四级 · 真题卷第2套 · 2023年12月

Part I

Writing

(30 minutes)

Directions: Suppose the university newspaper is inviting submissions from the students for its coming edition on the recent development in their hometown. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

- | | |
|---|--|
| 1. A) He noticed the driver was too young to drive. | C) He thought something must be wrong with the driver. |
| B) He found there was no one sitting at the wheel. | D) He saw the driver changing lanes much too frequently. |
| 2. A) Buy a sports car. | C) Leave California. |
| B) Drive across town. | D) Visit his sister. |

Questions 3 and 4 are based on the news report you have just heard.

- | | |
|--|--|
| 3. A) How they change the way we shop. | C) How they cause increased headaches. |
| B) How they alter human skeletons. | D) How they affect our communication. |
| 4. A) It loosens. | C) It hardens. |
| B) It brightens. | D) It softens. |

Questions 5 to 7 are based on the news report you have just heard.

- | | |
|---|--|
| 5. A) Create Internet pages for him. | C) Name an orange tree after him. |
| B) Ask a local pet shop to adopt him. | D) Hold a birthday party for him. |
| 6. A) He is a bold and aggressive pet. | C) He once bit a doctor's receptionist. |
| B) He pays regular visits to village shops. | D) He likes to sit on the hairdresser's chair. |

7. A) He is fond of luxury cat food. C) He knows everybody in the village.
B) He likes to stay in villagers' houses. D) He often seeks food around her pub.

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

8. A) Who to order the food. C) When to go for their meal.
B) Whether to have sandwiches. D) Where to have their lunch.
9. A) In the shopping center nearby. C) At the Sandwich Place on Camden Street.
B) In the expensive Italian style diner. D) At the American restaurant they frequent.
10. A) There is to be a conference call. C) There will be crowds of people waiting for her.
B) She has to meet with her boss then. D) She will have a photo taken with Brigitte Clark.
11. A) She doesn't deem homemade soup tasty. C) She feels Jeremy would rather dine out.
B) She doesn't think his wife cooks well. D) She has found the soup smells terrible.

Questions 12 to 15 are based on the conversation you have just heard.

12. A) A landlady. C) A receptionist.
B) A waitress. D) A saleswoman.
13. A) He was involved in a terrible car accident last April. C) He is expected to undergo a knee operation.
B) He has much difficulty getting up and down stairs. D) He prefers to stay next door to the children.
14. A) To please his parents-in-law. C) To satisfy his curiosity.
B) To find the best trip for his kids. D) To compare prices.
15. A) Visit a local art gallery. C) Take some photos of the islands.
B) Go on a boat trip. D) Try her hand-made clothing.

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

16. A) They are more intelligent than many of us.
B) They have already become our new friends.
C) They have begun to affect our social behavior.
D) They play increasingly more important roles.
17. A) Whether it might have any effect on the way we negotiate.
B) Whether it might actually outperform human negotiators.
C) Whether it can facilitate business transactions.
D) Whether it can speed up legal procedures.
18. A) Choose to be tough.
B) Sympathize with their opponent.
C) Use deceptive strategies.
D) Appear to be pleasant.

Questions 19 to 21 are based on the passage you have just heard.

19. A) They were perceived differently by some academics.
B) They still existed six months after the course ended.
C) They varied greatly among the course participants.
D) They were only measurable within seven weeks.
20. A) They can be easily seen among participants in a healthy weight range.
B) They should be attributed to participants' change in diet behaviors.
C) They are linked to cooking confidence and cooking satisfaction.
D) They actually result from eating more fruits and vegetables.
21. A) Gender.
B) Confidence.
C) Health.
D) Practice.

Questions 22 to 25 are based on the passage you have just heard.

22. A) It keeps others away.
B) It causes discomfort.
C) It remains visible.
D) It varies in size.
23. A) It makes us feel uncomfortable.
B) It renders the acquaintance a stranger.
C) It brings the acquaintance closer to us.
D) It causes the bubble around us to vanish.

24. A) In personal space.
B) In social space.
C) Within a distance of 18 inches.
D) Over 2 feet away from one another.

25. A) When we begin to feel fear.
B) When we develop a sense of space.
C) When we are 3 or 4 years old.
D) When we enter our teens.

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

A number of studies have looked at how family life can affect productivity and satisfaction in the workplace. However, there has been 26 little research on the influence of leisure activities. So Ciara Kelly and colleagues recruited 129 hobbyists to look at how the time spent on their hobbies 27 their work life.

The researchers found that when participants spent longer than 28 on their leisure activity, their belief in their ability to perform their job was strengthened. But this was only the 29 when they had a serious hobby that was dissimilar to their job, or when their hobby was similar to their work but they only did it 30. When their hobby was both serious and similar to their job, then spending more time on it actually decreased their work 31.

Why might that be? To maintain a serious hobby, people need to invest significant psychological resources, say the authors—so if the activity has the same kinds of demands as their work, they may be left 32 and unable to perform well at their job. But if their hobby is quite different from their career, it may not 33 in the same way but instead help them develop other knowledge and skills that can 34 their confidence at work. "Consider a scientist who is a keen rock climber," says Kelly. "Since climbing is so far 35 from their day-to-day work activities, they can still recover from the demands of their job with plenty of resources."

- | | |
|---------------|-----------------|
| A) boost | I) normal |
| B) case | J) prevalent |
| C) casually | K) relative |
| D) efficiency | L) removed |
| E) estate | M) scratch |
| F) exhausted | N) shaped |
| G) faculty | O) surprisingly |
| H) interfere | |

Section B

Directions: *In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.*

More fathers are taking paternity leave, but mothers are still doing all the work

- A) Attitudes towards paternity leave(陪产假) have drastically changed in America in the last five years as more fathers feel comfortable taking extended time off, but gender bias persists when it comes to career prospects and the home, according to a new study of working parents.
- B) Research by the Boston College Center for Work & Family, which surveyed new parents at four large US companies who were qualified for taking at least six weeks paid parental leave, found that 81% of the 1,240 employees surveyed said the notion of fathers taking leave has become more acceptable.
- C) Of those surveyed, 62% of fathers took the maximum amount of time off compared to 93% of mothers, and around three-quarters of workers said their employer was equally supportive of mothers and fathers taking parental leave and over half said leave policies had made workplace culture better.
- D) The US is one of only three countries in the world not to offer statutory(法定的) paid leave, but increasingly states and companies are starting to take up the issue. So far, eight states and the District of Columbia have their own paid family leave laws.
- E) Brad Harrington, executive director of the center and lead author of the study, estimates only 20% to 30% of companies in the US offer paid parental leave. He feels the research findings reflect an obvious change in corporate attitudes to new fathers taking time off.
- F) "We did a study on paternity leave five years ago. Compared with those findings, these numbers were shocking to me. I did not expect 80% of people to say the organisation finds dads taking this leave acceptable and three-quarters to say it's equally supportive of women and men taking leave," Harrington said.
- G) The previous study found that nearly three-quarters of fathers saw two to four weeks as an appropriate duration for paternity leave and 76% said they would prefer not to take all their time off at once.
- H) Since then, there have been a number of legal cases against companies involving paternity leave—including cases against JPMorgan Chase and Estee Lauder—which have helped put pressure on companies to make their parental leave policies gender neutral.
- I) However, the study also shows how traditional gender roles endure both at work, where more women than men reported changes in their perceived career potential, and at home—even among workers who claim to have a strong desire for equality.
- J) The vast majority of men, 97%, said one of the top reasons to take leave was to share caregiving with their partner. But when they were asked about how caregiving and household tasks were divided, their answers painted a different picture. While about 75% of employees said both genders should give the same amount of care, the majority of men and nearly half of women admitted that in reality the female actually did most of it. A tiny fraction, 2%, of men said they did more of the childcare.

- K) Men and women's experiences of the return to work following parental leave were also considerably different. Of the women surveyed, 32% reported a downturn in their job satisfaction, while 14% said it increased. In comparison, 17% of men said their job satisfaction went down and 20% said it went up. Meanwhile, more women reported an increase in their responsibilities and manager expectations after childbirth. Half of the women said they used flexible work arrangements after becoming a parent, while just 27% of men did. Similar percentages of men and women said they enjoyed their careers and that it gave them a sense of achievement, while around half of women and 44% of men said it was a key part of their identity.
- L) On the subject of career advancement, 59% of women and 49% of men said leave could be limiting and both genders said they feared it would have an impact on their progress long-term. But on opportunity for promotion, more than double the number of women, 30% compared with 15% of men, believed their chances to be lower after becoming a parent. Despite progress, the struggle for women to reach the highest positions of power is demonstrated in this year's Fortune 500 list, which featured a record 33 female CEOs, but this still represents a tiny fraction of the total.
- M) Harrington said culture change depends on companies putting more focus on men and their responsibilities. "By that I mean companies need to give men paternity leave and encourage men to take time off to be with their kids early on in the kids' life. They also need to recognise that men have to make significant adjustments when they become parents. Companies cannot do all these things to enhance women's advancement and then turn around and say, 'Oh, but we don't expect the men to take over for the women at home.'"
- N) In May, the American Civil Liberties Union (ACLU) and Outten & Golden LLP announced a historic class-action \$5m settlement with JPMorgan Chase on behalf of male employees who claim they were illegally denied access to paid parental leave. Derek Rotondo, 35, filed the discrimination charge against his company after he was allegedly told by his HR department that mothers were considered primary caregivers. Thus, they were allowed to take 16 weeks of paid parental leave. Fathers, however, could take just two weeks.
- O) The father of two from Columbus, Ohio, who still works at the company as an associate and investigator, said he has witnessed a "domino effect(多米诺效应)" across companies since the settlement, but that there is still substantial progress to be made towards changing attitudes towards paternity leave.
- P) "I do think there's still some way to go...there's still going to be sort of the unstated expectation for new dads to essentially come right back to work, but I think the research is showing that's starting to change." He said equal parental leave is an essential component to creating gender equality in the workplace. "The old standard of women staying home, having babies and cooking doesn't apply and hasn't applied for a long time."
36. In the absence of Federal legislation, some states in the US have passed laws concerning paid family leave.
37. Most fathers admitted that even during their paternity leave they actually did much less childcare than the mother.
38. According to one father, equal parental leave is indispensable to achieving gender equality in the workplace.
39. One survey indicated there is now less objection to paternity leave.
40. Compared to five years ago, according to one researcher, many more people said their organisation gave the same support to men and women taking parental leave.

41. One study finds that even workers who claim to desire gender equality stick to traditional gender roles both at work and at home.
42. The majority of workers surveyed said parental leave policies had improved workplace culture.
43. In spite of progress, the number of women in top positions of big companies remains extremely small.
44. According to one estimate, less than one third of companies in the US provide paid parental leave.
45. A number of lawsuits have pressured companies to formulate gender neutral policies on parental leave.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

Having a rival can keep you committed to achieving your goals and enhance your overall performance. But before you go out and find an entrepreneur to outcompete, it's important to understand and avoid the traps that often come with rivalry. After all, competitive rivalry can also hinder effective decision-making and increase your willingness to take risks, behaviors that can ultimately hurt your venture's success.

Finding someone you're committed to outcompeting can be a great way to stay focused on your goals and push your venture to the next level. But when you're intently focused on outperforming your rivals, you may begin to develop a "win-at-all-costs" mentality that causes you to ignore how you achieve success. One group of researchers, for example, examined the link between rivalry and unethical behavior. They found that when people compete against their rivals, they are more willing to behave unethically to win. But such behavior may stain your reputation and strain relationships important to your success. One way to avoid this trap is to stop and reflect on what's important. While outperforming your rivals may provide short-term benefits, the loss of your integrity will have long-term consequences.

One reason having a rival can enhance your venture's performance is that it creates a level of excitement that drives you to work harder. But this eagerness to win may also hurt your venture's success, particularly when it causes you to make impulsive, insensible decisions. But it's possible to avoid such costly mistakes by making a habit of engaging in critical thinking, such as considering opposing viewpoints and conducting cost-benefit analyses, especially for those decisions that are complex and can determine the future of your venture.

The sense of eagerness that comes with having a rival can not only cause you to make poorer decisions, but it can also lead you to take greater risks that put your venture in peril. One way you can overcome the risk-inducing effects of rivalry that stand to endanger your venture's success is to remain attentive to your emotional state and actively monitor how such feelings are affecting your decision-making.

46. How can competitive rivalry benefit entrepreneurs according to the passage?
- A) By enabling them to outcompete other entrepreneurs.
 - B) By enabling them to make their venture a success.
 - C) By helping them to reach long-term goals.
 - D) By helping them to stay goal-oriented.

47. What is one of the traps entrepreneurs may often fall into when competing with rivals?

- A) They may adopt strategies that are bound to ruin their venture.
- B) They may resort to unethical means to outperform their rivals.
- C) They may be too eager to succeed while ignoring the huge labor cost.
- D) They may be intently focused on winning at the current market level.

48. What are entrepreneurs advised to do to avoid traps that often accompany rivalry?

- A) Deliberate on what really matters.
- B) Prioritize reaping immediate benefits.
- C) Estimate the long-term consequences.
- D) Reflect on what successes are achievable.

49. How can entrepreneurs avoid making impulsive and insensible decisions?

- A) By engaging themselves in critical reasoning.
- B) By developing a habit of keeping their integrity.
- C) By criticizing themselves for previous poor performances.
- D) By refraining from being too excited about their successes.

50. How can entrepreneurs overcome the risk-inducing effects of rivalry?

- A) By paying close attention to their current performance.
- B) By taking steps that stand to endanger their rivals' success.
- C) By monitoring how their decision-making impacts their mentality.
- D) By keeping their emotions in check to avoid making poor decisions.

Passage Two

Questions 51 to 55 are based on the following passage.

A multitasker is one who can perform two or more tasks effectively at the same time, which—apart from the obvious differences—is similar to what a computer does. The concept does indeed come from the realms of technology, where it is used to refer to an operating system that can execute multiple tasks at the same time. However, the question is: can a person really be a multitasker?

For most scientists, the answer is no. So much so that, according to experts in neuroscience(神经系统科学), our brains do not handle multitasking situations well. As soon as two tasks require our attention, productivity suffers. What we call multitasking, therefore, is in reality the ability to move more or less quickly from one task to another. This requires two essential conditions: that one of the tasks needs to be automatic, like walking or eating, and that they both need different mental processes. Answering the phone and writing at the same time, for example.

However, on the other side of the coin there are people who maintain that it is possible to be, or at least seem to be, multitasking. A recent study concluded that regardless of whether people are actually handling several tasks or not, the mere fact that they perceive this activity as multitasking has a positive effect on their performance.

The business perspective offers a different view: multitasking is understood as the ability to adapt to all types of environment within a company and effectively undertake different activities within a set time frame.

Indeed, many companies look for people who are skilled in multitasking to improve their productivity. From this different perspective, you can not only be multitasking but this ability can also be taught: something that is easier in fluid organisations, which favour flexibility in their working practices.

The benefits of multitasking are clear. Being quicker and more efficient increases our performance and the number of tasks completed. But having to pay attention to several things at once means that the powers of concentration are reduced and that can lead to more mistakes.

51. What does a "multitasker" originally refer to?

- A) An operating system capable of doing several tasks at once.
- B) A skilled worker executing more than one task at the same time.
- C) A sophisticated technology doing several tasks effectively at once.
- D) An efficient person able to perform multiple tasks at the same time.

52. Why can't people really be multitaskers according to neuroscientists?

- A) They are not sufficiently exposed to multitasking situations.
- B) They are not comparable to mechanical operating systems.
- C) Their brains do not allow them to multitask.
- D) Their attention span cannot be expanded.

53. What do we learn from the conclusion of a recent study on multitasking?

- A) People make greater achievements by maintaining whatever they are doing is multitasking.
- B) People's performance benefits from the perception of what they are doing as multitasking.
- C) People's active mental processes exert a positive effect on their multitasking.
- D) People can improve their capabilities by handling multitasking situations.

54. How does the business world view multitasking?

- A) It is a rare skill often found in fluid organisations.
- B) It is an adaptable capability required of all workers.
- C) It is an essential quality many employees lack.
- D) It is a desirable ability that can be developed.

55. What does the author imply we should do if we have to focus on some task and do it well?

- A) Work in a flexible way.
- B) Learn from mistakes.
- C) Avoid multitasking.
- D) Increase efficiency

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

改革开放以来，中国人的饮食(diet)发生了显著变化。过去由于经济落后，食品种类有限、数量不足，人们仅仅满足于吃得饱。如今中国经济快速发展，食品不仅更加丰富多样，质量也大幅提高。随着生活水平不断

提升，人们对饮食的要求越来越高，更加注重吃得营养健康。因此，目前市场上推出的低脂、低糖、有机食品受到人们的普遍欢迎。

真题卷第2套(2023-12) • 四级

Part I

Directions: Suppose the university newspaper is inviting submissions from the students for its coming edition on the recent development in their hometown. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

【参考范文·155词】 写作无唯一标准答案，以下为达标示范

Over the past few years, my hometown has undergone remarkable changes. As a student writing for our university newspaper, I would like to share two of them that have impressed me the most: transportation and the environment.

In the past, it used to take us hours of bumpy driving to reach the provincial capital. Now, however, a new high-speed railway gets us there in just two hours, and the widened roads have made daily travel far more convenient. Another change worth mentioning is the environment. The small river that once smelled terrible has been cleaned up, and several green parks have been built along its banks, where families now enjoy walking after dinner.

All these changes have made my hometown a much better place to live in. As someone who grew up there, I feel truly proud, and I firmly believe that it will become even more beautiful and livable in the years to come.

【参考译文】

在过去几年里，我的家乡发生了惊人的变化。作为一名为校报投稿的学生，我想分享其中最打动我的两点：交通和环境。

过去，我们要颠簸数小时才能到达省城。而如今，一条新建的高铁两小时就能把我们送到，拓宽的公路也让日常出行方便了许多。另一个值得一提的变化是环境。那条曾经臭气熏天的小河已被整治干净，河岸边建起了几座绿色公园，傍晚时分人们在那里散步。

所有这些变化让我的家乡变成了一个宜居得多的地方。作为在那里长大的人，我感到无比自豪，并坚信它在未来会变得更加美丽、宜居。

【第1段】总述 + 点明投稿身份并预告两点。开头用 Over the past few years, my hometown has undergone remarkable changes 亮出总变化，落实了「亮明总变化」句架；再用 share two of them ... transportation and the environment 预告分点，同时 writing for our university newspaper 点明投稿身份，扣住 the university newspaper is inviting submissions from the students 的场景。

【第2段】两组过去→如今→好处的对比。交通用 In the past, it used to ... / Now, however ... 的对比句架写出高铁与拓路；环境用 Another change worth mentioning is the environment 自然过渡，再以 once smelled terrible 对 has been cleaned up 形成对比，families now enjoy walking after dinner 给出具体画面，落实了「对比展开」方法。

【第3段】总评收拢 + 自豪展望。用 All these changes have made my hometown a much better place to live in 把两点收拢，再以 I feel truly proud 与 I firmly believe that it will become even more beautiful and livable 抒发自豪并展望，落实「收尾 = 总评感受 + 展望」，给校报读者一个情感落点。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

为校报写谈家乡发展的短文

任务被一句话钉死：write an essay for submission，主题是 the recent development in their hometown——即写一篇投给校报的短文，谈你家乡近来的发展变化。注意核心词是 recent development（近来的发展），要写的是「最近变了什么、变得怎样」，不是泛泛介绍家乡的地理风物。

读者 • 语域

面向校报读者的半正式书面语

读者由 the university newspaper is inviting submissions from the students 决定：你是以学生投稿人的身份，写给校报的广大读者看。所以语域是面向公众的半正式书面语——不能写成私人日记或对某个人的倾诉，要有一定可读性、让不认识你家乡的同学也读得进去；同时不必像求职信那样过分拘谨。

中心立意

家乡近年变化显著、生活更便利

中心立场定为：响应 the recent development in their hometown，我的家乡在近几年发生了显著而真切的变化，让生活变得更方便、更宜居。这一句既扣住「recent development」，又给后文留出可展开的方向。

要展开的要点

1. 交通：高铁/路网带来便利

选「交通」为第一个具体方面：过去去省城要颠簸数小时，如今高铁开通、公路拓宽，出行时间大幅缩短。这是最能体现 recent development 且人人有体感的切口。

2. 环境：旧河整治、绿地增多

选「环境」为第二个方面：曾经污染的河道经过整治变清，新增公园绿地，居民傍晚有了散步休闲的去处。一交通一环境，一硬一软，互补且都易写出具体画面。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文一一对应。

第 1 段 点题：家乡变化显著并预告方面

开篇呼应 the recent development in their hometown，点出家乡近年变化巨大，并预告下文要谈交通与环境两个方面。

第 2 段 主体：对比 + 事例展开两点变化

用「过去—如今」对比，分别把交通和环境的具体变化与好处写实，让读者看到画面。

第 3 段 收束：抒发自豪并展望

总结这些变化带来的获得感，表达对家乡的自豪与对未来的期待，呼应校报投稿的场景。

第 1 段 总述近年变化大并预告交通、环境

落点：紧扣 the recent development in their hometown，写「这些年我家乡变化惊人」，并点明最打动我的是交通和环境两方面，引出主体。

亮明总变化 · Over the past few years, my hometown has undergone remarkable changes. (把 remarkable changes 换成你家乡的总体变化)

预告分点 · Among them, the changes in ____ and ____ have impressed me the most.
(横线填要谈的两个方面)

第 2 段 交通与环境的前后对比及好处

落点：交通——过去去省城要颠簸数小时，如今高铁两小时直达、公路拓宽，出行省时省心；环境——曾经发臭的河道经整治变清，新建公园绿地，傍晚居民有了散步去处。两点都写出具体画面与好处。

引出过去情形 · In the past, it used to _____. (填从前的不便或旧貌)

转到现在对比 · Now, however, _____, which makes _____ much more convenient. (前空填新变化，后空填带来的好处)

再添一个方面 · Another change worth mentioning is _____. (引出第二个方面，避免两段重复同一句式)

第 3 段 为家乡自豪并展望更美好未来

落点：把交通、环境的改善收拢为「家乡越来越宜居」，表达身为家乡人的自豪，并相信它会发展得更好——给校报读者一个温暖的收束。

总评收拢 · All these changes have made my hometown a better place to live in. (可把 a better place 替换为你的总评)

展望未来 · I firmly believe that it will become even more ____ in the years to come.
(横线填对未来的期待)

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

必须扣 recent development 且有实例

本题最易跑偏成泛泛介绍家乡，务必扣住 the recent development in their hometown 的「近来发展」，且每个方面都要有高铁、整治河道这类具体事例，不能只说「变化很大」。

结构连贯

对比信号词撑起发展感

本题靠「过去—如今」的对比体现 development，务必让 In the past、Now、Another change 等信号词到位，避免句子之间各说各话。

语言准确

现在完成时配 recent，搭配要地道

写「近来的变化」适合用现在完成时 has undergone/has been cleaned up；用 convenient、livable、green parks 等准确搭配，比硬翻「人很多很方便」更稳。

字数格式

落在 120–180 词、三段分明

严守 at least 120 words but no more than 180 words，本范文 155 词正好居中；保持三段，主体段篇幅最大。

只喊口号无事例

反面示例：My hometown has developed very fast. Everything is much better now. The economy is good and people are happy.（全是抽象判断，读者看不到任何变化）。改：补上「高铁两小时直达省城」「臭河整治后建成公园」这类具体场景。

罗列十项各一句

反面示例：The roads are wider. The schools are bigger. The hospital is new. The Internet is faster. The shops are more.（十项流水账，无重点无展开）。改：砍到交通 + 环境两点，各自展开成「过去→如今→好处」。

写成私人日记

反面示例：Dear diary, today I went back home and felt so happy. I miss my mom's food so much.（私人日记口吻，与家乡发展和校报读者都无关）。改：改成 As a student writing for our university newspaper, I would like to share... 并聚焦家乡的客观变化。

听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2023年12月·第2套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第2套(2023-12) · 四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

¹ A police officer in the U.S. stopped a large SUV car that was going very slowly and drifting across lanes on a highway. He expected to find a driver who was either very drunk or having a medical emergency. Instead, the officer discovered a five-year-old boy sat on the edge of the driver's seat. His feet could barely reach the brake, and his head was only just high enough to see out of the windows. The child had taken the keys to the family car while his teenage sister was napping. He then drove three kilometers across town before getting on the highway. The boy later told confused officers that he was planning to travel to California and buy a Lamborghini sports car. Although he only had three dollars in his wallet, at least he was driving in the right direction.

