四级 · 真题卷第2套 · 2022年12月

Part I

Writing

(30 minutes)

Directions: In this task, you are to write an essay on the importance of developing a healthy lifestyle among college students. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1. A) A free car show.
B) A yearly concert.
C) A sports competition.
D) A pipe band contest.
2. A) Improve the image of Glasgow city.
B) Enrich the local culture of Glasgow.
C) Contribute a lot to the local economy.
D) Entertain people in local communities.

Questions 3 and 4 are based on the news report you have just heard.

3. A) Surprising rise in global sea levels.
B) Dangerous ice melts in Greenland.
C) Changing weather patterns in summer.
D) Record growth of Greenland's ice sheets.
4. A) It began in late May.
B) It lasted three months.
C) It started a month earlier than usual.
D) It ended a month earlier than before.

Questions 5 to 7 are based on the news report you have just heard.

5. A) Bundles of £20 notes kept turning up.
 B) A villager was searching for his lost cash.
 C) Local policemen came across bundles of £20 notes.
 D) A bundle containing thousands of pounds got stolen.
6. A) They give it to charity.
 B) They return it to the finder.
 C) They hand it over to the local government.
 D) They place a notice in The Northern Echo.
7. A) They cooperated well with the police.
 B) They enjoyed a fairly affluent life.
 C) They were puzzled by the mystery.
 D) They had a strong community spirit.

Section B

Directions: *In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 8 to 11 are based on the conversation you have just heard.

- | | |
|--|---|
| 8. A) Excited. | C) Indifferent. |
| B) Delighted. | D) Strange. |
| 9. A) Search for the meaning of their life. | C) Call on their relatives and friends. |
| B) Look back on their years at school. | D) Talk about future plans with friends. |
| 10. A) He prefers to have them shown on social media. | C) He enjoys celebrating others' birthdays rather than his own. |
| B) He loves them but does not want to make a fuss. | D) He looks forward to receiving presents from his close friends. |
| 11. A) Hold it on a modest scale to remove birthday anxieties. | C) Extend invitation to those he trusts most. |
| B) View it as a chance for people to socialize and have fun. | D) Make it an occasion to collect donations. |

Questions 12 to 15 are based on the conversation you have just heard.

- | | |
|---------------------------------------|--|
| 12. A) It was absolutely exhausting. | C) There was too long a delay. |
| B) There was a terrible smell. | D) She got off at the wrong station. |
| 13. A) She hasn't saved enough money. | C) She hasn't passed the driving test yet. |
| B) She is worried about traffic jams. | D) She is used to taking public transport. |

14. A) They are popular.
B) They are dangerous.
C) They are a bit expensive for her.
D) They are environmentally friendly.
15. A) By bus.
B) By jogging.
C) By renting a bike.
D) By sharing a ride.

Section C

Directions: *In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on Answer Sheet 1 with a single line through the centre.*

Questions 16 to 18 are based on the passage you have just heard.

16. A) He is a sign language interpreter.
B) He is a deaf person working in IT.
C) He doesn't like speaking at meetings.
D) He doesn't use email or text messages.
17. A) Improved communication skills.
B) Speech recognition technology.
C) Big advances in sign language.
D) Transformation in the IT industry.
18. A) He can avoid being mistaken.
B) He can take notes on the spot.
C) He can understand with ease.
D) He can see the speakers' images.

Questions 19 to 21 are based on the passage you have just heard.

19. A) To find pure white walls shining.
B) To enter a house well looked after.
C) To get a hug from family members.
D) To see cheerful colours all around.
20. A) Choosing a colour because it is fashionable.
B) Painting the interior of their cupboards.
C) Doing the painting job all by themselves.
D) Designing all window frames the same way.
21. A) Fit most of the cupboards into walls.
B) Hang landscape paintings all around.
C) Match the room's ceiling with all the furniture in colour.
D) Paint the wooden frameworks and walls the same colour.

Questions 22 to 25 are based on the passage you have just heard.

22. A) Children must read at least 3 times a week.
B) Reading is a habit every child can develop.
C) Reading to their children is important.
D) Children should start reading at age 3.
23. A) The number of books they have read by age four.
B) The speed of their brain development in infancy.
C) The number and quality of books parents read to them in infancy.
D) The quality and quantity of time parents spend playing with them.
24. A) Books with specifically labeled images.
B) Books with pictures of dolls and toys.
C) Books describing the lives of animals.
D) Books telling very interesting stories.
25. A) Read as many books as possible to their children.
B) Choose carefully what to read to their children.
C) Share experience with other parents.
D) Create picture books for their children.

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Parenting brings fathers more joy than it does mothers, according to a new study. The research examined three studies 26 more than 18,000 participants. Across all three, parenthood was 27 with more positive wellbeing outcomes for dads than for mums.

So why are fathers happier than mothers? "Fathers may fare better than mothers in part due to how they spend time with their children," said lead author Katherine Nelson-Coffey. In one study, the authors 28 that dads were more likely to take "playing" as an 29 activity both when caring for their kids and spending time with their kids. "Playing with their children likely offers parents opportunities to experience positive feelings and 30 closeness with their children," they say.

Fathers also did better than men without kids, reporting greater happiness, life satisfaction, and fewer 31 symptoms. They also reported greater connectedness and autonomy(自主). For mums, 32, compared to women without children, the results weren't quite as positive. Mums reported greater autonomy, but also "greater trouble" and fewer positive 33.

Mums reported happier moods while interacting with their kids, compared to other experiences, but not while engaging 34 in childcare. "This difference suggests that how mothers and fathers spend time with

their children might have important 35 for their wellbeing," the authors write. They suspect that mums may be less happy than dads because they're more likely to have higher expectations about parenthood. As such, they're more likely to be "let down" by the experience.

- | | |
|---------------|-----------------|
| A) additional | I) implications |
| B) associated | J) interfered |
| C) composing | K) involving |
| D) cultivate | L) note |
| E) depressive | M) precisely |
| F) directly | N) superficial |
| G) emotions | O) therefore |
| H) however | |

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

Learning to say no

- A) Not doing something will always be faster than doing it. This philosophy applies in many areas of life. For example, there is no meeting that goes faster than not having a meeting at all. This is not to say you should never attend another meeting, but the truth is that we say "yes" to too many things we don't actually want to do.
- B) How often do people ask you to do something and you just reply, "Sure." Three days later, you're overwhelmed by how much is on your to-do list. We become frustrated by our obligations even though we were the ones who said "yes" to them in the first place. Even worse, people will occasionally fight to do things that waste time. You don't have to do something just because it exists. It's worth asking if things are necessary. Many of them are not, and a simple "no" will be more productive than whatever work the most efficient person can cope with. But if the benefits of saying "no" are so obvious, then why do we say "yes" so often?
- C) We say "yes" to many requests not because we want to do them, but because we don't want to be seen as rude or unhelpful. Often, we have to consider saying "no" to someone we will interact with again in the future—our co-worker, our spouse, our family and friends. Saying "no" to our superiors at work can be particularly difficult. In these situations, I like the approach recommended in *Essentialism* by Greg McKeown. He writes, "Remind your superiors what you would be neglecting if you said 'yes' and force them to deal with the trade-off. For example, if your manager comes to you and asks you to do X, you can respond with 'Yes, I'm happy to make this the priority. Which of these other projects should I deprioritize to pay attention to this new project?'"
- D) Collaborating with others is an important element of life. The thought of straining the relationship outweighs the commitment of our time and energy. For this reason, it can be helpful to be gracious in your response. Do whatever favors you can, and be warm-hearted and direct when you have to say no. But even after we have accounted for these social considerations, many of us still seem to do a poor job of managing the

trade-off between yes and no. We find ourselves over-committed to things that don't meaningfully improve or support those around us, and certainly don't improve our own lives.

- E) Perhaps one issue is how we think about the meaning of yes and no. The words "yes" and "no" get so often used in comparison with each other that it feels like they carry equal weight in conversation. In reality, they're not just opposite in meaning, but of entirely different magnitudes in commitment. When you say "no", you're only saying "no" to one option. When you say "yes", you're saying "no" to every other option. I like how economist Tim Harford put it, "Every time we say 'yes' to a request, we're also saying 'no' to anything else we might accomplish with the time?" Once you're committed to something, you've already decided how that future block of time will be spent. In other words, saying "no" saves you time in the future. Saying "yes" costs you time in the future. "No" is a form of time credit. You retain the ability to spend your future time however you want. "Yes" is a form of time debt. You have to pay back your commitment at some point.
- F) "No" is a decision. "Yes" is a responsibility. Saying "no" is sometimes seen as a luxury that only those in power can afford. And it's true: turning down opportunities is easier when you can fall back on the safety net provided by power, money, and authority. But it's also true that saying "no" is not merely a privilege reserved for the successful. It's also a strategy that can help you become successful. Saying "no" is an important skill to develop at any stage of your career because it retains the most important asset in life: your time. As investor Pedro Sorrentino put it, "If you don't guard your time, people will steal it from you." You need to say "no" to whatever isn't leading you toward your goals.
- G) Nobody embodied this idea better than Steve Jobs, who said, "People think focus means saying 'yes' to the thing you've got to focus on. But that's not what it means at all. It means saying 'no' to the hundred other good ideas that there are. You have to pick carefully." Jobs had another great quote about saying "no": "I'm actually as proud of the things we haven't done as the things I have done. Innovation is saying 'no' to 1,000 things."
- H) Over time, as you continue to improve and succeed, your strategy needs to change. The opportunity cost of your time increases as you become more successful. At first, you just eliminate the obvious distractions and explore the rest. As your skills improve and you learn to separate what works from what doesn't, you have to continually increase your threshold for saying "yes". You still need to say "no" to distractions, but you also need to learn to say "no" to opportunities that were previously good uses of time, so you can make space for better uses of time. It's a good problem to have, but it can be a tough skill to master.
- I) What is true about health is also true about productivity: an ounce of prevention is worth a pound of cure. More effort is wasted doing things that don't matter than is wasted doing things inefficiently. And if that is the case, elimination is a more useful skill than optimization. I'm reminded of the famous Peter Drucker quote, "There is nothing so useless as doing efficiently that which should not be done at all."
36. People often grant a request just because they want to appear polite and helpful.
37. It's no easy job learning to say "no" to opportunities that were once considered worth grasping.
38. When you decline a request, you are saving your future time.
39. People sometimes struggle to do things that are simply a waste of time.
40. Doing efficiently what is not worth doing is the most useless effort.

41. It is especially difficult for people to decline to do what their superiors ask them to do.
42. People agree to do too many things they are in fact unwilling to do.
43. According to one famous entrepreneur, innovation means refusal to do an enormous number of things.
44. It is an essential aspect of life to cooperate with other people.
45. Refusing a request is sometimes seen as a privilege not enjoyed by ordinary people.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

We're eating more fish than ever these days. At around 20 kilograms per person global fish consumption is now more than twice what it was in the 1960s. What's really remarkable, though, is where that fish comes from.

For the first time in human history, most of our aquatic(水产的) food now comes from farming rather than fishing.

People ate around 73 million tonnes of farmed fish—just more than half of the volume of fish that humans consumed—in 2014. That's out of a total fish supply of 167 million tonnes; the remaining 20 million or so tonnes go into things like animal feed and medical products.

To keep eating fish at the current rate, we're definitely going to need to keep aquaculture(水产养殖) developing. That's because the volume of fish caught in the wild has leveled off since the 1990s.

Back in 1974, only 10% of marine fish stocks had been overfished. Now, more than three-tenths are. Only a tenth of our oceans' fish stocks could sustain heavier fishing than current levels.

But while catchings at sea have suffered, fish-farming has been growing at a fast rate. A lot of that is coming from China, which produces 60% of the world's farmed fish. In fact, some 35 countries, including China, now produce more farmed than wild-caught fish.

This shift toward aquaculture isn't just good for ensuring salmon(三文鱼) on your plate; it's also crucial to ensuring food security and sustainability. By 2050, the world will need to feed an estimated 9.7 billion people. They'll have to get their protein somewhere. However, raising cattle, pigs, and other land-based animals requires vast sums of grain and water. For example, pound for pound, beef requires 15 times more feed to raise than carp, a freshwater fish farmed all over Asia. That grain—and the water needed to grow it—could be consumed by people instead.

However, aquaculture is no silver bullet. In some southeast Asian countries, shrimp farming does disastrous damage to marine ecosystems. Despite these problems, however, shrimp continues to be among the most popular sea foods worldwide.

46. What does the author say is remarkable about the fish we eat?
- A) They reproduce quickly.
 - B) They are mostly farmed.
 - C) They have become as important as grain.
 - D) They have a longer history than humans.
47. What do we need to do if we keep consuming fish at the current rate?
- A) Increase the fishing volume considerably.
 - B) Develop more advanced fishing technology.
 - C) Enlarge the marine fish stocks effectively.
 - D) Expand the scale of fish-farming continuously.
48. What does the author say about China in terms of aquatic food?
- A) It places increasing emphasis on fishing now.
 - B) It boasts of the world's largest fishing stocks.
 - C) It raises more fish than caught from the wild.
 - D) It supplies 60% of the world's fish products.
49. Why does the author say aquaculture is so important these days?
- A) It is a must for feeding the world's fast-growing population.
 - B) It proves a reliable source of protein for humans and animals
 - C) It is essential to maintaining both mental and physical health.
 - D) It ensures a balanced healthy diet for people the world over.
50. What does the author imply by saying aquaculture is no silver bullet?
- A) Shrimp-farming is a risky business.
 - B) Fish-farming will not be sustainable.
 - C) Fish-farming may cause serious problems too.
 - D) Shrimp-farming can become quite expensive.

Passage Two

Questions 51 to 55 are based on the following passage.

In 2020, the Nobel Peace Prize was awarded to the World Food Programme (WFP).

Why a Nobel Prize for the WFP, and why now? In 2019, the WFP assisted nearly 100 million people in 88 countries. It is the safety net for those who fall off the edge of existence. It is a response to solving the problem of food instability. Its Nobel Prize reminds us all of the moral hazard in imagining that the poor and vulnerable are somebody else's problem.

The WFP has been around since 1961 and has been the global coordinator of nationally based efforts to avoid disasters with food aid. Despite decades of effort to eliminate hunger, the latest estimate is that about 11% of people on the planet (about 820 million people) are suffering daily undernourishment. Progress at reducing undernourishment has stopped despite gains through the 1990s and 2000s.

Developed countries sometimes offer food and aid to developing ones, but at a price. One American philosopher stated that addressing the needs of the poor and vulnerable is about more than money—it is mostly about creating conditions under which prosperity and opportunity can thrive. When aid is offered with heavy conditions attached, like loan repayment or food for resources, it often widens the gap between rich and poor and sustains the old world order. This is why the work of the WFP is so vital.

The scientific community, however, can provide a helping hand to the WFP. By sharing knowledge of agriculture and climate with peers in countries most vulnerable to poverty and hunger, scientists can help reduce these problems. By making its voice heard, science can lead by example. The ability to overcome food shortages that must be built into some of the poorest countries will not come from loans from wealthy countries, which may have food problems of their own, or world economic institutions. This ability will be built upon self-confident people using open and shared scientific knowledge to pull themselves out of their misery.

51. What does the WFP's winning of the Nobel Peace Prize make us realize?

- A) More and more people in the world are suffering from starvation.
- B) All of us can be affected by food instability one way or another.
- C) It is hazardous to leave millions of people poor and vulnerable.
- D) It is morally wrong to think helping the poor is not our business.

52. What do we learn about the WFP's effort to eliminate hunger?

- A) It has ensured a sufficient food supply to millions.
- B) It is still far from its goal despite the progress made.
- C) It has done a good job in combating natural disasters.
- D) It is preventing starvation occurring on a global scale.

53. What will happen when food aid is offered at a price?

- A) The rich will become richer and the poor poorer.
- B) More people will be willing to join in the effort.
- C) More food will be made available to the needy.
- D) The relief effort will be rendered less sustainable.

54. How can scientists help cope with poverty and hunger?

- A) By collaborating closely with world economic institutions.
- B) By sharing expertise with peers in poverty-stricken nations.
- C) By setting up more food research programs in developing countries.
- D) By building self-respect in people suffering from undernutrition.

55. What message does the author try to convey at the end of the passage?

- A) Wealthy nations should solve their own food problems first.
- B) Rich countries should be more generous in providing food aid.
- C) Poor nations should enhance their own ability to solve their food shortages.
- D) World economic institutions should play a bigger role in fighting hunger.

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

立春 (Start of Spring)在中国农历中表示春天的开始。立春之后， 白天变得更长，天气也愈发温暖，万物开始复苏，大地充满生机。人们常说"一年之计在于春"，农民在这个时节开始播种，为全年的丰收打下基础。中国人早在三千年前就已开始在立春这一天举行庆祝活动。数百年来，迎春一直是民间的重要习俗。在春暖花开的日子里，人们常常外出游玩，欣赏春天的美景。

2022年12月·第2套英语四级写作·题目、范文与解析

PROMPT & MODEL ESSAY • 写作题和范文

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2022年12月·第2套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第2套(2022-12) • 四级

Part I

Directions: *In this task, you are to write an essay on the importance of developing a healthy lifestyle among college students. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

【参考范文·155词】 写作无唯一标准答案，以下为达标示范

A healthy lifestyle plays a vital role in the life of every college student. As campus life grows busier with assignments and screens, I firmly believe that keeping fit, eating well and sleeping regularly is not a trivial habit but the very foundation of a successful university experience.

For one thing, a sound body directly boosts learning efficiency. A student who stays up all night rushing a due date and lives on takeout will struggle to concentrate the next morning, while regular exercise and balanced meals keep the mind sharp in class. For another, a healthy routine stabilizes our emotions. Sitting still for hours breeds anxiety, whereas a short run often washes away the pressure of exams and eases loneliness far from home.

In conclusion, a healthy lifestyle is not optional but essential for college students. The sooner we build it, the more energy and confidence we will carry into our studies and future lives.

【参考译文】

健康的生活方式在每一位大学生的生活中都起着至关重要的作用。随着课业与屏幕让校园生活越来越忙，我坚信保持锻炼、好好吃饭、规律睡眠并非无关紧要的小习惯，而是成功大学生活的根基。

一方面，健康的身体直接提升学习效率。一个通宵赶due、靠外卖度日的学生第二天很难集中注意力，而规律的锻炼和均衡的饮食能让人上课时头脑清醒。另一方面，健康的作息能稳定我们的情绪。久坐数小时会滋生焦虑，而一次短跑往往能冲走考试的压力、缓解远离家乡的孤独。

总之，健康的生活方式对大学生而言不是可选项，而是必需品。我们越早养成它，就能带着越多的精力与自信投入学业和未来的人生。

【第 1 段】观点前置立中心。首句 A healthy lifestyle plays a vital role 直接落实「亮明重要性观点」句架，观点前置；第二句用 not a trivial habit but the very foundation 抬高立场，完成 outline 的「开门见山亮立场」功能。

【第 2 段】两理由各配场景。用 For one thing / For another 领起效率与情绪两个分论点，各配 stays up all night rushing a due date、lives on takeout、Sitting still for hours 等大学生场景，并用 while / whereas 做对比，落实「理由加场景例证」，论证不空。

【第 3 段】重申加升华收束。In conclusion 换词重申 not optional but essential，再用 The sooner we build it, the more ... 升华成呼吁，落实「重申升华呼吁」功能，结尾不烂尾。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

论证健康生活方式对大学生的重要性

任务动词是 essay，限定语是 write an essay on the importance of developing a healthy lifestyle among college students。核心不是介绍怎么保持健康，而是论证「为什么它对大学生这一群体重要」——题眼是 importance 与 college students，全文的每个理由都要回答「为什么重要」，而不是罗列做法。

读者 • 语域

写给阅卷人的正式书面语

本题是纯议论 essay，没有具体收信人，读者就是阅卷老师。因此用面向阅卷人的正式书面语即可：不用书信称呼、不用口语缩写堆砌，观点鲜明、句式规整。无需强加身份或署名，把力气花在论证清晰上。

中心立意

健康生活方式是大学成功的根基

中心论点：对大学生而言，健康的生活方式不是可有可无的习惯，而是学业与成长的根基。它直接呼应题眼 the importance of developing a healthy lifestyle，且把落点钉在「大学生」这一主体上，立场旗帜鲜明。

要展开的要点

1. 健康身体提升学习效率

第一个理由——身体状态直接决定学习效率。对着 college students 追问「为什么重要」，最贴身的回答就是：睡好吃好、坚持锻炼的人上课更专注，学习产出更高。

2. 规律作息稳定情绪心理

第二个理由——健康作息稳住情绪与心理。久坐不动、外卖度日容易焦虑，而规律运动能缓解考试压力与离家孤独感，这是大学生活里可感的真实收益。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文一一对应。

第 1 段 开门见山亮立场

首段直接抛出中心论点：健康生活方式对大学生至关重要，是学业成功的根基，让阅卷人第一眼抓到观点。

第 2 段 两理由配例证展开

主体段用 For one thing / For another 领起两个分论点，各配一个大学生场景细节做论据，正面论证「为什么重要」。

第 3 段 重申升华呼吁

尾段重申立场并升华：越早养成越受益，把论证收束成一句有力的呼吁。

第 1 段 健康生活方式是大学成功的根基

落点：先一句 A healthy lifestyle plays a vital role 亮明对 college students 至关重要，再用「课业与屏幕让校园生活越来越忙」做背景，收到「它不是小习惯而是根基」这一立场。

亮明重要性观点 · ____ plays a vital role in _____. (把「健康生活方式」填主语、「大学生的成长/学业」填对象，一句话钉住重要性)

背景铺垫引出 · As ____ grows busier with ____, I firmly believe that ____ is not merely ____ but the foundation of _____. (前半填校园背景，后半用「不是.....而是.....」抬高立场)

第 2 段 效率与情绪两个理由落地

落点：理由一「健康身体提升学习效率」，配「熬夜赶 due、靠外卖度日的人第二天难以专注」做反例；理由二「规律作息稳定情绪」，配「久坐生焦虑、短跑缓解考试压力与离家孤独」做对比，都紧扣 developing a healthy lifestyle among college students。

并列引出理由 · For one thing, _____. For another, _____. (两句分别领起两个分论点，结构清爽)

对比式举例 · A student who ____ will ____, while ____ keep(s) _____. (前半写不健康的后果，while 后写健康的好处，形成对比论证)

让步转折加层次 · ____, whereas _____. (用 whereas 把负面情形与正面收益对照，增加论证层次)

第3段 重申根基地位并呼吁尽早养成

落点：先重申「健康生活方式对大学生不是可选项而是必需」，再升华「越早养成，就能带更多精力与自信进入学业和未来」，回扣中心、发出呼吁。

收束重申立场 · In conclusion, ____ is not optional but essential for _____. (换词重申，避免与首段重复)

递进式升华呼吁 · The sooner we ____, the more ____ we will _____. (用「越早……越……」把观点推向行动号召)

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

紧扣重要性 with 大学生

本题最易失分处是写成「怎么保持健康」的做法清单，忽略题眼。范文两个理由都在答「为什么重要」，且都锚定 college students，切题过关。

结构连贯

三段清晰衔接自然

本题达标要点是三段各司其职、主体段用并列与对比连接词过渡。易失分处是通篇一段或段落功能混乱，务必让阅卷人一眼看清结构。

语言准确

搭配地道句式有层次

本题可用 plays a vital role in、not ... but ...、while / whereas 等提升表达；易失分处是中式英语逐字直译，宁可句子简单也别写错。

字数格式

落在硬性区间内

本题硬约束 You should write at least 120 words but no more than 180 words，既不能写成两段太短，也不能堆例超上限。自查时数一遍词数、确认三段齐全即可。

空喊口号无例证

反面示例：We should keep healthy. Health is very important. We should do sports and sleep well. (三句都是口号、没有一个理由和例证)。改成：A student who stays up all night rushing a due date will struggle to concentrate the next morning. (用具体场景证明健康为何重要)。

写成做法清单跑题

反面示例：First, go to bed early. Second, eat more vegetables. Third, exercise every day. (纯做法清单，避开了题眼 importance)。改成：A healthy routine boosts learning efficiency and eases anxiety, which is why it matters so much to college students. (落到「为什么重要」)。

开篇不表态埋观点

反面示例：Nowadays, many things are changing in our life, and people talk about many topics every day. (绕圈子、迟迟不表态)。改成：A healthy lifestyle is essential for every college student. (首句就把立场亮出来)。

同义反复注水超标

反面示例：Health is important. A healthy life is important. Being healthy is really very important for us. (三句同义反复凑字数)。改成：A healthy lifestyle is important because it keeps our body strong and our mind focused. (一句说清、给出原因)。

2022年12月·第2套 英语四级听力真题原文与答案解析

PAPER & KEY • 听力题和解析

听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2022年12月·第2套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第2套(2022-12) • 四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1 The World Pipe Band Championships will take place in Glasgow on Saturday.

