

四级·真题卷第3套·2025年12月

Part I Writing (30 minutes)

Directions: Suppose your university is organizing a forum on how students can make the best use of on-campus resources for academic development. You are now to write an essay to express your view. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

Part II Listening Comprehension (25 minutes)

Section A

本部分与 2025年12月第1套 共用，[点此查看](#)

Section B

Part III Reading Comprehension (40 minutes)

Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Earth Day is an annual celebration that honors the achievements of the environmental movement and raises awareness of the need to protect Earth's natural resources for future generations. Earth Day is celebrated on April 22 in the United States and on either April 22 or the day the spring equinox(春分) occurs throughout the 26 of the world.

Environmental activism during the 1960s 27 Wisconsin Senator Gaylord Nelson to create a 28 celebration uniting the environmental movement. With the help of Denis Hayes, a graduate student at Harvard University, Nelson organized the first Earth Day on April 22, 1970, educating participants in the 29 of environmental protection. Attended by 20 million people across the United States, the event 30 support for legislation such as the Clean Air Act and the Endangered Species Act.

In 1990, Hayes organized a global Earth Day, with more than 200 million participants in 140 countries. Earth Day now brings 31 citizens and activists from around the world to raise awareness and take action regarding such environmental 32 as global warming and renewable energy.

Today, the Earth Day Network, which rallies more than 20,000 33 and organizations in 190 countries, supports the Earth Day mission year-round. This mission is founded on the proposition that all people, regardless

of race, gender, income, or 34 , have a moral right to a healthy, sustainable environment. The Earth Day Network 35 this mission through education, public policy, and activism campaigns.

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

Looking for a job after 45

- A) Ageism and long-term unemployment are most damaging for those in the second half of their careers. Changing careers is hard. Getting back into work after you've been laid off is even harder. Those over 45 make up the bulk of the long-term unemployed, in America and elsewhere. Hiring managers admit they are reluctant to hire those over 40 or 45, arguing they probably won't be a good "fit," their experience won't be relevant to the workplace, and they'll be unable or unwilling to learn new skills.
- B) But the one thing that can really make a difference? More education and training. These are the results from a new study by Generation, a nonprofit founded by former McKinsey consultants. They've just published a global survey on midcareer employment, based on surveys of over 5,000 workers and managers in seven countries.
- C) "Older midcareer workers ... make up the bulk of the long-term unemployed in many countries," Generation's analysts write in their report. Those over 45 comprise over 40% of the long-term unemployed, for example. And if you're out of work past the age of 45, there's nearly a two in three chance you'll be out of work for over a year, they find. "Midcareer individuals are finding it harder to get jobs," they write. "People age 45+ face persistent and rising pressure in the global job market. They are unemployed for much longer than the average, and their age is indeed one of the greatest barriers to their finding a job."
- D) A substantial part of this, they report, is "widespread ageism" on the part of hiring managers. Although such managers admit that post-45 hires turn out on average to be just as good as or better than younger workers, they still don't want to hire them. "Hiring managers have a strong perception bias against 45+ job candidates — they believe that members of this age group have poor skills and low adaptability," Generation's analysts report.
- E) The survey results are remarkable. Hiring managers are three times as likely to rate job applicants age 35 – 44 as a better "fit" than those over 45. They rate the post-45 job seekers lower on average on all three

measures — even experience — than those ages 18 to 34. This is true even though nearly nine managers in 10 also said their post-45 workers were as good as or better than younger employees in the same jobs.

