四级 · 真题卷第2套 · 2024年12月

Part I

Writing

(30 minutes)

Directions: Suppose the university newspaper is inviting submissions from the students for its coming edition on how to enrich students' knowledge of traditional Chinese culture. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1. A) They will see a 27% higher price to buy natural gas.
B) They will have insufficient heating oil to keep warm.
C) They will have a costly bill to pay to heat their homes.
D) They will experience the coldest winter in four decades.
2. A) Provided additional funding to Low Income Home Energy Assistance Program.
B) Assured U.S. citizens of an increase in energy supplies by the end of this year.
C) Predicted a 10% jump in heating bills for most U.S. households this winter.
D) Decided on this year's energy assistance package of \$8 billion in total.

Questions 3 and 4 are based on the news report you have just heard.

3. A) They care less about their diet now than before.
B) They may lack adequate knowledge of healthy food.
C) They may hold too optimistic a view about their diet.
D) They pay insufficient attention to their choice of food.
4. A) Those who finished 24-hour food questionnaires.
B) Those who fully understood the rating scale.
C) Those who cared about food quality.
D) Those who rated their diet as poor.

Questions 5 to 7 are based on the news report you have just heard.

5. A) They experienced a heartbreaking moment.
B) They gathered together to rescue an elephant.
C) They heard a noise from the bottom of a well.
D) They found an elephant wandering around a well.
6. A) To borrow their crane.
B) To ask them for help.
C) To report the strange noise.
D) To get food for the elephant.
7. A) The elephant was able to return to the jungle.
B) The army officers were examined for injuries.
C) The army officers were rewarded for their rescue efforts.
D) The elephant was given medical treatment for many days.

Section B

Directions: *In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 8 to 11 are based on the conversation you have just heard.

8. A) He found it had caused him much inconvenience.
B) It led him to spend more money than necessary.
C) It was much less secure than paying with cash.
D) He wanted to be less dependent on his phone.
9. A) Living beyond her means.
B) Lack of budgeting strategies.
C) Fashion addiction.
D) Impulse purchasing.
10. A) Eat healthier food with less money.
B) Order food like burgers and chips.
C) Avoid getting addicted to junk food
D) Pay either in cash or with his phone.
11. A) Making a shopping list.
B) Sticking to his budget.
C) Withdrawing cash only once a month.
D) Thinking twice before buying something.

Questions 12 to 15 are based on the conversation you have just heard.

12. A) He does not enjoy any ball games.
B) He has to prepare for the future.
C) He has breathing problems.
D) He is not up to anything challenging.
13. A) Soccer.
B) Badminton.
C) Volleyball.
D) Basketball.
14. A) The possibilities of joining the school sports team.
B) The opportunities of winning some championships.
C) The chances of getting an athletic scholarship later on.
D) The odds of becoming a professional sportsman someday.
15. A) It differs entirely from indoor volleyball.
B) It appeals to both schoolgirls and schoolboys.
C) It is less popular than indoor sports in the country.
D) It is completely different from other outdoor games.

Section C

Directions: *In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on Answer Sheet 1 with a single line through the centre.*

Questions 16 to 18 are based on the passage you have just heard.

16. A) It usually requires years of preparations.
B) It does a lot of harm to the environment.
C) It often burns over three hundred tonnes of refined fuel.
D) It proves to be the most complicated stage of space missions.
17. A) They are burnt up in outer space.
B) They are guided back to Earth.
C) They are reused up to 100 times.
D) They are treated as expendable.
18. A) New technologies for bringing back space vehicles for recycling.
B) The technology for meeting the needs of commercial space travel.
C) Many of the technologies to limit the impact of space travel on Earth.
D) The technology for effectively protecting ozone from being destroyed.

Questions 19 to 21 are based on the passage you have just heard.

19. A) It can help unskilled readers feel more secure.
B) It can encourage reluctant readers to read aloud.
C) It can strengthen children's confidence in others.
D) It can boost children's interest in communication.
20. A) By motivating children to find out about their favourite pets.
B) By taking children to the library to borrow books on animals.
C) By allowing children to surf the internet about pets by themselves.
D) By showing children how to acquire knowledge about healthy pets.
21. A) By learning that raising pets can do much good.
B) By watching how healthy pets are brought up.
C) By hearing about their peers' passion for pets.
D) By visiting friends who have household pets.

Questions 22 to 25 are based on the passage you have just heard.

22. A) Send would-be students a packet of information.
B) Update regularly all information on their websites.
C) Inform prospective students of their yearly enrollment.
D) Answer questions raised by applicants and their parents.
23. A) Oversee private institutions directly.
B) Follow other states' example.
C) Supervise all schools consistently.
D) Regulate public institutions by law.
24. A) They are resourceful.
B) They are competitive.
C) They provide the best opportunity to realize one's dream.
D) They appeal most to students from other states in the U.S.
25. A) Some students waste much time surfing the net.
B) Students may need to visit too many websites.
C) Students have to search for the information.
D) Some students may lack adequate access.

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding*

letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Scientists have known that depriving adult mice of vision can increase the sensitivity of individual neurons(神经元) in the part of the brain devoted to hearing. New research from biologists at the University of Maryland 26 that sight deprivation also changes the way brain cells 27 with one another, shifting the mice's sensitivity to different frequencies.

"This study 28 what we are learning about how manipulating vision can have a 29 effect on the ability of an animal to hear long after the window for auditory(听觉的) learning was thought to have 30," said Patrick Kanold, senior author of the study.

It was once thought that the sensory regions of the brain were not 31 after a critical period in childhood. This is why children learn languages much more 32 than adults. Kanold's earlier research disproved this idea by showing that depriving adult mice of vision for a short period increased the sensitivity of individual neurons in the auditory cortex(皮质), which is devoted to hearing.

Young brains wire themselves according to the sounds they hear frequently, assigning areas of the auditory cortex to 33 frequencies based on what they are used to hearing. The researchers found that, in adult mice, a week in the dark also changed the 34 of space to different frequencies.

"We don't know why we are seeing these patterns," Kanold said. "We 35 that it may have to do with what the mice are paying attention to while they are in the dark."

| F) neutral | N) specific |
| G) permanently | O) speculate |
| H) prescribes | |

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

If we care about plastic waste, why won't we stop drinking bottled water?

We have all seen the damage plastic waste is doing around the world, but sales of bottled water have continued to grow.

- A) For all the innovation and choice that define the food and drink industries, if you want to make money, you could do a lot worse than fill a bottle with water and sell it. A litre of tap water, the stuff we have cleverly piped into our homes, costs less than half a penny. A litre of bottled water can cost well over a pound, especially for something fancy that has been sucked through a mountain.

- B) Yet the bottled water market is livelier than ever. It defies our increasing awareness of the harm plastics do to the environment and a broader, growing sense that something has to change. Sales in the UK were worth a record £558.4 million this past year, an increase of 7%, according to the latest figures from the market analyst Kantar. Separate data from other analysts show that last year the British consumed more than 2.2 billion litres of bottled water, including "take-home" and "on-the-go" products. That's an annual rise in volume of 8.5%.
- C) Environmental campaigners are struggling to understand why nations blessed with clean tap water grow only fonder of the bottle. "It's very surprising to me," says Sam Chetan-Walsh, a political adviser at Greenpeace and campaigner against ocean plastic. "Public awareness has never been higher, but the message is not quite reaching all the people it needs to." Where it is heard, the message is causing concern. Plastic water bottles require oceans of fossil fuels to make and ship. Additionally, single-use plastics of all types are polluting our cities and seas. Numerous documentaries have shown how plastic is ultimately killing wildlife.
- D) Moves against various plastics have gathered pace, from shopping bags to straws and plastic-lined coffee cups. Chetan-Walsh argues that bottled water is different because the alternatives are so obvious. "If a product that is so nakedly unnecessary can exist, then the whole system is failing," he says.
- E) Hope is not entirely out of reach. The rate of growth has begun to ease (sales were up 7% in the year, compared with 8% the previous year).
- F) But even if large numbers of people are quitting bottled water because of care for the environment, others are taking it up. The introduction of the "sugar tax" on juices and soda drinks has pushed more people to bottled water, while health awareness has boosted its desirability. Tap water consumption is growing at roughly the same pace (UK consumers still drink almost three times as much tap water as bottled water).
- G) So the plastic tide only creeps higher. The industry is quick to point out that all its bottles are recyclable. "But collection rates are, at the most generous estimates, 56%, so the actual recycling rate will be lower than that," Chetan-Walsh says. And while bottles may be recyclable, very few are made of recycled plastic. One water bottle company launched recycled half-litre "eco" bottles alongside its standard bottles. Another has pledged to use only recycled plastic across its range by 2025. Chetan-Walsh believes in a ban on single-use bottles. Bans do exist in some places. Organisers of a famous music festival announced that water bottles will not be sold this summer. San Francisco has banned them from city property and events. Last year, the UK government set out plans to ban single-use plastic from its estate.
- H) Water bottlers, unsurprisingly, don't support bans. But they raise concerns about health rather than profit margins. Last month one chief executive of a water bottling company said that bans would "result in greater consumption of sugary drinks, adding to all the health dangers of obesity, diabetes and tooth decay". Kinvara Carey, general manager of an association of the biggest bottled water manufacturers, cites a survey in which people were asked what they would do if bottled water were not available. "Forty-four per cent would buy another drink, which is not great, 14% would go without and 4.5% said they would find a fountain," she says. "The choice is important."
- I) What if fountains were more numerous, and tap water more clearly available in cafes, restaurants and elsewhere? Dozens of fountains are being installed in London. There are similar initiatives elsewhere. Before plastic and the marketing that made people think they needed bottled water in the first place, fountains were an urban fixture. Greenpeace, among others, is also pushing for a "deposit return" scheme. This would mean tax on bottled water would be refunded to customers who returned the plastic for recycling.

- J) Even if bottled water sales are growing slightly more slowly, the industry is racing to adapt to changing concerns and tastes. Flavoured water is booming: sales of the sparkling variety shot up by 20%, according to the latest analyst data. Meanwhile, international water brands, as well as a range of new companies, are selling high-end reusable bottles. And if you must fill them with tap water, why not add flavouring?
- K) As the owner of multiple sugary drink brands and bottled water, PepsiCo is facing challenges on health and environmental fronts. Last year, the company bought SodaStream (a drinks company that sells machines for making tap water bubbly and then consumers add flavours) for \$3.2 billion. It also launched a range of fancy bottles that work with tap water and flavour packets. The bottle is reusable. The packets? Not so much, and, yes, they are made of plastic, although the company invites users to post them back for recycling.
- L) As is so often the case, clever marketing can beat reason; awareness is rarely enough. "There is always this kind of slip between concern, intent and changed behaviour," says Giles Quick, an analyst of bottled water. "The best example is five a day, the recommendation to have at least five portions of fruit and vegetables every day. Almost everyone is aware of this, but something like 15% of us achieve it." Unless a far-reaching bottle ban does come into force, it will be up to consumers to not only demand change—but to act themselves.

36. Judging from the slowing rate of sales growth, there is still hope to combat bottled water.
37. Bottled water manufacturers base their arguments against bans of plastic bottles on health concerns rather than on profits.
38. Sales of bottled water in Britain hit a record high last year even though people are increasingly aware that plastics are environmentally unfriendly.
39. It often happens that people can lack reason when faced with skillful marketing.
40. One city on the west coast of America has banned single-use bottles from its property and events.
41. Manufacturing and shipping of plastic water bottles consume a tremendous amount of fossil fuels.
42. One large beverage company has adapted its operations when confronted with challenges from health and environmental advocates.
43. Bottled water is considerably more expensive than tap water.
44. Fountains could be seen in cities before bottled water became popular.
45. More people have taken to bottled water because of their health awareness.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

As a university student, I've come to realise just how little I know about money. I've come to the brutal realisation that Australia's youth are being done a great disservice by not receiving any consistent financial

education.

Diving headfirst into the crash course of starting university, I've quickly tried to get myself up to speed with the financial terms of the modern era to help manage my personal finances.

I've read some financial education books, done some online learning, and have spoken to my nearest and dearest for their pearls of financial wisdom.

There are undoubtedly hundreds of great resources out there for those wishing to improve their financial literacy, but while I was researching, I still kept wishing that I didn't have to play catch-up with the money world. I felt that I was sailing the financial seas with no skills and no life jacket!

However, after talking to my friends who felt the same, I quickly realised that it wasn't my ignorance but the lack of financial education in our schooling system that is leaving high schoolers seriously behind in the modern world of money.

Let's compare a theoretical financial education subject to the standard compulsory English class. On average, English may not be the most popular subject, but it's consistently on the schedule throughout high school, with all students graduating fluent in English.

A financial education subject should do just the same. It shouldn't be just a one-day event but a course integrated throughout the whole of high school that would allow students to gradually expand their financial literacy, and would prevent the need for a 'catch up' phase once we're out on our own after graduation.

In the same way that learning a language or new skills takes time, building financial skills requires practice and years to gradually accumulate bits and pieces of knowledge.

Giving young people the opportunity to become familiar with the world of money would provide them with a great advantage to enter adulthood with confidence and security so that they are able to manage their own money and look after themselves.

46. What has the author come to realise since entering university?

- A) He needs a crash course on financial terms.
- B) He is very much lacking in financial literacy.
- C) It requires consistent education to be financially independent.
- D) It is unrealistic to give all Australian youth a financial education.

47. How did the author feel in today's money world?

- A) Badly equipped to survive.
- B) Ignorant of financial literature.
- C) Barely capable of moving ahead.
- D) Overwhelmed by the resources online.

48. What did the author realise after talking to his friends?

- A) They were as keen as he was on financial matters.
- B) The schooling system was to blame for his trouble.
- C) High schoolers knew nothing about the modern financial world.
- D) Financial courses were as unpopular as compulsory English classes.

49. What is the author's idea of a financial education course?
- A) It should foresee students' needs after graduation.
 - B) It should provide students with some basic knowledge.
 - C) It should be taught the same way as English is taught.
 - D) It should be integrated into high school education.
50. What would financial literacy do to young people?
- A) Allow them to enter adulthood with financial security.
 - B) Enable them to look after themselves without worrying about money.
 - C) Render them confident and secure in terms of money management.
 - D) Help them become familiar with the world of money.

Passage Two

Questions 51 to 55 are based on the following passage.

Chocolates save us from many things, especially emotional distress. They comfort us in times of trouble, calming down a racing heart by channelling happy calories inside us. We all have faith in chocolates to delight us in an instant!

Recently, chocolate lovers were heartbroken as scientists claimed that they can become extinct by 2050! But hey, we have some happy news for you. Scientists can still help save chocolates from dying out! If you are not aware as to why scientists made the statement about the death of this wonderful thing, let us tell you the facts. Chocolate trees, whose seeds are used to make chocolate, grow in the tropical plant world and require very specific weather conditions to prosper.

Now, fifty percent of the world's cocoa(可可) beans come from two countries in West Africa: Côte d'Ivoire and Ghana. Scientists believe that both of these countries will experience a 3.8°F temperature increase by 2050 due to global warming, endangering the cacao(可可树) farms in the rainforests. These farms will then have to be shifted to cooler mountainous areas, which are the natural habitat of wildlife. This will lead to some tough decisions: whether to grow chocolate or save wildlife.

Unfortunately, the crisis of global warming has already had a serious negative impact on cacao farms' yields, leading to the prices of chocolates skyrocketing.

Scientists, however, are trying to find a long-term and eco-friendly solution to this problem! They are trying to modify the species with a gene-editing technology, which will transform the seedlings into a species that survives even in a drier and warmer climate.

According to a report by The Business Insider, in the University of California's new bio-sciences building, tiny green cacao seedlings are lined up in refrigerated greenhouses for a new experiment by using a technology called CRISPR. By manipulating the DNA of plants, this technology is already being used across the world to make plants tougher and cheaper. Similarly, in this unconventional experiment, scientists will make tiny, precise changes to the DNA of the seedlings to make the cocoa crops survive in warmer and drier climates.

51. What do people believe chocolates can do?
- A) Cheer them up instantly.
 - B) Create happy calories.
 - C) Conceal emotional distress.
 - D) Relieve them of heart trouble.
52. What was scientists' recent assertion about chocolates?
- A) They could become a rare treat in the near future.
 - B) They could calm people down a bit in times of crisis.
 - C) They could prevent people from getting heartbroken.
 - D) They could become unavailable in less than 30 years.
53. What would happen if the cacao farms were shifted to cooler mountainous areas?
- A) The natural habitat of wildlife there would be ruined.
 - B) The cacao farmers would have a tough time to adapt.
 - C) The rainforests would be shrinking dramatically.
 - D) The quality of cocoa beans would suffer greatly.
54. What do we learn about the cacao farms in the crisis of global warming?
- A) They try to seek help from gene-editing scientists.
 - B) They decide to move to cooler mountainous areas.
 - C) They have suffered a lot due to a decrease in produce.
 - D) They have benefited by raising prices of cocoa beans.
55. What are scientists trying to do in the University of California's new bio-sciences building?
- A) Build rows of refrigerated greenhouses for research on cacao seedlings.
 - B) Gene-edit cacao seedlings for them to withstand a drier, warmer climate.
 - C) Produce chocolates with the latest gene-editing technology.
 - D) Transplant the genes of tougher plants to cacao seedlings.

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

近年来，中国新能源汽车产业发展迅速。目前，中国新能源汽车年产量已高达近千万辆，占全球市场份额超过 60%，出口量不断创出新高。中国政府通过加大资金投入和政策引导，鼓励新能源汽车企业进行技术创新，不断提高产品在市场中的竞争力。中国新能源汽车产业的发展不仅有力推动了国内经济发展，也为全球新能源利用和环境保护做出了积极贡献。

PROMPT & MODEL ESSAY • 写作题和范文

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2024年12月·第2套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第2套(2024-12) • 英语四级

Part I

Directions: Suppose the university newspaper is inviting submissions from the students for its coming edition on how to enrich students' knowledge of traditional Chinese culture. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

【参考范文·157词】 写作无唯一标准答案，以下为达标示范

Traditional Chinese culture is a treasure that shapes our national identity, yet many students today know little about it. As a contributor to our university newspaper, I would like to share several practical ways to enrich students' understanding of this precious heritage.

To begin with, our university could offer optional courses and regular lectures on classical literature, calligraphy and traditional festivals, so as to build a solid foundation of knowledge. In addition, hands-on activities are equally important. By organizing cultural experiences such as paper-cutting workshops or tea ceremonies, students can feel the charm of tradition rather than merely reading about it. Moreover, we can make full use of new media, posting short videos and articles online to spread cultural knowledge in a way that appeals to young people.

In conclusion, combining formal learning, personal experience and modern technology would help students appreciate traditional Chinese culture far more deeply. I sincerely hope these suggestions will benefit us all.

【参考译文】

中华优秀传统文化是塑造我们民族身份的瑰宝，然而如今许多学生对它知之甚少。作为校报的一名投稿人，我想分享几条丰富学生对这份珍贵遗产认知的实用办法。

首先，学校可以开设古典文学、书法和传统节日方面的选修课与定期讲座，以打下扎实的知识基础。此外，动手体验同样重要。通过组织剪纸工作坊、茶艺等文化体验活动，学生能真切感受传统的魅力，而不只是纸上读到。而且，我们可以充分利用新媒体，在网上发布短视频和文章，以年轻人喜欢的方式传播文化知识。

总之，把正规学习、亲身体验与现代技术结合起来，将帮助学生更深地欣赏中华传统文化。我衷心希望这些建议能让我们大家都受益。

【第1段】两句扣题亮中心。落实『扣征稿点主题』：首句用『__ is a treasure ... yet ...』点出意义，第二句以投稿人身份『As a contributor to our university newspaper, I would like to share several practical ways』亮出中心，两句内就回扣 how to enrich students' knowledge of traditional Chinese culture，不绕圈。

【第2段】三办法各带理由。落实『一条办法一句理由』：To begin with 领起选修课并用『so as to build a solid foundation』给理由；In addition 领起体验活动并用『students can feel the charm of tradition rather than merely reading about it』说明好处；Moreover 领起新媒体。三条办法都具体到剪纸、茶艺、短视频，避免空喊。

【第3段】归总呼应结尾。落实『归总加呼吁』：In conclusion 把 formal learning, personal experience and modern technology 三条收成一句，重申价值，末句『I sincerely hope these suggestions will benefit us all』面向读者呼吁，首尾呼应、结构完整。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

怎样丰富传统文化认知

题眼是 how to enrich students' knowledge of traditional Chinese culture，核心是回答『怎么做』——给出丰富学生对中华优秀传统文化认知的具体办法，而不是论证传统文化为什么重要。同时 You are now to write an essay for submission，交际目的是向校报投一篇有说服力、办法能落地的征文。

读者 • 语域

校报读者半正式

身份是投稿的学生，读者是 the university newspaper is inviting submissions from the students 所指的编辑与全体同学。语域用半正式的书面英语即可：可以有『I would like to share』这样的第一人称建议口吻，但不要口语化俚语，也不要套用书信的 Dear Editor 称呼与落款——这是 essay 体例，不是应用文。

中心立意

多渠道丰富文化认知

中心一句话：要真正丰富学生对中华优秀传统文化的认知，应把正规学习、亲身体验与新媒体传播结合起来。它直接回应 how to enrich students' knowledge of traditional Chinese culture，是一个可以落地展开的立场，而非泛泛的『文化很重要』。

要展开的要点

1. 开选修课与讲座

学校层面：开设古典文学、书法、传统节日等选修课和定期讲座，为学生打下系统的知识基础。这是最直接的『正规学习』渠道。

2. 组织文化体验活动

学生层面：组织剪纸、茶艺等动手体验活动，让学生亲身感受传统文化的魅力，而不只是纸上读到，体验比死记更能留住认知。

3. 借新媒体传播

工具层面：用短视频、图文推送等新媒体传播文化知识，以年轻人喜欢的方式扩大覆盖面，让文化认知走进日常。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文一一对应。

第 1 段 点题引出投稿

回应校报征稿，点明主题——如何丰富学生对传统文化的认知——并一句话说明其意义，亮出本文将给出的中心（多渠道办法）。

第 2 段 并列展开三办法

主体段：按选修课与讲座、文化体验活动、新媒体传播三条办法逐一展开，每条配一句理由或例子，用过渡词串起。

第 3 段 总结并呼吁

收束全文：把三条办法归结为一句，重申结合正规学习、亲身体验与现代技术的价值，并表达希望建议对大家有益的呼吁。

第 1 段 亮主题与中心

点出传统文化塑造民族身份但不少学生了解甚少，作为校报投稿人愿分享几条丰富认知的实用办法，呼应 its coming edition on how to enrich students' knowledge of traditional Chinese culture。

点出话题意义 · ____ is a treasure that shapes our national identity, yet many students today know little about it.

以投稿人身份引出中心 · As a contributor to ____, I would like to share several practical ways to ____.

第 2 段 选修课·体验·新媒体

依次写：开设古典文学、书法、传统节日的选修课与讲座打基础；组织剪纸、茶艺等动手体验让学生亲身感受；利用短视频、图文推送等新媒体以年轻人喜欢的方式传播——正是 how to enrich students' knowledge of traditional Chinese culture 要的具体做法。

首条办法起头 · To begin with, our university could ____, so as to ____.

追加并列办法 · In addition, ____ are equally important. By ____, students can ____.

递进补充第三条 · Moreover, we can make full use of ____ to ____ in a way that appeals to young people.

第 3 段 结合三途径呼吁

把正规学习、亲身体验与现代技术三条合起来，指出这样能让学生更深地欣赏传统文化，并表达希望这些建议对大家有益的呼吁。

归总收束 · In conclusion, combining ____, ____ and ____ would help students ____.

面向读者呼吁 · I sincerely hope these suggestions will ____.

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

紧扣怎么做

本题达标关键是全篇围绕 how to enrich students' knowledge of traditional Chinese culture 给具体办法；最易失分是写成传统文化为什么重要的论说，题眼是 how（怎么做）不是 why。

结构连贯

并列词串三办法

本题主体段并列三条办法，务必用过渡词标清层次；开头点的中心与结尾归总要指向同一件事，别让最后一段冒出前文没提过的新观点。

语言准确

善用目的建议句

本题多用建议与目的句式（could offer ..., so as to ...; By organizing ..., students can ...）能加分；注意 enrich / knowledge / heritage 等主题词拼写，别把 students' 的所有格漏掉。

字数格式

essay不加书信框

本题硬性 at least 120 words but no more than 180 words，写不足或超出都扣分；且是 You are now to write an essay for submission，不要加 Dear Editor 称呼和署名。

偏成重要性论说

反面示例：『Traditional Chinese culture is very important because it has a long history, so we should all love it.』——通篇论证重要性，答非所问。改成给办法：『Our university could offer optional courses on calligraphy and traditional festivals to enrich students' knowledge.』

空喊要重视

反面示例：『Everyone must pay attention to traditional culture and take it seriously.』——空洞无细节。改成：『By organizing paper-cutting workshops and tea ceremonies, students can experience traditional culture firsthand.』

误加书信框架

反面示例：『Dear Editor, I am writing to ... Yours sincerely, Li Ming』——错把 essay 当书信。改成直接开篇：『Traditional Chinese culture deserves far more attention from us students, and here are some practical ways to learn about it.』

PAPER & KEY · 听力题和解析

听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2024年12月·第2套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第2套(2024-12) · 英语四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1 U.S. families are looking to the winter with fear as energy costs soar. A number of factors are creating a bad situation: Global energy consumption is up, but supplies have been reduced. The Energy Department projects heating bills will jump 28% this winter for those who rely on natural gas. Natural gas is used by nearly half of U.S. households for heat. Heating oil is projected to be 27% higher and electricity 10% higher. That comes against inflation rates that accelerated last month with consumer prices growing 6.6%. That's the fastest pace in four decades.

