. Share your observations about the world around you—interesting stories you heard or things you noticed—and you may be surprised by the universal connection they inspire.

最有趣的人不是那些踏上某种《美食、祈祷和恋爱》式旅程去寻找自我的人。相反,Pirson说,他们是那些审视平凡事物的人。'通常,'无聊的事情'可能根本不无聊。也许它们实际上是小小的奇迹,'他说。分享你对周围世界的观察——你听到的有趣故事或你注意到的事情——你可能会惊讶于它们激发的普遍共鸣。

- G) This is essentially how Jessica Hagy starts her day. The author of *How to Be Interesting: An Instruction Manual*, Hagy spends a lot of time thinking about what's interesting to her. People who are interesting are persistently curious, she says.

这本质上就是Jessica Hagy开始她一天的方式。作为《如何变得有趣:一本指导手册》的作者,Hagy花很多时间思考什么对她来说是有趣的。她说,有趣的人是持续保持好奇心的人。

- H) Think about the everyday things around you and ask questions about them. What is that roadside monument I see on my way to work every day? Who built that interesting building in my city? What nearby attractions haven't I visited? Why do people do things that way? Use what you find to ask more questions and learn more about the world around you. "Having that sort of curiosity is

almost like a protective gear from getting into boredom," she says. And when you find things that are truly interesting to you, share them.

想想你周围的日常事物并对它们提出问题。我每天上班路上看到的那个路边纪念碑是什么?谁建造了我所在城市的那座有趣建筑?我还没参观过哪些附近的景点?人们为什么那样做事?利用你的发现来提出更多问题,更多地了解你周围的世界。'拥有那种好奇心几乎就像是防止陷入无聊的保护装备,'她说。当你发现真正让你感兴趣的事物时,分享它们。

- I) Television veteran Audrey Morrissey, executive producer of NBC's *The Voice*, is always looking for what will make a person or story interesting to viewers: It's usually a matter of individuality. "Having a strong point of view, signature style, or being a super-enthusiast in a particular field makes someone interesting," she says. That means embracing what is truly interesting or unique about yourself. "Many people are 'not boring' in the way that they can carry a conversation or can be good at a social gathering, etc. To be interesting means that you have lived life, taken risks, traveled, sought out experience to learn for yourself and share with others," she says.

电视资深人士Audrey Morrissey是NBC《美国之声》的执行制片人,她总是在寻找什么能让一个人或故事对观众来说有趣:这通常是个性的问题。'拥有强烈的观点、标志性的风格,或在某个特定领域成为超级爱好者,会让一个人变得有趣,'她说。这意味着要接纳你自己真正有趣或独特的地方。'许多人'不无聊'是因为他们能够进行对话或在社交聚会上表现良好等。要变得有趣意味着你经历过生活,冒过险,旅行过,寻求过体验来为自己学习并与他人分享,'她说。

- J) Of course, it's possible to be a fountain of knowledge and a boring person, says public relations consultant Andrea Pass. Paying attention to the listener is an important part of having a conversation that's interesting to both parties. Talking on and on about what's interesting to you isn't going to make you an interesting person, she says.

当然,公共关系顾问Andrea Pass说,一个人可能知识渊博却是个无聊的人。关注倾听者是进行双方都感兴趣的对话的重要部分。她说,喋喋不休地谈论你感兴趣的事情不会让你成为一个有趣的人。

- K) "If the listener is not paying attention, it's your sign to shorten the story or change direction. Make sure to bring the audience into the conversation so that it is not one-sided," Pass says. Be a better listener yourself, and give others opportunities to participate in the conversation by inviting them with questions or requests to share their own experiences or thoughts. (e.g., "Now, tell me about your favorite book," or "Have you ever been to that attraction?") Questions are a powerful tool, especially when they encourage others to disclose information about themselves. A 2012 study from the University of California, Santa Barbara, found that roughly 40% of the time we are talking, we're disclosing subjective information about our experience. And when we're doing so, our brains are more engaged. So one strategy to leave others with the impression that you're a sparkling conversation partner is to get others to talk about themselves.

Pass说:'如果倾听者没有注意,这就是你缩短故事或改变方向的信号。确保将听众带入对话中,使其不是单方面的。'自己成为更好的倾听者,并通过问题或请求分享他们自己的经历或想法,给他人参与对话的机会。(例如,'现在,告诉我你最喜欢的书',或'你去过那个景点吗?')问题是一个强大的工具,尤其是当它们鼓励他人透露关于自己的信息时。加州大学圣塔芭芭拉分校2012年的一项研究发现,我们说话时大约40%的时间是在披露关于我们经历的主观信息。当我们这样做时,我们的大脑会更加活跃。因此,让他人觉得你是一个出色的对话伙伴的一个策略是让他人谈论他们自己。

L) Being relatable is also essential, Morrissey says. "The best entertainment and storytelling comes from people who are relatable—those who don't shy away from opening up but freely share who they are and what they care about. These are the people viewers most relate to and find interesting. Being authentic, honest, and vulnerable is always interesting."

Morrissey说,能够引起共鸣也很重要。'最好的娱乐和故事讲述来自那些能引起共鸣的人——那些不回避敞开心扉而是自由分享他们是谁以及他们关心什么的人。这些是观众最能产生共鸣并觉得有趣的人。真实、诚实和脆弱总是有趣的。'

M) I have now come to realize that being boring, in actuality, is not only about who you are as a person, but also how you present yourself. No matter what, make sure you are having fun in life. Because when you are enjoying, people around you will begin to enjoy as well. Show some interest in them and they will definitely show some in you. If you are a very reserved person, this could be a little difficult at first. But with a little effort, you can definitely improve.

我现在已经意识到,实际上,无趣不仅关乎你是一个什么样的人,也关乎你如何展现自己。无论如何,确保你在生活中享受乐趣。因为当你享受时,你周围的人也会开始享受。对他们表现出一些兴趣,他们肯定也会对你表现出兴趣。如果你是一个非常内向的人,这在一开始可能有点困难。但只要稍加努力,你肯定能够改善。

陈述句与逐句解析

36. Pirson claims that some ordinary things may often prove to be miraculously interesting.

Pirson声称,一些平凡的事物往往可能被证明是神奇地有趣的。

【答案】 F 段 (强锚点)

【锚点】 专名 Pirson + 关键词 miraculously / ordinary

【定位】 "Often, the 'boring things' may not be boring at all. Maybe they are actually little miracles," he says.

「常常, 那些『无聊的事』可能根本不无聊。也许它们其实是一个个小小的奇迹,」他说。

【改写】 some ordinary things may often prove to be miraculously interesting ↔

the 'boring things' may not be boring at all. Maybe they are actually little miracles

ordinary ↔ boring things; miraculously interesting ↔ little miracles

Pirson claims ↔ he says

段首 Pirson + 段内 he says 锁说话人

【辨邻】 D 本段虽出现 what makes us interesting, 但落点是 sharing our experiences in an authentic way——「真实分享」, 并未出现题干所要的「平凡事 ≈ 奇迹」这一断言。

sharing our experiences in an authentic way to connect with other people is what makes us interesting

E 本段核心是 making up some conversation that might be interesting 多半会冷场, 论述对象是「编出来的对话」, 不是「平凡事」。

It's going to feel like a made-up conversation that people don't necessarily want to tune in to

37. To make a conversation interesting, it is important that you listen to the other party attentively.

要使谈话变得有趣, 重要的是你要专心倾听对方。

【答案】 J 段 (强锚点)

【锚点】 认真听对方说话

【定位】 Paying attention to the listener is an important part of having a conversation that's interesting to both parties.

关注听者是让一段对话对双方都有趣的重要环节。

【改写】 listen to the other party attentively ↔ Paying attention to the listener

动副短语 → 动名短语的等值改写

To make a conversation interesting ↔ having a conversation that's interesting to both parties

目的 ↔ 状态 的同义换形

【辨邻】 K If the listener is not paying attention, it's your sign to shorten the story 是「if 怎样就怎么做」的策略指导; 题干 it is important that you listen... 强调的是重要性论断, 正出自 J 段而非 K 段。

If the listener is not paying attention, it's your sign to shorten the story or change direction

38. A person who is unable to stimulate others' curiosity or make their life enjoyable may appear somewhat boring.

一个无法激发他人好奇心或使他们的生活变得愉快的人可能显得有些无聊。

【答案】 B 段 (强锚点)

【锚点】 激不起好奇 / 点不亮别人 → 显得无趣

【定位】 If you don't arouse someone's curiosity or brighten someone's day, you probably come across as being a little bit dull.

如果你激不起别人的好奇心、点不亮别人的一天, 你大概会显得有些乏味。

【改写】 unable to stimulate others' curiosity ↔ **If you don't arouse someone's curiosity**
stimulate ↔ arouse 的高频同义替换

make their life enjoyable ↔ **brighten someone's day**

比喻表达 ↔ 字面表达 的等值

appear somewhat boring ↔ **come across as being a little bit dull**

appear ↔ come across as; boring ↔ dull

【辨邻】 **A** too much of a routine can also make you incredibly boring 的原因是 routine, 而非「无法激起好奇」; 题干必备的 curiosity 一词在 A 段未出现。

too much of a routine can also make you incredibly boring

39. Interesting people usually possess certain unique qualities, according to a TV program producer.

根据一位电视节目制作人的说法,有趣的人通常拥有某些独特的品质。

【答案】 **I** 段 (强锚点)

【锚点】 TV program producer + unique qualities

【定位】 "Having a strong point of view, signature style, or being a super-enthusiast in a particular field makes someone interesting," she says.

