四级 · 真题卷第1套 · 2024年12月

Part I

Writing

(30 minutes)

Directions: Suppose the business school of your university is conducting a survey to collect students' opinions on the express delivery service industry in China. You are to write a response about its recent development and its impact on people's lives. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1. A) She is making a special effort to be recognized.
B) She has been living in Fayetteville for 25 years.
C) She has been driving a school bus ever since 2009.
D) She is the longest-serving bus driver in Fayetteville.
2. A) The importance of their service to the city.
B) The number of riders they serve in the city.
C) The new proclamation issued early this week.
D) The significance of the event to take place March 18.

Questions 3 and 4 are based on the news report you have just heard.

3. A) Budgeted \$56.7 million for the coming school year.
B) Requested to raise teachers' salaries by 3 percent.
C) Proposed a spending increase by 5.99 percent.
D) Kept raising funds for at least 8 budget cycles.
4. A) Decrease in salaries for school administrators.
B) Reduction in federal and state funding.
C) Firing of less qualified faculty members.
D) Closing down of some less competitive schools.

Questions 5 to 7 are based on the news report you have just heard.

5. A) They often take place in the Scottish highlands.
B) They usually happen in the middle of the night.
C) Their damage can be as serious as that of bombs.
D) Their loud claps can be confused with explosions.
6. A) They sent out a message to calm them down.
B) They promised to stop the construction work.
C) They told them the military exercise was over.
D) They set off to inspect the site of the plane crash.
7. A) Keep warm.
B) Take caution.
C) Avoid driving.
D) Use rail service.

Section B

Directions: *In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 8 to 11 are based on the conversation you have just heard.

8. A) Why the man is so anxious to buy a new phone.
B) How the man could possibly afford a new phone.
C) How the man got into the habit of being wasteful.
D) Why the man is so fond of using his credit card.
9. A) It is not in fashion any more.
B) It goes out of order frequently.
C) It is not as fancy as his colleagues'.
D) It lacks functions office work requires.
10. A) It enables him to buy a new phone at a more favorable price.
B) It is a special offer to recent college graduates working in offices.
C) It is available to office workers who have a good enough credit score.
D) It allows him to borrow money without paying interest for six months.
11. A) She borrowed money to pay her debt.
B) She developed a habit of overspending.
C) She enjoys buying a lot of fancy things.
D) She regrets ignoring the woman's advice.

Questions 12 to 15 are based on the conversation you have just heard.

12. A) Blog writing and natural resources saving.
B) Joint efforts to improve the local community.
C) Audience participation in The Morning Show.
D) Home ownership and environmental protection.
13. A) Not a realistic size for families.
B) Not welcomed by most Americans.
C) Only fit for families of four or less.
D) Only suitable for renting to the poor.
14. A) It should be changed.
B) It isn't easy to realize.
C) It will come true sooner or later.
D) It doesn't appeal to average families.
15. A) They help to lower housing prices.
B) They help to save up for larger houses.
C) They are a good choice for many people.
D) They are vital to reducing waste worldwide.

Section C

Directions: *In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on Answer Sheet 1 with a single line through the centre.*

Questions 16 to 18 are based on the passage you have just heard.

16. A) Play outdoors and enjoy themselves.
B) Beat challenges and take risks.
C) Take care of their well-being.
D) Grow up strong and healthy.
17. A) Enable them to develop their motor skills.
B) Help them to conceal their frustration.
C) Reduce their stress and depression.
D) Prevent them from feeling lonely.
18. A) It begins early.
B) It proves demanding.
C) It calls for lifelong efforts.
D) It lies in nature experiences.

Questions 19 to 21 are based on the passage you have just heard.

19. A) When companies share their information online.
B) When their job search criteria are met fully.
C) When companies embrace greater diversity
D) When they find job postings visually attractive.
20. A) Emails in the normal format.
B) Major companies in one location.
C) All companies in the same sector.
D) Various aspects of a company's workforce.
21. A) Job security.
B) Potential pay raises.
C) Minimum base salary.
D) Information about diversity.

Questions 22 to 25 are based on the passage you have just heard.

22. A) Positive.
B) Original.
C) Important.
D) Surprising.
23. A) Dogs match their behavior with kids as much as with adults.
B) Kids and adults alike find in dogs a source of attachment.
C) Kids' attitude to dogs is influenced by adults.
D) Dogs can help kids in many ways.
24. A) Dogs pay much attention to the kids they live with.
B) Dogs view both adults and kids as social companions.
C) Kids differ from adults in their behavior towards dogs.
D) Kids need to be aware of the risks in playing with dogs.
25. A) Understanding dogs.
B) Training dogs.
C) Taking care of dogs.
D) Associating with dogs.

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding*

letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

When Toni Morrison died in 2019, the world lost one of its most influential authors. But Morrison was not an early success. Her first novel was not published until she was 39, and her last appeared when she was 84. And Morrison was not 26 in this regard. Numerous writers produce masterpieces well into their 70s and beyond. Such 27 accomplishments highlight an important point. Our capacity to speak, write and learn new vocabulary does not seem to 28 with age. Our eyesight may dim and our recall may weaken, but, by comparison, our ability to produce and to 29 language is well preserved into older adulthood.

Indeed, the latest research that has emerged on language and aging shows that language mastery is a 30 that we begin as infants and continue on for the rest of our lives. Some aspects of our language abilities, such as our knowledge of word meanings, 31 improve during middle and late adulthood. One study, for example, found that adults over sixty had an average vocabulary size of over 21,000 words. The researchers also studied a 32 of college students and found that their average vocabulary contained 33 16,000 words. In another study, older adults, with an average age of 75, 34 better than participants in their youth or middle years on tasks that required them to determine the meaning of words. Thus, language seems to be a skill that, contrary to what many might 35, does not weaken with age.

| G) equivalent | O) unit |
| H) journey | |

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

Why it's wrong to look at work-life balance as an achievement

- A) Few topics have been so endlessly analysed as work-life balance. The quest to attain this mysterious state has dominated discussion around careers for years—especially for working parents. The concept is often presented as something to achieve, or a goal to reach. And once you've reached it, congratulations: you've made it; you're a successful human being of the 21st century.
- B) But the problem is that we often tell ourselves: "I'm going to put in eight hours' worth of work, and then I'm going to put in eight hours' worth of 'me time', which will include my family, my hobbies, my workout, my everything," says Anat Lechner, clinical associate professor of management at New York University. "I don't think it's such a simple formula."

- C) And, according to new findings, it may not be. Some researchers are now encouraging us to stop thinking about work-life balance as an achievement that you either hit or don't. Instead, they suggest it may be more of a lifelong process—a continuous, never-ending exercise that requires self-awareness and timely adjustments. Researchers Ioana Lupu and Mayra Ruiz-Castro argue that work-life balance is "a cycle, not an achievement". In their 2020 study, the researchers interviewed nearly 80 employees at two London-based firms—an equal number of men and women between the ages of 30 and 50, all with at least one dependent child—who worked in middle or senior management roles.
- D) Although it sounds like the respondents had a lot in common, here's what separated them: about 30% of the men and 50% of the women reported resisting working long hours. The other respondents, meanwhile, all worked long hours because they thought that's what successful professionals should do.
- E) Lupu and Ruiz-Castro looked at those who rejected the long hours and they found that those workers actually had strikingly similar strategies for maintaining their work-life balance. They had a tendency to reflect and question assumptions in the name of self-awareness and regularly took steps to adjust the things standing in their way to work-life balance.
- F) Lupu and Ruiz-Castro identified five steps that the respondents in the study who had better work-life balance used in their jobs. First, they paused and reconsidered beliefs such as "I'm a professional, so I should work, work, work", and asked themselves questions like, "What's currently causing me stress?" Second, after identifying the cause, they zeroed in on their resultant emotions. Did they feel angry, sad, energised? Third, they reprioritised, asking "Is working long hours really worth cutting back on family time?", for example. Fourth, they considered their alternatives: is there anything at work that could be changed to accommodate these new priorities? And finally, they implemented changes, like asking their supervisor for greater flexibility, or deciding not to take on every project that comes their way.
- G) This five-step process is something anyone can adopt. Going through the steps, and constantly checking in with yourself, can help you shift and adapt your professional life to something that will better harmonise with your personal one. "Awareness of your emotional state is essential in order to determine the changes you want to make in your work and in your life," says Lupu.
- H) New York University's Lechner agrees that finding that balance is an ongoing pursuit. It's not simply about dividing up the hours in your day between work, the gym, kids and chores. If the underlying emotional sources of stress are still there, then the time you actually spend at home may not be enjoyable. "We come home and even though physically we are there, mentally we still may be processing things that happened at work. We're not present," she says. What we call "work-life balance" is actually just a substitute to having a sense of fulfillment and contentment.
- I) Of course, finding that balance probably shouldn't be something you have to do by yourself. Research by Erin Kelly, professor of work and organisation studies at MIT, shows companies and managers can play a key role in creating a better environment for workers. For her book *Overload: How Good Jobs Went Bad and What to Do about It*, she and co-author Phyllis Moen split more than 1,000 employees at a Fortune 500 company into two groups, one that worked under a management redesign and one that continued working within the existing management structure.
- J) Under the management redesign, many steps were taken to ensure better work-life balance and prevent burnout(精疲力竭). Managers were regularly reminded to explicitly support their employees. Workers were allowed to make changes, like cancelling 9 am meetings. All of this was done in the name of increasing job satisfaction and giving workers greater flexibility, and to assure workers that it was something management

was committed to. Unsurprisingly, Kelly and Moen found that employees in the redesign group reported less stress and less burnout. They were less likely to quit their jobs; indeed, over the next four years, they were 40% less likely to quit than those who kept working under the old policies.

- K) "Work-life balance is understood to be an individual's response, so people think 'it's up to me to manage the craziness of my work life'", says Kelly. But organisations need to examine the demands they're placing on employees. "The root problem is not how the two pieces of work and life come together. It's that we have unrealistic expectations of what we're asked to do on the work side." If your workplace isn't an environment where work-life balance is possible in the first place, any effort you attempt to make toward it on a personal level will be in vain.
- L) That's a conversation that appears to be gathering pace. The new prevalence of remote and flexible working models will likely all play important roles in how we balance our professional and personal lives. And if it seems like finding that perfect balance remains difficult to achieve, the experts say that keeping some perspective can help. For millions of people, work is about being able to put food on the table. Talking about work-life balance "is a very privileged conversation", says Lechner. "If we're reflecting, maybe we should also reflect on that."
36. According to a management expert, work-life balance is not as simple as giving equal amounts of time to work and personal life.
37. Research found that those who are given greater flexibility at work are less stressed and more likely to stay in their jobs.
38. Workers who rejected working long hours tended to make regular adjustments in order to achieve work-life balance.
39. Talking about work-life balance is said to be a privilege reserved for the better-off, not for those who barely make a living.
40. Knowing one's emotional state is of utmost importance in deciding what changes to make for a better work-life balance.
41. More female professionals reported being reluctant to work overtime than their male counterparts.
42. Without organisational support, any personal effort to maintain work-life balance will be unsuccessful.
43. The question of how to achieve work-life balance has long been the main subject of discussion among workers.
44. You may not actually experience emotional wellbeing at home if you remain occupied with what happened at work.
45. Some researchers suggest that work-life balance is not a goal to achieve, but a process for life to be adjusted promptly.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

The weakening of the human connection to nature might be good for economic growth but is bad for people. A tipping point was reached in 2020 when human-made materials—such as steel, concrete and plastic—were found to weigh more than all life on Earth. Continuing to grow concrete forests rather than real ones is shortsighted. Simply being in the nearest wood has such health benefits that the Woodland Trust successfully lobbied for it to be prescribed by doctors.

Yet slipping from popular culture is the wonder and beauty of the natural world. For every three nature-related words in hit songs of the 1950s, researchers found, there was only slightly more than one 50 years later. It is not a moment too soon that teenagers will be able to take a natural history test, given that for decades children have been able to name more video game characters than wildlife species.

Part of remedying this social disease would be for parliament to pass a "right to grow" law, allowing anyone to turn underused public spaces into vegetable and fruit gardens. The idea is for people to get back in touch with the soil—while producing food sustainably.

Vegetable planting has a respectable tradition. In April 1649, locals responded to high prices and food shortages by cultivating vegetables on common land in Southern England. The practice of throwing seed bombs to turn vacant plots of land green took off in 1970s New York, and has been revived(使复活) by green-thumbed(有园艺才能的) social media influencers who defy local US regulations in a war on ugly spots in cities.

Apart from the urgent task of providing more healthy nutrients to those who increasingly can't afford them, publicly accessible fruit and vegetable gardens connect what we eat to where it comes from—the means of production, if you will. They can make unlovely spaces lovely, and marry use and beauty as well as help promote a sense of community. Plants are also, of course, our first defence against species loss and climate change. Such planting is a small step for humanity—in the right direction.

46. What does the author want to emphasise in the first paragraph?

- A) The year 2020 was a big turning point in human history.
- B) Economic growth benefits people little in the long run.
- C) It is unwise to weaken the human connection to nature.
- D) It is harmful to mankind to use human-made materials.

47. What did researchers find about popular culture?

- A) It is increasingly detached from the natural world.
- B) It is filled with all kinds of video game characters.
- C) It is especially appealing to the taste of teenagers.
- D) It is still impacted by the hit songs of the 1950s.

48. What does the author propose people do?

- A) Take measures to ensure sustainable food development.
- B) Reconnect with nature through the right to grow.
- C) Stand by the parliament in fighting social diseases.
- D) Cover public spaces with fruit trees and vegetable plants.

49. What do we learn from the passage about vegetable planting?
- A) It all started in 1649 in Southern England.
 - B) It is protected by US government regulations.
 - C) It has long been used to increase food supply and improve urban landscape.
 - D) It has been popularised worldwide with the increasing influence of social media.
50. What can publicly accessible fruit and vegetable gardens do apart from their practical functions?
- A) Raise people's environmental awareness.
 - B) Add to the great variety of plant species.
 - C) Act as the first defence against natural disasters.
 - D) Enhance people's community spirit.

Passage Two

Questions 51 to 55 are based on the following passage.

Engineering in the U.S. has long been a male-dominated profession. Fifty years ago, it looked like that might change.

In 1970, the percentage of women majoring in engineering was less than 1%. In 1979, that number was 9%. Many hoped women would continue to enter the field at the same rate. But that's not what happened. Today, only 21% of engineering majors are women, a number largely unchanged since 2000.

I am a historian who, along with my colleagues, surveyed 251 women engineers who graduated from college in the 1970s. These pioneers reflected on the challenges they faced—and had advice for women entering the field today.

One survey taker explained, "The greatest challenge for me was continuing to believe in myself, when all the messages I was getting were that I would never be taken seriously or promoted or given raises at the same rate as men, who were clearly less qualified and not as smart as I was."

A chemical engineer who worked in manufacturing agreed, "You have to prove yourself just because you are female. And you have to work twice as hard!"

A civil engineer said, "We are 'women engineers.' People don't refer to a man as a 'man engineer'—he's an engineer. We are constantly reminded that we don't truly belong." Another civil engineer stated, "On many levels, you're never quite one of the groups."

Women also talked about family caregiving responsibilities. A retired vice president from a major chemical company stated, "Young women engineers are on an equal footing until they have children, then they struggle to balance work and family—and compete with men who don't have the same household responsibilities."

But over the years things have changed a lot. Young women engineers are more accepted mostly because there are just more of them.

Many women engineers hailed the benefits of their chosen career. A program manager in manufacturing stated that engineering is the best degree. A mechanical engineer said, "It will give you the flexibility to do almost anything. It is also satisfying to see the effects of what you have done."

51. What does the passage say about the engineering profession in the United States?
- A) It has seen a change in attitude towards women engineers since 1979.
 - B) It witnessed a significant increase in women engineers in the 1970s.
 - C) It has experienced the gradual weakening of male dominance.
 - D) It boasted the largest number of engineering majors in 2000.
52. What does one survey taker say was her greatest challenge?
- A) Not to feel superior to less qualified male engineers.
 - B) Not to take seriously all the messages she was getting.
 - C) Not to think highly of her qualifications when promoted or given a pay raise.
 - D) Not to lose self-confidence though constantly discouraged or unfairly treated.
53. How do women engineers frequently feel according to the two civil engineers?
- A) Disqualified on many levels.
 - B) Excluded from the group.
 - C) Overworked by their organizations.
 - D) Looked down upon by male colleagues.
54. What probably makes young women engineers more accepted nowadays?
- A) Their success in gaining an equal footing.
 - B) Their ability to balance work and family.
 - C) The change in their responsibilities.
 - D) The increase in their number.
55. What can we conclude about many female engineers from the statement of a mechanical engineer?
- A) They take great pride in their chosen career.
 - B) They have reaped the benefits of being flexible.
 - C) They enjoy doing engineering to the best degree.
 - D) They have proved capable of doing almost anything.

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

中国政府十分重视环境保护。近年来,中国在减少空气、水和土壤污染上取得了显著成效。为了不断改善人们的生活环境,中国采取了一系列有效措施,包括大力发展清洁能源,改善公共交通,推广共享单车,实施垃圾分类。通过这些措施,中国的城市和农村正在绿起来、美起来。中国还积极参与国际合作,为全球环境保护做出了重要贡献。

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2024年12月·第1套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第1套(2024-12) • 英语四级

Part I

Directions: Suppose the business school of your university is conducting a survey to collect students' opinions on the express delivery service industry in China. You are to write a response about its recent development and its impact on people's lives. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

【参考范文·161词】 写作无唯一标准答案，以下为达标示范

As a student invited to share my views in this survey, I am glad to comment on the express delivery industry in China, which has grown at an astonishing pace in recent years.

To begin with, the recent development of this industry is remarkable. Delivery networks now reach even remote villages, and parcels that once took a week can be delivered overnight. Smart lockers and automated sorting centres, powered by big data, have made the whole process faster and more accurate than ever before.

More importantly, this development has reshaped our daily lives. With reliable next-day delivery, people can shop online for almost anything, from food to books, without leaving home. Such convenience saves us time and energy, and it has also created millions of jobs for delivery workers across the country.

In conclusion, China's express delivery industry has advanced rapidly and brought real benefits to ordinary people. I firmly believe it will continue to make our lives even more convenient.

【参考译文】

作为一名受邀在本次调查中分享看法的学生，我很乐意就中国的快递行业谈谈自己的观点——这个行业近年来以惊人的速度成长。

首先，这个行业近期的发展令人瞩目。如今快递网络甚至覆盖到偏远的乡村，过去要一周才能送到的包裹现在可以隔夜送达。由大数据驱动的智能快递柜和自动分拣中心，让整个流程比以往更快、更准确。

更重要的是，这种发展重塑了我们的日常生活。有了可靠的次日达，人们足不出户就能在网上购买几乎任何东西，从食品到书籍。这样的便利为我们节省了时间和精力，也为全国的快递从业者创造了数百万个工

作岗位。

总之，中国的快递行业发展迅速，给普通人带来了实实在在的好处。我坚信它会继续让我们的生活变得更加便利。

【第 1 段】开头即应景亮中心。本段用 As a student invited to share my views in this survey 呼应调查情境、点明应答身份，再以 which has grown at an astonishing pace 的定语从句总起中心，落实了首段『应邀点题加亮中心』的功能。

【第 2 段】发展段有具体支撑。本段用 parcels that once took a week can be delivered overnight 做今昔对比，又举 Smart lockers and automated sorting centres 的智能技术，把『发展』写得具体可信，而非空喊『很发达』。

【第 3 段】影响落到普通人。本段以 More importantly 递进到影响，用 people can shop online for almost anything 写个人便利，再以 created millions of jobs 补社会层面的就业影响，从个人到社会有层次。

【第 4 段】总评加展望收尾。本段用 In conclusion 合并发展与影响重申中心，再以 I firmly believe it will continue 表态展望收尾，干净呼应开头。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

写快递业发展加影响

本题要写一篇就中国快递业发表看法的短文，任务是双份的：既要写 its recent development，又要写 its impact on people's lives，两件事缺一不可，只写一件直接丢分。

读者 • 语域

应邀答卷的正式书面语

身份是被 the business school of your university 邀请、参与 conducting a survey 的学生，面向调查发起方作答，用正式书面语即可。它虽叫 response，本质是 essay 议论短文，不是信件，无需 Dear 称呼和落款署名。

中心立意

发展迅猛且惠及生活

中心论点：中国快递业近年发展迅猛，并实实在在改善了人们的生活——正好一句话同时回应 its recent development and its impact on people's lives。

要展开的要点

1. 发展：快、广、智能

第一个要点落实 its recent development：快递网络覆盖到偏远乡村、包裹次日达、智能快递柜与大数据分拣提高效率，用可验证的事实而非空泛形容词。

2. 影响：网购便利加就业

第二个要点落实 its impact on people's lives：人们足不出户就能网购、省时省力，行业还为社会创造大量就业岗位。

3. 整体评价与展望

第三个要点用于收尾：把发展与影响合起来给一句整体评价，并展望它会让生活更便利。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文——对应。

第 1 段 应邀点题加亮中心

呼应 conducting a survey 的情境，表明受邀作答，并用一句话端出中心论点。

第 2 段 专写行业发展

集中笔墨落实 its recent development，用具体事实支撑。

第 3 段 专写生活影响

把镜头转到普通人身上，落实 its impact on people's lives。

第 4 段 总评加展望

合并两任务重申中心，并以一句展望收尾。

第 1 段 受邀作答加总起发展快

点明应 the business school of your university 之邀，就 express delivery service industry in China 发表看法，并总起一句：这个行业近年发展惊人。

应景表态句架 · As a student invited to share my views in this survey, I am glad to comment on ... (填本题要评论的对象)

定语从句总起 · ..., which has grown at an astonishing pace in recent years. (用 which 从句给对象补一句总评)

第 2 段 网络广加次日达加智能分拣

落实 its recent development：网络覆盖到偏远乡村、包裹从一周变次日达、智能快递柜与大数据分拣提高效率。

主题句领起 · To begin with, the recent development of ... is remarkable. (一句话点出本段谈发展)

今昔对比举例 · Parcels that once took a week can now be delivered overnight. (用 once ... now ... 做前后对比，让变化可感)

第3段 网购便利加创造就业

落实 its impact on people's lives: 人们足不出户就能网购、省时省力, 行业还为快递从业者创造大量岗位。

递进过渡 · More importantly, this development has reshaped our daily lives. (用 More importantly 把话题从发展递进到影响)

凭借状语引好处 · With reliable next-day delivery, people can ... (用 With 引出条件, 再说它带来的具体好处)

第4段 重申中心加展望更便利

收束: 快递业发展快、给普通人带来实惠, 并展望它会让生活更方便, 呼应开头中心。

总结提示语 · In conclusion, ... has advanced rapidly and brought real benefits to ... (用 In conclusion 收束并合并两个要点)

表态展望 · I firmly believe it will continue to make our lives even more convenient. (用 I firmly believe 加将来时展望收尾)

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维 (内容切题 / 结构连贯 / 语言准确 / 字数格式) 给出本题达标要点, 并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

双任务各占一段

本题最易只写发展、漏掉影响。达标要点是让发展和影响各有一个专段, 任何一块空缺都会被判偏题失分。

结构连贯**路标词贯穿全篇**

本题四段之间应各有一个明确过渡，缺了衔接词，四段会像四段互不相干的话，连贯分要扣。

语言准确**完成时加现在时描述变化**

本题谈『近期发展』最贴切的是现在完成时；易失分处是把 has developed 写成 developed，或第三人称漏掉动词的 -s。

字数格式**区间内且无书信格式**

达标要点是既不欠字数也不超上限，且全篇是议论文短文形态，不带 Dear 称呼与署名。

典型低分写法 · 反面示例与改法

空喊方便无支撑

反面示例（劣质写法）：Express delivery is very fast and very convenient. It is very good for us and makes us happy. 改后：Parcels that once took a week now arrive overnight, so people can receive online orders without leaving home.

只写发展漏影响

反面示例：通篇都在讲行业多先进、快递多快，却一句没提对人们生活的影响，直接漏掉 its impact on people's lives. 修正：单列一段写网购便利、省时省力与就业带动。

错当书信套格式

反面示例：开头写 Dear Sir, 结尾写 Yours sincerely, Li Ming. 本题是 write a response 形式的 essay，不需要称呼与署名，套信件格式反而失分。

PAPER & KEY · 听力题和解析

听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2024年12月·第1套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第1套(2024-12) · 英语四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1 The City of Fayetteville is making a special effort to recognize its bus drivers ahead of the newly proclaimed Transit Driver Appreciation Day happening Saturday. As part of the event, the city is celebrating its longest-serving driver on the force.

Fayetteville市正在特别努力表彰其公交车司机，以迎接新设立的公交司机感谢日，该日定于周六举行。作为活动的一部分，该市正在庆祝其服务时间最长的在职司机。

2 That driver is Sherry Christian. Christian has been a driver for 25 years. The Fayetteville native believes driving a school bus allows her to give back to her community. She says that the best part of the job is watching the children who ride her bus grow up.

这位司机是Sherry Christian。Christian已经担任司机25年。这位Fayetteville本地人认为驾驶校车让她能够回馈社区。她说这份工作最好的部分是看着乘坐她的校车的孩子们长大。

3 Transit Driver Appreciation Day has been celebrated across the country as far back as 2009. However, this week, the City of Fayetteville issued a proclamation for the day to take place March 18th. Officials

said they want bus drivers to know how important they are to Fayetteville, serving almost 1.6 million riders a year.