随着能源成本飙升,美国家庭正怀着恐惧展望这个冬天。多种因素正在造成糟糕的局面:全球能源消费增加,但供应却减少了。能源部预测,依赖天然气供暖的家庭今年冬天的取暖费用将跃升28%。近一半的美国家庭使用天然气供暖。取暖用油预计将上涨27%,电费将上涨10%。这是在通胀率加速的背景下发生的,上个月消费者价格上涨了6.6%。这是四十年来最快的增速。

2 The pain will be especially acute in parts of the country that heavily rely on heating oil to keep homes warm. It's projected to cost more than \$2,300 to heat a typical home with heating oil this winter. Last month, the federal government added \$1 billion in funding to Low Income Home Energy Assistance

Program, bringing the total to \$4.8 billion. But that represents a reduction from last year's energy assistance package of over \$8 billion.

在严重依赖取暖用油保持家庭温暖的地区,这种痛苦将尤为剧烈。预计今年冬天用取暖用油为一个典型家庭供暖将花费超过2300美元。上个月,联邦政府向低收入家庭能源援助计划增加了10亿美元资金,使总额达到48亿美元。但这比去年超过80亿美元的能源援助计划有所减少。

1. A) They will see a 27% higher price to buy natural gas.
- B) They will have insufficient heating oil to keep warm.
- C) They will have a costly bill to pay to heat their homes.
- D) They will experience the coldest winter in four decades.

【题目】 Why are families across the U.S. looking to this winter with fear?

【翻译】 为什么全美各地的家庭对今冬感到恐惧?

- A) 他们购买天然气的价格将上涨27%。 B) 他们将没有足够的取暖用油来保暖。
C) 他们将支付高昂的账单来为家里供暖。 D) 他们将经历四十年来最冷的冬天。

【答案】 C (细节题) They will have a costly bill to pay to heat their homes.

【定位】 U.S. families are looking to the winter with fear as energy costs soar. The Energy Department projects heating bills will jump 28% this winter for those who rely on natural gas.

随着能源成本飙升,美国家庭对这个冬天满怀恐惧。能源部预计,对那些依赖天然气的家庭来说,今冬取暖账单将上涨28%。

【信号】 as 引出发愁的直接原因。原文 looking to the winter with fear as energy costs soar 中的 as 直接把‘发愁’与‘能源成本飙升’扣在一起, as 后面就是答案信号——发愁的原因是费用涨,后文 heating bills will jump 28% 进一步坐实是‘取暖账单暴涨’。

【替换】 heating bills will jump 28% ↔ a costly bill to pay to heat their homes

‘账单涨28%’概括为‘贵账单’

energy costs soar ↔ costly

soar 对应 costly

【排除】 A) 原词陷阱

原文确实说了 27%，但 Heating oil is projected to be 27% higher 说的是‘取暖用油’涨 27%；选项 a 27% higher price to buy natural gas 把 27% 安到了天然气头上（天然气其实是涨 28%），数字盗用且对错对象。

借用原文：Heating oil is projected to be 27% higher

B) 过度推断

原文有 supplies have been reduced（供应减少）和大量 heating oil 字样，选项 insufficient heating oil to keep warm 借这些词造出‘油不够保暖’的说法，但原文讲的是‘费用贵’，从未说会‘缺油到取不了暖’。

借用原文：supplies have been reduced

D) 原词陷阱

原文 four decades 出现在 consumer prices growing 6.6%. That's the fastest pace in four decades，说的是‘物价涨速四十年最快’；选项 the coldest winter in four decades 却把 four decades 挪去形容‘四十年最冷的冬天’，原文根本没谈天气冷暖。

借用原文：That's the fastest pace in four decades

-
2. A) Provided additional funding to Low Income Home Energy Assistance Program.
B) Assured U.S. citizens of an increase in energy supplies by the end of this year.
C) Predicted a 10% jump in heating bills for most U.S. households this winter.
D) Decided on this year's energy assistance package of \$8 billion in total.

【题目】 What did the federal government do last month?

【翻译】 联邦政府上个月做了什么？

- A) 为低收入家庭能源援助计划提供了额外资金。
B) 向美国公民保证今年年底前能源供应将增加。
C) 预测今冬大多数美国家庭的取暖费用将上涨10%。
D) 决定今年总额为80亿美元的能源援助方案。

【答案】 A （细节题）

Provided additional funding to Low Income Home Energy Assistance Program.

【定位】 Last month, the federal government added \$1 billion in funding to Low Income Home Energy Assistance Program, bringing the total to \$4.8 billion.

上个月，联邦政府向‘低收入家庭能源援助项目’追加了 10 亿美元资金，使总额达到 48 亿美元。

【信号】 Last month 与题干同词定位。 原文 Last month, the federal government added \ \$1 billion in funding 开头的 Last month 与题干 last month 完全对上，紧跟的动词 added 就是答案信号——政府上月‘追加了拨款’。

【替换】 added \\$1 billion in funding to Low Income Home Energy Assistance Program ↔

Provided additional funding to Low Income Home Energy Assistance Program

added funding=provided additional funding

【排除】 B) 与原文相反

原文出现过 supplies have been reduced (供应减少)，选项 Assured U.S. citizens of an increase in energy supplies 反过来说政府‘保证能源供应会增加’，方向相反，原文也无任何‘保证’动作。

借用原文：supplies have been reduced

C) 原词陷阱

原文 10% 出自 electricity 10% higher (电费涨 10%)，且作预测的是能源部不是政府这一动作主体；选项 Predicted a 10% jump in heating bills 把电费的 10% 改成‘取暖账单’、又把‘预测’这一动作安给了政府上月的作为，数字与主体双错。

借用原文：electricity 10% higher

D) 原词陷阱

原文 a reduction from last year's energy assistance package of over \\$8 billion 明说 80 亿是‘去年’援助方案、且今年比它‘减少’了；选项 Decided on this year's energy assistance package of \\$8 billion in total 把去年的 80 亿说成‘今年合计敲定 80 亿’，年份与金额张冠李戴。

借用原文：last year's energy assistance package of over \\$8 billion

Questions 3 and 4 are based on the news report you have just heard.

1 Many Americans think they make healthy food choices, but they may be viewing their diet too optimistically. That's the main finding of a new study by researchers at the U.S. Department of Agriculture in Stoneville, Mississippi.

许多美国人认为自己做出了健康的食物选择，但他们可能对自己的饮食过于乐观了。这是美国农业部位于密西西比州Stoneville的研究人员一项新研究的主要发现。

2 The study aimed to identify disconnects between how healthily Americans think they eat and how they actually do. For the study, the researchers asked participants to rate their diet as excellent, very good, good, fair or poor. Folks also completed 24-hour food questionnaires. Then, the researchers compared answers to see how well responses to the two exercises matched up.

该研究旨在找出美国人认为自己吃得有多健康与实际情况之间的差距。在研究中，研究人员要求参与者将自己的饮食评为优秀、非常好、好、一般或差。参与者还完成了24小时食物问卷。然后，研究人员比较了答案，看两项调查的回答匹配程度如何。

3 Of more than 9,700 people, roughly 85 percent were off base when asked to rate the quality of their diet, and almost all overestimated how healthy it was. Those who rated their diet as poor tended to be far more accurate. Their rating matched that of the researchers more than nine times out of ten.

在9700多人中，大约85%的人在被要求评价自己的饮食质量时偏离了实际情况，而且几乎所有人都高估了饮食的健康程度。那些将自己的饮食评为差的人往往准确得多。他们的评价在十次中有九次以上与研究

人员的评价相符。

3. A) They care less about their diet now than before.
B) They may lack adequate knowledge of healthy food.
C) They may hold too optimistic a view about their diet.
D) They pay insufficient attention to their choice of food.

【题目】 What is the main finding of a new study about many Americans?

【翻译】 一项关于许多美国人的新研究的主要发现是什么？

- A) 他们现在对饮食的关注程度不如以前。 B) 他们可能缺乏关于健康食品的充分知识。
C) 他们可能对自己的饮食持过于乐观的看法。 D) 他们对食物选择的关注不足。

【答案】 C (主旨题) They may hold too optimistic a view about their diet.

【定位】 Many Americans think they make healthy food choices, but they may be viewing their diet too optimistically. That's the main finding of a new study by researchers at the U.S. Department of Agriculture in Stoneville, Mississippi.

很多美国人以为自己在做健康的食物选择，但他们对自己饮食的看法可能太乐观了。这正是美国农业部研究人员一项新研究的主要发现。

【信号】 转折but+点题句That's the main finding。答案藏在转折之后：but they may be viewing their diet too optimistically 才是真意，紧接着一句 That's the main finding of a new study 直接盖章这就是"主要发现"，双重信号 (but转折 + 点题句) 锁定它是答案句。

【替换】 viewing their diet too optimistically ↔ hold too optimistic a view about their diet
副词转形容词的同义改写

【排除】 A) 未提及

care less about their diet now than before 说"现在比从前更不在乎饮食"，录音通篇没有"今昔对比"，更没说他们"不在乎"——恰恰相反，他们"以为"自己吃得健康。属凭空捏造的对比。

B) 偷换概念

lack adequate knowledge of healthy food 把问题归为"缺乏健康饮食知识"，但录音说的是他们"看得太乐观" (认知偏差)，不是"不懂"。盗用了 healthy food 这一原词，却把病因悄悄换掉。

借用原文：Many Americans think they make healthy food choices

D) 原词陷阱

pay insufficient attention to their choice of food 说他们"对选食不够上心"，但录音里他们其实很在意、还自认 make healthy food choices，问题是"高估"而非"不上心"。盗用 choices 一词来制造"听到 food choices 就想选"的诱惑。

借用原文：make healthy food choices

4. A) Those who finished 24-hour food questionnaires.
B) Those who fully understood the rating scale.
C) Those who cared about food quality.
D) Those who rated their diet as poor.

【题目】 Who tended to rate their diet more accurately in the survey?

【翻译】 在调查中,谁倾向于更准确地评价自己的饮食?

- A) 那些完成了24小时食物问卷的人。 B) 那些完全理解评分量表的人。
C) 那些关心食品质量的人。 D) 那些将自己的饮食评为较差的人。

【答案】 D (细节题) Those who rated their diet as poor.

【定位】 Those who rated their diet as poor tended to be far more accurate. Their rating matched that of the researchers more than nine times out of ten.

那些把自己饮食评为"差"的人, 往往要准确得多。他们的评分有十之九以上与研究人员的评定相符。

【信号】 题干词more accurate原句复现做信号。 题干问 more accurately, 录音里 tended to be far more accurate 几乎原样出现, 此处与题干高度重合的句子就是答案句; 紧跟的 more than nine times out of ten 用数字坐实其"更准"。

【替换】 Those who rated their diet as poor ↔ **Those who rated their diet as poor**

主语整句几乎原词搬运

tended to be far more accurate ↔ **4D**

谓语印证人群身份

【排除】 A) 原词陷阱

Those who finished 24-hour food questionnaires. 搬来录音 completed 24-hour food questionnaires, 但那只是"所有参与者都做的一个环节", 录音从没说"填了这问卷的人评得更准"。专骗听到 24-hour 这个醒目数字就选的人。

借用原文: Folks also completed 24-hour food questionnaires

B) 未提及

Those who fully understood the rating scale. 说"完全看懂评分表的人", 录音只让参与者用 excellent, very good, good, fair or poor 评级, 从没区分"谁更懂评分表", 更没说这类人更准。属凭空添加。

C) 偷换概念

Those who cared about food quality. 盗用录音 rate the quality of their diet 里的 quality 一词, 编出"在乎食物质量的人", 但录音问的是评级准不准, 与"不在乎质量"无关, 是借原词造的假分类。

借用原文: rate the quality of their diet

Questions 5 to 7 are based on the news report you have just heard.

1 It was a heartwarming moment that dozens of Indian rescuers rallied together to use a crane in order to save an elephant trapped at the bottom of a 20-foot well. The massive rescue effort took place last week close to an army camp. The elephant wandered out of the jungle and fell into the well. The army officers heard a noise coming from the well and realized an elephant was trapped deep inside. The officers then threw in some food for the creature and called the local forest department for help. Video of the rescue operation shows how the team used a crane to lift up the huge animal out of the well and onto the back of a truck. It was then taken to an examining room for evaluation of any injuries. The elephant was kept under close supervision for a few days before it was successfully released back into the wild.

这是一个温馨的时刻，数十名印度救援人员齐心协力使用起重机营救一头困在20英尺深井底的大象。这次大规模救援行动上周在一个军营附近进行。这头大象从丛林中走出来后掉进了井里。军官们听到井里传来声音，发现有一头大象被困在深处。随后军官们向井里投放了一些食物，并向当地林业部门求助。救援行动的视频显示，救援队如何使用起重机将这头巨大的动物从井里吊起并放到卡车后部。随后大象被送往检查室评估是否有任何伤情。这头大象在密切监护下待了几天后被成功放归野外。

5. A) They experienced a heartbreaking moment.
B) They gathered together to rescue an elephant.
C) They heard a noise from the bottom of a well.
D) They found an elephant wandering around a well.

【题目】 What does the report say dozens of Indians did last week?

【翻译】 报道称上周有数十名印度人做了什么？

- A) 他们经历了一个令人心碎的时刻。 B) 他们聚集在一起营救一头大象。
C) 他们听到井底传来噪音。 D) 他们发现一头大象在井边徘徊。

【答案】 B (细节题) They gathered together to rescue an elephant.

【定位】 It was a heartwarming moment that dozens of Indian rescuers rallied together to use a crane in order to save an elephant trapped at the bottom of a 20-foot well.

那是一个暖心的时刻：数十名印度营救人员齐心协力，动用一台起重机去解救一头被困在20英尺深井底部的大象。

【信号】 题干原话定位开头句。题干里的 dozens of Indians 直接对应录音首句 dozens of Indian rescuers rallied together，新闻第一题答案多在开头，听到这群人“齐心协力去救大象”就锁定此句。

【替换】 dozens of Indian rescuers rallied together ↔ **They gathered together**
rallied=gathered 同义替换
to save an elephant ↔ **to rescue an elephant**
save=rescue 同义替换

【排除】 A) 与原文相反

录音首句明明是 a heartwarming moment (暖心时刻)，选项却写成 a heartbreaking moment (令人心碎的时刻)，盗用了高度相似的 heart- 开头词把情绪极性反了过来，听到 heart 就选会中招。

借用原文：It was a heartwarming moment

C) 张冠李戴

"听到井里有声音"确实在录音里 The army officers heard a noise coming from the well, 但那是"军官"听到的，不是这群营救人员做的，选项把军官的动作安到了 dozens of Indians 头上。

借用原文：The army officers heard a noise coming from the well

D) 偷换概念

录音说的是大象自己 wandered out of the jungle and fell into the well, 是大象游荡，不是这群印度人"发现一头在井边游荡的大象"，选项盗用 wander 和 well 拼出一个原文没说的动作。

借用原文：The elephant wandered out of the jungle and fell into the well

-
6. A) To borrow their crane.
B) To ask them for help.
C) To report the strange noise.
D) To get food for the elephant.

【题目】 Why did the army officers call the local forest department?

【翻译】 军官们为什么给当地林业部门打电话？

- A) 借用他们的起重机。 B) 向他们寻求帮助。 C) 报告奇怪的噪音。
D) 为大象获取食物。

【答案】 B (目的题) To ask them for help.

【定位】 The officers then threw in some food for the creature and called the local forest department for help.

随后军官们往井里扔了些食物给这头大象，并打电话向当地林业部门求助。

【信号】 for help 点出目的。 答案信号是表目的的 called the local forest department for help 里的 for help——"call ... for help"直接说明打电话就是"为了求助"，这是目的题的落点。

【替换】 called the local forest department for help ↔ **To ask them for help**
for help=ask for help 同义

【排除】 A) 原词陷阱

crane (起重机) 确实在录音里出现过 use a crane, 但那是后来营救时用的工具, 录音从没说打电话是"为了借起重机", 选项盗用 crane 这个原词制造"听到了就想选"的诱惑。

借用原文: to use a crane

C) 答非所问

"井里传来奇怪声音"在录音里是军官自己 heard a noise coming from the well, 他们打电话是去求助、不是"去报告这个声音", 选项把"听到声音"硬说成打电话的目的。

借用原文: The army officers heard a noise coming from the well

D) 原词陷阱

"给大象弄吃的"沾着录音里 threw in some food for the creature, 但扔食物是军官自己做的另一件事, 不是打电话的目的, 选项盗用 food 这个原词来误导。

借用原文: threw in some food for the creature

-
7. A) The elephant was able to return to the jungle.
B) The army officers were examined for injuries.
C) The army officers were rewarded for their rescue efforts.
D) The elephant was given medical treatment for many days.

【题目】 What does the news report say happened finally?

【翻译】 新闻报道称最终发生了什么?

- A) 大象能够返回丛林。 B) 军官们接受了伤情检查。 C) 军官们因救援努力获得了奖励。
D) 大象接受了多日的医疗治疗。

【答案】 A (细节题) The elephant was able to return to the jungle.

【定位】 The elephant was kept under close supervision for a few days before it was successfully released back into the wild.

这头大象被严密看护了几天, 之后才被成功放归野外。

【信号】 尾句 released 收束结局。 答案信号是录音最后一句的 successfully released back into the wild——"成功放归野外"是整件事的收尾结局, 新闻末题答案就在此。

【替换】 released back into the wild ↔ return to the jungle

the wild=the jungle 同义

【排除】 B) 张冠李戴

"检查伤情"在录音里有 for evaluation of any injuries, 但被检查的是大象, 不是"军官", 选项把检查对象从大象偷换成 army officers, 听到 injuries 就选会错。

借用原文: taken to an examining room for evaluation of any injuries

C) 未提及

录音通篇没有说军官因营救"受到奖励", reward 是凭空添加的情节, 属于原文根本没提到的内容。

D) 偷换概念

录音说的是 kept under close supervision for a few days (看护了几天), 选项却写成 given medical treatment for many days, 把"几天看护"夸成"很多天的治疗", 且最终结局是"放归"而非"治疗", 盗用 days 偷改了时长与重点。

借用原文: kept under close supervision for a few days

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

1 M: I need to stop at the bank to withdraw some cash.

M: 我得去银行取点现金。

2 W: Why not just pay with your phone?

W: 为什么不直接用手机支付呢?

3 M: Well, actually, I've stopped using online payments for the past three months now.

M: 嗯, 实际上, 我已经三个月没用线上支付了。

4 W: Stopped paying online? Oh, you must be worried that online payments aren't secure.

W: 不用线上支付了? 哦, 你一定是担心线上支付不安全吧。

5 M: No, they are safe. But paying online is too convenient and I spent too much money on things I didn't need.

M: 不, 它们是安全的。但线上支付太方便了, 我在不需要的东西上花了太多钱。

6 W: Oh, impulse purchases can be an issue for me, too. I've definitely bought clothes and shoes I didn't need because they were on sale, and paying with my phone was so easy. But I've found that if I review my spending every night, that keeps me from spending too much.

W: 哦, 冲动消费对我来说也是个问题。我确实买过不需要的衣服和鞋子, 因为它们在打折, 而且用手机支付太容易了。但我发现如果每晚检查一下我的开支, 就能控制住不花太多钱。

7 M: I tried that strategy, but it just didn't work, because I'd be busy studying all day. Then, when I was tired and hungry, I'd use my phone to order food, like burgers and other junk, instead of going to the canteen, where I could get a healthier meal for half the price.

M: 我试过那个办法, 但没用, 因为我一整天都在忙着学习。然后, 当我又累又饿的时候, 我就会用手机点外卖, 比如汉堡和其他垃圾食品, 而不是去食堂, 在那里我可以花一半的价钱吃到更健康的饭菜。

8 W: Well, what do you do now then? It seems like you'd have the same problems with cash.

W: 那你现在怎么办呢? 感觉你用现金也会有同样的问题啊。

9 M: I go to the bank once a week, and the rest of the time I keep my bank card at home, so I can't get more cash out. And I also have a notebook where I record my expenses.

M: 我每周去一次银行, 其余时间把银行卡放在家里, 这样我就取不到更多现金了。而且我还有个笔记本记录我的开支。

10 W: But what prevents you from just going to the bank and getting more money, if you want to buy something?

W: 但如果你想买东西, 有什么能阻止你直接去银行取更多钱呢?

11 M: The first month I did withdraw extra cash twice, but I felt guilty about it. And after that I refused to spend more than what I had budgeted, and by now it's just a habit.

M: 第一个月我确实又取了两次额外的现金, 但我为此感到内疚。之后我就拒绝花超出预算的钱, 到现在这已经成了习惯。

8. A) He found it had caused him much inconvenience.

B) It led him to spend more money than necessary.

C) It was much less secure than paying with cash.

D) He wanted to be less dependent on his phone.

【题目】 Why has the man stopped paying online for the last three months?

【翻译】 为什么这位男士在过去三个月里停止了网上支付?

A) 他发现这给他造成了很多不便。 B) 这导致他花费了超出必要的钱。

C) 这比用现金支付安全性差得多。 D) 他想减少对手机的依赖。

【答案】 B (细节题) It led him to spend more money than necessary.

【定位】 No, they are safe. But paying online is too convenient and I spent too much money on things I didn't need.

不, 线上付款是安全的。但线上付款太方便了, 我在不需要的东西上花了太多钱。

【信号】 转折 But 之后才是真因。 男方先用 No, they are safe. 否掉"不安全"的猜测, 再用 But 引出真正理由 I spent too much money on things I didn't need——转折后那半句才是答案句。

【替换】 I spent too much money on things I didn't need ↔

It led him to spend more money than necessary.

"不需要的东西上多花钱"="花了多于必要的钱"

【排除】 A) 与原文相反

录音说线上付款 too convenient (太方便了), 选项却说 caused him much inconvenience (带来很多不便) ——A 盗了 convenient 这个原词却反着说, 方向正相反。

借用原文: paying online is too convenient

C) 与原文相反

选项 much less secure (不太安全) 盗用了"安全"这一话题, 但录音明确说 they are safe ——他恰恰否认了安全顾虑, C 取的是被否定的方向。

借用原文: No, they are safe

D) 未提及

less dependent on his phone (少依赖手机) 听着合理, 但录音通篇只说花钱失控, 没有一句提到"想摆脱对手机的依赖", 属凭常识硬补。

9. A) Living beyond her means.

B) Lack of budgeting strategies.

C) Fashion addiction.

D) Impulse purchasing.

【题目】 What problem does the woman say she may also have?

【翻译】 这位女士说她可能也有什么问题?

A) 入不敷出。 B) 缺乏预算策略。 C) 时尚成瘾。 D) 冲动购物。

【答案】 D (细节题) Impulse purchasing.

【定位】 Oh, impulse purchases can be an issue for me, too. I've definitely bought clothes and shoes I didn't need because they were on sale.

哦, 冲动购物对我来说也是个问题。我确实买过自己并不需要的衣服和鞋子, 就因为它们在打折。

【信号】 for me, too 的自我承认。女方用 can be an issue for me, too (对我来说也是个问题) 直接认账, too 是"我也有"的信号, 紧接着的 impulse purchases 就是她自陈的毛病。

【替换】 impulse purchases can be an issue for me, too ↔ Impulse purchasing.

purchases=purchasing, 几乎原义对应

【排除】 A) 过度推断

Living beyond her means (花超过收入) 听着像"花太多", 但女方只承认冲动购物, 没说自己入不敷出, 是程度上的过度引申。

B) 未提及

Lack of budgeting strategies (缺预算策略) 原文无对应; 女方反而说自己有 review my spending every night 的办法, 谈不上缺策略。

C) 原词陷阱

录音里她提到 bought clothes and shoes, 选项 Fashion addiction (迷恋时尚成瘾) 借这两个词把"偶尔冲动买"夸成"成瘾", 听到 clothes/shoes 就选会中招。

借用原文: bought clothes and shoes I didn't need

-
10. A) Eat healthier food with less money.
B) Order food like burgers and chips.
C) Avoid getting addicted to junk food
D) Pay either in cash or with his phone.

【题目】 What does the man say he could do at the canteen?

【翻译】 这位男士说他在食堂可以做什么?

- A) 用更少的钱吃更健康的食物。 B) 点汉堡和薯条之类的食物。
C) 避免对垃圾食品上瘾。 D) 用现金或手机支付。

【答案】 A (细节题) Eat healthier food with less money.

【定位】 I'd use my phone to order food, like burgers and other junk, instead of going to the canteen, where I could get a healthier meal for half the price.

我会用手机点外卖, 比如汉堡之类的垃圾食品, 而不是去食堂——在食堂我能用一半的价钱吃到更健康的一餐。

【信号】 canteen 后的 where 从句给好处。答案就在 going to the canteen, where I could get a healthier meal for half the price——canteen 后面的 where 从句直接说出在食堂能得到什么, 是答案句的落点。

【替换】 a healthier meal for half the price ↔ Eat healthier food with less money.

half the price=less money, meal=food

【排除】 B) 原词陷阱

Order food like burgers and chips 直接盗用录音的 burgers，但那是他用手机点的外卖、是 instead of（而不是）去食堂的反面行为，根本不是“在食堂能做的”。

借用原文：order food, like burgers and other junk

C) 过度推断

录音有 other junk（垃圾食品），选项 Avoid getting addicted to junk food 借 junk 编出“避免吃上瘾”，但原文只说食堂更健康便宜，没提“上瘾”或“避免上瘾”。

借用原文：burgers and other junk

D) 原词陷阱

Pay either in cash or with his phone 把前文的“现金/手机付款”搬来，但题问的是“在食堂能做什么”，付款方式与此无关，是套用别处原词的干扰。

借用原文：use my phone to order food

11. A) Making a shopping list.

B) Sticking to his budget.