世界风笛乐队锦标赛将于周六在格拉斯哥举行。

2 Over 120 of the world's best pipe bands will compete at the championships. Over 4,000 pipers and drummers are expected to descend on the city for the annual event.

超过120支世界顶尖风笛乐队将参加锦标赛。预计超过4000名风笛手和鼓手将涌入该市参加这一年度盛事。

3 It will take place at the St. James Playing Fields in Glasgow on Saturday, 18 May from 10:00 am until 7:00 pm. The event is free. Also, a free shuttle bus will run between the event car parks and the competition site. Shuttle buses will run every 15 minutes from 8:00 am until 8:00 pm.

比赛将于5月18日周六上午10点至晚上7点在格拉斯哥的St. James运动场举行。该活动免费入场。此外,将有免费班车往返于活动停车场和比赛场地之间。班车从上午8点至晚上8点每15分钟一班。

4 Glasgow City Council says it is estimated to bring £300,000 to the local economy.

格拉斯哥市议会表示,预计该活动将为当地经济带来30万英镑的收益。

5 The first World Pipe Band Championships were held in Edinburgh in 1947. The event first took place in Glasgow in 1948. It has been held regularly in Glasgow since 1986.

首届世界风笛乐队锦标赛于1947年在爱丁堡举行。该活动于1948年首次在格拉斯哥举办。自1986年以来一直定期在格拉斯哥举行。

1. A) A free car show.
B) A yearly concert.
C) A sports competition.
D) A pipe band contest.

【题目】 What event will take place in Glasgow?

【翻译】 什么活动将在格拉斯哥举行?

A) 一场免费车展。 B) 一场年度音乐会。 C) 一场体育比赛。 D) 一场风笛乐队比赛。

【答案】 D (细节题) A pipe band contest.

【定位】 The World Pipe Band Championships will take place in Glasgow on Saturday.

「世界风笛乐队锦标赛」将于周六在格拉斯哥举行。

【信号】 开篇点题句。新闻首句 The World Pipe Band Championships will take place in Glasgow on Saturday. 与题干 What event will take place in Glasgow? 在结构上几乎一一对应(will take place in Glasgow 完全相同), 这就是新闻「导语 = 答案」的强信号。

【替换】 The World Pipe Band Championships ↔ A pipe band contest
championships 同义替换为 contest

【排除】 A) 原词陷阱

录音通篇没出现任何 car show、汽车相关表述, A free car show. 属凭空想象。它唯一沾边的是 free 这个词——录音里 The event is free. 确实说了 free, 于是把「免费」错按到「车展」上, 是典型的把原词嫁接到错对象。

借用原文: The event is free.

B) 原词陷阱

录音说的是 the annual event, annual 与选项里的 yearly 同义, 但核心活动是 pipe band championships, 不是 concert(音乐会)。yearly 这个原义被偷出来盖到一个录音从未提到的 concert 上。

借用原文: the annual event

C) 偷换概念

A sports competition. 中 competition 与 D 项的 contest 几乎同义——录音里的 Championships 翻译成 competition 也讲得通, 但风笛比赛属于音乐文化赛事, 不是体育(sports)赛事。把 sports 这一定语换成 pipe band 才对。

借用原文: Over 120 of the world's best pipe bands will compete at the championships.

2. A) Improve the image of Glasgow city.
B) Enrich the local culture of Glasgow.
C) Contribute a lot to the local economy.
D) Entertain people in local communities.

【题目】 What does Glasgow City Council say the event will do?

【翻译】 格拉斯哥市议会说这个活动将会做什么？

- A) 改善格拉斯哥市的形象。 B) 丰富格拉斯哥的当地文化。
C) 为当地经济做出很大贡献。 D) 娱乐当地社区的人们。

【答案】 C (细节题) Contribute a lot to the local economy.

【定位】 Glasgow City Council says it is estimated to bring £300,000 to the local economy.

格拉斯哥市议会表示，预计本次活动将为当地经济带来 30 万英镑的收入。

【信号】 题干主语 + 金额词同时命中。原文 Glasgow City Council says it is estimated to bring £300,000 to the local economy. 与题干 What does Glasgow City Council say the event will do? 在「Glasgow City Council says」上几乎逐字对接，再叠加金额 £300,000，是双重答案信号。

【替换】 bring £300,000 to the local economy ↔ Contribute a lot to the local economy.

bring 金额 = contribute a lot

【排除】 A) 未提及

录音通篇无 image / reputation 等谈论城市形象的字眼。它和 C 在「为城市好」的方向上同方向，容易让考生「感觉对」，但题目问的是 Council 实际说了什么，没说就是没说。

B) 张冠李戴

录音里 The first World Pipe Band Championships were held in Edinburgh in 1947. 等句确实交代了赛事历史，乍听有文化色彩，但「丰富格拉斯哥本地文化」(Enrich the local culture of Glasgow.) 这一定性并不是 Glasgow City Council 给的，更不是题干所问。

借用原文：It has been held regularly in Glasgow since 1986.

D) 过度推断

录音里 Over 4,000 pipers and drummers are expected to descend on the city for the annual event. 说的是有 4000 名风笛手鼓手前来参赛，并未提及「娱乐当地社区居民」。

选项把「热闹场面」这一表象误读成「让 local communities 开心」，方向偏。

借用原文：Over 4,000 pipers and drummers are expected to descend on the city for the annual event.

Questions 3 and 4 are based on the news report you have just heard.

1 Summer doesn't begin for two more days, but scientists are already sounding the alarm about dangerous ice melts going on right now in Greenland.

距离夏季开始还有两天,但科学家们已经对格陵兰岛目前正在发生的危险冰层融化发出警报。

2 The vast island usually locks away enough fresh water in its ice sheet, which if melted can raise global sea levels by six meters. And research shows that in recent years its ice has melted faster than ever before. This month, as temperatures in northwestern Greenland approach all-time highs, researchers are encountering unusual, surprising levels of melting ice in the region.

这座广袤的岛屿通常将足够多的淡水锁在其冰盖中,如果融化可使全球海平面上升六米。研究表明,近年来其冰层融化速度比以往任何时候都快。本月,随着格陵兰岛西北部气温接近历史最高值,研究人员在该地区遇到了异常且令人惊讶的冰层融化水平。

3 The most significant concern here is how early this is all happening. Greenland experiences annual ice melt and growth cycles. But this year, the melting season began in early May. That's a month earlier than normal and something that's happened only once before in the historical record in 2016.

这里最重大的担忧是这一切发生得如此之早。格陵兰岛经历着年度冰层融化和增长周期。但今年,融化季节始于五月初。这比正常情况提前了一个月,而且在历史记录中只在2016年发生过一次。

4 That means that not only is the ice melting very fast, it has more time to melt this summer than it would in a normal climate system. Longer melt seasons like this one seem to lead to much greater contributions to sea-level rise than in previous decades.

这意味着冰层不仅融化得非常快,而且今年夏天它有比正常气候系统中更多的时间融化。像这样更长的融化季节似乎会导致对海平面上升的贡献远大于前几十年。

3. A) Surprising rise in global sea levels.

B) Dangerous ice melts in Greenland.

C) Changing weather patterns in summer.

D) Record growth of Greenland's ice sheets.

【题目】 What is scientists' warning in the news report?

【翻译】 新闻报道中科学家们发出了什么警告?

A) 全球海平面出人意料地上升。 B) 格陵兰岛危险的冰层融化。

C) 夏季天气模式的变化。 D) 格陵兰岛冰盖创纪录的增长。

【答案】 B (主旨题) Dangerous ice melts in Greenland.

【定位】 Summer doesn't begin for two more days, but scientists are already sounding the alarm about dangerous ice melts going on right now in Greenland.

夏天还有两天才开始,但科学家们已经在为格陵兰岛正在发生的危险融冰拉响警报。

【信号】 导语 + 转折 but + sounding the alarm。答案信号有三层叠加:第一,这是新闻第一句(导语,新闻惯例第一句点题);第二,句中 but 是强转折,新闻里 but 之后才是真正要说的事;第三,紧跟 sounding the alarm (拉响警报)正是题干 warning 的同义信号,三者合在一起把答案句钉死在这一句。

【替换】 sounding the alarm ↔ scientists' warning

拉响警报等于发出警告

dangerous ice melts going on right now in Greenland ↔ **Dangerous ice melts in Greenland.**

几乎是原句压缩

【排除】 A) **原词陷阱**

A 借用原文第 2 段 raise global sea levels by six meters 里的 sea levels 做诱饵，但原文那句只是『如果冰盖融化，可能抬升海平面 6 米』，是一个假设性的后果，且 surprising rise in global sea levels 并未在录音中实际宣布，把『潜在后果』当成『已经发生的警告』，属偷换概念。

借用原文：which if melted can raise global sea levels by six meters

C) **未提及**

C 盗用原文里 Summer 与第 3、4 段反复出现的『季节、夏季』语境，把话题悄悄从『冰融』扩大到『夏季天气模式的变化』。整则新闻没有讨论 weather patterns（如降雨、风暴等气象格局），范围被无故放大。

借用原文：Summer doesn't begin for two more days

D) **与原文相反**

D 把录音里 ice melts、ice sheet 这些原词搬过来，但把动作整个反过来说成 record growth of Greenland's ice sheets（『创纪录地增长』），与原文 its ice has melted faster than ever before 方向相反，是典型的『反向』诱饵。

借用原文：its ice has melted faster than ever before

-
4. A) It began in late May.
B) It lasted three months.
C) It started a month earlier than usual.
D) It ended a month earlier than before.

【题目】 What do we learn about this year's ice melting?

【翻译】 关于今年的冰层融化我们了解到什么？

- A) 它始于五月下旬。 B) 它持续了三个月。 C) 它比往常提前一个月开始。
D) 它比以前提前一个月结束。

【答案】 **C**（细节题） It started a month earlier than usual.

【定位】 But this year, the melting season began in early May. That's a month earlier than normal and something that's happened only once before in the historical record in 2016.

但今年，融冰季在 5 月初就开始了。这比往年提前了一个月，是历史上仅在 2016 年出现过一次的情况。

【信号】 **转折 But this year 加时间反常。** 信号有两层：第一，But this year 是强转折，前面在讲『通常的融冰周期』，But 一拐就来到『今年反常』的落点；第二，紧跟出现的 a month earlier than normal 与题干 this year 严丝合缝，正是答案承载句。

【替换】 the melting season began in early May ↔ **It started a month earlier than usual.**

began 对应 started

a month earlier than normal ↔ **a month earlier than usual**

than normal 等于 than usual

【排除】 A) **原词陷阱**

A 借用原文 began in early May 里的 May 做诱饵，但把 early May (5 月初) 偷换成 late May (5 月底)；只要听清 early 与 late 这一字之差，就能识破。

借用原文：the melting season began in early May

B) **未提及**

B 项 It lasted three months. 在录音中完全没有出现『三个月』或任何与 three months 对应的时长表述，是利用考生听到 Longer melt seasons 就想去补一个具体时长的心理凭空捏造的数字。

D) **与原文相反**

D 与正确项 C 只差一个动词：started 变 ended。原文清清楚楚说的是融冰季『开始』提前一个月 (began in early May)，而非『结束』提前一个月；D 把动作整个反向，是典型的『开始或结束』互换陷阱。

借用原文：the melting season began in early May

Questions 5 to 7 are based on the news report you have just heard.

1 Bundles containing thousands of pounds in cash keep turning up on the streets of Blackhall Colliery in northern England, according to police. Residents of the village have been coming across bundles of £20 notes—usually worth £2,000—in the former mining village in County Durham.

据警方称，在英格兰北部的Blackhall Colliery街道上不断出现装有数千英镑现金的捆包。这个村庄的居民一直在Durham郡这个前矿业村发现成捆的20英镑纸币——通常价值2000英镑。

2 The latest discovery was on Monday, meaning four of these cash bundles have been handed in this year and 13 since 2014.

最近一次发现是在周一，这意味着今年已有四个这样的现金捆包被上交，自2014年以来共有13个。

3 The bundles are usually left in plain sight and have been scattered across the small coastal village. The owner has two weeks to collect the cash, which is then returned to the finder if not claimed, according to Peterlee Police.

这些捆包通常被放置在显眼位置，散布在这个沿海小村庄各处。据Peterlee警方称，失主有两周时间来认领现金，如果无人认领，现金将归还给发现者。

4 A Durham Police spokesperson said the money has been returned to the lucky finders in all cases except yesterday.

Durham警方发言人表示，除了昨天的情况外，所有案例中的钱款都已归还给幸运的发现者。

5 Policeman John Forster said in a statement: "The circumstances remain a mystery so we would welcome any information that will help us get to the bottom of these random incidents."

警察John Forster在一份声明中说:"具体情况仍是一个谜,因此我们欢迎任何能帮助我们查明这些随机事件真相的信息。"

6 He told The Northern Echo: "It isn't an affluent part of the world, so for them to find cash of that amount and instantly think about taking it to the police stations shows the community spirit there is."

他告诉The Northern Echo:"这里并不是一个富裕的地方,所以他们发现那么多现金后立即想到送到警察局,这显示了当地的社区精神。"

5. A) Bundles of £20 notes kept turning up.

B) A villager was searching for his lost cash.

C) Local policemen came across bundles of £20 notes.

D) A bundle containing thousands of pounds got stolen.

【题目】 What happened on the streets of Blackhall Colliery?

【翻译】 Blackhall Colliery 的街道上发生了什么?

A) 成捆的20英镑纸币不断出现。 B) 一位村民正在寻找他丢失的现金。

C) 当地警察偶然发现了成捆的20英镑纸币。 D) 一捆装有数千英镑的现金被盗。

【答案】 A (细节题) Bundles of £20 notes kept turning up.

【定位】 Bundles containing thousands of pounds in cash keep turning up on the streets of Blackhall Colliery in northern England, according to police.

据警方称, 装有数千英镑现金的成捆钞票不断出现在英格兰北部布莱克霍尔矿区的街道上。

【信号】 新闻导语首句即落点。 答案信号是"导语首句": Bundles containing thousands of pounds in cash keep turning up on the streets 正是全篇第一句, 新闻把核心事件放在开头, 无需转折、就是它。

【替换】 keep turning up on the streets ↔ **kept turning up**

时态变体的同一短语

Bundles containing thousands of pounds in cash ↔ **Bundles of £20 notes**

概括与具体互指同物

【排除】 B)

B 说 A villager was searching for his lost cash. (一名村民在找他丢失的现金), 但录音是钱不断"出现"、村民是"捡到", 从无谁在"找丢失的钱", 方向与原文相反。

C) 原词陷阱

C 盗用了录音原词 came across 与 policemen 拼成 Local policemen came across bundles of £20 notes., 但原文是 Residents of the village have been coming across bundles of £20 notes——"撞见"现金的是村民居民, 不是警察, 把发现者张冠李戴了。

借用原文: Residents of the village have been coming across bundles of £20 notes

D) 原词陷阱

D 说 A bundle containing thousands of pounds got stolen. (一捆数千英镑被偷), 盗用了原文 Bundles containing thousands of pounds 的措辞, 却把"出现并被上交"歪曲成"被偷", 与全篇"现金被发现、还给失主"的事实相反。

借用原文: Bundles containing thousands of pounds in cash

6. A) They give it to charity.

B) They return it to the finder.

C) They hand it over to the local government.

D) They place a notice in The Northern Echo.

【题目】 What do the local police do with the money if not claimed in two weeks?

【翻译】 如果两周内无人认领, 当地警方会如何处理这笔钱?

- A) 他们将其捐给慈善机构。 B) 他们将其归还给拾得者。 C) 他们将其移交给当地政府。
D) 他们在 The Northern Echo 上刊登启事。

【答案】 B (细节题) They return it to the finder.

【定位】 The owner has two weeks to collect the cash, which is then returned to the finder if not claimed, according to Peterlee Police.

据彼得利警方称, 失主有两周时间来领取现金, 如果无人认领, 这笔钱随后会归还给发现者。

【信号】 条件状语后的处置动词。 答案信号是条件 + 处置动词: which is then returned to the finder if not claimed 里 if not claimed (若无人认领) 正对题干 not claimed in two weeks, 紧跟的动词 returned to the finder 就是处置结果。

【替换】 returned to the finder ↔ **return it to the finder**

被动转主动的同一动作

【排除】 A)

A 说 They give it to charity. (捐给慈善), 录音通篇没出现 charity 或捐赠的说法, 是凭"无主之财常做公益"的常识硬填, 属未提及。

C)

C 说 hand it over to the local government (上交当地政府), 录音里出现的是 Peterlee Police、Durham Police 这些警方, 从未说交给 local government (地方政府), 把接收对象张冠李戴了。

D) 原词陷阱

D 说 place a notice in The Northern Echo (在《北方回声报》登启事), 盗用了录音原词 The Northern Echo, 但那是警察 John Forster 后文受访的报纸, 与"无人认领后怎么处理"毫无关系, 答非所问。

借用原文: He told The Northern Echo

7. A) They cooperated well with the police.

B) They enjoyed a fairly affluent life.

C) They were puzzled by the mystery.

D) They had a strong community spirit.

【题目】 What did the policeman John Forster say about the villagers?

【翻译】 警察 John Forster 对村民们说了什么?

- A) 他们与警方配合良好。 B) 他们过着相当富裕的生活。 C) 他们对这个谜团感到困惑。
D) 他们有很强的社区精神。

【答案】 D (态度观点题) They had a strong community spirit.

【定位】 It isn't an affluent part of the world, so for them to find cash of that amount and instantly think about taking it to the police stations shows the community spirit there is.

这里并不是个富裕的地方, 所以他们能捡到那么多现金、还立刻想到把钱送去警局, 这显示出了当地的社区精神。

【信号】 so...shows 引出结论评价。 答案信号是"因果连词 so + 总结动词 shows": so for them to find cash...instantly think about taking it to the police stations shows the community spirit, so 后是 Forster 对村民的总结性定性, shows 后面那个词就是他真正想说的评价。

【替换】 shows the community spirit there is ↔ **They had a strong community spirit.**

结论原词直接对应

instantly think about taking it to the police stations ↔ **strong community spirit**

行为佐证情感程度

【排除】 A)

A 说 They cooperated well with the police. (他们与警方配合良好), 录音里村民确有"把钱送去警局"的行为, 但 Forster 并未据此评价他们"配合警方", 而是上升为社区精神——A 是对行为的过度推断。

B)

B 说 They enjoyed a fairly affluent life. (过着相当富裕的生活), 盗用了录音原词 affluent, 但原文是 It isn't an affluent part of the world——明明说"不富裕", B 把否定去掉、反了极性。

借用原文: It isn't an affluent part of the world

C) 原词陷阱

C 说 They were puzzled by the mystery. (他们被这谜团困惑), 盗用了录音原词 The circumstances remain a mystery 的 mystery, 但感到费解的是警方 (Forster 说 remain a mystery、想 get to the bottom), 不是村民, 把困惑者张冠李戴了。

借用原文: The circumstances remain a mystery

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

1 W: It's your birthday next week. What have you got planned?

W: 下周就是你的生日了。你有什么计划吗?

2 M: I'm not sure. I often feel strange on my birthday. It's like my brain decides to have a crisis.

M: 我还不确定。我在生日的时候经常感觉怪怪的。就好像我的大脑决定要来一场危机。

3 W: It's not entirely unusual to feel anxious or sad around your birthday. Birthdays can tap into a lot of things people worry about, including their achievements in life in the past decade, or their accomplishments of the past year. Many begin to search for the meaning of their existence, leading to behaviors such as ending or starting a relationship, or plans, like starting a vigorous diet or fitness program.

W: 在生日前后感到焦虑或悲伤并不完全罕见。生日会触及人们担心的很多事情, 包括他们过去十年的人生成就, 或者过去一年的成绩。许多人开始寻找自己存在的意义, 导致一些行为, 比如结束或开始一段关系, 或者制定计划, 比如开始严格的饮食或健身计划。

4 M: I have wonderful friends and I love celebrating their birthdays. But I don't like being the center of attention, receiving gifts and having a fuss made. It seems to trigger a type of social anxiety. I think social media too can intensify things as birthdays now play out more publicly. Birthday reminders can be

helpful, but I kind of worry I won't be able to drum up my own day and show it to look as exciting as it is supposed to be.

M: 我有很棒的朋友，我也喜欢庆祝他们的生日。但我不喜欢成为关注的焦点，收礼物，被大家围着忙活。这似乎会引发一种社交焦虑。我觉得社交媒体也会让事情更严重，因为现在生日更多是公开展示的。生日提醒可能有帮助，但我有点担心我没法把自己的生日搞得看起来像应该的那么激动人心。

5 W: Well, to deal with the birthday blues, you should not isolate yourself. It's best to gradually face your birthday with people you trust. That would help you learn self-acceptance, or that it's okay to be the focus.

W: 嗯，要应对生日忧郁，你不应该把自己孤立起来。最好是和你信任的人一起逐渐面对你的生日。这会帮助你学会自我接纳，或者说成为焦点也没关系。

6 M: Perhaps. Or I could perceive my birthday as an opportunity to do something for others like asking people to make a donation instead of buying a gift.

M: 也许吧。或者我可以把生日看作是给别人做点什么的的机会，比如请人们捐款而不是买礼物。

7 W: Exactly. Or even simply see your birthday as an opportunity to bring people together for them to have fun.

W: 没错。或者甚至可以简单地把你的生日看作是让大家聚在一起让他们开心的机会。

8. A) Excited. C) Indifferent.
B) Delighted. D) Strange.

【题目】 How does the man often feel on his birthday?

【翻译】 这位男士在生日时常常有什么感觉？

- A) 兴奋的。 B) 高兴的。 C) 无所谓。 D) 奇怪的。

【答案】 D (态度观点题) Strange.

【定位】 I often feel strange on my birthday. It's like my brain decides to have a crisis.

我过生日时常常觉得怪怪的。就好像我的大脑决定要闹一场危机似的。

【信号】 被问者的直接应答 + 原话情绪词。女士先问“生日有什么打算”，男士开口就答 I often feel strange on my birthday，这是被问者的直接应答，且 often feel strange 几乎是直接给出心情词，正是答案句的强信号。

【替换】 I often feel strange on my birthday ↔ Strange.

原词直接对应

【排除】 A) 未提及

Excited. 是大家默认"过生日该有"的情绪, 靠常识容易误选, 但录音男士从头到尾没说兴奋, 反而说怪怪的、像要闹危机, 与 A 相反。

B) 未提及

Delighted.(高兴)同样是想当然的"生日心情", 录音并未表达欢喜, 男士说的是 strange, 故排除。

C) 偷换概念

Indifferent.(无所谓)看似贴近"不太在乎生日", 但录音说的是 feel strange、brain has a crisis, 是"心绪不宁"而非"无所谓", 态度强度对不上。

-
9. A) Search for the meaning of their life. C) Call on their relatives and friends.
B) Look back on their years at school. D) Talk about future plans with friends.

【题目】 What does the woman say many people tend to do on their birthday?

【翻译】 这位女士说许多人在生日时往往会做什么?

- A) 寻找他们人生的意义。 B) 回顾他们在校的岁月。 C) 拜访他们的亲戚和朋友。
D) 与朋友谈论未来的计划。

【答案】 A (细节题) Search for the meaning of their life.

【定位】 Many begin to search for the meaning of their existence, leading to behaviors such as ending or starting a relationship, or plans, like starting a vigorous diet or fitness program.