- F) Their biggest fears about hiring those over 45? Managers said they worry that older hires will be reluctant to try new technologies, and will be unable to learn new skills. Besides, the majority of hiring managers are under 45 — and seem reluctant to hire people older than themselves.
- G) But here's the good news. Older workers who've actively engaged in more education and training relevant to their jobs turn this pretty much on its head. Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials(文凭). Among those over 45 who'd successfully switched careers, 74% said training helped them get their new job.
- H) "Midcareer switchers overwhelmingly say that training enabled them to shift to a new career path," the analysts write. And when they asked over-45 candidates about their attitudes, they found that "those who are excited by training are unemployed for less time, receive more job offers, and are more satisfied by the job offers they receive."
- I) Hiring managers said training was three times more likely to get them to hire applicants over age 45 than, say, government subsidies(补贴). What training are we talking about? Obviously it depends on the job. And, yes, managers are most likely to be impressed by industry qualifications you get in school. These things cost money, and time. But these aren't the only things helpful. Those who had successfully changed careers after 45 told Generation that education and training had been a big help — and that included in-person, on-the-job training, "informal learning," and online courses — with or without certification.
- J) If they think we're too old to learn new skills after we're 45, just learning some new skills may have an effect on its own. There's a downside to this. The people least interested in retraining are more likely to come from historically disadvantaged communities, more likely to have low incomes, and are more likely to have the least schooling after getting their high-school diploma or earlier. On average, post-45 job switchers with higher incomes participate in 2.5 training programs each. Those with lower incomes: 0.9 programs on average.
- K) Many years ago, I wrote about a study which found that employers are much more likely to hire a college graduate who has some work experience in the industry than a college graduate who took the "right" degree. A bank is more likely to hire a literature graduate who spent their summers working in their local bank than a finance or economics graduate who spent their summers surfing or traveling around Italy. They've learned through long experience. The person who worked in the bank is more likely ready, willing and able to be part of the team and do the job from day 1.
- L) We can rail against "ageism" all we like. It gets us nowhere. And it's easy to forget that employers, like everyone else, are under time pressure and are just trying to solve problems. Any and all "training," including inexpensive and informal training, is going to help resolve their worries about hiring someone over 45. And it has never been easier or cheaper to gain instruction in new skills, thanks to the internet. Online schools like Udemy and Lynda.com offer sweet deals at sign-up. And courses on YouTube are free.
- M) Bottom line? Yes, it really can be difficult getting a new job after age 45, let alone changing careers. One of the best things we can do to help ourselves is to go online and learn new, relevant skills. Sadly, the people who most need the help are least likely to take it — which raises a challenge for society as a whole. Not only do we not want to see lives go to waste, but we all benefit if more people are working and fewer are unemployed.

36. Hiring managers believe unemployed workers over 45 lack good skills and are less adaptable.

37. Switching to a new career is difficult and getting reemployed after a layoff is even tougher.
38. People from poor neighborhoods tend to have the least interest in retraining.
39. Hiring managers who are not yet 45 years old seem unwilling to hire people their senior.
40. Some analysts find age 45+ jobless workers are most likely to be unemployed for more than a year.
41. People who had succeeded in career change after 45 told a nonprofit organization they owed a great deal to the education and training they had received.
42. Older workers who actively pursue more education and training have a good chance of being hired.
43. A new study finds that more education and training helps midcareer individuals find a new job.
44. Owing to the internet, it is now more convenient than ever to receive training in new skills.
45. People over 45 stimulated by training suffer shorter periods of unemployment, get more job offers and have greater satisfaction in them.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

New York's Eleven Madison Park has become the first vegan(素食主义的) restaurant to be awarded three Michelin stars.

The fine dining establishment received its first three-star Michelin rating in 2011 when the menu was famed for its fancy animal-based dishes.

However, last year, the restaurant's co-owner and famous chef, Daniel Humm, made the bold decision to remove meat from the menu, citing our unsustainable food system. While cow milk is still served for tea and coffee, the menu is almost 100 percent vegan.

At the time, Humm acknowledged the move was risky, admitting that "it wasn't clear if guests would come", but called the gamble "a risk worth taking."

"In view of the climate crisis, I didn't want to open the same restaurant," Humm told the Financial Times in an interview. "If we can show the possibilities of eating plant-based food in this setting, it can open a lot of doors" for others to follow.

Now, this impressive new accomplishment validates Eleven Madison Park's decision to take meat off the menu and embrace plant-based foods, with Michelin's 2022 New York guide branding it 'a bold vision of luxury dining'.

"We took the jump to transform Eleven Madison Park into a plant-based fine dining restaurant knowing in our hearts this is what we believed in," stated Humm on Instagram. "Last night, we were honored to be awarded three Michelin stars for the 11th year in a row. I am so grateful to the team members who contributed through

its nearly 25-year history. We are also grateful to our guests and partners who believed in our vision and encouraged us to push harder."

Three Michelin stars is the highest award, given to chefs who are at the peak of their profession. "Their cooking is elevated to an art form and some of their dishes are destined to become classics," reads Michelin's website, in a clear nod to plant-based foods' growing significance in the culinary(烹饪的) world.

"I think luxury companies have a real role to play and a responsibility," says Humm. "The more creative we are, the more beautiful and delicious our future will be."

46. What do we learn about New York's Eleven Madison Park?

- A) It is the first vegan restaurant to receive the highest Michelin rating.
- B) It is the first restaurant in the city to remove meat from its menu.
- C) It was famed throughout the U.S. for its fancy regional dishes.
- D) It was established as a three-star Michelin restaurant in 2011.