C) Withdrawing cash only once a month.

D) Thinking twice before buying something.

【题目】 What is now just a habit for the man?

【翻译】 现在对这位男士来说什么只是一种习惯？

A) 列购物清单。 B) 坚持他的预算。 C) 每月只取一次现金。

D) 买东西前三思而后行。

【答案】 B（细节题） Sticking to his budget.

【定位】 After that I refused to spend more than what I had budgeted, and by now it's just a habit.

在那之后我就拒绝花超过我预算的钱，到现在这已经成了一种习惯。

【信号】 by now it's just a habit 收尾点题。 by now it's just a habit 是收束信号，紧贴它前面的 refused to spend more than what I had budgeted 就是“成了习惯”的那件事——答案在习惯标志词紧邻的前半句。

【替换】 refused to spend more than what I had budgeted ↔ Sticking to his budget.

“不超预算花钱”=“守住预算”

【排除】 A) 未提及

Making a shopping list 是常见省钱招, 但录音通篇没提"列清单", 是凭常识补的干扰。

C) 与原文相反

Withdrawing cash only once a month 借用前文取现的场景, 但录音说他 go to the bank once a week (每周一次) 而非 once a month, 频次被偷改, 且这不是收尾点出的"习惯"。

借用原文: I go to the bank once a week

D) 答非所问

Thinking twice before buying something 与"控制冲动"沾边, 但男方收尾点出的习惯明确是"不超预算", 没有说"买前三思"成了习惯, 方向虽近却非他的原话。

Questions 12 to 15 are based on the conversation you have just heard.

1 M: Please hear me out. I don't want our son to spend his afternoons doing something he hates, even if it might prepare him for the future. What about getting him to join a sport, like soccer? From all the running and training, he could become quite athletic. Not to mention the great physical benefits from exercising outside every day.

M: 请听我说完。我不想让我们的儿子把下午时间花在他讨厌的事情上,即使这可能为他的未来做准备。让他参加一项运动怎么样,比如足球?通过所有的跑步和训练,他可以变得很健壮。更不用说每天在户外锻炼带来的巨大身体益处了。

2 W: Um, I don't think he should be doing something so challenging with all his breathing issues. What about playing an indoor sport, like badminton? The environment is easier to control, and he can still get a good workout, in addition to improving his hand-eye coordination. Besides, I could teach him some of the basics from my time as a badminton player.

W: 嗯,我觉得他不应该做这么有挑战性的事情,他有那么多呼吸问题。室内运动怎么样,比如羽毛球?环境更容易控制,他仍然可以得到很好的锻炼,还能提高手眼协调能力。而且,我可以教他一些基础知识,我以前是打羽毛球的。

3 M: Um, I'm thinking team sports should be the way to go. There's nothing like playing as part of a unit to accomplish a goal like winning a game or even a championship. He could try basketball since many of the courts are indoors now and it's a sport that could help him understand team spirit while cooperating with others. Maybe he could even join the school basketball team when he's ready.

M: 嗯,我觉得应该选团队运动。没有什么比作为团队的一员去完成一个目标更好的了,比如赢得一场比赛甚至一个冠军。他可以试试篮球,因为现在很多球场都在室内,这项运动可以帮助他在与他人合作的同时理解团队精神。也许等他准备好了,他甚至可以加入学校篮球队。

4 W: Oh, oh, what about volleyball? It's a team sport and they often have mixed-gender teams so he could socialize with both girls and boys. It's not as popular as some sports, which means he has better

odds of possibly getting an athletic scholarship in the future. I also believe you were a beach volleyball athlete yourself not so long ago.

W: 哦,哦,排球怎么样?这是一项团队运动,他们经常有男女混合队,所以他可以和女孩和男孩都社交。它不像有些运动那么受欢迎,这意味着他将来获得体育奖学金的机会更大。我还记得你不久前自己就是沙滩排球运动员。

5 M: As I've said many times before, beach volleyball and indoor volleyball are completely different.

M: 正如我之前说过很多次的,沙滩排球和室内排球是完全不同的。

12. A) He does not enjoy any ball games.

B) He has to prepare for the future.

C) He has breathing problems.

D) He is not up to anything challenging.

【题目】 Why is the woman opposed to their son joining a sport like soccer?

【翻译】 为什么这位女士反对他们的儿子参加像足球这样的运动?

A) 他不喜欢任何球类运动。 B) 他必须为未来做准备。 C) 他有呼吸问题。

D) 他无法胜任任何有挑战性的事情。

【答案】 C (细节题) He has breathing problems.

【定位】 W: Um, I don't think he should be doing something so challenging with all his breathing issues.

女: 嗯,我觉得他不该去做这么有挑战性的运动,他还有那一身呼吸方面的毛病呢。

【信号】 反对句后跟出理由。 女方先表态 I don't think he should be doing something so challenging (反对做高强度运动),紧接着用 with 引出真正的缘由 with all his breathing issues——"反对+because式补充"就是答案信号,落点在 with 之后的原因。

【替换】 breathing issues ↔ **breathing problems**

issues=problems 同义换词

【排除】 A) 未提及

He does not enjoy any ball games. 说他"不喜欢任何球类", 可女方通篇都在给儿子挑球类(羽毛球、排球), 根本没说他不喜欢球, 属凭空捏造。

B) 原词陷阱

He has to prepare for the future. 里的"为将来做准备"确实在录音里出现过, 但那是男方 even if it might prepare him for the future 说的、且是他要否定的东西, 不是女方反对足球的理由——典型的"听到原词就想选"。

借用原文: even if it might prepare him for the future

D) 偷换概念

He is not up to anything challenging. (应付不了有挑战的事) 借用了原文 something so challenging 里的 challenging, 听着很顺, 但女方反对的根子是"呼吸问题", "高强度"只是结果、不是原因——把原因偷换成了表象。

借用原文: something so challenging

13. A) Soccer.

B) Badminton.

C) Volleyball.

D) Basketball.

【题目】 What does the man suggest their son try in order to understand team spirit?

【翻译】 这位男士建议他们的儿子尝试什么来理解团队精神?

A) 足球。 B) 羽毛球。 C) 排球。 D) 篮球。

【答案】 D (细节题) Basketball.

【定位】 M: He could try basketball since many of the courts are indoors now and it's a sport that could help him understand team spirit while cooperating with others.

男: 他可以试试篮球, 现在很多球场都在室内了, 而且这是一项能帮他在与人协作中理解团队精神的运动。

【信号】 建议词+目的吻合。男方用建议句 He could try basketball, 并紧接着点出目的 could help him understand team spirit, 与题干"in order to understand team spirit"严丝合缝——"建议句 + 目的状语命中题干限定"就是答案信号。

【替换】 He could try basketball ↔ Basketball.

运动名原词对应

understand team spirit ↔ Basketball.

目的对上题干限定

【排除】 A) 原词陷阱

Soccer. 确实被念到, 但那是男方开头 like soccer 提的、并非"为理解团队精神"而提, 不满足题干限定, 听到 soccer 就选会落坑。

借用原文: like soccer

B) 张冠李戴

Badminton. 是女方 like badminton 建议的室内运动, 既不是男方提的、也与团队精神无关, 张冠李戴又跑题。

借用原文: like badminton

C) 原词陷阱

Volleyball. 是女方在第4段 what about volleyball 才提的, 且理由是社交和奖学金, 不是男方、也不是为团队精神, 纯属原词诱选。

借用原文: what about volleyball

-
14. A) The possibilities of joining the school sports team.
B) The opportunities of winning some championships.
C) The chances of getting an athletic scholarship later on.
D) The odds of becoming a professional sportsman someday.

【题目】 What is one of the woman's considerations in choosing a sport for her son?

【翻译】 这位女士为儿子选择运动时的考虑因素之一是什么?

- A) 加入学校运动队的可能性。 B) 赢得一些冠军的机会。
C) 日后获得体育奖学金的机会。 D) 有朝一日成为职业运动员的可能性。

【答案】 C (细节题) The chances of getting an athletic scholarship later on.

【定位】 W: It's not as popular as some sports, which means he has better odds of possibly getting an athletic scholarship in the future.

女: 它不像有些运动那么热门, 这意味着他将来更有机会拿到体育奖学金。

【信号】 which means引出考量。 女方在介绍排球时用 which means he has better odds of possibly getting an athletic scholarship in the future 道出她看重的好处——"which means + 具体好处"就是她考量的落点, 正是答案信号。

【替换】 getting an athletic scholarship in the future ↔ **getting an athletic scholarship later on**
in the future=later on
better odds of possibly getting ↔ **The chances of getting**
odds=chances 同义

【排除】A) 张冠李戴

The possibilities of joining the school sports team. 对应的"加入校队"是男方在第3段 join the school basketball team 提的, 且针对篮球, 不是女方选排球的考量, 说话人和项目都错。

借用原文: join the school basketball team

B) 张冠李戴

The opportunities of winning some championships. 里的"赢冠军"出自男方第3段 winning a game or even a championship, 是他讲团队运动好处时说的, 与女方无关。

借用原文: winning a game or even a championship

D) 过度推断

The odds of becoming a professional sportsman someday. 盗用了女方原句里的 odds, 又把"拿奖学金"夸大成"当职业运动员", 原文根本没说要走职业道路, 是顺着 odds 往前多推了一步。

借用原文: better odds of possibly getting an athletic scholarship in the future

-
15. A) It differs entirely from indoor volleyball.
B) It appeals to both schoolgirls and schoolboys.
C) It is less popular than indoor sports in the country.
D) It is completely different from other outdoor games.

【题目】 What does the man say about beach volleyball?

【翻译】 这位男士关于沙滩排球说了什么?

- A) 它与室内排球完全不同。 B) 它对女学生和男学生都有吸引力。
C) 它在这个国家不如室内运动受欢迎。 D) 它与其他户外运动完全不同。

【答案】 A (细节题) It differs entirely from indoor volleyball.

【定位】 M: As I've said many times before, beach volleyball and indoor volleyball are completely different.

男: 我之前说过很多次了, 沙滩排球和室内排球是完全不一样的。

【信号】 强调句直接表态。男方用 As I've said many times before (我说过很多遍了) 加重语气, 再直给观点 beach volleyball and indoor volleyball are completely different——这种"强调铺垫+直接表态"就是答案句, 落点清清楚楚。

【替换】 beach volleyball and indoor volleyball are completely different ↔

It differs entirely from indoor volleyball.

completely different=differs entirely

【排除】 B) 张冠李戴

It appeals to both schoolgirls and schoolboys. 对应的"男女都参与"是女方第4段 he could socialize with both girls and boys 说普通排球时讲的, 既不是男方、也不是评沙滩排球。

借用原文: he could socialize with both girls and boys

C) 张冠李戴

It is less popular than indoor sports in the country. 化用了女方 not as popular as some sports, 但那是女方评普通排球、且对比对象是"some sports"而非"室内运动", 说话人和内容都对不上。

借用原文: not as popular as some sports

D) 偷换概念

It is completely different from other outdoor games. 几乎照搬男方的 completely different 句式, 唯独把比较对象从"indoor volleyball (室内排球)"偷换成"other outdoor games (其他户外运动)"——男方比的是室内外排球, 不是和别的户外项目比。

借用原文: beach volleyball and indoor volleyball are completely different

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

1 Lift-off is usually the most environmentally harmful stage of any space mission, with vast quantities of fuel burnt up in a matter of minutes. For instance, SpaceX's Falcon 9 gets through 112 tonnes of refined fuel, emitting about 336 tonnes of CO₂. This is the equivalent produced by your average car driving almost 70 times around the world. As well as greenhouse gases, rocket engines emit particles that destroy ozone. These issues are growing more pressing with the emergence of commercial spaceflight. There were 114 space launches in 2020, but there may be up to 1,000 per year in future.

发射通常是任何太空任务中对环境危害最大的阶段,在短短几分钟内燃烧掉大量燃料。例如,SpaceX的猎鹰9号消耗112吨精炼燃料,排放约336吨二氧化碳。这相当于普通汽车绕地球行驶近70圈所产生的排放量。除了温室气体,火箭发动机还排放破坏臭氧的颗粒物。随着商业太空飞行的兴起,这些问题变得越来越紧迫。2020年有114次太空发射,但未来每年可能多达1000次。

2 Sustainable fuels are the top priority to enable greener space travel. Current spacecraft use a variety of fuels, but most are based on fossil fuels. One potentially greener option is liquid hydrogen and oxygen. Hydrogen can be obtained sustainably by using solar power to break water down into oxygen and hydrogen.

可持续燃料是实现更环保太空旅行的首要任务。目前的航天器使用多种燃料,但大多数基于化石燃料。一种潜在的更环保选择是液氢和液氧。氢可以通过利用太阳能将水分解成氧和氢来可持续地获得。

3 Reusable rockets can cut down on some of the waste associated with spaceflight. Traditionally, boosters, fuel tanks and other components are treated as expendable. But guiding them back to Earth in a controlled manner opens new possibilities — most components from the Falcon 9 can be reused up to 100 times.

可重复使用的火箭可以减少与太空飞行相关的一些浪费。传统上,助推器、燃料箱和其他部件被视为一次性消耗品。但以受控方式引导它们返回地球开辟了新的可能性——猎鹰9号的大部分部件可以重复使用多达100次。

4 Truly environmentally friendly space travel is still some way off. But we already have many of the technologies needed to start limiting its impact on our planet.

真正环保的太空旅行仍有一段路要走。但我们已经拥有许多开始限制其对地球影响所需的技术。

16. A) It usually requires years of preparations.

B) It does a lot of harm to the environment.

C) It often burns over three hundred tonnes of refined fuel.

D) It proves to be the most complicated stage of space missions.

【题目】 What do we learn from the passage about the lift-off of spacecraft?

【翻译】 从文章中我们了解到关于航天器升空的什么信息?

A) 它通常需要数年的准备。 B) 它对环境造成很大危害。

C) 它通常燃烧超过三百吨精炼燃料。 D) 它被证明是太空任务中最复杂的阶段。

【答案】 B (细节题) It does a lot of harm to the environment.

【定位】 Lift-off is usually the most environmentally harmful stage of any space mission, with vast quantities of fuel burnt up in a matter of minutes.

发射升空通常是任何太空任务中对环境危害最大的阶段,几分钟内就有大量燃料被烧掉。

【信号】 篇章首句即点题。这是第一段的开篇第一句,篇章独白常把核心论断放在段首;句中 the most environmentally harmful stage"对环境危害最大的阶段"是一个带最高级的明确论断,正是答案句信号。

【替换】 the most environmentally harmful stage ↔ **does a lot of harm to the environment**

最高级换成动词短语

【排除】 A)

It usually requires years of preparations. 说发射"通常需要数年准备", 原文通篇没提准备时长, 是凭"航天听起来很复杂"的常识臆造出来的。

C)

It often burns over three hundred tonnes of refined fuel. 看似与原文 112 tonnes of refined fuel 对得上, 但原文说的 112 吨是"精炼燃料", 336 吨是排放的 CO₂; 选项把 over three hundred tonnes 安到了 refined fuel 头上, 张冠李戴地偷换了数字。听到 three hundred 就选, 正中陷阱。

借用原文: Falcon 9 gets through 112 tonnes of refined fuel, emitting about 336 tonnes of CO₂

D)

It proves to be the most complicated stage of space missions. 盗用了原文的最高级框架 the most environmentally harmful stage, 但把 harmful (有害) 偷换成 complicated (复杂)。原文讲的是"危害最大"不是"最复杂", 听到 the most...stage 就选, 会被这个偷换骗到。

借用原文: the most environmentally harmful stage of any space mission

17. A) They are burnt up in outer space.

B) They are guided back to Earth.

C) They are reused up to 100 times.

D) They are treated as expendable.

【题目】 What happens traditionally to boosters, fuel tanks and other components in spaceflight?

【翻译】 在太空飞行中, 助推器、燃料箱和其他部件传统上会怎样处理?

A) 它们在外太空被烧毁。 B) 它们被引导返回地球。 C) 它们被重复使用多达100次。

D) 它们被视为一次性消耗品。

【答案】 D (细节题) They are treated as expendable.

【定位】 Traditionally, boosters, fuel tanks and other components are treated as expendable.

传统上, 助推器、燃料箱和其他部件都被当作用完即弃的消耗品。

【信号】 限定词traditionally领出答案。 句子以 Traditionally 开头, 与题干里的 traditionally 完全对应; 这种"题干限定词在原文里原样出现"的句子就是答案句。注意紧随其后的 But guiding them back to Earth 是转折后的新做法, 问"传统"时不能抓那一句。

【替换】 treated as expendable ↔ **They are treated as expendable.**

近乎原句照搬

【排除】 A) 原词陷阱

They are burnt up in outer space. 说部件"在外太空被烧毁"。原文第一段确有 fuel burnt up "燃料被烧掉", 但那是讲燃料、不是部件, 更没说在外太空烧; 这项盗用了 burnt up 的印象来骗人。

借用原文: vast quantities of fuel burnt up in a matter of minutes

B)

They are guided back to Earth. 对应原文 But guiding them back to Earth, 但这是 But 转折之后讲的"新可能", 是与"传统"相对的现在做法; 题干问的是 traditionally, 选 B 等于把转折后的新情况当成了传统做法。

借用原文: But guiding them back to Earth in a controlled manner

C) 原词陷阱

They are reused up to 100 times. 直接搬了原文 can be reused up to 100 times, 原词、数字都对, 极具迷惑性; 但那同样是 But 转折之后的新做法, 不是 traditionally 的传统处理。听到 100 times 就选, 正中原词陷阱。

借用原文: most components from the Falcon 9 can be reused up to 100 times

-
18. A) New technologies for bringing back space vehicles for recycling.
B) The technology for meeting the needs of commercial space travel.
C) Many of the technologies to limit the impact of space travel on Earth.
D) The technology for effectively protecting ozone from being destroyed.

【题目】 What does the passage say we already have regarding spaceflight?

【翻译】 文章说我们在太空飞行方面已经拥有什么?

- A) 将太空飞行器带回以供回收利用的新技术。 B) 满足商业太空旅行需求的技术。
C) 限制太空旅行对地球影响的许多技术。 D) 有效保护臭氧层免遭破坏的技术。

【答案】 C (细节题) Many of the technologies to limit the impact of space travel on Earth.

【定位】 But we already have many of the technologies needed to start limiting its impact on our planet.

但我们已经拥有许多项所需的技术, 可以开始限制太空旅行对地球的影响。

【信号】 尾段转折收束句。这是全文最后一段的收尾句, 以 But we already have 起头: 前一句说"真正环保的太空旅行还很遥远", But 一转给出积极结论, 转折之后才是文章真正落点, 正是答案句。

【替换】 many of the technologies needed to start limiting its impact on our planet ↔

Many of the technologies to limit the impact of space travel on Earth.

保留核心仅压缩表述

【排除】 A)

New technologies for bringing back space vehicles for recycling. 借用了第三段"回收复用"的印象 (guiding them back to Earth、reused) , 但原文尾句说的是"已经拥有的 many of the technologies", 不是 new technologies; 且"带回回收"只是文中一个细节, 拿它冒充全文结论, 以偏概全。

借用原文: guiding them back to Earth in a controlled manner

B) 原词陷阱

The technology for meeting the needs of commercial space travel. 盗用了原文 commercial spaceflight"商业航天"这个词, 但原文提它是说"商业航天兴起让问题更紧迫", 并非说"我们已有满足商业航天需求的技术"; 这项把原词搬过来却换了说法, 答非所问。

借用原文: These issues are growing more pressing with the emergence of commercial spaceflight.

D) 过度推断

The technology for effectively protecting ozone from being destroyed. 盗用了原文 emit particles that destroy ozone 里的 ozone"臭氧", 但原文只是说火箭排放粒子"会破坏臭氧", 根本没说我们"已有有效保护臭氧的技术"; 这项把一个细节问题夸大成现成的单项技术, 无中生有。

借用原文: rocket engines emit particles that destroy ozone

Questions 19 to 21 are based on the passage you have just heard.

1 Helping to look after a pet can facilitate numerous aspects of a child's emotional development. Research shows that reading to a loyal and nonjudgmental companion, such as a dog or cat, can encourage reluctant readers to read aloud, which will in turn boost their self-confidence. Having a companion to talk to about their feelings can also help children feel secure and develop communication skills.

帮助照顾宠物可以促进儿童情感发展的诸多方面。研究表明,向忠诚且不评判的伙伴(如狗或猫)朗读可以鼓励不愿意读书的孩子大声朗读,这反过来会增强他们的自信心。有一个可以倾诉感受的伙伴也能帮助儿童感到安全并发展沟通技能。

2 A household pet can also cultivate a child's sense of responsibility as their parent explains the necessary processes of keeping their pet happy and healthy. As a child matures, they can then take on more of the daily responsibilities, boosting their sense of independence.

家庭宠物还可以培养儿童的责任感,因为家长会向他们解释保持宠物快乐和健康的必要过程。随着儿童的成长,他们可以承担更多日常责任,增强独立感。

3 Pets also provide a fantastic subject for research and learning. Parents can encourage their child to research their favourite pets at the library or during a supervised internet search. Taking children along to the pet shop to buy food and supplies will support their cognitive development as their passion for learning flourishes.

宠物还为研究和学习提供了绝佳的主题。家长可以鼓励孩子在图书馆或在监督下的网络搜索中研究他们喜爱的宠物。带孩子去宠物店购买食物和用品将有助于他们的认知发展,因为他们对学习的热情会蓬勃发展。

4 A child's physical development can benefit greatly from taking pets for walks in the fresh air. Even their fine-motor skills can be utilised in taking care of a beloved animal.

带宠物在新鲜空气中散步可以极大地促进儿童的身体发育。甚至他们的精细运动技能也可以在照顾心爱的动物时得到运用。

5 When responsibilities are well paced and communicated, a child can benefit greatly from involvement in bringing up a happy and healthy pet. And of course, if a child doesn't have a pet in their own household, they can still benefit from all of the above when visiting a friend who does.

当责任节奏得当且沟通良好时,儿童可以从参与养育一只快乐健康的宠物中受益匪浅。当然,如果孩子自己家里没有宠物,他们在拜访有宠物的朋友时仍然可以从上述所有方面受益。

19. A) It can help unskilled readers feel more secure.

B) It can encourage reluctant readers to read aloud.

C) It can strengthen children's confidence in others.

D) It can boost children's interest in communication.

【题目】 What does research show about reading to a loyal and nonjudgmental companion?

【翻译】 研究表明,向一个忠诚且不评判的伙伴阅读会产生什么效果?

A) 它可以帮助阅读能力不足的读者感到更安心。

B) 它可以鼓励不愿意阅读的读者大声朗读。 c) 它可以增强儿童对他人的信心。

D) 它可以提高儿童对交流的兴趣。

【答案】 B (细节题) It can encourage reluctant readers to read aloud.

【定位】 Research shows that reading to a loyal and nonjudgmental companion, such as a dog or cat, can encourage reluctant readers to read aloud, which will in turn boost their self-confidence.

研究表明,读给一个忠诚且不加评判的伙伴(比如一只狗或猫)听,能鼓励那些不情愿读书的孩子大声朗读,这反过来又会增强他们的自信。

【信号】 题干原词复现处即答案句。录音里 Research shows that reading to a loyal and nonjudgmental companion 与题干用词几乎一字不差,题干问的对象在录音里原样出现,这句就是答案句;紧跟其后的 can encourage reluctant readers to read aloud 正是"研究表明的结果"。

【替换】 can encourage reluctant readers to read aloud ↔

It can encourage reluctant readers to read aloud.

近乎原句搬运

【排除】 A) 原词陷阱

A 项 help unskilled readers feel more secure 里的 secure 来自录音后一句 help children feel secure, 但那句讲的是"有个伙伴倾诉感受"带来的安全感, 不是"读给宠物听"的研究结果; 而且录音说的是 reluctant readers (不情愿的读者), A 偷换成 unskilled readers (不熟练的读者)。

借用原文: can also help children feel secure and develop communication skills

C) 偷换概念

C 项 strengthen children's confidence in others 借用了录音的 confidence, 但录音说的是 boost their self-confidence (自信, 对自己的信心), C 偷偷改成"对他人的信心 (confidence in others)", 方向反了。

借用原文: which will in turn boost their self-confidence

D) 原词陷阱

D 项 boost children's interest in communication 的 communication 来自录音末句 develop communication skills, 但那是"有人倾诉感受"的好处, 不是"读给宠物听"的研究结果; 而且录音说的是"发展沟通技能", 不是"提升沟通兴趣"。

借用原文: develop communication skills

-
20. A) By motivating children to find out about their favourite pets.
B) By taking children to the library to borrow books on animals.
C) By allowing children to surf the internet about pets by themselves.
D) By showing children how to acquire knowledge about healthy pets.

【题目】 How can parents make pets a fantastic subject for their children's research and learning?

【翻译】 家长如何使宠物成为孩子研究和学习的绝佳对象?

- A) 通过激励孩子去了解他们喜爱的宠物。 B) 通过带孩子去图书馆借阅有关动物的书籍。
C) 通过允许孩子自己上网查询有关宠物的信息。
D) 通过向孩子展示如何获取有关健康宠物的知识。

【答案】 A (细节题) By motivating children to find out about their favourite pets.