美国一名警察拦下了一辆在高速公路上行驶缓慢并跨车道漂移的大型SUV。他原以为会发现一个醉酒严重或突发疾病的司机。然而，警察却发现一个五岁男孩坐在驾驶座边缘。他的脚几乎够不到刹车，头部也刚好高到能看出车窗外。这个孩子趁十几岁的姐姐午睡时拿走了家里的车钥匙。然后他开车穿过城镇行驶了三公里后上了高速公路。男孩后来告诉困惑的警察，他计划去加利福尼亚州买一辆Lamborghini跑车。尽管他钱包里只有三美元，但至少他开车的方向是对的。

1. A) He noticed the driver was too young to drive. C) He thought something must be wrong with the driver.
B) He found there was no one sitting at the wheel. D) He saw the driver changing lanes much too frequently.

【题目】 Why did the police officer stop the SUV car?

【翻译】 警察为什么拦停那辆SUV?

- A) 他注意到驾驶员太年轻,不能开车。 B) 他发现驾驶座上没有人。
C) 他认为驾驶员一定出了什么问题。 D) 他看到驾驶员变换车道过于频繁。

【答案】 C (细节题) He thought something must be wrong with the driver.

【定位】 A police officer in the U.S. stopped a large SUV car that was going very slowly and drifting across lanes on a highway. He expected to find a driver who was either very drunk or having a medical emergency.

美国一名警察拦下了一辆在高速公路上行驶得非常缓慢、还在车道间飘忽乱晃的大型 SUV。他原以为会发现一个要么烂醉、要么突发疾病的司机。

【信号】 开篇即点题、紧跟一句"原以为"的推断。新闻把核心事件放在第一句: 车 going very slowly and drifting across lanes (开得很慢、车道间乱飘)。紧接着 He expected to find a driver who was either very drunk or having a medical emergency 这句"警察原以为", 直接道出他判断"司机一定出了问题"——这正是拦车的真实理由。

【替换】 a driver who was either very drunk or having a medical emergency ↔
something must be wrong with the driver

具体病况概括成"司机有问题"

【排除】 A) 原词陷阱

录音后面确实揭晓司机是 a five-year-old boy (五岁男孩)，A 项 He noticed the driver was too young to drive. (发现司机太小不能开车) 就盗用了这个"年龄小"的事实。但那是警察拦车"之后"才发现的真相，并非拦车的原因——拦车时他根本看不清开车的是谁。听到"小孩"就选 A，正中原词陷阱。

借用原文：a five-year-old boy sat on the edge of the driver's seat

B) 与原文相反

B 项 He found there was no one sitting at the wheel. (发现没人坐在方向盘后) 听起来很像那个离奇画面，但录音说的是男孩 sat on the edge of the driver's seat——其实有人坐在驾驶位，只是个小孩。而且"座位上情况"是拦车后才看清的，拦车当下警察只看到车乱晃。B 既与原文不符、又答非所问。

借用原文：a five-year-old boy sat on the edge of the driver's seat

D) 偷换概念

D 项 He saw the driver changing lanes much too frequently. (看到司机频繁变道) 盗用了原文 drifting across lanes 里的 lanes。但 drifting across lanes 是"车失控地在车道间飘移乱晃" (因为开车的是够不着踏板的小孩)，不是司机主动、频繁地变换车道。D 把"失控飘移"偷换成"频繁变道"，看似沾边实则两回事。

借用原文：drifting across lanes on a highway

2. A) Buy a sports car.

C) Leave California.

B) Drive across town.

D) Visit his sister.

【题目】 What did the boy tell the police officers he was planning to do?

【翻译】 男孩告诉警察他打算做什么？

A) 买一辆跑车。 B) 开车穿过城镇。 C) 离开California。 D) 看望他的姐姐。

【答案】 A (细节题) Buy a sports car.

【定位】 The boy later told confused officers that he was planning to travel to California and buy a Lamborghini sports car.

男孩后来告诉一脸困惑的警察，他打算开去加利福尼亚，买一辆兰博基尼跑车。

【信号】 planning to 直接引出打算做的事。 信号词 he was planning to travel to California and buy a Lamborghini sports car 里的 planning to 正是"表打算"的标志，其后跟着的两个动作 (去加州、买跑车) 就是男孩的计划，是题目要的答案落点。

【替换】 buy a Lamborghini sports car ↔ **Buy a sports car.**

去掉品牌名后即同一动作

【排除】 B) 原词陷阱

B 项 Drive across town. (开车穿过城镇) 盗用了原文 drove three kilometers across town 里的 across town。但"开车穿城"是男孩已经做过的事(他已经开了三公里穿过城镇上高速), 不是他"打算"做的事。题目问的是 planning to 之后的计划, B 把"已发生"偷换成"打算做", 答非所问。

借用原文: He then drove three kilometers across town before getting on the highway.

C) 与原文相反

C 项 Leave California. (离开加州) 盗用了地名 California, 但录音说的是 travel to California (去往加州), 方向恰好相反——是去、不是离开。地名一念到极易被耳朵抓住, 但方向词 (to / leave) 被悄悄反转, 最易让人误选。

借用原文: he was planning to travel to California

D) 原词陷阱

D 项 Visit his sister. (看望他姐姐) 盗用了原文出现的 sister。但 sister 在录音里只是"趁姐姐午睡时拿了车钥匙"的背景人物 (while his teenage sister was napping), 男孩的计划是去加州买跑车, 从没说过要去看望姐姐。这是把一个出现过的人名硬塞进"计划"里。

借用原文: while his teenage sister was napping

Questions 3 and 4 are based on the news report you have just heard.

1 Mobile phones have changed the way we live, how we read, work, communicate, and shop. But we already know this. What we have not yet understood is the way the tiny machines in front of us are changing our skeletons, possibly altering not just the way we behave but even the very shape of our bodies.

手机已经改变了我们的生活方式, 改变了我们阅读、工作、交流和购物的方式。但我们已经知道这一点。我们尚未理解的是, 我们面前的这些小型机器正在改变我们的骨骼, 可能不仅改变我们的行为方式, 甚至改变我们身体的形状。

2 New scientific research at the University of the Sunshine Coast in Queensland, Australia, suggests that young people are developing extra pieces of bone at the backs of their heads. These pieces of bone are caused by the way people bend their heads when they use the phone. This shifts weight onto the muscles at the back of the head and causes the bone to grow in a way that is not normal. This process can be compared to the way the skin hardens in response to constant rubbing or pressure. The result is a piece of bone like a horn that sticks out from the head by the neck.

澳大利亚昆士兰阳光海岸大学的最新科学研究表明, 年轻人的后脑勺正在长出额外的骨块。这些骨块是由人们使用手机时低头的方式造成的。这会将重量转移到后脑勺的肌肉上, 并导致骨骼以不正常的方式生长。这一过程可以与皮肤因持续摩擦或压力而变硬的方式相比较。其结果是在颈部附近从头部突出的一块类似角的骨头。

3. A) How they change the way we shop.

C) How they cause increased headaches.

B) How they alter human skeletons.

D) How they affect our communication.

【题目】 What does the report say we have not yet understood about mobile phones?

【翻译】报告称我们尚未了解手机的哪个方面？

- A) 手机如何改变我们的购物方式。 B) 手机如何改变人类骨骼。
C) 手机如何导致头痛增加。 D) 手机如何影响我们的沟通。

【答案】B (细节题) How they alter human skeletons.

【定位】What we have not yet understood is the way the tiny machines in front of us are changing our skeletons, possibly altering not just the way we behave but even the very shape of our bodies.
我们还没有理解的，是眼前这些小小的机器正在改变我们的骨骼这件事——它们或许不仅改变我们的行为方式，甚至会改变我们身体的形状。

【信号】题干原话 **we have not yet understood** 直接复现。录音里 What we have not yet understood is the way the tiny machines in front of us are changing our skeletons 把题干的核⼼短语 "we have not yet understood" 原样念出，这种 "题干关键词在原文出现" 就是答案句的定位信号，紧跟其后的 changing our skeletons 即所求。

【替换】changing our skeletons ↔ **How they alter human skeletons.**

changing 同义替换为 alter

【排除】A) **原词陷阱**

录音开头 how we read, work, communicate, and shop 确实念到 shop 购物，但紧接着说 But we already know this——购物属于 "我们已经知道" 的部分，而题目问的是 "还没理解" 的，正好相反，选它就掉进了原词陷阱。

借用原文：how we read, work, communicate, and shop

C) **未提及**

选项 How they cause increased headaches. 说手机导致头痛增多，但整段录音从未提到 headaches 头痛，是凭 "手机看多了会头疼" 的生活常识硬加的，属无中生有。

D) **原词陷阱**

录音里 how we read, work, communicate, and shop 念到 communicate 沟通，How they affect our communication. 借此设套；但沟通和购物一样属于 But we already know this 已知的部分，不是题问的 "还没理解" 的，故错。

借用原文：how we read, work, communicate, and shop

-
4. A) It loosens. C) It hardens.
B) It brightens. D) It softens.

【题目】What happens to the skin when rubbed or pressed constantly?

【翻译】当皮肤持续受到摩擦或按压时会发生什么？

- A) 它变松弛。 B) 它变亮。 C) 它变硬。 D) 它变软。

【答案】C (细节题) It hardens.

【定位】 This process can be compared to the way the skin hardens in response to constant rubbing or pressure.

这个过程可以类比皮肤在持续摩擦或受压之下变硬的方式。

【信号】 题干关键词 **skin、rubbing、pressure 同句聚齐**。录音 the skin hardens in response to constant rubbing or pressure 把题干的 skin、rubbed / pressed (原文作 rubbing / pressure) 几个词凑在同一句, 关键词集中出现即答案句信号, 紧跟的动词 hardens 就是结果。

【替换】 the skin hardens ↔ **It hardens.**

the skin 由 It 指代、hardens 原词承接

【排除】 A) **未提及**

It loosens. 说变松, 但录音讲皮肤是 hardens 变硬, 没有任何 "变松" 的说法, 纯属无中生有。

B) **未提及**

It brightens. 说变亮, 录音谈的是皮肤受摩擦后 hardens 变硬的物理硬化, 与 "变亮" 毫不相干, 录音也未提及。

D) **与原文相反**

It softens. 变软, 恰与录音 the skin hardens 变硬相反。这是预读时就标好的反义诱选——一字方向之差, 听不清硬 / 软就会反选。

借用原文: the skin hardens

Questions 5 to 7 are based on the news report you have just heard.

1 A village is going to throw a birthday party for an orange cat named Wilbur, who has become famous for making a regular appearance at local shops.

一个村庄将为一只名叫Wilbur的橘猫举办生日派对,这只猫因定期光顾当地商店而出名。

2 Wilbur has his own Internet pages as he approaches his 10th birthday on July 7. Wilbur is both bold and friendly. He spends most of his time in shops and businesses around the village. He'll just take himself into any shop, anywhere. There was one time when the doctor's receptionist came back and he was sitting on her chair. Among his favorite haunts are a local hairdresser, two pubs, and the Nottingham Primary School.

Wilbur即将在7月7日迎来10岁生日,它有自己的网页。Wilbur既大胆又友好,它大部分时间都在村里的商店和企业中度过。它会自己走进任何商店、任何地方。有一次医生的接待员回来时,发现它正坐在她的椅子上。它最喜欢去的地方包括一家当地理发店、两家酒吧和Nottingham小学。

3 Lesley Harper, who runs one of the pubs, said the cat has been a big hit with their customers. "He's been a regular visitor for most of this year," she told the Press Association. "He's a very relaxed cat,

happy for customers and villagers young and old to come in and say hello." She also said he is a cat of expensive tastes who likes his high priced cat food.

经营其中一家酒吧的Lesley Harper说这只猫深受顾客喜爱。她告诉Press Association:"今年大部分时间它都是常客。它是一只非常放松的猫,乐意让顾客和村民不论老少进来打招呼。"她还说它是一只品味昂贵的猫,喜欢吃高价猫粮。

4 Sarah Godfrey, who is organizing Wilbur's party, told the local newspaper, "Wilbur is part of our lives, as he is for everyone who lives in the village."

正在组织Wilbur派对的Sarah Godfrey告诉当地报纸:"Wilbur是我们生活的一部分,对村里每个人来说都是如此。

5. A) Create Internet pages for him. C) Name an orange tree after him.
B) Ask a local pet shop to adopt him. D) Hold a birthday party for him.

【题目】 What does the report say the village is going to do for the cat Wilbur?

【翻译】 报道中说村子将为猫Wilbur做什么?

- A) 为它创建网页。 B) 请当地宠物店收养它。 C) 用它的名字命名一棵橙树。
D) 为它举办生日派对。

【答案】 D (细节题) Hold a birthday party for him.

【定位】 A village is going to throw a birthday party for an orange cat named Wilbur, who has become famous for making a regular appearance at local shops.

一座村庄即将为一只名叫 Wilbur 的橘猫举办生日派对, 这只猫因为经常出现在当地店铺而声名鹊起。

【信号】 开篇 going to 句式即新闻核心事件。新闻第一句 A village is going to throw a birthday party for an orange cat named Wilbur 用 going to 直接给出整条新闻的核心事件, 符合短篇新闻「开门见山报导何事」的体例, 是本题的答案句无疑。

【替换】 is going to throw a birthday party ↔ Hold a birthday party for him.

throw=hold 的同义词替换

for an orange cat named Wilbur ↔ for him

具体名词到人称代词的概括

【排除】A) 原词陷阱

选项 Create Internet pages for him. 借用了第二段 Wilbur has his own Internet pages 这一原词，但原文说的是 Wilbur 已经拥有自己的网页（既成事实），而非村庄「将要为他创建」网页，且这件事不是「村庄为他做的事」，属于答非所问加时态错位的双重陷阱。

借用原文：Wilbur has his own Internet pages

B) 未提及

选项 Ask a local pet shop to adopt him. 抓住了录音里反复出现的 local shops 这一概念，但录音从未提及 pet shop 或 adopt——Wilbur 是已经有人照看的明星猫，「让宠物店领养他」是凭借 cat/shops 自行联想的过度推断。

C) 原词陷阱

选项 Name an orange tree after him. 同时盗用了 an orange cat 中的 orange 和 named Wilbur 中的 name，制造「以橘猫之名命名橘树」的错觉，但原文里 orange 修饰的是 cat、name 是给猫命名，与「橘树」毫无关系。

借用原文：an orange cat named Wilbur

-
6. A) He is a bold and aggressive pet. C) He once bit a doctor's receptionist.
B) He pays regular visits to village shops. D) He likes to sit on the hairdresser's chair.

【题目】What do we learn from the report about the cat?

【翻译】从报道中我们了解到关于这只猫的什么信息？

- A) 它是一只大胆好斗的宠物。 B) 它定期光顾村里的商店。
C) 它曾咬过一位医生的接待员。 D) 它喜欢坐在理发师的椅子上。

【答案】B (细节题) He pays regular visits to village shops.

【定位】He spends most of his time in shops and businesses around the village. He'll just take himself into any shop, anywhere.

他的大部分时间都泡在村里的店铺和商家里，他会自顾自地走进任何一家店，到处都是。

【信号】频次副词 **most of his time** 与范围词 **any/anywhere** 强调常态。He spends most of his time in shops and businesses around the village 里的 most of his time 与紧接着的 He'll just take himself into any shop, anywhere 中的 any/anywhere，都是高强度的频次与范围信号，明确告诉考生「经常去店铺」是这只猫的常态行为——这正是 B 项 regular visits 的答案信号。

【替换】spends most of his time in shops and businesses around the village ↔
pays regular visits to village shops.

频次副词 most of his time 与 regular 等值

shops and businesses around the village ↔ **village shops**

村庄里的店铺这一对象一致

making a regular appearance at local shops ↔ **pays regular visits to village shops.**

regular appearance 与 regular visits 直接对应

【排除】 A) 与原文相反

选项 He is a bold and aggressive pet. 盗用了录音里 Wilbur is both bold and friendly 中的 bold, 但把后半句的 friendly 偷偷换成了 aggressive。bold 在 friendly 与 aggressive 两种语境下意思走向完全相反, 原文明确说他是 bold and friendly (大胆又友好), 与 aggressive 截然相反。

借用原文: Wilbur is both bold and friendly

C) 原词陷阱

选项 He once bit a doctor's receptionist. 借用了录音里 the doctor's receptionist came back and he was sitting on her chair 中 receptionist 这一原词, 但原文说的是「前台回来时发现他坐在自己椅子上」, 根本没有「咬人」这一情节。bite 是凭「猫与人接触」自行加戏的虚构事件。

借用原文: the doctor's receptionist came back and he was sitting on her chair

D) 张冠李戴

选项 He likes to sit on the hairdresser's chair. 把「坐在椅子上」这一情节 (原文里发生在 the doctor's receptionist came back and he was sitting on her chair 即医生前台的椅子上) 安到了理发店的椅子上。原文只在 Among his favorite haunts are a local hairdresser 里提及理发店是他常去的地方之一, 但并未说他喜欢坐理发店椅子。

借用原文: Among his favorite haunts are a local hairdresser

-
7. A) He is fond of luxury cat food. C) He knows everybody in the village.
B) He likes to stay in villagers' houses. D) He often seeks food around her pub.

【题目】 What does the pub owner, Lesley Harper, say about the cat?

【翻译】 酒吧老板 Lesley Harper 关于这只猫说了什么?

- A) 它喜欢高档猫粮。 B) 它喜欢待在村民家里。 c) 它认识村里的每个人。
D) 它经常在她的酒吧周围寻找食物。

【答案】 A (细节题) He is fond of luxury cat food.

【定位】 She also said he is a cat of expensive tastes who likes his high priced cat food.

她还说他是一只品味奢侈的猫, 喜欢吃高价猫粮。

【信号】 She also said 引出直接信息源加 expensive/high priced 同向强化。 She also said he is a cat of expensive tastes who likes his high priced cat food 用 She also said 直接把信息归到 Lesley Harper 名下, 且 expensive tastes 与 high priced 在「奢侈高档」这一语义维度上同向强化, 正是 A 项 luxury 的答案信号。

【替换】 a cat of expensive tastes ↔ **He is fond of luxury cat food.**

expensive tastes 与 fond of luxury 同义概括

likes his high priced cat food ↔ **fond of luxury cat food**

high priced=luxury 的近义替换

【排除】 B) 偷换概念

选项 He likes to stay in villagers' houses. 借了录音中 happy for customers and villagers young and old to come in and say hello 里的 villagers 一词，但原文说的是「乐于让村民和顾客进店打招呼」——他待的是酒馆，村民是进店打招呼的人，「待在村民家里」这一情节子虚乌有。

借用原文：happy for customers and villagers young and old to come in and say hello

C) 过度推断

选项 He knows everybody in the village. 把录音里 happy for customers and villagers young and old to come in and say hello 这种「乐于和顾客与村民打招呼」的描述夸大成「认识村里每个人」。原文从未说他「认识」任何人，更没说 everybody，是典型的范围极大化推断。

借用原文：happy for customers and villagers young and old to come in and say hello

D) 原词陷阱

选项 He often seeks food around her pub. 借了酒馆这一场景设定，但 Lesley Harper 从未说他「在酒馆附近觅食」。原文里关于「食物」的唯一说法是 high priced cat food，重点在「高档」而非「在酒馆附近找」。seeks food around her pub 是把场景与食物两个真实元素硬拼出的虚构动作。

借用原文：high priced cat food

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

1 M: So, where do you want to go for lunch?

M: 那么，你想去哪儿吃午饭？

2 W: I don't know. Do you have anything in mind?

W: 我不知道。你有什么想法吗？

3 M: What about the Sandwich Place on Camden Street?

M: Camden Street 上的三明治店怎么样？

4 W: Hmm... No, sorry. I don't feel like sandwiches today. It's a great place, but I think we go there too often.

W: 嗯.....不好意思。我今天不想吃三明治。那地方很不错，但我觉得我们去得太频繁了。

5 M: That's true. Remember that's where we saw Brigitte Clark, the famous movie star.

M: 确实。还记得我们就是在那儿看到电影明星 Brigitte Clark 的。

6 W: Of course. How could I ever forget? There were crowds of people around her asking for a photo with her.

W: 当然记得。我怎么可能忘记? 当时一群人围着她要跟她合影。

7 M: What about hamburgers, then? There's that American style diner on the way to the mall.

M: 那汉堡怎么样? 去购物中心路上有家美式餐厅。

8 W: I like that place. Their chips are great, but their service takes a long time. And I need to get back by 2:30 for a conference call. How about trying something new? We could try Mario's, the new Italian restaurant on the corner. It looks all right. Have you been there?

W: 我喜欢那家店。他们的薯条很棒, 但是上菜要等很久。而且我需要在两点半之前回去开电话会议。要不试试新地方? 我们可以去 Mario's, 拐角处那家新开的意大利餐厅。看起来不错。你去过吗?

9 M: No, I haven't, but I've noticed that it has great reviews on the Internet. It's supposed to be one of the best Italians in town. I think Jeremy has been there and said it was amazing. I'm up for that.

M: 没有, 我没去过, 但我注意到它在网上评价很好。据说是城里最好的意大利餐厅之一。我想 Jeremy 去过, 说那里很棒。我没意见。

10 W: Cool. Have you asked Jeremy if he would like to come with us?

W: 好啊。你问过 Jeremy 想不想跟我们一起去吗?

11 M: I already have. He says he can't. He has brought his own lunch today, so he will stay in. I think his wife made him soup.

M: 我问过了。他说不行。他今天自己带了午饭, 所以要待在办公室。我想是他妻子给他做的汤。

12 W: Poor Jeremy. His wife is a terrible cook. He should throw that soup in the bin and join us.

W: 可怜的 Jeremy。他妻子厨艺太差了。他应该把那汤扔进垃圾桶, 然后跟我们一起去。

8. A) Who to order the food.

C) When to go for their meal.

B) Whether to have sandwiches.

D) Where to have their lunch.

【题目】 What are the speakers talking about in this conversation?

【翻译】 说话者在这段对话中谈论什么?

A) 由谁来订餐。 B) 是否吃三明治。 C) 何时去用餐。 D) 在哪里吃午餐。

【答案】 D (主旨题) Where to have their lunch.

【定位】 M: So, where do you want to go for lunch?

男: 那你想去哪儿吃午饭?

【信号】 开门见山的话题问句。 where do you want to go for lunch? 是对话的第一句, 用 So 起头直接抛话题, 正是听力主旨题最常用的开头点题信号。后续整段所有讨论(三明治店、汉堡店、意大利餐厅)都是围绕这句话在选地方吃午饭。

【替换】 where do you want to go for lunch? ↔ **Where to have their lunch.**

where to go 与 where to have 同义

【排除】 A) 未提及

全篇对话围绕选餐厅展开，从头到尾没有任何一句提到由谁来点食物，纯属 Who to order the food. 制造的无中生有。

B)

录音里 What about the Sandwich Place on Camden Street? 与 I don't feel like sandwiches today. 确实念到了 sandwiches, Whether to have sandwiches. 就盗用了这个原词，让「听到原词就想选」的考生中招。但实际上三明治只是男方第一个提议的备选之一，被否决后整段对话又讨论了汉堡、意大利餐厅，三明治远不足以代表主旨。

借用原文：I don't feel like sandwiches today.

C)

录音里 I need to get back by 2:30 for a conference call. 出现了具体时间，但那是女方解释自己时间紧、不要选服务慢的店的附带理由，整段对话从未围绕「几点去吃」展开讨论，When to go for their meal. 把次要约束当主线。

借用原文：I need to get back by 2:30 for a conference call.

9. A) In the shopping center nearby.

C) At the Sandwich Place on Camden Street.

B) In the expensive Italian style diner.

D) At the American restaurant they frequent.

【题目】 Where did the speakers see Brigitte Clark, the famous movie star?

【翻译】 说话者在哪里看到著名电影明星Brigitte Clark?

A) 在附近的购物中心。 B) 在昂贵的意大利风格餐厅。

C) 在Camden Street的三明治店。 D) 在他们常去的美式餐厅。

【答案】 C (细节题) At the Sandwich Place on Camden Street.

【定位】 M: That's true. Remember that's where we saw Brigitte Clark, the famous movie star.

男：确实。记得吗？我们就是在那儿见过 Brigitte Clark，那个有名的电影明星。

【信号】 that's where + 回指。that's where we saw Brigitte Clark 用 that's where 把「那个地方」指回上一句男声提到的 the Sandwich Place on Camden Street，回指词 that 是细节定位的关键信号——它不是新地点，而是回指刚出现过的那个地点。

【替换】 the Sandwich Place on Camden Street ↔ At the Sandwich Place on Camden Street.