「拥有鲜明的观点、招牌般的风格, 或者在某个领域里是超级爱好者, 会让一个人显得有趣, 」她说。

【改写】 a TV program producer ↔ **executive producer of NBC's The Voice**
上位身份 ↔ 具体头衔

possess certain unique qualities ↔

Having a strong point of view, signature style, or being a super-enthusiast in a particular field

概括词 ↔ 列举式具象表达

【辨邻】 **L** Being relatable is also essential、Being authentic, honest, and vulnerable is always interesting 强调「可亲近 / 真实 / 示弱」, 这些都是「共性」而非「独特性」; 与题干 unique qualities 的方向相反。

Being relatable is also essential

40. Be interested in others and they are sure to be interested in you.

对他人感兴趣,他们就一定会对你感兴趣。

【答案】 **M** 段 (强锚点)

【锚点】 你对别人感兴趣, 别人也对你感兴趣 (双向对等)

【定位】 Show some interest in them and they will definitely show some in you.

对他们表现出一些兴趣, 他们也一定会对你表现出一些兴趣。

【改写】 Be interested in others ↔ **Show some interest in them**

be interested in ↔ show interest in

they are sure to be interested in you ↔ **they will definitely show some in you**

be sure to ↔ will definitely

【辨邻】 **K** get others to talk about themselves 落点是「让我自己显得是 sparkling conversation partner」的单向收益，并不主张「他们也会对你 interested」这种对等回报。

one strategy to leave others with the impression that you're a sparkling conversation partner is to get others to talk about themselves

41. The author considers himself usually good at conducting conversations.

作者认为自己通常善于进行对话。

【答案】 **C** 段（强锚点）

【锚点】 作者自评擅长对话

【定位】 Ordinarily, I think I'm a good conversationalist.

平时，我自认为是个不错的健谈者。

【改写】 The author considers himself usually good at conducting conversations ↔

Ordinarily, I think I'm a good conversationalist

派生名词 ↔ 短语 的等值

【辨邻】 **D** Have I become boring? 是质疑而非肯定；本段甚至承接 C 的失语经历，与题干「自认为擅长」相反。

Have I become boring?

42. Interesting people are always full of curiosity.

有趣的人总是充满好奇心。

【答案】 **G** 段（强锚点）

【锚点】 有趣的人 = 始终好奇

【定位】 People who are interesting are persistently curious, she says.

她说，有趣的人是持续地保有好奇心的。

【改写】 Interesting people are always full of curiosity ↔

People who are interesting are persistently curious

always ↔ persistently; full of curiosity ↔ curious

【辨邻】 **H** Having that sort of curiosity is almost like a protective gear from getting into boredom 是「保持好奇能防无聊」的功能性论述，而非「有趣的人 = 持续好奇」的直接定义。

Having that sort of curiosity is almost like a protective gear from getting into boredom

43. Falling into a routine can turn a person into an utter bore.

陷入例行公事会把一个人变成一个彻底的乏味之人。

【答案】 **A** 段（强锚点）

【锚点】 陷入 routine → 变成 utter bore

【定位】 However, too much of a routine can also make you incredibly boring.

然而，过多的惯例也会让你变得极度乏味。

【改写】 Falling into a routine ↔ **too much of a routine**

「陷入」隐喻 ↔ 「过多」字面

turn a person into an utter bore ↔ **make you incredibly boring**

turn into ↔ make; utter bore ↔ incredibly boring

【辨邻】 **B** If you don't arouse someone's curiosity or brighten someone's day, you probably come across as being a little bit dull 论的是好奇心维度而非 routine 维度，题干必备的 routine 一词在 B 段不存在。

If you don't arouse someone's curiosity or brighten someone's day, you probably come across as being a little bit dull

44. One strategy to be a good conversationalist is to motivate your partner to tell their own stories.

成为一个好的谈话者的一个策略是激励你的伙伴讲述他们自己的故事。

【答案】 **K** 段（强锚点）

【锚点】 策略 = 让对方讲他们自己的故事

【定位】 So one strategy to leave others with the impression that you're a sparkling conversation partner is to get others to talk about themselves.

因此，让别人觉得你是个出色的对话伙伴的一种策略，就是让别人去谈他们自己。

【改写】 motivate your partner to tell their own stories ↔ **get others to talk about themselves**

motivate ↔ get; tell their own stories ↔ talk about themselves

to be a good conversationalist ↔

to leave others with the impression that you're a sparkling conversation partner

good conversationalist ↔ sparkling conversation partner

【辨邻】 J Paying attention to the listener is an important part of having a conversation that's interesting to both parties 是原则陈述，未触及题干所要的「motivate your partner to tell their own stories」这一具体行为。

Paying attention to the listener is an important part of having a conversation that's interesting to both parties

45. Interesting as it might appear, a made-up conversation will probably turn out to be dull.

尽管看起来可能有趣，但一段编造的对话很可能最终会变得乏味。

【答案】 E 段（强锚点）

【锚点】 编出来的对话最终乏味

【定位】 "If someone is making up some conversation that might be interesting, it's probably not going to land well," says Pirson.

「如果有人编造一段看上去可能有趣的对话，多半收不到好效果，」 Pirson 说。

【改写】 Interesting as it might appear, a made-up conversation ↔

making up some conversation that might be interesting

倒装让步 ↔ 直陈让步

will probably turn out to be dull ↔ **it's probably not going to land well**

turn out to be dull ↔ not going to land well

【辨邻】 D The hesitation I felt in not sharing the ordinary things that were happening in my life, and the wild mental search for something more interesting, may have backfired 谈的是作者自身的犹豫与硬找，不是「编造对话整体的冷场效果」。

The hesitation I felt in not sharing the ordinary things that were happening in my life, and the wild mental search for something more interesting, may have backfired and made me seem less interesting

PARAGRAPH MAP • 段落主旨图

13 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

A 开篇点题：人类是习惯的生物，常把自己设成自动驾驶；惯例本身能帮人办事，但太多惯例会让人变得乏味，许多人就过着乏味、可预测、什么都被安排好的生活。

信息指纹 auto-pilot 与 routine

B 有趣的人在朋友中更受欢迎；如果你没法激起别人的好奇心、点亮别人的一天，可能就显得有点无趣；接着引出后文要给的「让对话更有趣」的若干招。

信息指纹 无法激起好奇就显得无趣

C 作者讲自己在一次同事聚会上被问「最近有什么新鲜事」时一时语塞，并自评平时其实算个不错的健谈者，因为聊别人故事和建议本就是他的工作。

信息指纹 作者自评是好健谈者

D 作者由那次尴尬自问「我是不是变无趣了」，并引出 Pirson 的观点：以真实方式分享自己的经历去与他人连接，才是让我们显得有趣的关键；硬找「更有趣」的话题反而可能弄巧成拙。

信息指纹 真实分享才有趣

E Pirson 继续说：如果有人编造一段看上去可能有趣的对话，多半收不到好效果；它会让人觉得是编出来的，对方就不会想真正投入进来听。

信息指纹 编造的对话反而冷场

F Pirson 说，真正有趣的人不是那些去远方寻找自我的人，而是会审视日常的人——所谓「无聊的事」也许根本不无聊，可能是小小的奇迹；分享你对周围世界的观察，往往能激起意想不到的共鸣。

信息指纹 平凡事其实是小奇迹

G 引出作家 Jessica Hagy（《How to Be Interesting》一书作者），说她每天就是这样开启一天——她花大量时间想「什么对她来说是有趣的」；她认为有趣的人是持续地保有好奇心的。

信息指纹 Jessica Hagy 与持续好奇

H 顺着 Hagy 的话给方法：对身边日常的小事多问几个问题——路边那座纪念碑、城市里那栋楼、附近还没去过的景点……用答案再追问，多了解世界；这种好奇心几乎是抵御无聊的保护装备，找到真正感兴趣的就分享出来。

信息指纹 对日常追问的练习与「保护装备」

I 电视资深人 Audrey Morrissey (NBC《The Voice》的执行制片) 说, 让一个人或故事对观众有趣的, 通常是「个性」——有鲜明观点、招牌风格, 或在某个领域里是超级爱好者, 就让人显得有趣; 要有趣, 得真去活过、冒过险、走过、找过经验。

信息指纹 电视制片人谈个性 / 鲜明风格

J 公关顾问 Andrea Pass 提醒: 人可以满腹学问却仍然无趣; 让对话对双方都有趣, 关键之一是关注听者——一味讲自己感兴趣的事并不会让你成为有趣的人。

信息指纹 关注听者 / 满腹学问也可能无趣

K Pass 接着给具体招: 听者走神就缩短或换方向; 用提问把对方拉进对话, 给对方分享自身经验 / 想法的机会; 并援引 2012 年加州大学圣巴巴拉分校的研究——人讲话时约 40% 是在自我披露, 那时大脑更投入, 所以让别人聊他们自己是显得自己「有趣」的关键策略之一。

信息指纹 用提问引对方谈自己 / UCSB 40% 研究

L Morrissey 再补一点: 可亲近、能被共鸣 (relatable) 也至关重要; 最好的娱乐和故事来自那些愿意敞开自己、坦白分享自己是谁、关心什么的人; 真实、诚实、愿意示弱总是有趣。

信息指纹 relatable 与示弱

M 作者收尾: 是否无趣不仅取决于你是谁, 更取决于你如何呈现自己; 要在生活里享受, 对别人表现出兴趣, 他们也会对你表现出兴趣; 内向者一开始或许有点难, 但稍加努力就能改善。

信息指纹 你对别人感兴趣, 别人也会对你感兴趣

SENTENCE INSIGHTS • 句子精讲

15 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Nevertheless, many people live lives that are boringly predictable, or live a life where everything is outlined or planned.

