

四级·真题卷第3套·2024年6月

Part I

Writing

(30 minutes)

Directions: Suppose your university is seeking students' opinions on whether university canteens should be open to the public. You are now to write an essay to express your view. You will have 30 minutes for the task. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

本部分与 2024年6月第2套 共用, 点击查看

Section B

本部分与 2024年6月第2套 共用, 点击查看

Section C

本部分与 2024年6月第2套 共用, 点击查看

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Over the coming decades, millions of jobs will be threatened by robotics and artificial intelligence. Despite intensive academic 26 on these developments, there has been little study on how workers 27 to being replaced through technology.

To find out, business researchers at TUM and Erasmus University Rotterdam conducted 11 studies and surveys with over 2,000 persons from several countries.

The findings show: In principle, most people view it more 28 when workers are replaced by other people than by robots or intelligent software. This preference 29, however, when it refers to people's own jobs. When that is the case, the majority of workers find it less upsetting to see their own jobs go to robots than to other employees. In the long term, however, the same people see machines as more threatening to their future role in the workforce. These effects can also be observed among people who have recently become unemployed.

The researchers were able to identify the causes behind these 30 paradoxical results, too: People tend to 31 themselves less with machines than with other people. Consequently, being replaced by a robot or software 32 less of a threat to their feeling of self-worth. This reduced self-threat could even be observed

when participants assumed that they were being replaced by other employees who relied on technological abilities such as artificial intelligence in their work.

"Even when unemployment results from the 33 of new technologies, people still judge it in a social context," says Christoph Fuchs, one of the authors of the study. "It is important to understand these 34 effects when trying to manage the massive changes in the working world to minimize 35 in society."

| G) favorably | O) seemingly |
| H) guarantee | |

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

No escape as 'snow day' becomes 'e-learning day'

- A) Certain institutions, such as schools, are likely to close when bad weather, such as snow, flooding or extreme heat or cold, causes travel difficulties, power outages(断供), or otherwise endangers public safety. When snowy weather arrives in the US, it means the chance of school children benefiting from the long-standing tradition of the "snow day", when schools are forced to close and students get an unexpected day off.
- B) The criterion for a snow day is primarily the inability of school buses to operate safely on their routes and danger to children who walk to school. Often, the school remains officially open even though buses do not run and classes are canceled. Severe weather that causes cancellation or delay is more likely in regions that are less able to handle the situation. Snow days are less common in more northern areas of the United States that are used to heavy winter snowfall, because municipalities are well equipped to clear roads and remove snow. In areas less accustomed to snow even small snowfalls of an inch or two may render roads unsafe.
- C) Snow days are a familiar theme in American film and TV shows, with children getting the good news and then running outside for some seasonal snowman-building and snowball throwing, against a background of joyful pop music. But the tradition is now over for pupils in several US states such as South Carolina, Nevada, Georgia and Indiana. This academic year, many school boards have introduced policies which require students to work from home if the school is shut by snow or extreme weather. They are known as "e-learning days", which certainly sounds less fun than a snow day.
- D) Teachers are also losing their snow days and instead will be expected to be on hand to take a virtual register and answer students' questions online. A pilot programme in a school district in Anderson County, South Carolina, has supplied students with electronic tablets loaded with assignments to complete in the event of a school closure. If it is successful, it could be rolled out across the state.

- E) But some parents object to the new policy if the vigorous debate on the Facebook page of Anderson County school district is anything to go by. "When it snows, let the kids enjoy it," said one commenter. Another said the decision would "ruin school even more", and someone else called snow days "a fun part of childhood". But supporters of the policy say it means children will miss fewer days of school. It will also bring to an end a less popular US high school tradition: the "make-up day", which requires students in many states to make up the time lost due to weather by working during school holidays.
- F) Students in North Carolina already have several make-up days scheduled because of school closures during Hurricane Florence, which struck in September. Tom Wilson, the superintendent(主管) of Anderson County school district, said the change away from snow days makes practical and financial sense. He said technology has changed every profession, so it makes sense to use it to "eliminate" make-up days. Adam Baker of the Department of Education in Indiana said e-learning days were proving a "great success". He said most Indiana schools already use digital devices during lessons, so it was an "easy decision" to extend this to days when schools are closed. He denies the decision is depriving children of the chance to enjoy the snow. "Students are still able to enjoy snow days and outside time," he said. "Many have PE and science assignments that have them out enjoying the weather." But local school superintendents in Ohio are resisting proposals to adopt e-learning days. They fear that students without internet access at home will be disadvantaged by the policy, and superintendent Tom Roth is concerned that e-learning days will offer a lower quality of education.
- G) There are also so-called "blizzard bags", with assignments that children take home ahead of an expected snow closure. But Mr Roth says it is not sufficient as a replacement. "I think we still need the class time to give our kids the education that they deserve," he said. "You can't get that with a blizzard bag or doing the work from home like that. It's not going to be as effective."
- H) There is a long-running debate on whether missing days of school affects attainment. In England, there has been a focus on tackling absenteeism(旷课) from school. The Department for Education (DFE) published research in 2016 arguing that missing any days at school could have a negative impact on results. Even a few days lost in a year could be enough to miss out on getting a good exam grade, the DFE's research concluded. This differed from the findings of a study from Harvard University in the US, which concluded that missing a few occasional days because of the weather did not damage learning.
- I) The Harvard study examined seven years of school results data and could not find any impact from snow closures. What caused more disruption was when schools tried to stay open in bad weather, even though many staff and pupils were absent. But weather can make a difference to school results, according to another piece of Harvard research published last summer. It's hot weather that has the negative impact. The results of 10 million school students were examined over 13 years and researchers found a "significant" link between years with extremely hot weather and lower results.
- J) It's obvious that students should go to school every day to get the most out of education. In cases of extreme weather students don't always have that option. However, research shows that authorised absences from school such as during extreme weather are less problematic for students than absences that are not authorised. This is because unauthorised absences tend to reflect patterns and behaviours of student disengagement, or the possible negative attitudes of parents towards education that students adopt and carry with them through schooling. The level of impact on students' educational performance is all to do with the length of time that a student is absent from school and how regularly this occurs.
36. There is opposition to the practice of giving children assignments to take home before extreme weather forces a school closure.

37. New policies adopted by many US schools require students to do online learning at home in case of a school closure.
38. According to some research, extreme hot weather negatively affects students' performance.
39. There is a time-honoured tradition in the US for school kids to stay at home on "snow days".
40. Debates on social media show some parents are opposed to ending the "snow day" tradition.
41. In more northern regions of the US, school is less likely to be affected by snowy weather.
42. Research indicates absences from school with permission do not cause as many problems as those without permission.
43. There is objection to e-learning days owing to fear that students with no access to the Internet at home will suffer.
44. In a pilot programme, students are given electronic devices to do assignments when schools are closed.
45. Along-standing debate is going on over the impact of school absences on students' academic performance.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

It may sound surprising, but you don't have to be interested in fashion, or even in history, to enjoy *Dress Codes: How the Laws of Fashion Made History*. I happen to be interested in both, and ended up enjoying the book for completely different reasons.

Richard Thompson Ford is a law professor, and you probably won't forget that for even one page. His carefully reasoned arguments, packed with examples, sound almost like reading a court opinion, only maybe wordier. You will probably never think of fashion as a trifle again.

Ford's thesis is that the best way to understand what particular fashions meant in any given era is to look at the restrictions placed on them. Through this lens, he shows us that the first laws passed in the 1200s to ensure that only the nobility were allowed to wear certain fabrics, colors and ornaments reflected the rise of the middle class, who were now able to imitate some of these fashions. The status of the upper classes was threatened; fashion was a tool to preserve it.

Ford takes the reader through the evolution of fashion while examining the underlying motivations of status, sex, power, and personality, which, he assumes, influenced all innovations in fashion in the past and which continue to influence us today. His writing is more than a little dense—dense with research, clauses, and precise adjectives and nouns. But there's also humor and enough interesting episodes to make the writing appealing. No one is spared his sharp analysis: not the easy targets of 19th century women's crippling(伤害身体的) fashions nor the modern uniforms of Silicon Valley T-shirts

But the greatest strength of this book (on fashion!) is its intellectual profoundness. Ford asks us to question unconscious beliefs, to realize that we almost never do so, to understand that the simplest choices are charged with meaning, and yet that meaning can and does change all the time. Consider the fact that a 1918 catalog insisted that boys and girls be dressed in the appropriate color. We believe our thinking today is evolved; Ford shows us it's not.

46. What does the author think of the book *Dress Codes: How the Laws of Fashion Made History*?

- A) It is read by people for entirely different reasons.
- B) It is meant for those interested in fashion history.
- C) It makes enjoyable as well as informative reading.
- D) It converts fashion into something for deliberation.

47. How can people best understand a particular fashion in an era, according to Ford?

- A) By examining the restraints imposed on it.
- B) By looking at what the nobility were wearing.
- C) By glancing at its fabrics, colors and ornaments.
- D) By doing a survey of the upper and middle classes

48. What was the aim of the first laws passed regarding fashion in the 1200s?

- A) To facilitate the rise of the middle class.
- B) To loosen restrictions on dress codes.
- C) To help initiate some novel fashions
- D) To preserve the status of the nobles.

49. What does the author think of Ford's writing?

- A) It uses comparison and contrast in describing fashions of different eras.
- B) It makes heavy reading but is not lacking in humor or appeal.
- C) It is filled with interesting episodes to spare readers intolerable boredom.
- D) It is characteristic of academics in presenting arguments.

50. What does the author say is the greatest strength of Ford's book?

- A) Plentiful information.
- B) Meaningful choices.
- C) Evolved thinking.
- D) Intellectual depth

Passage Two

Questions 51 to 55 are based on the following passage.

The art of persuasion means convincing others to agree with your point of view or to follow your course of action. For some of us, persuasion is an instinctive quality and the power of influencing comes naturally. For the rest of us, persuasion skills can be learned and developed over time.

Employers place a great value on employees with persuasion skills because they can impact several aspects of job performance. Besides, teamwork and leadership rely heavily on the power of persuasion to get things done. Without persuasion skills, employees may not be as committed to or convinced of the importance of an

organization's vision and long-term mission. Effective use of persuasion skills will not only help get your coworkers excited about your ideas, it'll also help you motivate them to achieve a common goal.

In order to learn the art of persuasion at the workplace, you need to understand how to handle conflicts and reach agreements. Good communication is the first step in effective persuasion, but logic and reasoning are just as important. Before you can get somebody on-board with your goal, you should help them understand why they should pursue it. Using visual aids to back up your ideas can help communicate your ideas better and make compelling arguments so your listeners will come to a logical choice and become fully committed to your ideas and plans.

Successful persuasion skills are based on your ability to have positive interactions and maintain meaningful relationships with people. In order to sustain those relationships, you must be able to work in their best interests as well. Your coworkers are more likely to agree with you when they succeed alongside you. The more they achieve and the greater progress they make, the more they trust your judgement and strength.

We persuade and get persuaded every day—we're either convincing or being convinced. A vast majority of people prefer collaboration and teamwork over traditional organizational structures; no one likes to be told what to do or to be pushed around. Therefore, organizations and leaders should adopt powerful persuasion skills to bring about necessary changes.

51. What does the author say about the ability to be persuasive in the first paragraph?

- A) People may either be born with it or be able to cultivate it.
- B) It proves crucial in making others follow one's course of action.
- C) It refers to the natural and instinctive power of influencing one's coworkers.
- D) People may view it as both a means to convince others and an art of communication.

52. Why are persuasion skills greatly valued in the workplace?

- A) They enable employees to be convinced of their long-term gains.
- B) They enable employees to trust their leaders unconditionally.
- C) They help motivate coworkers to strive for a common goal.
- D) They help an organization to broaden its vision effectively.

53. What should people do to learn the art of persuasion at the workplace?

- A) Acquire effective communication skills.
- B) Avoid getting involved in conflicts with others.
- C) Understand the reason for pursuing their goals.
- D) Commit themselves fully to their ideas and plans.

54. When are you more likely to succeed in persuading your coworkers?

- A) When they are convinced you work in their interests while sacrificing your own
- B) When they become aware of the potential strength of the judgements you make
- C) When they become aware of the meaningful relationships you keep with them.
- D) When they are convinced they will make achievements together with you.

55. Why are organizations and leaders advised to adopt powerful persuasion skills to bring about necessary changes?

- A) To convince employees of the value of collaboration
- B) To allow for the preferences of most people of today
- C) To improve on traditional organizational structures
- D) To adapt to employees' ever-changing working styles

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

汉语中的 "福"字 (the character fu)表示幸福和好运,是中国传统文化中最常用的吉祥(auspicious) 符号之一。人们通常将一个大大的福字写在红纸上, 寓意期盼家庭幸福、社会安定、国家昌盛。春节贴福字是民间由来已久的习俗。为了欢庆春节, 家家户户都会将福字贴在门上或墙上, 表达对幸福生活的向往、对美好未来的期待。人们有时还将福字倒过来贴, 表示幸福已到、好运已到。

2024年6月·第3套英语四级写作·题目、范文与解析

PROMPT & MODEL ESSAY • 写作题和范文

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2024年6月·第3套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第3套(2024-06) • 英语四级

Part I

Directions: Suppose your university is seeking students' opinions on whether university canteens should be open to the public. You are now to write an essay to express your view. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.

