## 四级 · 真题卷第1套 · 2023年6月

### Part I

### Writing

(30 minutes)

**Directions:** For this part, you are allowed 30 minutes to write an essay that begins with the sentence "Today there is a growing awareness that mental well-being needs to be given as much attention as physical health." You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 120 words but no more than 180 words.

### Part II

### Listening Comprehension

(25 minutes)

#### Section A

**Directions:** In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

**Questions 1 and 2 are based on the news report you have just heard.**

1. A) She was involved in a conflict with bird lovers.  
B) She was charged with mistreating animals.  
C) She was on bad terms with her neighbors.  
D) She was accused of violating a city law.
2. A) It will take time to solve the rat problem.  
B) All wild animals should be well protected.  
C) The woman was not to blame for the situation.  
D) No one should go unpunished for violating law.

**Questions 3 and 4 are based on the news report you have just heard.**

3. A) Communicate with astronauts in Mars Dune Alpha.  
B) Work in an environment resembling Mars.  
C) Build a Martian habitat in Houston.  
D) Send in applications before Friday.
4. A) Ready-made food.  
B) Food that is organic.  
C) Food they grow.  
D) Potatoes mostly.

**Questions 5 to 7 are based on the news report you have just heard.**

5. A) He apologized for scratching an athlete's gold medal.  
B) He was asked to present a gold medal to Miu Goto.  
C) He bit a softball player's Olympic gold medal.  
D) He attracted public attention at a media event.
6. A) Have another picture taken with the Olympic medalist.  
B) Apologize to the International Olympic Committee.  
C) Get the damaged medal repaired.  
D) Pay for the cost of a new medal.
7. A) Allow no one to touch them.  
B) See them as symbols of honor.  
C) Treat them as treasures.  
D) Keep them in a safe place.

## **Section B**

**Directions:** *In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

**Questions 8 to 11 are based on the conversation you have just heard.**

8. A) She covered its screen with a plastic sheet.  
B) She connected it with her smartphone.  
C) She decorated it with colorful stickers.  
D) She bought some new software for it.
9. A) It may not be simply blue.  
B) It includes unnatural light.  
C) It is more harmful to young people.  
D) It induces people to fall asleep.
10. A) He has had much trouble falling asleep.  
B) He has had some sort of health problems.  
C) He has stayed up playing computer games.  
D) He has been burdened with excessive work.
11. A) Exposure to blue light is the chief cause of obesity.  
B) Sleep may be more important than people assumed.  
C) Sleep may also be negatively affected by natural light.  
D) Overuse of electronic devices may cause heart disease.

**Questions 12 to 15 are based on the passage you have just heard.**

12. A) What they wanted to be when grown up.  
B) What their favorite cartoon character was.  
C) What they learned from computer games.  
D) What they liked to do most after school.
13. A) A stock broker.  
B) A pop singer.  
C) A mechanical engineer.  
D) A basketball player.
14. A) Ambitious.  
B) Sensible.  
C) Imaginative.  
D) Practical.
15. A) Relax their strict control of their kids.  
B) Help their kids understand themselves.  
C) Impose their own dreams on their kids.  
D) Dismiss their high expectations of their kids.

### Section C

**Directions:** *In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on Answer Sheet 1 with a single line through the centre.*

**Questions 16 to 18 are based on the passage you have just heard.**

16. A) Set up company branches.  
B) Improve its infrastructure.  
C) Introduce iPhones into its markets.  
D) Promote Internet-ready phones.
17. A) They cater to Africans' needs.  
B) They are more expensive models.  
C) They are more powerful and capable  
D) They boast the longest battery life.
18. A) A large touchscreen.  
B) An old-school keypad.  
C) A voice-response device.  
D) A digitally-designed system.

**Questions 19 to 21 are based on the passage you have just heard.**

19. A) It ensured sustainable economic growth.  
B) It was strongly opposed by manufacturers.  
C) It was cheaper than using fossil fuel plastic.  
D) It satisfied consumer demands on the whole.
20. A) The capacity to mass produce it.  
B) The U.S. federal government's regulations.  
C) A boom in market demand for clear plastic bottles.  
D) A rapid increase in U.S. petroleum chemical production.
21. A) Require companies to use 30% of new plastic.  
B) Increase the supply of new plastic in the market.  
C) Reduce the amount of plastic pollution in local areas.  
D) Take measures to promote the use of recycled plastic.

**Questions 22 to 25 are based on the passage you have just heard.**

22. A) It studies dreams.  
B) It rents a place for nap-takers.  
C) It is a hotel for business people.  
D) It is a nap research institute.
23. A) To find out creative people's work performance.  
B) To see how many people can go without napping.  
C) To understand the obvious importance of napping.  
D) To feel how difficult it is to get his idea across.
24. A) They decline due to pointless meetings.  
B) They depend on his ability to concentrate.  
C) They enable him to enjoy a creative career.  
D) They are affected by the overuse of social media.
25. A) Some bosses associate napping with laziness.  
B) Many office workers nap during work hours.  
C) Some bosses can concentrate without napping.  
D) Many of his friends daydream in the office.

### **Part III**

### **Reading Comprehension**

**(40 minutes)**

#### **Section A**

**Directions:** *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding*

letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

You probably haven't taken the time to think of all the work that went into creating the shirt on your back. I mean, how hard it could be to create fabric and 26 it into a shirt shape. Don't machines do all that? Well, creating fabric from cotton, which is the most 27 clothing material, is actually a process that involves a lot of water, 2,700 liters per shirt to be 28 . Take a look at the video below from National Geographic for some more mind-blowing 29 about cotton clothing production.

Clean water is 30 becoming one of the most sought-after resources in the world. Given how large the 31 and cotton industries are, they take up a lot of our fresh water demands across the world, according to The Huffington Post. The video from National Geographic was created to spread 32 of how environmentally harmful cotton is. But the situation can be made better. Through better water management and farming practices, water usage in cotton production can be cut down by 33 40 percent.

Called "Better Cotton", this environmentally conscious product will save millions of liters of water a year simply from 34 the demands of cotton production. Cotton doesn't have to go, since it is, after all, one of the most useful cash crops across the globe. However, as water supplies 35 , farmers and consumers need to be more conscious of the effect that these products have on the environment as a whole.

- |                 |               |
|-----------------|---------------|
| A) abstracts    | I) nearly     |
| B) abundant     | J) reckoning  |
| C) awareness    | K) reducing   |
| D) conscience   | L) sew        |
| E) exact        | M) shrink     |
| F) increasingly | N) statistics |
| G) intense      | O) textile    |
| H) mend         |               |

## Section B

**Directions:** In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

### The spoken web

- A) We're growing more used to chatting to our computers, phones and smart speakers through voice assistants like Amazon's Alexa, Apple's Siri and Microsoft's Cortana. Blind and partially sighted people have been using text-to-speech converters for decades.
- B) Out of these assistants, Siri is the most well-known. The assistant uses voice inquiries and a natural-language user interface(界面) to answer questions. The software adapts to users' individual language usages, searches, and preferences, with continuing use.
- C) Some think voice could soon take over from typing and clicking as the main way to interact online. But what are the challenges of moving to "the spoken web"?

- D) What use is written online content if you can't read? That is the situation facing illiterate(不识字的) African farmers. They are often denied crucial information the web offers many others. With a literacy rate in some parts of Africa at only 22.6%, farmers are often "underpaid for their produce because they might be unaware of the prevailing prices," says Francis Dittoh, a researcher behind Mr Meteo, a speech-based weather information service.
- E) "The most frequently heard complaint is about rainfall predictions," says Mr Dittoh, who lives in Tamale, northern Ghana. "They tell us the methods their forefathers used to predict the weather don't seem to work as well these days." This is down to climate change, he believes. Yet knowing when it's going to rain is vital for farmers wanting to sow seeds, irrigate crops or take their animals out to the fields to feed on grass.
- F) Mr Dittoh says the idea of converting online weather reports into speech came from the farmers themselves, after a workshop in the village of Guabuligah. "They came up with this," he says. Mr Meteo takes the online weather forecast, converts it to a short recording in the appropriate language and makes it available on a basic phone. Farmers ring up to receive the information. The local language Dagbani is spoken by 1.2 million people but is not served by any online translation applications. The service was designed to be cheap and easy to run, says Mr Dittoh. He plans to begin field tests this month, working with Tamale's Savanna Agricultural Research Institute.
- G) The spoken web could also help the one-in-five adults in Europe and the U.S. with poor reading skills. But building the spoken web—web-to-voice and voice-to-web—isn't straightforward. For software to understand that pizza is served at Italian restaurants is easy. To cover multiple domains and to be able to have a conversation with users on every single topic is still a long way off.
- H) So although many computer assistants can answer simple questions about the weather and play music for us, anything resembling a wide-ranging human conversation is decades away. Artificial intelligence just isn't smart enough yet. Even turning your voice into text—automatic speech recognition—is one of the hardest problems to solve, as there are as many ways to pronounce things as there are people on the planet.
- I) Siri has often been praised for its ability to interpret our casual language and deliver very specific and accurate results, sometimes even providing additional information. But it is still somewhat restricted, particularly when the language moves away from stiffer commands into more human interactions. In one example, the phrase "Send a text to Jason, Clint, Sam, and Lee saying we're having dinner at Silver Cloud restaurant" was interpreted as sending a message to Jason only, containing the text "Clint Sam and Lee saying we're having dinner at Silver Cloud restaurant". It has also been noted that Siri lacks a proper editing function, as saying "Edit message to say: we're at Silver Cloud restaurant and you should come find us" generates "Clint Sam and Lee saying we're having dinner at Silver Cloud restaurant to say we're at Silver Cloud restaurant and you should come find us".
- J) Using voice interaction feels far more intimate than surfing the net the old-fashioned way. This is intentional as the informal tone of the assistant helps create an emotional attachment. But if something speaks, it must also listen. Our phones are always near us and they are collecting data about us all the time. This has already raised privacy concerns. The American Civil Liberties Union has stated that digital assistants create a threat to privacy from hackers. Some people have other concerns. They worry assistants will one day be used to deliver advertising directly to us.
- K) But digital voices need more personality to make them popular. Robots are not yet witty, Siri is boring. The benefits of using voice instead of tapping fingers obviously depend on the context. Doctors completing online

forms about their patients by speech, for example, can dictate 150 words a minute, three times faster than typing on a keyboard. This enables them to spend less time on administration and more time with patients.

- L) Last year, speech recognition company Nuance helped a doctors' surgery in Dukinfield, near Manchester, set up a speech system for the practice's six doctors. Now they can dictate notes on a patient's health condition and treatment and a smart assistant automatically enters the information into the right fields on a web form. Previously, the doctors made voice recordings that were then transcribed by secretaries—a process that was costly and likely to cause delays. The new system means letters to patients now have more detail.
- M) Using voice also makes sense when you're doing other things with your hands. Think about when you're cooking, and you just want to know what the next step in the recipe is. Your hands are covered with oil; you're not going to get on the iPad, so it's a lot more natural to talk. And speech obviously makes sense when you're driving. In the U.S., 29% of drivers admit they surf behind the wheel, according to insurance firm State Farm. This is up from 13% in 2009. No wonder using mobile phones while driving causes more crashes a year than drink driving, says the U.S. National Safety Council.
36. According to Francis Dittoh, their speech-based weather information service was meant to be inexpensive and easy to use.
37. Using voice instead of typing enables doctors to spend more time taking care of patients.
38. It is extremely difficult to convert voice into text because of different pronunciations.
39. African farmers unable to read often don't have access to important information conveyed online.
40. Some phone users worry advertisers will take advantage of voice assistants to send ads directly to them.
41. The spoken web is helpful when one's hands are occupied.
42. Some people believe online interaction would soon depend mainly on voice.
43. Setting up a spoken web is by no means an easy task.
44. Weather information is extremely important to farmers.
45. Some people are concerned about privacy because their phones are constantly collecting their personal information.

## Section C

**Directions:** *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

### Passage One

**Questions 46 to 50 are based on the following passage.**

The United States is facing a housing crisis: Affordable housing is inadequate, while luxury homes abound(充裕), and homelessness remains a persistent problem. Despite this, popular culture and the housing industry market happiness as living with both more space and more amenities(便利设施). Big houses are advertised as a reward for hard work and diligence, turning housing from a basic necessity into a luxury.

This is reflected in our homes. The average single-family home built in the United States before 1970 was less than 1,500 square feet in size. By 2016, the average size of a new, single-family home was 2,422 square feet. What's more, homes built in the 2000s were more likely than earlier models to have more of all types of spaces: bedrooms, bathrooms, living rooms, dining rooms, recreation rooms and garages.

There are consequences of living big. As middle-class houses have grown larger, two things have happened. First, large houses take time to maintain, so cleaners and other low-wage service workers are required to keep these houses in order. Second, once-public spaces, where people from diverse backgrounds used to come together, have increasingly become privatized, leading to a reduction in the number of public facilities available to all, and a reduced quality of life for many. Take swimming pools. While in 1950, only 2,500 U.S. families owned pools, by 1999 this number was 4 million. At the same time, public municipal pools were often closed, leaving low-income people nowhere to swim.

The trend for bigger housing thus poses ethical questions. Should Americans accept a system in which the middle and upper classes enjoy a luxurious lifestyle, using the low-wage labor of others? Are we willing to accept a system in which an increase in amenities purchased by the affluent means a reduction in amenities for the poor?

I believe neither is acceptable. We must change the way we think: living well does not need to mean having more private spaces; instead, it could mean having more public spaces. A better goal than building bigger houses for some is to create more publicly accessible spaces and amenities for all.

46. What are big houses promoted to be in the United States?

- A) A luxury for the homeless.
- B) A reward for industriousness.
- C) An abundant source of comforts.
- D) An absolute necessity for happiness.

47. What is one of the consequences of living big?

- A) Many Americans' quality of life has become lower.
- B) People from diverse backgrounds no longer socialize.
- C) People no longer have access to public swimming pools.
- D) Many Americans' private life has been negatively affected.

48. What questions arise from living big?

- A) Questions related to moral principles.
- B) Questions having to do with labor cost.
- C) Questions about what lifestyle to promote.
- D) Questions concerning housing development.

49. What kind of social system does the author think is unacceptable?

- A) One in which the wealthy exploit the low-wage laborers building their houses.
- B) One in which the rich purchase amenities at an increasingly unjustifiable price.
- C) One in which the upper classes deprive the lower classes of affordable housing.
- D) One in which the affluent enjoy a more comfortable life at the expense of the poor.

50. What does the author advocate for people to live well?
- A) Finding ways to turn private spaces into public ones.
  - B) Building more houses affordable to those less affluent.
  - C) More public spaces created for everyone to enjoy.
  - D) All amenities made accessible to the rich and the poor alike.

## Passage Two

Questions 51 to 55 are based on the following passage.

Most of us in the entrepreneurial community are blessed—or cursed—with higher-than-average ambition. Ambitious people strongly desire accomplishments and are willing to take more risks and spend more effort to get them.

Overall, this is a positive quality, especially for people trying to build their own businesses. Apparently, if you're more naturally driven to set goals, you are more likely to succeed.

Actually, this isn't always the case. In fact, in some cases, extreme ambition may end up doing more harm than good.

One major side effect of excessive ambition is the tendency to focus too determinedly on one particular vision or end goal. This is problematic because it hinders your ability to adapt to new circumstances, which is vital if you want to be a successful entrepreneur. If a new competitor emerges to threaten your business, you may need to change direction, even if that means straying from your original vision. If you have too much ambition, you'll find this hard, if not impossible.

Few people are successful when they try to build their first brand. Unfortunately, for the most ambitious entrepreneurs, a failure is seen as disastrous, and impossible to recover from.

It's a clear departure from the intended plan toward the intended goal. For people with limited ambition, however, failure is viewed as something closer to reality. Remember, failure is inevitable, and every failure you survive is a learning experience.

Ambitious people tend to be more materialistically successful than their non-ambitious counterparts. However, they're only slightly happier than their less-ambitious counterparts, and tend to live significantly shorter lives. This implies that even though ambitious people are more likely to achieve conventional "success," such success means nothing for their health and happiness—and if you don't have health and happiness, what else could possibly matter?

Clearly, some amount of ambition is good for your motivation. Without any ambition, you wouldn't start your own business, set or achieve goals and get far in life. But an excess of ambition can also be dangerous, putting you at risk of burnout, stubbornness and even a shorter life.

51. What does the author think of most entrepreneurs?
- A) They are more willing to risk their own lives.
  - B) They are more ambitious than ordinary people.
  - C) They achieve greater nonconventional success.
  - D) They have more positive qualities than most of us.

52. What does the author imply by saying "this isn't always the case" (Line 1, Para. 3)?
- A) Ambitious people may not have a greater chance of success.
  - B) Ambitious people may not have more positive qualities.
  - C) Entrepreneurs' ambition does as much good as harm.
  - D) Entrepreneurs are more naturally driven to success.
53. What does the author say is of extreme importance for one to become a successful entrepreneur?
- A) Holding on to one's original vision.
  - B) Being able to adapt to new situations.
  - C) Focusing determinedly on one particular goal.
  - D) Avoiding radical change in one's career direction.
54. How do the most ambitious entrepreneurs regard failure in their endeavor?
- A) It will awaken them to reality.
  - B) It is a lesson they have to learn.
  - C) It means the end of their career.
  - D) It will result in a slow recovery.
55. What does the author advise us to do concerning ambition?
- A) Distinguish between conventional success and our life goal.
  - B) Follow the example of the most ambitious entrepreneurs.
  - C) Avoid taking unnecessary risks when starting a business.
  - D) Prioritize health and happiness over material success.

## Part IV

## Translation

(30 minutes)

**Directions:** For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

中国越来越重视终身教育,发展继续教育是构建终身教育体系的有效途径。高校作为人才培养的基地,拥有先进的教学理念和优越的教学资源,理应成为继续教育的办学主体。因此,近年来许多高校适应社会需求,加强与用人单位沟通,努力探索一条符合中国国情的继续教育发展新路,以使继续教育在国家发展战略中发挥更大的作用。

PROMPT & MODEL ESSAY • 写作题和范文

## 写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2023年6月·第1套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第1套(2023-06) • 四级

Part I

**Directions:** For this part, you are allowed 30 minutes to write an essay that begins with the sentence "Today there is a growing awareness that mental well-being needs to be given as much attention as physical health." You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 120 words but no more than 180 words.

**【参考范文 • 172 词】** 写作无唯一标准答案，以下为达标示范

Today there is a growing awareness that mental well-being needs to be given as much attention as physical health. This view deserves our serious attention, especially when modern life keeps us under constant pressure and quiet mental troubles often go unnoticed.

To begin with, ignoring our inner state can cost us dearly. Long-term stress and anxiety lead to sleeplessness and poor concentration, which in turn damage both our bodies and our performance. Take my own experience as an example: before an important exam, I was so anxious that I could not sleep for nights and ended up doing far worse than usual. Only after I talked to my friends and kept a regular routine did my mind settle down and my results recover. This taught me that the mind clearly deserves the same care we give the body.

In conclusion, we should value our minds as much as our bodies. Only when individuals pay attention to their feelings and society offers more support can we truly live a healthy and balanced life.

**【参考译文】**

如今，人们越来越意识到，心理健康需要得到与身体健康同等的重视。这一观点值得我们认真对待，尤其是在现代生活让我们持续承受压力、悄无声息的心理困扰常被忽视的当下。

首先，忽视我们的内在状态会让我们付出沉重代价。长期的压力与焦虑会导致失眠和注意力涣散，进而损害我们的身体与表现。以我自己的经历为例：一次重要考试前，我焦虑到接连几晚无法入睡，最终考得远不如往常。直到我向朋友倾诉、保持规律作息，我的心态才安定下来，成绩也随之恢复。这让我明白，心灵显然值得我们给予如同照料身体一样的呵护。

总之，我们应当像重视身体一样重视心灵。唯有当个人关注自己的感受、社会提供更多支持，我们才能真正过上健康而均衡的生活。

**【第1段】抄句后接钩子。**首句逐字照抄给定句 Today there is a growing awareness that mental well-being needs to be given as much attention as physical health., 紧接一句 This view deserves our serious attention 点题，落实了「抄句后立刻接钩子」，把给定句接成自己的论证起点。

**【第2段】理由加例子。**本段照「主题句→理由→例子→小结」展开：To begin with, ignoring our inner state can cost us dearly 是主题句，随后给失眠、注意力下降的理由，再用 Take my own experience as an example 引出考试焦虑亲历，最后 This taught me that... 回扣中心，兑现了「理由加例子撑满一段」。

**【第3段】重申加呼吁。**结尾仅两句：In conclusion, we should value our minds as much as our bodies 重申立场、呼应 as much attention as physical health; Only when... can we 句呼吁个人与社会共同行动，收得简短利落，未再展开新例。

ANALYSIS • 审题与立意

## 这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

### 顺首句论证心理健康同等重要

要写一篇议论文，开头照抄 Today there is a growing awareness that mental well-being needs to be given as much attention as physical health., 然后用 make comments, cite examples or use your personal experiences 的方式展开论证：为什么心理健康该和身体健康一样被重视、该怎么重视。注意首句已经把中心论点给定了，你的活儿是论证它，不是再去讨论别的。

读者 • 语域

### 面向阅卷人的正式书面语

本题是纯议论大作文，没有具体收信人，所以无需称呼、无需署名，按面向阅卷人的正式书面语写即可：用完整句、避免缩写（don't 写成 do not）、不用口语化的 a lot of、kids 这类词。语域稳，是四级作文语言分的及格线。

中心立意

## 心理与身体健康应同等被重视

中心论点直接沿用首句已确立的观点：mental well-being needs to be given as much attention as physical health。正文全程为这一句服务，不推翻、不另立新主题。

要展开的要点

### 1. 忽视心理健康的代价

第一个要点回答「为什么重要」：长期忽视心理健康会带来真实代价，可落到学业与工作压力上——焦虑、失眠、注意力下降，最终连身体也跟着垮。这一点用 make comments 的评论方式展开。

### 2. 用个人经历佐证

第二个要点用 use your personal experiences 的方式落地：举一个考试焦虑（exam anxiety）的亲历，说明主动疏导情绪后状态如何改善，让论证有具体画面而非空喊口号。

STRUCTURE • 谋篇与逐段

## 怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文——对应。

### 第 1 段 照抄首句 + 点题

原样抄写 Today there is a growing awareness that mental well-being needs to be given as much attention as physical health., 再补一句表明本文要论证它、点出心理健康为何不可忽视。

### 第 2 段 主体论证

主体段：先评论忽视心理健康的代价（压力、焦虑会反噬身体与表现），再用一段个人考试焦虑经历佐证，理由 + 例子双管齐下。

### 第 3 段 结论呼吁

结尾段：重申心理与身体健康应同等对待，呼应首句，并以一句简短倡议收束全文。

## 第 1 段 首句 + 为何不容忽视

照抄 Today there is a growing awareness that mental well-being needs to be given as much attention as physical health., 再补一句：在快节奏的现代生活里，这一认识尤其重要，因为被忽视的心理问题往往悄悄拖垮一个人。

**承接首句点题** · This view deserves our serious attention, especially when \_\_\_\_\_. (填「现代生活节奏快／压力普遍」等本题背景)

**亮出本文走向** · In my view, \_\_\_\_\_ for two main reasons. (填本文要论证的核心判断)

## 第 2 段 代价 + 考试焦虑亲历

先评论：长期忽视心理健康会带来焦虑、失眠，反过来损害身体与表现，正应了 as much attention as physical health；再举个人经历：一次大考前我因焦虑彻夜难眠、成绩失常，后来通过倾诉与规律作息调整心态才恢复，亲身印证心理状态值得同等照料。

**亮明分论点** · To begin with, ignoring \_\_\_\_\_ can cost us dearly. (填本段要谈的对象，如 our mental state)

**引出个人例子** ·

Take my own experience as an example: \_\_\_\_\_. (填一句你的亲历概述)

**小结回扣** · This taught me that \_\_\_\_\_. (填本段从经历得出、回扣中心的结论)

### 第3段 重申同等重视 + 呼吁

重申应像照顾身体一样照顾内心，呼应 as much attention as physical health；并呼吁个人主动关注情绪、社会给予更多支持，让心理健康真正被同等对待。

**重申立场** · In conclusion, we should value \_\_\_\_\_ as much as \_\_\_\_\_. (填 our minds / our bodies 之类的本题对象)

**收尾呼吁** · Only in this way can we \_\_\_\_\_. (填本题期望达成的结果，如 live a truly healthy life)

REVIEW · 自检避坑

## 本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

#### 内容切题

#### 全程服务首句论点

本题最易跑题处是把 mental well-being needs to be given as much attention as physical health 抛开去大谈身体健康或别的话题；达标关键是每段都回扣这句，并真的用上 cite examples or use your personal experiences。

#### 结构连贯

#### 三段各司其职

本题三段分别承担「首句点题 / 主体论证 / 结论呼吁」，段与段之间用 To begin with、In conclusion 串起；切忌通篇一段不分，那会直接拉低结构分。

#### 语言准确

#### 用准比喻用难

本题可用 as much attention as、as much as 这类同等比较结构呼应首句，但要保证 as...as 两边对称、不写残；与其堆砌生僻词，不如把 stress、anxiety、concentration 这些常用词用准。

### 字数格式

### 落在120到180

严守 at least 120 words but no more than 180 words：范文词数正落区间内；本题无收信人，不写称呼也不署名，按议论文格式直接成段即可。

典型低分写法 · 反面示例与改法

### 改写首句

反面示例开头：Nowadays many people think the mind is as important as the body. (这是把首句改写复述，违反照抄要求)。改法：原样照抄 Today there is a growing awareness that mental well-being needs to be given as much attention as physical health., 再接论证。

### 通篇空话

反面示例：Mental health is very important. We must pay attention to it. It is good for everyone. (三句都在重复「重要」，没有任何例子)。改法：换成考试焦虑导致失眠、成绩下滑的亲历，用 use your personal experiences 把观点撑起来。

### 重复凑字

反面示例：Health is important. Mental health is important. Physical health is also important. Both kinds of health are very important. (四句同义反复纯凑字)。改法：合并成一句立论，把省下的字数用于展开考试焦虑那个例子。

# 2023年6月·第1套 英语四级听力真题原文与答案解析

PAPER & KEY • 听力题和解析

## 听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2023年6月·第1套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第1套(2023-06) • 四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

### Part II

### Listening Comprehension

(25 minutes)

#### Section A

**Directions:** In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

**Questions 1 and 2 are based on the news report you have just heard.**

1 A woman was charged with allegedly violating a Rhode Island city law against feeding wild animals. The 55-year-old woman's neighbors blame her for making the area's rat problem worse.

