四级 · 真题卷第1套 · 2025年12月

Part I

Writing

(30 minutes)

Directions: Suppose the student union of your university is collecting opinions on improving its work for the coming year. You are now to write a response by suggesting how it can better enrich student life. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1. A) Outside the office of a charity foundation.
B) Inside the car of David King's neighbour.
C) Under the engine cover of a man's car.
D) At the gate of a grade school in Kent.
2. A) It got reunited with its owner.
B) It was injured during the rescue.
C) It became a pet of Mr King's grandson.
D) It was placed in the care of a UK charity.

Questions 3 and 4 are based on the news report you have just heard.

3. A) The 100th anniversary celebration of Methodist University.
B) The first important political event in the next five years.
C) The opening of the Special Olympics Spring Games.
D) The reunion of this year's Olympic gold medalists.
4. A) Volunteers visit the Games' website to sign up.
B) Athletes with special needs triumph in the Games.
C) Organizers devote their time and energy to the Games.
D) Children play in a fun tent and enjoy themselves fully.

Questions 5 to 7 are based on the news report you have just heard.

5. A) Destroy its imitation chocolate rabbits.
B) Change the wrapping of its commodities.
C) Compensate for the Swiss manufacturer's loss.
D) Defend itself in the country's commercial court.
6. A) It could be rewrapped and sold by the budget supermarket.
B) It could be reshaped into animals other than rabbits.
C) It could be resold cheaper to avoid waste.
D) It could be reused in other products.
7. A) To be fair to the German supermarkets.
B) To protect chocolate retailers' interests.
C) To boost the growth of the chocolate industry.
D) To prevent consumers' possible confusion.

Section B

Directions: *In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 8 to 11 are based on the conversation you have just heard.

8. A) Return the handbook to him.
B) Make a vegetable dish.
C) Pass a book to him.
D) Meet his sister's boyfriend.
9. A) It doesn't seem to be a balanced diet.
B) It would reduce one's protein intake.
C) It would do harm to one's muscles.
D) It doesn't sound practical for her.
10. A) To improve his health.
B) To protect animal rights.
C) To follow a trendy lifestyle.
D) To stick to his religious belief.
11. A) The torture and distress dolphins suffer in parks.
B) The necessity of having zoos and eating meat.
C) The gloomy environments animals are kept in.
D) The urgency of joining an animal rights group.

Questions 12 to 15 are based on the conversation you have just heard.

12. A) The part about getting over jetlag.
B) The part about air travel in the past.
C) The part about not eating on board the plane.
D) The part about avoiding sleeping on the plane.
13. A) Take a nap to adjust to a new time zone.
B) Have meals as usual to stay away from hunger.
C) Concentrate on reading articles recommended by experts.
D) Try following the advice given by the expert on the show.
14. A) She does not have any problem flying.
B) She can spend a lot of time vacationing.
C) She does not have to worry about jetlag.
D) She has been well treated when traveling.
15. A) It has caused heavy losses to many airlines.
B) It impacts female travelers more seriously.
C) It has long been ignored by many experts.
D) It affects twenty-five percent of people.

Section C

Directions: *In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on Answer Sheet 1 with a single line through the centre.*

Questions 16 to 18 are based on the passage you have just heard.

16. A) Learning from skilled designers.
B) Obtaining real-world experience.
C) Joining a 6-month training camp.
D) Anticipating actual challenges.
17. A) Core skills.
B) Higher education.
C) Adaptability.
D) Capability.
18. A) Start anywhere.
B) Face challenges.
C) Pursue roles in teams.
D) Follow their own path.

Questions 19 to 21 are based on the passage you have just heard.

19. A) To respond actively to students' requests.
B) To engage students more in their learning.
C) To enable teachers to interact more with their students.
D) To allow students more freedom in their academic work.
20. A) Using new furniture to create a comfortable environment.
B) Shifting from traditional teaching to task-based learning.
C) Adopting a variety of different seating options.
D) Rearranging most traditional chairs and desks.
21. A) A win for all people involved.
B) A strengthened effect of its discipline.
C) A harmonious relationship among its students.
D) A change to teachers' opinion of their students.

Questions 22 to 25 are based on the passage you have just heard.

22. A) They weren't informed of the school's updated rules.
B) They arrived late for their first day of school.
C) They answered their headteacher's email in an impolite way.
D) They didn't wear the shoes required by the school's new policy.
23. A) Riots.
B) Anger.
C) Disputes.
D) Panic.
24. A) They strengthened the school's discipline and order.
B) They improved student behavior and performance.
C) They enhanced the positive image of the school.
D) They rendered the school unique in the district.
25. A) Turn to her parents for help.
B) Tighten her monthly budget.
C) Borrow £65 from her friend.
D) Postpone paying her other bills.

Part III

Reading Comprehension

(40 minutes)

Section A

Directions: *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding*

letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

People tend to want as many choices as possible. They believe this will maximize their 26 of making the best decision. But research shows that, when it comes to actually making a 27 from all of these choices, people can become 28 and avoid making a decision altogether. Even worse, when people finally do decide, they are generally less satisfied with their decision and feel more regretful over whatever choice they made.

Why does this happen? Research shows that when people choose from many options, they 29 more in the decision, but feel less confident in their ability to decide well. In other words, when we are 30 with more choices, making the "right" or "correct" decision begins to feel more 31 and, at the same time, more difficult to do. This may contribute to the deep fear that we will make the wrong decision.

How can we solve this problem? I believe this fear could be tempered by putting decisions into perspective. It might help to remember that many of the choices you make, such as what to have for lunch, will not 32 much in the future and that, even more important choices, like accepting a new job, can 33 be changed. It could also help to 34 these situations with clear guidelines and ideas of what you want from the 35 of options, which can narrow the possible choices, and also make you more confident about your ability to make the right decision.

- | | |
|------------------|---------------|
| A) approximately | I) matter |
| B) case | J) presented |
| C) chance | K) range |
| D) confused | L) regular |
| E) crucial | M) seize |
| F) deposited | N) selection |
| G) enter | O) ultimately |
| H) invest | |

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

The battle over bike lanes needs a mindset shift

- A) Five years ago, the city of Queens, New York, announced that it would be putting bike lanes onto a stretch of Skillman Ave — and removing 116 parking spots. Cyclists loved the plan, but local business owners got very angry. Taking out those parking spots, as they argued at protests and in letters to the city council, would ruin stores and restaurants along Skillman. "Parking here is already a nightmare," one shouted at a protest rally.
- B) But the bike lanes were a done deal, and soon they were in place. Early this year, Jesse Coburn — an investigative writer with Streetsblog New York — wondered whether those predictions of economic collapse

came true. So he asked the city's Department of Finance to give him a few years' worth of sales figures for that stretch of Skillman Ave. How had the businesses on that street fared?

- C) Quite well, it turns out. In the year after the bike lanes arrived, businesses on Skillman saw sales rise by 12 percent, compared to 3 percent for Queens in general. What's more, that section of road saw new businesses open, while Queens overall had a net loss.
- D) The thing is, the actual merchants along Skillman? They didn't believe it. When Coburn spoke to them and described what he'd found, only a few store owners admitted the lanes had helped. Many still insisted the lanes were killing their part of the city. And emotions ran hot: Someone scattered tacks(大头钉) on the bike lane.
- E) This little story turns out to be a fascinating glimpse at the challenges cities face as they try to update their urban infrastructure — to clean up the air, reduce greenhouse emissions, and speed up travel by making towns more bike-friendly. There's a rising amount of data showing that installing bike lanes and making streets more pedestrian-friendly boosts the economic fortunes of a place. Removing cars and parking spots works. But the folks who run local businesses simply aren't convinced, even when their own street performs. Given that sort of mess, can political fights over bike lanes ever end?
- F) In 2013, researchers at New York City's Department of Transportation studied seven stretches of road that had installed bike lanes or created pedestrian-friendly areas. The city analyzed the data for businesses along those routes and found that by the third year, sales grew faster on five of the streets than in the district overall, on average — up to five times faster, in fact.
- G) Beyond New York, a survey of research from 23 cities found that bike lanes and pedestrian-friendly design didn't hurt local retail and food stores. ("Fears of disastrous consequences for local businesses are unfounded," the researchers concluded.) More recent work has shown roughly the same.
- H) The truth is that in fairly dense areas, bikes are more efficient at moving people around. You might lose one car driver's business — but you gain shoppers who now can arrive more easily on bikes. "Cyclists and pedestrians are consumers too," notes Professor Susan Handy. Plus, streets redesigned for bikes and pedestrians tend to become more pleasant places to hang around, so "in a lot of cases, that's created much nicer environments that are really good for those businesses."
- I) Mom-and-pop shops are usually pretty quick at recognizing situations that will help their bottom lines. So why the blind spot here? Perhaps it's that attention focuses on horror stories — and some merchants do get hit when bike lanes come in.
- J) I spoke to Cindy Hughes, a hairdresser(理发师) in Cambridge, Massachusetts. She said business fell by at least 40 percent when the city removed nearby parking to put in a bike lane. The majority of her customers drive, with many coming from nearby towns. Only a very few have shifted to cycling, and even those almost certainly won't cycle in Boston's snowy winters. So while Hughes supports bike lanes — "cyclists deserve to be safe" — she sees the parking loss as an existential risk. "Look, 90 percent of my customers drive," she told me. "For our business, the bike lanes are way worse than Covid was."
- K) For others, the pushback is cultural, says Henry Grabar, a writer for the Slate Magazine. Small business owners are frequently drivers who commute from other parts of the city by car, Grabar points out. They're also often longtime locals. "They tend to be people with deep roots in the city, who have hung around since before the neighborhood became what it is today," he adds. Driving around town in a car is so normal to

them that cycling seems weird and unusual — despite its boost from Covid, when bike sales exploded by 75 percent.

- L) Psychology beats all! Who knew, right? The fierce divide between store owners and bike-lane advocates seems similar to our larger culture wars over climate change. If we've learned anything about culture wars, it's that data isn't much good at changing minds.
- M) When Janette Sadik-Khan was the head of New York City's Transportation Department back in the early 2000s, she oversaw a rollout(推出) of bike lanes — and got angry blowback from residents and business owners who claimed there weren't enough cyclists to justify installing lanes. Now, she notes ironically, the lanes are so full of activity that opponents have turned to claiming the problem is the opposite: There are too many cyclists getting in the way of cars.
- N) Maybe bike lanes will always be charged with emotion, until enough of the public is finally concerned about climate change — and it seems reckless(鲁莽的) to not have them.
- O) Crises, after all, have a way of opening people's eyes to possibilities. During Covid, restaurants and cafés lost so much business that cities nationwide began allowing them to build curbside seating areas where people could sit, safely, in the open air. It greatly reduced parking — but because, well, shop owners didn't see any way around it. Customers loved the outdoor seating so much that cities are making it permanent: A New York City study of several streets closed during Covid found storeowners making more than before, and diners enjoying the outdoor lifestyle. If data won't change minds, customers might.
36. An increasing amount of data indicates that installing bike lanes raises local business revenues.
37. According to a magazine writer, some small business owners' resistance to bike lanes arises from cultural factors.
38. A stretch of Skillman Ave witnessed not only a big increase in sales but also the opening of new businesses.
39. When people have no way out in crises, they are more likely to embrace changes.
40. According to one survey, city design with bike lanes and pedestrian space did not negatively impact local businesses.
41. Despite increased business activity on Skillman Ave, many store owners insisted the bike lanes were destroying their area.
42. In a war of culture, data does not help much in changing people's minds.
43. A businesswoman said her business dropped sharply when parking space gave way to a bike lane, because most of her customers came by car.
44. Local business owners on Skillman Ave argued that their businesses would be ruined when parking spots were replaced by bike lanes.
45. People may find it more pleasant to wander around streets redesigned for cycling and walking.

Section C

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best

choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage One

Questions 46 to 50 are based on the following passage.

All living organisms on Earth are exposed to a 24-hour day-night cycle. This cycle is the reason why people rest at night and are active during the day. Consequently, all human body functions also follow this daily rhythm, and the timing of behaviors like exercise or food intake can significantly influence your health. For example, eating at night can lead to weight gain over time because food intake at night leads to increased fat storage.

Many drug targets in the body follow a 24-hour cycle, too. This means that the specific proteins a drug is designed to modify can react differently to the medicine over the course of a 24-hour time period. Because how the body responds to a drug can differ depending on the time it is taken, it logically follows that taking medicines at specific times could help increase their effectiveness and reduce unwanted side effects.

When doctors prescribe medicine for people, they rarely consider the best time to take it. There are two main reasons for that oversight. First, many physicians are not aware that some drugs work better during a specific time of the day. And second, most drugs have not been studied for possible different effects during a 24-hour cycle. Therefore, patients are directed to take most drugs during the morning or evening primarily to ensure compliance.

Over 50 years ago, researchers found that the cholesterol drug simvastatin is more effective at lowering cholesterol levels when taken at night rather than during the day. This is because the liver enzyme(酶) these drugs target is more active at night.

Taking medicine at the wrong time can even cause harm. My colleagues and I wondered whether midazolam, the most common sedative(镇静剂) used in surgical procedures worldwide, might interfere with the internal clock that protects the heart at night. Currently, there are no guidelines regarding when midazolam should be administered.

More research is needed to determine the best times to administer treatments for different diseases. I believe taking drug timing into account could help make treatments more effective and help more people worldwide.

46. What do we learn from the passage about the timing of our behaviors?

- A) It has a considerable impact on our health.
- B) It confines us to a 24-hour day-night cycle.
- C) It requires us to follow a particular rhythm.
- D) It holds the key to all human body functions.

47. What does the author say about the proteins in our body?

- A) They can modify the effects of medicines in different ways.
- B) They can reduce unwanted side effects of certain medicines.
- C) Their reaction to medicines changes during the day-night cycle.
- D) Their design determines how differently they react to medicines.

48. What do doctors do when prescribing medicine for people?
- A) They give little thought to the time of taking it for maximum effect.
 - B) They rarely consider which medicine works better for which patient.
 - C) They tell patients its possible side effects during a period of 24 hours.
 - D) They tell patients to comply with the directions of drug manufacturers.
49. Why do doctors advise patients to take most drugs in the morning or in the evening?
- A) To discourage them from making complaints.
 - B) To ensure they take the drugs as instructed.
 - C) To comply with new research findings strictly.
 - D) To guarantee the maximum effect of the drugs.
50. What does the author suggest near the end of the passage?
- A) Considering drug-taking timing when prescribing drugs for patients.
 - B) Making treatments less complex by taking drug timing into account.
 - C) Conducting more studies to find out the best timing for treating different diseases.
 - D) Finding out the most effective drugs for treating diseases through further research.

Passage Two

Questions 51 to 55 are based on the following passage.

Katharine Abraham, an economics professor, was chatting with her hairdresser(理发师) about retirement plans. The economist said she plans to continue working because she wants to. The hairdresser agreed but for a different reason: She needs the money.

Both scenarios(情况) are contributing to a big increase in the number of people in the U.S. working into their 70s. Over the past 20 years, the share of Americans working in their 70s has risen from less than 10% to nearly 15%.

In addition to people being healthier and living much longer, economists say that a combination of financial considerations such as years of slow rise in real wages and a shift away from traditional pensions in the private sector are some of the reasons people delay retirement. The decline of manufacturing and the increase in the number of people working in less labor-intensive occupations also has contributed to the trend, says Abraham, who researches work and retirement decisions of older Americans.

"Which matters more depends on what your history up until that point has been in the type of work you're doing," Abraham says.

The overall trend is hitting Americans of all different levels of educational attainment, although the percentages vary by category. The share of Americans with bachelor's degrees who were working into their 70s reached nearly 20% in 2018. For those with a high school degree or less, the proportion of those working in their 70s had risen to around 10%, while those with some college education were in the middle at around 15%.

Martin Neil Bailly, an economist who is leading a research project on retirement security, notes that quitting a career can lead to feelings of isolation and loneliness, particularly for men. He suggests that many college-educated workers are choosing to stay in the labor force more for social benefits than for financial reasons. They're also more likely to be in professional occupations where they tend to enjoy their work more.

Workers in more physical jobs, meanwhile, may be more likely to look forward to retiring, Baily says, suggesting those who stay on are more likely doing so for financial reasons.

51. What do we learn from the passage about the economics professor and her hairdresser?
- A) They differ in their reasons for continuing to work.
 - B) They are both committed to working into their 70s.
 - C) They are happy about their current financial situation.
 - D) They hold different views about postponing retirement.
52. What is one of the reasons for people to delay retirement?
- A) More and more people have switched to less intellectually challenging jobs.
 - B) The number of jobs suitable for older people has increased in the private sector.
 - C) The rate of wage increase in terms of purchasing power has slowed down for years.
 - D) More and more people in the workplace find it hard to rely on traditional pensions.
53. What is the general trend in people delaying retirement?
- A) The higher their earnings, the more likely they are tempted to delay retirement.
 - B) Those who have more job satisfaction tend to retire later than those who have less.
 - C) More men than women are likely to stay in the labor force until their late seventies.
 - D) The higher their educational level, the more likely they are to delay retirement.
54. What is the chief reason for college-educated workers delaying retirement according to an economist?
- A) Enjoying financial security.
 - B) Staying connected socially.
 - C) Contributing more professionally.
 - D) Increasing social security payments.
55. What does the passage say about people doing manual work?
- A) They are eager to enjoy life after retiring.
 - B) They are likely to have financial troubles.
 - C) They generally don't enjoy doing it.
 - D) They tend to anticipate retirement.

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

近年来, 中国政府高度重视民营经济(private economy)的发展, 出台了一系列政策支持民营企业。截至 2025 年 3 月底, 全国民营企业数量超过 5700 万家, 占企业总量的 92.3%。民营企业不仅数量稳步增长, 质量和结构也在不断提升。民营企业的研发投入不断增加, 在新一代信息技术、人工智能等领域发展迅速。民营企业核心竞争力的增强为中国经济的高质量发展提供了有力支撑。

2025年12月·第1套英语四级写作·题目、范文与解析

PROMPT & MODEL ESSAY • 写作题和范文

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2025年12月·第1套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第1套(2025-12) • 英语四级

Part I

Directions: Suppose the student union of your university is collecting opinions on improving its work for the coming year. You are now to write a response by suggesting how it can better enrich student life. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

【参考范文 • 147 词】 写作无唯一标准答案，以下为达标示范

I am truly glad that the student union is collecting our opinions for the coming year, and I would like to share a few thoughts on how campus life could become richer and more colourful.

To begin with, I suggest that more student clubs be set up, ranging from photography to debating, so that everyone can find a hobby and make new friends. It would also be helpful if the union organized regular sports meets and art festivals, because such events relax us after study and build a stronger sense of community. Another idea is to invite experts to hold lectures and workshops, which would broaden our horizons and prepare us for future careers.

I believe these suggestions, if adopted, will make our daily life on campus far more enjoyable. Thank you for listening, and I am always ready to offer any help the union may need.

【参考译文】

我很高兴学生会正在为新的一年征集我们的意见，我想就如何让校园生活变得更丰富多彩分享几点想法。首先，我建议增设更多学生社团，从摄影到辩论，让每个人都能找到兴趣爱好、结识新朋友。如果学生会能定期组织运动会和艺术节也会很有帮助，因为这类活动能让我们在学习之余放松身心，并增强集体归属感。另一个想法是邀请专家来举办讲座和工作坊，这能开阔我们的视野，为未来的职业发展做准备。我相信这些建议如果被采纳，会让我们的日常校园生活变得愉快得多。感谢倾听，我随时乐意为学生会提供任何需要的帮助。

【第1段】开门见山扣焦点。开头用『I am truly glad that the student union is collecting our opinions』回应征询，再用『share a few thoughts on how campus life could become richer』亮出

立场，一句话落实了第一段『回应征询并表态』的功能。

【第2段】三条建议各带理由。三句都走『建议+理由』：『I suggest that more student clubs be set up ... so that everyone can find a hobby』『It would also be helpful if ... because such events relax us』『Another idea is to invite experts ... which would broaden our horizons』，用 To begin with / also / Another idea 分隔，落实分点给建议的功能。

【第3段】回扣中心表支持。『I believe these suggestions, if adopted, will make our daily life on campus far more enjoyable』回扣丰富生活的中心，末句『I am always ready to offer any help』积极表态收尾，无称呼落款。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

给学生会提丰富生活的建议

本题以学生身份，就学生会 collecting opinions on improving its work for the coming year 作出回应，核心任务只有一个——suggesting how it can better enrich student life，即围绕怎样让课余生活更丰富给出建议，而不是泛泛评价学生会的工作。

读者 • 语域

写给学生会的得体回应

读者是正在征询意见的学生会，你的身份是普通学生。题目要求 write a response，属半正式的建设性回应：用礼貌、积极的口吻提建议，不需要 Dear 称呼和署名，也不要写成命令或抱怨。

中心立意

乐意为丰富校园生活献策

本篇交际目的：真诚回应学生会征询，并就 how it can better enrich student life 给出 2-3 条具体可行的建议，表达支持。

要展开的要点

1. 增设多样社团

建议增设摄影、辩论等更多学生社团，让每个人都能找到兴趣、结交新朋友。

2. 组织文体赛事

定期举办运动会与艺术节，缓解学习压力、增强集体归属感。

3. 举办讲座工作坊

邀请专家开设讲座和工作坊，开阔视野、为未来发展做准备。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文一一对应。

第 1 段 回应征询并表态

点明得知学生会正在 collecting opinions，表示乐意就丰富校园生活提出建议。

第 2 段 分点给出建议

并列给出 2-3 条丰富生活的具体建议，每条配一句好处。

第 3 段 表达期待与支持

相信建议被采纳会让校园生活更精彩，并表示愿随时提供帮助。

第 1 段 感谢征询亮立场

写出很高兴学生会正在 collecting opinions，愿意分享几条让校园生活更丰富的想法。

亮明回应立场 • I am truly glad that ..., and I would like to share a few thoughts on ...

第 2 段 三条丰富生活的建议

分点写增设社团、组织文体赛事、举办讲座工作坊三条建议，各配一句好处：找到兴趣交友、缓解压力增强归属、开阔视野助力发展。

提出建议 · I suggest that ...; It would be helpful if ...; Another idea is to ...

补充理由 · ..., because such ... would ... / ..., which would ...

第 3 段 期待采纳并表支持

相信建议若被采纳会让日常校园生活更愉快，并表示随时乐意为学生会提供帮助。

收尾表支持 · I believe these suggestions, if adopted, will ...; I am always ready to offer any help ...

REVIEW · 自检避坑

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

紧扣enrich student life

本题最易失分是把焦点从 enrich student life 偏成泛谈 improving its work；三条建议都必须落在丰富课余生活上。

结构连贯

三段各司其职

确保开头表态、中段分点、结尾表支持三段功能不混，建议之间用过渡词分隔清楚，不要三条挤成一句。

语言准确**得积极措辞**

本题要建设性口吻，多用 suggest / would be helpful；避免 you must、you should 这类命令式或抱怨式表达。

字数格式**无称呼署名且守词数**

本题是 response/essay，write a response 不需要称呼与落款；词数须满足 at least 120 words but no more than 180 words。

典型低分写法 · 反面示例与改法

泛谈改进工作

反面示例：The student union should hold more meetings and improve its management. —— 这在谈内部管理、偏离了焦点；应改成 The union could set up more clubs and hold art festivals to enrich our life after class.

只列口号无细节

反面示例：Hold more activities. Set up more clubs. Invite experts. —— 干巴巴堆口号、字数也不够；应改成 I suggest setting up more clubs so that students can find their hobbies and make friends.

误加称呼落款

反面示例：开头写 Dear Student Union, 结尾写 Yours sincerely, Li Ming —— 本题无需称呼与署名，删掉后直接从表态句开写。

听力题和解析

本卷全部 25 题的标准答案与完整录音文字稿由懒笔记基于2025年12月·第1套 英语四级听力原卷逐题核对整理。与试卷排版同一卷面层级：Part/Section 标题与各节 Directions 照原卷排印——真实听力考卷只印选项，题干由录音念出。其下按录音篇目逐篇排印：每篇先给完整录音文字稿（逐段中译），再逐题给出卷面题目与该题解析（题目、翻译、答案、定位、信号、替换与排除）。

真题卷第1套(2025-12) · 英语四级

以下按录音篇目排印：每篇先给录音原文与逐段中译（考卷上没有，考试时录音只播一遍、卷面只印选项），再逐题给出卷面题目与解析。

Part II

Listening Comprehension

(25 minutes)

Section A

Directions: In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions. Both the news report and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 and 2 are based on the news report you have just heard.

1 A terrified cat has survived a five-mile round trip under the engine cover of a car on a school run. The black cat was found curled up under the engine cover of David King's car when he decided to do an oil check after dropping his grandson off at school in Kent.

一只受惊的猫在一辆汽车的引擎盖下完成了五英里的往返行程，这辆车当时正在接送孩子上学。当David King在Kent郡送完孙子上学后决定检查机油时,发现这只黑猫蜷缩在他汽车的引擎盖下。

2 Mr King's wife said her husband had come "running in" and was "shouting for me to come have a look".

King先生的妻子说,她丈夫"跑进来""喊我过去看看"。

3 "We weren't even sure it was alive, so I gently pushed it with a stick to check it was breathing and saw it was a terrified little cat. It reversed even further into the engine and was stuck. I tried to reach it, but it was too far down and there wasn't any way I could get it out."