公交司机感谢日早在2009年就在全国内庆祝。然而,本周Fayetteville市发布公告将这一日期定为3月18日。官员们表示,他们希望公交车司机知道他们对Fayetteville有多么重要,每年为近160万名乘客提供服务。

1. A) She is making a special effort to be recognized.
B) She has been living in Fayetteville for 25 years.
C) She has been driving a school bus ever since 2009.
D) She is the longest-serving bus driver in Fayetteville.

【题目】 What do we learn about Sherry Christian?

【翻译】 关于Sherry Christian我们了解到什么?

- A) 她正在特别努力以获得认可。 B) 她已在Fayetteville生活了25年。
C) 她自2009年以来一直驾驶校车。 D) 她是Fayetteville服务时间最长的公交车司机。

【答案】 D (细节题) She is the longest-serving bus driver in Fayetteville.

【定位】 As part of the event, the city is celebrating its longest-serving driver on the force.

作为活动的一部分, 该市正在表彰其在职时间最长的司机。

【信号】 最高级 longest-serving 强调。 答案句的信号是最高级 longest-serving driver on the force——『在职最久的司机』。最高级是新闻强调『独一份身份』的标志, 一旦听到 the longest / the most, 往往就是出题点, 要立刻锁定。

【替换】 the city is celebrating its longest-serving driver on the force ↔

She is the longest-serving bus driver in Fayetteville.

同身份的换说法

【排除】 A) 张冠李戴

录音里 The City of Fayetteville is making a special effort to recognize its bus drivers 的主语是『城市』在努力表彰司机；选项 A 把它偷换成 She is making a special effort to be recognized.——变成『她自己在努力争取被认可』。努力的人从城市换成了她本人，主语张冠李戴。

借用原文：The City of Fayetteville is making a special effort to recognize its bus drivers

B) 原词陷阱

录音第 2 段说 Christian has been a driver for 25 years.——她当『司机』25 年；选项 B 把这个 25 年的数字盗来，安到 living in Fayetteville for 25 years『在 Fayetteville 住了 25 年』上。录音说的是开车 25 年、不是住了 25 年，听到 25 years 就选正中陷阱。

借用原文：Christian has been a driver for 25 years.

C) 原词陷阱

录音第 3 段 Transit Driver Appreciation Day has been celebrated across the country as far back as 2009. 里的 2009，说的是『这个表彰日全国早在 2009 年就有了』，与她本人无关；选项 C 把 2009 盗来，说成 driving a school bus ever since 2009『她从 2009 年起开校车』。年份对象被偷换，听到 2009 就选即中招。

借用原文：Transit Driver Appreciation Day has been celebrated across the country as far back as 2009.

-
2. A) The importance of their service to the city.
B) The number of riders they serve in the city.
C) The new proclamation issued early this week.
D) The significance of the event to take place March 18.

【题目】 What did city officials of Fayetteville want bus drivers to be aware of?

【翻译】 Fayetteville 市政府官员希望公交车司机意识到什么？

- A) 他们为这座城市提供的服务的重要性。 B) 他们在这座城市服务的乘客数量。
C) 本周早些时候发布的新公告。 D) 将于 3 月 18 日举行的活动的重要意义。

【答案】 A (细节题) The importance of their service to the city.

【定位】 Officials said they want bus drivers to know how important they are to Fayetteville, serving almost 1.6 million riders a year.

官员们说，他们想让公交司机知道，他们对 Fayetteville 有多么重要，每年服务近 160 万名乘客。

【信号】 官方表态 said they want...to know. 答案句的信号是官方直接表态 Officials said they want bus drivers to know how important they are——『官员说想让司机知道他们有多重要』。said...want...to know 直接抛出他们要传达的内容，是答案句的明确路标。

【替换】 how important they are to Fayetteville ↔ The importance of their service to the city.

形容词改名词

【排除】 B) 原词陷阱

录音句尾 serving almost 1.6 million riders a year 确实念到了乘客数量，但它只是补充说明司机为何重要的背景；选项 B 把这个数字盗来当成官方想让司机知道的内容 The number of riders they serve in the city. 官方强调的是『重要性』，不是『乘客数量』这个数字本身，听到 riders 就选即中招。

借用原文：serving almost 1.6 million riders a year

C) 答非所问

录音第 3 段 this week, the City of Fayetteville issued a proclamation 提到本周发了公告，选项 C 把它说成 The new proclamation issued early this week.。公告是事件背景，题目问的是『官方想让司机知道什么』，公告本身不是答案，属答非所问。

借用原文：this week, the City of Fayetteville issued a proclamation for the day

D) 原词陷阱

录音 for the day to take place March 18th 念到了活动日期 3 月 18 日，选项 D 把它说成 The significance of the event to take place March 18.。日期只是活动安排的细节，官方想让司机知道的是『他们的重要性』而非『这个活动的意义』，听到 March 18 就选即被日期带偏。

借用原文：for the day to take place March 18th

Questions 3 and 4 are based on the news report you have just heard.

1 The Wilton School Board has proposed a 5.99% spending increase. If approved, it would be the largest jump in at least eight budget cycles. The 5.99% request more than doubles the highest previous year-over-year increase in the last eight years, which was 2.99% for the 2021-2022 school year. The biggest driver of the \$91.8 million proposed budget remains teacher salaries. These account for 64% of the total request at \$59 million. The \$59 million is up from the \$56.7 million budgeted for the current school year.

Wilton学区委员会提议增加5.99%的支出。如果获得批准,这将是至少八个预算周期中最大的增幅。5.99%的增幅请求是过去八年中最高年度增幅的两倍多,而此前最高增幅是2021-2022学年的2.99%。这份9180万美元预算提案的最大驱动因素仍然是教师工资。教师工资占总请求金额的64%,为5900万美元。5900万美元高于本学年预算的5670万美元。

2 There are some factors that could affect the budget moving forward. One of those is total enrollment. The district will have a total enrollment of 3,742 students. Almost all of these students will be in kindergarten through high school, but 66 will be in prekindergarten and other programs. This represents 47 fewer students than the current year. Fewer students mean less federal and state funding.

有一些因素可能会影响未来的预算。其中之一是总入学人数。该学区将有3742名学生入学。几乎所有这些学生都将在幼儿园到高中阶段就读,但有66名学生将在学前班和其他项目中。这比本学年减少了47名学生。学生人数减少意味着联邦和州拨款减少。

3. A) Budgeted \$56.7 million for the coming school year.
B) Requested to raise teachers' salaries by 3 percent.
C) Proposed a spending increase by 5.99 percent.
D) Kept raising funds for at least 8 budget cycles.

【题目】 What does the news report say the Wilton School Board has done?

【翻译】 新闻报道称 Wilton 学区委员会做了什么？

- A) 为即将到来的学年预算了 5670 万美元。 B) 要求将教师工资提高 3%。
C) 提议将开支增加 5.99%。 D) 在至少 8 个预算周期内持续筹集资金。

【答案】 C (细节题) Proposed a spending increase by 5.99 percent.

【定位】 The Wilton School Board has proposed a 5.99% spending increase.

威尔顿学区校董会提出了一项 5.99% 的支出增长。

【信号】 开篇首句直陈主体动作。新闻把核心事实放在开篇，第一句 The Wilton School Board has proposed a 5.99% spending increase. 直接交代了校董会做的事，主体+动作+数字俱全，正是答案句。

【替换】 has proposed a 5.99% spending increase ↔ **Proposed a spending increase by 5.99 percent.**
原句几乎平移到选项

【排除】 A) **原词陷阱**

Budgeted \$56.7 million for the coming school year. 借用了录音真实念到的数字 56.7 million，可录音说的是 up from the \$56.7 million budgeted for the current school year——这是『本学年』已编的旧预算、是被比较的基数，并非为『下一学年』新编的，听到 56.7 million 就选会掉坑。

借用原文：up from the \$56.7 million budgeted for the current school year

B) **原词陷阱**

Requested to raise teachers' salaries by 3 percent. 看似与教师薪资相关，但录音只说薪资占比 64% of the total request 与金额升至 59 million，从未说按 3% 加薪；3 percent 与录音里的 2.99% 近似，是用近似数字加上『加薪』这个貌似合理的动作拼出来的干扰。

借用原文：2.99% for the 2021-2022 school year

D) **原词陷阱**

Kept raising funds for at least 8 budget cycles. 抓住了录音里的 at least eight budget cycles，但录音原意是『这是至少八个预算周期以来最大的一次涨幅』，eight budget cycles 是个时间比较范围，并非校董会『持续筹款八个周期』这个动作，属于把时间状语硬读成动作。

借用原文：the largest jump in at least eight budget cycles

4. A) Decrease in salaries for school administrators.
B) Reduction in federal and state funding.
C) Firing of less qualified faculty members.
D) Closing down of some less competitive schools.

【题目】 What will a decline in the total enrollment lead to?

【翻译】 总入学人数下降会导致什么？

- A) 学校管理人员工资减少。 B) 联邦和州资助减少。 C) 解雇资质较低的教职员工。
D) 关闭一些竞争力较弱的学校。

【答案】 B (细节题) Reduction in federal and state funding.

【定位】 This represents 47 fewer students than the current year. Fewer students mean less federal and state funding.

这意味着比本学年少了 47 名学生。学生减少意味着联邦和州的拨款减少。

【信号】 因果词 mean 点出后果。录音用 Fewer students mean less federal and state funding 中的 mean 直接把『学生减少』和『拨款减少』连起来，mean 后面那一截就是题目要的后果，是标准的因果信号句。

【替换】 less federal and state funding ↔ Reduction in federal and state funding.

less 换成名词 Reduction

【排除】 A) 原词陷阱

Decrease in salaries for school administrators. 里 salaries 一词录音确实出现过（教师薪资升至 59 million），但录音只说薪资是上涨的、且针对的是教师而非行政人员，更没说招生下降会让薪资下降，是把听过的 salaries 拿来嫁接的无中生有后果。

借用原文：teacher salaries. These account for 64% of the total request at \$59 million

C) 未提及

Firing of less qualified faculty members. 听上去『钱少了就裁人』很合逻辑，但录音对学生减少给出的唯一后果是拨款减少，从未提到裁教师，这是用常识脑补、原文未提。

D) 未提及

Closing down of some less competitive schools. 同样是凭常识想象的后果，录音谈的是同一个学区内部的预算与拨款，根本没提到关停任何学校，属未提及。

Questions 5 to 7 are based on the news report you have just heard.

¹ A rare thundersnow event has taken place in Scotland. And alarmed locals contacted police, thinking they had heard bombs going off. The phenomenon happens when thunder and lightning mix with a heavy snowstorm—sometimes causing loud claps that can be confused with explosions.

苏格兰发生了一次罕见的雷雪事件。惊慌失措的当地居民联系了警方，以为他们听到了炸弹爆炸的声音。这种现象发生在雷电与暴雪混合时，有时会产生巨大的爆裂声，容易被误认为是爆炸。

2 One person described it as a loud boom, similar to a plane crash. Another person was woken up in the middle of the night by what he thought was early construction work starting. The noise was powerful enough to shake buildings and set off car alarms. The police were flooded with many calls from the public. And they sent out a message asking people to remain calm. The police assured everyone that it was just thunder and lightning rather than some military exercise. The weather was the coldest it had been for the season, so people were warned to be careful when traveling outside. In particular, dangerous conditions such as icy roads or wet ground could cause difficulty for drivers. The rail service also announced potential disruptions to trains due to the deep snow. Some roads were also closed because of the severe weather.

一个人将其描述为一声巨响,类似于飞机坠毁。另一个人在半夜被他以为是早期施工开始的声音吵醒。这种噪音强大到足以震动建筑物并触发汽车警报器。警方接到了大量公众来电。他们发出信息要求人们保持冷静。警方向所有人保证这只是雷电,而不是什么军事演习。天气是本季最冷的,因此人们被警告在外出时要小心。特别是结冰的道路或湿滑的地面等危险状况可能会给司机造成困难。铁路部门也宣布由于积雪深厚,列车可能会受到干扰。一些道路也因恶劣天气而关闭。

5. A) They often take place in the Scottish highlands.
B) They usually happen in the middle of the night.
C) Their damage can be as serious as that of bombs.
D) Their loud claps can be confused with explosions.

【题目】 What do we learn about thundersnows from the report?

【翻译】 我们从报道中了解到关于雷暴雪的什么信息?

- A) 它们经常发生在苏格兰高地。 B) 它们通常发生在午夜时分。
C) 它们造成的破坏可能与炸弹一样严重。 D) 它们的巨大响声可能会与爆炸声混淆。

【答案】 D (细节题) Their loud claps can be confused with explosions.

【定位】 The phenomenon happens when thunder and lightning mix with a heavy snowstorm—sometimes causing loud claps that can be confused with explosions.

这一现象发生在雷电与强暴风雪交织之时——有时会造成响亮的轰鸣声,让人误以为是爆炸。

【信号】 定义句"The phenomenon happens when..."。信号是这句对现象下定义的结构 The phenomenon happens when (这一现象发生在.....之时), 新闻在介绍一个陌生概念后, 紧跟的这种"定义/解释句"就是该现象特征的承载句, 听到"The phenomenon..."就锁定它后面的内容。

【替换】 loud claps that can be confused with explosions ↔

Their loud claps can be confused with explosions.

原句换主语几乎平移

【排除】 A) 原词陷阱

录音开头只说这次事件发生在苏格兰这一具体地点，并没说雷雪"往往发生在苏格兰高地"。A 借"Scotland/highlands"这个地名营造熟悉感，把"这一次在苏格兰"偷换成"通常在高地"，是个频率/范围被夸大的陷阱。

借用原文：A rare thundersnow event has taken place in Scotland.

B) 原词陷阱

录音里 woken up in the middle of the night 说的是"某个人这一次在半夜被吵醒"，并非"雷雪通常发生在半夜"。B 把这个时间状语原词搬过来，又加上"usually"夸成惯例，听到"middle of the night"就选 B 正中陷阱。

借用原文：Another person was woken up in the middle of the night

C) 偷换概念

录音说的是雷雪的"巨响"可被误当爆炸（声音层面），并没说它的"破坏力"和炸弹一样大。C 借用"bombs"这个原词，把"声音像炸弹"偷换成"破坏力像炸弹"，听到 bombs 就选会掉进去。

借用原文：loud claps that can be confused with explosions

-
6. A) They sent out a message to calm them down.
B) They promised to stop the construction work.
C) They told them the military exercise was over.
D) They set off to inspect the site of the plane crash.

【题目】 What did the police do when they received the local residents' phone calls?

【翻译】 警方在接到当地居民的电话后做了什么？

- A) 他们发出了一条消息让居民冷静下来。 B) 他们承诺停止施工作业。
C) 他们告诉居民军事演习已经结束。 D) 他们出发前往检查飞机坠毁现场。

【答案】 A (细节题) They sent out a message to calm them down.

【定位】 The police were flooded with many calls from the public. And they sent out a message asking people to remain calm.

警方接到了公众打来的大量电话。随后他们发出一条消息，请大家保持冷静。

【信号】 主语 the police 紧跟的动作句。信号是以警方为主语、紧接"接到大量电话"之后的那个动作 they sent out a message asking people to remain calm。题目问"接到电话后做了什么"，录音里"接到电话"这句的下一句就是答案落点，顺着叙事次序就能接住。

【替换】 sent out a message asking people to remain calm ↔ **They sent out a message to calm them down.**
"请人保持冷静" = "使其平静"

【排除】 B) 未提及

录音只提到有人"以为是施工开工", 从没说警方"承诺停止施工"。B 借"construction"这个画面把不存在的承诺安到警方头上, 属凭空捏造的动作。

借用原文: what he thought was early construction work starting

C) 原词陷阱

录音是警方"向大家保证这只是雷电、不是军事演习", 并非"告诉大家军演结束了"。C 偷来"military exercise"原词, 把"不是军演"改成"军演已结束"——录音根本没有军演, 何来结束, 听到 military exercise 就选 C 正中陷阱。

借用原文: it was just thunder and lightning rather than some military exercise

D) 原词陷阱

录音里"plane crash"只是某人形容声音"像飞机失事"的比喻, 根本没有真飞机失事, 警方更没"前往勘查失事现场"。D 把这个比喻里的原词搬来, 编出一个不存在的警方动作, 听到 plane crash 就选会掉坑。

借用原文: described it as a loud boom, similar to a plane crash

7. A) Keep warm.

B) Take caution.

C) Avoid driving.

D) Use rail service.

【题目】 What were people advised to do when traveling outside?

【翻译】 人们被建议在外出时做什么?

A) 保持温暖。 B) 小心谨慎。 C) 避免驾车。 D) 使用铁路服务。

【答案】 B (细节题) Take caution.

【定位】 The weather was the coldest it had been for the season, so people were warned to be careful when traveling outside.

天气是本季最冷的, 因此人们被提醒外出时要小心。

【信号】 提醒信号"were warned to be careful"。信号是 people were warned to be careful when traveling outside 里的"were warned" (被提醒) 这一提醒标志词, 它后面紧跟的 be careful 就是"被建议做什么"的直接答案, 听到 warned/advised 就锁后面的动作。

【替换】 people were warned to be careful ↔ Take caution

"be careful"="take caution"

【排除】A) 过度推断

录音虽说"本季最冷",但提醒的内容是"小心",并没说让大家"保暖"。A借"最冷天气"的语境顺势推出"keep warm",是录音没明说的过度延伸,听到 coldest 就联想到保暖会被带偏。

借用原文: The weather was the coldest it had been for the season

C) 原词陷阱

录音说"结冰湿滑路面会给司机带来困难",是提醒司机小心,并没说"别开车"。C借"drivers"原词把"开车要当心"偷换成"避免开车",比录音说得更绝对,听到 drivers 就选C会掉坑。

借用原文: dangerous conditions such as icy roads or wet ground could cause difficulty for drivers

D) 与原文相反

录音说"铁路服务也宣布列车可能因大雪受扰",是说火车也受影响、不可靠,绝非建议大家"改坐火车"。D偷来"rail service"原词,把"火车受影响"反着说成"用火车出行",听到 rail service 就选D正中反向陷阱。

借用原文: The rail service also announced potential disruptions to trains due to the deep snow.

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

1 M: I'm going to the city centre to buy a new phone today.

M: 我今天要去市中心买一部新手机。

2 W: Didn't you buy a new phone just two months ago?

W: 你不是两个月前才买了一部新手机吗?

3 M: It was three months ago, and I already know what you're going to say. You're thinking I shouldn't replace my phone this soon.

M: 是三个月前,而且我已经知道你要说什么了。你觉得我不该这么快就换手机。

4 W: No, actually, I was wondering how you could possibly afford a new phone. But now that you mention it, I do think getting another phone so soon is wasteful, regardless of the cost.

W: 不,其实我是在想你怎么可能负担得起一部新手机。但既然你提到了,我确实认为这么快又买一部手机很浪费,不管多少钱。

5 M: Maybe you're right, but the thing is, everyone at the office has a nice, expensive phone, and I'm a little embarrassed by mine. I just got a credit card, so I thought I might as well buy a new phone.

M: 也许你说得对,但问题是,办公室里每个人都有一部很好很贵的手机,我对我的手机有点难为情。我刚办了一张信用卡,所以我想不如买部新手机。

6 W: I don't think buying a phone on credit is a good idea. Look, you've only been working for five months now. People understand that you are a recent graduate, and I doubt anyone cares about your phone other than yourself.

W: 我觉得用信用卡买手机不是个好主意。你看,你才工作了五个月。大家都理解你是刚毕业的,我觉得除了你自己,没人在意你的手机。

7 M: Maybe you're right, but the credit card has a very good special offer, where I don't pay any interest for six months. I'll be able to pay for the phone well before that period is over.

M: 也许你说得对,但这张信用卡有一个很好的特别优惠,六个月内不用付利息。在那之前我肯定能把手机款付清。

8 W: I still think it's a bad idea to use a credit card for something you don't need. One of my colleagues bought a lot of things on credit during her first year of work, and it became a bad habit, and she accumulated a lot of debt.

W: 我还是觉得用信用卡买你不需要的东西是个坏主意。我有个同事在工作第一年用信用卡买了很多东西,这变成了一个坏习惯,她积累了很多债务。

9 M: Well, I can see how that might happen to someone, and I'm sure she regrets it, but I know it won't happen to me.

M: 嗯,我能理解这种事可能发生在某些人身上,我相信她很后悔,但我知道这不会发生在我身上。

8. A) Why the man is so anxious to buy a new phone.

B) How the man could possibly afford a new phone.

C) How the man got into the habit of being wasteful.

D) Why the man is so fond of using his credit card.

【题目】 What does the woman say she was actually wondering about?

【翻译】 女士说她实际上想知道的是什么?

- A) 为什么男士如此急于购买新手机。 B) 男士怎么可能负担得起新手机。
C) 男士是如何养成浪费习惯的。 D) 为什么男士如此喜欢使用信用卡。

【答案】 B (细节题) How the man could possibly afford a new phone.

【定位】 No, actually, I was wondering how you could possibly afford a new phone.

不, 其实我是在想, 你到底怎么买得起一部新手机。

【信号】 actually 纠偏后的真意。 女方先用 No 否定男方的猜测, 再用 actually 引出自己真正在想的事——"actually"后面才是她的本意, 这正是答案信号: 纠正/转折之后的内容才是落点。

【替换】 how you could possibly afford a new phone ↔ **How the man could possibly afford a new phone.**

几乎原句搬运, 仅换人称

【排除】 A) 原词陷阱

录音确有男方 I'm going to the city centre to buy a new phone today. 这种"今天就去买"的急切感, A 借此造"为何这么急"的诱惑; 但女方明说在想的是"怎么买得起", 不是"为何急"。

借用原文: I'm going to the city centre to buy a new phone today.

C) 原词陷阱

女方确实说了 getting another phone so soon is wasteful, C 盗这个 wasteful 来骗; 但这是她在 But now that you mention it 之后补的评价, 题干问的是她"actually was wondering"的那件事, 那件事是"如何负担", 不是"如何变浪费"。

借用原文: getting another phone so soon is wasteful

D) 张冠李戴

录音后文男方说 I just got a credit card, D 借"信用卡"造"为何爱用卡"的问题; 但这是男方的话、且在女方发问之后, 女方"在想"的内容里根本没有它。

借用原文: I just got a credit card

-
9. A) It is not in fashion any more.
B) It goes out of order frequently.
C) It is not as fancy as his colleagues'.
D) It lacks functions office work requires.

【题目】 Why is the man a little embarrassed by the phone he's using now?

【翻译】 为什么男士对他现在使用的手机感到有点尴尬?

- A) 它已经不再流行了。 B) 它经常出现故障。 C) 它不如他同事的手机高级。
D) 它缺少办公工作所需的功能。

【答案】 C (细节题) It is not as fancy as his colleagues'.

【定位】 Maybe you're right, but the thing is, everyone at the office has a nice, expensive phone, and I'm a little embarrassed by mine.

也许你说得对, 但问题是, 办公室里每个人都有一部又好又贵的手机, 我对自己这部有点难为情。

【信号】 the thing is 引出真正缘由。 男方用 but the thing is 转入正题, 紧接着给出难为情的原因——"大家都有又好又贵的手机"。"the thing is"是"我接下来说的才是要点"的提示, 正是答案信号。

【替换】 everyone at the office has a nice, expensive phone ↔ **It is not as fancy as his colleagues'.**

正话反说 + 同义改写

I'm a little embarrassed by mine ↔ **It is not as fancy as his colleagues'.**

难为情对应的正是"比不上"

【排除】 A) 未提及

男方只说自己手机比不上同事、并非"不再时髦"。in fashion 这层意思录音从未出现，是凭"旧手机"常识硬加的。

B) 未提及

男方难为情是因为手机不够气派，不是因为它老出故障。"goes out of order"录音里完全没有对应。

D) 原词陷阱

录音确有 everyone at the office 出现"office"，D 用 functions office work requires 把"office"接到"工作功能缺失"上；但男方难为情是"不如别人气派"，从没说手机缺工作所需功能。

借用原文：everyone at the office has a nice, expensive phone

-
10. A) It enables him to buy a new phone at a more favorable price.
B) It is a special offer to recent college graduates working in offices.
C) It is available to office workers who have a good enough credit score.
D) It allows him to borrow money without paying interest for six months.

【题目】 What does the man say about the credit card he just got?

【翻译】 关于男士刚办的信用卡,他说了什么?

- A) 它使他能够以更优惠的价格购买新手机。
B) 这是为刚毕业在办公室工作的大学生提供的特别优惠。
C) 信用评分足够好的办公室职员可以办理。 D) 它允许他借款六个月不用支付利息。

【答案】 D (细节题) It allows him to borrow money without paying interest for six months.

【定位】 Maybe you're right, but the credit card has a very good special offer, where I don't pay any interest for six months.

也许你说得对，但这张信用卡有个很不错的特别优惠，六个月内我不用付任何利息。

【信号】 数字/期限信息点。 男方介绍卡时给出 I don't pay any interest for six months——"不付利息"加"六个月"是一处明确的数字/条件信息，正是该题的答案信号，听到数字就该锁定。

【替换】 I don't pay any interest for six months ↔

It allows him to borrow money without paying interest for six months.