许多人开始寻找自己存在的意义, 由此引发一些行为, 比如结束或开始一段感情, 或是制订计划, 比如开始严格的节食或健身方案。

【信号】 Many begin to... 的群体行为陈述。女士说 Many begin to search for the meaning of their existence, 主语 Many 正对题干的 many people, begin to + 动作 直接给出"多数人会做的事", 是答案句的明确信号。

【替换】 search for the meaning of their existence ↔ Search for the meaning of their life.

近义词 existence=life

【排除】 B) 原词陷阱

录音确实提到 their achievements in life in the past decade 里的"过去十年/过去一年", 让人联想到"回顾在校岁月", 但原文说的是回顾"成就"、并未提 school 或"回顾学生时代", Look back on their years at school. 把"回顾过往成就"偷换成了"回顾学校岁月"。

借用原文: their achievements in life in the past decade, or their accomplishments of the past year

C) 未提及

Call on their relatives and friends.(拜访亲友)是大家想象中"过生日"的常见举动, 但录音列举的群体行为是"找人生意义、结束/开始感情、节食健身", 从未提走访亲友, 属常识脑补、无原文支撑。

D) 原词陷阱

录音里有 or plans, like starting a vigorous diet or fitness program, 出现了 plans 一词, Talk about future plans with friends. 顺手盗用 plans 设套; 但原文的 plans 指"制订节食/健身计划"这类行动, 并非"和朋友谈未来打算", 对象与方式都被改了。

借用原文: or plans, like starting a vigorous diet or fitness program

-
10. A) He prefers to have them shown on social media. C) He enjoys celebrating others' birthdays rather than his own.
B) He loves them but does not want to make a fuss. D) He looks forward to receiving presents from his close friends.

【题目】 What does the man say about birthday celebrations?

【翻译】 这位男士对生日庆祝有什么看法?

- A) 他更喜欢把它们展示在社交媒体上。 B) 他喜欢生日庆祝但不想大张旗鼓。
C) 他喜欢庆祝别人的生日而不是自己的。 D) 他期待收到亲密朋友送的礼物。

【答案】 C (细节题) He enjoys celebrating others' birthdays rather than his own.

【定位】 I have wonderful friends and I love celebrating their birthdays. But I don't like being the center of attention, receiving gifts and having a fuss made.

我有很棒的朋友, 我很喜欢为他们庆祝生日。但我不喜欢成为众人焦点、收礼物、被大张旗鼓地庆祝。

【信号】 转折 But 切出真意。 前半 I love celebrating their birthdays 说爱给别人过, 转折词 But I don't like being the center of attention 之后才是落点——爱别人的、却不愿自己被庆祝, But 后才是答案信号。

【替换】 I love celebrating their birthdays ↔ **He enjoys celebrating others' birthdays**

love=enjoy、their=others'

I don't like being the center of attention ↔ **rather than his own**

否定句概括成 rather than

【排除】 A) 与原文相反

录音确有 social media too can intensify things as birthdays now play out more publicly, 但男士是说社交媒体让生日更公开、加重了他的不安, He prefers to have them shown on social media. 却说他"偏爱在社交媒体上展示", 与原文态度正相反。

借用原文: social media too can intensify things as birthdays now play out more publicly

B) 原词陷阱

He loves them but does not want to make a fuss. 用了录音原词 fuss(见 having a fuss made)且"喜欢但不想张扬"也部分贴合男士的话, 极具迷惑性; 但 B 漏掉了关键对比"喜欢的是别人的生日、不喜欢的是自己的", 泛指 them 反而把"自己 vs 别人"这层最核心的区分抹掉了, 不如 C 精准。

借用原文: But I don't like being the center of attention, receiving gifts and having a fuss made

D) 与原文相反

录音里 receiving gifts 是男士"不喜欢"的事, He looks forward to receiving presents from his close friends. 却把它说成"盼着收礼物", gifts/presents 同义但态度被彻底反转。

借用原文: I don't like being the center of attention, receiving gifts

-
11. A) Hold it on a modest scale to remove birthday anxieties. C) Extend invitation to those he trusts most.
B) View it as a chance for people to socialize and have fun. D) Make it an occasion to collect donations.

【题目】 What does the woman suggest the man do about his birthday celebration at the end of the conversation?

【翻译】 在对话结束时,这位女士建议这位男士如何处理他的生日庆祝?

- A) 以适度的规模举办以消除生日焦虑。 B) 把它看作人们社交和娱乐的机会。
C) 向他最信任的人发出邀请。 D) 把它作为募集捐款的场合。

【答案】 B (细节题) View it as a chance for people to socialize and have fun.

【定位】 Exactly. Or even simply see your birthday as an opportunity to bring people together for them to have fun.

正是如此。或者干脆把你的生日看作一个把大家聚到一起、让他们开心玩乐的机会。

【信号】 结尾处女士的建议句。 题干限定 at the end, 而这正是对话最后一句女士的话 see your birthday as an opportunity to bring people together for them to have fun, see...as an opportunity to 是明显的建议口吻, 落在末尾, 正是答案信号。

【替换】 bring people together for them to have fun ↔

View it as a chance for people to socialize and have fun.

聚人=socialize、机会=chance

【排除】 A) 答非所问

对话前段女士确实围绕生日焦虑(birthday blues)给过"别孤立自己、逐步面对"的话, Hold it on a modest scale to remove birthday anxieties. 借"消除焦虑"设套; 但"小规模操办以消焦虑"并非女士结尾(at the end)所说, 且原文没说"小规模", 定位错位。

借用原文: to deal with the birthday blues, you should not isolate yourself

C) 原词陷阱

录音 gradually face your birthday with people you trust 出现了 trust, Extend invitation to those he trusts most. 盗用 trust 设套; 但那是女士在对话中段说的, 且原文是"和你信任的人一起逐步面对", 不是"只邀请最信任的人", 既非结尾建议、内容也被改了。

借用原文: It's best to gradually face your birthday with people you trust

D) 张冠李戴

录音里 asking people to make a donation instead of buying a gift 提到捐款, Make it an occasion to collect donations. 盗用 donation; 但这是"男士"自己提出的想法, 题干问的是"女士"在结尾的建议, 张冠李戴了。

借用原文: asking people to make a donation instead of buying a gift

Questions 12 to 15 are based on the conversation you have just heard.

1 W: The metro was absolutely terrible this morning.

W: 今天早上地铁真是糟糕透了。

2 M: Oh, was there a delay?

M: 哦,是晚点了吗?

3 W: No, but the train was so packed that I could barely move, and it was difficult to breathe too. At every station, more people squeezed in and I got pushed further and further inside. When I got to my station, I could hardly get out. Once I did get out, I was totally exhausted.

W: 不是,但是车厢挤得我几乎动弹不得,连呼吸都困难。每到一站,就有多人挤进来,我被越挤越往里面。到我那站的时候,我几乎下不了车。好不容易出来了,整个人都累瘫了。

4 M: That sounds like a nightmare. Why didn't you take the bus?

M: 听起来像噩梦一样。你为什么 not 坐公交车呢?

5 W: The bus takes twice as long and it's just as crowded.

W: 公交车要花两倍的时间,而且一样挤。

6 M: Well, what's the alternative? Haven't you got a car?

M: 那还有什么办法?你没有车吗?

7 W: I've got a driver's license, but that's all. I'm saving up to buy something reasonably small and cute, but it's still a bit expensive for me, and it'll take a while before I have enough money.

W: 我有驾照,但也就仅此而已。我在攒钱买辆比较小巧可爱的车,但对我来说还是有点贵,还得攒一阵子才够。

8 M: Have you thought about getting an electric motorbike?

M: 你考虑过买电动摩托车吗?

9 W: I consider that for maybe a minute. But honestly, I've just seen too many horrible accidents involving those dangerous monsters.

W: 我可能考虑了一分钟吧。但说实话,我见过太多涉及那些危险怪物的可怕事故了。

10 M: What about those popular shared bikes? You could register to use one.

M: 那些流行的共享单车怎么样?你可以注册用一辆。

11 W: Yeah, that's a possibility. There are always several of those bikes out in front of our apartment complex.

W: 嗯,这倒是个可能。我们小区门口总有好几辆那种车。

12 M: Or you could just walk to work.

M: 或者你可以走路去上班。

13 W: Well, it's five kilometers from home to the office. But you've given me a thought. I could take a change of clothes and jog to work. But at this time of year, the air pollution is a real problem.

W: 嗯,从家到办公室有五公里。不过你倒是给了我一个想法。我可以带套换洗衣服,跑步去上班。但这个时节,空气污染真的是个问题。

14 M: Oh, yeah. I didn't think of that. You take a taxi if you really have to.

M: 哦,对。我没想到这个。实在不行你可以打车。

15 W: Well, that's an expensive way to get to work.

W: 嗯,那上班成本太高了。

16 M: Not if you use a ride sharing app.

M: 如果用拼车软件就不贵了。

17 W: Good idea. I'll download one immediately. Thank you.

W: 好主意。我马上下载一个。谢谢你。

12. A) It was absolutely exhausting.

C) There was too long a delay.

B) There was a terrible smell.

D) She got off at the wrong station.

【题目】 What does the woman say about her subway ride?

【翻译】 女士对她乘坐地铁的经历有何评价?

A) 绝对令人精疲力竭。 B) 有一股难闻的气味。 C) 延误时间太长了。

D) 她在错误的站下车了。

【答案】 A (细节题) It was absolutely exhausting.

【定位】 No, but the train was so packed that I could barely move, and it was difficult to breathe too...
Once I did get out, I was totally exhausted.

不是(晚点), 但车厢太挤了, 我几乎动不了, 连呼吸都困难.....等我终于挤出来, 已经累得精疲力竭了。

【信号】 先否定再描述, 落点在收尾。她先用 No 否掉"晚点", 再细数挤、喘不上气, 最后用 I was totally exhausted 收束——"totally(完全)"的加重语气正是答案信号, 整段抱怨归到"累"上。

【替换】 I was totally exhausted ↔ It was absolutely exhausting.

同义词+主被动改写

【排除】 C) 原词陷阱

男方问 was there a delay?, 女方明确回 No。选项 There was too long a delay. 正是盗用了录音里反复出现的 delay 一词, 但"晚点"恰恰是她否认的, 属听到原词就想选的陷阱。

借用原文: No, but the train was so packed

B) 未提及

录音说 it was difficult to breathe too, 原因是太挤、不是有味道。There was a terrible smell. 借"呼吸"联想出"异味", 是无中生有的过度引申, 原文并未提到任何 smell。

D) 偷换概念

录音只说她 could hardly get out(挤得几乎下不了车), 是"难下车"不是"下错站"。She got off at the wrong station. 把"下车困难"偷换成"下错站", 原文无此意。

借用原文: When I got to my station, I could hardly get out

-
13. A) She hasn't saved enough money. C) She hasn't passed the driving test yet.
B) She is worried about traffic jams. D) She is used to taking public transport.

【题目】 Why hasn't the woman got her own car?

【翻译】 女士为什么没有自己的汽车?

- A) 她还没有攒够钱。 B) 她担心交通堵塞。 C) 她还没有通过驾驶考试。
D) 她习惯了乘坐公共交通工具。

【答案】 A (细节题) She hasn't saved enough money.

【定位】 I've got a driver's license, but that's all. I'm saving up to buy something reasonably small and cute, but it's still a bit expensive for me, and it'll take a while before I have enough money.

我有驾照, 但也就这样了。我正在攒钱想买辆小巧可爱点的车, 但对我来说还是有点贵, 得过一阵子才能攒够钱。

【信号】 转折 but 后才是真原因。她先说 I've got a driver's license(有驾照), 紧接 but it's still a bit expensive for me——转折 but 之后的"贵、还没攒够钱"才是真正没车的原因, 前半句"有驾照"是用来排除C的。

【替换】 it'll take a while before I have enough money ↔ **She hasn't saved enough money.**

肯否转换+概括

【排除】 C) **与原文相反**

选项 She hasn't passed the driving test yet.借"driving"语境制造混淆,但录音开口就是 I've got a driver's license(已有驾照),正好与"还没考过"相反——没车的卡点在钱,不在证。

借用原文: I've got a driver's license

B) **张冠李戴**

She is worried about traffic jams.里的"拥挤/慢"其实对应她吐槽地铁公交 The bus takes twice as long and it's just as crowded.,与"为什么没车"无关,把别处的抱怨安到这题上。

借用原文: it's just as crowded

D) **与原文相反**

She is used to taking public transport.与原文相反:她一开口就在抱怨地铁、还在 saving up to buy车,分明想摆脱公共交通,并非"习惯并满足于"它。

借用原文: I'm saving up to buy something

14. A) They are popular.

C) They are a bit expensive for her.

B) They are dangerous.

D) They are environmentally friendly.

【题目】 **What does the woman say about electric motorbikes?**

【翻译】 女士对电动摩托车有何评价?

A) 它们很受欢迎。 B) 它们很危险。 C) 对她来说它们有点贵。 D) 它们环保。

【答案】 **B** (态度观点题) They are dangerous.

【定位】 I consider that for maybe a minute. But honestly, I've just seen too many horrible accidents involving those dangerous monsters.

我也就考虑了大概一分钟。但说实话,我见过太多那些"危险怪物"造成的可怕事故了。

【信号】 **But honestly 后的强烈贬词。**她先敷衍"考虑了一分钟",转折 But honestly后甩出 horrible accidents与 dangerous monsters——"honestly"加重、"dangerous/horrible"是强烈负面评价,态度信号集中在此。

【替换】 those dangerous monsters ↔ **They are dangerous.**

原词点评直接对应

【排除】 A) 张冠李戴

They are popular.盗用了男方下一句 those popular shared bikes里的 popular, 但那是评价"共享单车"、且出自男方之口, 并非女方对电摩的看法, 张冠李戴。

借用原文: those popular shared bikes

C) 张冠李戴

They are a bit expensive for her.盗用了她在买车时说的 it's still a bit expensive for me, 但"贵"评价的是要买的小车, 对电动摩托车她说的是危险、从未说贵。

借用原文: it's still a bit expensive for me

D) 未提及

They are environmentally friendly.听起来很符合"电动"的常识联想, 但全篇没有任何一句说电摩环保, 属凭电动二字脑补出来的未提及项。

15. A) By bus.

C) By renting a bike.

B) By jogging.

D) By sharing a ride.

【题目】 How was the woman going to get to work?

【翻译】 女士打算如何去上班?

A) 乘公交车。 B) 慢跑。 C) 租一辆自行车。 D) 拼车。

【答案】 D (细节题) By sharing a ride.

【定位】 M: Not if you use a ride sharing app. W: Good idea. I'll download one immediately. Thank you.

男: 用拼车app就不贵了。女: 好主意。我这就下载一个。谢谢。

【信号】 结尾"Good idea+这就去做"的拍板。前面公交、单车、慢跑、出租都被她——否掉或挑刺, 直到男方提 a ride sharing app, 她答 Good idea. I'll download one immediately ——"Good idea"+立刻行动是明确的最终拍板信号。

【替换】 use a ride sharing app ↔ By sharing a ride.

动名词概括+去掉app

Good idea. I'll download one immediately ↔ **By sharing a ride.**

认可信号坐实最终选择

【排除】 A) 原词陷阱

By bus.盗用对话里讨论过的 bus, 但她明确说 The bus takes twice as long and it's just as crowded.——又慢又挤, 早被否掉, 属"提过即否"的陷阱。

借用原文: The bus takes twice as long and it's just as crowded.

C) 原词陷阱

By renting a bike.对应 those popular shared bikes, 她回 that's a possibility——只是"一种可能", 并未像拼车那样"Good idea+这就去做", 停在备选阶段。

借用原文: that's a possibility

B) 原词陷阱

By jogging.盗用她自己提的 jog to work, 但她紧接着说 the air pollution is a real problem, 因污染把慢跑否了, 并非最终选择。

借用原文: the air pollution is a real problem

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

1 Steve Miller began his career in IT back in the late 1980s. Being a deaf person in tech required a huge amount of effort in organization. Because there was no email or text message service, everything had to be done face to face, or by telephone. Communicating in meetings was very difficult. He needed a sign language interpreter for every meeting, but it was a huge effort to coordinate.

Steve Miller 在 20 世纪 80 年代末开始了他的 IT 职业生涯。作为一名科技行业的失聪人士,需要在组织协调方面付出巨大努力。因为那时没有电子邮件或短信服务,一切都必须面对面进行,或者通过电话完成。在会议中交流非常困难。他每次会议都需要一名手语翻译,但协调这件事需要付出巨大努力。

2 These days, although challenges still remain, it's a good time to be a deaf person in tech, says Miller. Big advances in speech recognition technology have enabled communication tools to turn live speech into text in real time on your smartphone or laptop, and sign language into text as well.

Miller 说,如今尽管挑战依然存在,但对于科技行业的失聪人士来说是个好时代。语音识别技术的重大进步使得通信工具能够在智能手机或笔记本电脑上实时将现场语音转换为文本,也能将手语转换为文本。

3 New Tech coupled with improvements in hearing aid technology and medical advances means that Miller is able to focus far more on his work. He has benefited to a great extent from a tiny hearing device in his ear. It gives him a degree of hearing, and he can use a variety of communication methods depending on the situation. He can employ lip-reading and have meetings via video instead of on the phone. These things have made a huge difference. He no longer has to worry about whether or not he

can understand. He can just concentrate on how interesting the meeting might be and what he needs to get out of it in order to progress.

新技术加上助听器技术的改进和医学进步,意味着 Miller 能够更加专注于他的工作。他从耳中的一个微型助听设备中获益匪浅。它给了他一定程度的听力,他可以根据情况使用各种交流方式。他可以使用唇读,通过视频而不是电话进行会议。这些事情带来了巨大的改变。他不再需要担心自己能否理解。他可以只专注于会议可能有多有趣,以及他需要从中获得什么才能取得进展。

16. A) He is a sign language interpreter.
B) He is a deaf person working in IT.
C) He doesn't like speaking at meetings.
D) He doesn't use email or text messages.

【题目】 What do we learn about Steve Miller?

【翻译】 关于Steve Miller我们了解到什么?

- A) 他是一名手语翻译员。 B) 他是一名在IT行业工作的聋人。
C) 他不喜欢在会议上发言。 D) 他不使用电子邮件或短信。

【答案】 B (细节题) He is a deaf person working in IT.

【定位】 Steve Miller began his career in IT back in the late 1980s. Being a deaf person in tech required a huge amount of effort in organization.

史蒂夫·米勒在上世纪80年代末开始了他在 IT 行业的职业生涯。作为科技行业里的一名聋人,这需要在组织安排上付出巨大的努力。

【信号】 开篇直接交代身份。 篇章开头第一句就点出他的处境——Being a deaf person in tech, 介绍人物的篇章往往一开口就交代身份, 这句即是答案句。

【替换】 a deaf person in tech ↔ a deaf person working in IT

tech 与 IT 同义、in 改 working in

began his career in IT ↔ working in IT

'开启IT生涯'='在IT工作'

【排除】 A) 张冠李戴

原文确实念到 He needed a sign language interpreter for every meeting, 但那是说他'需要'一名手语翻译, 不是说他'是'手语翻译; 选项 He is a sign language interpreter. 把'他需要的人'安到他自己头上。

借用原文: He needed a sign language interpreter for every meeting

C) 偷换概念

原文说 Communicating in meetings was very difficult.(开会沟通'很困难'), 这是客观障碍; 选项 He doesn't like speaking at meetings. 偷换成'他不喜欢在会上发言'的主观好恶, 文中从未提他喜不喜欢。

借用原文: Communicating in meetings was very difficult.

D) 与原文相反

原文是 there was no email or text message service——当年(80年代末)根本'没有'这种服务, 是时代背景; 选项 He doesn't use email or text messages. 偷换成'他(现在)不用'电邮短信, 把'当时不存在'歪曲为'他个人不用'。

借用原文: there was no email or text message service

-
17. A) Improved communication skills.
B) Speech recognition technology.
C) Big advances in sign language.
D) Transformation in the IT industry.

【题目】 What does Miller say is making things better for people like him?

【翻译】 Miller说什么正在改善像他这样的人的处境?

A) 沟通技能的提升。 B) 语音识别技术。 C) 手语的巨大进步。 D) IT行业的变革。

【答案】 B (细节题) Speech recognition technology.

【定位】 Big advances in speech recognition technology have enabled communication tools to turn live speech into text in real time on your smartphone or laptop, and sign language into text as well.

语音识别技术的巨大进步, 使得沟通工具能够在智能手机或笔记本电脑上实时把现场语音转成文字, 也能把手语转成文字。

【信号】 因果信号 enabled 点出真正推动者。 句子主语 Big advances in speech recognition technology 后接 have enabled(使.....得以), enabled 是因果信号, 前面那个名词正是'带来改善'的诱因, 即答案句。

【替换】 Big advances in speech recognition technology ↔ **Speech recognition technology**

选项是原文核心名词的浓缩

【排除】 A) 原词陷阱

原文反复出现 communication(如 communication tools), 选项 Improved communication skills. 借这个熟词造干扰, 但原文说变好的是'沟通工具'靠技术运转, 不是'沟通技能'提高了, 文中也没说他技能改善。

借用原文: communication tools

C) 原词陷阱

原文确实念到 sign language into text as well, 选项 Big advances in sign language. 借 sign language 造干扰, 但原文的'大进步(advances)'是修饰 speech recognition technology 的, 并非'手语本身的大进步'。

借用原文: sign language into text as well

D) 过度推断

原文话题虽在 IT 行业, 但带来改善的是一项具体技术; 选项 Transformation in the IT industry. 借 IT 一词把'语音识别技术'夸大成'整个 IT 行业的变革', 范围被无限放大, 原文没说行业整体变革。

借用原文: a good time to be a deaf person in tech

18. A) He can avoid being mistaken.

B) He can take notes on the spot.

C) He can understand with ease.

D) He can see the speakers' images.

【题目】 In what way can Miller benefit from attending meetings via video?

【翻译】 Miller通过视频参加会议能在哪方面受益?

A) 他可以避免被误解。 B) 他可以当场做笔记。 C) 他可以轻松理解。

D) 他可以看到发言者的影像。

【答案】 C (细节题) He can understand with ease.

【定位】 He can employ lip-reading and have meetings via video instead of on the phone. These things have made a huge difference. He no longer has to worry about whether or not he can understand.

他可以借助唇读, 并通过视频而非电话开会。这些做法带来了巨大的改变。他再也不必担心自己能否听懂了。

【信号】 结果句 no longer has to worry 点出好处。 在 have meetings via video 之后, 原文用 These things have made a huge difference 收束, 再接 He no longer has to worry about whether or not he can understand——'不再担心能否听懂'正是视频开会带来的好处, 即答案句。

【替换】 He no longer has to worry about whether or not he can understand ↔

He can understand with ease

'不再担心能否听懂' = 肯否转换为'能轻松听懂'

【排除】 A) 未提及

选项 He can avoid being mistaken. 说'能避免被误解', 原文谈的是他能否'听懂', 从未提到'被误解'这回事, 属凭空添加。

B) 未提及

选项 He can take notes on the spot. 说'能当场记笔记', 原文虽提到技术能把语音转成 text(文字), 但从没说他'记笔记', 是把'转文字'歪联想成'记笔记'。

D) 原词陷阱

题干和原文都念到 have meetings via video, 选项 He can see the speakers' images. 借 video 字面推出'能看到说话人画面', 但原文说视频开会的好处是'不再担心能否听懂', 而非'看到画面'本身; 越和 video 字面像, 越是诱人下钩的原词陷阱。

借用原文: have meetings via video

Questions 19 to 21 are based on the passage you have just heard.

1 Colour is now spreading through our homes, up staircases, across wood frames and ceilings, filling in neutral spaces.

色彩正在我们的家中蔓延, 爬上楼梯, 延伸至木框架和天花板, 填充着中性色空间。

2 According to one interior designer, when people return home, they want to see colours that cheer them up and give them a hug. Pure white walls simply don't do that. They don't look after you.