"我们甚至不确定它是否还活着,所以我用一根棍子轻轻推了推它,确认它还在呼吸,发现是一只受惊的小猫。它往引擎深处又退了退,被卡住了。我试图够到它,但它在太深的地方,我没办法把它弄出来。"

4 Following a rescue by UK charity Cats Protection, the four-year-old cat was later reunited with its owner, Mr King's neighbour.

经过英国慈善机构Cats Protection的救援,这只四岁的猫后来与它的主人——King先生的邻居团聚了。

1. A) Outside the office of a charity foundation.
- B) Inside the car of David King's neighbour.
- C) Under the engine cover of a man's car.
- D) At the gate of a grade school in Kent.

【题目】 Where was the black cat found?

【翻译】 这只黑猫是在哪里被发现的?

- A) 在一家慈善基金会的办公室外面。 B) 在David King邻居的车内。
C) 在一名男子汽车的引擎盖下面。 D) 在Kent一所小学的大门口。

【答案】 C (细节题) Under the engine cover of a man's car.

【定位】 The black cat was found curled up under the engine cover of David King's car when he decided to do an oil check after dropping his grandson off at school in Kent.

这只黑猫是在大卫·金送孙子上学后、决定检查机油时,被发现蜷缩在他汽车的引擎盖下面的。

【信号】 found + 地点介词短语。 答案句的信号是动词 found 紧跟一个表地点的介词短语 found curled up under the engine cover of David King's car——题干问 Where... found, 原文恰好出现 found + 『在哪儿』, 这就是承载答案的那一句。

【替换】 under the engine cover of David King's car ↔ **Under the engine cover of a man's car.**

人名换成泛称 a man

【排除】 A) 原词陷阱

选项把后文出现的 UK charity Cats Protection 里的 charity 一词搬来, 编成『慈善机构门口』这个地点。可录音里 charity 只用来说明谁救的猫, 从没说猫是在慈善机构门口被发现的, 属听到 charity 就想选的原词陷阱。

借用原文: Following a rescue by UK charity Cats Protection

B) 张冠李戴

选项把末段的 Mr King's neighbour (邻居) 搬来, 说猫是在『邻居的车里』被发现。但邻居在录音里是猫的主人、出现在结局处, 发现猫的车是金先生自己的车, 把发现地点安到邻居车上是张冠李戴。

借用原文: reunited with its owner, Mr King's neighbour

D) 原词陷阱

选项抓住原文的 school in Kent, 把『学校门口』说成发现地点。可录音里 school 是金先生送孙子去的地方、是事情发生前的背景, 猫是他送完孙子、回来做机油检查时才在引擎盖下被发现的, 发现地不是学校门口。

借用原文: after dropping his grandson off at school in Kent

2. A) It got reunited with its owner.
B) It was injured during the rescue.
C) It became a pet of Mr King's grandson.
D) It was placed in the care of a UK charity.

【题目】 What do we learn about the cat at the end of the news report?

【翻译】 关于这只猫,新闻报道最后我们了解到什么?

- A) 它与主人团聚了。 B) 它在救援过程中受伤了。 C) 它成为了King先生孙子的宠物。
D) 它被交由一家英国慈善机构照料。

【答案】 A (细节题) It got reunited with its owner.

【定位】 Following a rescue by UK charity Cats Protection, the four-year-old cat was later reunited with its owner, Mr King's neighbour.

在英国慈善机构『猫咪保护』救援之后, 这只四岁的猫最终与它的主人——金先生的邻居——团聚了。

【信号】 末段 + later 标结局。 本句是录音最末一段、且含时间词 later, 正对应题干的 at the end; 新闻的结果通常落在最后一句, later reunited 直接交代了猫的最终下场, 是答案句。

【替换】 reunited with its owner ↔ **It got reunited with its owner.**

近乎原句的同义重述

【排除】 B) 未提及

选项说猫『在救援中受伤』, 但录音从头到尾只字未提受伤, 末段只说被救后团聚。它利用第3段 terrified (受惊)、stuck (卡住) 等词让人联想到猫很惨, 进而脑补成『受伤』, 实属过度推断、原文未提。

C) 张冠李戴

选项把第1段的 grandson (孙子) 搬来, 说猫成了金先生孙子的宠物。可孙子只在『送孙子上学』的背景里出现, 录音末段明说猫团聚的对象是主人即邻居, 不是被孙子养, 属张冠李戴。

借用原文: after dropping his grandson off at school in Kent

D) 原词陷阱

选项说猫『被交由英国一家慈善机构照管』, 盗用了末段 UK charity Cats Protection 这个真出现的机构。但录音里 charity 是负责『救援』的一方, 救完之后猫是团聚而非留在机构照管, 把过程中的救援者说成最终归宿, 差在结局。

借用原文: Following a rescue by UK charity Cats Protection

Questions 3 and 4 are based on the news report you have just heard.

1 In less than a month, the Special Olympics Spring Games will make a return to Fayetteville. The Games are coming back for the first time in five years. The event will take place at

Methodist University.

不到一个月后,特殊奥林匹克春季运动会将重返Fayetteville。这是该运动会五年来首次回归。活动将在Methodist University举行。

2 Event organizer Benjamin Kowalczyk says he's excited that athletes will get a chance to come back and demonstrate their abilities. Organizers expect about 100 athletes will come out to compete in Fayetteville. They will have a variety of events to choose from, including running, throwing, and jumping. There will also be a fun tent for children. Kowalczyk said it's rewarding to see athletes with special needs triumph in the Games.

活动组织者Benjamin Kowalczyk表示,他很高兴运动员们将有机会回来展示他们的能力。组织者预计约有100名运动员将来到Fayetteville参加比赛。他们将有多种项目可供选择,包括跑步、投掷和跳跃。现场还将设有儿童趣味帐篷。Kowalczyk说,看到有特殊需求的运动员在运动会上取得胜利是很有意义的。

3 For anyone who wants to help make this year's Games a massive success, there are still opportunities to volunteer for Fayetteville's Special Olympics. Organizers encourage them to visit the Games' website to sign up.

对于任何想要帮助今年运动会取得巨大成功的人,仍有机会为Fayetteville特殊奥林匹克运动会做志愿者。组织者鼓励他们访问运动会网站进行报名。

3. A) The 100th anniversary celebration of Methodist University.
B) The first important political event in the next five years.
C) The opening of the Special Olympics Spring Games.
D) The reunion of this year's Olympic gold medalists.

【题目】 What will Fayetteville witness in less than a month?

【翻译】 不到一个月后, Fayetteville 将见证什么?

- A) Methodist University 的百年校庆庆典。 B) 未来五年中的第一个重要政治活动。
C) 特殊奥林匹克春季运动会的开幕式。 D) 今年奥运会金牌得主的重聚。

【答案】 C (细节题) The opening of the Special Olympics Spring Games.

【定位】 In less than a month, the Special Olympics Spring Games will make a return to Fayetteville.
不到一个月后, 特殊奥林匹克运动会春季赛事将重返费耶特维尔。

【信号】 题干时间词原样出现。录音开头 In less than a month 与题干 in less than a month 用词完全一致, 这种"题干时间状语在原文原样响起"就是最强的定位信号, 听到它, 紧跟其后的主语就是答案所在。

【替换】 the Special Olympics Spring Games will make a return ↔
The opening of the Special Olympics Spring Games.
重返即开赛

【排除】 A) 原词陷阱

录音确实念到了 Methodist University (卫理公会大学), A 就把这个原词捡来编出 The 100th anniversary celebration of Methodist University."百年校庆", 但原文只说赛事在该校举办, 从没提任何校庆或"100th", 是典型听到地名就想选的原词陷阱。

借用原文: The event will take place at Methodist University.

B) 原词陷阱

录音说赛事是 coming back for the first time in five years (五年来首次回归), B 把 "five years" 这个原词改头换面成 The first important political event in the next five years., 既把"赛事"偷换成"政治大事", 又把"过去五年"扭成"未来五年", 是盗用数字+偷换概念的双重陷阱。

借用原文: The Games are coming back for the first time in five years.

D) 偷换概念

选项 The reunion of this year's Olympic gold medalists. 借了原文反复出现的 "Olympics" 来误导: 原文是 Special Olympics (特殊奥林匹克/残障人士运动会), D 偷偷掐掉 "Special" 变成普通 "Olympic gold medalists 金牌选手聚会", 原文从未提金牌选手聚会, 属偷换概念。

借用原文: the Special Olympics Spring Games will make a return to Fayetteville

-
4. A) Volunteers visit the Games' website to sign up.
B) Athletes with special needs triumph in the Games.
C) Organizers devote their time and energy to the Games.
D) Children play in a fun tent and enjoy themselves fully.

【题目】 What did Benjamin Kowalczyk say is rewarding to see?

【翻译】 Benjamin Kowalczyk 说看到什么令人欣慰?

- A) 志愿者访问运动会网站报名参加。 B) 有特殊需要的运动员在运动会上取得胜利。
C) 组织者为运动会投入他们的时间和精力。 D) 孩子们在趣味帐篷里玩耍并尽情享受。

【答案】 B (细节题) Athletes with special needs triumph in the Games.

【定位】 Kowalczyk said it's rewarding to see athletes with special needs triumph in the Games.

Kowalczyk 说, 看到有特殊需求的运动员在赛事中取得胜利, 是很有意义、很值得的。

【信号】 题干rewarding原话再现。 录音 Kowalczyk said it's rewarding to see 把题干里的人名和评价词 "rewarding" 原样念出, 这是"人物+评价词"双重信号, 听到它就知道接下来 "to see" 后面那件事正是答案承载句。

【替换】 athletes with special needs triumph in the Games ↔

Athletes with special needs triumph in the Games.

评价词后内容直接对应

【排除】 A) 原词陷阱

录音第三段确有 visit the Games' website to sign up, A 把这句原词整段搬来, 但那是给"想当志愿者的人"的报名指引, 不是 Kowalczyk "觉得值得一看"的事, 盗用原词却答非所问。

借用原文: Organizers encourage them to visit the Games' website to sign up.

C) 张冠李戴

选项 Organizers devote their time and energy to the Games. 看似贴合主题, 但原文 Kowalczyk 评"值得"的是运动员取胜, 并没说"组织者投入时间精力"这件事值得看; 原文只说想帮忙的人可去志愿, 把评价对象悄悄换成了组织者, 属张冠李戴+未提及。

借用原文: it's rewarding to see athletes with special needs triumph in the Games

D) 原词陷阱

录音第二段确实念了 There will also be a fun tent for children., D 把 "fun tent/children" 这组原词捡来, 但那只是顺带交代赛事设施, Kowalczyk 的 "rewarding" 评价根本没落在孩子玩耍上, 是听到原词就想选的原词陷阱。

借用原文: There will also be a fun tent for children.

Questions 5 to 7 are based on the news report you have just heard.

1 A German supermarket has been ordered to destroy its chocolate rabbits after it lost a court battle with a Swiss chocolate manufacturer.

一家德国超市在与一家瑞士巧克力制造商的法庭诉讼中败诉后,被勒令销毁其巧克力兔子产品。

2 The Swiss firm had argued its gold-wrapped chocolate rabbit deserved copyright protection from a similar product sold by the budget supermarket.

这家瑞士公司辩称,其金色包装的巧克力兔子应当受到版权保护,以防止这家廉价超市销售的类似产品侵权。

3 Switzerland's highest court agreed and overturned a ruling last year by the country's commercial court that had sided with the supermarket. It ordered that all the imitation rabbits be destroyed, but suggested the chocolate needn't be wasted. It could be melted for use in other products.

瑞士最高法院表示同意,推翻了去年该国商事法院支持超市的裁决。法院下令销毁所有仿冒兔子产品,但建议巧克力无需浪费,可以融化用于其他产品。

4 It said even though there are some differences between the two products, there was still the possibility of confusion for consumers. The Swiss manufacturer's rabbit has a red bow and bell, while the German supermarket's has a green bow and bell. The colour of the wrapper is similar, as are the illustrations of the features.

法院称,尽管两种产品之间存在一些差异,但仍有可能使消费者产生混淆。瑞士制造商的兔子有红色蝴蝶结和铃铛,而德国超市的兔子有绿色蝴蝶结和铃铛。包装纸的颜色相似,特征的图案也相似。

5 The chocolate company has been to court before to protect its popular chocolate treat. Last year, a German federal court said the shade of the gold wrapping was also protected.

这家巧克力公司此前曾诉诸法庭以保护其畅销巧克力产品。去年,德国联邦法院裁定金色包装纸的色调也受到保护。

5. A) Destroy its imitation chocolate rabbits.
B) Change the wrapping of its commodities.
C) Compensate for the Swiss manufacturer's loss.
D) Defend itself in the country's commercial court.

【题目】 What has the German supermarket been ordered to do?

【翻译】 这家德国超市被要求做什么?

- A) 销毁其仿制的巧克力兔子。 B) 更改其商品的包装。 C) 赔偿瑞士制造商的损失。
D) 在该国商事法院为自己辩护。

【答案】 A (细节题) Destroy its imitation chocolate rabbits.

【定位】 A German supermarket has been ordered to destroy its chocolate rabbits after it lost a court battle with a Swiss chocolate manufacturer.

一家德国超市在与一家瑞士巧克力制造商的官司中败诉后,被勒令销毁其巧克力兔子。

【信号】 命令信号 ordered to。 答案句的信号是 has been ordered to destroy, ordered to 正是题干 been ordered to 的呼应,这种表命令、判决的短语就是答案落点,听到立刻锁定其后的动作。

【替换】 destroy its chocolate rabbits ↔ **Destroy its imitation chocolate rabbits.**

近乎同表述加补词

【排除】 B) 原词陷阱

选项 Change the wrapping of its commodities. 借用了原文后文反复提到的 wrapper (包装),但原文从没要求超市改包装,命令是销毁,属听到 wrapping 就想选的原词陷阱。

借用原文: The colour of the wrapper is similar

C) 原词陷阱

选项 Compensate for the Swiss manufacturer's loss. 拼用了原文的 Swiss manufacturer 和 lost (败诉),但原文判的是销毁,从未提赔偿损失,是把熟词重组出的假动作。

借用原文: it lost a court battle with a Swiss chocolate manufacturer

D) 原词陷阱

选项 Defend itself in the country's commercial court. 借了原文的 commercial court,但那是去年商业法院的旧判决场景,本题命令是销毁兔子,并非要超市去出庭辩护。

借用原文: overturned a ruling last year by the country's commercial court

-
6. A) It could be rewrapped and sold by the budget supermarket.
B) It could be reshaped into animals other than rabbits.
C) It could be resold cheaper to avoid waste.
D) It could be reused in other products.

【题目】 What did Switzerland's highest court suggest about the chocolate in question?

【翻译】 瑞士最高法院对有关巧克力提出了什么建议？

- A) 它可以被重新包装并由廉价超市出售。 B) 它可以被重新塑造成兔子以外的动物。
C) 它可以以更低价格转售以避免浪费。 D) 它可以在其他产品中重新使用。

【答案】 D (细节题) It could be reused in other products.

【定位】 It ordered that all the imitation rabbits be destroyed, but suggested the chocolate needn't be wasted. It could be melted for use in other products.

法院下令销毁所有仿制兔子，但建议巧克力不必浪费，可以熔化后用于其他产品。

【信号】 转折 but 后是真意。答案句信号是转折词 but suggested the chocolate needn't be wasted, but 前讲销毁、but 后才是对巧克力的建议，转折之后才是落点，这正呼应题干的 suggest。

【替换】 melted for use in other products ↔ It could be reused in other products.

熔化再用即重复使用

【排除】 A) 原词陷阱

选项 rewrapped and sold by the budget supermarket 搬来原文的 budget supermarket，但原文建议是熔化再用，从没说重新包装由该超市出售，是熟词拼出的假处置。

借用原文：a similar product sold by the budget supermarket

B) 原词陷阱

选项 reshaped into animals other than rabbits 借了原文 rabbits 一词臆造出改造成别的动物，原文只说熔化用于其他产品，并未提改塑成动物。

借用原文：all the imitation rabbits be destroyed

C) 原词陷阱

选项 resold cheaper to avoid waste 借了原文 needn't be wasted 中的 waste 概念，但原文是熔化再用以避免浪费，不是降价转售，处置动作被偷换。

借用原文：the chocolate needn't be wasted

-
7. A) To be fair to the German supermarkets.
B) To protect chocolate retailers' interests.
C) To boost the growth of the chocolate industry.
D) To prevent consumers' possible confusion.

【题目】 Why did Switzerland's highest court overturn the commercial court's ruling?

【翻译】瑞士最高法院为什么推翻商事法院的裁决？

- A) 为了对德国超市公平。 B) 为了保护巧克力零售商的利益。
C) 为了促进巧克力行业的增长。 D) 为了防止消费者可能产生的混淆。

【答案】D (细节题) To prevent consumers' possible confusion.

【定位】It said even though there are some differences between the two products, there was still the possibility of confusion for consumers.

法院表示，尽管两种产品之间存在一些差异，但仍有可能让消费者产生混淆。

【信号】让步转折露真因。答案句信号是让步结构 even though there are some differences...there was still the possibility of confusion, even though 让一步、but/still 后才是真正理由——担心消费者混淆，这就是推翻判决的原因。

【替换】the possibility of confusion for consumers ↔ To prevent consumers' possible confusion.
存在混淆即为防混淆

【排除】A) 原词陷阱

选项 To be fair to the German supermarkets. 借了原文反复出现的 German supermarket，但原文推翻原判恰恰对超市不利，目的是防混淆而非对超市公平，方向相反。

借用原文：A German supermarket has been ordered to destroy

B) 偷换概念

选项 To protect chocolate retailers' interests. 把原文的 consumers（消费者）偷换成 retailers（零售商），原文明说担心的是消费者混淆，保护对象被换了一方。

借用原文：the possibility of confusion for consumers

C) 未提及

选项 To boost the growth of the chocolate industry. 借了反复出现的 chocolate，但原文从未提推动巧克力行业发展这一目的，是凭熟词臆造的目的。

Section B

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 8 to 11 are based on the conversation you have just heard.

1 M: Can you please hand me that book over there? It has instructions for making a winter bean salad. My sister's boyfriend is coming over for dinner. He's vegetarian, so I need to make a lot of vegetable dishes.

M: 你能把那边那本书递给我吗？上面有冬季豆子沙拉的做法。我姐姐的男朋友要过来吃晚饭。他是素食主义者，所以我得做很多蔬菜菜肴。

2 W: He only eats vegetables, no meat? That doesn't sound like a very balanced diet. How can he get enough protein? What does he do to strengthen his muscles and all that?

W: 他只吃蔬菜,不吃肉?这听起来可不像是均衡的饮食啊。他怎么获取足够的蛋白质?他怎么增强肌肉什么的?

3 M: Apparently that's no problem. He's explained this to me when we first met. He eats a variety of different vegetables and nuts, especially those with high amounts of protein.

M: 显然这不是问题。我们第一次见面时他跟我解释过。他吃各种不同的蔬菜和坚果,尤其是那些蛋白质含量高的。

4 W: It sounds a bit difficult, but he's done his research I suppose. What's his reasoning for being vegetarian? Is it his religion, health condition, or lifestyle?

W: 听起来有点难,不过我想他是做过研究的。他吃素的理由是什么?是宗教信仰、健康状况,还是生活方式?

5 M: He's an animal activist. He's always been very sensitive and sympathizes with animals. He's even written to his state senator about the torture of dolphins in sea parks. He says that keeping animals in zoos and parks causes them great distress.

M: 他是个动物保护主义者。他一直很敏感,同情动物。他甚至给他所在州的参议员写信,抗议海洋公园虐待海豚。他说把动物关在动物园和公园里会给它们造成巨大的痛苦。

6 W: That's a little gloomy, but I can understand that to a point. Not all zoos and animal parks have the most favorable conditions, but without them it just wouldn't be feasible to learn about animals and their environments. Besides, I don't think I could ever give up a good hot dog at a baseball game.

W: 这有点悲观,不过我在某种程度上能理解。不是所有动物园和动物公园的条件都最理想,但没有它们的话,了解动物及其生存环境根本就不可行。再说,我觉得我永远都放弃不了在棒球赛上吃根美味热狗。

7 M: Honestly, I agree, but just don't let him hear you say that. He's the spokesperson for his local animal rights group.

M: 老实说,我同意,不过别让他听到你这么说。他是当地动物权利组织的发言人。

8. A) Return the handbook to him.

B) Make a vegetable dish.

C) Pass a book to him.

D) Meet his sister's boyfriend.

【题目】 What does the man request the woman to do?

【翻译】 男士要求女士做什么?

- A) 把手册还给他。 B) 做一道蔬菜菜肴。 C) 把一本书递给他。
D) 见见他姐姐的男朋友。

【答案】 C (细节题) Pass a book to him.

【定位】 Can you please hand me that book over there?

你能把那边那本书递给我吗?

【信号】请求句 Can you please....。答案句的信号是请求口吻 Can you please hand me that book over there?, Can you please 一出, 后面跟的动作 hand me that book 就是男的请女的做的事, 这正是"做什么"题要锁定的落点。

【替换】hand me that book ↔ Pass a book to him.

hand 与 pass 同义换词

【排除】A) 原词陷阱

A 的 Return the handbook to him. 用 handbook 蹭录音里的 hand me that book 的发音 (hand...book), 听着像, 但录音说的是 hand (递) + book (书), 不是 handbook (手册), 更没有 return (还) 的意思。

借用原文: hand me that book

B) 答非所问

B 的 Make a vegetable dish. 用了录音 making a winter bean salad 里的做素菜原词, 但做菜是男的自己"I need to make", 不是请女的做, 答非所问。

借用原文: I need to make a lot of vegetable dishes

D) 原词陷阱

D 的 Meet his sister's boyfriend. 取自录音 My sister's boyfriend is coming over for dinner 的原词, 但那只是交代背景 (男友要来吃饭), 并非男的请女的去见他。

借用原文: My sister's boyfriend is coming over for dinner

9. A) It doesn't seem to be a balanced diet.

B) It would reduce one's protein intake.

C) It would do harm to one's muscles.

D) It doesn't sound practical for her.

【题目】What does the woman say about eating vegetables only?

【翻译】关于只吃蔬菜, 女士是怎么说的?

A) 这似乎不是均衡的饮食。 B) 这会减少一个人的蛋白质摄入。

C) 这会对一个人的肌肉造成伤害。 D) 这对她来说听起来不实际。

【答案】A (态度观点题) It doesn't seem to be a balanced diet.

【定位】He only eats vegetables, no meat? That doesn't sound like a very balanced diet.

他只吃菜、不吃肉? 那听起来不像是很均衡的饮食啊。

【信号】评价句 That doesn't sound like....。答案信号是女的抛出的总评价 That doesn't sound like a very balanced diet, doesn't sound like 是直接表态, 这是她对"只吃素"的核心判断, 后面 protein、muscles 都是她为这个判断补的理由。

【替换】That doesn't sound like a very balanced diet ↔ It doesn't seem to be a balanced diet.

sound like 换 seem to be

【排除】 B) 原词陷阱

B 的 It would reduce one's protein intake. 蹭了录音 How can he get enough protein? 的 protein 原词，但女的只是反问"怎么获取足够蛋白质"来支撑她的判断，并没下"会减少蛋白质摄入"的结论。

借用原文：How can he get enough protein?

C) 原词陷阱

C 的 It would do harm to one's muscles. 借用录音 strengthen his muscles 的 muscles 原词，但女的是问"他怎么练肌肉"，并没说"会伤肌肉"，属于无中生有地拔高。

借用原文：strengthen his muscles

D) 偷换概念

D 的 It doesn't sound practical for her. 套用了录音 sound 的口吻，但女的评价的是"这饮食不均衡"，从没说"对她本人不实际"，把评判对象悄悄换成了"对她"。

借用原文：That doesn't sound like a very balanced diet

-
10. A) To improve his health.
B) To protect animal rights.
C) To follow a trendy lifestyle.
D) To stick to his religious belief.

【题目】 Why does the boyfriend of the man's sister choose to be a vegetarian?

【翻译】 男士的姐姐的男朋友为什么选择成为素食主义者？

- A) 为了改善他的健康。 B) 为了保护动物权利。 C) 为了追随时尚的生活方式。
D) 为了坚持他的宗教信仰。

【答案】 B (细节题) To protect animal rights.

【定位】 He's an animal activist. He's always been very sensitive and sympathizes with animals.

他是个动物保护活动者。他一向很敏感，对动物充满同情。

【信号】 亮明身份句 He's an animal activist. 答案信号是男的直接亮出男友的身份与立场 He's an animal activist, 紧接 sympathizes with animals。原因题里这种"He's a + 身份/立场"的句子，往往就是动机所在——他吃素是因为他是动物保护者。

【替换】 He's an animal activist ↔ To protect animal rights.

身份具体说法换成概括目的

【排除】 A) 原词陷阱

A 的 To improve his health. 蹭了录音 health condition 的 health 原词，但那是女的列举可能原因时随口提的选项之一，录音随后明确否掉、给出的真实原因是动物保护，不是健康。

借用原文：Is it his religion, health condition, or lifestyle?

C) 原词陷阱

C 的 To follow a trendy lifestyle. 借用录音 lifestyle 原词，但这同样只是女的列举的待选项之一，男的回答里根本没提"赶潮流"，是答非所问。

借用原文：Is it his religion, health condition, or lifestyle?

D) 原词陷阱

D 的 To stick to his religious belief. 用了录音 religion 原词，且"宗教吃素"最符合日常常识，最易被默认选中；但录音明说原因是动物保护，宗教只是女的列举的可能性之一，并非答案。

借用原文：Is it his religion, health condition, or lifestyle?