同义改写 + 补出隐含的"借钱"

【排除】 A) 未提及

卡的好处是"免息"而非"以更优价格买手机"。a more favorable price 录音里没有对应，免息不等于降价。

B) 张冠李戴

录音里女方说 you are a recent graduate, B 借此编出"专给应届办公族的特别优惠"; 但这是女方议论男方身份的话，与卡的优惠对象无关，男方介绍卡时根本没提面向谁。

借用原文: you are a recent graduate

C) 原词陷阱

录音反复出现 credit card 的 credit, C 借此造 a good enough credit score 的门槛; 但男方说的是"免息", 从没提任何信用分要求, credit score 是凭 credit 一词联想出来的。

借用原文: the credit card has a very good special offer

-
11. A) She borrowed money to pay her debt.
B) She developed a habit of overspending.
C) She enjoys buying a lot of fancy things.
D) She regrets ignoring the woman's advice.

【题目】 What do we learn about one of the woman's colleagues?

【翻译】 关于女士的一位同事,我们了解到什么?

- A) 她借钱来偿还债务。 B) 她养成了过度消费的习惯。 C) 她喜欢购买很多高级物品。
D) 她后悔没有听从女士的建议。

【答案】 B (细节题) She developed a habit of overspending.

【定位】 One of my colleagues bought a lot of things on credit during her first year of work, and it became a bad habit, and she accumulated a lot of debt.

我的一个同事在工作第一年用信用卡买了一大堆东西，后来变成了一个坏习惯，她还欠下了一大笔债。

【信号】 举例 + "became a bad habit"落点。 女方用 One of my colleagues 引出例子，关键落在 it became a bad habit——"变成一个坏习惯"是这句话的结论，正是答案信号：举例句里那个"演变成..."的结果才是要点。

【替换】 bought a lot of things on credit ... it became a bad habit ↔

She developed a habit of overspending.

"乱买成习惯"概括为 overspending habit

【排除】 A) 原词陷阱

录音确有 she accumulated a lot of debt 出现 debt, A 借此编出"借钱去还债"; 但原文只说她"欠了债", 从没说她"再借钱来还", 多绕了一步。

借用原文: she accumulated a lot of debt

C) 原词陷阱

录音说她 bought a lot of things on credit, C 改成"enjoys buying a lot of fancy things"; "fancy (华而不实/高档)"与"enjoys (乐在其中)"录音都没有, 原文重点是"成了坏习惯"而非"她爱买好东西"。

借用原文: bought a lot of things on credit

D) 张冠李戴

后文男方说 I'm sure she regrets it, D 借此说"她后悔没听劝"; 但这是男方的推测、且"没听 the woman 的劝"录音根本没有, 属把男方的话安到同事头上。

借用原文: I'm sure she regrets it

Questions 12 to 15 are based on the conversation you have just heard.

1 W: Welcome to The Morning Show. Our guest today is a popular blog writer and a major figure in the tiny home community. Welcome, Bob Jones.

W: 欢迎来到《早间秀》。我们今天的嘉宾是一位人气博主,也是迷你住宅社区的重要人物。欢迎你,Bob Jones。

2 M: Hi, Mary.

M: 你好,Mary。

3 W: Hi, Bob. You're an advocate of the tiny home movement. A lot of people don't know about this movement. Can you tell our audience what it's about?

W: 你好,Bob。你是迷你住宅运动的倡导者。很多人不了解这个运动。你能给我们的观众介绍一下它是怎么回事吗?

4 M: Well, it's mainly about increasing home ownership and protecting the environment.

M: 嗯,它主要是关于提高住房拥有率和保护环境。

5 W: Of course, those are great goals. But I've seen your blog, and you write about houses that are as small as 20 square meters. That's not a realistic size for families.

W: 当然,这些都是很好的目标。但我看过你的博客,你写的房子小到只有20平方米。这对家庭来说不是一个现实的面积。

6 M: I do talk about very small homes, but there's no set definition of a tiny home. And other people include homes that are much larger, say, 60 square meters. And you'd be surprised many families of four are happy living in houses that are under 30 square meters.

M: 我确实谈论过非常小的房子,但迷你住宅没有固定的定义。其他人也包括大得多的房子,比如说60平方米。你会惊讶地发现,许多四口之家很乐意住在不到30平方米房子里。

7 W: But I think most of us want spacious homes. The average new house in this area is 150 square meters. And that's what people dream of owning.

W: 但我认为我们大多数人都想要宽敞的房子。这个地区新房的平均面积是150平方米。这就是人们梦想拥有的。

8 M: Yes, but I think that dream needs to change, considering the cost of housing.

M: 是的,但考虑到住房成本,我认为这个梦想需要改变。

9 W: Housing costs are high, but do people really save that much by having a smaller home?

W: 住房成本很高,但人们通过拥有更小的房子真的能省那么多钱吗?

10 M: Absolutely. Many people who can only afford to rent a large home are able to buy a tiny home.

In this city, the average home costs \$200,000, and a tiny home costs just \$50,000.

M: 当然。许多只能租得起大房子的人能够买得起迷你住宅。在这个城市,普通住宅的平均价格是20万美元,而迷你住宅只需5万美元。

11 W: Those are huge savings.

W: 这可是巨大的节省。

12 M: So, tiny homes might not be for everyone, but they're a good option for many.

M: 所以,迷你住宅可能不适合所有人,但对许多人来说是个不错的选择。

13 W: You mentioned the environment earlier. How does this benefit the planet?

W: 你之前提到了环境。这如何造福地球呢?

14 M: Well, if people have smaller homes, they use less land and fewer resources to build them.

M: 嗯,如果人们住更小的房子,他们就会使用更少的土地和更少的资源来建造它们。

12. A) Blog writing and natural resources saving.

B) Joint efforts to improve the local community.

C) Audience participation in The Morning Show.

D) Home ownership and environmental protection.

【题目】 What does the tiny home movement mainly advocate?

【翻译】 小型住宅运动主要倡导什么?

- A) 博客写作和节约自然资源。 B) 共同努力改善当地社区。 C) 观众参与《早间节目》。
D) 拥有住房和环境保护。

【答案】 D (主旨题) Home ownership and environmental protection.

【定位】 Well, it's mainly about increasing home ownership and protecting the environment.

嗯,它主要就是关于提高住房拥有率和保护环境。

【信号】 被问者应答 + mainly 点题。前一段主持人直接发问"can you tell our audience what it's about",紧接着这段是被问者 Bob 的正面应答,且自带点题词 it's mainly about——对话题里"提问后被问者的第一句正面回答"加上 mainly 这种总括词,正是答案句的双重信号。

【替换】 increasing home ownership ↔ **Home ownership**

动名词短语压缩成名词

protecting the environment ↔ **environmental protection**

动词短语名词化

【排除】 A) **原词陷阱**

录音开头确实说嘉宾是 a popular blog writer, 后文也提到省 fewer resources, 本项 Blog writing and natural resources saving 把这两个零散原词拼到一起冒充主旨, 但"写博客"只是嘉宾身份、不是这个运动主张的内容, 答非所问。

借用原文: a popular blog writer

B) **未提及**

Joint efforts to improve the local community 说"合力改善本地社区", 但录音通篇只讲购房与环保, 从未提到"社区"或"共同努力", 属凭空添加。

C) **原词陷阱**

录音里 The Morning Show 只是这档节目的名字, 本项 Audience participation in The Morning Show 借这个耳熟的专有名词, 硬说运动主张是"观众参与节目", 与运动内容毫不相干。

借用原文: The Morning Show

13. A) Not a realistic size for families.

B) Not welcomed by most Americans.

C) Only fit for families of four or less.

D) Only suitable for renting to the poor.

【题目】 What does the woman say about houses as small as 20 square meters?

【翻译】 这位女士对面积小至20平方米的住宅有何看法?

A) 对家庭来说不是现实的面积。 B) 不受大多数美国人欢迎。

C) 只适合四口或四口以下的家庭。 D) 只适合出租给穷人。

【答案】 **A** (细节题) Not a realistic size for families.

【定位】 But I've seen your blog, and you write about houses that are as small as 20 square meters.

That's not a realistic size for families.

但是我看过你的博客, 你写的是小到只有 20 平方米的房子。对家庭来说那可不是一个现实的尺寸。

【信号】 **转折 But + 直接否定评价**。这句以 But 转折开头, 女方先承认目标好、随即话锋一转给出否定评价 That's not a realistic size for families——转折后那句才是她的真实立场, 正是答案句信号。题干问"the woman 说了什么", 定位到女方说话的这一段即可。

【替换】 That's not a realistic size for families ↔ **Not a realistic size for families**

去掉主系结构后近乎原意

【排除】 B) 未提及

Not welcomed by most Americans 说"不受多数美国人欢迎", 但女方只说尺寸"不现实", 从没提"美国人"或"受不受欢迎", 是凭空替换成另一种否定理由。

C) 张冠李戴

录音后面男方才提到 many families of four are happy living (四口之家也住得开), 本项 Only fit for families of four or less 盗用"four"这个数字, 还用 Only 把范围限死成"仅四口以下"。这既张冠李戴(那是男方后说的、且态度相反), 又把话说绝了。

借用原文: many families of four are happy living in houses that are under 30 square meters

D) 未提及

Only suitable for renting to the poor 说"只适合租给穷人", 录音里女方对小房子只评价了"尺寸不现实", 从未谈到"出租"或"穷人", 纯属添加。

-
14. A) It should be changed.
B) It isn't easy to realize.
C) It will come true sooner or later.
D) It doesn't appeal to average families.

【题目】 What does the man think about the dream of owning a 150-square-meter house?

【翻译】 这位男士对拥有150平方米住宅的梦想有何看法?

A) 应该改变。 B) 不容易实现。 C) 迟早会实现。 D) 不吸引普通家庭。

【答案】 A (态度观点题) It should be changed.

【定位】 Yes, but I think that dream needs to change, considering the cost of housing.

是的, 但我认为考虑到住房成本, 那个梦想需要改变。

【信号】 but + I think + needs to change 表态。前一段女方说大房子"是人们梦想拥有的", 男方先 Yes 让步、随即用 but I think that dream needs to change 转折表态。but + I think 是态度信号, needs to change (需要改变) 直接亮明他的立场, 正是答案句。

【替换】 that dream needs to change ↔ **It should be changed**

主动 needs to 改成被动 should be

【排除】 B) 偷换概念

录音男方提到 considering the cost of housing (考虑住房成本), 本项 It isn't easy to realize 借"成本高"联想成"梦想不易实现", 但男方的原话是"梦想该改", 不是"难实现", 偷换了概念。

借用原文: considering the cost of housing

C) 与原文相反

It will come true sooner or later 说"迟早会实现", 方向与男方"该改变"完全相反。男方否定的是这个大房梦本身, 绝不会说它迟早成真。

借用原文: that dream needs to change

D) 未提及

It doesn't appeal to average families 说"对普通家庭没吸引力", 但男方对这个 150 平米梦想只说了"该改", 从没说"对谁没吸引力", 是另造一个评价。

-
15. A) They help to lower housing prices.
B) They help to save up for larger houses.
C) They are a good choice for many people.
D) They are vital to reducing waste worldwide.

【题目】 What does the man say about tiny homes?

【翻译】 这位男士对小型住宅有何看法?

- A) 它们有助于降低住房价格。 B) 它们有助于为更大的住宅攒钱。
C) 它们对许多人来说是一个好选择。 D) 它们对于减少全球浪费至关重要。

【答案】 C (态度观点题) They are a good choice for many people.

【定位】 So, tiny homes might not be for everyone, but they're a good option for many.

所以呢, 微型住宅可能不适合所有人, 但对很多人来说是个好选择。

【信号】 So 收束 + but 后的总评。这句以 So 收束前面关于省钱的讨论, 男方先让步"未必适合所有人"、再用 but 给出总评 they're a good option for many。So 后的总结句加 but 后的真态度, 是这道总评题的双重信号。

【替换】 they're a good option for many ↔ **They are a good choice for many people**
option=choice、many=many people

【排除】 A) 偷换概念

录音谈到小房子便宜、能省钱 a tiny home costs just \\$50,000, 本项 They help to lower housing prices 借"价格"话题, 偷换成"帮助拉低房价"。男方说的是"个人买得起、省钱", 不是"压低市场房价", 概念被偷换。

借用原文: Many people who can only afford to rent a large home are able to buy a tiny home

B) 与原文相反

录音说省下的钱让人能"买下小房子", 本项 They help to save up for larger houses 把方向拧反成"攒钱去买更大的房子"。这与男方"买小房子、改掉大房梦"的主张正相反。

借用原文: are able to buy a tiny home

D) 过度推断

录音只在结尾说小房子"用更少土地与资源" they use less land and fewer resources, 本项 They are vital to reducing waste worldwide 用 vital (至关重要)、worldwide (全世界) 夸大成"对全球减废至关重要", 程度和范围都远超原话。

借用原文: they use less land and fewer resources to build them

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

1 Kids need time every day to run, jump, stretch and play. These experiences have been shown to build children's confidence and pleasure in physical activities, develop their motor skills, and even improve emotional well-being.

孩子们每天都需要时间来跑步、跳跃、伸展和玩耍。这些经历已被证明能够建立儿童对体育活动的信心和乐趣,发展他们的运动技能,甚至改善情绪健康。

2 To begin with, children seem to have a natural desire to overcome challenges and take risks. Taking healthy risks through physical movement builds children's confidence and ability to solve problems and persist through frustration. Secondly, movement activities build children's big body skills such as coordination and balance, as well as the fine motor skills they need for tasks like writing, tying their shoes, or throwing and catching a ball. Thirdly, according to the American Psychological Association, regular physical activity (and especially outdoor activity) reduces children's stress and depression, and improves their ability to focus and learn. Regular exercise can significantly improve self-regulation and decrease disciplinary consequences for negative behavior. Physical activity provides a positive outlet for frustration, anxiety, or anger and can become a healthy coping skill throughout life. Finally, we know that physical activity is important for our physical and mental health, and cultivating the habit of physical activity starts early. Children are more likely to develop a lifelong love of physical activity from frequent positive early experiences. Not every child enjoys competitive sports or playing with balls and

that's OK. There are plenty of other options such as imaginative play, non-competitive games, and gardening or nature experiences.

首先,儿童似乎天生就有克服挑战和冒险的欲望。通过身体运动进行健康的冒险可以建立儿童的信心和解决问题的能力,并在挫折中坚持下去。其次,运动活动可以培养儿童的大肌肉运动技能,如协调性和平衡性,以及他们完成写字、系鞋带或投掷接球等任务所需的精细运动技能。第三,根据美国心理学会的研究,定期的体育活动(尤其是户外活动)可以减轻儿童的压力和抑郁,并提高他们的专注力和学习能力。定期锻炼可以显著改善自我调节能力,并减少因不良行为而受到的纪律处分。体育活动为挫折、焦虑或愤怒提供了一个积极的出口,并可以成为贯穿一生的健康应对技能。最后,我们知道体育活动对我们的身心健康很重要,而培养体育活动的习惯要从小开始。儿童更有可能从频繁的积极早期经历中培养出对体育活动的终身热爱。并非每个孩子都喜欢竞技体育或玩球类运动,这没关系。还有很多其他选择,如想象性游戏、非竞争性游戏以及园艺或自然体验。

16. A) Play outdoors and enjoy themselves.

B) Beat challenges and take risks.

C) Take care of their well-being.

D) Grow up strong and healthy.

【题目】 What do children seem to have a natural desire to do?

【翻译】 孩子们似乎天生渴望做什么?

- A) 在户外玩耍并享受乐趣。 B) 战胜挑战并承担风险。 C) 照顾自己的健康。
D) 健康强壮地成长。

【答案】 B (细节题) Beat challenges and take risks.

【定位】 To begin with, children seem to have a natural desire to overcome challenges and take risks.

首先,孩子们似乎天生就有克服挑战、承担风险的渴望。

【信号】 序数词 To begin with 领出第一个要点。 To begin with 是篇章列举的第一个序数词,它后面紧跟的就是本段第一个论点句,也是题干里 natural desire 原话的落点,听到序数词起头就要立刻锁定其后这句。

【替换】 overcome challenges and take risks ↔ **Beat challenges and take risks**

overcome 同义替换为 Beat

【排除】 A) 原词陷阱

原文开头确有 run, jump, stretch and play, 又多处讲 pleasure, 选项 Play outdoors and enjoy themselves. 拼出 play 与 enjoy 听着耳熟, 但这些不是孩子天生渴望要做的那件事, 与题干 natural desire 错位。

借用原文: run, jump, stretch and play

C) 张冠李戴

原文有 improve emotional well-being, 选项 Take care of their well-being. 借了 well-being 这个原词, 但提升幸福感是运动带来的好处, 不是孩子天生的渴望, 把别处的内容安到本题上。

借用原文: improve emotional well-being

D) 未提及

Grow up strong and healthy. 是人人认同的常识, 听着最顺, 但原文说孩子天生渴望的是克服挑战、承担风险, 并未说他们天生渴望健康成长, 凭印象选它就中了陷阱。

17. A) Enable them to develop their motor skills.

B) Help them to conceal their frustration.

C) Reduce their stress and depression.

D) Prevent them from feeling lonely.

【题目】 According to the American Psychological Association, what does regular physical activity do to children?

【翻译】 根据美国心理学会的说法,经常进行体育活动对孩子们有什么作用?

- A) 使他们能够发展运动技能。 B) 帮助他们掩饰挫败感。 C) 减轻他们的压力和抑郁。
D) 防止他们感到孤独。

【答案】 C (细节题) Reduce their stress and depression.

【定位】 Thirdly, according to the American Psychological Association, regular physical activity (and especially outdoor activity) reduces children's stress and depression, and improves their ability to focus and learn.

第三, 根据美国心理学会的说法, 规律的身体活动 (尤其是户外活动) 能减轻孩子的压力和抑郁, 并提升他们专注和学习的能力。

【信号】 出处词 according to 与题干同源对接。原文 according to the American Psychological Association 与题干出处一字不差, 听到这个机构名就知道答案句到了, 其后 reduces children's stress and depression 即为落点。

【替换】 reduces children's stress and depression ↔ Reduce their stress and depression

近乎同表述、仅人称代词改写

【排除】 A) 原词陷阱

原文 develop their motor skills 确有这个搭配，选项 Enable them to develop their motor skills. 原词照搬，听着最像，但这是第一段讲运动总体好处时说的，不属于美国心理学学会出处句，被题干的出处限定排除。

借用原文：develop their motor skills

B) 偷换概念

原文出现 persist through frustration 与 positive outlet for frustration，选项 Help them to conceal their frustration. 借 frustration 一词，却把原文的疏导挫折偷换成隐藏挫折，方向相反。

借用原文：positive outlet for frustration

D) 未提及

Prevent them from feeling lonely. 听起来合理，但原文讲的是减压、抗抑郁、助专注，从未提到防止孤独，属于无中生有。

18. A) It begins early.

B) It proves demanding.

C) It calls for lifelong efforts.

D) It lies in nature experiences.

【题目】 What does the passage say about cultivating the habit of physical activity?

【翻译】 文章关于培养体育活动习惯说了什么？

A) 它从早期开始。 B) 它证明很费力。 C) 它需要终身努力。 D) 它在于自然体验。

【答案】 A (细节题) It begins early.

【定位】 Finally, we know that physical activity is important for our physical and mental health, and cultivating the habit of physical activity starts early.

最后，我们知道身体活动对我们的身心健康很重要，而养成身体活动的习惯要从早开始。

【信号】 序数词 **Finally** 领出末点、**starts early** 是定性词。Finally 标出最后一个要点，紧接着 cultivating the habit of physical activity starts early 直接对养成习惯下定性，starts early 就是答案的核心信息。

【替换】 cultivating the habit of physical activity starts early ↔ **It begins early**

starts 同义替换为 begins、习惯被代词 It 概括

【排除】 B) 未提及

It proves demanding. 说养成习惯很费劲，但原文只说它 starts early，并未评价它吃力，属于无中生有。

C) 原词陷阱

原文确有 a healthy coping skill throughout life 和 a lifelong love of physical activity，选项 It calls for lifelong efforts. 借 lifelong 这个原词，但原文是说会终身热爱、终身受用，绝不是说养成习惯需要终身努力，把听到的 lifelong 安错了对象，也与本题定性句 starts early 矛盾。

借用原文：a lifelong love of physical activity

D) 原词陷阱

原文结尾确有 gardening or nature experiences，选项 It lies in nature experiences. 搬了 nature experiences 这个原词，但那是在举可替代的活动选项，不是在说养成习惯这件事的特点，答非所问。

借用原文：gardening or nature experiences

Questions 19 to 21 are based on the passage you have just heard.

1 A new study finds that job seekers are even willing to explore jobs with lower salaries when companies are more diverse. It finds that sharing information about diversity makes job postings more attractive to job seekers, even when pay is lower.

一项新研究发现，当公司更具多样性时，求职者甚至愿意探索薪资较低的工作。研究发现，分享关于多样性的信息使得招聘信息对求职者更具吸引力，即使薪酬较低。

2 To conduct the study, the team partnered with an online job listings platform which emails postings relevant to individuals and their job search criteria. For the course of the 11-week study, the platform emailed job listings to some 180,000 users placed in one of two conditions. In the baseline condition, participants saw emails in the normal format, with no information on diversity; in the diversity condition, participants saw a diversity score for each listing: information about the race, gender, education, and language skills of a company's workforce compared to others in the same sector and location. Information was then gathered on whether the email was opened, and which job listings were clicked on by each user.

为了进行这项研究，研究团队与一个在线招聘信息平台合作，该平台会向个人发送与其求职标准相关的职位信息邮件。在为期11周的研究过程中，该平台向约18万名用户发送招聘信息邮件，这些用户被分为两种情况之一。在基线情况下，参与者看到的是正常格式的邮件，没有关于多样性的信息；在多样性情况下，参与者看到每个招聘信息的多样性评分：关于公司员工的种族、性别、教育程度和语言技能与同一行业和地区其他公司相比的信息。然后收集关于邮件是否被打开以及每个用户点击了哪些招聘信息的数据。

3 Participants in the diversity condition tended to click on job listings from companies with slightly higher diversity scores than those in the baseline condition: that is, participants seemed to be paying attention to information about diversity, and using this when deciding whether to click on the listing.

And the team also found that participants were willing to look at listings with lower salaries if they came from companies with a higher diversity score.

多样性情况下的参与者倾向于点击多样性评分略高于基线情况下公司的招聘信息:也就是说,参与者似乎关注关于多样性的信息,并在决定是否点击该招聘信息时使用这些信息。研究团队还发现,如果招聘信息来自多样性评分较高的公司,参与者愿意查看薪资较低的招聘信息。

19. A) When companies share their information online.
B) When their job search criteria are met fully.
C) When companies embrace greater diversity
D) When they find job postings visually attractive.

【题目】 When are job seekers willing to explore jobs with lower salaries, according to a new study?

【翻译】 根据一项新研究,求职者在什么情况下愿意考虑薪资较低的工作?

- A) 当公司在网上分享其信息时。 B) 当他们的求职标准得到充分满足时。
C) 当公司拥抱更大的多样性时。 D) 当他们发现招聘信息在视觉上有吸引力时。

【答案】 C (细节题) When companies embrace greater diversity

【定位】 A new study finds that job seekers are even willing to explore jobs with lower salaries when companies are more diverse.

一项新研究发现,当企业更具多样性时,求职者甚至愿意去考虑薪资更低的工作。

【信号】 when 条件状语点出触发条件。这句用 when companies are more diverse 这个条件状语,直接把『愿接受低薪』的触发条件说出来,正是题干 When 所问。开篇第一句即点题,是篇章独白的典型落点。

【替换】 when companies are more diverse ↔ When companies embrace greater diversity
形容词转动词的同义改写

【排除】 A) 原词陷阱

录音后文确有 sharing information about diversity 和提到在线平台，A 项 share their information online 盗用了 information、online 这些原词，但它说的是公司在网上分享信息，并非求职者接受低薪的触发条件，听到原词就选会落入陷阱。

借用原文：sharing information about diversity

B) 原词陷阱

录音提到平台按 their job search criteria 推送邮件，B 项 When their job search criteria are met fully 借用了 job search criteria 这个原词，但录音从没说『求职标准被完全满足』才接受低薪，这是用原词拼出的无中生有条件。

借用原文：their job search criteria

D) 偷换概念

录音说多样性让 job postings more attractive，D 项 When they find job postings visually attractive. 盗用了 job postings、attractive，却加了 visually（视觉上）这层录音没有的意思，把『内容上更有吸引力』偷换成『看起来好看』。

借用原文：more attractive to job seekers

-
20. A) Emails in the normal format.
B) Major companies in one location.
C) All companies in the same sector.
D) Various aspects of a company's workforce.

【题目】 What did participants see in the baseline condition of the study?

【翻译】 在研究的基线条件下,参与者看到了什么?

- A) 正常格式的电子邮件。 B) 一个地点的主要公司。 C) 同一行业的所有公司。
D) 公司员工队伍的各个方面。

【答案】 A (细节题) Emails in the normal format.

【定位】 In the baseline condition, participants saw emails in the normal format, with no information on diversity; in the diversity condition, participants saw a diversity score for each listing.