【参考范文 • 145 词】 写作无唯一标准答案，以下为达标示范

Recently, our university has been collecting opinions on whether campus canteens should welcome outside visitors. In my view, opening them to the public is a wise move that benefits both the campus and the community.

For one thing, university canteens usually offer clean and affordable meals, so opening them can relieve the dining pressure faced by nearby residents and office workers who struggle to find cheap lunches. For another, the extra income earned from these visitors allows canteens to upgrade their equipment and even lower prices for students. Admittedly, more diners may cause crowding and raise safety concerns; however, such problems can be eased by setting fixed visiting hours and checking visitors at the gate.

Therefore, I firmly believe that a properly managed open canteen is worthwhile. As long as student needs come first, sharing this resource makes our university a warmer part of society.

【参考译文】

最近，我校正在征集大家对『校园食堂是否应向公众开放』的意见。在我看来，向公众开放是明智之举，校园和社区双方都能从中受益。

一方面，高校食堂通常提供干净又实惠的餐食，开放后能缓解附近居民和上班族就餐压力，他们往往很难找到便宜的午餐。另一方面，外来就餐者带来的额外收入能让食堂升级设备，甚至为学生降低菜价。诚然，就餐人数增多可能造成拥挤、带来安全隐患；但这些问题可以通过设定固定开放时段、在门口对访客进行登记来缓解。

因此，我坚信一个管理得当的开放食堂是值得的。只要学生的需求被放在首位，共享这一资源就能让我们的学校成为社会中更温暖的一部分。

【第1段】开门见山表态。首段用 In my view, opening them to the public is a wise move 一句直接亮牌，落实了『点题句加表态句』方法，开头即满足 express your view。

【第2段】两理由加让步。段内 For one thing... For another... 摆出便民、增收两条理由，并落到 nearby residents、lower prices for students 等具体场景，再用 Admittedly...however... 让步回应拥挤与安全，论证有据。

【第3段】重申并升华。结尾 Therefore, I firmly believe... 重申立场，末句 As long as student needs come first 把话题拔高到共享意义，与开头呼应形成闭环。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

对食堂开放表态

本题核心任务只有一件：就 whether university canteens should be open to the public 亮出自己的立场并加以论证。express your view 中的 your view 说明必须选边站、给出个人观点，不能只做中立的正反分析。

读者 • 语域

面向校方的正式短文

本题没有具体收信人，You are now to write an essay 表明写的是一篇议论短文而非书信或通知，面向阅卷人用正式书面语即可；无需称呼、落款或署名，硬加 Dear Sir 或签名反而会被判文体错误。

中心立意

赞成有序开放

本篇立场：赞成高校食堂在有序管理的前提下对公众开放。就 whether university canteens should be open to the public 明确站在『应该开放』一边，全文都围绕这一句展开。

要展开的要点

1. 便民惠及周边

开放能为周边居民和上班族提供干净又便宜的餐食，缓解校园周边的就餐压力——这是支持开放最实在的理由。

2. 增收反哺学生

外来就餐带来的额外收入可用于改善食堂设备、甚至为学生降低菜价，让开放形成正向循环。

3. 让步并给对策

承认开放可能带来拥挤和食品安全隐患，但用设定固定开放时段、门口登记等管理手段可以化解——先退一步再驳回，论证更稳。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的功能句架（留出填本题内容的空位）。段序与上方参考范文一一对应。

第1段 点题并亮立场

引出食堂是否对公众开放的争议，并直接给出赞成有序开放的总观点。

第2段 分论点加让步论证

用便民、增收两条理由支撑立场，并让步回应拥挤与安全顾虑。

第3段 重申立场收束

重申赞成有序开放，并升华到学校与社会共享的意义。

第 1 段 引出争议表明赞成

把 whether university canteens should be open to the public 这一争议引出，随即表明自己赞成在有序管理下开放的总观点。

引出话题 · Recently, our university has been collecting opinions on whether _____. (把 _____ 换成本题争议)

亮明观点 · In my view, _____ is a wise move that benefits both _____ and _____. (填入你的主张与受益方)

第 2 段 便民增收加回应顾虑

写足两条理由：食堂餐食干净便宜可缓解周边就餐压力、外来收入能反哺学生；再让步承认拥挤与安全顾虑，并用固定时段、门口登记等对策化解。

并列理由 · For one thing, _____; for another, _____. (两条理由各填一句)

让步转折 · Admittedly, _____; however, _____ can be eased by _____. (先认反方一点，再给对策)

第 3 段 重申赞成并升华

重申赞成有序开放的立场，并升华到『学生需求优先的前提下，共享食堂让学校成为社会更温暖的一部分』。

重申立场 · Therefore, I firmly believe that _____ is worthwhile. (填入你的主张)

收尾升华 · As long as _____, _____ makes _____. (用一个条件句把意义拔高)

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

必须明确表态

本题最易失分是只列正反两面却不表态；务必守住 express your view，全文围绕赞成或反对一边，别写成中立分析。

结构连贯

三段各就各位

本题按亮立场—论证—重申三段走，理由间用 For one thing/For another 并列、让步用 Admittedly...however，避免想到哪写到哪。

语言准确

少犯低级错

本题多用一般现在时陈述观点，注意 canteens offer、income allows 这类主谓一致，别为凑高级词写出中式硬译。

字数格式

守住词数区间

本题硬性要求 at least 120 words but no more than 180 words，且是议论文无需称呼落款，写成通知或加署名都算格式错。

典型低分写法 · 反面示例与改法

只分析不表态

反面示例：『Opening canteens has both advantages and disadvantages.』通篇如此却始终不说自己支持哪边。改成：『Opening canteens has some drawbacks, but in my view its benefits clearly outweigh them.』——先亮出赞成的立场再展开。

理由空泛喊口号

反面示例：『Opening canteens is good and brings many benefits to everybody.』空洞无物。改成：『Opening canteens offers nearby office workers a clean and cheap lunch, easing the dining pressure around campus.』——落到具体人群和场景。

误加称呼署名

反面示例：开头写『Dear Sir,』结尾署『Yours, Li Ming』，把观点短文写成了书信。改成：直接以 Recently, our university... 开篇、以升华句收尾，全程不加称呼与落款。

真题卷第3套(2024-06) • 英语四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Over the coming decades, millions of jobs will be threatened by robotics and artificial intelligence. Despite intensive academic 26 on these developments, there has been little study on how workers 27 to being replaced through technology.

在未来几十年里,数百万个工作岗位将受到机器人技术和人工智能的威胁。尽管学术界对这些发展进行了深入的辩论,但关于工人如何应对被技术取代这一问题的研究却很少。

To find out, business researchers at TUM and Erasmus University Rotterdam conducted 11 studies and surveys with over 2,000 persons from several countries.

为了找到答案,慕尼黑工业大学和鹿特丹伊拉斯谟大学的商业研究人员对来自多个国家的2000多人进行了11项研究和调查。

The findings show: In principle, most people view it more 28 when workers are replaced by other people than by robots or intelligent software. This preference 29, however, when it refers to people's own jobs. When that is the case, the majority of workers find it less upsetting to see their own jobs go to robots than to other employees. In the long term, however, the same people see machines as more threatening to their future role in the workforce. These effects can also be observed among people who have recently become unemployed.

研究结果表明:原则上,大多数人认为工人被其他人取代比被机器人或智能软件取代更可取。然而,当涉及到人们自己的工作,这种偏好就会逆转。在这种情况下,大多数工人认为自己的工作被机器人取代比被其他员工取代更容易接受。但从长远来看,同样是这些人认为机器对他们未来在劳动力市场中的角色构成更大的威胁。这些影响在最近失业的人群中也可以观察到。

The researchers were able to identify the causes behind these 30 paradoxical results, too: People tend to 31 themselves less with machines than with other people. Consequently, being replaced by a robot or software 32 less of a threat to their feeling of self-worth. This reduced self-threat could even be observed when participants assumed that they were being replaced by other employees who relied on technological abilities such as artificial intelligence in their work.

研究人员还能够找出这些看似矛盾的结果背后的原因:人们倾向于较少将自己与机器进行比较,而更多地与其他人进行比较。因此,被机器人或软件取代对他们的自我价值感造成的威胁较小。即使参与者认为自己被其他依赖人工智能等技术能力工作的员工所取代,这种自我威胁的减少仍然可以观察到。

"Even when unemployment results from the 33 of new technologies, people still judge it in a social context," says Christoph Fuchs, one of the authors of the study. "It is important to understand these 34 effects when trying to manage the massive changes in the working world to minimize 35 in society."

该研究的作者之一Christoph Fuchs说:"即使失业是由新技术的引入造成的,人们仍然会在社会背景下对其进行判断。在试图管理工作世界的巨大变化以最大限度地减少社会动荡时,理解这些心理效应非常重要。

26. Despite intensive academic (26) on these developments

【答案】 **D) debate** (名词)

【词性槽】 形容词 intensive academic 后缺中心名词

【依据】 学术辩论与「研究 little study」对照

intensive academic debate 「激烈的学术辩论」与下半句 there has been little study 「研究却少」形成 Despite 的让步对照——学界吵得热闹但实证研究稀少, 转折逻辑顺畅。

【竞争词】 J) modifications 「修改」与 academic 搭配不通

academic modifications 「学术修改」不是常规表达, 也无法与下半句 little study 形成让步逻辑。

【易错】 最具迷惑性的错误词是 J) —— modifications 形似「学术改动」。Despite intensive academic (26) on these developments 中考生若只看「学术」「发展」凭眼熟会选 modifications; 防坑是认 Despite 的让步对照——下半句 little study 必须与空形成「热度 vs 实质」反差, 只有 debate (学界激辩) 能形成这种对照。

27. there has been little study on how workers __(27)__ to being replaced through technology.

【答案】 **M) react** (动词)

【词性槽】 how workers ___ 主语后缺谓语

【依据】 **react to 固定搭配「对.....做出反应」**

空后紧跟介词 to (being replaced), react to sth. 是「对某事做出反应」的固定搭配, 与第二段「调研了 2,000 多人」对应——研究的就是工人对被替代的反应。

【竞争词】 **A) compare compare 常用搭配是 with, 不是 to being replaced**

compare 后接 to 多用于比喻类比 (compare A to B), 不能讲「工人比较被替代」; 语义上「研究工人怎样比较被替代」也讲不通。

28. In principle, most people view it more __(28)__ when workers are replaced by other people than by robots or intelligent software.

【答案】 **G) favorably** (副词)

【词性槽】 view it more ___ 副词修饰动词

【依据】 **view ... favorably 是固定搭配「赞许地看待」**

此句对比的是「被人取代」与「被机器取代」哪种更容易让人接受。view sth. favorably 意为「持赞许态度」, 与后半句 than by robots 的比较结构契合: 人们更赞许「被人取代」这种安排。

【竞争词】 **F) drastically 「急剧地」语义偏激烈、与 view 不搭**

drastically 多修饰变化 (change drastically), view it drastically 不构成习惯搭配, 也讲不通「更急剧地看待」。

O) seemingly 「看似」无法被 more 修饰

seemingly 表「表面上」, 不带比较级语义, more seemingly 也不构成自然表达, 且该词另有更贴合的空位归宿。

29. This preference __(29)__, however, when it refers to people's own jobs.

【答案】 **N) reverses** (动词)

【词性槽】 主语 This preference 后缺单数谓语

【依据】 **偏好「翻转」契合段内反差**

前一句说「人们普遍更接受被人取代」, 本句却用 however 引出「轮到自己时, 大家反而觉得被机器取代不那么糟」, preference 完全反转, 正是 reverses「逆转」的语义。

【竞争词】 **B) contradicts contradict 需要带宾语**

contradict 是及物动词「与.....矛盾」, 必须接宾语 contradict sth., 本句空后直接是逗号 however, 无宾语可接, 结构不成立。

30. The researchers were able to identify the causes behind these __(30)__ paradoxical results, too:

【答案】O) seemingly (副词)

【词性槽】形容词 paradoxical 前修饰位

【依据】「看似」与下文解释呼应

本段开头说研究者找到了 these seemingly paradoxical results 「这些看似矛盾结果」背后的原因——「看似」二字暗示后面会给出合理解释，与紧接其后的 People tend to compare themselves less with machines 这条解释完美呼应。

【竞争词】F) drastically 「极度地」修饰 paradoxical 程度过强

drastically paradoxical 「极度矛盾」语义太满，与下文用心理机制平稳解释的论述基调不合；研究者既然能解释，矛盾就不是极端的。

【易错】最具迷惑性的错误词是 F) —— drastically 形似程度副词易选错。these __(30)__ paradoxical results 中考生看到 paradoxical 容易想用「极度矛盾」加强语气，误选 F；防坑是看下一句——研究者紧接着就给出了原因解释，矛盾必是「看似」而非「极度」，锁 O) seemingly。

31. People tend to __(31)__ themselves less with machines than with other people.

【答案】A) compare (动词)

【词性槽】tend to __ themselves 不定式后接原形动词

【依据】compare oneself with sb. 固定搭配

compare oneself with/to 「把自己与.....比较」是高频搭配；句意「人们倾向于把自己与机器比较得少」恰好解释下一句 poses less of a threat 「威胁感更弱」的因果。

32. Consequently, being replaced by a robot or software __(32)__ less of a threat to their feeling of self-worth.

【答案】K) poses (动词)

【词性槽】动名词主语后缺谓语

【依据】pose a threat 固定搭配「构成威胁」

空后紧跟 less of a threat, pose a threat 是「构成威胁」的高频搭配，poses less of a threat 即「构成的威胁较小」，与前文 People tend to compare themselves less with machines 因果衔接：因不比较故威胁感更弱。

【竞争词】B) contradicts 「反驳」与 threat 不搭配

contradict a threat 不构成搭配，且语义上「被替代反驳威胁」讲不通。

N) reverses 「逆转」语义错位且要留给 29 题

reverse a threat 「逆转威胁」语义牵强；且 29 题 This preference __ 明显需要 reverses 「逆转」的呼应，应预留。

33. Even when unemployment results from the __(33)__ of new technologies, people still judge it in a social context

【答案】I) introduction (名词)

【词性槽】the __ of new technologies 介词框架定名词

【依据】「新技术的引入」导致失业

the introduction of new technologies 「新技术的引入/推出」是 unemployment results from 的合理原因——技术引入才会替代人力，逻辑链通顺。

【竞争词】E) disruptions 搭配冲突且要留给 35 题

disruptions of new technologies 不是惯常表达（更常说 disruptions caused by technologies）；且 35 题 minimize __ in society 明显是 disruptions 的归宿，应预留。

J) modifications 「修改」语义偏小、不致失业

modifications of new technologies 意为「对新技术的修改」，是技术本身被改，谈不上引发大规模失业，与因果不符。

34. It is important to understand these __(34)__ effects when trying to manage the massive changes in the working world to minimize __(35)__ in society.