11. A) The torture and distress dolphins suffer in parks.

B) The necessity of having zoos and eating meat.

C) The gloomy environments animals are kept in.

D) The urgency of joining an animal rights group.

【题目】 On what point does the man agree with the woman at the end of the conversation?

【翻译】 在对话结束时,男士在哪一点上同意女士的观点?

A) 海豚在公园里遭受的折磨和痛苦。 B) 拥有动物园和吃肉的必要性。

C) 动物被饲养的阴暗环境。 D) 加入动物权利组织的紧迫性。

【答案】 B (细节题) The necessity of having zoos and eating meat.

【定位】 W: Not all zoos and animal parks have the most favorable conditions, but without them it just wouldn't be feasible to learn about animals and their environments. Besides, I don't think I could ever give up a good hot dog at a baseball game. M: Honestly, I agree.

女：并不是所有动物园和动物公园条件都最理想，但要是没有它们，就没法了解动物和它们的生存环境了。再说，我可舍不得放弃看棒球赛时来一根热狗。男：说实话，我同意。

【信号】 赞同信号 Honestly, I agree. 答案信号是男的结尾的明确赞同 Honestly, I agree，它指向的是女的紧挨着说的两点——动物园有存在的必要 without them it just wouldn't be feasible to learn about animals 和不愿放弃吃热狗（肉）I could ever give up a good hot dog。赞同句认同的就是这两点合起来的立场。

【替换】 without them it just wouldn't be feasible to learn about animals ↔

The necessity of having zoos and eating meat.

没了就不行 = 有必要

I don't think I could ever give up a good hot dog ↔ **eating meat**

舍不得放弃热狗 = 要吃肉

【排除】 A) **张冠李戴**

A 的 The torture and distress dolphins suffer in parks. 几乎照搬录音 the torture of dolphins in sea parks 与 causes them great distress 的原词，但那是男友（动物活动家）的立场，不是男女二人结尾达成的共识，张冠李戴。

借用原文：the torture of dolphins in sea parks

C) **原词陷阱**

C 的 The gloomy environments animals are kept in. 蹭录音 That's a little gloomy 的 gloomy 原词，但 gloomy 是女的形容男友说法"有点令人沮丧"，并非两人一致认同"动物处境阴郁"，答非所问。

借用原文：That's a little gloomy

D) **原词陷阱**

D 的 The urgency of joining an animal rights group. 借用录音 his local animal rights group 的 animal rights group 原词，但录音只是说男友是该组织发言人，根本没提"加入组织的紧迫性"，属凭空编造。

借用原文：He's the spokesperson for his local animal rights group

Questions 12 to 15 are based on the conversation you have just heard.

1 W: Did you see that television program on air travel last night?

W: 你昨晚看那个关于航空旅行的电视节目了吗?

2 M: Yes. The part about overcoming jetlag was interesting. I was surprised that the expert recommended not eating for the entire journey and avoiding sleeping on the plane.

M: 看了。关于克服时差反应那部分挺有意思的。我很惊讶那个专家建议整个旅程都不吃东西，还要避免在飞机上睡觉。

3 W: I was too, as I read an article on the subject in the past that suggested the opposite. It claimed that it was important not to miss meals and that taking a nap on the plane was the best way to adjust to a new time zone.

W: 我也是，因为我以前读过一篇关于这个话题的文章，建议的是相反的做法。文章说不能错过用餐很重要，而且在飞机上小睡是适应新时区的最好方法。

4 M: Well, the expert on the show did cite research supporting her recommendations, so I guess I'll give it a try next time I fly a long distance. Jetlag is a big problem for me and has been for the last few years, even though I never suffered from it before.

M: 嗯，节目里那位专家确实引用了研究来支持她的建议，所以我想下次长途飞行时试试看。时差反应对我来说是个大问题，过去几年一直这样，尽管我以前从来没有受过时差困扰。

5 W: Well, she did say that jetlag often becomes more of a problem after 40, so I guess I'm lucky that I can still adjust to different time zones well. My problem is I'm afraid to fly.

W: 嗯，她确实说过时差反应在40岁之后往往会变成更大的问题，所以我想我很幸运，还能很好地适应不同的时区。我的问题是我害怕坐飞机。

6 M: Oh, I didn't know that. Actually, my mother is terrified of airplanes to the point where she can't even fly, so our family vacations were always by car or train.

M: 哦，我不知道这个。其实我妈妈特别害怕飞机，严重到根本不能坐飞机，所以我们家的假期总是开车或坐火车。

7 W: I'm not as bad as that. I just get anxious before I fly and feel nervous the whole time we're in the air, which is why I was hoping the television program would cover that topic more than it did.

W: 我没那么严重。我只是在坐飞机前会焦虑，在空中的整个过程都感到紧张，这就是为什么我希望那个电视节目能更多地讨论这个话题，而不是像实际那样一带而过。

8 M: Yeah. That segment was too brief, especially as so many people have that problem. She said 20% of people are afraid to fly.

M: 是啊。那个部分太简短了，特别是有那么多人都有这个问题。她说20%的人害怕坐飞机。

9 W: Actually, it was a quarter of people, so the problem really is widespread and deserves attention.

W: 实际上是四分之一的人，所以这个问题确实很普遍，值得关注。

12. A) The part about getting over jetlag.

B) The part about air travel in the past.

C) The part about not eating on board the plane.

D) The part about avoiding sleeping on the plane.

【题目】 What part of the TV program does the man say was interesting?

【翻译】 男士说电视节目的哪部分内容很有趣？

A) 关于克服时差反应的部分。 B) 关于过去航空旅行的部分。

C) 关于不在飞机上进食的部分。 D) 关于避免在飞机上睡觉的部分。

【答案】 A (细节题) The part about getting over jetlag.

【定位】 The part about overcoming jetlag was interesting.

关于克服时差的那一部分很有趣。

【信号】 被问者男士的直接应答 + 评价词 interesting。本题问的是男士，男士开口的 The part about overcoming jetlag was interesting. 就是被问者的直接应答，句中 interesting 与题干 interesting 完全对应，是把这句锁成答案句的信号。

【替换】 overcoming jetlag ↔ getting over jetlag

同义短语替换 overcome=get over

【排除】 B) 未提及

The part about air travel in the past 里 air travel 是整段对话的大话题词，听着耳熟，但男士说有趣的是克服时差那部分，"过去的航空旅行"录音并未作为有趣的一部分提到，属拿大话题词凑出的诱选。

C) 原词陷阱

not eating on board the plane 盗用了录音 not eating for the entire journey 这个原词内容，但那是男士转述"专家推荐"的建议、且他说的是"surprised (吃惊)"，并非回答"哪部分有趣"。听到 not eating 就选即落陷阱。

借用原文：the expert recommended not eating for the entire journey

D) 原词陷阱

avoiding sleeping on the plane 盗用录音 avoiding sleeping on the plane 的原词，但这与 C 一样属男士转述的专家建议、令他吃惊的内容，并不是他点名"有趣"的那部分（有趣的是克服时差整块），属原词陷阱。

借用原文：avoiding sleeping on the plane

13. A) Take a nap to adjust to a new time zone.

B) Have meals as usual to stay away from hunger.

C) Concentrate on reading articles recommended by experts.

D) Try following the advice given by the expert on the show.

【题目】 What does the man say he will do next time he flies a long distance?

【翻译】 男士说他下次长途飞行时会做什么？

A) 小睡一会儿以适应新时区。 B) 像平常一样进餐以避免饥饿。

C) 专注阅读专家推荐的文章。 D) 尝试遵循节目中专家给出的建议。

【答案】 D (细节题) Try following the advice given by the expert on the show.

【定位】 the expert on the show did cite research supporting her recommendations, so I guess I'll give it a try next time I fly a long distance.

节目里的那位专家确实引用了支持她建议的研究，所以我想下次长途飞行时我会试试看。

【信号】 表打算的信号 I'll give it a try + 时间短语 next time。I guess I'll give it a try next time I fly a long distance 里的 I'll give it a try 是典型"打算"信号，又带 next time I fly a long distance 与题干时间完全吻合，是锁定答案句的双重信号。

【替换】 give it a try ↔ Try following the advice

give it a try=try following, 照建议试一试

the expert on the show did cite research supporting her recommendations ↔

the advice given by the expert on the show

her recommendations=the advice, 同为专家建议

【排除】 A) 张冠李戴

Take a nap to adjust to a new time zone 盗用了女士那句 taking a nap on the plane was the best way to adjust to a new time zone 的原词，但那是女士转述"过去文章"的主张，且专家恰恰建议"不要睡"，并非男士下次要做的事，属张冠李戴。

借用原文：taking a nap on the plane was the best way to adjust to a new time zone

B) 张冠李戴

Have meals as usual to stay away from hunger 对应女士读到的旧观点 it was important not to miss meals，而男士打算照的是"专家建议"，专家主张是 not eating——男士要做的恰与 B 相反，属张冠李戴兼与原文相反。

借用原文：it was important not to miss meals

C) 偷换概念

Concentrate on reading articles recommended by experts 把录音里的 expert 与 W 提到的 an article on the subject 拼在一起，造出"读专家推荐的文章"，但男士说的是 give it a try（照建议试做），并非去读文章，属偷换概念。

借用原文：I read an article on the subject in the past

-
14. A) She does not have any problem flying.
B) She can spend a lot of time vacationing.
C) She does not have to worry about jetlag.
D) She has been well treated when traveling.

【题目】 Why does the woman think she is lucky?

【翻译】 女士为什么认为自己很幸运？

- A) 她乘飞机没有任何问题。 B) 她可以花大量时间度假。 C) 她不必担心时差反应。
D) 她在旅行时得到了很好的待遇。

【答案】 C (细节题) She does not have to worry about jetlag.

【定位】 she did say that jetlag often becomes more of a problem after 40, so I guess I'm lucky that I can still adjust to different time zones well.

她确实说过时差在 40 岁以后往往会变成更大的问题，所以我想我算幸运，因为我还能很好地适应不同的时区。

【信号】 标志词 I'm lucky + that 引出理由。I'm lucky that I can still adjust to different time zones well 里 I'm lucky 直接对应题干 lucky，紧跟的 that 从句给出理由——这个"幸运 + that 理由"结构就是答案句信号。

【替换】 I can still adjust to different time zones well ↔ She does not have to worry about jetlag

能适应时区=不必担心时差，肯否定转换

【排除】 A) 与原文相反

She does not have any problem flying 与原文相反：女士紧接着说 My problem is I'm afraid to fly, 明说自己有怕飞的问题, 所以"飞行无问题"是反着说的, 且她的幸运也不是指这点。

借用原文: My problem is I'm afraid to fly

B) 未提及

She can spend a lot of time vacationing 里 vacation 蹭了后文男士提到的 our family vacations, 但那是男士讲自家度假方式, 女士的幸运与"能度很多假"毫无关系, 属未提及。

借用原文: our family vacations were always by car or train

D) 未提及

She has been well treated when traveling"旅行中受优待"在整段录音里没有任何对应内容, 与女士的幸运(能适应时区)也不搭, 属凭空捏造。

15. A) It has caused heavy losses to many airlines.

B) It impacts female travelers more seriously.

C) It has long been ignored by many experts.

D) It affects twenty-five percent of people.

【题目】 Why does the woman think the problem of being afraid to fly deserves attention?

【翻译】 女士为什么认为害怕乘飞机的问题值得关注?

A) 它给许多航空公司造成了重大损失。 B) 它对女性旅客的影响更严重。

C) 它长期以来被许多专家忽视。 D) 它影响百分之二十五的人。

【答案】 D (细节题) It affects twenty-five percent of people.

【定位】 Actually, it was a quarter of people, so the problem really is widespread and deserves attention.

其实是四分之一的人, 所以这个问题确实很普遍, 值得关注。

【信号】 纠正信号 Actually + 数字 a quarter, 且与题干 deserves attention 同词。 女士用 Actually, it was a quarter of people 纠正男士先前说的数字, so the problem really is widespread and deserves attention 里 deserves attention 与题干同词——Actually 的纠正语气与同词回扣是双重信号。

【替换】 a quarter of people ↔ twenty-five percent of people

a quarter=25%, 分数与百分比换算

【排除】 A) 未提及

It has caused heavy losses to many airlines 蹭了全篇的 air travel/航空话题，但"给航空公司造成巨额亏损"录音从未提及，女士给的理由是比例之高，不是公司亏损，属未提及。

B) 未提及

It impacts female travelers more seriously 凭空加了"female travelers、more seriously"的范围与程度，录音只说影响四分之一的人、并未区分性别，属无中生有地偷加范围程度。

C) 与原文相反

It has long been ignored by many experts 借了对话反复出现的 expert 设原词诱惑，但录音说的是这问题 deserves attention（值得关注），并未说"长期被专家忽视"，方向相反，属与原文相反兼借词诱选。

借用原文：deserves attention

Section C

Directions: In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 16 to 18 are based on the passage you have just heard.

1 The most common question I'm asked always centers around how to get started in user experience design, to which my response is always that nothing can substitute real-world experience.

我被问到的最常见问题总是围绕如何开始从事用户体验设计，对此我的回答始终是，没有什么能替代真实世界的经验。

2 Building the skills required of a user experience designer takes time, patience, and commitment. Higher education is a great way to equip yourself with some core skills, but it will not prepare you for actual challenges you'll face with clients' work. In other words, being proficient with a design tool and a few methods doesn't make you a user experience designer. There simply isn't a one-size-fits-all process.

培养用户体验设计师所需的技能需要时间、耐心和投入。高等教育是让你具备一些核心技能的好方法，但它不会让你为客户工作中将面临的实际挑战做好准备。换句话说，精通一个设计工具和几种方法并不能让你成为用户体验设计师。根本不存在一个放之四海而皆准的流程。

3 Being effective requires adaptability — something you don't really learn in school, much less in a 6-month training camp. It's gained through experience on the job and learning what's appropriate given the needs of the project.

要做到有效需要适应能力——这是你在学校里真正学不到的，更不用说在6个月的培训营中了。它是通过工作中的经验获得的，并学会根据项目需求选择合适的方法。

4 I found my way to user experience through graphic design and slowly over many different roles and experiences. That led me to become a user experience designer. It took time and commitment to continue

to pursue roles within teams that I knew could teach and challenge me. That's not to say that I think my path is the only one. But once again, nothing can substitute real-world experience. You can start anywhere as long as you know your end goal and you commit to actively pursuing opportunities to learn and grow along the way.

我通过平面设计找到了进入用户体验的道路,并在许多不同的角色和经历中慢慢成长。这让我成为了一名用户体验设计师。这需要时间和投入来持续追求那些我知道能教导和挑战我的团队中的角色。这并不是说我认为我的道路是唯一的。但再次强调,没有什么能替代真实世界的经验。只要你知道自己的最终目标,并致力于积极寻求学习和成长的机会,你可以从任何地方开始。

16. A) Learning from skilled designers.
B) Obtaining real-world experience.
C) Joining a 6-month training camp.
D) Anticipating actual challenges.

【题目】 What does the speaker think is the best way to get started in user experience design?

【翻译】 演讲者认为入门用户体验设计的最佳方式是什么?

- A) 向熟练的设计师学习。 B) 获得真实世界的经验。 C) 参加为期6个月的培训营。
D) 预见实际挑战。

【答案】 B (细节题) Obtaining real-world experience.

【定位】 The most common question I'm asked always centers around how to get started in user experience design, to which my response is always that nothing can substitute real-world experience.

别人最常问我的问题总是围绕怎么入门用户体验设计, 对此我的回答始终是: 没有什么能替代真实世界的经验。

【信号】 **nothing can substitute**抬高某项。答案信号是这句里的 nothing can substitute real-world experience (没有什么能替代真实世界的经验) ——nothing can substitute 是把某一项捧到唯一、最高位置的强调说法, 凡听到这种把别的全比下去的句式, 那句就是答案句。

【替换】 nothing can substitute real-world experience ↔ **Obtaining real-world experience.**

唯一不可替代等于最佳

【排除】 A) 未提及

Learning from skilled designers. 听起来很合理，但录音通篇没说过要向熟练的设计师学，它是凭常识脑补的入门方式，原文无对应。

C) 原词陷阱

Joining a 6-month training camp. 盗用了录音第三段的原词 6-month training camp，但原文是把训练营当成学不到适应力的反面例子来说的，并非入门的最佳方式，属于听到原词就想选的陷阱。

借用原文：much less in a 6-month training camp

D) 原词陷阱

Anticipating actual challenges. 借用了第二段原词 actual challenges，但原文说的是高等教育无法让你为真实挑战做好准备，并没说入门的最佳方式是去预判挑战，选项把原词搬过来又改了意思。

借用原文：it will not prepare you for actual challenges you'll face

17. A) Core skills.

B) Higher education.

C) Adaptability.

D) Capability.

【题目】 What does the speaker say being effective requires?

【翻译】 演讲者说要有效需要什么？

A) 核心技能。 B) 高等教育。 C) 适应能力。 D) 能力。

【答案】 C (细节题) Adaptability.

【定位】 Being effective requires adaptability — something you don't really learn in school, much less in a 6-month training camp.

要做到有效就需要适应力——这是你在学校里学不太到的东西，在六个月的训练营里就更别提了。

【信号】 requires直接点出条件。 答案信号就是题干原话在录音里几乎复现：Being effective requires adaptability, requires 后面紧跟的 adaptability 就是被点名的条件。这种题干和原文几乎同形、只差答案词的句子，是最直接的答案句信号。

【替换】 Being effective requires adaptability ↔ Adaptability.

原词同形直接对应

【排除】 A) 原词陷阱

Core skills. 盗用了第二段原词 core skills, 但原文说的是高等教育能帮你装备一些核心技能、随后却话锋一转说它不够, core skills 并不是 being effective 所需要的那样东西, 属听到原词就想选的陷阱。

借用原文: Higher education is a great way to equip yourself with some core skills

B) 原词陷阱

Higher education. 盗用第二段原词 Higher education, 但原文说高等教育不能让你应对真实挑战、是被往下压的一项, 根本不是 being effective 所需, 听到这个原词就选会掉坑。

借用原文: but it will not prepare you for actual challenges

D) 未提及

Capability. 和正确项 Adaptability. 一样以 -ability 结尾、长得像, 是专为只听个相似尾音的考生设的形近干扰, 但录音从没说 being effective 需要 capability。

18. A) Start anywhere.

B) Face challenges.

C) Pursue roles in teams.

D) Follow their own path.

【题目】 What can people do as long as they know their end goal and strive for it?

【翻译】 只要人们知道自己的最终目标并为之努力, 他们能做什么?

A) 从任何地方开始。 B) 面对挑战。 C) 在团队中追求角色。 D) 遵循自己的道路。

【答案】 A (细节题) Start anywhere.

【定位】 You can start anywhere as long as you know your end goal and you commit to actively pursuing opportunities to learn and grow along the way.

只要你清楚自己的终极目标, 并且愿意一路上主动去追寻学习和成长的机会, 你可以从任何地方起步。

【信号】 as long as 条件句的主句。 答案信号是这句的结构 You can start anywhere as long as you know your end goal——as long as 是题干照搬的条件信号词, 它前面的主句 You can start anywhere 就是回答能做什么的部分, 条件句的主句才是答案落点。

【替换】 You can start anywhere ↔ **Start anywhere.**

主句原话浓缩为动词短语

【排除】 B) 原词陷阱

Face challenges. 里的 challenges 来自前文（如第二段说的 actual challenges、第四段说团队能 challenge me），但 as long as 那句答案句里说的是 start anywhere，不是面对挑战，选项搬了别处的原词来凑。

借用原文：roles within teams that I knew could teach and challenge me

C) 张冠李戴

Pursue roles in teams. 盗用第四段原词 pursue roles within teams，但那是作者讲自己当年的经历（他自己去团队里求角色），不是回答只要知道目标就能做什么，属张冠李戴式的原词陷阱。

借用原文：to continue to pursue roles within teams that I knew could teach and challenge me

D) 与原文相反

Follow their own path. 借用第四段 my path 的说法，但原文是作者说我不认为自己这条路是唯一的，恰恰是不主张人人照走他的路，选项却说去走自己的路，与原文倾向相反。

借用原文：That's not to say that I think my path is the only one.

Questions 19 to 21 are based on the passage you have just heard.

1 When planning for this year, our principal asked what needed to change to engage students more in their learning. I responded in a whisper "flexible seating", thinking about our then-current classroom. It had rows of desks with blue chairs and nameplates reminding each student where they should be sitting. 在规划今年的工作时,我们的校长问需要改变什么才能让学生更多地参与到学习中来。我小声回答"灵活座位",同时想到我们当时的教室。教室里一排排课桌配着蓝色椅子,桌上的姓名牌提醒着每个学生应该坐在哪里。

2 This began a journey to transform our practice and challenge the ways of learning for a group of Year 6 students used to sitting in desks and rows for years.

这开启了一段转变我们教学实践的旅程,并挑战了一群习惯于多年坐在课桌排列教室里的六年级学生的学习方式。

3 Flexible seating has been defined as movable furniture to create an engaging learning environment. It is a shift in practice from being teacher-focused to student-focused learning. For us, flexible seating has meant removing most of the traditional chairs and desks and introducing a variety of different seating options to promote student engagement.

灵活座位被定义为可移动的家具,用以创造一个富有吸引力的学习环境。它是从以教师为中心向以学生为中心学习的实践转变。对我们而言,灵活座位意味着移除大部分传统的椅子和课桌,引入各种不同的座位选择来促进学生参与。

4 The use of rows and their minimal adaptations to "U" shape were traditionally intended to maximize on-task behavior and reduce distraction from the teacher. Teachers tend to still use this format because

of either the need to control students or the belief that the teacher is the most important person in the room.

使用排列及其向"U"形的最小调整,传统上旨在最大化专注行为并减少对教师的干扰。教师倾向于仍然使用这种形式,原因要么是需要控制学生,要么是认为教师是教室里最重要的人。

5 Now our students have a range of different seating options, including a floor desk, couches, stools, bean bags, and the traditional desk-and-chair.

现在我们的学生有一系列不同的座位选择,包括地板书桌、沙发、凳子、豆袋椅以及传统的课桌椅。

6 From our experience so far, flexible seating enhances student ownership of space and engagement in learning, while reducing rates of student disengagement and disciplinary actions. It is a win for all concerned.

根据我们迄今为止的经验,灵活座位增强了学生对空间的所有权和学习参与度,同时降低了学生脱离学习和纪律处分的比率。这对所有相关方来说都是双赢。

19. A) To respond actively to students' requests.

B) To engage students more in their learning.

C) To enable teachers to interact more with their students.

D) To allow students more freedom in their academic work.

【题目】 Why did the school principal ask what needed to change?

【翻译】 校长为什么要问需要改变什么?

A) 积极回应学生的要求。 B) 让学生更多地参与到学习中。

C) 使教师能够更多地与学生互动。 D) 让学生在学业上拥有更多自由。

【答案】 B (目的题) To engage students more in their learning.

【定位】 When planning for this year, our principal asked what needed to change to engage students more in their learning.

在筹划今年的工作时,我们校长问需要改变什么,好让学生更投入到自己的学习中。

【信号】 目的状语 to engage... 直接给出动机。句中 to engage students more in their learning 是"为了..."的目的状语,紧跟在校长发问之后,正是他发问的目的所在,是这句成为答案句的信号。

【替换】 to engage students more in their learning ↔ To engage students more in their learning.

几乎原句搬到选项

【排除】 A) 未提及

选项说"主动回应学生的请求", 但录音里是校长主动发问、要让学生更投入, 没有"回应学生请求"一说, 方向不符。

C) 原词陷阱

选项把焦点说成"让老师与学生更多互动", 盗用了录音反复出现的 teachers、students, 但校长的目的是让"学生"更投入学习, 不是促进师生互动, 偷换了主体与重点。

借用原文: to engage students more in their learning

D) 过度推断

选项说"给学生更多学业自由", 录音目的句只讲 engage (投入), 从未提 freedom (自由), 是把投入过度引申成自由度。

-
20. A) Using new furniture to create a comfortable environment.
B) Shifting from traditional teaching to task-based learning.
C) Adopting a variety of different seating options.
D) Rearranging most traditional chairs and desks.

【题目】 What has flexible seating meant at the speaker's school?

【翻译】 灵活座位在说话者的学校意味着什么?

- A) 使用新家具营造舒适的环境。 B) 从传统教学转向基于任务的学习。
C) 采用多种不同的座位选择。 D) 重新摆放大部分传统的椅子和课桌。

【答案】 C (细节题) Adopting a variety of different seating options.

【定位】 For us, flexible seating has meant removing most of the traditional chairs and desks and introducing a variety of different seating options to promote student engagement.

对我们来说, 灵活座位意味着撤掉大部分传统桌椅, 引入多种不同的座位选择, 以促进学生投入。

【信号】 下定义信号 has meant. 句中 flexible seating has meant 是"在本校它意味着什么"的下定义信号, 与题干 has meant 完全对应, 定义内容紧随其后, 是答案句的标志。

【替换】 introducing a variety of different seating options ↔

Adopting a variety of different seating options.

introducing 与 Adopting 同义替换

【排除】 A) 未提及

选项说"用新家具营造舒适环境", 录音定义句讲的是 promote student engagement (促进投入), 从未提 comfortable (舒适), 属凭空添加。

B) 偷换概念

选项说"从传统教学转向任务式学习", 录音只说从 teacher-focused 转向 student-focused, 并未出现 task-based learning (任务式学习) 这一说法, 偷换了概念。

借用原文: a shift in practice from being teacher-focused to student-focused learning

D) 原词陷阱

选项"重排大部分传统桌椅"盗用了录音的 traditional chairs and desks, 但录音是 removing (撤掉) 这些桌椅再引入多样座位, 不是 Rearranging (重排), 只截了动作的一半且改了动词。

借用原文: removing most of the traditional chairs and desks

21. A) A win for all people involved.

B) A strengthened effect of its discipline.