一名女子被指控涉嫌违反罗德岛州某市禁止喂食野生动物的法律。这名55岁女子的邻居指责她加剧了该地区的老鼠问题。

2 Newly installed cameras captured several rats active in the middle of the day. Neighbors say that it's even worse during the night.

新安装的摄像头拍摄到数只老鼠在白天活动。邻居们表示夜间情况更加严重。

3 The woman and her parents, who own the home, told reporters that she's being charged for feeding birds.

这名女子及其拥有该房产的父母告诉记者,她被指控的原因是喂鸟。

4 "Who would have known just loving animals gets you that much trouble," she said.

她说:"谁能想到仅仅是喜爱动物就会惹来这么大的麻烦。"

5 It is prohibited to feed any wild animals including birds in Rhode Island City. Nevertheless, while the woman's intention was to feed birds, it is clear that rats were also benefiting.

在罗德岛市,禁止喂食包括鸟类在内的任何野生动物。然而,尽管该女子的本意是喂鸟,但显然老鼠也从中受益。

6 Anthony Moretti, director of the city administration, said he saw more than 20 rats near the woman's home. He said it will take months to get the problem under control.

市政管理部门主任Anthony Moretti表示,他在该女子家附近看到了20多只老鼠。他说控制这个问题需要数月时间。

1. A) She was involved in a conflict with bird lovers.  
B) She was charged with mistreating animals.  
C) She was on bad terms with her neighbors.  
D) She was accused of violating a city law.

**【题目】** What do we learn from the report about the 55-year-old woman?

**【翻译】** 从报道中我们了解到关于这位55岁女性的什么信息?

- A) 她卷入了与爱鸟人士的冲突。 B) 她被指控虐待动物。 C) 她与邻居关系不睦。  
D) 她被指控违反了一项城市法律。

**【答案】** D (细节题) She was accused of violating a city law.

**【定位】** A woman was charged with allegedly violating a Rhode Island city law against feeding wild animals.

一名女子被指控涉嫌违反罗德岛市一项禁止投喂野生动物的市级法规。

**【信号】** 导语句即答案句。A woman was charged with allegedly violating a Rhode Island city law against feeding wild animals. 是整则新闻的第一句导语,集中给出了「主体(女子)+动作(被指控)+内容(违反市法规)」,新闻体裁里「开篇就点核心」是最强的答案信号。

**【替换】** was charged with allegedly violating a Rhode Island city law ↔

was accused of violating a city law

charge≈accuse 同义替换

**【排除】 A) 原词陷阱**

She was involved in a conflict with bird lovers. 利用录音多次提到的 birds / feeding birds 制造「她与爱鸟者起冲突」的假象，但录音通篇只说她「以为自己在喂鸟」，从未出现她和任何 bird lovers 群体的冲突，是典型的「听到 bird 就想选」。

借用原文：she's being charged for feeding birds

**B) 偷换概念**

She was charged with mistreating animals. 沿用了录音里 was charged with 的句式结构和 animals 这个词，但把违法内容从「违反禁止投喂的市法规」偷换成「虐待动物」——录音从未提及任何虐待行为，反而她声称是「出于爱」在喂。

借用原文：was charged with allegedly violating a Rhode Island city law against feeding wild animals

**C) 过度推断**

She was on bad terms with her neighbors. 利用录音 The 55-year-old woman's neighbors blame her 里出现的 neighbors blame 来诱选；但 blame 是针对此次鼠患的具体指责，新闻并未交代他们一贯关系不和，把「具体事件上的指责」升级成「长期关系恶劣」属于过度推断。

借用原文：The 55-year-old woman's neighbors blame her

- 
2. A) It will take time to solve the rat problem.  
B) All wild animals should be well protected.  
C) The woman was not to blame for the situation.  
D) No one should go unpunished for violating law.

**【题目】 What did the director of the city administration say at the end of the news report?**

**【翻译】** 新闻报道最后市政管理部门主任说了什么？

- A) 解决鼠患问题需要时间。 B) 所有野生动物都应该得到良好保护。  
C) 这位女性对这种情况不应受到责备。 D) 任何人违法都不应逍遥法外。

**【答案】 A** (细节题) It will take time to solve the rat problem.

**【定位】** Anthony Moretti, director of the city administration, said he saw more than 20 rats near the woman's home. He said it will take months to get the problem under control.

市政管理负责人安东尼·莫雷蒂说，他在这位女士家附近看到了 20 多只老鼠。他说要把问题控制住还需要几个月时间。

**【信号】 末段官员引语。** He said it will take months to get the problem under control. 出现在新闻最后一段、由 director of the city administration 的引语收束，是题干「at the end」+「director said」两条线索的直接落点。

**【替换】** it will take months to get the problem under control ↔ **It will take time to solve the rat problem.**  
months≈time, under control≈solve

**【排除】 B) 原词陷阱**

All wild animals should be well protected. 借用了录音里多次出现的 wild animals 做诱饵，但官员从未谈论「应保护所有野生动物」这种价值口号，他只是描述老鼠数量和耗时，All wild animals 属于绝对化范围扩大。

借用原文：It is prohibited to feed any wild animals including birds in Rhode Island City.

**C) 与原文相反**

The woman was not to blame for the situation. 与录音传递的态度相反——录音 Nevertheless, while the woman's intention was to feed birds, it is clear that rats were also benefiting. 明确指出「尽管她本意是喂鸟，但老鼠也因此得利」，是把责任与她挂钩，而非为她开脱。

借用原文：Nevertheless, while the woman's intention was to feed birds, it is clear that rats were also benefiting.

**D) 张冠李戴**

No one should go unpunished for violating law. 看似呼应录音里 It is prohibited to feed any wild animals 的法律口吻，但这是新闻叙述者的背景交代，并非「director of the city administration」在末尾说的话，且 No one should go unpunished 这种绝对化执法口号录音中并未出现。

借用原文：It is prohibited to feed any wild animals including birds in Rhode Island City.

**Questions 3 and 4 are based on the news report you have just heard.**

1 To prepare for eventually sending astronauts to Mars, NASA began taking applications Friday for four people to live for a year in Mars Dune Alpha. That's a 1,700-square-foot Martian habitat inside a building in Houston.

为了准备最终将宇航员送往火星,NASA于周五开始接受四人申请,让他们在Mars Dune Alpha中生活一年。这是位于休斯顿一座建筑内的一个1700平方英尺的火星栖息地。

2 The paid volunteers will work in an environment similar to Mars. They will have limited communications with family, restricted food and resources.

这些有偿志愿者将在类似火星的环境中工作。他们与家人的通讯将受到限制,食物和资源也会受限。

3 NASA is planning three experiments with the first one starting in the fall next year. Food will all be ready-to-eat space food. Some plants will be grown, but not potatoes like in the movie The Martian.

NASA正在计划三次实验,第一次实验将于明年秋季开始。食物将全部是即食太空食品。会种植一些植物,但不会像电影《火星救援》中那样种植土豆。

4 "We want to understand how humans perform in them," said lead scientist Grace Douglas. "We are looking at Mars-realistic situations."

首席科学家Grace Douglas说:"我们想了解人类在这些环境中的表现。我们关注的是符合火星实际情况的场景。"

5 The application process opens Friday and they're not seeking just anybody. The requirements are strict, including a master's degree in a science, engineering or math field or pilot experience. Only American

citizens or permanent U.S. residents are acceptable. Applicants must be between 30 and 55 and in good physical health.

申请流程于周五开放,他们寻找的并非普通人选。要求非常严格,包括拥有科学、工程或数学领域的硕士学位或飞行员经验。只接受美国公民或美国永久居民。申请人必须年龄在30至55岁之间,身体健康状况良好。

6 Attitude is key, said former Canadian astronaut Chris Hadfield. He said the participants need to be super competent, resourceful, and not relying on other people to feel comfortable.

加拿大前宇航员Chris Hadfield表示,态度是关键。他说参与者需要非常能干、足智多谋,不依赖他人也能感到自在。

3. A) Communicate with astronauts in Mars Dune Alpha.

B) Work in an environment resembling Mars.

C) Build a Martian habitat in Houston.

D) Send in applications before Friday.

**【题目】 What does NASA require the paid volunteers to do?**

**【翻译】** NASA要求有偿志愿者做什么?

A) 与Mars Dune Alpha中的宇航员交流。 B) 在类似火星的环境中工作。

C) 在休斯顿建造火星栖息地。 D) 在周五之前提交申请。

**【答案】 B** (细节题) Work in an environment resembling Mars.

**【定位】** The paid volunteers will work in an environment similar to Mars.

这些带薪志愿者将会在一个与火星类似的环境中工作。

**【信号】 题干主语原词复现。** 题干主体是 the paid volunteers, 录音第2段开头 The paid volunteers will work in an environment similar to Mars. 一字不差地把这个主语再说一遍, 且紧跟着就给出动作 will work in an environment similar to Mars——这是新闻题最典型的答案信号: 题干里的主语在录音里原词出现的那一句, 往往就是答案句。

**【替换】** will work in an environment similar to Mars ↔ **Work in an environment resembling Mars**  
similar to 替换 resembling

**【排除】 A) 原词陷阱**

选项里出现了录音原词 Mars Dune Alpha，但录音从头到尾没说志愿者要去和宇航员通讯，只在第 2 段提了 They will have limited communications with family——是和家人有限通讯，不是和宇航员通讯。把 Mars Dune Alpha 这个专名扣到一个原文没说的动作上骗你听到原词就选。

借用原文：Mars Dune Alpha

**C)**

录音说 a 1,700-square-foot Martian habitat inside a building in Houston，确实有 Martian habitat 和 Houston 两个原词，但志愿者是住进去而不是建。选项 Build a Martian habitat in Houston 把 habitat 和 Houston 拼到 Build 这个动词上，是把建造者的事安到志愿者头上，典型张冠李戴。

借用原文：a 1,700-square-foot Martian habitat inside a building in Houston

**D)**

录音第 1 段念了 NASA began taking applications Friday，第 5 段也说 The application process opens Friday——Friday 这个词真的反复出现，但说的是 NASA 周五开始收申请，而不是 NASA 要求志愿者周五前递申请。Friday 是被盗用来骗听到就想选的原词。

借用原文：NASA began taking applications Friday

---

4. A) Ready-made food.

B) Food that is organic.

C) Food they grow.

D) Potatoes mostly.

**【题目】 What will the participants in the project eat?**

**【翻译】** 该项目的参与者将吃什么？

A) 现成的食物。 B) 有机食物。 C) 他们种植的食物。 D) 主要是土豆。

**【答案】 A** (细节题) Ready-made food.

**【定位】** Food will all be ready-to-eat space food. Some plants will be grown, but not potatoes like in the movie The Martian.

食物将全部是即食的太空食品。有一些植物会被种植，但不是像电影《火星救援》里那样的土豆。

**【信号】 Food 起首+all 强调。** 录音第 3 段那一句 Food will all be ready-to-eat space food. 以题干关键词 Food 起首，且用 all 这种范围最大、最绝对的修饰词强调全部都是即食太空食品——主语+all+表语结构在听力里几乎等同于这就是答案，要立刻锁。紧接着 but not potatoes 又用 but 否定了土豆，进一步把答案聚焦在即食食物上。

**【替换】** ready-to-eat space food ↔ **Ready-made food**

ready-to-eat=ready-made

Food will all be ↔ **Ready-made food**

all 等于唯一

**【排除】** B) **未提及**

录音从头到尾没有出现 organic 这个词，也没说食物是天然有机的；选项 Food that is organic. 是凭电影或常识对火星实验食物的想象，属于录音没说就硬塞的未提及干扰。

C)

录音确实念了 Some plants will be grown, grown 这个原词被选项 Food they grow. 直接盗用；但原文用 Some 限定只是一些，且强调 Food will all be ready-to-eat——食物全部是即食的，植物种植只是次要补充，不是吃的来源。听到 grown 就想选 C 是这道题最大的诱惑。

借用原文：Some plants will be grown

D)

录音里 but not potatoes like in the movie The Martian 明确用 but not 否定了土豆，选项 Potatoes mostly. 却把它当作主食呈现，与原文方向完全相反。potatoes 这个原词被盗来诱惑那些被电影《火星救援》带偏的考生。

借用原文：but not potatoes like in the movie The Martian

**Questions 5 to 7 are based on the news report you have just heard.**

1 A Japanese mayor apologized Thursday for biting the Olympic gold medal of a softball player. Nagoya mayor Takashi Kawamura had praised an athlete, Miu Goto, during a public media event. He asked her to put the medal around his neck. Kawamura then bit into it.

日本一位市长周四为咬了一名垒球运动员的奥运金牌道歉。名古屋市长河村隆之在一次公开媒体活动中表扬了运动员后藤希友。他请她把奖牌挂在他的脖子上。随后河村咬了那枚奖牌。

2 Biting a medal in front of journalists and photographers has become a common pose for Olympic medalists. However, it is only for the winners themselves, not others.

在记者和摄影师面前咬奖牌已成为奥运奖牌获得者的常见姿势。然而,这只适用于获奖者本人,而非其他人。

3 "I'm really sorry that I hurt the treasure of the gold medalist," Kawamura told reporters Thursday. 河村周四告诉记者:"我真的很抱歉伤害了金牌得主的珍宝。"

4 The mayor said the medal was undamaged, though he offered to pay for the cost of a new one. 市长表示奖牌没有损坏,不过他提出愿意支付一枚新奖牌的费用。

5 Goto, however, has accepted the International Olympic Committee's offer of a replacement, according to Japanese media reports.

然而,据日本媒体报道,后藤已接受国际奥委会提供的替换奖牌。

6 The scene broadcast on television prompted thousands of complaints to city hall. Some Olympians said they treat their medals as treasures and that it was disrespectful and unacceptable for Kawamura to bite one.

电视上播出的这一幕引发了数千人向市政厅投诉。一些奥运选手表示,他们把奖牌视为珍宝,河村咬奖牌是不尊重的、不可接受的行为。

7 "I would cry if that happened to me," said another athlete, Naohisa Takato. "I handle my own gold medal so gently that I would not scratch it."

另一位运动员高藤直寿说:"如果这发生在我身上,我会哭的。我对待自己的金牌非常温柔,不会让它划伤。"

5. A) He apologized for scratching an athlete's gold medal.

B) He was asked to present a gold medal to Miu Goto.

C) He bit a softball player's Olympic gold medal.

D) He attracted public attention at a media event.

**【题目】** What do the news reports say about the Japanese mayor Takashi Kawamura?

**【翻译】** 新闻报道中关于日本市长河村隆志说了什么?

A) 他为刮花一名运动员的金牌而道歉。 B) 他被要求向后藤希友颁发一枚金牌。

C) 他咬了一名垒球运动员的奥运金牌。 D) 他在一场媒体活动中引起了公众关注。

**【答案】** C (细节题) He bit a softball player's Olympic gold medal.

**【定位】** A Japanese mayor apologized Thursday for biting the Olympic gold medal of a softball player.

一位日本市长在周四为咬了一名垒球运动员的奥运金牌一事道歉。

**【信号】** 新闻首句即考点。新闻类录音的第一句往往就是核心事件概述, 本题答案直接落在 A Japanese mayor apologized Thursday for biting the Olympic gold medal of a softball player. 这句新闻开篇句上, biting the Olympic gold medal of a softball player 与 C 选项几乎逐词对应。

**【替换】** biting the Olympic gold medal of a softball player ↔ bit a softball player's Olympic gold medal  
动名词换过去式

**【排除】 A) 张冠李戴**

A 项说他为 scratching (刮花) 金牌道歉, 但录音原文 apologized Thursday for biting 道歉的对象是 bit (咬), 不是 scratch。scratch 一词反而出现在第 7 段 I would not scratch it, 是另一位运动员说的话, 属于张冠李戴。

借用原文: I handle my own gold medal so gently that I would not scratch it

**B) 与原文相反**

B 项说市长被要求把金牌颁给 Miu Goto, 但录音 He asked her to put the medal around his neck. 恰恰相反——是市长请运动员把奖牌挂在他自己脖子上, 方向颠倒。

借用原文: He asked her to put the medal around his neck.

**D) 原词陷阱**

D 项说他在 media event 上吸引了公众关注。录音 during a public media event 确实出现 media event, 但'吸引公众关注'是事件附带的结果, 不是新闻报道的核心事件, 与题干 What do the news reports say about... 的核心不符。

借用原文: Nagoya mayor Takashi Kawamura had praised an athlete, Miu Goto, during a public media event.

---

6. A) Have another picture taken with the Olympic medalist.

B) Apologize to the International Olympic Committee.

C) Get the damaged medal repaired.

D) Pay for the cost of a new medal.

**【题目】 What did mayor Takashi Kawamura offer to do?**

**【翻译】** 市长河村隆志提出要做什么?

A) 与这名奥运奖牌获得者再拍一张照片。 B) 向国际奥林匹克委员会道歉。

C) 把损坏的奖牌修好。 D) 支付一枚新奖牌的费用。

**【答案】 D** (细节题) Pay for the cost of a new medal.

**【定位】** The mayor said the medal was undamaged, though he offered to pay for the cost of a new one.

市长表示金牌并未受损, 不过他主动提出愿意承担一枚新奖牌的费用。

**【信号】 题干原词直接命中。** 录音里 he offered to pay for the cost of a new one 直接出现题干的核心动词 offered, 紧接其后的 to pay for the cost of a new one 就是承诺动作。同时 though (转折) 也是答案信号, 提示前半句的 undamaged 是次要、后半句才是落点。

**【替换】** offered to pay for the cost of a new one ↔ Pay for the cost of a new medal.

代词还原为名词

**【排除】 A) 未提及**

A 项说再拍一张照。录音里确实出现 photographers (第 2 段), 但市长并没有提出'再拍一张', A 是无中生有。

**B) 原词陷阱**

B 项说他要向 International Olympic Committee 道歉。录音 Goto, however, has accepted the International Olympic Committee's offer of a replacement 里确实出现 International Olympic Committee, 但那是奥委会向运动员提供替换奖牌, 与市长的道歉对象无关。市长道歉对象是 reporters (Kawamura told reporters Thursday)。

借用原文: Goto, however, has accepted the International Olympic Committee's offer of a replacement

**C) 与原文相反**

C 项预设奖牌已 damaged 需要修, 但录音 the medal was undamaged 明确说市长称奖牌并未受损, 故无需修复。前缀 un- 一字之差, 方向完全相反。

借用原文: the medal was undamaged

---

7. A) Allow no one to touch them.

B) See them as symbols of honor.

C) Treat them as treasures.

D) Keep them in a safe place.

**【题目】 What did some Olympians say they would do with their medals?**

**【翻译】** 一些奥运选手说他们会如何处理自己的奖牌?

A) 不允许任何人触碰它们。 B) 把它们视为荣誉的象征。 C) 把它们当作珍宝对待。

D) 把它们保存在安全的地方。

**【答案】 C** (细节题) Treat them as treasures.

**【定位】** Some Olympians said they treat their medals as treasures and that it was disrespectful and unacceptable for Kawamura to bite one.

一些奥运选手表示, 他们把自己的奖牌视若珍宝, 川村咬奖牌的行为是不尊重的、不可接受的。

**【信号】 题干引述结构对位。** 录音 Some Olympians said they treat their medals as treasures 几乎与题干 Some Olympians say they would do with their medals 一一对应, Some Olympians said 这个引述信号直接把答案句标了出来, 紧随其后的 treat their medals as treasures 即处理方式。

**【替换】** they treat their medals as treasures ↔ **Treat them as treasures.**

近乎原词复现

**【排除】 A) 未提及**

A 项说不让任何人碰。录音里没有任何一句话说'不允许任何人触碰', 运动员只是说视若珍宝、会轻拿轻放 (I handle my own gold medal so gently), 并没有提到 touch 这件事。

**B) 过度推断**

B 项把奖牌看作 symbols of honor (荣誉象征)。录音里运动员说的是 treat as treasures (视若珍宝) 和 handle gently (轻拿轻放), 并没有上升到'荣誉象征'这种抽象概念, 属于过度推断。

**D) 未提及**

D 项说放在 safe place (安全的地方)。录音通篇没有提到把奖牌放在哪里这一存放地点信息, 运动员的表述只关乎'如何对待'与'如何轻拿轻放', 不涉及存放位置。

## Section B

**Directions:** In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

**Questions 8 to 11 are based on the conversation you have just heard.**

1 M: What's that orange thing on your computer screen?

M: 你电脑屏幕上那个橙色的东西是什么?

2 W: It's something I bought yesterday. It's a plastic sheet that blocks blue light. I have one that I use to cover my phone screen too.

W: 这是我昨天买的。是一张能阻挡蓝光的塑料贴膜。我还有一张用来贴手机屏幕的。

3 M: What do you mean by blue light?

M: 你说的蓝光是什么意思?

4 W: Blue light includes natural light, but it also includes light that isn't natural, for example, from computers, phones, televisions and other electronic devices.

W: 蓝光包括自然光, 但也包括非自然光, 比如来自电脑、手机、电视和其他电子设备的光。

5 M: So blue light is harmful and that's why you want to block it.

M: 所以蓝光是有害的, 这就是你想阻挡它的原因。

6 W: It isn't that simple. Blue light isn't necessarily bad for us. In fact, we need blue light during the day to be healthy. But too much blue light, especially from electronic devices, can harm our health by weakening our vision and making it harder for us to fall asleep. And poor sleep can cause all sorts of health problems.

W: 没那么简单。蓝光不一定对我们有害。事实上, 我们白天需要蓝光来保持健康。但过多的蓝光, 尤其是来自电子设备的蓝光, 会削弱我们的视力, 让我们更难入睡, 从而损害我们的健康。而睡眠不好会导致

各种健康问题。

7 M: I'm not so sure that sleep is nearly as important as people always say it is. I haven't slept enough in months because I have too much work to do, and I feel fine. And it's the same for most of my friends. Poor sleep might be a problem for older people, but surely young people can handle late nights.

M: 我不太确定睡眠真的像人们常说的那么重要。我好几个月都没睡够了，因为工作太多，但我感觉挺好的。我大多数朋友也是这样。睡眠不好可能对老年人是个问题，但年轻人肯定能应付熬夜吧。

8 W: Well, the research I've read shows that sleep is probably even more important than we thought, and that not having enough sleep can contribute to serious health problems like obesity and heart disease. And all the artificial blue light from electronic devices means we have to try harder to sleep well.

W: 嗯，我读到的研究表明，睡眠可能比我们想象的还要重要，睡眠不足会导致肥胖和心脏病等严重的健康问题。而且电子设备发出的所有人造蓝光意味着我们必须更努力才能睡好。

9 M: Maybe you're right. I'm on my computer very late most nights, and that's probably why I don't sleep enough.

M: 也许你说得对。我大多数晚上都很晚还在用电脑，这可能就是我睡眠不足的原因。

8. A) She covered its screen with a plastic sheet.

B) She connected it with her smartphone.

C) She decorated it with colorful stickers.

D) She bought some new software for it.

**【题目】 What did the woman do to her computer?**

**【翻译】** 这位女士对她的电脑做了什么？

A) 她用塑料薄膜覆盖了屏幕。 B) 她把电脑和智能手机连接起来了。

C) 她用彩色贴纸装饰了电脑。 D) 她为电脑购买了一些新软件。

**【答案】 A** (细节题) She covered its screen with a plastic sheet.

**【定位】** It's a plastic sheet that blocks blue light.

这是一张能阻挡蓝光的塑料薄膜。

**【信号】 被问者对 What's that 的直接应答。** 男士开口就问 What's that orange thing on your computer screen?, 女士紧接着在 It's a plastic sheet that blocks blue light. 里给出直接回答。"问句紧跟答句"是对话题最强的答案信号——被问者的下一句就是命题点。

**【替换】** plastic sheet that blocks blue light ↔ **plastic sheet**

选项原词复现自原文

I have one that I use to cover my phone screen too ↔ **covered its screen with a plastic sheet**

use to cover 改写为 covered with

**【排除】 B) 原词陷阱**

B 选项把 She connected it with her smartphone."把电脑连到手机"塞进来——但原文只是说 I have one that I use to cover my phone screen too, 提到 phone 仅仅是说"我手机屏幕上也贴了一张", 根本没有"把电脑连到手机"的动作。

借用原文: I have one that I use to cover my phone screen too

**C) 偷换概念**

C 把女士的动作改成了 She decorated it with colorful stickers."用彩色贴纸装饰", 原文 It's a plastic sheet that blocks blue light. 说的是"阻挡蓝光的塑料膜", 目的在于功能、不是装饰, 颜色(橙)只是膜本身颜色而不是"贴纸"。

借用原文: It's a plastic sheet that blocks blue light.