【答案】L) psychological (形容词)

【词性槽】名词 effects 前缺定语

【依据】全段在讲心理机制

第四段刚解释完人们「不愿与机器比较、被机器替代对自尊伤害更小」这类心理动因 People tend to __(31)__ themselves less with machines than with other people.，第五段总结的 these effects 自然指上文这套心理反应，故用 psychological effects（心理效应）最贴。

【竞争词】C) conventional 义偏「传统的」与上下文无关

conventional effects 意为「常规效应」，文章讲的并不是某种「传统/常规」效应，而是研究新发现的心理反差，词义指向不符。

35. to manage the massive changes in the working world to minimize __(35)__ in society.

【答案】 **E) disruptions** (名词)

【词性槽】 动词 minimize 缺宾语

【依据】 「社会动荡」正是要最小化的对象

minimize disruptions in society 意为「把社会动荡降到最低」，与前文 manage the massive changes (驾驭巨大变革) 一脉相承——技术冲击必然带来社会动荡，需要 minimize。

【竞争词】 J) modifications 「修改」不是要消除的对象

minimize modifications in society 意为「尽量少作修改」，不符合「应对巨变以减少负面冲击」的语义指向，修改本身不是负面事物。

WORD BANK · 词库分类表

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A–O)，为 10 个空各选一个、每词最多用一次。下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **compare** (动词)

比较、相比

用于第 31 空

B) **contradicts** (动词)

(第三人称单数) 反驳、与……矛盾

干扰词 · 未选用

C) **conventional** (形容词)

传统的、常规的

干扰词 · 未选用

D) **debate** (名词) (动词)

辩论、讨论

用于第 26 空

E) **disruptions** (名词)

扰乱、动荡、中断 (复数)

用于第 35 空

F) **drastically** (副词)

急剧地、彻底地

干扰词 · 未选用

G) **favorably** (副词)

赞许地、有利地

用于第 28 空

H) **guarantee** (动词) (名词)

保证、担保

干扰词 · 未选用

I) **introduction** 名词

引入、推出、介绍

用于第 33 空

J) **modifications** 名词

修改、改动（复数）

干扰词 · 未选用

K) **poses** 动词

（第三人称单数）构成、造成（威胁等）

用于第 32 空

L) **psychological** 形容词

心理的、心理上的

用于第 34 空

M) **react** 动词

做出反应、回应

用于第 27 空

N) **reverses** 动词

（第三人称单数）逆转、颠倒

用于第 29 空

O) **seemingly** 副词

看似、表面上

用于第 30 空

全文主旨

被机器取代 vs 被同事取代的心理反差

全文围绕一项跨国调研展开：研究者发现人们在评判他人失业时更接受被同事取代，但轮到自己丢饭碗时，反而觉得被机器人/AI取代比被同事取代更不伤自尊，原因在于人较少把自己与机器相比较。开篇 Over the coming decades, millions of jobs will be threatened by robotics and artificial intelligence. 给出话题大背景——机器人与AI对就业的威胁，是后面所有空辨义时的语境地基。

DISTRACTORS · 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

B) **contradicts** 最像 29 题答案的反转近义词

contradicts 与正确答案 N) reverses 同为三单动词，且都带「相反」意味，乍一看 This preference __ (29) __, however 似乎可填；识破点是 contradict 必须接宾语，本句空后没宾语，结构上直接不成立。

C) **conventional** 最像 34 题答案的同词性诱饵

conventional 与正确答案 L) psychological 同为形容词候选，34 题 these __ (34) __ effects 形式上 conventional effects 也成立；识破点是上一段讲的是心理机制而非「传统效应」，词义指向不符。

F) **drastically** 副词位上的程度词陷阱

F 同时是 28 题 (view it more __) 与 30 题 (__ paradoxical results) 的副词候选，但 drastically 不与 view 构成搭配，也与「下文有解释」的语调不合，凡是想用「急剧地」就被搭配/语调挡掉。

H) **guarantee** 形似动词候选的语义干扰

guarantee 是动词，看似能进 27/31/32 任一题，但「保证被替代」「保证自己」「替代构成保证」语义都讲不通；命题人靠考生「先看词性不看搭配」上钩。

J) **modifications** 名词位上的混词陷阱

J 同时可竞争 26、33、35 三个名词空，词形「修改/改动」也沾点技术变革边；但 academic modifications、modifications of new technologies、minimize modifications 三种搭配都不成立或语义反转，是经典「同词性但搭配/逻辑不过关」的干扰。

SENTENCE INSIGHTS • 句子精讲

5 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Despite intensive academic debate on these developments, there has been little study on how workers react to being replaced through technology.

第1段，第2句

there be 存在句 + 后置定语 + 宾语从句的组合在四六级和考研阅读中非常常见，句首状语短语也是典型学术写作句式。掌握本句结构后可以迁移到大量同类句子，典型性很强。

Consequently, being replaced by a robot or software poses less of a threat to their feeling of self-worth.

第4段，第2句

本句包含动名词短语作主语(且是被动形式)、及物动词作谓语、复杂名词短语作宾语、副词作状语等多种成分,覆盖面较广。尤其动名词被动短语作主语是常见易错点,适合训练学生区分非谓语与谓语、识别主语边界的能力

This reduced self-threat could even be observed when participants assumed that they were being replaced by other employees who relied on technological abilities such as artificial intelligence in their work.

第4段，第3句

本句覆盖了主谓宾、主系表、定语、状语等多种成分,尤其是宾语从句、定语从句、时间状语从句等从句结构齐全,适合练习从句识别。被动语态的状语 by other employees、介词短语状语 on technological abilities 和 in their work 都是常见易错点。学生可以通过本句练习如何识别从句归属、如何划分被动句的施动者状语,以及如何区分修饰性成分与核心成分,训练价值较高。

"Even when unemployment results from the introduction of new technologies, people still judge it in a social context," says Christoph Fuchs, one of the authors of the study.

第5段，第1句

引语结构 (says + 宾语从句) 和让步状语从句 (Even when ... still ...) 都是考试常见句式。引语中嵌套状语从句的复合结构也具有代表性，学生掌握后可迁移到类似的报道引述句和让步逻辑表达中。

"It is important to understand these psychological effects when trying to manage the massive changes in the working world to minimize disruptions in society."

第5段，第2句

"It is + 形容词 + to do" 句型和 when 引导的时间状语从句都是四六级及考研阅读中的高频结构。从句中省略主语和 be 动词的用法也是考试常见考点。掌握本句结构后可以迁移到大量类似句子，实用价值高。

HIGH-FREQUENCY · 真题高频词

本篇出现的 44 个英语四级真题高频词

真题卷第3套(2024-06) • 英语四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

No escape as 'snow day' becomes 'e-learning day'

A) Certain institutions, such as schools, are likely to close when bad weather, such as snow, flooding or extreme heat or cold, causes travel difficulties, power outages(断供), or otherwise endangers public safety. When snowy weather arrives in the US, it means the chance of school children benefiting from the long-standing tradition of the "snow day", when schools are forced to close and students get an unexpected day off.

某些机构,如学校,在恶劣天气(如降雪、洪水或极端高温或低温)导致交通困难、电力中断或以其他方式危及公共安全时,很可能会关闭。当降雪天气到达美国时,这意味着学校儿童有机会受益于由来已久的"雪天"传统,即学校被迫关闭,学生获得意外的一天假期。

B) The criterion for a snow day is primarily the inability of school buses to operate safely on their routes and danger to children who walk to school. Often, the school remains officially open even though buses do not run and classes are canceled. Severe weather that causes cancellation or delay is more likely in regions that are less able to handle the situation. Snow days are less common in more northern areas of the United States that are used to heavy winter snowfall, because municipalities are well equipped to clear roads and remove snow. In areas less accustomed to snow even small snowfalls of an inch or two may render roads unsafe.

雪天的标准主要是校车无法在其线路上安全运行以及对步行上学的儿童构成危险。通常,即使校车不运行且课程被取消,学校仍然正式开放。在处理这种情况能力较弱的地区,导致取消或延迟的恶劣天气更有可能发生。在习惯于冬季大雪的美国北部地区,雪天不太常见,因为市政当局有充足的设备来清理道路和清除积雪。在不太习惯降雪的地区,即使一两英寸的小雪也可能使道路不安全。

- C) Snow days are a familiar theme in American film and TV shows, with children getting the good news and then running outside for some seasonal snowman-building and snowball throwing, against a background of joyful pop music. But the tradition is now over for pupils in several US states such as South Carolina, Nevada, Georgia and Indiana. This academic year, many school boards have introduced policies which require students to work from home if the school is shut by snow or extreme weather. They are known as "e-learning days", which certainly sounds less fun than a snow day.

雪天是美国电影和电视节目中的一个熟悉主题,孩子们得到好消息后跑到外面堆雪人和打雪仗,背景是欢快的流行音乐。但这一传统现在对South Carolina、Nevada、Georgia和Indiana等几个美国州的学生来说已经结束了。本学年,许多学校董事会出台了政策,要求学生在学校因降雪或极端天气关闭时在家学习。它们被称为"电子学习日",这听起来确实不如雪天有趣。

- D) Teachers are also losing their snow days and instead will be expected to be on hand to take a virtual register and answer students' questions online. A pilot programme in a school district in Anderson County, South Carolina, has supplied students with electronic tablets loaded with assignments to complete in the event of a school closure. If it is successful, it could be rolled out across the state.

教师也失去了他们的雪天,相反,他们将被要求随时待命以进行虚拟点名并在线回答学生的问题。South Carolina州Anderson County一个学区的试点项目已向学生提供了装载有作业的电子平板电脑,以便在学校关闭时完成。如果成功,它可能会在全州推广。

- E) But some parents object to the new policy if the vigorous debate on the Facebook page of Anderson County school district is anything to go by. "When it snows, let the kids enjoy it," said one commenter. Another said the decision would "ruin school even more", and someone else called snow days "a fun part of childhood". But supporters of the policy say it means children will miss fewer days of school. It will also bring to an end a less popular US high school tradition: the "make-up day", which requires students in many states to make up the time lost due to weather by working during school holidays.

但一些家长反对这项新政策,如果Anderson County学区Facebook页面上的激烈辩论能说明什么的话。一位评论者说:"下雪时,让孩子们享受吧。"另一位说这个决定会"让学校更加糟糕",还有人称雪天是"童年有趣的一部分"。但该政策的支持者表示,这意味着孩子们将减少缺课天数。它还将结束一个不太受欢迎的美国高中传统:"补课日",它要求许多州的学生通过在学校假期学习来弥补因天气而损失的时间。

- F) Students in North Carolina already have several make-up days scheduled because of school closures during Hurricane Florence, which struck in September. Tom Wilson, the superintendent(主管) of Anderson County school district, said the change away from snow days makes practical and financial sense. He said technology has changed every profession, so it makes sense to use it to "eliminate" make-up days. Adam Baker of the Department of Education in Indiana said e-learning days were proving a "great success". He said most Indiana schools already use digital devices during lessons, so it was an "easy decision" to extend this to days when schools are closed. He denies the decision is depriving children of the chance to enjoy the snow. "Students are still able to enjoy snow days and outside time," he said. "Many have PE and science assignments that have them out enjoying the weather." But local school superintendents in Ohio are resisting proposals to adopt e-learning days.

They fear that students without internet access at home will be disadvantaged by the policy, and superintendent Tom Roth is concerned that e-learning days will offer a lower quality of education.

North Carolina的学生已经安排了几个补课日,因为9月袭击的飓风Florence导致学校关闭。Anderson County学区主管Tom Wilson表示,放弃雪天的改变在实际和财务上都有意义。他说技术已经改变了每个行业,因此使用它来"消除"补课日是有道理的。Indiana州教育部的Adam Baker表示,电子学习日被证明是"巨大的成功"。他说大多数Indiana学校已经在课堂上使用数字设备,因此将其扩展到学校关闭的日子是一个"容易的决定"。他否认这个决定剥夺了孩子们享受雪的机会。他说:"学生仍然能够享受雪天和户外时间。许多人有体育和科学作业,让他们出去享受天气。"但Ohio当地的学校主管正在抵制采用电子学习日的提议。他们担心家中没有互联网接入的学生将因该政策而处于不利地位,主管Tom Roth担心电子学习日将提供较低质量的教育。

- G) There are also so-called "blizzard bags", with assignments that children take home ahead of an expected snow closure. But Mr Roth says it is not sufficient as a replacement. "I think we still need the class time to give our kids the education that they deserve," he said. "You can't get that with a blizzard bag or doing the work from home like that. It's not going to be as effective."