C) A harmonious relationship among its students.

D) A change to teachers' opinion of their students.

【题目】 What has flexible seating brought about at the speaker's school?

【翻译】 灵活座位在说话者的学校带来了什么?

A) 对所有相关人员都有益。 B) 加强了纪律效果。 C) 学生之间关系和谐。

D) 改变了教师对学生的看法。

【答案】 A (细节题) A win for all people involved.

【定位】 From our experience so far, flexible seating enhances student ownership of space and engagement in learning, while reducing rates of student disengagement and disciplinary actions. It is a win for all concerned.

从我们目前的经验看, 灵活座位增强了学生对空间的归属感和学习投入, 同时降低了学生的脱离感和纪律处分的发生率。这对所有相关方都是一种共赢。

【信号】 结尾总结句 It is a win for all concerned. 末段 It is a win for all concerned 是带总结语气的收束句, 把前面列举的好处一句话归纳为"对所有人都是共赢", 是结果题最该锁的落点。

【替换】 It is a win for all concerned ↔ A win for all people involved.

all concerned 与 all people involved 同义

【排除】 B) 原词陷阱

选项说"纪律效果增强", 盗用录音的 disciplinary, 但录音是 reducing...disciplinary actions (减少纪律处分), 方向相反; 且只取纪律一项, 丢了"共赢"的全面性。

借用原文: reducing rates of student disengagement and disciplinary actions

C) 原词陷阱

选项说"学生之间关系融洽", 盗用了高频词 students, 但录音讲的是学生对空间的归属感与投入, 从未提学生彼此之间的 harmonious relationship (融洽关系)。

借用原文: enhances student ownership of space and engagement in learning

D) 未提及

选项说"改变了老师对学生的看法", 录音末段只讲对学生投入、纪律的成效与"共赢", 并未提到老师对学生看法的任何改变。

Questions 22 to 25 are based on the passage you have just heard.

1 Dozens of British students arriving for their first day of school on Tuesday were sent home over their shoes. About 30 students were turned away from Taverham High School in Norfolk, England. Headteacher, Dr Roger Harris, confirmed that this was due to a change in the school's uniform policy. Harris, who became headteacher this year, said he notified parents of the updated rules in an email in June.

周二,数十名英国学生因鞋子问题在开学第一天被遣返回家。英格兰诺福克郡Taverham高中约有30名学生被拒之门外。校长Roger Harris博士证实,这是由于学校校服政策的变化。今年新上任的Harris表示,他在6月份通过电子邮件通知了家长更新后的规定。

2 The price of school uniforms can spark panic among families struggling with the high cost of living. Nearly all British schools have uniforms. They cost parents an average of £337 per year for each secondary school child.

校服价格可能让那些苦于高昂生活成本的家庭感到恐慌。几乎所有英国学校都有校服。家长平均每年为每个中学生支付337英镑的校服费用。

3 According to the new rules, students of Taverham are required to wear smart black shoes appropriate for the workplace, Harris held that strengthened rules around school uniforms improved student outcomes and behavior. But for some parents, the school's restrictions are an unnecessary burden.

根据新规定,Taverham的学生必须穿适合职场的得体黑色鞋子。Harris认为,加强校服规定能改善学生的学业成绩和行为表现。但对一些家长来说,学校的限制是不必要的负担。

4 As annual inflation climbs over 10%, many households are on tight budgets. Private rental prices in Britain rose 3.2% over the 12 months to July 2022, the largest jump since 2016. Soaring energy bills have made things worse.

随着年通胀率攀升至10%以上,许多家庭的预算都很紧张。截至2022年7月的12个月里,英国私人租房价格上涨了3.2%,这是自2016年以来的最大涨幅。飙升的能源账单使情况更加恶化。

5 Lucinda May, mum of a Taverham student, said that she had to ask her parents for £65 to buy her child the correct pair of shoes. May said that the school's uniform policy showed the lack of regard for

parents dealing with the high cost of living.

Taverham学生家长Lucinda May说,她不得不向父母要65英镑给孩子买一双符合规定的鞋子。May表示,学校的校服政策显示出对正在应对高昂生活成本的家长缺乏关照。

22. A) They weren't informed of the school's updated rules.
B) They arrived late for their first day of school.
C) They answered their headteacher's email in an impolite way.
D) They didn't wear the shoes required by the school's new policy.

【题目】 Why were dozens of British students sent home on Tuesday?

【翻译】 为什么数十名英国学生在周二被送回家?

- A) 他们没有被告知学校更新的规定。 B) 他们在开学第一天迟到了。
C) 他们以不礼貌的方式回复了校长的电子邮件。 D) 他们没有穿学校新政策要求的鞋子。

【答案】 D (细节题) They didn't wear the shoes required by the school's new policy.

【定位】 About 30 students were turned away from Taverham High School in Norfolk, England. Headteacher, Dr Roger Harris, confirmed that this was due to a change in the school's uniform policy.

大约 30 名学生被英格兰诺福克的 Taverham 高中拒之门外。校长 Roger Harris 博士确认,这是由于学校校服政策的一项变动。

【信号】 因果信号 due to. 答案句里 this was due to a change in the school's uniform policy 的 "due to" 是明确的因果信号,它后面跟的"校服政策变动"就是被送回家的原因,正是 Why 题要抓的落点。

【替换】 a change in the school's uniform policy ↔ the shoes required by the school's new policy
概括换具体加同义改写

【排除】 A)

选项说学生"没被告知更新的规定",但录音里校长明确说 he notified parents of the updated rules in an email in June——是已经通知过的,选项把"通知过"反说成"没被告知",方向相反。

借用原文: he notified parents of the updated rules in an email in June

B)

录音只说这天是 their first day of school on Tuesday, 提到了"开学第一天",但从未说学生"迟到";选项盗用了"first day"的时间背景,把原因编成"迟到",原文没有依据。

C) 原词陷阱

录音提到校长是用 in an email in June 通知家长的,选项盗用"email"这个原词,编出"以不礼貌方式回复校长邮件";原文只说校长发邮件通知,根本没说学生回邮件、更没说态度不礼貌。

借用原文: he notified parents of the updated rules in an email in June

23. A) Riots.
B) Anger.
C) Disputes.
D) Panic.

【题目】 What can the price of school uniforms spark among families in financial difficulty?

【翻译】 校服的价格会在经济困难的家庭中引发什么？

A) 骚乱。 B) 愤怒。 C) 争议。 D) 恐慌。

【答案】 **D** (细节题) Panic.

【定位】 The price of school uniforms can spark panic among families struggling with the high cost of living.

校服的价格会在那些在高生活成本中苦苦挣扎的家庭里激起恐慌。

【信号】 题干原词 **spark** 几乎原句重现。答案句 The price of school uniforms can spark panic among families 与题干用词高度重合 (price/spark/families), spark 紧跟的那个词 panic 就是被引发的反应, 是定位信号。

【替换】 spark panic among families ↔ **Panic.**

原词直接对应

【排除】 A)

Riots (骚乱) 程度最重、最抓耳, 但录音里从未出现"骚乱"; 它是把"恐慌"夸大成"骚乱"的诱饵, 原文无依据。

B)

Anger (愤怒) 听上去和"家长有意见"很搭, 但原文 spark 后面接的是 panic 不是 anger; anger 是个貌似合理却没被念到的情绪词。

C)

Disputes (争执/纠纷) 也是一种貌似合理的负面反应, 但原文激起的是 panic, 并未提到"争执", 属没被念到的干扰项。

24. A) They strengthened the school's discipline and order.
B) They improved student behavior and performance.
C) They enhanced the positive image of the school.
D) They rendered the school unique in the district.

【题目】 What did the headteacher think of the school's new uniform rules?

【翻译】 校长如何看待学校的新校服规定？

A) 它们加强了学校的纪律和秩序。 B) 它们改善了学生的行为和表现。
C) 它们提升了学校的正面形象。 D) 它们使学校在该地区独树一帜。

【答案】 **B** (态度观点题) They improved student behavior and performance.

【定位】 Harris held that strengthened rules around school uniforms improved student outcomes and behavior.

Harris 认为，更严格的校服规定改善了学生的成绩和行为。

【信号】 观点引导词 **held that**。答案句 Harris held that strengthened rules around school uniforms improved student outcomes and behavior 里的 "held that"（认为）是明确的观点信号，引出的正是校长本人的看法，是态度题的落点。

【替换】 improved student outcomes and behavior ↔ **improved student behavior and performance**
同义词替换

【排除】 A) **原词陷阱**

录音里有 strengthened rules around school uniforms, "strengthened" 这个词真的念到了；选项 strengthened the school's discipline and order 盗用 strengthened，但把它的对象换成"纪律和秩序"——原文是"更严格的规定改善了成绩和行为"，strengthened 修饰的是 rules 而非 discipline，张冠李戴。

借用原文：strengthened rules around school uniforms improved student outcomes and behavior

C)

"提升学校的正面形象" (positive image) 听起来是个合理好处，但校长说的是改善"成绩和行为"，从未提到"形象"，原文无依据。

D)

录音第 4 段出现过 Private rental prices in Britain 等带 district/地区背景的经济描述（原文用 households/Britain），选项 rendered the school unique in the district 借"地区"这类背景感造出"让学校在本区独一无二"，但校长的观点里根本没说学校"独特"，属编造。

25. A) Turn to her parents for help.

B) Tighten her monthly budget.

C) Borrow £65 from her friend.

D) Postpone paying her other bills.

【题目】 What did Lucinda May have to do to buy her child the correct pair of shoes?

【翻译】 Lucinda May 为了给孩子买到正确的鞋子必须做什么？

A) 向她的父母求助。 B) 压缩她的月度预算。 C) 向她的朋友借65英镑。

D) 推迟支付她的其他账单。

【答案】 **A**（细节题） Turn to her parents for help.

【定位】 Lucinda May, mum of a Taverham student, said that she had to ask her parents for £65 to buy her child the correct pair of shoes.

Taverham 一名学生的母亲 Lucinda May 说，她不得不向自己的父母要 65 英镑，来给孩子买那双符合要求的鞋。

【信号】被问者的直接动作 **had to ask**。答案句 she had to ask her parents for £65 to buy her child the correct pair of shoes 里的 "had to ask" 正是题干问的"不得不做的动作", her parents 点明动作对象, 是定位信号。

【替换】ask her parents for £65 ↔ **Turn to her parents for help**
同义短语 + 概括化

【排除】B)

"缩紧月度预算"和第 4 段 many households are on tight budgets 的 "tight budgets" 背景相呼应, 但那是说大环境下家庭预算紧, 并非 May 本人"缩预算"这个动作; 她的实际做法是向父母要钱。

借用原文: many households are on tight budgets

C) **偷换概念**

金额 £65 是原文真念到的 (ask her parents for £65), 选项 Borrow £65 from her friend. 保持了对的金额却把对象从 "her parents" 偷换成 "her friend", 动作也从 "ask" 变 "borrow", 对象错了。

借用原文: she had to ask her parents for £65

D)

"推迟支付其他账单"和第 4 段 Soaring energy bills have made things worse. 里的 bills 沾边, 但原文只说能源账单让情况更糟, 从没说 May "推迟付账单"; 这是借 bills 一词编出的动作。

SENTENCE INSIGHTS • 句子精讲

39 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

The event will take place at Methodist University.

第1段, 第3句

主谓结构加地点状语是英语中的常见句式, 具有一定代表性, 但过于基础, 在四六级或考研真题中不属于重点考查的复杂句型。

For anyone who wants to help make this year's Games a massive success, there are still opportunities to volunteer for Fayetteville's Special Olympics.

第3段，第1句

there be 存在句 + 定语从句修饰介词宾语的组合，是四六级和考研阅读中的常见句式。句首长状语 + 主句的布局也是典型的书面语结构，学习者掌握后可迁移到大量类似句子的分析中。

Organizers encourage them to visit the Games' website to sign up.

第3段，第2句

"动词 + 宾语 + 不定式补足语" 是四六级和考研阅读中高频出现的结构（如 encourage/allow/enable/persuade sb to do），掌握后可广泛迁移。虽然本句较短，但句式典型性强。

What did Benjamin Kowalczyk say is rewarding to see?

第4题 题干

疑问句 + 宾语从句的组合是四六级和考研阅读中的常见句式。疑问词提前导致主从句交织的现象在间接引语和复杂疑问句中频繁出现。掌握本句的分析方法可以直接迁移到大量类似结构，典型性高。

Organizers devote their time and energy to the Games.

第4题，C

主谓宾 + 介词短语状语是英语中最常见的基本句型之一，具有一定代表性。但简单句在真题中占比较小，且本句无任何从句或复杂修饰，迁移价值中等。

A German supermarket has been ordered to destroy its chocolate rabbits after it lost a court battle with a Swiss chocolate manufacturer.

第1段，第1句

被动语态 + 不定式补语的结构（be ordered to do）在四六级和考研真题中高频出现，时间状语从句也是常考句式。整句结构具有很强的代表性，掌握后可以迁移到大量类似被动语态搭配和状语从句的句子。

The Swiss firm had argued its gold-wrapped chocolate rabbit deserved copyright protection from a similar product sold by the budget supermarket.

第2段，第1句

主句加宾语从句的结构是四六级和考研阅读中的常见句式，尤其是 argue/claim/suggest 等动词后接省略 that 的宾语从句非常典型，掌握后可迁移到大量类似句子的理解。

It said even though there are some differences between the two products, there was still the possibility of confusion for consumers.

第4段，第1句

典型的间接引语结构（主句 + 宾语从句），宾语从句内嵌套状语从句也是常考句式。状语从句前置、宾语从句省略 that、there be 结构等都是四六级和考研中高频出现的模式，代表性强。

The Swiss manufacturer's rabbit has a red bow and bell, while the German supermarket's has a green bow and bell.

第4段，第2句

while 引导对比状语从句是四六级和考研阅读中常见的句式，用于对比两个对象的不同特征。主句与从句并列对比的结构具有一定代表性，学生掌握后可应用于理解其他对比类句子。但本句较短且结构简单，作为典型例句的复杂度略显不足。

The colour of the wrapper is similar, as are the illustrations of the features.

第4段，第3句

本句涵盖主系表结构、倒装、表语省略等多个知识点，特别是比较结构中的倒装和省略是学生常见的易错点，作为划分成分的练习句收益较高。

He's vegetarian, so I need to make a lot of vegetable dishes.

第1段，第4句

因果并列结构在考试中较为常见，"so" 连接两个主句表示因果关系是典型用法，但句子整体过于简单，缺少考试中常见的从句或复杂修饰，代表性中等。

Not all zoos and animal parks have the most favorable conditions, but without them it just wouldn't be feasible to learn about animals and their environments.

第6段，第2句

并列转折句（but连接）和形式主语结构（it be 形容词 to do）都是四六级和考研阅读中的高频句式。转折关系常用于论证，形式主语结构常用于表达观点或评价。本句的结构具有较强的代表性和可迁移性，学生掌握后可应用于大量类似句子的理解和写作。部分否定"Not all"也是常考考点。

Besides, I don't think I could ever give up a good hot dog at a baseball game.

第6段，第3句

"主句 + 宾语从句(省略 that)" 是四六级和考研中高频出现的句式,think 后接从句尤其常见。情态动词 could 的使用也是典型考点。这一结构在真题中反复出现,掌握后可以迁移到大量类似句子,具有较好的代表性。

M: Honestly, I agree, but just don't let him hear you say that.

第7段，第1句

第一句成分单一，只有主谓状。第二句涉及祈使句的省略主语、使役动词 "let" 的宾补结构、以及 "hear" 后再接宾补的嵌套，能练到宾补识别和使役动词用法，有一定训练价值。

On what point does the man agree with the woman at the end of the conversation?

第11题题干

本句覆盖了主语、谓语、两种状语(方式状语和时间状语)以及疑问句中提前的地点或方面状语,成分种类较丰富。疑问句语序下的成分识别对基础学习者有一定训练价值,尤其是前置状语 "On what point" 易与主语混淆,适合练习疑问句成分划分。

I was surprised that the expert recommended not eating for the entire journey and avoiding sleeping on the plane.

第2段，第3句

"主句+表语从句"是四六级和考研中的高频结构,从句内"recommend+动名词"的搭配以及并列宾语的处理都是常考点,句式具有较强代表性和复用价值。

Jetlag is a big problem for me and has been for the last few years, even though I never suffered from it before.

第4段，第2句

让步状语从句是四六级和考研阅读中的高频结构，even though 的用法非常典型。主句中并列谓语加时间状语的组合也是常见句式。现在完成时配合 for + 时间段的用法是重点语法项。本句结构具有较高的代表性，掌握后可以迁移到大量类似句子的理解中。

W: Well, she did say that jetlag often becomes more of a problem after 40, so I guess I'm lucky that I can still adjust to different time zones well.

第5段，第1句

并列句通过 "so" 连接、宾语从句引导词省略、形容词后接同位语从句，这些都是四六级和考研常见的句式。虽然整句不算特别复杂，但结构具有代表性，掌握后可在大量真题句中复用，典型性较高。

W: I'm not as bad as that.

第7段，第1句

主系表结构配合比较结构是常见句式，在口语和书面语中均频繁出现，具有一定代表性，但结构过于简单，难以代表考试中的复杂句式。

W: Actually, it was a quarter of people, so the problem really is widespread and deserves attention.

第9段，第1句

因果逻辑的 so 连接结构在口语和书面语中都很常见，主系表 and 主谓宾也是典型句式，具有一定代表性，但复杂度不足以体现考试中的难点句型。

What does the man say he will do next time he flies a long distance?

第13题题干

"What does sb say (that) sb will do when/next time..." 是听力和阅读理解中的高频句式，常用于考查间接引语、宾语从句和时间状语从句的识别。省略 "that" 的宾语从句和 "next time" 引导状语从句都是真题常见考点。掌握后可迁移到大量类似结构。

Take a nap to adjust to a new time zone.

第13题，A

祈使句在日常英语和考试阅读中都较为常见，不定式作目的状语也是高频结构。掌握这个句型后可以迁移到类似的祈使句和目的状语场景，具有一定代表性，但不如复合句或特殊句式那样在考试中高频出现且富有挑战性

Have meals as usual to stay away from hunger.

第13题，B

覆盖了谓语、宾语、方式状语和目的状语四种成分，成分种类适中。目的状语由不定式充当，是初学者需要掌握的基础用法。但句子整体过于简单，缺少定语、补语、复杂修饰等易错点，练习收益有限。

Concentrate on reading articles recommended by experts.

第13题，C

祈使句在四六级和考研阅读中偶有出现，尤其在建议类、说明类文本中。"动词 + on + 动名词"这种搭配以及过去分词作后置定语都是常见结构。虽不如复合句那样高频，但具有一定代表性，掌握后可迁移到类似的祈使句和后置定语结构。

The most common question I'm asked always centers around how to get started in user experience design, to which my response is always that nothing can substitute real-world experience.

第1段，第1句

本句成分丰富且包含多个训练要点：主句中有省略关系代词的定语从句作定语，介词 + 关系代词引导的非限定性定语从句，表语从句，以及疑问词引导的不定式短语作宾语（how to get started...）。涵盖了定语、状语、表语、宾语等多种成分，且包含定语从句省略、非限定性定语从句、表语从句等常考易错点，非常适合作为成分划分的练习句。

Higher education is a great way to equip yourself with some core skills, but it will not prepare you for actual challenges you'll face with clients' work.

第2段，第2句

并列转折结构（肯定+but+否定）在四六级和考研阅读中非常常见，省略关系代词的定语从句也是高频考点。句子呈现的逻辑对比和从句修饰模式具有较高的代表性，掌握后可以迁移到大量类似句型。结构清晰且实用性强。

In other words, being proficient with a design tool and a few methods doesn't make you a user experience designer.

第2段，第3句

本句涵盖动名词短语作主语、使役动词 make 的宾语加宾补结构、并列宾语（a design tool and a few methods），成分种类较为丰富；动名词主语和 make 的宾补结构是学生常见易错点，值得反复练习

That's not to say that I think my path is the only one.

第4段，第4句

这是典型的口语和书面语中常见的澄清句式："That's not to say (that)..."，表达"并不是说"的含义。宾语从句的嵌套（尤其是 think/believe/say 等动词后省略 that 的现象）也是四六级和考研阅读中的高频结构。掌握后可直接迁移到大量类似句子。

You can start anywhere as long as you know your end goal and you commit to actively pursuing opportunities to learn and grow along the way.

第4段，第6句

条件状语从句（"as long as" 引导）搭配主句陈述结果，是四六级和考研阅读中的常见句式。句中的并列谓语、动名词作宾语、不定式作后置定语等结构也属于高频考点。掌握此类句式后可大量复用于其他长难句分析。

What does the speaker think is the best way to get started in user experience design?

第16题题干

特殊疑问句嵌套宾语从句且省略连接词的结构在四六级和考研阅读中频繁出现，学会拆解此类句型后可迁移到大量类似长句，典型性很强。

What can people do as long as they know their end goal and strive for it?

第18题题干

条件状语从句加疑问句的组合在四六级和考研阅读中较为常见，特别是用 "as long as" 引导条件的句式，掌握这种结构对理解类似的复杂疑问句有较好的迁移价值

I responded in a whisper "flexible seating", thinking about our then-current classroom.

第1段，第2句

涵盖主语、谓语、方式状语、伴随状语四种成分，其中分词短语作状语是容易与独立主格或定语混淆的点，有一定练习价值，但整体成分类型不算特别丰富。

Flexible seating has been defined as movable furniture to create an engaging learning environment.

第3段，第1句

被动语态的定义句式（某概念 has been defined as...）在学术英语和考试阅读中非常常见，是典型的说明性句型。掌握这种结构后，学生可以迁移到大量类似的定义、解释类句子。句末的目的状语也是常见搭配，具有较高的复用价值。

For us, flexible seating has meant removing most of the traditional chairs and desks and introducing a variety of different seating options to promote student engagement.

第3段，第3句

「主语 + 现在完成时谓语 + 动名词短语宾语 + 目的状语」是四六级和考研真题中常见的说明性句式，动名词作宾语、不定式作目的状语都是高频考点结构，掌握后可迁移到大量类似句子。

Teachers tend to still use this format because of either the need to control students or the belief that the teacher is the most important person in the room.

第4段，第2句

本句展示了主句加同位语从句的结构，同位语从句是四六级和考研阅读中的常见考点，且原因状语的表达方式（"because of" 引导名词短语）也是典型用法。句中 "either...or..." 并列结构和不定式作定语也是常考句式元素。整体结构具有较高的代表性，学习后可迁移到大量类似长句的分析中。

What has flexible seating brought about at the speaker's school?

第21题题干

特殊疑问句结构在四六级听力和阅读理解题中高频出现，现在完成时加短语动词的组合也是常见句式，本句结构具有较强的代表性和复用性，掌握后可迁移到大量类似疑问句的理解中。

Headteacher, Dr Roger Harris, confirmed that this was due to a change in the school's uniform policy.

第1段，第3句

"某人 confirmed that..." 是新闻报道和学术写作中常见的句式，宾语从句作及物动词宾语的结构在四六级和考研阅读中频繁出现，有一定的典型性和迁移价值；同位语用法也较为常见。

Harris, who became headteacher this year, said he notified parents of the updated rules in an email in June.

第1段，第4句

本句的 said 引导宾语从句(省略 that)和非限制性定语从句插入主句的结构,都是四六级和考研阅读中的高频句式。这种 主语(带定语从句修饰)+ 谓语 + 宾语从句 的模式在新闻报道、学术文献中非常常见,掌握后可迁移到大量类似句子,结构典型性较高。

They weren't informed of the school's updated rules.

第22题，A

被动语态在四六级和考研阅读中非常常见，本句 "主语 + be + 过去分词 + 介词短语" 的结构是典型的被动句式，掌握后可大量迁移到新闻报道、学术文献等常见语境。

BLANKS & ANALYSIS • 选词填空题和解析

选词填空题和解析 · 26-35 题

本页 26-35 题的正确答案词与逐空解析由懒笔记按2025年12月·第1套 英语四级完形填空（选词填空）原卷词库逐空核对整理。与试卷排版同一卷面：Directions、3 段带空短文（每段之后紧随中文翻译）与 15 词共享词库连续排印；卷面下方逐空紧跟解析——该空词性、原文定位句、正确词与锁定依据，以及同词性被淘汰竞争词的逐个归因。

真题卷第1套(2025-12) • 英语四级

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

People tend to want as many choices as possible. They believe this will maximize their 26 of making the best decision. But research shows that, when it comes to actually making a 27 from all of these choices, people can become 28 and avoid making a decision altogether. Even worse, when people finally do decide, they are generally less satisfied with their decision and feel more regretful over whatever choice they made.