据一位室内设计师说, 当人们回到家时, 他们想看到能让他们振奋精神、给予他们拥抱的色彩。纯白色的墙壁根本做不到这一点。它们不会照顾你。

3 Another interior designer commented that certain combinations can key into something on a deeper level, transporting you to a different moment in time. That's the power of colour.

另一位室内设计师评论说, 某些色彩组合可以触及更深层次的东西, 将你带到不同的时刻。这就是色彩的力量。

4 If you are thinking to try colour on some of your neutral walls, the advice is refreshingly simple: Choose a colour you actually like.

如果你正在考虑在一些中性色墙面上尝试色彩, 建议非常简单: 选择一个你真正喜欢的颜色。

5 Don't go for a colour because it's in fashion, or you've seen it in a magazine.

不要因为某种颜色流行或你在杂志上看到过就选择它。

6 If you're weary of full colour, test your tolerance with smaller spaces, such as the inside of a cupboard or a bright window frame. If it gives you joy every time you open the cupboard, you can start to take it further.

如果你对全彩色心存疑虑, 可以用较小的空间测试你的接受度, 比如橱柜内部或明亮的窗框。如果每次打开橱柜它都能给你带来快乐, 你就可以开始进一步尝试。

7 One can also paint the wooden frameworks the same colour as the walls, helping the rooms look bigger. In the kitchen, painting the overhead cupboards and the walls in the same colour can make it feel more spacious.

人们还可以将木框架漆成与墙壁相同的颜色,帮助房间看起来更大。在厨房里,将吊柜和墙壁漆成相同的颜色可以让空间感觉更宽敞。

8 While painting the kitchen counters, a bold colour can make everything feel more open and lighter. Additionally, a painted ceiling is a magical thing without being too obvious and can affect how the space feels as well.

在粉刷厨房台面时,大胆的色彩可以让一切感觉更开阔、更轻盈。此外,粉刷天花板是一件神奇的事情,既不会太明显,也能影响空间的感觉。

19. A) To find pure white walls shining.
B) To enter a house well looked after.
C) To get a hug from family members.
D) To see cheerful colours all around.

【题目】 What do people want upon returning home according to the passage?

【翻译】 根据文章,人们回到家后想要什么?

- A) 发现纯白色的墙壁闪闪发光。 B) 进入一个照料良好的房子。 C) 得到家人的拥抱。
D) 看到周围都是令人愉快的色彩。

【答案】 D (细节题) To see cheerful colours all around.

【定位】 When people return home, they want to see colours that cheer them up and give them a hug.
人们回家时,想看到能让自己振奋、给自己一个拥抱的色彩。

【信号】 want 直陈诉求。录音用 they want to see colours that cheer them up 直接点出回家想要什么, want to 后面就是答题落点;紧接着 Pure white walls simply don't do that. 又用否定把白墙排除,进一步确认想要的是彩色而非白墙。

【替换】 colours that cheer them up ↔ cheerful colours

动词转形容词

see colours ↔ see cheerful colours all around

动作原词保留

【排除】 A) 原词陷阱

To find pure white walls shining. 盗用了原文里 Pure white walls 这个原词，但原文紧接着说 Pure white walls simply don't do that.，白墙恰恰是被否定的、不能给人拥抱的东西，听到 white walls 就选正好掉坑。

借用原文：Pure white walls simply don't do that.

B) 偷换概念

To enter a house well looked after. 借用了原文 They don't look after you. 里的 look after，但原文说的是色彩照顾人 (you)，不是人想进入一座被照看好的房子，主语和对象都被偷换了。

借用原文：They don't look after you.

C) 未提及

To get a hug from family members. 用了原文的 hug，但原文是 give them a hug——给拥抱的是色彩，根本没提 family members，把拥抱的来源安给了原文没说的家人。

借用原文：give them a hug

20. A) Choosing a colour because it is fashionable.

B) Painting the interior of their cupboards.

C) Doing the painting job all by themselves.

D) Designing all window frames the same way.

【题目】 What does the passage say people should avoid doing in home decoration?

【翻译】 文章说人们在家居装饰中应该避免做什么？

A) 因为流行而选择一种颜色。 B) 粉刷橱柜的内部。 C) 自己完成所有粉刷工作。

D) 把所有窗框设计成同样的样式。

【答案】 A (细节题) Choosing a colour because it is fashionable.

【定位】 Don't go for a colour because it's in fashion, or you've seen it in a magazine.

不要因为某种颜色正流行、或你在杂志上见过它，就去选它。

【信号】 Don't 否定建议。 录音用祈使否定句 Don't go for a colour because it's in fashion 直接给出劝阻——别因为时髦而选色，Don't 就是该避免做法的信号词，这句即答案句。

【替换】 because it's in fashion ↔ because it is fashionable

名词短语转形容词

go for a colour ↔ Choosing a colour

动词同义替换

【排除】 B) 与原文相反

Painting the interior of their cupboards. 盗用了原文 the inside of a cupboard, 但原文把刷柜子内部当作试色的好办法来推荐, 而非要避免的事, 态度正好相反。

借用原文: test your tolerance with smaller spaces, such as the inside of a cupboard

C) 未提及

Doing the painting job all by themselves. 里 all by themselves (亲力亲为) 原文从未提及, 录音只谈选什么色、刷哪里, 没说该不该自己动手。

D) 原词陷阱

Designing all window frames the same way. 借了原文出现过的 window frame (a bright window frame), 但原文说的是把窗框作为试色的小空间, 没说所有窗框要设计成同一款式, 更没说要避免。

借用原文: a bright window frame

-
21. A) Fit most of the cupboards into walls.
B) Hang landscape paintings all around.
C) Match the room's ceiling with all the furniture in colour.
D) Paint the wooden frameworks and walls the same colour.

【题目】 What can one do to make a room look bigger?

【翻译】 怎样做可以让房间看起来更大?

- A) 把大部分橱柜嵌入墙内。 B) 在四周悬挂风景画。
C) 使房间的天花板与所有家具颜色相配。 D) 把木制框架和墙壁刷成同一颜色。

【答案】 D (细节题) Paint the wooden frameworks and walls the same colour.

【定位】 One can also paint the wooden frameworks the same colour as the walls, helping the rooms look bigger.

也可以把木质框架刷成与墙壁相同的颜色, 这有助于让房间显得更大。

【信号】 helping...look bigger 因果。 录音里 paint the wooden frameworks the same colour as the walls 后面紧跟 helping the rooms look bigger, 用 helping 把做法和显大的效果直接连起来, 正对应题干 look bigger, 这句即答案句。

【替换】 paint the wooden frameworks the same colour as the walls ↔

Paint the wooden frameworks and walls the same colour

近乎原句改写

helping the rooms look bigger ↔ **Paint the wooden frameworks and walls the same colour**

效果直接对上题干

【排除】 A) 原词陷阱

Fit most of the cupboards into walls. 借了原文反复出现的 cupboards, 但原文谈柜子是说把柜子和墙刷同色 (painting the overhead cupboards and the walls in the same colour), 没说把柜子嵌进墙里, 做法被改造成原文没说的内容。

借用原文: painting the overhead cupboards and the walls in the same colour

B) 未提及

Hang landscape paintings all around. 里挂风景画原文完全没说, 录音只谈刷颜色, 没有任何挂画的内容。

C) 张冠李戴

Match the room's ceiling with all the furniture in colour. 借用了原文出现过的 ceiling (a painted ceiling) 和同色概念, 但原文让显大的同色是框架与墙, 天花板只是另说能影响空间感, 没说要与家具同色, 把同色的双方张冠李戴。

借用原文: a painted ceiling is a magical thing without being too obvious

Questions 22 to 25 are based on the passage you have just heard.

1 Parents often hear that reading to their children is critical for supporting development, and the message is getting through to them. In fact, in the United States, a little over half of children between the ages of three and five were read to every day in 2007, and 83% of children in that age group in the same country were read to three or more times per week in 2012.

家长们经常听说给孩子读书对支持其发展至关重要, 而且这一信息正在被他们接受。事实上, 在美国, 2007年有略高于一半的三至五岁儿童每天被朗读, 而2012年同一国家该年龄段83%的儿童每周被朗读三次或更多次。

2 This is good news, because reading to young children helps their language and brain development. In fact, recent research has found that both the quality and quantity of shared book reading in infancy predicted later childhood vocabulary and reading skills. In other words, the more time parents spend reading, the greater the developmental benefits in their four-year-old children.

这是个好消息, 因为给幼儿读书有助于他们的语言 and 大脑发育。事实上, 最近的研究发现, 婴儿期共享读书的质量和数量都能预测儿童后期的词汇量和阅读技能。换句话说, 父母花在阅读上的时间越多, 他们四岁孩子的发育益处就越大。

3 This is an important finding. But does it matter what books parents read? A new study has investigated this question. It followed infants across the second six months of life and found that when parents showed babies books that had faces or objects with specific labels, they learned more. This is in contrast to books that did not name images, or books that had the same label under each image. Books that named different characters also promoted greater learning. So what does this mean for parents? Not all books are created equal, so parents need to choose the books they share with their children with great care.

这是一个重要的发现。但父母读什么书重要吗? 一项新研究调查了这个问题。该研究跟踪了婴儿生命中第二个六个月的情况, 发现当父母给婴儿展示有面孔或带有特定标签的物体的书籍时, 他们学到的更多。这与

那些不标注图像名称的书籍或每张图像下都有相同标签的书籍形成对比。标注不同角色名称的书籍也促进了更多的学习。那么这对父母意味着什么呢?并非所有书籍都是一样的,因此父母需要非常谨慎地选择与孩子分享的书籍。

22. A) Children must read at least 3 times a week.
B) Reading is a habit every child can develop.
C) Reading to their children is important.
D) Children should start reading at age 3.

【题目】 What does the passage say parents increasingly understand?

【翻译】 文章指出父母越来越理解什么?

- A) 孩子必须每周至少阅读3次。 B) 阅读是每个孩子都能养成的习惯。
C) 给孩子读书很重要。 D) 孩子应该在3岁开始阅读。

【答案】 C (细节题) Reading to their children is important.

【定位】 Parents often hear that reading to their children is critical for supporting development, and the message is getting through to them.

父母常听到『给孩子读书对支持其发展至关重要』这一说法,而且这个信息正在被他们接收(理解)。

【信号】 开篇点题句 + **getting through** 表领悟。答案信号是开篇直接点题: reading to their children is critical for supporting development, 紧跟 the message is getting through to them, getting through 正对应题干的 understand, 是承载答案的那一句。

【替换】 reading to their children is critical for supporting development ↔

Reading to their children is important.

critical=important 同义替换

【排除】 A) **原词陷阱**

选项 Children must read at least 3 times a week. 把原文 three or more times per week 的频次盗来,但原文说的是『父母给孩子读』的统计数据,不是『孩子自己必须每周读3次』的要求,答非所问。

借用原文: three or more times per week

B) **未提及**

选项 Reading is a habit every child can develop. 听起来很正确很顺耳,但全文只谈父母给孩子读书的好处与选书,从未说『阅读是每个孩子都能养成的习惯』,属凭常识脑补、原文无据。

D) **原词陷阱**

选项 Children should start reading at age 3. 借用原文 between the ages of three and five 里的 three,但那是统计样本的年龄段,不是『孩子应3岁开始读书』的建议,数字真听到了、意思全拧了。

借用原文: between the ages of three and five

23. A) The number of books they have read by age four.
B) The speed of their brain development in infancy.
C) The number and quality of books parents read to them in infancy.
D) The quality and quantity of time parents spend playing with them.

【题目】 What can predict children's reading skills according to recent research?

【翻译】 根据近期研究,什么可以预测孩子的阅读能力?

- A) 他们在四岁前读过的书籍数量。 B) 他们婴儿期大脑发育的速度。
C) 父母在婴儿期给他们读的书籍的数量和质量。
D) 父母与他们玩耍所花费时间的质量和数量。

【答案】 C (细节题) The number and quality of books parents read to them in infancy.

【定位】 In fact, recent research has found that both the quality and quantity of shared book reading in infancy predicted later childhood vocabulary and reading skills.

事实上,最近的研究发现,婴儿期共同读书的质量和数量都预测了孩子日后的词汇和阅读能力。

【信号】 研究发现信号 recent research has found + predicted. 答案信号是表研究结论的 recent research has found 和动词 predicted, predicted 直接对应题干 predict, 其前面的主语 the quality and quantity of shared book reading in infancy 就是被点名的预测因素。

【替换】 the quality and quantity of shared book reading in infancy ↔

The number and quality of books parents read to them in infancy.

quantity=number、shared book reading=books parents read

【排除】 A) 原词陷阱

选项 The number of books they have read by age four. 借用原文 four-year-old children 的 four, 但原文 four 是说『四岁孩子身上的发展益处』, 从没说『到四岁读了多少本书』能预测能力, 数字听到了、意思编造了。

借用原文: four-year-old children

B) 原词陷阱

选项 The speed of their brain development in infancy. 借了原文 brain development, 但原文是说『读书有助于语言 and 大脑发育』, 大脑发育是『结果/益处』, 不是『预测阅读能力的原因』, 把因果位置弄反了。

借用原文: reading to young children helps their language and brain development

D) 偷换概念

选项 The quality and quantity of time parents spend playing with them. 几乎照抄原文的 quality and quantity 结构, 却把核心动作从『读书』换成 playing (玩), 原文谈的始终是 reading, 不是陪玩, 偷换了概念。

借用原文: the quality and quantity of shared book reading in infancy

-
24. A) Books with specifically labeled images.
B) Books with pictures of dolls and toys.
C) Books describing the lives of animals.
D) Books telling very interesting stories.

【题目】 What kind of books are said to help babies learn more?

【翻译】 什么样的书据说能帮助婴儿学到更多?

- A) 带有明确标注图像的书。 B) 带有玩偶和玩具图片的书。 C) 描述动物生活的书。
D) 讲述非常有趣故事的书。

【答案】 **A** (细节题) Books with specifically labeled images.

【定位】 It followed infants across the second six months of life and found that when parents showed babies books that had faces or objects with specific labels, they learned more.

研究跟踪了出生后第二个半年的婴儿，发现当父母给婴儿看『带有具体标签的面孔或物体』的书时，他们学得更多。

【信号】 因果/条件句 **when...they learned more**。答案信号是条件结果句 when parents showed babies books that had faces or objects with specific labels, they learned more, learned more 正对应题干 learn more，其条件部分点名的书就是答案；后文 This is in contrast to 进一步用对比反衬，强化了这一类。

【替换】 books that had faces or objects with specific labels ↔ **Books with specifically labeled images**.
faces or objects=images、specific labels=specifically labeled

【排除】 B) **过度推断**

选项 Books with pictures of dolls and toys. 把原文 objects (物体) 具体化为『玩偶和玩具』，原文从未指明是玩偶玩具，是凭常识把抽象的 objects 想象成具体玩具，属脑补。

借用原文：faces or objects with specific labels

C) **未提及**

选项 Books describing the lives of animals. 看似贴近『讲动物』，但原文 P3 全程没提 animals，更没说『描写动物生活的书』有用，纯属无中生有。

D) **偷换概念**

选项 Books telling very interesting stories. 把『有用的书』偷换成『很有趣的故事书』，原文判定标准是『有没有具体标签』，不是『故事有不有趣』，换了一套评价维度。

借用原文：books that had faces or objects with specific labels

-
25. A) Read as many books as possible to their children.
B) Choose carefully what to read to their children.
C) Share experience with other parents.
D) Create picture books for their children.

【题目】 What are parents advised to do at the end of the passage?

【翻译】文章结尾建议父母做什么？

- A) 尽可能多地给孩子读书。 B) 仔细选择给孩子读什么。 C) 与其他父母分享经验。
D) 为孩子创作图画书。

【答案】 **B** (细节题) Choose carefully what to read to their children.

【定位】 Not all books are created equal, so parents need to choose the books they share with their children with great care.

并非所有书都一样（有价值），所以父母需要非常用心地挑选要和孩子共读的书。

【信号】 **结尾因果建议句 so parents need to...**。答案信号是篇章结尾的因果建议句 so parents need to choose the books they share with their children with great care, so 引出结论、need to 是直接建议，正是题干要的『结尾建议』。

【替换】 choose the books they share with their children with great care ↔

Choose carefully what to read to their children.

with great care=carefully、share=read to

【排除】 A) **与原文相反**

选项 Read as many books as possible to their children. 主张『尽量多读』，但结尾恰恰强调 Not all books are created equal 『书有好坏之分』、要『用心选』，方向与原文相反——原文要的是质而非量。

借用原文：Not all books are created equal

C) **原词陷阱**

选项 Share experience with other parents. 借了一个似曾相识的 share，但原文的 share 是 the books they share with their children（与孩子共读书），从没说『与其他父母分享经验』，对象被换且原文无此建议。

借用原文：the books they share with their children

D) **未提及**

选项 Create picture books for their children. 借了原文反复出现的 books 和图像概念，但原文建议父母『挑选』书，从没说『为孩子创作绘本』，create 是无中生有的动作。

借用原文：parents need to choose the books they share with their children

SENTENCE INSIGHTS • 句子精讲

39 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

The World Pipe Band Championships will take place in Glasgow on Saturday.

第1段，第1句

简单句在各类考试中常见，且本句句式（主语 + will + 动词 + 地点 + 时间）是新闻报道和日常表达的典型结构，具有一定代表性，但缺乏考试中常考的从句和复杂修饰，典型性中等。

The event first took place in Glasgow in 1948.

第5段，第2句

本句虽然简单，但涵盖了主语、谓语、地点状语、时间状语和一般状语等多个成分类型，适合作为初学者熟悉基本成分划分的入门练习。不过句中没有宾语、表语、定语从句等更丰富的成分，也没有易混淆的坑点，因此训练价值中等偏下。

What event will take place in Glasgow?

第1题题干

特殊疑问句是四六级、考研阅读与听力中的常见句式，疑问词作主语的用法也较典型，掌握后可迁移到其他疑问句分析；但简单句结构本身在真题中占比不高，代表性中等。

The vast island usually locks away enough fresh water in its ice sheet, which if melted can raise global sea levels by six meters.

第2段，第1句

本句结构在四六级和考研阅读中具有高度典型性。非限制性定语从句修饰前文名词并补充说明，是学术文章和新闻报道的常见句式。条件状语从句嵌套在定语从句内部的结构，也是复杂句式的标准组合，常用于表达假设性推论。此外，条件状语从句的省略形式（if melted）在考试中频繁出现，掌握后可以迁移到大量类似句型（如 if possible, when heated, unless told 等）。整体句式既贴近真题风格，又具有较强的迁移价值。

Bundles containing thousands of pounds in cash keep turning up on the streets of Blackhall Colliery in northern England, according to police.

第1段，第1句

本句涵盖主语（含后置定语）、谓语、两个状语，成分种类较全面。后置定语 "containing..." 和两个介词短语状语的识别对基础学习者有一定练习价值，但无宾语补足语、双宾语等更复杂成分，训练覆盖面中等。

Residents of the village have been coming across bundles of £20 notes—usually worth £2,000—in the former mining village in County Durham.

第1段，第2句

成分类型丰富：包含带修饰语的主语、复杂时态的谓语、带插入语的宾语、多层地点状语。插入语 "usually worth £2,000" 是后置定语的变体，值得练习识别；短语动词 "come across" 与介词短语 "in the former mining village" 的区分也是常见易错点。

Policeman John Forster said in a statement: "The circumstances remain a mystery so we would welcome any information that will help us get to the bottom of these random incidents."

第5段，第1句

直接引语作宾语从句、so 连接因果并列、that 引导限制性定语从句，均为四六级和考研阅读中的高频句式；多时态交织的引语结构在新闻报道类真题中常见，掌握后可大量复用。

Bundles of £20 notes kept turning up.

第5题，A

简单句结构常见，"keep doing" 表持续的用法在考试阅读中频繁出现，具有一定代表性，学习后可迁移到类似句式。

Local policemen came across bundles of £20 notes.

第5题，C

简单句在真题中较常见，且短语动词结构（动词+副词小品词）也属高频考点，但本句过于简单，缺少真题中常见的复杂修饰或从句嵌套，代表性一般。

Birthdays can tap into a lot of things people worry about, including their achievements in life in the past decade, or their accomplishments of the past year.

第3段，第2句

情态动词加及物动词短语、宾语后接省略关系代词的定语从句、including 举例补充，均为四六级和考研阅读中高频出现的句式，结构具有较强代表性，掌握后可应用于大量类似长难句的理解。

Birthday reminders can be helpful, but I kind of worry I won't be able to drum up my own day and show it to look as exciting as it is supposed to be.

第4段，第5句

句子包含 but 连接的并列主句以及省略 that 的宾语从句,这两种结构在四六级和考研阅读中非常常见。特别是 worry 后省略 that 直接跟从句,以及 show + 宾语 + to do 的宾补结构,都是高频考查句式,掌握后可广泛迁移。

That would help you learn self-acceptance, or that it's okay to be the focus.

第5段，第3句

句子覆盖主语、谓语、宾语、宾补、表语、形式主语、真正主语等多种成分，并涉及并列宾语和宾语从句的识别，成分种类丰富；形式主语和并列宾语中混合名词与从句的结构是常见易错点，适合作为划分练习。

He enjoys celebrating others' birthdays rather than his own.

第10题，C

涵盖主语、谓语、宾语三大核心成分，宾语为动名词短语且内含对比结构 "rather than"，可训练学生识别动名词作宾语及复杂宾语内部结构，但整体成分种类较少，易错点不多。

He looks forward to receiving presents from his close friends.

第10题，D

"look forward to doing" 是四六级和考研高频固定搭配,动名词作宾语的用法也很典型；简单句结构本身虽基础,但该句体现的短语动词 + 动名词宾语模式在真题中反复出现,学习后可迁移到大量类似句型。

W: No, but the train was so packed that I could barely move, and it was difficult to breathe too.

第3段，第1句

句子涵盖系表结构、结果状语从句、并列分句、形式主语 "it"、真正主语不定式 "to breathe"、程度状语 "barely" 和 "too" 等多种成分，成分种类丰富，尤其形式主语和 "so ... that" 结构是常见易错点，训练价值较高。

At every station, more people squeezed in and I got pushed further and further inside.

第3段，第2句

并列句+被动语态+程度状语是四六级和考研阅读中的高频句式组合, get+过去分词的口语化被动表达在真题对话和记叙文中常见, further and further的递进表达也是典型用法, 掌握后可应用于多种语境。

Once I did get out, I was totally exhausted.

第3段，第4句

时间状语从句 + 主句的结构在四六级和考研阅读中高频出现, Once 引导的时间从句尤为常见; 主句的主系表结构也是基础句型; did 的强调用法在口语和叙事性文本中典型。掌握这种结构后可直接迁移到大量类似句式。

W: The bus takes twice as long and it's just as crowded.

第5段，第1句

并列结构和比较结构 ("as...as") 在四六级和考研真题中较为常见, 本句可作为练习并列句和比较结构的典型例句。但句子整体较短, 无从句嵌套, 结构相对简单, 典型性中等偏上。

There was too long a delay.

第12题，C

覆盖 There be 存在句这一典型句型, 且表语采用 "too + 形容词 + a + 名词" 特殊语序, 可训练学生识别非常规语序下的表语; 成分种类虽简单但语序特征具有练习价值。

She is worried about traffic jams.

第13题，B

主系表结构加介词短语状语是四六级阅读和写作中的常见基础句式, 具有一定代表性, 但过于简单, 无法覆盖考试中更常考的复杂结构。

She is used to taking public transport.

第13题，D

be used to doing 是四六级和考研高频考点, 主系表结构后接动名词宾语的句式在真题中较为常见, 具有较好的迁移性。

These days, although challenges still remain, it's a good time to be a deaf person in tech, says Miller.

第2段，第1句

句子涵盖倒装结构、形式主语、宾语从句、让步状语从句、不定式作定语等多个考点。倒装和形式主语是易错点，宾语从句省略 that 也需要学生识别。成分种类丰富，适合作为划分练习的中高难度材料。

Big advances in speech recognition technology have enabled communication tools to turn live speech into text in real time on your smartphone or laptop, and sign language into text as well.