**D) 原词陷阱**

D 把她买的东西说成 She bought some new software for it."新软件", 可原文清楚说 It's something I bought yesterday. It's a plastic sheet——买的是"塑料膜"这一实物, 不是软件。

借用原文: It's something I bought yesterday.

- 
9. A) It may not be simply blue.  
B) It includes unnatural light.  
C) It is more harmful to young people.  
D) It induces people to fall asleep.

**【题目】 What does the woman say about blue light?**

**【翻译】 这位女士关于蓝光说了什么?**

- A) 它可能不仅仅是蓝色的。 B) 它包含非自然光。 C) 它对年轻人的危害更大。  
D) 它促使人们入睡。

**【答案】 B (细节题) It includes unnatural light.**

**【定位】 Blue light includes natural light, but it also includes light that isn't natural, for example, from computers, phones, televisions and other electronic devices.**

蓝光既包含自然光, 也包含非自然光, 比如来自电脑、手机、电视和其他电子设备的光。

**【信号】 but ... also includes 的修正信号。女士先给一个"轻"的说法 Blue light includes natural light, 紧跟着 but it also includes light that isn't natural 用 but 修正——听力中 but 之后才是命题点。这个"先轻后重"的修正结构是判定答案句的关键信号。**

**【替换】 light that isn't natural ↔ unnatural light**

isn't natural=unnatural

Blue light includes natural light, but it also includes light that isn't natural ↔

**It includes unnatural light**

也包含=includes

【排除】 A) 偷换概念

It may not be simply blue."它可能不只是蓝色"说的是"颜色不只蓝", 可录音从未谈过蓝光"颜色"的复杂性, 谈的是"光源"是否自然。两者讨论的层面不同。

借用原文: It isn't that simple.

C) 张冠李戴

录音中提到 Poor sleep might be a problem for older people, but surely young people can handle late nights. 是"男士"的看法, 谈的是"年轻人 vs 老人扛夜", 并不是女士对"蓝光对年轻人更有害"的表态; 女士全程没说蓝光对年轻人特别更糟。

借用原文: Poor sleep might be a problem for older people, but surely young people can handle late nights.

D) 与原文相反

It induces people to fall asleep. 说蓝光"让人入睡", 可女士明确表态 making it harder for us to fall asleep——蓝光过多反而让人更难入睡, 方向完全相反。

借用原文: making it harder for us to fall asleep

- 
10. A) He has had much trouble falling asleep.  
B) He has had some sort of health problems.  
C) He has stayed up playing computer games.  
D) He has been burdened with excessive work.

【题目】 Why does the man say he hasn't slept enough for months?

【翻译】 这位男士为什么说几个月来睡眠不足?

- A) 他入睡一直很困难。 B) 他有某种健康问题。 C) 他熬夜玩电脑游戏。  
D) 他承受着过重的工作负担。

【答案】 D (细节题) He has been burdened with excessive work.

【定位】 I haven't slept enough in months because I have too much work to do, and I feel fine.

我已经好几个月没睡够了, 因为要做的工作太多, 可我感觉挺好的。

【信号】 because 的因果信号。男士在 I haven't slept enough in months because I have too much work to do 里用 because 直接给出原因——"工作太多"。because 是 Why 题最经典的答案信号, 听到就直接锁。

【替换】 too much work to do ↔ been burdened with excessive work

too much=excessive

I have too much work to do ↔ He has been burdened with excessive work

have work to do=be burdened with work

**【排除】 A) 偷换概念**

He has had much trouble falling asleep. 是"努力睡却睡不着", 可男士说的是 I haven't slept enough in months because I have too much work to do——他不是睡不着, 而是没时间睡。trouble falling asleep (失眠) 和 not having time to sleep (没时间睡) 是两回事。

借用原文: making it harder for us to fall asleep

**B) 偷换概念**

He has had some sort of health problems. 暗示"有健康问题所以没睡够", 可原文里男士反而说 I feel fine——他根本没承认自己有健康问题; 况且原文谈"健康问题"是作为"长期缺睡可能导致的后果"出现, 不是男士没睡够的原因。

借用原文: not having enough sleep can contribute to serious health problems

**C) 原词陷阱**

He has stayed up playing computer games. 借 computer 这个录音里反复出现的原词制造"听见 computer 就想选"的诱惑。但原文里 computer 都用于 I'm on my computer very late most nights 等场合——他熬夜是在"用电脑工作", 根本没说在"玩游戏"。

借用原文: I'm on my computer very late most nights

- 
11. A) Exposure to blue light is the chief cause of obesity.  
B) Sleep may be more important than people assumed.  
C) Sleep may also be negatively affected by natural light.  
D) Overuse of electronic devices may cause heart disease.

**【题目】 What has the woman learned from the research she has read?**

**【翻译】** 这位女士从她读过的研究中了解到了什么?

- A) 接触蓝光是肥胖的主要原因。 B) 睡眠可能比人们认为的更重要。  
C) 睡眠也可能受到自然光的负面影响。 D) 过度使用电子设备可能导致心脏病。

**【答案】 B** (细节题) Sleep may be more important than people assumed.

**【定位】** Well, the research I've read shows that sleep is probably even more important than we thought, and that not having enough sleep can contribute to serious health problems like obesity and heart disease.

嗯, 我读到的研究表明, 睡眠很可能比我们以为的还要重要, 而睡眠不足可能导致肥胖和心脏病等严重的健康问题。

**【信号】 the research shows that 的结论句框。** 女士开口就用 the research I've read shows that 这一典型结论句框启动答案句, 紧跟着的 sleep is probably even more important than we thought 就是研究的核心结论。这是听力里最稳的命题信号之一。

【替换】 even more important than we thought ↔ **more important than people assumed**

we thought=people assumed

sleep is probably even more important ↔ **Sleep may be more important**

probably=may

【排除】 A) **过度推断**

原文 not having enough sleep can contribute to serious health problems like obesity and heart disease 只说"缺睡可能导致肥胖等问题", 主语是"缺睡", 且用 contribute to 这种有限度的因果措辞; A 把锅甩到 Exposure to blue light 头上, 并升级为 the chief cause of obesity 这种独占性主因——既偷换了主语, 又夸大了因果强度。

借用原文: not having enough sleep can contribute to serious health problems like obesity and heart disease

C) **与原文相反**

原文反复说 artificial blue light from electronic devices 干扰睡眠, 矛头是"非自然 / 人造"蓝光; C Sleep may also be negatively affected by natural light. 偏偏把矛头扭到 natural light, 与原文方向完全相反。

借用原文: all the artificial blue light from electronic devices means we have to try harder to sleep well

D) **偷换概念**

原文把 heart disease 仅作为 serious health problems like obesity and heart disease 的举例之一, 主语是"缺睡"; D Overuse of electronic devices may cause heart disease. 把主语换成"过度使用电子设备"、把举例"心脏病"提到结论位置, 既偷换主语又拉直因果链。

借用原文: not having enough sleep can contribute to serious health problems like obesity and heart disease

**Questions 12 to 15 are based on the passage you have just heard.**

1 W: As a kid, did you know what job you wanted to do when you grew up?

W: 你小时候知道自己长大后想做什么工作吗?

2 M: No, I didn't. And I got sick every time adults asked me what I wanted to be when I grew up.

M: 不知道。每次大人问我长大后想做什么, 我都觉得烦。

3 W: It's the same with me. And I'm tired of people asking that question of my 10-year-old daughter. My daughter's stock answers are basketball player, pop singer, mechanical engineer. Adults love that last one, as it's the perfect mix of the sensible and the ambitious. When she was much younger, my daughter used to say she wanted to be Queen of the Clouds, which I loved. That's the kind of goal-setting I like to see in children, springing from their boundless imaginations.

W: 我也是。我也受够了别人老问我10岁女儿这个问题。我女儿的标准答案是篮球运动员、流行歌手、机械工程师。大人们特别喜欢最后那个, 因为它既实际又有抱负, 是完美的结合。我女儿小时候曾说她想当云朵女王, 我特别喜欢这个。这才是我希望在孩子身上看到的那种目标设定, 源于他们无边无际的想象力。

4 M: Yes, we grown-ups can be tedious and limiting in our need for reality. And we teach a very gloomy image of adulthood—that whatever our children's future holds, it must be seen within the context of a job.

M: 是啊，我们成年人为了现实可能会变得乏味和局限。而且我们给孩子灌输了一种非常灰暗的成年生活形象——无论我们孩子的未来是什么样的，都必须放在工作这个框架里看。

5 W: How utterly overwhelming and dull!

W: 这太让人喘不过气来了，而且多无聊啊！

6 M: When people ask my son what he wants to be when he grows up, I have to swallow the urge to say, "Hey, back off my kid's dreams!"

M: 每当有人问我儿子长大后想做什么时，我都得忍住不说：嘿，别对我孩子的梦想指手画脚！

7 W: We can't dismiss the idea that teenagers have to plan to do something after they finish school, and parents are entitled to hope it's more than simply spending 10 hours a day playing computer games.

W: 我们不能否认青少年确实需要为毕业后做点什么而规划，家长也有权希望那不仅仅是每天花10个小时玩电脑游戏。

8 M: But asking "What do you want to be?" isn't going to lead a child to a fulfilled life, rather at least to false expectations and a high chance of disappointment.

M: 但问“你想做什么”并不会引导孩子走向充实的人生，反而至少会带来错误的期望和很大的失望可能。

9 W: Exactly. We should be helping our kids understand who they are, even if that means letting go of who we think they should be.

W: 没错。我们应该帮助孩子了解他们自己是谁，即使这意味着放下我们认为他们应该成为什么样的人。

12. A) What they wanted to be when grown up.

B) What their favorite cartoon character was.

C) What they learned from computer games.

D) What they liked to do most after school.

**【题目】** What question were both speakers fed up with when they were kids?

**【翻译】** 当两位说话者还是孩子的时候，他们厌烦了什么问题？

A) 长大后想成为什么样的人。 B) 他们最喜欢的卡通角色是什么。

C) 他们从电脑游戏中学到了什么。 D) 他们放学后最喜欢做什么。

**【答案】** A (细节题) What they wanted to be when grown up.

**【定位】** And I got sick every time adults asked me what I wanted to be when I grew up.

每次大人问我长大后想做什么，我都会觉得烦透了。

【信号】被问者的直接应答信号 **got sick**。女问 did you know what job you wanted to do when you grew up? 后，男方在第二段用 I got sick every time adults asked me what I wanted to be when I grew up. 直接回应，got sick 就是『厌烦』这一情绪的最强信号；紧接着第三段女方又说 It's the same with me. 表示自己也一样，双方共同厌烦的那个问题就此锁定。

【替换】what I wanted to be when I grew up ↔ **What they wanted to be when grown up.**  
人称与时态同义改写

【排除】B)

整段对话从未出现 cartoon 或具体的卡通形象名称，What their favorite cartoon character was. 属于无中生有。

C) **原词陷阱**

录音第七段 spending 10 hours a day playing computer games 真的念了 computer games，但语境是女方说『家长希望孩子放学别只打游戏』，与『被问烦了的童年问题』完全无关；选项 What they learned from computer games. 借用了 computer games 这个原词来骗『听到就想选』。

借用原文：spending 10 hours a day playing computer games

D) **偷换概念**

对话谈的是『长大后想做什么』，没有出现 after school 这种放学时段的具体话题，What they liked to do most after school. 属于偷换概念，把『长大目标』换成了『日常活动』。

---

13. A) A stock broker.

B) A pop singer.

C) A mechanical engineer.

D) A basketball player.

【题目】What occupation do adults see as both sensible and ambitious according to the woman?

【翻译】根据这位女士的说法，成年人认为哪种职业既明智又有抱负？

A) 股票经纪人。 B) 流行歌手。 C) 机械工程师。 D) 篮球运动员。

【答案】C (细节题) A mechanical engineer.

【定位】My daughter's stock answers are basketball player, pop singer, mechanical engineer. Adults love that last one, as it's the perfect mix of the sensible and the ambitious.

我女儿的口头答案就是篮球运动员、流行歌手、机械工程师。大人们最喜欢最后那一个，因为它把『靠谱』和『有抱负』完美地结合在一起。

【信号】指代锁定 + 因果信号 **as**。原文用 that last one 指代列举里排在最后的 mechanical engineer，紧接着 as 引出原因 the perfect mix of the sensible and the ambitious，直接对应题干 both sensible and ambitious 两个条件，是典型的『指代+因果』双重信号锁定。

【替换】 that last one ↔ A mechanical engineer.

顺位指代还原

the perfect mix of the sensible and the ambitious ↔ A mechanical engineer.

属性匹配题干修饰

【排除】 A)

整段录音从未出现 stock broker 这个职业，A stock broker. 属无中生有，可能是利用『一听就显得 ambitious』的常识脑补干扰。

B)

录音里确实念到 pop singer，但它只是被列举的三个选项之一，并不是大人 love 的那一项；A pop singer. 借原词诱选，盗用了 pop singer 这个词。

借用原文：pop singer

D)

basketball player 也是被女方提到的列举项之一，但同样不是大人最喜欢那一项，A basketball player. 也是利用原词诱选。

借用原文：basketball player

---

14. A) Ambitious.

B) Sensible.

C) Imaginative.

D) Practical.

【题目】 What kind of goal-setting does the woman like to see in children?

【翻译】 这位女士希望在孩子身上看到什么样的目标设定？

A) 有抱负的。 B) 明智的。 C) 富有想象力的。 D) 切合实际的。

【答案】 C (细节题) Imaginative.

【定位】 When she was much younger, my daughter used to say she wanted to be Queen of the Clouds, which I loved. That's the kind of goal-setting I like to see in children, springing from their boundless imaginations.

在我女儿小得多的时候，她常说她想当『云之女王』，我当时特别喜欢。那才是我喜欢看到孩子们立的那种目标，是从他们无边的想象力里长出来的。

【信号】 原话直引 the kind of goal-setting I like 与原因 springing from imaginations。原文女方直接说 That's the kind of goal-setting I like to see in children，几乎和题干一字不差；后半句 springing from their boundless imaginations 给出立目标的核心属性来自『无边想象力』，是定位的关键信号。

【替换】 springing from their boundless imaginations ↔ Imaginative.

名词到形容词的同源替换

Queen of the Clouds ↔ Imaginative.

具体例子到抽象形容词的概括

**【排除】 A) 原词陷阱**

录音里出现 the perfect mix of the sensible and the ambitious, ambitious 确被念到，但语境是『大人对 mechanical engineer 的评价』，不是女方喜欢的立目标类型，Ambitious. 借原词诱选。

借用原文：the ambitious

**B) 原词陷阱**

the sensible 同样出现在大人评价 mechanical engineer 那句里，并非女方喜欢的立目标类型；Sensible. 又是借原词诱选。

借用原文：the sensible

**D)**

女方明确表达自己喜欢的是『来自想象力』的目标，而 Practical. 偏务实，恰是和『想象力』相反的方向；男方第四段还说 we grown-ups can be tedious and limiting in our need for reality, 说明双方都批评『太务实』，所以 Practical 与女方立场相反。

借用原文：we grown-ups can be tedious and limiting in our need for reality

- 
15. A) Relax their strict control of their kids.  
B) Help their kids understand themselves.  
C) Impose their own dreams on their kids.  
D) Dismiss their high expectations of their kids.

**【题目】 What does the woman suggest adults should do?**

**【翻译】 这位女士建议成年人应该做什么？**

- A) 放松对孩子的严格控制。 B) 帮助孩子了解自己。 C) 将自己的梦想强加给孩子。  
D) 放弃对孩子的高期望。

**【答案】 B (细节题) Help their kids understand themselves.**

**【定位】 We should be helping our kids understand who they are, even if that means letting go of who we think they should be.**

我们应该帮助孩子明白他们究竟是谁，哪怕这意味着要放下我们心里想让他们成为的样子。

**【信号】 we should be+建议动作信号。** 女方在最后一段用 We should be helping our kids understand who they are 直接说出建议，we should 是最典型的建议信号；位置又在对话最后，是收束式落点，几乎可以确定就是这道建议题的答案句。

**【替换】 helping our kids understand who they are ↔ Help their kids understand themselves.**

宾语从句到反身代词的等值改写

**【排除】 A)**

录音并未谈到家长应放松对孩子的『严格控制』，只是说不要把自己的期望强加给孩子；Relax their strict control of their kids. 把『放下自己的预设』偷换成『放松严格控制』，扩大了原文范围。

**C)**

letting go of who we think they should be 表明女方主张『放下我们希望他们成为的样子』，等于反对把自己的梦强加给孩子；Impose their own dreams on their kids. 与原文立场完全相反，是反向陷阱。

借用原文：letting go of who we think they should be

**D) 原词陷阱**

录音第八段提到 false expectations, expectations 是原词，但语境是『问 What do you want to be 会带来虚假期望和失望』，并非要求家长 dismiss their high expectations；选项 Dismiss their high expectations of their kids. 借 expectations 这个原词诱选，又把『不要制造虚假期望』推断成『要彻底抛弃所有高期望』，过度推断。

借用原文：false expectations

## Section C

**Directions:** In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

**Questions 16 to 18 are based on the passage you have just heard.**

1 Greater Internet access correlates directly with improved health care, education and economic development. People living in rural areas, however, lag behind in online use, which limits their access to government services, banking and job opportunities.

互联网接入的扩大与医疗保健、教育和经济发展的改善直接相关。然而,生活在农村地区的人们在网络使用方面落后,这限制了他们获得政府服务、银行业务和就业机会的途径。

2 Nowhere is this challenge clearer than in Africa. Most Africans live in rural areas that are tough to wire for Internet access.

这一挑战在非洲表现得最为明显。大多数非洲人生活在难以铺设互联网接入线路的农村地区。

3 Now, some phone companies are trying to introduce Internet-ready phones into African markets. Certain companies have started selling simple smartphones for only \$20. Previously, the lowest price had been around \$40, well out of reach for many people.

现在,一些手机公司正试图将支持互联网的手机引入非洲市场。某些公司已经开始销售售价仅为20美元的简易智能手机。此前,最低价格约为40美元,这对许多人来说遥不可及。

4 These devices are powered by software from the giant electronics company, KaiOS Technologies Limited. Most companies are trying to make phones ever more powerful and capable. But KaiOS went

the other way. It made every effort to keep the essential capabilities of smartphones, but strip out costs and preserve battery life for people who likely have inadequate access to electricity.

这些设备由大型电子公司KaiOS Technologies Limited的软件驱动。大多数公司都在努力让手机变得更强大、功能更多。但KaiOS反其道而行之。它竭尽全力保留智能手机的基本功能,同时降低成本并延长电池续航时间,以满足那些可能无法充分获得电力供应的人们需求。

5 The KaiOS devices offer an alternative to the more expensive models that remain out of reach of many Africans and contribute to the digital divide. The body of KaiOS phones is as basic as it gets. Instead of a touchscreen, they're controlled with an old-school keypad. They're designed for 3G networks because 4G coverage doesn't reach two thirds of Africa's customers. In total, KaiOS phones are made from about \$15 worth of parts, while Apple's top-of-the-line iPhone has \$390 worth of stuff.

KaiOS设备为许多非洲人提供了一种替代选择,那些价格更高的机型仍然遥不可及,并加剧了数字鸿沟。

KaiOS手机的机身设计极其简单。它们不使用触摸屏,而是通过老式键盘进行操控。它们是为3G网络设计的,因为4G覆盖范围无法触及非洲三分之二的用户。总的来说,KaiOS手机由价值约15美元的零部件制成,而苹果公司的顶级iPhone则使用了价值390美元的材料。

16. A) Set up company branches.

B) Improve its infrastructure.

C) Introduce iPhones into its markets.

D) Promote Internet-ready phones.

**【题目】 What are a number of phone companies trying to do in Africa?**

**【翻译】** 许多手机公司正试图在非洲做什么?

A) 建立公司分支机构。 B) 改善其基础设施。 C) 将iPhone引入其市场。

D) 推广支持互联网的手机。

**【答案】 D** (细节题) Promote Internet-ready phones.

**【定位】** Now, some phone companies are trying to introduce Internet-ready phones into African markets.

如今,一些手机公司正试图将能上网的手机引入非洲市场。

**【信号】 句首 Now 引出新话题。** Now, some phone companies are trying to introduce Internet-ready phones into African markets. 里句首 Now 是典型的话题切换信号,把镜头从'非洲上网难'切到'手机公司在做什么',紧跟其后的就是题目要问的具体动作。

**【替换】** introduce Internet-ready phones ↔ **Promote Internet-ready phones.**

introduce≈promote 同义替换

into African markets ↔ **Promote Internet-ready phones.**

in Africa = into African markets

**【排除】 A) 未提及**

Set up company branches. 在录音里根本没出现 set up 或 branches 这类词，是凭'公司+非洲'凑出的常识推论，属于未提及类干扰。

**B)**

Improve its infrastructure. 借了 tough to wire for Internet access 这类'基建落后'的语境制造既视感，但原文从未说手机公司去改善基础设施，而是说他们另辟蹊径推廉价手机，是典型的原词陷阱+偷换概念。

借用原文：Most Africans live in rural areas that are tough to wire for Internet access.

**C)**

Introduce iPhones into its markets. 盗用了原文段尾 Apple's top-of-the-line iPhone has \$390 worth of stuff. 这一处 iPhone 原词，但原文恰恰是把 iPhone 当成对照——非洲推的是低价 KaiOS 手机、不是 iPhone，这是典型原词陷阱+与原文相反。

借用原文：Apple's top-of-the-line iPhone has \$390 worth of stuff.

---

17. A) They cater to Africans' needs.

B) They are more expensive models.

C) They are more powerful and capable

D) They boast the longest battery life.

**【题目】 How do KaiOS smartphones differ from smartphones of most other companies?**

**【翻译】** KaiOS智能手机与其他大多数公司的智能手机有何不同？

A) 它们迎合非洲人的需求。 B) 它们是更昂贵的型号。 C) 它们更强大且功能更强。

D) 它们拥有最长的电池续航时间。

**【答案】 A** (细节题) They cater to Africans' needs.

**【定位】** Most companies are trying to make phones ever more powerful and capable. But KaiOS went the other way. It made every effort to keep the essential capabilities of smartphones, but strip out costs and preserve battery life for people who likely have inadequate access to electricity.

大多数公司都在努力让手机越来越强大、功能越来越全。但 KaiOS 反其道而行：它竭力保留智能手机的核心功能，同时砍掉成本、保住续航，服务那些用电不稳的人群。

**【信号】 But + went the other way 双重转折。** But KaiOS went the other way. 里的 But 与 went the other way 是典型的双重转折信号，前一句 Most companies are trying to make phones ever more powerful and capable. 是被否定的对照基线，转折后那一句才是真正在讲 KaiOS 的差异点。

**【替换】** strip out costs and preserve battery life for people who likely have inadequate access to electricity

↔ **They cater to Africans' needs.**

服务用电不稳人群→迎合非洲人需求

But KaiOS went the other way. ↔ **They cater to Africans' needs.**

反其道而行=另辟需求侧

**【排除】 B) 原词陷阱**

They are more expensive models. 借了 more expensive models 这个原词，但原文恰恰是说 KaiOS 给出更便宜的替代品、绕开 more expensive models，与原文方向完全相反，是原词陷阱+与原文相反。

借用原文：The KaiOS devices offer an alternative to the more expensive models that remain out of reach of many Africans

**C)**

They are more powerful and capable 直接照搬了 more powerful and capable 这串原词，但原文是说'多数公司在追求更强更全，而 KaiOS 反其道而行'，KaiOS 恰恰不是更强更全，原词陷阱+张冠李戴。

借用原文：Most companies are trying to make phones ever more powerful and capable.

**D)**

They boast the longest battery life. 盗用了 preserve battery life 这一处续航话题，但原文只说'保住/延长续航'，并没有说'最长'，longest 是程度的过度推断，未提及 + 与原文相反。

借用原文：preserve battery life for people who likely have inadequate access to electricity

---

18. A) A large touchscreen.

B) An old-school keypad.

C) A voice-response device.

D) A digitally-designed system.

**【题目】 What are KaiOS smartphones equipped with?**

**【翻译】 KaiOS智能手机配备了什么？**

A) 大型触摸屏。 B) 老式键盘。 C) 语音响应设备。 D) 数字化设计系统。

**【答案】 B (细节题) An old-school keypad.**

**【定位】 Instead of a touchscreen, they're controlled with an old-school keypad.**

它们不用触摸屏，而是用老式键盘来操控。

**【信号】 Instead of 一句给出'不是A、是B'。** Instead of a touchscreen, they're controlled with an old-school keypad. 用 Instead of 这一对比信号，把两种硬件方案并列摆出来：前半否定 touchscreen、后半肯定 old-school keypad，结构上一句话同时回答了'不是什么+是什么'。

**【替换】 they're controlled with an old-school keypad ↔ An old-school keypad.**

原词级同义对应

**【排除】 A)**

A large touchscreen. 盗用了原文 Instead of a touchscreen 的 touchscreen 原词，但原文用 Instead of 明确否定了 touchscreen，方向完全反了，是典型原词陷阱+与原文相反。

借用原文：Instead of a touchscreen, they're controlled with an old-school keypad.