人们往往希望有尽可能多的选择。他们认为这将最大化他们做出最佳决策的机会。但研究表明，当真正要从所有这些选择中做出选择时，人们可能会感到困惑并完全避免做决定。更糟糕的是，当人们最终做出决定时，他们通常对自己的决定不太满意，并对他们所做的任何选择感到更加后悔。

Why does this happen? Research shows that when people choose from many options, they 29 more in the decision, but feel less confident in their ability to decide well. In other words, when we are 30 with more choices, making the "right" or "correct" decision begins to feel more 31 and, at the same time, more difficult to do. This may contribute to the deep fear that we will make the wrong decision.

为什么会发生这种情况？研究表明，当人们从许多选项中进行选择时，他们在决策上投入更多，但对自己做出正确决定的能力却感到不那么自信。换句话说，当我们面临更多选择时，做出“正确”或“恰当”的决定开始变得更加关键，同时也更加难以做到。这可能导致我们深深担心会做出错误的决定。

How can we solve this problem? I believe this fear could be tempered by putting decisions into perspective. It might help to remember that many of the choices you make, such as what to have for lunch, will not 32 much in the future and that, even more important choices, like accepting a new job, can 33 be changed. It could also help to 34 these situations with clear guidelines and

ideas of what you want from the 35 of options, which can narrow the possible choices, and also make you more confident about your ability to make the right decision.

我们如何解决这个问题?我认为通过正确看待决策可以缓解这种恐惧。记住你所做的许多选择, 比如午餐吃什么, 在未来不会有太大影响, 可能会有所帮助; 而且, 即使是更重要的选择, 比如接受一份新工作, 最终也是可以改变的。在这些情况下, 带着明确的指导方针和你想从一系列选项中获得什么的想法进入, 也可能会有所帮助, 这可以缩小可能的选择范围, 也会让你对自己做出正确决定的能力更有信心。

| D) confused | L) regular |
| E) crucial | M) seize |
| F) deposited | N) selection |
| G) enter | O) ultimately |
| H) invest | |

26. They believe this will maximize their __(26)__ of making the best decision.

【答案】 **C) chance** (名词)

【词性槽】 形容词 their 物主代词后 + of 短语, 名词性短语中心词

【依据】 **chance of doing sth = 做.....的可能性**

原句意为「他们相信这样能最大化做出最佳决定的可能性」, maximize the chance of doing sth 是非常稳定的搭配, C 完美契合。

【竞争词】 B) case case of doing 不是「可能性」

case 表示「案例、情况」, maximize their case of making 既不成搭配, 也与「最大化可能性」的语义不符。

N) selection selection 表「选择动作/选出物」, 与 maximize 不搭

selection of making the best decision 语义混乱(做最佳决定本身不是「被选出物」), 且 N 在 27 题处与 making a ___ 搭配更稳, 应留给 27 题。

27. making a __(27)__ from all of these choices

【答案】 **N) selection** (名词)

【词性槽】 不定冠词 a 后 + from 短语前，名词作宾语

【依据】 **make a selection from = 从.....中做出选择**

make a selection 是英语里表「做出一次选择」的高频搭配，from all of these choices 表「从所有这些选项中」，正好契合 when it comes to actually making a __(27)__ from all of these choices 想表达的「真要在这些选项里挑一个」。

【竞争词】 B) case **make a case** 义为「论证、辩护」，方向跑偏

make a case for sth 表「为某事辩护、提出论据」，与「从一堆选项里挑一个」的语义完全不沾边。

28. people can become __(28)__ and avoid making a decision altogether

【答案】 **D) confused** (形容词)

【词性槽】 become 后接形容词/过去分词作表语

【依据】 **confused = 困惑、不知所措，正好引出「干脆不决定」**

people can become __(28)__ and avoid making a decision altogether, 「变得困惑 → 索性不做决定」是顺承的因果，confused 描述心理状态贴合上文 when it comes to actually making a __(27)__ from all of these choices 的为难感。

【竞争词】 E) crucial 义为「重要的」，与「不做决定」矛盾

若代入「become crucial」=「变得重要」，与并列动作「干脆不做决定」逻辑相反，明显方向错位；且 E 更适合后面 31 题描述「决定本身变得重要」。

L) regular 义为「定期的、常规的」，与心理状态不沾边

regular 描述事物的频率/规律，「become regular」（变得规律）与本句心理负担的语境毫无关系。

29. when people choose from many options, they __(29)__ more in the decision, but feel less confident in their ability to decide well

【答案】 **H) invest** (动词)

【词性槽】 主语 people 后缺谓语，且与 feel less confident 并列

【依据】 **invest more in sth = 在.....上投入更多**

they __(29)__ more in the decision 想说「在这个决定上投入更多（精力/心思）」，invest more in sth 是固定搭配，与下文 but feel less confident 形成「投入更多 → 反而更没信心」的转折，是文章解释「选择悖论」的关键句。

【竞争词】 **G) enter enter in 不成搭配**

enter 通常直接接宾语 (enter a room) 或接 into，没有 enter more in the decision 的说法；语义上也无法表达「投入精力」。

I) matter matter 是不及物动词「要紧」，不能接 more in

matter 表「要紧」时句式是「sth matters」，不可说「they matter more in the decision」；且 I 的「要紧」义应留给 32 题。

M) seize seize 是「抓住」，常与机会搭配，与「投入更多」不符

seize the chance/opportunity 是常用搭配，seize more in the decision 既不成搭配也不合语义。

【易错】 最具迷惑性的错误词是 **F)** —— F deposited 与 H invest 都跟「投入」沾边，最迷惑。

they __(29)__ more in the decision，考生看到 deposited 也有「存放、投入」之意会犹豫；防坑：先看形态——will/they 现在时后只能接动词原形，deposited 直接淘汰；再看搭配——invest in 才是正解。

30. when we are __(30)__ with more choices

【答案】J) presented 形容词

【词性槽】be 动词 are 后 + 介词 with, 典型「be + 形容词 + with」结构

【依据】be presented with 是固定搭配, 表「被给予/面对.....」

when we are __(30)__ with more choices 要表达「当我们被给予/面对更多选择时」, be presented with sth 正是英语里表「被呈上/面对某物」的标准搭配, 与下文 making the "right" or "correct" decision begins to feel more __(31)__ 形成「面对多选 → 决定显得更重要」的因果链。

【竞争词】D) confused confused with 表「把.....与.....搞混」, 方向反了, 且已被 28 题用走

confused 形容人 confused by/about 才地道, confused with 多用于「把 A 和 B 搞混」(confuse A with B), 与本句「面对更多选择」语义不符; 并且按解题顺序 D 已先被 28 题 people can become __(28)__ 用走, 不可再选。

E) crucial 义为「至关重要的」, 与 with 不搭

crucial 后通常接 to/for/in, 没有 be crucial with 的用法; 意思也偏离「面对更多选择」的语境。

L) regular 义为「定期的、常规的」, 与上下文无关

regular 与「面对更多选择」毫无语义勾连, be regular with 也不构成本句所需的「面对/被给予」之意。

31. making the "right" or "correct" decision begins to feel more __(31)__ and, at the same time, more difficult to do

【答案】E) crucial 形容词

【词性槽】feel + more + 空, feel 后接形容词作表语

【依据】和 difficult 并列: 决定既「显得更重要」又「更难做」

feel more __(31)__ and, at the same time, more difficult to do 用 and 连接两个并列形容词, crucial (重要的) 与 difficult (困难的) 一起描绘「正确决定变得既重要又难做」, 正好引出下文 the deep fear that we will make the wrong decision 的「深深的恐惧」。

【竞争词】L) regular 义为「常规的」, 与「深深的恐惧」逻辑不通

若说「正确决定显得更常规、更难做」既自相矛盾(常规的事不该难), 也无法解释下文为何会引出「害怕选错」的恐惧。

32. many of the choices you make, such as what to have for lunch, will not __(32)__ much in the future

【答案】 I) **matter** (动词)

【词性槽】 助动词 not 后 + 副词 much, 需要动词原形

【依据】 **matter much = 关系重大、要紧**

many of the choices you make, such as what to have for lunch, will not __(32)__ much in the future 想说「你做的很多选择, 比如午餐吃什么, 将来不会有什么要紧的」, will not matter much 是常见表达, 与作者主张「把选择放进合适视角」的对策正相呼应。

【竞争词】 M) **seize** **seize** 是及物动词, 与不及物结构不符

seize 后通常接具体宾语 (机会、权力), will not seize much in the future 既缺宾语也不合「不重要」之意。

33. even more important choices, like accepting a new job, can __(33)__ be changed

【答案】 O) **ultimately** (副词)

【词性槽】 情态动词 can 后 + 被动语态 be changed 前, 副词作状语

【依据】 **ultimately** 表「最终归根到底」, 弱化决定的不可逆感

even more important choices, like accepting a new job, can __(33)__ be changed 想说「就算是接受新工作这种更重要的选择, 归根到底也是可以变的」, 与上句 will not __(32)__ much in the future 共同构成「把选择放进合适视角」的两条理由。

【竞争词】 A) **approximately** **approximately** 表「大约」, 修饰数字而非动作

approximately 用来修饰数量 (approximately 100 people), 用在 can approximately be changed 既语义不通, 也与「最终也可以改」的安抚作用不符。

34. It might help to remember that ... It could also help to __(34)__ these situations with clear guidelines and ideas

【答案】 **G) enter** (动词)

【词性槽】 并列 to + 空，需动词原形；与上句 to remember 并列

【依据】 **enter these situations with ... = 带着.....进入这些情境**

to __(34)__ these situations with clear guidelines and ideas of what you want, 「带着清晰的指引和想法去进入/着手这些情境」, enter a situation with sth 是地道说法, 表「以某种状态/准备去面对一个局面」, 与下文 which can narrow the possible choices 形成「带着准备进入 → 缩小可能选项」的因果链。

【竞争词】 **M) seize** seize 是「抓住、夺取」, 对象多为机会/权力

seize these situations 表「抓住/夺取这些情境」语义生硬, 且与 with clear guidelines 这种「带着方法论」的伴随状语搭不上——seize 强调瞬间、强力的占有, 不是「带着准备去面对」。

【易错】 最具迷惑性的错误词是 **M)** —— seize these situations 单看也通, 最难分辨。to __(34)__ these situations with clear guidelines, 「抓住这些情境」看似有力, 但 seize 强调强力夺取、对象多为机会; 防坑: 联读伴随状语 with clear guidelines and ideas, 作者要的是「带着方法论从容进入」, enter 才是对的动作气质。

35. what you want from the __(35)__ of options

【答案】 **K) range** (名词)

【词性槽】 定冠词 the 后 + of 短语, 典型「冠词+名词+of...」结构

【依据】 **a range of / the range of options 是固定搭配, 意为「一系列选项」**

原句 from the __(35)__ of options 想表达「从这一系列选项中挑出你想要的」, range of options 是英语里非常稳定的搭配, 正好对应。这也呼应了第一段 as many choices as possible 所说的「众多选项」。

【竞争词】 **B) case** case of options 不成搭配

case 常见的是 in case of、a case of (一箱/一例), 不能用 the case of options 表示「一系列选项」, 语义和搭配都不通。

C) chance 意为「机会」, 与「一组选项」错位, 且已被 26 题用走

chance 意为机会、可能性, the chance of options 既不是固定搭配, 也不符合「从众多选项里选」的语义; 而且按解题顺序它早已在 26 题被先用掉。

N) selection 义近但要留给 27 题的「做出一次选择」

selection 也能表「一组选择」, 但本篇 27 题 making a __(27)__ from all of these choices 与 make a selection (做出选择) 搭配更紧、更不可替代, 应优先把 N 留给 27 题; 35 题用 range 反而最稳。

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A–O)，为 10 个空各选一个、每词最多用一次。
下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **approximately** 副词

大约，大致

干扰词 · 未选用

B) **case** 名词

案例；情况

干扰词 · 未选用

C) **chance** 名词

机会；可能性

用于第 26 空

M) **seize** 动词

抓住, 夺取

干扰词 · 未选用

N) **selection** 名词

选择, 挑选 (动作或结果)

用于第 27 空

O) **ultimately** 副词

最终, 归根到底

用于第 33 空

全文主旨

选择越多越难选、越后悔, 把决定放进合适视角去化解

文章一开头就把话题立住: People tend to want as many choices as possible., 但紧接着指出选择多反而带来困扰——people can become __(28)__ and avoid making a decision altogether; 第二段问 Why does this happen? 解释心理机制; 第三段问 How can we solve this problem? 给出策略。整篇是一个完整的「现象—原因—对策」三段式说理文。

DISTRACTORS · 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边, 却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

A) **approximately** 最像 33 题——副词只剩 A 和 O 两个

33 题 can __(33)__ be changed 词性锁死副词, approximately 看似也能塞, 但它修饰数字而非动作, 识破方法: 副词题先问「修饰的是数字、频率还是动作/整句」。

B) **case** 最像 26/27 题——名词, 常见搭配多

case 可作 in case / a case of, 但和 maximize the ___ of doing、make a ___ from 都不构成本篇语义; 识破方法: 把 case 代回去后读半句, 凡感觉「意思绕、搭配怪」的就是陷阱。

F) **deposited** 最像 29 题——动词，且以 -ed 结尾像被动

29 题 they __(29)__ more in the decision 缺谓语，看起来 deposited 形态像 invest 的近义词「投入/存放」，但它必须是过去式或过去分词，与 they 现在时不合，也无法表达「投入精力」；识破方法：先核形态再核语义。

L) **regular** 最像 28/31 题——形容词，且单词常见

regular 看似温和无害，但放进 people can become __(28)__ 或 feel more __(31)__ 都解释不通；识破方法：形容词题先定情感色彩，regular 不带情感色彩与这两个空的语境不匹配。

M) **seize** 最像 34 题——动词原形，且义为「抓住」气场强

34 题 to __(34)__ these situations 单看「抓住这些情境」也像对，但 seize 强调瞬间夺取，与 with clear guidelines and ideas 的「从容应对」气质冲突；识破方法：把宾语 + 伴随状语一起读，看动作气质对不对。

SENTENCE INSIGHTS • 句子精讲

7 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

People tend to want as many choices as possible.

第1段，第1句

简单句在各类考试中出现频率不高，tend to do 结构虽然常见，但作为练习句的典型性一般。as...as possible 这类程度修饰结构有一定代表性，但整体句式过于简单，不足以代表四六级或考研真题中常见的复杂句式。

But research shows that, when it comes to actually making a selection from all of these choices, people can become confused and avoid making a decision altogether.

第1段，第3句

主句加宾语从句、从句内部嵌套状语从句的结构是考试阅读中常见的句式，宾语从句内并列谓语和插入状语也是典型考点，掌握后可复用到大量真题长难句

Even worse, when people finally do decide, they are generally less satisfied with their decision and feel more regretful over whatever choice they made.

第1段，第4句

时间状语从句 + 主句带并列谓语 + 宾语从句嵌套,这种结构在四六级和考研阅读中较为常见。并列系动词结构、whatever 引导宾语从句、比较级形容词作表语等都是高频考点,练习此句对掌握常考句式有较高迁移价值。

In other words, when we are presented with more choices, making the "right" or "correct" decision begins to feel more crucial and, at the same time, more difficult to do.

第2段，第3句

这个句式高度典型:时间状语从句置于主句主语和谓语之间造成分隔、动名词短语作主语、系动词"begin"后接不定式作表语,都是四六级和考研阅读中的常见结构。掌握后可迁移到大量类似句子。

This may contribute to the deep fear that we will make the wrong decision.

第2段，第4句

本句涵盖主语、情态动词谓语、介词宾语(含名词短语和同位语从句)等多种成分,同位语从句的识别和划分是常见易错点,从句内部又有完整的主谓宾结构,成分种类丰富,训练价值较高

It might help to remember that many of the choices you make, such as what to have for lunch, will not matter much in the future and that, even more important choices, like accepting a new job, can ultimately be changed.

第3段，第3句

形式主语结构、及物动词后接并列宾语从句、名词后接定语从句修饰,这些都是四六级和考研阅读中的高频句式。句子长度适中,结构层次清晰,非常适合作为典型例句帮助学生掌握常考的从句嵌套和并列模式。

It could also help to enter these situations with clear guidelines and ideas of what you want from the range of options, which can narrow the possible choices, and also make you more confident about your ability to make the right decision.

第3段，第4句

句子覆盖多种成分：形式主语、真正主语（不定式短语）、情态动词谓语、并列谓语、宾语从句、宾语补足语、定语从句、状语等。特别是形式主语结构、宾语从句嵌套在介词短语中、并列谓语共用情态动词、宾补结构等都是常见易错点，适合作为成分划分的综合练习句。

信息匹配题和解析·36-45 题

本页 36-45 题的段落匹配答案与逐句解析由懒笔记基于2025年12月·第1套 英语四级长篇阅读（信息匹配）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 15 段字母标号长文（逐段附中文翻译）；之后 10 句陈述逐句排列，每句英文陈述后紧接本句解析——陈述句中译、信息所在段落、锚点强弱、定位句中英对照、陈述句与原文的同义改写对照与易混相邻段辨析。

真题卷第1套(2025-12) • 英语四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

The battle over bike lanes needs a mindset shift

A) Five years ago, the city of Queens, New York, announced that it would be putting bike lanes onto a stretch of Skillman Ave — and removing 116 parking spots. Cyclists loved the plan, but local business owners got very angry. Taking out those parking spots, as they argued at protests and in letters to the city council, would ruin stores and restaurants along Skillman. "Parking here is already a nightmare," one shouted at a protest rally.

五年前,纽约市皇后区宣布将在Skillman大道的一段路上设置自行车道,并移除116个停车位。骑行者很喜欢这个计划,但当地商家却非常愤怒。正如他们在抗议活动和致市议会的信件中所说,移除那些停车位会毁掉Skillman大道沿线的商店和餐馆。"这里停车已经是一场噩梦了,"一个人在抗议集会上大喊。

B) But the bike lanes were a done deal, and soon they were in place. Early this year, Jesse Coburn — an investigative writer with Streetsblog New York — wondered whether those predictions of economic collapse came true. So he asked the city's Department of Finance to give him a few years' worth of sales figures for that stretch of Skillman Ave. How had the businesses on that street fared?

但自行车道已成定局,很快就建成了。今年早些时候,Jesse Coburn——Streetsblog New York的调查记者——想知道那些经济崩溃的预言是否成真。于是他请市财政部门提供Skillman大道那一段几年的销售数据。那条街上的商家经营情况如何?

C) Quite well, it turns out. In the year after the bike lanes arrived, businesses on Skillman saw sales rise by 12 percent, compared to 3 percent for Queens in general. What's more, that section of road

saw new businesses open, while Queens overall had a net loss.

结果相当不错。在自行车道建成后的第一年,Skillman大道上的商家销售额增长了12%,而整个皇后区只增长了3%。而且,那段道路上有新商家开业,而整个皇后区则净减少。

- D) The thing is, the actual merchants along Skillman? They didn't believe it. When Coburn spoke to them and described what he'd found, only a few store owners admitted the lanes had helped. Many still insisted the lanes were killing their part of the city. And emotions ran hot: Someone scattered tacks(大头钉) on the bike lane.

问题是,Skillman大道上的实际商家呢?他们不相信。当Coburn与他们交谈并描述自己的发现时,只有少数几位店主承认自行车道有帮助。许多人仍然坚称自行车道正在扼杀他们这片城区。情绪很激烈:有人在自行车道上撒了大头钉。

- E) This little story turns out to be a fascinating glimpse at the challenges cities face as they try to update their urban infrastructure — to clean up the air, reduce greenhouse emissions, and speed up travel by making towns more bike-friendly. There's a rising amount of data showing that installing bike lanes and making streets more pedestrian-friendly boosts the economic fortunes of a place. Removing cars and parking spots works. But the folks who run local businesses simply aren't convinced, even when their own street performs. Given that sort of mess, can political fights over bike lanes ever end?

这个小故事实际上是对城市在试图更新城市基础设施时所面临挑战的一个引人入胜的观察——为了净化空气、减少温室气体排放,并通过让城镇更适合骑行来加快出行速度。越来越多的数据表明,安装自行车道和让街道更适合行人能够促进一个地方的经济发展。移除汽车和停车位是有效的。但经营本地商业的人们就是不相信,即使是在他们自己的街道表现良好时也是如此。面对这种混乱局面,关于自行车道的政治斗争能够结束吗?

- F) In 2013, researchers at New York City's Department of Transportation studied seven stretches of road that had installed bike lanes or created pedestrian-friendly areas. The city analyzed the data for businesses along those routes and found that by the third year, sales grew faster on five of the streets than in the district overall, on average — up to five times faster, in fact.

2013年,纽约市交通部门的研究人员研究了七段安装了自行车道或创建了行人友好区域的道路。该市分析了这些路线沿线商家的数据,发现到第三年,七条街道中有五条的销售增长速度快于整个区域的平均水平——实际上快了多达五倍。

- G) Beyond New York, a survey of research from 23 cities found that bike lanes and pedestrian-friendly design didn't hurt local retail and food stores. ("Fears of disastrous consequences for local businesses are unfounded," the researchers concluded.) More recent work has shown roughly the same.

在纽约之外,一项对23个城市的研究调查发现,自行车道和行人友好设计并没有损害当地零售和食品店。(研究人员得出结论:"对当地商业造成灾难性后果的担忧是没有根据的。")更近期的研究也显示了大致相同的结果。

- H) The truth is that in fairly dense areas, bikes are more efficient at moving people around. You might lose one car driver's business — but you gain shoppers who now can arrive more easily on bikes. "Cyclists and pedestrians are consumers too," notes Professor Susan Handy. Plus, streets redesigned

for bikes and pedestrians tend to become more pleasant places to hang around, so "in a lot of cases, that's created much nicer environments that are really good for those businesses."

事实是,在相当密集的地区,自行车在运送人员方面更高效。你可能会失去一位开车司机的生意——但你会获得现在可以更轻松地骑车到达的购物者。"骑行者和行人也是消费者,"Susan Handy教授指出。此外,为自行车和行人重新设计的街道往往会变成更宜人的闲逛场所,所以"在很多情况下,这创造了非常好的环境,对那些商家真的很有利。"

- I) Mom-and-pop shops are usually pretty quick at recognizing situations that will help their bottom lines. So why the blind spot here? Perhaps it's that attention focuses on horror stories — and some merchants do get hit when bike lanes come in.

夫妻店通常对有助于提高利润的情况反应很快。那么为什么这里会有盲点呢?也许是因为注意力集中在了恐怖故事上——而且确实有些商家在自行车道建成时受到了冲击。

- J) I spoke to Cindy Hughes, a hairdresser(理发师) in Cambridge, Massachusetts. She said business fell by at least 40 percent when the city removed nearby parking to put in a bike lane. The majority of her customers drive, with many coming from nearby towns. Only a very few have shifted to cycling, and even those almost certainly won't cycle in Boston's snowy winters. So while Hughes supports bike lanes — "cyclists deserve to be safe" — she sees the parking loss as an existential risk. "Look, 90 percent of my customers drive," she told me. "For our business, the bike lanes are way worse than Covid was."

我采访了马萨诸塞州剑桥市的理发师Cindy Hughes。她说,当市政府移除附近的停车位来建造自行车道时,生意下降了至少40%。她的大多数顾客开车来,许多人来自附近的城镇。只有极少数人改骑自行车,而且即使是那些人,在波士顿下雪的冬天几乎肯定也不会骑车。因此,虽然Hughes支持自行车道——"骑行者应该得到安全保障"——但她认为停车位的损失是一个生存风险。"你看,我90%的顾客都开车,"她告诉我。"对我们的生意来说,自行车道比新冠疫情还要糟糕得多。"

- K) For others, the pushback is cultural, says Henry Grabar, a writer for the Slate Magazine. Small business owners are frequently drivers who commute from other parts of the city by car, Grabar points out. They're also often longtime locals. "They tend to be people with deep roots in the city, who have hung around since before the neighborhood became what it is today," he adds. Driving around town in a car is so normal to them that cycling seems weird and unusual — despite its boost from Covid, when bike sales exploded by 75 percent.

对其他人来说,这种抵制是文化性的,Slate杂志的作家Henry Grabar说。小商家经常是开车从城市其他地区通勤的司机,Grabar指出。他们也往往是长期的本地人。"他们往往是在这座城市根深蒂固的人,在社区变成今天这样之前就一直待在这里,"他补充道。开车在城里转对他们来说太正常了,以至于骑自行车看起来怪异而不寻常——尽管骑行在新冠疫情期间得到了提振,当时自行车销量激增了75%。

- L) Psychology beats all! Who knew, right? The fierce divide between store owners and bike-lane advocates seems similar to our larger culture wars over climate change. If we've learned anything about culture wars, it's that data isn't much good at changing minds.

心理战胜一切!谁知道呢,对吧?店主和自行车道倡导者之间的激烈分歧似乎类似于我们围绕气候变化的更大文化战争。如果说我们从文化战争中学到了什么,那就是数据在改变人们的想法方面并不是很有用。

- M) When Janette Sadik-Khan was the head of New York City's Transportation Department back in the early 2000s, she oversaw a rollout(推出) of bike lanes — and got angry blowback from residents and business owners who claimed there weren't enough cyclists to justify installing lanes. Now, she notes ironically, the lanes are so full of activity that opponents have turned to claiming the problem is the opposite: There are too many cyclists getting in the way of cars.

当Janette Sadik-Khan在2000年代初担任纽约市交通部门负责人时,她监督了自行车道的推出——并遭到了居民和商家的愤怒反弹,他们声称没有足够的骑行者来证明安装车道的合理性。她讽刺地指出,现在这些车道充满了活动,反对者转而声称问题恰恰相反:有太多骑行者妨碍汽车了。

- N) Maybe bike lanes will always be charged with emotion, until enough of the public is finally concerned about climate change — and it seems reckless(鲁莽的) to not have them.