A段，第6句

句子包含并列谓语、限制性定语从句(that/where引导)、被动语态等都是四六级和考研真题高频结构。两个定语从句分别修饰不同的并列宾语,这种平行对称的结构在议论文和说明文中常见,掌握后可迁移到大量类似句式,典型性较高。

If you don't arouse someone's curiosity or brighten someone's day, you probably come across as being a little bit dull.

B段，第2句

条件状语从句 + 主句是四六级和考研中常见的句式结构，并列谓语和 "come across as" 这类短语动词也经常出现；本句结构有一定代表性，适合作为入门级复杂句的练习材料

After all, it's literally my job to talk to people and tell their stories or share their advice.

C段，第3句

形式主语 it + 系动词 + 表语 + 不定式短语的结构在四六级和考研阅读中高频出现，如 It is important to...、It is one's duty to... 等句式；本句的 my job 作表语、后接不定式说明工作内容，是该句式的典型变体，掌握后可大量迁移到类似表达中。

Still, the only "new-to-me" topics that came to mind were my daughter's basketball tournament(锦标赛) and my feelings about that morning's political headlines—neither amusing nor appropriate topics at that moment.

C段，第5句

主系表结构加定语从句修饰主语、并列表语、破折号补充说明，这些都是四六级和考研阅读中的高频句式。定语从句紧跟先行词、关系代词作主语、破折号引出同位或评注性内容，都是真题中反复出现的典型结构，学习迁移价值高。

The hesitation I felt in not sharing the ordinary things that were happening in my life, and the wild mental search for something more interesting, may have backfired and made me seem less interesting.

D段，第4句

主句包含并列主语、情态动词加完成式的并列谓语、宾语及宾语补足语，成分丰富；第一个定语从句省略了关系代词，是易错点；第二个定语从句的关系代词 that 在从句中充当主语，需要识别；此外还包含多个状语和修饰成分，覆盖多种成分类型，适合作为划分练习句。

"If someone is making up some conversation that might be interesting, it's probably not going to land well," says Pirson, whose expertise includes trust and well-being, mindfulness, and humanistic management.

E段，第1句

这句话在结构和时态上都覆盖了多个高频考点，难度中上但不至于失控，适合作为系统训练材料。若目标是提升分层拆句和时态识别能力，这句值得优先练。

Instead, Pirson says, they're those who examine the ordinary.

F段，第2句

"主语 + 系动词 + 表语（含定语从句）" 以及 "those who" 结构在四六级和考研阅读中高频出现，插入语的使用也是常见的句式特征。掌握本句的分析方法可以迁移到大量类似句型。扣分原因是句子本身较短，没有更复杂的并列或多层从属结构，代表性稍弱于长难句。

The best entertainment and storytelling comes from people who are relatable—those who don't shy away from opening up but freely share who they are and what they care about.

L段，第2句

这句结构有一定层次，但时态不难，适合作为重点训练材料。它能帮助学习者用较可控的难度练会主干定位和从句归属，性价比很高。

These are the people viewers most relate to and find interesting.

L段，第3句

主系表结构搭配并列定语从句是四六级和考研阅读中的高频句式，关系代词省略也是常考语法点，本句结构具有较强的代表性和复用价值。

I have now come to realize that being boring, in actuality, is not only about who you are as a person, but also how you present yourself.

M段, 第1句

宾语从句多层嵌套、并列结构、疑问词引导的名词性从句,这些都是四六级和考研阅读中高频出现的句式,掌握后可大量迁移到其他复杂句的分析中

No matter what, make sure you are having fun in life.

M段, 第2句

祈使句搭配宾语从句的结构在四六级和考研真题中较为常见,尤其是 "make sure" 等要求或建议类动词后接从句的句式。让步状语从句 "No matter what" 也是常考结构,表达"无论如何"的语义在阅读和写作中频繁出现。本句的句式组合具有较高的代表性,掌握后可迁移到类似结构的句子中。

To make a conversation interesting, it is important that you listen to the other party attentively.

第37题题干

"It is important that..." 是非常常见、可大量迁移的书面表达框架。掌握这种先评价、后补内容的结构后,处理同类句子会更稳。

Be interested in others and they are sure to be interested in you.

第40题题干

祈使句加陈述句的并列结构在英语中较常见,尤其在建议、劝告类表达中。"be sure to" 结构也是常考点。但整体句式偏向口语化和简单化,不如复杂从句或特殊句型那样具有考试代表性

The author considers himself usually good at conducting conversations.

第41题题干

"consider + 宾语 + 宾补"句型在四六级和考研阅读中高频出现,用于表达观点或评价。反身代词作宾语、形容词短语作宾补、动名词在介词后作宾语,均为典型用法。结构代表性强,掌握后可迁移至大量类似句子。

Interesting as it might appear, a made-up conversation will probably turn out to be dull.

第45题 题干

让步状语从句的倒装结构 ("形容词 + as + 主语 + 谓语") 是四六级和考研阅读中的高频句式, "turn out to be"也是常考表达。掌握本句的分析方法可直接迁移到大量真题句型, 典型性强。

QUESTIONS & ANALYSIS · 阅读理解题和解析

阅读理解题和解析·46-50 题

本页 46-50 题的答案与逐题解析由懒笔记基于2021年12月·第2套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 4 段原文（段首标 P1-P4 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第2套(2021-12) · 四级

Part III Section C (1)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

P1 With obesity now affecting 29% of the population in England, and expected to rise to 35% by 2030, should we now recognise it as a disease? Obesity, in which excess body fat has accumulated to such an extent that health may be adversely affected, meets the dictionary definition of disease, argues Professor John Wilding. He points out that more than 200 genes influence weight. "Thus body weight is strongly influenced by biology—it is not an individual's fault if they develop obesity." Yet the widespread view is that obesity is self-induced and that it is entirely the individual's responsibility to do something about it. Recognising obesity as a chronic disease with severe complications rather than a lifestyle choice "should help reduce the stigma(耻辱) and discrimination experienced by many people with obesity," he adds.

肥胖症现在影响着英格兰29%的人口，预计到2030年将上升至35%，我们现在是否应该将其视为一种疾病？John Wilding教授认为，肥胖症——即体内脂肪过度累积以至于可能对健康产生不利影响——符合疾病的字典定义。他指出，有200多个基因会影响体重。"因此体重受到生物学因素的强烈影响——如果个体患上肥胖症，这并非其个人过错。"然而普遍的观点是，肥胖症是自我造成的，完全是个人的责任去对此采取行动。他补充说，将肥胖症视为一种有严重并发症的慢性疾病而非生活方式的选择，"应该有助于减少许多肥胖症患者所经历的耻辱和歧视。"

P2 Professor Wilding disagrees that labelling a high proportion of the population as having a disease removes personal responsibility or may overwhelm health services, pointing out that other common diseases, such as high blood pressure and diabetes, require people to take action to manage their

condition. He suggests that most people with obesity will eventually develop complications. "But unless we accept that obesity is a disease, we are not going to be able to tackle it," he concludes.

Wilding教授不认同将很大比例的人口标记为患有疾病会消除个人责任或可能使医疗服务不堪重负的观点,他指出其他常见疾病,如高血压和糖尿病,同样需要人们采取行动来管理自己的病情。他认为大多数肥胖症患者最终会出现并发症。"但除非我们承认肥胖症是一种疾病,否则我们将无法解决这个问题,"他总结道。

P3 But Dr. Richard Pile, a physician with a special interest in diabetes, argues that adopting this approach "could actually result in worse outcomes for individuals and society." He believes that the dictionary definition of disease "is so vague that we can classify almost anything as a disease" and says the question is not whether we can, but whether we should, and to what end.

但对糖尿病有特殊研究兴趣的内科医生Richard Pile博士认为,采用这种方法"实际上可能导致个人和社会出现更糟糕的结果。"他认为疾病的字典定义"太过模糊,以至于我们几乎可以将任何事物归类为疾病",并表示问题不在于我们能否这样做,而在于我们是否应该这样做,以及为了什么目的。

P4 If labelling obesity as a disease was harmless then it wouldn't really matter, he writes. But labelling obesity as a disease "risks reducing autonomy, disempowering and robbing people of the intrinsic(内在的) motivation that is such an important enabler of change." What's more, making obesity a disease "may not benefit patients, but it will benefit healthcare providers and the pharmaceutical(制药的) industry when health insurance and clinical guidelines promote treatment with drugs and surgery," he warns.