在基线组，参与者看到的是普通格式的邮件，不含任何多样性信息；在多样性组，参与者则看到每条招聘的多样性评分。

【信号】 限定词 baseline condition 直接领出答案。 录音用 In the baseline condition, participants saw emails in the normal format 直接点名基线组及其所见，与题干限定词完全对上，是顺听即可锁定的答案句；分号后是另一组，须切开别混。

【替换】 participants saw emails in the normal format ↔ **Emails in the normal format.**

近乎原句的概括

【排除】 B) 原词陷阱

录音末尾提到 others in the same sector and location, B 项 Major companies in one location. 盗用了 location 这个原词, 但录音从未说基线组看到『同一地点的大公司』, 是借词造出的无中生有内容。

借用原文: others in the same sector and location

C) 原词陷阱

录音里 others in the same sector and location 出现过 same sector, C 项 All companies in the same sector. 直接搬来这个短语, 但它说的是比较的参照系, 不是基线组所见, 听到 same sector 就选会中招。

借用原文: compared to others in the same sector and location

D) 张冠李戴

Various aspects of a company's workforce. 描述的是多样性组看到的 information about the race, gender, education, and language skills of a company's workforce, 录音明确说基线组 with no information on diversity, D 把另一组的内容安到基线组头上。

借用原文: information about the race, gender, education, and language skills of a company's workforce

21. A) Job security.

B) Potential pay raises.

C) Minimum base salary.

D) Information about diversity.

【题目】 What does the passage say participants seem to be paying attention to?

【翻译】 文章说参与者似乎在关注什么?

A) 工作保障。 B) 潜在的加薪。 C) 最低基本工资。 D) 关于多样性的信息。

【答案】 D (细节题) Information about diversity.

【定位】 Participants seemed to be paying attention to information about diversity, and using this when deciding whether to click on the listing.

参与者似乎在关注多样性方面的信息, 并在决定是否点击招聘时用上了这些信息。

【信号】 that is 收束句点明关注对象。 这句由 that is 引出对前文的小结, 并直接用 paying attention to information about diversity 说出参与者关注的对象, 与题干表态短语完全对应, 是篇章的结论落点。

【替换】 paying attention to information about diversity ↔ **Information about diversity.**

提取宾语成名词短语

【排除】 A) 未提及

A 项 Job security. 在录音里从未出现，整篇只谈多样性信息与薪资，没有任何关于工作稳定性的内容，属凭印象添加的未提及项。

B) 过度推断

录音多次提到 lower salaries, B 项 Potential pay raises. 借薪资话题推出『可能的加薪』，但录音只说参与者愿接受低薪、并未说他们关注加薪，是顺着薪资词过度推断。

借用原文：listings with lower salaries

C) 原词陷阱

C 项 Minimum base salary. 借用了录音反复出现的薪资话题，但录音从未提『最低底薪』这一概念，更没说参与者关注它，是用薪资原词拼出的偷换项。

借用原文：listings with lower salaries

Questions 22 to 25 are based on the passage you have just heard.

1 A new study from Oregon State University found that dogs tend to match their behavior with the children in their family. The findings are important because there is a growing body of evidence that dogs can help children in many ways. These include helping with social development, increasing physical activity, managing anxiety or serving as a source of attachment in the face of changing family structures. 俄勒冈州立大学的一项新研究发现，狗往往会使自己的行为与家庭中的儿童相匹配。这些发现很重要，因为越来越多的证据表明狗可以在许多方面帮助儿童。这些方面包括帮助社交发展、增加身体活动、管理焦虑或在家庭结构变化时充当依恋来源。

2 Yet, very little research has focused on how dogs perceive and socially engage with children. "The great news is that this study suggests dogs are paying a lot of attention to the kids that they live with," said Monique Udell, the lead author of the study. "One interesting thing we have observed is that dogs are matching children's behavior, but less frequently than what we have seen between dogs and adults. This suggests that while dogs may view children as social companions, there are also some differences that we need to understand better."

然而，很少有研究关注狗如何感知儿童并与儿童进行社交互动。该研究的主要作者 Monique Udell 说："好消息是，这项研究表明狗非常关注与它们一起生活的孩子。我们观察到的一个有趣现象是，狗会匹配儿童的行为，但频率低于我们在狗和成人之间观察到的情况。这表明虽然狗可能将儿童视为社交伙伴，但也存在一些我们需要更好理解的差异。"

3 While research has found dogs can have a lot of positive impacts on a child's life, there are also risks associated with the dog-child relationship. For example, other studies have found dogs are more likely to bite children versus adults. "We still have a lot to learn about the dog-child relationship," Udell said. "But research does show that kids are very capable of training dogs."

虽然研究发现狗可以对儿童的生活产生许多积极影响，但狗与儿童的关系也存在风险。例如，其他研究发现狗咬儿童的可能性高于咬成人。Udell 说："关于狗与儿童的关系，我们还有很多需要了解的。但研究确实表明，孩子们非常有能力训练狗。"

22. A) Positive.
B) Original.
C) Important.
D) Surprising.

【题目】 What does the passage say about the findings of a new study from Oregon State University?

【翻译】 文章对俄勒冈州立大学一项新研究的发现有何评价?

A) 积极的 B) 原创的 C) 重要的 D) 令人惊讶的

【答案】 C (细节题) Important.

【定位】 The findings are important because there is a growing body of evidence that dogs can help children in many ways.

这些发现很重要, 因为越来越多的证据表明狗能在许多方面帮助孩子。

【信号】 对 findings 的直接定性。录音紧跟着研究结果给出定性 The findings are important, 主语正是题干问的 findings, 是一句直接的"X 是怎样的"判断句, 这种直接定性句就是评价类细节题的答案落点。

【替换】 The findings are important ↔ Important.

原词直接对应

【排除】 A) 原词陷阱

录音第三段确实出现 positive impacts, 但那是形容狗对孩子生活的影响, 不是形容这项研究的 findings, 把 Positive. 安到 findings 上属答非所问。

借用原文: dogs can have a lot of positive impacts on a child's life

B) 未提及

Original. 表示"首创、原创的", 录音通篇没有对 findings 作此评价, 属于无中生有。

D) 未提及

Surprising. 是"出人意料的", 录音只说 findings 重要, 没有任何"惊讶/意外"的措辞, 属无中生有。

-
23. A) Dogs match their behavior with kids as much as with adults.
B) Kids and adults alike find in dogs a source of attachment.
C) Kids' attitude to dogs is influenced by adults.
D) Dogs can help kids in many ways.

【题目】 What does a growing body of evidence show according to the passage?

【翻译】 根据文章,越来越多的证据表明了什么?

A) 狗对儿童的行为表现与对成年人的一样多

B) 儿童和成年人都在狗身上找到了依恋的来源 C) 儿童对狗的态度受到成年人的影响

D) 狗可以在许多方面帮助儿童

【答案】 **D** (细节题) Dogs can help kids in many ways.

【定位】 there is a growing body of evidence that dogs can help children in many ways.
越来越多的证据表明狗能在许多方面帮助孩子。

【信号】 **evidence that 引出结论**。录音 a growing body of evidence that dogs can help children in many ways 中的 that 直接引出证据的内容，这种"evidence that + 句子"结构里 that 后面就是答案落点。

【替换】 dogs can help children in many ways ↔ **Dogs can help kids in many ways.**
children 与 kids 同义替换

【排除】 A) **原词陷阱**

Dogs match their behavior with kids as much as with adults. 借用了录音里 match...behavior 的说法，但本题问的是 evidence 表明什么（帮孩子），而且原文后文恰恰说狗匹配孩子行为"少于"成人，并非 as much as，与原文相反。

借用原文：dogs are matching children's behavior, but less frequently than what we have seen between dogs and adults

B) **原词陷阱**

Kids and adults alike find in dogs a source of attachment. 套用了录音里 source of attachment 一词，但原文是说狗"作为依恋来源"帮助孩子，并没有说"孩子和成人都把狗当依恋来源"，多加了 adults，属偷换概念。

借用原文：serving as a source of attachment in the face of changing family structures

C) **未提及**

Kids' attitude to dogs is influenced by adults. 谈的是"成人影响孩子对狗的态度"，录音通篇没有这层意思，属无中生有。

24. A) Dogs pay much attention to the kids they live with.

B) Dogs view both adults and kids as social companions.

C) Kids differ from adults in their behavior towards dogs.

D) Kids need to be aware of the risks in playing with dogs.

【题目】 **What did Monique Udell say their study suggests?**

【翻译】 Monique Udell说他们的研究表明了什么？

A) 狗对与它们一起生活的儿童十分关注 B) 狗将成年人和儿童都视为社交伙伴

C) 儿童对狗的行为不同于成年人 D) 儿童需要意识到与狗玩耍的风险

【答案】 **A** (细节题) Dogs pay much attention to the kids they live with.

【定位】 This suggests that while dogs may view children as social companions, there are also some differences that we need to understand better.

这表明，尽管狗可能把孩子视为社交伙伴，但也存在一些我们需要进一步了解的差异。

【信号】 **suggests that 引出研究暗示。** 录音中 This suggests that while dogs may view children as social companions 用 suggests that 直接对应题干的 study suggests, 这正是 Udell 讲话里点明"研究暗示什么"的句子。

【替换】 dogs may view children as social companions ↔
Dogs pay much attention to the kids they live with.
概括上位替换

【排除】 B) **原词陷阱**

Dogs view both adults and kids as social companions. 套用了原文 social companions 一词, 但 Udell 强调的是狗把"孩子"当伙伴、且和成人有差异, 并非"成人和孩子都"一视同仁, 加了 both...and 反而违背她说的 differences, 与原文相反。

借用原文: while dogs may view children as social companions, there are also some differences

C) **张冠李戴**

Kids differ from adults in their behavior towards dogs. 借用原文 differences 一词, 但原文说的是"狗匹配孩子行为少于成人", 差异在于"狗对孩子和对成人"的行为, 而非"孩子和成人对狗"的行为, 主体被调换, 属张冠李戴。

借用原文: dogs are matching children's behavior, but less frequently than what we have seen between dogs and adults

D) **原词陷阱**

Kids need to be aware of the risks in playing with dogs. 套用了第三段提到的 risks, 但本题问 Udell 说研究"暗示"什么, 而风险是后文另一处内容, 且原文未说"孩子需提防风险", 答非所问。

借用原文: there are also risks associated with the dog-child relationship

25. A) Understanding dogs.

B) Training dogs.

C) Taking care of dogs.

D) Associating with dogs.

【题目】 **What does research show kids are very capable of doing?**

【翻译】 研究表明儿童非常有能力做什么?

A) 理解狗 B) 训练狗 C) 照顾狗 D) 与狗交往

【答案】 **B** (细节题) Training dogs.

【定位】 But research does show that kids are very capable of training dogs.

但研究确实表明, 孩子非常擅长训练狗。

【信号】 **capable of 直接点能力。** 录音末句 research does show that kids are very capable of training dogs 与题干几乎逐词重合, capable of 后面的 training dogs 就是答案动作, 是直接的能力陈述句。

【替换】 kids are very capable of training dogs ↔ **Training dogs.**

动作短语直接对应

【排除】 A) **张冠李戴**

Understanding dogs. 借用了原文 understand 一词，但原文说的是"我们（研究者）还有很多要去了解"，understand 的主体是研究者而非孩子，把它套到"孩子擅长理解狗"属张冠李戴。

借用原文：there are also some differences that we need to understand better

C) **未提及** Taking care of dogs. 的"照料狗"录音通篇没有提到，属无中生有。

D) **未提及**

Associating with dogs. 的"与狗交往"虽与全文话题相关，但原文明说孩子擅长的是 training (训练)，没有说 associating，属未提及。

SENTENCE INSIGHTS • 句子精讲

47 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

What did city officials of Fayetteville want bus drivers to be aware of?

第2题题干

疑问句 + "want somebody to do" 结构 + 疑问词作介词宾语前置，这三者的组合在四六级和考研阅读理解题干中非常常见。掌握这种结构可以帮助理解大量类似的问句，迁移性强。

These account for 64% of the total request at \$59 million.

第1段，第5句

简单句结构在考试中常见，但本句的短语动词 "account for" 和百分比表达具有一定实用性，可作为基础句式的代表，但不属于高频难点句型。

A rare thundersnow event has taken place in Scotland.

第1段，第1句

简单句 + 现在完成时是常见基础句式，具有一定代表性，但结构过于简单，无法体现四六级或考研真题中常见的复杂修饰、从句嵌套等典型特征。

And alarmed locals contacted police, thinking they had heard bombs going off.

第1段，第2句

本句成分覆盖较为丰富:主句包含主语(带定语)、谓语、宾语、状语(现在分词短语),从句包含主语、谓语(过去完成时)、宾语、宾语补足语。特别是现在分词短语作状语、过去分词作定语、感官动词的复合宾语结构("bombs going off"),都是学习者容易混淆或漏判的点。通过这句话可以训练学生识别非谓语动词的不同用法(过去分词定语 vs 现在分词状语 vs 现在分词宾补),以及理解复合结构的层次关系,训练价值较高。

One person described it as a loud boom, similar to a plane crash.

第2段，第1句

"describe...as"是常见表达，简单句主谓宾补结构在四六级阅读和写作中频繁出现，具有一定代表性，但不如含从句的复合句那样高频考查

The noise was powerful enough to shake buildings and set off car alarms.

第2段，第3句

主系表结构配合 "形容词 + enough to do" 是四六级、考研阅读中常见的句式，用于描述程度和结果，具有一定代表性，掌握后可迁移到类似句子，但不属于最高频的复杂句式。

The police assured everyone that it was just thunder and lightning rather than some military exercise.

第2段，第6句

宾语从句是四六级和考研阅读中的高频结构，且本句使用的 "及物动词 + 间接宾语 + that 从句" 句式 (如 assure/tell/inform sb that...) 非常典型。从句内部的 "rather than" 对比表达也是常考点。学习者掌握本句后，可以迁移到大量类似的 "告知/保证/通知" 类句式。

The weather was the coldest it had been for the season, so people were warned to be careful when traveling outside.

第2段，第7句

因果并列句配合定语从句和状语从句的嵌套，是四六级和考研阅读中高频出现的复合句模式；被动语态 + 不定式补足语 ("were warned to be") 和状语从句省略结构 ("when traveling") 都是常考句式，掌握后可大量复用于类似句子的分析。

The rail service also announced potential disruptions to trains due to the deep snow.

第2段，第9句

这种"机构名+announced+潜在影响的名词短语+due to+原因"的句式在新闻类阅读材料中反复出现，属于值得掌握并迁移的典型表达结构。

Some roads were also closed because of the severe weather.

第2段，第10句

被动语态 + 原因状语是英语中的常见句式，在四六级和考研真题中频繁出现，尤其在新闻报道和说明文中。本句作为简单被动句的典型代表，具有一定的学习迁移价值，但结构过于简单，不涉及从句或复杂修饰，代表性中等。

Their damage can be as serious as that of bombs.

第5题，C

主系表结构加情态动词 "can" 是四六级和考研阅读中的常见句式，"as...as" 比较结构也是高频考点，本句结构具有一定代表性，掌握后可迁移到类似的比较句和情态表达中，但整体结构过于简单，缺少从句嵌套、非谓语动词等更典型的复杂考点。

They set off to inspect the site of the plane crash.

第6题，D

"主语 + 不及物动词短语 + 不定式目的状语" 是常见句式，在阅读中经常出现。短语动词和不定式状语都是需要掌握的典型结构，具有一定代表性。

But now that you mention it, I do think getting another phone so soon is wasteful, regardless of the cost.

第4段，第2句

本句的结构在四六级和考研阅读中较为常见：主句 + 状语从句 + 宾语从句的组合，宾语从句使用动名词短语作主语，主句使用强调助动词 "do"。这种结构在真题中频繁出现，掌握后可以迁移到大量类似句子。状语从句 "now that" 也是常考的引导词。

M: Maybe you're right, but the thing is, everyone at the office has a nice, expensive phone, and I'm a little embarrassed by mine.

第5段，第1句

本句涵盖了主系表结构、主谓宾结构、表语从句、定语(介词短语作定语)、状语等多种成分,并且表语从句内部含并列结构,成分种类较为丰富。表语从句省略引导词 "that" 这一点对学习者有一定辨识价值,但整体句式不算特别复杂,没有宾补、双宾语、复杂修饰等更具挑战性的成分,训练价值中等偏上。

I just got a credit card, so I thought I might as well buy a new phone.

第5段，第2句

并列句加宾语从句是四六级和考研阅读中的高频句式,so 引导因果并列、thought 后接省略 that 的宾语从句都是典型搭配,掌握后可大量复用,代表性强。

M: Maybe you're right, but the credit card has a very good special offer, where I don't pay any interest for six months.

第7段，第1句

"让步一下，再用 but 转入重点"是很常见的书面和口语结构；名词后接由关系词引出的补充说明也很常见。掌握这种识别顺序，对处理考试中的并列加修饰结构很有帮助。

It is not as fancy as his colleagues'.

第9题，C

否定比较结构 "not as ... as" 是四六级和考研阅读中的高频句式，比较状语从句的省略也是常考语法点。本句结构简洁且典型，学习后可直接迁移到大量类似句子。唯一不足是句式相对简单，未涉及更复杂的嵌套或倒装变体。

It allows him to borrow money without paying interest for six months.

第10题，D

主谓宾加宾语补足语 (allow sb to do sth) 是四六级和考研阅读中常见句型，掌握后可迁移到 permit、enable、encourage 等动词，实用性强。

She regrets ignoring the woman's advice.

第11题，D

这是典型的“主语 + 及物动词 + 动名词短语作宾语”的句式，在各类英语考试中极度常见。

M: I do talk about very small homes, but there's no set definition of a tiny home.

第6段，第1句

并列复合句是四六级和考研阅读中的常见句式，“but”引出转折也是高频考点，“do”强调用法和“there be”存在句都是典型基础结构，但本句整体复杂度不高，作为进阶练习的代表性有限

Many people who can only afford to rent a large home are able to buy a tiny home.

第10段，第2句

“名词 + who 引出的限制性修饰结构 + 主句谓语”是非常常见、可大量迁移的英文句式。掌握这种读法后，很多考试句子的主干定位都会更稳。

In this city, the average home costs \$200,000, and a tiny home costs just \$50,000.

第10段，第3句

这种“地点状语 + 主谓宾，并列连词连接第二个主句”的写法很常见，信息表达清楚，适合迁移到说明、比较类句子中。尤其是用并列句并排给出两项事实，是很有代表性的基础句式。

M: So, tiny homes might not be for everyone, but they're a good option for many.

第12段，第1句

“让步式限制加转折补充”的表达非常常见，像“A might not be... but B is...”这种句式具有很强的可迁移性。掌握后可用于大量说明文和口语句子。

It isn't easy to realize.

第14题，B

“It is + 形容词 + to do”结构在四六级和考研真题中出现频率很高，是典型的形式主语句型，也是学生容易混淆的考点。掌握这一结构后可以迁移到大量类似句型如“It is important/necessary/difficult to do”等，具有较强的代表性和实用性。

They are vital to reducing waste worldwide.

第15题，D

主系表结构在考试中常见，但本句过于简短且无复杂修饰或从句嵌套，代表性处于中等水平，学习后可部分迁移到类似简单句，但对应对长难句帮助不大。

To begin with, children seem to have a natural desire to overcome challenges and take risks.

第2段，第1句

简单句配合插入语和不定式定语是四六级阅读中的常见句式。seem to do 结构和不定式修饰名词的用法频繁出现，掌握后可复用到大量类似句子。

Secondly, movement activities build children's big body skills such as coordination and balance, as well as the fine motor skills they need for tasks like writing, tying their shoes, or throwing and catching a ball.

第2段，第3句

这句结构不算过难，但训练收益高：既能练主干定位，也能练长宾语和后置修饰的拆解；时态又足够基础，适合优先作为结构入门材料。

Thirdly, according to the American Psychological Association, regular physical activity (and especially outdoor activity) reduces children's stress and depression, and improves their ability to focus and learn.

第2段，第4句

本句的核心结构（主语 + 并列谓语 + 各自的宾语）以及句首状语、后置定语等成分组合，在四六级和考研阅读中非常常见。特别是学术性文本中引用权威来源（"according to ..."）并陈述研究结论的句式，是典型的议论文表达。并列谓语和并列宾语的使用频率也很高，掌握后可在大量真题句中复用。唯一不算特别典型的是句首的序数副词 "Thirdly"，但这也是列举论点时的常见用法。

Finally, we know that physical activity is important for our physical and mental health, and cultivating the habit of physical activity starts early.

第2段，第7句

本句的 "主句 + that 引导的宾语从句 + and 并列主句" 结构在四六级和考研真题中非常常见，尤其是 "know/believe/think + that 从句" 的搭配以及动名词短语作主语的用法都是高频考点。掌握本句结构后，可以迁移到大量类似句型，具有较高的典型性和复用价值。

Not every child enjoys competitive sports or playing with balls and that's OK.

第2段，第9句

并列句 "Sentence A + and + Sentence B" 以及包含动名词作宾语的结构在基础英语中极其常见。

Take care of their well-being.

第16题，C

祈使句在考试中偶有出现,但通常作为简单指令或口语表达,不是四六级或考研阅读理解典型句式。本句结构过于简单,难以代表考试中常见的复杂长难句,迁移价值一般。

According to the American Psychological Association, what does regular physical activity do to children?

第17题 题干

特殊疑问句在四六级和考研阅读理解中频繁出现,掌握疑问词在句中充当宾语、主语或表语的用法对理解长难句中的嵌入式疑问结构有迁移价值;介词短语作状语的用法也极为常见,具有较高典型性

Help them to conceal their frustration.

第17题，B

「help + 宾语 + to do」是四六级和考研中的高频句型,祈使句也是常见表达方式,非常典型且实用。掌握本句结构后,可以直接迁移到 ask/tell/want sb to do、enable/allow sb to do 等一大类动词的使用,迁移价值高。

Prevent them from feeling lonely.

第17题，D

祈使句在四六级和考研真题中较为常见,尤其在建议类、说明类文章中。"prevent sb from doing sth" 是高频固定搭配,在阅读理解和写作中反复出现。掌握这一结构后可大量复用,迁移性强,因此典型性较高。

It calls for lifelong efforts.

第18题，C

简单的主谓宾结构在四六级和考研真题中较为常见,但本句过于简短且无修饰成分,作为典型句式的代表性一般,学习后的迁移价值有限。

A new study finds that job seekers are even willing to explore jobs with lower salaries when companies are more diverse.

第1段，第1句

"主句 + that 宾语从句 + when 状语从句" 是四六级和考研阅读中的高频句式结构。这种嵌套模式在学术类和新闻类文本中反复出现，掌握后可以迁移到大量类似句子的理解中。

To conduct the study, the team partnered with an online job listings platform which emails postings relevant to individuals and their job search criteria.

第2段，第1句

主句带定语从句修饰宾语,且定语从句中关系代词作主语,这是四六级和考研阅读中高频出现的句式。句首目的状语也是常见结构,整体句式具有较强的代表性和迁移价值。

In the baseline condition, participants saw emails in the normal format, with no information on diversity; in the diversity condition, participants saw a diversity score for each listing: information about the race, gender, education, and language skills of a company's workforce compared to others in the same sector and location.

第2段，第3句

并列句在四六级和考研阅读中较为常见,且本句通过分号连接、结构对称的写法具有一定代表性,学习者掌握后可迁移到其他对比描述的并列句,但句子本身不涉及更高频的从句结构(如定语从句、状语从句),典型性中等偏上。

Participants in the diversity condition tended to click on job listings from companies with slightly higher diversity scores than those in the baseline condition: that is, participants seemed to be paying attention to information about diversity, and using this when deciding whether to click on the listing.

第3段，第1句

本句结构有一定挑战，但难度仍在可训练范围内，既能练主干提取，也能练比较、省略和非谓语嵌套。时态不至于压倒性困难，适合作为结构与时态综合训练材料优先讲解。

These include helping with social development, increasing physical activity, managing anxiety or serving as a source of attachment in the face of changing family structures.

第1段，第3句

本句是练习“动词后接并列动名词作宾语”这一结构的好例子，能让学生练习区分动名词与现在分词、辨认由逗号和“or”组织的并列宾语边界，还包含“in the face of”这类介词短语和“changing family structures”中现在分词作定语的用法，覆盖面较丰富。

"One interesting thing we have observed is that dogs are matching children's behavior, but less frequently than what we have seen between dogs and adults. This suggests that while dogs may view children as social companions, there are also some differences that we need to understand better."

第2段，第3句

这种‘发现+推论’（Observation + Suggestion）的结构是学术论文和四六级、考研阅读文章中极其典型的论述模式。

"But research does show that kids are very capable of training dogs."

第3段，第4句

宾语从句跟在及物动词后是四六级和考研阅读中的高频句式，主句使用“does”强调也是常见表达手法。整体结构具有较强代表性，学生掌握后可迁移到大量类似句子。

Dogs pay much attention to the kids they live with.

第24题，A

包含省略关系代词的限制性定语从句是四六级和考研阅读中的高频句式，主句后接介词短语再嵌套定语从句的结构也很常见。掌握此类句型的分析方法具有较强的迁移价值。

Dogs view both adults and kids as social companions.

第24题，B

“view...as...”是四六级和考研阅读中高频出现的动词搭配句式，宾语+宾补结构也是常考重点，掌握后可迁移至大量类似表达，具有较好的代表性。

Kids differ from adults in their behavior towards dogs.