也许自行车道将永远充满情绪化色彩,直到足够多的公众最终关注气候变化——而不设置自行车道似乎是鲁莽的。

- O) Crises, after all, have a way of opening people's eyes to possibilities. During Covid, restaurants and cafés lost so much business that cities nationwide began allowing them to build curbside seating areas where people could sit, safely, in the open air. It greatly reduced parking — but because, well, shop owners didn't see any way around it. Customers loved the outdoor seating so much that cities are making it permanent: A New York City study of several streets closed during Covid found storeowners making more than before, and diners enjoying the outdoor lifestyle. If data won't change minds, customers might.

毕竟,危机有一种让人们看到可能性的方式。在新冠疫情期间,餐馆和咖啡馆损失了太多生意,以至于全国各地的城市开始允许它们建造路边座位区,人们可以在那里安全地坐在露天。这大大减少了停车位——但因为,嗯,店主看不到其他办法。顾客非常喜欢户外座位,以至于城市正在将其永久化:纽约市对新冠疫情期间封闭的几条街道的研究发现,店主的收入比以前更高,就餐者也享受户外生活方式。如果数据不能改变想法,顾客或许可以。

陈述句与逐句解析

36. An increasing amount of data indicates that installing bike lanes raises local business revenues.

越来越多的数据表明,安装自行车道会提高当地商业收入。

【答案】 E 段 (弱锚点)

【锚点】 increasing amount of data + raises local business revenues

【定位】 There's a rising amount of data showing that installing bike lanes and making streets more pedestrian-friendly boosts the economic fortunes of a place.

越来越多的数据表明,铺设自行车道与让街道更适合步行,能拉升一个地方的经济运势。

【改写】 An increasing amount of data indicates ↔ **There's a rising amount of data showing**
increasing↔rising、indicates↔showing 同义替换

installing bike lanes raises local business revenues ↔

installing bike lanes and making streets more pedestrian-friendly boosts the economic fortunes of a place

raises↔boosts 同义、local business revenues↔economic fortunes 上位概括

【辨邻】 **G** a survey of research from 23 cities 是一次性的综述结果,而题干 An increasing amount of data 强调的是数据在不断增多的'势',语义重心不同。

a survey of research from 23 cities found that bike lanes and pedestrian-friendly design didn't hurt local retail and food stores

F In 2013, researchers at New York City's Department of Transportation studied seven stretches of road 是单次、具体的研究,不承担'数据日益增多'这一总括语义。

by the third year, sales grew faster on five of the streets than in the district overall

37. According to a magazine writer, some small business owners' resistance to bike lanes arises from cultural factors.

据一位杂志撰稿人称,一些小企业对自行车道的抵制源于文化因素。

【答案】 **K** 段 (强锚点)

【锚点】 a magazine writer + cultural factors

【定位】 For others, the pushback is cultural, says Henry Grabar, a writer for the Slate Magazine.
Slate 杂志撰稿人 Henry Grabar 表示,对另一些商户来说,这种抵触是文化层面的。

【改写】 According to a magazine writer ↔ **says Henry Grabar, a writer for the Slate Magazine**
具体人名→类指身份的概括

some small business owners' resistance to bike lanes arises from cultural factors ↔

For others, the pushback is cultural

形容词→名词化、resistance↔pushback 同义

【辨邻】 **J** she sees the parking loss as an existential risk 强调的是经济上的生存威胁,与'文化'无关。

For our business, the bike lanes are way worse than Covid was

L Psychology beats all 与 culture wars over climate change 虽都和'文化'相关,但没有引用任何具名杂志撰稿人,不满足 According to a magazine writer 的来源限制。

The fierce divide between store owners and bike-lane advocates seems similar to our larger culture wars over climate change

38. A stretch of Skillman Ave witnessed not only a big increase in sales but also the opening of new businesses.

Skillman大道的一段路不仅见证了销售额的大幅增长,还见证了新商家的开业。

【答案】 C 段 (强锚点)

【锚点】 Skillman Ave + 销售大增 + 新店开张

【定位】 In the year after the bike lanes arrived, businesses on Skillman saw sales rise by 12 percent, compared to 3 percent for Queens in general. What's more, that section of road saw new businesses open, while Queens overall had a net loss.

自行车道铺设后的一年里,Skillman 沿街商户的销售上涨了 12%,相比之下整个皇后区只涨了 3%;不仅如此,这一段路还有新店开张,而皇后区整体出现净减少。

【改写】 A stretch of Skillman Ave witnessed not only a big increase in sales ↔

businesses on Skillman saw sales rise by 12 percent

动词名词化 + 具体数字→概括程度

but also the opening of new businesses ↔ **that section of road saw new businesses open**

动词 open 名词化为 the opening

【辨邻】 A would ruin stores and restaurants along Skillman 是事前的'担忧将来时',与题干 a big increase in sales 的事后正面结果方向相反。

Taking out those parking spots, as they argued at protests and in letters to the city council, would ruin stores and restaurants along Skillman

B asked the city's Department of Finance to give him a few years' worth of sales figures for that stretch of Skillman Ave 只是记者去要数据的过程,不承载具体增长数据与新店信息。

How had the businesses on that street fared?

D Many still insisted the lanes were killing their part of the city 是商户的主观坚持,不是题干要求的'销售大增 + 新店开张'两件并列事实。

only a few store owners admitted the lanes had helped

39. When people have no way out in crises, they are more likely to embrace changes.

当人们在危机中无路可走时,他们更有可能接受变革。

【答案】 O 段 (强锚点)

【锚点】 no way out in crises + embrace changes

【定位】 Crises, after all, have a way of opening people's eyes to possibilities.

危机毕竟有它的办法,能让人睁开眼睛看到新的可能性。

【改写】 When people have no way out in crises ↔

During Covid, restaurants and cafés lost so much business that cities nationwide began allowing them to build curbside seating areas

危机举例 + no way out 来自下文支撑

they are more likely to embrace changes ↔

Crises, after all, have a way of opening people's eyes to possibilities

embrace changes ↔ opening eyes to possibilities 同义

【辨邻】 **N** until enough of the public is finally concerned about climate change 的触发条件是'公众担忧气候变化',与题干 in crises 不同。

Maybe bike lanes will always be charged with emotion, until enough of the public is finally concerned about climate change

40. According to one survey, city design with bike lanes and pedestrian space did not negatively impact local businesses.

根据一项调查,带有自行车道和行人空间的城市设计并未对当地商业产生负面影响。

【答案】 **G** 段 (强锚点)

【锚点】 one survey + did not negatively impact

【定位】 Beyond New York, a survey of research from 23 cities found that bike lanes and pedestrian-friendly design didn't hurt local retail and food stores.

把视野放到纽约以外,一项汇总了 23 个城市研究的调查发现,自行车道与步行友好设计并未损害本地零售与餐饮店。

【改写】 According to one survey ↔ **a survey of research from 23 cities**

one survey ↔ a survey 同义

city design with bike lanes and pedestrian space did not negatively impact local businesses ↔

bike lanes and pedestrian-friendly design didn't hurt local retail and food stores

didn't hurt ↔ did not negatively impact、retail and food ↔ local businesses 上位

【辨邻】 **F** by the third year, sales grew faster on five of the streets than in the district overall 是 study 的正向增长结论,与题干 did not negatively impact 的否定式中性结论语气不一致。

researchers at New York City's Department of Transportation studied seven stretches of road

E There's a rising amount of data showing that installing bike lanes ... boosts the economic fortunes of a place 是趋势性表述,不是 one survey 所指的单次研究。

There's a rising amount of data showing that installing bike lanes and making streets more pedestrian-friendly boosts the economic fortunes of a place

41. Despite increased business activity on Skillman Ave, many store owners insisted the bike lanes were destroying their area.

尽管 Skillman 大道的商业活动有所增加,许多店主仍坚称自行车道正在摧毁他们的区域。

【答案】 **D** 段 (强锚点)

【锚点】 Skillman Ave + 商业其实增长 + 店主仍坚称车道毁了街区

【定位】 When Coburn spoke to them and described what he'd found, only a few store owners admitted the lanes had helped. Many still insisted the lanes were killing their part of the city.
当 Coburn 找店主、把自己的发现告诉他们时,只有少数店主承认车道帮了忙;许多人仍坚称车道正在毁掉他们所在的这一带。

【改写】 Despite increased business activity on Skillman Ave ↔

only a few store owners admitted the lanes had helped

让步从句概括前文事实

many store owners insisted the bike lanes were destroying their area ↔

Many still insisted the lanes were killing their part of the city

insisted 原样、killing↔destroying 同义、area↔part of the city 同义

【辨邻】 **A** would ruin stores and restaurants along Skillman 是 Five years ago 车道还没铺时的反对,A 段里没有 Despite increased business activity 这种'尽管商业活动增长'的事实背景。

Taking out those parking spots, as they argued at protests and in letters to the city council, would ruin stores and restaurants along Skillman

C businesses on Skillman saw sales rise by 12 percent 只讲数据,没讲店主的坚持态度,题干信息重心在 D。

businesses on Skillman saw sales rise by 12 percent

42. In a war of culture, data does not help much in changing people's minds.

在文化战争中,数据对改变人们的想法没有多大帮助。

【答案】 **L** 段 (强锚点)

【锚点】 war of culture + data does not help

【定位】 If we've learned anything about culture wars, it's that data isn't much good at changing minds.
如果说我们在文化战上学到了什么,那就是: 数据并不擅长改变人的想法。

【改写】 In a war of culture ↔ **our larger culture wars over climate change**

culture wars↔a war of culture 名词组顺序倒换

data does not help much in changing people's minds ↔ **data isn't much good at changing minds**
isn't much good at↔does not help much in 同义否定结构

【辨邻】 **O** If data won't change minds, customers might 的论述重心是'顾客'这条出路,且整段没有提到 culture war,不满足题干第一枚指纹。

If data won't change minds, customers might

43. A businesswoman said her business dropped sharply when parking space gave way to a bike lane, because most of her customers came by car.

一位女商人说,当停车位让位于自行车道时,她的生意急剧下滑,因为她的大多数顾客都是开车来的。

【答案】 **J** 段 (强锚点)

【锚点】 一位女商户 + 生意骤降 + 顾客多开车

【定位】 She said business fell by at least 40 percent when the city removed nearby parking to put in a bike lane. The majority of her customers drive, with many coming from nearby towns.

她说,当城市拆掉附近的停车位以铺设自行车道时,生意至少下降了 40%;她的大多数顾客都是开车来的,很多来自邻近城镇。

【改写】 A businesswoman said her business dropped sharply when parking space gave way to a bike lane ↔

She said business fell by at least 40 percent when the city removed nearby parking to put in a bike lane

hairdresser↔businesswoman、fell 40%↔dropped sharply、removed parking to put in a bike lane↔parking space gave way to a bike lane

because most of her customers came by car ↔ **The majority of her customers drive**
the majority↔most、drive↔came by car 同义

【辨邻】 **A** Parking here is already a nightmare, one shouted at a protest rally 是匿名群体抗议口号,不是题干 A businesswoman said 的具体个体讲述。

removing 116 parking spots

44. Local business owners on Skillman Ave argued that their businesses would be ruined when parking spots were replaced by bike lanes.

Skillman大道的当地企业主认为,当停车位被自行车道取代时,他们的生意将会被毁掉。

【答案】 **A** 段 (强锚点)

【锚点】 Skillman Ave + 店主担心被毁 + 停车位被换成自行车道

【定位】 Cyclists loved the plan, but local business owners got very angry. Taking out those parking spots, as they argued at protests and in letters to the city council, would ruin stores and restaurants along Skillman.

骑行者很喜欢这个方案,但当地商户非常愤怒;他们在抗议中、在写给市议会的信里都辩称,拆掉那些停车位会毁掉 Skillman 沿街的商店与餐馆。

【改写】 Local business owners on Skillman Ave argued that their businesses would be ruined ↔

local business owners got very angry. Taking out those parking spots, as they argued at protests and in letters to the city council, would ruin stores and restaurants along Skillman

local business owners 原样、argued 原样、ruin→be ruined 主被动换

when parking spots were replaced by bike lanes ↔

putting bike lanes onto a stretch of Skillman Ave — and removing 116 parking spots

putting in + removing→replaced by 概括同义

【辨邻】 D Many still insisted the lanes were killing their part of the city 表达事后的现在/过去进行时态,而题干 would be ruined 是事前将来时态。

Many still insisted the lanes were killing their part of the city

J Cindy Hughes, a hairdresser(理发师) in Cambridge, Massachusetts 明确发生地在 Cambridge,且 business fell by at least 40 percent 是事后实测,与题干 Skillman Ave 与事前担忧均不符。

business fell by at least 40 percent when the city removed nearby parking to put in a bike lane

45. People may find it more pleasant to wander around streets redesigned for cycling and walking.

人们可能会发现,在为骑行和步行而重新设计的街道上闲逛更加惬意。

【答案】 H 段 (强锚点)

【锚点】 more pleasant + wander/stroll + redesigned streets

【定位】 streets redesigned for bikes and pedestrians tend to become more pleasant places to hang around

为自行车和行人重新设计过的街道,往往变成让人更愿意逗留的宜人场所。

【改写】 People may find it more pleasant to wander around streets redesigned for cycling and walking ↔

streets redesigned for bikes and pedestrians tend to become more pleasant places to hang around

redesigned for bikes and pedestrians→redesigned for cycling and walking、hang around→wander around、more pleasant 原样

【辨邻】 E making streets more pedestrian-friendly boosts the economic fortunes of a place 重心在经济提升,不涉及题干 more pleasant to wander around 的体验感受。

installing bike lanes and making streets more pedestrian-friendly boosts the economic fortunes of a place

G bike lanes and pedestrian-friendly design didn't hurt local retail and food stores 讨论的是商业影响,不是题干所要的'更宜人逛街'体验。

Fears of disastrous consequences for local businesses are unfounded

15 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

- A 五年前纽约皇后区宣布在 Skillman 大道一段路上铺设自行车道、同时取消 116 个停车位;骑行者欢迎,但本地商户在抗议与致信市议会时强烈反对,认为会毁掉沿街商店与餐馆。

信息指纹 五年前/Skillman/116 个停车位/商户抗议

- B 自行车道最终铺设落成;今年早些时候,调查记者 Jesse Coburn 想看看当年关于经济崩溃的预言是否成真,于是向市财政部索取了那段 Skillman 大道几年的销售数据。

信息指纹 记者 Jesse Coburn/向财政部索取销售数据

- C 数据显示这段 Skillman 商业表现良好:自行车道铺设后一年,沿街商户销售额上涨 12%,而皇后区总体仅 3%;此外这一段还有新店开张,而皇后区整体出现净减少。

信息指纹 销售增长 12% 对比皇后区 3%/新店开张

- D 尽管数据漂亮,Skillman 商户却不相信;记者 Coburn 转述结果时只有少数承认有帮助,许多人仍坚称车道在毁掉这一带;情绪激烈,甚至有人在车道上撒大头钉。

信息指纹 商户不信数据/在车道撒大头钉

- E 这段小故事折射出城市更新基础设施时面临的挑战;有越来越多的数据显示自行车道与步行友好设计能拉升当地经济,但本地商户即便看到自家街道表现好仍不买账,争议恐难平息。

信息指纹 数据日益增多证明自行车道拉升经济

- F 2013 年纽约市交通局研究了七段铺设了自行车道或改造为步行友好区域的路段,发现到第三年这些路段中有五条的销售增速超过整个商圈平均水平,最高达五倍。

信息指纹 2013 年纽约交通局/7 段路、5 段销售更快、最高 5 倍

- G 把视野扩大到纽约以外,一项汇总了 23 个城市研究的调查表明自行车道与步行友好设计并未损害本地零售与餐饮;近来的研究结论大致相同。

信息指纹 23 个城市综述/未损害本地零售餐饮

H 在较密集的市区,自行车搬运人的效率比车更高;可能少一个开车顾客,却多了能更便利骑车而来的购物者;Susan Handy 教授指出骑行者和步行者也是消费者,且为自行车与行人重设的街道往往成为更宜人的逗留场所,反而利好商家。

信息指纹 Susan Handy/重设街道更宜人/更适合逗留

I 夫妻店通常对利好嗅觉敏锐,为何在这件事上有盲区?或许是注意力都聚焦在了'恐怖故事'上——确有一部分商户在自行车道进来时受到打击。

信息指纹 夫妻店盲区/聚焦恐怖故事

J Cambridge 一位理发师 Cindy Hughes 说,城市为铺设自行车道拆掉附近停车位后,她的生意下降了至少 40%;90% 顾客开车而来,她支持自行车道但视失去停车位为生存威胁。

信息指纹 理发师 Cindy Hughes/生意降 40%/90% 顾客开车

K Slate 杂志撰稿人 Henry Grabar 指出,有些抵触是文化层面的:小店主常是开车从城市其他地方通勤来的、且是本地老土著,开车对他们再正常不过,骑车显得怪异,即便疫情期间自行车销量飙升 75%。

信息指纹 Slate 撰稿人 Henry Grabar/抵触是文化层面

L 心理因素压倒一切;店主与骑行倡导者之间的对立,看起来很像更宏大的气候变化文化战;关于文化战,我们学到的是:数据并不擅长改变人的想法。

信息指纹 文化战/数据改变不了想法

M 2000 年代初任纽约市交通局长的 Janette Sadik-Khan 推开了一波自行车道建设,当时居民和店主以'骑车人不够多'反对;如今她讽刺地指出,反对者改口为'骑车人太多挡了车'。

信息指纹 Sadik-Khan/反对理由从'骑车人太少'反转成'骑车人太多'

N 或许自行车道议题将一直情绪化,直到大众真正开始担心气候变化、觉得不建自行车道反而鲁莽为止。

信息指纹 情绪化直到大众真正担心气候变化

0

危机会打开人的眼界: 疫情期间餐厅咖啡馆生意大跌,城市开始允许在路边搭设户外座位,虽然减少了停车位,但顾客大爱、城市决定永久保留;一项纽约的研究显示疫情封街期间店主反而赚更多——数据改变不了人心,顾客或许能。

信息指纹

危机睁开眼界/疫情催生路边户外座位

SENTENCE INSIGHTS • 句子精讲

26 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Cyclists loved the plan, but local business owners got very angry.

A段, 第2句

but 连接两个主句表达对比或转折是英语中非常常见且典型的并列句式, 在各类考试阅读理解中频繁出现, 掌握这种结构后可以迁移到大量类似句子。

Early this year, Jesse Coburn — an investigative writer with Streetsblog New York — wondered whether those predictions of economic collapse came true.

B段, 第2句

主句带宾语从句的结构在四六级和考研阅读中非常常见, whether 引导的名词性从句也是高频语法点。同位语的使用增加了句子的真实性和实用性。整体结构具有较高的代表性和可迁移性。

Quite well, it turns out.

C段, 第1句

it turns out 是英语中高频的惯用表达, 状语提前也是常见句式。虽然整体结构简单, 但这种"状语 + 形式主语 + 短语动词"的组合在真实语料中出现频率较高, 具有一定代表性。

What's more, that section of road saw new businesses open, while Queens overall had a net loss.

C段, 第3句

"see + 宾语 + 不带 to 的不定式" 和 "while" 引导的对比状语从句都是四六级和考研阅读中常见句式, 具有较强的代表性和可迁移性, 掌握后可应用于多种语境。

When Coburn spoke to them and described what he'd found, only a few store owners admitted the lanes had helped.

D段，第3句

句子结构高度典型：时间状语从句 + 主句 + 宾语从句的组合是四六级和考研阅读中的常见句式。过去完成时表示时间先后的用法也是考点。并列谓语和嵌套从句的搭配在真题中频繁出现，掌握这个句子的分析方法可以迁移到大量类似句型。

This little story turns out to be a fascinating glimpse at the challenges cities face as they try to update their urban infrastructure — to clean up the air, reduce greenhouse emissions, and speed up travel by making towns more bike-friendly.

E段，第1句

覆盖主谓表、主谓宾、定语从句、状语从句、不定式作宾语、并列不定式、介词短语、动名词等多种成分。定语从句省略关系代词是常考易错点，状语从句的嵌套位置和破折号后的并列结构也值得练习，成分种类丰富且含典型坑点。

But the folks who run local businesses simply aren't convinced, even when their own street performs.

E段，第4句

定语从句修饰主语、让步状语从句补充条件，这是四六级和考研阅读中常见的句式组合；"even when" 引导的让步结构也是高频考点；整体句式具有较强的代表性，掌握后可迁移到大量类似长句的理解中。

Given that sort of mess, can political fights over bike lanes ever end?

E段，第5句

情态动词引导的疑问句是四六级和考研阅读中的常见句式，介词短语作后置定语的结构也频繁出现。虽然本句较短，但其疑问句语序和情态动词用法具有较高的迁移价值，掌握后可应用于类似句型的分析。

The city analyzed the data for businesses along those routes and found that by the third year, sales grew faster on five of the streets than in the district overall, on average — up to five times faster, in fact.

F段，第2句

主句包含 "find that" 引导宾语从句的结构，以及比较级 "faster ... than" 的比较结构，这两种都是四六级和考研阅读中高频出现的句式。整句的信息呈现方式（先陈述行为，再通过从句给出发现的内容和比较）也符合学术和新闻语体的典型表达，具有较强的代表性和可迁移性。

"Cyclists and pedestrians are consumers too," notes Professor Susan Handy.

H段，第3句

本句包含倒装主句（谓语前置、主语后置）、直接引语作宾语从句、系表结构、并列主语等多种成分形式，能训练学生识别倒装句主干、区分引语与主句、理解系表结构，成分类型较丰富且有实用价值。

Plus, streets redesigned for bikes and pedestrians tend to become more pleasant places to hang around, so "in a lot of cases, that's created much nicer environments that are really good for those businesses."

H段，第4句

本句覆盖主语（含后置定语）、谓语（含不定式结构和完成时）、表语、宾语（含定语从句修饰）、状语（插入语）、定语从句内的主系表结构等多种成分。第一主句的后置定语、第二主句的代词主语和插入状语、定语从句的关系代词作主语等，均为常见易错点。成分种类丰富，适合作为划分练习句，训练价值较高。

The majority of her customers drive, with many coming from nearby towns.

J段，第3句

成分相对简单，主要包含主语、谓语和伴随状语。其中 with 独立主格结构（"with many coming from nearby towns"）具有一定训练价值，可帮助学生熟悉状语的识别和独立主格的用法。但整体成分种类不够丰富，缺少宾语、定语从句等常见易错点。

For others, the pushback is cultural, says Henry Grabar, a writer for the Slate Magazine.

K段，第1句

主系表结构是常见句式，句首介词短语状语和句尾插入语的组合在书面语中也时有出现，具有一定代表性，但整体结构过于简单，不如复杂句式在真题中出现频率高。

Small business owners are frequently drivers who commute from other parts of the city by car, Grabar points out.

K段，第2句

主系表结构加限定性定语从句的组合在四六级和考研阅读中高频出现,句末插入引述标记的写法也是学术文本和新闻报道的常见句式,学生掌握后可迁移到大量真题句型中

"They tend to be people with deep roots in the city, who have hung around since before the neighborhood became what it is today," he adds.

K段，第4句

覆盖主谓宾、主系表、定语从句、状语从句、表语从句等多种成分类型。非限制性定语从句中 who 作主语、表语从句中 what 兼做引导词和从句内部表语，都是值得练习的典型结构。嵌套层次丰富，适合训练成分识别能力。

Driving around town in a car is so normal to them that cycling seems weird and unusual — despite its boost from Covid, when bike sales exploded by 75 percent.

K段，第5句

so ... that 引导结果状语从句是四六级和考研高频考点,动名词作主语也是常考结构,非限制性定语从句补充说明likewise常见于真题长难句。整体句式在考试中代表性强,掌握后可迁移到大量类似句型

If we've learned anything about culture wars, it's that data isn't much good at changing minds.

L段，第4句

"If + 现在完成时" 引导条件状语从句、形式主语 it + 表语从句的结构都是考试高频句式。该句型在四六级和考研阅读中反复出现，掌握后可迁移到大量类似句子，典型性很高。

When Janette Sadik-Khan was the head of New York City's Transportation Department back in the early 2000s, she oversaw a rollout(推出) of bike lanes — and got angry blowback from residents and business owners who claimed there weren't enough cyclists to justify installing lanes.

M段，第1句

本句涵盖时间状语从句、并列谓语、双宾语结构、限制性定语从句、宾语从句、不定式作目的状语等多种成分和结构，成分种类较丰富。定语从句与宾语从句的嵌套、there be 结构的主语识别、不定式状语的判断等都是常见易错点，适合作为成分划分的训练材料。

Now, she notes ironically, the lanes are so full of activity that opponents have turned to claiming the problem is the opposite: There are too many cyclists getting in the way of cars.

M段，第2句

句子成分丰富且含多个训练价值点：插入语的识别与跳过、“so...that”结构中状语从句的定位、动名词短语作宾语、省略that的宾语从句、同位语从句与定语从句的区分、“There be”存在句的主语识别、现在分词作后置定语。这些都是考试常考易错点，适合作为成分划分练习句。

Maybe bike lanes will always be charged with emotion, until enough of the public is finally concerned about climate change — and it seems reckless(鲁莽的) to not have them.