他写道,如果将肥胖症标记为疾病是无害的,那么这其实无关紧要。但将肥胖症标记为疾病"有可能降低自主性,削弱人们的力量,并剥夺人们内在的动机,而这种动机正是促成变化的重要推动力。"他警告说,更重要的是,将肥胖症定为疾病"可能不会使患者受益,但当医疗保险和临床指南推广药物和手术治疗时,这将使医疗服务提供者和制药行业受益。"

题目与逐题解析

46. What does Professor John Wilding argue about obesity?

- A) Its impact on society is expected to rise.
- B) It is now too widespread to be neglected.
- C) It should be regarded as a genetic disease.
- D) Its dictionary definition should be updated.

John Wilding 教授对肥胖症有何主张?

- A) 其对社会的影响预计会上升。 B) 它现在过于普遍而不容忽视。 C) 它应当被视为一种遗传性疾病。
D) 它的词典定义应当更新。

【答案】 C (细节题)

【判型】 What does Professor John Wilding argue about obesity? 问的是这位教授关于肥胖的**主张**, 答案要在原文的明确表述中找, 不需要跨段综合, 是典型的细节题。

【拆句】 题干 What does Professor John Wilding argue about obesity? 是标准的 what + 主语 + 动词 + 介词短语 结构, 主语「Professor John Wilding」, 谓语「argue」, 「about obesity」是 argue 的话题状语; 句子平铺直叙, 无陷阱。

【定位】 He points out that more than 200 genes influence weight. "Thus body weight is strongly influenced by biology—it is not an individual's fault if they develop obesity."

他指出有超过 200 个基因影响体重。「因此体重受生物学因素强烈影响——一个人如果得了肥胖症，并不是他自己的过错。」

【选项】 A) **张冠李戴：把背景数据安到具名人物头上**

Its impact on society is expected to rise. 实际上是文章开头那句 obesity now affecting 29% of the population in England, and expected to rise to 35% by 2030 的概括，是作者交代的背景数据，并非 Wilding 教授「argue about obesity」的主张。

B) **无中生有：常识合理但原文未支撑**

It is now too widespread to be neglected. 是个看似合理的概括，但 Wilding 全文论证的是「肥胖应被视为疾病」「不是个人过错」，从未以「太普遍以至于无法忽视」为论点；原文虽提到 29%/35% 的数据，但落点是「该不该承认为疾病」，与「too widespread to be neglected」不构成等值。

C) **✓ 正确**

more than 200 genes influence weight ↔ **a genetic disease**

not an individual's fault if they develop obesity ↔ **regarded as a genetic disease**

预判抓住「肥胖与基因强相关 + 应作为疾病看待」两个要点，It should be regarded as a genetic disease. 恰好同时覆盖这两点，与 Wilding 在 P1 的主张完全对齐。

D) **偷换概念：动词替换改变命题**

Its dictionary definition should be updated. 偷换了原文的「meets the dictionary definition」——Wilding 是说「肥胖**符合**字典关于 disease 的定义」，主张承认它**是**疾病，不是主张**更新**字典定义；选项把「符合定义」偷换成「更新定义」。

47. What is the popular view of obesity?

- A) It is difficult to define.
- B) It is a modern disease.
- C) It has much to do with one's genes.
- D) It results from a lack of self-control.

大众对肥胖症的看法是什么？

- A) 它难以定义。 B) 它是一种现代疾病。 C) 它与基因有很大关系。 D) 它源于缺乏自我控制。

【答案】 **D** (细节题)

【判型】 What is the popular view of obesity? 问的是「大众对肥胖的看法是什么」，要找的是原文中对大众观点的客观陈述，属于细节题。

【拆句】 题干 What is the popular view of obesity? 是简单的 what is + 名词短语 结构，「of obesity」是 popular view 的修饰，限定看法的对象；结构简单，无陷阱。

【定位】 Yet the widespread view is that obesity is self-induced and that it is entirely the individual's responsibility to do something about it.

然而，普遍的观点认为，肥胖是自找的，并且完全是个人自己的责任去采取行动加以解决。

【选项】 A) **无中生有：抓住选项与原文方向相反的反例**

It is difficult to define. 关于「肥胖难以定义」的说法在原文找不到任何依据；原文 P1 明确给出了肥胖的定义 (excess body fat ...)，反而是「易定义」的方向，与本选项相反。

B) **答非所问：与题干所问对象不对齐**

It is a modern disease. 想说「肥胖是一种现代疾病」，但原文 the widespread view 描述的大众观点是「自找的、个人责任」，从未把大众观点概括为「现代疾病」；而且大众观点恰恰是「不视为疾病」，与「modern disease」方向冲突。

C) **张冠李戴：用对立方观点冒充本方观点**

It has much to do with one's genes. 实际上是 Wilding 教授的主张 (more than 200 genes influence weight)，而非大众观点；原文用 Yet 把大众观点与 Wilding 主张明确切开——大众恰好是不认基因这一论的。

D) **✓ 正确**

obesity is self-induced ↔ **results from a lack of self-control**

it is entirely the individual's responsibility to do something about it ↔ **a lack of self-control**

预判要点「自找的 + 自己负责」分别对应到 results from a lack of self-control 中的「self-control」与「lack of」，D 是唯一同时覆盖这两点的选项。

48. Why are some people opposed to labelling obesity as a disease?

- A) Obese people would not feel responsible to take any action.
- B) Obese people would not be able to afford the medical costs.
- C) Obese people would be overwhelmed with anxiety.
- D) Obese people would be discriminated against.

为什么有些人反对将肥胖症归类为疾病？

- A) 肥胖者将不会感到有责任采取任何行动。
- B) 肥胖者将无力承担医疗费用。
- C) 肥胖者将被焦虑所淹没。
- D) 肥胖者将受到歧视。

【答案】 A (细节题)

【判型】 Why are some people opposed to labelling obesity as a disease? 问的是反方反对的具体原因，对应原文反方论据的明确陈述，属于细节题。

【拆句】 题干 Why are some people opposed to labelling obesity as a disease? 主干是 why + be + 主语 + 过去分词作表语 (opposed to), labelling ... as a disease 是动名词短语作 to 的宾语；结构稍长但平铺直叙，无陷阱。

【定位】 But labelling obesity as a disease "risks reducing autonomy, disempowering and robbing people of the intrinsic motivation that is such an important enabler of change."

但把肥胖定性为疾病「有可能削弱人的自主性，让人失去权能感，并夺走对改变如此重要的内在动力。」

【选项】 A) ✓ 正确

reducing autonomy, disempowering and robbing people of the intrinsic motivation ↔

not feel responsible to take any action

other common diseases, such as high blood pressure and diabetes, require people to take action to manage their condition

↔ to take any action

预判要点「失去自主与改变动力」在四个选项里只有 Obese people would not feel responsible to take any action. 能落地——「失去内在动力 + 失去自主」≈「不觉得自己有责任行动」。

B) 无中生有：把次相关话题拉来当依据

Obese people would not be able to afford the medical costs. 关于「肥胖者支付不起医疗费用」在原文找不到任何对应；原文末段提到的费用相关内容是 health insurance and clinical guidelines promote treatment with drugs and surgery, 谈的是谁受益（机构与药企），不是谁付不起。

C) 偷换概念：把动力问题偷换为情绪问题

Obese people would be overwhelmed with anxiety. 把原文「失去 intrinsic motivation」（失去改变的内在动力）偷换为「被焦虑压垮」（情绪问题）——前者关乎主体动力是否减弱，后者关乎情绪是否上升，方向不一致。

D) 张冠李戴：把正方支持理由当反方反对理由

Obese people would be discriminated against. 实际上是 Wilding 在 should help reduce the stigma and discrimination experienced by many people with obesity 提到的——把肥胖视为疾病可以**减少**歧视，是 Wilding 支持贴标签的理由；本题问的是**反对**贴标签的理由，正反阵营完全相反。

49. What does Dr. Richard Pile think of the dictionary definition of disease?

- A) It is of no use in understanding obesity.
- B) It is too inclusive and thus lacks clarity.
- C) It helps little to solve patients' problems.
- D) It matters little to the debate over obesity.

Richard Pile 博士如何看待词典中关于疾病的定义？

- A) 它对理解肥胖症毫无用处。
- B) 它过于宽泛因而缺乏明确性。
- C) 它对解决患者的问题帮助甚微。
- D) 它对关于肥胖症的争论影响甚微。

【答案】 B （细节题）

【判型】 What does Dr. Richard Pile think of the dictionary definition of disease? 问的是具名人
物对一个具体概念的看法，原文中有他直接的评价句，属于细节题。

【拆句】 题干 What does Dr. Richard Pile think of the dictionary definition of disease? 主干是
what + do/does + 主语 + think of + 宾语，think of 是固定搭配「对.....的看法」；结构
常规，无陷阱。

【定位】 He believes that the dictionary definition of disease "is so vague that we can classify almost
anything as a disease" and says the question is not whether we can, but whether we should,
and to what end.