**C)**

A voice-response device. 在录音里完全没有 voice 或 response 类词，是凭'智能手机也可能用语音控制'这种常识脑补的，属于未提及。

**D)**

A digitally-designed system. 与原文里描述 KaiOS 手机外观、控制方式的句子毫无对应，'数字化设计的系统'是个含义空泛的兜底干扰，属未提及。

**Questions 19 to 21 are based on the passage you have just heard.**

1 For years, using recycled plastic to make plastic products was cheap. By contrast, fossil fuel plastic was more expensive. Thus this sustainable option was an economic option too.

多年来，使用再生塑料制造塑料产品的成本较低。相比之下，化石燃料塑料则更加昂贵。因此，这种可持续选择也是一种经济选择。

2 But now it is cheaper for major manufacturers to use new plastic.

但现在对于大型制造商来说，使用新塑料更便宜。

3 According to one recent business report, recycled plastic now costs an extra \$72 a tonne compared with newly-made plastic. This may be because of consumer demands. They are pushing for more recycled plastics in new products. Meanwhile, new plastic is becoming cheaper. This is because of a boom in petroleum chemical production from the U.S. The price increase of recycled plastic could cost sustainable manufacturers an extra \$250 million a year.

根据最近的一份商业报告，与新制塑料相比，再生塑料现在每吨要多花费72美元。这可能是因为消费者的需求。他们推动在新产品中使用更多再生塑料。与此同时，新塑料正变得更便宜。这是因为美国石油化工生产的繁荣。再生塑料价格的上涨可能会使可持续制造商每年多支出2.5亿美元。

4 Smaller manufacturers may also be forced to use new plastic to reduce costs. Makers of clear plastic bottles may also opt for new fossil-fuel based plastic to save money.

较小的制造商也可能被迫使用新塑料以降低成本。透明塑料瓶的制造商也可能选择使用新的化石燃料基塑料来省钱。

5 Plastic packaging makers are being pressured to use more recycled plastic. This is done in hopes of reducing the enormous amount of plastic pollution in the oceans.

塑料包装制造商正面临使用更多再生塑料的压力。这样做是为了减少海洋中大量的塑料污染。

6 The UK government plans to tax companies which don't use at least 30% recycled plastic in their products. Additionally, the government is planning to increase the quantity of recycled plastic in the market.

英国政府计划对产品中再生塑料使用量未达到至少30%的公司征税。此外，政府正计划增加市场上再生塑料的数量。

7 This could mean incentives for new recycling plants. Additionally, recycling facilities may be improved at a local council level and recycled plastic could be imported.

这可能意味着对新回收工厂的激励措施。此外，地方议会层面的回收设施可能会得到改善，再生塑料也可以进口。

8 This would help increase the amount of recycled plastic in circulation.

这将有助于增加流通中再生塑料的数量。

19. A) It ensured sustainable economic growth.

B) It was strongly opposed by manufacturers.

C) It was cheaper than using fossil fuel plastic.

D) It satisfied consumer demands on the whole.

**【题目】 What is said about using recycled plastic to make plastic products in the past?**

**【翻译】** 关于过去使用回收塑料制造塑料产品,有何说法?

A) 它确保了可持续的经济增长。 B) 它遭到制造商的强烈反对。

C) 它比使用化石燃料塑料更便宜。 D) 它总体上满足了消费者的需求。

**【答案】 C** (细节题) It was cheaper than using fossil fuel plastic.

**【定位】** For years, using recycled plastic to make plastic products was cheap. By contrast, fossil fuel plastic was more expensive. Thus this sustainable option was an economic option too.

多年来,用回收塑料制造塑料产品一直很便宜。相比之下,化石燃料塑料更贵。因此这种可持续的选项同时也是一种经济划算的选项。

**【信号】 对比信号 By contrast 锁定答案句。** 答案句的关键信号是 By contrast——它紧跟在"回收塑料便宜"之后,接出"化石燃料塑料更贵"的对比,正好把两者的价格高低关系明确点出。此外开头的 For years 对应题干的 in the past, 是时间锚点。

**【替换】** using recycled plastic to make plastic products was cheap ↔

**It was cheaper than using fossil fuel plastic.**

录音两句并一句·形容词转比较级

fossil fuel plastic was more expensive ↔ **than using fossil fuel plastic**

对比对象逐词对齐

**【排除】 A) 原词陷阱**

录音原句是 this sustainable option was an economic option too, 意思是"这种可持续选项同时也是经济划算的选项", 强调的是"便宜=经济", 与"保证可持续经济增长"完全不是一回事。选项把 sustainable + economic 这两个原词拼成 sustainable economic growth, 但 growth (增长) 在录音里根本没提。

借用原文: this sustainable option was an economic option too

**B)**

录音第一段只讲了"便宜"和"经济", 全篇也未出现 manufacturers oppose 这类否定/反对的措辞, strongly opposed 是凭空捏造的反向描述, 属于典型的"未提及"。

**D) 张冠李戴**

录音确实提到 This may be because of consumer demands, 但那是在解释"现在回收塑料反而更贵"的原因, 发生在"现在", 与题干限定的 in the past 时间错位。选项盗用了 consumer demand 这个原词把"现在"的信息安到"过去", 是典型的张冠李戴。

借用原文: This may be because of consumer demands

- 
20. A) The capacity to mass produce it.  
B) The U.S. federal government's regulations.  
C) A boom in market demand for clear plastic bottles.  
D) A rapid increase in U.S. petroleum chemical production.

**【题目】 What has led to more competitive price for new plastic?**

**【翻译】** 是什么导致新塑料的价格更具竞争力?

- A) 大规模生产的能力。 B) 美国联邦政府的法规。 C) 透明塑料瓶市场需求的繁荣。  
D) 美国石油化工产量的快速增长。

**【答案】 D (细节题) A rapid increase in U.S. petroleum chemical production.**

**【定位】** Meanwhile, new plastic is becoming cheaper. This is because of a boom in petroleum chemical production from the U.S.

与此同时, 新塑料正变得越来越便宜。这是因为美国的石油化工产量出现了大幅增长。

**【信号】 因果信号 This is because 锁定答案句。** 答案句靠 This is because of 这个清晰的因果信号锁定——录音里出现"new plastic is becoming cheaper" (结果) 后紧接着用 This is because of 给出原因 a boom in petroleum chemical production from the U.S., 这就是题目要的原因。

**【替换】** a boom in petroleum chemical production from the U.S. ↔

**A rapid increase in U.S. petroleum chemical production.**

boom=rapid increase·同义词替换

**【排除】 A) 未提及**

"大规模生产能力"听起来很合理（产能高自然成本低），但录音里从未提到 capacity 或 mass produce，这是凭常识脑补出的答案，属于未提及。

**B)**

录音里 U.S. 只与 petroleum chemical production from the U.S. 搭配，是讲"美国石化产量"，全篇并未提到 U.S. federal government 的任何 regulation。选项盗用了原词 U.S.，又把后半段 The UK government 的"政府监管"语义错位拼到"美国"头上，是典型的"原词+张冠李戴"混合干扰。

借用原文：petroleum chemical production from the U.S.

**C) 偷换概念**

clear plastic bottles 确实在 Makers of clear plastic bottles may also opt for new fossil-fuel based plastic to save money 里出现过，但那是讲"透明塑料瓶的厂家会选新塑料"——是"新塑料更便宜"的结果之一，而不是它变便宜的原因。选项把"结果"包装成"原因"。

借用原文：Makers of clear plastic bottles may also opt for new fossil-fuel based plastic to save money

- 
21. A) Require companies to use 30% of new plastic.  
B) Increase the supply of new plastic in the market.  
C) Reduce the amount of plastic pollution in local areas.  
D) Take measures to promote the use of recycled plastic.

**【题目】 What does the UK government plan to do about plastic?**

**【翻译】** 英国政府计划对塑料采取什么措施？

- A) 要求企业使用30%的新塑料。    B) 增加市场上新塑料的供应。  
C) 减少当地地区的塑料污染量。    D) 采取措施促进回收塑料的使用。

**【答案】 D** （细节题） Take measures to promote the use of recycled plastic.

**【定位】** The UK government plans to tax companies which don't use at least 30% recycled plastic in their products. Additionally, the government is planning to increase the quantity of recycled plastic in the market.

英国政府计划对那些产品中回收塑料使用比例不足30%的公司征税。此外，政府还计划增加市场上回收塑料的数量。

**【信号】 主体+计划信号 plans to / is planning to 双重锁定。** 本段同时出现两次明显的"计划"信号：The UK government plans to 与 the government is planning to——主体+plan to 的合体两次出现，构成两条并列计划，是无可争议的答案句。

【替换】 tax companies which don't use at least 30% recycled plastic ↔

Take measures to promote the use of recycled plastic.

具体措施→抽象概括

increase the quantity of recycled plastic in the market ↔ promote the use of recycled plastic

增加供应=促进使用·名词化与动词化对调

【排除】 A) 偷换概念

录音原文是 tax companies which don't use at least 30% recycled plastic, 30% 限定的是 recycled plastic (回收塑料), 政府要求的是"至少用30%的回收塑料"。选项把数字 30% 原样搬过来, 但偷偷把 recycled plastic 换成 new plastic (新塑料), 方向完全反了——典型的"数字原词陷阱+正话反说"。

借用原文: tax companies which don't use at least 30% recycled plastic in their products

B) 偷换概念

录音说政府计划 increase the quantity of recycled plastic in the market——增加的是回收塑料的量。选项把 recycled plastic 偷换成 new plastic (新塑料), 把"增加回收塑料供应"扭曲成"增加新塑料供应", 正好相反。又是把 increase 原词留着、偷换名词的伎俩。

借用原文: the government is planning to increase the quantity of recycled plastic in the market

C)

录音里 reduce plastic pollution 的目标是 reducing the enormous amount of plastic pollution in the oceans——减少海洋里的塑料污染。选项把 oceans 偷换成 local areas (本地地区), 范围被偷改了; 并且 reduce pollution 这件事在录音里也不是政府计划的内容, 而是"包装厂家被施压"去做的, 主体也不对。属于范围偷改+张冠李戴的双重错。

借用原文: reducing the enormous amount of plastic pollution in the oceans

Questions 22 to 25 are based on the passage you have just heard.

1 At the Dreamery, a business in Manhattan, naps are for sale. A 45-minute session in a darkened enclosure with peace and quiet costs \$25. To be clear, this institution is no hotel. This is a nap joint. It sells the idea of the nap as much as the nap itself.

在曼哈顿的 Dreamery, 小睡是用来出售的。在一个幽暗的封闭空间里享受平静与安宁的 45 分钟小睡需要 25 美元。需要明确的是, 这家机构不是酒店。这是一家小睡店。它出售的是小睡这个理念, 就像出售小睡本身一样。

2 Is a nap worth \$25? The answer is obviously yes. Here, at this point in the argument, it's traditional for me to bring up all the studies that show the benefits of napping. But do you really need experts to tell you that? Just look at the world around you at 2:30 in the afternoon.

一次小睡值 25 美元吗? 答案显然是肯定的。在论证的这一点上, 按惯例我应该列举所有显示小睡益处的研究。但你真的需要专家告诉你这些吗? 只需看看下午两点半你周围的世界。

3 I've been working from home for more than 10 years now. And the quality and quantity of work I can do emerges directly from my ability to concentrate. I don't understand how people have creative careers

without napping. Every day at about 1 p.m., everyone faces the same choice: sleep until 2 p.m. and then work until 5, or daydream and drift around social media and attend pointless meetings until 7 p.m.

我在家工作已经超过 10 年了。我能完成的工作质量和数量直接来源于我的专注能力。我不明白人们如何能在不小睡的情况下从事创意职业。每天大约下午一点，每个人都面临同样的选择：睡到下午两点然后工作到五点，或者做白日梦、在社交媒体上闲逛、参加毫无意义的会议直到晚上七点。

4 The friends I have who still work in offices inform me their bosses insist that they take the second option, and that napping is associated with laziness. I genuinely find it odd. For if you nap properly, it's like waking up from a full night's sleep and you can double your day's worth of concentration.

我那些仍在办公室工作的朋友告诉我，他们的老板坚持让他们选择第二种方案，而且小睡被认为与懒惰联系在一起。我真的觉得这很奇怪。因为如果你好好小睡，那就像从一整夜的睡眠中醒来，你可以让一天的专注力翻倍。

22. A) It studies dreams.

B) It rents a place for nap-takers.

C) It is a hotel for business people.

D) It is a nap research institute.

**【题目】** What do we learn about the Dreamery, a business in Manhattan?

**【翻译】** 关于位于曼哈顿的Dreamery这家企业,我们了解到什么?

- A) 它研究梦境。 B) 它为午睡者出租场地。 C) 它是一家为商务人士服务的酒店。  
D) 它是一家午睡研究机构。

**【答案】** B (细节题) It rents a place for nap-takers.

**【定位】** At the Dreamery, a business in Manhattan, naps are for sale. A 45-minute session in a darkened enclosure with peace and quiet costs \$25. To be clear, this institution is no hotel. This is a nap joint.

在曼哈顿的一家叫 Dreamery 的店里,午睡是被拿来出售的。在一个黑暗、安静的小隔间里睡 45 分钟,要 25 美元。说清楚一点,这家机构不是酒店,这是一家专门的午睡店。

**【信号】** 正面定义 + 否定式澄清。答案句的信号有两层:一是 naps are for sale 直接给出 Dreamery 做什么生意——卖午睡;二是 To be clear, this institution is no hotel. This is a nap joint. 用'no... this is...'的否定式定义把考生最容易误以为的身份(酒店)否掉、把真身(专门做午睡的店)亮出来,这是典型的篇章信号:说话人主动澄清的句子常常就是答案句。

**【替换】** naps are for sale ↔ rents a place for nap-takers

naps are for sale ≈ rents a place for nap-takers

A 45-minute session in a darkened enclosure with peace and quiet costs \$25. ↔

rents a place for nap-takers

a darkened enclosure ≈ a place; costs \$25 ≈ rents

**【排除】 A) 未提及**

It studies dreams. 利用机构名 Dreamery 含 dream 一词来制造'研究梦'的字面联想,但录音从未说这家店研究 dreams,只说它出售 naps are for sale;店名带 dream 不等于业务是研究 dream,这是把字面误当成业务定义。

**C) 与原文相反**

It is a hotel for business people. 里的 hotel 在录音 this institution is no hotel 里原词出现,但出现的位置正是被讲话人否掉的位置——讲话人明确说'这不是酒店'。考生若只听到 hotel 三个字就选,会正好掉进讲话人提前设的反话陷阱里。

借用原文: this institution is no hotel

**D) 过度推断**

It is a nap research institute. 把这家店从'a business / a nap joint'拔高为'研究机构'。录音明明说 At the Dreamery, a business in Manhattan,定位是 business(生意),又自称 nap joint(店);从未说它是 research institute,这是把性质从'商业'拔高到'学术研究',越界推断。

借用原文: At the Dreamery, a business in Manhattan

---

23. A) To find out creative people's work performance.

B) To see how many people can go without napping.

C) To understand the obvious importance of napping.

D) To feel how difficult it is to get his idea across.

**【题目】 Why does the speaker ask us to look at the world around us at 2:30 in the afternoon?**

**【翻译】** 为什么说话者要我们在下午2点30分观察周围的世界?

A) 为了了解有创造力的人的工作表现。 B) 为了看看有多少人可以不午睡。

C) 为了理解午睡的明显重要性。 D) 为了感受让别人理解他的想法有多困难。

**【答案】 C** (目的题) To understand the obvious importance of napping.

**【定位】** Is a nap worth \$25? The answer is obviously yes. Here, at this point in the argument, it's traditional for me to bring up all the studies that show the benefits of napping. But do you really need experts to tell you that? Just look at the world around you at 2:30 in the afternoon.

午睡值不值 25 美元?答案显然是值的。讲到这一步,我按惯例本该搬出一堆研究来证明午睡的好处。但你真的需要专家来告诉你这件事吗?只要看看下午两点半你身边的世界就行了。

**【信号】 立场句 + 反问 + 让你看现象。** 信号有三层:一是立场句 The answer is obviously yes. 先抛出讲话人的论点——午睡显然值得;二是反问 But do you really need experts to tell you that?,讲话人用反问替代了'引研究'的常规论证;三是承接动作 Just look at the world around you at 2:30 in the afternoon.——既然不需要专家,那就不用'你身边下午两点半的景象'来代替专家的研究,直接让听众自己看到午睡显然重要。三层连起来:让你看下午两点半的世界,目的就是让你自己印证讲话人那句'午睡显然重要'。

【替换】 The answer is obviously yes. ↔ **the obvious importance of napping**

obviously yes ≈ obvious importance

Just look at the world around you at 2:30 in the afternoon. ↔

**To understand the obvious importance of napping**

look at ≈ understand

【排除】 A) **原词陷阱**

To find out creative people's work performance. 借了录音第三段里 I don't understand how people have creative careers without napping. 中的 creative 一词制造熟悉感,但讲话人让人看下午两点半的世界,目的不是去研究'有创造力的人的工作表现',他根本没让你去观察任何特定人群。这是跨段盗词,把第三段的词嫁接到第二段的目的上。

借用原文: I don't understand how people have creative careers without napping.

B) **与原文相反**

To see how many people can go without napping. 在方向上正好与讲话人立场相反。讲话人是在论证'午睡显然重要',让你看世界是为了证明大家都需要午睡;选项却说目的是'看有多少人不靠午睡也行',这把目的反向了。

借用原文: The answer is obviously yes.

D) **偷换概念**

To feel how difficult it is to get his idea across. 把讲话人的目的偷换成'体会到自己讲清楚观点有多难'。录音里讲话人并不是在抱怨自己难以传达观点,他相反非常自信地说'你不需要专家'——他对自己的观点能不能被听懂没有任何困扰,选项是对讲话人姿态的歪曲。

借用原文: But do you really need experts to tell you that?

- 
24. A) They decline due to pointless meetings.  
B) They depend on his ability to concentrate.  
C) They enable him to enjoy a creative career.  
D) They are affected by the overuse of social media.

【题目】 **What do we learn about the quantity and quality of the speaker's work?**

【翻译】 关于说话者工作的数量和质量,我们了解到什么?

- A) 它们因无意义的会议而下降。 B) 它们取决于他的专注能力。  
C) 它们使他能够享受创造性的职业生涯。 D) 它们受到社交媒体过度使用的影响。

【答案】 **B** (细节题) They depend on his ability to concentrate.

【定位】 I've been working from home for more than 10 years now. And the quality and quantity of work I can do emerges directly from my ability to concentrate.

我在家工作已经超过 10 年了。我能完成的工作的质量和数量,直接取决于我集中注意力的能力。

【信号】因果衔接词 **emerges directly from**。答案信号是 emerges directly from 这一因果衔接短语——它把'工作的质和量'与'集中力'明确绑成因果关系。这种'A emerges/comes/results from B'结构是听力细节题最直接的答案信号,因为它已经替你'把答案靠什么'说清楚了,只需把 B 抓住即可。

【替换】the quality and quantity of work I can do ↔ **They**  
the quality and quantity of work ≈ They  
emerges directly from my ability to concentrate ↔ **depend on his ability to concentrate**  
emerges directly from ≈ depend on

【排除】A) **原词陷阱**

They decline due to pointless meetings. 借了录音里 attend pointless meetings until 7 p.m. 中的 pointless meetings 制造熟悉感,但 pointless meetings 在录音里是讲话人用来描述'不午睡就要被迫做的烂事'之一,并不是导致讲话人产出 decline 的原因。讲话人压根没说自己产出在下降,只是把不午睡的人生活描述为低效。

借用原文: attend pointless meetings until 7 p.m.

C) **与原文相反**

They enable him to enjoy a creative career. 盗了录音 I don't understand how people have creative careers without napping. 中的 creative career 来诱选。但因果方向相反: 录音是说'人怎么能在没午睡的情况下还做创造性工作'——讲话人是用 creative career 来反衬'没午睡就难做创造性工作',而不是说工作的质和量'使他能享受'创造性职业。选项把'我的工作量质' → 取决于集中力'偷换成'我的工作量质' → 让我能享受创造性职业',因果颠倒。

借用原文: I don't understand how people have creative careers without napping.

D) **原词陷阱**

They are affected by the overuse of social media. 借了录音里 daydream and drift around social media 中的 social media 制造熟悉感。但录音里 drift around social media 是讲话人描述'不午睡会陷入'的散漫状态之一,并非他在说自己的工作量质被社交媒体过度使用所影响。同样是用原词嫁接到错位的因果上。

借用原文: daydream and drift around social media

---

25. A) Some bosses associate napping with laziness.

B) Many office workers nap during work hours.

C) Some bosses can concentrate without napping.

D) Many of his friends daydream in the office.

【题目】What does the speaker say he finds odd?

【翻译】说话者说他觉得什么很奇怪?

- A) 一些老板把午睡与懒惰联系在一起。 B) 许多办公室职员在工作时间午睡。  
C) 一些老板可以不午睡就能集中注意力。 D) 他的许多朋友在办公室里做白日梦。

【答案】A (细节题) Some bosses associate napping with laziness.

**【定位】** The friends I have who still work in offices inform me their bosses insist that they take the second option, and that napping is associated with laziness. I genuinely find it odd.

我那些还在办公室上班的朋友告诉我,他们的老板坚持要他们走第二条路(发呆、刷社交媒体、开无意义的会),而且认为午睡跟懒惰挂钩。我真的觉得这件事很奇怪。

**【信号】 态度词 odd 直接锁前一句。** 答案信号是 I genuinely find it odd. 中的 odd——题干 What does the speaker say he finds odd? 在录音里几乎是原词复现, it 又指代前面紧挨的那个现象。听力里'我觉得 odd / strange / surprising'这种句式, it 指的就是前一句讲过的事——这是态度题的最直接信号。

**【替换】** their bosses insist that they take the second option, and that napping is associated with laziness ↔  
**Some bosses associate napping with laziness.**

their bosses + napping is associated with laziness ≈ Some bosses associate napping with laziness

I genuinely find it odd. ↔ **Some bosses associate napping with laziness.**

it = 前一句现象 ≈ A 项内容

**【排除】 B) 未提及**

Many office workers nap during work hours. 借了录音里 The friends I have who still work in offices 中的 offices 制造场景熟悉感,但录音从未说很多上班族在上班时间午睡,反而说老板逼他们走第二条路(发呆、刷社交媒体、开无意义的会)。这是凭空造一个录音没有的现象。

**C) 原词陷阱**

Some bosses can concentrate without napping. 盗了第三段 my ability to concentrate 里的 concentrate 一词制造熟悉感,但讲话人本人的立场恰恰是'不午睡很难保持集中力',而且讲话人觉得 odd 的对象是'老板对午睡的偏见',不是老板的集中力。选项把讲话人不解的对象偷换成了与原话无关的、且方向相反的命题。

借用原文: my ability to concentrate

**D) 张冠李戴**

Many of his friends daydream in the office. 盗了第三段 daydream and drift around social media 里的 daydream 与第四段 The friends I have who still work in offices 里的 friends,把两个原词拼到一起造一个录音没说的现象。录音里讲话人觉得 odd 的是老板把午睡当懒惰,而不是朋友在办公室发呆;且 daydream 是讲话人假设'不午睡就会陷入'的状态,不是他对朋友行为的描述。

借用原文: daydream and drift around social media

SENTENCE INSIGHTS • 句子精讲

## 51 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

A woman was charged with allegedly violating a Rhode Island city law against feeding wild animals.

第1段，第1句

"主语 + be charged with + 动名词短语" 是四六级和考研阅读中高频出现的被动语态句式，且介词短语作状语、动名词短语作介词宾语均为典型结构，掌握后可迁移至大量类似句子。

The 55-year-old woman's neighbors blame her for making the area's rat problem worse.

第1段，第2句

主谓宾加原因状语的结构在四六级和考研阅读中较为常见,blame somebody for doing something 是典型搭配,动名词作介词宾语也是高频考点,句式有一定代表性,掌握后可迁移到其他含 for doing 状语的句子

The woman and her parents, who own the home, told reporters that she's being charged for feeding birds.

第3段，第1句

句子成分丰富且有训练价值。主句包含并列主语、双宾语结构（told reporters + 宾语从句），宾语从句中有被动语态谓语和原因状语（for feeding birds）。定语从句虽简单但展示了关系代词在从句中充当主语的用法。覆盖主谓宾、定语、状语、从句内部成分等多种情况，适合练习成分划分。

"Who would have known just loving animals gets you that much trouble," she said.

第4段，第1句

本句涵盖引述结构、疑问词作主语、动名词短语作主语、双宾语结构、嵌套宾语从句等多种成分，且"Who"作主语、"just loving animals"作主语、"you"和"that much trouble"构成双宾语都是值得练习的点。

It is prohibited to feed any wild animals including birds in Rhode Island City.

第5段，第1句

'It is + 过去分词 + to do'结构（如It is prohibited to、It is required to、It is forbidden to）在四六级和考研阅读中极为常见，常用于表达规定、要求、建议等内容。掌握这一句式及其形式主语用法具有很高的迁移价值。

Nevertheless, while the woman's intention was to feed birds, it is clear that rats were also benefiting.