【定位】 Parents can encourage their child to research their favourite pets at the library or during a supervised internet search.

父母可以鼓励孩子在图书馆或在有人监督的网络搜索中, 去研究他们最喜欢的宠物。

【信号】 题干research落点处即答案句。题干问"research and learning", 录音第 3 段开头点题 Pets also provide a fantastic subject for research and learning, 紧接着 Parents can encourage their child to research their favourite pets 就是父母做法的答案句, subject for research 与题干完全对应。

【替换】 encourage their child to research their favourite pets ↔
motivating children to find out about their favourite pets
同义词替换 encourage=motivate、research=find out

【排除】 B) 原词陷阱

B 项 taking children to the library to borrow books on animals 盗用了录音的 library, 但录音说的是 research their favourite pets at the library (在图书馆研究宠物), 是"去图书馆查", 并非"带孩子去借书 (borrow books)", borrow books on animals 是录音没说的。

借用原文: to research their favourite pets at the library

C) 与原文相反

C 项 allowing children to surf the internet about pets by themselves 借用了录音的 internet, 但录音原文是 a supervised internet search (有人监督的网络搜索), C 把它改成"让孩子自己 (by themselves) 上网", 恰恰与"有人监督"相反。

借用原文: during a supervised internet search

D) 偷换概念

D 项 showing children how to acquire knowledge about healthy pets 把录音里 their favourite pets (最喜欢的宠物) 偷换成 healthy pets (健康的宠物); healthy 这个词出自录音别处 keeping their pet happy and healthy, 被挪到这里制造干扰, 且"研究主题"是 favourite pets 而非 healthy pets。

借用原文: to research their favourite pets

-
21. A) By learning that raising pets can do much good.
B) By watching how healthy pets are brought up.
C) By hearing about their peers' passion for pets.
D) By visiting friends who have household pets.

【题目】 How can children still benefit even when their family doesn't have a pet?

【翻译】 即使家里没有宠物,孩子如何仍能从中受益?

- A) 通过了解饲养宠物可以带来很多好处。 B) 通过观察健康的宠物是如何被养育的。
C) 通过听说同龄人对宠物的热情。 D) 通过拜访有家养宠物的朋友。

【答案】 D (细节题) By visiting friends who have household pets.

【定位】 And of course, if a child doesn't have a pet in their own household, they can still benefit from all of the above when visiting a friend who does.

当然, 如果一个孩子自己家里没有宠物, 他们在拜访一位养宠物的朋友时, 仍然能从上述所有方面获益。

【信号】 if加still的让步收尾句。录音末段用 if a child doesn't have a pet in their own household, they can still benefit 这个"假设没有宠物 + still 仍能受益"的让步结构收尾, 正好对应题干的 even when...doesn't have a pet, 是典型的答案信号句。

【替换】 when visiting a friend who does ↔ **By visiting friends who have household pets**

代动词does=have a pet展开

【排除】 A) **答非所问**

A项 learning that raising pets can do much good 把录音的 benefit 含义改头换面，说成"懂得养宠物有好处"，但题干问的是"没养宠物时怎样仍能受益"，答案是"去拜访朋友"这个动作，A只是泛泛重复"养宠物有益"的大主旨，答非所问。

借用原文：a child can benefit greatly from involvement in bringing up a happy and healthy pet

B) **原词陷阱**

B项 watching how healthy pets are brought up 借了录音多处出现的 healthy pet / bringing up，但录音从没说"观看（watching）宠物怎么养大"，这个动作是凭原词拼造出来的，并非没宠物时的受益途径。

借用原文：bringing up a happy and healthy pet

C) **未提及**

C项 hearing about their peers' passion for pets 里的 passion 来自录音第3段 their passion for learning flourishes，但那讲的是"孩子对学习的热情"，录音通篇没说"听同龄人（peers）讲他们对宠物的热情"，这个途径属于无中生有。

借用原文：as their passion for learning flourishes

Questions 22 to 25 are based on the passage you have just heard.

1 A new bill in the Ohio legislature would require state public colleges and universities to send prospective students a packet of information. This would include costs of college, grants and scholarships. It would also include expected monthly loan payments and projected salary after college.

俄亥俄州立法机构的一项新法案将要求州立公立大学和学院向潜在学生发送一份信息包。其中将包括大学费用、助学金和奖学金。还将包括预期的月贷款还款额以及大学毕业后的预期薪资。

2 State Representative Adam Mathews is one of the two legislators who proposed the bill. He said it would give prospective students more information about what to expect once they graduate. "Putting that information in front of them will give them the best opportunity to match their skills and their dreams to what our schools can provide," said Mathews. He notes that the state can only regulate public institutions in this way, but he hopes private institutions in Ohio follow the lead of the state and post similar information. He believes giving out this information will help Ohio's colleges and universities to be more competitive. The information will highlight what a great value they have for their very reasonable cost.

州众议员Adam Mathews是提出该法案的两位立法者之一。他表示，这将为潜在学生提供更多关于毕业后预期情况的信息。Mathews说："将这些信息呈现在他们面前，将使他们有最好的机会将自己的技能和梦想与我们学校所能提供的相匹配。"他指出，州只能以这种方式监管公立机构，但他希望俄亥俄州的私立机构效仿州的做法并发布类似信息。他相信，提供这些信息将有助于俄亥俄州的大学和学院提高竞争力。这些信息将突显出它们以非常合理的成本提供了巨大的价值。

3 Ohio's schools are already competitive. The state attracts more undergraduate students than it sends to colleges out of state. Many colleges and universities currently provide similar information on their

websites. This includes tuition, fees, graduation rates and more. But students need to search for the information. This bill would require the universities and colleges to send a packet directly to students.

俄亥俄州的学校已经很有竞争力。该州吸引的本科生数量超过了流失到州外大学的数量。许多大学和学院目前在其网站上提供类似信息。这包括学费、费用、毕业率等。但学生需要主动搜索这些信息。该法案将要求大学和学院直接向学生发送信息包。

22. A) Send would-be students a packet of information.
B) Update regularly all information on their websites.
C) Inform prospective students of their yearly enrollment.
D) Answer questions raised by applicants and their parents.

【题目】 What would the new bill in the Ohio legislature require public colleges and universities to do?

【翻译】 俄亥俄州立法机构的新法案将要求公立学院和大学做什么？

- A) 向准学生发送一份信息资料包。 B) 定期更新其网站上的所有信息。
C) 告知未来学生其年度招生人数。 D) 回答申请者及其家长提出的问题。

【答案】 A (细节题) Send would-be students a packet of information.

【定位】 A new bill in the Ohio legislature would require state public colleges and universities to send prospective students a packet of information.

俄亥俄州议会的一项新法案将要求州立公立高校向准学生寄送一个信息包。

【信号】 信号是首句直陈"require...to send"。答案句是第一段开门见山的一句 A new bill in the Ohio legislature would require state public colleges and universities to send prospective students a packet of information, require...to send 直接给出 "要求做的动作", 篇章独白常在首句点题, 这句即落点。

【替换】 send prospective students a packet of information ↔

Send would-be students a packet of information.

prospective=would-be, 几乎同义改写

【排除】 B) 原词陷阱

Update regularly all information on their websites. 借了原文末段确有的 provide similar information on their websites 里 websites、information 的影子，但法案要求的是 "寄信息包"，不是 "定期更新网站"，听到 website 就选会中招。

借用原文：provide similar information on their websites

C) 未提及

Inform prospective students of their yearly enrollment. 借用了 prospective students 这个原词，但信息包里列的是 costs of college, grants and scholarships 等，根本没有 "年度招生人数 (yearly enrollment)"，属凭空添加的内容。

D) 未提及

Answer questions raised by applicants and their parents. 听起来合理，但录音从头到尾说的是学校 "主动寄信息包"，没有 "回答申请者和家长提问" 这一动作，是想当然的添加。

23. A) Oversee private institutions directly.

B) Follow other states' example.

C) Supervise all schools consistently.

D) Regulate public institutions by law.

【题目】 What can the state only do according to Adam Mathews?

【翻译】 根据Adam Mathews的说法,州政府只能做什么?

A) 直接监管私立院校。 B) 效仿其他州的做法。 C) 一致地监督所有学校。

D) 依法监管公立院校。

【答案】 D (细节题) Regulate public institutions by law.

【定位】 He notes that the state can only regulate public institutions in this way, but he hopes private institutions in Ohio follow the lead of the state and post similar information.

他指出，州只能以这种方式监管公立院校，但他希望俄亥俄的私立院校效仿州的做法、也发布类似信息。

【信号】 信号是带**only**的**限定句+but转折**。答案句 the state can only regulate public institutions in this way 自带 only 限定，正面回答 "只能做什么"；其后 but he hopes private institutions...follow 用 but 把私立摘出去，反衬出 "只能管公立"，这种 only + but 的结构就是答案信号。

【替换】 the state can only regulate public institutions in this way ↔ **Regulate public institutions by law.**
"by a new bill"概括为"by law"

【排除】 A) 与原文相反

Oversee private institutions directly. 抓的是 but 后面 private institutions in Ohio 这个词，但原文是 "只能管公立、私立只是希望它效仿"，把 "管公立" 偷换成 "直接管私立"，方向正好反。

借用原文：but he hopes private institutions in Ohio follow the lead

B) 张冠李戴

Follow other states' example. 里 follow...lead 听着像原文 follow the lead of the state，但原文是 "私立效仿本州"，不是 "本州效仿别的州"，且主语张冠李戴。

借用原文：private institutions in Ohio follow the lead of the state

C) 偷换概念

Supervise all schools consistently. 用 all schools 把范围扩到所有学校，但答案句明确 can only regulate public institutions, only 把范围卡死在公立，all 与 only 直接矛盾。

借用原文：the state can only regulate public institutions

24. A) They are resourceful.

B) They are competitive.

C) They provide the best opportunity to realize one's dream.

D) They appeal most to students from other states in the U.S.

【题目】 What do we learn about Ohio's schools from the passage?

【翻译】 从文章中我们对俄亥俄州的学校了解到什么？

A) 它们富有资源。 B) 它们竞争激烈。 C) 它们提供实现梦想的最佳机会。

D) 它们对来自美国其他州的学生最具吸引力。

【答案】 B (细节题) They are competitive.

【定位】 Ohio's schools are already competitive. The state attracts more undergraduate students than it sends to colleges out of state.

俄亥俄的学校已经很有竞争力了。该州吸引来的本科生比它送往外州读大学的还要多。

【信号】 信号是直陈定性句 "are already competitive"。答案句 Ohio's schools are already competitive 是直接给学校下定义的一句，主系表把 competitive 这个定性词摆在明处；后一句 attracts more undergraduate students than it sends 用数据印证它，这种 "先下结论再举证" 的结构里，结论句即落点。

【替换】 Ohio's schools are already competitive ↔ **They are competitive.**

competitive原词对应，仅换主语为They

【排除】 A) 未提及

They are resourceful. 的 resourceful (资源丰富) 听着像也是夸学校的好词, 但录音夸学校用的是 competitive, 并没说 resourceful, 是凭空换了个褒义词。

C) 原词陷阱

They provide the best opportunity to realize one's dream. 整句几乎照搬第二段 give them the best opportunity to match their skills and their dreams, 但原文那是议员说 "把信息摆给学生能给他们最好的机会", 主语是 "提供信息", 不是说学校本身就是 "实现梦想的最佳机会", 且本题问的是 "了解到学校什么"。

借用原文: give them the best opportunity to match their skills and their dreams

D) 偷换概念

They appeal most to students from other states in the U.S. 借了第三段 attracts more undergraduate students than it sends to colleges out of state, 但原文说的是 "吸引来的本科生比送出去的多", 并非 "对外州学生最有吸引力", appeal most 是夸大且改了意思。

借用原文: attracts more undergraduate students than it sends to colleges out of state

25. A) Some students waste much time surfing the net.

B) Students may need to visit too many websites.

C) Students have to search for the information.

D) Some students may lack adequate access.

【题目】 What is the problem with schools providing information on their websites?

【翻译】 学校在其网站上提供信息存在什么问题?

A) 一些学生在网上浏览浪费大量时间。 B) 学生可能需要访问过多网站。

C) 学生必须搜索相关信息。 D) 一些学生可能缺乏足够的访问途径。

【答案】 C (细节题) Students have to search for the information.

【定位】 Many colleges and universities currently provide similar information on their websites.

This includes tuition, fees, graduation rates and more. But students need to search for the information.

许多高校目前已在网站上提供类似信息, 包括学费、各项收费、毕业率等等。但学生得自己去搜索这些信息。

【信号】 信号是But转折后的短板句。前面 Many colleges and universities currently provide similar information on their websites 在夸网站信息已经很全, But students need to search for the information 用 But 一转点出 "得自己找" 的短板——But 后面这句才是 "问题" 所在, 正是答案句。

【替换】 students need to search for the information ↔ Students have to search for the information.

need to=have to, 近乎原句

【排除】A) 未提及

Some students waste much time surfing the net. 借了 "网络" 的话题氛围, 但原文只说学生 "得自己搜", 没说 "浪费很多时间上网", waste much time 是凭空添加的。

B) 原词陷阱

Students may need to visit too many websites. 抓住原文 on their websites 的 websites 一词, 把 "得自己搜信息" 夸张成 "得访问太多网站", 原文从没说网站 too many。

借用原文: provide similar information on their websites

D) 未提及

Some students may lack adequate access. 说学生 "缺少足够渠道", 但原文的问题是 "信息在网上、得自己去搜", 并不是 "上不了网/没渠道", access 这层意思原文没有。

SENTENCE INSIGHTS • 句子精讲

38 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

A number of factors are creating a bad situation: Global energy consumption is up, but supplies have been reduced.

第1段, 第2句

冒号引出并列分句解释说明前文的结构在学术和新闻语体中较为常见, but 转折也是典型并列句式, 对理解真题中的因果和转折逻辑有参考价值

That comes against inflation rates that accelerated last month with consumer prices growing 6.6%.

第1段, 第6句

本句结构在四六级和考研真题中较为典型: 主句简洁, 定语从句修饰状语中的名词, 且从句内包含独立主格结构补充说明。这种多层修饰和伴随状语的组合是真题常见句式, 学习价值较高。

It's projected to cost more than \$2,300 to heat a typical home with heating oil this winter.

第2段，第2句

"It is + 过去分词 + to do" 这一结构在四六级和考研阅读中极为常见,用于表达客观预测、评价或陈述。形式主语后置是英语书面语的典型特征,被动语态的使用也符合学术和新闻语体的习惯。掌握本句结构后可大量复用到类似句式的理解中。

Last month, the federal government added \$1 billion in funding to Low Income Home Energy Assistance Program, bringing the total to \$4.8 billion.

第2段，第3句

简单句 + 分词短语作结果状语是英语新闻报道和学术写作中的高频句式,在四六级和考研阅读中经常出现。这种结构既简洁又能有效补充信息,学习者掌握后可在真题中大量遇到类似句式。虽然不是复合句或特殊句式,但其典型性较高,迁移价值较强。

They may hold too optimistic a view about their diet.

第3题，C

情态动词加动词原形构成谓语是四六级和考研高频句式，"too + 形容词 + a + 名词" 语序结构也是真题中反复出现的语法现象。介词短语作后置定语修饰名词同样是基础且典型的结构。掌握本句的分析方法可以迁移到大量类似句子，代表性较强。

They pay insufficient attention to their choice of food.

第3题，D

主谓宾加后置定语的简单句结构较为常见，"pay attention to" 是四六级高频搭配，有一定代表性，但句式过于简单，不如复合句典型。

Who tended to rate their diet more accurately in the survey?

第4题 题干

疑问词作主语的特殊疑问句在四六级和考研阅读中较为常见，tend to do 结构也是高频搭配。句式虽简单但具有代表性，掌握后可应用于类似疑问句的分析。不过由于结构过于基础，缺少从句或复杂修饰，在真题中更多作为衬托句而非主攻难点句，典型性中等偏上。

It was a heartwarming moment that dozens of Indian rescuers rallied together to use a crane in order to save an elephant trapped at the bottom of a 20-foot well.

第1段，第1句

本句包含主系表结构、同位语从句、目的状语（to use 和 in order to save）、后置定语（trapped at the bottom），成分种类较为丰富。重点训练价值在于辨析同位语从句与定语从句的区别（that 是否在从句中充当成分），以及识别多层目的状语的嵌套逻辑。是一个适合练习成分划分和从句辨析的句子。

The army officers heard a noise coming from the well and realized an elephant was trapped deep inside.

第1段，第4句

并列谓语、宾语从句、分词作后置定语都是四六级和考研阅读中的高频结构。尤其“动词 + 宾语从句（省略 that）”和“名词 + 分词短语后置定语”是典型句式，掌握后可广泛应用于理解类似长句。本句结构代表性强，学习迁移价值高。

The elephant was kept under close supervision for a few days before it was successfully released back into the wild.

第1段，第8句

包含主句 + 时间状语从句的结构在四六级和考研阅读中非常常见，被动语态也是高频考点。句子长度适中，结构清晰，学生掌握这种“主句 + before/after/when 等引导的状语从句”模式后，可以迁移到大量类似句式的理解中，代表性和实用性较强。

They gathered together to rescue an elephant.

第5题，B

简单句加不定式作目的状语是常见句式，在四六级和考研中经常出现，具有一定代表性，但结构过于简单、缺乏复杂句式特征，典型性中等。

What does the news report say happened finally?

第7题 题干

结构高度典型。特殊疑问句 + 宾语从句（连接词省略）是四六级和考研听力、阅读中的常见句式，尤其在新闻报道、调查研究等语境中频繁出现。疑问词前置兼作从句主语的结构也是考试中的常考点。掌握此类句式后，学生能够快速识别和理解大量类似的真题句子。

M: Well, actually, I've stopped using online payments for the past three months now.

第3段，第1句

现在完成时搭配 "for + 时间段" 是四六级和考研常考句式，动名词短语作宾语也是高频考点，句型具有一定代表性，掌握后可迁移到类似结构的句子中。

But I've found that if I review my spending every night, that keeps me from spending too much.

第6段，第3句

本句在成分划分上有多个训练价值点：宾语从句作主句宾语、条件状语从句作宾语从句的状语、宾语从句中指示代词 "that" 作主语（易与引导词混淆）、"keep sb from doing" 固定搭配中的宾语和状语识别、时间状语 "every night" 的定位。覆盖了主谓宾、状语、从句嵌套等多种成分，适合作为中等难度的综合练习。

M: I tried that strategy, but it just didn't work, because I'd be busy studying all day.

第7段，第1句

并列主句 + 原因状语从句的组合在四六级和考研阅读中较为常见，"but" 转折和 "because" 解释原因的逻辑链条也是典型句式；过去将来进行时虽不算最高频，但在叙述过去计划或预期时会出现，具有一定代表性。

Then, when I was tired and hungry, I'd use my phone to order food, like burgers and other junk, instead of going to the canteen, where I could get a healthier meal for half the price.

第7段，第2句

本句包含主谓宾、系表、双状语(时间和方式)、目的状语、插入语、定语从句等多种成分,特别是 would表习惯、instead of对比结构、非限制性定语从句等都是易错且值得反复练习的点,成分划分训练价值较高。

W: But what prevents you from just going to the bank and getting more money, if you want to buy something?

第10段，第1句

主句涉及疑问词作主语、及物动词带宾语、介词短语作状语、条件状语从句等多种成分，成分类型较为丰富。"prevent sb from doing"是典型搭配，值得练习。但主句结构相对常规，没有特别复杂的成分交织或易错点，训练价值中等偏上。

M: The first month I did withdraw extra cash twice, but I felt guilty about it.

第11段，第1句

"前句叙事，后句用 but 表转折并补出态度或结果"是很常见的考试句式。再加上句首时间状语和强调式助动词，这些都具有较强迁移性。

Why has the man stopped paying online for the last three months?

第8题 题干

特殊疑问句 + 现在完成时的组合在考试中较常见，尤其是口语或听力场景。疑问句倒装语序和完成时的使用都是典型考点。但句子本身较简短，不涉及复杂从句或多重修饰，代表性中等偏上。

He wanted to be less dependent on his phone.

第8题，D

主谓宾结构是最基础的句型，不定式作宾语也是常见用法，但本句过于简单，缺少四六级、考研真题中常见的从句、复杂修饰或特殊句式，典型性中等。

Avoid getting addicted to junk food

第10题，C

祈使句在日常口语和应用文中常见，动名词作宾语也是基础语法点，具有一定代表性。但四六级和考研阅读中更多出现复杂长难句，本句结构过于简单，作为应试句式代表性一般。

I don't want our son to spend his afternoons doing something he hates, even if it might prepare him for the future.

第1段，第2句

主句包含主谓宾结构、宾语补足语(不定式短语),宾补中包含现在分词短语、定语从句修饰宾语,让步状语从句修饰主句,成分种类丰富。定语从句中关系代词省略是常见易错点,宾语补足语与不定式的搭配也是重要考点,适合作为成分划分练习。

The environment is easier to control, and he can still get a good workout, in addition to improving his hand-eye coordination.

第2段，第3句

并列句 + 情态动词 + 介词短语作状语的组合在四六级和考研阅读中较为常见，学生掌握后可迁移到不少类似句子；但本句结构相对简单，不如多层嵌套的复杂长难句更具代表性。

Besides, I could teach him some of the basics from my time as a badminton player.

第2段，第4句

双宾语结构加情态动词是四六级和考研写作、阅读中的常见句式，teach、give、show 等动词的双宾用法频繁出现。后置定语用介词短语修饰名词也是典型搭配。掌握本句结构后可迁移到大量类似句子，具有较好的代表性。

It's not as popular as some sports, which means he has better odds of possibly getting an athletic scholarship in the future.

第4段，第3句

"which" 引导的非限制性定语从句修饰前面整个主句，这是四六级和考研阅读中的高频句式。宾语从句嵌套在定语从句内部的结构也较为常见。掌握本句的分析方法，可以迁移到大量类似的复合句中。

Why is the woman opposed to their son joining a sport like soccer?

第12题题干

结构典型性较高。特殊疑问句加系表结构是四六级和考研听力、阅读中的高频句式，"be opposed to" 这类固定搭配也是常考点。动名词复合结构作宾语同样是常见语法现象。掌握本句结构后，学生可迁移到大量类似疑问句和系表搭配场景。

It appeals to both schoolgirls and schoolboys.

第15题，B

主语 + 不及物动词 + 介词短语是常见句式，appeal to 结构在四六级阅读中较常出现，具有一定代表性，但句式本身过于简单，不足以成为高频复杂句式的典型代表。

It is completely different from other outdoor games.

第15题，D

主系表结构是英语基本句型之一，在各类考试中常见，但本句过于简单、修饰成分少，作为练习句的代表性一般，掌握后可复用的场景有限。

Lift-off is usually the most environmentally harmful stage of any space mission, with vast quantities of fuel burnt up in a matter of minutes.

第1段，第1句

主系表结构配合状语是四六级和考研阅读中的常见句式，表语部分使用最高级 + 介词短语修饰的模式也较为典型，具备一定的代表性和迁移价值，但整体结构相对简单，不属于高频出现的复杂长难句类型。

For instance, SpaceX's Falcon 9 gets through 112 tonnes of refined fuel, emitting about 336 tonnes of CO₂.

第1段，第2句

简单句配伴随状语是科技说明文的常见句式，分词短语作状语在四六级阅读中频繁出现，具有一定代表性和迁移价值

Current spacecraft use a variety of fuels, but most are based on fossil fuels.

第2段，第2句

but 连接两个主句的并列转折结构在四六级和考研阅读中高频出现，且 be based on 是科技类文本的常见表达，句式具有一定代表性，掌握后可迁移到大量类似句子

Hydrogen can be obtained sustainably by using solar power to break water down into oxygen and hydrogen.

第2段，第4句

情态动词加被动语态是四六级和考研中的常见句式，尤其在科技类说明文中频繁出现。本句的 'can be done by doing' 结构具有较高的复用性，学习者掌握后可应用于大量类似句子，典型性较强。

Reusable rockets can cut down on some of the waste associated with spaceflight.

第3段，第1句

简单句配后置定语是四六级和考研阅读中的常见句式；情态动词加短语动词的组合也较为典型，学习后可迁移到类似句型。

Research shows that reading to a loyal and nonjudgmental companion, such as a dog or cat, can encourage reluctant readers to read aloud, which will in turn boost their self-confidence.

第1段，第2句

宾语从句加非限制性定语从句的嵌套结构在四六级和考研阅读中高频出现，且动名词作主语、情态动词、宾补、定语从句补充说明等都是常考句式，掌握后可大量复用到其他句子分析中。

As a child matures, they can then take on more of the daily responsibilities, boosting their sense of independence.

第2段，第2句

"状语从句 + 主句" 结构在四六级和考研阅读中极为常见，尤其是时间状语从句置于句首的排列。情态动词 + 动词原形也是高频考点。该句型简洁典型，学习后可迁移至大量类似句子。

And of course, if a child doesn't have a pet in their own household, they can still benefit from all of the above when visiting a friend who does.

第5段，第2句

条件状语从句 if 结构、限制性定语从句 who 引导、情态动词 can 表可能性，都是四六级和考研常考句式。嵌套方式也符合真题特点，具有较强代表性。

Inform prospective students of their yearly enrollment.

第22题，C

祈使句在考试中偶有出现，但本句结构过于简单，不具备复杂句式的代表性，迁移价值有限。

Some students waste much time surfing the net.