他认为，对 disease 一词的字典定义「过于含糊，以至于我们几乎可以把任何东西都归入疾
病」，并说问题不在于「我们能不能」，而在于「我们该不该，以及目的何在」。

【选项】 A) **过度推断：把局部批评放大成全盘否定**

It is of no use in understanding obesity. 把 Pile 的「定义含糊」推得过远——他只
是说定义太宽泛而已，没说「字典定义对理解肥胖毫无用处」；恰恰相反，他的论证起
点正是「按字典定义看，肥胖确实可被归入 disease」（the question is not whether
we can）。

B) **✓ 正确**

is so vague that we can classify almost anything as a disease ↔

too inclusive and thus lacks clarity

is so vague that we can classify almost anything as a disease ↔ **and thus**

预判要点「过于含糊 + 范围过广」在选项里精准对位为 too inclusive and thus lacks
clarity，是唯一覆盖两个语义点的选项。

C) **答非所问：偷偷把问域换到下一步**

It helps little to solve patients' problems. 谈的是「字典定义对解决患者问题帮助不
大」，把焦点从「定义本身的特性」偏移到「定义对患者的影响」；题干 What does
Dr. Richard Pile think of the dictionary definition of disease? 问的是 Pile 对**定义
本身**的看法。

D) **与原文相反：极性反转**

It matters little to the debate over obesity. 说「字典定义对肥胖之争没什么关系」，
但 Pile 在 P3 整段都在围绕字典定义展开批评，并以此为立论起点（the dictionary
definition of disease is so vague）；可见字典定义对他**至关重要**，与「matters
little」语义相反。

50. What is Dr. Richard Pile's concern about classifying obesity as a disease?

- A) It may affect obese people's quality of life.
- B) It may accelerate the spread of obesity.
- C) It may cause a shortage of doctors.
- D) It may do little good to patients.

Richard Pile 博士对将肥胖症归类为疾病有何担忧？

- A) 它可能影响肥胖者的生活质量。 B) 它可能加速肥胖症的蔓延。 C) 它可能导致医生短缺。
D) 它可能对患者没什么好处。

【答案】 D (细节题)

【判型】 What is Dr. Richard Pile's concern about classifying obesity as a disease? 问的是 Pile 担忧的具体内容，原文末段有明确陈述，属于细节题。

【拆句】 题干 What is Dr. Richard Pile's concern about classifying obesity as a disease? 主干是 what + be + 主语，「about classifying obesity as a disease」是 concern 的修饰短语，限定担忧的对象；结构清晰，无陷阱。

【定位】 What's more, making obesity a disease "may not benefit patients, but it will benefit healthcare providers and the pharmaceutical industry when health insurance and clinical guidelines promote treatment with drugs and surgery," he warns.

此外，他警告说，把肥胖变成一种疾病「未必使患者受益，但当医保和临床指南推动用药物和手术进行治疗时，它将让医疗机构和制药业受益」。

【选项】 A) **无中生有：用合理却未现的概念顶替**

It may affect obese people's quality of life. 关于「影响肥胖者生活质量」在原文找不到对应表述；Pile 的担忧落在「医疗效用」和「自主与动力」上，不是「生活质量」这个独立维度。

B) **与原文相反/混搭：把背景趋势伪装成反方担忧**

It may accelerate the spread of obesity. 说贴疾病标签会「加速肥胖蔓延」，但原文 Pile 担忧的是「会让人失去改变动力」（robbing people of the intrinsic motivation）——这是「不利于改善」的间接后果，但与「加速蔓延」是两码事；而且 P1 中肥胖的扩张趋势是 Wilding 立场的背景数据，与 Pile 的担忧无关。

C) **无中生有：用相邻话题词凭空造命题**

It may cause a shortage of doctors. 关于「导致医生短缺」在原文找不到任何依据；原文末段提到 healthcare providers and the pharmaceutical industry 会受益，恰恰是「医疗供给方得利」的方向，与「短缺」相反。

D) **✓ 正确**

may not benefit patients ↔ **may do little good to patients**

may not benefit patients, but it will benefit healthcare providers and the pharmaceutical industry

↔ **do little good to patients**

四个选项里只有 It may do little good to patients. 在主体（患者）与极性（益处不大）两端都与 Pile 的核心担忧一致；其余选项要么换了担忧对象，要么改了担忧内容。

SENTENCE INSIGHTS • 句子精讲

18 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

With obesity now affecting 29% of the population in England, and expected to rise to 35% by 2030, should we now recognise it as a disease?

第1段，第1句

“前置背景结构 + 主句提问”是正式英语中非常常见的句式，阅读考试里也常出现。掌握这种先略过前置补充、再抓核心问句的方法，迁移性很强。

Obesity, in which excess body fat has accumulated to such an extent that health may be adversely affected, meets the dictionary definition of disease, argues Professor John Wilding.

第1段，第2句

这句结构层级清楚但不算过分偏怪，既有可练的插入从属关系，也有值得辨认的时态和被动形式。对句子结构与时态的综合训练价值较高，适合优先练习。

He points out that more than 200 genes influence weight.

第1段，第3句

“动词 + that 引出的宾语从句”是英语阅读中非常常见的基本句式，像“say”、“think”、“know”、“show”后面都常见类似结构。本句结构标准，迁移性强。

"Thus body weight is strongly influenced by biology—it is not an individual's fault if they develop obesity."

第1段，第4句

本句结构高度典型：两个主句并列陈述观点，其中一个使用被动语态说明客观规律，另一个用形式主语加条件从句表达推论。这种“事实陈述+推论”的并列结构、被动语态表达客观性、形式主语简化句式，以及条件状语从句限定范围，均是四六级和考研阅读中的常见句式，具有很强的代表性和可迁移性。

Yet the widespread view is that obesity is self-induced and that it is entirely the individual's responsibility to do something about it.

第1段，第5句

主系表结构加并列表语从句以及形式主语后置是四六级和考研阅读中的高频句式，句子长度和复杂度适中，非常适合作为典型练习句，掌握后可大量复用。

Professor Wilding disagrees that labelling a high proportion of the population as having a disease removes personal responsibility or may overwhelm health services, pointing out that other common diseases, such as high blood pressure and diabetes, require people to take action to manage their condition.

第2段，第1句

本句结构高度典型：主句 + 宾语从句 + 非谓语短语作状语 + 第二个宾语从句，这是学术写作和新闻报道中的常见句式。特别是用非谓语短语引出补充论据的手法，以及用 that 引导宾语从句表达观点的结构，在四六级和考研阅读中频繁出现。掌握这一句式可以帮助学生快速识别类似的长句结构，迁移价值很高。

He suggests that most people with obesity will eventually develop complications.

第2段，第2句

“动词 + that 引导的宾语从句”是非常常见、可大量迁移的句式，像 “suggest” 这种后接内容从句的结构也很有代表性。掌握后能帮助处理大量阅读句子。

"But unless we accept that obesity is a disease, we are not going to be able to tackle it," he concludes.

第2段，第3句

这句话结构不算过分偏怪，但层级清楚、训练点集中，既能练分层找主干，也能练常见时态判断。对结构和时态一起训练来说，优先度较高。

He believes that the dictionary definition of disease "is so vague that we can classify almost anything as a disease" and says the question is not whether we can, but whether we should, and to what end.

第3段，第2句

成分种类丰富，涵盖主语、并列谓语、宾语从句、表语从句、结果状语从句、宾语补足语等。特别是并列谓语各自带宾语从句、宾语从句中又有表语从句并列的结构，以及承前省略的处理，是很好的成分划分练习材料。

If labelling obesity as a disease was harmless then it wouldn't really matter, he writes.

第4段，第1句

这句结构不至于复杂到难以下手，但包含条件关系、情态结果、主系表和后置引述几个高频考点，适合作为结构与时态综合训练材料。

What's more, making obesity a disease "may not benefit patients, but it will benefit healthcare providers and the pharmaceutical(制药的) industry when health insurance and clinical guidelines promote treatment with drugs and surgery," he warns.

第4段，第3句

本句涵盖动名词短语作主语、并列谓语、宾语从句、时间状语从句、后置定语等多种成分；特别是动名词作主语和并列谓语的组合在考试中常见，且引号内宾语从句的划分有助于训练复杂句成分识别能力。

It is now too widespread to be neglected.

第46题，B

"too ... to ..." 结构在四六级和考研阅读中较常出现，掌握后可迁移到同类句型；但本句整体结构过于简单，缺少从句等更复杂的典型考点。

It should be regarded as a genetic disease.

第46题，C

“情态动词加被动谓语”以及“把.....看作.....”都是常见书面表达，迁移性较强。掌握这类句子后，遇到类似的评价、定义类句子也能套用同样的分析路径。

It is difficult to define.

第47题，A

"It is + 形容词 + to do"是英语里非常典型、可大量迁移的句式。掌握后可直接用于识别和理解大量同类句子。

It has much to do with one's genes.

第47题，C

"have ... to do with" 是四六级和考研阅读中常见的固定搭配，简单句的主谓宾结构也是基础句型。虽然结构本身较简单，但这种固定搭配的识别在考试中有一定代表性，掌握后可迁移到类似表达。

It results from a lack of self-control.

第47题，D

这种"主语 + 谓语 + 介词短语"的基础说明句非常常见，阅读中经常出现。掌握这种基础骨架有较强迁移性。

Why are some people opposed to labelling obesity as a disease?

第48题 题干

特殊疑问句 + 主系表结构是非常常见的基本句式。再加上 "be opposed to" 这类常见搭配，迁移价值较高。

It is too inclusive and thus lacks clarity.