原句锁回指对象

that's where we saw Brigitte Clark, the famous movie star ↔

At the Sandwich Place on Camden Street.

回指 that = 三明治店

【排除】 A)

录音里只在第 7 段提到 on the way to the mall (去商场路上) 作为美式餐厅的位置描述, 但商场本身从未作为见明星的地点出现, In the shopping center nearby. 属于无中生有。

借用原文: on the way to the mall

B) 原词陷阱

录音里 We could try Mario's, the new Italian restaurant on the corner. 与 I haven't, but I've noticed that it has great reviews 都明确说 Mario's 是他们还没去过的新意餐厅，与「在那儿见过明星」在逻辑上完全冲突，In the expensive Italian style diner. 盗用了 Italian 这个原词制造干扰。

借用原文: Mario's, the new Italian restaurant on the corner

D)

录音里 There's that American style diner on the way to the mall. 出现了 American 这个原词, At the American restaurant they frequent. 就盗用它制造干扰; 但原文从未说他们常去那家美式餐厅, 而且这家餐厅是男方拿来作为今天午饭的备选, 与见明星这件已发生事毫无关联。

借用原文: There's that American style diner on the way to the mall.

10. A) There is to be a conference call.
B) She has to meet with her boss then.
C) There will be crowds of people waiting for her.
D) She will have a photo taken with Brigitte Clark.

【题目】 Why does the woman say she needs to get back by 2:30?

【翻译】 女士为什么说她需要在2点半之前回去?

- A) 将有一个电话会议。 B) 她那时必须与老板会面。 C) 将有许多人等着她。
D) 她将与Brigette Clark合影。

【答案】 A (细节题) There is to be a conference call.

【定位】 W: I like that place. Their chips are great, but their service takes a long time. And I need to get back by 2:30 for a conference call.

女：我喜欢那家。他们的薯条很棒，但上菜慢。而且我得在 2:30 之前赶回去开电话会议。

【信号】 **for + 原因短语**。I need to get back by 2:30 for a conference call. 中的 for 是原因介词，直接把 2:30 这个时间点和「开电话会议」这个理由焊死。Why 类题听到 for/because/so that 就要立刻锁定，理由就在它后面。

【替换】 for a conference call $\leftrightarrow$ **There is to be a conference call.**

for + 名词转 there is to be

【排除】 B)

录音从头到尾没有任何 boss、manager、meet with 之类的词，She has to meet with her boss then. 完全是无中生有。

C) 原词陷阱

录音 There were crowds of people around her asking for a photo with her. 里确实出现了 crowds of people, There will be crowds of people waiting for her. 就盗用了这个原词；但原文里那群人围的是 Brigitte Clark, 不是女方，C 把围观对象张冠李戴到她身上，且时态从过去 were 偷换成将来 will be。

借用原文：There were crowds of people around her asking for a photo with her.

D) 原词陷阱

录音 asking for a photo with her 出现 photo, Brigitte Clark 出现人名，She will have a photo taken with Brigitte Clark. 把这两个原词拼成「女方将与 Brigitte Clark 合影」的新事件——这件事原文从未发生，是典型的原词拼接陷阱。

借用原文：asking for a photo with her

-
11. A) She doesn't deem homemade soup tasty. C) She feels Jeremy would rather dine out.
B) She doesn't think his wife cooks well. D) She has found the soup smells terrible.

【题目】 Why does the woman say Jeremy should throw his soup in the bin?

【翻译】 女士为什么说Jeremy应该把他的汤扔进垃圾桶？

- A) 她认为自制汤不好吃。 B) 她认为他妻子厨艺不好。
C) 她觉得Jeremy宁愿在外面吃饭。 D) 她发现这汤闻起来很难闻。

【答案】 B (推断题) She doesn't think his wife cooks well.

【定位】 W: Poor Jeremy. His wife is a terrible cook. He should throw that soup in the bin and join us.
女：可怜的 Jeremy。他妻子是个糟糕的厨师。他真该把那碗汤扔了，跟我们一起去。

【信号】 终判式因果链。 His wife is a terrible cook. He should throw that soup in the bin 是一个语义上的因果链：先下评判 His wife is a terrible cook，再据此建议 He should throw...。前一句就是建议的真正原因，是答案句中最关键的承载句。

【替换】 His wife is a terrible cook. ↔ **She doesn't think his wife cooks well.**

贬义形容词转含蓄否定

【排除】 A) 偷换概念

录音里女方的批评对象是 His wife (人 - 妻子的厨艺)，不是汤本身。She doesn't deem homemade soup tasty. 把矛头从「妻子厨艺差」偷换成「她觉得家常汤本身不好吃」，是范围偏移。她没有否定家常汤这个品类，只是否定他妻子做的这一碗。

借用原文：His wife is a terrible cook.

C)

录音 He should throw that soup in the bin and join us. 出现了 join us, She feels Jeremy would rather dine out. 就据此过度推断成「她觉得 Jeremy 更愿意出去吃」。但女方建议他出来吃是她的提议，不是 Jeremy 自己的偏好；原文里 Jeremy 自己说的是 He has brought his own lunch today, so he will stay in., 恰恰是要留下不出去。C 把女方的建议错认成 Jeremy 的意愿，过度推断且方向反了。

借用原文：He should throw that soup in the bin and join us.

D) 原词陷阱

录音里女方说的是 His wife is a terrible cook.——评价做菜人的水平，从未提到汤闻起来怎么样。She has found the soup smells terrible. 盗用了 terrible 这个原词，但把它从修饰 cook 偷换为修饰 smells，是经典的「原词换搭配」陷阱。

借用原文：His wife is a terrible cook.

Questions 12 to 15 are based on the conversation you have just heard.

1 W: Hi, there. How are you today? Do you have a reservation with us already?

W: 你好，今天怎么样？您已经在我们这里预订了吗？

2 M: Good afternoon. Yes, we reserved our rooms yesterday morning on your website for three nights. The name's Patterson.

M: 下午好。是的，我们昨天早上在你们的网站上预订了三晚的房间。名字是Patterson。

3 W: Okay. Let me have a look. Yes, we have it here. You brought the whole family with you, I see.

W: 好的，让我看看。是的，在这里找到了。我看您带着全家人一起来。

4 M: Yes, the two kids, my wife and I, and her parents too.

M: 是的，两个孩子，我妻子和我，还有她的父母。

5 W: Great. So we have a family room for you and your wife and the kids, and another double room for your parents-in-law. They are right next to each other on the ground floor, since you mentioned in your message that they have trouble with stairs.

W: 很好。我们为您和您的妻子以及孩子们准备了一间家庭房，还有另一间双人房给您的岳父岳母。两间房紧挨着，在一楼，因为您在留言中提到他们上下楼梯有困难。

6 M: That's wonderful. My father-in-law has had terrible problems getting up and down stairs since his knee operation last April.

M: 太好了。我岳父自从去年四月做了膝盖手术后，上下楼梯就一直很困难。

7 W: I'm sorry to hear that. And if you need any help to find transportation for the whole family, we can definitely recommend someone for you.

W: 听到这个我很遗憾。如果您需要任何帮助为全家人找交通工具, 我们绝对可以为您推荐。

8 M: We were thinking of renting a car, but we will explore all the options available for sure. So, yes, that would be very helpful in comparing prices. We're also wondering what tours and day trips are available.

M: 我们本来在考虑租车, 但我们肯定会了解所有可选的方案。所以, 是的, 这对比较价格会很有帮助。我们还想知道有哪些旅游团和一日游可以参加。

9 W: We have bunches of brochures here. I would recommend getting out on a boat trip. The kids will love it and there are so many islands nearby to explore. There's also a great night market further into town that has all kinds of food and cool little shops selling souvenirs and local jewelry and clothing made by hand.

W: 我们这里有很多宣传册。我建议你去坐船游览。孩子们会喜欢的, 附近有很多岛屿可以探索。镇里还有一个很棒的夜市, 有各种各样的食物和很酷的小店, 卖纪念品、当地的珠宝和手工制作的服装。

10 M: That all sounds marvelous.

M: 听起来都很棒。

11 W: Now, all I need is to photocopy your passports and then I can get you all checked in and show you to your rooms.

W: 现在, 我只需要复印一下您的护照, 然后就可以为您办理入住手续, 带您去房间了。

12. A) A landlady.

C) A receptionist.

B) A waitress.

D) A saleswoman.

【题目】 Who is the man talking to in the conversation?

【翻译】 对话中男士在和谁说话?

A) 女房东。 B) 女服务员。 C) 接待员。 D) 女销售员。

【答案】 C (细节题) A receptionist.

【定位】 Hi, there. How are you today? Do you have a reservation with us already?

你好, 今天感觉如何? 您已经在我们这里预订了吗?

【信号】 开场专属话术。 Do you have a reservation with us already? 是酒店前台接待客人时最典型的开场询问——问『是否有预订』。这种『询问预订』的话术是接待员的专属标记, 是定身份的信号句。

【替换】 Do you have a reservation with us already? ↔ **A receptionist.**

话术 → 身份的同义替换

I can get you all checked in and show you to your rooms. ↔ **A receptionist.**

结尾办理入住二次确认

【排除】 A) 未提及

A landlady. 是出租房屋的房东，话术应是 rent/deposit/lease，不会用 reservation 这类酒店术语；录音里也没有出现任何与租房相关的词。

B) 原词陷阱

A waitress. 是餐厅服务员。录音 has all kinds of food and cool little shops 确实提到了 food，但讲的是夜市，不是接待方提供餐饮服务，属于典型原词陷阱——听到 food 就误以为对方是 waitress。

借用原文：has all kinds of food and cool little shops selling souvenirs and local jewelry and clothing made by hand

D) 原词陷阱

A saleswoman. 是售货员。录音 cool little shops selling souvenirs and local jewelry and clothing made by hand 确实提到了『卖纪念品和手工衣物的小店』，但卖东西的是夜市的小店，不是这位接待者，属于典型原词陷阱。

借用原文：cool little shops selling souvenirs and local jewelry and clothing made by hand

-
13. A) He was involved in a terrible car accident last April. C) He is expected to undergo a knee operation.
B) He has much difficulty getting up and down stairs. D) He prefers to stay next door to the children.

【题目】 What do we learn about the man's father-in-law from the conversation?

【翻译】 从对话中我们了解到男士的岳父有什么情况？

- A) 他去年四月遭遇了一场严重的车祸。 B) 他上下楼梯非常困难。
C) 他预计要接受膝关节手术。 D) 他更愿意住在孩子们隔壁。

【答案】 B (细节题) He has much difficulty getting up and down stairs.

【定位】 My father-in-law has had terrible problems getting up and down stairs since his knee operation last April.

我岳父自从去年四月做了膝关节手术以来，上下楼梯一直有很大困难。

【信号】 现在完成时 + since 圈定当前状态。 has had terrible problems getting up and down stairs since his knee operation last April 中 has had 是现在完成时，配合 since...，明确这是『从手术之后一直延续到现在的状况』。手术 (knee operation) 是过去事件、上下楼梯困难 (getting up and down stairs) 才是当前状态——也就是题目要问的『现在我们了解到他怎么样』。

【替换】 has had terrible problems getting up and down stairs ↔

He has much difficulty getting up and down stairs.

terrible problems = much difficulty

【排除】 A) 原词陷阱

He was involved in a terrible car accident last April. 盗用了录音里的 terrible 与 last April 这两个高辨识度词，制造『我好像听见 terrible 和 last April』的错觉，但录音里 last April 修饰的是 knee operation（膝关节手术），不是 car accident（车祸）；车祸录音里根本没提。

借用原文：has had terrible problems getting up and down stairs since his knee operation last April

C) 与原文相反

He is expected to undergo a knee operation. 用 is expected to undergo（将要）描述膝关节手术，但录音里 since his knee operation last April 说的是『自从去年四月做了手术之后』——手术已经做完。时态从过去/完成偷换成将来，与原文相反。

借用原文：since his knee operation last April

D) 张冠李戴

He prefers to stay next door to the children. 借用了录音 right next to each other on the ground floor 里 next to 的安排关系，但录音说的是『前台把两间房安排在彼此隔壁』，并不是岳父 prefers（更愿意）住孩子隔壁，主语与动机都被替换。

借用原文：right next to each other on the ground floor, since you mentioned in your message that they have trouble with stairs

14. A) To please his parents-in-law.

C) To satisfy his curiosity.

B) To find the best trip for his kids.

D) To compare prices.

【题目】 Why does the man say they will explore all the options available?

【翻译】 男士为什么说他们会探索所有可行的选择？

A) 为了取悦他的岳父母。 B) 为了给他的孩子们找到最好的旅行。

C) 为了满足他的好奇心。 D) 为了比较价格。

【答案】 D（细节题） To compare prices.

【定位】 We were thinking of renting a car, but we will explore all the options available for sure. So, yes, that would be very helpful in comparing prices.

我们本来打算租辆车，但我们一定会把所有可选方案都看一遍。所以，是的，这对比价会很有帮助。

【信号】 So + that would be very helpful in.... So, yes, that would be very helpful in comparing prices. 中 So 是结果连词，紧跟前一句『会把所有方案都看一遍』，that would be very helpful in 直接说明这样做的好处/目的——comparing prices（比价）。这就是男方自报动机的关键句。

【替换】 that would be very helpful in comparing prices ↔ **To compare prices.**

be helpful in V-ing → To do

【排除】 A) 原词陷阱

To please his parents-in-law. 利用了录音 another double room for your parents-in-law 里 parents-in-law 这个原词，让人误以为『探索所有方案是为了照顾岳父母』，但录音里只说他们『住一楼』，从未把『探索方案』的动机归到讨好岳父母上。

借用原文：another double room for your parents-in-law

B) 原词陷阱

To find the best trip for his kids. 利用了录音 The kids will love it 里出现的 kids 与 trip 两个原词，制造『是为了给孩子找最佳旅程』的错觉。但 The kids will love it 是女方推荐 boat trip 时说的，男方说『探索所有方案』的动机不是这件事。

借用原文：The kids will love it and there are so many islands nearby to explore

C) 未提及

To satisfy his curiosity. 录音里完全没有出现 curiosity 或与好奇心相关的表达；选项是凭空加的目的，属于未提及型干扰。

15. A) Visit a local art gallery.

C) Take some photos of the islands.

B) Go on a boat trip.

D) Try her hand-made clothing.

【题目】 What does the woman suggest the man and his family do close to the end of the conversation?

【翻译】 在对话接近尾声时,女士建议男士和他的家人做什么?

- A) 参观当地的美术馆。 B) 进行一次乘船游览。 C) 拍摄一些岛屿的照片。
D) 试穿她手工制作的衣服。

【答案】 B (细节题) Go on a boat trip.

【定位】 I would recommend getting out on a boat trip. The kids will love it and there are so many islands nearby to explore.

我会推荐你们去坐船出游一趟。孩子们会很喜欢，附近还有很多岛屿可以探索。

【信号】 I would recommend... 建议句。 I would recommend getting out on a boat trip. 中 I would recommend 是最显性的建议信号词，紧跟的动作 getting out on a boat trip 就是被建议的事。

【替换】 getting out on a boat trip ↔ **Go on a boat trip.**

getting out on = Go on

【排除】 A) 未提及

Visit a local art gallery. 录音里完全没有提到 art gallery (艺术画廊) ; 女方推荐的是 boat trip 和 night market, 画廊纯属选项添加的迷惑活动。

C) 原词陷阱

Take some photos of the islands. 利用了录音 there are so many islands nearby to explore 里出现的 islands 一词, 让人以为『建议去拍岛屿照片』。但原文里 islands 是 boat trip 时『可以探索』的对象, 女方从未建议『拍照』; take photos 这个动作录音里没有出现。

借用原文: there are so many islands nearby to explore

D) 张冠李戴

Try her hand-made clothing. 利用了录音 clothing made by hand 这个原词组, 但录音里 clothing made by hand 是『夜市小店在卖』的东西, 不是『她』(前台接待员)自己手工做的, 也不是被建议的核心动作; 同时 try (试穿/尝试) 这个动作录音里也没有。

借用原文: clothing made by hand

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

1 Artificial intelligence agents play ever more influential roles in our lives. They do everything from suggesting new friends to recommending purchases. They're even beginning to drive our cars. Another role that they are expected to take over is negotiating on our behalf in commercial transactions or legal disputes. So, it's important to know whether using an artificial intelligence agent might affect how we negotiate. Research indicates that it does. In a new study, participants were told to imagine that they were negotiating for something important to them, like a house. Next they were told either that they would negotiate for themselves, or they would program an artificial intelligence agent to negotiate for them. Participants then completed a survey indicating how tough, deceptive and pleasant or otherwise they wanted to be, or wanted their agent to be, in the negotiations. For example, participants could choose to be tough by making an opening demand far greater than what they'd be willing to accept. They could also choose to express sympathy with their opponent to appear pleasant. But they could also indicate that they—or their agent—would strategically express anger toward the opponent to gain advantage, or they could opt to convey dissatisfaction with the encounter so that the other party would think they were losing interest. These are both examples of deceptive strategies. Participants were more willing to employ deceptive strategies when assigned an agent to negotiate on their behalf.

人工智能代理在我们的生活中扮演着越来越有影响力的角色。它们做各种事情, 从推荐新朋友到推荐购物。它们甚至开始驾驶我们的汽车。它们预计将接管的另一个角色是在商业交易或法律纠纷中代表我们进

行谈判。因此，了解使用人工智能代理是否会影响我们的谈判方式很重要。研究表明确实会。在一项新研究中，参与者被告知想象他们正在为对自己重要的东西进行谈判，比如一套房子。接下来他们被告知要么自己谈判，要么编程一个人工智能代理代表他们谈判。然后参与者完成了一项调查，表明他们希望在谈判中表现得多么强硬、多么具有欺骗性和多么令人愉快，或者希望他们的代理表现得如何。例如，参与者可以选择通过提出远高于他们愿意接受的开价来表现强硬。他们也可以选择对对手表示同情以显得令人愉快。但他们也可以表示他们或他们的代理会策略性地向对手表达愤怒以获得优势，或者他们可以选择表达对这次接触的不满，这样对方就会认为他们正在失去兴趣。这些都是欺骗性策略的例子。当被分配一个代理代表他们进行谈判时，参与者更愿意使用欺骗性策略。

16. A) They are more intelligent than many of us.
B) They have already become our new friends.
C) They have begun to affect our social behavior.
D) They play increasingly more important roles.

【题目】 What does the passage say about artificial intelligence agents?

【翻译】 文章关于人工智能代理说了什么？

- A) 它们比我们许多人更聪明。 B) 它们已经成为我们的新朋友。
C) 它们已经开始影响我们的社会行为。 D) 它们发挥着越来越重要的作用。

【答案】 D (细节题) They play increasingly more important roles.

【定位】 Artificial intelligence agents play ever more influential roles in our lives.

人工智能代理在我们的生活中扮演着越来越具有影响力的角色。

【信号】 篇章首句即点题句。答案句正是录音的第一句 Artificial intelligence agents play ever more influential roles in our lives.: 篇章独白的开头第一句几乎一定是点题句，直接给出对象 + 总体评价，这是篇章听力定位最强的信号——比任何转折词都更稳。

【替换】 play ever more influential roles ↔ play increasingly more important roles
ever more 与 increasingly 同义改写

【排除】 A) 原词陷阱

They are more intelligent than many of us. 利用了录音里 Artificial intelligence agents 中 intelligence 这个词，把 "人工智能" 偷换成 "它们比我们许多人更聪明"。录音从未把 AI 与人做智力比较，主体考生一听到 intelligence 就反射性挑 intelligent 是典型的原词陷阱。

借用原文：Artificial intelligence agents

B) 与原文相反

They have already become our new friends. 利用了录音里 suggesting new friends (替我们推荐新朋友)，把 "推荐朋友" 偷换成 "它们自己已经成为我们的新朋友"。这是 already + 完成时把功能性服务夸大为既成事实，方向已经反了。

借用原文：suggesting new friends

C) 偷换概念

They have begun to affect our social behavior. 利用了录音里 play ever more influential roles in our lives (在生活中起越来越重要的作用)，把宽泛的 "生活" 偷换成专指的 social behavior (社交行为)。录音从未提及 social behavior 这一具体范畴，属于把宽口径收窄到一个录音没说过的窄范畴。

借用原文：play ever more influential roles in our lives

17. A) Whether it might have any effect on the way we negotiate.

B) Whether it might actually outperform human negotiators.

C) Whether it can facilitate business transactions.

D) Whether it can speed up legal procedures.

【题目】 What does the new study want to find out about using an artificial intelligence agent?

【翻译】 这项新研究想要了解关于使用人工智能代理的什么问题？

A) 它是否可能对我们谈判的方式产生影响。 B) 它是否可能实际上超越人类谈判者。

C) 它能否促进商业交易。 D) 它能否加快法律程序。

【答案】 A (细节题) Whether it might have any effect on the way we negotiate.

【定位】 So, it's important to know whether using an artificial intelligence agent might affect how we negotiate.

因此，弄清楚使用人工智能代理是否会影响我们谈判的方式，是很重要的。

【信号】 So 引出结论 + know whether 引出研究问题。 答案句以 So, it's important to know whether using an artificial intelligence agent might affect how we negotiate. 出现：So 是结论信号，it's important to know whether... 是研究问题的固定起手式——这是篇章里 "研究想搞清什么" 最强的语言信号，几乎不会与别的句子搞混。

【替换】 might affect how we negotiate ↔ **might have any effect on the way we negotiate**

动词 affect 与名词 effect 同根改写

it's important to know whether ↔ **Whether it might have any effect on the way we negotiate.**

Whether 从句被独立保留

【排除】 B) **过度推断**

Whether it might actually outperform human negotiators. 把研究问题从 "是否影响我们的谈判方式" 强行升级为 "是否真的胜过人类谈判者"。录音里只问 affect, 没有任何 outperform / beat / better than 的提法, 是典型把 "有影响" 推到 "胜过" 的两步跳跃。

C) **原词陷阱**

Whether it can facilitate business transactions. 直接搬用了录音里 commercial transactions (商业交易) 这个场景词。录音只是把 commercial transactions 列为 AI 代理可能介入的应用场景之一, 并没有把它定为研究问题; 选项把 "场景" 偷换成 "研究问题", 是典型听到原词就想选的陷阱。

借用原文: commercial transactions

D) **原词陷阱**

Whether it can speed up legal procedures. 同样借用了录音里 legal disputes (法律纠纷) 这个场景词, 再把名词改成 legal procedures (法律程序)。录音没有提加快速度 (speed up) 这一研究目标, 是 "原词靠近 + 概念替换" 的双重陷阱。

借用原文: legal disputes

18. A) Choose to be tough.

B) Sympathize with their opponent.

C) Use deceptive strategies.

D) Appear to be pleasant.

【题目】 **What did participants tend to do when assigned an AI agent to negotiate on their behalf?**

【翻译】 当被分配一个人工智能代理代表他们进行谈判时, 参与者倾向于做什么?

A) 选择表现强硬。 B) 同情他们的对手。 C) 使用欺骗性策略。 D) 表现得令人愉快。

【答案】 **C** (细节题) Use deceptive strategies.

【定位】 Participants were more willing to employ deceptive strategies when assigned an agent to negotiate on their behalf.

当被安排一个代理替自己谈判时, 参与者更愿意采用欺骗性策略。

【信号】 **段末 were more willing to 是结论信号。** 答案句出现在录音末尾 Participants were more willing to employ deceptive strategies when assigned an agent to negotiate on their behalf.: 段末 + were more willing to 是研究类篇章给出实验结论最稳的双重信号——前面 tough / sympathy / anger / dissatisfaction 都是为它做铺垫的策略列举, 真正的结论压到最后一句。

【替换】 were more willing to employ deceptive strategies ↔ **Use deceptive strategies.**

employ 与 Use 同义替换

【排除】 A) **原词陷阱**

Choose to be tough. 直接借用录音 participants could choose to be tough by making an opening demand far greater than what they'd be willing to accept 中 "choose to be tough" 几个原词。但这一句只是研究方法里 "参与者可以做出哪些选择" 的举例之一，不是研究结论里 "被安排代理时实际倾向做" 的事。听到 tough 就选是典型原词陷阱。

借用原文：participants could choose to be tough

B) **原词陷阱**

Sympathize with their opponent. 借用了录音 choose to express sympathy with their opponent to appear pleasant 里 sympathy with their opponent。这句同样是研究方法的举例选项之一，是受试者 "可以选" 的策略，不是结论性倾向；选项把 sympathy 改成 sympathize 听起来更顺耳，但只是原词陷阱。

借用原文：express sympathy with their opponent

D) **原词陷阱**

Appear to be pleasant. 借用了录音 to appear pleasant 的几个字。但 to appear pleasant 在录音里只是说明 "表达同情" 这种策略的目的（让自己看起来友好），仍属于研究方法的举例铺垫，并不是结论。把目的状语当作结论行为是典型 "听到 pleasant 就选" 的原词陷阱。

借用原文：to appear pleasant

Questions 19 to 21 are based on the passage you have just heard.