第25题，A

主谓宾加现在分词状语是常见书面句式，在四六级阅读中经常出现（如描述行为方式的表达），具有一定代表性，掌握后可迁移到类似句子，但不如复合句典型。

n. 调查结果

本卷2次·真题99句

impact B2

n. 影响

本卷2次·真题98句

physical B1

adj. 身体的

本卷2次·真题98句

base A2

n. 基础

本卷2次·真题95句

view A2

n. 观点, 看法

本卷2次·真题85句

internet A2

n. 互联网

本卷2次·真题55句

realize B1

v. 意识到, 认识到

本卷2次·真题 50 句

limit B1

n. 限度

本卷2次·真题 45 句

income B1

n. 收入

本卷2次·真题 39 句

rely B1

v. 依赖;依靠

本卷2次·真题 36 句

completely B1

adv. 完全地

本卷2次·真题 34 句

mission B1

n. 任务

本卷2次·真题 33 句

appeal B2

v. 呼吁

本卷2次·真题 31 句

stage A2

n. 阶段

本卷2次·真题 30 句

competitive B2

adj. 竞争的

本卷2次·真题 26 句

federal B2

adj. 联邦(制)的

本卷2次·真题 24 句

possibility B1

n. 可能性

本卷2次·真题 24 句

trap B1

n. 陷阱

本卷2次·真题 24 句

commercial B2

adj. 商业的

本卷2次·真题 23 句

guide A2

n. 指南;手册

本卷2次·真题 23 句

burger A2

n. 汉堡包

本卷2次·真题 20 句

greatly B1

adv. 非常

本卷2次·真题 20 句

funding B2

n. 资金

本卷2次·真题 19句

injury B1

n. (身体) 伤害, 损伤

本卷2次·真题 18句

challenging B2

adj. 有挑战性的

本卷2次·真题 16句

passion B2

n. 强烈的情感

本卷2次·真题 16句

wander B1

v. 漫步

本卷2次·真题 16句

junk B1

n. 废物

本卷2次·真题 15句

pace B1

n. 速度

本卷2次·真题 15句

odd B1

adj. 奇怪的

本卷2次·真题 14句

rating B1

n. 等级;评级

本卷2次·真题 14句

reluctant B2

adj. 不情愿的

本卷2次·真题 14句

adequate B2

adj. 足够的, 充分的

本卷2次·真题 12句

environmentally B2

adv. 从环境角度

本卷2次·真题 11句

emit B2

v. 发出, 排放 (光、热、气体等)

本卷2次·真题 10句

spacecraft B2

n. 航天器

本卷2次·真题 8句

reduce B1

v. 减少, 降低 (数量、大小、程度等)

本卷1次·真题 118句

support A2

v. 支持

本卷1次·真题 118句

participant

B2

n. 参与者

本卷1次·真题 117 句

process

B1

n. 过程

本卷1次·真题 108 句

average

A2

adj. 平均的

本卷1次·真题 89 句

according

B1

prep. 根据

本卷1次·真题 88 句

consumer

B1

n. 消费者

本卷1次·真题 84 句

access

B1

n. 进入

本卷1次·真题 83 句

global

B2

adj. 全球的

本卷1次·真题 81 句

traditional

B1

adj. 传统的

本卷1次·真题 79 句

factor

B1

n. 因素

本卷1次·真题 77 句

later

A1

adv. 以后, later

本卷1次·真题 70 句

professional

B1

adj. 专业的

本卷1次·真题 67 句

current

B1

adj. 现在的

本卷1次·真题 64 句

option

B1

n. 选择

本卷1次·真题 60 句

power

A2

n. 权力

本卷1次·真题 59 句

enable

B1

v. 使能够

本卷1次·真题 58 句

reward

B1

n. 报酬

本卷1次·真题 56 句

identify B1

v. 识别

本卷1次·真题 54 句

strategy B2

n. 策略

本卷1次·真题 53 句

emotional B1

adj. 情绪的

本卷1次·真题 50 句

per B1

prep. 每

本卷1次·真题 49 句

extra A2

adj. 额外的

本卷1次·真题 48 句

response B1

n. 回答

本卷1次·真题 47 句

variety B1

n. 多样化

本卷1次·真题 47 句

budget B1

n. 预算

本卷1次·真题 45 句

consumption B2

n. 消费

本卷1次·真题 44 句

harm B1

n. 伤害

本卷1次·真题 44 句

wild A2

adj. 野生的

本卷1次·真题 42 句

attract B1

v. 吸引 (注意力、兴趣)

本卷1次·真题 41 句

vehicle B1

n. 交通工具

本卷1次·真题 40 句

launch B1

v. 推出

本卷1次·真题 39 句

purchase B1

v. 购买

本卷1次·真题 39 句

aim B1

v. 瞄准

本卷1次·真题 38 句

finally A2

adv. 终于, 最终

本卷1次·真题 36 句

graduate B1

n. 毕业生

本卷1次·真题 34 句

instance B2

n. 例子

本卷1次·真题 33 句

motivate B2

v. 激励

本卷1次·真题 33 句

solar B2

adj. 太阳的

本卷1次·真题 32 句

cultivate B2

v. 培养, 发展 (技能、态度、关系等)

本卷1次·真题 31 句

harmful B1

adj. 有害的

本卷1次·真题 31 句

release B1

v. 释放

本卷1次·真题 31 句

differ B1

v. 不同, 有区别

本卷1次·真题 30 句

expense B1

n. 花费

本卷1次·真题 28 句

represent B1

v. 代表

本卷1次·真题 28 句

regularly A2

adv. 经常地

本卷1次·真题 27 句

fully B1

adv. 完全地

本卷1次·真题 26 句

addition A2

n. 增加

本卷1次·真题 25 句

definitely B1

adv. 肯定地

本卷1次·真题 25 句

pain A2

n. 疼痛

本卷1次·真题 25 句

acquire B2

v. 获得

本卷1次·真题 24 句

cognitive C1

adj. 认知的

本卷1次·真题 24 句

fossil B2

n. 化石

本卷1次·真题 24 句

strengthen B2

v. 加强

本卷1次·真题 24 句

update B1

v. 更新

本卷1次·真题 24 句

confidence B1

n. 信心

本卷1次·真题 23 句

currently B1

adv. 目前, 当前

本卷1次·真题 23 句

massive B2

adj. 巨大的, 大量的

本卷1次·真题 23 句

priority B2

n. 优先事项

本卷1次·真题 23 句

additional B1

adj. 额外的

本卷1次·真题 22 句

applicant B2

n. 申请人

本卷1次·真题 22 句

aspect B2

n. 方面

本卷1次·真题 22 句

directly B1

adv. 直接地

本卷1次·真题 22 句

entirely B1

adv. 完全地

本卷1次·真题 22 句

gather B1

v. 聚集, 集合

本卷1次·真题 22 句

quantity B1

n. 数量

本卷1次·真题 21 句

salary B1

n. 薪水, 工资 (通常指按月发放的固定报酬)

本卷1次·真题 21 句

complicated B2

adj. 复杂的

本卷1次·真题 20 句

fee B1

n. 费用

本卷1次·真题 20 句

grant B2

v. 授予

本卷1次·真题 20 句

peer B2

n. 同龄人

本卷1次·真题 20 句

propose B1

v. 提议

本卷1次·真题 20 句

scale B1

n. 规模

本卷1次·真题 20 句

vast B2

adj. 巨大的

本卷1次·真题 20 句

citizen B1

n. 公民

本卷1次·真题 19 句

roughly B1

adv. 大约, 大概

本卷1次·真题 19 句

truly B1

adv. 真正地

本卷1次·真题 19 句

graduation B1

n. 毕业

本卷1次·真题 18 句

numerous B2

adj. 众多的, 许多的

本卷1次·真题 18 句

worried A2

adj. 担心的

本卷1次·真题 18 句

effectively B2

adv. 有效地

本卷1次·真题 17 句

player A2

n. 运动员

本卷1次·真题 17 句

court A2

n. 法院

本卷1次·真题 16句

loan B1

n. 贷款

本卷1次·真题 16句

sustainable B2

adj. 可持续的

本卷1次·真题 16句

accurate B2

adj. 准确的

本卷1次·真题 15句

engine A2

n. 发动机, 引擎

本卷1次·真题 15句

possibly B1

adv. 可能, 也许

本卷1次·真题 15句

reduction B2

n. 减少

本卷1次·真题 15句

socialize B2

v. 社交

本卷1次·真题 15句

spending A2

n. 开支

本卷1次·真题 15句

typical B1

adj. 典型的

本卷1次·真题 15句

accomplish B2

v. 完成, 实现 (任务、目标)

本卷1次·真题 14句

consideration B2

n. 考虑

本卷1次·真题 14句

creature B1

n. 生物

本卷1次·真题 14句

running A2

n. 跑步 (运动)

本卷1次·真题 14句

tuition B2

n. 学费

本卷1次·真题 14句

costly B2

adj. 昂贵的, 代价高的

本卷1次·真题 13句

facilitate C1

v. 促进

本卷1次·真题 13 句

optimistic B2

adj. 乐观的;抱乐观态度的

本卷1次·真题 13 句

preparation B1

n. 准备

本卷1次·真题 13 句

recycle B1

v. 回收利用 (废品)

本卷1次·真题 13 句

athlete B1

n. 运动员

本卷1次·真题 12 句

highlight B2

n. 最精彩的部分

本卷1次·真题 12 句

agriculture B2

n. 农业

本卷1次·真题 11 句

dependent B2

adj. 依靠的

本卷1次·真题 11 句

folk B1

n. 人们

本卷1次·真题 11 句

heavily B1

adv. 大量地

本卷1次·真题 11 句

outdoor A2

adj. 户外的, 室外的

本卷1次·真题 11 句

reasonable B1

adj. 合理的

本卷1次·真题 11 句

convenient B1

adj. 方便的

本卷1次·真题 10 句

inform B1

v. 告知, 通知 (正式地告诉某人某事)

本卷1次·真题 10 句

manner B1

n. 方式

本卷1次·真题 10 句

monthly A2

adj. 每月的

本卷1次·真题 10 句

outer

B1

adj. 外部的, 外面的

本卷1次·真题10句

successfully

B1

adv. 成功地

本卷1次·真题10句

evaluation

B2

n. 评估

本卷1次·真题9句

independence

B2

n. 独立;自主

本卷1次·真题9句

net

A2

n. 网

本卷1次·真题9句

obtain

B2

v. 获得

本卷1次·真题9句

representative

B2

n. 代表

本卷1次·真题9句

traditionally

B2

adv. 传统上;按照传统

本卷1次·真题9句

undergraduate

B2

n. 大学本科生

本卷1次·真题9句

accurately

B2

adv. 准确地

本卷1次·真题8句

cooperate

B2

v. 合作

本卷1次·真题8句

greenhouse

B1

n. 温室

本卷1次·真题8句

liquid

B1

n. 液体

本卷1次·真题8句

potentially

B2

adv. 可能地

本卷1次·真题8句

VOCABULARY · 词汇难度分布

全卷录音原文 654 词按 CEFR 难度累积覆盖

全卷录音原文去重后共 **654** 个单词, 按欧框 CEFR 等级统计。每根柱表示「该等级及以下」的累积占比 (CDF), 最右一柱为 100%。B2 以上 (C1/C2) 为高阶词, 本卷共 12 个·约 2%。

每柱为「按 CEFR 等级及以下」的累积覆盖率 (CDF) · 数据为全卷录音原文去重词 654 个 · 末柱为 100%

BLANKS & ANALYSIS · 选词填空题和解析

选词填空题和解析 · 26-35 题

本页 26-35 题的正确答案词与逐空解析由懒笔记按2024年12月·第2套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、5 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第2套(2024-12) · 英语四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Scientists have known that depriving adult mice of vision can increase the sensitivity of individual neurons(神经元) in the part of the brain devoted to hearing. New research from biologists at the University of Maryland 26 that sight deprivation also changes the way brain cells 27 with one another, shifting the mice's sensitivity to different frequencies.

科学家们已经知道,剥夺成年小鼠的视觉可以提高大脑中负责听觉部分的单个神经元的敏感性。马里兰大学生物学家的最新研究揭示,视觉剥夺还会改变脑细胞相互作用的方式,从而改变小鼠对不同频率的敏感性。

"This study 28 what we are learning about how manipulating vision can have a 29 effect on the ability of an animal to hear long after the window for auditory(听觉的) learning was thought to have 30," said Patrick Kanold, senior author of the study.

该研究的资深作者Patrick Kanold说:"这项研究强化了我们正在了解的一点,即在人们认为听觉学习窗口已经关闭很久之后,操纵视觉仍能对动物的听力产生重大影响。"

It was once thought that the sensory regions of the brain were not 31 after a critical period in childhood. This is why children learn languages much more 32 than adults. Kanold's earlier research disproved this idea by showing that depriving adult mice of vision for a short period increased the sensitivity of individual neurons in the auditory cortex(皮质), which is devoted to hearing.

人们曾经认为,大脑的感觉区域在童年的关键期之后就不再具有适应性。这就是为什么儿童学习语言比成年人容易得多的原因。Kanold早期的研究推翻了这一观点,他的研究表明,短期剥夺成年小鼠的视觉会提高听觉皮质中单个神经元的敏感性,而听觉皮质负责听觉。

Young brains wire themselves according to the sounds they hear frequently, assigning areas of the auditory cortex to 33 frequencies based on what they are used to hearing. The researchers found

that, in adult mice, a week in the dark also changed the 34 of space to different frequencies.

年幼的大脑会根据它们经常听到的声音进行自我连接,根据它们习惯听到的内容,将听觉皮质的区域分配给特定的频率。研究人员发现,在成年小鼠中,在黑暗中待一周也会改变分配给不同频率的空间分布。

"We don't know why we are seeing these patterns," Kanold said. "We 35 that it may have to do with what the mice are paying attention to while they are in the dark."

Kanold说:"我们不知道为什么会看到这些模式。我们推测这可能与小鼠在黑暗中关注什么有关。"

|-----------------|----------------|
| A) adaptable | I) readily |
| B) closed | J) registered |
| C) distribution | K) reinforces |
| D) interact | L) revealed |
| E) narration | M) significant |
| F) neutral | N) specific |
| G) permanently | O) speculate |
| H) prescribes | |

26. New research from biologists at the University of Maryland (26) that sight deprivation also changes the way brain cells (27) with one another

【答案】 **L) revealed** (动词)

【词性槽】 主语 New research 后缺谓语, 需要单数动词

【依据】 **research revealed that... 是科研报道高频搭配**

句子是典型的"新研究揭示....."句式, New research from biologists at the University of Maryland (26) that sight deprivation also changes the way brain cells (27) with one another, research revealed/showed that 是四级和考研阅读里科普类语料最常见的引出研究结论的搭配。

【竞争词】 H) prescribes 义为"开处方/规定", 与"研究揭示"不沾边

prescribe 多用于医生开药或权威机构"规定", 与 research 做主语完全不搭, 且其内容 that 从句是研究结论, 不是规定。

K) reinforces 义为"加强", 需要被加强的对象, 与本句"首次揭示"不符

reinforce 是"加强、强化已有事物", 常见结构 reinforces the idea/finding/argument that...; 本句是直接给出"新研究"的发现, 并非在加强某个先前结论, 更适合放在第 28 空。

O) speculate 原形动词, 主谓不一致; 且语气是"推测"不是"揭示"

speculate 是原形, 主语 New research 为三单需要 -s 形式, 形态先不符; 语义上"推测"也弱于"揭示", 与前句已知事实并列叙述的语气不匹配。

27. changes the way brain cells __(27)__ with one another

【答案】 **D) interact** (动词)

【词性槽】 主语 brain cells 后做谓语，需原形动词

【依据】 **interact with one another = "相互作用"**，神经科学固定搭配

changes the way brain cells __(27)__ with one another 描述的是脑细胞之间的相互作用方式，interact with one another"彼此相互作用"是生物/神经科学的标准说法，与全文主旨"剥夺视觉改变脑细胞间互动"完美对应。

【竞争词】 **H) prescribes 三单 -es 形态与复数主语 brain cells 冲突**

prescribes 是三单形式，主语是复数 brain cells，主谓数不一致；且语义"开处方/规定"也与脑细胞行为不搭。

K) reinforces 三单形态错 + 语义需要宾语

reinforces 一是三单形态不匹配复数主语；二是 reinforce 是及物动词需要直接宾语，本句空后是 with one another 而非名词宾语，搭配不成立。

O) speculate 义为"推测"，脑细胞不会"推测"

speculate 是有意识主体的认知行为，与无意识的 brain cells 主语在语义上违和，且 speculate with 也不是常用搭配。

28. This study __(28)__ what we are learning about how manipulating vision can have a __(29)__ effect on the ability of an animal to hear

【答案】 **K) reinforces** (动词)

【词性槽】 主语 This study 后缺谓语，需要三单形式

【依据】 **study reinforces what we are learning = "研究强化/印证了我们的认识"**

上一段已经讲了"剥夺视觉影响脑细胞相互作用"，本句作者引述研究者评价"这项研究 __ 我们正在学到的东西"，逻辑上是"再次印证/强化"既有认识，reinforces what we are learning 搭配地道，This study __(28)__ what we are learning about how manipulating vision can have a __(29)__ effect on the ability of an animal to hear。

【竞争词】 **H) prescribes 义为"开处方/规定"，与"印证研究发现"完全不搭**

prescribe 用于医生开药或权威给出规定，主语一般是人或机构，且不与 what we are learning 这种"我们正在学到的东西"搭配，语义荒谬。

【易错】 最具迷惑性的错误词是 **H) prescribes** 形态对、三单一致，主体考生不认词义时易

蒙。This study __(28)__ what we are learning 处，prescribes 与正确答案 reinforces 在形态上都是三单 -es，许多四级考生对 prescribe 只记得"开处方"半个义项，会怀疑"是不是有别的意思"而硬选；防坑要点是看主语 study 和宾语 what we are learning——"研究"只会"印证/强化"，不会"规定"。

29. manipulating vision can have a __(29)__ effect on the ability of an animal to hear

【答案】 **M) significant** (形容词)

【词性槽】 冠词 a 与名词 effect 之间，要填形容词作定语

【依据】 搭配 **have a significant effect on** 是四级高频固定表达

have a significant effect on "对.....有显著影响" 是四级阅读和写作里反复出现的高频搭配，配合上下文 manipulating vision can have a __(29)__ effect on the ability of an animal to hear，作者要强调操控视觉对听觉能力的影响"重大"，significant 正是这层意思。

【竞争词】 A) adaptable 义为"可适应的"，与 effect 不搭

adaptable 通常修饰人或系统（如 an adaptable learner），说"一个可适应的影响"在中英文里都不通顺，搭配错位。

F) neutral "中立的影响"在科学语境里反向且无意义

neutral effect 表示"既不正也不负、没什么作用"，但作者全篇都在强调剥夺视觉"确实改变了"听觉皮层，正话反说，与主旨冲突。

N) specific 义为"特定的"，文中并未限定某一种影响

specific effect 强调"某一具体的影响"，需要后文点明是哪一种；而本句只是泛指"有影响"，逻辑上不需要这种限定，且 specific 在第 33 空有更典型的归属（specific frequencies）。

30. long after the window for auditory learning was thought to have __(30)___

【答案】 **B) closed** (动词)

【词性槽】 have to have + ___, 需要过去分词，构成完成时态被动表达

【依据】 **the window has closed** = "窗口已关闭"，比喻关键期结束

原文用 the window for auditory learning 比喻"听觉学习的关键期"，long after the window for auditory learning was thought to have __(30)___ 说"这个窗口被认为早已关闭"，对应下段第 31 空所讨论的"过了关键期后不可塑"的传统观点；window has closed 是"关键期/机会窗口已关"的固定比喻。

【竞争词】 J) registered 义为"登记"，与"窗口关闭"语义无关

registered 多用于"注册、登记、记录在案"，搭配 the window 在英语里没有对应的固定比喻，意思完全跑偏。

31. It was once thought that the sensory regions of the brain were not __(31)__ after a critical period in childhood.

【答案】 **A) adaptable** (形容词)

【词性槽】 系动词 were 后做表语

【依据】 下一段反驳"不可塑", 正好对应 adaptable

本段是先立后破: 先说"曾经认为感觉区在童年关键期后就不再 __", 紧接着 Kanold's earlier research disproved this idea by showing that depriving adult mice of vision for a short period increased the sensitivity of individual neurons in the auditory cortex 用 disproved 反驳, 证明成年后大脑仍可被改变。adaptable"可塑、可适应"恰好是被反驳的那种属性, 否定的就是"不可塑"。

【竞争词】 F) neutral neutral 与上下文论辩焦点无关

上下文的对立面是"可塑 vs 固定", 不是"中性 vs 偏向"; 填 neutral 后整句变成"曾认为大脑感觉区不是中性的", 与下文用 disproved 反驳的语义完全对不上。

【易错】 最具迷惑性的错误词是 F) —— neutral 词性、形态都对, 迷惑性强。the sensory regions of the brain were not __(31)__ 处 be 动词后填形容词, A 和 F 都是合格形容词; 考生若不抓住下句 disproved 的反驳逻辑, 容易被 neutral 的"中性、不偏不倚"误导; 防坑靠回看下一句反驳的是什么。

32. This is why children learn languages much more __(32)__ than adults.

【答案】 **I) readily** (副词)

【词性槽】 修饰动词 learn, 且夹在 more 比较级里

【依据】 readily = "容易地、轻松地", 对应"小孩学语言比成人快"的常识

全段强调"成年大脑感觉区曾被认为不再可塑", 这是为什么 children learn languages much more __(32)__ than adults——比较的是"学得容易、学得快", readily"轻易地、迅速地"正中靶心。

【竞争词】 G) permanently 义为"永久地", 与"比成人....."的比较语义不搭

permanently 强调"持续不断", 但语境对比的是儿童 vs 成人"学语言这件事做得怎么样", 需要的是"快 / 容易", 不是"持久"; 填 permanently 后整句变成"小孩比成人更永久地学语言", 逻辑混乱。

33. assigning areas of the auditory cortex to __(33)__ frequencies based on what they are used to hearing

【答案】 **N) specific** (形容词)

【词性槽】 形容词修饰复数名词 frequencies

【依据】 **specific frequencies = "特定频率", 正中神经科学语境**

上下文说"幼年大脑根据常听到的声音连线, 把听觉皮层的区域分配给"__ 的频率, 意思是"对应到某些特定的频率", specific frequencies 是听觉/神经科学论文中的高频搭配, 意思贴合 assigning areas of the auditory cortex to __(33)__ frequencies based on what they are used to hearing。

【竞争词】 **A) adaptable "可适应的频率"逻辑不通**

频率本身是物理量, 不存在"可不可适应", adaptable 通常修饰生命体或系统, 搭配在常识层面就不成立。

F) neutral "中性频率"与上下文"基于听到的声音"逻辑相反

neutral 强调"无偏好", 但句子明说大脑是"基于它们常听到的声音"做分配, 恰恰是有偏好、有针对性的分配, 方向相反。

34. a week in the dark also changed the __(34)__ of space to different frequencies.