第49题，B

并列谓语结构在考试中较为常见，特别是用 "and" 连接两个性质描述的句式，具有一定代表性，学生掌握后可迁移到类似句型，但相比含有从句的复杂句，典型性略低

真题卷第2套(2021-12) · 四级

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 Nationwide, only about three percent of early childhood teachers are male in the U.S. Experts say this can have an impact on young children whose understanding of gender roles and identity are rapidly forming. Research has found that having access to diverse teachers is beneficial for children. For the youngest learners, it means they are more likely to get exposed to different varieties of play and communication. It also helps them develop healthy ideas around gender.

在美国,只有大约3%的幼儿教师是男性。专家表示,这对性别角色和身份认知正在迅速形成的幼儿产生影响。研究发现,接触多元化的教师对儿童是有益的。对于年龄最小的学习者来说,这意味着他们更有可能接触到不同类型的游戏和交流方式。这也有助于他们形成关于性别健康观念。

P2 "In our world and our society, we have very specific stereotypes(模式化形象) of gender roles," said Mindi Reich-Shapiro, an assistant professor in the teacher education department of the Borough of Manhattan Community College, and one of the authors of a recent study. "It's important for children to see other possibilities and other paths they can take."

曼哈顿社区学院教师教育系助理教授、近期一项研究的作者之一Mindi Reich-Shapiro说:"在我们的世界和社会中,我们对性别角色有非常具体的模式化形象。让儿童看到其他可能性和他们可以选择的其他道路是很重要的。"

P3 Despite mostly feeling supported by colleagues and family members, many of the male educators surveyed in the study reported facing social or cultural resistance in their careers as early education

teachers. Some also reported that there were parents surprised or concerned that their child had a male teacher. And they had been advised by colleagues or other staff not to hug children.

尽管大多数人感到得到了同事和家庭成员的支持,但研究中接受调查的许多男性教育工作者报告说,在从事幼儿教师职业生涯中面临社会或文化阻力。一些人还报告说,有家长对他们的孩子有男性教师感到惊讶或担忧。他们还被同事或其他员工建议不要拥抱儿童。

P4 Reich-Shapiro and fellow researchers made several recommendations to increase male representation in the field. Low pay has long been acknowledged as a major issue in the early childhood field. Over 70% of male educators who said they intended to stay in the early education workforce noted an increased salary was a major motivating factor for them to commit to the career long-term. The report suggests paying all early childhood educators the way elementary school teachers are paid.

Reich-Shapiro和其他研究人员提出了几项建议,以增加该领域的男性比例。低薪酬长期以来一直被认为是幼儿教育领域的一个主要问题。超过70%表示打算留在幼儿教育工作岗位的男性教育工作者指出,增加工资是促使他们长期从事该职业的主要激励因素。该报告建议按照小学教师的薪酬标准支付所有幼儿教育工作者的工资。

P5 Cities and programs should establish support groups for male early childhood educators and provide mentoring and professional development advice for male educators and their program leaders.

城市和项目应该为男性幼儿教育工作者建立支持小组,并为男性教育工作者及其项目负责人提供指导和专业发展建议。

P6 The authors also suggest that traditional recruitment approaches for early childhood educators "do not address the gender gap in the field." They recommend providing young men opportunities to work with children through training and volunteer programs, targeting groups of men who are considering a career change, such as fathers.

作者还建议,幼儿教育工作者的传统招聘方法"没有解决该领域的性别差距问题"。他们建议通过培训和志愿者项目为年轻男性提供与儿童一起工作的机会,针对正在考虑职业转换的男性群体,如父亲们。

题目与逐题解析

51. What do we learn from the first paragraph about early childhood education in the U.S.?

- A) It helps raise children's awareness of gender roles.
- B) It exposes children to different ways of interaction.
- C) It is negatively impacted by a lack of male teachers.
- D) It clearly aims to form children's identity through play.

从第一段关于美国幼儿教育的内容中我们了解到什么?

- A) 它有助于提高儿童对性别角色的认识。 B) 它让儿童接触到不同的互动方式。
- C) 它因缺乏男性教师而受到负面影响。 D) 它明确旨在通过游戏形成儿童的身份认同。

【答案】 C (细节题)

【判型】 What do we learn from the first paragraph about early childhood education in the U.S.?是典型的「从某段我们了解到什么」句式,要的是段内已写明的客观信息,而非推断或主旨。

【拆句】 题干What do we learn from the first paragraph about early childhood education in the U.S.?是个特殊疑问句，主干是 What do we learn from the first paragraph, about early childhood education in the U.S. 是 learn 的话题补足，整体平铺直叙、无陷阱。

【定位】 Nationwide, only about three percent of early childhood teachers are male in the U.S. Experts say this can have an impact on young children whose understanding of gender roles and identity are rapidly forming.

全美范围内，幼教队伍中男性仅约百分之三。专家说这会对处于性别角色与身份认知快速形成期的幼儿产生影响。

【选项】 A) 与原文相反

It helps raise children's awareness of gender roles.说幼教「帮助提升」孩子的性别角色意识，但原文只说男教师缺失「影响」孩子正在形成的性别角色认知，并未说幼教在主动培养这种意识，把「被动塑造期」误读为「主动培养」。

B) 张冠李戴

It exposes children to different ways of interaction.说的是文中「师资多样性」才能带来的好处，原文限定语是having access to diverse teachers，而题干问的是 early childhood education 整体——把条件子句的局部好处当成整体属性，是张冠李戴。

C) ✓ 正确

only about three percent of early childhood teachers are male ↔ a lack of male teachers
this can have an impact on young children ↔ negatively impacted

预判是「男教师缺失带来负面影响」，It is negatively impacted by a lack of male teachers.正好把「缺失」与「负面影响」两块信息都点到了，是定位句的浓缩同义版。

D) 过度推断

It clearly aims to form children's identity through play.说幼教「明确以通过游戏塑造孩子身份为目标」，原文只提到孩子的性别角色与身份处在「快速形成期」，并未说幼教把这当成目标，且 through play 只是different varieties of play and communication里的一部分，被拿来当整体目标。

52. What does Mindi Reich-Shapiro emphasize in her comment on childhood education?

- A) The importance of broadening children's horizons.
- B) The responsibilities of fathers for children's growth.
- C) The urgency of creating teacher education programs.
- D) The role of teachers in motivating children to learn.

Mindi Reich-Shapiro在评论幼儿教育时强调了什么？

- A) 拓宽儿童视野的重要性。
- B) 父亲对儿童成长的责任。
- C) 创建教师教育项目的紧迫性。
- D) 教师在激励儿童学习方面的作用。

【答案】 A (细节题)

【判型】 What does Mindi Reich-Shapiro emphasize in her comment on childhood education?问的是某具体人物在评论中强调的内容，答案就在她说的话里，不是全篇主旨。

【拆句】 题干What does Mindi Reich-Shapiro emphasize in her comment on childhood education?主干是 What does Mindi Reich-Shapiro emphasize, in her comment on childhood education 是状语限定语境，结构清晰、无陷阱。

【定位】 It's important for children to see other possibilities and other paths they can take.

对孩子来说，看到其他可能性、看到他们可以走的其他道路，是很重要的。

【选项】 A) ✓ 正确

see other possibilities and other paths they can take ↔ **broadening children's horizons**

It's important for children ↔ **The importance of**

预判强调「让孩子看到其他可能性」，The importance of broadening children's horizons.正是这句话的抽象浓缩，二者覆盖范围完全重合。

B) 张冠李戴

The responsibilities of fathers for children's growth.说的是父亲的责任，但 Reich-Shapiro 在P2里通篇没提父亲——把同一篇文章后段such as fathers里出现的「父亲」嫁接到她头上，是张冠李戴。

C) 偷换概念

The urgency of creating teacher education programs.谈的是建立教师教育项目的紧迫性，原文里 Reich-Shapiro 只是在the teacher education department任职，但她在P2里强调的是孩子的认知拓展，而非项目建设——利用她的所属系名做诱饵。

D) 过度推断

The role of teachers in motivating children to learn.说的是教师在激励孩子学习中的作用，但原文里 Reich-Shapiro 谈的是让孩子看到不同可能，根本没提到学习动机或激励——把「看到可能」过度推断成「激励学习」。

53. What do we learn about male teachers from their responses in the study?

- A) Some of them find it awkward when hugging children.
- B) They feel pressured to keep up with female colleagues.
- C) They find it hard to meet the expectations of kids' parents.
- D) Many of them feel prejudiced against socially and culturally.

从研究中男性教师的回应我们了解到什么？

- A) 他们中的一些人在拥抱儿童时感到尴尬。 B) 他们感到有压力要跟上女性同事的步伐。
- C) 他们发现很难满足孩子家长的期望。 D) 他们中的许多人感到在社会和文化上受到偏见对待。

【答案】 D (细节题)

【判型】 What do we learn about male teachers from their responses in the study?要的是受访男教师在调查中说了什么，是研究汇报里的显性细节。

【拆句】 题干What do we learn about male teachers from their responses in the study?主干是 What do we learn about male teachers, from their responses in the study 是介词短语状语限定信息来源，整句结构平直、无陷阱。

【定位】 Despite mostly feeling supported by colleagues and family members, many of the male educators surveyed in the study reported facing social or cultural resistance in their careers as early education teachers.