N段，第1句

句子成分丰富，涵盖主语、谓语、状语（方式状语、时间状语）、表语等多种成分。第一个主句的被动结构和时间状语从句、第二个主句的形式主语和真正主语，都是值得训练的重点。尤其是形式主语“it”和不定式作真正主语的结构，是常见易错点，训练价值较高。

Crises, after all, have a way of opening people's eyes to possibilities.

O段，第1句

"have a way of doing"是四六级阅读中的高频句式,后置定语修饰宾语核心词的结构也常见于真题长难句,掌握后可迁移到大量类似表达,典型性较强

During Covid, restaurants and cafés lost so much business that cities nationwide began allowing them to build curbside seating areas where people could sit, safely, in the open air.

O段，第2句

结果状语从句配合定语从句的嵌套结构在四六级和考研真题中非常常见，句型典型且实用性强，掌握后可迁移到大量类似句式的分析中，具有很高的学习价值。

Customers loved the outdoor seating so much that cities are making it permanent: A New York City study of several streets closed during Covid found storeowners making more than before, and diners enjoying the outdoor lifestyle.

0段，第4句

本句覆盖主语、谓语、宾语、宾语补足语、程度状语、定语等多种成分。第二主句的宾语补足语结构 storeowners making more than before 和 diners enjoying the outdoor lifestyle 是较好的训练点，能帮助学生理解复合宾语。第一主句的主语包含多层定语修饰，适合练习定语识别。整体成分丰富，训练价值较高。

A stretch of Skillman Ave witnessed not only a big increase in sales but also the opening of new businesses.

第38题题干

使用了 "A stretch of..." 这种典型的名词短语作主语，以及常见的并列关联连词，具有较高的模仿价值。

A businesswoman said her business dropped sharply when parking space gave way to a bike lane, because most of her customers came by car.

第43题题干

主句加宾语从句的结构,以及宾语从句内嵌套时间和原因状语从句的模式,在四六级和考研阅读中高频出现,尤其是省略 that 的宾语从句和多个状语从句修饰同一谓语的情况,是典型的常考句式,掌握后可大量复用

People may find it more pleasant to wander around streets redesigned for cycling and walking.

第45题题干

find it + 形容词 + to do 是四六级和考研阅读中高频出现的句式，后置定语修饰名词也是常考结构。本句结构简洁但典型，学生掌握后可迁移到大量类似句子，代表性强。

2025年12月·第1套 英语四级阅读理解（四选一） 第1篇·46–50 题 答案与解析

QUESTIONS & ANALYSIS · 阅读理解题和解析

阅读理解题和解析 · 46–50 题

本页 46–50 题的答案与逐题解析由懒笔记基于2025年12月·第1套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 6 段原文（段首标 P1–P6 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第1套(2025-12) · 英语四级

Part III Section C (1)

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

P1 All living organisms on Earth are exposed to a 24-hour day-night cycle. This cycle is the reason why people rest at night and are active during the day. Consequently, all human body functions also follow this daily rhythm, and the timing of behaviors like exercise or food intake can significantly influence your health. For example, eating at night can lead to weight gain over time because food intake at night leads to increased fat storage.

地球上所有生物都暴露在24小时昼夜循环之中。这种循环是人们夜间休息、白天活动的原因。因此,所有人体功能也遵循这一日常节律,而运动或进食等行为的时间安排可以显著影响您的健康。例如,夜间进食会随着时间推移导致体重增加,因为夜间摄入食物会导致脂肪储存增加。

P2 Many drug targets in the body follow a 24-hour cycle, too. This means that the specific proteins a drug is designed to modify can react differently to the medicine over the course of a 24-hour time period. Because how the body responds to a drug can differ depending on the time it is taken, it logically follows that taking medicines at specific times could help increase their effectiveness and reduce unwanted side effects.

体内许多药物靶点也遵循24小时周期。这意味着药物旨在修饰的特定蛋白质在24小时时间段内对药物的反应可能有所不同。由于身体对药物的反应会因服药时间而异,因此合乎逻辑的是,在特定时间服药可能有助于提高药效并减少不良副作用。

P3 When doctors prescribe medicine for people, they rarely consider the best time to take it. There are two main reasons for that oversight. First, many physicians are not aware that some drugs work

better during a specific time of the day. And second, most drugs have not been studied for possible different effects during a 24-hour cycle. Therefore, patients are directed to take most drugs during the morning or evening primarily to ensure compliance.

当医生为患者开药时,他们很少考虑最佳服药时间。这种疏忽有两个主要原因。首先,许多医生不知道某些药物在一天中的特定时间效果更好。其次,大多数药物尚未就24小时周期内可能产生的不同效果进行研究。因此,患者被指示在早晨或晚上服用大多数药物,主要是为了确保依从性。

P4 Over 50 years ago, researchers found that the cholesterol drug simvastatin is more effective at lowering cholesterol levels when taken at night rather than during the day. This is because the liver enzyme(酶) these drugs target is more active at night.

50多年前,研究人员发现降胆固醇药物辛伐他汀在夜间服用比白天服用更能有效降低胆固醇水平。这是因为这些药物针对的肝酶在夜间更为活跃。

P5 Taking medicine at the wrong time can even cause harm. My colleagues and I wondered whether midazolam, the most common sedative(镇静剂) used in surgical procedures worldwide, might interfere with the internal clock that protects the heart at night. Currently, there are no guidelines regarding when midazolam should be administered.

在错误的时间服药甚至可能造成危害。我和同事们想知道咪达唑仑——全球外科手术中最常用的镇静剂——是否会干扰夜间保护心脏的内部时钟。目前,关于何时应给予咪达唑仑尚无指南。

P6 More research is needed to determine the best times to administer treatments for different diseases. I believe taking drug timing into account could help make treatments more effective and help more people worldwide.

需要更多研究来确定针对不同疾病实施治疗的最佳时间。我相信将药物给药时间纳入考虑可以帮助使治疗更有效,并帮助全世界更多的人。

题目与逐题解析

46. What do we learn from the passage about the timing of our behaviors?

- A) It has a considerable impact on our health.
- B) It confines us to a 24-hour day-night cycle.
- C) It requires us to follow a particular rhythm.
- D) It holds the key to all human body functions.

从文章中我们了解到关于我们行为时机的什么信息?

- A) 它对我们的健康有相当大的影响。
- B) 它将我们限制在24小时昼夜周期中。
- C) 它要求我们遵循特定的节律。
- D) 它掌握着所有人体功能的关键。

【答案】 A (细节题)

【判型】 What do we learn from the passage about ... 问的是文章就「行为时机」明说了什么, 答案应能在原文直接找到对应句, 不需推断。

【拆句】 题干 What do we learn from the passage about the timing of our behaviors? 是一个 what 引导的特殊疑问句，主干是「我们从文中得知什么」，about 短语把范围锁定在「我们行为的时机」上。结构平铺直叙，无从句、无否定，唯一要抓的是 about 后面的话题词，它指明这道题只问「行为时机」相关的内容。

【定位】 Consequently, all human body functions also follow this daily rhythm, and the timing of behaviors like exercise or food intake can significantly influence your health.

因此，人体的所有功能也都遵循这一日常节律，而锻炼、进食等行为的时机显著影响你的健康。

【选项】 A) ✓ 正确

can significantly influence your health ↔ **It has a considerable impact on our health**

预判「行为时机大大影响健康」与 It has a considerable impact on our health 完全吻合，故锁定该项。

B) 偷换概念

原文是「昼夜周期导致行为有节律」，It confines us to a 24-hour day-night cycle 却说「行为时机把我们限制在 24 小时周期里」，把因当成了果，与原文 This cycle is the reason why people rest at night and are active during the day 相悖。

C) 张冠李戴

It requires us to follow a particular rhythm 说「行为时机要求我们遵循某节律」，但原文里「遵循节律」的主体是人体功能 (all human body functions also follow this daily rhythm)，并非由「行为时机」提出要求。

D) 过度推断

It holds the key to all human body functions 称行为时机「掌握着人体所有功能的关键」，原文只说人体功能遵循节律、行为时机影响健康，从未说时机决定一切功能，all 与 holds the key 属夸大。

47. What does the author say about the proteins in our body?

- A) They can modify the effects of medicines in different ways.
- B) They can reduce unwanted side effects of certain medicines.
- C) Their reaction to medicines changes during the day-night cycle.
- D) Their design determines how differently they react to medicines.

作者关于我们体内的蛋白质说了什么？

- A) 它们能以不同方式改变药物的效果。 B) 它们能减少某些药物不想要的副作用。
- C) 它们对药物的反应在昼夜周期中会发生变化。 D) 它们的设计决定了它们对药物反应的不同方式。

【答案】 C (细节题)

【判型】 What does the author say about the proteins 问作者对蛋白质的明确陈述，答案落在讲蛋白质的那句话里，属客观查找而非推断。

【拆句】 题干 What does the author say about the proteins in our body? 主干是「作者关于我们体内的蛋白质说了什么」，say about 后面的 the proteins in our body 是话题。注意四个选项都是完整句子，需要逐个判断哪句和原文一致，题干本身无陷阱。

【定位】 This means that the specific proteins a drug is designed to modify can react differently to the medicine over the course of a 24-hour time period.

这意味着，药物所要作用的那些特定蛋白质，在 24 小时的进程中对药物的反应可能各不相同。

【选项】 A) 与原文相反

They can modify the effects of medicines in different ways 说「蛋白质改变药物的效果」，但原文是药物去作用 (modify) 蛋白质 (the specific proteins a drug is designed to modify)，施受关系正好相反。

B) 张冠李戴

They can reduce unwanted side effects of certain medicines 把「减少副作用」说成蛋白质的能力，可原文里减副作用的是「按特定时间服药」这一做法 (taking medicines at specific times could help increase their effectiveness and reduce unwanted side effects)，与蛋白质无关。

C) ✓ 正确

can react differently to the medicine over the course of a 24-hour time period ↔

Their reaction to medicines changes during the day-night cycle

预判「蛋白质对药反应随时段变化」正是 Their reaction to medicines changes during the day-night cycle 所述，锁定该项。

D) 无中生有

Their design determines how differently they react to medicines 称「蛋白质的设计决定其反应差异」，原文从未谈蛋白质有何 design，更没说设计决定反应，纯属臆造。

48. What do doctors do when prescribing medicine for people?

- A) They give little thought to the time of taking it for maximum effect.
- B) They rarely consider which medicine works better for which patient.
- C) They tell patients its possible side effects during a period of 24 hours.
- D) They tell patients to comply with the directions of drug manufacturers.

医生在为人们开药时会做什么？

- A) 他们很少考虑服药时间以达到最大效果。 B) 他们很少考虑哪种药物对哪个患者更有效。
- C) 他们告诉患者药物在24小时内可能产生的副作用。 D) 他们告诉患者遵守药品生产商的说明。

【答案】 A (细节题)

【判型】 What do doctors do when prescribing medicine 问医生实际做了什么，是可在原文直接核对的事实。

【拆句】 题干 What do doctors do when prescribing medicine for people? 主干「医生开药时做什么」，when prescribing 是时间状语（现在分词作状语，相当于 when they prescribe）。结构清晰，关键是抓 doctors 与 prescribing 这一动作场景。

【定位】 When doctors prescribe medicine for people, they rarely consider the best time to take it.
医生给人们开药时，很少考虑服药的最佳时间。

【选项】 A) ✓ 正确

they rarely consider the best time to take it ↔

They give little thought to the time of taking it for maximum effect

预判「医生很少考虑最佳服药时间」与 They give little thought to the time of taking it for maximum effect 一致，锁定该项。

B) 偷换概念

They rarely consider which medicine works better for which patient 把疏忽的对象换成「哪种药对哪个病人更好」，而原文疏忽的是服药「时间」，话题被悄悄换掉。

C) 偷换概念

They tell patients its possible side effects during a period of 24 hours 说医生告知 24 小时内的副作用，原文讲的是药物未被研究其昼夜差异（most drugs have not been studied for possible different effects during a 24-hour cycle），并非医生告知副作用。

D) 偷换概念

They tell patients to comply with the directions of drug manufacturers 说让病人遵从药厂说明，但原文 compliance 指病人遵从医嘱按时服药（patients are directed to take most drugs during the morning or evening primarily to ensure compliance），并未提 drug manufacturers。

49. Why do doctors advise patients to take most drugs in the morning or in the evening?

- A) To discourage them from making complaints.
- B) To ensure they take the drugs as instructed.
- C) To comply with new research findings strictly.
- D) To guarantee the maximum effect of the drugs.

为什么医生建议患者在早上或晚上服用大多数药物？

- A) 为了阻止他们提出投诉。
- B) 为了确保他们按照指示服药。
- C) 为了严格遵守新的研究发现。
- D) 为了保证药物的最大效果。

【答案】 B （细节题）

【判型】 Why do doctors advise ... 问的是原文已经给出的理由，定位到目的状语即可作答，不需自己推因果。

【拆句】 题干 Why do doctors advise patients to take most drugs in the morning or in the evening? 是 why 引导的因果问句，主干「医生为何建议病人在早上或晚上服大多数药」。advise sb. to do 是「建议某人做某事」结构。问 why 意味着答案是原文里这一建议背后的目的或原因。

【定位】 Therefore, patients are directed to take most drugs during the morning or evening primarily to ensure compliance.

因此，病人被指示在早上或晚上服用大多数药物，主要是为了确保遵医嘱服药。

【选项】 A) **无中生有**

To discourage them from making complaints 说目的是「阻止病人投诉」，原文目的只有 ensure compliance，从未提 complaints，凭空捏造。

B) **✓ 正确**

to ensure compliance ↔ **To ensure they take the drugs as instructed**

预判「为确保病人按医嘱服药」与 To ensure they take the drugs as instructed 同义，锁定该项。

C) **与原文相反**

To comply with new research findings strictly 说目的是严格遵循新研究成果，但原文恰恰指出多数药未做昼夜研究（most drugs have not been studied），医生让早晚服药并非依据研究，方向相反。

D) **与原文相反**

To guarantee the maximum effect of the drugs 说目的是保证药效最大，但全文论点正是医生没考虑增效时机（they rarely consider the best time to take it），早晚服药并非为了药效最大化，正好相反。

50. What does the author suggest near the end of the passage?

- A) Considering drug-taking timing when prescribing drugs for patients.
- B) Making treatments less complex by taking drug timing into account.
- C) Conducting more studies to find out the best timing for treating different diseases.
- D) Finding out the most effective drugs for treating diseases through further research.

作者在文章结尾处建议了什么？

- A) 在为患者开药时考虑服药时机。
- B) 通过将服药时机纳入考虑使治疗变得不那么复杂。
- C) 开展更多研究以找出治疗不同疾病的最佳时机。
- D) 通过进一步研究找出治疗疾病最有效的药物。

【答案】 C (主旨题)

【判型】 What does the author suggest near the end 问作者在收尾处的整体主张，需要把末段的呼吁概括出来，而非抓某个孤立细节。

【拆句】 题干 What does the author suggest near the end of the passage? 主干「作者在文章接近结尾处建议了什么」，suggest 在此是「建议、主张」，near the end of the passage 是地点状语，明确把答案锁在文章末段。这是一道带位置提示的建议题。

【选项】 A) 以偏概全

Considering drug-taking timing when prescribing drugs for patients 是第三段对医生开药的观点延伸，而题干问的是 near the end 的建议；末段真正的呼吁是「做更多研究」，而非这条局部主张。

B) 无中生有

Making treatments less complex by taking drug timing into account 称考虑服药时机可让治疗「不那么复杂」，原文末段只说能让治疗更有效、惠及更多人 (could help make treatments more effective and help more people worldwide)，从未提 less complex。

C) ✓ 正确

More research is needed to determine the best times to administer treatments for different diseases

↔ **Conducting more studies to find out the best timing for treating different diseases**

预判「需更多研究找最佳给药时机」与 Conducting more studies to find out the best timing for treating different diseases 完全对应，锁定该项。

D) 偷换概念

Finding out the most effective drugs for treating diseases through further research 说要研究「最有效的药物」，可末段研究的目标是「最佳给药时间」(the best times to administer treatments)，全文谈的是时机而非药物本身，对象被偷换。

SENTENCE INSIGHTS • 句子精讲

16 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

All living organisms on Earth are exposed to a 24-hour day-night cycle.

第1段，第1句

被动语态的简单句在四六级和考研阅读中非常常见，尤其在科学、社会类文本中频繁出现，掌握此类结构有较高的实用价值。但句式本身过于简单，缺少从句等复杂结构，代表性仅限于被动语态的基础用法。

This cycle is the reason why people rest at night and are active during the day.

第1段，第2句

"the reason why..." 是极其典型的限制性定语从句用法，对于掌握关系副词的引导作用非常有代表性。

Consequently, all human body functions also follow this daily rhythm, and the timing of behaviors like exercise or food intake can significantly influence your health.

第1段，第3句

并列句是四六级和考研真题中的常见句式，本句的两个主句分别展示了简单主谓宾结构和带情态动词的主谓宾结构，都是高频句型。第二句主语中的 "名词 + of + 名词" 后置定语结构也较为典型。整体句式具有一定代表性，掌握后可迁移到类似并列句的分析中，但缺少更复杂的从句或特殊结构，典型性不算特别突出。

This means that the specific proteins a drug is designed to modify can react differently to the medicine over the course of a 24-hour time period.

第2段，第2句

句子成分丰富,包含主语、谓语、宾语从句、定语从句、方式状语、时间状语等多种成分,特别是定语从句省略关系代词并嵌套在宾语从句主语中,是很好的成分划分练习材料,能训练学生识别嵌套修饰关系和定语从句省略现象

Because how the body responds to a drug can differ depending on the time it is taken, it logically follows that taking medicines at specific times could help increase their effectiveness and reduce unwanted side effects.

第2段，第3句

形式主语 it 加主语从句、原因状语从句引导复合句、主语从句嵌套、定语从句省略关系副词，均为四六级和考研阅读中的高频句式，掌握后可大量复用

When doctors prescribe medicine for people, they rarely consider the best time to take it.

第3段，第1句

"When" 引导的时间状语从句 + 主句是四六级和考研阅读中非常常见的句式。主句中 "consider + 名词短语（含不定式后置定语）" 的结构也是高频搭配。本句的句式具有较强的代表性，掌握后可以迁移到大量类似结构的句子中。

First, many physicians are not aware that some drugs work better during a specific time of the day.

第3段，第3句

主句加宾语从句是四六级和考研阅读中的高频结构。形容词后接 that 从句说明内容（如 aware/sure/certain that）是典型句式，学习后可迁移到大量类似表达，代表性较强。

Therefore, patients are directed to take most drugs during the morning or evening primarily to ensure compliance.

第3段，第5句

涵盖主语、被动谓语、主语补足语和目的状语，成分较丰富；被动语态中主语补足语与目的状语的区别是易错点，适合作为划分练习

Over 50 years ago, researchers found that the cholesterol drug simvastatin is more effective at lowering cholesterol levels when taken at night rather than during the day.

第4段，第1句

主句+宾语从句+内嵌状语从句的结构在学术文献和考试真题中非常典型，研究发现类句式也是科技文章的常见表达。掌握后可广泛迁移到类似的科研报道句型。

This is because the liver enzyme(酶) these drugs target is more active at night.

第4段，第2句

because引导的表语从句和省略关系代词的定语从句都是四六级和考研真题中的高频句式。这种嵌套结构在科技、医学类文章中常见，具有较强的代表性和迁移价值。

My colleagues and I wondered whether midazolam, the most common sedative(镇静剂) used in surgical procedures worldwide, might interfere with the internal clock that protects the heart at night.

第5段，第2句

"wonder + whether 从句" 和 "名词 + that 定语从句" 都是四六级和考研阅读中的高频句式。宾语从句表达疑问或推测、定语从句修饰先行词的结构在真题中反复出现。同位语插入说明专业术语也是学术文本的典型特征。掌握这个句子的分析方法可迁移到大量同类句子。

More research is needed to determine the best times to administer treatments for different diseases.

第6段，第1句

被动语态 + 不定式作目的状语是四六级和考研阅读中的高频句式，尤其在学术类或说明类文本中常见。本句结构简洁且典型，掌握后可复用到大量类似句子的理解中，具有较高的迁移价值。

What do we learn from the passage about the timing of our behaviors?

第46题 题干

本句是阅读理解题目中常见的提问句式，'What do we learn from the passage about...' 是四六级和考研真题中高频出现的设问模式。掌握这一结构后，学生可以快速识别类似题目的句法特征，迁移性强。

It has a considerable impact on our health.

第46题，A

主谓宾加后置定语是英语中最常见的基础句式之一，在四六级和考研真题中大量出现，但本句过于简单，缺少实际考试中常见的修饰层次和复杂成分，代表性一般

They tell patients to comply with the directions of drug manufacturers.

第48题，D

"动词 + 宾语 + 不定式" 结构（如 tell/ask/advise sb to do）是四六级和考研阅读中的高频句式，掌握后可迁移到大量类似句子，代表性强。

Why do doctors advise patients to take most drugs in the morning or in the evening?

第49题 题干

疑问句结构和 "advise sb to do sth" 搭配均为四六级和考研常见句式，尤其不定式作宾语补足语是高频考点，典型性较强，掌握后可迁移到类似动词（如 tell、ask、encourage 等）。

真题卷第1套(2025-12) · 英语四级

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 Katharine Abraham, an economics professor, was chatting with her hairdresser(理发师) about retirement plans. The economist said she plans to continue working because she wants to. The hairdresser agreed but for a different reason: She needs the money.

经济学教授Katharine Abraham正在与她的理发师闲聊退休计划。这位经济学家说她计划继续工作，因为她想这样做。理发师表示同意，但原因不同：她需要钱。

P2 Both scenarios(情况) are contributing to a big increase in the number of people in the U.S. working into their 70s. Over the past 20 years, the share of Americans working in their 70s has risen from less than 10% to nearly 15%.

这两种情况都促使美国70多岁仍在工作的人数大幅增加。在过去20年里，70多岁仍在工作的美国人比例已从不到10%上升到近15%。

P3 In addition to people being healthier and living much longer, economists say that a combination of financial considerations such as years of slow rise in real wages and a shift away from traditional pensions in the private sector are some of the reasons people delay retirement. The decline of manufacturing and the increase in the number of people working in less labor-intensive occupations also has contributed to the trend, says Abraham, who researches work and retirement decisions of older Americans.

除了人们更健康、寿命更长之外，经济学家表示，实际工资多年缓慢增长以及私营部门传统养老金制度的转变等一系列财务因素，是人们推迟退休的部分原因。制造业的衰落和从事劳动密集程度较低职业的人数

增加也促成了这一趋势，研究美国老年人工作和退休决策的Abraham说。

P4 "Which matters more depends on what your history up until that point has been in the type of work you're doing," Abraham says.

Abraham说："哪个因素更重要取决于你在那之前从事的工作类型的历史。"

P5 The overall trend is hitting Americans of all different levels of educational attainment, although the percentages vary by category. The share of Americans with bachelor's degrees who were working into their 70s reached nearly 20% in 2018. For those with a high school degree or less, the proportion of those working in their 70s had risen to around 10%, while those with some college education were in the middle at around 15%.

这一总体趋势正影响着所有不同教育程度的美国人，尽管各类别的百分比有所不同。拥有学士学位的美国人中，在70多岁仍在工作的比例在2018年达到近20%。对于那些拥有高中或更低学历的人，70多岁仍在工作的比例已上升至约10%，而那些受过一些大学教育的人则处于中间水平，约为15%。

P6 Martin Neil Baily, an economist who is leading a research project on retirement security, notes that quitting a career can lead to feelings of isolation and loneliness, particularly for men. He suggests that many college-educated workers are choosing to stay in the labor force more for social benefits than for financial reasons. They're also more likely to be in professional occupations where they tend to enjoy their work more.

正在领导一项退休保障研究项目的经济学家Martin Neil Baily指出，结束职业生涯可能会导致孤立感和孤独感，尤其是对男性而言。他认为，许多受过大学教育的工作者选择留在劳动力市场更多是为了社交利益而非经济原因。他们也更有可能从事专业职业，往往更享受自己的工作。

P7 Workers in more physical jobs, meanwhile, may be more likely to look forward to retiring, Baily says, suggesting those who stay on are more likely doing so for financial reasons.

与此同时，从事体力工作的工作者可能更倾向于期待退休，Baily说，这表明那些继续工作的人更有可能是出于经济原因。

题目与逐题解析

51. What do we learn from the passage about the economics professor and her hairdresser?

- A) They differ in their reasons for continuing to work.
- B) They are both committed to working into their 70s.
- C) They are happy about their current financial situation.
- D) They hold different views about postponing retirement.

从文章中我们了解到关于经济学教授和她的理发师什么信息？

- A) 他们继续工作的原因不同。
- B) 他们都致力于工作到70多岁。
- C) 他们对目前的财务状况感到满意。
- D) 他们对推迟退休持有不同的看法。

【答案】 A (细节题)

【判型】 题干 What do we learn from the passage about the economics professor and her hairdresser 锁定两位具体人物，要在原文里抓他们各自的具体说法，属于事实型细节题。

【拆句】 句子主干是 What do we learn from the passage about ..., about 引出涉及的对象; 并列结构 the economics professor and her hairdresser 由 and 连接两个名词短语, 无从句、无否定, 结构平直无陷阱。

【定位】 The economist said she plans to continue working because she wants to. The hairdresser agreed but for a different reason: She needs the money.