1 New research has studied the effects of a seven-week healthy cooking course. Academics measured the program's effect on cooking confidence and self-perceived mental health. Researchers also measured participants' overall satisfaction around cooking and diet-related behaviors.

新研究考察了为期七周的健康烹饪课程的效果。学者们测量了该项目对烹饪信心和自我感知心理健康的影响。研究人员还测量了参与者对烹饪的总体满意度以及与饮食相关的行为。

2 What were the findings? Course participants saw significant improvements in general health. They also reported improved mental health and subjective vitality immediately after the program. These benefits remained six months after the completion of the course.

研究发现了什么？课程参与者的总体健康状况有了显著改善。他们还报告称，在项目结束后心理健康和主观活力立即得到改善。这些益处是在课程完成六个月后仍然保持。

3 What caused these improvements? Researchers have previously found a link between eating more fruits and vegetables, and improved longer term mental health. This would imply that the participants in the current study may have felt better due to improved diet.

是什么导致了这些改善？研究人员此前发现，摄入更多水果和蔬菜与长期心理健康改善之间存在联系。这意味着当前研究中的参与者可能因饮食改善而感觉更好。

4 However, the study showed participants' mental health improved even if their reported diet did not change after completing the program. Also, the mental health benefits were equal among participants who were overweight or obese and those in a healthy weight range. This suggests a link between cooking confidence and satisfaction around cooking, and mental health benefits.

然而,研究显示,即使参与者报告的饮食在完成项目后没有改变,他们的心理健康也有所改善。此外,超重或肥胖参与者与体重正常参与者获得的心理健康益处相当。这表明烹饪信心和对烹饪的满意度与心理健康益处之间存在联系。

5 Who benefits most from learning to cook? Gender plays a part. At the start of the program, 77 per cent of female participants were confident about cooking, but just 23 per cent of males were confident. At the end of the program, cooking confidence and skills were equal across both counterparts. This change in confidence could lead to a gender balance in home cooking. This in turn could reduce consumption of unhealthy, high-calorie processed meals.

谁从学习烹饪中受益最多?性别起到一定作用。在项目开始时,77%的女性参与者对烹饪有信心,但只有23%的男性有信心。项目结束时,双方的烹饪信心和技能达到了平衡。这种信心的变化可能导致家庭烹饪中的性别平衡。这反过来又可以减少不健康、高热量加工食品的消费。

19. A) They were perceived differently by some academics.
B) They still existed six months after the course ended.
C) They varied greatly among the course participants.
D) They were only measurable within seven weeks.

【题目】 What do we learn about the benefits the participants gained from the healthy cooking course?

【翻译】 关于参与者从健康烹饪课程中获得的益处,我们了解到什么?

- A) 它们被一些学者以不同方式看待。 B) 它们在课程结束六个月后仍然存在。
C) 它们在课程参与者之间差异很大。 D) 它们只能在七周内测量。

【答案】 B (细节题) They still existed six months after the course ended.

【定位】 These benefits remained six months after the completion of the course.

这些益处在课程结束六个月之后依然存在。

【信号】 段落收束句 + 时间锚点 **six months**. These benefits remained six months after the completion of the course. 是第二段最后一句,承担收束作用:前两句 Course participants saw significant improvements in general health. 与 They also reported improved mental health and subjective vitality immediately after the program. 先讲了课程结束后“立即”的好处,最后一句一个 remained + six months 把时间窗拉长——这正是预读时圈出的时间锚点。

【替换】 These benefits remained six months after the completion of the course. ↔

They still existed six months after the course ended.

remained = still existed; completion of the course = course ended

【排除】 A) 原词陷阱

选项里 perceived differently by some academics 听起来像在说“被某些学者看法不一”，它盗用了第一段里 Academics measured the program's effect on cooking confidence and self-perceived mental health. 出现过的 Academics 与 self-perceived，但录音从没说 academics 之间对这些好处有不同看法，是把原文里出现过的词重新拼装成一个新意思。

借用原文：Academics measured the program's effect on cooking confidence and self-perceived mental health.

C) 与原文相反

选项 They varied greatly among the course participants. 说好处在参与者之间差异巨大，但第四段 Also, the mental health benefits were equal among participants who were overweight or obese and those in a healthy weight range. 反而说好处在不同体重人群之间是相等的，方向恰好与本选项相反。

借用原文：the mental health benefits were equal among participants who were overweight or obese and those in a healthy weight range

D) 原词陷阱

选项 They were only measurable within seven weeks. 表面有 seven weeks 这个录音里念到的数字 (a seven-week healthy cooking course)，听起来像是“原话”。但 seven-week 在录音中只是课程的时长，不是好处的可测时间窗；而且加了 only 限定，与第二段的 six months 直接矛盾。

借用原文：a seven-week healthy cooking course

20. A) They can be easily seen among participants in a healthy weight range.

B) They should be attributed to participants' change in diet behaviors.

C) They are linked to cooking confidence and cooking satisfaction.

D) They actually result from eating more fruits and vegetables.

【题目】 What do the new research findings suggest about mental health benefits?

【翻译】 关于心理健康益处，新的研究发现表明了什么？

A) 它们可以在体重处于健康范围的参与者中轻易观察到。

B) 它们应归因于参与者饮食行为的改变。 C) 它们与烹饪信心和烹饪满意度相关。

D) 它们实际上源于摄入更多水果和蔬菜。

【答案】 C (细节题) They are linked to cooking confidence and cooking satisfaction.

【定位】 This suggests a link between cooking confidence and satisfaction around cooking, and mental health benefits.

这一点表明，烹饪信心与对烹饪的满足感和心理健康益处之间存在关联。

【信号】转折 **However** 之后的 **This suggests** 结论句。第四段首句 However, the study showed participants' mental health improved even if their reported diet did not change after completing the program. 用 however 翻盘——把第三段“也许是因为多吃果蔬”的猜测推翻；段尾 This suggests a link between cooking confidence and satisfaction around cooking, and mental health benefits. 用 This suggests 直接给出研究真正归因。这两个信号 (however + This suggests) 是听力定位结论句的金标准。

【替换】 This suggests a link between cooking confidence and satisfaction around cooking, and mental health benefits.

↔ **They are linked to cooking confidence and cooking satisfaction.**

a link between A and B = A are linked to B

satisfaction around cooking ↔ **cooking satisfaction**

of/around 短语 ↔ 复合名词

【排除】 A) **原词陷阱**

选项 They can be easily seen among participants in a healthy weight range. 把录音里 the mental health benefits were equal among participants who were overweight or obese and those in a healthy weight range 中的 healthy weight range 摘出来，但录音强调的是“无论超重还是健康体重，效果都相等”——选项却暗示“只在健康体重组里更容易看到”，把“相等”偷换成“在某一组更明显”。

借用原文：the mental health benefits were equal among participants who were overweight or obese and those in a healthy weight range

B) **与原文相反**

选项 They should be attributed to participants' change in diet behaviors. 把心理健康益处归给“饮食行为的改变”，但 participants' mental health improved even if their reported diet did not change after completing the program. 直接说“即便饮食没变，心理健康也改善了”——选项与原文方向恰好相反。

借用原文：participants' mental health improved even if their reported diet did not change after completing the program

D) **原词陷阱**

选项 They actually result from eating more fruits and vegetables. 几乎逐字盗用 Researchers have previously found a link between eating more fruits and vegetables, and improved longer term mental health., 听感非常“对”。但录音明确指出这只是“之前的研究”和“可能的解释”，被第四段 however 推翻；本研究真正的结论是烹饪信心与满足感，而不是多吃果蔬。

借用原文：Researchers have previously found a link between eating more fruits and vegetables, and improved longer term mental health.

21. A) Gender.
B) Confidence.
C) Health.
D) Practice.

【题目】 What plays a role in determining who benefits most from learning to cook?

【翻译】 什么因素在决定谁从学习烹饪中获益最多方面发挥作用？

A) 性别。 B) 信心。 C) 健康。 D) 实践。

【答案】 A (细节题) Gender.

【定位】 Who benefits most from learning to cook? Gender plays a part.

谁从学做饭中获益最多？性别在其中起了作用。

【信号】 段首设问 + 直接应答。Who benefits most from learning to cook? 是段首设问，几乎是把题干 What plays a role in determining who benefits most from learning to cook? 原样念了一遍——这种设问句之后的第一句 Gender plays a part. 就是答案句。设问+应答是篇章独白里最强的答案信号。

【替换】 Gender plays a part. ↔ Gender.

原词直出，无需改写

【排除】 B) 原词陷阱

选项 Confidence. 与录音 77 per cent of female participants were confident about cooking, but just 23 per cent of males were confident. 中反复出现的 confident/confidence 同根——录音确实在大量谈“信心”，但 confidence 是“差异表现的指标”而非“决定谁受益最多”的那个变量；真正决定的是性别（女生先有信心、男生后追上）。

借用原文：cooking confidence and skills were equal across both counterparts

C) 原词陷阱

选项 Health. 利用了全文反复出现的 health/mental health/general health 主题词的熟悉感，但录音从未把 health 作为“决定谁受益最多”的变量；恰恰相反，the mental health benefits were equal among participants who were overweight or obese and those in a healthy weight range 还说健康状态不同的人受益是相等的。

借用原文：Course participants saw significant improvements in general health.

D) 未提及

选项 Practice. 的 practice (练习/实践) 在录音中没有任何对应：第五段讨论性别差异和家庭烹饪平衡，从未把“练习多少”列为决定受益的变量。

Questions 22 to 25 are based on the passage you have just heard.

1 What is personal space? We often think of it as an invisible bubble of space surrounding us that others can't enter, without causing discomfort. Research shows, however, that we actually have bubbles

of different sizes. Each of these bubbles applies to a different set of people.

什么是个人空间？我们常常认为它是环绕我们周围的一个无形气泡，他人不能进入，否则会引起不适。然而，研究表明，我们实际上拥有不同大小的气泡。这些气泡中的每一个都适用于不同的人群。

2 The smallest zone, called "intimate space", extends outward from our bodies 18 inches in every direction. Only family, pets and one's closest friends may enter it. A mere acquaintance entering our intimate space makes us uncomfortable. Next is the bubble called "personal space", extending from 1.5 feet to 4 feet away. Friends and acquaintances can comfortably occupy this zone, especially during informal conversations, but strangers are forbidden. Extending from 4 to 12 feet away from us is "social space". Here people feel comfortable conducting routine social interactions with new acquaintances or total strangers.

最小的区域称为“亲密空间”，从我们身体向外延伸18英寸的各个方向。只有家人、宠物和最亲密的朋友可以进入。仅仅是熟人进入我们的亲密空间就会让我们感到不舒服。接下来是称为“个人空间”的气泡，从1.5英尺延伸到4英尺之外。朋友和熟人可以舒适地占据这个区域，尤其是在非正式交谈期间，但陌生人是被禁止的。从我们4到12英尺之外延伸的是“社交空间”。在这里，人们可以舒适地与新认识的人或完全陌生的人进行日常社交互动。

3 Those are the average sizes of American's personal bubbles, anyway. It is important to keep in mind that personal space varies depending on culture and context. Furthermore, there are significant individual differences. As we all know, cultural or individual differences in personal bubble diameters are all too often the cause of discomfort. How did these personal bubbles arise? According to research, we begin to develop our individual sense of personal space around age 3 or 4. The sizes of our bubbles are fixed by our teens. These bubbles are constructed and monitored by the brain region involved in fear.

无论如何，这些是美国人个人气泡的平均大小。重要的是要记住，个人空间因文化和环境而异。此外，还存在显著的个体差异。众所周知，个人气泡直径的文化或个体差异往往是造成不适的原因。这些个人气泡是如何产生的？根据研究，我们在3岁或4岁左右开始发展我们个人的个人空间意识。我们气泡的大小在青少年时期就固定下来了。这些气泡是由与恐惧有关的大脑区域构建和监控的。

22. A) It keeps others away.

B) It causes discomfort.

C) It remains visible.

D) It varies in size.

【题目】 What does research show about our personal space?

【翻译】 研究表明我们的个人空间有什么特点？

A) 它使他人保持距离。 B) 它会引起不适。 C) 它保持可见。 D) 它的大小会变化。

【答案】 D (细节题) It varies in size.

【定位】 Research shows, however, that we actually have bubbles of different sizes.

然而，研究表明，我们实际上拥有不同大小的（个人空间）气泡。

【信号】 **Research shows + however 转折**。答案句一头连了两个强信号：Research shows 是题干 What does research show 的原句对应，however 是转折信号，转折之后才是真意——前半『以为是同一个气泡』被推翻，后半『其实大小不同』才是结论。

【替换】 bubbles of different sizes ↔ **It varies in size.**
bubbles of different sizes = varies in size

【排除】 A) **原词陷阱**

选项 It keeps others away. 借用了原文 others can't enter 里的 others 来制造『听到 others 就想选』的诱惑；但原文说的是『别人进不来（指气泡的功能描述）』，并不是『研究发现』那条结论。研究发现的真意在转折 however 之后，不在转折之前。

借用原文：others can't enter

B) **原词陷阱**

选项 It causes discomfort. 抓住了原文 without causing discomfort 里的 discomfort 来制造原词陷阱；但原文是说『别人进入气泡会带来不适』，描述的是『进入气泡的后果』，不是研究本身的结论。这条信息在 23 题才用得上，放到 22 题就是张冠李戴。

借用原文：without causing discomfort

C) **与原文相反**

选项 It remains visible. 说气泡『一直可见』，而原文 an invisible bubble of space 明确说 invisible（看不见）。选项盗用了气泡这个话题，却把极性反过来了，是典型的极性反转陷阱。

借用原文：an invisible bubble of space

23. A) It makes us feel uncomfortable.

B) It renders the acquaintance a stranger.

C) It brings the acquaintance closer to us.

D) It causes the bubble around us to vanish.

【题目】 **What happens if a mere acquaintance enters our intimate space?**

【翻译】 如果一个泛泛之交进入我们的亲密空间会发生什么？

A) 它使我们感到不舒服。 B) 它使这个熟人变成陌生人。

C) 它使这个熟人与我们更亲近。 D) 它导致我们周围的气泡消失。

【答案】 **A** (细节题) It makes us feel uncomfortable.

【定位】 A mere acquaintance entering our intimate space makes us uncomfortable.

一个仅仅是熟人的人进入我们的亲密空间，会让我们感到不舒服。

【信号】 **题干定位词原句重现**。录音里 A mere acquaintance entering our intimate space 几乎是题干 a mere acquaintance enters our intimate space 的原句搬运，定位词全中；其后紧跟的 makes us uncomfortable 就是直白结果，是典型的『触发条件 + 紧跟结果』结构。

【替换】 makes us uncomfortable ↔ **It makes us feel uncomfortable.**

几乎逐词对应

【排除】 B) 过度推断

选项 It renders the acquaintance a stranger. 借用录音里反复出现的 acquaintance 和 strangers 来制造『听到原词就选』的诱惑；但原文从未说『熟人会变成陌生人』，只是分别为不同人群分配了不同空间。从『让人不适』推到『熟人变陌生人』属于过度推断。

借用原文：Friends and acquaintances can comfortably occupy this zone

C) 与原文相反

选项 It brings the acquaintance closer to us. 说『把熟人拉近』，但原文 makes us uncomfortable 明确说会让我们不适，属于结果方向反了。同时它盗用了 acquaintance 这个原词来骗你选。

借用原文：makes us uncomfortable

D) 未提及

选项 It causes the bubble around us to vanish. 借用整组核心词 bubble 来吸引点击，但录音从未说过『熟人进入亲密空间会让气泡消失』，只是说会让我们不舒服。bubble vanish 这一结果属于原文未提及。

24. A) In personal space.

B) In social space.

C) Within a distance of 18 inches.

D) Over 2 feet away from one another.

【题目】 Where do people feel comfortable interacting with new acquaintances or strangers?

【翻译】 人们在哪里与新相识者或陌生人互动时感到舒适？

A) 在个人空间。 B) 在社交空间。 C) 在18英寸距离内。

D) 在相互距离超过2英尺的地方。

【答案】 B (细节题) In social space.

【定位】 Extending from 4 to 12 feet away from us is "social space". Here people feel comfortable conducting routine social interactions with new acquaintances or total strangers.

从距离我们 4 到 12 英尺的范围被称为『社交空间』。在这里，人们与新熟人或完全陌生的人进行日常社交互动时感到舒适。

【信号】 题干关键词原句重现 + 空间命名句。 录音里 new acquaintances or total strangers 几乎与题干 new acquaintances or strangers 一字不差对应；这句又紧跟在 "social space" 的定义之后，定位极其稳。

【替换】 "social space" ↔ In social space.

专有概念名直接对应

routine social interactions with new acquaintances or total strangers ↔

interacting with new acquaintances or strangers

行为限定原句对应

【排除】 A) 张冠李戴

选项 In personal space. 借用了原文中的 personal space 这个原词，但录音里 personal space 是给『朋友和熟人』用的 (friends and acquaintances 在『informal conversations』里使用)，并不是给陌生人用的。配的人群对不上。

借用原文：Friends and acquaintances can comfortably occupy this zone, especially during informal conversations, but strangers are forbidden.

C) 原词陷阱

选项 Within a distance of 18 inches. 盗用了录音 18 inches 这个原词数字，但原文里 18 inches 是给 intimate space 的尺寸 (只允许家人、宠物和最亲密的朋友进入)，与题干问的『陌生人交往的距离』完全不是一回事。

借用原文：18 inches in every direction

D) 原词陷阱

选项 Over 2 feet away from one another. 里的 2 feet 看起来很像录音里反复出现的几个距离数字，但录音里给陌生人/新熟人互动的距离是 4 to 12 feet，不是 2 feet。选项偷偷把数字换小了，是典型的数字偷换。

借用原文：Extending from 4 to 12 feet away from us is "social space"

25. A) When we begin to feel fear.

B) When we develop a sense of space.

C) When we are 3 or 4 years old.

D) When we enter our teens.

【题目】 When are the sizes of our bubbles fixed?

【翻译】 我们的气泡大小在什么时候固定下来?

- A) 当我们开始感到恐惧时。 B) 当我们形成空间意识时。 C) 当我们3岁或4岁时。
D) 当我们进入青少年时期时。

【答案】 D (细节题) When we enter our teens.

【定位】 The sizes of our bubbles are fixed by our teens.

我们 (个人空间) 气泡的大小在我们进入青少年时期时就被定型了。

【信号】 题干原句重现 + 关键介词 by。 录音 The sizes of our bubbles are fixed by our teens 几乎逐词复述题干 the sizes of our bubbles fixed，再加上时间介词 by our teens，定位与时间一并锁定。这是题干原句重现 + 时间限定词紧跟的双信号。

【替换】 by our teens ↔ When we enter our teens.

介词短语 ↔ 时间状语从句

are fixed ↔ fixed

动作原词重现

【排除】A) 原词陷阱

选项 When we begin to feel fear. 盗用了录音 the brain region involved in fear 里的 fear 来吸引点击，但原文从未把 fear 当作一个时间节点，只是顺带提到大脑里负责恐惧的区域参与构建气泡。这是把『脑区话题』偷换成『时间节点』。

借用原文：These bubbles are constructed and monitored by the brain region involved in fear.

B) 答非所问

选项 When we develop a sense of space. 盗用了录音 we begin to develop our individual sense of personal space 里的 develop 和 sense of space，但这一句对应的动作是 develop（开始发展），不是题干问的 fixed（被定型）。同一段里两个动作各配一个时间，选项把动作和时间故意错配。

借用原文：we begin to develop our individual sense of personal space around age 3 or 4

C) 张冠李戴

选项 When we are 3 or 4 years old. 直接盗用了录音里的数字 around age 3 or 4，但这个年龄绑的是『开始发展空间感』(develop)，不是『定型』(fixed)。题干问的是 fixed 的时间，故 3 or 4 岁是错配。

借用原文：around age 3 or 4

SENTENCE INSIGHTS • 句子精讲

42 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Instead, the officer discovered a five-year-old boy sat on the edge of the driver's seat.

第1段，第3句

本句涉及主语、谓语、宾语、宾语补足语、状语五种成分，特别是宾语补足语 "sat on the edge of the driver's seat" 是一个易错点：学生可能误判 "sat" 为独立谓语，需要练习识别感官动词后接过去分词作宾补的结构。

His feet could barely reach the brake, and his head was only just high enough to see out of the windows.

第1段，第4句

并列句是常见句式，情态动词和 "形容词 + enough + to do" 结构也是四六级常考点，具有一定代表性，但整体结构偏简单，不如含从句的复合句典型。

He then drove three kilometers across town before getting on the highway.

第1段，第6句

覆盖了主语、谓语、宾语和三个状语（时间状语两个、地点状语一个），成分种类较为丰富。介词短语作状语是常见考点，动名词短语位于介词后也是需要识别的结构，有一定练习价值。但整体结构简单，易错点不多。

Although he only had three dollars in his wallet, at least he was driving in the right direction.

第1段，第8句

"Although" 引导的让步状语从句 + 主句是四六级和考研常见句式，具有一定代表性。过去进行时在真题中也频繁出现。掌握本句结构可以迁移到类似让步复合句的分析，典型性中等偏上。

He noticed the driver was too young to drive.

第1题，A

感知动词（notice、see、find 等）后接省略 that 的宾语从句是四六级和考研阅读中的高频句式，从句内部的 too...to 结构也常见。掌握此句型可直接迁移到大量类似真题句子。

He found there was no one sitting at the wheel.

第1题，B

感官动词接宾语从句、省略 that、there be 句型搭配分词定语，这些都是四六级和考研常考句式，结构典型且实用性强。

What we have not yet understood is the way the tiny machines in front of us are changing our skeletons, possibly altering not just the way we behave but even the very shape of our bodies.

第1段，第3句

主系表结构 + 主语从句 + 省略关系词的定语从句,这是考研和四六级阅读中的高频句式组合,典型性强,掌握后可广泛迁移到其他长难句分析中。

New scientific research at the University of the Sunshine Coast in Queensland, Australia, suggests that young people are developing extra pieces of bone at the backs of their heads.

第2段，第1句

"主句 + that 引导的宾语从句" 是四六级和考研阅读中极为常见的句式,尤其在科学研究、观点陈述类文本中频繁出现。掌握这一结构对理解学术文章和新闻报道有很强的迁移性。

A village is going to throw a birthday party for an orange cat named Wilbur, who has become famous for making a regular appearance at local shops.

第1段，第1句

这句主干不算难，但兼具常见从句结构和两种实用时间表达，训练收益高。对句子结构和时态的基础巩固都很合适，值得优先练习。

Wilbur is both bold and friendly.

第2段，第2句

主系表结构是常见基础句型，but both...and 并列形容词在真题中偶有出现，但本句过于简单，缺乏真题常考的复杂修饰或从句嵌套，代表性一般。

There was one time when the doctor's receptionist came back and he was sitting on her chair.

第2段，第5句

"There was a time when..." 是英语中极为常见的叙事开头句式，在四六级和考研阅读中频繁出现。掌握这种 "存在句 + 定语/状语从句" 的组合结构，可以大量复用到类似句型的理解中，典型性较高。

He is fond of luxury cat food.

第7题，A

涵盖主系表结构和介词短语作定语的基本成分，但成分单一，缺少宾语、状语等其他常见成分，练习收益有限。

There were crowds of people around her asking for a photo with her.

第6段，第3句

there be 句型搭配后置定语修饰主语，是四六级和考研阅读中常见的句式，尤其在描述场景或引入话题时频繁出现。本句展现的 "there be + 名词 + 介词短语 + 分词短语" 结构具有较高的典型性和迁移价值。

It's supposed to be one of the best Italians in town.

第9段，第2句

"It is supposed to be ..." 是四六级和考研阅读中较常见的表达方式，用于陈述普遍看法或预期状态。这种被动语态加不定式补足语的搭配具有一定代表性，学生掌握后可迁移到类似结构（如 "is expected to"、"is believed to"）。结构较为典型，但并非高频核心句式，代表性中等偏上。

He has brought his own lunch today, so he will stay in.

第11段，第3句

"so" 连接的因果并列句是考试中常见的句式，逻辑关系明确。现在完成时与一般将来时的组合也符合真题中 "陈述已完成事实并推导结果" 的典型表达模式。学生掌握本句的分析方法后，可以迁移到大量类似的因果逻辑句中。

She will have a photo taken with Brigitte Clark.