第24题，C

本句为典型的“主语 + 不及物动词 + 介词短语状语”结构，在英语中较为常见，但考试中更常考查复杂句式。作为简单句的代表有一定价值，但迁移性和代表性相对有限。

Kids need to be aware of the risks in playing with dogs.

第24题，D

情态性动词加不定式的复合谓语（need to do）和介词短语作后置定语的结构在四六级及考研阅读中频繁出现，具有较高的典型性；掌握本句结构后可迁移至大量类似句型（如 want to、have to、the way to 等）；但因本身为简单句，无从句嵌套，代表性略低于复合句。

What does research show kids are very capable of doing?

第25题题干

疑问句 + 宾语从句（省略 that）+ 疑问词前置是四六级和考研阅读中的高频句式，具有较强的代表性和复用价值

HIGH-FREQUENCY • 真题高频词

importance B1

n. 重要性

本卷1次·真题 40 句

writing A2

n. 写作

本卷1次·真题 40 句

consequence B2

n. 结果

本卷1次·真题 38 句

district B1

n. 地区

本卷1次·真题 38 句

particular B2

adj. 特定的

本卷1次·真题 37 句

previous B1

adj. 先前的

本卷1次·真题 37 句

site A2

n. 地点

本卷1次·真题 37 句

finally A2

adv. 终于, 最终

本卷1次·真题 36 句

environmental B1

adj. 环境的

本卷1次·真题 34 句

rare B1

adj. 稀有的

本卷1次·真题 33 句

ahead A2

adv. 在前面

本卷1次·真题 32 句

protection B1

n. 保护

本卷1次·真题 32 句

appeal B2

v. 呼吁

本卷1次·真题 31 句

differ B1

v. 不同, 有区别

本卷1次·真题 30 句

powerful B1

adj. 强大的

本卷1次·真题 30 句

growing A2

adj. 增长的

本卷1次·真题 29 句

represent B1

v. 代表

本卷1次·真题 28 句

fully B1

adv. 完全地

本卷1次·真题 26 句

ignore B1

v. 忽视;不理睬

本卷1次·真题 26 句

lower A2

adj. 较低的;下方的

本卷1次·真题 25 句

announce B1

v. 宣布

本卷1次·真题 24 句

aspect B2

n. 方面

本卷1次·真题 22 句

gather B1

v. 聚集, 集合

本卷1次·真题 22 句

native B1

adj. 本国的

本卷1次·真题 22 句

relevant B2

adj. 相关的

本卷1次·真题 22 句

cope B2

v. 应对

本卷1次·真题 21 句

observe B2

v. 观察;注意到

本卷1次·真题 21 句

perceive B2

v. 理解, 领悟 (某事的性质或意义)

本卷1次·真题 21 句

slightly B1

adv. 稍微, 略微, 轻微地

本卷1次·真题 21 句

worldwide B1

adj. 全世界的

本卷1次·真题 21 句

structure B1

n. 结构

本卷1次·真题 20 句

vital B2

adj. 极其重要的, 必不可少的

本卷1次·真题 19 句

severe B2

adj. 严重的

本卷1次·真题 18 句

regardless B2

adv. 不管

本卷1次·真题 17 句

definition B2

n. 定义

本卷1次·真题 16 句

frequent B1

adj. 频繁的

本卷1次·真题 16 句

reduction B2

n. 减少

本卷1次·真题 15 句

significantly B2

adv. 显著地

本卷1次·真题 15 句

anxious B1

adj. 焦虑的

本卷1次·真题 14 句

diverse B2

adj. 多种多样的

本卷1次·真题 14 句

newly B1

adv. 最近

本卷1次·真题 14 句

mix A2

v. 混合

本卷1次·真题 13 句

phenomenon B2

n. 现象

本卷1次·真题 13 句

accumulate B2

v. 积累

本卷1次·真题 12 句

approve B1

v. 批准, 认可 (正式同意)

本卷1次·真题 12 句

bite A2

v. 咬

本卷1次·真题 12 句

boom B1

n. 繁荣

本卷1次·真题 12 句

flood B1

n. 洪水

本卷1次·真题 12 句

kindergarten A2

n. 幼儿园

本卷1次·真题 12 句

overcome B2

v. 克服

本卷1次·真题 12 句

stretch B1

v. 伸展

本卷1次·真题 12 句

surprised A2

adj. 感到惊讶的

本卷1次·真题 12 句

alarm A2

n. 警报器

本卷1次·真题 11 句

embrace B2

v. 拥抱

本卷1次·真题 11 句

outdoor A2

adj. 户外的, 室外的

本卷1次·真题 11 句

qualified B2

adj. 有资格的

本卷1次·真题 11 句

alike B1

adj. 相似的

本卷1次·真题 10 句

outlet

B2

n. 商店

本卷1次·真题 10 句

administrator

B2

n. 管理者

本卷1次·真题 8 句

anger

B1

n. 愤怒

本卷1次·真题 8 句

faculty

B2

n. (大学的) 系, 院

本卷1次·真题 8 句

BLANKS & ANALYSIS • 选词填空题和解析

选词填空题和解析 · 26-35 题

本页 26-35 题的正确答案词与逐空解析由懒笔记按2024年12月·第1套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、2 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第1套(2024-12) • 英语四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

When Toni Morrison died in 2019, the world lost one of its most influential authors. But Morrison was not an early success. Her first novel was not published until she was 39, and her last appeared when she was 84. And Morrison was not 26 in this regard. Numerous writers produce masterpieces well into their 70s and beyond. Such 27 accomplishments highlight an important point. Our capacity to speak, write and learn new vocabulary does not seem to 28 with age. Our eyesight may dim and our recall may weaken, but, by comparison, our ability to produce and to 29 language is well preserved into older adulthood.

当托妮·莫里森于2019年去世时,世界失去了一位最具影响力的作家。但莫里森并非早年成名。她的第一部小说直到39岁才出版,而她的最后一部作品问世时她已84岁。莫里森在这方面并非独一无二。许多作家在70多岁及以后仍创作出杰作。这些文学成就凸显了一个重要观点。我们说话、写作和学习新词汇的能力似乎不会随年龄增长而衰退。我们的视力可能减弱,记忆力可能下降,但相比之下,我们产生和理解语言的能力在老年期仍保持良好。

Indeed, the latest research that has emerged on language and aging shows that language mastery is a 30 that we begin as infants and continue on for the rest of our lives. Some aspects of our language abilities, such as our knowledge of word meanings, 31 improve during middle and late adulthood. One study, for example, found that adults over sixty had an average vocabulary size of over 21,000 words. The researchers also studied a 32 of college students and found that their average vocabulary contained 33 16,000 words. In another study, older adults, with an average age of 75, 34 better than participants in their youth or middle years on tasks that required them to determine

the meaning of words. Thus, language seems to be a skill that, contrary to what many might 35 , does not weaken with age.

事实上,关于语言和衰老的最新研究表明,掌握语言是一段旅程,我们从婴儿时期开始,并在余生中持续进行。我们语言能力的某些方面,例如我们对词汇含义的认知,实际上在中年和老年期有所提高。例如,一项研究发现,60岁以上的成年人平均词汇量超过21000个单词。研究人员还对大学生样本进行了研究,发现他们的平均词汇量约为16000个单词。在另一项研究中,平均年龄为75岁的老年人在需要确定单词含义的任务上表现优于青年或中年参与者。因此,语言似乎是一种技能,与许多人可能认为的相反,它不会随年龄增长而减弱。

|------------------|---------------|
| A) actually | I) literary |
| B) approximately | J) performed |
| C) assume | K) rarely |
| D) component | L) sample |
| E) comprehend | M) undermined |
| F) deteriorate | N) unique |
| G) equivalent | O) unit |
| H) journey | |

26. And Morrison was not __ (26) __ in this regard.

【答案】 **N) unique** (形容词)

【词性槽】 be 动词 was 后作表语

【依据】 下一句正解释「并不罕见」

Numerous writers produce masterpieces well into their 70s and beyond. 紧跟其后说明「许多作家年逾古稀仍出杰作」, 正是在否定 Morrison 在大器晚成上的「独一无二性」, 因此 And Morrison was not __ (26) __ in this regard. 应为「并非独一无二的」。

【竞争词】 G) equivalent 缺少对比对象

equivalent 表「与...等同」, 须有比较对象 (equivalent to sb.) ; 本句只给出 in this regard 这一抽象限定, 没有具体参照物, 且 was not equivalent 与下一句「许多人也如此」逻辑反向, 行不通。

27. Such __(27)__ accomplishments highlight an important point.

【答案】 **I) literary** (形容词)

【词性槽】 形容词修饰名词 accomplishments

【依据】 上文全在谈作家与小说

前文反复提到 When Toni Morrison died in 2019, the world lost one of its most influential authors. 与 Her first novel was not published until she was 39, accomplishments 指的就是「文学成就」，所以 literary 与上下文最贴合。

【竞争词】 G) equivalent 语义不通

equivalent 意为「等同的」，需要与另一参照对象比较，这里并未出现可比物，「等同的成就」放进 Such __(27)__ accomplishments highlight an important point. 不知与什么等同，逻辑断裂。

N) unique 已被 26 题选用

unique 在解 26 题时已被划走（见 26 题），整套词库每词只能用一次，本空不再考虑。

28. Our capacity to speak, write and learn new vocabulary does not seem to __(28)__ with age.

【答案】 **F) deteriorate** (动词)

【词性槽】 to 后接动词原形

【依据】 deteriorate with age 固定搭配

deteriorate with age 「随年龄退化」是英语中描述衰老的标准表达；Our capacity to speak, write and learn new vocabulary does not seem to __(28)__ with age. 「我们的语言能力似乎并不随年龄退化」精准契合全文主旨。

【竞争词】 E) comprehend 语义与 with age 不搭

comprehend 表「理解」，「不随年龄理解」语义不通；且 comprehend 是及物动词，后面缺少宾语；同时 29 题正需要 comprehend 与 produce 并列。

29. our ability to produce and to __(29)__ language is well preserved into older adulthood.

【答案】 **E) comprehend** (动词)

【词性槽】 to produce and to ___ 并列结构

【依据】 produce 与 comprehend 对仗

produce language（产出语言）与 comprehend language（理解语言）构成语言能力的「输出—输入」标准对子，是语言学领域常用搭配；our ability to produce and to __(29)__ language is well preserved into older adulthood. 顺势承接主旨「老年仍保留语言能力」。

30. language mastery is a __(30)__ that we begin as infants and continue on for the rest of our lives.

【答案】 **H) journey** (名词)

【词性槽】 is a __ that 主表结构

【依据】 把语言习得比作终身旅程

language mastery is a __(30)__ that we begin as infants and continue on for the rest of our lives., begin... continue... for the rest of our lives 正是 journey 的典型语境（人生/学习的「旅程」），与「终身学习」的喻体完全匹配。

【竞争词】 D) component 组成部分 ≠ 终身过程

component 表「组成部分」，与「从婴儿开始持续一生」的连续性语义不搭——人不会「开始并持续一生地做一个 component」。

O) unit 单位/单元静态

unit 指静态的「单位/单元」，无法承载「begin and continue for life」这一动态过程，搭配不当。

31. Some aspects of our language abilities, such as our knowledge of word meanings, __(31)__ improve during middle and late adulthood.

【答案】 **A) actually** (副词)

【词性槽】 情态结构里修饰动词

【依据】 强调「与预期相反」

全文核心论点是「语言能力不随年龄衰退」，本句进一步给出强例证：词义知识在中老年还会提高，与「人老智衰」的常识相反，正好用 actually「实际上」来强调反预期；与下一句 One study, for example, found that adults over sixty had an average vocabulary size of over 21,000 words. 的举例链衔接通顺。

【竞争词】 K) rarely 与论点反向

rarely improve「很少提升」会让本句意思翻转为「中老年词汇几乎不提升」，与下一句「60 岁以上成人词汇量超 21,000 词」的研究例证、以及全文「语言能力不衰退」主旨直接矛盾。

【易错】 最具迷惑性的错误词是 K) —— actually vs rarely 反向陷阱。knowledge of word meanings, __(31)__ improve, rarely 词性与 actually 完全一致，光看语法位置无法区分；不少考生若没读到下一句的研究数据，会想当然填 rarely「很少提升」与「人老智衰」的常识匹配，正中陷阱。防坑：本题副词类二选一时先回全文找主旨，再决定方向。

32. The researchers also studied a __(32)__ of college students

【答案】 **L) sample** (名词)

【词性槽】 studied 的宾语 a __ of...

【依据】 研究语境的「样本」

上下文是 The researchers also studied a __(32)__ of college students, researcher + studied 已经标明这是科研场景, a sample of college students 「一份大学生样本」是研究文献的固定表达。

【竞争词】 D) component 搭配不成立

component 指「组成部分」, 常说 a component of a system, 与 college students 搭配生硬; 研究语境里也极少说「一组学生组件」。

H) journey 需留给 30 题的「过程」

journey 在此句搭配 a journey of college students 不通; 同时本词在 30 题 (语言学习是一段历程) 有更贴切的归宿, 先做的 32 题不应抢用它。

O) unit 搭配语义不准

a unit of college students 听起来像「一队学生」, 多用于军事/组织编制, 而非研究取样语境; 研究里通常说 sample。

33. found that their average vocabulary contained __(33)__ 16,000 words.

【答案】 **B) approximately** (副词)

【词性槽】 数字 16,000 前需副词修饰

【依据】 approximately + 数字是常用搭配

contained __(33)__ 16,000 words, 「大约 16,000 个单词」对应研究里给出的平均值估算, 搭配自然、语义合理。

34. older adults, with an average age of 75, __(34)__ better than participants in their youth or middle years on tasks that required them to determine the meaning of words.

【答案】 **J) performed** (动词)

【词性槽】 主语后缺谓语动词

【依据】 performed better 是典型搭配

perform 在科研语境中常表「在测试/任务中的表现」, performed better than participants in their youth or middle years on tasks 是英语固定搭配 perform better on tasks 「在任务上表现更好」, 语义、时态均贴合。

35. language seems to be a skill that, contrary to what many might __ (35) __, does not weaken with age.

【答案】 **C) assume** 动词

【词性槽】 情态动词 might 后接动词原形

【依据】 **contrary to what people assume** 固定逻辑

contrary to what many might __ (35) __ 是英语经典「与人们想当然的看法相反」句式，assume 表「想当然地以为」最贴合；与后面 does not weaken with age 形成「常识 vs 事实」对照，呼应 overview 反预期立意。

【竞争词】 **E) comprehend** 要留给 29 题

comprehend 在 29 题与 produce 并列搭配 produce and to __ language，是该空唯一通顺选择；本空若先抢走，会让 29 题无解。同时本句语义重点是「设想/猜想」，不是「理解」。

F) deteriorate 要留给 28 题

deteriorate 是 28 题「does not seem to __ with age」的固定答案；放到本空 what many might deteriorate 语法不通（deteriorate 通常作不及物动词），既错位又抢走了 28 题的唯一选择。

【易错】 最具迷惑性的错误词是 **E)** —— comprehend 错位抢词。contrary to what many might __ (35) __, does not weaken with age, comprehend 与 might 语法上完全搭得上，「与许多人可能理解的相反」乍看也通，但它会抢走 29 题唯一的答案；并且本句核心是「想当然」而非「理解」。防坑：定动词时不仅看本空通不通，也要扫一眼别的空有没有更需要这个词的位置。

WORD BANK · 词库分类表

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A–O)，为 10 个空各选一个、每词最多用一次。下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **actually** 副词

实际上、事实上（常用于强调与预期相反的事实）

用于第 31 空

B) **approximately** 副词

大约、近似地（常修饰数字）

用于第 33 空

C) **assume** 动词

假定、想当然地以为

用于第 35 空

D) **component** 名词 形容词

组成部分、成分

干扰词 · 未选用

E) **comprehend** 动词

理解、领会

用于第 29 空

F) **deteriorate** 动词

恶化、退化、变差

用于第 28 空

G) **equivalent** 形容词 名词

等同的、相等物

干扰词 · 未选用

H) **journey** 名词 动词

旅程、历程（可喻指漫长的过程）

用于第 30 空

I) **literary** 形容词

文学的、文学上的

用于第 27 空

J) **performed** 动词

表现、执行（perform 的过去式/过去分词，可作过去时谓语）

用于第 34 空

K) **rarely** 副词

很少地、罕见地

干扰词 · 未选用

L) **sample** 名词 动词

样本、抽样

用于第 32 空

M) **undermined** 动词 形容词

（被）削弱、暗中破坏（undermine 的过去式/过去分词）

干扰词 · 未选用

N) **unique** 形容词

独一无二的、独特的

用于第 26 空

O) **unit** 名词

单位、单元

干扰词 · 未选用

全文主旨

语言能力不随年龄衰退

全文借托妮·莫里森等大器晚成的作家说明：人类说、写、学新词的能力到了中老年依旧保持良好，甚至词汇量还会增长。开篇即定调 Our capacity to speak, write and learn new vocabulary

does not seem to __(28)__ with age., 第二段进一步给出研究证据。

DISTRACTORS • 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

D) **component** 貌似可填 30、32

component 是名词，词性与 30 (a __ that we begin...)、32 (a __ of college students) 都对得上，是名词类最具迷惑性的干扰词。识破点：它意为「组成部分」，无法承载 we begin as infants and continue on for the rest of our lives 的过程感，也不与 a __(32)__ of college students 这种研究取样语境搭配，逐项「代入读半句」即可排除。

G) **equivalent** 貌似可填 26、27

equivalent 既可作形容词又可作名词，词性能套进 26 (was not __)、27 (Such __ accomplishments) 两个形容词空。但它必须有比较参照 (equivalent to sth.)；本文中无任何参照对象，且语义与「文学成就」「独一无二」均不重合，是典型的「词性对、语义偏」干扰。

K) **rarely** 31 题最危险的陷阱

rarely 与 actually 同为副词，能放在 knowledge of word meanings, __(31)__ improve 这个位置，词性完美匹配；但它表「很少」会让本句意思反转，与下一句研究数据及全文主旨直接冲突。识破点：先回主旨判断正反，再选词。

M) **undermined** 看似可补 34 的过去时

undermined 是过去式/过去分词形式，与 34 题需要的过去时谓语「貌似」匹配；但它意为「被削弱」，与 performed better than participants in their youth or middle years 中的 better 正面比较矛盾，整体语义反向，迷惑性来自形态对、语义反。

0) unit 貌似可填 30、32

unit 是单数可数名词，词性能进 30 与 32 两个名词空。但 a unit of college students 像「一支学生编队」，与研究取样语境不合；a unit that we begin... and continue for life 又没有过程感，无法表达「终身旅程」。识破点：抓住空所在句的关键修饰语（of college students / begin... continue for life）逐项验证搭配。

SENTENCE INSIGHTS • 句子精讲

5 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Her first novel was not published until she was 39, and her last appeared when she was 84.

第1段，第3句

这句难度适中，但涵盖并列、时间从句、被动和主系表几个高频点，适合作为结构与时态的基础训练材料。对提升顺序找主干、再挂修饰信息的能力很有帮助。

Our eyesight may dim and our recall may weaken, but, by comparison, our ability to produce and to comprehend language is well preserved into older adulthood.

第1段，第8句

本句覆盖了主语、谓语、状语等多种成分，第二个主句的主语包含不定式后置定语，谓语是被动结构，还有插入语和介词短语状语，成分类型丰富，适合练习成分划分和识别修饰关系。

Indeed, the latest research that has emerged on language and aging shows that language mastery is a journey that we begin as infants and continue on for the rest of our lives.

第2段，第1句

主句覆盖主谓宾结构，宾语为从句；宾语从句内含主系表结构，表语又带定语从句；最内层定语从句含并列谓语、时间状语、方式状语，成分种类丰富。定语从句中关系代词"that"在不同位置的作用(作主语、省略作宾语)、并列谓语共用主语、介词短语作状语等，都是易错且值得反复练习的知识点

One study, for example, found that adults over sixty had an average vocabulary size of over 21,000 words.

第2段，第3句

主句 + that 引导宾语从句的结构是四六级和考研阅读中的常见句式,尤其在引述研究发现、观点陈述等学术语境中高频出现,典型性强,掌握后可大量复用。

Thus, language seems to be a skill that, contrary to what many might assume, does not weaken with age.

第2段，第6句

限制性定语从句修饰名词、插入语打断从句、宾语从句嵌套在介词短语中,这些都是四六级和考研阅读中高频出现的句式特征,掌握后可直接迁移到大量真题句型

HIGH-FREQUENCY • 真题高频词

STATEMENTS & ANALYSIS • 信息匹配题和解析

信息匹配题和解析·36-45 题

本页 36-45 题的段落匹配答案与逐句解析由懒笔记基于2024年12月·第1套 英语四级长篇阅读（信息匹配）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 12 段字母标号长文（逐段附中文翻译）；之后 10 句陈述逐句排列，每句英文陈述后紧接本句解析——陈述句中译、信息所在段落、锚点强弱、定位句中英对照、陈述句与原文的同义改写对照与易混相邻段辨析。

真题卷第1套(2024-12) • 英语四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

Why it's wrong to look at work-life balance as an achievement

A) Few topics have been so endlessly analysed as work-life balance. The quest to attain this mysterious state has dominated discussion around careers for years—especially for working parents. The concept is often presented as something to achieve, or a goal to reach. And once you've reached it, congratulations: you've made it; you're a successful human being of the 21st century.

很少有话题像工作与生活的平衡这样被无休止地分析。多年来,获得这种神秘状态的追求一直主导着有关职业的讨论——尤其是对于在职父母而言。这个概念常常被呈现为需要达成的某种东西,或需要到达的目标。一旦你达到了,恭喜你:你成功了;你是21世纪成功的人。

B) But the problem is that we often tell ourselves: "I'm going to put in eight hours' worth of work, and then I'm going to put in eight hours' worth of 'me time', which will include my family, my hobbies, my workout, my everything," says Anat Lechner, clinical associate professor of management at New York University. "I don't think it's such a simple formula."

但问题在于,我们常常告诉自己:"我要投入八小时的工作,然后我要投入八小时的'自我时间',其中将包括我的家庭、我的爱好、我的锻炼、我的一切",纽约大学管理学临床副教授Anat Lechner说。"我认为这不是如此简单的公式。"

C) And, according to new findings, it may not be. Some researchers are now encouraging us to stop thinking about work-life balance as an achievement that you either hit or don't. Instead, they suggest it may be more of a lifelong process—a continuous, never-ending exercise that requires self-awareness and timely adjustments. Researchers Ioana Lupu and Mayra Ruiz-Castro argue that work-life balance is "a cycle, not an achievement". In their 2020 study, the researchers interviewed nearly

80 employees at two London-based firms—an equal number of men and women between the ages of 30 and 50, all with at least one dependent child—who worked in middle or senior management roles. 而且,根据新的研究发现,可能并非如此。一些研究人员现在鼓励我们停止将工作与生活的平衡视为一种你要么达到要么达不到的成就。相反,他们认为这更可能是一个终身的过程——一个持续的、永无止境的实践,需要自我意识和及时的调整。研究人员Ioana Lupu和Mayra Ruiz-Castro认为,工作与生活的平衡是“一个循环,而非一项成就”。在他们2020年的研究中,研究人员采访了伦敦两家公司的近80名员工——年龄在30至50岁之间的男性和女性人数相等,都至少有一个需要抚养的孩子——他们担任中层或高层管理职位。

- D) Although it sounds like the respondents had a lot in common, here's what separated them: about 30% of the men and 50% of the women reported resisting working long hours. The other respondents, meanwhile, all worked long hours because they thought that's what successful professionals should do.

虽然听起来受访者有很多共同点,但以下是区分他们的因素:约30%的男性和50%的女性报告说抵制长时间工作。与此同时,其他受访者都长时间工作,因为他们认为这是成功的专业人士应该做的。

- E) Lupu and Ruiz-Castro looked at those who rejected the long hours and they found that those workers actually had strikingly similar strategies for maintaining their work-life balance. They had a tendency to reflect and question assumptions in the name of self-awareness and regularly took steps to adjust the things standing in their way to work-life balance.

Lupu和Ruiz-Castro研究了那些拒绝长时间工作的人,他们发现这些员工实际上在维持工作与生活平衡方面有着惊人相似的策略。他们倾向于以自我意识的名义反思和质疑假设,并定期采取措施调整阻碍他们实现工作与生活平衡的事情。

- F) Lupu and Ruiz-Castro identified five steps that the respondents in the study who had better work-life balance used in their jobs. First, they paused and reconsidered beliefs such as "I'm a professional, so I should work, work, work", and asked themselves questions like, "What's currently causing me stress?" Second, after identifying the cause, they zeroed in on their resultant emotions. Did they feel angry, sad, energised? Third, they reprioritised, asking "Is working long hours really worth cutting back on family time?", for example. Fourth, they considered their alternatives: is there anything at work that could be changed to accommodate these new priorities? And finally, they implemented changes, like asking their supervisor for greater flexibility, or deciding not to take on every project that comes their way.