【答案】 **C) distribution** (名词)

【词性槽】 the __ of space to different frequencies, 定冠词 the 后 of 短语前的名词位

【依据】 **distribution of space to frequencies = "空间向不同频率的分配"**

上文 Young brains wire themselves according to the sounds they hear frequently, assigning areas of the auditory cortex to __(33)__ frequencies based on what they are used to hearing. 刚说幼年大脑把皮层区域"分配给"特定频率, 本句紧跟着说成年大鼠经过一周黑暗后也改变了"空间对不同频率的分配", distribution of ... to ... 与上文 assigning ... to ... 概念呼应, 搭配地道。

【竞争词】 **E) narration 义为"叙述", 与神经科学语境无关**

narration 用于讲述故事、电影旁白等, 本文是讨论听觉皮层的空间分配, narration of space to frequencies 在语义上完全跑题。

35. We __(35)__ that it may have to do with what the mice are paying attention to while they are in the dark.

【答案】 **O) speculate** (动词)

【词性槽】 主语 We 后缺谓语，原形动词作一般现在时

【依据】 **speculate that = "推测"**，与从句的 **may have to do with** 完美呼应

从句里有 may，表明说话人不下定论，主句的动词应同样表"推测、猜测"，We __(35)__ that it may have to do with what the mice are paying attention to while they are in the dark. 整句意思是"我们推测这可能与小鼠在黑暗中注意什么有关"，speculate 既贴合语气又契合上下文。

WORD BANK · 词库分类表

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A-O)，为 10 个空各选一个、每词最多用一次。下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **adaptable** (形容词)

可适应的、有可塑性的

用于第 31 空

B) **closed** (动词) (形容词)

关闭 (的)；过去式/过去分词

用于第 30 空

C) **distribution** (名词)

分布、分配

用于第 34 空

D) **interact** (动词)

互动、相互作用

用于第 27 空

E) **narration** (名词)

叙述、讲述

干扰词 · 未选用

F) **neutral** (形容词)

中立的、中性的

干扰词 · 未选用

G) **permanently** (副词)

永久地

干扰词 · 未选用

H) **prescribes** (动词)

开处方、规定 (三单)

干扰词 · 未选用

I) **readily** 副词

容易地、迅速地

用于第 32 空

J) **registered** 动词 形容词

登记 (的) ; 过去式/过去分词

干扰词 · 未选用

K) **reinforces** 动词

加强、强化 (三单)

用于第 28 空

L) **revealed** 动词

揭示、显示 (过去式)

用于第 26 空

M) **significant** 形容词

显著的、重要的

用于第 29 空

N) **specific** 形容词

特定的、具体的

用于第 33 空

O) **speculate** 动词

推测、猜测

用于第 35 空

全文主旨

剥夺视觉会重塑成年小鼠听觉皮层

全文围绕一项神经科学研究展开：剥夺成年小鼠的视觉，不仅会提高单个听觉神经元的敏感度，还会改变脑细胞间的互动方式与不同频率所占的皮层空间分布，New research from biologists at the University of Maryland __(26)__ that sight deprivation also changes the way brain cells __(27)__ with one another, shifting the mice's sensitivity to different frequencies. 一句即为话题定调，后文围绕"成年大脑仍可被外部输入改变"这一中心反复展开。

DISTRACTORS · 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

E) **narration** 最像第 34 空的诱惑：同是名词、形态与 distribution 都偏"-tion"结尾

narration 与 distribution 都是 -tion 名词，主体考生只看词性可能纠结；但语义上 narration 是"叙述"，与 a week in the dark also changed the __(34)__ of space to different frequencies. 的神经科学语境无关，识破靠"代入读半句，看搭配是否合常理"。

F) **neutral** 最像第 31 空：同为形容词且形态简单

neutral 与 adaptable 都是形容词、长度相近、对四级考生都偏生，容易在 the sensory regions of the brain were not __(31)__ 处被选；识破靠下一句 disproved 的反驳，被反驳的是"可塑"，不是"中立"。

G) **permanently** 最像第 32 空：词库里两个副词之一

permanently 与 readily 是词库里唯二的副词，children learn languages much more __(32)__ than adults 这种二选一最容易蒙错；识破要点是抓住"比较的维度"——句子在比"学得多容易/多快"，不是比"多持久"。

H) **prescribes** 最像第 28 空：三单 -es 形态、动词位

prescribes 与 reinforces 同为三单 -es 形态动词，This study __(28)__ what we are learning 处形态对得上，主体考生看 prescribes 不熟时容易硬猜；识破靠语义："研究"做主语只配"印证/强化"类动词，不配"开处方/规定"。

J) **registered** 最像第 30 空：同为 -ed 过去分词

registered 与 closed 都是 -ed 过去分词，was thought to have __(30)__ 形态上都满足；识破靠 the window 这个比喻——只有 close 配 window 表示"窗口关闭、关键期结束"。

SENTENCE INSIGHTS • 句子精讲

3 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Scientists have known that depriving adult mice of vision can increase the sensitivity of individual neurons(神经元) in the part of the brain devoted to hearing.

第1段，第1句

主句+宾语从句的结构是四六级和考研阅读中的高频句式，that 引导的宾语从句、动名词短语作主语、后置定语修饰名词等都是考试常见考点；学生掌握此句后可直接迁移到大量真题句中，典型性很高。

"This study reinforces what we are learning about how manipulating vision can have a significant effect on the ability of an animal to hear long after the window for auditory(听觉的) learning was thought to have closed," said Patrick Kanold, senior author of the study.

第2段，第1句

这句结构复杂但非常典型，既能训练长句拆层，也能训练多种时态和被动结构的辨认。对提升句子结构与时态分析能力，属于应优先反复练习的材料。

Kanold's earlier research disproved this idea by showing that depriving adult mice of vision for a short period increased the sensitivity of individual neurons in the auditory cortex(皮质), which is devoted to hearing.

第3段，第3句

涵盖主谓宾、方式状语、宾语从句、定语从句、动名词作主语、介词短语作定语等多种成分，且宾语从句主语是动名词短语这一点容易误判，非限制性定语从句的识别也有练习价值，成分种类丰富且有典型易错点。

真题卷第2套(2024-12) · 英语四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

If we care about plastic waste, why won't we stop drinking bottled water?

We have all seen the damage plastic waste is doing around the world, but sales of bottled water have continued to grow.

A) For all the innovation and choice that define the food and drink industries, if you want to make money, you could do a lot worse than fill a bottle with water and sell it. A litre of tap water, the stuff we have cleverly piped into our homes, costs less than half a penny. A litre of bottled water can cost well over a pound, especially for something fancy that has been sucked through a mountain. 尽管食品和饮料行业充满创新和选择，但如果你想赚钱，往瓶子里灌水去卖可能是最稳妥的办法之一。一升自来水，也就是我们巧妙地通过管道引入家中的水，成本不到半便士。而一升瓶装水的售价可能远超一英镑，尤其是那些号称经过山体过滤的高档水。

B) Yet the bottled water market is livelier than ever. It defies our increasing awareness of the harm plastics do to the environment and a broader, growing sense that something has to change. Sales in the UK were worth a record £558.4 million this past year, an increase of 7%, according to the latest figures from the market analyst Kantar. Separate data from other analysts show that last year the British consumed more than 2.2 billion litres of bottled water, including "take-home" and "on-the-go" products. That's an annual rise in volume of 8.5%.

然而，瓶装水市场比以往任何时候都更加活跃。它无视我们对塑料危害环境的日益认识，也无视一种更广泛、日益增长的变革意识。根据市场分析机构Kantar的最新数据，英国去年的销售额达到创纪录的5.584亿英镑，增长了7%。其他分析机构的独立数据显示，去年英国人消费了超过22亿升瓶装水，包括"家用"和"即饮"产品。这相当于销量年增长8.5%。

- C) Environmental campaigners are struggling to understand why nations blessed with clean tap water grow only fonder of the bottle. "It's very surprising to me," says Sam Chetan-Walsh, a political adviser at Greenpeace and campaigner against ocean plastic. "Public awareness has never been higher, but the message is not quite reaching all the people it needs to." Where it is heard, the message is causing concern. Plastic water bottles require oceans of fossil fuels to make and ship. Additionally, single-use plastics of all types are polluting our cities and seas. Numerous documentaries have shown how plastic is ultimately killing wildlife.

环保活动人士难以理解，为什么拥有清洁自来水的国家却对瓶装水愈发青睐。Greenpeace政治顾问兼海洋塑料反对运动者Sam Chetan-Walsh说：“这让我非常惊讶。公众意识从未如此之高，但信息并没有完全传达到所有需要听到的人。”在听到这一信息的地方，它正引发担忧。塑料水瓶的制造和运输需要消耗大量化石燃料。此外，各类一次性塑料正在污染我们的城市和海洋。众多纪录片已展示塑料最终如何杀死野生动物。

- D) Moves against various plastics have gathered pace, from shopping bags to straws and plastic-lined coffee cups. Chetan-Walsh argues that bottled water is different because the alternatives are so obvious. "If a product that is so nakedly unnecessary can exist, then the whole system is failing," he says.

针对各类塑料制品的行动正在加速推进，从购物袋到吸管再到塑料内衬咖啡杯。Chetan-Walsh认为瓶装水与众不同，因为替代品显而易见。他说：“如果一种如此明显不必要的产品都能存在，那么整个体系就是失败的。”

- E) Hope is not entirely out of reach. The rate of growth has begun to ease (sales were up 7% in the year, compared with 8% the previous year).

希望并非完全遥不可及。增长速度已开始放缓(当年销售额增长7%,而前一年为8%)。

- F) But even if large numbers of people are quitting bottled water because of care for the environment, others are taking it up. The introduction of the "sugar tax" on juices and soda drinks has pushed more people to bottled water, while health awareness has boosted its desirability. Tap water consumption is growing at roughly the same pace (UK consumers still drink almost three times as much tap water as bottled water).

但即使大量人群因关心环境而放弃瓶装水,其他人却开始使用它。针对果汁和碳酸饮料征收的“糖税”促使更多人转向瓶装水,而健康意识也提升了它的吸引力。自来水消费量正以大致相同的速度增长(英国消费者饮用的自来水仍然几乎是瓶装水的三倍)。

- G) So the plastic tide only creeps higher. The industry is quick to point out that all its bottles are recyclable. "But collection rates are, at the most generous estimates, 56%, so the actual recycling rate will be lower than that," Chetan-Walsh says. And while bottles may be recyclable, very few are made of recycled plastic. One water bottle company launched recycled half-litre "eco" bottles alongside its standard bottles. Another has pledged to use only recycled plastic across its range by 2025. Chetan-Walsh believes in a ban on single-use bottles. Bans do exist in some places. Organisers of a famous music festival announced that water bottles will not be sold this summer. San Francisco has banned them from city property and events. Last year, the UK government set out plans to ban single-use plastic from its estate.

因此塑料洪流只会越涨越高。该行业迅速指出其所有瓶子都可回收。“但回收率按最乐观估计也只有56%,所以实际回收率会更低,”Chetan-Walsh说。虽然瓶子可能是可回收的,但很少由回收塑料制成。

一家瓶装水公司推出了回收材料制成的半升“环保”瓶,与其标准瓶并行销售。另一家公司承诺到2025年在其全系列产品中只使用回收塑料。Chetan-Walsh主张禁止一次性瓶装水。某些地方确实存在禁令。一个著名音乐节的组织者宣布今年夏天将不再销售瓶装水。San Francisco已在市政财产和活动中禁止使用。去年,英国政府制定了在其管辖范围内禁止一次性塑料的计划。

- H) Water bottlers, unsurprisingly, don't support bans. But they raise concerns about health rather than profit margins. Last month one chief executive of a water bottling company said that bans would "result in greater consumption of sugary drinks, adding to all the health dangers of obesity, diabetes and tooth decay". Kinvara Carey, general manager of an association of the biggest bottled water manufacturers, cites a survey in which people were asked what they would do if bottled water were not available. "Forty-four per cent would buy another drink, which is not great, 14% would go without and 4.5% said they would find a fountain," she says. "The choice is important."

不出所料,瓶装水生产商不支持禁令。但他们提出的担忧涉及健康而非利润率。上月一家瓶装水公司的首席执行官表示,禁令将“导致含糖饮料消费增加,加剧肥胖、糖尿病和蛀牙等所有健康危害”。几家最大瓶装水制造商协会的总经理Kinvara Carey引用了一项调查,询问人们如果没有瓶装水会怎么做。她说:“44%的人会购买其他饮料,这并不理想,14%会不喝,4.5%表示会去找饮水机。选择很重要。”

- I) What if fountains were more numerous, and tap water more clearly available in cafes, restaurants and elsewhere? Dozens of fountains are being installed in London. There are similar initiatives elsewhere. Before plastic and the marketing that made people think they needed bottled water in the first place, fountains were an urban fixture. Greenpeace, among others, is also pushing for a "deposit return" scheme. This would mean tax on bottled water would be refunded to customers who returned the plastic for recycling.

如果饮水机更多,自来水在咖啡馆、餐厅和其他地方更容易获得会怎样?伦敦正在安装数十个饮水机。其他地方也有类似举措。在塑料和让人们认为自己首先需要瓶装水的营销出现之前,饮水机曾是城市的固定设施。Greenpeace等组织也在推动“押金返还”计划。这意味着瓶装水税款将退还给那些归还塑料用于回收的顾客。

- J) Even if bottled water sales are growing slightly more slowly, the industry is racing to adapt to changing concerns and tastes. Flavoured water is booming: sales of the sparkling variety shot up by 20%, according to the latest analyst data. Meanwhile, international water brands, as well as a range of new companies, are selling high-end reusable bottles. And if you must fill them with tap water, why not add flavouring?

即使瓶装水销售增长略有放缓,该行业仍在竞相适应不断变化的关切和口味。风味水正在蓬勃发展:根据最新分析数据,气泡水销量飙升了20%。与此同时,国际水品牌以及一系列新公司正在销售高端可重复使用水瓶。如果你必须用自来水灌装它们,为什么不添加调味剂呢?

- K) As the owner of multiple sugary drink brands and bottled water, PepsiCo is facing challenges on health and environmental fronts. Last year, the company bought SodaStream (a drinks company that sells machines for making tap water bubbly and then consumers add flavours) for \$3.2 billion. It also launched a range of fancy bottles that work with tap water and flavour packets. The bottle is reusable. The packets? Not so much, and, yes, they are made of plastic, although the company invites users to post them back for recycling.

作为多个含糖饮料品牌和瓶装水的所有者,PepsiCo在健康和环保方面都面临挑战。去年,该公司以32亿美元收购了SodaStream(一家销售使自来水变气泡水的机器,然后消费者添加风味剂的饮料公司)。它

还推出了一系列与自来水和风味包配套使用的高档水瓶。瓶子可重复使用。风味包呢?不太行,而且,是的,它们由塑料制成,尽管该公司邀请用户将其寄回回收。

L) As is so often the case, clever marketing can beat reason; awareness is rarely enough. "There is always this kind of slip between concern, intent and changed behaviour," says Giles Quick, an analyst of bottled water. "The best example is five a day, the recommendation to have at least five portions of fruit and vegetables every day. Almost everyone is aware of this, but something like 15% of us achieve it." Unless a far-reaching bottle ban does come into force, it will be up to consumers to not only demand change—but to act themselves.

正如常见的情况,巧妙的营销可以战胜理性;意识往往是不够的。瓶装水分析师Giles Quick说:"关切、意图和行为改变之间总是存在这种脱节。最好的例子是每日五份,即每天至少摄入五份水果和蔬菜的建议。几乎每个人都知道这一点,但我们中只有大约15%的人做到了。"除非出台一项影响深远的瓶装水禁令,否则这将取决于消费者不仅要求变革,而且要自己采取行动。

陈述句与逐句解析

36. Judging from the slowing rate of sales growth, there is still hope to combat bottled water.

从销售增长率放缓来看,对抗瓶装水仍有希望。

【答案】 E 段 (强锚点)

【锚点】 销售增速放缓

【定位】 The rate of growth has begun to ease (sales were up 7% in the year, compared with 8% the previous year).

增速已经开始放缓 (本年度销售增长 7%, 比前一年的 8% 有所下降)。

【改写】 the slowing rate of sales growth ↔ The rate of growth has begun to ease
slowing 与 has begun to ease 同义

there is still hope to combat bottled water ↔ Hope is not entirely out of reach
双重否定等于肯定

【辨邻】 B 段的重点是 Sales in the UK were worth a record £558.4 million this past year, an increase of 7%, 强调“销售在涨”, 没有 slowing 这层意思, 也没有 there is still hope 这一对照, 所以只是话题相邻、并非源头段。

Sales in the UK were worth a record £558.4 million this past year, an increase of 7%

37. Bottled water manufacturers base their arguments against bans of plastic bottles on health concerns rather than on profits.

瓶装水生产商反对禁用塑料瓶的论据基于健康问题而非利润。

【答案】 H 段 (强锚点)

【锚点】 厂商以健康为由反对禁令

【定位】 But they raise concerns about health rather than profit margins.
但他们打的是健康牌, 而不是利润牌。

【改写】 base their arguments against bans of plastic bottles on health concerns rather than on profits ↔

they raise concerns about health rather than profit margins

rather than 对照结构等值

Bottled water manufacturers ↔ **Water bottlers**

同义近义词指同一对象

38. Sales of bottled water in Britain hit a record high last year even though people are increasingly aware that plastics are environmentally unfriendly.

尽管人们越来越意识到塑料对环境不友好,英国瓶装水销量去年仍创下历史新高。

【答案】 **B** 段 (强锚点)

【锚点】 英国销售创纪录

【定位】 Sales in the UK were worth a record £558.4 million this past year, an increase of 7%.

英国本年度的销售额达到了创纪录的 5.584 亿英镑, 同比增长 7%。

【改写】 Sales of bottled water in Britain hit a record high last year ↔

Sales in the UK were worth a record £558.4 million this past year

record 对 record 加 UK 对 Britain

people are increasingly aware that plastics are environmentally unfriendly ↔

It defies our increasing awareness of the harm plastics do to the environment

increasing awareness 原词复现

【辨邻】 **E** E 段重点是 The rate of growth has begun to ease (sales were up 7% in the year, compared with 8% the previous year), 强调“在变慢”; 陈述句要的是 hit a record high, 方向相反, 因此 E 不是源头。

The rate of growth has begun to ease (sales were up 7% in the year, compared with 8% the previous year)

39. It often happens that people can lack reason when faced with skillful marketing.

人们在面对巧妙的营销时往往会丧失理性。

【答案】 **L** 段 (强锚点)

【锚点】 营销压过理性

【定位】 As is so often the case, clever marketing can beat reason; awareness is rarely enough.

正如经常发生的那样, 聪明的营销能压过理性; 仅有意识远远不够。

【改写】 people can lack reason when faced with skillful marketing ↔ **clever marketing can beat reason**

视角翻转的等值改写

It often happens that ↔ **As is so often the case**

频度状语同义

40. One city on the west coast of America has banned single-use bottles from its property and events.

美国西海岸的一座城市已在其物业和活动中禁止使用一次性瓶装水。

【答案】 **G** 段（强锚点）

【锚点】 美国西海岸某城禁瓶

【定位】 San Francisco has banned them from city property and events.

旧金山已经禁止在市政府的房产和活动中提供这类瓶装水。

【改写】 One city on the west coast of America ↔ **San Francisco**

具体城市对上位地理描述

banned single-use bottles from its property and events ↔

has banned them from city property and events

几乎逐词复现

【辨邻】 **D** D 段重点是 Moves against various plastics have gathered pace, 是宏观趋势, 没有点名美国城市, 与陈述句要找的“西海岸某城禁令”在颗粒度上不匹配。

Moves against various plastics have gathered pace, from shopping bags to straws and plastic-lined coffee cups

41. Manufacturing and shipping of plastic water bottles consume a tremendous amount of fossil fuels.

塑料水瓶的制造和运输消耗大量化石燃料。

【答案】 **C** 段（强锚点）

【锚点】 化石燃料消耗

【定位】 Plastic water bottles require oceans of fossil fuels to make and ship.

塑料水瓶的生产和运输需要消耗海量的化石燃料。

【改写】 Manufacturing and shipping of plastic water bottles ↔

Plastic water bottles require oceans of fossil fuels to make and ship

动词不定式对动名词

consume a tremendous amount of fossil fuels ↔ **require oceans of fossil fuels**

夸张量词同义替换

42. One large beverage company has adapted its operations when confronted with challenges from health and environmental advocates.

一家大型饮料公司在面对健康和环保倡导者的挑战时调整了其运营。

【答案】 **K** 段（强锚点）

【锚点】 一家大饮料公司因双压力做调整

【定位】 As the owner of multiple sugary drink brands and bottled water, PepsiCo is facing challenges on health and environmental fronts.

百事可乐作为多个含糖饮料品牌和瓶装水的母公司，正面临着来自健康和环保两个方面的挑战。

【改写】 One large beverage company ↔ **PepsiCo**

具体公司对上位描述

adapted its operations ↔

the company bought SodaStream (a drinks company that sells machines for making tap water bubbly and then consumers add flavours) for \$3.2 billion

动作概括对具体举措

challenges from health and environmental advocates ↔

facing challenges on health and environmental fronts

原词复现

【辨邻】 **H** H 段主语是反对禁令的瓶装水厂商，重点是 they raise concerns about health rather than profit margins——他们打健康牌反对禁令，而非“主动调整”。陈述句要的是“一家大公司被双压力推着做调整”，方向不符。

they raise concerns about health rather than profit margins

43. Bottled water is considerably more expensive than tap water.

瓶装水比自来水贵得多。

【答案】 **A** 段（强锚点）

【锚点】 瓶装水比自来水贵很多

【定位】 A litre of tap water, the stuff we have cleverly piped into our homes, costs less than half a penny. A litre of bottled water can cost well over a pound, especially for something fancy that has been sucked through a mountain.

一升自来水——也就是我们巧妙地通过管道引入家中的那种水——花费不到半便士。一升瓶装水却可能要花掉一英镑多，尤其是那种被吹嘘“从山中取水”的高端货。

【改写】 Bottled water is considerably more expensive than tap water ↔

A litre of bottled water can cost well over a pound

数字对照即比较

44. Fountains could be seen in cities before bottled water became popular.

在瓶装水流行之前，城市里可以看到喷泉。

【答案】 **I** 段（强锚点）

【锚点】 瓶装水流行前城市里有饮水龙头

【定位】 Before plastic and the marketing that made people think they needed bottled water in the first place, fountains were an urban fixture.

在塑料和那种让人们以为自己需要瓶装水的营销出现之前，饮水龙头就是城市里的标配。

【改写】 before bottled water became popular ↔

Before plastic and the marketing that made people think they needed bottled water in the first place

营销让人觉得需要等于流行

Fountains could be seen in cities ↔ **fountains were an urban fixture**

都市标配等于在城市随处可见

45. More people have taken to bottled water because of their health awareness.

由于健康意识,更多人开始饮用瓶装水。

【答案】 **F** 段 (强锚点)

【锚点】 因健康意识转向瓶装水

【定位】 The introduction of the "sugar tax" on juices and soda drinks has pushed more people to bottled water, while health awareness has boosted its desirability.

对果汁和苏打饮料征收的“糖税”，把更多人推向了瓶装水；与此同时，健康意识的提升也增强了瓶装水的吸引力。

【改写】 More people have taken to bottled water ↔ **has pushed more people to bottled water**

动词同义替换

because of their health awareness ↔ **health awareness has boosted its desirability**

原因状语对主谓因果

【辨邻】 **H** 段重点是 they raise concerns about health rather than profit margins——是厂商用健康话术反对禁令；陈述句要的是消费者因健康意识转向瓶装水，施动者与情节都不符。

they raise concerns about health rather than profit margins

PARAGRAPH MAP • 段落主旨图

12 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

A 用一组价格对比点题：自来水近乎不要钱，瓶装水却能卖到很贵，说明卖瓶装水是门好生意。

信息指纹 自来水与瓶装水的价格悬殊

B 尽管环保意识在涨，英国瓶装水市场反而创新高，给出销售额、增速与消费量等具体数据。

信息指纹 英国瓶装水销售额创纪录

C 环保人士困惑于自来水干净的国家反而更爱瓶装水，并指出瓶装水生产运输耗费大量化石燃料、塑料污染城市与海洋、危害野生动物。

信息指纹 瓶装水耗费化石燃料并污染海洋

D 反塑料行动正在推进；环保人士认为瓶装水尤其没必要，替代品很明显。

信息指纹 瓶装水的替代品显而易见

E 希望并非全无：销售增速本身在放缓，由前一年的 8% 降到 7%。

信息指纹 瓶装水销售增速放缓

F 即使有人因环保戒掉瓶装水，新人却在涌入：糖税推动一部分人转向瓶装水，健康意识也提升了瓶装水的吸引力。

信息指纹 糖税与健康意识推高瓶装水

G 回收率其实很低；多地已经出台单次使用瓶禁令，包括音乐节、旧金山以及英国政府的部分场所。

信息指纹 旧金山等地禁单次使用瓶

H 瓶装水厂商反对禁令，他们打的牌是健康而非利润：怕禁了瓶装水之后人们改喝含糖饮料、加重健康负担。

信息指纹 厂商以健康为由反对禁令

I 设想多设饮水点：伦敦正在装大量饮水龙头；并提到在塑料和营销出现之前，饮水龙头本是城市标配；绿色和平还在推押金返还方案。

信息指纹 塑料出现前饮水龙头是城市标配

J 即使瓶装水增长放缓，行业仍在快速适应：调味水猛增，高端可重复使用瓶兴起。

信息指纹 调味水与高端可重复使用瓶兴起

K 百事可乐既卖糖饮也卖瓶装水，面临健康与环保双重压力；它买下 SodaStream，并推出搭配自来水使用的可重复使用瓶。

信息指纹 百事面对健康与环保双压力的调整

L 聪明的营销往往压过理性，仅有意识远远不够；以“每日五份果蔬”为例说明知行差距；最后呼吁消费者行动。

信息指纹 营销压过理性、意识不等于行动

SENTENCE INSIGHTS • 句子精讲

26 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

If we care about plastic waste, why won't we stop drinking bottled water?

标题

"If 条件从句 + 主句疑问" 的结构在四六级和考研阅读中较为常见，常用于提出假设并引发思考或质疑。本句体现了条件状语从句与主句的典型搭配方式，以及疑问句在论证或反思中的应用，具有较高的代表性和迁移价值。

Yet the bottled water market is livelier than ever.

B段，第1句

主系表配合比较级结构在考试中较常见，但本句过于简短且无复杂修饰，作为句式范例的代表性一般，学习者掌握后可迁移到类似比较句，但复杂度不足以覆盖更多变体。

Sales in the UK were worth a record £558.4 million this past year, an increase of 7%, according to the latest figures from the market analyst Kantar.

B段，第3句

覆盖主语、系动词、表语、时间状语四种基本成分，且表语包含数量修饰（a record £558.4 million），可用于练习系表结构和状语识别，但成分种类较少，缺少宾语、定语从句等更复杂的结构，训练收益有限。

Separate data from other analysts show that last year the British consumed more than 2.2 billion litres of bottled water, including "take-home" and "on-the-go" products.

B段，第4句

主句 + that 引导的宾语从句是四六级和考研阅读中的高频句式，且数据展示类表达在学术和新闻文本中极为常见。从句内部的时间状语前置、数量修饰也是典型用法，掌握后可迁移到大量类似句子。

"Public awareness has never been higher, but the message is not quite reaching all the people it needs to."

C段，第3句

并列转折句在四六级和考研真题中极为常见，“but”连接两个主句是典型的对比句式。限制性定语从句修饰宾语、省略关系代词的用法也是考试高频结构。现在完成时表达历史对比、现在进行时描述当前状态，都是真题中反复出现的时态用法。整体句式具有较高的代表性和复用价值。

Where it is heard, the message is causing concern.