第5段，第2句

'it is clear that...' 结构和 'while' 让步状语从句都是四六级、考研阅读中的高频句式。该句型典型且实用，掌握后可迁移到大量类似句子。

Anthony Moretti, director of the city administration, said he saw more than 20 rats near the woman's home.

第6段，第1句

主句 + 宾语从句是四六级和考研阅读中的高频句式，同位语的用法也很常见。省略 that 的宾语从句在真题中大量出现，掌握后可迁移到其他类似句子，具有较好的代表性。

He said it will take months to get the problem under control.

第6段，第2句

"主句 + 宾语从句" 是四六级和考研中极为常见的句式，said、think、believe 等动词引导的宾语从句频繁出现。从句中的 "it takes time to do" 句型也是典型表达。掌握该结构后，可直接迁移到大量类似句子，具有较高的代表性和实用性。

She was involved in a conflict with bird lovers.

第1题，A

本句的 "be involved in" 被动结构在四六级、考研阅读中较为常见，属于表达"参与、卷入"的典型句式。简单句 + 被动语态 + 介词短语状语的组合具有一定代表性，学生掌握后可在相似语境中迁移运用。虽然结构简单，但作为被动语态的基础句型具有较好的典型性。

She was charged with mistreating animals.

第1题，B

"主语 + be 动词 + 过去分词 + with 短语" 是四六级和考研阅读中常见的被动语态句式，具有较高的复用性和典型性。

She was accused of violating a city law.

第1题，D

被动语态句是四六级和考研阅读中的高频句式，"be accused of doing"这个搭配也很典型；掌握后可以迁移到大量类似的被动结构（be informed of、be convinced of等），实用性强。

It will take time to solve the rat problem.

第2题，A

It takes time to do sth 是四六级和考研阅读中的高频句型，形式主语 It 后置真实主语的结构在考试中反复出现；掌握本句的分析方法可以直接迁移到大量类似句子，结构典型性较高

No one should go unpunished for violating law.

第2题，D

情态动词加系表结构在四六级和考研阅读中较为常见，尤其是表达规范、建议或义务的句子。"No one should..." 这类否定主语配合情态动词的句式是典型的规劝表达，学生掌握后可迁移到类似的规范性陈述中，结构代表性较强。

To prepare for eventually sending astronauts to Mars, NASA began taking applications Friday for four people to live for a year in Mars Dune Alpha.

第1段，第1句

覆盖主谓宾基本结构，同时包含不定式作目的状语、后置定语修饰宾语、时间状语等多种成分，且后置定语中嵌套介词短语和不定式复合结构，适合练习识别修饰关系和成分归属。

That's a 1,700-square-foot Martian habitat inside a building in Houston.

第1段，第2句

本句虽为简单句，但表语部分包含复合形容词 1,700-square-foot、后置定语 inside a building 和嵌套介词短语 in Houston，可用于练习识别名词短语的完整边界和定语归属，对初学者有一定辨析价值。

The paid volunteers will work in an environment similar to Mars.

第2段，第1句

主谓加地点状语的简单句结构在真题中较为常见，一般将来时也是高频时态，具有一定代表性；但由于缺少从句或复杂修饰，无法体现真题中常考的长难句特征，典型性中等。

NASA is planning three experiments with the first one starting in the fall next year.

第3段，第1句

简单句配后置定语修饰宾语的结构在四六级和考研阅读中较为常见，with 复合结构也是常考点，具有一定代表性，但不如复杂句式那样高频典型。

"I would cry if that happened to me," said another athlete, Naohisa Takato.

第7段，第1句

覆盖了引述句的倒装结构(said 后主语)、同位语(Naohisa Takato)、直接引语作宾语、条件状语从句、情态动词谓语句等多种成分类型,且引语内外的主谓宾划分层次分明,适合作为成分识别的综合练习句。

"I handle my own gold medal so gently that I would not scratch it."

第7段，第2句

so ... that 引导结果状语从句是四六级和考研高频句式，表达程度与结果的因果关系，在阅读和写作中都常见。掌握此结构可迁移至大量类似句子，典型性较高。

Have another picture taken with the Olympic medalist.

第6题，A

成分训练价值较高：本句涵盖谓语、宾语、宾语补足语、状语四种成分，尤其使役结构中的宾补是常见易错点；祈使句省略主语的特征也值得练习；介词短语作状语的识别也有训练意义。

Get the damaged medal repaired.

第6题，C

get sth done (使役动词 + 宾语 + 过去分词作宾补) 是四六级和考研高频句式，常出现在阅读理解和完形填空中；祈使句本身虽不常作为长难句考点，但使役结构的识别与变形（如 have/make/let sth done）是语法填空和改错的常见考查对象，掌握本句结构后可迁移到大量类似表达。

### Allow no one to touch them.

第7题，A

祈使句和 "allow sb to do sth" 结构在四六级、考研阅读及写作中频繁出现，是常考句式；掌握后可迁移至大量同类表达如 enable、permit、forbid 等动词的宾补结构，代表性较强

### See them as symbols of honor.

第7题，B

本句虽然结构简单，但涵盖了谓语、宾语、宾语补足语三个核心成分，且呈现了 "see + 宾语 + as + 宾补" 这一常见动词搭配，对巩固宾补概念和祈使句省略主语有一定练习价值。然而成分种类有限（无定语从句、状语从句、多重修饰等丰富结构），且无明显易错点或辨析难度，作为划分练习句收益中等。

### W: Blue light includes natural light, but it also includes light that isn't natural, for example, from computers, phones, televisions and other electronic devices.

第4段，第1句

并列句加一层定语从句是四六级和考研阅读中的高频句式。用but连接两个意思相关的主句、在第二主句的宾语后用that引导限制性定语从句进行修饰，这种结构在真题中反复出现。句中还包含了代词指代、插入举例等常见现象，具有很强的典型性和迁移价值。

### M: So blue light is harmful and that's why you want to block it.

第5段，第1句

本句展示了两个高频句式：主系表结构和表语从句。特别是 that is why 这一因果解释句式，在四六级和考研阅读、写作中反复出现，学生掌握后可直接迁移到大量类似表达。并列句 + 嵌套从句的组合也是真题常见结构。

### In fact, we need blue light during the day to be healthy.

第6段，第3句

虽然是简单句,但包含了主谓宾完整结构、时间状语、目的状语(不定式),以及插入语,成分种类有一定覆盖面,适合初学者练习识别不定式作状语与介词短语作状语的区别。

M: I'm not so sure that sleep is nearly as important as people always say it is.

第7段，第1句

形容词后接宾语从句以及比较状语从句嵌套是四六级和考研阅读中的高频句式，该句结构完整地展现了这类典型用法，且长度和复杂度接近真题水平，具有很强的代表性和可迁移性

I haven't slept enough in months because I have too much work to do, and I feel fine.

第7段，第2句

本句的结构在考试中非常典型：并列句+原因状语从句的组合是常考句式，现在完成时的使用也是高频考点，且「too...to」结构（虽然此处是「too much...to do」变体）也是常见搭配。掌握本句结构后，可以迁移到大量类似的并列复合句和状语从句分析中。

W: Well, the research I've read shows that sleep is probably even more important than we thought, and that not having enough sleep can contribute to serious health problems like obesity and heart disease.

第8段，第1句

本句体现了四六级和考研阅读中的高频句式：带定语从句的复杂主语、并列宾语从句、比较状语从句、动名词短语作主语。特别是“research shows that...”和“not doing sth can contribute to...”的表达到学术和科普类文章中极为常见，掌握后可大量迁移到健康、科研、社会问题等话题的长难句分析。

He has had much trouble falling asleep.

第10题，A

简单句 + 现在完成时 + 动名词短语修饰名词，是四六级和考研阅读中常见的基础句式，学生掌握后可迁移到大量类似结构（如“have difficulty doing sth”），具有较好的代表性，但不如复合句或特殊句式那样典型。

What has the woman learned from the research she has read?

第11题 题干

本句结构高度典型：疑问句 + 现在完成时 + 省略关系代词的限制性定语从句，都是四六级和考研听力、阅读中的高频句式。定语从句修饰介词宾语、关系代词在从句中作宾语而省略，这些都是常考语法点。掌握本句结构后，学习者可以迁移到大量类似的疑问句和定语从句场景，实用性强。

And I'm tired of people asking that question of my 10-year-old daughter.

第3段，第2句

主系表结构加介词短语状语是四六级阅读和写作中的常见句式，"be tired of doing" 也是高频搭配，掌握后可迁移到大量类似表达，典型性较高。

When she was much younger, my daughter used to say she wanted to be Queen of the Clouds, which I loved.

第3段，第5句

涵盖多种成分类型：时间状语从句、宾语从句（直接引语式，无引导词）、非限制性定语从句（which 指代前面整个内容）、不定式作宾语（to be）。"used to" 结构和关系代词在从句内充当宾语都是值得练习的考点，成分丰富度较高

We should be helping our kids understand who they are, even if that means letting go of who we think they should be.

第9段，第2句

本句覆盖主谓宾、宾语补足语、让步状语、宾语从句、系表结构等多种成分，且宾语补足语后嵌从句、状语从句内再套从句，层次丰富。对划分宾语补足语与宾语从句边界、识别嵌套关系有较好练习价值。

People living in rural areas, however, lag behind in online use, which limits their access to government services, banking and job opportunities.

第1段，第2句

非限制性定语从句补充说明前文是四六级和考研阅读中的高频句式，which 指代整句内容的用法尤为典型。主句中现在分词作后置定语也是常考结构。本句结构具有较强的代表性和迁移价值。

Nowhere is this challenge clearer than in Africa.

第2段，第1句

本句涵盖倒装结构、比较状语从句、省略谓语、否定副词作状语等多个考点，既有系表结构又有倒装语序，是训练主谓识别、倒装还原、比较结构分析的优质练习句，成分划分训练价值高

These devices are powered by software from the giant electronics company, KaiOS Technologies Limited.

第4段，第1句

被动语态 'be + 过去分词 + by' 结构在四六级和考研阅读中常见,且介词短语作状语也是高频句式,具有一定代表性,掌握后可迁移到类似句子,但简单句结构限制了典型性上限。

The body of KaiOS phones is as basic as it gets.

第5段，第2句

"as ... as ..." 比较结构是四六级和考研阅读中的高频句式，主系表结构配合比较从句的组合方式在真题中常见。掌握本句可直接迁移到大量同类比较句，典型性较高。

Instead of a touchscreen, they're controlled with an old-school keypad.

第5段，第3句

被动语态加介词短语状语是四六级和考研阅读中的常见句式,句首状语 Instead of 引出对比也较典型。结构虽简单但具备一定代表性,掌握后可迁移到类似句型,典型性中等偏上。

Set up company branches.

第16题，A

仅涵盖谓语和宾语两个核心成分,缺少主语、定语、状语等其他常见成分,成分种类单一;虽可用于练习识别祈使句中的省略主语和动词短语作谓语,但整体训练覆盖面窄,收益有限。

By contrast, fossil fuel plastic was more expensive.

第1段，第2句

主系表结构配状语是常见句式，但本句过于简单，缺少四六级和考研真题中常见的复杂修饰、从句嵌套等特征，典型性一般。

Thus this sustainable option was an economic option too.

第1段，第3句

主系表结构在考试中常见，"Thus" 引导结论、"too" 表示 "也" 的用法也较典型，但本句过于简短且无任何复杂修饰或从句，作为真题句式的代表性一般。

According to one recent business report, recycled plastic now costs an extra \$72 a tonne compared with newly-made plastic.

第3段，第1句

简单句结构在四六级和考研阅读中常见，句首介词短语作状语和句末过去分词引导比较状语的搭配也属于典型用法，能够帮助学生熟悉新闻报道或学术文章中常用的陈述句式，具有一定代表性，但因为是简单句而非复杂句，典型性略打折扣。

Meanwhile, new plastic is becoming cheaper.

第3段，第4句

主系表结构配时间状语是常见句式，进行时态也是考试高频考点。但本句过于简单，缺少四六级和考研真题中常见的定语从句、状语从句、并列结构等复杂层次，作为典型训练句代表性一般。

Additionally, the government is planning to increase the quantity of recycled plastic in the market.

第6段，第2句

简单句结构中加入不定式作宾语和句首状语副词，是常见的表达方式，在考试中有一定代表性，但并非高频难点句式。

Additionally, recycling facilities may be improved at a local council level and recycled plastic could be imported.

第7段，第2句

并列句加情态被动语态是四六级和考研写作及阅读中常见的句式，尤其在议论文或说明文中表达建议或可能措施时频繁出现，具有较强的实用性和代表性

It satisfied consumer demands on the whole.

第19题，D

简单的主谓宾加状语结构在真题中常见，但本句过于基础，缺少从句、复杂修饰或特殊句式等真题高频考点，代表性一般。掌握本句对理解更复杂的主谓宾结构有帮助，但迁移价值有限。

### Take measures to promote the use of recycled plastic.

第21题，D

祈使句在英语中较为常见，特别是在说明文、倡议类文本或应用文中。本句结构简单，但“动词 + 宾语 + 不定式目的状语”的搭配在实际语言中频繁出现，具有一定代表性，掌握后可迁移到类似句式。

### The answer is obviously yes.

第2段，第2句

主系表结构是基础句型之一，但本句过于简短，缺少定语、从句等真题常见的复杂修饰成分，作为考试句式的代表性较弱，迁移价值有限。

### Here, at this point in the argument, it's traditional for me to bring up all the studies that show the benefits of napping.

第2段，第3句

形式主语加不定式结构在四六级和考研阅读中高频出现，限制性定语从句修饰名词也是典型句式。本句展示的“it is + 形容词 + for sb + to do”模式和“名词 + that从句”组合，都是标准化的常考结构，掌握后迁移价值高。

### They decline due to pointless meetings.

第24题，A

“主语 + 谓语 + 原因状语”为常见简单句式，“due to”引出原因也是高频搭配，具有一定代表性，但缺乏四六级或考研真题中常见的复杂从句结构，典型性中等。

HIGH-FREQUENCY • 真题高频词

## 本卷出现的 199 个英语四级真题高频词

下列单词既在本卷录音原文中出现，又是**英语四级**历年真题的高频词（在该考试真题中出现的句子数均不少于8）。每个词标注本卷出现次数与该考试真题句频，点击可查看该词的释义、音标、词形与真题例句。

**requirement** B2

n. 要求

本卷1次·真题 18句

**context** B2

n. (事情发生的) 背景、环境

本卷1次·真题 17句

**mass** B1

n. 大量

本卷1次·真题 17句

**obvious** B1

adj. 明显的

本卷1次·真题 16句

**properly** B1

adv. 正确地

本卷1次·真题 16句

**regulation** B2

n. 规则, 条例

本卷1次·真题 16句

**previously** B1

adv. 以前, 先前 (指过去某个时间)

本卷1次·真题 15句

**recycling** B1

n. 回收利用

本卷1次·真题 15句

**scene** A2

n. 场景

本卷1次·真题 15句

**stock** B1

n. 库存

本卷1次·真题 15句

**newly** B1

adv. 最近

本卷1次·真题 14 句

**obviously** B1

adv. 显然,明显地

本卷1次·真题 14 句

**urge** B2

v. 敦促

本卷1次·真题 14 句

**adulthood** B2

n. 成年期

本卷1次·真题 13 句

**imagination** B1

n. 想象力

本卷1次·真题 13 句

**import** B1

v. 进口

本卷1次·真题 13 句

**mix** A2

v. 混合

本卷1次·真题 13 句

**oppose** B2

v. 反对

本卷1次·真题 13 句

**session** B1

n. 会议;会期

本卷1次·真题 13 句

**surely** B1

adv. 肯定地

本卷1次·真题 13 句

**exposure** B2

n. 暴露

本卷1次·真题 12 句

**incentive** B2

n. 激励

本卷1次·真题 12 句

**prompt** B2

v. 促使

本卷1次·真题 12 句

**complaint** B1

n. 抱怨

本卷1次·真题 11 句

**decorate** B1

v. 装饰

本卷1次·真题 11 句

**giant** B1

adj. 巨大的

本卷1次·真题 11 句

**negatively** B2

adv. 负面地

本卷1次·真题 11 句

**opt** B2

v. 选择

本卷1次·真题 11 句

# 2023年6月·第1套 英语四级完形填空（选词填空）·26-35 题答案与解析

BLANKS & ANALYSIS • 选词填空题和解析

## 选词填空题和解析 · 26-35 题

本页 26-35 题的正确答案词与逐空解析由懒笔记按2023年6月·第1套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、3 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第1套(2023-06) • 四级

Part III Section A

**Directions:** In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

You probably haven't taken the time to think of all the work that went into creating the shirt on your back. I mean, how hard it could be to create fabric and 26 it into a shirt shape. Don't machines do all that? Well, creating fabric from cotton, which is the most 27 clothing material, is actually a process that involves a lot of water, 2,700 liters per shirt to be 28. Take a look at the video below from National Geographic for some more mind-blowing 29 about cotton clothing production.

你可能从未花时间思考过制作你身上这件衬衫所需的全部工作。我的意思是，制造布料并将其缝制成衬衫的形状能有多难呢？机器不是做了所有这些工作吗？然而，用棉花制造布料——棉花是最丰富的服装材料——实际上是一个涉及大量水的过程，准确地说，每件衬衫需要2,700升水。请观看下面来自《国家地理》的视频，了解更多关于棉质服装生产的惊人数据。

Clean water is 30 becoming one of the most sought-after resources in the world. Given how large the 31 and cotton industries are, they take up a lot of our fresh water demands across the world, according to The Huffington Post. The video from National Geographic was created to spread 32 of how environmentally harmful cotton is. But the situation can be made better. Through better water management and farming practices, water usage in cotton production can be cut down by 33 40 percent.

清洁水正日益成为世界上最受追捧的资源之一。鉴于纺织业和棉花产业的规模之大，根据《赫芬顿邮报》的报道，它们占据了全球大量的淡水需求。《国家地理》制作这段视频是为了传播棉花对环境危害程度的认知。但这种状况是可以改善的。通过更好的水资源管理和农业实践，棉花生产中的用水量可以减少近40%。

Called "Better Cotton", this environmentally conscious product will save millions of liters of water a year simply from 34 the demands of cotton production. Cotton doesn't have to go, since it is, after all, one of the most useful cash crops across the globe. However, as water supplies 35 , farmers and consumers need to be more conscious of the effect that these products have on the environment as a whole.

这种具有环保意识的产品被称为"良好棉花",仅通过减少棉花生产的需求,每年就能节省数百万升水。棉花不必被淘汰,因为毕竟它是全球最有用的经济作物之一。然而,随着水资源的减少,农民和消费者需要更加意识到这些产品对整个环境的影响。

- |                 |               |
|-----------------|---------------|
| A) abstracts    | I) nearly     |
| B) abundant     | J) reckoning  |
| C) awareness    | K) reducing   |
| D) conscience   | L) sew        |
| E) exact        | M) shrink     |
| F) increasingly | N) statistics |
| G) intense      | O) textile    |
| H) mend         |               |

26. how hard it could be to create fabric and (26) it into a shirt shape

【答案】 **L) sew** 动词

【词性槽】 and 并列 + 不定式 to 后接动词原形

【依据】 把布"缝"成衬衫形状, **sew** 最准

语境是 create fabric and (26) it into a shirt shape——造出布料再把它"缝"成衬衫形状, sew (缝制) 正是做衣服的标准动作, 与 into a shirt shape 搭配自然。

【竞争词】 H) mend 义偏"修补"非"制作"

mend 是"修补"已破损的东西, 这里是从布料"从无到有做成"衬衫, 不是修补, 方向不符。

M) shrink 义为"收缩", 逻辑反

shrink 是"使缩小", "把布缩成衬衫形状"讲不通; 而且 shrink 正是第 35 空"水供应减少"要用的词, 留给那里。

27. which is the most \_\_(27)\_\_ clothing material

【答案】 **B) abundant** 形容词

【词性槽】 the most + 空 + 名词，形容词最高级作定语

【依据】 棉花是"最常见/产量最大"的衣料，abundant 最贴

句意是棉花作为 the most \_\_(27)\_\_ clothing material——最"丰富、大量"的衣料，与下文 one of the most useful cash crops across the globe 呼应，abundant (丰富的、大量的) 正合"用得最广"之意。

【竞争词】 E) exact 搭配不成立

exact 意为"确切的"，"最确切的衣料"语义不通，exact 通常修饰数字、答案等，不能形容棉花作为材料的普遍性。

G) intense 义不对

intense 是"强烈的、剧烈的"，形容情感、光线、竞争等，"最强烈的衣料"讲不通；它更可能去配第 31 空那种"产业"语境，但此处不合。

28. 2,700 liters per shirt to be \_\_(28)\_\_\_

【答案】 **E) exact** 形容词

【词性槽】 to be + 空，系动词后作表语

【依据】 "to be exact" = 确切地说，是固定插入语

2,700 liters per shirt to be \_\_(28)\_\_\_ 在精确数字 2,700 liters 后用 "to be exact" (确切地说) 这一固定表达收尾，exact 修饰前面给出的精确数字，框架直接锁死。

【竞争词】 G) intense 义不符且无此搭配

intense 是"强烈的"，"to be intense"在此说不通，也不是固定插入语；它形容情感/程度，与"确切数字"语境无关。

29. for some more mind-blowing \_\_(29)\_\_ about cotton clothing production

【答案】 **N) statistics** (名词)

【词性槽】 some more + 空 + about, 形容词后接名词

【依据】 承接上句"2,700 升"的数字, statistics=统计数据最贴

前句刚给出 2,700 liters per shirt 这样的数字, 叫人去看视频了解"更多令人震惊的数据", statistics (统计数据) 与 mind-blowing、about cotton production 完全吻合。

【竞争词】 C) awareness 义为"意识", 且被第 32 空占用

awareness 是"意识", "更多令人震惊的意识"不通; 它是第 32 空 spread \_\_ 的正解, 留给那里。

D) conscience 义为"良心", 与数据无关

conscience (良心、道德感) 和"关于棉花生产的震撼信息"不搭, 且不可用 some more 这样表数量地修饰。

30. Clean water is \_\_(30)\_\_ becoming one of the most sought-after resources

【答案】 **F) increasingly** (副词)

【词性槽】 is + 空 + becoming, 插在系动词与现在分词之间

【依据】 清洁水"日益"变得抢手, increasingly 表渐变正合

Clean water is \_\_(30)\_\_ becoming one of the most sought-after resources in the world 描述一种正在加剧的趋势, increasingly (越来越、日益地) 修饰 becoming 表渐变, 语义贴切。

31. Given how large the \_\_(31)\_\_ and cotton industries are

【答案】 **O) textile** (名词)

【词性槽】 the + 空 + and cotton industries, 定语名词

【依据】 与 cotton 并列指"纺织业", textile 正合

the \_\_(31)\_\_ and cotton industries——"纺织与棉花产业", textile (纺织品/纺织的) 和 cotton 同属衣料产业、并列自然, 且 textile industry 是固定说法。

【竞争词】 D) conscience 义为"良心", 不能与 cotton 并列指产业

conscience 是抽象"良心", "良心和棉花产业"语义不搭, 也不构成 \_\_ industry 这类产业名, 逻辑不成立。

32. created to spread \_\_ (32) \_\_ of how environmentally harmful cotton is

【答案】 **C) awareness** (名词)

【词性槽】 spread + 空 + of, 及物动词后作宾语

【依据】 "spread awareness of" = 传播.....意识, 固定搭配

spread \_\_ (32) \_\_ of how environmentally harmful cotton is——视频是为了"传播对棉花危害环境的认知", spread awareness of 是高频固定搭配, awareness (意识、知晓) 完全契合。

【竞争词】 D) conscience 形近义异, 无此搭配

conscience (良心) 与 awareness (意识) 形近易混, 但"spread conscience of"不成立, 句意是让人"知道"棉花的环境危害, 是认知层面而非道德良心。

【易错】 最具迷惑性的错误词是 D) —— conscience 与 awareness 形近、词性都对。spread \_\_ (32) \_\_ of how environmentally harmful cotton is: D\ (conscience\ 和正解形近、同为抽象名词, 最易误选; 防坑就背一句固定搭配"spread awareness of"。

33. water usage in cotton production can be cut down by \_\_ (33) \_\_ 40 percent

【答案】 **I) nearly** (副词)

【词性槽】 空 + 40 percent, 修饰数量的副词

【依据】 修饰 40 percent 表"将近 40%", nearly 最贴

cut down by \_\_ (33) \_\_ 40 percent 说节水幅度"将近 40%", nearly (将近、几乎) 正是修饰数字、表示接近某量的标准副词。

【竞争词】 F) increasingly 义为"越来越", 不修饰固定数字

increasingly 表"日益、越来越", 描述渐变趋势, 不能修饰 40 percent 这样的固定百分比; 它是第 30 空 \_\_ becoming 的正解。

34. save millions of liters of water a year simply from \_\_(34)\_\_ the demands of cotton production

【答案】 **K) reducing** (动词)

【词性槽】 介词 from 后接动名词

【依据】 "减少需求"用 reducing, 且现成-ing 形态

save millions of liters of water a year simply from \_\_(34)\_\_ the demands of cotton production——靠"减少"棉花生产的需求来省水, reducing the demands 是地道及物搭配, 且词库直接给的就是-ing 形式, 无需变形。

【竞争词】 M) shrink 形态需变且与 demands 搭配弱

shrink 是原形, 作动名词得改成 shrinking 才合 from 后位置, 而词库取词须逐字、本无-ing 形; 且 shrink 多指物体/数量自身收缩, "shrink the demands"不如"reduce the demands"地道。shrink 正是第 35 空 as water supplies \_\_ 的答案, 留给那里。