Lupu和Ruiz-Castro确定了研究中工作与生活平衡更好的受访者在工作中使用的五个步骤。首先,他们暂停并重新考虑诸如“我是专业人士,所以我应该工作、工作、工作”之类的信念,并问自己诸如“目前是什么导致我压力”之类的问题。其次,在确定原因后,他们专注于由此产生的情绪。他们是感到愤怒、悲伤还是充满活力?第三,他们重新确定优先级,例如问“长时间工作真的值得减少家庭时间吗?”第四,他们考虑自己的选择:工作中是否有任何可以改变的地方来适应这些新的优先事项?最后,他们实施改变,比如要求主管提供更大的灵活性,或决定不承担每一个项目。

- G) This five-step process is something anyone can adopt. Going through the steps, and constantly checking in with yourself, can help you shift and adapt your professional life to something that will

better harmonise with your personal one. "Awareness of your emotional state is essential in order to determine the changes you want to make in your work and in your life," says Lupu.

这个五步骤过程是任何人都可以采用的。经历这些步骤,并不断与自己核对,可以帮助你转变和调整你的职业生活,使其更好地与你的个人生活协调。"意识到你的情绪状态对于确定你想在工作和生活中做出的改变至关重要",Lupu说。

- H) New York University's Lechner agrees that finding that balance is an ongoing pursuit. It's not simply about dividing up the hours in your day between work, the gym, kids and chores. If the underlying emotional sources of stress are still there, then the time you actually spend at home may not be enjoyable. "We come home and even though physically we are there, mentally we still may be processing things that happened at work. We're not present," she says. What we call "work-life balance" is actually just a substitute to having a sense of fulfillment and contentment.

纽约大学的Lechner同意找到平衡是一个持续的追求。这不仅仅是在工作、健身房、孩子和家务之间分配你一天中的时间。如果压力的潜在情绪根源仍然存在,那么你实际在家度过的时间可能并不愉快。"我们回到家,尽管身体上我们在那里,但精神上我们可能仍在处理工作中发生的事情。我们并不在场",她说。我们所说的"工作与生活的平衡"实际上只是拥有成就感和满足感的替代品。

- I) Of course, finding that balance probably shouldn't be something you have to do by yourself. Research by Erin Kelly, professor of work and organisation studies at MIT, shows companies and managers can play a key role in creating a better environment for workers. For her book *Overload: How Good Jobs Went Bad and What to Do about It*, she and co-author Phyllis Moen split more than 1,000 employees at a Fortune 500 company into two groups, one that worked under a management redesign and one that continued working within the existing management structure.

当然,找到那种平衡可能不应该是你必须独自完成的事情。MIT工作与组织研究教授Erin Kelly的研究表明,公司和管理者可以在为员工创造更好的环境方面发挥关键作用。在她的著作《超载:好工作如何变坏以及该怎么办》中,她和合著者Phyllis Moen将《财富》500强公司的1000多名员工分为两组,一组在管理重新设计下工作,另一组继续在现有管理结构内工作。

- J) Under the management redesign, many steps were taken to ensure better work-life balance and prevent burnout(精疲力竭). Managers were regularly reminded to explicitly support their employees. Workers were allowed to make changes, like cancelling 9 am meetings. All of this was done in the name of increasing job satisfaction and giving workers greater flexibility, and to assure workers that it was something management was committed to. Unsurprisingly, Kelly and Moen found that employees in the redesign group reported less stress and less burnout. They were less likely to quit their jobs; indeed, over the next four years, they were 40% less likely to quit than those who kept working under the old policies.

在管理重新设计下,采取了许多措施来确保更好的工作与生活平衡并防止精疲力竭。管理者被定期提醒要明确支持他们的员工。员工被允许做出改变,比如取消上午9点的会议。所有这一切都是为了提高工作满意度和给予员工更大的灵活性,并向员工保证这是管理层致力于的事情。不出所料,Kelly和Moen发现重新设计组的员工报告压力更小,精疲力竭更少。他们不太可能辞职;实际上,在接下来的四年里,他们辞职的可能性比那些继续在旧政策下工作的人低40%。

- K) "Work-life balance is understood to be an individual's response, so people think 'it's up to me to manage the craziness of my work life'", says Kelly. But organisations need to examine the demands they're placing on employees. "The root problem is not how the two pieces of work and life come

together. It's that we have unrealistic expectations of what we're asked to do on the work side." If your workplace isn't an environment where work-life balance is possible in the first place, any effort you attempt to make toward it on a personal level will be in vain.

"工作与生活的平衡被理解为个人的反应,所以人们认为'管理我工作生活的疯狂取决于我'",Kelly说。但组织需要审查他们对员工提出的要求。"根本问题不是工作和生活这两部分如何结合在一起。而是我们对工作方面要求我们做的事情抱有不切实际的期望。"如果你的工作场所首先就不是一个可以实现工作与生活环境的环境,那么你在个人层面上为此做出的任何努力都将是徒劳的。

- L) That's a conversation that appears to be gathering pace. The new prevalence of remote and flexible working models will likely all play important roles in how we balance our professional and personal lives. And if it seems like finding that perfect balance remains difficult to achieve, the experts say that keeping some perspective can help. For millions of people, work is about being able to put food on the table. Talking about work-life balance "is a very privileged conversation", says Lechner. "If we're reflecting, maybe we should also reflect on that."

这是一场似乎正在加速进行的对话。远程和灵活工作模式的新普及可能都将在我们如何平衡职业和个人生活方面发挥重要作用。如果找到那种完美的平衡似乎仍然难以实现,专家们说保持一些视角可以有所帮助。对于数百万人来说,工作是为了能够把食物摆上餐桌。谈论工作与生活的平衡"是一个非常特权的对话",Lechner说。"如果我们在反思,也许我们也应该反思这一点。"

陈述句与逐句解析

36. According to a management expert, work-life balance is not as simple as giving equal amounts of time to work and personal life.

据一位管理专家所说,工作与生活的平衡并不像给工作和个人生活分配同等时间那样简单。

【答案】 B 段 (强锚点)

【锚点】 管理学专家观点+工作生活时间不能简单等分

【定位】 But the problem is that we often tell ourselves: "I'm going to put in eight hours' worth of work, and then I'm going to put in eight hours' worth of 'me time', which will include my family, my hobbies, my workout, my everything," says Anat Lechner, clinical associate professor of management at New York University. "I don't think it's such a simple formula."

但问题在于,我们常常对自己说:"我要投入八小时来工作,然后再投入八小时给"自己的时间",包括家人、爱好、锻炼、一切。"纽约大学管理学临床副教授 Anat Lechner 说。"我不认为它是一个这么简单的公式。"

【改写】 According to a management expert ↔

Anat Lechner, clinical associate professor of management at New York University

身份概括上位

not as simple as giving equal amounts of time to work and personal life ↔

eight hours' worth of work, and then I'm going to put in eight hours' worth of 'me time'

具体公式被概括为等量时间分配

not as simple as ↔ I don't think it's such a simple formula

否定结论同义改写

37. Research found that those who are given greater flexibility at work are less stressed and more likely to stay in their jobs.

研究发现,那些在工作中被给予更大灵活性的人压力更小,更有可能留在他们的工作岗位上。

【答案】 J 段 (强锚点)

【锚点】 更大灵活性+压力更小+更愿留任

【定位】 Unsurprisingly, Kelly and Moen found that employees in the redesign group reported less stress and less burnout. They were less likely to quit their jobs; indeed, over the next four years, they were 40% less likely to quit than those who kept working under the old policies.
不出意外, Kelly 和 Moen 发现, 重新设计组的员工报告称压力更小、倦怠更少。他们更不容易离职; 事实上, 在接下来的四年里, 他们离职的可能性比那些仍在旧政策下工作的员工低 40%。

【改写】 given greater flexibility at work ↔ giving workers greater flexibility

几乎逐字同义

are less stressed ↔ less stress and less burnout

形容词与名词同根改写

more likely to stay in their jobs ↔

40% less likely to quit than those who kept working under the old policies

正话反说

【辨邻】 I I 段只说 split more than 1,000 employees at a Fortune 500 company into two groups 这种实验设置, 未提到"压力更小""更愿留任", 因此尽管同样涉及灵活性话题, 也只能算邻段, 不是源头段。

she and co-author Phyllis Moen split more than 1,000 employees at a Fortune 500 company into two groups, one that worked under a management redesign and one that continued working within the existing management structure

38. Workers who rejected working long hours tended to make regular adjustments in order to achieve work-life balance.

拒绝长时间工作的员工往往会进行定期调整以实现工作与生活的平衡。

【答案】 E 段 (强锚点)

【锚点】 拒绝加班者+常态化调整

【定位】 Lupu and Ruiz-Castro looked at those who rejected the long hours and they found that those workers actually had strikingly similar strategies for maintaining their work-life balance.

They had a tendency to reflect and question assumptions in the name of self-awareness and regularly took steps to adjust the things standing in their way to work-life balance.

Lupu 和 Ruiz-Castro 研究了那些拒绝长时间工作的人,发现这些人维持工作-生活平衡的策略惊人地相似。他们倾向于在自我觉察的名义下反思并质疑既有假设,并经常采取行动去调整阻碍他们实现工作-生活平衡的因素。

【改写】 Workers who rejected working long hours ↔ **those who rejected the long hours**

近乎逐字同义

make regular adjustments in order to achieve work-life balance ↔

regularly took steps to adjust the things standing in their way to work-life balance

副词转形容词的等值改写

【辨邻】 F F 段 five steps 与逐条罗列 paused and reconsidered beliefs 是"方法的具体细化"; 陈述句没有提到"五步"也没有提到具体步骤,只说"定期调整",因此匹配的是 E 段的概括,不是 F 段的清单。

Lupu and Ruiz-Castro identified five steps that the respondents in the study who had better work-life balance used in their jobs

D D 段 about 30% of the men and 50% of the women reported resisting working long hours 只在分类陈述群体,未提及他们"定期调整"等策略,不能承载陈述句的核心信息。

about 30% of the men and 50% of the women reported resisting working long hours

39. Talking about work-life balance is said to be a privilege reserved for the better-off, not for those who barely make a living.

据说谈论工作与生活的平衡是富裕阶层的特权,而不是那些勉强维持生计的人的特权。

【答案】 L 段 (强锚点)

【锚点】 特权对话+富裕者vs糊口者

【定位】 For millions of people, work is about being able to put food on the table. Talking about work-life balance "is a very privileged conversation", says Lechner. "If we're reflecting, maybe we should also reflect on that."

对于数百万人来说，工作就是为了能把饭端上桌。谈论工作-生活平衡，"是一场非常特权化的对话"，Lechner 说。"如果我们在反思，或许我们也该反思一下这一点。"

【改写】 a privilege reserved for the better-off ↔

Talking about work-life balance "is a very privileged conversation"

同根词的名词与形容词改写

not for those who barely make a living ↔

For millions of people, work is about being able to put food on the table

习语意义改写

40. Knowing one's emotional state is of utmost importance in deciding what changes to make for a better work-life balance.

了解自己的情绪状态对于决定做出什么改变以实现更好的工作与生活平衡至关重要。

【答案】 G 段（强锚点）

【锚点】 了解情绪状态+最关键+决定改变

【定位】 "Awareness of your emotional state is essential in order to determine the changes you want to make in your work and in your life," says Lupu.

"对自身情绪状态的觉察，对于决定你想在工作与生活中做出什么改变是至关重要的，"Lupu 说。

【改写】 Knowing one's emotional state ↔ **Awareness of your emotional state**

动名词与名词同义改写

is of utmost importance ↔ **is essential**

近义形容词与名词短语等值

in deciding what changes to make for a better work-life balance ↔

in order to determine the changes you want to make in your work and in your life

目的状语等值改写

【辨邻】 F 段 they zeroed in on their resultant emotions 只是五步中的第二步，没有说情绪觉察"至关重要"，没有承载"of utmost importance"这层定性。

Second, after identifying the cause, they zeroed in on their resultant emotions

H 段 underlying emotional sources of stress are still there 描述情绪未处理的后果，没有提到"了解情绪状态对决定改变最重要"这一定性论断。

If the underlying emotional sources of stress are still there, then the time you actually spend at home may not be enjoyable

41. More female professionals reported being reluctant to work overtime than their male counterparts.

与男性同行相比,更多女性专业人士表示不愿意加班。

【答案】 **D** 段 (强锚点)

【锚点】 女性比男性更多人不愿加班

【定位】 Although it sounds like the respondents had a lot in common, here's what separated them: about 30% of the men and 50% of the women reported resisting working long hours.

尽管受访者听起来有很多共同点,但区别他们的关键是:大约 30% 的男性和 50% 的女性表示自己抗拒长时间工作。

【改写】 More female professionals reported being reluctant to work overtime than their male counterparts

↔ **about 30% of the men and 50% of the women reported resisting working long hours**

数字大小关系转比较级

being reluctant to work overtime ↔ **resisting working long hours**

近义词同义替换

【辨邻】 **E** E 段 those who rejected the long hours 只是接着 D 段往下讲他们的策略,但没有出现 30% 或 50% 这种数字,也没有出现男女对比的字眼,不能承载本题男女比例对比的信息。

Lupu and Ruiz-Castro looked at those who rejected the long hours and they found that those workers actually had strikingly similar strategies

42. Without organisational support, any personal effort to maintain work-life balance will be unsuccessful.

没有组织支持,任何维持工作与生活平衡的个人努力都将不会成功。

【答案】 **K** 段 (强锚点)

【锚点】 缺乏组织支持+个人努力徒劳

【定位】 If your workplace isn't an environment where work-life balance is possible in the first place, any effort you attempt to make toward it on a personal level will be in vain.

如果你的工作场所本身就不是一个能让工作-生活平衡得以实现的环境,那么你在个人层面上做出的任何努力都将徒劳无功。

【改写】 Without organisational support ↔

If your workplace isn't an environment where work-life balance is possible in the first place
if not 等价 without

any personal effort to maintain work-life balance will be unsuccessful ↔

any effort you attempt to make toward it on a personal level will be in vain

in vain 与 unsuccessful 同义

【辨邻】 I I 段 companies and managers can play a key role in creating a better environment for workers 只说组织可以起作用，没有给出"如果组织不支持，个人努力将徒劳"的反向结论。

companies and managers can play a key role in creating a better environment for workers

J J 段 employees in the redesign group reported less stress and less burnout 是数据结论，没有出现"any effort...will be in vain"这种条件式徒劳判断。

Unsurprisingly, Kelly and Moen found that employees in the redesign group reported less stress and less burnout

43. The question of how to achieve work-life balance has long been the main subject of discussion among workers.

如何实现工作与生活的平衡这一问题长期以来一直是员工讨论的主要话题。

【答案】 A 段（强锚点）

【锚点】 长期讨论+主要话题

【定位】 Few topics have been so endlessly analysed as work-life balance. The quest to attain this mysterious state has dominated discussion around careers for years—especially for working parents.

很少有话题像工作-生活平衡这样被无休止地反复分析。多年来，追求这种神秘状态的努力一直主导着围绕职业的讨论——尤其是在职父母中间。

【改写】 The question of how to achieve work-life balance ↔ The quest to attain this mysterious state
同义短语替换

has long been the main subject of discussion among workers ↔

has dominated discussion around careers for years

动词与名词短语的等值改写

【辨邻】 C C 段 Some researchers are now encouraging us to stop thinking about work-life balance as an achievement 是新研究角度，没有出现"长期/主要话题"这种总起判断。

Some researchers are now encouraging us to stop thinking about work-life balance as an achievement that you either hit or don't

44. You may not actually experience emotional wellbeing at home if you remain occupied with what happened at work.

如果你仍然被工作中发生的事情占据心思，你在家中可能不会真正体验到情感上的幸福。

【答案】 H 段（强锚点）

【锚点】 在家但心还在工作+无法享受

【定位】 If the underlying emotional sources of stress are still there, then the time you actually spend at home may not be enjoyable. "We come home and even though physically we are there, mentally we still may be processing things that happened at work. We're not present," she says.

如果潜在的情绪压力源仍然存在，那么你真正待在家里的时间也可能并不愉快。“我们回到家，即便身体在那里，心里可能仍然在处理工作发生的事情。我们其实并不在场，”她说。

【改写】 may not actually experience emotional wellbeing at home ↔

the time you actually spend at home may not be enjoyable

近义概念替换

if you remain occupied with what happened at work ↔

mentally we still may be processing things that happened at work

比喻句的直陈改写

【辨邻】 **B** B段 I'm going to put in eight hours' worth of work, and then I'm going to put in eight hours' worth of 'me time' 只是讨论时间公式，没有出现“身体在心理不在”这种意象。

I'm going to put in eight hours' worth of work, and then I'm going to put in eight hours' worth of 'me time', which will include my family, my hobbies, my workout, my everything

45. Some researchers suggest that work-life balance is not a goal to achieve, but a process for life to be adjusted promptly.

一些研究人员认为，工作与生活的平衡不是一个要实现的目标，而是一个需要及时调整生活的过程。

【答案】 **C** 段（强锚点）

【锚点】 不是要达成的目标+是要随时调整的过程

【定位】 Some researchers are now encouraging us to stop thinking about work-life balance as an achievement that you either hit or don't. Instead, they suggest it may be more of a lifelong process—a continuous, never-ending exercise that requires self-awareness and timely adjustments. Researchers Ioana Lupu and Mayra Ruiz-Castro argue that work-life balance is "a cycle, not an achievement".

一些研究者现在鼓励我们不再把工作-生活平衡视为一种要么达成、要么没达成的成就。相反，他们认为它更可能是一个终身的过程——一个需要自我觉察与适时调整、持续不断的实践。研究者 Ioana Lupu 和 Mayra Ruiz-Castro 主张：工作-生活平衡“是一个循环，不是一种成就”。

【改写】 not a goal to achieve ↔ not an achievement

近义词替换

but a process for life to be adjusted promptly ↔

a lifelong process—a continuous, never-ending exercise that requires self-awareness and timely adjustments

近义词替换+定语改写

【辨邻】 B B段 I don't think it's such a simple formula 只是否定简单公式，没有正面提出"它是一种循环或过程"这种重新定义。

I don't think it's such a simple formula

H H段 What we call "work-life balance" is actually just a substitute to having a sense of fulfillment and contentment 是"替代品"视角，没有出现"过程或循环"这种重新定义。

What we call "work-life balance" is actually just a substitute to having a sense of fulfillment and contentment

PARAGRAPH MAP • 段落主旨图

12 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

A 开篇提出工作-生活平衡话题长期被反复讨论，尤其在职父母群体里，并把它定性为大家普遍想去达成的一个目标、一种成就。

信息指纹 话题被反复讨论的总起

B 纽约大学管理学专家 Anat Lechner 指出，把一天切成八小时工作、八小时"自我时间"这种公式化的平衡观，并不那么简单。

信息指纹 八小时对八小时公式被否定

C 介绍 Lupu 与 Ruiz-Castro 的新研究，主张工作-生活平衡不是一次性达成的成就，而是一个需要自我觉察、随时调整的终身过程、一个循环。

信息指纹 平衡是循环不是成就

D 研究受访者中，约 30% 男性和 50% 女性表示抗拒长时间工作，其余受访者则因相信“成功专业人士就该这样”而坚持长时间工作。

信息指纹 男女抗拒加班比例数字

E 研究者发现，那些拒绝长时间工作的人有惊人相似的策略：习惯于反思、质疑既有假设，并不断采取行动调整影响平衡的因素。

信息指纹 拒加班者共同策略——反思加常调整

F Lupu 与 Ruiz-Castro 总结出五个步骤：暂停反思、聚焦情绪、重排优先级、考虑替代方案、最终落实改变。

信息指纹 实现平衡的五步法

G 强调任何人都能采用这五步法，并引 Lupu 的话指出：要决定在工作与生活里做什么改变，对自身情绪状态的觉察至关重要。

信息指纹 情绪觉察决定改变方向

H Lechner 进一步指出：所谓平衡不是简单地分配时间，如果情绪压力源还在，人虽到家心却仍在处理工作，身在心不在，谈不上享受。

信息指纹 人到家心还在工作

I 引入 MIT 的 Erin Kelly 团队的研究：把一家《财富》500 强公司一千多名员工分成两组，一组在管理重新设计下工作，一组保持旧管理结构，对比两种环境下的体验。

信息指纹 千名员工对照实验设计

J 对照实验中的管理重新设计组采取了多种举措（如可取消早 9 点会议、提醒管理者明确支持员工），结果该组员工压力更小、倦怠更少，未来四年内离职可能性低 40%。

信息指纹 重新设计组离职率低 40%

K Kelly 指出问题根源不在于工作与生活如何拼合，而在于工作端的要求本身不切实际；如果工作环境本身就不允许平衡，个人层面的努力都将徒劳。

信息指纹 工作环境不允许则个人努力徒劳

L

结尾指出远程与弹性工作模式将影响未来的平衡讨论，并引 Lechner 强调：对数百万只为糊口的人而言，谈工作-生活平衡其实是一场“非常特权化”的对话。

信息指纹 谈论平衡是特权对话

SENTENCE INSIGHTS • 句子精讲

22 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

But the problem is that we often tell ourselves: "I'm going to put in eight hours' worth of work, and then I'm going to put in eight hours' worth of 'me time', which will include my family, my hobbies, my workout, my everything," says Anat Lechner, clinical associate professor of management at New York University.

B段，第1句

句子涵盖主系表结构、表语从句、双宾语结构（tell ourselves + 直接引语）、状语（often）、同位语、倒装引述结构等多种成分，且直接引语内部还包含并列和定语从句；这些成分组合丰富，特别是双宾语结合直接引语、倒装引述等结构值得反复练习，训练价值较高。

And, according to new findings, it may not be.

C段，第1句

结构典型性中等偏上。情态动词加系动词的推测性陈述在学术写作和议论文中较为常见，插入语补充依据的用法也是常见句式。本句体现了“承接前文、给出新判断、注明信息来源”的论述模式，具有一定的可迁移性。但由于是简单句且表语省略，整体结构的复杂度和代表性不及典型的复合句或长难句。

Some researchers are now encouraging us to stop thinking about work-life balance as an achievement that you either hit or don't.

C段，第2句

"encourage sb to do" 结构和 "that" 引导的限制性定语从句都是四六级和考研高频句式，宾语补足语中嵌套动名词和介词短语的用法也较为典型。掌握后可迁移到大量类似结构的句子中，实用性强。

Instead, they suggest it may be more of a lifelong process—a continuous, never-ending exercise that requires self-awareness and timely adjustments.

C段，第3句

本句覆盖了主谓宾、主系表、定语从句、宾语从句、同位语等多种成分，且宾语从句省略引导词、定语从句中that既作连接又作主语，适合练习成分识别和从句结构分析，训练价值较高。

In their 2020 study, the researchers interviewed nearly 80 employees at two London-based firms—an equal number of men and women between the ages of 30 and 50, all with at least one dependent child—who worked in middle or senior management roles.

C段，第5句

"主句 + 限制性定语从句修饰宾语" 是考试阅读中高频出现的句式，同位语补充说明也是常见手法。本句结构在学术类文本和考试真题中具有很强的代表性，掌握后可迁移到大量类似长难句的分析。

Although it sounds like the respondents had a lot in common, here's what separated them: about 30% of the men and 50% of the women reported resisting working long hours.

D段，第1句

成分划分训练价值高。句中涵盖了倒装结构的主系表、宾语从句、表语从句、并列主语、动名词作宾语等多种成分形式，且存在容易混淆的点(如 what 既是连接词又充当主语，动名词短语的层级嵌套)。适合作为综合练习句。

The other respondents, meanwhile, all worked long hours because they thought that's what successful professionals should do.

D段，第2句

本句成分丰富且包含多个易错点。主句涉及主谓宾及状语，状语本身又是完整从句；从句内部包含主谓宾及表语从句；表语从句内又有主谓宾，且引导词 what 在从句内充当宾语(易与引导词身份混淆)。此外，宾语从句的主语 that 是指示代词而非引导词，也是常见混淆点。多层嵌套中每层都有完整句子成分，非常适合训练学生在复杂句中逐层拆解、定位成分的能力。

First, they paused and reconsidered beliefs such as "I'm a professional, so I should work, work, work", and asked themselves questions like, "What's currently causing me stress?"

F段，第2句

并列谓语结构、双宾语结构、以及状语从句嵌套在主句宾语中的用法，都是四六级和考研阅读中常见的句式。特别是并列动词和从句嵌套在引用或举例中的结构，在真题中出现频率较高，掌握后可以迁移到大量类似句子的理解中。

Second, after identifying the cause, they zeroed in on their resultant emotions.

F段，第3句

该句呈现了“副词 + 时间状语从句 + 主句”的典型结构，这种句式在四六级和考研阅读中较为常见。时间状语从句使用介词加动名词短语的形式，也是常考句式之一。主句使用短语动词，贴近真题风格。掌握这种结构后，学生可以迁移到类似的“after/before/while + 动名词”以及其他时间状语句式上。

And finally, they implemented changes, like asking their supervisor for greater flexibility, or deciding not to take on every project that comes their way.

F段，第7句

“主句 + 后置定语（介词短语 + 动名词并列） + 定语从句”是四六级和考研阅读中的高频句式，且定语从句用 that 引导、修饰宾语中的名词，符合真题常考结构；并列动名词和不定式否定式也是典型考点，学习后可大量复用。

If the underlying emotional sources of stress are still there, then the time you actually spend at home may not be enjoyable.

H段，第3句

“If ... then ...”条件复合句 + 定语从句修饰主语是四六级和考研阅读中的常见句式。条件状语从句、情态动词、限制性定语从句都是高频考点，学会分析这类结构后可迁移到大量类似句子，典型性较高。

"We come home and even though physically we are there, mentally we still may be processing things that happened at work. We're not present," she says.