第10题，D

本句覆盖主语、谓语、宾语、宾语补足语、状语五种成分，且宾语补足语 taken 是过去分词形式，能有效训练学生识别使役结构和复合宾语，属于成分种类丰富、有典型易错点的练习句

She doesn't think his wife cooks well.

第11题，B

"主语 + think + 宾语从句" 是四六级和考研真题中的高频句式，且省略 that 的宾语从句也是常考结构。掌握本句的分析方法可以迁移到大量类似句子（believe、suppose、hope 等动词），典型性较高。

She feels Jeremy would rather dine out.

第11题，C

感官动词加宾语从句是四六级和考研常见句式，省略 that 的宾语从句也是高频考点，结构典型，掌握后可迁移到大量类似句子。

Let me have a look.

第3段，第2句

祈使句和使役动词 let 的用法在日常交际和考试中常见，属于基础必考句型，掌握后可迁移至其他使役动词（make、have 等）和祈使句变体，具备较好的典型性和复用价值。

They are right next to each other on the ground floor, since you mentioned in your message that they have trouble with stairs.

第5段，第3句

since引导的原因状语从句和that引导的宾语从句都是四六级和考研阅读中的高频句式，宾语从句嵌套在状语从句中的结构也常见。掌握本句的分析方法可以迁移到大量类似句子

My father-in-law has had terrible problems getting up and down stairs since his knee operation last April.

第6段，第2句

本句体现了现在完成时加时间状语从句的经典搭配，这是四六级和考研阅读中频繁出现的句式。主句使用完成时强调持续性，since 从句标明起始时间点，这种时态呼应是考试常考点。句子结构具有较高的代表性和可迁移性。

W: Now, all I need is to photocopy your passports and then I can get you all checked in and show you to your rooms.

第11段，第1句

成分种类较为丰富，具有一定练习价值。第一个主句涵盖主系表结构、不定式作表语、定语从句修饰主语等成分；第二个主句涵盖情态动词谓语、并列谓语、宾语、宾语补足语、地点状语等成分。其中，省略关系代词的定语从句、宾语补足语的识别、并列谓语中的省略，都是值得练习的易错点。适合巩固基本成分划分和识别定语从句、宾补结构。

He has much difficulty getting up and down stairs.

第13题，B

"have difficulty (in) doing sth" 是四六级和考研阅读中的高频句式,后置动名词定语修饰抽象名词的用法也十分典型,掌握后可直接迁移到大量类似表达 (如 have trouble doing、spend time doing) 。

Another role that they are expected to take over is negotiating on our behalf in commercial transactions or legal disputes.

第1段，第4句

主系表结构加定语从句修饰主语，是四六级和考研阅读中的典型句式。被动语态加不定式的结构 "be expected to do" 也是高频表达。这种嵌套方式在学术文本和正式语境中常见，掌握后可迁移到大量类似句子的理解中。

So, it's important to know whether using an artificial intelligence agent might affect how we negotiate.

第1段，第5句

形式主语结构 it is important to do 和 whether 引导的宾语从句都是四六级和考研阅读中的高频句式,宾语从句的嵌套也是常考结构。掌握本句的切分和成分识别方法后,学生可以直接迁移到大量类似长难句的分析中,典型性很高。

Participants then completed a survey indicating how tough, deceptive and pleasant or otherwise they wanted to be, or wanted their agent to be, in the negotiations.

第1段，第9句

句子覆盖了主谓宾结构、时间状语、定语（现在分词短语）、宾语从句、表语（疑问词引导的形容词短语）、地点状语等多种成分。从句中的 "how + 形容词" 前置结构、"want somebody to be" 双重结构、并列谓语等都是值得练习的考点。成分丰富且包含若干易混淆点，适合作为划分成分的训练材料。

But they could also indicate that they—or their agent—would strategically express anger toward the opponent to gain advantage, or they could opt to convey dissatisfaction with the encounter so that the other party would think they were losing interest.

第1段，第12句

本句的并列谓语结构、宾语从句、目的状语从句以及从句嵌套都是四六级和考研阅读中的高频句式。尤其是 "indicate that" 引导宾语从句、"so that" 引导目的状语从句、以及 "think" 后省略 "that" 的宾语从句，都是真题中反复出现的典型模式。掌握本句的分析方法可以直接迁移到大量类似结构的句子。

This would imply that the participants in the current study may have felt better due to improved diet.

第3段，第3句

主句加宾语从句是学术写作和考试中的高频结构,特别是 imply/suggest/indicate 等动词后接 that 从句表达推测或结论,在四六级和考研阅读中极为常见。从句内使用情态动词表推测、系表结构描述状态、due to 引出原因,都是典型的学术表达句式,掌握后可在理解和写作中大量复用。

However, the study showed participants' mental health improved even if their reported diet did not change after completing the program.

第4段，第1句

本句的结构在四六级和考研真题中较为常见:主句 + 宾语从句 + 状语从句的三层嵌套是典型的长难句模式。宾语从句省略 that 也是真题中的高频现象。让步状语从句用 "even if" 引导,表达 "即使...也..." 的让步逻辑,这种结构在议论文和科研报告中经常出现。句子的主题(研究发现、心理健康、饮食)也符合真题常考的健康、科研类话题。掌握这种结构后,学生可以迁移到类似的 "研究表明..." 或 "结果显示..." 句型中。因此典型性较高。

This in turn could reduce consumption of unhealthy, high-calorie processed meals.

第5段，第6句

简单句结构本身很常见，但"情态动词 + 动词原形 + 抽象名词宾语 + of介词短语定语"这一组合在四六级阅读和写作中频繁出现，尤其适合练习识别情态动词表推测的用法和后置定语的归属，具有一定代表性。

They should be attributed to participants' change in diet behaviors.

第20题，B

情态被动语态 (should be done) 在学术写作和考试阅读中较为常见，尤其用于表达建议、推断或结论。本句结构具有一定代表性，学习者掌握后可迁移到类似句式，但不属于高频复现的顶级典型句式。

They actually result from eating more fruits and vegetables.

第20题，D

简单句中"主语 + 谓语短语 + 介词短语状语"的结构在真题中较常见，result from 这类动词短语也是常考搭配，具备一定代表性，但缺乏从句等更复杂的典型考点。

We often think of it as an invisible bubble of space surrounding us that others can't enter, without causing discomfort.

第1段，第2句

涵盖主语、谓语、宾语、宾语补足语、状语等核心成分，宾语补足语部分结构复杂，包含多层后置定语（介词短语、分词短语、定语从句）。对训练学生识别宾语补足语、区分谓语与非谓语动词、分析定语从句的能力很有价值

Each of these bubbles applies to a different set of people.

第1段，第4句

本句属于"主语 + 不及物动词 + 介词短语状语"的常见简单句型，在阅读材料中较为常见，但结构过于简单，不能代表四六级或考研中更复杂的典型句式，迁移价值一般。

The smallest zone, called "intimate space", extends outward from our bodies 18 inches in every direction.

第2段，第1句

"主语 + 插入式定语 + 谓语 + 复合状语"这种结构在学术和科技类文本中非常常见，尤其是用过去分词短语作后置定语说明术语或概念的表达方式（如"the area called X"），以及用多个介词短语构成复合状语的表达方式，都是考试阅读中的高频句式。掌握后可大量迁移到类似句型。

A mere acquaintance entering our intimate space makes us uncomfortable.

第2段，第3句

本句覆盖主语、谓语、宾语、宾语补足语、后置定语五种成分，且主语结构较复杂（中心词 + 分词短语后置定语），适合练习识别后置定语与谓语的区别，以及 make sb + adj 的宾补结构，成分种类丰富且有一定辨析价值。

Next is the bubble called "personal space", extending from 1.5 feet to 4 feet away.

第2段，第4句

本句涵盖倒装结构、主系表结构、两个后置定语（过去分词短语和现在分词短语），成分种类较为丰富。倒装是常见易错点，后置定语的识别也有练习价值，适合用于训练学生识别非谓语动词修饰成分和还原倒装语序的能力。

Those are the average sizes of American's personal bubbles, anyway.

第3段，第1句

主系表结构是常见句式，但本句较短、成分单一，不涉及从句或复杂修饰，作为考试常考句式的代表性一般。

It is important to keep in mind that personal space varies depending on culture and context.

第3段，第2句

It is important to... 这一结构在四六级和考研真题中出现频率极高，是典型的形式主语句式。宾语从句 that... 也是常考点。这类句式在说明文、议论文中大量使用，学会分析后可以迁移到很多类似句子。句子的整体结构（形式主语 + 系表 + 不定式 + 宾语从句）具有很强的代表性，掌握后收益明显。

Furthermore, there are significant individual differences.

第3段，第3句

there be 句型 + 连接副词的组合在四六级和考研阅读中较为常见，属于典型的学术表达结构，用于陈述客观现象或引出论据。虽然句式本身简单，但其在语篇衔接中的作用（用 "Furthermore" 等副词承上启下）具有代表性，掌握后可迁移到类似句式。

According to research, we begin to develop our individual sense of personal space around age 3 or 4.

第3段，第6句

简单句结构在考试阅读中常见,句首介词短语作状语也是典型用法;"begin to do" 是高频动词搭配;宾语中的多层定语修饰(our individual + sense + of personal space)也是常考的名词短语扩展模式,有较好的迁移价值

It makes us feel uncomfortable.

第23题，A

make sb do sth 结构是四六级、考研常考句式，使役动词 + 宾补的模式在阅读和写作中高频出现，掌握后迁移性强。

HIGH-FREQUENCY • 真题高频词

本卷出现的 168 个英语四级真题高频词

下列单词既在本卷录音原文中出现，又是 **英语四级** 历年真题的高频词（在该考试真题中出现的句子数均不少于 8）。每个词标注本卷 出现次数与该考试真题句频，点击可查看该词的释义、音标、词形与真题例句。

participant B2

n. 参与者

本卷15次 · 真题 117 句

cooking A1

n. 烹饪

本卷11次 · 真题 59 句

bubble A2

n. 泡;气泡

BLANKS & ANALYSIS · 选词填空题和解析

选词填空题和解析 · 26-35 题

本页 26-35 题的正确答案词与逐空解析由懒笔记按2023年12月·第2套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、3 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第2套(2023-12) · 四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

A number of studies have looked at how family life can affect productivity and satisfaction in the workplace. However, there has been 26 little research on the influence of leisure activities. So Ciara Kelly and colleagues recruited 129 hobbyists to look at how the time spent on their hobbies 27 their work life.

许多研究探讨了家庭生活如何影响工作场所的生产力和满意度。然而，关于休闲活动影响的研究却少得令人惊讶。因此，Ciara Kelly及其同事招募了129名爱好者，以研究他们在爱好上花费的时间如何塑造他们的工作生活。

The researchers found that when participants spent longer than 28 on their leisure activity, their belief in their ability to perform their job was strengthened. But this was only the 29 when they had a serious hobby that was dissimilar to their job, or when their hobby was similar to their work but they only did it 30. When their hobby was both serious and similar to their job, then spending more time on it actually decreased their work 31.

研究人员发现，当参与者在休闲活动上花费的时间比平常更长时，他们对自己履行工作能力的信念得到了增强。但这种情况仅发生在他们拥有与工作不同的严肃爱好时，或者当他们的爱好与工作相似但只是随意为之时。当他们的爱好既严肃又与工作相似时，在其上花费更多时间实际上会降低他们的工作效率。

Why might that be? To maintain a serious hobby, people need to invest significant psychological resources, say the authors—so if the activity has the same kinds of demands as their work, they may be left 32 and unable to perform well at their job. But if their hobby is quite different from their career, it may not 33 in the same way but instead help them develop other knowledge and skills that can 34 their confidence at work. "Consider a scientist who is a keen rock climber," says

Kelly. "Since climbing is so far 35 from their day-to-day work activities, they can still recover from the demands of their job with plenty of resources."

这是为什么呢？作者指出，为了维持一个严肃的爱好，人们需要投入大量的心理资源——因此，如果该活动与他们的工作有相同类型的要求，他们可能会感到精疲力竭，无法在工作中表现良好。但如果他们的爱好与职业截然不同，它可能不会以同样的方式产生干扰，反而帮助他们发展其他知识和技能，从而增强他们在工作中的信心。Kelly说："想象一位热衷于攀岩的科学家。由于攀岩与他们的日常工作活动相去甚远，他们仍然可以从工作需求中恢复过来，并保有充足的资源。"

- | | |
|---------------|-----------------|
| A) boost | I) normal |
| B) case | J) prevalent |
| C) casually | K) relative |
| D) efficiency | L) removed |
| E) estate | M) scratch |
| F) exhausted | N) shaped |
| G) faculty | O) surprisingly |
| H) interfere | |

26. there has been __ (26) __ little research on the influence of leisure activities

【答案】 **O) surprisingly** (副词)

【词性槽】 形容词 little 前缺修饰语，填副词

【依据】 呼应 **However** 的转折与意外感

However, there has been __ (26) __ little research on the influence of leisure activities: However 表明"家庭对工作影响研究很多，却出人意料地少有关于休闲的研究"——surprisingly (令人惊讶地) 正强调这种"本该有却很少"的反差。

【竞争词】 c) casually 语义不搭 (随意地)

casually"随意地"修饰人做事的方式，casually little research 讲不通——研究数量"少"与"随意"无关，逻辑不成立。

27. how the time spent on their hobbies __(27)__ their work life

【答案】 **N) shaped** (动词)

【词性槽】 从句主语后缺谓语动词

【依据】 对应全文核心动词"影响/塑造"

to look at how the time spent on their hobbies __(27)__ their work life 呼应开篇 how family life can affect productivity——研究的正是爱好时间如何"影响、塑造"工作生活。shape (塑造、影响) 与 affect 同义, 是本句最贴的谓语动词。

【竞争词】 M) scratch 词义不搭

scratch"抓挠", scratch their work life 语义荒谬, 与"研究爱好如何影响工作"无关, 纯靠词性蒙的人最易在此掉坑。

【易错】 最具迷惑性的错误词是 M) —— 纯靠词性蒙易撞上 scratch。第 27 空 how the time spent on their hobbies __(27)__ their work life 需及物动词, 若不读懂"研究爱好如何影响工作"的语境、只凭"是个动词"乱填, scratch 这种词性也对的词最易误选; 实则 scratch their work life 语义荒谬。防坑: 动词空选定前务必把动宾连读一遍, 看搭配是否成话。

28. when participants spent longer than __(28)__ on their leisure activity

【答案】 **I) normal** (形容词)

【词性槽】 than 后跟比较基准, 此处填名词化形容词

【依据】 than normal="比平常更久"

participants spent longer than __(28)__: longer than normal 是地道说法, 意为"花的时间比平常 (正常水平) 更长", normal 正好充当"平常"这个比较基准, 与下文"花更久会增强工作信心"衔接。

【竞争词】 K) relative 被 longer 诱导但不成基准

relative"相对的/亲戚", 句中有比较级 longer 易让人误以为"相对"很搭, 但 longer than relative 既不表常态也不成搭配, 无法作"比平常更久"的基准。

J) prevalent 义为"普遍的", 不搭

prevalent"普遍流行的", longer than prevalent 讲不通, 与时间长短的比较基准无关。

L) removed 义为"远离的", 留给 35 空

removed"远离的"用于 far removed from, longer than removed 不通; 它是第 35 空的答案。

【易错】 最具迷惑性的错误词是 K) —— relative 被比较级 longer 诱导。第 28 空 spent longer than __(28)__ 有比较级 longer, relative (相对的) 让人误以为"相对而言"很搭, 词性也是形容词; 但 longer than 后需要的是"常态"基准 normal, longer than relative 根本不成话。防坑: than 后填"和什么比"的基准, 认准 normal/usual。

29. But this was only the __(29)__ when they had a serious hobby that was dissimilar to their job

【答案】 **B) case** (名词)

【词性槽】 the + __ 作 was 的表语，缺名词

【依据】 the case="实情如此"固定表达

But this was only the __(29)__ when...: this was only the case when... 意为"只有在...时才是这种情况", the case 是地道固定搭配, 承接上句"花更久会增强信心"并加上限定条件。

【竞争词】 E) estate 词义离题

estate"房地产", the estate 与本句"这只在...时成立"的逻辑毫无关系。

G) faculty 义偏不搭

faculty"教员/才能", this was the faculty 不成话, 无法表"情况如此"。

30. their hobby was similar to their work but they only did it __(30)___

【答案】 **C) casually** (副词)

【词性槽】 句末修饰 did it 的方式状语

【依据】 与 only 呼应"只是随便做做"

hobby was similar to their work but they only did it __(30)___与前半句 a serious hobby (认真的爱好) 对照: but they only (只是) 暗示这里是"不认真、随便玩玩", casually (随意地) 正好。

31. then spending more time on it actually decreased their work __ (31) __

【答案】 **D) efficiency** (名词)

【词性槽】 形容词 work 后缺名词作宾语中心

【依据】 与 work 搭配且贴合"损耗工作表现"主线

decreased their work __ (31) __ 承接上句"爱好既认真又与工作相似时，多花时间反而坏事"。work efficiency (工作效率) 是地道搭配，"降低了工作效率"正是这种损耗的体现，与 productivity (生产力) 一脉相承。

【竞争词】 B) case 搭配与逻辑都不合

case"情况"，decreased their work case 不成搭配，"减少工作情况"逻辑讲不通；case 该留给 the case 那种框架 (第 29 空)。

E) estate 词义离题 (房地产)

estate意为房地产、庄园，work estate 不成搭配，更与全文"爱好—工作信心"主题毫无关系，纯属凑数干扰。

G) faculty 义偏且不搭

faculty常指大学教员或人的官能/才能，work faculty 不是地道说法，也无法承接"多花时间在爱好上反而减少了什么"的语境，逻辑接不上。

32. they may be left __ (32) __ and unable to perform well at their job

【答案】 **F) exhausted** (形容词)

【词性槽】 be left + __ 表状态，需形容词

【依据】 承接"耗尽心理资源"

前句说维持认真的爱好要 invest significant psychological resources，若爱好与工作要求相同，人就 left __ (32) __ and unable to perform well——被掏空、累垮，exhausted (精疲力竭的) 与"and 后无法好好工作"因果相承。

【竞争词】 I) normal 义为"正常"，与负面状态相反

normal"正常的"，be left normal and unable to perform well 自相矛盾——既正常又无法胜任，逻辑冲突；normal 该留给"比平常"的比较基准 (第 28 空)。

J) prevalent 义为"普遍的"，不描述人

prevalent"普遍流行的"形容现象，不能形容"人被弄成...的状态"，left prevalent 讲不通。

K) relative 义为"相对的"，不搭

relative"相对的/亲戚"，be left relative 既不表状态也无意义，与"无法胜任工作"接不上。

L) removed 义为"远离的"，留给 35 空

removed"远离的"用于 far removed from，单独 left removed 不表"累垮"这种状态，它是第 35 空 far removed from 的答案。

33. it may not __(33)__ in the same way

【答案】 **H) interfere** (动词)

【词性槽】 情态动词 may not 后缺动词原形

【依据】 对应"不会以同样方式妨碍"

本句与上句构成转折：上句说相似爱好会把人掏空，But if their hobby is quite different from their career, it may not __(33)__ in the same way——若爱好与工作不同，就"不会以同样方式干扰"工作。interfere (干扰、妨碍) 正好顶上这个"不会妨碍"，且 interfere 不及物，正合空后直接接 in the same way (无宾语)。

【竞争词】 A) boost 语义方向反 (褒义)

boost"提升"是褒义，但 may not 否定 + But 转折要的是"不会造成 (负面) 干扰"，填 boost 成了"不会提升"，与"帮助发展技能"的下文自相矛盾。

M) scratch 词义不搭

scratch"抓挠"，may not scratch in the same way 语义荒谬，与"不会以同样方式妨碍工作"无关。

N) shaped 中性"塑造"接不上否定转折

shaped"塑造"中性，may not shape in the same way (不会以同样方式塑造) 与上句"耗尽资源"的负面对照对不上；这里要的是负面动作的反面 (不会干扰)。shaped 是第 27 空的答案。

34. help them develop other knowledge and skills that can __(34)__ their confidence at work

【答案】 **A) boost** (动词)

【词性槽】 that 引导定语从句缺谓语动词

【依据】 与 confidence 正搭，承"积极作用"语境

本句讲不同类型的爱好能 help them develop other knowledge and skills，进而"增强工作中的信心"。boost one's confidence (提升信心) 是固定正向搭配，与 help develop 的积极语气一致。

【竞争词】 M) scratch 词义不搭 (抓挠)

scratch意为抓、挠或"从零开始 (from scratch)"，scratch their confidence 不成立，与"增强信心"毫无关系，是形义双重不搭的干扰。

35. Since climbing is so far __(35)__ from their day-to-day work activities

【答案】 **L) removed** (形容词)

【词性槽】 so far __ from 中作形容词

【依据】 far removed from="与...相去甚远"固定搭配

Since climbing is so far __(35)__ from their day-to-day work activities: far removed from 是固定搭配，意为"与日常工作活动相去甚远"，呼应下文 they can still recover from the demands of their job——正因差距大才能恢复精力。

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A-O)，为 10 个空各选一个、每词最多用一次。
下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **boost** 动词 名词

提升、增强 (信心、士气等)

用于第 34 空

B) **case** 名词

情况、事实；the case=实情如此

用于第 29 空

C) **casually** 副词

随意地、漫不经心地

用于第 30 空

D) **efficiency** 名词

效率

用于第 31 空

E) **estate** 名词

房地产、庄园、财产

干扰词 · 未选用

F) **exhausted** 形容词

精疲力竭的

用于第 32 空

G) **faculty** 名词

(大学) 全体教员；才能、官能

干扰词 · 未选用

H) **interfere** 动词

干扰、妨碍

用于第 33 空

I) **normal** 形容词 名词

正常的；常态、平常水平

用于第 28 空

J) **prevalent** 形容词

普遍的、流行的

干扰词 · 未选用

K) **relative** 形容词 名词

相对的；亲戚

干扰词 · 未选用

L) **removed** 形容词 动词

远离的、有距离的 (far removed from=与...相去甚远)；remove 的过去式/分词

用于第 35 空

M) **scratch** 动词 名词

抓、挠；划痕；from scratch=从零开始

干扰词 · 未选用

N) **shaped** 动词 形容词

塑造、影响 (shape 的过去式/分词)

用于第 27 空

O) **surprisingly** 副词

令人惊讶地

用于第 26 空

全文主旨

业余爱好如何影响工作表现

全文是一篇研究综述：开篇点题 A number of studies have looked at how family life can affect productivity and satisfaction in the workplace, 但作者转而关注 the influence of leisure activities, 研究发现爱好是否与工作"相似"、是否"投入"决定了它对工作信心是促进还是损耗。抓住"爱好 vs 工作"这条主线，后面每个空的词义匹配都有了语境靠山。

DISTRACTORS · 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

E) **estate** 充名词位的纯凑数词

estate (房地产) 是名词，最可能去抢第 29 或 31 这类名词空 this was only the __(29)__, 但它词义完全离题，与"爱好—工作"主线无关。识破法：名词空也要过"语义是否沾边"这关，词性对≠能选。

G) **faculty** 形近"才能"易误填名词空

faculty (教员/才能) 看着像能填 work __ 或 the __ (第 31/29 空)，且"才能"义似乎沾点"能力"边，但 work faculty/the faculty 都不成地道搭配。识破法：把它代进空读半句，搭配一旦别扭就排除。

J) **prevalent** 形容词位的语义干扰

prevalent (普遍的) 是形容词, 可能去抢第 28/32/35 这类形容词空, 且"普遍"听着像能描述研究多少 there has been __(26)__ little research, 但 26 空要副词、28 要"常态"义、32 要"累垮"义、35 要"远离"义, prevalent 全对不上。识破法: 形容词空也要核对具体义项。

K) **relative** "相对"看着沾比较义

relative (相对的) 是形容词, 最可能去抢第 28 空 spent longer than __(28)__——因为句中有比较级 longer, "相对"听着像和比较有关, 实则 longer than relative 不成话, 基准词该是 normal。识破法: than 后求的是"常态基准", 不是"相对"这种抽象修饰。

M) **scratch** 动词位的形义双干扰

scratch 可作动词, 能去抢第 27/33/34 等动词空, from scratch (从零开始) 的短语也可能让人联想到"提升技能", 但 scratch their confidence/work life 全不成搭配。识破法: 动词空务必看动宾搭配是否地道。

SENTENCE INSIGHTS • 句子精讲

4 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

So Ciara Kelly and colleagues recruited 129 hobbyists to look at how the time spent on their hobbies shaped their work life.