还有所谓的"暴风雪袋",其中包含孩子们在预期的雪天关闭之前带回家的作业。但Roth先生说这作为替代是不够的。他说:"我认为我们仍然需要课堂时间来给我们的孩子他们应得的教育。你无法通过暴风雪袋或像那样在家做作业来获得这些。这不会那么有效。"

- H) There is a long-running debate on whether missing days of school affects attainment. In England, there has been a focus on tackling absenteeism(旷课) from school. The Department for Education (DFE) published research in 2016 arguing that missing any days at school could have a negative impact on results. Even a few days lost in a year could be enough to miss out on getting a good exam grade, the DFE's research concluded. This differed from the findings of a study from Harvard University in the US, which concluded that missing a few occasional days because of the weather did not damage learning.

关于缺课是否影响成绩,存在长期争论。在英国,人们一直关注解决旷课问题。教育部在2016年发布的研究认为,缺课任何天数都可能对成绩产生负面影响。教育部的研究得出结论,即使一年中失去几天也可能足以错过获得好的考试成绩。这与美国Harvard University的一项研究结果不同,该研究得出结论,因天气而偶尔缺课几天不会损害学习。

- I) The Harvard study examined seven years of school results data and could not find any impact from snow closures. What caused more disruption was when schools tried to stay open in bad weather, even though many staff and pupils were absent. But weather can make a difference to school results, according to another piece of Harvard research published last summer. It's hot weather that has the negative impact. The results of 10 million school students were examined over 13 years and researchers found a "significant" link between years with extremely hot weather and lower results.

Harvard的研究检查了七年的学校成绩数据,未能发现雪天关闭造成的任何影响。造成更多干扰的是当学校试图在恶劣天气中保持开放,尽管许多教职员和学生缺席。但根据去年夏天发表的另一项Harvard研究,天气确实可以影响学校成绩。产生负面影响的是炎热天气。研究人员在13年内检查了1000万名学生的成绩,发现极端炎热天气的年份与较低成绩之间存在"显著"联系。

- J) It's obvious that students should go to school every day to get the most out of education. In cases of extreme weather students don't always have that option. However, research shows that authorised absences from school such as during extreme weather are less problematic for students than absences

that are not authorised. This is because unauthorised absences tend to reflect patterns and behaviours of student disengagement, or the possible negative attitudes of parents towards education that students adopt and carry with them through schooling. The level of impact on students' educational performance is all to do with the length of time that a student is absent from school and how regularly this occurs.

显然,学生应该每天上学以最大限度地利用教育。在极端天气情况下,学生并不总是有这个选择。然而,研究表明,经授权的缺课(如极端天气期间)对学生的问题少于未经授权的缺课。这是因为未经授权的缺课往往反映了学生脱离学习的模式和行为,或者家长对教育可能持有的负面态度,学生在整个学校教育期间接受并携带这些态度。对学生学业表现的影响程度完全取决于学生缺课的时间长度以及这种情况发生的频率。

陈述句与逐句解析

36. There is opposition to the practice of giving children assignments to take home before extreme weather forces a school closure.

有人反对在极端天气迫使学校关闭之前给孩子们布置带回家的作业这一做法。

【答案】 G 段 (强锚点)

【锚点】 反对赛前带回家的作业

【定位】 There are also so-called "blizzard bags", with assignments that children take home ahead of an expected snow closure. But Mr Roth says it is not sufficient as a replacement.

还有所谓的「blizzard bags」——是孩子在预计要因雪停课之前提前带回家的作业。但 Roth 先生说,作为替代方案,它并不够。

【改写】 assignments to take home before extreme weather forces a school closure ↔

assignments that children take home ahead of an expected snow closure

逐词级同义替换

There is opposition to the practice ↔ **But Mr Roth says it is not sufficient as a replacement**

态度词的具体化

【辨邻】 F local school superintendents in Ohio are resisting proposals to adopt e-learning days 是反对 e-learning day, 不是反对 assignments to take home before extreme weather forces a school closure 这一 blizzard bag 做法, 所以话题相邻、对象不同, 排除。

local school superintendents in Ohio are resisting proposals to adopt e-learning days

37. New policies adopted by many US schools require students to do online learning at home in case of a school closure.

许多美国学校采用的新政策要求学生在学校关闭的情况下在家进行在线学习。

【答案】 C 段 (强锚点)

【锚点】 新政策要求停课时在家上网课

【定位】 This academic year, many school boards have introduced policies which require students to work from home if the school is shut by snow or extreme weather. They are known as "e-learning days", which certainly sounds less fun than a snow day.

本学年，许多学校董事会都推出了新政策：如果学校因雪或极端天气关闭，学生须在家做功课。它们被称为「e-learning day」，听上去远不如「snow day」那么有趣。

【改写】 New policies adopted by many US schools ↔ **many school boards have introduced policies**
施动方平移加同义替换

do online learning at home in case of a school closure ↔

work from home if the school is shut by snow or extreme weather

条件状语同义改写

【辨邻】 **D** A pilot programme in a school district in Anderson County, South Carolina 是单一学区的具体案例，与 many US schools 的「很多」在范围上不匹配，所以是下位干扰，不是定调源头。

A pilot programme in a school district in Anderson County, South Carolina, has supplied students with electronic tablets loaded with assignments to complete in the event of a school closure

38. According to some research, extreme hot weather negatively affects students' performance.

根据一些研究，极端炎热的天气会对学生的表现产生负面影响。

【答案】 **I** 段（强锚点）

【锚点】 极端高温拉低成绩

【定位】 It's hot weather that has the negative impact. The results of 10 million school students were examined over 13 years and researchers found a "significant" link between years with extremely hot weather and lower results.

真正带来负面影响的是高温天气。研究检视了 1000 万名学生 13 年的成绩，研究者发现极端高温年份与较低成绩之间存在「显著」关联。

【改写】 extreme hot weather ↔ **extremely hot weather**

形容词副词同根替换

negatively affects students' performance ↔

link between years with extremely hot weather and lower results

因果关系与结果指标的同义改写

【辨邻】 **H** missing any days at school could have a negative impact on results 是「缺课-成绩」的负面关系，与 extreme hot weather 的「高温-成绩」主题不同，话题相邻但变量不同，排除。

missing any days at school could have a negative impact on results

39. There is a time-honoured tradition in the US for school kids to stay at home on "snow days".

在美国,学龄儿童在"雪天"待在家里是一个历史悠久的传统。

【答案】 **A** 段 (强锚点)

【锚点】 悠久传统雪天在家

【定位】 When snowy weather arrives in the US, it means the chance of school children benefiting from the long-standing tradition of the "snow day", when schools are forced to close and students get an unexpected day off.

当美国迎来下雪天,就意味着学童有机会享受历史悠久的「雪天假」传统——学校被迫关门,学生得到一天意外的休息。

【改写】 a time-honoured tradition ↔ **the long-standing tradition**

形容词同义替换

school kids to stay at home on "snow days" ↔

schools are forced to close and students get an unexpected day off

结果性改写

【辨邻】 **C** But the tradition is now over for pupils in several US states 强调 snow day 传统已结束,与 a time-honoured tradition 的「由来已久」定调相反,不是源头段。

But the tradition is now over for pupils in several US states such as South Carolina, Nevada, Georgia and Indiana

40. Debates on social media show some parents are opposed to ending the "snow day" tradition.

社交媒体上的辩论显示一些家长反对终止"雪天"传统。

【答案】 **E** 段 (强锚点)

【锚点】 社交媒体上家长反对

【定位】 But some parents object to the new policy if the vigorous debate on the Facebook page of Anderson County school district is anything to go by. "When it snows, let the kids enjoy it," said one commenter.

但如果 Anderson County 学区 Facebook 主页上那场激烈辩论可作参考,一些家长是反对新政策的。一位评论者说:「下雪了,就让孩子去享受吧。」

【改写】 Debates on social media ↔

the vigorous debate on the Facebook page of Anderson County school district

上下位概念同义

some parents are opposed to ending the "snow day" tradition ↔

some parents object to the new policy

对象不同表述同义

【辨邻】 F local school superintendents in Ohio are resisting proposals to adopt e-learning days 是学监反对，不是题干所要求的家长反对，且 F 段也没有「社交媒体」这一渠道指纹，排除。

local school superintendents in Ohio are resisting proposals to adopt e-learning days

41. In more northern regions of the US, school is less likely to be affected by snowy weather.

在美国更北部的地区,学校不太可能受到下雪天气的影响。

【答案】 B 段 (强锚点)

【锚点】 更靠北的地区受雪影响更小

【定位】 Snow days are less common in more northern areas of the United States that are used to heavy winter snowfall, because municipalities are well equipped to clear roads and remove snow.

在美国更靠北、习惯了大量冬雪的地区，雪天假并不那么常见，因为市政部门有充分的设备来清理道路、清除积雪。

【改写】 more northern regions of the US ↔ **more northern areas of the United States**

近义名词替换

school is less likely to be affected by snowy weather ↔

Snow days are less common in more northern areas of the United States

因果与结果的等价转译

42. Research indicates absences from school with permission do not cause as many problems as those without permission.

研究表明,经过允许的缺勤不会像未经允许的缺勤那样造成很多问题。

【答案】 J 段 (强锚点)

【锚点】 经许可缺课不如未经许可严重

【定位】 However, research shows that authorised absences from school such as during extreme weather are less problematic for students than absences that are not authorised.

然而，研究显示：因极端天气等情况经许可的缺课，对学生造成的问题比未经许可的缺课更少。

【改写】 absences from school with permission ↔ **authorised absences from school**

形容词与介短同义

do not cause as many problems as those without permission ↔

are less problematic for students than absences that are not authorised

比较句同义重构

【辨邻】 **H** missing any days at school could have a negative impact on results 笼统讲缺课，未出现 authorised 与 not authorised 对照，与题干核心对照不匹配，排除。

missing any days at school could have a negative impact on results

43. There is objection to e-learning days owing to fear that students with no access to the Internet at home will suffer.

由于担心家里无法上网的学生会受到损害，人们反对电子学习日。

【答案】 **F** 段 (强锚点)

【锚点】 反对 e-learning days 担心无网学生

【定位】 But local school superintendents in Ohio are resisting proposals to adopt e-learning days. They fear that students without internet access at home will be disadvantaged by the policy, and superintendent Tom Roth is concerned that e-learning days will offer a lower quality of education.

但 Ohio 的本地学监们正在抵制采用 e-learning days 的提议。他们担心家中没有网络的学生会因该政策处于劣势，学监 Tom Roth 还担心 e-learning days 会带来更低质量的教育。

【改写】 students with no access to the Internet at home ↔ **students without internet access at home**
否定形式同义

will suffer ↔ **will be disadvantaged by the policy**

结果词同义

objection to e-learning days ↔

local school superintendents in Ohio are resisting proposals to adopt e-learning days

态度词同义

【辨邻】 **E** When it snows, let the kids enjoy it 与 a fun part of childhood 的反对理由是「剥夺孩子的雪天乐趣」，不是 students with no access to the Internet at home will suffer 的「无网吃亏」，理由不符，排除。

When it snows, let the kids enjoy it

44. In a pilot programme, students are given electronic devices to do assignments when schools are closed.

在一个试点项目中，学生们在学校关闭时会获得电子设备来完成作业。

【答案】 **D** 段 (强锚点)

【锚点】 试点项目发电子设备做作业

【定位】 A pilot programme in a school district in Anderson County, South Carolina, has supplied students with electronic tablets loaded with assignments to complete in the event of a school closure.

South Carolina 的 Anderson County 学区开展了一个试点项目，给学生发放装好作业的电子平板，以便在学校停课时完成作业。

【改写】 a pilot programme ↔ **A pilot programme**

专有名词原样复现

electronic devices to do assignments when schools are closed ↔

electronic tablets loaded with assignments to complete in the event of a school closure

上下位加条件状语改写

【辨邻】 **C** many school boards have introduced policies which require students to work from home if the school is shut by snow or extreme weather 是政策的总定调，没有谈到 a pilot programme 与 electronic devices，与题干两条指纹都不符，排除。

many school boards have introduced policies which require students to work from home if the school is shut by snow or extreme weather

45. Along-standing debate is going on over the impact of school absences on students' academic performance.

关于学校缺勤对学生学业表现影响的长期辩论一直在进行。

【答案】 **H** 段（强锚点）

【锚点】 缺课影响成绩的长期争论

【定位】 There is a long-running debate on whether missing days of school affects attainment.