H段，第4句

全句覆盖主谓宾、主系表、状语从句、定语从句、并列结构等多种成分，且包含方式状语 physically 和 mentally 的对比、情态动词 may 的判断、定语从句中关系代词 that 充当主语的识别等典型考点。直接引语作宾语、让步状语从句的识别、定语从句的限定作用都是常考易错点，成分丰富且层次清晰，适合作为成分划分的综合训练句。

What we call "work-life balance" is actually just a substitute to having a sense of fulfillment and contentment.

H段，第5句

主语从句充当主句主语的结构在四六级和考研阅读中高频出现，"What we..." 句式非常典型，且主系表结构配合抽象名词表语也是学术写作常见模式，迁移价值高。

Research by Erin Kelly, professor of work and organisation studies at MIT, shows companies and managers can play a key role in creating a better environment for workers.

I段，第2句

本句结构高度典型：主句 + 省略 that 的宾语从句是四六级和考研阅读中的高频句式，主语带同位语修饰、从句内含介词短语作定语也是常见搭配，学生掌握后可大量复用到类似句型的理解中。

Workers were allowed to make changes, like cancelling 9 am meetings.

J段，第3句

被动语态 + 不定式补足语 + 同位语举例是英语考试中非常典型的句式组合，尤其在说明文和议论文中频繁出现，掌握后可大量复用。

They were less likely to quit their jobs; indeed, over the next four years, they were 40% less likely to quit than those who kept working under the old policies.

J段，第6句

本句结构在四六级和考研真题中高度典型：分号连接的并列句、比较级结构(less likely...than)、限制性定语从句修饰比较对象，这些都是高频考点句式。掌握本句的分析方法后，可以直接迁移到大量类似的比较句、并列句和定语从句组合的真题句子中，实用性很强。

"The root problem is not how the two pieces of work and life come together. It's that we have unrealistic expectations of what we're asked to do on the work side."

K段，第3句

It is...that 强调句型、名词性从句的多层嵌套、被动语态的使用,都是四六级和考研阅读中的高频句式;全句展示了如何用并列主句配合从句嵌套来对比论证,结构典型且实用性强

If your workplace isn't an environment where work-life balance is possible in the first place, any effort you attempt to make toward it on a personal level will be in vain.

K段，第4句

全句成分丰富且含多个值得练习的点：主句主语被定语从句分隔、省略关系代词的定语从句、条件状语从句内嵌套定语从句、多个介词短语作状语。覆盖了主谓宾、主系表、定语从句修饰、状语从句、省略现象等多种成分类型，是优质的成分划分练习句。

And if it seems like finding that perfect balance remains difficult to achieve, the experts say that keeping some perspective can help.

L段，第3句

本句成分丰富：主句包含主语、谓语、宾语从句，条件状语从句包含形式主语 it、系动词、表语（介词短语），嵌套宾语从句包含动名词主语、系动词、表语，主句宾语从句包含动名词主语、情态动词谓语。涵盖了形式主语、系表结构、动名词作主语、情态动词、多层从句嵌套等多个训练点，适合作为成分划分的综合练习句。

"If we're reflecting, maybe we should also reflect on that."

L段，第6句

条件状语从句前置加主句是四六级和考研常见句式,情态动词 "should" 表达建议也是高频用法。本句结构简洁典型,学习者掌握后可以应用到类似的条件假设或建议表达场景中,具有较好的迁移性。

Knowing one's emotional state is of utmost importance in deciding what changes to make for a better work-life balance.

第40题题干

本句时态不难，但结构上包含多个高频基础难点，尤其适合练主干识别和非谓语排除。对结构入门训练很有代表性，值得优先学习。

Some researchers suggest that work-life balance is not a goal to achieve, but a process for life to be adjusted promptly.

第45题题干

“主句表示观点或报道 + 后接内容性从句”是考试阅读里非常常见的句式，像 “suggest that ...” 这类结构迁移性很强。从句内部再配合系表判断，也属于高频表达模式。

2024年12月·第1套 英语四级阅读理解（四选一） 第1篇·46-50 题 答案与解析

QUESTIONS & ANALYSIS · 阅读理解题和解析

阅读理解题和解析 · 46-50 题

本页 46-50 题的答案与逐题解析由懒笔记基于2024年12月·第1套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 5 段原文（段首标 P1-P5 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第1套(2024-12) · 英语四级

Part III Section C (1)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

P1 The weakening of the human connection to nature might be good for economic growth but is bad for people. A tipping point was reached in 2020 when human-made materials—such as steel, concrete and plastic—were found to weigh more than all life on Earth. Continuing to grow concrete forests rather than real ones is shortsighted. Simply being in the nearest wood has such health benefits that the Woodland Trust successfully lobbied for it to be prescribed by doctors.

人类与自然联系的削弱可能有利于经济增长,但对人们却是有害的。2020年达到了一个临界点,当时发现人造材料——如钢铁、混凝土和塑料——的重量超过了地球上所有生命的总重量。继续建造混凝土森林而非真正的森林是目光短浅的。仅仅身处最近的树林中就有如此多的健康益处,以至于Woodland Trust成功劝说医生开具处方。

P2 Yet slipping from popular culture is the wonder and beauty of the natural world. For every three nature-related words in hit songs of the 1950s, researchers found, there was only slightly more than one 50 years later. It is not a moment too soon that teenagers will be able to take a natural history test, given that for decades children have been able to name more video game characters than wildlife species.

然而,自然世界的奇妙与美丽正在从流行文化中消失。研究人员发现,20世纪50年代热门歌曲中每出现三个与自然相关的词汇,50年后就只有略多于一个了。青少年将能够参加自然历史测试,这一时刻来得正是时候,因为几十年来儿童能说出的电子游戏角色名字比野生动物物种名称要多。

P3 Part of remedying this social disease would be for parliament to pass a "right to grow" law, allowing anyone to turn underused public spaces into vegetable and fruit gardens. The idea is for people to get back in touch with the soil—while producing food sustainably.

纠正这种社会疾病的部分措施是议会通过一项'种植权'法律,允许任何人将未充分利用的公共空间变成蔬菜和水果园。其理念是让人们重新接触土壤——同时可持续地生产食物。

P4 Vegetable planting has a respectable tradition. In April 1649, locals responded to high prices and food shortages by cultivating vegetables on common land in Southern England. The practice of throwing seed bombs to turn vacant plots of land green took off in 1970s New York, and has been revived(使复活) by green-thumbed(有园艺才能的) social media influencers who defy local US regulations in a war on ugly spots in cities.

种植蔬菜有着值得尊重的传统。1649年4月,当地人通过在英格兰南部的公共土地上种植蔬菜来应对高物价和食物短缺。在20世纪70年代的纽约,投掷种子弹将空地变绿的做法开始流行,并被有园艺才能的社交媒体影响者所复兴,他们无视美国地方法规,向城市中的丑陋地带宣战。

P5 Apart from the urgent task of providing more healthy nutrients to those who increasingly can't afford them, publicly accessible fruit and vegetable gardens connect what we eat to where it comes from—the means of production, if you will. They can make unlovely spaces lovely, and marry use and beauty as well as help promote a sense of community. Plants are also, of course, our first defence against species loss and climate change. Such planting is a small step for humanity—in the right direction.

除了为那些越来越无力负担的人提供更多健康营养的紧迫任务外,可公开使用的水果和蔬菜园将我们所吃的食物与其来源——如果你愿意的话,即生产方式——联系起来。它们可以使不美观的空间变得美观,将实用性与美感结合起来,并有助于促进社区意识。当然,植物也是我们抵御物种丧失和气候变化的第一道防线。这种种植对人类来说是朝着正确方向迈出一小步。

题目与逐题解析

46. What does the author want to emphasise in the first paragraph?

- A) The year 2020 was a big turning point in human history.
- B) Economic growth benefits people little in the long run.
- C) It is unwise to weaken the human connection to nature.
- D) It is harmful to mankind to use human-made materials.

作者在第一段想要强调什么?

- A) 2020年是人类历史上的一个重大转折点。 B) 从长远来看,经济增长对人们的益处很小。
- C) 削弱人类与自然的联系是不明智的。 D) 使用人造材料对人类是有害的。

【答案】 C (主旨题)

【判型】 What does the author want to emphasise in the first paragraph? 问的是首段作者想强调什么,是段落主旨而非局部细节。

【拆句】 What does the author want to emphasise in the first paragraph? 是 What 引导的特殊疑问句, want to emphasise 是一个简单的动词短语,无从句无否定,结构清爽,无陷阱。

【选项】 A) 以偏概全

The year 2020 was a big turning point in human history. 把段落里一个支撑论据 (2020 年的 tipping point) 当作主旨, 且 "in human history" 是过度推断——原文只说人造物质量超过生命这一比较点。

B) 偷换概念

Economic growth benefits people little in the long run. 把原文 "对经济或许有利" 扭曲成 "经济增长对人没好处", 攻击点从 "与自然的连接" 偷换到了 "经济增长本身", 并把短期权衡偷换为 in the long run。

C) ✓ 正确

The weakening of the human connection to nature might be good for economic growth but is bad for people.

↔ **It is unwise to weaken the human connection to nature.**

Continuing to grow concrete forests rather than real ones is shortsighted. ↔

It is unwise to weaken the human connection to nature.

预判要的是 "削弱与自然的连接是不明智的", It is unwise to weaken the human connection to nature. 正好是这一判断的同义表达, 且覆盖整段而不偏向某个论据。

D) 过度推断

It is harmful to mankind to use human-made materials. 把 "人造物总质量超过生命" 这一比较事实, 推断成 "使用人造物本身就有害", 原文从未否定使用人造物, 只是反对以此取代真实自然。

47. What did researchers find about popular culture?

- A) It is increasingly detached from the natural world.
- B) It is filled with all kinds of video game characters.
- C) It is especially appealing to the taste of teenagers.
- D) It is still impacted by the hit songs of the 1950s.

研究人员关于流行文化发现了什么?

- A) 它与自然界日益脱节。
- B) 它充斥着各种电子游戏角色。
- C) 它特别迎合青少年的口味。
- D) 它仍然受到20世纪50年代热门歌曲的影响。

【答案】 A (细节题)

【判型】 What did researchers find about popular culture? 直接问研究者发现了什么客观事实, 属于细节题。

【拆句】 What did researchers find about popular culture? 是 What 引导的特殊疑问句, 主谓 researchers find, about popular culture 限定 find 的对象, 结构平铺, 无陷阱。

【定位】 For every three nature-related words in hit songs of the 1950s, researchers found, there was only slightly more than one 50 years later.

对于 1950 年代流行歌曲里每三个与自然相关的词, 研究人员发现, 50 年后只剩下略多于一个。

【选项】 A) ✓ 正确

For every three nature-related words in hit songs of the 1950s, researchers found, there was only slightly more than one 50 years later.

↔ **It is increasingly detached from the natural world.**

Yet slipping from popular culture is the wonder and beauty of the natural world. ↔

It is increasingly detached from the natural world.

预判要的是"自然内容大量减少", A 项用 increasingly detached 这一抽象升级精确对应数据, 所以锁定 A。

B) 偷换概念

It is filled with all kinds of video game characters. 把原文"孩子认识的游戏角色比野生动物多"偷换成"流行文化里充斥着游戏角色"——研究比较的是孩子的认知, 不是流行文化的内容构成。

C) 无中生有

It is especially appealing to the taste of teenagers. 全句"对青少年口味格外有吸引力"在 P2 中没有任何对应; 原文只是提到青少年将能参加自然史考试, 并未谈流行文化对青少年的吸引力。

D) 与原文相反

It is still impacted by the hit songs of the 1950s. 说流行文化仍受 50 年代流行歌曲影响, 但原文用 50 年代和 50 年后的数据对比, 恰恰说明这种影响在减弱、自然主题在流失, 方向相反。

48. What does the author propose people do?

- A) Take measures to ensure sustainable food development.
- B) Reconnect with nature through the right to grow.
- C) Stand by the parliament in fighting social diseases.
- D) Cover public spaces with fruit trees and vegetable plants.

作者建议人们做什么?

- A) 采取措施确保可持续的食物发展。 B) 通过种植权利重新与自然建立联系。
- C) 支持议会对抗社会疾病。 D) 用果树和蔬菜植物覆盖公共空间。

【答案】 B (细节题)

【判型】 What does the author propose people do? 问作者具体提议人们做什么, 定位到对应主张句即可作答, 属于细节题。

【拆句】 What does the author propose people do? 是 What 引导的特殊疑问句, propose 后接"people do"是"propose sb do sth"句型省略了 that 与情态的简略问法, 相当于问"作者建议人们做什么", 无陷阱。

【定位】 Part of remedying this social disease would be for parliament to pass a "right to grow" law, allowing anyone to turn underused public spaces into vegetable and fruit gardens. The idea is for people to get back in touch with the soil—while producing food sustainably.

矫正这一社会病的一部分举措，是让议会通过一项“种植权”法案，允许任何人把利用不足的公共空间改造成菜园和果园。其理念在于让人们重新接触土壤——同时可持续地生产粮食。

【选项】 A) 以偏概全

Take measures to ensure sustainable food development. 把原文末尾"while producing food sustainably"这一附带的从属信息抬升成了核心主张，掩盖了"重新接触土壤、与自然重连"这一真正的主诉。

B) ✓ 正确

Part of remedying this social disease would be for parliament to pass a "right to grow" law ↔

Reconnect with nature through the right to grow.

The idea is for people to get back in touch with the soil ↔

Reconnect with nature through the right to grow.

预判要的两层信息——"通过种植权"和"重新接触自然"——B 项用 through 和 reconnect with nature 一并覆盖，所以是答案。

C) 偷换概念

Stand by the parliament in fighting social diseases. 把"议会通过法案"偷换成"人们站在议会一边"，方向完全反过来——原文是作者建议议会行动，不是建议民众站队议会。

D) 过度推断

Cover public spaces with fruit trees and vegetable plants. 把原文"allowing anyone to turn underused public spaces"的"利用不足的公共空间"扩展到"所有公共空间"，并把"允许"扭曲为"全面覆盖"，方式与范围都被放大。

49. What do we learn from the passage about vegetable planting?

- A) It all started in 1649 in Southern England.
- B) It is protected by US government regulations.
- C) It has long been used to increase food supply and improve urban landscape.
- D) It has been popularised worldwide with the increasing influence of social media.

我们从文章中了解到关于蔬菜种植的什么信息？

- A) 这一切始于1649年的英格兰南部。
- B) 它受到美国政府法规的保护。
- C) 它长期以来一直被用于增加食物供应和改善城市景观。
- D) 随着社交媒体影响力的增加，它已在全球范围内普及。

【答案】 C (细节题)

【判型】 What do we learn from the passage about vegetable planting? 问从文章中获取的事实信息，属于细节题。

【拆句】 What do we learn from the passage about vegetable planting? 主干 What do we learn, from the passage 与 about vegetable planting 都是介词短语作状语, 前者点出来源、后者点出话题对象, 结构清晰。

【定位】 In April 1649, locals responded to high prices and food shortages by cultivating vegetables on common land in Southern England. The practice of throwing seed bombs to turn vacant plots of land green took off in 1970s New York, and has been revived by green-thumbed social media influencers who defy local US regulations in a war on ugly spots in cities.

1649 年 4 月, 英国南部居民为应对高物价与粮食短缺, 在公共土地上种植蔬菜。把种子炸弹扔到空地以使其变绿的做法在 1970 年代的纽约兴起, 并被有园艺天分的社交媒体网红重新带火, 他们无视当地美国法规, 向城市里的丑陋角落"开战"。

【选项】 A) 以偏概全

It all started in 1649 in Southern England. 把段内一个时间点放大为"全部起源", 原文只说 1649 年发生过一次, 并未说蔬菜种植起源于此。

B) 与原文相反

It is protected by US government regulations. 与原文 defy local US regulations 直接相反: 原文说网红"无视"美国当地法规, 选项说"受其保护"。

C) ✓ 正确

locals responded to high prices and food shortages by cultivating vegetables on common land in Southern England

↔ It has long been used to increase food supply and improve urban landscape.

throwing seed bombs to turn vacant plots of land green ↔

It has long been used to increase food supply and improve urban landscape.

Vegetable planting has a respectable tradition. ↔

It has long been used to increase food supply and improve urban landscape.

预判要的"补食物 + 美化城市"两条线, C 项用 food supply 与 urban landscape 并列, 正好两条都覆盖, 所以是答案。

D) 过度推断

It has been popularised worldwide with the increasing influence of social media. 把原文里"1970 年代纽约 + 美国网红重新带火"扩张为"全球普及", 并把"重振"延伸为"日益增长的影响力", 超出原文范围。

50. What can publicly accessible fruit and vegetable gardens do apart from their practical functions?

- A) Raise people's environmental awareness.
- B) Add to the great variety of plant species.
- C) Act as the first defence against natural disasters.
- D) Enhance people's community spirit.

除了实用功能外, 可公开访问的果蔬园还能做什么?

A) 提高人们的环保意识。 B) 增加植物物种的多样性。 C) 充当抵御自然灾害的第一道防线。

D) 增强人们的社区精神。

【答案】 **D** (细节题)

【判型】 What can publicly accessible fruit and vegetable gardens do apart from their practical functions? 问的是除实用功能之外这些菜园还能做什么，是对应原文并列项的细节题。

【拆句】 What can publicly accessible fruit and vegetable gardens do apart from their practical functions? 主干 What can ... gardens do, apart from their practical functions 作状语限定范围，相当于把“实用功能”这一已知项排除出去；其中 publicly accessible 是副词修饰形容词，整体修饰 gardens。

【定位】 They can make unlovely spaces lovely, and marry use and beauty as well as help promote a sense of community.

它们能化丑为美，把实用与美感融合在一起，并有助于增强一种社区感。

【选项】 A) **偷换概念**

Raise people's environmental awareness. 把“连接食物与产地、对抗物种丧失”偷换成“提升环保意识”，前者是行为层面的连接和效用，后者是心理认知层面的意识。

B) **无中生有**

Add to the great variety of plant species. 说菜园会增加植物物种多样性，原文从未谈“增加植物物种多样性”这一功能。

C) **偷换概念**

Act as the first defence against natural disasters. 把 first defence against species loss and climate change 偷换成“对抗自然灾害”——物种丧失和气候变化不等于“自然灾害”，并且选项主语 act as 暗示把整个菜园当成防线，与原文 Plants are 也对不上。

D) **✓ 正确**

help promote a sense of community ↔ **Enhance people's community spirit.**

预判要的“增强社区感”在原文里有直接对应的“help promote a sense of community”，D 项把 promote 替换为 enhance、sense of community 替换为 community spirit，是高保真同义替换，可锁定。

SENTENCE INSIGHTS • 句子精讲

13 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

The weakening of the human connection to nature might be good for economic growth but is bad for people.

第1段，第1句

主系表结构配合并列表语是考试常见句式，尤其适合表达对比或转折观点。长主语（抽象名词加介词修饰）和情态动词 "might" 的使用也是典型的学术或议论文风格，具有较高迁移价值。

A tipping point was reached in 2020 when human-made materials—such as steel, concrete and plastic—were found to weigh more than all life on Earth.

第1段，第2句

"主句 + when 引导的时间状语从句" 是四六级和考研阅读中的高频句式。从句内部的被动语态 + 不定式宾补结构 ("were found to weigh") 也是常考搭配。破折号插入同位语在学术文本中较常见。整体句式典型，掌握后可在阅读中大量复用。

Continuing to grow concrete forests rather than real ones is shortsighted.

第1段，第3句

主系表结构是四六级和考研阅读中的常见句式，而动名词短语作主语也是常考点之一。本句 "动名词短语（含不定式和对比结构） + 系动词 + 形容词表语" 的模式在真题中频繁出现，尤其在议论文体裁中用于表达观点或评价。掌握这种句式后，学生可以迁移到大量类似结构的句子上，实用性较高。

Simply being in the nearest wood has such health benefits that the Woodland Trust successfully lobbied for it to be prescribed by doctors.

第1段，第4句

本句涵盖动名词短语作主语、such...that 引导结果状语从句、复合宾语(宾语 + 不定式补足语)、不定式被动结构等多个考点,成分种类丰富;动名词主语和 such...that 结构都是学习者常见易错点,适合作为划分成分的训练材料

Yet slipping from popular culture is the wonder and beauty of the natural world.

第2段，第1句

本句主干是主系表结构,但主语 "slipping from popular culture" 是动名词短语,不是常见的名词或代词,且系动词 "is" 后的表语 "the wonder and beauty of the natural world" 较长,初学者容易误判主语和表语的位置,或误以为 "slipping" 和 "is" 构成进行时,需要仔细分析才能准确识别主干。

It is not a moment too soon that teenagers will be able to take a natural history test, given that for decades children have been able to name more video game characters than wildlife species.

第2段，第3句

成分划分训练价值高。主句包含形式主语"It"、系动词"is"、表语"not a moment too soon"和真正主语"that"从句，是练习形式主语结构的典型例句。主语从句内部有主谓宾结构，状语从句包含时间状语"for decades"和比较结构"more ... than ..."，覆盖主语、谓语、宾语、表语、状语等多种成分。形式主语是常见易错点，比较结构也需要准确识别，训练价值较高。

The idea is for people to get back in touch with the soil—while producing food sustainably.

第3段，第2句

本句成分种类丰富：主系表结构、不定式复合结构作表语、状语从句中的主宾结构加方式状语，以及省略结构的识别和还原。特别是"for...to..."作表语和状语从句的省略这两个易错点，具有较好的训练价值，能帮助学习者掌握不定式的多种用法和从句省略规则。

The practice of throwing seed bombs to turn vacant plots of land green took off in 1970s New York, and has been revived(使复活) by green-thumbed(有园艺才能的) social media influencers who defy local US regulations in a war on ugly spots in cities.

第4段，第3句

句子结构典型，成分丰富，时态和语态交替使用，适合作为综合训练材料。主干识别和嵌套复杂度适中，时态语态有一定难度但不过分，整体平衡了挑战性和可操作性，优先级较高。

Apart from the urgent task of providing more healthy nutrients to those who increasingly can't afford them, publicly accessible fruit and vegetable gardens connect what we eat to where it comes from—the means of production, if you will.

第5段，第1句

本句涵盖主谓宾基本结构、"connect A to B" 搭配、融合型关系代词引导的宾语从句、关系副词引导的宾语从句、限制性定语从句、介词短语作状语等多种成分，成分种类丰富。定语从句位置前置和融合型关系词的识别是值得练习的易错点。

It is unwise to weaken the human connection to nature.

第46题，C

It is + 形容词 + to do 是四六级和考研英语阅读写作中极为常见的句型，用于表达观点评价。本句是该句型的标准范例，掌握后可直接迁移到大量类似表达（如 It is important to..., It is necessary to... 等），典型性很高。

Take measures to ensure sustainable food development.

第48题，A

祈使句在四六级和考研英语阅读中较少单独考查，但作为写作和翻译中常见的表达方式（如建议、号召类句子）具有一定实用价值；不定式作目的状语是高频考点，掌握后可迁移到复杂句中。

It has long been used to increase food supply and improve urban landscape.

第49题，C

被动语态加不定式目的状语的结构在四六级和考研英语阅读中较为常见，尤其是科技、社会类话题的文章。现在完成时被动语态也是考试中频繁出现的时态语态组合，学习价值较高。

What can publicly accessible fruit and vegetable gardens do apart from their practical functions?

第50题 题干

覆盖主语、谓语、宾语、状语四种成分，且宾语是疑问代词前置，主语较长含定语，状语是介词短语，成分种类较丰富，适合练习疑问句成分划分和介词短语识别。

2024年12月·第1套 英语四级阅读理解（四选一） 第2篇·51-55 题 答案与解析

QUESTIONS & ANALYSIS • 阅读理解题和解析

阅读理解题和解析 · 51-55 题

本页 51-55 题的答案与逐题解析由懒笔记基于2024年12月·第1套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 9 段原文（段首标 P1-P9 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第1套(2024-12) • 英语四级

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 Engineering in the U.S. has long been a male-dominated profession. Fifty years ago, it looked like that might change.

长期以来,美国的工程学一直是一个男性主导的专业。五十年前,这种情况看起来可能会改变。

P2 In 1970, the percentage of women majoring in engineering was less than 1%. In 1979, that number was 9%. Many hoped women would continue to enter the field at the same rate. But that's not what happened. Today, only 21% of engineering majors are women, a number largely unchanged since 2000.

1970年,主修工程学的女性比例不到1%。1979年,这一数字为9%。许多人希望女性能够以同样的速度继续进入该领域。但事实并非如此。如今,只有21%的工程学专业学生是女性,这一数字自2000年以来基本保持不变。

P3 I am a historian who, along with my colleagues, surveyed 251 women engineers who graduated from college in the 1970s. These pioneers reflected on the challenges they faced—and had advice for women entering the field today.

我是一名历史学家,与我的同事们一起对251名在20世纪70年代大学毕业的女性工程师进行了调查。这些先驱者反思了她们所面临的挑战,并为今天进入该领域的女性提供了建议。

P4 One survey taker explained, "The greatest challenge for me was continuing to believe in myself, when all the messages I was getting were that I would never be taken seriously or promoted or given

raises at the same rate as men, who were clearly less qualified and not as smart as I was."