尽管大多数人觉得获得了同事与家人的支持，许多受访男幼教仍然反映在职业中遇到社会或文化层面的阻力。

【选项】 A) 偷换概念

Some of them find it awkward when hugging children.说的是男教师自己觉得拥抱孩子尴尬；原文是they had been advised by colleagues or other staff not to hug children——是同事的建议，不是男教师本人的主观感受。

B) 无中生有

They feel pressured to keep up with female colleagues.说他们感到要「追赶女同事」的压力，但原文从未做男女教师之间的对照，更没说要 keep up with 女同事——属于无中生有。

C) 过度推断

They find it hard to meet the expectations of kids' parents.说男教师「难以达到家长长期期望」，但原文只说有些家长surprised or concerned孩子有男教师，并没说家长对他们提出了某种「期望」，更没说他们「达不到」——是过度推断。

D) ✓ 正确

many of the male educators ↔ **Many of them**
facing social or cultural resistance ↔ **feel prejudiced against socially and culturally**
预判直击「许多男教师感到社会文化层面的不接纳」，Many of them feel prejudiced against socially and culturally.在主体（many of them）、情感（feel prejudiced against）、范围（socially and culturally）三块都完全咬合。

54. What is needed for men to commit to early childhood education?

- A) Higher pay.
- B) Job security.
- C) Social recognition.
- D) Better working conditions.

男性投身幼儿教育需要什么？

A) 更高的薪酬。 B) 工作保障。 C) 社会认可。 D) 更好的工作条件。

【答案】 A （细节题）

【判型】 What is needed for men to commit to early childhood education?问的是文章显性提到的留任条件，答案是原文中具体写出的因素。

【拆句】 题干What is needed for men to commit to early childhood education?主干是 What is needed, for men to commit to early childhood education 是不定式短语作状语表「为了...」，结构简单、无陷阱。

【定位】 Over 70% of male educators who said they intended to stay in the early education workforce noted an increased salary was a major motivating factor for them to commit to the career long-term.

在那些表示打算留在幼教队伍的男教师里，超过百分之七十的人指出涨薪是他们长期投身这一职业的主要动因。

【选项】 A) ✓ 正确

an increased salary ↔ Higher pay

a major motivating factor for them to commit to the career long-term ↔

What is needed for men to commit to early childhood education?

预判明确指向「涨薪」，Higher pay.就是这一信息最直接、最简洁的同义版本，没有附加任何原文未明的内容。

B) 无中生有

Job security.说的是工作稳定性或保障，原文虽提到男教师「打算留下来」，但讲的是个人意愿，并未把「工作保障」作为留下来所需的条件——属于无中生有。

C) 张冠李戴

Social recognition.谈的是社会层面的认可，原文里「社会文化阻力」出现于P3，而第54题的定位段P4谈的是薪资动因——选项把第53题段的话题张冠李戴到第54题。

D) 以偏概全

Better working conditions.说的是更好的工作条件——它是更宽的概念，可能包括薪资也可能不包括；但原文明确把动因点到「涨薪」，并未把笼统的「工作条件」列为动因，选项以偏概全。

55. What do the authors of the study recommend to bridge the gender gap in early childhood education?

- A) Recruiting young men who have a passion for educating young children.
- B) Taking measures to attract prospective male teachers to work in the field.
- C) Persuading prospective fathers to consider a change in their career.
- D) Providing male teachers with more opportunities for advancement.

研究作者建议采取什么措施来缩小幼儿教育中的性别差距？

- A) 招募对幼儿教育有热情的年轻男性。 B) 采取措施吸引有意向的男性教师到该领域工作。
- C) 说服准父亲们考虑改变他们的职业生涯。 D) 为男性教师提供更多晋升机会。

【答案】 B (细节题)

【判型】 What do the authors of the study recommend to bridge the gender gap in early childhood education?问的是作者明文给出的建议，是显性细节而非主旨。

【拆句】 题干What do the authors of the study recommend to bridge the gender gap in early childhood education?主干是 What do the authors of the study recommend, to bridge the gender gap in early childhood education 是不定式短语作状语表目的，结构清晰、无陷阱。

【定位】 They recommend providing young men opportunities to work with children through training and volunteer programs, targeting groups of men who are considering a career change, such as fathers.

他们建议通过培训与志愿项目，给年轻男性提供与儿童一起工作的机会，并把目光投向考虑转行的男性群体，例如父亲们。

【选项】 A) 无中生有

Recruiting young men who have a passion for educating young children.给目标人群加上 a passion for educating young children 的条件，但原文只说面向 young men 与「考虑转行的男性」，并没限定他们要「有热情」——属于无中生有。

B) ✓ 正确

providing young men opportunities to work with children through training and volunteer programs

↔ Taking measures to attract prospective male teachers to work in the field

groups of men who are considering a career change ↔ prospective male teachers

预判强调「采取措施吸引潜在男性入行」，Taking measures to attract prospective male teachers to work in the field.恰好把「动作 (taking measures) + 对象 (prospective male teachers) + 目的 (work in the field)」三块都覆盖到位。

C) 偷换概念

Persuading prospective fathers to consider a change in their career.里 prospective fathers 指「准父亲」，但原文such as fathers指的是「已经是父亲的人」，且原文是把父亲作为「考虑转行的男性」的一个例子，而非要去「说服准父亲转行」——主体身份与动作方向都被偷换。

D) 与原文相反

Providing male teachers with more opportunities for advancement.谈的是给已经在岗的男教师更多晋升机会，但原文P6的建议是「吸引尚未入行的人入行」，并非「给在岗的更多晋升」——动作对象（在岗 vs 未入行）与动作类型（晋升 vs 进入）都与原文相反。

SENTENCE INSIGHTS • 句子精讲

4 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Experts say this can have an impact on young children whose understanding of gender roles and identity are rapidly forming.

第1段，第2句

这句话结构有层次但不过分怪异，既能训练主干定位，又能训练从句嵌套和时态分层判断，适合作为结构与时态综合练习材料。

It also helps them develop healthy ideas around gender.

第1段，第5句

"help sb do sth" 是四六级和考研阅读中的高频句型，宾语补足语结构也是常考点，具有较好的迁移价值。但本句为简单句，缺少从句或并列结构，无法覆盖更复杂的典型考点（如定语从句、状语从句等），代表性中等偏上。

They feel pressured to keep up with female colleagues.

第53题，B

"感官动词 + 宾语补足语 + 不定式状语" 是四六级和考研阅读中常见的句式结构。本句的 "feel pressured to do" 模式具有较强的迁移性，学习者掌握后可应用于类似的 "feel compelled/obliged/forced to do" 等表达，典型性较高。

They find it hard to meet the expectations of kids' parents.

第53题，C

"find it + 形容词 + to do" 是四六级和考研阅读中高频出现的句式，掌握后可大量迁移到 make it possible/difficult、think it necessary 等同类结构，典型性强

2021年12月·第2套英语四级汉译英（段落翻译）·介绍坎儿井这一中国传统水利系统 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2021年12月·第2套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第2套(2021-12) • 四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

坎儿井(Karez)是新疆干旱地区的一种水利系统，由地下渠道将水井连接而成。该系统将春夏季节渗入(seep into)地下的大量雨水及积雪融水收集起来，通过山体的自然坡度引到地面，用于灌溉农田和满足人们的日常用水需求。坎儿井减少了水在地面的蒸发(evaporation)，对地表破坏很小，因而有效地保护了自然资源与生态环境。坎儿井体现了我国人民与自然和谐共存的智慧，是对人类文明的一大贡献。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

Karez is a water conservancy system in the arid areas of Xinjiang, formed by underground channels that connect a series of wells. The system collects large amounts of rainwater and meltwater that seep into the ground in spring and summer, and channels them to the surface through the natural slope of the mountains to irrigate farmland and meet people's daily water needs. Karez reduces the evaporation of water from the ground and causes little damage to the surface, and thus effectively protects natural resources and the ecological environment. It embodies the wisdom of the Chinese people in living in harmony with nature, and is a great contribution to human civilization.