第2段，第2句

enable somebody to do something 结构是四六级和考研中的高频句式，宾语补足语使用不定式也是常考点。句子整体体现了科技类阅读理解中常见的长主语加结果陈述的表达方式，具有较强的代表性和迁移价值。

He can employ lip-reading and have meetings via video instead of on the phone.

第3段，第4句

本句包含主语、并列谓语、两个宾语和一个方式状语，成分种类较为丰富。并列谓语的识别（"and" 连接的是谓语而非分句）以及方式状语中 "instead of" 的理解是值得练习的点。但句子整体较短，缺少定语、表语、补语等其他常见成分，训练覆盖面有限。

These things have made a huge difference.

第3段，第5句

主谓宾结构 + 现在完成时是四六级和考研中的常见句式，具有一定代表性，学习后可在类似简单句中复用，但因过于简单、没有从句或复杂修饰，无法体现真题中更典型的长难句特征。

He no longer has to worry about whether or not he can understand.

第3段，第6句

"主句 + whether 引导的宾语从句" 是四六级和考研阅读中的常见句式，"whether or not" 的选择性表达和 "worry about" 的搭配都是高频结构。"has to" 表达义务也是典型用法。掌握本句结构后可迁移到大量类似表达，具有较好的代表性。

He can avoid being mistaken.

第18题，A

"情态动词 + 动词原形 + 动名词宾语" 是四六级和考研中常见的句式，动名词作宾语且带被动形式在真题中频繁出现，具有较高的典型性和迁移价值。

According to one interior designer, when people return home, they want to see colours that cheer them up and give them a hug.

第2段，第1句

时间状语从句 + 主句 + 定语从句修饰宾语这一组合，是四六级和考研阅读中极为常见的复合句式。定语从句内并列谓语也是高频考点。掌握本句结构可直接迁移到大量真题句子的分析中。

Don't go for a colour because it's in fashion, or you've seen it in a magazine.

第5段，第1句

这种“指令 + 理由并列”的结构在建议类、评论类文章中极其常见，尤其是状语从句的并列用法是基础语法的重点。

If it gives you joy every time you open the cupboard, you can start to take it further.

第6段，第2句

「条件状语从句 + 主句」是四六级和考研阅读中的常见句式，“If ... you can ...” 的建议表达也很典型。时间从句嵌套在条件从句内的结构虽不极常见，但从属连词的使用方式具有代表性，学习后可迁移到其他复杂句分析。

One can also paint the wooden frameworks the same colour as the walls, helping the rooms look bigger.

第7段，第1句

本句包含主语、谓语、宾语、宾语补足语、表语、状语等多种成分，尤其是“paint + 宾语 + 宾补”的复合宾语结构和现在分词短语作伴随状语的用法，都是四六级常考且易错的结构。第二个分句“the rooms look bigger”作为复合宾语的一部分，需要识别它不是独立分句，这是很好的辨析练习点。

In the kitchen, painting the overhead cupboards and the walls in the same colour can make it feel more spacious.

第7段，第2句

本句涵盖动名词短语作主语、情态动词谓语、使役动词的宾语加宾补结构、地点状语等多种成分，成分种类较为丰富。动名词主语和使役动词宾补是易错点，适合练习识别非谓语动词和复杂宾语结构。对目标读者而言，训练价值较高。

Additionally, a painted ceiling is a magical thing without being too obvious and can affect how the space feels as well.

第8段，第2句

并列谓语结构和宾语从句是四六级及考研真题中的高频句式，尤其 "how" 引导的宾语从句在真题中反复出现。本句的结构（主系表 + 并列的情态动词谓语 + 宾语从句）具有较强的代表性，掌握后可迁移到大量类似句子

What does the passage say people should avoid doing in home decoration?

第20题 题干

疑问句 + 宾语从句的结构在四六级和考研阅读理解题干中非常常见，尤其是以 "What does ... say/mean/suggest" 开头的提问方式。掌握这种句式对理解题目和文章内容有较高的迁移价值

Parents often hear that reading to their children is critical for supporting development, and the message is getting through to them.

第1段，第1句

本句的"主句 + 宾语从句 + 并列主句"结构在四六级和考研真题中非常典型。"hear that"、"be getting through"等搭配常见，且并列句式和宾语从句都是高频考点，掌握后可广泛迁移到其他句子。

In fact, recent research has found that both the quality and quantity of shared book reading in infancy predicted later childhood vocabulary and reading skills.

第2段，第2句

主句 + that 引导的宾语从句 是四六级和考研阅读中的高频句式，从句内并列主语和并列宾语的搭配也常见；该句型典型且可迁移性强，掌握后能识别大量同类结构，代表性较高。

In other words, the more time parents spend reading, the greater the developmental benefits in their four-year-old children.

第2段，第3句

本句覆盖了主语、谓语（含省略）、表语、宾语、定语从句、状语等多种成分，且包含两个值得练习的易错点：一是识别 "the + 比较级 ..., the + 比较级 ..." 句型中第一个结构作状语、二是识别定语从句中省略的关系代词及其在从句中充当的宾语成分。

This is in contrast to books that did not name images, or books that had the same label under each image.

第3段，第5句

主系表结构加并列定语从句修饰的句式在四六级和考研阅读中非常常见，尤其是用 "in contrast to" 等介词短语表达对比关系的表达方式，以及关系代词 "that" 引导限制性定语从句的用法，都是高频考点。掌握此句式后可大量复用于理解类似结构的句子。

Not all books are created equal, so parents need to choose the books they share with their children with great care.

第3段，第8句

本句结构高度典型：so 引导的因果复合句在四六级和考研阅读中极为常见，限制性定语从句修饰宾语、关系代词省略也是高频考点。被动语态表达客观事实、不定式作宾语均为标准句式，掌握后可大量复用到其他真题句型中

BLANKS & ANALYSIS • 选词填空题和解析

选词填空题和解析 · 26-35 题

本页 26-35 题的正确答案词与逐空解析由懒笔记按2022年12月·第2套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、4 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第2套(2022-12) • 四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Parenting brings fathers more joy than it does mothers, according to a new study. The research examined three studies 26 more than 18,000 participants. Across all three, parenthood was 27 with more positive wellbeing outcomes for dads than for mums.

根据一项新研究,为人父比为人母带来更多快乐。该研究考察了涉及超过18000名参与者的三项研究。在所有三项研究中,父亲身份与更积极的幸福感结果相关联,程度超过母亲。

So why are fathers happier than mothers? "Fathers may fare better than mothers in part due to how they spend time with their children," said lead author Katherine Nelson-Coffey. In one study, the authors 28 that dads were more likely to take "playing" as an 29 activity both when caring for their kids and spending time with their kids. "Playing with their children likely offers parents opportunities to experience positive feelings and 30 closeness with their children," they say.

那么为什么父亲比母亲更快乐呢?"父亲可能比母亲过得更好,部分原因在于他们与孩子共度时光的方式,"首席作者Katherine Nelson-Coffey说。在一项研究中,作者指出,无论是在照顾孩子还是与孩子共度时光时,父亲更有可能将"玩耍"作为一项额外活动。"与孩子玩耍可能为父母提供体验积极情感和培养孩子与孩子亲密关系的机会,"他们说。

Fathers also did better than men without kids, reporting greater happiness, life satisfaction, and fewer 31 symptoms. They also reported greater connectedness and autonomy(自主). For mums, 32, compared to women without children, the results weren't quite as positive. Mums reported greater autonomy, but also "greater trouble" and fewer positive 33.

父亲的表现也优于没有孩子的男性,报告了更高的幸福感、生活满意度和更少的抑郁症状。他们还报告了更强的联结感和自主性。然而,对于母亲来说,与没有孩子的女性相比,结果并不那么积极。母亲报告了更强的

自主性,但也有"更大的困扰"和更少的积极情绪。

Mums reported happier moods while interacting with their kids, compared to other experiences, but not while engaging 34 in childcare. "This difference suggests that how mothers and fathers spend time with their children might have important 35 for their wellbeing," the authors write. They suspect that mums may be less happy than dads because they're more likely to have higher expectations about parenthood. As such, they're more likely to be "let down" by the experience.

母亲报告在与孩子互动时心情更愉快,相比其他经历,但在直接从事育儿活动时则不然。"这一差异表明,母亲和父亲与孩子共度时光的方式可能对他们的幸福感有重要影响,"作者写道。他们推测母亲可能不如父亲快乐,因为她们更有可能对为人父母抱有更高的期望。因此,她们更有可能被这一经历"令人失望"。

| E) depressive | M) precisely |
| F) directly | N) superficial |
| G) emotions | O) therefore |
| H) however | |

26. The research examined three studies (26) more than 18,000 participants.

【答案】 **K) involving** (动词)

【词性槽】 studies 后空、再接 more than 18,000 participants, 是分词作后置定语

【依据】 involving = 涉及, studies involving ... participants 是"涉及.....名参与者的研究"的固定说法

three studies (26) more than 18,000 participants 填 involving, 意为这些研究"涉及/包含"一万八千多名参与者, 学术语境里极常见。

【竞争词】 c) composing 义反: composing 是"组成", 主客体方向颠倒

compose 指"部分组成整体", 应是 participants composing the studies (参与者组成研究), 而不是 studies composing participants。原文主语是 studies, 方向相反, 故 composing 语义指向错误, 排除。

【易错】 最具迷惑性的错误词是 C) —— composing 词性形态全对、意思也像"组成", 但方向反。three studies (26) more than 18,000 participants——composing 极易误选。防坑: 代入查主客体方向, studies composing participants (研究组成参与者) 不通, 应是 studies involving participants。

27. parenthood was __(27)__ with more positive wellbeing outcomes

【答案】 **B) associated** (动词)

【词性槽】 was 之后、with 之前的空，是被动语态的过去分词

【依据】 **be associated with = 与.....相关联，正好连接"为人父母"和"更积极的幸福感结果"**

parenthood was __(27)__ with more positive wellbeing outcomes for dads 填 associated，意为"为人父母与更积极的幸福结果相关"，是研究结论里描述相关性的标准搭配。

28. In one study, the authors __(28)__ that dads were more likely to take "playing" as an __(29)__ activity

【答案】 **L) note** (动词)

【词性槽】 主语 the authors 后紧跟空、再跟 that 宾语从句，缺谓语动词

【依据】 **note that... = 指出、注意到，正好引出研究发现**

the authors __(28)__ that dads were more likely to take "playing" as an __(29)__ activity——作者"指出"父亲更倾向把陪玩当成一项活动，note that 是论文里转述研究结论的常用搭配，语义与时态都吻合。

29. to take "playing" as an __(29)__ activity

【答案】 **A) additional** (形容词)

【词性槽】 an 与名词 activity 之间的空，是定语形容词位

【依据】 **an additional activity = 一项额外的活动，搭配自然、首音 a 对得上 an**

父亲把"陪玩"看作"额外的/附加的"一项活动，as an __(29)__ activity 填 additional，语义和 an 的用法都成立。

30. opportunities to experience positive feelings and __(30)__ closeness with their children

【答案】 **D) cultivate** (动词)

【词性槽】 and 并列 experience，后接宾语 closeness，是动词原形

【依据】 **cultivate closeness = 培养亲密感，与 experience positive feelings 并列得当**

experience positive feelings and __(30)__ closeness with their children 填 cultivate，"体验积极情绪并培养与孩子的亲密感"，cultivate 常与 relationship/closeness 这类抽象名词搭配。

31. reporting greater happiness, life satisfaction, and fewer __(31)__ symptoms

【答案】 **E) depressive** (形容词)

【词性槽】 fewer 与名词 symptoms 之间的空，是定语形容词位

【依据】 **depressive symptoms = 抑郁症状，是心理健康话题的标准搭配**

reporting greater happiness, life satisfaction, and fewer __(31)__ symptoms——父亲"更幸福、更满意、抑郁症状更少"，fewer depressive symptoms 正好与前面的 happiness/satisfaction 形成"积极更多、消极更少"的对照，depressive symptoms 是固定术语。

【竞争词】 **N) superficial 搭配不成立且语境不符：superficial symptoms 非固定术语**

superficial 是"表面的/肤浅的"，superficial symptoms (表面症状) 既非心理健康常用术语，也与此处"幸福/满意/心理症状"的语境不搭。本句讲心理健康指标，应是 depressive，superficial 排除。

32. For mums, __(32)__, compared to women without children, the results weren't quite as positive.

【答案】 **H) however** (副词)

【词性槽】 两个逗号之间的插入语，是连接副词

【依据】 **上文说父亲情况好、本句说妈妈"不那么积极"，是转折，用 however**

前一段 Fathers also did better than men without kids, reporting greater happiness 说父亲更好，本句 For mums, __(32)__, compared to women without children, the results weren't quite as positive. 转向妈妈"结果没那么积极"，前后是对比转折，填 however 最贴。

【竞争词】 **O) therefore 逻辑指向反：therefore 表因果，但此处是转折不是结果**

therefore 意为"因此"，要求前句是因、后句是果。但前文讲父亲情况好，与本句妈妈情况差之间不是因果，而是对照转折——好坏相反。用 therefore 逻辑不成立，应是 however，故排除。

【易错】 最具迷惑性的错误词是 **O)** —— therefore 词性对、也是逗号插入位，但把转折看成了因果。For mums, __(32)__, compared to women without children, the results weren't quite as positive.——很多考生看到插入位的连接副词就随手填 therefore。防坑：先判断前后句是"相反"还是"因果"，父亲好、母亲差是对照，应填 however。

33. Mums reported greater autonomy, but also "greater trouble" and fewer positive __(33)__.

【答案】 **G) emotions** (名词)

【词性槽】 fewer positive 之后的空，是被形容词修饰的名词

【依据】 **positive emotions = 积极情绪，与前文 positive feelings 同源**

fewer positive __(33)__ 填 emotions，"更少的积极情绪"，与第二段 opportunities to experience positive feelings 的"积极感受"一脉相承，且与本句"妈妈烦恼更多"对应——积极情绪更少。

34. happier moods while interacting with their kids, compared to other experiences, but not while engaging __(34)__ in childcare

【答案】 **F) directly** 副词

【词性槽】 engaging 动词之后的空，修饰动作方式

【依据】 **engaging directly in childcare = 直接参与育儿，与前面"互动时"对照**

happier moods while interacting with their kids ... but not while engaging __(34)__ in childcare——妈妈和孩子互动时心情更好，但"直接参与育儿（杂务）"时却不然。directly 强调"亲自/直接投入"育儿事务，与"互动"形成对照，语义贴切。

【竞争词】 M) **precisely** 语义不合：**precisely 是"精确地"，修饰"参与育儿"不通**

precisely 意为"精确地、恰恰"，engaging precisely in childcare（精确地参与育儿）讲不通，它一般修饰数字/说法的准确度。此处要表达"直接/亲自投入"，应是 directly，precisely 排除。

35. how mothers and fathers spend time with their children might have important __(35)__ for their wellbeing

【答案】 **I) implications** 名词

【词性槽】 important 形容词之后、for 之前的空，是被修饰的名词

【依据】 **have important implications for = 对.....有重要影响/意义，是固定表达**

might have important __(35)__ for their wellbeing 填 implications，"对他们的幸福感有重要影响"，have implications for 是讨论研究意义时的标准搭配。

【竞争词】 G) **emotions** 搭配不成立：**have important emotions for 不通**

emotions 是"情绪"，have important emotions for their wellbeing（对幸福感有重要情绪）逻辑不通；而且 emotions 更贴 30 空附近的"积极情绪"语境。此处讲的是"对幸福感的影响"，应是 implications，故 emotions 排除。

WORD BANK · 词库分类表

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A–O)，为 10 个空各选一个、每词最多用一次。下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **additional** 形容词

额外的、附加的

用于第 29 空

B) **associated** 动词 形容词

(与.....) 相关联的；associated with 与.....有关

抑郁的、令人沮丧的

用于第 31 空

F) **directly** 副词

直接地

用于第 34 空

G) **emotions** 名词

情绪、情感 (复数)

用于第 33 空

H) **however** 副词

然而 (转折)

用于第 32 空

I) **implications** 名词

影响、意义、暗示 (复数)

用于第 35 空

J) **interfered** 动词

干涉、妨碍 (interfere 的过去式/过去分词)

干扰词 · 未选用

K) **involving** 动词 形容词

涉及、包含 (involve 的现在分词)

用于第 26 空

L) **note** 动词 名词

注意到、指出 (动词) ; 笔记、便条 (名词)

用于第 28 空

M) **precisely** 副词

精确地、恰恰

干扰词 · 未选用

N) **superficial** 形容词

表面的、肤浅的

干扰词 · 未选用

O) **therefore** 副词

因此、所以 (表结果)

干扰词 · 未选用

全文主旨

一项研究发现：当爸爸比当妈妈更快乐

开篇一句就把全文定调了——Parenting brings fathers more joy than it does mothers, according to a new study.。整篇都在围绕“为什么父亲比母亲更幸福”展开：父亲多以“玩”的方

式陪孩子、心理状态更好；母亲虽获得自主感，却也有更多烦恼、期望落空。把这条主线记住，后面每个空填进去都要和“父亲更快乐、母亲落差更大”这个语境对得上。

DISTRACTORS • 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

C) **composing** 最像 26 空答案：词性对、也沾“组成”边，但主客体方向反了

three studies __(26)__ more than 18,000 participants 处 composing 是 -ing 分词、词性完全对，意思又是“组成”看着也沾边，极易误选。识破点：compose 是“部分组成整体”，应是 participants composing studies，方向与原文相反，故选 involving。

J) **interfered** 最像 27 空答案：interfere with 也是 be 后接 with 的结构

parenthood was __(27)__ with ... 处 interfered 也能凑成 be interfered with，词性结构都对。识破点：interfere with 意为“妨碍”，与本句“更积极的幸福结果”语义相反，故选 associated。

M) **precisely** 最像 34 空答案：同为副词、能修饰动词

engaging __(34)__ in childcare 处 precisely 词性正确、位置也对。识破点：precisely 是“精确地”，修饰“参与育儿”语义讲不通，此处要“直接/亲自”投入，故选 directly。

N) **superficial** 最像 31 空答案：同为形容词、可修饰 symptoms

fewer __(31)__ symptoms 处 superficial 是形容词、能放在 symptoms 前。识破点：superficial symptoms 非心理健康术语、与“幸福/满意”语境不搭，本话题固定术语是 depressive symptoms。

O) **therefore** 最像 32 空答案：同为连接副词、可放逗号插入位

For mums, __(32)__ ... 处 therefore 词性、位置都对。识破点：therefore 表因果，而前文父亲情况好与本句母亲情况差是对照转折、非因果，故选 however。

SENTENCE INSIGHTS • 句子精讲

2 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Mums reported happier moods while interacting with their kids, compared to other experiences, but not while engaging directly in childcare.

第4段，第1句

本句涵盖主语、谓语、宾语、时间状语、方式状语等多种成分，且出现了多个并列状语（while interacting、but not while engaging、compared to），可用于练习识别状语的不同类型及其与主干的关系，具有一定训练价值。

As such, they're more likely to be "let down" by the experience.

第4段，第4句

be likely to do 是考试中常见的表达可能性的句式，likely 后接不定式的结构也是高频考点；主系表 + 状语的组合在阅读和写作中经常出现，具有较好的代表性和迁移价值。

HIGH-FREQUENCY · 真题高频词

本篇出现的 27 个英语四级真题高频词

下列单词既在本篇英文短文中出现，又是 **英语四级** 历年真题的高频词（在该考试真题中出现的句子数均不少于 8）。每个词标注本篇 出现次数与该考试真题句频，点击可查看该词的释义、音标、词形与真题例句。

STATEMENTS & ANALYSIS • 信息匹配题和解析

信息匹配题和解析·36-45 题

本页 36-45 题的段落匹配答案与逐句解析由懒笔记基于2022年12月·第2套 英语四级长篇阅读（信息匹配）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 9 段字母标号长文（逐段附中文翻译）；之后 10 句陈述逐句排列，每句英文陈述后紧接本句解析——陈述句中译、信息所在段落、锚点强弱、定位句中英对照、陈述句与原文的同义改写对照与易混相邻段辨析。

真题卷第2套(2022-12)·四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

Learning to say no

A) Not doing something will always be faster than doing it. This philosophy applies in many areas of life. For example, there is no meeting that goes faster than not having a meeting at all. This is not to say you should never attend another meeting, but the truth is that we say "yes" to too many things we don't actually want to do.

不做某件事永远比做它更快。这一哲学适用于生活的许多领域。例如,没有哪场会议能比完全不开会更快。这并不是说你永远不再参加会议,但事实是,我们对太多自己并不真正想做的事情说"是"。

B) How often do people ask you to do something and you just reply, "Sure." Three days later, you're overwhelmed by how much is on your to-do list. We become frustrated by our obligations even though we were the ones who said "yes" to them in the first place. Even worse, people will occasionally fight to do things that waste time. You don't have to do something just because it exists. It's worth asking if things are necessary. Many of them are not, and a simple "no" will be more productive than whatever work the most efficient person can cope with. But if the benefits of saying "no" are so obvious, then why do we say "yes" so often?

有多少次别人请你做某事,你只是回答"当然"。三天后,你就会被待办事项清单上的任务压垮了。我们对自己的义务感到沮丧,尽管当初是我们自己对它们说"是"的。更糟糕的是,人们有时会争着去做浪费时间的事情。你不必仅仅因为某件事存在就去做它。值得问一问这些事情是否必要。其中许多并非必要,简单的一个"不"会比最高效的人所能应付的任何工作都更有成效。如果说"不"的好处如此明显,那么我们为什么还要如此频繁地说"是"呢?

- C) We say "yes" to many requests not because we want to do them, but because we don't want to be seen as rude or unhelpful. Often, we have to consider saying "no" to someone we will interact with again in the future—our co-worker, our spouse, our family and friends. Saying "no" to our superiors at work can be particularly difficult. In these situations, I like the approach recommended in *Essentialism* by Greg McKeown. He writes, "Remind your superiors what you would be neglecting if you said 'yes' and force them to deal with the trade-off. For example, if your manager comes to you and asks you to do X, you can respond with 'Yes, I'm happy to make this the priority. Which of these other projects should I deprioritize to pay attention to this new project?'"

我们对许多请求说“是”，不是因为我们想做这些事，而是因为我们不想被视为粗鲁或不愿帮忙。通常，我们必须考虑对将来还会再次打交道的人说“不”——我们的同事、配偶、家人和朋友。对工作中的上司说“不”可能特别困难。在这些情况下，我喜欢Greg McKeown在《精要主义》中推荐的方法。他写道：“提醒你的上司，如果你说‘是’，你将会忽略什么，并迫使他们处理这种权衡。例如，如果你的经理来找你，要求你做X，你可以回答‘好的，我很乐意把这作为优先事项。我应该降低这些其他项目中哪一个的优先级，以便关注这个新项目？’”

- D) Collaborating with others is an important element of life. The thought of straining the relationship outweighs the commitment of our time and energy. For this reason, it can be helpful to be gracious in your response. Do whatever favors you can, and be warm-hearted and direct when you have to say no. But even after we have accounted for these social considerations, many of us still seem to do a poor job of managing the trade-off between yes and no. We find ourselves over-committed to things that don't meaningfully improve or support those around us, and certainly don't improve our own lives.

与他人合作是生活的重要组成部分。使关系紧张的想法超过了我们时间和精力付出。因此，在回应时保持亲切会有所帮助。尽你所能帮忙，当你不得不说“不”时，要热情而直接。但即使在我们考虑了这些社会因素之后，我们中的许多人似乎仍然在管理“是”与“不”之间的权衡方面做得很差。我们发现自己过度承诺了一些事情，这些事情并不能有意义地改善或支持我们周围的人，当然也不能改善我们自己的生活。

- E) Perhaps one issue is how we think about the meaning of yes and no. The words "yes" and "no" get so often used in comparison with each other that it feels like they carry equal weight in conversation. In reality, they're not just opposite in meaning, but of entirely different magnitudes in commitment. When you say "no", you're only saying "no" to one option. When you say "yes", you're saying "no" to every other option. I like how economist Tim Harford put it, "Every time we say 'yes' to a request, we're also saying 'no' to anything else we might accomplish with the time?" Once you're committed to something, you've already decided how that future block of time will be spent. In other words, saying "no" saves you time in the future. Saying "yes" costs you time in the future. "No" is a form of time credit. You retain the ability to spend your future time however you want. "Yes" is a form of time debt. You have to pay back your commitment at some point.