C段，第4句

状语从句前置、主句后置的结构在四六级和考研中常见，被动语态与进行时也是高频考点。句式具有一定代表性，可迁移到类似句型。

Additionally, single-use plastics of all types are polluting our cities and seas.

C段，第6句

简单句结构中包含主谓宾框架、并列宾语、后置定语、状语等常见要素，是四六级阅读中较常出现的基础句式，具有一定代表性，但不属于高频复杂句型。

"If a product that is so nakedly unnecessary can exist, then the whole system is failing," he says.

D段，第3句

条件状语从句 (if... then...)、限制性定语从句 (that 引导)、引述结构 (he says 引出直接引语) 都是四六级和考研阅读中高频出现的句式；这种“条件假设 + 结果推论”的论证逻辑在议论文中极为常见，掌握后可大量迁移。

But even if large numbers of people are quitting bottled water because of care for the environment, others are taking it up.

F段，第1句

让步状语从句 ("even if" 引导) + 主句的结构在四六级和考研真题中非常常见，属于典型的逻辑转折句式。短语动词 "take up" 及其宾语分隔用法也是常考点。句首的转折连词 "But" 配合让步从句，形成双重对比，这种句式在议论文中高频出现。掌握本句结构后，可以迁移到大量类似的让步转折句式。

The introduction of the "sugar tax" on juices and soda drinks has pushed more people to bottled water, while health awareness has boosted its desirability.

F段，第2句

主句加状语从句的结构在四六级和考研阅读中较为常见，"while" 引导对比或并行关系的用法也是典型考点。现在完成时在真题中频繁出现。整体结构具有较好的代表性和迁移价值。

Tap water consumption is growing at roughly the same pace (UK consumers still drink almost three times as much tap water as bottled water).

F段，第3句

主句覆盖主谓状基本成分，括号内分句包含主谓宾及副词状语，还涉及倍数表达和 "as...as" 比较结构的定语修饰，成分较为丰富。比较结构中宾语的识别需要学生区分核心词与修饰成分，有一定训练价值。

The industry is quick to point out that all its bottles are recyclable.

G段，第2句

主句带宾语从句的结构在四六级和考研阅读中非常常见，"be + 形容词 + to do" 句型以及 "that" 引导的宾语从句都是高频考点。掌握本句的分析方法可迁移到大量类似句式。

Bans do exist in some places.

G段，第8句

简单句本身是最常见句式，强调助动词的用法在考试中也偶有出现，具有一定代表性，但由于过于简短、结构单一，典型性不如包含从句或并列结构的复杂句式。

Last year, the UK government set out plans to ban single-use plastic from its estate.

G段，第11句

主谓宾结构配时间状语是新闻报道和说明文中的高频句式，宾语中用不定式短语作后置定语说明名词内容（plans to do）也是四六级阅读常见模式。虽非复杂长难句，但具备一定代表性，掌握后可迁移到同类新闻句式分析中。

But they raise concerns about health rather than profit margins.

H段，第2句

简单句的主谓宾结构是英语句子的基础句型，具有一定的典型性。宾语后使用 "rather than" 引导对比的介词短语修饰，在四六级和考研阅读中也较为常见。但由于没有从句、没有复杂修饰或特殊结构，作为考试句式的代表性中等偏下，学生掌握后可迁移的场景有限。

Kinvara Carey, general manager of an association of the biggest bottled water manufacturers, cites a survey in which people were asked what they would do if bottled water were not available.

H段，第4句

多层从句嵌套、定语从句修饰名词、宾语从句表达询问内容、虚拟语气表示假设，这些都是四六级和考研阅读中的高频句式，掌握本句结构后可迁移到大量真题长难句

Before plastic and the marketing that made people think they needed bottled water in the first place, fountains were an urban fixture.

I段，第4句

句子涵盖主系表结构、定语从句（关系代词 that 作主语）、宾语从句（省略引导词 that）、宾语补足语（省略 to 的不定式）、状语（介词短语和 in the first place）等多种成分类型。特别是 made people think 结构中，think 是省略 to 的不定式作宾补，后接宾语从句，这种层级嵌套对划分成分训练很有价值。成分种类丰富，覆盖常见易错点。

Even if bottled water sales are growing slightly more slowly, the industry is racing to adapt to changing concerns and tastes.

J段，第1句

让步状语从句加主句的结构在四六级和考研阅读中极为常见，"Even if/though + 从句 + 主句"是典型的让步句式。主句中"be doing to do"表示正在进行某动作以达成某目的，也是常考表达。掌握本句可迁移到大量同类句式。

Flavoured water is booming: sales of the sparkling variety shot up by 20%, according to the latest analyst data.

J段，第2句

冒号连接两个主句进行总分论述的结构在学术、新闻文体中较为常见，尤其是"提出观点+数据支撑"的模式在四六级阅读和写作中有一定代表性，但并非核心高频句式（如定语从句、状语从句、强调句等），典型性中等。

Meanwhile, international water brands, as well as a range of new companies, are selling high-end reusable bottles.

J段，第3句

简单句主谓宾结构在四六级和考研中常见，但本句因主语并列插入和进行时态的组合，具有一定实用性，能帮助学生熟悉"as well as"的主语连接用法，有中等代表性。

The packets? Not so much, and, yes, they are made of plastic, although the company invites users to post them back for recycling.

K段，第5句

本句的「主句 + although引导的让步状语从句」结构是四六级和考研阅读中的高频句式，让步转折逻辑在学术和新闻文本中极为常见；被动语态「are made of」和「invite sb to do sth」也是典型搭配；掌握这种让步状语从句的识别和逻辑理解，可以直接迁移到大量真题句子，实用性和代表性都较强。

As is so often the case, clever marketing can beat reason; awareness is rarely enough.

L段，第1句

"As is so often the case"引导的状语从句和分号连接的并列主句都是考试中常见的句式，尤其状语从句倒装和分号并列在四六级和考研阅读中频繁出现，掌握后可迁移到大量类似句子。

Unless a far-reaching bottle ban does come into force, it will be up to consumers to not only demand change—but to act themselves.

L段，第4句

本句包含形式主语 (it)、条件状语从句、并列不定式结构 (not only...but...)、固定搭配 (come into force, be up to) 等多种成分,且 "does" 的强调用法是易错点,适合作为成分划分和特殊结构识别的练习材料

Bottled water manufacturers base their arguments against bans of plastic bottles on health concerns rather than on profits.

第37题题干

本句的 "base A on B rather than on C" 结构在四六级和考研阅读中较为常见,属于典型的对比论证句式。宾语后附加定语、状语中使用 "rather than" 表达对比,这些都是真题中高频出现的模式。掌握本句结构后,学生可将其迁移到类似的对比或论证场景中,实用性较强。

Sales of bottled water in Britain hit a record high last year even though people are increasingly aware that plastics are environmentally unfriendly.

第38题题干

"主句 + even though 让步状语从句" 是四六级和考研阅读中的高频句式,用于表达事实与预期的对比。宾语从句嵌套在状语从句中也是典型的层级结构。整体句式代表性强,学习者掌握后可迁移到大量同类句子的理解中,具有较高的复用价值。

It often happens that people can lack reason when faced with skillful marketing.

第39题题干

"It happens that ..." 是四六级和考研阅读中极为常见的形式主语结构,主语从句嵌套状语从句的模式也是真题中的典型句式。掌握本句结构后,学生可以直接迁移到大量类似句型(如 It is said that、It seems that 等),实用性很高。

Part III Section C (1)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

P1 As a university student, I've come to realise just how little I know about money. I've come to the brutal realisation that Australia's youth are being done a great disservice by not receiving any consistent financial education.

作为一名大学生,我逐渐意识到自己对金钱知之甚少。我残酷地认识到,澳大利亚的年轻人因未能接受任何系统的金融教育而遭受了巨大的损失。

P2 Diving headfirst into the crash course of starting university, I've quickly tried to get myself up to speed with the financial terms of the modern era to help manage my personal finances.

在开始大学生活的速成课程中一头扎进去后,我迅速努力让自己跟上现代金融术语的步伐,以帮助管理我的个人财务。

P3 I've read some financial education books, done some online learning, and have spoken to my nearest and dearest for their pearls of financial wisdom.

我读了一些金融教育书籍,进行了一些在线学习,并向我最亲近的人请教他们的金融智慧。

P4 There are undoubtedly hundreds of great resources out there for those wishing to improve their financial literacy, but while I was researching, I still kept wishing that I didn't have to play catch-up with the money world. I felt that I was sailing the financial seas with no skills and no life jacket!

对于那些希望提高金融素养的人来说,无疑有数百种优秀的资源,但在我研究的过程中,我仍然不断希望自己不必在金钱世界中急起直追。我感觉自己在金融的海洋中航行,既没有技能也没有救生衣!

P5 However, after talking to my friends who felt the same, I quickly realised that it wasn't my ignorance but the lack of financial education in our schooling system that is leaving high schoolers seriously behind in the modern world of money.

然而,在与有同样感受的朋友交谈后,我很快意识到,不是我的无知,而是我们学校教育体系中缺乏金融教育,导致高中生在现代金钱世界中严重落后。

P6 Let's compare a theoretical financial education subject to the standard compulsory English class. On average, English may not be the most popular subject, but it's consistently on the schedule throughout high school, with all students graduating fluent in English.

让我们把一门理论上的金融教育课程与标准的必修英语课进行比较。平均而言,英语可能不是最受欢迎的科目,但它在整个高中阶段都持续出现在课程表上,所有学生毕业时都能流利使用英语。

P7 A financial education subject should do just the same. It shouldn't be just a one-day event but a course integrated throughout the whole of high school that would allow students to gradually expand their financial literacy, and would prevent the need for a 'catch up' phase once we're out on our own after graduation.

金融教育课程也应该做到同样的事情。它不应该只是一次性活动,而应该是一门贯穿整个高中阶段的课程,让学生逐步扩展他们的金融素养,并防止我们毕业独立后需要经历一个'追赶'阶段。

P8 In the same way that learning a language or new skills takes time, building financial skills requires practice and years to gradually accumulate bits and pieces of knowledge.

正如学习一门语言或新技能需要时间一样,培养金融技能需要实践和多年时间来逐步积累零散的知识。

P9 Giving young people the opportunity to become familiar with the world of money would provide them with a great advantage to enter adulthood with confidence and security so that they are able to manage their own money and look after themselves.

给年轻人提供熟悉金钱世界的机会,将为他们带来巨大优势,使他们能够自信而安全地进入成年期,从而能够管理自己的金钱并照顾好自己。

题目与逐题解析

46. What has the author come to realise since entering university?

- A) He needs a crash course on financial terms.
- B) He is very much lacking in financial literacy.
- C) It requires consistent education to be financially independent.
- D) It is unrealistic to give all Australian youth a financial education.

自从进入大学以来,作者意识到了什么?

- A) 他需要金融术语速成课程。 B) 他非常缺乏金融素养。 C) 实现财务独立需要持续的教育。
D) 为所有澳大利亚青年提供金融教育是不现实的。

【答案】 B (细节题)

【判型】 What has the author come to realise直接问一个具体认知结果, 不含infer/imply/mainly about等推断或主旨信号词。

【拆句】 What has the author come to realise since entering university?主干是What ... has come to realise, What作realise的宾语; since entering university是时间状语, 结构平铺直叙, 无陷阱。

【定位】 As a university student, I've come to realise just how little I know about money.

作为一名大学生, 我已经意识到自己对金钱了解得有多么少。

【选项】 A) 偷换概念

He needs a crash course on financial terms说作者需要一门速成课, 而原文Diving headfirst into the crash course of starting university里的crash course指的是大学开学这件事本身像速成课, 不是金融术语速成课。

B) ✓ 正确

just how little I know about money ↔ **lacking in financial literacy**

预判说我钱的知识少, He is very much lacking in financial literacy里的lacking in financial literacy正是这层意思的标准表达。

C) 答非所问

It requires consistent education to be financially independent谈的是要做到 financially independent的条件, 而题干问的是作者意识到什么, P1里realise的宾语并不是这个条件论。

D) 与原文相反

It is unrealistic to give all Australian youth a financial education说给澳洲青年金融教育不现实, 而原文Australia's youth are being done a great disservice by not receiving any consistent financial education恰恰是在痛心他们没有得到金融教育, 作者立场是该给而不是不现实。

47. How did the author feel in today's money world?

- A) Badly equipped to survive.
- B) Ignorant of financial literature.
- C) Barely capable of moving ahead.
- D) Overwhelmed by the resources online.

作者在当今货币世界中感觉如何?

- A) 生存装备严重不足。
- B) 对金融文献一无所知。
- C) 几乎没有能力向前发展。
- D) 被在线资源压得喘不过气来。

【答案】 A (细节题)

【判型】 How did the author feel直接问感受, 是关于感受这个事实的细节题, 不含推断信号词。

【拆句】 How did the author feel in today's money world?主干How did the author feel, in today's money world是地点/情境状语; 结构简单, 无陷阱。

【定位】 I felt that I was sailing the financial seas with no skills and no life jacket!

我感觉自己正在金融的海洋上航行, 却既没有技能也没有救生衣!

【选项】 A) ✓ 正确

sailing the financial seas with no skills and no life jacket ↔ **Badly equipped to survive**
预判说作者缺装备处境危险，Badly equipped to survive里badly equipped to survive正是这层意思的标准等值表达。

B) 偷换概念

Ignorant of financial literature里financial literature是金融文献，而原文谈的是 financial literacy/skills，文献和素养是两回事，选项偷换了对象。

C) 程度副词偷换

Barely capable of moving ahead说勉强能前进，原文no skills and no life jacket描绘的是完全无装备的处境，是不能前进而不是勉强能。

D) 答非所问

Overwhelmed by the resources online说被网络资源压垮，而原文hundreds of great resources out there并没有说作者被压垮，反而是肯定资源很多，作者的负面感受来自缺装备不是资源多。

48. What did the author realise after talking to his friends?

- A) They were as keen as he was on financial matters.
- B) The schooling system was to blame for his trouble.
- C) High schoolers knew nothing about the modern financial world.
- D) Financial courses were as unpopular as compulsory English classes.

作者在与朋友交谈后意识到了什么？

- A) 他们和他一样热衷于金融事务。 B) 学校教育制度应该为他的困境负责。
- C) 高中生对现代金融世界一无所知。 D) 金融课程和必修英语课一样不受欢迎。

【答案】 B (细节题)

【判型】 What did the author realise after talking to his friends问的是一个具体认知结果，没有 infer/imply等信号词。

【拆句】 What did the author realise after talking to his friends?主干What did the author realise, after talking to his friends是时间状语；结构平直，无陷阱。

【定位】 However, after talking to my friends who felt the same, I quickly realised that it wasn't my ignorance but the lack of financial education in our schooling system that is leaving high schoolers seriously behind in the modern world of money.

然而，和有同感的朋友们聊过之后，我很快意识到，让高中生在现代金钱世界里严重落后的，不是我的无知，而是我们学校系统里金融教育的缺失。

【选项】 A) 过度推断

They were as keen as he was on financial matters说朋友们也对金融问题热心，而原文my friends who felt the same只说朋友们有同感（同样觉得吃力），并没说他们热心研究金融。

B) ✓ 正确

not...but the lack of financial education in our schooling system ↔

The schooling system was to blame for his trouble

预判说学校系统背锅，The schooling system was to blame for his trouble里was to blame正是这层归因意思。

C) 以偏概全

High schoolers knew nothing about the modern financial world说高中生对金融世界一无所知，而原文leaving high schoolers seriously behind说的是严重落后不是一无所知，knew nothing是把落后扩大成零知识。

D) 无中生有

Financial courses were as unpopular as compulsory English classes说金融课和必修英语一样不受欢迎，原文English may not be the most popular subject只是承认英语不算最受欢迎，从未说金融课不受欢迎或两者并列，且这点出现在48题区间之外，纯属无中生有。

49. What is the author's idea of a financial education course?

- A) It should foresee students' needs after graduation.
- B) It should provide students with some basic knowledge.
- C) It should be taught the same way as English is taught.
- D) It should be integrated into high school education.

作者对金融教育课程的想法是什么？

- A) 它应该预见学生毕业后的需求。 B) 它应该为学生提供一些基础知识。
- C) 它应该像英语教学那样授课。 D) 它应该融入高中教育。

【答案】 D （细节题）

【判型】 What is the author's idea of a financial education course?问的是作者明确提出的具体主张，原文应有should句直接对应，不需推断。

【拆句】 What is the author's idea of a financial education course?主干What is the author's idea, of短语限定idea的对象，结构平直无陷阱。

【定位】 It shouldn't be just a one-day event but a course integrated throughout the whole of high school that would allow students to gradually expand their financial literacy, and would prevent the need for a 'catch up' phase once we're out on our own after graduation.

它不该只是一个一日活动，而该是一门贯穿整个高中阶段的课程，让学生逐步拓展自己的金融素养，从而避免我们毕业独立生活后还得补课。

【选项】 A) 偷换概念

It should foresee students' needs after graduation 说该课该预见学生毕业后的需求，而原文 prevent the need for a 'catch up' phase once we're out on our own after graduation 说的是避免毕业后补课，不是预见学生需求，foresee needs 偷换了 prevent the need 这层因果。

B) 以偏概全

It should provide students with some basic knowledge 说该课只该提供基础知识，而原文 gradually expand their financial literacy 说的是逐步拓展金融素养，且 years to gradually accumulate bits and pieces of knowledge 强调长期积累，some basic 把整个长期拓展过程缩成基础知识，是范围偷小。

C) 过度推断

It should be taught the same way as English is taught 说该课该用和英语一样的教法，而原文 Let's compare a theoretical financial education subject to the standard compulsory English class 只是拿英语做类比强调持续性，并没有说要在教法上完全一样，taught the same way 是把类比推过头。

D) ✓ 正确

a course integrated throughout the whole of high school ↔

It should be integrated into high school education

预判说该课应融入高中始终，It should be integrated into high school education 里 integrated into high school education 正是这层意思的同义表达。

50. What would financial literacy do to young people?

- A) Allow them to enter adulthood with financial security.
- B) Enable them to look after themselves without worrying about money.
- C) Render them confident and secure in terms of money management.
- D) Help them become familiar with the world of money.

金融素养会给年轻人带来什么？

- A) 让他们在经济有保障的情况下步入成年。
- B) 使他们能够照顾自己而无需担心金钱问题。
- C) 使他们在资金管理方面自信而有安全感。
- D) 帮助他们熟悉货币世界。

【答案】 C (细节题)

【判型】 What would financial literacy do to young people 问的是金融素养对年轻人的具体作用，原文应有直接对应句。

【拆句】 What would financial literacy do to young people? 主干 What would financial literacy do, to young people 是间接宾语；结构平直无陷阱。

【定位】 Giving young people the opportunity to become familiar with the world of money would provide them with a great advantage to enter adulthood with confidence and security so that they are able to manage their own money and look after themselves.

让年轻人有机会熟悉金钱世界，会让他们带着自信和安全感步入成年，并因此能够自己管理钱财、照顾好自己。

【选项】 A) **以偏概全**

Allow them to enter adulthood with financial security只保留了security丢掉了confidence，且把confidence and security压缩为financial security一项，原文是双重收益而不是只有金融安全。

B) **过度推断**

Enable them to look after themselves without worrying about money里without worrying about money是说不必为钱发愁，而原文able to manage their own money只说能管理钱，不等于不必为钱发愁，without worrying是从能管理钱推过头。

C) **✓ 正确**

enter adulthood with confidence and security so that they are able to manage their own money

↔ **Render them confident and secure in terms of money management**

预判说在金钱管理上自信且有安全感，Render them confident and secure in terms of money management里confident and secure in terms of money management正是这层意思最完整的同义替换。

D) **答非所问**

Help them become familiar with the world of money说帮他们熟悉金钱世界，而原文Giving young people the opportunity to become familiar with the world of money里熟悉金钱世界是金融素养这件事的前提条件而不是它带来的后果，题干问的是financial literacy带来什么，不是它是什么。

SENTENCE INSIGHTS • 句子精讲

11 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

I've come to the brutal realisation that Australia's youth are being done a great disservice by not receiving any consistent financial education.

第1段，第2句

come to the realisation that 结构和现在进行时被动语态 are being done 都是四六级和考研英语阅读中的高频句式。同位语从句解释抽象名词的用法极为常见（如 fact、idea、belief、news 等名词后接 that 从句），掌握本句结构后可直接迁移到大量类似表达，典型性强。

There are undoubtedly hundreds of great resources out there for those wishing to improve their financial literacy, but while I was researching, I still kept wishing that I didn't have to play catch-up with the money world.

第4段，第1句

句子结构典型、成分丰富、时态配合有层次，且包含常见的插入分隔和从句嵌套，作为训练材料能够同时练习并列关系、从句识别和时态搭配，综合训练价值较高，推荐优先练习

However, after talking to my friends who felt the same, I quickly realised that it wasn't my ignorance but the lack of financial education in our schooling system that is leaving high schoolers seriously behind in the modern world of money.

第5段，第1句

综合来看，该句难度适中，虽然嵌套较多但逻辑极其清晰。其包含的强调句、多重从句和丰富的句子成分，使其成为突破中等难度句子分析的必练经典句子。

It shouldn't be just a one-day event but a course integrated throughout the whole of high school that would allow students to gradually expand their financial literacy, and would prevent the need for a 'catch up' phase once we're out on our own after graduation.

第7段，第2句

句子成分丰富且具有典型性：主句含形式主语的判断（实际非形式主语）、并列表语结构、后置定语；定语从句含并列谓语、宾语加宾补结构；状语从句含系表结构和时间状语。覆盖了主谓宾补、主系表、定语从句修饰、状语从句嵌套等多种成分类型，适合作为综合练习句训练学生识别复杂修饰关系和并列结构的能力。

It is unrealistic to give all Australian youth a financial education.

第46题，D

形式主语 It + 系动词 + 形容词 + 不定式短语的结构，是四六级和考研英语阅读、写作中极其常见的句式，例如 It is important/necessary/difficult to do sth。掌握这一结构后可以大量复用，具有很高的典型性。

Financial courses were as unpopular as compulsory English classes.

第48题，D

主系表结构配合 "as...as" 比较结构在考试中较为常见，属于描述事物特征的典型句式，学生掌握后可用于理解类似比较句，有一定迁移价值

It should provide students with some basic knowledge.

第49题，B

"情态动词 + 动词原形" 和双宾语结构都是四六级和考研中高频出现的句式，"provide sb with sth" 是实用性强的动词搭配，具有较好的代表性和可迁移性，掌握后可应用于多种表达场景。

It should be taught the same way as English is taught.

第49题，C

本句体现了情态动词被动语态结构与比较状语从句的结合，这是考试中常见的句式组合；比较结构 "the same way as" 也是典型的比较表达，学习后可迁移到其他比较句型，代表性较强。

Allow them to enter adulthood with financial security.

第50题，A

"allow sb to do sth" 是四六级和考研英语阅读中的高频句型，祈使句在应用文写作和口语建议表达中也较为常见。本句结构具有较强的代表性和迁移价值，学生掌握后可在多种语境中复用。

Render them confident and secure in terms of money management.

第50题，C

本句覆盖谓语、宾语、宾语补足语、状语四种成分，且 "render + 宾语 + 宾补" 是使役动词的典型结构，值得练习。宾补由并列形容词构成，状语为介词短语，成分种类较丰富。但句子整体简单，缺少易错的成分嵌套或特殊结构，训练价值中等。

Help them become familiar with the world of money.

第50题，D

"help sb do sth" 是高频考点句型，祈使句形式在四六级听力和阅读中常见（尤其建议类、指令类语境），具有较强的代表性和迁移价值。

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 Chocolates save us from many things, especially emotional distress. They comfort us in times of trouble, calming down a racing heart by channelling happy calories inside us. We all have faith in chocolates to delight us in an instant!

巧克力拯救我们于许多事物之中,尤其是情感困扰。它们在困难时期安慰我们,通过向我们体内输送快乐的卡路里来平复狂跳的心脏。我们都相信巧克力能瞬间给我们带来愉悦!

P2 Recently, chocolate lovers were heartbroken as scientists claimed that they can become extinct by 2050! But hey, we have some happy news for you. Scientists can still help save chocolates from dying out! If you are not aware as to why scientists made the statement about the death of this wonderful thing, let us tell you the facts. Chocolate trees, whose seeds are used to make chocolate, grow in the tropical plant world and require very specific weather conditions to prosper.