【衔接】第1句到第2句：用 The system 承接 Karez

原文 该系统 就是对前句「坎儿井」的回指，英文里继续用 The system（或 It）承接，避免重复 Karez。这一处把代词/同义指代用好，整段就立刻有了「上下文连接」的感觉，不再像孤立的句子堆。

第2句到第3句：保持主语一致，必要时显化对比

第2句讲坎儿井「做什么」，第3句讲它「带来什么好处」，主语都仍是坎儿井。第3句开头直接用 Karez 重新点名一次主语，避免连用三句 it 让读者跟丢；句末再以 and thus 把「减少蒸发、破坏小」与「保护资源环境」的因果显化出来，让逻辑透出来。

第3句到第4句：用结论副词或直接定调收束

第4句是全段升华，可在句首加 In short / Overall / 不加（直接 Karez embodies...）。如不加连接词，则靠内容本身的「总结陈述」语气收束；如加，则用 In short, Karez embodies... 把「总结意味」明示出来。两种都可，本译稿选择简洁不加，让结尾收得干脆。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

【主旨】介绍坎儿井这一中国传统水利系统

本段是典型的中国文化/科技介绍类说明文，客观陈述新疆坎儿井的构成、工作原理与价值。开篇坎儿井(Karez)是新疆干旱地区的一种水利系统 用「是...一种...」的判定句定调，全文都在以陈述「事实/特征/作用」为主，语体平实、不带感情色彩，宜用学术介绍式的中性英文。

【时态】一般现在时

全文在介绍一种至今仍然存在的事物的构造与功能，属客观事实陈述，不是讲过去发生的事。坎儿井(Karez)是新疆干旱地区的一种水利系统 与 坎儿井体现了我国人民与自然和谐共存的智慧 都是「现在仍成立」的判断，故全篇默认用一般现在时；唯一例外是表「已完成的贡献/已起到的保护作用」时可酌情用现在完成时。

【译法】坎儿井

原文 坎儿井(Karez) 已在括号里给出官方音译 Karez，照搬即可，不要再自造 Kan'erjing 之类。全文反复出现的「坎儿井/该系统/它」一律对应 Karez / the Karez system / it，先后统一。

新疆

新疆干旱地区 中的「新疆」用约定俗成的英文译名 Xinjiang（不加 Province，因其为自治区；为避免行政级别纠缠，写 Xinjiang 或 Xinjiang region 均可，全篇一致）。

渗入

原文 渗入 (seep into) 已直接给出英文对应 seep into，照用即可，不要换成 penetrate / infiltrate 等近义词以免偏离题干提示。

蒸发

原文 蒸发 (evaporation) 已给出对应名词 evaporation，照用；动词形式按需用 evaporate。

人与自然和谐共存

我国人民与自然和谐共存的智慧 是固定文化表达，统一译作 the wisdom of living in harmony with nature (live/coexist in harmony with nature)，全篇只用这一种说法，避免一处 harmony、一处 peace 混用。

人类文明

对人类文明的一大贡献 中「人类文明」统一译作 human civilization（不可数，不加 a/the s），「一大贡献」用 a great / major contribution to。

1. 坎儿井(Karez)是新疆干旱地区的一种水利系统，由地下渠道将水井连接而成。

【主干】Karez is a water system（主语策略：原句主语）

中文 坎儿井(Karez)是新疆干旱地区的一种水利系统 已经给了明确主语「坎儿井」和系动词「是」，直接照搬即可：主语 Karez，谓语 is，表语 a water conservancy / irrigation system。后半句 由地下渠道将水井连接而成 不再另起句，而作为对「系统是怎么构成的」的补充说明挂在主干上。

【降级】用过去分词短语降级后半句

由地下渠道将水井连接而成 是对「系统」如何形成的被动式描述，不要另起一句写 It is connected by...，而是把它降级成过去分词短语 formed by underground channels that connect (a series of) wells 后置作 system 的定语；这样主干 Karez is a water system 就能把「构成方式」一口气挂出去，避免写成两句流水句。

【语法】时态

回指全篇基调，用一般现在时 is。坎儿井现在仍然存在，绝不能写 was。

冠词

「一种水利系统」是首次引入的可数名词单数，前面要加不定冠词 a；「新疆干旱地区」特指那片地理上唯一的区域，用 the arid areas / regions of Xinjiang。

单复数

「水井」在新疆坎儿井系统里不止一口，须用复数 wells；「地下渠道」也通常是多条，用 underground channels 的复数形式。

用词

「水利系统」在四级语域里安全译法是 water conservancy system 或 irrigation system；不要自造 water benefit system 之类的中式英语。

【译文】 Karez is a water conservancy system in the arid areas of Xinjiang, formed by underground channels that connect a series of wells.

2. 该系统将春夏季节渗入 (seep into) 地下的大量雨水及积雪融水收集起来，通过山体的自然坡度引到地面，用于灌溉农田和满足人们的日常用水需求。

【主干】 The system collects... and channels... (主语策略：原句主语)

中文 该系统将春夏季节渗入 (seep into) 地下的大量雨水及积雪融水收集起来 的主语就是「该系统」，谓语是「收集」，宾语是「大量雨水及积雪融水」；后面 通过山体的自然坡度引到地面 共享同一主语，属并列谓语「引导」。所以主干立成 The system collects... and channels/directs... 的并列结构，主语 The system 沿用上一句的指代。

【降级】三层修饰各归各位

本句修饰成分密：① 春夏季节渗入 (seep into) 地下的 修饰「雨水及积雪融水」——压成定语从句 that seep into the ground in spring and summer 后置；② 通过山体的自然坡度 是方式状语——用介词短语 through / by means of the natural slope of the mountains 紧贴谓语 channels；③ 用于灌溉农田和满足人们的日常用水需求 是目的——用不定式 to irrigate farmland and meet people's daily water needs 作目的状语挂在句末。三层各归各位，避免堆成一坨。

【语法】时态

回指基调，全部一般现在时：collects / seep / channels / to irrigate；坎儿井至今仍在这样工作，不能用过去时。

单复数与主谓一致

主语 The system 单数三单，谓语用 collects 和 channels（带 -s）；定语从句 that seep into 的主语是复数的 rainwater and meltwater 概念（雨水 + 积雪融水），seep 用原形不加 -s——主体考生最容易在这里把从句动词跟成主句主语 system 而错写成 seeps。

搭配与用词

「渗入地下」直接照题干提示 seep into the ground；「积雪融水」用 meltwater from snow / snowmelt；「引到地面」用 channel / direct / lead... to the surface；「灌溉农田」固定搭配 irrigate farmland；「日常用水需求」meet people's daily water needs / demand for water。

并列对称

to irrigate farmland and (to) meet people's daily water needs——两个不定式并列要保持形式对称，第二个 to 可省，但动词都得是原形。

【译文】 The system collects large amounts of rainwater and meltwater that seep into the ground in spring and summer, and channels them to the surface through the natural slope of the mountains to irrigate farmland and meet people's daily water needs.

3. 坎儿井减少了水在地面的蒸发 (evaporation), 对地表破坏很小, 因而有效地保护了自然资源与生态环境。

【主干】 Karez reduces evaporation and protects... (主语策略：原句主语)

三个分句共享主语「坎儿井」：坎儿井减少了水在地面的蒸发 (evaporation)、对地表破坏很小、因而有效地保护了自然资源与生态环境。主干立成 Karez reduces..., causes little damage to..., and thus effectively protects... 的三动作并列结构。

【降级】 「对...破坏很小」改成动宾搭配

对地表破坏很小 是中式的「对 X 怎么样」结构，直译成 has very small damage to... 会很别扭。改写成动宾搭配 causes / does little damage to the ground surface; little 本身就是含蓄否定，已含「很小」之意，不用再加 very。原句的「因而」用 and thus 显化因果。

【语法】时态

坎儿井的减蒸发、保护资源是它一直在起的作用，回指全篇基调用一般现在时 reduces / causes / protects；中文里的「了」是体标记不是时态标记，不要被它带去翻成过去时。

主谓一致

主语 Karez 视作单数（指这种系统这个事物），三个并列谓语都用三单形式：reduces、causes、protects。三个全部加 -s，少一个就是硬伤。

用词

「水在地面的蒸发」→ the evaporation of water from the ground / surface evaporation of water；「自然资源与生态环境」直接用 natural resources and the ecological environment, resources 永远复数。

因果连接

「因而」用 and thus / and therefore，不要写成 so（口语化）也不要 because（因果方向相反）。

【译文】 Karez reduces the evaporation of water from the ground and causes little damage to the surface, and thus effectively protects natural resources and the ecological environment.

4. 坎儿井体现了我国人民与自然和谐共存的智慧，是对人类文明的一大贡献。

【主干】 Karez embodies... and is a contribution...（主语策略：原句主语）

中文 坎儿井体现了我国人民与自然和谐共存的智慧 与 是对人类文明的一大贡献 共享主语「坎儿井」，分别给「体现」和「是」两个谓语。主干立成 Karez embodies... and is a great contribution to..., 把两件事用 and 并起来收尾。

【降级】「我国人民与自然和谐共存的智慧」打包成名词短语

我国人民与自然和谐共存的智慧 是带长定语的名词短语，整体作 embodies 的宾语。打包成 the wisdom of the Chinese people in living / coexisting in harmony with nature；用 of + 名词 + in + doing 把双层修饰挂稳，避免写成累赘的定语从句 the wisdom that Chinese people coexist with nature harmoniously。

【语法】时态

总结性陈述坎儿井的价值，至今成立，用一般现在时 embodies / is; 不要用过去时 embodied / was，那会暗示这件事已经过去。

冠词与不可数

wisdom、harmony、civilization 在此都为抽象不可数：the wisdom of... (特指此项智慧故加 the，或不加冠词都安全)、in harmony with nature (固定搭配，不加 a/the)、human civilization (不可数、不加 a 也不加 -s)。

搭配

「与 X 和谐共存」固定搭配 live / coexist in harmony with X; 「对...的贡献」固定搭配 a contribution to (介词永远是 to，不是 for 或 of)。

用词

「我国人民」译成 the Chinese people (people 在「民族」义上视作集合名词，前加 the)，不要写 our country's people 这种中式表达。

【译文】 Karez embodies the wisdom of the Chinese people in living in harmony with nature, and is a great contribution to human civilization.