第1段, 第3句

主句 + 不定式目的状语 + 嵌套宾语从句的结构, 是四六级和考研阅读中的常见句式。宾语从句由疑问词 how 引导, 从句内部带后置定语, 这种层次清晰的复合句在真题中频繁出现, 掌握后可迁移到大量类似句子。

To maintain a serious hobby, people need to invest significant psychological resources, say the authors—so if the activity has the same kinds of demands as their work, they may be left exhausted and unable to perform well at their job.

第3段，第2句

覆盖成分丰富：目的状语（不定式短语）、插入语（say the authors）、双宾补并列（exhausted and unable to...）、比较结构（the same...as）、嵌套状语从句。包含多个易错点，如插入语识别、被动结构中宾补的定位、不定式短语作状语的判断，训练价值高。

But if their hobby is quite different from their career, it may not interfere in the same way but instead help them develop other knowledge and skills that can boost their confidence at work.

第3段，第3句

主句涵盖主语、并列谓语、宾语、宾补、条件状语、方式状语等多种成分；宾补内部包含动词原形加宾语的结构，还嵌套定语从句；条件从句是主系表结构；成分种类丰富，且并列谓语、宾补结构、定语从句修饰都是常见易错点，适合作为划分练习

"Since climbing is so far removed from their day-to-day work activities, they can still recover from the demands of their job with plenty of resources."

第3段，第5句

"Since" 引导的原因状语从句加主句是四六级和考研阅读中的高频句式，这种因果逻辑结构非常典型。被动语态和情态动词也是常考语法点。掌握这种句式后，学生可以迁移到大量类似的因果复合句中，复用价值高。

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

More fathers are taking paternity leave, but mothers are still doing all the work

A) Attitudes towards paternity leave(陪产假) have drastically changed in America in the last five years as more fathers feel comfortable taking extended time off, but gender bias persists when it comes to career prospects and the home, according to a new study of working parents.

一项针对在职父母的新研究显示,在过去五年里,美国人对陪产假的态度发生了巨大变化,越来越多的父亲愿意请较长时间的假期,但在职业前景和家庭方面,性别偏见依然存在。

B) Research by the Boston College Center for Work & Family, which surveyed new parents at four large US companies who were qualified for taking at least six weeks paid parental leave, found that 81% of the 1,240 employees surveyed said the notion of fathers taking leave has become more acceptable.

Boston College工作与家庭研究中心对四家大型美国公司中有资格享受至少六周带薪育儿假的新生儿父母进行了调查,研究发现,在1240名受访员工中,81%的人表示父亲请假的观念已变得更容易被接受。

C) Of those surveyed, 62% of fathers took the maximum amount of time off compared to 93% of mothers, and around three-quarters of workers said their employer was equally supportive of mothers and fathers taking parental leave and over half said leave policies had made workplace culture better. 在受访者中,62%的父亲请了最长时间的假期,而母亲的这一比例为93%;约四分之三的员工表示,雇主对母亲和父亲请育儿假同样支持,超过半数的人表示休假政策改善了职场文化。

D) The US is one of only three countries in the world not to offer statutory(法定的) paid leave, but increasingly states and companies are starting to take up the issue. So far, eight states and the

District of Columbia have their own paid family leave laws.

美国是世界上仅有的三个不提供法定带薪休假的国家之一,但越来越多的州和公司开始关注这一问题。到目前为止,已有八个州和哥伦比亚特区制定了各自的带薪家庭假法律。

- E) Brad Harrington, executive director of the center and lead author of the study, estimates only 20% to 30% of companies in the US offer paid parental leave. He feels the research findings reflect an obvious change in corporate attitudes to new fathers taking time off.

该研究中心执行主任、该研究的主要作者Brad Harrington估计,美国只有20%到30%的公司提供带薪育儿假。他认为研究结果反映了企业对新生儿父亲请假态度的明显转变。

- F) "We did a study on paternity leave five years ago. Compared with those findings, these numbers were shocking to me. I did not expect 80% of people to say the organisation finds dads taking this leave acceptable and three-quarters to say it's equally supportive of women and men taking leave," Harrington said.

Harrington说:"我们五年前做过一项关于陪产假的研究。与那次的调查结果相比,这些数字令我震惊。我没想到80%的人会说组织认为父亲请这种假是可以接受的,四分之三的人会说对女性和男性请假同样支持。"

- G) The previous study found that nearly three-quarters of fathers saw two to four weeks as an appropriate duration for paternity leave and 76% said they would prefer not to take all their time off at once.

之前的研究发现,近四分之三的父亲认为两到四周是陪产假的适当时长,76%的人表示不希望一次性休完所有假期。

- H) Since then, there have been a number of legal cases against companies involving paternity leave—including cases against JPMorgan Chase and Estee Lauder—which have helped put pressure on companies to make their parental leave policies gender neutral.

此后,出现了多起涉及陪产假的针对公司的法律诉讼案件,包括针对JPMorgan Chase和Estee Lauder的案件,这些案件有助于向公司施压,使其育儿假政策在性别上保持中立。

- I) However, the study also shows how traditional gender roles endure both at work, where more women than men reported changes in their perceived career potential, and at home—even among workers who claim to have a strong desire for equality.

然而,该研究也显示了传统性别角色如何在工作中持续存在,报告职业潜力受到影响的女性多于男性,在家庭中也是如此,即使在声称强烈渴望平等的员工中也是这样。

- J) The vast majority of men, 97%, said one of the top reasons to take leave was to share caregiving with their partner. But when they were asked about how caregiving and household tasks were divided, their answers painted a different picture. While about 75% of employees said both genders should give the same amount of care, the majority of men and nearly half of women admitted that in reality the female actually did most of it. A tiny fraction, 2%, of men said they did more of the childcare.

绝大多数男性,即97%的人表示,请假的首要原因之一是与伴侣分担照顾孩子的责任。但当被问及如何分配照顾孩子和家务时,他们的回答呈现出不同的画面。虽然约75%的员工表示两性应该提供同等的照顾,但大多数男性和近一半的女性承认,实际上女性做了大部分工作。只有极少数男性,即2%的人说他们承担了更多的育儿工作。

- K) Men and women's experiences of the return to work following parental leave were also considerably different. Of the women surveyed, 32% reported a downturn in their job satisfaction, while 14% said it increased. In comparison, 17% of men said their job satisfaction went down and 20% said it went up. Meanwhile, more women reported an increase in their responsibilities and manager expectations after childbirth. Half of the women said they used flexible work arrangements after becoming a parent, while just 27% of men did. Similar percentages of men and women said they enjoyed their careers and that it gave them a sense of achievement, while around half of women and 44% of men said it was a key part of their identity.

男性和女性在育儿假后重返工作岗位的经历也有很大不同。在受访女性中,32%的人报告工作满意度下降,而14%的人表示有所提高。相比之下,17%的男性表示工作满意度下降,20%的人表示有所上升。同时,更多女性报告在生育后责任和管理者期望有所增加。一半的女性表示在成为父母后使用了灵活工作安排,而男性中只有27%这样做。相似比例的男性和女性表示他们享受自己的职业,并认为职业给了他们成就感,而约一半的女性和44%的男性表示职业是他们身份认同的重要组成部分。

- L) On the subject of career advancement, 59% of women and 49% of men said leave could be limiting and both genders said they feared it would have an impact on their progress long-term. But on opportunity for promotion, more than double the number of women, 30% compared with 15% of men, believed their chances to be lower after becoming a parent. Despite progress, the struggle for women to reach the highest positions of power is demonstrated in this year's Fortune 500 list, which featured a record 33 female CEOs, but this still represents a tiny fraction of the total.

在职业发展方面,59%的女性和49%的男性表示休假可能会造成限制,两性都表示担心这会对他们的长期发展产生影响。但在晋升机会方面,认为自己在成为父母后机会降低的女性人数是男性的两倍多,为30%比15%。尽管取得了进步,但女性在达到最高权力位置方面的挣扎体现在今年的财富500强榜单中,该榜单创纪录地有33位女性CEO,但这仍只占总数的极小部分。

- M) Harrington said culture change depends on companies putting more focus on men and their responsibilities. "By that I mean companies need to give men paternity leave and encourage men to take time off to be with their kids early on in the kids' life. They also need to recognise that men have to make significant adjustments when they become parents. Companies cannot do all these things to enhance women's advancement and then turn around and say, 'Oh, but we don't expect the men to take over for the women at home.'"

Harrington表示,文化变革取决于公司更加关注男性及其责任。"我的意思是,公司需要给男性陪产假,并鼓励男性在孩子生命早期请假陪伴孩子。他们还需要认识到,男性在成为父母时必须做出重大调整。公司不能一方面做所有这些事情来提升女性的发展,然后转过身来说,'哦,但我们不期望男性在家接替女性的工作。'"

- N) In May, the American Civil Liberties Union (ACLU) and Outten & Golden LLP announced a historic class-action \$5m settlement with JPMorgan Chase on behalf of male employees who claim they were illegally denied access to paid parental leave. Derek Rotondo, 35, filed the discrimination charge against his company after he was allegedly told by his HR department that mothers were considered primary caregivers. Thus, they were allowed to take 16 weeks of paid parental leave. Fathers, however, could take just two weeks.

5月,美国公民自由联盟和Outten & Golden律师事务所代表声称被非法拒绝享受带薪育儿假的男性员工,宣布与JPMorgan Chase达成具有历史意义的500万美元集体诉讼和解。35岁的Derek Rotondo在

向公司提出歧视指控,此前他的人力资源部门据称告诉他,母亲被视为主要照顾者,因此可以享受16周的带薪育儿假,而父亲只能休两周。

- O) The father of two from Columbus, Ohio, who still works at the company as an associate and investigator, said he has witnessed a "domino effect(多米诺效应)" across companies since the settlement, but that there is still substantial progress to be made towards changing attitudes towards paternity leave.

这位来自俄亥俄州哥伦布市的两个孩子的父亲,目前仍在该公司担任助理和调查员,他说自和解以来,他见证了各公司之间的"多米诺效应",但在改变对陪产假的态度方面仍有很大进步空间。

- P) "I do think there's still some way to go...there's still going to be sort of the unstated expectation for new dads to essentially come right back to work, but I think the research is showing that's starting to change." He said equal parental leave is an essential component to creating gender equality in the workplace. "The old standard of women staying home, having babies and cooking doesn't apply and hasn't applied for a long time."

"我确实认为还有一段路要走.....仍然会有对新生儿父亲立即返回工作的不言而喻的期望,但我认为研究表明这种情况正在开始改变。"他说,平等的育儿假是在职场创造性别平等的重要组成部分。"女性待在家里、生孩子和做饭的旧标准已经不适用了,而且已经很长时间不适用了。

陈述句与逐句解析

36. In the absence of Federal legislation, some states in the US have passed laws concerning paid family leave.

在缺乏联邦立法的情况下,美国一些州通过了有关带薪家庭假的法律。

【答案】 D 段(强锚点)

【锚点】 州立法填补联邦空缺

【定位】 The US is one of only three countries in the world not to offer statutory(法定的) paid leave, but increasingly states and companies are starting to take up the issue. So far, eight states and the District of Columbia have their own paid family leave laws.

美国是全球仅有的三个不提供法定带薪假的国家之一,但越来越多的州和公司开始着手处理这个问题。迄今为止,已有八个州加上哥伦比亚特区拥有自己的带薪家庭假法律。

【改写】 In the absence of Federal legislation ↔

one of only three countries in the world not to offer statutory(法定的) paid leave

缺联邦立法即无全国法定假

some states in the US have passed laws concerning paid family leave ↔

eight states and the District of Columbia have their own paid family leave laws

八个州即some states

【辨邻】 H H段是 put pressure on companies to make their parental leave policies gender neutral, 主体是公司政策,没有任何"州通过法律"的陈述,故不是源头段。

legal cases against companies involving paternity leave

37. Most fathers admitted that even during their paternity leave they actually did much less childcare than the mother.

大多数父亲承认,即使在陪产假期间,他们实际承担的育儿工作也比母亲少得多。

【答案】 J 段 (强锚点)

【锚点】 父亲承认照护远少于母亲

【定位】 While about 75% of employees said both genders should give the same amount of care, the majority of men and nearly half of women admitted that in reality the female actually did most of it. A tiny fraction, 2%, of men said they did more of the childcare.

尽管约75%的员工说两性应付出同等照护,但多数男性和近半女性承认,现实中女性实际承担了大部分照护。只有极小一部分、2%的男性说自己承担了更多育儿。

【改写】 Most fathers admitted ↔ **the majority of men**...admitted

多数男性即多数父亲

they actually did much less childcare than the mother ↔

in reality the female actually did most of it

女性做大部分等于父亲做更少

【辨邻】 K K段焦点是 Half of the women said they used flexible work arrangements after becoming a parent, while just 27% of men did, 是另一侧面的数据,没有本句的"父亲承认照护更少"。

more women reported an increase in their responsibilities and manager expectations after childbirth

38. According to one father, equal parental leave is indispensable to achieving gender equality in the workplace.

据一位父亲说,平等的育儿假对于实现职场性别平等是不可或缺的。

【答案】 P 段 (强锚点)

【锚点】 平等育儿假对职场性别平等不可或缺

【定位】 He said equal parental leave is an essential component to creating gender equality in the workplace.

他说,平等的育儿假是在职场创造性别平等的一个必要组成部分。

【改写】 equal parental leave is indispensable ↔ **equal parental leave is an essential component**
indispensable即essential

achieving gender equality in the workplace ↔ **creating gender equality in the workplace**
achieving与creating同指实现平等

【辨邻】 M M段是 culture change depends on companies putting more focus on men and their responsibilities, 说话人与具体主张都不同,没有"平等育儿假是职场平等必要条件"这句话。

companies need to give men paternity leave

39. One survey indicated there is now less objection to paternity leave.

一项调查显示,现在对陪产假的反对意见减少了。

【答案】 **B** 段 (弱锚点)

【锚点】 对陪产假的反对减少

【定位】 Research by the Boston College Center for Work & Family, which surveyed new parents at four large US companies who were qualified for taking at least six weeks paid parental leave, found that 81% of the 1,240 employees surveyed said the notion of fathers taking leave has become more acceptable.

波士顿学院工作与家庭中心的研究调查了四家美国大公司中、有资格享受至少六周带薪育儿假的新晋父母,发现在1240名受访员工中,81%的人表示父亲休假的理念已变得更可接受。

【改写】 One survey indicated ↔

Research by the Boston College Center for Work & Family\\\\.found that
survey即这项research

less objection to paternity leave ↔

the notion of fathers taking leave has become more acceptable
更少反对即更可接受

【辨邻】 **F** 段是 these numbers were shocking to me 的主观反应, 且与第40题的"五年前对比"绑定; 本句无"五年前"也无"惊讶", 应落在B段的客观调查结论。

I did not expect 80% of people to say the organisation finds dads taking this leave acceptable

40. Compared to five years ago, according to one researcher, many more people said their organisation gave the same support to men and women taking parental leave.

据一位研究人员称,与五年前相比,更多的人表示他们的组织对休育儿假的男性和女性给予同样的支持。

【答案】 **F** 段 (强锚点)

【锚点】 与五年前相比对男女支持相同

【定位】 "We did a study on paternity leave five years ago. Compared with those findings, these numbers were shocking to me. I did not expect 80% of people to say the organisation finds dads taking this leave acceptable and three-quarters to say it's equally supportive of women and men taking leave," Harrington said.

"我们五年前做过一项关于陪产假的研究。与那些发现相比, 这些数字让我震惊。我没想到80%的人会说组织认为父亲休这种假是可接受的, 四分之三的人会说它对女性和男性休假给予同等支持, "Harrington说。

【改写】 Compared to five years ago, according to one researcher ↔

We did a study on paternity leave five years ago

研究者即说话的Harrington

gave the same support to men and women taking parental leave ↔

three-quarters to say it's equally supportive of women and men taking leave

same support即equally supportive

【辨邻】 **B** B段是 81% of the 1,240 employees surveyed said the notion of fathers taking leave has become more acceptable, 无时间对比, 本句的"五年前"与"对男女同等支持"只在F段。

81% of the 1,240 employees surveyed

41. One study finds that even workers who claim to desire gender equality stick to traditional gender roles both at work and at home.

一项研究发现,即使是那些声称渴望性别平等的员工,在工作和家庭中也坚持传统的性别角色。

【答案】 **I** 段 (弱锚点)

【锚点】 渴望平等者仍守传统角色 (职场与家庭)

【定位】 However, the study also shows how traditional gender roles endure both at work, where more women than men reported changes in their perceived career potential, and at home—even among workers who claim to have a strong desire for equality.

然而, 这项研究还显示, 传统性别角色如何在职场 (更多女性而非男性报告了对自身职业潜力认知的变化) 和家庭中都持续存在——即便在那些声称强烈渴望平等的员工中也是如此。

【改写】 even workers who claim to desire gender equality ↔

even among workers who claim to have a strong desire for equality

desire gender equality即strong desire for equality

stick to traditional gender roles both at work and at home ↔

traditional gender roles endure both at work and at home

stick to与endure同表持续守旧

【辨邻】 **J** J段是 in reality the female actually did most of it, 只覆盖家庭照护, 本句的"职场"与"声称渴望平等"两个限定它都没有, 故不是源头。

While about 75% of employees said both genders should give the same amount of care

42. The majority of workers surveyed said parental leave policies had improved workplace culture.

大多数接受调查的员工表示,育儿假政策改善了职场文化。

【答案】 **C** 段 (弱锚点)

【锚点】 多数受访者说政策改善了职场文化

【定位】 Of those surveyed, 62% of fathers took the maximum amount of time off compared to 93% of mothers, and around three-quarters of workers said their employer was equally supportive of mothers and fathers taking parental leave and over half said leave policies had made workplace culture better.

在受访者中，62%的父亲休满了最长假期，而母亲为93%；约四分之三的员工说雇主对父母双方休育儿假同等支持；超过半数的人说休假政策让职场文化变得更好。

【改写】 The majority of workers surveyed said ↔ **over half said**
过半即多数

parental leave policies had improved workplace culture ↔

leave policies had made workplace culture better
made better即improved

43. In spite of progress, the number of women in top positions of big companies remains extremely small.

尽管取得了进展,但在大公司高层职位中女性的数量仍然极少。

【答案】 L 段 (强锚点)

【锚点】 大公司高位女性仍极少

【定位】 Despite progress, the struggle for women to reach the highest positions of power is demonstrated in this year's Fortune 500 list, which featured a record 33 female CEOs, but this still represents a tiny fraction of the total.

尽管有进步，女性争取最高权力职位的艰难，在今年的财富500强榜单中可见一斑——榜单上有创纪录的33位女性CEO，但这在总数中仍只占极小一部分。

【改写】 In spite of progress ↔ **Despite progress**
in spite of即despite

the number of women in top positions of big companies remains extremely small ↔

this still represents a tiny fraction of the total
极小数量即极小比例

44. According to one estimate, less than one third of companies in the US provide paid parental leave.

据一项估计,美国不到三分之一的公司提供带薪育儿假。

【答案】 E 段 (强锚点)

【锚点】 不到三分之一公司提供带薪假

【定位】 Brad Harrington, executive director of the center and lead author of the study, estimates only 20% to 30% of companies in the US offer paid parental leave.

该中心执行主任、研究主笔Brad Harrington估计，美国只有20%到30%的公司提供带薪育儿假。

【改写】 According to one estimate ↔ **estimates**

estimate动词与名词对应

less than one third of companies in the US provide paid parental leave ↔

only 20% to 30% of companies in the US offer paid parental leave

20%-30%小于三分之一

【辨邻】 **C** C段是 62% of fathers took the maximum amount of time off, 讲的是休假员工比例, 与本句"提供带薪假的公司不到三分之一"不是同一指标。

around three-quarters of workers said their employer was equally supportive

45. A number of lawsuits have pressured companies to formulate gender neutral policies on parental leave.

一些诉讼迫使公司制定关于育儿假的性别中立政策。

【答案】 **H** 段 (强锚点)

【锚点】 多起诉讼迫使公司制定性别中立政策

【定位】 Since then, there have been a number of legal cases against companies involving paternity leave—including cases against JPMorgan Chase and Estee Lauder—which have helped put pressure on companies to make their parental leave policies gender neutral.

自那以后, 出现了一系列针对公司、涉及陪产假的法律案件——包括针对摩根大通和雅诗兰黛的案件——它们帮助向公司施压, 促其将育儿假政策改为性别中立。

【改写】 A number of lawsuits have pressured companies ↔

a number of legal cases against companies\...\put pressure on companies

lawsuits即legal cases、pressured即put pressure on

to formulate gender neutral policies on parental leave ↔

make their parental leave policies gender neutral

formulate即make policies

【辨邻】 **N** N段是 a historic class-action \$5m settlement with JPMorgan Chase 的单一案例细节, 没有 gender neutral 政策这一概括结果, 故不是源头。

Derek Rotondo, 35, filed the discrimination charge against his company

PARAGRAPH MAP • 段落主旨图

16 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」, 是逐句回扫定位的工作台。

A 总起段：近五年美国对陪产假的态度大变，越来越多父亲愿意休长假，但在职业前景与家务上性别偏见依旧。

信息指纹 态度转变与偏见并存的总纲

B 波士顿学院的调查：1240名员工中81%认为父亲休假比以前更可接受。

信息指纹 81%认为更可接受

C 调查数据：62%父亲休满假、对比93%母亲；约四分之三说雇主对父母双方一视同仁；过半说休假政策改善了职场文化。

信息指纹 过半说政策改善职场文化

D 美国是全球仅有的三个不提供法定带薪假的国家之一，但越来越多州和公司开始立法，已有八个州加哥伦比亚特区立法。

信息指纹 八个州已自行立带薪家庭假法

E 研究主笔Harrington估计美国只有20%到30%的公司提供带薪陪产假；他认为研究反映了企业态度的明显转变。

信息指纹 估计仅20%-30%公司提供带薪假

F Harrington对比五年前旧研究，惊讶于80%的人说组织接受父亲休假、四分之三说对男女一视同仁地支持。

信息指纹 对比五年前的惊讶数字（80%与四分之三）

G 此前那项旧研究发现：近四分之三父亲认为两到四周是合适的陪产假时长，76%表示不愿一次性休完。

信息指纹 旧研究中两到四周的时长偏好

H 此后出现一系列针对公司的陪产假诉讼（含针对摩根大通和雅诗兰黛的案件），迫使公司把假期政策改为性别中立。

信息指纹 诉讼施压催生性别中立政策

I 研究同时显示：即便是声称强烈渴望平等的员工，传统性别角色在职场和家庭中依然根深蒂固。

信息指纹 渴望平等者仍守传统角色

J 97%男性称休假是为分担照护，但实际上多数男性和近半女性承认家务和照护仍主要由女性承担，仅2%男性说自己做得更多。

信息指纹 现实中照护仍由女性主导

K 男女重返职场体验差异大：32%女性工作满意度下降、男性17%；更多女性报告责任与上司期望增加；半数女性用弹性工作安排，男性仅27%。

信息指纹 重返职场的满意度与弹性安排差异

L 在职业晋升上，更多女性担心休假限制晋升；女性认为生育后晋升机会变低的比例是男性两倍多；今年财富500强仅33位女性CEO，占比仍极小。

信息指纹 财富500强女性CEO仅33位

M Harrington说文化变革取决于公司多关注男性及其责任：给男性陪产假、鼓励早期陪孩子，并承认男性当父亲也要做重大调整。

信息指纹 文化变革需公司聚焦男性责任

N 五月，美国公民自由联盟与一家律所宣布与摩根大通达成500万美元历史性集体诉讼和解；Derek Rotondo因HR称母亲为主要照护者、父亲只能休两周而提起歧视指控。

信息指纹 摩根大通500万美元和解案

O 这位来自俄亥俄州的两个孩子的父亲说，和解后他目睹了跨公司的"多米诺效应"，但改变对陪产假的态度仍有很大进步空间。

信息指纹 和解后的多米诺效应

P 这位父亲说仍有路要走，新爸爸面临立刻返工的潜在期待；他说平等的育儿假是创造职场性别平等的必要组成部分；旧的女性持家观早已不适用。

信息指纹 平等育儿假是职场性别平等的必要条件

17 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Research by the Boston College Center for Work & Family, which surveyed new parents at four large US companies who were qualified for taking at least six weeks paid parental leave, found that 81% of the 1,240 employees surveyed said the notion of fathers taking leave has become more acceptable.