关于缺课是否影响学业成绩，长期以来一直存在争论。

【改写】 A long-standing debate ↔ **There is a long-running debate**

形容词同义替换

the impact of school absences on students' academic performance ↔

whether missing days of school affects attainment

名词化与动词句互转

【辨邻】 **I** The Harvard study examined seven years of school results data 是具体研究案例，与 A long-standing debate 的总论腔不匹配；I 段并未陈述「长期争论」这一事实，只是给出研究结论，排除。

The Harvard study examined seven years of school results data and could not find any impact from snow closures

PARAGRAPH MAP • 段落主旨图

10 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

A 学校在遇到雪、洪水、极端冷热等坏天气时常会停课；美国孩子由此享有一项历史悠久的传统——the long-standing tradition of the "snow day"，也就是因雪停课、意外放一天假。

信息指纹 雪天放假的悠久传统

B 讲 snow day 的判定标准与地区差异：核心标准是校车能否安全运行、走路上学的孩子是否危险；越靠北、越习惯下雪的地区反而越少停课。

信息指纹 北部地区反而少停课

C 影视里常见的雪天放假场景仍在，但 South Carolina、Nevada、Georgia、Indiana 等几个州的学生已告别这一传统，改成 e-learning days——学校停课时学生必须在家上网课。

信息指纹 新政策改名 e-learning days

D 老师也要在线值守、收虚拟点名、答学生在线问题；South Carolina 的 Anderson County 学区已在试点：给学生发装好作业的电子平板，停课时用。

信息指纹 Anderson County 平板试点

E 部分家长在 Facebook 上反对新政策，认为下雪就该让孩子玩；支持者则说能少缺课，还能终结另一项不受欢迎的 "make-up day" 传统。

信息指纹 Facebook 上家长发声反对

F 举 North Carolina 因飓风 Florence 已排了多个补课日；学区主管 Tom Wilson 和 Indiana 的 Adam Baker 支持改成 e-learning day；但 Ohio 多位学监反对，担心家里没网的学生吃亏、教学质量下降。

信息指纹 Ohio 学监担忧没网学生吃亏

G 讲 "blizzard bags"——预知要停课时让孩子提前带回家的作业袋；Tom Roth 认为这种方式不够，仍需课堂时间，效果不如线下。

信息指纹 blizzard bags 作业袋

H 讲学界长期争论：缺课是否影响成绩；英格兰 DFE 2016 年研究说哪怕缺几天都可能拉低成绩；哈佛的一项研究则说因天气偶尔缺几天并不损害学习。

信息指纹 缺课与成绩的长期争论

I 哈佛进一步研究：雪天停课本身对成绩无影响；天气真正的负面影响来自极端高温——研究 13 年、1000 万学生数据发现高温年份与较低成绩有显著关联。

信息指纹 极端高温拉低成绩

J 总结：极端天气下的合法缺课对学生影响不如非合法缺课大，因为非合法缺课往往反映学生厌学或家长对教育的消极态度；影响大小取决于缺课时长与频率。

信息指纹 经许可缺课影响更小

SENTENCE INSIGHTS • 句子精讲

19 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Certain institutions, such as schools, are likely to close when bad weather, such as snow, flooding or extreme heat or cold, causes travel difficulties, power outages(断供), or otherwise endangers public safety.

A段，第1句

主句配时间状语从句的结构在考试中极为常见，“when”引导条件类时间从句是高频考点。同位语插入和并列谓语也是典型句式。掌握后可直接迁移到大量真题句，代表性较强。

When snowy weather arrives in the US, it means the chance of school children benefiting from the long-standing tradition of the "snow day", when schools are forced to close and students get an unexpected day off.

A段，第2句

全句覆盖主语、谓语、宾语、时间状语、地点状语、定语、宾语补语等多种成分，且包含代词主语、被动结构、非限制性定语从句、并列结构等多个训练点；特别是“it”的指代、“of + 动名词”作后置定语、被动结构的补语保留等，都是练习划分成分的优质材料

This academic year, many school boards have introduced policies which require students to work from home if the school is shut by snow or extreme weather.

C段，第3句

限制性定语从句修饰宾语、定语从句内嵌套条件状语从句、require somebody to do结构、被动语态条件句都是考试高频句式。整句体现了典型的多层修饰和复合结构，掌握后可直接迁移到大量类似长难句的分析。

Teachers are also losing their snow days and instead will be expected to be on hand to take a virtual register and answer students' questions online.

D段，第1句

并列谓语结构和被动语态都是四六级和考研阅读中的常见句式。被动语态后接不定式作宾语的用法也频繁出现在正式书面语中。掌握本句的分析方法可复用于大量类似句子。

A pilot programme in a school district in Anderson County, South Carolina, has supplied students with electronic tablets loaded with assignments to complete in the event of a school closure.

D段，第2句

本句包含双宾语结构 (supply sb with sth)、多层介词短语作定语、过去分词短语作后置定语、不定式短语作定语，成分种类丰富。双宾语和后置定语是学习者常见易错点，适合作为成分划分练习。

But some parents object to the new policy if the vigorous debate on the Facebook page of Anderson County school district is anything to go by.

E段，第1句

“主句 + if条件状语”是非常常见、可迁移性很强的阅读句式。再加上句首“But”提示上下文转折，这种组合在考试阅读里也很常见。

It will also bring to an end a less popular US high school tradition: the "make-up day", which requires students in many states to make up the time lost due to weather by working during school holidays.

E段，第5句

本句成分丰富且有针对性：主句包含主语、谓语、宾语、同位语、结果状语；从句包含主语（关系代词）、谓语、宾语、宾语补足语、定语（两处：介词短语和过去分词短语）、方式状语、时间状语。特别是同位语、宾语补足语、过去分词作后置定语、以及方式状语内部嵌套时间状语这几处，都是学习者容易混淆的点，练习价值较高。

He said technology has changed every profession, so it makes sense to use it to "eliminate" make-up days.

F段，第3句

句子结构非常典型：并列主句通过 so 连接表达因果关系，第一个主句嵌套宾语从句省略 that，第二个主句使用形式主语 it 加不定式后置，这些都是四六级和考研英语中高频出现的句式。特别是 it makes sense to do 和宾语从句省略引导词的用法，在真题中反复出现。这种结构的掌握可以直接迁移到大量类似句子的理解中，具有较高的学习迁移价值。

He said most Indiana schools already use digital devices during lessons, so it was an "easy decision" to extend this to days when schools are closed.

F段，第5句

全句结构高度典型：并列连词 so 连接因果关系的两个主句，第一个主句包含省略 that 的宾语从句，第二个主句使用形式主语 it 配后置不定式，以及 when 引导的定语从句。这些都是四六级和考研真题中的高频句式，掌握后可大量复用。

He denies the decision is depriving children of the chance to enjoy the snow.

F段，第6句

"主句 + 宾语从句" 是四六级和考研阅读中极为常见的句式。特别是 deny/believe/think 等动词后跟省略 that 的宾语从句，以及从句中使用进行时态描述正在发生的情况，都是典型的真题句式特征。掌握本句结构后，可以迁移到大量类似句子的理解中。

"I think we still need the class time to give our kids the education that they deserve," he said.

G段，第3句

"I think + 宾语从句" 和 "名词 + 定语从句" 都是四六级和考研英语阅读中的高频句式，引述结构也很常见；整体结构代表了书面语中观点表达加修饰限定的典型组合，学习后可迁移到大量类似句子。

There is a long-running debate on whether missing days of school affects attainment.

H段，第1句

there be 句型和 whether 引导的名词性从句都是四六级、考研英语阅读高频结构；debate on whether 这类搭配在学术议论文中极为常见，典型性强，掌握后可大量复用。

The Department for Education (DFE) published research in 2016 arguing that missing any days at school could have a negative impact on results.

H段，第3句

后置定语(现在分词短语)修饰宾语 + 宾语从句嵌套，是学术类、新闻类文章的高频句式，也是四六级和考研英语阅读的典型结构，掌握后可大量迁移到真题长难句分析中。

It's hot weather that has the negative impact.

I段，第4句

本句是练习强调句结构识别的优质材料。学生需要区分强调句与定语从句，掌握通过去掉框架还原句子的判断方法，训练在强调结构中准确定位被强调成分和谓语的能力。涵盖了主系表结构与强调句特殊成分的综合分析。

It's obvious that students should go to school every day to get the most out of education.

J段，第1句

"It is + 形容词 + that从句" 是四六级和考研英语阅读中高频出现的句式，用于表达观点、评价或客观事实。该结构在议论文和说明文中广泛使用，掌握后可大量复用到写作和阅读理解中。

This is because unauthorised absences tend to reflect patterns and behaviours of student disengagement, or the possible negative attitudes of parents towards education that students adopt and carry with them through schooling.

J段，第4句

主句用 "This is because" 引出原因，表语从句内部带有并列宾语和嵌套定语从句，这种 "因果陈述 + 从句嵌套" 的组合在四六级和考研阅读中非常常见。学生掌握这种结构后，可以迁移到大量类似长句的分析中。

There is a time-honoured tradition in the US for school kids to stay at home on "snow days".

第39题题干

there be 存在句 + 名词后置定语是四六级和考研阅读中的高频句式，本句的「介词短语 + 不定式复合结构」双重后置定语组合也很典型，掌握后可迁移到大量类似结构。

Debates on social media show some parents are opposed to ending the "snow day" tradition.

第40题题干

主句 + 宾语从句（省略 that）是四六级和考研真题中的高频句式。"be opposed to + 动名词" 结构也是常考搭配。整句结构清晰典型，学习后可直接迁移到类似句子。

Research indicates absences from school with permission do not cause as many problems as those without permission.

第42题题干

本句是典型的"主句 + 宾语从句"结构，且宾语从句省略 that，这种模式在四六级和考研阅读中频繁出现。宾语从句内部的比较结构 "as ... as ..." 也是常考句式。主句谓语 indicates 属于学术语境的常用动词，整体结构代表性强，掌握后可迁移到大量类似句子。

QUESTIONS & ANALYSIS • 阅读理解题和解析

阅读理解题和解析·46–50 题

本页 46–50 题的答案与逐题解析由懒笔记基于2024年6月·第3套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 5 段原文（段首标 P1–P5 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第3套(2024-06) • 英语四级

Part III Section C (1)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

P1 It may sound surprising, but you don't have to be interested in fashion, or even in history, to enjoy *Dress Codes: How the Laws of Fashion Made History*. I happen to be interested in both, and ended up enjoying the book for completely different reasons.

这听起来可能令人惊讶,但你不必对时尚感兴趣,甚至不必对历史感兴趣,也能享受《着装法则:时尚法律如何创造历史》这本书。我恰好对两者都感兴趣,最终却因为完全不同的原因而喜欢上了这本书。

P2 Richard Thompson Ford is a law professor, and you probably won't forget that for even one page. His carefully reasoned arguments, packed with examples, sound almost like reading a court opinion, only maybe wordier. You will probably never think of fashion as a trifle again.

Richard Thompson Ford是一位法学教授,你可能不会有哪怕一页忘记这一点。他精心论证的观点充满实例,读起来几乎像在阅读法院意见书,只是可能更冗长。你可能再也不会把时尚当作小事了。

P3 Ford's thesis is that the best way to understand what particular fashions meant in any given era is to look at the restrictions placed on them. Through this lens, he shows us that the first laws passed in the 1200s to ensure that only the nobility were allowed to wear certain fabrics, colors and ornaments reflected the rise of the middle class, who were now able to imitate some of these fashions. The status of the upper classes was threatened; fashion was a tool to preserve it.

Ford的论点是,理解任何特定时代特定时尚意义的最佳方式是看对它们施加的限制。通过这个视角,他向我们展示了13世纪通过的第一批法律确保只有贵族才能穿戴某些面料、颜色和装饰品,这反映了中产阶级的

崛起,他们现在能够模仿其中一些时尚。上层阶级的地位受到威胁,时尚成为维护这种地位的工具。

P4 Ford takes the reader through the evolution of fashion while examining the underlying motivations of status, sex, power, and personality, which, he assumes, influenced all innovations in fashion in the past and which continue to influence us today. His writing is more than a little dense—dense with research, clauses, and precise adjectives and nouns. But there's also humor and enough interesting episodes to make the writing appealing. No one is spared his sharp analysis: not the easy targets of 19th century women's crippling(伤害身体的) fashions nor the modern uniforms of Silicon Valley T-shirts

Ford带领读者经历时尚的演变,同时考察地位、性别、权力和个性等潜在动机,他认为这些动机影响了过去时尚的所有创新,并继续影响着今天的我们。他的写作不止一点密集——充满研究、从句以及精确的形容词和名词。但其中也有幽默和足够多的有趣情节使文字引人入胜。没有人能逃脱他犀利的分析:无论是19世纪女性伤害身体的时尚这一容易的目标,还是硅谷T恤的现代制服。

P5 But the greatest strength of this book (on fashion!) is its intellectual profoundness. Ford asks us to question unconscious beliefs, to realize that we almost never do so, to understand that the simplest choices are charged with meaning, and yet that meaning can and does change all the time. Consider the fact that a 1918 catalog insisted that boys and girls be dressed in the appropriate color. We believe our thinking today is evolved; Ford shows us it's not.

但这本书(关于时尚!)最大的优点是其智识的深刻性。Ford要求我们质疑无意识的信念,认识到我们几乎从不这样做,理解最简单的选择都充满意义,然而这种意义可以而且确实一直在变化。想想这样一个事实:1918年的一份商品目录坚持男孩和女孩应该穿着合适的颜色。我们相信今天的思维是进化了的,Ford向我们展示事实并非如此。

题目与逐题解析

46. What does the author think of the book *Dress Codes: How the Laws of Fashion Made History*?

- A) It is read by people for entirely different reasons.
- B) It is meant for those interested in fashion history.
- C) It makes enjoyable as well as informative reading.
- D) It converts fashion into something for deliberation.

作者如何看待《着装法则:时尚法律如何创造历史》这本书?