最近,巧克力爱好者们心碎了,因为科学家声称巧克力可能在2050年灭绝!但是,我们有一些好消息要告诉你。科学家仍然可以帮助拯救巧克力免于消亡!如果你不知道科学家为什么对这一美妙事物的消亡做出声明,让我们告诉你事实。巧克力树的种子被用来制作巧克力,它们生长在热带植物世界中,需要非常特定的天气条件才能繁荣生长。

P3 Now, fifty percent of the world's cocoa(可可) beans come from two countries in West Africa: Côte d'Ivoire and Ghana. Scientists believe that both of these countries will experience a 3.8°F temperature increase by 2050 due to global warming, endangering the cacao(可可树) farms in the

rainforests. These farms will then have to be shifted to cooler mountainous areas, which are the natural habitat of wildlife. This will lead to some tough decisions: whether to grow chocolate or save wildlife. 现在,世界上百分之五十的可可豆来自西非的两个国家:科特迪瓦和加纳。科学家认为,由于全球变暖,到2050年这两个国家都将经历3.8华氏度的温度上升,危及雨林中的可可树种植园。这些种植园将不得不转移到更凉爽的山区,而那里是野生动物的天然栖息地。这将导致一些艰难的决定:是种植巧克力还是拯救野生动物。

P4 Unfortunately, the crisis of global warming has already had a serious negative impact on cacao farms' yields, leading to the prices of chocolates skyrocketing. 不幸的是,全球变暖危机已经对可可种植园的产量产生了严重的负面影响,导致巧克力价格飙升。

P5 Scientists, however, are trying to find a long-term and eco-friendly solution to this problem! They are trying to modify the species with a gene-editing technology, which will transform the seedlings into a species that survives even in a drier and warmer climate. 然而,科学家正在努力寻找一个长期且环保的解决方案来应对这个问题!他们正在尝试用基因编辑技术改造物种,这将把幼苗转变为即使在更干燥和更温暖的气候中也能存活的物种。

P6 According to a report by The Business Insider, in the University of California's new bio-sciences building, tiny green cacao seedlings are lined up in refrigerated greenhouses for a new experiment by using a technology called CRISPR. By manipulating the DNA of plants, this technology is already being used across the world to make plants tougher and cheaper. Similarly, in this unconventional experiment, scientists will make tiny, precise changes to the DNA of the seedlings to make the cocoa crops survive in warmer and drier climates. 根据The Business Insider的一份报告,在加利福尼亚大学的新生物科学大楼里,微小的绿色可可幼苗在冷藏温室中排列成行,用于一项使用CRISPR技术的新实验。通过操纵植物的DNA,这项技术已经在世界各地被用来使植物更强壮、更便宜。同样,在这项非常规实验中,科学家将对幼苗的DNA进行微小而精确的改变,以使可可作物在更温暖和更干燥的气候中存活。

题目与逐题解析

51. What do people believe chocolates can do?

- A) Cheer them up instantly.
- B) Create happy calories.
- C) Conceal emotional distress.
- D) Relieve them of heart trouble.

人们认为巧克力能做什么?

A) 立即让他们振奋起来。 B) 制造快乐的卡路里。 C) 掩盖情绪困扰。 D) 缓解他们的的心脏问题。

【答案】 A (细节题)

【判型】 What do people believe chocolates can do? 问的是巧克力能干什么这一具体功能, 没有infer/imply/mainly 等信号词。

【拆句】 题干主干 What do people believe chocolates can do? 是一个嵌套宾语从句的特殊疑问句：What 是 do 的宾语，people 是主语，believe 后跟省略 that 的宾语从句 chocolates can do (what)。结构平铺直叙，无陷阱。

【定位】 We all have faith in chocolates to delight us in an instant!

我们都相信巧克力能在一瞬间让我们开心起来！

【选项】 A) ✓ 正确

delight us in an instant ↔ **Cheer them up instantly**

「瞬间让人开心」的预判与 Cheer them up instantly 在语义上完全重合，无差量，直接锁定。

B) 偷换概念识别

Create happy calories 把原文 channelling happy calories inside us 中「输送/导入愉快卡路里」当成「创造卡路里」，把比喻动作偷换成 create。

C) 与原文相反识别

原文是 They comfort us in times of trouble——「安抚」情绪，而 Conceal emotional distress 说「隐藏」情绪，安抚≠隐藏，意思相反。

D) 过度推断识别

原文 calming down a racing heart 是比喻「让狂跳的心平静下来」，而 Relieve them of heart trouble 把 racing heart 强行解为「心脏疾病」并把 calming down 换成 relieve...of，属于过度推断。

52. What was scientists' recent assertion about chocolates?

- A) They could become a rare treat in the near future.
- B) They could calm people down a bit in times of crisis.
- C) They could prevent people from getting heartbroken.
- D) They could become unavailable in less than 30 years.

科学家最近关于巧克力的断言是什么？

- A) 在不久的将来它们可能会成为稀罕物。 B) 在危机时期它们可以让人们稍微平静下来。
- C) 它们可以防止人们心碎。 D) 在不到30年的时间里它们可能会变得无法获得。

【答案】 D (细节题)

【判型】 What was scientists' recent assertion about chocolates? 问的是科学家断言的具体内容，原文中可定位一句即可作答。

【拆句】 题干 What was scientists' recent assertion about chocolates? 是 What...be 句型，主语 scientists' recent assertion 由所有格 + 形容词 + 名词构成，about chocolates 是后置介词短语修饰 assertion。结构简单，无陷阱。

【定位】 Recently, chocolate lovers were heartbroken as scientists claimed that they can become extinct by 2050!

最近，巧克力爱好者们伤心欲绝，因为科学家声称巧克力到 2050 年可能灭绝！

【选项】 A) 过度推断识别

They could become a rare treat in the near future 说巧克力会变成「稀有美食」，但原文是 extinct（灭绝/绝种），不是 rare（稀少），属于程度上的过度推断与偷换。

B) 答非所问识别

They could calm people down a bit in times of crisis 描述的是巧克力的安抚功能，是首段的内容；题干问的是「科学家最近的断言」，不在第一段范围内。

C) 与原文相反识别

They could prevent people from getting heartbroken 利用 chocolate lovers were heartbroken 中的 heartbroken 反向拼凑，把「伤心」错改为「防止伤心」，与原文方向完全相反。

D) ✓ 正确

they can become extinct by 2050 ↔ They could become unavailable in less than 30 years
「2050 年前灭绝」的预判与 They could become unavailable in less than 30 years 完全重合，时间值与「灭绝/不可得」均对得上。

53. What would happen if the cacao farms were shifted to cooler mountainous areas?

- A) The natural habitat of wildlife there would be ruined.
- B) The cacao farmers would have a tough time to adapt.
- C) The rainforests would be shrinking dramatically.
- D) The quality of cocoa beans would suffer greatly.

如果可可农场转移到更凉爽的山区会发生什么？

- A) 那里野生动物的自然栖息地将被破坏。
- B) 可可农民适应起来会很艰难。
- C) 热带雨林将急剧缩小。
- D) 可可豆的质量将大受影响。

【答案】 A (细节题)

【判型】 What would happen if the cacao farms were shifted to cooler mountainous areas? 是 if 条件下的客观结果，可直接到原文条件句中找到表述。

【拆句】 题干 What would happen if the cacao farms were shifted to cooler mountainous areas? 是 What + 虚拟条件句：主句 what would happen 用 would，从句 were shifted 是被动语态，整体表达「假设农场被迁走，会发生什么」。要注意 were shifted 是被动结构，主体是农场而非农民。

【定位】 These farms will then have to be shifted to cooler mountainous areas, which are the natural habitat of wildlife.

这些农场届时将不得不被迁到更凉爽的山区，而那里正是野生动物的自然栖息地。

【选项】 A) ✓ 正确

cooler mountainous areas, which are the natural habitat of wildlife ↔

The natural habitat of wildlife there would be ruined

whether to grow chocolate or save wildlife ↔ **would be ruined**

「侵占并破坏野生动物栖息地」的预判与 The natural habitat of wildlife there would be ruined 完全重合。

B) 无中生有识别

The cacao farmers would have a tough time to adapt 谈的是「农民适应困难」，原文从未提及农民的适应问题，纯属编造。

C) 答非所问识别

The rainforests would be shrinking dramatically 谈的是雨林萎缩，但题干问的是「农场迁到凉爽山区之后」，迁出地（雨林）的变化并不是题干问的「会发生什么」的核心后果，且原文未说雨林会因此显著萎缩。

D) 无中生有识别

The quality of cocoa beans would suffer greatly 说可可豆质量会大幅下降，原文从未谈及「质量」问题，只提到产量（yields）下降；属于无中生有。

54. What do we learn about the cacao farms in the crisis of global warming?

- A) They try to seek help from gene-editing scientists.
- B) They decide to move to cooler mountainous areas.
- C) They have suffered a lot due to a decrease in produce.
- D) They have benefited by raising prices of cocoa beans.

关于全球变暖危机中的可可农场我们了解到什么？

- A) 它们试图向基因编辑科学家寻求帮助。 B) 它们决定搬到更凉爽的山区。
- C) 由于产量下降它们遭受了很大损失。 D) 它们通过提高可可豆价格而获益。

【答案】 C （细节题）

【判型】 What do we learn about the cacao farms in the crisis of global warming? 问的是文中告诉我们的客观事实，可在原文找一句直接陈述。

【拆句】 题干 What do we learn about the cacao farms in the crisis of global warming? 主干为 What do we learn about Y, about 后接 the cacao farms in the crisis of global warming, in 引导的介词短语充当 farms 的处境状语。结构平铺直叙，无陷阱。

【定位】 Unfortunately, the crisis of global warming has already had a serious negative impact on cacao farms' yields, leading to the prices of chocolates skyrocketing.

不幸的是，全球变暖危机已经严重负面地影响了可可园的产量，导致巧克力价格飙升。

【选项】 A) 无中生有识别

They try to seek help from gene-editing scientists 说农场主动求助科学家，原文第五、六段是科学家自己在研究、不是农场求助，属无中生有。

B) 时态偷换识别

They decide to move to cooler mountainous areas 把原文第三段 will then have to be shifted 这一未来「将不得不被迁」错读为已经「决定迁移」，时态与主动性都被改了。

C) ✓ 正确

had a serious negative impact on cacao farms' yields ↔

They have suffered a lot due to a decrease in produce

「农场产量受严重负面影响」的预判与 They have suffered a lot due to a decrease in produce 在语义上一致；C 把「产量下滑」前移为原因，更贴合题干「What do we learn about the cacao farms」的视角。

D) 与原文相反识别

They have benefited by raising prices of cocoa beans 说农场因涨价获益，但原文是「产量下降→巧克力价格飙升」，价格飙升是消极后果而非农场获益；属与原文相反。

55. What are scientists trying to do in the University of California's new bio-sciences building?

- A) Build rows of refrigerated greenhouses for research on cacao seedlings.
- B) Gene-edit cacao seedlings for them to withstand a drier, warmer climate.
- C) Produce chocolates with the latest gene-editing technology.
- D) Transplant the genes of tougher plants to cacao seedlings.

科学家们正试图在加州大学的新生物科学大楼里做什么？

- A) 建造成排的冷藏温室用于可可幼苗研究。
- B) 对可可幼苗进行基因编辑使其能够承受更干燥、更温暖的气候。
- C) 用最新的基因编辑技术生产巧克力。
- D) 将更强韧植物的基因移植到可可幼苗中。

【答案】 B (细节题)

【判型】 What are scientists trying to do in the University of California's new bio-sciences building? 问的是科学家在特定地点的具体行动，可在原文末段直接找到。

【拆句】 题干 What are scientists trying to do in the University of California's new bio-sciences building? 是 What + 进行时疑问句：trying to do 表达科学家此刻正努力做某事，in 引导的地点状语限定场景。结构清晰，无陷阱。

【定位】 in this unconventional experiment, scientists will make tiny, precise changes to the DNA of the seedlings to make the cocoa crops survive in warmer and drier climates.

在这个非常规实验中，科学家将对种苗的 DNA 做出细微而精确的改变，以使可可作物能在更暖、更干的气候中存活。

【选项】 A) 答非所问识别

Build rows of refrigerated greenhouses for research on cacao seedlings 把原文 tiny green cacao seedlings are lined up in refrigerated greenhouses 中的「冷藏温室」错读为科学家在「建造温室」，但温室只是已有的实验环境，不是科学家正在做的目的。

B) ✓ 正确

make tiny, precise changes to the DNA of the seedlings ↔ **Gene-edit cacao seedlings**
to make the cocoa crops survive in warmer and drier climates ↔
for them to withstand a drier, warmer climate

「基因编辑可可种苗 + 让其耐暖耐旱」的预判与 Gene-edit cacao seedlings for them to withstand a drier, warmer climate 在两个语义成分上都重合。

C) 过度推断识别

Produce chocolates with the latest gene-editing technology 把目标直接定为「生产巧克力」，但原文目的是先改造种苗使可可作物耐气候，距离「生产巧克力」还有多步，属过度推断。

D) 无中生有识别

Transplant the genes of tougher plants to cacao seedlings 说把更耐性强植物的基因移植到可可种苗，原文只说对种苗 DNA 做精细修改，未提「移植其他物种基因」，属无中生有。

SENTENCE INSIGHTS • 句子精讲

10 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

They comfort us in times of trouble, calming down a racing heart by channelling happy calories inside us.

第1段，第2句

本句涵盖了主语、谓语、宾语、时间状语（介词短语 in times of trouble）、方式状语（现在分词短语 calming down）这几类常见成分，且现在分词短语内部还嵌套了 by 引导的方式状语和介词短语 inside us。对于练习非谓语动词作状语、介词短语的层级修饰关系有一定价值。

Chocolate trees, whose seeds are used to make chocolate, grow in the tropical plant world and require very specific weather conditions to prosper.

第2段，第5句

非限制性定语从句插入主句、并列谓语、被动语态加不定式表目的，都是四六级和考研阅读中的高频句式。这类句子在科普类和说明文中大量出现，掌握后可以应对类似的植物学、生物学、农业科技类文章。句式典型且实用性强。

Scientists believe that both of these countries will experience a 3.8°F temperature increase by 2050 due to global warming, endangering the cacao(可可树) farms in the rainforests.

第3段，第2句

"主句 + that 宾语从句" 是四六级和考研阅读中的高频句式，科学报道和学术文章中常见此类结构陈述观点或研究发现。句尾现在分词短语作状语也是常考的非谓语用法。整体句式具有较高的代表性，学生掌握后可迁移到大量类似真题句子，典型性较强。

This will lead to some tough decisions: whether to grow chocolate or save wildlife.

第3段，第4句

主句加同位语从句的结构在四六级和考研阅读中较为常见，尤其是用冒号引出同位语说明抽象名词内容的用法。并列不定式表示选择的句式也是典型的表达方式。掌握本句结构后，可迁移到类似的同位语从句和并列结构的理解和运用中，具有较高的典型性。

Unfortunately, the crisis of global warming has already had a serious negative impact on cacao farms' yields, leading to the prices of chocolates skyrocketing.

第4段，第1句

简单句 + 现在完成时 + 分词短语作结果状语的组合，在四六级和考研真题中较为常见。现在完成时的用法（表示过去对现在的影响）和分词短语作状语（表示结果、伴随）是高频考点。掌握本句结构后，可迁移到大量类似句式的理解和翻译中。

They are trying to modify the species with a gene-editing technology, which will transform the seedlings into a species that survives even in a drier and warmer climate.

第5段，第2句

定语从句的嵌套使用、非限制性和限制性定语从句的组合、“transform A into B”结构、现在进行时表当前动作、一般将来时表预期结果，这些都是四六级和考研阅读中的高频句式，具有很强的代表性和复用价值。

Similarly, in this unconventional experiment, scientists will make tiny, precise changes to the DNA of the seedlings to make the cocoa crops survive in warmer and drier climates.

第6段，第3句

本句体现了说明文或科技文常见的句式：主语+谓语+宾语+后置定语+不定式目的状语。不定式作目的状语以及介词短语作后置定语都是四六级、考研阅读中的高频结构，且使役动词“make”的用法（make sb/sth do）也是常考点，具有较强的代表性和迁移价值。

They could prevent people from getting heartbroken.

第52题，C

“情态动词 + 动词原形”和“prevent sb from doing”是四六级及考研中常见的结构，具有较好的代表性和迁移价值，但简单句的整体框架在真题中属于基础句型，不如复合句或并列句那样高频且多变。

What would happen if the cacao farms were shifted to cooler mountainous areas?

第53题 题干

“What would happen if...”是四六级和考研阅读中常见的假设推测句式，条件状语从句搭配虚拟语气也是高频考点。这种结构在议论文和科普文章中反复出现，掌握后可广泛应用于类似语境的理解。

They decide to move to cooler mountainous areas.

第54题，B

“主语 + 谓语 + 不定式宾语”是常见句式（如 decide to do、plan to do），在考试中频繁出现，但本句结构过于简单，不涉及从句或复杂修饰，代表性中等。

本篇出现的 43 个英语四级真题高频词

下列单词既在本篇真题中出现，又是 **英语四级** 历年真题的高频词（在该考试真题中出现的句子数均不少于 8）。每个词标注本篇 出现次数与该考试真题句频，点击可查看该词的释义、音标、词形与真题例句。

2024年12月·第2套英语四级汉译英（段落翻译）·客观介绍中国新能源汽车产业的现状与成就 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2024年12月·第2套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第2套(2024-12) • 英语四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

近年来，中国新能源汽车产业发展迅速。目前，中国新能源汽车年产量已高达近千万辆，占全球市场份额超过 60%，出口量不断创出新高。中国政府通过加大资金投入和政策引导，鼓励新能源汽车企业进行技术创新，不断提高产品在市场上的竞争力。中国新能源汽车产业的发展不仅有力推动了国内经济发展，也为全球新能源利用和环境保护做出了积极贡献。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

In recent years, China's new energy vehicle industry has developed rapidly. At present, China's annual output of new energy vehicles has reached nearly 10 million units, accounting for over 60% of the global market share, while its exports keep hitting new highs. To achieve this, the Chinese government, by increasing funding and providing policy guidance, encourages new energy vehicle enterprises to make technological innovations and continuously enhance the market competitiveness of their products. As a result, the development of this industry has not only powerfully boosted domestic economic growth, but also made positive contributions to the global use of new energy and environmental protection.

【衔接】句1与句2之间：用时间状语自然承接

句1 In recent years... 讲"近年发展迅速"，句2 At present... 讲"目前的具体数据"，两句靠 In recent years → At present 这组时间状语形成"概述→具体"的自然过渡，无需额外加连接词，读者一看就知道是在把上一句的"迅速"落到数据上。

句2与句3之间：从"成绩"转到"原因"，可补过渡

句2 占全球市场份额超过 60% 是成绩，句3 中国政府通过加大资金投入和政策引导 是政府推动这一成绩的原因。可在句3前补 To achieve this / Behind these achievements 之类短语点出"成绩背后是政府推动"，让"现状→动因"的逻辑显出来；若不加，两句客观陈述并列也通顺。

句3与句4之间：从"举措"升华到"意义"，可补 As a result

句3讲政府举措与企业创新，句4 中国新能源汽车产业的发展不仅.....也..... 是这些举措的总体意义与贡献。两句是"努力→成效"的因果，可在句4前补 As a result / Overall 提示这是收束性的总评，整篇逻辑链"现状—动因—意义"就完整了。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

【主旨】客观介绍中国新能源汽车产业的现状与成就

全段是一篇典型的四级"中国社会经济成就"介绍文，客观陈述近年中国新能源汽车产业的发展、产量、出口、政策与贡献，开篇 近年来，中国新能源汽车产业发展迅速。就定下"讲一个正在持续的事实"的基调。语体是中性、正式的客观陈述，用词宜平实准确（如"产业"industry、"产量"output/production、"市场份额"market share），不必文学化。

【时态】一般现在时

通篇是对当下产业状况的客观介绍与陈述（产业"发展迅速"、产量"已高达"、份额"超过60%"都是描述现状），属"现在的事实"，故全篇默认一般现在时。仅 有力推动了国内经济发展，也为全球新能源利用和环境保护做出了积极贡献。这类已发生、有结果的动作，可酌情用现在完成时表"已经做出并影响至今"。

【译法】新能源汽车

全篇反复出现的核心术语 新能源汽车，统一译作 new energy vehicles（业内通用约定译法，常缩写 NEVs）。全篇只用这一种译法，切勿一会儿 new energy cars、一会儿 clean energy automobiles 来互换。

新能源汽车产业

新能源汽车产业 统一译作 China's new energy vehicle industry（"产业"用 industry，不要用 enterprise/business）。注意修饰名词时 vehicle 多用单数作定语（new energy vehicle industry）。

中国政府

中国政府 统一译作 the Chinese government（特指，加定冠词 the；government 不大写）。

1. 近年来，中国新能源汽车产业发展迅速。

【主干】 主语=产业，谓语=发展，方式=迅速（主语策略：原句主语）

中文已有明确主语 中国新能源汽车产业，直接作英文主语 China's new energy vehicle industry；核心动词 发展 作谓语 develop / grow；"迅速"作状语 rapidly。主干即 China's new energy vehicle industry has developed rapidly。

【降级】 本就是简单句，无需降级

全句只有一个动作"发展迅速"，结构简单，主谓状一字排开即可，无需把任何成分降级成从句或非谓语。只需把时间状语 近年来 译作 in recent years，按英文习惯置于句首或句末。

【语法】 时态

近年来 表示"过去几年延续到现在"的发展，最贴切的是现在完成时 has developed，强调"至今已经发展起来"；若用一般现在时 develops rapidly 也可接受。和 in recent years 搭配时，现在完成时最稳。

主谓一致

主语 industry 是单数第三人称，故助动词用 has (has developed)，不是 have。

【译文】 In recent years, China's new energy vehicle industry has developed rapidly.

2. 目前，中国新能源汽车年产量已高达近千万辆，占全球市场份额超过 60%，出口量不断创出新高。

【主干】 以"年产量"领起，三个分句各立主谓（主语策略：原句主语）

本句是三个并列信息：年产量、市场份额、出口量。可让 中国新能源汽车年产量 作首分句主语 China's annual output of new energy vehicles，谓语"高达" has reached；后两个分句 占全球市场份额超过 60%、出口量不断创出新高 各自另立主谓，避免一个主语硬带三套谓语。

【降级】 拆成主句+分词状语+独立分句

占全球市场份额超过 60% 与年产量是"同一主体的伴随说明"，可降级成现在分词状语 accounting for over 60% of the global market share 挂在主句后，避免再起一句重复主语；出口量不断创出新高 主体换成"出口量"，另起一句 while exports keep hitting new highs，用 while 连接，而非用 and 平铺三件事。

【语法】 时态

目前 标志现状，主体用一般现在时；"已高达"含"已经达到"语气，可用现在完成时 has reached，与"目前"并不冲突。"不断创出新高"是持续状态，用一般现在时 keep hitting。

数字与单位

近千万辆 译作 nearly 10 million units ("万"换算成 million: 千万=10 million; "辆"用 units 或省略)。超过 60% 译 over 60% / more than 60%。注意"近"用 nearly/almost 修饰，别漏。

单复数

"出口量"取 exports (复数，泛指出口的货物总量)；market share 为不可数，前加 the global market share。

介词搭配

"占.....份额"固定搭配 account for (accounting for over 60% of ...)，不是 occupy；"创出新高"用 hit/reach new highs。

【译文】 At present, China's annual output of new energy vehicles has reached nearly 10 million units, accounting for over 60% of the global market share, while its exports keep hitting new highs.

3. 中国政府通过加大资金投入和政策引导，鼓励新能源汽车企业进行技术创新，不断提高产品在市场上的竞争力。

【主干】 主语=中国政府，主谓=政府 鼓励 企业（主语策略：原句主语）

中文主语明确为 中国政府，作英文主语 the Chinese government；核心动作是 鼓励新能源汽车企业进行技术创新，用 encourage...to do 作主干谓语 encourages NEV enterprises to make technological innovations。

【降级】 "通过....."作方式状语，"不断提高竞争力"作目的/结果

通过加大资金投入和政策引导 是方式，降级成介词短语 by increasing funding and providing policy guidance 作方式状语；不断提高产品在市场上的竞争力 是这一鼓励带来的目的/结果，降级成不定式 to continuously enhance the market competitiveness of their products，而不是再用 and 平接第三个谓语。

【语法】 时态

本句陈述政府一贯做法，回指全篇基调用一般现在时：encourages（主语 the government 单数，动词加 s）。

主谓一致

主语 the Chinese government 视作单数，谓语 encourages 加 s；后接的 enterprises 是复数（不止一家企业）。

单复数与冠词

"企业"泛指一类、不止一家，用复数 enterprises（不加 the）；"技术创新"译 technological innovation(s) 均可；"产品"用 their products 复数，their 指代企业。

介词搭配

"通过....."用 by + doing；"加大投入"用 increase funding / increase investment；"政策引导"用 policy guidance。

【译文】 The Chinese government, by increasing funding and providing policy guidance, encourages new energy vehicle enterprises to make technological innovations and continuously enhance the market competitiveness of their products.

4. 中国新能源汽车产业的发展不仅有力推动了国内经济发展，也为全球新能源利用和环境保护做出了积极贡献。

【主干】 主语=产业的发展，谓语=推动/做出贡献（主语策略：原句主语）

中文主语为 中国新能源汽车产业的发展，作英文主语 The development of China's new energy vehicle industry；两个并列谓语 有力推动了国内经济发展 has powerfully boosted... 与 也为全球新能源利用和环境保护做出了积极贡献 has also made positive contributions...，由 not only... but also... 关联。

【降级】 "不仅.....也....."对应 not only... but also...

中文 不仅.....也..... 是典型递进并列，直接对应固定关联结构 not only... but (also)...，把两个谓语 boosted... 和 made contributions... 分别接在 not only 与 but also 之后，无需拆成两句。

【语法】 时态

推动了、做出了 含"已经.....并产生影响"的语气，用现在完成时 has boosted / has made，与全篇现在时基调相容（表已发生且影响延续）。

主谓一致

主语中心词是 development（单数），故用 has，不是 have——别被后面 industry、economy 等名词带偏。

固定搭配

"做出贡献"固定搭配 make contributions to（介词 to 后接名词/动名词）；"推动经济发展"用 boost / promote economic development。

单复数

"贡献"用复数 contributions（搭配 positive contributions）；"新能源利用"the use of new energy；"环境保护"environmental protection（不可数，不加 s）。

【译文】 The development of China's new energy vehicle industry has not only powerfully boosted domestic economic growth, but also made positive contributions to the global use of new energy and environmental protection.