B段，第1句

本句结构在四六级和考研真题中高度典型：主句包含定语从句和宾语从句的多层嵌套、定语从句的递进修饰（非限制性套限制性）、宾语从句的连环嵌套（"found that ... said that ..."）、过去分词作后置定语、动名词短语等，都是真题中反复出现的句式。掌握本句的分析方法后，学生可以直接迁移到大量类似的长难句，实战价值很高。

The US is one of only three countries in the world not to offer statutory(法定的) paid leave, but increasingly states and companies are starting to take up the issue.

D段，第1句

并列转折结构在四六级和考研真题中非常常见，"but" 连接两个对比观点是典型的议论文句式。第一个主句中 "one of + 名词复数 + 后置定语" 的结构也是考试高频句型。整体结构具有较强的代表性和复用价值。

Brad Harrington, executive director of the center and lead author of the study, estimates only 20% to 30% of companies in the US offer paid parental leave.

E段，第1句

主句带宾语从句 + 同位语插入是四六级和考研阅读中的常见句式。宾语从句省略 that 也是高频现象。同位语用逗号隔开并对人物身份进行补充说明，这种结构在新闻报道和学术文本中非常典型，掌握后可迁移到大量类似句子。

He feels the research findings reflect an obvious change in corporate attitudes to new fathers taking time off.

E段，第2句

"感知动词 + 省略 that 的宾语从句" 是四六级和考研阅读中的高频句式，宾语从句内部带多层定语修饰也是常见结构。本句结构具有较强的代表性，掌握后可迁移到大量类似句子（如 think、believe、suppose 等动词引出的宾语从句）。是典型的书面语复杂句式。

"We did a study on paternity leave five years ago. Compared with those findings, these numbers were shocking to me. I did not expect 80% of people to say the organisation finds dads taking this leave acceptable and three-quarters to say it's equally supportive of women and men taking leave," Harrington said.

F段，第1句

典型的引语结构搭配从句，以及常见的 "find + 宾语 + 补语" 句型，在阅读理解中非常高频。

The previous study found that nearly three-quarters of fathers saw two to four weeks as an appropriate duration for paternity leave and 76% said they would prefer not to take all their time off at once.

G段，第1句

主句 + 并列宾语从句 + 从句内再嵌套宾语从句的结构，是四六级和考研阅读中高频出现的复杂句式，掌握后可迁移到大量类似长难句，典型性强。

Since then, there have been a number of legal cases against companies involving paternity leave—including cases against JPMorgan Chase and Estee Lauder—which have helped put pressure on companies to make their parental leave policies gender neutral.

H段，第1句

there be 句型、后置定语密集修饰名词、非限制性定语从句补充说明，都是四六级和考研阅读中的高频结构。句子长度和复杂度与真题长难句接近，学习此句的拆解方法可直接迁移到大量同类句式，实用性强。

However, the study also shows how traditional gender roles endure both at work, where more women than men reported changes in their perceived career potential, and at home—even among workers who claim to have a strong desire for equality.

I段，第1句

本句结构高度典型:主句 + 宾语从句 + 嵌套定语从句的组合是四六级和考研阅读的常见句式,"both...and..." 并列、非限制性定语从句的补充说明、限制性定语从句的限定作用都是考试重点。句中还包括比较结构 "more...than..." 和破折号引出的进一步说明,这些都是真题中反复出现的典型模式,掌握后可大量复用。

Meanwhile, more women reported an increase in their responsibilities and manager expectations after childbirth.

K段，第4句

简单句的主谓宾结构加状语是英语中最常见的句式之一，宾语内并列名词短语的用法在新闻和学术文本中频繁出现，具备一定的代表性和复用价值，但因结构过于基础，区分度不高。

Half of the women said they used flexible work arrangements after becoming a parent, while just 27% of men did.

K段，第5句

两个并列主句加宾语从句的结构在四六级和考研阅读中非常常见,while 连接的对比句式也是典型的考点句式。这种结构在真题中反复出现,掌握后可以应用于大量类似句子的分析。

By that I mean companies need to give men paternity leave and encourage men to take time off to be with their kids early on in the kids' life.

M段，第2句

本句成分种类丰富: 包含双宾语结构 give men paternity leave、宾语补足语 to take time off、目的状语 to be with their kids、时间状语 early on in the kids' life，以及方式状语 By that I mean。这些成分涵盖了多种常考类型，特别是双宾语和宾补是易混点，适合作为成分划分练习题。

Companies cannot do all these things to enhance women's advancement and then turn around and say, 'Oh, but we don't expect the men to take over for the women at home.'

M段，第4句

本句结构典型、成分丰富，涵盖并列谓语、目的状语、宾语从句等常考点，且包含 "expect sb to do" 等实用句式。虽然主干识别有一定难度，但嵌套层级简单，时态语态适中，整体适合作为中等偏上难度的句子结构与时态训练材料，优先级较高。

In May, the American Civil Liberties Union (ACLU) and Outten & Golden LLP announced a historic class-action \$5m settlement with JPMorgan Chase on behalf of male employees who claim they were illegally denied access to paid parental leave.

N段，第1句

本句的 "主句 + 定语从句修饰名词 + 宾语从句嵌套" 结构，以及被动语态在从句中的运用，是四六级和考研阅读中的高频句式；新闻报道类长句常采用这种层层修饰的写法，学生掌握后可迁移到大量真题句子，结构代表性强

Derek Rotondo, 35, filed the discrimination charge against his company after he was allegedly told by his HR department that mothers were considered primary caregivers.

N段，第2句

句子成分丰富:主句包含同位语、后置定语、宾语;从句包含被动语态的施事状语、方式状语、宾语从句、宾语补足语。特别是被动语态中的宾语补足语 "primary caregivers" 和介词短语定语 "against his company",是易错点,适合作为划分练习。

Thus, they were allowed to take 16 weeks of paid parental leave.

N段，第3句

被动语态 + 宾语补足语 ("be allowed to do") 是四六级和考研阅读中高频出现的句式，尤其在新闻、政策、学术文本中常见。掌握这一结构后，学习者可以迁移到 "be required to"、"be expected to"、"be encouraged to" 等大量类似表达，具有较强的典型性和复用价值。

Fathers, however, could take just two weeks.

N段，第4句

简单句 + 情态动词 + 插入语转折，是英语表达中的常见组合，具有一定代表性，但不属于四六级或考研中特别高频的复杂句式类型。

Compared to five years ago, according to one researcher, many more people said their organisation gave the same support to men and women taking parental leave.

第40题题干

本句结构高度典型：主句 + 宾语从句（省略that）+ 双宾语结构 + 现在分词短语作定语，这些都是四六级和考研阅读中的高频句式。句首状语提供背景信息的用法也很常见。掌握本句的结构分析方法，可以直接迁移到大量真题句子中。

阅读理解题和解析·46-50 题

本页 46-50 题的答案与逐题解析由懒笔记基于2023年12月·第2套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 4 段原文（段首标 P1-P4 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第2套(2023-12) · 四级

Part III Section C (1)

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on Answer Sheet 2 with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

P1 Having a rival can keep you committed to achieving your goals and enhance your overall performance. But before you go out and find an entrepreneur to outcompete, it's important to understand and avoid the traps that often come with rivalry. After all, competitive rivalry can also hinder effective decision-making and increase your willingness to take risks, behaviors that can ultimately hurt your venture's success.

拥有一个竞争对手可以让你保持对实现目标的投入,并提升你的整体表现。但在你出去寻找一个要超越的企业家之前,重要的是要理解并避免竞争关系常常带来的陷阱。毕竟,竞争性对抗也可能妨碍有效决策,并增加你承担风险的意愿,这些行为最终可能损害你企业的成功。

P2 Finding someone you're committed to outcompeting can be a great way to stay focused on your goals and push your venture to the next level. But when you're intently focused on outperforming your rivals, you may begin to develop a "win-at-all-costs" mentality that causes you to ignore how you achieve success. One group of researchers, for example, examined the link between rivalry and unethical behavior. They found that when people compete against their rivals, they are more willing to behave unethically to win. But such behavior may stain your reputation and strain relationships important to your success. One way to avoid this trap is to stop and reflect on what's important. While outperforming your rivals may provide short-term benefits, the loss of your integrity will have long-term consequences.

找到一个你致力于超越的人可以是保持专注于目标并将你的企业推向新高度的好方法。但当你专注于超越竞争对手时,你可能开始形成一种"不惜一切代价取胜"的心态,导致你忽视如何获得成功。例如,一组研究人

员考察了竞争关系与不道德行为之间的联系。他们发现,当人们与竞争对手竞争时,他们更愿意采取不道德行为来获胜。但这种行为可能玷污你的声誉,并使对你成功至关重要的关系变得紧张。避免这一陷阱的一种方法是停下来反思什么是重要的。虽然超越竞争对手可能带来短期利益,但丧失诚信将产生长期后果。

P3 One reason having a rival can enhance your venture's performance is that it creates a level of excitement that drives you to work harder. But this eagerness to win may also hurt your venture's success, particularly when it causes you to make impulsive, insensible decisions. But it's possible to avoid such costly mistakes by making a habit of engaging in critical thinking, such as considering opposing viewpoints and conducting cost-benefit analyses, especially for those decisions that are complex and can determine the future of your venture.

拥有竞争对手能够提升你企业表现的一个原因是,它创造了一种兴奋感,驱使你更加努力工作。但这种求胜的渴望也可能损害你企业的成功,特别是当它导致你做出冲动、不明智的决策时。但通过养成批判性思维的习惯,可以避免这种代价高昂的错误,比如考虑对立观点和进行成本效益分析,尤其是对那些复杂且能够决定你企业未来的决策。

P4 The sense of eagerness that comes with having a rival can not only cause you to make poorer decisions, but it can also lead you to take greater risks that put your venture in peril. One way you can overcome the risk-inducing effects of rivalry that stand to endanger your venture's success is to remain attentive to your emotional state and actively monitor how such feelings are affecting your decision-making.

拥有竞争对手带来的渴望感不仅会导致你做出更糟糕的决策,还可能使你承担更大的风险,从而危及你的企业。你可以克服竞争关系引发的风险效应以保护企业成功的一种方法是,保持对自己情绪状态的关注,并积极监控这些情绪如何影响你的决策。

题目与逐题解析

46. How can competitive rivalry benefit entrepreneurs according to the passage?

- A) By enabling them to outcompete other entrepreneurs.
- B) By enabling them to make their venture a success.
- C) By helping them to reach long-term goals.
- D) By helping them to stay goal-oriented.

根据文章,竞争性对抗如何使创业者受益?

- A) 通过使他们能够在竞争中胜过其他创业者。
- B) 通过使他们能够让自己的事业取得成功。
- C) 通过帮助他们实现长期目标。
- D) 通过帮助他们保持目标导向。

【答案】 D (细节题)

【判型】 How can competitive rivalry benefit entrepreneurs 问的是"靠什么具体方式带来好处",答案是文中某句客观陈述,属细节题。

【拆句】 主干是 How can competitive rivalry benefit entrepreneurs, competitive rivalry (竞争性的对手关系) 作主语, benefit 在这里是动词"使.....受益", entrepreneurs (创业者) 是宾语。结构平铺直叙,无陷阱。

【定位】 Having a rival can keep you committed to achieving your goals and enhance your overall performance.

有一个竞争对手能让你持续专注于实现自己的目标，并提升你的整体表现。

【选项】 A) **答非所问**

By enabling them to outcompete other entrepreneurs"使其胜过其他创业者"是"拥有对手"的前提情境，文章首段说的好处是专注目标、提升表现，不是"胜过别人"本身。

B) **过度推断**

By enabling them to make their venture a success"使其事业成功"是夸大结果；原文只说 enhance your overall performance"提升表现"，并未说能"让事业成功"。

C) **无中生有**

By helping them to reach long-term goals 多出 long-term"长期"这一限定；原文 achieving your goals 只说"目标"，并未区分长期短期。

D) **✓ 正确**

keep you committed to achieving your goals ↔ **helping them to stay goal-oriented**

四项中只有 helping them to stay goal-oriented 准确对应定位句"保持专注目标"这一好处，与预判一致。

47. What is one of the traps entrepreneurs may often fall into when competing with rivals?

- A) They may adopt strategies that are bound to ruin their venture.
- B) They may resort to unethical means to outperform their rivals.
- C) They may be too eager to succeed while ignoring the huge labor cost.
- D) They may be intently focused on winning at the current market level.

创业者在与对手竞争时可能经常陷入的陷阱之一是什么？

- A) 他们可能会采用注定会毁掉自己事业的策略。
- B) 他们可能会诉诸不道德的手段来超越对手。
- C) 他们可能过于急切地想要成功而忽视了巨大的人力成本。
- D) 他们可能过度专注于在当前市场层面上获胜。

【答案】 B (细节题)

【判型】 What is one of the traps 问的是文中列出的某一个具体陷阱，答案直接来自原文陈述，属细节题。

【拆句】 What is one of the traps entrepreneurs may often fall into when competing with rivals: 主干问 What is one of the traps，后接 entrepreneurs...fall into 是省略了关系词的定语从句修饰 traps，when competing 是时间状语。fall into a trap 是固定搭配"落入陷阱"。

【定位】 They found that when people compete against their rivals, they are more willing to behave unethically to win.

他们发现，当人们与对手竞争时，更愿意为了取胜而采取不道德的行为。

【选项】 A) 过度推断

strategies that are bound to ruin their venture 用 bound to"必定"把后果说死；原文 may stain your reputation 只是"可能"损害声誉，并非必然毁掉事业。

B) ✓ 正确

behave unethically to win ↔ **resort to unethical means to outperform their rivals**

resort to unethical means to outperform their rivals 与定位句"为赢而行不道德之事"完全对应，与预判一致。

C) 无中生有

ignoring the huge labor cost 里的 labor cost"劳动成本"文中从未提及；第2段讲的是忽视"如何取胜"的方式，不是忽视成本。

D) 偷换概念

winning at the current market level 把第3段 next level 的"层级"挪来，原文从未说陷阱是"只盯当前市场层级"，属拼接错位。

48. What are entrepreneurs advised to do to avoid traps that often accompany rivalry?

- A) Deliberate on what really matters.
- B) Prioritize reaping immediate benefits.
- C) Estimate the long-term consequences.
- D) Reflect on what successes are achievable.

建议创业者做什么来避免常常伴随竞争而来的陷阱？

- A) 慎重考虑什么才是真正重要的。
- B) 优先考虑获取即时利益。
- C) 评估长期后果。
- D) 思考哪些成功是可以实现的。

【答案】 A (细节题)

【判型】 What are entrepreneurs advised to do 问作者建议的具体做法，答案是原文对策句的转述，属细节题。

【拆句】 What are entrepreneurs advised to do to avoid traps that often accompany rivalry: 被动结构 are advised to do (被建议做某事)，to avoid... 是目的状语，that often accompany rivalry 是定语从句修饰 traps, accompany 意为"伴随"。

【定位】 One way to avoid this trap is to stop and reflect on what's important.
避免这个陷阱的一个办法是停下来，反思什么才是重要的。

【选项】 A) ✓ 正确

reflect on what's important ↔ **Deliberate on what really matters**

Deliberate on what really matters 精确对应对策句，与预判一致。

B) 与原文相反

Prioritize reaping immediate benefits"优先攫取眼前利益"恰与原文相悖：原文 the loss of your integrity will have long-term consequences 是提醒别只图短期，B 却让人优先短期。

C) 偷换概念

Estimate the long-term consequences"评估长期后果"取自原文 long-term consequences，但那是说明丧失诚信的代价，并非作者建议的做法（作者建议是"反思什么重要"）。

D) 偷换概念

Reflect on what successes are achievable 借用了原文 reflect on，却把宾语改成"哪些成功可实现"；原文反思的对象是 what's important"什么重要"，而非"成功是否可达"。

49. How can entrepreneurs avoid making impulsive and insensible decisions?

- A) By engaging themselves in critical reasoning.
- B) By developing a habit of keeping their integrity.
- C) By criticizing themselves for previous poor performances.
- D) By refraining from being too excited about their successes.

创业者如何避免做出冲动和不明智的决策？

- A) 通过让自己参与批判性思考。 B) 通过养成保持正直的习惯。 C) 通过批评自己以前的糟糕表现。
D) 通过克制自己不要对成功过于兴奋。

【答案】 A (细节题)

【判型】 How can entrepreneurs avoid making impulsive and insensible decisions 问避免冲动决策的具体办法，答案直取原文方法句，属细节题。

【拆句】 How can entrepreneurs avoid making impulsive and insensible decisions: avoid 后接动名词 making (avoid doing 固定用法)，impulsive"冲动的"、insensible"不明智的"两个形容词并列修饰 decisions。结构清晰，无陷阱。

【定位】 But it's possible to avoid such costly mistakes by making a habit of engaging in critical thinking, such as considering opposing viewpoints and conducting cost-benefit analyses, especially for those decisions that are complex and can determine the future of your venture. 但可以通过养成进行批判性思考的习惯来避免这类代价高昂的错误，比如考虑相反的观点、做成本收益分析，尤其是对那些复杂且能决定事业未来的决策。

【选项】 A) ✓ 正确

engaging in critical thinking ↔ **engaging themselves in critical reasoning**

engaging themselves in critical reasoning 精确对应对策句的方法，与预判一致。

B) 张冠李戴

keeping their integrity"保持诚信"是第2段针对"不道德行为"的对策，与本段"冲动决策"无关，属跨段错位。

C) 偷换概念

criticizing themselves for previous poor performances"为以往糟糕表现自责"文中没有依据；原文说的是 critical thinking 批判性思考，不是"自我批评"。

D) 偷换概念

refraining from being too excited about their successes"别为成功太兴奋"对错了对象；原文 eagerness to win 指"求胜的急切"导致冲动，办法是批判性思考，而非"压抑对成功的兴奋"。

50. How can entrepreneurs overcome the risk-inducing effects of rivalry?

- A) By paying close attention to their current performance.
- B) By taking steps that stand to endanger their rivals' success.
- C) By monitoring how their decision-making impacts their mentality.
- D) By keeping their emotions in check to avoid making poor decisions.

创业者如何克服竞争带来的风险诱发效应？

- A) 通过密切关注他们当前的表现。
- B) 通过采取可能危及对手成功的措施。
- C) 通过监控他们的决策如何影响他们的心态。
- D) 通过控制自己的情绪以避免做出糟糕的决策。

【答案】 D (细节题)

【判型】 How can entrepreneurs overcome the risk-inducing effects of rivalry 问克服风险效应的具体方法，答案直取原文，属细节题。

【拆句】 How can entrepreneurs overcome the risk-inducing effects of rivalry: 主干 How can entrepreneurs overcome the effects, risk-inducing (诱发风险的) 作定语修饰 effects, of rivalry 是后置定语说明这种效应的来源。无陷阱。

【定位】 One way you can overcome the risk-inducing effects of rivalry that stand to endanger your venture's success is to remain attentive to your emotional state and actively monitor how such feelings are affecting your decision-making.

你能克服这种危及事业成功的、由竞争诱发风险的效应的一个办法，是持续关注自己的情绪状态，并主动监控这些情绪如何影响你的决策。

【选项】 A) 偷换概念

paying close attention to their current performance 把对象换成 current performance"当前表现"; 原文要关注的是 emotional state"情绪状态", 对象被换。

B) 与原文相反

taking steps that stand to endanger their rivals' success"采取危及对手成功的举措"与原文相悖: 原文 endanger your venture's success 担心的是危及"自己"的事业, 办法是管情绪, 不是去害对手。

C) 与原文相反

monitoring how their decision-making impacts their mentality 说"监控决策如何影响心态", 方向反了; 原文是 how such feelings are affecting your decision-making"情绪如何影响决策", 主语宾语对调。

D) ✓ 正确

remain attentive to your emotional state ↔ **keeping their emotions in check**

how such feelings are affecting your decision-making ↔ **to avoid making poor decisions**

keeping their emotions in check to avoid making poor decisions 整体对应对策句的两层意思, 与预判一致。

SENTENCE INSIGHTS • 句子精讲

11 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Having a rival can keep you committed to achieving your goals and enhance your overall performance.

第1段, 第1句

本句涵盖动名词短语作主语、情态动词加并列谓语、宾语、宾语补足语等多种成分,且 "keep + 宾语 + 宾补" 是常见易错结构。动名词主语和宾补的识别都是练习重点,句子结构适合训练成分划分能力。

After all, competitive rivalry can also hinder effective decision-making and increase your willingness to take risks, behaviors that can ultimately hurt your venture's success.

第1段，第3句

本句涵盖并列谓语、两个独立宾语（其中一个带不定式后置定语）、同位语以及定语从句，成分种类丰富；同位语和定语从句的组合是易混淆点，非常适合训练考生区分修饰关系和指代对象的能力。

Finding someone you're committed to outcompeting can be a great way to stay focused on your goals and push your venture to the next level.

第2段，第1句

本句涵盖了动名词短语作主语、情态动词系表结构、限制性定语从句（省略关系代词）、不定式短语作后置定语等多种成分，且从句内部包含系表结构和介词宾语，成分种类丰富。省略关系代词是常见易错点，动名词作主语和不定式作定语也是练习重点，训练价值较高。

One way to avoid this trap is to stop and reflect on what's important.

第2段，第6句

主系表结构配不定式表语、what引导的宾语从句嵌套在介词宾语位置，是四六级和考研阅读中常见的句式组合，学习后可迁移到大量类似结构的句子，实用性强。

While outperforming your rivals may provide short-term benefits, the loss of your integrity will have long-term consequences.

第2段，第7句

让步状语从句+主句的对比结构是四六级和考研阅读中的高频句式，常用于表达转折或权衡关系。动名词作主语、情态动词表推测、一般将来时表预测也都是典型用法。该句式在论述文和议论文中大量出现，学习后可广泛迁移，典型性较强。

One reason having a rival can enhance your venture's performance is that it creates a level of excitement that drives you to work harder.

第3段，第1句

"One reason ... is that ..." 结构是说明原因时的典型句式，在四六级和考研阅读中频繁出现。表语从句搭配定语从句的嵌套模式也是常考结构。掌握本句后，学习者能够迁移到大量类似句式。

But this eagerness to win may also hurt your venture's success, particularly when it causes you to make impulsive, insensible decisions.

第3段，第2句

主句“情态动词 + 动词原形”搭配抽象名词主语和“particularly when”引导状语从句限定条件，是四六级和考研阅读中常见的议论句式。使役动词“cause sb to do sth”结构也是高频考点。本句在结构上具有较强代表性，掌握后可迁移到大量类似长句的分析中。

The sense of eagerness that comes with having a rival can not only cause you to make poorer decisions, but it can also lead you to take greater risks that put your venture in peril.

第4段，第1句

句子结构非常典型：主句带并列谓语，名词后跟限制性定语从句修饰，使役动词 cause/lead 后接宾语和不定式补足语，这些都是四六级和考研阅读中高频出现的句式。掌握这种结构后可以复用到大量类似句子，代表性强，迁移价值高。

One way you can overcome the risk-inducing effects of rivalry that stand to endanger your venture's success is to remain attentive to your emotional state and actively monitor how such feelings are affecting your decision-making.

第4段，第2句

涵盖主系表结构、双宾语、定语从句主宾识别、宾语从句成分划分，且存在情态动词、不定式并列、动名词等易混淆点，作为成分划分练习句覆盖面广、训练价值高。

They may be too eager to succeed while ignoring the huge labor cost.

第47题，C

本句的结构在四六级和考研真题中较为常见：情态动词加系表结构表达推测，“while”引导状语从句表示伴随或对比，现在分词作谓语的省略结构也是高频考点。掌握这类句式后，学生可以迁移到大量类似的复杂句中，实用性较高。

Reflect on what successes are achievable.

第48题，D

涵盖祈使句主语省略、动词短语作谓语(Reflect on)、名词性从句作宾语三个考点。从句内部包含疑问词作主语成分、主系表结构，能训练学生识别从句边界和内部成分划分。虽结构不复杂，但包含的成分种类足够让初学者练习主谓宾识别及从句分析，具备一定训练价值。

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 A multitasker is one who can perform two or more tasks effectively at the same time, which—apart from the obvious differences—is similar to what a computer does. The concept does indeed come from the realms of technology, where it is used to refer to an operating system that can execute multiple tasks at the same time. However, the question is: can a person really be a multitasker?