- A) 人们出于完全不同的原因阅读它。 B) 它是为对时尚史感兴趣的人准备的。
- C) 它既有趣又富有知识性。 D) 它将时尚转化为值得深思的事物。

【答案】 C (主旨题)

【判型】 What does the author think of the book 问的是作者对整本书的看法,不针对任何细节段,属于全文评价层面的主旨态度问题。

【拆句】 主干 What does the author think of the book: think of 在此是「认为.....怎么样」的固定搭配, of 后接评价对象;书名作 of 的宾语。无陷阱。

【选项】 A) 过度推断

It is read by people for entirely different reasons 把 I happen to be interested in both, and ended up enjoying the book for completely different reasons 中「我个人因不同理由喜欢」错误推广到所有读者群体。

B) 与原文相反

It is meant for those interested in fashion history 与 you don't have to be interested in fashion, or even in history, to enjoy 直接矛盾——原文是「不必对这两者感兴趣也能享受」，选项却限定「专为感兴趣者而写」。

C) ✓ 正确

enjoy Dress Codes: How the Laws of Fashion Made History ↔ **enjoyable**

intellectual profoundness ↔ **informative**

enough interesting episodes to make the writing appealing ↔ **enjoyable**

It makes enjoyable as well as informative reading 用 enjoyable as well as informative 两个形容词分别对应「P1/P4 阅读体验」和「P5 思想深度」两条主线，是唯一同时覆盖两面的选项。

D) 过度推断

It converts fashion into something for deliberation 把 You will probably never think of fashion as a trifle again 过度解读为「把时尚转化为可供深思的事物」，把作者对一句话的预测拔成全书定位。

47. How can people best understand a particular fashion in an era, according to Ford?

- A) By examining the restraints imposed on it.
- B) By looking at what the nobility were wearing.
- C) By glancing at its fabrics, colors and ornaments.
- D) By doing a survey of the upper and middle classes

根据Ford的观点,人们如何才能最好地理解某个时代的特定时尚?

- A) 通过审视施加在时尚上的限制。 B) 通过观察贵族的穿着。 C) 通过浏览时尚的面料、颜色和装饰。
- D) 通过对上层阶级和中产阶级进行调查。

【答案】 A (细节题)

【判型】 How can people best understand a particular fashion in an era, according to Ford? 用 how 问具体方法，且明确归属 according to Ford，是定位 Ford 观点句的细节题。

【拆句】 主干 How can people understand..., best 修饰 understand 表程度；in an era 限定 fashion 所处时代；句末 according to Ford 标注观点归属。无陷阱。

【定位】 Ford's thesis is that the best way to understand what particular fashions meant in any given era is to look at the restrictions placed on them.

Ford 的核心论点是：要理解某一时代里特定时尚的含义，最好的方式就是看强加在这些时尚之上的种种限制。

【选项】 A) ✓ 正确

look at the restrictions placed on them ↔ **examining the restraints imposed on it**

四个选项中只有 By examining the restraints imposed on it 完整还原「观察—限制」这一对核心语义，与预判完全等值。

B) 拿例证替换方法

By looking at what the nobility were wearing 只截取 the nobility were allowed to wear certain fabrics, colors and ornaments 此处例证，没回到 Ford 真正提出的方法——「看限制」。

C) 偷换概念

By glancing at its fabrics, colors and ornaments 取自 certain fabrics, colors and ornaments，是 1200s 立法所限制的具体内容，被偷换成了「理解时尚的方法」。

D) 无中生有

By doing a survey of the upper and middle classes 中 doing a survey 文中并无任何对应，Ford 谈的是「看限制」而非做问卷或调查。

48. What was the aim of the first laws passed regarding fashion in the 1200s?

- A) To facilitate the rise of the middle class.
- B) To loosen restrictions on dress codes.
- C) To help initiate some novel fashions
- D) To preserve the status of the nobles.

13世纪通过的第一批有关时尚的法律的目的是什么？

- A) 促进中产阶级的崛起。
- B) 放宽对着装规范的限制。
- C) 帮助创立一些新颖的时尚。
- D) 维护贵族的地位。

【答案】 D (细节题)

【判型】 What was the aim of the first laws 问的是某一具体历史事件的目的，需要回原文找对应「目的/原因」表述。

【拆句】 主干 What was the aim of the first laws...? aim of 后接修饰首批法律的两个定语 passed regarding fashion 和 in the 1200s。无陷阱。

【定位】 the first laws passed in the 1200s to ensure that only the nobility were allowed to wear certain fabrics, colors and ornaments reflected the rise of the middle class, who were now able to imitate some of these fashions. The status of the upper classes was threatened; fashion was a tool to preserve it.

1200 年代通过的最早一批法律，规定只有贵族才能穿戴某些面料、颜色与饰品；这些法律折射出中产阶级的崛起，因为他们已能模仿其中一些时尚。上层阶级的地位受到威胁，时尚成为维持这一地位的工具。

【选项】 A) 与原文相反

To facilitate the rise of the middle class 把「中产阶级崛起」当成目的，但原文是中产阶级崛起在前、立法在后，立法是为了反制这种崛起、保护贵族。

B) 与原文相反

To loosen restrictions on dress codes 与原文「立法是限制」的方向完全相反，原文是 only the nobility were allowed to wear，明显是加紧而非放松。

C) 无中生有

To help initiate some novel fashions 称立法是为了开启新潮流，文中只字未提；原文谈的是用法律压制模仿，而非鼓励创新。

D) ✓ 正确

The status of the upper classes was threatened; fashion was a tool to preserve it ↔

To preserve the status of the nobles

only the nobility were allowed to wear certain fabrics, colors and ornaments ↔

To preserve the status of the nobles

预判「维护贵族地位」直接对应 To preserve the status of the nobles, preserve, status、nobles 三个关键词全部命中，是直白的同义重述。

49. What does the author think of Ford's writing?

- A) It uses comparison and contrast in describing fashions of different eras.
- B) It makes heavy reading but is not lacking in humor or appeal.
- C) It is filled with interesting episodes to spare readers intolerable boredom.
- D) It is characteristic of academics in presenting arguments.

作者如何看待Ford的写作？

- A) 在描述不同时代的时尚时运用了比较和对照。
- B) 阅读起来费力但不乏幽默感和吸引力。
- C) 充满有趣的小插曲,使读者免于难以忍受的枯燥。
- D) 在论证方面具有学术特征。

【答案】 B (细节题)

【判型】 What does the author think of Ford's writing? 评价对象是局部的 writing，不是全书，属于一段内的评价细节题。

【拆句】 主干 What does the author think of Ford's writing? think of 仍是固定搭配「对...怎么看」。无陷阱。

【定位】 His writing is more than a little dense—dense with research, clauses, and precise adjectives and nouns. But there's also humor and enough interesting episodes to make the writing appealing.

他的写作可以说相当密实——密集的研究、从句以及精准的形容词与名词。但其中也不乏幽默与足够多的有趣片段，使得整本书读来仍具吸引力。

【选项】 A) 无中生有

It uses comparison and contrast in describing fashions of different eras 谈 Ford 用了 comparison and contrast, P4 通篇没有这层评价。

B) ✓ 正确

His writing is more than a little dense ↔ **makes heavy reading**

there's also humor and enough interesting episodes to make the writing appealing ↔

not lacking in humor or appeal

It makes heavy reading but is not lacking in humor or appeal 用 but 连接, 分别对接原文 dense 与 But there's also humor and ...appealing 两个分句, 与预判完全一致。

C) 过度推断

It is filled with interesting episodes to spare readers intolerable boredom 把原文「也有」夸成「充满」, 把「使写作吸引人」放大为「拯救读者免于难以忍受的无聊」, 与 dense 评价并列存在的事实矛盾。

D) 以偏概全

It is characteristic of academics in presenting arguments 与 sound almost like reading a court opinion, only maybe wordier 有关, 但题目问的是 P4 段的写作评价; 且选项遗漏了「幽默与吸引力」这一面。

50. What does the author say is the greatest strength of Ford's book?

- A) Plentiful information.
- B) Meaningful choices.
- C) Evolved thinking.
- D) Intellectual depth

作者认为Ford这本书的最大优势是什么?

A) 丰富的信息。 B) 有意义的选择。 C) 深化的思考。 D) 思想深度。

【答案】 D (细节题)

【判型】 What does the author say is the greatest strength of Ford's book? 问「最大优点是什么」, 文中必有显式表述, 属细节定位题。

【拆句】 主干 What does the author say is the greatest strength...? 嵌套宾语从句 the author say + 主语 [the greatest strength of Ford's book] + 系动词 is, 问的是表语的内容。无陷阱。

【定位】 But the greatest strength of this book (on fashion!) is its intellectual profoundness.

但这本(讲时尚的!)书最大的优点, 是它在思想上的深刻。

【选项】 A) 张冠李戴

Plentiful information 把 dense with research 误当作本段「最大优点」，跨段错位，且 Ford 的写作密度在原文是写作风格而非最大优点。

B) 以偏概全

Meaningful choices 取自 the simplest choices are charged with meaning，那是支撑思想深度的细节，不是最大优点本身。

C) 与原文相反

Evolved thinking 直接对应 We believe our thinking today is evolved; Ford shows us it's not，作者明确指出今天的思维其实并未进化——把它当作 Ford 书的最大优点，与原文结论完全相反。

D) ✓ 正确

intellectual profoundness ↔ Intellectual depth

Intellectual depth 与预判「思想上的深刻」语义——对应，无任何缩放或偷换。

SENTENCE INSIGHTS • 句子精讲

7 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Through this lens, he shows us that the first laws passed in the 1200s to ensure that only the nobility were allowed to wear certain fabrics, colors and ornaments reflected the rise of the middle class, who were now able to imitate some of these fashions.

第3段，第2句

本句成分丰富且包含多个易错点：双宾语结构 shows us that、主语被大段修饰语隔断、后置定语与不定式目的状语的区分、被动语态中的主语补足语、非限制性定语从句的识别；特别是第一个宾语从句的主语 "the first laws passed in the 1200s to ensure that ..." 中，学生需要区分 passed 作定语、to ensure 作状语、that 引导嵌套宾语从句，这些都是高价值的成分划分训练点。

Ford takes the reader through the evolution of fashion while examining the underlying motivations of status, sex, power, and personality, which, he assumes, influenced all innovations in fashion in the past and which continue to influence us today.

第4段，第1句

本句展示了四六级和考研阅读中常见的典型结构:主句后接并列的非限制性定语从句补充说明,以及 while doing 形式的状语短语。这种结构在学术或说明性文本中频繁出现,掌握后可复用于大量类似句子的理解和分析,具有很高的代表性。

His writing is more than a little dense—dense with research, clauses, and precise adjectives and nouns.

第4段，第2句

主系表结构是英语最常见的基本句型之一，在各类考试中频繁出现，具有较高的典型性，但本句过于简单，不涉及复杂变式。

But there's also humor and enough interesting episodes to make the writing appealing.

第4段，第3句

there be 句型搭配并列主语和后置定语的结构在四六级和考研阅读中频繁出现，属于典型的常考句式。掌握此类句型的主干识别和定语后置处理方法可大量复用到其他真题句子中。

Ford asks us to question unconscious beliefs, to realize that we almost never do so, to understand that the simplest choices are charged with meaning, and yet that meaning can and does change all the time.

第5段，第2句

ask sb to do 结构配合宾语从句、并列不定式短语、and yet 引出转折从句,是四六级和考研阅读中高频出现的复杂句式,掌握后可迁移到大量类似结构,典型性很强。

Consider the fact that a 1918 catalog insisted that boys and girls be dressed in the appropriate color.

第5段，第3句

本句结构典型、成分丰富、含虚拟语气和多层嵌套等值得练习的难点，但主干识别难度不高。作为“同位语从句+虚拟语气宾语从句”组合的练习句，适合帮助学生掌握常考句式和易错点，综合训练价值较高，推荐优先学习。

It is meant for those interested in fashion history.

第46题，B

"be meant for" 固定搭配和被动语态在考试中常见，过去分词作后置定语也是高频考点，具有较好的典型性和复用价值

HIGH-FREQUENCY • 真题高频词

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 The art of persuasion means convincing others to agree with your point of view or to follow your course of action. For some of us, persuasion is an instinctive quality and the power of influencing comes naturally. For the rest of us, persuasion skills can be learned and developed over time.

说服的艺术意味着让他人同意你的观点或遵循你的行动方案。对我们中的一些人来说,说服是一种本能的品质,影响他人的能力与生俱来。对我们其余的人来说,说服技巧可以随着时间的推移而学习和培养。

P2 Employers place a great value on employees with persuasion skills because they can impact several aspects of job performance. Besides, teamwork and leadership rely heavily on the power of persuasion to get things done. Without persuasion skills, employees may not be as committed to or convinced of the importance of an organization's vision and long-term mission. Effective use of persuasion skills will not only help get your coworkers excited about your ideas, it'll also help you motivate them to achieve a common goal.

雇主非常重视具备说服技巧的员工,因为他们能够影响工作表现的多个方面。此外,团队合作和领导力在很大程度上依赖说服的力量来完成工作。如果没有说服技巧,员工可能不会那么认同或相信组织愿景和长期使命的重要性。有效运用说服技巧不仅有助于让你的同事对你的想法感到兴奋,还能帮助你激励他们实现共同目标。

P3 In order to learn the art of persuasion at the workplace, you need to understand how to handle conflicts and reach agreements. Good communication is the first step in effective persuasion, but logic and reasoning are just as important. Before you can get somebody on-board with your goal, you should

help them understand why they should pursue it. Using visual aids to back up your ideas can help communicate your ideas better and make compelling arguments so your listeners will come to a logical choice and become fully committed to your ideas and plans.