【易错】 最具迷惑性的错误词是 M) —— shrink 也表"减少"、看着也通。第 34 空 from \_\_(34)\_\_ the demands: shrink 词义也是"减少", 易抢 reducing 的位置; 防坑是"reduce the demands"才是地道及物搭配, 且 shrink 留给第 35 空。

35. as water supplies \_\_(35)\_\_, farmers and consumers need to be more conscious

【答案】 **M) shrink** (动词)

【词性槽】 as 从句主语 supplies 后缺谓语

【依据】 水供应"减少", shrink 表自身缩减最贴

as water supplies \_\_(35)\_\_, farmers and consumers need to be more conscious 说"随着水供应减少", shrink (缩小、减少) 正描述供应量自身收缩, 与全文"清洁水日益稀缺"呼应。

WORD BANK · 词库分类表

## 15 个候选词 · 词性与词义

选词填空文后的共享词库共 15 个词 (A-O), 为 10 个空各选一个、每词最多用一次。下面给出每个词的词性与中文词义; 标注「用于第 N 空」的 10 个为答案, 其余 5 个为干扰词。

A) **abstracts** (动词) (名词)

v.提取、抽象化; n.摘要

干扰词 · 未选用

B) **abundant** (形容词)

丰富的、大量的

用于第 27 空

C) **awareness** 名词

意识、知晓

用于第 32 空

D) **conscience** 名词

良心、道德良知

干扰词 · 未选用

E) **exact** 形容词 动词

确切的、精确的; v.强求

用于第 28 空

F) **increasingly** 副词

越来越、日益地

用于第 30 空

G) **intense** 形容词

强烈的、剧烈的

干扰词 · 未选用

H) **mend** 动词

修补、缝补

干扰词 · 未选用

I) **nearly** 副词

将近、几乎

用于第 33 空

J) **reckoning** 名词 动词

估算、清算 (reckon 的-ing 形式)

干扰词 · 未选用

K) **reducing** 动词 名词

减少、降低 (reduce 的-ing 形式)

用于第 34 空

L) **sew** 动词

缝、缝制

用于第 26 空

M) **shrink** 动词

缩小、减少

用于第 35 空

N) **statistics** 名词

统计数据

用于第 29 空

O) **textile** 名词 形容词

纺织品; 纺织的

用于第 31 空

全文主旨

### 棉花/纺织业极耗水，靠更好管理可减少用水

全文围绕一件衬衫背后的耗水量展开：creating fabric from cotton, which is the most \_\_(27)\_\_ clothing material, is actually a process that involves a lot of water, 2,700 liters per shirt, 随后指出 Clean water is \_\_(30)\_\_ becoming one of the most sought-after resources in the world,

最后落到通过更好的用水与种植方式来削减棉花生产的耗水。抓住这条"棉花—耗水—节水"主线，后面每个空的词义是否贴合都拿它来对表。

DISTRACTORS • 干扰词复盘

## 这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

### A) **abstracts** 看着像动词可填 26 空，实则形态、义都不合

abstracts 是第三人称单数动词/名词，貌似能进需要动词的空，但第 26 空要的是与 create 并列的不定式原形 (sew)，且 abstract\(\提取\) 与"缝衣"无关，纯属凑数干扰。

### D) **conscience** 最像第 32 空的答案，靠形近 awareness 设套

conscience 与正解 awareness 形近、都是抽象名词，极易误填进 spread \_\_(32)\_\_ of；识破点是"spread conscience of"不成立、句意是认知而非良心。

### G) **intense** 形容词身份诱人，27/28 空都可能被它套

intense 是形容词，能挤进第 27 空 (the most \_\_ material) 和第 28 空 (to be \_\_) 的候选，但"最强烈的衣料""to be intense"都不通；记住它只配情感/程度即可识破。

### H) **mend** 最像第 26 空，靠"和衣服有关"迷惑

mend\(\修补\) 与做衣服话题沾边，易误填进 create fabric and \_\_(26)\_\_ it into a shirt shape；但这里是"从无到有制作"而非"修补"，sew 才对。

### J) **reckoning** -ing 形态像第 34 空，词义却远

reckoning 是现成-ing，貌似能进 from \_\_ the demands (第 34 空) 需要动名词的位置，但 reckon\(\估算\) 与"减少需求"无关，正解是 reducing。

SENTENCE INSIGHTS • 句子精讲

## 3 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Given how large the textile and cotton industries are, they take up a lot of our fresh water demands across the world, according to The Huffington Post.

第2段，第2句

Given 引导的状语从句在四六级和考研阅读中较为常见，属于典型的书面语或正式文体结构。主句的主谓宾配地点状语也是高频句式。掌握本句结构后，学生可迁移到大量类似的因果或条件背景句中。

Called "Better Cotton", this environmentally conscious product will save millions of liters of water a year simply from reducing the demands of cotton production.

第3段，第1句

“主句主干明确，前后带非谓语或介词短语修饰”的句式非常常见，考试阅读里经常出现。掌握这种先抓主干、再收修饰语的方法，迁移性较强。

Cotton doesn't have to go, since it is, after all, one of the most useful cash crops across the globe.

第3段，第2句

“主句 + since 引导原因从句”是非常常见的书面句式，后面再配一个“it is ...”的事实说明，也很有代表性。掌握这种读法后，迁移到大量说明理由的句子都很有帮助。

HIGH-FREQUENCY • 真题高频词

真题卷第1套(2023-06) · 四级

Part III Section B

**Directions:** In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

### The spoken web

A) We're growing more used to chatting to our computers, phones and smart speakers through voice assistants like Amazon's Alexa, Apple's Siri and Microsoft's Cortana. Blind and partially sighted people have been using text-to-speech converters for decades.

我们越来越习惯通过Amazon的Alexa、Apple的Siri和Microsoft的Cortana等语音助手与我们的电脑、手机和智能音箱交谈。盲人和视力障碍者使用文本转语音转换器已有数十年。

B) Out of these assistants, Siri is the most well-known. The assistant uses voice inquiries and a natural-language user interface(界面) to answer questions. The software adapts to users' individual language usages, searches, and preferences, with continuing use.

在这些助手中,Siri是最知名的。该助手使用语音查询和自然语言用户界面来回答问题。随着持续使用,该软件会适应用户的个人语言使用习惯、搜索和偏好。

C) Some think voice could soon take over from typing and clicking as the main way to interact online. But what are the challenges of moving to "the spoken web"?

一些人认为语音可能很快将取代打字和点击,成为在线互动的主要方式。但是转向"语音网络"面临哪些挑战呢?

D) What use is written online content if you can't read? That is the situation facing illiterate(不识字的) African farmers. They are often denied crucial information the web offers many others. With a literacy rate in some parts of Africa at only 22.6%, farmers are often "underpaid for their produce

because they might be unaware of the prevailing prices," says Francis Dittoh, a researcher behind Mr Meteo, a speech-based weather information service.

如果你不识字,书面在线内容有什么用?这就是非洲不识字农民面临的处境。他们常常无法获得网络为许多其他人提供的关键信息。在非洲某些地区识字率仅为22.6%的情况下,农民往往"因为可能不了解当前价格而在出售农产品时被压价",Mr Meteo这一基于语音的天气信息服务背后的研究员Francis Dittoh说。

- E) "The most frequently heard complaint is about rainfall predictions," says Mr Dittoh, who lives in Tamale, northern Ghana. "They tell us the methods their forefathers used to predict the weather don't seem to work as well these days." This is down to climate change, he believes. Yet knowing when it's going to rain is vital for farmers wanting to sow seeds, irrigate crops or take their animals out to the fields to feed on grass.

"最常听到的抱怨是关于降雨预测的",住在加纳北部塔马利的Dittoh先生说。"他们告诉我们,他们祖先用预测天气的方法如今似乎不太管用了。"他认为这是气候变化造成的。然而对于想要播种、灌溉作物或把动物赶到田里吃草的农民来说,知道什么时候会下雨至关重要。

- F) Mr Dittoh says the idea of converting online weather reports into speech came from the farmers themselves, after a workshop in the village of Guabuligah. "They came up with this," he says. Mr Meteo takes the online weather forecast, converts it to a short recording in the appropriate language and makes it available on a basic phone. Farmers ring up to receive the information. The local language Dagbani is spoken by 1.2 million people but is not served by any online translation applications. The service was designed to be cheap and easy to run, says Mr Dittoh. He plans to begin field tests this month, working with Tamale's Savanna Agricultural Research Institute.

Dittoh先生说,将在线天气报告转换为语音的想法来自农民自己,是在Guabuligah村的一次研讨会之后提出的。"这是他们想出来的",他说。Mr Meteo获取在线天气预报,将其转换为适当语言的简短录音,并在基础手机上提供。农民打电话接收信息。当地语言Dagbani有120万人使用,但没有任何在线翻译应用程序支持。Dittoh先生说,该服务被设计得既便宜又易于运行。他计划本月开始实地测试,与塔马利的萨凡纳农业研究所合作。

- G) The spoken web could also help the one-in-five adults in Europe and the U.S. with poor reading skills. But building the spoken web—web-to-voice and voice-to-web—isn't straightforward. For software to understand that pizza is served at Italian restaurants is easy. To cover multiple domains and to be able to have a conversation with users on every single topic is still a long way off.

语音网络还可以帮助欧洲和美国五分之一阅读能力较差的成年人。但是构建语音网络——网络到语音和语音到网络——并不简单。对于软件来说,理解意大利餐厅供应披萨是容易的。要涵盖多个领域并能够就每一个话题与用户对话,仍然遥遥无期。

- H) So although many computer assistants can answer simple questions about the weather and play music for us, anything resembling a wide-ranging human conversation is decades away. Artificial intelligence just isn't smart enough yet. Even turning your voice into text—automatic speech recognition—is one of the hardest problems to solve, as there are as many ways to pronounce things as there are people on the planet.

因此,尽管许多电脑助手可以回答关于天气的简单问题并为我们播放音乐,但任何类似广泛人类对话的东西都还需要几十年。人工智能还不够智能。即使将你的语音转换为文本——自动语音识别——也是最难解决的问题之一,因为地球上有多少人就有多少种发音方式。

- I) Siri has often been praised for its ability to interpret our casual language and deliver very specific and accurate results, sometimes even providing additional information. But it is still somewhat restricted, particularly when the language moves away from stiffer commands into more human interactions. In one example, the phrase "Send a text to Jason, Clint, Sam, and Lee saying we're having dinner at Silver Cloud restaurant" was interpreted as sending a message to Jason only, containing the text "Clint Sam and Lee saying we're having dinner at Silver Cloud restaurant". It has also been noted that Siri lacks a proper editing function, as saying "Edit message to say: we're at Silver Cloud restaurant and you should come find us" generates "Clint Sam and Lee saying we're having dinner at Silver Cloud restaurant to say we're at Silver Cloud restaurant and you should come find us".

Siri经常因其能够理解我们的随意语言并提供非常具体和准确的结果而受到赞扬,有时甚至提供额外信息。但它仍然受到一定限制,特别是当语言从较为生硬的命令转向更人性化的互动时。在一个例子中,"给Jason、Clint、Sam和Lee发短信说我们在Silver Cloud餐厅吃饭"这句话被理解为只给Jason发送消息,内容是"Clint Sam and Lee saying we're having dinner at Silver Cloud restaurant"。还有人注意到Siri缺乏适当的编辑功能,因为说"编辑消息为:我们在Silver Cloud餐厅,你应该来找我们"会生成"Clint Sam and Lee saying we're having dinner at Silver Cloud restaurant to say we're at Silver Cloud restaurant and you should come find us"。

- J) Using voice interaction feels far more intimate than surfing the net the old-fashioned way. This is intentional as the informal tone of the assistant helps create an emotional attachment. But if something speaks, it must also listen. Our phones are always near us and they are collecting data about us all the time. This has already raised privacy concerns. The American Civil Liberties Union has stated that digital assistants create a threat to privacy from hackers. Some people have other concerns. They worry assistants will one day be used to deliver advertising directly to us.

使用语音交互比以老式方式上网感觉更加亲密。这是有意为之,因为助手的非正式语气有助于建立情感依附。但如果某物会说话,它也必须会倾听。我们的手机总是在我们身边,它们一直在收集关于我们的数据。这已经引发了隐私担忧。美国公民自由联盟表示,数字助手对黑客造成的隐私威胁。有些人还有其他担忧。他们担心助手有一天会被用来直接向我们投放广告。

- K) But digital voices need more personality to make them popular. Robots are not yet witty, Siri is boring. The benefits of using voice instead of tapping fingers obviously depend on the context. Doctors completing online forms about their patients by speech, for example, can dictate 150 words a minute, three times faster than typing on a keyboard. This enables them to spend less time on administration and more time with patients.

但数字语音需要更多个性才能使它们受欢迎。机器人还不够风趣,Siri很无聊。使用语音而不是敲击手指的好处显然取决于具体情境。例如,医生通过语音完成关于患者的在线表格,可以每分钟口述150个单词,比在键盘上打字快三倍。这使他们能够在行政事务上花更少时间,在患者身上花更多时间。

- L) Last year, speech recognition company Nuance helped a doctors' surgery in Dukinfield, near Manchester, set up a speech system for the practice's six doctors. Now they can dictate notes on a patient's health condition and treatment and a smart assistant automatically enters the information into the right fields on a web form. Previously, the doctors made voice recordings that were then transcribed by secretaries—a process that was costly and likely to cause delays. The new system means letters to patients now have more detail.

去年,语音识别公司Nuance帮助曼彻斯特附近Dukinfield的一家诊所为该诊所的六名医生建立了语音系统。现在他们可以口述关于患者健康状况和治疗的笔记,智能助手会自动将信息输入网页表单的正确

字段。以前,医生录制语音记录,然后由秘书转录——这一过程成本高且可能导致延误。新系统意味着给患者的信件现在有更多细节。

- M) Using voice also makes sense when you're doing other things with your hands. Think about when you're cooking, and you just want to know what the next step in the recipe is. Your hands are covered with oil; you're not going to get on the iPad, so it's a lot more natural to talk. And speech obviously makes sense when you're driving. In the U.S., 29% of drivers admit they surf behind the wheel, according to insurance firm State Farm. This is up from 13% in 2009. No wonder using mobile phones while driving causes more crashes a year than drink driving, says the U.S. National Safety Council.

当你的手正在做其他事情时,使用语音也很有意义。想想当你在做饭时,你只想知道食谱的下一步是什么。你的手上沾满了油,你不会去拿iPad,所以说话要自然得多。而且在开车时语音显然很有意义。根据保险公司State Farm的数据,在美国,29%的司机承认他们在开车时上网。这一比例从2009年的13%上升。美国国家安全委员会表示,难怪开车时使用手机造成的交通事故比酒驾还多。

## 陈述句与逐句解析

36. According to Francis Dittoh, their speech-based weather information service was meant to be inexpensive and easy to use.

根据Francis Dittoh的说法,他们基于语音的天气信息服务旨在价格低廉且易于使用。

【答案】 F 段 (强锚点)

【锚点】 便宜易用的天气服务

【定位】 The service was designed to be cheap and easy to run, says Mr Dittoh.

这项服务被设计得便宜又易于运行, Dittoh 先生说。

【改写】 inexpensive and easy to use ↔ **cheap and easy to run**

便宜易用同义替换

their speech-based weather information service ↔

**Mr Meteo takes the online weather forecast, converts it to a short recording**

服务名与其描述对应

【辨邻】 D D 段借 Dittoh 之口讲农民 underpaid for their produce 的困境, 并未提服务"便宜易用", 不是本句源头。

| says Francis Dittoh, a researcher behind Mr Meteo, a speech-based weather information service

37. Using voice instead of typing enables doctors to spend more time taking care of patients.

使用语音而非打字使医生能够花更多时间照顾患者。

【答案】 K 段 (强锚点)

【锚点】 语音让医生多陪病人

【定位】 This enables them to spend less time on administration and more time with patients.

这使他们能少花时间在行政事务上、多花时间陪病人。

【改写】 Using voice instead of typing ↔

**dictate 150 words a minute, three times faster than typing on a keyboard**

口述即用语音代打字

spend more time taking care of patients ↔ **more time with patients**

陪病人即照料病人

【辨邻】 **L** L 段讲诊所装系统、助手 automatically enters the information into the right fields, 落脚在效率与减少延误, 没提"多花时间陪病人", 故非本句源头。

a smart assistant automatically enters the information into the right fields on a web form

38. It is extremely difficult to convert voice into text because of different pronunciations.

由于发音各异,将语音转换为文本极其困难。

【答案】 **H** 段 (强锚点)

【锚点】 因发音不同语音转文字难

【定位】 Even turning your voice into text—automatic speech recognition—is one of the hardest problems to solve, as there are as many ways to pronounce things as there are people on the planet.

甚至把你的语音转成文字——也就是自动语音识别——都是最难解决的问题之一, 因为发音方式和地球上的人一样多。

【改写】 convert voice into text ↔ **turning your voice into text**

转文字同义替换

extremely difficult ↔ **one of the hardest problems to solve**

极难即最难之一

different pronunciations ↔ **as many ways to pronounce things as there are people on the planet**

比喻还原为发音各异

39. African farmers unable to read often don't have access to important information conveyed online.

不识字的非洲农民往往无法获取网上传递的重要信息。

【答案】 **D** 段 (强锚点)

【锚点】 不识字非洲农民失信息

【定位】 What use is written online content if you can't read? That is the situation facing illiterate African farmers. They are often denied crucial information the web offers many others.

如果你不会阅读, 网上的文字内容有什么用? 这正是不识字的非洲农民面临的处境。他们常常被剥夺了网络提供给许多其他人的关键信息。

【改写】 African farmers unable to read ↔ **illiterate African farmers**

不识字与不会读同义

don't have access to important information conveyed online ↔

**denied crucial information the web offers many others**

被剥夺即无法获取

【辨邻】 **E** E 段讲农民抱怨 rainfall predictions 不准、祖辈方法失灵，焦点是天气，没讲"因不识字而拿不到网络信息"，故非本句源头。

The most frequently heard complaint is about rainfall predictions

40. Some phone users worry advertisers will take advantage of voice assistants to send ads directly to them.

一些手机用户担心广告商会利用语音助手直接向他们发送广告。

【答案】 **J** 段（强锚点）

【锚点】 担心广告商利用语音助手

【定位】 They worry assistants will one day be used to deliver advertising directly to us.  
他们担心助手有一天会被用来直接向我们投放广告。

【改写】 send ads directly to them ↔ **deliver advertising directly to us**  
投放广告同义替换

Some phone users worry ↔ **They worry**  
担心主语对应

41. The spoken web is helpful when one's hands are occupied.

当双手被占用时,语音网络很有帮助。

【答案】 **M** 段（弱锚点）

【锚点】 双手被占用时有帮助

【定位】 Using voice also makes sense when you're doing other things with your hands.  
当你正用双手做别的事情时，使用语音也很合理。

【改写】 one's hands are occupied ↔ **doing other things with your hands**  
手被占用即手在忙别的

The spoken web is helpful ↔ **Using voice also makes sense**  
有帮助即合理

【辨邻】 **K** K 段讲 depend on the context 并举医生口述提速的好处，没讲"双手被占用"这个场景，故非本句源头。

The benefits of using voice instead of tapping fingers obviously depend on the context

42. Some people believe online interaction would soon depend mainly on voice.

有些人认为在线互动将很快主要依赖语音。

【答案】 **C** 段 (弱锚点)

【锚点】 上网将主要靠语音

【定位】 Some think voice could soon take over from typing and clicking as the main way to interact online.

有些人认为语音可能很快取代打字和点击，成为网上互动的主要方式。

【改写】 online interaction would soon depend mainly on voice ↔

voice could soon take over from typing and clicking as the main way to interact online

取代打字即主要靠语音

Some people believe ↔ Some think

认为同义对应

43. Setting up a spoken web is by no means an easy task.

建立语音网络绝非易事。

【答案】 **G** 段 (弱锚点)

【锚点】 建语音网络绝非易事

【定位】 But building the spoken web—web-to-voice and voice-to-web—isn't straightforward.

但构建语音网络——网页转语音、语音转网页——并不简单。

【改写】 Setting up a spoken web ↔ building the spoken web

建语音网络同义

by no means an easy task ↔ isn't straightforward

绝非易事即并不简单

【辨邻】 **H** H 段讲 automatic speech recognition—is one of the hardest problems, 是"建语音网络"之下的一个具体子难题，并非"建语音网络绝非易事"这个总判断的出处。

Even turning your voice into text—automatic speech recognition—is one of the hardest problems to solve

44. Weather information is extremely important to farmers.

天气信息对农民极其重要。

【答案】 **E** 段 (弱锚点)

【锚点】 天气信息对农民极重要

【定位】 Yet knowing when it's going to rain is vital for farmers wanting to sow seeds, irrigate crops or take their animals out to the fields to feed on grass.

然而，对于想要播种、灌溉庄稼或把牲畜赶到地里吃草的农民来说，知道何时下雨至关重要。

【改写】 Weather information ↔ **knowing when it's going to rain**

天气信息含何时下雨

extremely important to farmers ↔ **vital for farmers**

极重要即至关重要

【辨邻】 **D** D 段讲农民因不了解 the prevailing prices 而被压价，焦点是价格信息，没讲“天气信息对农民极重要”，故非本句源头。

underpaid for their produce because they might be unaware of the prevailing prices

**F** F 段讲 Mr Meteo takes the online weather forecast, converts it to a short recording 这个服务的运作，没讲“天气信息对农民极重要”这个判断，故非本句源头。

Mr Meteo takes the online weather forecast, converts it to a short recording in the appropriate language

45. Some people are concerned about privacy because their phones are constantly collecting their personal information.

有些人担心隐私问题，因为他们的手机在不断收集个人信息。

【答案】 **J** 段（强锚点）

【锚点】 因手机持续收数据担心隐私

【定位】 Our phones are always near us and they are collecting data about us all the time. This has already raised privacy concerns.

我们的手机总在身边，时刻都在收集关于我们的数据。这已经引发了隐私方面的担忧。

【改写】 their phones are constantly collecting their personal information ↔

**they are collecting data about us all the time**

持续收数据同义

concerned about privacy ↔ **raised privacy concerns**

担心隐私即引发隐私担忧

PARAGRAPH MAP • 段落主旨图

## 13 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

A 开篇引入语音助手这一现象：人们越来越习惯通过 Alexa、Siri、Cortana 这类语音助手与设备对话，盲人和视障者用文字转语音技术已有数十年。

信息指纹 三大语音助手与视障群体

B 聚焦 Siri：它是最知名的语音助手，用语音询问和自然语言界面回答问题，并随使用不断适应用户的语言习惯与偏好。

信息指纹 Siri 最知名且会自适应

C 抛出全文核心问题：有人认为语音可能很快取代打字和点击成为上网主要方式，但走向“语音网络”有哪些挑战？

信息指纹 语音或取代打字点击之间

D 讲不识字的非洲农民被挡在网络信息之外：识字率低导致他们常因不了解行情而被压价。

信息指纹 非洲农民读不了网络信息

E 讲天气信息对农民为何至关重要：农民最常抱怨降雨预测，祖辈方法因气候变化失灵，而知道何时下雨对播种、灌溉、放牧都不可或缺。

信息指纹 降雨预测对农事至关重要

F 讲 Mr Meteo 服务的来历与设计：把在线天气预报转成当地语言的录音放到普通手机上，农民打电话即可收听；服务被设计得便宜易运行。

信息指纹 Mr Meteo 便宜易运行的设计

G 讲语音网络也能帮欧美五分之一阅读能力差的成人，但构建语音网络并不简单：让软件理解单一场景容易，覆盖所有话题、能就任何主题对话还很遥远。

信息指纹 建语音网络并不简单

H 讲技术瓶颈：宽泛的人类对话还要数十年，人工智能不够聪明；连把语音转成文字（语音识别）都极难，因为发音方式因人而异。

信息指纹 语音转文字因发音各异极难

I 讲 Siri 的局限：它能理解随意语言、给出精准结果，但一旦语言从生硬指令转向更自然的交流就受限，并举发短信、编辑信息出错的两个例子。

信息指纹 Siri 解读自然语言出错的实例

J 讲语音交互的亲密感及其引出的隐私担忧：手机一直在收集数据，已引发隐私顾虑；有人担心助手会被黑客威胁，还有人担心被用来直接投放广告。

信息指纹 亲密感背后的隐私与广告担忧

K 讲语音的好处依语境而定：数字语音需更多个性才受欢迎；医生用语音填表每分钟可口述 150 词，是打字的两倍，从而少花时间在行政、多花时间在病人上。

信息指纹 医生口述提速、多陪病人

L 举 Nuance 帮曼彻斯特附近一家诊所建语音系统的实例：医生口述病情，智能助手自动填入网页表单，取代了以往秘书转录这一既贵又易延误的流程。

信息指纹 Nuance 在诊所落地的语音系统

M 讲双手忙碌时语音更合理：做饭手上沾油、开车时都更自然；并引数据指出美国边开车边上网的司机比例上升，用手机比酒驾更易致事故。

信息指纹 做饭开车时语音更自然

SENTENCE INSIGHTS • 句子精讲

## 15 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Some think voice could soon take over from typing and clicking as the main way to interact online.