也许一个问题是我们如何看待“是”和“不”的含义。“是”和“不”这两个词经常被相互比较使用，以至于感觉它们在对话中具有同等的分量。实际上，它们不仅在意义上相反，而且在承诺的量级上完全不同。当你说“不”时，你只是对一个选择说“不”。当你说“是”时，你是对所有其他选择说“不”。我喜欢经济学家Tim Harford的说法：“每次我们对一个请求说‘是’，我们也是在对我们可能用这段时间完成的任何其他事情说‘不’。”一旦你承诺了某事，你就已经决定了未来那段时间将如何度过。换句话说，说“不”为你节省了未来的时间。说“是”让你在将来付出时间代价。“不”是一种时间信用。你保留了以任何你想要的方式支配未来时间的能力。“是”是一种时间债务。你必须在某个时刻偿还你的承诺。

- F) "No" is a decision. "Yes" is a responsibility. Saying "no" is sometimes seen as a luxury that only those in power can afford. And it's true: turning down opportunities is easier when you can fall back on the safety net provided by power, money, and authority. But it's also true that saying "no" is not merely a privilege reserved for the successful. It's also a strategy that can help you become successful. Saying "no" is an important skill to develop at any stage of your career because it retains the most important asset in life: your time. As investor Pedro Sorrentino put it, "If you don't guard your time, people will steal it from you." You need to say "no" to whatever isn't leading you toward your goals.

"不"是一个决定。"是"是一种责任。说"不"有时被视为只有那些有权力的人才能负担得起的奢侈品。确实如此:当你可以依靠权力、金钱和权威提供的安全网时,拒绝机会会更容易。但同样真实的是,说"不"不仅仅是成功人士的特权。它也是一种可以帮助你成功的策略。在职业生涯的任何阶段,学会说"不"都是一项需要培养的重要技能,因为它保留了生命中最宝贵的资产:你的时间。正如投资者Pedro Sorrentino所说:"如果你不保护你的时间,人们就会从你那里偷走它。"你需要对任何不能引导你实现目标的事情说"不"。

- G) Nobody embodied this idea better than Steve Jobs, who said, "People think focus means saying 'yes' to the thing you've got to focus on. But that's not what it means at all. It means saying 'no' to the hundred other good ideas that there are. You have to pick carefully." Jobs had another great quote about saying "no": "I'm actually as proud of the things we haven't done as the things I have done. Innovation is saying 'no' to 1,000 things."

没有人比Steve Jobs更好地体现了这个理念,他说:"人们认为专注意味着对你必须专注的事情说'是'。但这根本不是它的意思。它意味着对其他一百个好主意说'不'。你必须仔细挑选。"Jobs还有另一句关于说"不"的名言:"实际上,我为我们没有做的事情感到自豪,就像为我做过的事情感到自豪一样。创新就是对1000件事说'不'。"

- H) Over time, as you continue to improve and succeed, your strategy needs to change. The opportunity cost of your time increases as you become more successful. At first, you just eliminate the obvious distractions and explore the rest. As your skills improve and you learn to separate what works from what doesn't, you have to continually increase your threshold for saying "yes". You still need to say "no" to distractions, but you also need to learn to say "no" to opportunities that were previously good uses of time, so you can make space for better uses of time. It's a good problem to have, but it can be a tough skill to master.

随着时间的推移,当你不断进步和成功时,你的策略需要改变。随着你变得更成功,你的时间机会成本也在增加。起初,你只是消除明显的干扰并探索其余的。随着你的技能提高,你学会区分什么有效、什么无效,你必须不断提高说"是"的门槛。你仍然需要对干扰说"不",但你也需要学会对以前是时间良好利用方式的机会说"不",这样你才能为更好的时间利用方式腾出空间。这是一个好问题,但可能是一项难以掌握的技能。

- I) What is true about health is also true about productivity: an ounce of prevention is worth a pound of cure. More effort is wasted doing things that don't matter than is wasted doing things inefficiently. And if that is the case, elimination is a more useful skill than optimization. I'm reminded of the famous Peter Drucker quote, "There is nothing so useless as doing efficiently that which should not be done at all."

关于健康的道理同样适用于生产力:一分预防胜过十分治疗。做无关紧要的事情所浪费的努力,比低效地做事情所浪费的努力更多。如果情况确实如此,那么消除就是比优化更有用的技能。这让我想起Peter

Drucker的名言:"没有什么比高效地做根本不应该做的事情更无用的了。"

陈述句与逐句解析

36. People often grant a request just because they want to appear polite and helpful.

人们常常答应请求仅仅是因为他们想显得有礼貌和乐于助人。

【答案】 **C** 段 (弱锚点)

【锚点】 为显得礼貌而答应

【定位】 We say "yes" to many requests not because we want to do them, but because we don't want to be seen as rude or unhelpful.

我们答应许多请求, 不是因为想做, 而是因为不想被看作无礼或不肯帮忙。

【改写】 they want to appear polite and helpful ↔ **we don't want to be seen as rude or unhelpful**
负面词加否定等于正面词

grant a request ↔ **We say "yes" to many requests**
答应请求的同义说法

【辨邻】 **D** D段的拒绝顾虑是 The thought of straining the relationship outweighs the commitment of our time and energy——「怕伤关系」, 而非 appear polite and helpful 的「怕显得无礼」, 动机不同, 故不是源头段。

The thought of straining the relationship outweighs the commitment of our time and energy

37. It's no easy job learning to say "no" to opportunities that were once considered worth grasping.

学会对曾经被认为值得抓住的机会说"不"并非易事。

【答案】 **H** 段 (弱锚点)

【锚点】 对曾值得抓住的机会说 no 不易

【定位】 You still need to say "no" to distractions, but you also need to learn to say "no" to opportunities that were previously good uses of time, so you can make space for better uses of time.

你仍要对干扰说 no, 但还得学会对那些「以前是时间好用法」的机会说 no, 好为更好的用法腾出空间。

【改写】 opportunities that were once considered worth grasping ↔
opportunities that were previously good uses of time
曾值得抓=以前是好用法

It's no easy job ↔ **it can be a tough skill to master**
不容易=难掌握的技能

【辨邻】 F F段说 You need to say "no" to whatever isn't leading you toward your goals——拒绝的是「无助于目标的事」，并非 once considered worth grasping 的「曾被认为是值得抓的好机会」，少了「曾经好」这层转折，故非源头段。

You need to say "no" to whatever isn't leading you toward your goals

38. When you decline a request, you are saving your future time.

当你拒绝一个请求时，你是在节省你未来的时间。

【答案】 E 段（弱锚点）

【锚点】 拒绝即省下未来时间

【定位】 In other words, saying "no" saves you time in the future.

换句话说，说 no 会为你省下未来的时间。

【改写】 When you decline a request ↔ When you say "no"

拒绝请求=说no

you are saving your future time ↔ saying "no" saves you time in the future

几乎原样复现

【辨邻】 F F段说 it retains the most important asset in life: your time——「保住时间这一资产」，没有 saving your future time 那种「拒绝即省下未来时间」的明确因果陈述，故非源头段。

it retains the most important asset in life: your time

39. People sometimes struggle to do things that are simply a waste of time.

人们有时会艰难地去做一些纯粹是浪费时间的事情。

【答案】 B 段（弱锚点）

【锚点】 费力去做纯属浪费时间的事

【定位】 Even worse, people will occasionally fight to do things that waste time.

更糟的是，人们有时甚至会争着去做浪费时间的事。

【改写】 struggle to do things ↔ fight to do things

挣扎做=争着做

things that are simply a waste of time ↔ things that waste time

浪费时间的事，措辞近同

【辨邻】 I I段说 More effort is wasted doing things that don't matter than is wasted doing things inefficiently——比较两种浪费的多少，并非 struggle to do things that are simply a waste of time 描述的「人主动费劲去做浪费时间事」这一行为，故非源头段。

More effort is wasted doing things that don't matter than is wasted doing things inefficiently

40. Doing efficiently what is not worth doing is the most useless effort.

高效地做不值得做的事是最无用的努力。

【答案】 I 段（强锚点）

【锚点】 高效做不值得做的事最无用

【定位】 I'm reminded of the famous Peter Drucker quote, "There is nothing so useless as doing efficiently that which should not be done at all."

我想起 Peter Drucker 的名言：「没有什么比高效地去做根本不该做的事更无用了。」

【改写】 Doing efficiently what is not worth doing ↔

doing efficiently that which should not be done at all

不值得做=根本不该做

is the most useless effort ↔ **There is nothing so useless as**

「没有比这更无用」=「最无用」

41. It is especially difficult for people to decline to do what their superiors ask them to do.

人们尤其难以拒绝做上级要求他们做的事情。

【答案】 C 段（弱锚点）

【锚点】 对上司之命尤其难拒绝

【定位】 Saying "no" to our superiors at work can be particularly difficult.

对工作中的上司说 no 可能尤其困难。

【改写】 especially difficult ↔ **particularly difficult**

especially=particularly

decline to do what their superiors ask them to do ↔ **Saying "no" to our superiors at work**

拒绝上司之命=对上司说no

【辨邻】 D 段讲 Collaborating with others is an important element of life 与怕伤关系，对象是泛指的合作者，没有 superiors「上司」这一特定对象与「尤其难」的论断，故非源头段。

Collaborating with others is an important element of life

42. People agree to do too many things they are in fact unwilling to do.

人们同意做太多实际上不愿意做的事情。

【答案】 A 段（弱锚点）

【锚点】 答应太多其实不愿做的事

【定位】 This is not to say you should never attend another meeting, but the truth is that we say "yes" to too many things we don't actually want to do.

这不是说你再也别去开会，但事实是，我们对太多自己其实不想做的事说了 yes。

【改写】 agree to do too many things ↔ **we say "yes" to too many things**

答应做=对...说yes

they are in fact unwilling to do ↔ **we don't actually want to do**

其实不愿=其实不想

【辨邻】 **B** B段说 you're overwhelmed by how much is on your to-do list——答应后被任务压垮，讲的是后果；而 unwilling to do「其实不愿做」这一断言出在 A 段，故 B 非源头段。

you're overwhelmed by how much is on your to-do list

43. According to one famous entrepreneur, innovation means refusal to do an enormous number of things.

据一位著名企业家所说,创新意味着拒绝做大量的事情。

【答案】 **G** 段 (强锚点)

【锚点】 某著名企业家: 创新即拒绝大量事

【定位】 Jobs had another great quote about saying "no": "I'm actually as proud of the things we haven't done as the things I have done. Innovation is saying 'no' to 1,000 things."

Jobs 还有句关于说 no 的名言:「我对没做的事,和已做的事一样自豪。创新就是对一千件事说 no。」

【改写】 innovation means refusal to do an enormous number of things ↔

Innovation is saying 'no' to 1,000 things

拒绝大量=对1000件说no

one famous entrepreneur ↔ **Steve Jobs**

著名企业家=Steve Jobs

44. It is an essential aspect of life to cooperate with other people.

与他人合作是生活的一个基本方面。

【答案】 **D** 段 (弱锚点)

【锚点】 与他人合作是生活要素

【定位】 Collaborating with others is an important element of life.

与他人协作是生活的一个重要要素。

【改写】 to cooperate with other people ↔ **Collaborating with others**

cooperate=collaborate

an essential aspect of life ↔ **an important element of life**

本质方面=重要要素

45. Refusing a request is sometimes seen as a privilege not enjoyed by ordinary people.

拒绝请求有时被视为普通人不享有的特权。

【答案】 F 段 (弱锚点)

【锚点】 拒绝被视为普通人无的特权

【定位】 Saying "no" is sometimes seen as a luxury that only those in power can afford.

说 no 有时被看作只有有权者才负担得起的奢侈。

【改写】 a privilege not enjoyed by ordinary people ↔ a luxury that only those in power can afford

普通人无的特权=只有权势者能享

Refusing a request ↔ Saying "no"

拒绝请求=说no

【辨邻】 G 段是 It means saying 'no' to the hundred other good ideas——讲专注就是取舍，并非 a privilege not enjoyed by ordinary people 的「说 no 是普通人无的特权」这一论点，故非源头段。

It means saying 'no' to the hundred other good ideas that there are

PARAGRAPH MAP • 段落主旨图

9 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

A 提出全文总观点：不做某事永远比做它快，但我们对太多自己其实不想做的事说了「yes」。

信息指纹 无强指纹，靠语义

B 描述说 yes 的后果：随口答应后被任务压垮；并指出人们有时会争着去做浪费时间的事，不必凡事都做。

信息指纹 为浪费时间的事而争

C 解释为何常说 yes：怕被看作无礼或不肯帮忙；尤其对上司说 no 最难，并给出 McKeown 的应对话术。

信息指纹 怕显得无礼 + 对上司说 no

D 强调与他人协作是生活的重要部分，怕伤关系而难以拒绝；但即便顾及了这些社交因素，许多人仍处理不好 yes 与 no 的取舍。

信息指纹 与他人协作是生活要素

E 重新审视 yes 与 no 的分量：二者承诺量级不同；说 no 只否掉一个选项，说 yes 等于对其他一切说 no；no 是时间存款，yes 是时间欠债。

信息指纹 no=时间存款，yes=时间欠债

F 说 no 常被看作只有权势者才有的特权，但它其实也是助你走向成功的策略，能守住最宝贵的资产——时间。

信息指纹 no 被当作权势者的特权

G 借 Steve Jobs 之口阐释 focus：专注意味着对上百个好点子说 no；并引其名言「创新就是对一千件事说 no」。

信息指纹 Steve Jobs 谈 focus 与创新

H 随着你不断进步成功，策略要变：机会成本上升，要不断提高说 yes 的门槛，连「以前是好用法」的机会也得学会拒绝。

信息指纹 对「曾经的好机会」也说 no

I 把健康道理迁到生产力：预防胜于治疗；浪费在「不该做的事」上的精力多于浪费在「做得低效」上的；引 Drucker 名言。

信息指纹 高效做不该做的事最无用

SENTENCE INSIGHTS • 句子精讲

15 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

We become frustrated by our obligations even though we were the ones who said "yes" to them in the first place.

B段，第3句

让步状语从句搭配定语从句的嵌套结构,在四六级和考研英语阅读中高频出现,是典型的复合句式。主句的系表结构加状语也是常考句型,掌握后可大量复用到其他句子的分析中。

But if the benefits of saying "no" are so obvious, then why do we say "yes" so often?

B段，第8句

if 条件状语从句配合主句疑问句的结构在四六级和考研英语阅读中非常常见,属于典型的逻辑推理句式。这种 'if...then why...' 的反问模式经常用于论证和质疑,学生掌握后可在大量真题中复用。But 引导转折、then 呼应 if 的用法也是标准写法。

We say "yes" to many requests not because we want to do them, but because we don't want to be seen as rude or unhelpful.

C段，第1句

"not because... but because..." 原因对比结构在考试中较为常见,尤其适合考查学生对并列对比逻辑的理解。主句带两个原因状语从句的模式也是典型句式,掌握后可迁移

Remind your superiors what you would be neglecting if you said 'yes' and force them to deal with the trade-off.

C段，第6句

句子覆盖了双宾语结构、宾语从句、条件状语从句、宾语补足语等多种成分,且宾语从句中引导词 what 既连接又充当成分,是典型易错点。适合训练多层嵌套中的成分识别。

For this reason, it can be helpful to be gracious in your response.

D段，第3句

"It is/can be + 形容词 + to do" 是四六级和考研英语阅读中极为常见的句式,掌握此结构后可大量迁移到类似句子,典型性较高

Do whatever favors you can, and be warm-hearted and direct when you have to say no.

D段，第4句

覆盖祈使句、宾语从句（含 whatever 引导和谓语省略）、时间状语从句，以及系表结构、并列连词等多种成分。宾语从句中的省略现象（you can 省略 do）和 whatever 的双重作用（引导词兼宾语）具有一定训练价值，适合练习从句识别和省略补全。

I like how economist Tim Harford put it, "Every time we say 'yes' to a request, we're also saying 'no' to anything else we might accomplish with the time?"

E段，第6句

“作者认同某人观点+具体观点引用”是典型的论说文开头或论据支撑句式，且从句的组合方式在真题阅读中极其常见。

In other words, saying "no" saves you time in the future.

E段，第8句

动名词短语作主语和双宾语结构都是四六级和考研常考的句式，在阅读理解和翻译题中频繁出现。本句结构简洁但典型，掌握后可迁移到类似句型。不过，由于缺少从句和更复杂的修饰结构，代表性稍逊于包含多种句式的长难句。

And it's true: turning down opportunities is easier when you can fall back on the safety net provided by power, money, and authority.

F段，第4句

本句成分丰富且有多练习点：形式主语与真正主语的对应、动名词短语作主语、比较级作表语、时间状语从句、过去分词作后置定语修饰宾语。这些都是基础学生常见的易错点，尤其形式主语和动名词主语的识别、状语从句的归属判断都有较高训练价值。

Nobody embodied this idea better than Steve Jobs, who said, "People think focus means saying 'yes' to the thing you've got to focus on. But that's not what it means at all. It means saying 'no' to the hundred other good ideas that there are. You have to pick carefully."

G段，第1句

本句包含比较结构和非限制性定语从句，这两种结构在四六级和考研阅读中经常出现。特别是非限制性定语从句用于补充说明人物或事物，以及引述某人言论的用法，是典型的学术和正式文体句式。掌握后可应用于大量类似句型的理解和写作。

I'm reminded of the famous Peter Drucker quote, "There is nothing so useless as doing efficiently that which should not be done at all."

I段，第4句

覆盖主语、谓语、状语、同位语、定语从句等多种成分，特别是同位语从句和定语从句的识别是常见易错点。句中 "There be" 结构和 "which" 引导的定语从句都是练习重点，训练价值较高。

Doing efficiently what is not worth doing is the most useless effort.

第40题题干

本句适合训练以下能力：识别长主语（动名词短语）、定位嵌套在主语中的宾语从句、区分动名词与谓语动词、理解 what 在从句中既引导又充当主语的双重作用。这些都是英语学习中的常见易错点，训练价值较高。

It is especially difficult for people to decline to do what their superiors ask them to do.

第41题题干

形式主语 It is + 形容词 + for sb to do 结构在四六级和考研阅读中极为常见，what 引导的宾语从句以及 ask sb to do 双宾语结构也是高频句式。本句结构具有很强的代表性，掌握后可迁移到大量类似句子。

People agree to do too many things they are in fact unwilling to do.

第42题题干

本句体现了 "实义动词 + 不定式宾语 + 省略关系代词的限制性定语从句" 这一常考句式，在四六级和考研阅读中频繁出现。掌握这种结构后，学生能够迁移到大量类似句型的分析中，实用性强。

It is an essential aspect of life to cooperate with other people.

第44题 题干

形式主语 "It is + 形容词/名词 + to do" 句型在四六级和考研真题中高频出现，是写作和阅读中的典型结构。本句结构标准且完整，掌握后可以直接迁移到大量类似句型（如 It is important to...、It is necessary to... 等），实用性和代表性都很强。

request B1

n. 请求

本篇5次 · 真题 26 句

opportunity B1

n. 机会

本篇4次 · 真题 89 句

commitment B2

n. 承诺

本篇3次 · 真题 18 句

superior B2

adj. 更好的

本篇3次 · 真题 14 句

actually A2

adv. 实际上，事实上（用于纠正或补充信息）

本篇2次 · 真题 148 句

better A1

adj. 更好的（good 的比较级）

本篇2次 · 真题 139 句

focus B1

n. 重点

本篇2次 · 真题 107 句

project A2

n. 项目

本篇2次 · 真题 90 句

decline B2

v. 下降

本篇2次 · 真题 73 句

option B1

n. 选择

本篇2次 · 真题 60 句

power A2

n. 权力

本篇2次·真题 59 句

strategy B2

n. 策略

本篇2次·真题 53 句

innovation B2

n. 创新;革新(指行为或过程)

本篇2次·真题 50 句

remind A2

v. 提醒

本篇2次·真题 18 句

obvious B1

adj. 明显的

本篇2次·真题 16 句

distraction B2

n. 分心

本篇2次·真题 13 句

retain B2

v. 保留

本篇2次·真题 10 句

would A1

aux. (will 的过去式) 将要, 会

本篇1次·真题 466 句

accord C1

n. (国家、团体间的) 协议

本篇1次·真题 174 句

benefit B1

n. 好处

本篇1次·真题 169 句

career B1

n. 职业

本篇1次·真题 119 句

support A2

v. 支持

本篇1次·真题 118 句

relationship B1

n. 关系

本篇1次·真题 109 句

simply B1

adv. 仅仅, 只不过

本篇1次·真题 90 句

case A2

n. 情况

本篇1次·真题 89 句

issue B1

n. 问题

本篇1次·真题 83 句

later A1

adv. 以后, later

本篇1次·真题 70 句

account A2

n. 账户

本篇1次·真题 61 句

apply A2

v. 申请

本篇1次·真题 58 句

responsibility B1

n. 责任

本篇1次·真题 55 句

struggle B1

v. 奋斗

本篇1次·真题 54 句

approach B1

v. 靠近, 接近 (在空间或时间上)

本篇1次·真题 50 句

response B1

n. 回答

本页 46-50 题的答案与逐题解析由懒笔记基于2022年12月·第2套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 8 段原文（段首标 P1-P8 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第2套(2022-12) · 四级

Part III Section C (1)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

P1 We're eating more fish than ever these days. At around 20 kilograms per person global fish consumption is now more than twice what it was in the 1960s. What's really remarkable, though, is where that fish comes from.

如今我们吃鱼比以往任何时候都多。全球人均鱼类消费量约为20公斤,是20世纪60年代的两倍多。不过,真正引人注目的是这些鱼的来源。

P2 For the first time in human history, most of our aquatic(水产的) food now comes from farming rather than fishing.

人类历史上第一次,我们的大部分水产食品来自养殖而非捕捞。

P3 People ate around 73 million tonnes of farmed fish—just more than half of the volume of fish that humans consumed—in 2014. That's out of a total fish supply of 167 million tonnes; the remaining 20 million or so tonnes go into things like animal feed and medical products.

2014年,人们食用了约7300万吨养殖鱼类,略高于人类消费鱼类总量的一半。这是在总计1.67亿吨的鱼类供应中;其余约2000万吨用于动物饲料和医疗产品等用途。

P4 To keep eating fish at the current rate, we're definitely going to need to keep aquaculture(水产养殖) developing. That's because the volume of fish caught in the wild has leveled off since the 1990s.

要保持目前的鱼类消费水平,我们肯定需要继续发展水产养殖。这是因为野生鱼类的捕捞量自20世纪90年代以来已趋于平稳。

P5 Back in 1974, only 10% of marine fish stocks had been overfished. Now, more than three-tenths are. Only a tenth of our oceans' fish stocks could sustain heavier fishing than current levels.

早在1974年,只有10%的海洋鱼类种群被过度捕捞。现在,超过三成的鱼类种群被过度捕捞。只有十分之一的海洋鱼类种群能够承受比目前水平更重的捕捞压力。

P6 But while catchings at sea have suffered, fish-farming has been growing at a fast rate. A lot of that is coming from China, which produces 60% of the world's farmed fish. In fact, some 35 countries, including China, now produce more farmed than wild-caught fish.

但是,虽然海上捕捞量遭受损失,鱼类养殖却一直在快速增长。其中很大一部分来自中国,中国生产了世界上60%的养殖鱼类。事实上,包括中国在内的约35个国家现在养殖鱼类的产量已超过野生捕捞鱼类。

P7 This shift toward aquaculture isn't just good for ensuring salmon(三文鱼) on your plate; it's also crucial to ensuring food security and sustainability. By 2050, the world will need to feed an estimated 9.7 billion people. They'll have to get their protein somewhere. However, raising cattle, pigs, and other land-based animals requires vast sums of grain and water. For example, pound for pound, beef requires 15 times more feed to raise than carp, a freshwater fish farmed all over Asia. That grain—and the water needed to grow it—could be consumed by people instead.