为了在职场学习说服的艺术,你需要理解如何处理冲突和达成协议。良好的沟通是有效说服的第一步,但逻辑和推理同样重要。在你能让某人支持你的目标之前,你应该帮助他们理解为什么他们应该追求这个目标。使用视觉辅助工具来支持你的想法可以帮助更好地传达你的想法并提出令人信服的论据,这样你的听众就会做出合乎逻辑的选择,并完全致力于你的想法和计划。

P4 Successful persuasion skills are based on your ability to have positive interactions and maintain meaningful relationships with people. In order to sustain those relationships, you must be able to work in their best interests as well. Your coworkers are more likely to agree with you when they succeed alongside you. The more they achieve and the greater progress they make, the more they trust your judgement and strength.

成功的说服技巧基于你与人们进行积极互动和维持有意义关系的能力。为了维持这些关系,你也必须能够为他们的最大利益工作。当你的同事与你一起成功时,他们更有可能同意你的观点。他们取得的成就越多,取得的进步越大,他们就越信任你的判断和力量。

P5 We persuade and get persuaded every day—we're either convincing or being convinced. A vast majority of people prefer collaboration and teamwork over traditional organizational structures; no one likes to be told what to do or to be pushed around. Therefore, organizations and leaders should adopt powerful persuasion skills to bring about necessary changes.

我们每天都在说服他人和被他人说服——我们要么在说服,要么在被说服。绝大多数人更喜欢协作和团队合作而不是传统的组织结构;没有人喜欢被告知该做什么或被人指使。因此,组织和领导者应该采用强有力的说服技巧来带来必要的变革。

题目与逐题解析

51. What does the author say about the ability to be persuasive in the first paragraph?

- A) People may either be born with it or be able to cultivate it.
- B) It proves crucial in making others follow one's course of action.
- C) It refers to the natural and instinctive power of influencing one's coworkers.
- D) People may view it as both a means to convince others and an art of communication.

作者在第一段中关于说服能力说了什么?

- A) 人们可能天生具有这种能力,也可能能够培养这种能力。
- B) 它被证明对让他人遵循自己的行动方针至关重要。
- C) 它指的是影响同事的天然本能力量。
- D) 人们可能将其既视为说服他人的手段,也视为一种沟通艺术。

【答案】 A (细节题)

【判型】 What does the author say about the ability to be persuasive in the first paragraph?
是典型的 What does the author say + 段落限定, 问的是作者在指定段落对某事的具体说法, 无 infer/imply 字样。

【拆句】 题干 What does the author say about the ability to be persuasive in the first paragraph? 主干为 What does the author say about X, X 是 the ability to be persuasive; in the first paragraph 是地点状语修饰 say。结构平铺直叙，无陷阱。

【定位】 For some of us, persuasion is an instinctive quality and the power of influencing comes naturally. For the rest of us, persuasion skills can be learned and developed over time.

对我们中的一些人来说，说服是与生俱来的天赋，影响他人的能力是天生的；对我们其余的人来说，说服技巧是可以随时间学习并培养的。

【选项】 A) ✓ 正确

For some of us, persuasion is an instinctive quality ↔ **born with it**

persuasion skills can be learned and developed over time ↔ **be able to cultivate it**

预判要求“天生或后天习得”两端都覆盖，仅 People may either be born with it or be able to cultivate it 用 either...or 句式完整对应两端。

B) 答非所问

It proves crucial in making others follow one's course of action 把首段对“能力来源”的说明换成了“能力的重要性”，回答的不是 What does the author say 这个问题的。

C) 以偏概全

It refers to the natural and instinctive power of influencing one's coworkers 只截取了“天生本能”那一半 (some of us)，漏掉了“后天习得”那一半 (the rest of us)，且把场景窄化到 coworkers。

D) 无中生有

People may view it as both a means to convince others and an art of communication 中的 art of communication 在首段并未提及，原文只说 the art of persuasion，把 persuasion 偷换成 communication。

52. Why are persuasion skills greatly valued in the workplace?

A) They enable employees to be convinced of their long-term gains.

B) They enable employees to trust their leaders unconditionally.

C) They help motivate coworkers to strive for a common goal.

D) They help an organization to broaden its vision effectively.

为什么说服技巧在职场中备受重视？

A) 它们使员工能够相信自己的长期收益。 B) 它们使员工能够无条件地信任他们的领导者。

C) 它们有助于激励同事为共同目标而奋斗。 D) 它们有助于组织有效地拓宽其愿景。

【答案】 C (细节题)

【判型】 Why are persuasion skills greatly valued in the workplace? 问的是被广泛重视的具体原因，是文中可直接读出的事实，不要求跨段综合推断。

【拆句】 题干 Why are persuasion skills greatly valued in the workplace? 是 Why + be + 过去分词 valued 构成的被动疑问句，主语是 persuasion skills; in the workplace 是地点状语。被动语态把动作发出方（雇主）省略了，考生需要意识到“被谁所重视”的隐含主语在原文是 employers。

【定位】 Effective use of persuasion skills will not only help get your coworkers excited about your ideas, it'll also help you motivate them to achieve a common goal.

有效运用说服技巧不仅有助于让你的同事对你的想法感到兴奋，也有助于你激励他们为实现共同目标而努力。

【选项】 A) **无中生有**

They enable employees to be convinced of their long-term gains 中的 long-term gains 在原文找不到对应，原文 long-term mission 谈的是组织的长期使命，并非员工的长远收益。

B) **过度推断**

They enable employees to trust their leaders unconditionally 中 unconditionally 是绝对化表述，原文只谈“激励”，从未要求“无条件信任”，属于过度推断。

C) **✓ 正确**

help you motivate them to achieve a common goal ↔

help motivate coworkers to strive for a common goal

预判“激励同事为共同目标”两要素，They help motivate coworkers to strive for a common goal 在句法结构上几乎是原文的平移，是最贴近预判的选项。

D) **偷换概念**

They help an organization to broaden its vision effectively 把原文的“让员工 committed to vision”（员工对愿景的认同）偷换成“拓展组织的愿景”（broaden its vision），动作和受体都被换掉。

53. What should people do to learn the art of persuasion at the workplace?

- A) Acquire effective communication skills.
- B) Avoid getting involved in conflicts with others.
- C) Understand the reason for pursuing their goals.
- D) Commit themselves fully to their ideas and plans.

人们应该做什么来学习职场中的说服艺术？

- A) 掌握有效的沟通技巧。 B) 避免卷入与他人的冲突。 C) 理解追求目标的原因。
D) 全身心地投入到自己的想法和计划中。

【答案】 A (细节题)

【判型】 What should people do to learn the art of persuasion at the workplace? 提问“为达成 X 该做什么”，答案是原文中显性陈述的前置条件，无需推断。

【拆句】 题干 What should people do to learn the art of persuasion at the workplace? 主干是 What should people do, to learn... at the workplace 是不定式做目的状语。考生易把 to learn 误读为定语修饰 do, 正确理解应是“为了学会..., 人们该做什么”。

【定位】 Good communication is the first step in effective persuasion, but logic and reasoning are just as important.

良好的沟通是有效说服的第一步, 但逻辑和推理同样重要。

【选项】 A) ✓ 正确

Good communication is the first step in effective persuasion ↔

Acquire effective communication skills

预判要求“先做好沟通”, Acquire effective communication skills 用 acquire 动作动词直译 first step 隐含的“获取动作”, 匹配度最高。

B) 偷换概念

Avoid getting involved in conflicts with others 把原文 how to handle conflicts (处理冲突) 偷换成 avoid... conflicts (回避冲突), 原文从未让人避开冲突。

C) 张冠李戴

Understand the reason for pursuing their goals 把原文中的“帮别人理解为什么要追求该目标”张冠到“自己理解”, 主语错位。

D) 答非所问

Commit themselves fully to their ideas and plans 描述的是听众被说服后的状态 (fully committed), 是“说服成功”的结果, 而题干问的是说服者该做的前置条件。

54. When are you more likely to succeed in persuading your coworkers?

- A) When they are convinced you work in their interests while sacrificing your own
- B) When they become aware of the potential strength of the judgements you make
- C) When they become aware of the meaningful relationships you keep with them.
- D) When they are convinced they will make achievements together with you.

什么时候你更有可能成功说服你的同事?

- A) 当他们确信你在为他们的利益工作而牺牲自己的利益时。
- B) 当他们意识到你所做判断的潜在力量时。 c) 当他们意识到你与他们保持的有意义的关系时。
- D) 当他们确信自己将与你一起取得成就时。

【答案】 D (细节题)

【判型】 When are you more likely to succeed in persuading your coworkers? 问的是某客观条件下的可能性, 文中第四段直陈条件句, 可直接定位。

【拆句】 题干 When are you more likely to succeed in persuading your coworkers? 主干是 When are you more likely to succeed, to succeed in doing 是固定搭配。考生易把 more likely 误读作纯感情色彩词, 应理解为“在何种条件下, 更可能”, 相当于在问触发条件。

【定位】 Your coworkers are more likely to agree with you when they succeed alongside you.

当你的同事与你一起取得成功时，他们更可能同意你的看法。

【选项】 A) **过度推断**

while sacrificing your own 是原文从未提及的“牺牲自我利益”，原文只说“为对方利益着想”，未要求牺牲自己。

B) **偷换概念**

the potential strength of the judgements you make 把原文 they trust your judgement and strength 中的并列两件事偷换成“判断的潜在力量”，concept 被悄悄合并改写。

C) **答非所问**

meaningful relationships you keep with them 是说服力的前提条件（说服者需要做），不是同事被说服的触发条件——题干问的是后者。

D) **✓ 正确**

when they succeed alongside you ↔

When they are convinced they will make achievements together with you

预判“双方共同成功才更易被说服”，they will make achievements together with you 是定位句 they succeed alongside you 的同义改写，方向一致。

55. Why are organizations and leaders advised to adopt powerful persuasion skills to bring about necessary changes?

- A) To convince employees of the value of collaboration
- B) To allow for the preferences of most people of today
- C) To improve on traditional organizational structures
- D) To adapt to employees' ever-changing working styles

为什么建议组织和领导者采用强有力的说服技巧来带来必要的变革？

- A) 为了让员工相信协作的价值。
- B) 为了照顾到当今大多数人的偏好。
- C) 为了改进传统的组织结构。
- D) 为了适应员工不断变化的工作方式。

【答案】 B (细节题)

【判型】 Why are organizations and leaders advised to adopt powerful persuasion skills to bring about necessary changes? 问的是该建议的事实依据，文中末段直陈，无须推断。

【拆句】 题干 Why are organizations and leaders advised to adopt powerful persuasion skills to bring about necessary changes? 是 Why + 被动 are advised to do 的疑问句，to bring about... 是不定式做目的状语。该结构隐含的动作发出方是“作者”，被建议方是 organizations and leaders；考生需识别这是在问作者给出此建议的依据。

【定位】 A vast majority of people prefer collaboration and teamwork over traditional organizational structures; no one likes to be told what to do or to be pushed around. Therefore, organizations and leaders should adopt powerful persuasion skills to bring about necessary changes.

绝大多数人更喜欢协作与团队合作，而非传统组织结构；没人喜欢被指使或被任意摆布。因此，组织和领导者应当采用有力的说服技巧来带来必要的变革。

【选项】 A) 答非所问

To convince employees of the value of collaboration 把“顺应大多数人偏好”换成了“说服员工相信协作的价值”——原文是员工自己已经偏好协作，无需再被说服其价值。

B) ✓ 正确

A vast majority of people prefer collaboration and teamwork over traditional organizational structures

↔ To allow for the preferences of most people of today

题干问“为什么被建议这么做”，To allow for the preferences of most people of today 用 To do 不定式直接给出目的-原因，是最贴合预判的答案。

C) 无中生有

To improve on traditional organizational structures 把“改善传统组织结构”列为目的，但原文 traditional organizational structures 出现的语境是“人们更偏好协作而非传统组织结构”，并未把“改善”它作为说服技巧的目的。

D) 无中生有

To adapt to employees' ever-changing working styles 中的 ever-changing working styles（不断变化的工作方式）原文未提，原文谈的是“偏好”而非“工作方式的变化”。

SENTENCE INSIGHTS • 句子精讲

10 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Besides, teamwork and leadership rely heavily on the power of persuasion to get things done.

第2段，第2句

“主语 + 谓语 + 介词短语 (rely on) + 不定式目的状语”是四六级和考研阅读中常见的简单句结构，具有一定代表性；并列主语和程度副词修饰谓语也是典型用法，学习后可迁移到类似句式

Without persuasion skills, employees may not be as committed to or convinced of the importance of an organization's vision and long-term mission.

第2段，第3句

主系表结构配合情态动词和并列表语,以及句首介词短语作状语,是四六级和考研阅读中高频出现的句式,尤其在议论文和说明文语境中常见,掌握后可迁移应用到大量类似句型。

Good communication is the first step in effective persuasion, but logic and reasoning are just as important.

第3段，第2句

这种“前一判断 + but + 后一平衡判断”的并列句非常常见，阅读中反复出现。掌握后可迁移到大量议论文和说明文句子。

Before you can get somebody on-board with your goal, you should help them understand why they should pursue it.