经济学家说她打算继续工作, 因为她想这样做。理发师也同意继续工作, 但理由不同: 她需要钱。

【选项】 A) ✓ 正确

The hairdresser agreed but for a different reason ↔

They differ in their reasons for continuing to work

预判强调 "两人继续工作的理由不同", A 项 They differ in their reasons for continuing to work 恰好对此点 100% 命中, 无引申无超纲, 可直接锁定。

B) 答非所问

B 项 They are both committed to working into their 70s 把题目焦点偏到 "是否都坚持工作到 70 多岁", 但题目问的是 "对照两人有何不同", 不是问共同点。

C) 无中生有

C 项 They are happy about their current financial situation 说两人都对当前财务状况满意, 但理发师明确说 She needs the money, 怎么也谈不上 happy。

D) 偷换概念

D 项 They hold different views about postponing retirement 似乎与 A 相近, 但 different views about postponing retirement 意为 "在是否推迟退休这件事上观点不同", 而原文里两人都决定继续工作, 差异在理由而不在观点。

52. What is one of the reasons for people to delay retirement?

- A) More and more people have switched to less intellectually challenging jobs.
- B) The number of jobs suitable for older people has increased in the private sector.
- C) The rate of wage increase in terms of purchasing power has slowed down for years.
- D) More and more people in the workplace find it hard to rely on traditional pensions.

人们推迟退休的原因之一是什么?

- A) 越来越多的人转向了智力挑战性较低的工作。
- B) 私营部门适合老年人的工作岗位数量增加了。
- C) 多年来,按购买力计算的工资增长率有所放缓。
- D) 职场中越来越多的人发现难以依靠传统养老金。

【答案】 C (细节题)

【判型】 题干 What is one of the reasons for people to delay retirement 询问具体原因, 要在原文清单里点对清单项, 属典型细节题。

【拆句】 主干 What is one of the reasons, 后接介词短语 for people to delay retirement 作后置定语; for 引导原因方向, 不定式 to delay 表逻辑动作, 结构清晰, 无难点。

【定位】 In addition to people being healthier and living much longer, economists say that a combination of financial considerations such as years of slow rise in real wages and a shift away from traditional pensions in the private sector are some of the reasons people delay retirement.

除了人们更健康、寿命更长之外，经济学家说，多重经济因素的叠加——例如实际工资多年增长缓慢，以及私人部门远离传统养老金——是人们延迟退休的部分原因。

【选项】 A) 偷换概念

原文说 the increase in the number of people working in less labor-intensive occupations——是“从事劳动强度小的职业的人变多”，A项 less intellectually challenging jobs 偷换为“智力上挑战较小的工作”，labor-intensive（体力密集）与 intellectually challenging（智力挑战）不是一回事。

B) 无中生有

B项 The number of jobs suitable for older people has increased in the private sector 说私人部门里适合老年人的岗位增多，但原文 a shift away from traditional pensions in the private sector 谈的是养老金机制远离传统模式，并未谈岗位数量的变化。

C) ✓ 正确

years of slow rise in real wages ↔

The rate of wage increase in terms of purchasing power has slowed down for years

预判锁定“实际工资多年涨得慢”，C项 The rate of wage increase in terms of purchasing power has slowed down for years 把同一信息用购买力的角度表达，是教科书式同义替换。

D) 偷换概念

原文 a shift away from traditional pensions in the private sector 是“私人部门正在远离传统养老金”——指制度变化；D项 find it hard to rely on traditional pensions 偷换成“人们觉得难以依赖传统养老金”——指主观感受。两者方向虽近，但原文从未谈及人们的主观难度感。

53. What is the general trend in people delaying retirement?

- A) The higher their earnings, the more likely they are tempted to delay retirement.
- B) Those who have more job satisfaction tend to retire later than those who have less.
- C) More men than women are likely to stay in the labor force until their late seventies.
- D) The higher their educational level, the more likely they are to delay retirement.

人们推迟退休的总体趋势是什么？

- A) 收入越高,他们越有可能倾向于推迟退休。
- B) 工作满意度更高的人往往比满意度较低的人退休得更晚。
- C) 留在劳动力市场直到70多岁的男性可能多于女性。
- D) 教育水平越高,他们越有可能推迟退休。

【答案】 D (细节题)

【判型】 题干 What is the general trend in people delaying retirement 询问的是原文里已经写明的整体规律，去找总括句即可，不需越级推断。

【拆句】 主干 What is the general trend, 介词短语 in people delaying retirement 中 people delaying retirement 是 in 的复合宾语（动名词短语带逻辑主语），结构平直、无从句。

【定位】 The overall trend is hitting Americans of all different levels of educational attainment, although the percentages vary by category. The share of Americans with bachelor's degrees who were working into their 70s reached nearly 20% in 2018. For those with a high school degree or less, the proportion of those working in their 70s had risen to around 10%, while those with some college education were in the middle at around 15%.

这一整体趋势影响着所有学历层次的美国人，尽管各类别的比例有所不同。拥有本科学历、且仍在 70 多岁工作的美国人比例在 2018 年达到近 20%；高中及以下学历者比例约 10%；有部分大学经历者居中，约 15%。

【选项】 A) 无中生有

A 项 The higher their earnings, the more likely they are tempted to delay retirement 把维度换成 earnings（收入），原文 all different levels of educational attainment 谈的是学历，没有任何收入分层数据。

B) 张冠李戴

B 项 Those who have more job satisfaction tend to retire later than those who have less 谈职业满意度的影响，但本段只有学历分层数据，没有关于 job satisfaction 的对比；此话题虽在第 6 段简短出现，与 "general trend" 不是同一议题。

C) 张冠李戴

C 项 More men than women are likely to stay in the labor force until their late seventies 涉及性别差异，原文虽然第 6 段提到 particularly for men，但那是讲孤独感、不是 general trend 数据；本段从未做性别对比。

D) ✓ 正确

The share of Americans with bachelor's degrees who were working into their 70s reached nearly 20%

↔ The higher their educational level, the more likely they are to delay retirement

预判出 "学历越高，延迟退休比例越高"，D 项 The higher their educational level, the more likely they are to delay retirement 正是这一规律的语句化，无遗漏无超纲。

54. What is the chief reason for college-educated workers delaying retirement according to an economist?

- A) Enjoying financial security.
- B) Staying connected socially.
- C) Contributing more professionally.
- D) Increasing social security payments.

根据一位经济学家的说法,受过大学教育的工人推迟退休的主要原因是什么?

- A) 享有财务保障。 B) 保持社交联系。 C) 在专业方面做出更多贡献。 D) 增加社会保障金支付。

【答案】 **B** (细节题)

【判型】 题干 What is the chief reason for college-educated workers delaying retirement 询问原文中经济学家明确给出的主因，按细节题处理即可。

【拆句】 主干 What is the chief reason, 介词短语 for college-educated workers delaying retirement 作后置定语，分词 delaying 修饰 workers 表正在延迟；末尾 according to an economist 是插入限定信息源，结构清晰。

【定位】 He suggests that many college-educated workers are choosing to stay in the labor force more for social benefits than for financial reasons.

他指出，许多受过大学教育的劳动者选择继续留在劳动力市场，更多是出于社交方面的好处，而不是经济原因。

【选项】 A) **与原文相反**

A 项 Enjoying financial security 把主因说成 "享受经济保障"，但原文明确 more for social benefits than for financial reasons —— financial 恰恰是被否定的次要原因，A 项正好反向。

B) **✓ 正确**

more for social benefits than for financial reasons ↔ **Staying connected socially**

预判抓 social benefits, B 项 Staying connected socially 正面命中；其余选项均与 social 无直接对应，可一眼锁定。

C) **过度推断**

C 项 Contributing more professionally 说 "在专业上贡献更多"，原文 in professional occupations where they tend to enjoy their work more 只说他们多从事专业职业、并享受工作，并未提 "为了贡献更多" 才不退休。

D) **无中生有**

D 项 Increasing social security payments 把 social 与 financial 拼成 "提高社会保障金"，是基于熟词 social 的乱凑，原文从未提及社会保障金 (social security 是美国福利专名)。

55. What does the passage say about people doing manual work?

- A) They are eager to enjoy life after retiring.
- B) They are likely to have financial troubles.
- C) They generally don't enjoy doing it.
- D) They tend to anticipate retirement.

文章关于从事体力劳动的人说了什么？

- A) 他们渴望退休后享受生活。 B) 他们可能会遇到财务困难。 C) 他们通常不喜欢做这种工作。
- D) 他们倾向于期待退休。

【答案】 **D** (细节题)

【判型】 题干 What does the passage say about people doing manual work 直接问原文对该群体的具体说法，按细节题处理。

【拆句】 主干 What does the passage say about ..., about 引出对象；现在分词短语 doing manual work 后置修饰 people，相当于 who do manual work，无从句无难点。

【定位】 Workers in more physical jobs, meanwhile, may be more likely to look forward to retiring, Baily says, suggesting those who stay on are more likely doing so for financial reasons.
另一方面，从事体力劳动较多的工人则可能更期待退休；Baily 说，那些继续留下来的多半是出于经济原因。

【选项】 A) 过度推断

A 项 They are eager to enjoy life after retiring 把原文 "期待退休" 引申到 "渴望享受退休后的生活"，原文只说期待退休、未提退休后做什么，引申了一步。

B) 过度推断

B 项 They are likely to have financial troubles 把原文 those who stay on are more likely doing so for financial reasons 推到 "会陷入经济困境"，但 for financial reasons 只说 "出于经济原因"，不等同于 financial troubles。

C) 无中生有

C 项 They generally don't enjoy doing it 说 "他们通常不喜欢做这工作"，但原文只说他们更期待退休、并未直接评价是否喜欢工作；不能由 "期待退休" 直接等同 "不喜欢工作"。

D) ✓ 正确

may be more likely to look forward to retiring ↔ **They tend to anticipate retirement**
预判抓 "期待退休"，D 项 They tend to anticipate retirement 是 look forward to retiring 的标准英英同义替换，选定无误。

SENTENCE INSIGHTS • 句子精讲

17 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

The economist said she plans to continue working because she wants to.

第1段，第2句

"主句 + 宾语从句 + 内嵌状语从句" 的结构在四六级和考研阅读中极为常见，尤其是 said 引导宾语从句、because 引导原因说明这类搭配高频出现；宾语从句省略 that、状语从句承前省略也是标准用法；掌握本句的分析方法可直接迁移到大量类似句式，典型性较高。

Both scenarios(情况) are contributing to a big increase in the number of people in the U.S. working into their 70s.

第2段，第1句

本句是典型的主谓宾结构，且宾语部分带有多层定语修饰，这种名词短语的扩展形式在四六级和考研真题中非常常见。现在进行时表达当前趋势的用法也是考试中的高频句式，掌握后可广泛迁移到其他类似句子。

The decline of manufacturing and the increase in the number of people working in less labor-intensive occupations also has contributed to the trend, says Abraham, who researches work and retirement decisions of older Americans.

第3段，第2句

主句包含并列主语、现在完成时谓语、介词短语状语,定语从句包含关系代词作主语、并列宾语等多种成分。并列结构、插入语、后置定语、关系代词在从句中的成分判定均为高频考点,训练价值较高

"Which matters more depends on what your history up until that point has been in the type of work you're doing," Abraham says.

第4段，第1句

本句结构高度典型：引述句 + 多层从句嵌套 + 定语从句省略关系代词，是四六级和考研阅读中的常见句式。掌握本句的分析方法，可以直接迁移到大量类似的复杂长难句，实用价值极高。

Martin Neil Baily, an economist who is leading a research project on retirement security, notes that quitting a career can lead to feelings of isolation and loneliness, particularly for men.

第6段，第1句

本句的结构在四六级和考研阅读中非常典型:主句 + 同位语 + 定语从句修饰主语 + 宾语从句的组合,是学术文本和新闻报道的常见句式。主语部分用同位语加定语从句补充说明人物身份,宾语从句传达观点内容,这种信息组织方式在真题中反复出现,掌握后可大量复用于理解类似长句。

He suggests that many college-educated workers are choosing to stay in the labor force more for social benefits than for financial reasons.

第6段，第2句

"动词 + that 宾语从句" 和 "choose to do" 是四六级、考研高频句式,比较结构 "more...than..." 也是常考点。本句结构在真题中大量出现,掌握后可迁移到众多相似句型

Workers in more physical jobs, meanwhile, may be more likely to look forward to retiring, Baily says, suggesting those who stay on are more likely doing so for financial reasons.

第7段，第1句

本句覆盖主语(含后置定语和定语从句修饰)、谓语(情态动词结构和进行时)、表语(形容词加不定式短语)、宾语(代词 so)、原因状语等多种成分;特别是第一个主句的表语结构 "more likely to look forward to retiring" 层次丰富,第二个主句中 so 的指代用法和 for financial reasons 的状语识别都是值得练习的考点

They differ in their reasons for continuing to work.

第51题，A

"主语 + 不及物动词 + 介词短语状语" 是常见的简单句式，在四六级和考研真题中经常出现。虽然结构简单，但状语中包含动名词和介词的嵌套，具有一定代表性，掌握后可迁移到类似句式。

They are both committed to working into their 70s.

第51题，B

be committed to doing 是四六级和考研阅读中常见的固定搭配，系表结构 + 介词短语 + 动名词的组合也是典型句式。掌握后可迁移到类似的 be devoted to、be accustomed to 等结构。虽然本句较简单，但其结构在真题中频繁出现，具有一定代表性。

More and more people have switched to less intellectually challenging jobs.

第52题，A

现在完成时 + 介词短语作状语是四六级和考研阅读中的常见结构，具有一定代表性。句式简洁清晰，掌握后可以迁移到类似句型的理解。但简单句本身在真题中占比不如复合句和长难句高，结构的复杂度和挑战性不足以成为最典型的代表句式。

The number of jobs suitable for older people has increased in the private sector.

第52题，B

"The number of + 名词 + 谓语" 是四六级和考研阅读中高频出现的句式,后置定语修饰名词也是常考结构,掌握本句分析方法可迁移到大量同类句子

The rate of wage increase in terms of purchasing power has slowed down for years.

第52题，C

简单句在四六级和考研阅读中常见，且本句主语结构（中心名词 + 多层介词短语后置定语）以及现在完成时 + for 时间状语的搭配都是高频考点，具有一定代表性，但缺少从句结构使其典型性未达顶级。

More and more people in the workplace find it hard to rely on traditional pensions.

第52题，D

本句使用的"find it + 形容词 + to do"结构是四六级和考研阅读中的典型高频句式。这一结构在表达"发现/认为做某事如何"时被广泛使用，掌握后可大量迁移应用到"make it possible to do""think it necessary to do"等同类句型，具有很强的代表性和复用价值。

The higher their educational level, the more likely they are to delay retirement.

第53题，D

"the + 比较级..., the + 比较级..." 是四六级和考研阅读中的高频句式，常用于表达因果或相关关系。掌握此结构后可直接迁移到大量类似句子，典型性很强。

They are eager to enjoy life after retiring.

第55题，A

主系表加不定式的结构在考试中常见，但本句过于简短平直，缺少真题句常有的定语从句、状语从句或复杂修饰成分，典型性中等。

They are likely to have financial troubles.

第55题，B

"主语 + be likely to do" 是四六级和考研阅读中高频出现的句式，用于表达可能性判断，典型性较高，掌握后可迁移至大量类似结构（如 be able to、be willing to 等），但本句过于简短，未展现更复杂的嵌套或修饰用法。

They generally don't enjoy doing it.

第55题，C

"主语 + 否定谓语 + 动名词宾语" 是英语中常见的基本句式，"enjoy doing" 是固定搭配，频繁出现在各类考试中。但本句过于简单，缺乏从句、并列、修饰等复杂结构，无法代表四六级或考研真题中常考的复杂长难句句式，典型性中等偏下。

2025年12月·第1套英语四级汉译英（段落翻译）·客观介绍中国民营经济近年年的发展现状 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2025年12月·第1套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第1套(2025-12) • 英语四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

近年来，中国政府高度重视民营经济(private economy)的发展，出台了一系列政策支持民营企业。截至 2025 年 3 月底，全国民营企业数量超过 5700 万家，占企业总量的 92.3%。民营企业不仅数量稳步增长，质量和结构也在不断提升。民营企业的研发投入不断增加，在新一代信息技术、人工智能等领域发展迅速。民营企业核心竞争力的增强为中国经济的高质量发展提供了有力支撑。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

In recent years, the Chinese government has attached great importance to the development of the private economy and introduced a series of policies to support private enterprises. By the end of March 2025, the number of private enterprises nationwide exceeded 57 million, accounting for 92.3% of the total number of enterprises. Private enterprises are not only growing steadily in number but also improving in quality and structure. They are also increasing their R&D investment and developing rapidly in fields such as next-generation information technology and artificial intelligence. As a result, the enhancement of private enterprises' core competitiveness provides strong support for the high-quality development of China's economy.

【衔接】第2句句首补 By the end of... 显时间推进

第1句讲 近年来 的总体背景，第2句 截至2025年3月底 给出具体时间节点的数据。译文第2句以 By the end of March 2025 开头，时间状语前置，既承接第1句的近年来宏观背景，又把镜头推到具体数据，形成背景到数据的自然过渡。

第3、4句用复数代词承接，避免重复 private enterprises

第3、4句主语都是 民营企业。译文中第3句已点出 Private enterprises，第4句可承接为 They are also increasing their R&D investment...，用代词 They 接续，避免连续三句都重复 private enterprises 显得啰嗦。

第5句作结论，用 As a result 显出因果收束

第5句 民营企业核心竞争力的增强为中国经济的高质量发展提供了有力支撑 是对前文质量提升、研发增长的总括结论。可在句首加 As a result 让读者感到这是前面发展带来的结果，使整篇有总分总的收束感。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

【主旨】客观介绍中国民营经济近年的发展现状

全段是一篇客观陈述类的成就介绍：以 近年来，中国政府高度重视民营经济(private economy)的发展 开篇，围绕政策、数量、质量、研发、竞争力逐层铺陈中国民营经济的现状与趋势。这是四级汉译英的典型语体——中国社会经济介绍，用词偏正式书面，不带个人情感色彩，全篇陈述事实。

【时态】一般现在时

全段在客观陈述民营经济的现状、特征与持续趋势，如 民营企业不仅数量稳步增长，质量和结构也在不断提升 讲的是当下仍在持续的状况，属于“现在的事实 / 常态”，故全篇默认一般现在时。仅 出台了一系列政策 这类已完成的具体动作，可局部用现在完成时承接。

【译法】民营经济

民营经济(private economy) 原文已给出官方英译 private economy，直接采用、全篇统一，不要换成 private sector economy 或 folk economy 等自造说法。

民营企业

出台了一系列政策支持民营企业 中的“民营企业”全篇反复出现，统一译作 private enterprises（复数，泛指这一整类企业），不要时而 private companies、时而 private firms 来回换。

高质量发展

中国经济的高质量发展 是官方固定表述，统一译作 high-quality development，照意译直对即可，不必额外加注。

1. 近年来，中国政府高度重视民营经济(private economy)的发展，出台了一系列政策支持民营企业。

【主干】政府重视并出台政策（双谓语）（主语策略：原句主语）

中文主语明确是 中国政府，直接作英文主语 the Chinese government。本句有两个核心动作“高度重视”和“出台”，主干立成 the Chinese government has attached great importance to... and introduced...，把“重视发展”与“出台政策”作两个并列谓语挂在同一主语下。

【降级】用目的状语承接“支持民营企业”

出台了一系列政策支持民营企业 里“支持民营企业”是“出台政策”的目的，不是第三个并列动作。降级成目的状语：introduced a series of policies to support private enterprises, 用不定式 to support 把它挂到 policies 上，避免写成 introduced policies and supported... 这种把目的当并列动作的流水句。

【语法】时态

近年来 提示近年来一直如此并延续至今，“高度重视”用现在完成时 has attached great importance to 更贴；“出台了”是已完成动作，同样用现在完成 introduced（承接前一个 has）。这是全篇少数偏离一般现在时基调的合理之处。

主谓一致

主语 the Chinese government 是单数（机构作整体），助动词用 has 不用 have。

单复数

一系列政策 译作 a series of policies, policies 用复数；“民营企业”泛指一类，用复数 private enterprises。

【译文】 In recent years, the Chinese government has attached great importance to the development of the private economy and introduced a series of policies to support private enterprises.

2. 截至 2025 年 3 月底，全国民营企业数量超过 5700 万家，占企业总量的 92.3%。

【主干】民营企业数量为主语（主语策略：原句主语）

中文主语是 全国民营企业数量，提作英文主语 the number of private enterprises（核心名词是 number，谓语 exceeded 与之搭配）。主干立成 the number of private enterprises exceeded 57 million。

【降级】“占总量92.3%”降为现在分词状语

占企业总量的92.3% 是对前一动作结果的补充说明，不另起一句，降级成现在分词短语 accounting for 92.3% of the total, 挂在主干后作伴随状语，避免写成 ...exceeded 57 million, and it accounted for... 的松散并列。

【语法】时态

截至2025年3月底 锚定一个明确的过去时间点上的统计结果，用一般过去时 exceeded；这是因具体时间点而合理偏离现在时基调。

主谓一致

主语中心词是单数 the number（不是 enterprises），谓语用单数 exceeded（若一般现在时则是 exceeds），别被后面的复数 enterprises 带偏。

数字表达

“5700万”英文按 million 表达：57 million；“92.3%”直接写 92.3 percent 或 92.3%。注意 million 在确数前不加 s。

【译文】 By the end of March 2025, the number of private enterprises nationwide exceeded 57 million, accounting for 92.3% of the total number of enterprises.

3. 民营企业不仅数量稳步增长，质量和结构也在不断提升。

【主干】“不仅……也……”用 not only...but also 双分句（主语策略：原句主语）

中文是 不仅数量稳步增长，质量和结构也在不断提升 的递进结构，前半实质讲数量、后半讲质量和结构。处理为 not only...but also...: Private enterprises are not only growing steadily in number but also improving in quality and structure, 把“民营企业”提作贯穿两半的主语。

【降级】“数量增长 / 质量提升”转为 in number 与 in quality 状语

中文“数量稳步增长”“质量和结构不断提升”是民营企业在哪方面怎么样。把数量、质量和结构降级成 in 引导的范围状语: growing steadily in number、improving in quality and structure, 主语统一是 enterprises, 避免直译成 the number grows and the quality improves 的两个零散小句。

【语法】时态

稳步增长 与 不断提升 强调正持续进行中，回指现在时基调可用现在进行时 are growing 与 improving 凸显持续性，或用一般现在时 grow 与 improve; 二者皆可，进行时更贴“不断、稳步”的动态。

主谓一致

主语 private enterprises 复数，be 动词用 are (are growing... are improving...)。

搭配

“稳步”用副词 steadily 修饰 growing; “不断”用 continuously 或并入 are improving 的进行体即可，不必逐字硬加 constantly。

【译文】Private enterprises are not only growing steadily in number but also improving in quality and structure.

4. 民营企业的研发投入不断增加，在新一代信息技术、人工智能等领域发展迅速。

【主干】前后两件事拆主谓：投入增加加企业发展快（主语策略：原句主语）

中文含两件事：研发投入不断增加 与 在新一代信息技术、人工智能等领域发展迅速。主干以民营企业为主语: Private enterprises are increasing their R&D investment and developing rapidly..., 把“研发投入增加”重构为 increasing their R&D investment (让企业作增加的施动者), “发展迅速”为第二个谓语。

【降级】“在……领域”用 in fields such as 介词短语

在新一代信息技术、人工智能等领域 是“发展迅速”的范围，降级成介词短语 in fields such as next-generation information technology and artificial intelligence, 挂在 developing rapidly 之后作范围状语; “等”用 such as 或 and other... 体现列举开放。

【语法】时态

“不断增加”“发展迅速”是持续现状，用现在进行时 are increasing 与 developing 贴动态，或一般现在时；回指现在时基调。

缩写与冠词

“研发”用通行缩写 R&D (research and development)，作不可数概念可不加冠词；“人工智能”artificial intelligence 作抽象概念不加冠词，也可用缩写 AI。

单复数

“领域”不止一个，fields 用复数；专业术语 information technology、artificial intelligence 作不可数抽象名词，不加 s。

【译文】 Private enterprises are increasing their R&D investment and developing rapidly in fields such as next-generation information technology and artificial intelligence.

5. 民营企业核心竞争力的增强为中国经济的高质量发展提供了有力支撑。

【主干】“核心竞争力的增强”作主语，谓语 provides（主语策略：原句主语）

中文主语是 民营企业核心竞争力的增强，这是一个名词性的“增强”。提作英文主语 the enhancement of private enterprises' core competitiveness，谓语“提供了支撑”译 provides strong support。主干：The enhancement ... provides strong support for ...。

【降级】“为……发展提供支撑”用 provide...for... 介词结构

为中国经济的高质量发展提供了有力支撑 用 provide strong support for the high-quality development of China's economy，“为……”用介词 for 引出受益对象，“有力”用形容词 strong 修饰 support。本句结构本就简单，主干立稳后直接收尾，无需再拆从句。

【语法】时态

本句是对当前态势的概括性结论，回指现在时基调用一般现在时 provides；虽然中文有“提供了”的“了”，但这里表的是持续成立的事实而非一次性过去动作，用现在时更稳。

主谓一致

主语中心词是单数 the enhancement，谓语用单数 provides，别被后面的 competitiveness 或 enterprises 带成复数。

所有格与单复数

“民营企业的”用 private enterprises'（复数名词所有格，撇号在 s 后）；core competitiveness 作抽象名词不可数，不加 s。

【译文】 The enhancement of private enterprises' core competitiveness provides strong support for the high-quality development of China's economy.