C段，第1句

主句加宾语从句是四六级和考研阅读中极为常见的句式，think、believe 等动词引出省略 that 的宾语从句更是高频结构。宾语从句内部用情态动词表推测也是典型用法。掌握这种结构后可迁移到大量类似句子，实用性强。

"The most frequently heard complaint is about rainfall predictions," says Mr Dittoh, who lives in Tamale, northern Ghana.

E段，第1句

主句展示直接引语倒装结构（引语作宾语前置、谓语主语后置），练习识别倒装中的主谓宾；从句含关系代词 who 在从句内充当主语的典型用法，以及地点状语的识别；成分种类中等，有一定练习价值。

"They tell us the methods their forefathers used to predict the weather don't seem to work as well these days."

E段，第2句

覆盖成分丰富:主句有双宾语结构(间接宾语us和直接宾语从句),宾语从句含被定语从句修饰的主语加程度状语时间状语,定语从句含省略的关系代词宾语和目的状语,易错点包括宾语从句省略that,定语从句省略关系代词,以及插入定语从句对主干的分隔,训练价值高

"They came up with this," he says.

F段，第2句

本句涵盖了主语、谓语、宾语三个核心成分，且宾语是直接引语形式，可以训练学生识别引述结构和区分引语内容与主句成分。但成分种类较单一，缺少定语、状语、补语等其他成分，训练覆盖面有限。

Even turning your voice into text—automatic speech recognition—is one of the hardest problems to solve, as there are as many ways to pronounce things as there are people on the planet.

H段，第3句

动名词作主语、同位语解释、原因状语从句、比较结构等都是四六级和考研阅读中的高频句式。本句将这些典型结构组合在一起，代表了说明类学术文本的常见表达方式，掌握后可迁移到大量同类句子。

It has also been noted that Siri lacks a proper editing function, as saying "Edit message to say: we're at Silver Cloud restaurant and you should come find us" generates "Clint Sam and Lee saying we're having dinner at Silver Cloud restaurant to say we're at Silver Cloud restaurant and you should come find us".

I段，第4句

成分种类较丰富且含实用易错点：形式主语 it 与真正主语从句的区分是高频考点；动名词短语 saying... 作主语是值得练习的结构；被动语态谓语、原因状语从句的识别都有训练价值；引号内容作为直接引语虽不参与成分划分，但也涉及理解层次区分，整体作为成分划分练习句收益较高。

The benefits of using voice instead of tapping fingers obviously depend on the context.

K段，第3句

简单句结构常见，主语带修饰、谓语接状语的模式在考试阅读中频繁出现，具有一定代表性，但因过于基础、无特殊句式，典型性居中。

Doctors completing online forms about their patients by speech, for example, can dictate 150 words a minute, three times faster than typing on a keyboard.

K段，第4句

涵盖主语（带后置定语修饰）、情态动词谓语、宾语、时间状语、方式状语（含比较结构），成分种类较丰富；现在分词短语作后置定语和比较结构的识别是学习者常见易错点，具有较好的训练价值

Last year, speech recognition company Nuance helped a doctors' surgery in Dukinfield, near Manchester, set up a speech system for the practice's six doctors.

L段，第1句

覆盖主语、谓语、宾语、宾语补足语、时间状语等多种成分，尤其 help sb do sth 结构中的不带 to 不定式宾补是常见易错点，有一定练习价值，但成分种类不算丰富

And speech obviously makes sense when you're driving.

M段，第4句

主句加时间状语从句的结构是四六级和考研阅读中极为常见的句式，固定搭配"make sense"也是高频表达，掌握后可在大量真题句子中复用，具有较高的学习迁移价值。

No wonder using mobile phones while driving causes more crashes a year than drink driving, says the U.S. National Safety Council.

M段，第7句

句子成分丰富：第一个主句涵盖动名词短语作主语（内嵌状语从句）、谓语、宾语（内嵌比较结构）；第二个主句展示倒装语序；状语从句体现省略规则；比较从句展示省略和对比结构。涉及多种易错点：动名词主语识别、状语从句省略还原、比较结构补全、倒装主谓识别。作为成分划分练习句收益较高。

It is extremely difficult to convert voice into text because of different pronunciations.

第38题 题干

It is + 形容词 + to do 是四六级和考研阅读中高频出现的句型，掌握后可大量复用，具有较好的代表性和迁移价值。

African farmers unable to read often don't have access to important information conveyed online.

第39题 题干

本句主谓宾结构清晰，且包含形容词短语和分词短语作后置定语的典型用法，这种定语后置结构在四六级和考研阅读中极为常见。句中 "access to" 的搭配、"conveyed online" 的被动含义也是高频考点。掌握本句结构可迁移到大量同类长难句的分析。

Some phone users worry advertisers will take advantage of voice assistants to send ads directly to them.

第40题 题干

主句 + 宾语从句（省略 that）+ 不定式目的状语，是四六级和考研阅读中的高频句式。worry、believe、think 等动词后省略 that 的宾语从句极为常见，掌握本句结构后可迁移到大量类似句子。

Setting up a spoken web is by no means an easy task.

第43题 题干

本句涵盖动名词短语作主语、系动词作谓语、名词短语作表语三种核心成分，且主语结构较长（包含动名词、介词短语、宾语），表语中又有副词短语修饰，成分种类丰富。特别适合练习识别动名词作主语、区分系动词与实义动词、理解表语的完整边界等易错点。

## 本篇出现的 103 个英语四级真题高频词

下列单词既在本篇真题中出现，又是 **英语四级** 历年真题的高频词（在该考试真题中出现的句子数均不少于 8）。每个词标注本篇 出现次数与该考试真题句频，点击可查看该词的释义、音标、词形与真题例句。

# 2023年6月·第1套 英语四级阅读理解（四选一） 第1篇·46-50 题答案与解析

QUESTIONS & ANALYSIS • 阅读理解题和解析

## 阅读理解题和解析·46-50 题

本页 46-50 题的答案与逐题解析由懒笔记基于2023年6月·第1套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 5 段原文（段首标 P1-P5 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第1套(2023-06) • 四级

Part III Section C (1)

**Directions:** There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

### Passage One

Questions 46 to 50 are based on the following passage.

P1 The United States is facing a housing crisis: Affordable housing is inadequate, while luxury homes abound(充裕), and homelessness remains a persistent problem. Despite this, popular culture and the housing industry market happiness as living with both more space and more amenities(便利设施). Big houses are advertised as a reward for hard work and diligence, turning housing from a basic necessity into a luxury.

美国正面临住房危机：经济适用房供应不足，而豪华住宅却供应充裕，无家可归问题依然长期存在。尽管如此，流行文化和住房行业仍将幸福推销为拥有更大空间和更多便利设施的生活。大房子被宣传为辛勤工作和勤奋努力的回报，使住房从基本必需品变成了奢侈品。

P2 This is reflected in our homes. The average single-family home built in the United States before 1970 was less than 1,500 square feet in size. By 2016, the average size of a new, single-family home was 2,422 square feet. What's more, homes built in the 2000s were more likely than earlier models to have more of all types of spaces: bedrooms, bathrooms, living rooms, dining rooms, recreation rooms and garages.

这体现在我们的住宅中。1970年以前在美国建造的独栋住宅平均面积不到1500平方英尺。到2016年，新建独栋住宅的平均面积达到2422平方英尺。而且，与早期房屋相比，2000年代建造的住宅更可能拥有更多各类空间：卧室、浴室、客厅、餐厅、娱乐室和车库。

P3 There are consequences of living big. As middle-class houses have grown larger, two things have happened. First, large houses take time to maintain, so cleaners and other low-wage service workers are

required to keep these houses in order. Second, once-public spaces, where people from diverse backgrounds used to come together, have increasingly become privatized, leading to a reduction in the number of public facilities available to all, and a reduced quality of life for many. Take swimming pools. While in 1950, only 2,500 U.S. families owned pools, by 1999 this number was 4 million. At the same time, public municipal pools were often closed, leaving low-income people nowhere to swim.

住大房子会带来后果。随着中产阶级住宅变得越来越大，发生了两件事。首先，大房子需要时间维护，因此需要清洁工和其他低薪服务工作者来保持这些房屋的整洁。其次，曾经不同背景的人们聚集的公共空间日益私有化，导致面向所有人开放的公共设施数量减少，许多人的生活质量下降。以游泳池为例。1950年只有2500个美国家庭拥有游泳池，到1999年这个数字达到了400万。与此同时，公共市政游泳池经常被关闭，使低收入人群无处游泳。

P4 The trend for bigger housing thus poses ethical questions. Should Americans accept a system in which the middle and upper classes enjoy a luxurious lifestyle, using the low-wage labor of others? Are we willing to accept a system in which an increase in amenities purchased by the affluent means a reduction in amenities for the poor?

因此，更大住房的趋势引发了伦理问题。美国人应该接受一个中产阶级和上层阶级享受奢华生活方式、使用他人低薪劳动的制度吗？我们愿意接受一个富人购买便利设施增加就意味着穷人便利设施减少的制度吗？

P5 I believe neither is acceptable. We must change the way we think: living well does not need to mean having more private spaces; instead, it could mean having more public spaces. A better goal than building bigger houses for some is to create more publicly accessible spaces and amenities for all.

我认为两者都不可接受。我们必须改变思维方式：生活美好不需要意味着拥有更多私人空间；相反，它可以意味着拥有更多公共空间。比为一些人建造更大房子更好的目标是为大家创造更多可公开使用的空间和便利设施。

## 题目与逐题解析

46. What are big houses promoted to be in the United States?

- A) A luxury for the homeless.
- B) A reward for industriousness.
- C) An abundant source of comforts.
- D) An absolute necessity for happiness.

在美国，大房子被宣传为什么？

A) 无家可归者的奢侈品。 B) 对勤劳的奖赏。 C) 舒适的丰富来源。 D) 幸福的绝对必需品。

【答案】 B (细节题)

【判型】 Q46 问的是 What are big houses promoted to be, 要的是文中明写的一个事实陈述，不需推理。

【拆句】 Q46 是一个被动语态疑问句，主干为 "big houses are promoted to be 什么", promoted to be 后面接的内容就是答案要补的成分，结构平铺，无陷阱。

**【定位】** Big houses are advertised as a reward for hard work and diligence, turning housing from a basic necessity into a luxury.

大房子被宣传成对努力工作和勤勉的一种回报，把住房从基本必需品变成了奢侈品。

**【选项】** A) **张冠李戴**

原文宣传是面向勤奋者的回报，A luxury for the homeless 把奢侈品安到 homeless 头上，而原文 homelessness 只是危机背景，并非大房子的宣传对象。

B) **✓ 正确**

a reward for hard work and diligence ↔ **A reward for industriousness**

预判的"对勤奋的回报"在 A reward for industriousness 中 reward 与 industriousness 双双对应，锁定该项。

C) **答非所问**

An abundant source of comforts 取自第三段及背景里 amenities/abound 的语义，但 Q46 问的是大房子被"宣传成什么"，定位句给的是 reward，不是"舒适之源"。

D) **与原文相反**

原文恰恰说大房子使住房 from a basic necessity into a luxury (从必需变奢侈)，An absolute necessity for happiness 反把它说成"幸福的绝对必需品"，与原文相反。

47. What is one of the consequences of living big?

- A) Many Americans' quality of life has become lower.
- B) People from diverse backgrounds no longer socialize.
- C) People no longer have access to public swimming pools.
- D) Many Americans' private life has been negatively affected.

住大房子的后果之一是什么？

- A) 许多美国人的生活质量变得更低了。 B) 来自不同背景的人们不再社交了。  
C) 人们不再能使用公共游泳池了。 D) 许多美国人的私人生活受到了负面影响。

**【答案】** A (细节题)

**【判型】** What is one of the consequences 用 one of 限定，答案是原文列举的多项后果中的一项，属可直接定位的细节。

**【拆句】** Q47 主干为 "What is one of the consequences", of living big 是后置定语修饰 consequences, one of 提示原文有多项后果，结构简单。

**【定位】** Second, once-public spaces, where people from diverse backgrounds used to come together, have increasingly become privatized, leading to a reduction in the number of public facilities available to all, and a reduced quality of life for many.

第二，曾经的公共空间——不同背景的人过去常在此相聚——日益被私有化，导致面向所有人的公共设施数量减少，许多人的生活质量随之下降。

**【选项】 A) ✓ 正确**

a reduced quality of life for many ↔ **Many Americans' quality of life has become lower**  
预判的"生活质量下降"与 quality of life has become lower 字面同义，直接锁定。

**B) 过度推断**

原文只说公共空间被私有化、不同背景的人"过去"常相聚 (used to)，并未说人们 no longer socialize (彻底不再社交)，属过度引申。

**C) 以偏概全**

游泳池只是说明私有化的一个例子，原文说 public municipal pools were often closed (常被关闭)，no longer have access to public swimming pools 把"常被关"绝对成"再也用不上"，且以个例顶替本题要的总后果。

**D) 偷换概念**

原文受影响的是 quality of life (生活质量)，private life has been negatively affected 偷换成 private life (私人生活)，概念不同。

48. What questions arise from living big?

- A) Questions related to moral principles.
- B) Questions having to do with labor cost.
- C) Questions about what lifestyle to promote.
- D) Questions concerning housing development.

住大房子引发了什么问题？

- A) 与道德原则相关的问题。    B) 与劳动力成本有关的问题。    C) 关于提倡什么样的生活方式的问题。  
D) 关于住房发展的问题。

**【答案】 A** (细节题)

**【判型】** What questions arise from living big 问的是原文明确点出的问题性质，文中有直接对应的形容词限定，属细节。

**【拆句】** Q48 主干 "What questions arise", from living big 为原因状语，整句问 "住大房子引发哪类问题"，无复杂从句。

**【定位】** The trend for bigger housing thus poses ethical questions.

因此，住房越来越大的趋势引出了伦理（道德）层面的问题。

**【选项】 A) ✓ 正确**

ethical questions ↔ Questions related to moral principles

预判的"伦理/道德问题"与 moral principles 同义，直接锁定。

**B) 答非所问**

labor cost 取自第四段反问里 using the low-wage labor of others，但那只是伦理问题的内容举例，问题的"性质"是伦理性，labor cost 答非所问。

**C) 张冠李戴**

lifestyle to promote 接近第五段"该提倡什么生活方式"的话题，但 Q48 问的是第四段引发的性质，what lifestyle to promote 张冠李戴到了下一段内容。

**D) 无中生有**

housing development (住房开发/发展) 在第四段问题里并无对应表述，原文谈的是伦理而非开发问题，属凭空捏造。

49. What kind of social system does the author think is unacceptable?

- A) One in which the wealthy exploit the low-wage laborers building their houses.
- B) One in which the rich purchase amenities at an increasingly unjustifiable price.
- C) One in which the upper classes deprive the lower classes of affordable housing.
- D) One in which the affluent enjoy a more comfortable life at the expense of the poor.

作者认为什么样的社会制度是不可接受的？

- A) 一个富人剥削建造他们房屋的低工资劳动者的制度。
- B) 一个富人以越来越难以证明合理的价格购买便利设施的制度。
- C) 一个上层阶级剥夺下层阶级负担得起的住房的制度。
- D) 一个富人以穷人为代价享受更舒适生活的制度。

**【答案】 D** (细节题)

**【判型】** What kind of social system does the author think is unacceptable 答案在原文有 a system in which... 的直接描述，是可定位的细节，而非需推断的整体态度。

**【拆句】** Q49 主干 "What kind of social system is unacceptable"，中间插入 does the author think 表明这是作者的判断，从句嵌套但语义清晰：找作者认为不可接受的那种制度。

**【定位】** Are we willing to accept a system in which an increase in amenities purchased by the affluent means a reduction in amenities for the poor?

我们是否愿意接受这样一种制度：富人购买的便利设施增加，就意味着穷人可享的便利设施减少？

【选项】 A) 以偏概全

原文第一个反问确提到 using the low-wage labor of others, 但 the low-wage laborers building their houses 把"他人的低薪劳动"窄化为"盖房工人", 且第二个反问(富人便利↔穷人便利)才是更完整的对应, A 项以偏概全。

B) 无中生有

原文说富人购买便利使穷人便利减少, 从未谈 an increasingly unjustifiable price (越来越不合理的价格), 价格维度是捏造的。

C) 偷换概念

deprive the lower classes of affordable housing (剥夺下层的平价住房) 取自首段背景 Affordable housing is inadequate, 但作者第四段否定的制度是"便利的增减对立", 不是剥夺平价住房, 概念被偷换。

D) ✓ 正确

an increase in amenities purchased by the affluent means a reduction in amenities for the poor

↔ **the affluent enjoy a more comfortable life at the expense of the poor**

预判的"富人享乐、穷人受损"恰是 enjoy a more comfortable life at the expense of the poor 的含义, 锁定该项。

50. What does the author advocate for people to live well?

- A) Finding ways to turn private spaces into public ones.
- B) Building more houses affordable to those less affluent.
- C) More public spaces created for everyone to enjoy.
- D) All amenities made accessible to the rich and the poor alike.

作者提倡人们怎样才能生活得好?

- A) 找到将私人空间转变为公共空间的方法。 B) 建造更多那些不太富裕的人负担得起的房屋。
- C) 创造更多供每个人享受的公共空间。 D) 让所有便利设施对富人和穷人一样可及。

【答案】 C (细节题)

【判型】 What does the author advocate 答案是末段作者直接给出的建议, 有明写对应句, 属细节定位题。

【拆句】 Q50 主干 "What does the author advocate", for people to live well 是目的状语 (为了让人们住得好), 整句问 "作者为此提倡什么", 结构清楚。

【定位】 A better goal than building bigger houses for some is to create more publicly accessible spaces and amenities for all.

比起为少数人盖更大的房子, 更好的目标是为所有人创造更多可公共使用的空间与设施。

【选项】 A) 无中生有

作者主张是"创造更多公共空间", 并未说要把私人空间 turn private spaces into public ones (改造成公共空间), 这一具体做法原文没有。

B) 与原文相反

Building more houses affordable 回到了"盖房子", 而作者主张的恰恰是别再盖大房子、转向公共空间, 且 affordable housing 是首段背景非作者的提倡, 方向与主张相悖。

C) ✓ 正确

create more publicly accessible spaces and amenities for all ↔

**More public spaces created for everyone to enjoy**

预判的"为所有人创造公共空间"与 More public spaces created for everyone to enjoy 字面同义, 锁定该项。

D) 偷换概念

原文是"为所有人创造公共空间与设施", All amenities made accessible to the rich and the poor alike 用 All amenities 把范围绝对化为"所有便利设施都对贫富开放", 超出作者所说的"公共空间"范围。

SENTENCE INSIGHTS • 句子精讲

## 9 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

The United States is facing a housing crisis: Affordable housing is inadequate, while luxury homes abound(充裕), and homelessness remains a persistent problem.

第1段, 第1句

本句采用了主句 + 冒号扩展 + 并列成分 + 插入状语从句的结构, 这种在主句中插入对比或让步从句、同时使用并列连词连接多个分句的句式, 在四六级和考研阅读中较为常见, 尤其是讨论社会问题时常用此类结构来呈现对比或多方面现象, 具有较强的代表性和迁移价值。

The average single-family home built in the United States before 1970 was less than 1,500 square feet in size.

第2段，第2句

主系表结构加后置定语是四六级和考研阅读中的高频句式，本句的“名词 + 过去分词短语”这种后置定语形式非常典型，掌握后可以迁移到大量类似句子的理解中，具有较强的代表性。

What's more, homes built in the 2000s were more likely than earlier models to have more of all types of spaces: bedrooms, bathrooms, living rooms, dining rooms, recreation rooms and garages.

第2段，第4句

“主语 + 系动词 + 形容词比较级 + to do”是四六级和考研阅读中的高频句式（如 be more likely to、be easier to），比较结构与不定式搭配也是常考组合；后置定语修饰主语的模式同样典型；掌握本句结构后可迁移到大量类似句子，代表性较强。

First, large houses take time to maintain, so cleaners and other low-wage service workers are required to keep these houses in order.

第3段，第3句

因果并列句（通过“so”连接）是四六级和考研阅读中的高频句式，被动语态结合不定式补足语（“are required to do”）也是典型的书面表达结构。本句结构具有很强的代表性，学生掌握后可迁移到大量类似句子。

Second, once-public spaces, where people from diverse backgrounds used to come together, have increasingly become privatized, leading to a reduction in the number of public facilities available to all, and a reduced quality of life for many.

第3段，第4句

本句结构在考研和四六级真题中高度典型：定语从句分隔主干，现在完成时描述社会变化趋势，分词短语作结果状语。这种“主语 + 定语从句插入 + 完成时谓语 + 分词短语”的模式在学术文章和考试阅读中反复出现，掌握后可大量复用。

### The trend for bigger housing thus poses ethical questions.

第4段，第1句

简单句的主谓宾结构在四六级和考研真题中确实常见，但本句过于简洁，没有体现真题句子常见的复杂修饰、从句嵌套或长难句特征。后置定语和插入状语虽是常见手法，但在本句中规模太小，代表性一般。掌握后可迁移的价值有限。

### Should Americans accept a system in which the middle and upper classes enjoy a luxurious lifestyle, using the low-wage labor of others?

第4段，第2句

疑问句 + 定语从句 + 分词短语状语的组合是四六级及考研阅读中的高频句式。"in which" 引导的定语从句在学术和议论文体中常见，现在分词作伴随或方式状语也是典型用法。掌握此句结构后，学习者可迁移到大量类似句式的理解和分析中，代表性强。

### Are we willing to accept a system in which an increase in amenities purchased by the affluent means a reduction in amenities for the poor?

第4段，第3句

综合来看，本句主干清晰但嵌套明显，时态语态搭配典型，成分种类丰富且覆盖常考结构，作为句子分析和时态辨识的训练材料具有较高价值。虽然复杂度未达顶级，但其典型性和可迁移性使其适合作为中高难度练习句优先推荐。

### We must change the way we think: living well does not need to mean having more private spaces; instead, it could mean having more public spaces.

第5段，第2句

主句 "must + 动词原形" 的情态动词结构，以及 "the way (that) + 从句" 的定语从句省略用法，都是四六级和考研真题中的高频句式；冒号和分号引出解释、对比的长句布局也符合学术写作和议论文常见模式，具有较高的复用性。

# 2023年6月·第1套 英语四级阅读理解（四选一） 第2篇·51-55 题答案与解析

QUESTIONS & ANALYSIS · 阅读理解题和解析

## 阅读理解题和解析 · 51-55 题

本页 51-55 题的答案与逐题解析由懒笔记基于2023年6月·第1套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 8 段原文（段首标 P1-P8 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第1套(2023-06) · 四级

Part III Section C (2)

**Directions:** There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

### Passage Two

Questions 51 to 55 are based on the following passage.

P1 Most of us in the entrepreneurial community are blessed—or cursed—with higher-than-average ambition. Ambitious people strongly desire accomplishments and are willing to take more risks and spend more effort to get them.

我们创业群体中的大多数人都被赋予了——或者说被诅咒了——高于平均水平的雄心。有雄心的人强烈渴望成就,并且愿意承担更多风险、付出更多努力来获得它们。

P2 Overall, this is a positive quality, especially for people trying to build their own businesses. Apparently, if you're more naturally driven to set goals, you are more likely to succeed.

总体而言,这是一种积极的品质,尤其对于那些试图创建自己事业的人来说。显然,如果你天生更有动力去设定目标,你就更有可能成功。

P3 Actually, this isn't always the case. In fact, in some cases, extreme ambition may end up doing more harm than good.

实际上,情况并非总是如此。事实上,在某些情况下,极度的雄心最终可能弊大于利。

P4 One major side effect of excessive ambition is the tendency to focus too determinedly on one particular vision or end goal. This is problematic because it hinders your ability to adapt to new circumstances, which is vital if you want to be a successful entrepreneur. If a new competitor emerges to

threaten your business, you may need to change direction, even if that means straying from your original vision. If you have too much ambition, you'll find this hard, if not impossible.

过度雄心的一个主要副作用是倾向于过于坚定地专注于某一特定愿景或最终目标。这是有问题的,因为它妨碍了你适应新环境的能力,而这对于想要成为成功企业家的你来说至关重要。如果出现新的竞争对手威胁你的业务,你可能需要改变方向,即使这意味着偏离你最初的愿景。如果你有太多雄心,你会发现这很难做到,甚至不可能做到。

P5 Few people are successful when they try to build their first brand. Unfortunately, for the most ambitious entrepreneurs, a failure is seen as disastrous, and impossible to recover from.

很少有人尝试建立第一个品牌时就取得成功。不幸的是,对于最有雄心的企业家来说,失败被视为灾难性的,并且不可能从中恢复。

P6 It's a clear departure from the intended plan toward the intended goal. For people with limited ambition, however, failure is viewed as something closer to reality. Remember, failure is inevitable, and every failure you survive is a learning experience.

这是对既定计划朝向既定目标的明确偏离。然而,对于雄心有限的人来说,失败被看作更接近现实的东西。记住,失败是不可避免的,你经历的每一次失败都是一次学习经历。

P7 Ambitious people tend to be more materialistically successful than their non-ambitious counterparts. However, they're only slightly happier than their less-ambitious counterparts, and tend to live significantly shorter lives. This implies that even though ambitious people are more likely to achieve conventional "success," such success means nothing for their health and happiness—and if you don't have health and happiness, what else could possibly matter?

有雄心的人往往比没有雄心的人在物质上更成功。然而,他们只比不那么有雄心的人稍微快乐一点,并且寿命往往明显更短。这意味着,尽管有雄心的人更有可能获得传统意义上的"成功",但这种成功对他们的健康和幸福毫无意义——如果你没有健康和幸福,还有什么别的可能重要呢?