第3段，第3句

本句结构高度典型：“Before”引导的时间状语从句前置 + 主句 + “why”引导的宾语从句，是四六级和考研阅读中的常见句式。双宾语结构（“help somebody do something”）和宾语从句也是高频考点。掌握后可大量复用于类似句式的分析。

The more they achieve and the greater progress they make, the more they trust your judgement and strength.

第4段，第4句

“the more ... the more ...”是四六级和考研阅读中的高频句式,用于表达正比例关系,掌握后可直接迁移到大量类似句子的理解中,具有很高的典型性和实用价值。

Therefore, organizations and leaders should adopt powerful persuasion skills to bring about necessary changes.

第5段，第3句

“主语 + 情态动词 + 动词原形 + 宾语 + 不定式目的状语”是四六级和考研阅读中极为常见的句式,情态动词表建议、不定式表目的都是高频考点,学习后可大量复用到议论文、说明文等文体中。

People may either be born with it or be able to cultivate it.

第51题, A

情态动词加并列动词短语的结构在四六级、考研阅读中较为常见,具有一定代表性;但 "either...or" 在谓语内部并列的句式并非高频核心句型,迁移价值中等。

They enable employees to be convinced of their long-term gains.

第52题, A

"enable sb to do sth" 是四六级和考研阅读中的高频句式,本句结构清晰且完整,宾补使用被动不定式也是典型用法。掌握本句后,学生可以将这一模式迁移到大量类似句子,代表性很强。

Avoid getting involved in conflicts with others.

第53题, B

祈使句 + 动名词宾语是常见劝告句式,具有一定代表性,但结构过于简单,在四六级或考研真题中属于基础句式,典型性中等。

Why are organizations and leaders advised to adopt powerful persuasion skills to bring about necessary changes?

第55题 题干

疑问句+被动语态+不定式作宾语补足语的组合在四六级和考研阅读中高频出现,尤其是议论文和说明文中常见此类提问或论述结构,句式代表性强,掌握后可大量复用

2024年6月·第3套英语四级汉译英（段落翻译）·介绍"福"字的吉祥寓意与春节贴福习俗 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2024年6月·第3套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第3套(2024-06) • 英语四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

汉语中的 "福"字 (the character fu)表示幸福和好运,是中国传统文化中最常用的吉祥(auspicious) 符号之一。人们通常将一个大大的福字写在红纸上, 寓意期盼家庭幸福、社会安定、国家昌盛。春节贴福字是民间由来已久的习俗。为了欢庆春节, 家家户户都会将福字贴在门上或墙上, 表达对幸福生活的向往、对美好未来的期待。人们有时还将福字倒过来贴, 表示幸福已到、好运已到。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

The Chinese character "Fu" means happiness and good fortune, and is one of the most commonly used auspicious symbols in traditional Chinese culture. People usually write a large character "Fu" on red paper, expressing their wish for family happiness, social stability and national prosperity. Pasting the character "Fu" during the Spring Festival is a long-standing folk custom. To celebrate the Spring Festival, every household pastes the character "Fu" on doors or walls, expressing their longing for a happy life and their expectation for a better future. Sometimes people also paste the character "Fu" upside down to indicate that happiness and good fortune have arrived.

【衔接】第1句到第2句：从"福字是什么"过渡到"人们怎么用它"

第1句定义福字、第2句讲人们写福字，主题自然承接，第2句主语 People 直接引出新动作即可，无需硬加关联词。注意第2句的 the character "Fu" 与第1句译法保持一致，靠同一专名复现实现衔接。

第3句到第4句：习俗总述到具体做法，补 During

第3句 春节贴福字是民间由来已久的习俗 是总述，第4句 为了欢庆春节,家家户户都会将福字贴在门上或墙上 是这一习俗的具体落实。第4句以 To celebrate the Spring Festival 开头，与第3句的 Spring Festival 呼应，读者能感到"由总到分"，衔接自然。

第5句：用 also 标出"另一种贴法"

第5句 人们有时还将福字倒过来贴 的"还"是相对第4句"贴在门上墙上"的又一种做法，英文用 also (Sometimes people also paste...) 把这层"补充、递进"关系显出来，避免读者觉得这句突兀。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

【主旨】介绍"福"字的吉祥寓意与春节贴福习俗

全段在客观介绍一个中国文化符号——开篇 汉语中的 "福"字 (the character fu)表示幸福和好运,是中国传统文化中最常用的吉祥(auspicious) 符号之一 就给一个文化事物下定义、讲它的含义与用法，属典型的"中国文化介绍"语体。这正是四级汉译英最高频的题材：不讲故事、不叙事件，只客观陈述一个事物"是什么、人们怎么用它"，所以全篇基调应是平实、客观的说明文。

【时态】一般现在时

通篇讲的是"福"字"现在仍然如此"的含义与习俗：表示幸福和好运、人们通常将一个大大的福字写在红纸上、春节贴福字是民间由来已久的习俗 都是当下成立、反复发生的客观事实与习惯性动作，不是某一次过去发生的事，故全篇以一般现在时为基调。只有"幸福已到、好运已到"这种"已完成"语义处才偏离用现在完成时。

【译法】福字

拟统一译为 the character "Fu"（首字母大写、加引号，必要处补 a Chinese character meaning happiness and good fortune 作解释）。原文 汉语中的 "福"字 (the character fu)表示幸福和好运 已经给出 the character fu，这是出题人给的约定译法，全篇都沿用 character Fu，不要一会儿写 Fu 一会儿写 the word happiness，保持同一个词同一种译法。

春节

拟统一译为 the Spring Festival（也可加注 (Chinese New Year)）。原文 春节贴福字是民间由来已久的习俗 与 为了欢庆春节 两处都出现，全篇统一用 the Spring Festival，别一处 Spring Festival、一处 Chinese New Year 混用。

吉祥

原文已在括号里给出 auspicious：中国传统文化中最常用的吉祥(auspicious) 符号之一。这是出题人贴心给的提示词，直接用 auspicious symbol，不必自己另想 lucky/fortunate，照搬给定词最稳。

1. 汉语中的"福"字(the character fu)表示幸福和好运,是中国传统文化中最常用的吉祥(auspicious)符号之一。

【主干】 福字 means... and is one of... (一个主语带两个并列谓语) (主语策略: 原句主语)

中文 "福"字 (the character fu)表示幸福和好运,是中国传统文化中最常用的吉祥(auspicious) 符号之一 主语很明确就是"福字", 它后面挂了两件事: "表示..."和"是...之一"。所以英文主干立成 The Chinese character "Fu" means happiness and good fortune, and is one of the most... auspicious symbols, 一个主语 the character "Fu", 用 and 连两个并列谓语 means 和 is。

【降级】 "最常用的吉祥符号之一"→ one of the most + 最高级 + 复数名词

"...之一"是中文最高频的结构, 英文固定译 one of the + 形容词最高级 + 复数名词: 最常用的吉祥(auspicious) 符号之一 → one of the most commonly used auspicious symbols。"中国传统文化中"是范围状语, 降级成介词短语 in traditional Chinese culture 后置。整句不必拆分, 一句简单句就装得下。

【语法】 时态

回指全篇基调用一般现在时: means、is 都用现在时, 因为这是"福字"一直成立的含义, 不是过去某次。

单复数

符号之一 → one of the ... symbols, symbols 必须复数; 主语 the character "Fu" 是单数第三人称, 所以谓语用 means / is (不是 mean / are) 。

冠词

特指汉语里那个独一无二的福字, 用定冠词 the character "Fu"; "最常用的...之一"前的 the 也不能漏: one of the most....

【译文】 The Chinese character "Fu" means happiness and good fortune, and is one of the most commonly used auspicious symbols in traditional Chinese culture.

2. 人们通常将一个大大的福字写在红纸上,寓意期盼家庭幸福、社会安定、国家昌盛。

【主干】 People write a big character "Fu" on red paper (人们写福字) (主语策略: 原句主语)

中文 人们通常将一个大大的福字写在红纸上 主语是"人们", 核心动作是"写", 对象是"福字"。主干立成 People usually write a large character "Fu" on red paper。后半 寓意期盼家庭幸福、社会安定、国家昌盛 不是新主干, 而是对前半的解释, 要降级处理。

【降级】 "寓意期盼..."→ 现在分词 expressing... 作伴随状语

寓意期盼家庭幸福、社会安定、国家昌盛 是"写福字"这个动作所表达的愿望, 降级成现在分词短语 expressing their wish for... 挂在主干后; 三个并列名词"家庭幸福、社会安定、国家昌盛"统一译成 "adj.+n." 名词短语并列: family happiness, social stability and national prosperity, 用 wish for 引出。这样避免照中文"寓意、期盼"逐字堆成两层动词。

【语法】时态

通常提示这是习惯性动作，回指基调用一般现在时 write，并配 usually。

冠词与单复数

"一个大大的福字"特指一个，用不定冠词 a large character "Fu"; red paper 作材料是不可数名词，不加 a、不加 s。

搭配

"写在...上"用 write... on red paper (介词 on)；"期盼"用名词搭配 wish for / hope for 引出愿望对象，比硬译动词更顺。

【译文】 People usually write a large character "Fu" on red paper, expressing their wish for family happiness, social stability and national prosperity.

3. 春节贴福字是民间由来已久的习俗。

【主干】 Pasting the character "Fu"... is a custom (贴福字 是 习俗) (主语策略：原句主语)

中文 春节贴福字是民间由来已久的习俗 是个判断句"A 是 B"：主语 A="贴福字"这件事，谓语="是"，表语 B="由来已久的习俗"。"贴福字"这个动作要当主语，英文用动名词 Pasting the character "Fu"。主干立成 Pasting the character "Fu" during the Spring Festival is a long-standing folk custom。

【降级】 "春节""民间""由来已久"全降级成修饰

本句是简单判断句，主干外的成分各就各位即可：春节 降级成时间状语 during the Spring Festival 接在主语后；民间、由来已久 都降级成表语前的形容词定语 a long-standing folk custom。无需拆句、无需从句。

【语法】时态

回指基调用一般现在时 is——这是当下仍成立的习俗，不是过去的事。"由来已久"靠形容词 long-standing 表达，不必为它改成完成时。

主谓一致

主语是动名词短语 Pasting... (视作单数)，谓语用 is，不是 are。

冠词

"一种习俗"译 a long-standing folk custom, custom 可数、泛指一种，用不定冠词 a; the Spring Festival 是约定俗成的专名，固定带 the。

【译文】 Pasting the character "Fu" during the Spring Festival is a long-standing folk custom.

4. 为了欢庆春节,家家户户都会将福字贴在门上或墙上,表达对幸福生活的向往、对美好未来的期待。

【主干】 every household pastes the character "Fu" on doors or walls (家家户户 贴 福字) (主语策略：原句主语)

中文 家家户户都会将福字贴在门上或墙上 主语"家家户户"，核心动作"贴"，对象"福字"。主干立成 every household pastes the character "Fu" on doors or walls。句首 为了欢庆春节 是目的状语、句尾 表达对幸福生活的向往、对美好未来的期待 是用意，都不是主干，要降级。

【降级】 头"为了"→To...不定式；尾"表达"→expressing分词

为了欢庆春节 降级成目的状语 To celebrate the Spring Festival 放句首；表达对幸福生活的向往、对美好未来的期待 降级成现在分词 expressing their longing for a happy life and their expectation for a better future 挂句尾；两处并列"向往、期待"用 their longing for... and their expectation for... 平行结构译出。整句一主句 + 前后各一个修饰，不平铺成流水句。

【语法】 时态

都会 表习惯性，回指基调用一般现在时 pastes，不必硬译成 will。

主谓一致

"家家户户" 用 every household (every + 单数名词)，谓语第三人称单数 pastes；后面物主代词为统一可用 their (指 households/people)，或主语改 all households 用 paste。本句选 every household... pastes... 时主谓须配单数。

单复数与搭配

"门上或墙上"门、墙不止一处，用复数 on doors or walls；"对...的向往/期待"搭配用 longing for / expectation for (介词 for) 。

【译文】 To celebrate the Spring Festival, every household pastes the character "Fu" on doors or walls, expressing their longing for a happy life and their expectation for a better future.

5. 人们有时还将福字倒过来贴，表示幸福已到、好运已到。

【主干】 people sometimes paste the character "Fu" upside down (人们 倒贴 福字) (主语策略：

原句主语)

中文 人们有时还将福字倒过来贴 主语"人们"，动作"贴"，方式"倒过来"。主干立成 People sometimes paste the character "Fu" upside down。后半 表示幸福已到、好运已到 是这个做法的寓意，降级处理。

【降级】 "表示幸福已到"→ to indicate that... 或 indicating...

表示幸福已到、好运已到 是"倒贴"这一做法的寓意，降级成现在分词 indicating that happiness and good fortune have arrived，或用不定式 to indicate that...。"幸福已到、好运已到"两个并列，合并主语 happiness and good fortune 共用一个谓语 have arrived，不必重复两遍 arrived。

【语法】 时态

主句 paste 跟基调用一般现在时；但"幸福已到、好运已到"含"已经完成、到了"的语义，这里偏离基调用现在完成时 have arrived——这正是 globalPlan 里预留的"已完成处偏离"。

主谓一致

合并主语 happiness and good fortune 是两样、视作复数，谓语用 have arrived (不是 has) 。

搭配

"倒过来"地道说法是 upside down；"贴"承接前文统一用 paste，不要换成别的词。

【译文】 Sometimes people also paste the character "Fu" upside down to indicate that happiness and good fortune have arrived.