一位受访者解释说:"对我来说最大的挑战是继续相信自己,而我收到的所有信息都是,我永远不会被认真对待,也不会像男性那样得到晋升或加薪,而那些男性明显不如我有资格,也没有我聪明。"

P5 A chemical engineer who worked in manufacturing agreed, "You have to prove yourself just because you are female. And you have to work twice as hard!"

一位从事制造业的化学工程师也表示同意:"仅仅因为你是女性,你就必须证明自己。而且你必须付出双倍的努力!"

P6 A civil engineer said, "We are 'women engineers.' People don't refer to a man as a 'man engineer'—he's an engineer. We are constantly reminded that we don't truly belong." Another civil engineer stated, "On many levels, you're never quite one of the groups."

一位土木工程师说:"我们是'女性工程师'。人们不会把男性称为'男性工程师',他就是工程师。我们不断被提醒,我们并不真正属于这里。"另一位土木工程师表示:"在许多层面上,你永远不完全是群体中的一员。"

P7 Women also talked about family caregiving responsibilities. A retired vice president from a major chemical company stated, "Young women engineers are on an equal footing until they have children, then they struggle to balance work and family—and compete with men who don't have the same household responsibilities."

女性还谈到了家庭照料责任。一家大型化工公司的退休副总裁表示:"年轻的女性工程师在生孩子之前处于平等地位,然后她们就要努力平衡工作和家庭,并与没有相同家庭责任的男性竞争。"

P8 But over the years things have changed a lot. Young women engineers are more accepted mostly because there are just more of them.

但多年来情况已经发生了很大变化。年轻的女性工程师更容易被接受,主要是因为她们的人数更多了。

P9 Many women engineers hailed the benefits of their chosen career. A program manager in manufacturing stated that engineering is the best degree. A mechanical engineer said, "It will give you the flexibility to do almost anything. It is also satisfying to see the effects of what you have done."

许多女性工程师赞扬了她们所选择职业的好处。一位制造业项目经理表示,工程学是最好的学位。一位机械工程师说:"它会给你几乎可以做任何事情的灵活性。看到你所做工作的成效也很令人满意。"

题目与逐题解析

51. What does the passage say about the engineering profession in the United States?

- A) It has seen a change in attitude towards women engineers since 1979.
- B) It witnessed a significant increase in women engineers in the 1970s.
- C) It has experienced the gradual weakening of male dominance.
- D) It boasted the largest number of engineering majors in 2000.

这篇文章对美国工程行业有何论述?

- A) 自1979年以来,该行业对女性工程师的态度发生了变化。
- B) 该行业在20世纪70年代见证了女性工程师数量的显著增长。
- C) 该行业经历了男性主导地位的逐渐削弱。
- D) 该行业在2000年拥有数量最多的工程专业学生。

【答案】 B (细节题)

【判型】 What does the passage say about the engineering profession in the United States 没有 infer/imply/mainly about 等推断或主旨标志，问 "the passage say"，是对原文已陈述事实的核对，属四级最高频的细节题。

【拆句】 题干主干是 What does the passage say about ...，是 say about 后接宾语的特殊疑问句，结构平铺直叙、无陷阱，只要知道 say about="就.....说了什么"即可。

【定位】 In 1970, the percentage of women majoring in engineering was less than 1%. In 1979, that number was 9%. Many hoped women would continue to enter the field at the same rate. But that's not what happened.

1970 年，主修工程的女性占比不到 1%；1979 年这一数字升至 9%。许多人本希望女性能以同样速度持续进入这一行业，但事实并非如此。

【选项】 A) **无中生有**

原文只给比例数据，没有提任何"对待女工程师态度的变化"，a change in attitude towards women engineers since 1979 属于凭空添加新概念。

B) **✓ 正确**

In 1970, the percentage of women majoring in engineering was less than 1%. In 1979, that number was 9%

↔ **It witnessed a significant increase in women engineers in the 1970s**

In 1970 和 In 1979 ↔ **in the 1970s**

预判要的是"70 年代女工程师比例大幅上升"，B 项 significant increase in women engineers in the 1970s 几乎逐词对应，无需犹豫即可锁定。

C) **与原文相反**

Today, only 21% of engineering majors are women, a number largely unchanged since 2000 明确说自 2000 年起男性主导未弱化，与 gradual weakening of male dominance 直接相反。

D) **偷换概念**

原文 2000 年只是"21% 未变"的起算点，并未说 2000 年工程专业人数达到最大，boasted the largest number of engineering majors in 2000 属于把时间词原样搬，结论却换了内容。

52. What does one survey taker say was her greatest challenge?

- A) Not to feel superior to less qualified male engineers.
- B) Not to take seriously all the messages she was getting.
- C) Not to think highly of her qualifications when promoted or given a pay raise.
- D) Not to lose self-confidence though constantly discouraged or unfairly treated.

一位受访者表示她面临的最大挑战是什么？

- A) 不对资质较低的男性工程师产生优越感。
- B) 不把她收到的所有信息都当真。
- C) 在升职或加薪时不过高评价自己的资历。
- D) 尽管不断受到打击或遭受不公平待遇，仍不失去自信。

【答案】 D (细节题)

【判型】 What does one survey taker say was her greatest challenge 是对原文一句引语的客观还原，属细节题。

【拆句】 What does one survey taker say was her greatest challenge 是个嵌套问句，say 后面接的是 "(that) her greatest challenge was ____"，疑问词 What 提到了句首，回原文找 "挑战是 ____" 这层语义即可。

【定位】 The greatest challenge for me was continuing to believe in myself, when all the messages I was getting were that I would never be taken seriously or promoted or given raises at the same rate as men, who were clearly less qualified and not as smart as I was.

我最大的挑战是在收到"我永远不会像男性那样被认真对待、被晋升或被加薪——而那些男性明显不如我合格、不如我聪明"这类信息时，仍然继续相信自己。

【选项】 A) 偷换概念

原文受访者只是说"那些男性明显不如我合格"，是事实陈述；Not to feel superior to less qualified male engineers 把它扭曲成"不要觉得自己高人一等"，方向截然不同。

B) 答非所问

原文 all the messages I was getting 是"挑战的背景"，不是"挑战本身"；B 项却把"不要把这些信息当真"说成挑战，错把背景当主体。

C) 与原文相反

原文说"她被晋升/加薪的待遇不如男性"，C 项却说"在被晋升/加薪时不要看高自己的资历"，既颠倒了情境（她没有被同等晋升），也错读了态度。

D) ✓ 正确

continuing to believe in myself ↔ **Not to lose self-confidence**

all the messages I was getting were that I would never be taken seriously or promoted or given raises at the same rate as men

↔ **though constantly discouraged or unfairly treated**

预判要"在打压中坚持自信"，D 项 Not to lose self-confidence though constantly discouraged or unfairly treated 两个要素全有，是定位句的精准同义替换。

53. How do women engineers frequently feel according to the two civil engineers?

A) Disqualified on many levels.

B) Excluded from the group.

C) Overworked by their organizations.

D) Looked down upon by male colleagues.

根据两位土木工程师的说法,女性工程师经常有何感受?

A) 在许多层面上不具备资格。 B) 被排除在团体之外。 C) 被所在组织过度使用。

D) 被男性同事看不起。

【答案】 B (细节题)

【判型】 How do women engineers frequently feel according to the two civil engineers 问的是"她们感觉如何", 依据 according to 直接锁定原文两位 civil engineer 的话, 是细节归纳题。

【拆句】 How do women engineers frequently feel according to the two civil engineers 主干是 How do women engineers feel, frequently 是状语, according to ... 是介词短语作状语, 限定信息来源, 没有从句也无否定, 是直白的特殊疑问句。

【定位】 A civil engineer said, "We are 'women engineers.' People don't refer to a man as a 'man engineer'—he's an engineer. We are constantly reminded that we don't truly belong." Another civil engineer stated, "On many levels, you're never quite one of the groups."

一位土木工程师说: "我们被叫作'女工程师'。人们不会把男人叫'男工程师'——他就是工程师。我们时刻被提醒: 我们并不真正属于这里。"另一位土木工程师说: "在很多层面上, 你从来不算这个圈子的一员。"

【选项】 A) 偷换概念

原文 On many levels, you're never quite one of the groups 中的 on many levels 修饰"在多个层面上"不属于群体, A 项 Disqualified on many levels 把它说成"在多个层面上不合格", 是把"不属于群体"换成"不合格"。

B) ✓ 正确

We are constantly reminded that we don't truly belong ↔ Excluded from the group

you're never quite one of the groups ↔ Excluded from the group

预判要"不属于/被排除的情绪", B 项 Excluded from the group 直接对应两位受访者的核心情感, 是最稳的同义替换。

C) 张冠李戴

P6 全段谈的是"不属于群体"的归属感问题, 根本未涉及工作量; Overworked by their organizations 是从 work twice as hard 借来的概念, 硬塞进了 53 题。

D) 过度推断

原文两位土木工程师讲的是"被整个圈子提醒不属于", 并未具体说"是男同事看低自己"; Looked down upon by male colleagues 把抽象的群体压缩成"男同事"这一具体施动者。

54. What probably makes young women engineers more accepted nowadays?

- A) Their success in gaining an equal footing.
- B) Their ability to balance work and family.
- C) The change in their responsibilities.
- D) The increase in their number.

什么可能使年轻女性工程师在当今更容易被接受?

- A) 她们在获得平等地位方面取得的成功。 B) 她们平衡工作与家庭的能力。 C) 她们职责的改变。
- D) 她们数量的增加。

【答案】 D (细节题)

【判型】 What probably makes young women engineers more accepted nowadays 看似含 probably 像推断，实质问“原文里给出的原因是什么”，原文已经直说理由，仍是细节题。

【拆句】 What probably makes young women engineers more accepted nowadays 是 What makes sb. + 形容词 的使役结构，What 作主语，makes 是谓语，young women engineers 是宾语，more accepted nowadays 是宾语补足语，意为“是什么让年轻女工程师如今更被接受”。

【定位】 Young women engineers are more accepted mostly because there are just more of them.
年轻女工程师之所以如今更被接受，主要是因为她们的人数变多了。

【选项】 A) **张冠李戴**

原文 Young women engineers are on an equal footing until they have children 只说“育前与男性平起平坐”，是过去就存在的状态，不是“如今更被接受”的新原因；A 项 Their success in gaining an equal footing 把它包装成新成就，归错原因。

B) **与原文相反**

原文 then they struggle to balance work and family 明明说“在生育后她们挣扎于平衡工作与家庭”，B 项却说“她们有能力平衡工作与家庭”，方向完全相反。

C) **无中生有**

原文 compete with men who don't have the same household responsibilities 提到“家庭责任不对等”，但从未说女工程师的责任发生了变化；C 项 The change in their responsibilities 是凭空增添一个变化。

D) **✓ 正确**

there are just more of them ↔ **The increase in their number**

预判要“人数变多”，D 项 The increase in their number 是这层意思的最贴近名词化表达，无可争议。

55. What can we conclude about many female engineers from the statement of a mechanical engineer?

- A) They take great pride in their chosen career.
- B) They have reaped the benefits of being flexible.
- C) They enjoy doing engineering to the best degree.
- D) They have proved capable of doing almost anything.

从一位机械工程师的陈述中，我们可以对许多女性工程师得出什么结论？

- A) 她们对所选择的职业深感自豪。
- B) 她们获得了灵活工作的好处。
- C) 她们享受将工程工作做到最佳程度。
- D) 她们已证明能够做几乎任何事情。

【答案】 **A** （推断题）

【判型】 What can we conclude about many female engineers from the statement of a mechanical engineer 中的 conclude+from 是典型推断题信号，需要从一位受访者的具体话语得出“许多女工程师”层面的结论。

【拆句】 What can we conclude about many female engineers from the statement of a mechanical engineer 主干为 What can we conclude, about many female engineers 是 conclude 的对象, from the statement of a mechanical engineer 是信息来源; 问的是"从这位机械工程师的话里能得出关于许多女工程师的什么结论"。

【定位】 Many women engineers hailed the benefits of their chosen career. A program manager in manufacturing stated that engineering is the best degree. A mechanical engineer said, "It will give you the flexibility to do almost anything. It is also satisfying to see the effects of what you have done."

许多女工程师都盛赞自己所选职业的好处。一位制造业项目经理说工程是最好的学位。一位机械工程师说:"它会给你几乎可以做什么事的灵活性, 看到自己所做工作的成果也令人满足。"

【选项】 A) ✓ 正确

Many women engineers hailed the benefits of their chosen career ↔

They take great pride in their chosen career

It is also satisfying to see the effects of what you have done ↔

take great pride in their chosen career

预判要"对职业感到自豪", A 项 take great pride in their chosen career 在态度极性和概括层级上都对得最准, 是最贴预判的一项。

B) 偷换概念

原文 give you the flexibility to do almost anything 是说"这份职业能给你灵活性", 强调的是职业本身的属性; B 项 reaped the benefits of being flexible 把它说成"她们因"自己"灵活而获益", 把工具属性挪到了人本身。

C) 无中生有

原文 engineering is the best degree 是"工程是最好的学位", 整体作主系表; C 项 enjoy doing engineering to the best degree 把 the best degree 拆成 to the best degree (=最大程度地) 作状语, 意思变成"以最高程度享受做工程", 是字面拼凑出的伪意思。

D) 过度推断

原文 give you the flexibility to do almost anything 是工程这个职业"能让你"做几乎任何事, 是潜在可能; D 项 proved capable of doing almost anything 说她们"已经证明自己能做几乎任何事", 把可能性升级为既定事实。

SENTENCE INSIGHTS • 句子精讲

7 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

These pioneers reflected on the challenges they faced—and had advice for women entering the field today.

第3段，第2句

并列谓语结构和省略关系代词的定语从句都是四六级及考研阅读中的常见句式，句子长度和复杂度也符合真题水平，掌握后可迁移到大量类似结构的分析，具有较强代表性。

One survey taker explained, "The greatest challenge for me was continuing to believe in myself, when all the messages I was getting were that I would never be taken seriously or promoted or given raises at the same rate as men, who were clearly less qualified and not as smart as I was."

第4段，第1句

此句是练习划分成分的绝佳素材，包含了非谓语动词、省略关系词的定语从句、复杂的并列谓语以及比较结构中的省略。

A chemical engineer who worked in manufacturing agreed, "You have to prove yourself just because you are female. And you have to work twice as hard!"

第5段，第1句

本句结构非常典型：主句带定语从句修饰主语、宾语从句表达具体内容、内部嵌套状语从句说明原因，这种多层嵌套模式在四六级和考研阅读中频繁出现。掌握此类句式后，学习者可以迁移到大量类似结构的句子中，具有很高的代表性和复用价值。

A retired vice president from a major chemical company stated, "Young women engineers are on an equal footing until they have children, then they struggle to balance work and family—and compete with men who don't have the same household responsibilities."

第7段，第2句

"某人说+宾语从句"结构、时间状语从句修饰主句、限制性定语从句修饰名词，都是四六级和考研阅读中的高频句式。宾语从句内的并列谓语和对比逻辑（until...then...）也是常考模式。社会议题类长句在真题中常见，本句结构具有较强代表性。

A mechanical engineer said, "It will give you the flexibility to do almost anything. It is also satisfying to see the effects of what you have done."

第9段，第3句

覆盖主谓宾、主系表、双宾语、形式主语与真正主语、关系代词双重功能等多种成分配置，且 what 从句和 It 作形式主语都是常见易错点，适合作为成分划分的综合练习。

They take great pride in their chosen career.

第55题，A

覆盖主谓宾和状语、定语五种成分，结构简单但成分齐全，适合初学者练习基本成分识别，但无复杂搭配或易混点。

They have proved capable of doing almost anything.

第55题，D

主系表结构中使用现在完成时、连系动词后接形容词短语作表语，这一句式在四六级和考研阅读中出现频率较高；prove 作连系动词的用法也是常考知识点；掌握本句的分析方法可迁移到大量类似结构，具有较强的典型性。

2024年12月·第1套英语四级汉译英（段落翻译）·中国环保举措与成效的客观介绍 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2024年12月·第1套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第1套(2024-12) • 英语四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

中国政府十分重视环境保护。近年来,中国在减少空气、水和土壤污染上取得了显著成效。为了不断改善人们的生活环境,中国采取了一系列有效措施,包括大力发展清洁能源,改善公共交通,推广共享单车,实施垃圾分类。通过这些措施,中国的城市和农村正在绿起来、美起来。中国还积极参与国际合作,为全球环境保护做出了重要贡献。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

The Chinese government attaches great importance to environmental protection. In recent years, China has made remarkable progress in reducing air, water and soil pollution. To continuously improve people's living environment, China has taken a series of effective measures, including developing clean energy, improving public transportation, promoting shared bikes and implementing garbage classification. Thanks to these measures, both urban and rural areas in China are becoming greener and more beautiful. China also actively participates in international cooperation, making important contributions to global environmental protection.

【衔接】第3句句首用目的状语自然承接第2句

第2句讲已取得成效，第3句 为了不断改善人们的生活环境 用 To continuously improve... 的目的状语开头，顺势说明「为达成进一步改善而采取措施」，与前句的成效形成「已有成绩—继续努力」的递进，无需再额外加关联词。

第4句用Thanks to these measures回指第3句的措施

第4句 通过这些措施 译为 Thanks to these measures，其中 these measures 直接回指第3句末尾的 a series of effective measures，用指示词承接避免重复罗列，把「采取措施」与「城乡变美」串成因果链。

第5句用also标出中国的另一项行动

第5句 中国还积极参与国际合作 的「还」译为 also，提示这是在国内措施之外、中国在国际层面的又一作为，与前文国内行动形成「对内 + 对外」的并列层次，让整篇逻辑更清楚。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

【主旨】中国环保举措与成效的客观介绍

全篇在客观介绍中国在环境保护方面的态度、做法与成果，属典型的「社会/政策介绍」语体。开篇中国政府十分重视环境保护 就把基调定成「陈述当下事实与现状」，不是讲一个过去发生完就结束的故事。这类「介绍中国现状」的题正是四级汉译英最高频的一类，定调准了，时态与用词风格随之而定。

【时态】一般现在时

通篇是对中国环保态度、做法、现状的客观陈述，讲的是「现在持续如此」的事实，故全篇默认一般现在时。如 中国政府十分重视环境保护、中国的城市和农村正在绿起来、美起来 都是当下状态。只有 取得了显著成效 与 做出了重要贡献 这种「到现在为止已完成」的动作，才偏离基调改用现在完成时。

【译法】环境保护

统一译作 environmental protection。原文 中国政府十分重视环境保护 与 为全球环境保护做出了重要贡献 两处出现，全篇只用这一个译法，第二处可用代词或省略避免重复，但译名本身不变。属意译，是约定俗成的固定表达。

清洁能源

统一译作 clean energy。出自 大力发展清洁能源。意译，clean energy 为通用固定搭配，energy 此处不可数、不加 s。

共享单车

统一译作 shared bikes (或 bike-sharing)。出自 推广共享单车。意译，「共享」用 shared/sharing，「单车」用 bikes，需用复数表泛指。

垃圾分类

统一译作 garbage classification (或 garbage sorting)。出自 实施垃圾分类。意译，garbage 不可数、不加 s，classification/sorting 均为常见对应。

1. 中国政府十分重视环境保护。

【主干】 主语中国政府+谓语重视+宾语环保 (主语策略: 原句主语)

中文已有明确主语 中国政府, 直接作英文主语 The Chinese government; 核心动词 重视 作谓语 attaches great importance to / values; 宾语是 环境保护 → environmental protection。主干即 The Chinese government attaches great importance to environmental protection。

【降级】 本句即简单主谓宾, 无需降级

全句只有一个动作 重视, 没有额外的分句或修饰成分要安放, 是天然的「主语+谓语+宾语」简单句, 直接成句即可。

【语法】 时态

回指全篇基调用一般现在时: 陈述「中国政府一贯重视」这一持续事实, 谓语用 attaches (第三人称单数)。

主谓一致

主语 The Chinese government 是单数第三人称, 谓语动词须加 s → attaches / values, 别漏掉这个 s。

搭配

「重视」的地道搭配是 attach importance to (to 后接名词) 或直接用 value; 用 attach 时勿丢介词 to。

【译文】 The Chinese government attaches great importance to environmental protection.

2. 近年来,中国在减少空气、水和土壤污染上取得了显著成效。

【主干】 主语中国+谓语取得+宾语显著成效 (主语策略: 原句主语)

主语是 中国 → China; 核心动词 取得了 作谓语 has made / has achieved; 宾语是 显著成效 → remarkable progress / great achievements。主干为 China has made remarkable progress。

【降级】 近年来作状语 + 在减少污染上作介词短语

近年来 降级为时间状语 In recent years 置于句首; 在减少空气、水和土壤污染上 这层「在...方面」降级为介词短语 in reducing air, water and soil pollution (in + 动名词), 作 made progress 的范围状语挂到主干后。这样主干干净、修饰后置, 不照中文一路平铺。

【语法】 时态

偏离基调改用现在完成时: 近年来 配 取得了, 是「过去到现在已经取得、且影响延续至今」, 标准用 has made / has achieved, 不能用一般过去时 made。

名词并列

「空气、水和土壤污染」是三类污染共用一个 pollution → air, water and soil pollution, 三个修饰词并列、pollution 不可数不加 s。

搭配

「取得成效/进展」固定搭配 make progress (progress 不可数) 或 achieve achievements; 用 make progress 时 progress 前不加 a、不加 s。

【译文】 In recent years, China has made remarkable progress in reducing air, water and soil pollution.

3. 为了不断改善人们的生活环境,中国采取了一系列有效措施,包括大力发展清洁能源,改善公共交通,推广共享单车,实施垃圾分类。

【主干】 主语中国+谓语采取+宾语一系列措施 (主语策略: 原句主语)

主语是 中国 → China; 核心动词 采取了 作谓语 has taken / has adopted; 宾语是 一系列有效措施 → a series of effective measures。主干为 China has taken a series of effective measures。「为了...」与「包括...」都不进主干。

【降级】 目的状语 + including引出的并列动名词列举

为了不断改善人们的生活环境 降级为目的状语 To continuously improve people's living environment 置于句首; 后面 包括大力发展清洁能源,改善公共交通,推广共享单车,实施垃圾分类 用 including 引出, 四个动作并列改写成四个动名词短语 developing clean energy, improving public transportation, promoting shared bikes and implementing garbage classification, 作 measures 的同位/补充说明, 而不是写成四个并列句子。

【语法】 时态

采取了 是已完成并影响至今, 用现在完成时 has taken; 与第2句的 has made 保持一致。

非谓语一致

including 后四个动作必须同为动名词且形式整齐: developing / improving / promoting / implementing, 不可混入 to develop 或原形 develop。

单复数

measures 是可数复数 (一系列措施) → measures 加 s; shared bikes 表泛指用复数; clean energy、public transportation、garbage classification 均不可数, 不加 s。

【译文】 To continuously improve people's living environment, China has taken a series of effective measures, including developing clean energy, improving public transportation, promoting shared bikes and implementing garbage classification.

4. 通过这些措施,中国的城市和农村正在绿起来、美起来。

【主干】 主语城市和农村+谓语正在变绿变美 (主语策略: 原句主语)

主语是 中国的城市和农村 → China's cities and rural areas; 正在绿起来、美起来 是「正在变得更绿更美」, 谓语用系动词 are becoming + 表语 greener and more beautiful。主干为 China's cities and rural areas are becoming greener and more beautiful。

【降级】 通过这些措施作介词短语 + 两个表语并列

通过这些措施 降级为介词短语 Thanks to / Through these measures 置于句首作方式状语, 顺带承接上一句; 绿起来、美起来 两个变化合并为并列表语 greener and more beautiful, 共用一个系动词 are becoming, 不必拆成两句。

【语法】时态

正在 明确表「此刻正在进行的变化」，用现在进行时 are becoming，这是本句正当偏离一般现在时基调之处。

比较级

「绿起来、美起来」表程度加深：green → greener (短词加 er)，beautiful → more beautiful (长词加 more)，别写成 more greener 之类双重比较。

主谓一致

主语 cities and rural areas 是复数，系动词用 are，不用 is。

【译文】 Thanks to these measures, both urban and rural areas in China are becoming greener and more beautiful.

5. 中国还积极参与国际合作,为全球环境保护做出了重要贡献。

【主干】 主语中国+谓语参与国际合作 (主语策略：原句主语)

主语是 中国 → China；本句有两个动作 参与 和 做出了，选第一个 积极参与国际合作 作主干谓语 actively participates in international cooperation；第二个动作降级处理。主干为 China actively participates in international cooperation。

【降级】 做出重要贡献降级为现在分词状语

第二个动作 为全球环境保护做出了重要贡献 降级为现在分词短语 making important contributions to global environmental protection，作伴随/结果状语挂在主干后；其中「为...做出贡献」用 make contributions to。这样两动作主次分明，而非并列堆砌。

【语法】时态

主干 积极参与 是持续性事实，用一般现在时 participates (回归全篇基调)；分词 making 不带时态，但其内含的 做出了 是已完成结果，分词形式 making contributions 不与主句时态冲突，自然衔接。

主谓一致

主语 China 单数第三人称，主干谓语 participates 加 s。

搭配与单复数

「参与」用 participate in (勿丢 in)；「做出贡献」用 make contributions to，contribution 可数、贡献不止一项可用复数 contributions。

【译文】 China also actively participates in international cooperation, making important contributions to global environmental protection.