P8 Clearly, some amount of ambition is good for your motivation. Without any ambition, you wouldn't start your own business, set or achieve goals and get far in life. But an excess of ambition can also be dangerous, putting you at risk of burnout, stubbornness and even a shorter life.

显然,一定程度的雄心对你的动力是有益的。没有任何雄心,你不会创办自己的企业,不会设定或实现目标,也不会生活中走得很远。但过度的雄心也可能是危险的,使你面临倦怠、固执甚至寿命缩短的风险。

## 题目与逐题解析

51. What does the author think of most entrepreneurs?

- A) They are more willing to risk their own lives.
- B) They are more ambitious than ordinary people.
- C) They achieve greater nonconventional success.
- D) They have more positive qualities than most of us.

作者如何看待大多数企业家?

- A) 他们更愿意冒自己生命的危险。
- B) 他们比普通人更有雄心。
- C) 他们取得了更大的非传统成功。
- D) 他们比我们大多数人拥有更多积极品质。

【答案】 B (细节题)

【判型】 题干 What does the author think of most entrepreneurs? 直接问对一个明确对象看法，答案能在原文某句找到对应陈述，不需跨段综合，属细节题而非推断。

【拆句】 题干 What does the author think of most entrepreneurs? 是 think of 引导的特殊疑问句，think of sb 意为"对某人的看法"，结构平铺直叙、无陷阱。

【定位】 Most of us in the entrepreneurial community are blessed—or cursed—with higher-than-average ambition.

我们创业圈里的大多数人，都被赋予——或者说被困于——高于常人的野心。

【选项】 A) 偷换概念

原文说野心者 willing to take more risks 指愿冒事业风险，选项却说 risk their own lives (拿命冒险)，把"风险"偷换成"生命危险"。

B) ✓ 正确

higher-than-average ambition ↔ more ambitious than ordinary people

选项 They are more ambitious than ordinary people 与预判"野心高于普通人"完全吻合，是定位句的同义替换。

C) 无中生有

原文谈的是 conventional "success" (传统成功)，选项却说 nonconventional success (非传统成功)，文中从无此说法。

D) 以偏概全

原文只说野心 this is a positive quality 是"一种"积极特质，选项却说创业者 more positive qualities than most of us "比我们多"，既夸大数量又把比较对象搞错(原文 most of us 本就包含创业者)。

52. What does the author imply by saying "this isn't always the case" (Line 1, Para. 3)?

A) Ambitious people may not have a greater chance of success.

B) Ambitious people may not have more positive qualities.

C) Entrepreneurs' ambition does as much good as harm.

D) Entrepreneurs are more naturally driven to success.

作者说"情况并非总是如此"(第3段第1行)意味着什么?

A) 有雄心的人可能没有更大的成功机会。 B) 有雄心的人可能没有更多积极品质。

C) 企业家的雄心带来的好处和坏处一样多。 D) 企业家更天然地被驱使走向成功。

【答案】 A (词义句意题)

【判型】 题干 What does the author imply by saying "this isn't always the case" 用 imply by saying 问一个具体句子的含义，要求理解 this 指代什么、否定的是什么，属词义句意题。

【拆句】 题干主干 What does the author imply, by saying "..." 是方式状语；关键在引文里的 this 是指代词，须回原文找它替代的上文内容；isn't always 是部分否定，意为"并非总是"，不是全盘否定。

**【定位】** Actually, this isn't always the case.

实际上, 情况并非总是如此。

**【选项】** A) ✓ 正确

you are more likely to succeed ↔ **may not have a greater chance of success**

选项 Ambitious people may not have a greater chance of success 正是"this (野心者更易成功) + 部分否定"的还原, 与预判一致。

B) 偷换概念

this 指代的是"更易成功", 并非"积极特质"; 选项 may not have more positive qualities 把否定矛头指向上一段的 positive quality, 找错了 this 的指代。

C) 与原文相反

原文只说极端野心 may end up doing more harm than good (弊"大于"利), 选项却说 does as much good as harm (利害"相当"), 把"大于"篡改成"相等"。

D) 与原文相反

选项 more naturally driven to success 几乎照搬上文 more naturally driven to set goals, 可这恰是本句要否定的观点, 方向正好相反。

53. What does the author say is of extreme importance for one to become a successful entrepreneur?

- A) Holding on to one's original vision.
- B) Being able to adapt to new situations.
- C) Focusing determinedly on one particular goal.
- D) Avoiding radical change in one's career direction.

作者认为对于成为成功的企业家来说,什么是极其重要的?

- A) 坚持自己最初的愿景。
- B) 能够适应新的情况。
- C) 坚定地专注于某一特定目标。
- D) 避免在职业方向上发生剧烈变化。

**【答案】** B (细节题)

**【判型】** 题干 What does the author say is of extreme importance 用 say 直问作者明说的内容, 答案是原文一句强调重要性的话, 属细节题。

**【拆句】** 题干 What does the author say is of extreme importance for one to become a successful entrepreneur?, 主干是 What...is of extreme importance; of+抽象名词等于形容词, of extreme importance = extremely important; for one to become... 是不定式目的状语, 指明"为了成为成功创业者"。

**【定位】** This is problematic because it hinders your ability to adapt to new circumstances, which is vital if you want to be a successful entrepreneur.

这是有问题的, 因为它会损害你适应新环境的能力, 而这种能力对于想成为成功创业者的人至关重要。

**【选项】 A) 与原文相反**

原文说过度野心导致 focus too determinedly on one particular vision 反而有害, 需 straying from your original vision; 选项 Holding on to one's original vision (死守原愿景) 正是文章要批评的做法。

**B) ✓ 正确**

adapt to new circumstances ↔ **adapt to new situations**

选项 Being able to adapt to new situations 与预判"适应新环境的能力"几乎逐词对应, 确为答案。

**C) 与原文相反**

选项 Focusing determinedly on one particular goal 直接抄自 focus too determinedly on one particular vision, 而原文说这是过度野心的"副作用", 绝非"极其重要"之事。

**D) 与原文相反**

原文说有时须 change direction"改变方向", 选项却说 Avoiding radical change in one's career direction"避免大改方向", 与文意相左。

54. How do the most ambitious entrepreneurs regard failure in their endeavor?

- A) It will awaken them to reality.
- B) It is a lesson they have to learn.
- C) It means the end of their career.
- D) It will result in a slow recovery.

最有雄心的企业家如何看待他们事业中的失败?

- A) 失败会让他们认清现实。
- B) 失败是他们必须学习的一课。
- C) 失败意味着他们职业生涯的终结。
- D) 失败会导致缓慢的恢复。

**【答案】 C** (细节题)

**【判型】** 题干 How do the most ambitious entrepreneurs regard failure 问一个明确群体对失败的态度, 原文有明文表述, 属细节题。

**【拆句】** 题干 How do the most ambitious entrepreneurs regard failure in their endeavor?, regard sth 意为"看待某事", in their endeavor (在其奋斗中) 是范围状语; 结构清晰、无陷阱。

**【定位】** Unfortunately, for the most ambitious entrepreneurs, a failure is seen as disastrous, and impossible to recover from.

不幸的是, 对那些野心最大的创业者来说, 一次失败被视为灾难性的、且无法翻身的。

【选项】 A) 张冠李戴

awaken them to reality 对应的是第六段 failure is viewed as something closer to reality, 那讲的是"野心有限者", 而非题干问的"野心最大者"。

B) 张冠李戴

a lesson they have to learn 对应第六段 every failure you survive is a learning experience, 同样是说"野心有限者", 张冠李戴。

C) ✓ 正确

disastrous, and impossible to recover from ↔ means the end of their career

选项 It means the end of their career 把"灾难、无法恢复"提炼成"事业到头", 与预判一致, 确为答案。

D) 与原文相反

原文说 impossible to recover from "无法恢复", 选项却说 result in a slow recovery "导致缓慢恢复", 恢复从"不可能"被偷改成"慢"。

55. What does the author advise us to do concerning ambition?

- A) Distinguish between conventional success and our life goal.
- B) Follow the example of the most ambitious entrepreneurs.
- C) Avoid taking unnecessary risks when starting a business.
- D) Prioritize health and happiness over material success.

关于雄心,作者建议我们做什么?

- A) 区分传统成功与我们的人生目标。      B) 效仿最有雄心的企业家的榜样。
- C) 创业时避免承担不必要的风险。      D) 将健康和幸福置于物质成功之上。

【答案】 D (推断题)

【判型】 题干 What does the author advise us to do concerning ambition? 问作者的建议, 原文未必有一句直说"我建议你.....", 需综合全文对野心利弊的论述提炼, 属推断题。

【拆句】 题干 What does the author advise us to do concerning ambition?, advise sb to do 意为"建议某人做某事", concerning ambition (关于野心) 是话题状语; 结构平铺直叙、无陷阱。

【选项】 A) 偷换概念

原文要区分的是 conventional "success" 与 health and happiness, 选项 Distinguish between conventional success and our life goal 把后一项换成了文中没有的"人生目标", 区分对象被改错。

B) 与原文相反

全文都在指出 the most ambitious entrepreneurs 看待失败的方式有害, 选项 Follow the example of the most ambitious entrepreneurs 却劝人效仿他们, 与作者立场正相反。

C) 以偏概全

Avoid taking unnecessary risks 只关乎 take more risks 这一点, 并非全文劝诫的落脚点; 作者最终落脚点是健康幸福, 而非"少冒险", 以偏概全且无中生有。

D) ✓ 正确

such success means nothing for their health and happiness—and if you don't have health and happiness, what else could possibly matter?

↔ **Prioritize health and happiness over material success**

选项 Prioritize health and happiness over material success 与主线"健康幸福重于成功"吻合, 且统摄全文对过度野心的批评, 是建议题应有的全局答案。

SENTENCE INSIGHTS • 句子精讲

## 20 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Most of us in the entrepreneurial community are blessed—or cursed—with higher-than-average ambition.

第1段, 第1句

这种"名词性主语 + 系动词 + 表语 + 介词补充说明"的句式非常常见, 阅读里经常出现。破折号插入对照说明的写法也有较强迁移价值。

Ambitious people strongly desire accomplishments and are willing to take more risks and spend more effort to get them.

第1段, 第2句

并列谓语结构和不定式作补足语、目的状语都是四六级及考研阅读中常见句式, 具有一定代表性, 但本句缺少从句和复杂修饰成分, 作为典型例句的全面性稍有不足。

Overall, this is a positive quality, especially for people trying to build their own businesses.

第2段，第1句

主系表加状语和后置定语简单句在四六级阅读中常见，但不属于高频考点句式（如定从、状从、强调句等），典型性居中。

Apparently, if you're more naturally driven to set goals, you are more likely to succeed.

第2段，第2句

条件状语从句 if 加主句的结构在四六级和考研阅读中非常常见，主句用 be likely to 表示可能性也是高频表达，从句中被动语态 be driven to do 的搭配也具有代表性，学习这个句式有较强的迁移价值。

In fact, in some cases, extreme ambition may end up doing more harm than good.

第3段，第2句

本句的“情态动词 + 动词短语”结构以及“doing + 比较结构作宾语”的搭配在四六级和考研阅读中较为常见，具有一定代表性。但作为简单句，缺少从句嵌套这一高频难点，因此典型性适中，掌握后可在一定范围内复用。

If a new competitor emerges to threaten your business, you may need to change direction, even if that means straying from your original vision.

第4段，第3句

条件状语从句加让步状语从句的组合在考试阅读中非常常见，尤其是商业、管理类文章。主句使用情态动词表示建议或可能性也是典型的学术和应用文写作句式，学习价值较高。

Few people are successful when they try to build their first brand.

第5段，第1句

主句加时间状语从句是四六级和考研阅读中的常见句式，这种结构在真题中频繁出现，掌握后可迁移到大量类似句子的理解中。

Unfortunately, for the most ambitious entrepreneurs, a failure is seen as disastrous, and impossible to recover from.

第5段，第2句

本句使用的 "be seen as" 被动结构和 "impossible to do" 搭配在四六级和考研阅读中经常出现，属于高频句式。简单句形式便于学习者掌握后迁移到更复杂的语境中，典型性较高。

For people with limited ambition, however, failure is viewed as something closer to reality.

第6段，第2句

本句为典型的被动语态简单句，且带有句首介词短语状语和 "be viewed as" 这一高频搭配，这种结构在四六级和考研阅读中频繁出现，掌握后可迁移到大量类似句式的理解中，具有较高的典型性

Remember, failure is inevitable, and every failure you survive is a learning experience.

第6段，第3句

结构高度典型：祈使句 + 宾语从句（并列分句 + 定语从句）是四六级、考研常考句式，涵盖引导词省略、关系代词省略、并列连词等核心考点，掌握后可大量迁移到同类真题句。

Ambitious people tend to be more materialistically successful than their non-ambitious counterparts.

第7段，第1句

比较结构 "more...than..." 是四六级和考研阅读中的高频句式，且本句展示了比较分句中谓语承前省略的典型用法，学习后可迁移到大量类似句子。主句的 "tend to be" 结构也很常见。

However, they're only slightly happier than their less-ambitious counterparts, and tend to live significantly shorter lives.

第7段，第2句

并列谓语 + 比较结构是考试阅读中的常见句式，尤其是用 and 连接两个谓语表达对比或递进，以及 than 引出的比较结构。转折副词 However 开头也是典型的段落衔接方式。这类结构在四六级和考研真题中频繁出现，掌握后可大量复用，典型性较高。

This implies that even though ambitious people are more likely to achieve conventional "success," such success means nothing for their health and happiness—and if you don't have health and happiness, what else could possibly matter?

第7段，第3句

这句结构层级清楚但不简单，既能练主干定位，也能练从属关系和情态判断，适合作为中高频训练材料。对句子结构和时态的综合训练价值较高。

They are more willing to risk their own lives.

第51题，A

本句使用 "be + 形容词 + 不定式" 的结构，这是英语中表达意愿、能力或倾向的常见句式（如 be ready to、be able to），在考试中出现频率较高，具有一定的代表性和迁移价值。

Entrepreneurs' ambition does as much good as harm.

第52题，C

简单句在考试中常见，但本句特殊之处在于宾语使用了 as...as 比较结构，这种结构在阅读理解和翻译中有一定出现频率；不过整体句式过于简单，与四六级、考研常考的复杂长难句差距较大，代表性中等偏下。

What does the author say is of extreme importance for one to become a successful entrepreneur?

第53题 题干

疑问词引导的宾语从句是四六级和考研阅读中极为常见的句式，尤其是 "What does X say/think/believe..." 这类询问观点的结构在真题中反复出现。本句的疑问词双重身份(既引导疑问又在从句中充当成分)也是典型考点。掌握这种结构后,可直接迁移到大量类似句型,实用性和代表性都很强。

It is a lesson they have to learn.

第54题，B

主系表结构 + 限制性定语从句修饰表语名词，且关系代词省略，是四六级和考研阅读中非常常见的句式。这种嵌入式定语从句的结构在真题中反复出现，典型性高，掌握后可迁移到大量类似句子。

### It will result in a slow recovery.

第54题，D

"It will result in ..." 是常见的表达未来结果的句式，在写作和阅读中较为典型；但结构过于基础，无法代表四六级或考研中常考的复杂句式（如多从句、特殊结构等）。

### What does the author advise us to do concerning ambition?

第55题 题干

特殊疑问句是四六级和考研阅读理解中的常见题型，尤其是问作者观点或建议的句式（"What does the author advise/suggest/argue" 等）高频出现；掌握这种疑问句的结构和成分划分，对理解考题和定位答案很有帮助。

### Avoid taking unnecessary risks when starting a business.

第55题，C

祈使句 + 时间状语从句是四六级和考研中较为常见的句式，尤其在建议类、说明类文章中频繁出现。动名词作宾语、状语从句的省略形式都是高频考点。本句结构简洁且典型，掌握后可以迁移到大量类似句型（如祈使句 + 条件状语从句、祈使句 + 原因状语从句等），具有较强的代表性和实用价值。

# 2023年6月·第1套英语四级汉译英（段落翻译）·中国终身教育与高校继续教育现状介绍 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

## 汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2023年6月·第1套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第1套(2023-06) • 四级

Part IV

**Directions:** For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

中国越来越重视终身教育,发展继续教育是构建终身教育体系的有效途径。高校作为人才培养的基地,拥有先进的教学理念和优越的教学资源,理应成为继续教育的办学主体。因此,近年来许多高校适应社会需求,加强与用人单位沟通,努力探索一条符合中国国情的继续教育发展新路,以使继续教育在国家发展战略中发挥更大的作用。

### 参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

China attaches increasing importance to lifelong education, and developing continuing education is an effective way to build a lifelong education system. As a base for cultivating talent, universities, possessing advanced teaching philosophies and superior teaching resources, should be the main providers of continuing education. Therefore, in recent years, many universities have been exploring a new path of continuing education that suits China's national conditions by adapting to social needs and strengthening communication with employers, so as to enable continuing education to play a greater role in the national development strategy.

## 【衔接】第1句与第2句之间：用主题衔接，避免重复 continuing education

第1句尾落在 lifelong education system，第2句承接谈‘高校该当继续教育的主体’，话题自然顺承，无须硬加关联词。注意第2句主语直接用 universities 即可，不必回指上句。

## 第2句与第3句之间：用 Therefore 显出因果

中文 因此 已点明第3句是承前两句（高校理应成为主体）而来的行动结果，英文定稿在第3句句首保留 Therefore，把这层因果显化，让整篇逻辑链清晰。

## 第3句内部：用 continuing education 串起首尾，保持术语一致

第3句既出现 a new path of continuing education，末尾又 enable continuing education to play a greater role，前后都用同一译法 continuing education 承接同一概念，整篇术语统一、读着连贯。

## 逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

## 【主旨】中国终身教育与高校继续教育现状介绍

整段是一篇客观说明文，讲中国对终身教育的态度与高校在继续教育中的角色定位：中国越来越重视终身教育、理应成为继续教育的办学主体。语体是政策 / 社会现象的客观陈述（这正是四级汉译英最常考的方向），不带个人情感，措辞偏正式、书面。

## 【时态】一般现在时

通篇陈述的是中国当前的普遍态度与高校当下的客观状况、应然角色，不是某个已完结的历史事件，如 中国越来越重视终身教育、高校作为人才培养的基地、理应成为继续教育的办学主体 讲的都是现状与常态，故全篇以一般现在时为主。第三句 近年来许多高校.....努力探索 是延续到现在的动作，可用现在完成时或一般现在时，仍属现在范畴、不与基调冲突。

## 【译法】终身教育

统一译作 lifelong education。这是 终身教育 的约定俗成英译，全篇两处都用它（lifelong 一词，注意是合写、不加连字符也通行）。

## 继续教育

统一译作 continuing education。继续教育 全篇出现多次（办学主体、发展新路、发挥作用），务必前后一律用同一译法，切勿一会儿 continuing、一会儿 further education 混着来。

## 高校

统一译作 universities（或 colleges and universities）。高校 在第二、三句反复出现，泛指这一类机构，故用复数 universities；不要写成单数 university。

## 用人单位

意译作 employers。用人单位 指招聘和使用人才的单位，英文最自然的对应就是 employers，不必硬译成 employing units 之类的中式表达。

## 中国国情

意译作 China's national conditions 或 the actual conditions of China。符合中国国情 是高频文化负载短语，记一个固定说法 in line with China's national conditions 即可全篇复用。

1. 中国越来越重视终身教育,发展继续教育是构建终身教育体系的有效途径。

**【主干】 拆成两个主谓：China attaches... + developing... is a way** (主语策略：原句主语)

这句中文有两层意思，宜拆成两句英文。前半 中国越来越重视终身教育 主语是‘中国’、核心动词是‘重视’，译 China attaches increasing importance to lifelong education；后半 发展继续教育是构建终身教育体系的有效途径 是‘A 是 B’判断句，把‘发展继续教育’这个动作用动名词 developing continuing education 作主语，谓语 is，表语 an effective way。

**【降级】 逗号前后是两件事，拆成两句独立英文**

中文一个逗号连起的两层意思（中国重视终身教育 / 发展继续教育是有效途径），逻辑上是并列说明，硬用 and 连成一句会头重脚轻。更地道的是断成两句：China attaches increasing importance to lifelong education. Developing continuing education is an effective way to build a lifelong education system. ‘构建终身教育体系的’是修饰‘途径’的定语，用不定式 to build a lifelong education system 后置，比堆在 way 前面自然。

**【语法】 时态**

回指全篇基调用一般现在时：attaches、is 都用现在时，陈述的是中国当前的态度与一条客观成立的途径。

**搭配**

‘重视’的地道搭配是 attach importance to sth；‘越来越重视’把 importance 前加 increasing / growing (attaches increasing importance to)，或整句用 pays more and more attention to，避免逐字译成 more and more value。

**主谓一致**

后句主语是动名词短语 Developing continuing education，视作单数第三人称，谓语用 is（不是 are）。

**冠词**

‘一条有效途径’是泛指的一种途径，用不定冠词 an effective way；‘终身教育体系’泛指这一体系，a lifelong education system。

**【译文】 China attaches increasing importance to lifelong education, and developing continuing education is an effective way to build a lifelong education system.**

2. 高校作为人才培养的基地,拥有先进的教学理念和优越的教学资源,理应成为继续教育的办学主体。

**【主干】 主语 universities, 谓语 should be, 表语 主体** (主语策略：原句主语)

这句中文主语很清楚就是 高校 (universities)，核心落点是 理应成为继续教育的办学主体——‘理应成为……主体’，谓语用 should be / should become，表语 the main providers of continuing education。前面‘作为人才培养的基地’‘拥有先进的教学理念和优越的教学资源’都是为这个结论作铺垫的修饰 / 并列成分，不抢主干。

### 【降级】‘作为基地’作状语，‘拥有.....资源’作伴随分词

高校作为人才培养的基地 的‘作为.....’用 As a base for training talent 作句首状语；拥有先进的教学理念和优越的教学资源 这个动词‘拥有’降级成现在分词 possessing advanced teaching philosophies and superior teaching resources 作伴随状语；主干只留 should be the main providers of continuing education。三个动词只留一个作谓语，其余分别降为介词状语和分词，避免照中文用三个并列动词平铺。

### 【语法】情态动词

‘理应’含‘按理应当’的语气，用 should (should be / should become) 最贴切，比 must 委婉、比 will 准确。

#### 单复数

主语 universities 用复数泛指这一类机构，谓语 should be 不受单复数影响；表语‘办学主体’指多所高校共同承担，用复数 the main providers / the main body 视所选词而定。

#### 时态

should be 本身就是现在语气，符合全篇一般现在时基调，不必改时态。

#### 搭配

‘人才培养的基地’译 a base for cultivating / training talent (talent 表‘人才’作不可数集合名词，不加 s)；‘办学主体’取意为‘主要办学者’译 the main providers，避免直译 running-school subject 这类中式词。

### 【译文】As a base for cultivating talent, universities, possessing advanced teaching philosophies and superior teaching resources, should be the main providers of continuing education.

3. 因此，近年来许多高校适应社会需求，加强与用人单位沟通，努力探索一条符合中国国情的继续教育发展新路，以使继续教育在国家发展战略中发挥更大的作用。

### 【主干】主语 many universities，谓语落在‘努力探索’have been exploring（主语策略：原句主语）

这句最长，主语是许多高校 (many universities)。三个动作‘适应社会需求 / 加强与用人单位沟通 / 努力探索新路’里，努力探索一条.....继续教育发展新路 是最终目标、分量最重，提作主干谓语 have been exploring a new path...；‘适应需求’‘加强沟通’是为探索新路而做的并行努力，降级处理；末尾 以使继续教育.....发挥更大的作用 是目的，用 so as to 引出。

### 【降级】前两动作 by doing 并列降级，末句目的用 so as to

适应社会需求 与 加强与用人单位沟通 是探索新路的手段，可用 by adapting to social needs and strengthening communication with employers 作方式状语，或并列分词降级；主干 many universities have been exploring a new path of continuing education that suits China's national conditions——‘符合中国国情的’用定语从句 that suits... 后置修饰 path；末尾 以使继续教育在国家发展战略中发挥更大的作用 表目的，用 so as to enable continuing education to play a greater role in the national development strategy。四个动作没有平铺，而是‘手段 + 主干 + 目的’三层挂在一根主干上。

## 【语法】时态

近年来‘配’一直在探索’这一延续到现在的动作，用现在完成进行时 have been exploring 最贴切；这属现在范畴，与全篇一般现在时基调不冲突。若把握不准，用一般现在时 explore 也可接受。

### 主谓一致

主语 many universities 是复数，助动词用 have (have been exploring) ，不是 has。

### 冠词

‘一条新路’首次提及、泛指一条，用 a new path；‘国家发展战略’特指中国这一既定战略，用 the national development strategy。

### 介词搭配

‘适应’用 adapt to，‘加强与……沟通’用 strengthen communication with，‘发挥作用’用 play a role in，‘符合国情’用 suit / meet / be in line with China's national conditions——这几个介词搭配错一个就丢分。

### 逻辑关联

句首‘因此’承接上文的结论，用 Therefore 引出，逗号隔开。

**【译文】** Therefore, in recent years, many universities have been exploring a new path of continuing education that suits China's national conditions by adapting to social needs and strengthening communication with employers, so as to enable continuing education to play a greater role in the national development strategy.