这种向水产养殖的转变不仅有利于确保你盘中有三文鱼;它对确保粮食安全和可持续性也至关重要。到2050年,世界将需要养活估计97亿人口。他们必须从某处获得蛋白质。然而,饲养牛、猪和其他陆生动物需要大量谷物和水。例如,按重量计算,养殖牛肉所需的饲料是鲤鱼(一种在整个亚洲养殖的淡水鱼)的15倍。这些谷物以及种植谷物所需的水本可以供人类消费。

P8 However, aquaculture is no silver bullet. In some southeast Asian countries, shrimp farming does disastrous damage to marine ecosystems. Despite these problems, however, shrimp continues to be among the most popular sea foods worldwide.

然而,水产养殖并非万能良方。在一些东南亚国家,虾类养殖对海洋生态系统造成了灾难性破坏。尽管存在这些问题,虾类仍然是全球最受欢迎的海产品之一。

题目与逐题解析

46. What does the author say is remarkable about the fish we eat?

- A) They reproduce quickly.
- B) They are mostly farmed.
- C) They have become as important as grain.
- D) They have a longer history than humans.

作者说我们食用的鱼有什么显著之处?

- A) 它们繁殖迅速。 B) 它们大多是养殖的。 C) 它们已经变得像粮食一样重要。
- D) 它们的历史比人类更悠久。

【答案】 B (细节题)

【判型】 题干 What does the author say is remarkable about the fish we eat? 用 say 引出作者明确表态的内容, 不是让考生自行推断。

【拆句】 题干 What does the author say is remarkable about the fish we eat? 主干是 What does the author say, 宾语从句省略了 that, 从句里 is remarkable about the fish we eat 又内嵌一个省略 that 的定语从句 we eat 修饰 fish。结构属常规嵌套, 无陷阱。

【定位】 For the first time in human history, most of our aquatic(水产的) food now comes from farming rather than fishing.

人类历史上第一次, 我们大多数的水产食物来自养殖而非捕捞。

【选项】 A) **无中生有**

They reproduce quickly 涉及鱼的繁殖能力, 原文从第 1 段到第 3 段只谈消费量与来源, 未出现任何关于鱼繁殖速度的内容。

B) **✓ 正确**

most of our aquatic(水产的) food now comes from farming rather than fishing ↔

They are mostly farmed

预判答案是「大多是养殖的」, They are mostly farmed 几乎——对应——主语 They 回指题干 the fish we eat, 谓语 are mostly farmed 等价于定位句的 most ... comes from farming。

C) **偷换概念**

They have become as important as grain 把鱼与谷物相提并论, 原文 That grain—and the water needed to grow it—could be consumed by people instead 谈的是「养鱼比养牛省粮」, 并未把鱼的重要性提升到与谷物同等的高度。

D) **无中生有**

They have a longer history than humans 称鱼的历史比人类长, 文中 For the first time in human history 只是用「人类历史上第一次」这一时间状语, 并未对比鱼与人类哪个历史更悠久。

47. What do we need to do if we keep consuming fish at the current rate?

- A) Increase the fishing volume considerably.
- B) Develop more advanced fishing technology.
- C) Enlarge the marine fish stocks effectively.
- D) Expand the scale of fish-farming continuously.

如果我们继续以目前的速度消费鱼类, 我们需要做什么?

- A) 大幅增加捕捞量。
- B) 开发更先进的捕捞技术。
- C) 有效扩大海洋鱼类资源。
- D) 持续扩大养鱼规模。

【答案】 D (细节题)

【判型】 题干 What do we need to do if we keep consuming fish at the current rate? 问的是文中给出的具体应对动作, 答案应在原文中直接呈现。

【拆句】 题干主句是 What do we need to do, 后接 if 条件状语从句 if we keep consuming fish at the current rate; keep + 动名词 consuming 表示持续, at the current rate 修饰 consuming。结构清晰, 对基础薄弱者唯一难点是把 if 从句视作整体条件而非干扰信息。

【定位】 To keep eating fish at the current rate, we're definitely going to need to keep aquaculture(水产养殖) developing.

要想保持目前的吃鱼速度, 我们绝对需要让水产养殖持续发展下去。

【选项】 A) **与原文相反**

Increase the fishing volume considerably 主张大幅增加捕捞量, 而 the volume of fish caught in the wild has leveled off since the 1990s 与 more than three-tenths are 已经说明海洋鱼资源被过度捕捞, 再增加捕捞与原文方向背离。

B) **无中生有**

Develop more advanced fishing technology 谈的是发展更先进的捕鱼技术, 原文从 P4 到 P6 完全没有出现 technology、advanced 等任何技术升级方面的表达。

C) **答非所问**

Enlarge the marine fish stocks effectively 称要扩大海洋鱼类存量, Only a tenth of our oceans' fish stocks could sustain heavier fishing than current levels 说明现实情况是大多数鱼类资源已被过度捕捞, 扩大存量并非作者提出的对策——作者提的对策是「转向养殖」。

D) **✓ 正确**

keep aquaculture(水产养殖) developing ↔ **Expand the scale of fish-farming continuously** 预判要点是「继续 / 发展 / 水产养殖」三个成分; Expand the scale of fish-farming continuously 用 continuously / expand the scale / fish-farming 三个对应件——同义替换全部命中。

48. What does the author say about China in terms of aquatic food?

- A) It places increasing emphasis on fishing now.
- B) It boasts of the world's largest fishing stocks.
- C) It raises more fish than caught from the wild.
- D) It supplies 60% of the world's fish products.

关于中国在水产食品方面, 作者说了什么?

- A) 它现在越来越重视捕捞。
- B) 它拥有世界上最大的渔业资源。
- C) 它养殖的鱼比从野外捕获的更多。
- D) 它供应全球60%的鱼类产品。

【答案】 C (细节题)

【判型】 题干 What does the author say about China in terms of aquatic food? 围绕中国这个具体对象问事实陈述, 作者在文中应有正面交代。

【拆句】 题干 What does the author say about China in terms of aquatic food? 主干同 46 题, 介词短语 in terms of aquatic food 起范围限定, 意为「就水产食物而言」。考生若不识 in terms of 容易整句失焦, 需点明它的限定功能。

【定位】 A lot of that is coming from China, which produces 60% of the world's farmed fish. In fact, some 35 countries, including China, now produce more farmed than wild-caught fish.

其中很大一部分来自中国，中国生产了全球 60% 的养殖鱼。事实上，包括中国在内的约 35 个国家如今生产的养殖鱼已经超过野生捕捞的鱼。

【选项】 A) 与原文相反

It places increasing emphasis on fishing now 称中国正在加大对捕捞的重视，但 fish-farming has been growing at a fast rate. A lot of that is coming from China 说明中国的重点恰恰是养殖而非捕捞。

B) 偷换概念

It boasts of the world's largest fishing stocks 声称中国拥有世界最大鱼资源量，而原文 P6 只说中国生产了全球 60% 的养殖鱼，并没有把 fishing stocks（野生鱼资源储量）与中国挂钩。

C) ✓ 正确

some 35 countries, including China, now produce more farmed than wild-caught fish ↔

It raises more fish than caught from the wild

预判指出关于中国的本质判断是「养殖量超过捕捞量」，It raises more fish than caught from the wild 正是这一结构对比；至于 60% 那条数据是关于「全球养殖鱼里中国占比」，不是答案。

D) 偷换概念

It supplies 60% of the world's fish products 把原文限定语 farmed fish 改写成 fish products（鱼制品/水产品总和），范围被悄悄扩大。原文只说中国占全球养殖鱼的六成，并未说占全部水产品的六成。

49. Why does the author say aquaculture is so important these days?

- A) It is a must for feeding the world's fast-growing population.
- B) It proves a reliable source of protein for humans and animals
- C) It is essential to maintaining both mental and physical health.
- D) It ensures a balanced healthy diet for people the world over.

作者为什么说水产养殖在当今如此重要？

- A) 这是养活世界快速增长人口的必需。
- B) 它证明是人类和动物可靠的蛋白质来源。
- C) 它对维持身心健康至关重要。
- D) 它确保世界各地的人们获得均衡健康的饮食。

【答案】 A （细节题）

【判型】 题干 Why does the author say aquaculture is so important these days? 用 say 限定为作者明说的原因，不需要考生自行推断。

【拆句】 题干 Why does the author say aquaculture is so important these days? 主句 Why does the author say 后接宾语从句，从句主干 aquaculture is so important，时间状语 these days 表「如今」。结构平铺直叙，无陷阱。

【定位】 it's also crucial to ensuring food security and sustainability. By 2050, the world will need to feed an estimated 9.7 billion people.

(这种向水产养殖的转变) 对保障食品安全和可持续性也至关重要。到 2050 年, 全世界将不得不养活约 97 亿人。

【选项】 A) ✓ 正确

the world will need to feed an estimated 9.7 billion people ↔

It is a must for feeding the world's fast-growing population

crucial to ensuring food security and sustainability ↔ **a must**

预判核心是「为养活快速增长的人口」, It is a must for feeding the world's fast-growing population 用 a must / feeding / fast-growing population 三处分别对位原文的 crucial / feed / 9.7 billion people——逐一吻合。

B) 以偏概全

It proves a reliable source of protein for humans and animals 称水产养殖为人类与动物都提供蛋白质, 但 They'll have to get their protein somewhere 中的 They 是指 9.7 billion people, 并没有把蛋白质来源扩大到 animals。

C) 无中生有

It is essential to maintaining both mental and physical health 谈维持身心健康, 原文 P7 谈的是粮食安全 (food security) 与可持续性 (sustainability), 从未涉及 mental health 这一维度。

D) 过度推断

It ensures a balanced healthy diet for people the world over 强调「全世界人民的均衡健康饮食」, 原文 P7 只说养殖能提供蛋白质来源, 并未承诺它能保障均衡饮食。

50. What does the author imply by saying aquaculture is no silver bullet?

- A) Shrimp-farming is a risky business.
- B) Fish-farming will not be sustainable.
- C) Fish-farming may cause serious problems too.
- D) Shrimp-farming can become quite expensive.

作者说水产养殖不是灵丹妙药是在暗示什么?

- A) 对虾养殖是一项有风险的事业。 B) 鱼类养殖将不可持续。 C) 鱼类养殖也可能造成严重问题。
- D) 对虾养殖可能变得相当昂贵。

【答案】 C (推断题)

【判型】 题干 What does the author imply by saying aquaculture is no silver bullet? 出现 imply, 要求把习语的隐含意翻译成具体含义。

【拆句】 题干 What does the author imply by saying aquaculture is no silver bullet? 主干 What does the author imply, 介词短语 by saying aquaculture is no silver bullet 作方式状语; by + 动名词短语 saying 后接宾语从句, 从句是一句完整的判断句。结构看似复杂, 实则只需把方式状语整块理解为「通过说这句话」。

【定位】 However, aquaculture is no silver bullet. In some southeast Asian countries, shrimp farming does disastrous damage to marine ecosystems.

然而，水产养殖也并非万灵药。在一些东南亚国家，对虾养殖给海洋生态系统造成了灾难性的破坏。

【选项】 A) 以偏概全

Shrimp-farming is a risky business 只锁定对虾养殖一项，而题干问的是 aquaculture 整体；原文 shrimp farming 只是论据，结论是关于整个 aquaculture 的。

B) 过度推断

Fish-farming will not be sustainable 把原文「不是万灵药」推断为「将不可持续」，跨度过大；Despite these problems, however, shrimp continues to be among the most popular sea foods worldwide 反而暗示养殖仍在继续，并未走向不可持续。

C) ✓ 正确

aquaculture is no silver bullet ↔ **Fish-farming may cause serious problems too**

shrimp farming does disastrous damage to marine ecosystems ↔ **serious problems**

预判内容是「养殖也会带来严重问题」，Fish-farming may cause serious problems too 用 fish-farming 替代 aquaculture、用 may 表示推断的不确定性、用 serious problems 涵盖 disastrous damage————对位，且只推一步。

D) 偷换概念

Shrimp-farming can become quite expensive 把养殖的代价定为「变得昂贵」，原文 disastrous damage to marine ecosystems 谈的是对生态系统的破坏，是环境代价而不是金钱代价。

SENTENCE INSIGHTS • 句子精讲

9 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

For the first time in human history, most of our aquatic(水产的) food now comes from farming rather than fishing.

第2段，第1句

简单句结构在四六级和考研阅读中较为常见，"most of + 名词" 作主语、"come from" 表示来源、"rather than" 表示对比，都是典型搭配。掌握后可迁移到类似句式，但因缺少从句等复杂结构，代表性中等偏上。

That's because the volume of fish caught in the wild has leveled off since the 1990s.

第4段，第2句

That's because句式在考试阅读中高频出现，用于解释原因；现在完成时搭配since时间状语也是典型用法；过去分词作后置定语同样是常考点。整体结构具有较强的代表性和迁移价值。

In fact, some 35 countries, including China, now produce more farmed than wild-caught fish.

第6段，第3句

主句采用基本主谓宾结构，插入语和比较状语从句都是考试中常见的句式。特别是"more ... than ..."比较结构和从句省略，在四六级和考研阅读中频繁出现，学习本句的结构分析方法可直接迁移到大量同类句子。

This shift toward aquaculture isn't just good for ensuring salmon(三文鱼) on your plate; it's also crucial to ensuring food security and sustainability.

第7段，第1句

分号连接的并列主句在四六级和考研阅读中较为常见,not just...also递进结构是常考逻辑关系,但句子整体偏简单,缺少从句等复杂结构,典型性中等。

For example, pound for pound, beef requires 15 times more feed to raise than carp, a freshwater fish farmed all over Asia.

第7段，第5句

本句呈现典型的"主谓宾 + 后置定语 + 同位语"结构，不定式作定语和同位语补充说明都是四六级和考研阅读中高频出现的句式；比较结构"more ... than"也是常考句型；掌握本句结构后可迁移到大量同类句子，典型性较高。

However, aquaculture is no silver bullet.

第8段，第1句

主系表结构是英语基础句型,However引导转折也属常见用法,但本句的隐喻表达(silver bullet 指万能方案)和否定表语的组合在考试中不算最高频,典型性中等偏下。

What does the author say is remarkable about the fish we eat?

第46题 题干

覆盖疑问句倒装、宾语从句省略引导词、定语从句省略关系代词、介词短语作状语、系表结构等多种成分和结构,易错点密集,是优质的成分划分练习句。

They have become as important as grain.

第46题, C

主系表结构为常考基础句式,现在完成时系动词用法在真题中频繁出现,掌握后可迁移至类似句型,具有一定代表性。

What does the author say about China in terms of aquatic food?

第48题 题干

特殊疑问句是四六级和考研阅读理解题目的常见形式, "What does ... say about ..." 句式在学术文章和考试材料中频繁出现,具有较高的实用性和可迁移性,但不属于长难句的核心句式。

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 In 2020, the Nobel Peace Prize was awarded to the World Food Programme (WFP).

2020年，诺贝尔和平奖授予了世界粮食计划署（WFP）。

P2 Why a Nobel Prize for the WFP, and why now? In 2019, the WFP assisted nearly 100 million people in 88 countries. It is the safety net for those who fall off the edge of existence. It is a response to solving the problem of food instability. Its Nobel Prize reminds us all of the moral hazard in imagining that the poor and vulnerable are somebody else's problem.

为什么诺贝尔奖要授予世界粮食计划署，而且是现在？2019年，世界粮食计划署在88个国家为近1亿人提供了援助。它是那些跌落生存边缘者的安全网。它是解决粮食不稳定问题的对策。它获得的诺贝尔奖提醒我们所有人，认为贫困和弱势群体是别人的问题，这种想法存在道德风险。

P3 The WFP has been around since 1961 and has been the global coordinator of nationally based efforts to avoid disasters with food aid. Despite decades of effort to eliminate hunger, the latest estimate is that about 11% of people on the planet (about 820 million people) are suffering daily undernourishment. Progress at reducing undernourishment has stopped despite gains through the 1990s and 2000s.

世界粮食计划署自1961年成立以来，一直是各国为避免灾难而提供粮食援助的全球协调者。尽管数十年来一直致力于消除饥饿，但最新估计显示，地球上约11%的人口（约8.2亿人）每天遭受营养不良之苦。尽管在20世纪90年代和21世纪初取得了进展，但减少营养不良的进程已经停滞。

P4 Developed countries sometimes offer food and aid to developing ones, but at a price. One American philosopher stated that addressing the needs of the poor and vulnerable is about more than money—it is mostly about creating conditions under which prosperity and opportunity can thrive. When aid is offered with heavy conditions attached, like loan repayment or food for resources, it often widens the gap between rich and poor and sustains the old world order. This is why the work of the WFP is so vital.

发达国家有时会向发展中国家提供粮食和援助，但是有代价的。一位美国哲学家指出，满足贫困和弱势群体的需求不仅仅关乎金钱，更主要是创造繁荣和机会得以蓬勃发展的条件。当援助附带沉重条件时，比如贷款偿还或以粮食换取资源，它往往会扩大贫富差距并维持旧的世界秩序。这就是世界粮食计划署的工作如此重要的原因。

P5 The scientific community, however, can provide a helping hand to the WFP. By sharing knowledge of agriculture and climate with peers in countries most vulnerable to poverty and hunger, scientists can help reduce these problems. By making its voice heard, science can lead by example. The ability to overcome food shortages that must be built into some of the poorest countries will not come from loans from wealthy countries, which may have food problems of their own, or world economic institutions. This ability will be built upon self-confident people using open and shared scientific knowledge to pull themselves out of their misery.

然而，科学界可以向世界粮食计划署伸出援手。通过与最易受贫困和饥饿影响的国家的同行分享农业和气候知识，科学家可以帮助减少这些问题。通过发出自己的声音，科学可以以身作则。克服粮食短缺的能力必须在一些最贫困的国家建立起来，这种能力不会来自可能本身就存在粮食问题的富裕国家的贷款，也不会来自世界经济机构。这种能力将建立在自信的人民利用开放和共享的科学知识使自己摆脱苦难的基础之上。

题目与逐题解析

51. What does the WFP's winning of the Nobel Peace Prize make us realize?

- A) More and more people in the world are suffering from starvation.
- B) All of us can be affected by food instability one way or another.
- C) It is hazardous to leave millions of people poor and vulnerable.
- D) It is morally wrong to think helping the poor is not our business.

世界粮食计划署获得诺贝尔和平奖让我们意识到了什么？

- A) 世界上越来越多的人正遭受饥饿。
- B) 我们所有人都可能以这样或那样的方式受到粮食不稳定的影响。
- C) 让数百万人处于贫困和脆弱状态是危险的。 D) 认为帮助穷人不关我们的事在道德上是错误的。

【答案】 D (细节题)

【判型】 What does the WFP's winning of the Nobel Peace Prize make us realize? 是用 What 提问的具体内容题，问的是文中明示的某句话，不涉及推断或主旨。

【拆句】 主干是 What does ... make us realize, the WFP's winning of the Nobel Peace Prize 是动名词短语作主语，winning 由所有格 the WFP's 修饰、of 短语补足对象；理解上等价于“世界粮食计划署获诺贝尔和平奖这件事让我们认识到什么”。结构平铺直叙，无陷阱。

【定位】 Its Nobel Prize reminds us all of the moral hazard in imagining that the poor and vulnerable are somebody else's problem.

它（世界粮食计划署）获诺贝尔和平奖一事提醒我们所有人：把贫困者与脆弱群体想成是别人的问题，是一种道德上的危险。

【选项】 A) **答非所问**

More and more people in the world are suffering from starvation. 说的是饥饿人数在增加，这只是 P3 中的一项数据陈述，并非诺贝尔奖让我们意识到的道德层面的道理。

B) **无中生有**

All of us can be affected by food instability one way or another. 称所有人都会以某种方式受食物不稳定影响，原文从未做此论断；P2 强调的是不能把扶贫当别人的事，而非“每个人都会饿肚子”。

C) **偷换概念**

It is hazardous to leave millions of people poor and vulnerable. 说“让人陷入贫困是危险的”，把“危险”指向贫困者的处境；而原文 the moral hazard in imagining that ... somebody else's problem 中危险指的是“把扶贫想成别人的事”这种道德态度，主语错位。

D) **✓ 正确**

the moral hazard in imagining that the poor and vulnerable are somebody else's problem ↔

morally wrong to think helping the poor is not our business

预判要求的两个关键义素“道德层面”与“不该认为帮穷人与己无关”都在 It is morally wrong to think helping the poor is not our business. 里齐备，匹配最严丝合缝。

52. What do we learn about the WFP's effort to eliminate hunger?

- A) It has ensured a sufficient food supply to millions.
- B) It is still far from its goal despite the progress made.
- C) It has done a good job in combating natural disasters.
- D) It is preventing starvation occurring on a global scale.

关于世界粮食计划署消除饥饿的努力,我们了解到什么?

- A) 它已经确保了数百万人的充足粮食供应。
- B) 尽管取得了进展,但距离目标仍然遥远。
- C) 它在应对自然灾害方面做得很好。
- D) 它正在防止全球范围内的饥饿发生。

【答案】 B (细节题)

【判型】 What do we learn about ... 问的是关于某一具体话题的明示信息，答案应是原文对该话题的直接陈述。

【拆句】 WFP's effort to eliminate hunger 是 about 的宾语；effort 后接动词不定式 to eliminate hunger 作后置定语，相当于“为消除饥饿所做的努力”。整句无陷阱。

【定位】 Despite decades of effort to eliminate hunger, the latest estimate is that about 11% of people on the planet (about 820 million people) are suffering daily undernourishment. Progress at reducing undernourishment has stopped despite gains through the 1990s and 2000s.

尽管已为消除饥饿付出了数十年的努力，最新估计仍有约 11%（约 8.2 亿人）正在遭受日常营养不良。尽管 20 世纪 90 年代和 21 世纪头十年取得过进展，减少营养不良的进展已经停止。

【选项】 A) **与原文相反**

It has ensured a sufficient food supply to millions. 称已确保数百万人的充足食物，原文 11% of people ... are suffering daily undernourishment 恰恰相反——8.2 亿人仍营养不良，谈不上已确保充足供给。

B) **✓ 正确**

Progress at reducing undernourishment has stopped despite gains through the 1990s and 2000s

↔ **still far from its goal despite the progress made**

预判要求的"取得过进展"与"目标未达"两要素，分别由 despite the progress made 与 still far from its goal ——承接，且语气与原文同样冷静客观，匹配最优。

C) **答非所问**

It has done a good job in combating natural disasters. 把话题偏移到自然灾害，P3 谈的是消除饥饿、营养不良，未对该机构在自然灾害方面的表现下结论。

D) **过度推断**

It is preventing starvation occurring on a global scale. 称正在全球范围内阻止饥饿发生，原文 Progress at reducing undernourishment has stopped 明确说进展已停滞，更未给出该机构在阻止全球饥饿发生。

53. What will happen when food aid is offered at a price?

- A) The rich will become richer and the poor poorer.
- B) More people will be willing to join in the effort.
- C) More food will be made available to the needy.
- D) The relief effort will be rendered less sustainable.

当粮食援助以有偿方式提供时会发生什么？

- A) 富人会变得更富，穷人会变得更穷。
- B) 更多的人会愿意加入这项努力。
- C) 更多的粮食将提供给有需要的人。
- D) 救援努力的可持续性将降低。

【答案】 A (细节题)

【判型】 What will happen when food aid is offered at a price? 询问的是某条件下的具体后果，文中应有明示的结果句。

【拆句】 主干 What will happen, when 引导时间状语从句 when food aid is offered at a price, 从句采用被动语态 is offered; at a price 是固定搭配，意为"有代价地、附带条件地"，不是字面"以一个价格"。基础薄弱考生若按字面理解 at a price 易跑偏，需把它当短语整体记住。

【定位】 When aid is offered with heavy conditions attached, like loan repayment or food for resources, it often widens the gap between rich and poor and sustains the old world order.