多任务处理者是指能够同时有效完成两项或更多任务的人，这与计算机所做的事情相似，只是存在明显的差异。这个概念确实来自技术领域，用于指代能够同时执行多项任务的操作系统。然而，问题是：一个人真的能成为多任务处理者吗？

P2 For most scientists, the answer is no. So much so that, according to experts in neuroscience(神经系统科学), our brains do not handle multitasking situations well. As soon as two tasks require our attention, productivity suffers. What we call multitasking, therefore, is in reality the ability to move more or less quickly from one task to another. This requires two essential conditions: that one of the tasks needs to be automatic, like walking or eating, and that they both need different mental processes. Answering the phone and writing at the same time, for example.

对于大多数科学家来说，答案是否定的。以至于根据神经系统科学专家的说法，我们的大脑无法很好地处理多任务情况。一旦两项任务需要我们的注意力，生产力就会下降。因此，我们所说的多任务处理，实际上是或多或少快速地从一项任务切换到另一项任务的能力。这需要两个基本条件：其中一项任务需要是自动的，比如走路或吃饭，并且两项任务都需要不同的心理过程。例如，同时接电话和写作。

P3 However, on the other side of the coin there are people who maintain that it is possible to be, or at least seem to be, multitasking. A recent study concluded that regardless of whether people are actually handling several tasks or not, the mere fact that they perceive this activity as multitasking has a positive effect on their performance.

然而,从另一个角度来看,有些人坚持认为成为或至少看起来像是多任务处理者是可能的。最近的一项研究得出结论,无论人们是否真正在处理多项任务,仅仅是他们将这种活动视为多任务处理这一事实,就对他们的表现产生了积极影响。

P4 The business perspective offers a different view: multitasking is understood as the ability to adapt to all types of environment within a company and effectively undertake different activities within a set time frame. Indeed, many companies look for people who are skilled in multitasking to improve their productivity. From this different perspective, you can not only be multitasking but this ability can also be taught: something that is easier in fluid organisations, which favour flexibility in their working practices. 商业视角提供了不同的观点:多任务处理被理解为适应公司内所有类型环境并在规定时间框架内有效承担不同活动的的能力。事实上,许多公司寻找擅长多任务处理的人来提高生产力。从这个不同的角度来看,你不仅可以进行多任务处理,而且这种能力也可以被传授:这在灵活的组织中更容易实现,这些组织在工作实践中倾向于灵活性。

P5 The benefits of multitasking are clear. Being quicker and more efficient increases our performance and the number of tasks completed. But having to pay attention to several things at once means that the powers of concentration are reduced and that can lead to more mistakes.

多任务处理的好处是显而易见的。更快更高效地工作可以提高我们的表现和完成的任务数量。但是必须同时注意几件事意味着注意力会降低,这可能导致更多错误。

题目与逐题解析

51. What does a "multitasker" originally refer to?

- A) An operating system capable of doing several tasks at once.
- B) A skilled worker executing more than one task at the same time.
- C) A sophisticated technology doing several tasks effectively at once.
- D) An efficient person able to perform multiple tasks at the same time.

"多任务处理者"最初指的是什么?

- A) 一种能够同时执行多项任务的操作系统。
- B) 一名同时执行多项任务的熟练工人。
- C) 一种能同时有效完成多项任务的复杂技术。
- D) 一个能够同时执行多项任务的高效率的人。

【答案】 A (词义句意题)

【判型】 题干 What does a "multitasker" originally refer to 直接问一个词「原本指什么」, 考的是文中对该词来源含义的界定。

【拆句】 句子主干是 What does a "multitasker" originally refer to, 结构平铺, refer to 意为「指代、指的是」, originally 作状语修饰 refer to, 意为「最初指的是」。无陷阱。

【定位】 The concept does indeed come from the realms of technology, where it is used to refer to an operating system that can execute multiple tasks at the same time.

这个概念确实来自科技领域，在那里它被用来指一种能够同时执行多项任务的操作系统。

【选项】 A) ✓ 正确

an operating system that can execute multiple tasks at the same time ↔

An operating system capable of doing several tasks at once

预判要的「能同时多任务的操作系统」与 An operating system capable of doing several tasks at once 完全吻合，主体、能力、同时性三点都对上。

B) 偷换概念

A skilled worker (熟练工人) 把主体说成人，而原词最初指的是操作系统，主体张冠李戴。

C) 偷换概念

A sophisticated technology (一种复杂技术) 只取了原文「来自科技领域」的背景，却没说成「操作系统」，主体被放大成笼统的「技术」，与原文具体所指不符。

D) 答非所问

An efficient person (高效的人) 把主体说成人，对应的是首句对 multitasker 的「现今」描述，而非题干要的「最初」所指，时间与主体都错。

52. Why can't people really be multitaskers according to neuroscientists?

- A) They are not sufficiently exposed to multitasking situations.
- B) They are not comparable to mechanical operating systems.
- C) Their brains do not allow them to multitask.
- D) Their attention span cannot be expanded.

根据神经科学家的观点,为什么人们实际上无法成为多任务处理者?

- A) 他们没有充分接触多任务处理的情境。 B) 他们无法与机械操作系统相比。
- C) 他们的大脑不允许他们进行多任务处理。 D) 他们的注意力持续时间无法延长。

【答案】 C (细节题)

【判型】 题干 Why can't people really be multitaskers according to neuroscientists 问的是某方观点下的具体理由，答案能在原文直接找到对应句。

【拆句】 Why can't people really be multitaskers according to neuroscientists: 主干是 why ... can't people be multitaskers (人为什么不能成为多任务者)，really 加强语气，according to neuroscientists 是状语，限定「按神经科学家的看法」。really 易让人误读为「真的能吗」，其实它服务于全句的否定，意为「人确实当不了」。

【定位】 So much so that, according to experts in neuroscience(神经系统科学), our brains do not handle multitasking situations well.

以至于，按照神经科学专家的说法，我们的大脑并不能很好地处理多任务情境。

【选项】 A) 无中生有

not sufficiently exposed to multitasking situations (接触多任务情境不够) 文中从未提及, 原文讲的是大脑机能, 不是接触多少。

B) 答非所问

not comparable to mechanical operating systems (无法与机械操作系统相比) 只是首段把人和电脑作类比的延伸, 并非神经科学家给出的不能多任务的理由。

C) ✓ 正确

our brains do not handle multitasking situations well ↔

Their brains do not allow them to multitask

预判的「大脑处理不好」与 Their brains do not allow them to multitask 一致, 把原因归于大脑这一生理层面, 正合定位句。

D) 无中生有

attention span cannot be expanded (注意力广度无法扩展) 文中并无此说, 原文只说两项任务争夺注意力时效率下降, 没谈注意力能否扩展。

53. What do we learn from the conclusion of a recent study on multitasking?

A) People make greater achievements by maintaining whatever they are doing is multitasking.

B) People's performance benefits from the perception of what they are doing as multitasking.

C) People's active mental processes exert a positive effect on their multitasking.

D) People can improve their capabilities by handling multitasking situations.

从最近一项关于多任务处理的研究结论中我们了解到什么?

A) 人们通过保持他们正在做的事情是多任务处理这一认知而取得更大成就。

B) 人们对他们正在做的事情作为多任务处理的感知使其表现受益。

C) 人们活跃的心理过程对他们的多任务处理产生积极影响。

D) 人们可以通过处理多任务处理情境来提高他们的能力。

【答案】 B (细节题)

【判型】 题干 What do we learn from the conclusion of a recent study 问一项具体研究的结论, 原文有对应明示句, 属可直接定位的细节。

【拆句】 What do we learn from the conclusion of a recent study on multitasking: 主干 what do we learn (我们了解到什么), from the conclusion of a recent study 是状语, on multitasking 修饰 study, 指「一项关于多任务的近期研究的结论」。结构平铺, 无陷阱。

【定位】 A recent study concluded that regardless of whether people are actually handling several tasks or not, the mere fact that they perceive this activity as multitasking has a positive effect on their performance.

一项近期研究得出结论: 无论人们是否真的在处理多项任务, 仅仅是他们把这一活动感知为多任务这个事实, 就对他们的表现有正面影响。

【选项】 A) 偷换概念

maintaining whatever they are doing is multitasking 用 maintaining (坚持主张/坚持做) 替换原文的 perceive (感知), 「坚称是多任务」不等于「感知为多任务」, 把主观认知偷换成口头主张。

B) ✓ 正确

they perceive this activity as multitasking ↔

the perception of what they are doing as multitasking

has a positive effect on their performance ↔ **performance benefits from**

预判的「感知为多任务即提升表现」与 People's performance benefits from the perception of what they are doing as multitasking 完全对应, 落点都在「感知」这一主观因素。

C) 张冠李戴

active mental processes (积极的心理过程) 借的是第二段讲切换需要不同 mental processes 的内容, 与本研究结论的「感知」无关。

D) 与原文相反

improve their capabilities by handling multitasking situations 说「靠处理多任务来提升能力」, 而原文强调的恰是「无论是否真在处理多任务」, 重点在感知而非实际处理, 方向相反。

54. How does the business world view multitasking?

- A) It is a rare skill often found in fluid organisations.
- B) It is an adaptable capability required of all workers.
- C) It is an essential quality many employees lack.
- D) It is a desirable ability that can be developed.

商业界如何看待多任务处理?

- A) 它是一种在灵活组织中常见的稀有技能。
- B) 它是所有员工都需要具备的适应性能力。
- C) 它是许多员工缺乏的一种基本素质。
- D) 它是一种可以培养的理想能力。

【答案】 D (细节题)

【判型】 题干 How does the business world view multitasking 问商业界如何看待多任务, 原文有专段陈述该立场, 属可定位细节。

【拆句】 How does the business world view multitasking: view 在此是动词「看待」, 主干为 the business world view multitasking (商业界如何看待多任务)。需注意 view 此处不是名词「景观」而是动词, 属熟词的常见用法。

【定位】 From this different perspective, you can not only be multitasking but this ability can also be taught: something that is easier in fluid organisations, which favour flexibility in their working practices.

从这一不同视角看, 你不仅可以做到多任务, 而且这种能力还可以被传授: 这在灵活的组织里更容易做到, 这类组织在工作方式上崇尚灵活性。

【选项】 A) 与原文相反

a rare skill (罕见技能) 与原文 many companies look for people who are skilled in multitasking 矛盾——能被许多公司寻得且可传授，说明并不罕见。

B) 以偏概全

required of all workers (对所有员工的要求) 把范围夸大成「全体员工」，原文只说 many companies look for people who are skilled in multitasking，是企业青睐某些人，而非要求所有人都具备。

C) 无中生有

many employees lack (许多员工缺乏) 文中并无此说，原文谈的是公司想要、能力可教，没有说员工普遍缺乏这种能力。

D) ✓ 正确

many companies look for people who are skilled in multitasking ↔ a desirable ability
this ability can also be taught ↔ that can be developed

预判的「可培养的实用能力」与 a desirable ability that can be developed 两点全中：desirable 对应被公司追求，can be developed 对应可教。

55. What does the author imply we should do if we have to focus on some task and do it well?

- A) Work in a flexible way.
- B) Learn from mistakes.
- C) Avoid multitasking.
- D) Increase efficiency

如果我们必须专注于某项任务并把它做好，作者暗示我们应该做什么？

A) 以灵活的方式工作。 B) 从错误中学习。 C) 避免多任务处理。 D) 提高效率。

【答案】 C (推断题)

【判型】 题干 What does the author imply we should do 用 imply 问作者「暗示」我们该怎么做，答案需基于原文推理而非直接摘录。

【拆句】 What does the author imply we should do if we have to focus on some task and do it well: 主干 what does the author imply we should do (作者暗示我们该做什么)，if 引导条件状语从句 if we have to focus on some task and do it well (如果我们必须专注某项任务并把它做好)。从句是答案成立的前提，须连同主句一起理解。

【定位】 But having to pay attention to several things at once means that the powers of concentration are reduced and that can lead to more mistakes.

但不得不同时关注好几件事，意味着专注力会下降，而这会导致更多错误。

【选项】 A) 张冠李戴

Work in a flexible way (以灵活方式工作) 取自第四段商业视角的 favour flexibility in their working practices, 与末段「要专注做好该怎么办」无关。

B) 无中生有

Learn from mistakes (从错误中学习) 只是借了末段 mistakes 一词, 原文说的是多任务会「导致」更多错误, 从未建议「从错误中学习」。

C) ✓ 正确

having to pay attention to several things at once means that the powers of concentration are reduced

↔ **Avoid multitasking**

预判的「别同时做多件事」与 Avoid multitasking 一致——既然多任务降低专注、引发错误, 那要做好就该避免它。

D) 答非所问

Increase efficiency (提高效率) 对应原文 Being quicker and more efficient, 但那是多任务的「好处」一面, 并非「要专注做好」的对策; 况且追求效率与多任务相伴, 恰是降低专注的根源。

SENTENCE INSIGHTS • 句子精讲

6 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

The concept does indeed come from the realms of technology, where it is used to refer to an operating system that can execute multiple tasks at the same time.

第1段, 第2句

定语从句的嵌套使用、被动语态、情态动词结构都是四六级和考研阅读中的高频句式, 非限制性定语从句补充说明和限制性定语从句限定修饰的对比也是常考点。句式代表性强, 掌握后可广泛应用。

So much so that, according to experts in neuroscience(神经系统科学), our brains do not handle multitasking situations well.

第2段, 第2句

本句覆盖了主语、谓语、宾语、方式状语和两个不同类型的状语(来源状语和程度状语), 成分种类较丰富, 尤其是插入性状语和程度状语的识别对初学者有一定训练价值。

What we call multitasking, therefore, is in reality the ability to move more or less quickly from one task to another.

第2段，第4句

主语从句 + 主系表结构是四六级和考研英语阅读中的高频句式，用 "What" 引导主语从句来引出话题并下定义的写法非常典型，表语部分带不定式修饰也是常见模式。掌握本句结构后可迁移到大量同类句子。

They are not sufficiently exposed to multitasking situations.

第52题，A

被动语态加状语修饰的结构在四六级和考研英语阅读中较为常见，尤其是学术或说明性文本中经常使用被动语态来强调状态或结果。掌握本句的分析方法可以迁移到类似句式。但本句缺少从句或复杂修饰，典型性不算顶尖。

Their brains do not allow them to multitask.

第52题，C

"主语 + 谓语 + 宾语 + 不定式宾补" 是四六级和考研英语阅读中高频出现的句式，尤其是 "allow/enable/permit sb to do" 结构在说明文和议论文中极为常见，具有较高的典型性和迁移价值。

It is an essential quality many employees lack.

第54题，C

本句结构为主系表句型加限制性定语从句，这是四六级和考研英语阅读中非常典型的句式。定语从句省略关系代词的现象在真题中频繁出现，学生掌握本句的分析方法后可以迁移到大量类似句子，具有较高的代表性和实用性。

2023年12月·第2套英语四级汉译英（段落翻译）·改革开放后中国人饮食变化 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2023年12月·第2套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第2套(2023-12) • 四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

改革开放以来，中国人的饮食(diet)发生了显著变化。过去由于经济落后，食品种类有限、数量不足，人们仅仅满足于吃得饱。如今中国经济快速发展，食品不仅更加丰富多样，质量也大幅提高。随着生活水平不断提升，人们对饮食的要求越来越高，更加注重吃得营养健康。因此，目前市场上推出的低脂、低糖、有机食品受到人们的普遍欢迎。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

Since the reform and opening-up, the diet of Chinese people has undergone significant changes. In the past, due to the backward economy, food was limited in variety and insufficient in quantity, so people were content with merely having enough to eat. Today, with China's economy developing rapidly, food is not only more abundant and diverse but also greatly improved in quality. As living standards keep rising, people have increasingly higher demands for their diet and pay more attention to eating in a nutritious and healthy way. Therefore, the low-fat, low-sugar and organic food launched on the market today is widely welcomed by people.

【衔接】第2句与第3句：今昔对比补对照

第2句讲过去、第3句讲如今，是鲜明的今昔对照。第3句句首已用 Today 接住时间转换；可进一步在第3句开头用 Today / Nowadays 与第2句的 In the past 形成明确对照，时态也由过去时切回现在时，让读者一眼看出“过去如何—现在如何”的转折。

第3、4句：避免 food / people 主语重复生硬

第3句主语是 food、第4句主语是 people，两句视角自然切换（食物变好—人的要求变高），衔接顺畅，无需额外关联词；但要确保 diet 与 food 的用词区分一致，第4句承接“饮食”统一用 diet，不要又换回 food。

第4句与第5句：因果用 Therefore 显化

因此 是明确的因果信号，第5句句首译出 Therefore / As a result，把“人们越来越注重营养健康”（因）与“低脂低糖有机食品受欢迎”（果）的逻辑显化出来，避免两句各说各的、读着断裂。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

【主旨】改革开放后中国人饮食变化

本段是一篇典型的四级社会变化类介绍文，主线是 改革开放以来，中国人的饮食(diet)发生了显著变化，随后按“过去—如今—随着生活水平提升—因此”的顺序，客观陈述饮食从“吃得饱”到“吃得营养健康”的演变。语体是中性、客观的现状叙述，用词不必华丽，但要准确、连贯。

【时态】一般现在时

全篇主体在讲“中国现在的饮食状况与人们如今的态度”这一持续到当下的事实，如 如今中国经济快速发展 与 目前市场上推出的低脂、低糖、有机食品受到人们的普遍欢迎，故主时态用一般现在时。只有专讲“过去”那一句（过去由于经济落后）才偏离到一般过去时，开篇“发生了显著变化”这一已完成的结果可用现在完成时。

【译法】改革开放

改革开放 是有约定俗成英译的政治经济术语，统一译作 the reform and opening-up；“改革开放以来”用 since the reform and opening-up，全篇只用这一种译法，不要一会儿 reform and open，一会儿 the open policy。

饮食

饮食(diet) 原文已给出括注 diet，统一用 diet 这个名词；它兼指“吃的东西”和“饮食习惯”，全篇凡指“饮食”都用 diet，避免和 food（食品）混用导致前后不一致。

食品

食品 反复出现（食品种类、食品不仅更加丰富），统一译作 food（不可数，作“食物”总称时不加 s），与上面的 diet 区分开：diet 指饮食结构/习惯，food 指具体食物。

有机食品

有机食品 译作 organic food，与 low-fat、low-sugar 并列时统一用 "low-fat, low-sugar and organic food" 的形容词修饰结构，不要写成 organic foods 或 the organic。

1. 改革开放以来，中国人的饮食(diet)发生了显著变化。

【主干】 饮食发生变化 (主语策略：原句主语)

中文主语明确是"中国人的饮食"，谓语"发生了变化"，主干即 the diet of Chinese people has changed / Chinese people's diet has undergone changes。引 中国人的饮食(diet)发生了显著变化，把"饮食"提作主语、"发生变化"作谓语。

【降级】 时间状语前置

改革开放以来 是时间状语，降级成介词短语 Since the reform and opening-up 放句首；显著 是修饰"变化"的程度词，用形容词 significant 修饰 changes 或用副词 significantly，不要单独成句。本句主干清晰，只需把状语和修饰词安放好即可。

【语法】 时态

"自改革开放以来.....发生了变化"是从过去持续到现在的结果，用现在完成时 has changed / has undergone，这与 since 引导的时间状语正好搭配；这是本篇唯一适合用完成时的地方，不必硬套全篇基调的一般现在时。

主谓一致

主语 the diet (单数) 或 Chinese people's diet 都是单数，谓语用 has，不要写成 have。

单复数

"显著变化"指多方面变化，change 用复数 changes (undergo significant changes)，或用 changed significantly 的动词写法。

【译文】 Since the reform and opening-up, the diet of Chinese people has undergone significant changes.

2. 过去由于经济落后，食品种类有限、数量不足，人们仅仅满足于吃得饱。

【主干】 人们满足于吃饱 (主语策略：原句主语)

本句落脚在 人们仅仅满足于吃得饱，主干是 people were content with merely having enough to eat，主语 people、谓语 were content with。前半 食品种类有限、数量不足 是另一组主谓(食品作主语)，整句可拆成"食品.....不足"与"人们满足于....."两层。

【降级】 原因状语加并列

由于经济落后 是原因，降级成 due to the backward economy 介词短语；食品种类有限、数量不足 是两个并列描述，可处理成 food was limited in variety and insufficient in quantity，或用 with food limited in variety and insufficient in quantity 的 with 复合结构整体降级作背景，让主句聚焦"人们满足于吃饱"。

【语法】时态

本句明确讲过去，偏离全篇一般现在时基调，整句用一般过去时：was limited、was insufficient、were content。这是全篇唯一整句用过去时的地方，与下一句"如今"的现在时形成今昔对比。

单复数与主谓一致

food 作"食物"总称不可数，谓语用 was；people 是复数概念，谓语用 were content（不是 was）。

短语搭配

"满足于"用 be content with / be satisfied with；"仅仅"用 merely / only 修饰；"吃得饱"译 having enough to eat 或 being able to eat their fill，不要直译成 eat full。

【译文】 In the past, due to the backward economy, food was limited in variety and insufficient in quantity, so people were content with merely having enough to eat.

3. 如今中国经济快速发展，食品不仅更加丰富多样，质量也大幅提高。

【主干】 食品更丰富质量更高（主语策略：原句主语）

本句两层：中国经济快速发展 与 食品不仅更加丰富多样，质量也大幅提高。落脚在食品，主干用"不仅.....也....."结构：food is not only more abundant and diverse but also greatly improved in quality，主语 food、谓语 is。前半"经济快速发展"作背景。

【降级】 背景从句加not only

如今中国经济快速发展 降级成 with China's economy developing rapidly 的 with 复合结构或 as 从句作背景；不仅更加丰富多样，质量也大幅提高 用 not only... but also... 关联结构串起两个并列表语，体现"递进"，避免用 and 平铺。

【语法】时态

回指全篇基调用一般现在时：develops / is developing、is not only... but also...，讲的是当下持续的状况。

程度词

"更加"用比较级 more abundant / more diverse；"大幅提高"用 greatly / significantly improved，程度副词要跟上，体现"大幅"。

单复数与冠词

food 作总称不可数、不加冠词不加 s；China's economy 特指中国经济，用所有格或 the economy of China。

【译文】 Today, with China's economy developing rapidly, food is not only more abundant and diverse but also greatly improved in quality.

4. 随着生活水平不断提升，人们对饮食的要求越来越高，更加注重吃得营养健康。

【主干】 人们要求更高更重健康（主语策略：原句主语）

主语是 people，两个并列谓语：对饮食的要求越来越高（have increasingly higher demands for their diet）与 更加注重吃得营养健康（pay more attention to eating nutritiously and healthily）。前半 随着生活水平不断提升 作背景状语。

【降级】随着译成with从句

随着生活水平不断提升 降级成 As living standards keep rising / With the continuous improvement of living standards 作伴随状语；吃得营养健康 是"注重"的对象，降级成 pay attention to + 动名词 eating in a more nutritious and healthy way，不照中文硬译成 eat nutrition health。

【语法】时态

回指全篇基调一般现在时：rise / keep rising、have、pay，讲的是当下持续趋势。

介词搭配

"对.....的要求"用 demands for；"注重"用 pay attention to / attach importance to，介词 to 后接名词或动名词，不接原形。

单复数

living standards 习惯用复数；demands 表多方面要求用复数；their diet 用代词 their 承接 people，diet 不可数不加 s。

副词形式

"营养健康"修饰"吃"这个动作，用副词 nutritiously and healthily，或用介词短语 in a nutritious and healthy way，不要用形容词直接修饰动词。

【译文】 As living standards keep rising, people have increasingly higher demands for their diet and pay more attention to eating in a nutritious and healthy way.

5. 因此，目前市场上推出的低脂、低糖、有机食品受到人们的普遍欢迎。

【主干】食品受到普遍欢迎（主语策略：转被动）

低脂、低糖、有机食品受到人们的普遍欢迎，动作承受者"食品"作主语、用被动：low-fat, low-sugar and organic food is widely welcomed / is generally popular among people。把"受到欢迎"处理成被动正合英文习惯。

【降级】推出的作后置定语

目前市场上推出的 是修饰"食品"的定语，降级成过去分词短语 launched / available on the market 后置修饰 food，或用定语从句 that have been launched on the market；低脂、低糖、有机 三个并列形容词直接前置修饰 food。

【语法】时态语态

回指全篇基调一般现在时 + 被动语态：is widely welcomed / are generally popular，讲当下现状。

单复数与主谓一致

low-fat, low-sugar and organic food 作总称视为不可数单数，谓语用 is；若理解为"各类食品"用 foods/products 则谓语用 are——本句两种处理都行，但主谓单复数务必一致。

短语搭配

"受到普遍欢迎"用 be widely welcomed / be generally popular among people；"市场上"用 on the market；"因此"用 therefore / as a result 作过渡。

【译文】 Therefore, the low-fat, low-sugar and organic food launched on the market today is widely welcomed by people.