当援助被附加沉重条件（例如要求偿还贷款或以资源换食物）时，它往往会拉大贫富差距并维持旧有的世界秩序。

【选项】 A) ✓ 正确

widens the gap between rich and poor ↔ **The rich will become richer and the poor poorer**
预判中“贫富差距更大”的核心义素，恰好被 richer ... poorer 比较级并列对偶句精确锁定，且与定位句方向、程度完全一致。

B) 无中生有

More people will be willing to join in the effort. 称会有更多人愿意加入援助行动，原文未做此推断，P4 的结果聚焦在贫富差距与旧秩序，与此选项无关。

C) 与原文相反

More food will be made available to the needy. 称会有更多食物送达需要的人，与 P4 强调附条件援助的负面后果（差距拉大、旧秩序延续）方向相反。

D) 偷换概念

The relief effort will be rendered less sustainable. 把后果转到“援助行动可持续性降低”，原文未讨论可持续性，只说附条件援助维持旧秩序、扩大差距，未对援助本身能否持续下结论。

54. How can scientists help cope with poverty and hunger?

- A) By collaborating closely with world economic institutions.
- B) By sharing expertise with peers in poverty-stricken nations.
- C) By setting up more food research programs in developing countries.
- D) By building self-respect in people suffering from undernutrition.

科学家如何帮助应对贫困和饥饿？

- A) 通过与世界经济机构密切合作。
- B) 通过与贫困国家的同行分享专业知识。
- C) 通过在发展中国家建立更多的粮食研究项目。
- D) 通过在遭受营养不良的人群中建立自尊。

【答案】 B (细节题)

【判型】 How can scientists help cope with poverty and hunger? 以 How 询问途径，文中通常以 by 短语或具体动作句给出明示答案。

【拆句】 How can scientists help cope with poverty and hunger? 中 help 后接动词原形 cope (省略 to 的动词不定式)，相当于“帮助应对”；structure 平铺直叙，无陷阱。

【定位】 By sharing knowledge of agriculture and climate with peers in countries most vulnerable to poverty and hunger, scientists can help reduce these problems.

通过与最易陷入贫困和饥饿的国家的同行分享农业和气候知识，科学家可以帮助减少这些问题。

【选项】 A) 与原文相反

By collaborating closely with world economic institutions. 称与世界经济机构紧密合作，P5 提到 world economic institutions 时是否定语气——说该能力不会来自这些机构，并未让科学家与之合作。

B) ✓ 正确

sharing knowledge of agriculture and climate with peers in countries most vulnerable to poverty and hunger

↔ sharing expertise with peers in poverty-stricken nations

预判中三个要素"分享""知识/专业""贫困国家同行"在 By sharing expertise with peers in poverty-stricken nations 中——对应，结构与原文方式状语完全平行。

C) 无中生有

By setting up more food research programs in developing countries. 称在发展中国家设立更多食品研究项目，原文 P5 仅讲分享知识，未提建立研究项目。

D) 偷换概念

By building self-respect in people suffering from undernutrition. 称在营养不良的人身上建立自尊，原文 self-confident people using open and shared scientific knowledge 谈的是"自信的人借科学知识自救"——是结果导向的论断，并非给科学家的方法；且 self-respect (自尊) 与 self-confident (自信) 也并不等同。

55. What message does the author try to convey at the end of the passage?

- A) Wealthy nations should solve their own food problems first.
- B) Rich countries should be more generous in providing food aid.
- C) Poor nations should enhance their own ability to solve their food shortages.
- D) World economic institutions should play a bigger role in fighting hunger.

作者在文章结尾试图传达什么信息？

- A) 富裕国家应该首先解决自己的粮食问题。 B) 富裕国家在提供粮食援助方面应该更加慷慨。
- C) 贫穷国家应该增强自身解决粮食短缺的能力。 D) 世界经济机构应该在抗击饥饿方面发挥更大作用。

【答案】 C (主旨题)

【判型】 What message does the author try to convey at the end of the passage? 询问作者在尾段要传递的核心讯息，需要把末段功能整体串起来，属于局部主旨题。

【拆句】 主干 What message does the author try to convey, at the end of the passage 是地点状语限定位置；try to convey 是"试图传达"，比单独 convey 更柔和，提示作者意图层面的解读。结构清晰，无陷阱。

【选项】 A) 以偏概全

Wealthy nations should solve their own food problems first. 把 wealthy countries, which may have food problems of their own 这句插入语当作末段主旨；插入语只是解释富国为何帮不上忙，并非作者要传达的核心讯息。

B) 与原文相反

Rich countries should be more generous in providing food aid. 主张富国应更慷慨地提供食物援助，而 P5 明确指出能力不会来自富国贷款，P4 更指出附条件援助会扩大贫富差距，作者对“加大富国援助”持否定态度。

C) ✓ 正确

This ability will be built upon self-confident people using open and shared scientific knowledge to pull themselves out of their misery

↔ **Poor nations should enhance their own ability to solve their food shortages**
will not come from loans from wealthy countries ... or world economic institutions ↔

Poor nations should enhance their own ability

Poor nations should enhance their own ability to solve their food shortages. 既覆盖末段肯定主线（自身能力解决食物短缺），又自然回应否定主线（不靠富国与机构），与末段两层意思全对齐。

D) 与原文相反

World economic institutions should play a bigger role in fighting hunger. 主张世界经济机构发挥更大作用，will not come from ... or world economic institutions 已明确把这些机构排除在能力来源之外。

SENTENCE INSIGHTS • 句子精讲

10 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Despite decades of effort to eliminate hunger, the latest estimate is that about 11% of people on the planet (about 820 million people) are suffering daily undernourishment.

第3段，第2句

"主语 + 系动词 + that 表语从句" 是四六级和考研阅读中的高频句式，常用于陈述观点、研究结论或统计数据。句首介词短语作让步状语也是常见的逻辑铺垫手法。本句结构具有较强的代表性和复用价值。

One American philosopher stated that addressing the needs of the poor and vulnerable is about more than money—it is mostly about creating conditions under which prosperity and opportunity can thrive.

第4段，第2句

本句体现了四六级和考研真题中常见的复合句结构:主句加宾语从句,从句内嵌套定语从句,并且宾语从句中有并列系表结构,这种多层嵌套且逻辑清晰的句式在考试中出现频率很高,掌握后可以迁移到大量类似句子的理解和分析中

When aid is offered with heavy conditions attached, like loan repayment or food for resources, it often widens the gap between rich and poor and sustains the old world order.

第4段，第3句

"When" 引导的时间/条件状语从句 + 主句的结构在四六级和考研真题中高频出现，是典型的复合句式。主句并列谓语、被动语态、"with" 复合结构也都是常考句式特征。本句涉及的语法点（状语从句、被动语态、并列结构、后置定语）都是考试重点，掌握后可以迁移到大量类似句子。

By sharing knowledge of agriculture and climate with peers in countries most vulnerable to poverty and hunger, scientists can help reduce these problems.

第5段，第2句

本句体现了 "状语 + 主句" 的典型结构,尤其是以介词短语或动名词短语作句首状语,这是四六级和考研阅读中高频出现的句式。情态动词 + 动词原形的谓语结构、名词短语作宾语、介词短语和后置定语修饰名词,都是标准的常考句式。掌握本句的分析方法可以迁移到大量类似句子中,典型性较高。唯一不足是缺少从句结构,未覆盖定语从句、名词性从句等更高频的复杂句式。

By making its voice heard, science can lead by example.

第5段，第3句

"介词短语状语 + 主句（情态动词谓语 + 方式状语）" 的结构在四六级和考研阅读中较为常见，尤其是句首状语修饰主句的模式，具有一定代表性，掌握后可复用于类似长难句分析。

What does the WFP's winning of the Nobel Peace Prize make us realize?

第51题题干

包含使役动词 "make" 的宾语 + 宾补结构 ("make us realize")，这是重要的动词句型；主语是动名词复合结构 ("the WFP's winning of...")，练习识别动名词作主语；疑问句语序中成分的还原判断也有训练价值。成分种类较丰富，适合作句子成分划分练习。

More and more people in the world are suffering from starvation.

第51题，A

简单句结构在考试中常见，"主语 + be 动词 + 现在分词 + 介词短语" 的组合具有一定代表性，类似句式在阅读理解和翻译中频繁出现，掌握后可迁移到其他进行时态的句子分析中。

It is still far from its goal despite the progress made.

第52题，B

主系表结构搭配让步状语是四六级阅读常见句式；"despite + 名词短语" 和 "far from" 搭配在真题中出现频率较高，具备一定代表性，掌握后可复用到类似表达。

More people will be willing to join in the effort.

第53题，B

一般将来时的主系表结构在考试中较为常见，但本句过于简单，缺少真题中常见的修饰成分、从句嵌套或复杂状语，代表性一般。

World economic institutions should play a bigger role in fighting hunger.

第55题，D

"主语 + 情态动词 + 动词 + 宾语 + 介词短语作后置定语" 是四六级和考研中常见的简单句式，具有一定代表性，但过于基础，不如复合句或长难句那样典型，属于中等水平的常见结构。

2022年12月·第2套英语四级汉译英（段落翻译）·介绍中国传统节气立春 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2022年12月·第2套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第2套(2022-12) • 四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

立春 (Start of Spring) 在中国农历中表示春天的开始。立春之后，白天变得更长，天气也愈发温暖，万物开始复苏，大地充满生机。人们常说“一年之计在于春”，农民在这个时节开始播种，为全年的丰收打下基础。中国人早在三千年前就已开始在立春这一天举行庆祝活动。数百年来，迎春一直是民间的重要习俗。在春暖花开的日子里，人们常常外出游玩，欣赏春天的美景。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

Lichun (Start of Spring) marks the beginning of spring in the Chinese lunar calendar. After Lichun, the days grow longer and the weather becomes warmer; everything comes back to life, and the earth is full of vitality. As people often say, "The whole year's work depends on a good start in spring." At this time of year, farmers start sowing to lay the foundation for a good harvest throughout the whole year. In fact, the Chinese have started to hold celebrations on this day as early as 3,000 years ago. For centuries, welcoming spring has been an important folk custom. Today, on warm spring days when flowers are in full bloom, people often go out for outings to enjoy the beautiful scenery of spring.

【衔接】第 1 句到第 2 句:用 After Lichun 自然衔接

第 1 句末尾给出"立春"的定义,第 2 句紧接着讲"立春之后"发生的变化。第 2 句句首直接用 After Lichun 承接前句的关键词 Lichun,既显示时间承接,又避免重复"the Start of Spring"。原文 立春之后 已天然提示了这一衔接。

第 2 句到第 3 句:补"As people often say"显出引述

中文 人们常说"一年之计在于春" 是顺承前句"春天景象"展开评论,英文用 As people often say 这一插入式衔接把谚语自然引入,不要写成生硬的 People often say..."..."。然后用 At this time of year 把话题从谚语拉回到"农事",避免谚语和播种两层意思衔接突兀。

第 3 句到第 4 句:用 In fact 类话题转换

第 3 句讲今天的农事与谚语,第 4 句突然回溯三千年前的庆祝——是从"现在"切到"历史溯源"。建议第 4 句句首补 In fact 或 As a matter of fact,或直接用 In fact, the Chinese have started to hold celebrations...,让"历史背书"的语用显出来。

第 4 句到第 5 句:用 Over the centuries 或保留 for centuries 承接

第 4 句末给出"三千年前就已开始",第 5 句紧接讲"数百年来一直是重要习俗"。两句时间维度连贯,第 5 句用 For centuries / Over the centuries 句首即可顺接,不必硬补 Therefore 等因果词——它本身就是"延续这一传统"的延伸说明。

第 5 句到第 6 句:用 Today / Even today 把视角拉回当下

第 5 句讲"数百年来一直是习俗",第 6 句说"在春暖花开时人们外出游玩"是当下的具体表现。句首补 Today 或 Even today 把视角从"历史习俗"切回"当下生活",并与全篇主时态"一般现在时"呼应,读起来不再像两段不相干的事。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作,句前 N. 为逐句解析自切的句序号(非考卷题号),与卷面中文逐字对应。

【主旨】介绍中国传统节气立春

本篇是一段典型的中国文化介绍——围绕节气"立春"展开,先解释其含义(立春 (Start of Spring) 在中国农历中表示春天的开始。),再描述立春后的自然与农事变化,最后讲到三千年的庆祝传统与今日的迎春习俗(数百年来,迎春一直是民间的重要习俗。)。语体属客观介绍说明文,而非个人叙事或新闻报道,这一定调直接决定下面的时态基调:讲事物的固有属性与至今仍在延续的习俗,默认用一般现在时。

【时态】一般现在时

全篇核心信息是"立春这一节气是什么、立春后会发生什么、人们一直怎么过"——既包括客观自然规律(立春之后, 白天变得更长, 天气也愈发温暖),也包括延续至今的习俗(数百年来, 迎春一直是民间的重要习俗。),都是"现在仍然成立的事实",所以全篇主时态定为一般现在时;只有讲"三千年前就已开始"这种已完成动作时,才偏离基调改用现在完成时。

【译法】立春

全篇反复出现的核心专名,采用"音译 + 括注"的约定俗成译法:Lichun (Start of Spring)。依据是原文已自带英文括注 立春 (Start of Spring),等于把官方译法递给了考生;后续句子里再次提到时,统一用 Lichun 或 the Start of Spring,不再重复括注,避免全篇"Lichun / Beginning of Spring / Spring Begins"译法跳来跳去。

中国农历

统一译作 the Chinese lunar calendar。这是文化负载词的常用约定译法;"农历"既不要漏掉 the(特指中国这一套历法),也不要随手译成 Chinese calendar 而丢掉 lunar 这层含义。锚回原文 中国农历。

一年之计在于春

汉语谚语,统一译法采用意译加引号:"The whole year's work depends on a good start in spring." 依据是引号内的内容在中文里也是被引述的成句("一年之计在于春"),英文应同样用引号保留"被引述"的语用色彩;不要硬直译成 "A year's plan lies in spring" 这种意思不完整的字面句。

迎春

民俗术语,统一译作 welcoming spring(动名词短语,可作主语/宾语)。原文 迎春一直是民间的重要习俗 中"迎春"是一个名物化的习俗名,英文用 welcoming spring 既保留动作含义又能作名词使用;全篇不要一会儿 welcome spring、一会儿 greeting spring 地换。

1. 立春 (Start of Spring)在中国农历中表示春天的开始。

【主干】 主语=立春,谓语=marks,宾语=春天的开始 (主语策略:原句主语)

中文已经把主语写明(立春 (Start of Spring)),不用补也不用转被动。核心动词是"表示",英文最贴切的对应词是 mark(标志着.....的开始/到来),而不是 mean 或 show;"春天的开始"作宾语,译为 the beginning of spring。主干立成:Lichun (Start of Spring) marks the beginning of spring。

【降级】 "在中国农历中"降级为介词短语状语

"在中国农历中"是说明"在哪套历法体系下"的范围状语,不是另一个动作,降级为介词短语 in the Chinese lunar calendar 挂在主干后面即可,不要把它升格成 The Chinese lunar calendar shows...这种另起一句的写法。本句本就是简单句,除此之外无其他降级需求。

【语法】 时态

回指全篇基调,用一般现在时 marks——这是节气的固有含义、现在仍然成立。

主谓一致

主语 Lichun 是单数(一个节气名),谓语用第三人称单数 marks,不能写成 mark。

冠词

"春天的开始"特指春天这唯一一次开始,用定冠词:the beginning of spring;spring 作季节名,泛指时不加冠词。

专名格式

首次出现时按 glossary 约定写成 Lichun (Start of Spring),保留括注;后文再提即可省括注。

【译文】 Lichun (Start of Spring) marks the beginning of spring in the Chinese lunar calendar.

2. 立春之后，白天变得更长，天气也愈发温暖，万物开始复苏，大地充满生机。

【主干】四个并列分句各有主语,挑"白天变长"做首句主干 (主语策略: 原句主语)

这是一句典型的中文"流水句",白天变得更长,天气也愈发温暖,万物开始复苏,大地充满生机 实际是四个并列分句,各有各的主语(白天/天气/万物/大地)。处理思路:把四个分句拆成英文里两到三个独立主谓结构、而不是一长串 and,首句主干就用第一个分句:主语 the days,谓语 grow/become,表语 longer。

【降级】"立春之后"作时间状语;四个分句重组为两句,用 and 与 with 复合结构降级

"立春之后"降级为介词短语 After Lichun(或 After the Start of Spring),作时间状语放句首。四个并列分句重组:前两个表自然现象(白天变得更长,天气也愈发温暖)用 and 并列谓语;后两个(万物开始复苏,大地充满生机)合并成一句独立句"everything comes back to life and the earth is full of vitality",避免一句里塞四个 and。也可把后半句之一用 with 复合结构降级:..., with the earth full of vitality。

【语法】时态

回指全篇基调,用一般现在时(grow, becomes, comes, is)——讲的是立春后每年都会发生的规律性现象,不是某一年的过去事件。

比较级

"变得更长"= grow longer,"愈发温暖"= becomes warmer;两处都用形容词比较级,不要写成 more long / more warm。

单复数

"白天"作为反复发生的概念用复数 the days(白天们都在变长);"万物"译作 everything(不可数,谓语用单数 comes)或 all things(复数,谓语用 come),两者择一,别混用。

搭配

"充满生机"固定搭配 be full of vitality / be full of life;"复苏"用 come back to life 或 revive 都可,别写成 wake up 这种偏口语的儿童化表达。

【译文】After Lichun, the days grow longer and the weather becomes warmer; everything comes back to life, and the earth is full of vitality.

3. 人们常说"一年之计在于春",农民在这个时节开始播种,为全年的丰收打下基础。

【主干】拆成两句:前句主语=people,后句主语=farmers (主语策略: 原句主语)

本句中文实有两个语义单元:① 人们常说"一年之计在于春";② 农民在这个时节开始播种,为全年的丰收打下基础。两个单元主语不同(人们 vs 农民),硬塞一句会变成 People often say... and farmers... 的拼接,主语切换很别扭。最佳做法是拆成两句:前句主干 As people often say, "...";后句主干 farmers (主语) + start sowing (谓语) + 宾语隐含(种子)。

【降级】"为全年的丰收打下基础"降级为不定式状语,表目的

为全年的丰收打下基础 中的"为....."表目的,自然降级为 to lay the foundation for a good harvest of the whole year 这一不定式短语,挂在 start sowing 之后作目的状语,而不是再起一个独立的 they lay... 主谓句。"在这个时节"降级为介词短语 at this time of year / in this season。引述"一年之计在于春"按 glossary 用引号包整句。

【语法】时态

全篇基调一般现在时:say、start、lay 全用现在时;主语 farmers 是复数,动词用原形 start,不要加 -s。

引用标点

汉语谚语英文应放进双引号,且引号内首字母大写、句末标点处理利落:As people often say, "The whole year's work depends on a good start in spring."

搭配

"播种"= sow seeds 或 start sowing;"打下基础"= lay the foundation for / lay a solid foundation for,后面跟名词,不直接跟 do 类动词。

冠词与单复数

"农民"泛指这一群体,用复数 farmers,前不加冠词;"全年的丰收"特指那一年的总收成,用 the whole year's harvest 或 a good harvest for the whole year。

【译文】 As people often say, "The whole year's work depends on a good start in spring."
At this time of year, farmers start sowing to lay the foundation for a good harvest throughout the whole year.

4. 中国人早在三千年前就已开始在立春这一天举行庆祝活动。

【主干】 主语=the Chinese,谓语=have begun/started to hold,宾语=庆祝活动 (主语策略:原句主语)

中文主语"中国人"明确,直接用 the Chinese 或 Chinese people 作主语。谓语锁"开始"(began/started)。注意"已开始"是"过去开始、延续至今仍在做"的语义(早在三千年前就已开始),这是"过去某点开始延续至今"的典型现在完成时场景,主干 have started to hold celebrations on this day。

【降级】 "早在三千年前"用 as early as 引出时间状语;"在立春这一天"作时间状语用 on

早在三千年前 降级为 as early as 3,000 years ago,作时间状语挂在句末;在立春这一天 降级为 on this day 或 on the day of Lichun,作时间状语挂在动词后。整句保持一个主谓主干,不再拆。

【语法】 时态(偏离基调)

本句是全篇唯一可偏离"一般现在时"基调的句子:用现在完成时 have started/begun to hold,呼应"早在三千年前就已开始"的"始于过去、延续至今";写成一般过去时 started 会丢掉"至今仍在做"的隐含意。

主谓一致

the Chinese 作复数(代指中国人这一群体),助动词用 have,不是 has。

单复数

"庆祝活动"是反复举行的多场活动,用复数 celebrations 或 celebration activities,不要写成 a celebration activity 这种单数特指。

搭配

"举行庆祝活动"= hold celebrations / hold celebration activities,不是 make 或 do;"在.....这一天"日期前用 on,不要写 at this day。

【译文】 The Chinese have started to hold celebrations on this day as early as 3,000 years ago.

5. 数百年来，迎春一直是民间的重要习俗。

【主干】 主语=welcoming spring, 谓语=has been, 表语=an important folk custom (主语策略：原句主语)

中文主语“迎春”是名物化的动名词(迎春一直是民间的重要习俗),英文用动名词 welcoming spring 作主语正好对应;谓语“一直是”由时间状语“数百年来”决定,锁现在完成时 has been;表语“民间的重要习俗”译为 an important folk custom。

【降级】 “数百年来”降级为 for 引导的时间状语,作完成时的时长标记

数百年来 降级为 for centuries(或 for hundreds of years),挂在句末作时间状语,正好作现在完成时的时长标记,与 has been 配对;“民间的”译为定语 folk,前置修饰 custom。整句为简单句,无需进一步降级。

【语法】 时态

现在完成时 has been——“数百年来一直是”是典型的“从过去某点延续到现在仍在持续”的状态,与第 4 句同属偏离全篇基调的合理用法,不要错写成 was 或 is。

主谓一致

动名词主语 welcoming spring 作单数,助动词用 has,不要写成 have。

冠词

“一个重要习俗”是“重要习俗之一”的语义,用不定冠词 an important folk custom;an 用于元音音素开头的 important。

搭配

“民间习俗”= folk custom,不要译成 people's custom 或 civilian custom;“重要习俗”= important custom,自然搭配。

【译文】 For centuries, welcoming spring has been an important folk custom.

6. 在春暖花开的日子里，人们常常外出游玩，欣赏春天的美景。

【主干】 主语=people, 谓语=go out (for outings), 宾语/伴随=enjoy the beautiful scenery (主语策略：原句主语)

中文主语“人们”明确(人们常常外出游玩),直接用 people 作主语。核心动词“外出游玩”是主干,谓语为 go out (for outings) 或 go outdoors;“欣赏春天的美景”在中文是与外出并列的动作,但语义上是“出去做什么、顺便享受什么”,更适合降级而非并列。

【降级】 “在春暖花开的日子里”作时间状语;“欣赏春天的美景”降级为不定式或现在分词

在春暖花开的日子里 降级为 on warm spring days when flowers are in full bloom 或 in the warm days of blooming spring,作时间状语放句首。欣赏春天的美景 降级有两种地道处理:① 不定式表目的 to enjoy the beautiful scenery of spring;② 现在分词作伴随状语 enjoying the beautiful scenery of spring。两者都可,选其一,本句采用不定式表目的最自然。

【语法】时态

回指全篇基调,用一般现在时 go out / enjoy——讲的是"人们每到春暖花开常常做的事",是反复发生的习惯性动作。

频率副词位置

"常常"= often,放在 go 之前:people often go out,不要写成 often people go 或 people go often。

单复数与冠词

people 作集合复数,谓语 go(不加 s);"美景"= scenery 是不可数名词,前用 the 特指春天的景:the beautiful scenery of spring,不要写成 a beautiful scenery 或 sceneries。

搭配

"外出游玩"= go out for outings / go out for fun / go outdoors;"春暖花开"是固定表达,常译作 when spring is warm and flowers are in bloom 或 in the warm days when flowers bloom,别字字硬翻成 spring warm flower bloom。

【译文】 On warm spring days when flowers are in full bloom, people often go out for outings to enjoy the beautiful scenery of spring.