47. Why did Daniel Humm decide to remove meat from the menu of his restaurant?

- A) To encourage more customers to be vegan.
- B) To contribute to a sustainable food system.
- C) To show the appeal of a plant-based menu.
- D) To strive for the three-star Michelin rating.

48. What did Daniel Humm think of his move to a meat-free menu?

- A) It was a worthwhile effort even though he was unsure of its success.
- B) It would set a model for many more restaurants to follow.
- C) It was a mad gamble few chefs in the fine dining world would risk taking.
- D) It would prove a right step to take in today's catering business.

49. What does Michelin's 2022 New York guide say about Eleven Madison Park's decision?

- A) It elevates the restaurant's cooking to an art form.
- B) It proves the validity of ratings awarded by Michelin.
- C) It shows a daring foresight regarding future fine dining.
- D) It is an effort to transform the restaurant into a luxury one.

50. What does the awarding of three Michelin stars to Eleven Madison Park indicate?

- A) An optimistic vision of vegan foods becoming mainstream.
- B) A greater responsibility for the culinary world to undertake.
- C) A strong incentive for more restaurants to offer healthier foods to their customers.
- D) An explicit recognition of the rising importance of restaurants serving vegan foods.

Passage Two

Questions 51 to 55 are based on the following passage.

With genetic testing becoming increasingly popular, many people are left wondering exactly how accurate it is. Whether you are taking a DNA test to build your extended DNA family tree, or want precise information on

inborn(先天的) health conditions, it is important to understand how accurate genetic tests are, and what information we can rely upon.

How accurate DNA tests are relies greatly upon the kind of test being taken, on the specific question you ask, and on how complex the genetics behind a trait(特征) is. For example, tests for traits that depend on a single gene provide much more reliable results, because you can see whether a disease-causing trait is present.

Ancestry tests claim to reveal our genetic identities. But saying you are 30 percent East Asian or American hardly reflects your real ancestry.

What about using DNA tests to discover distant family members? There are tools to compare one's DNA with others' to find distant relatives based on their genetic identification. These kinds of applications are generally accurate. It's relatively easy to tell whether two DNA samples belong to close relatives. With distant relatives, results become hazier.

Genetic health tests claim to be able to detect certain hereditary(遗传的) diseases, or other health conditions. While certain rare diseases can be easily identified, most potential health conditions cannot be identified by genetic testing alone. The large majority of our traits and diseases also depend upon non-genetic factors, such as lifestyle, the environment, and many others.

Genetic tests for multi-factorial traits are often very tricky to interpret. Height, for example, depends on hundreds of genes, each contributing a little to the outcome, together with a bunch of environmental factors. A test can look at many genes at once, but it's difficult to predict how they will play together. Then you should also account for non-genetic factors that are not written in the DNA.

Tests that offer to find your perfect romantic match and those claiming to predict personality or talents based on your DNA are pure nonsense. At the moment, the scientific bases for these applications are non-existent or incredibly weak.

51. What does the passage say is of importance regarding genetic tests?

- A) Knowing their accuracy.
- B) Evaluating their applicability.
- C) Utilizing the information they provide.
- D) Weighing the consequences they have.

52. What kind of genetic tests tend to be comparatively reliable?

- A) Those complex enough to reveal the genetics behind a trait.
- B) Those looking for traits responsible for certain diseases.
- C) Those focusing on the specific questions being asked.
- D) Those looking for traits determined by a single gene.

53. What do we learn about genetic health tests from the passage?

- A) They are unable to identify certain hereditary diseases by themselves.
- B) They are generally unable to separate genetic and non-genetic factors.
- C) They cannot independently identify the majority of potential diseases.
- D) They cannot tell apart the impact of lifestyle and that of the environment.

54. What makes genetic tests for multi-factorial traits tricky to interpret?
- A) The challenge in determining the role of each individual gene.
 - B) The difficulty of foretelling how the various genes will interact.
 - C) The difficulty of telling genetic factors from environmental ones.
 - D) The enormous work to identify the hundreds of genes involved.
55. What does the passage say about DNA tests to predict personality or talents?
- A) They are solid scientific bases for application.
 - B) They are helpful in finding a romantic match.
 - C) They do not look promising at the moment.
 - D) They do not make any sense at present.

Part IV

Translation

(30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

中国政府十分重视绿色经济的发展。通过加强森林资源保护、加大污染治理力度等一系列措施，许多地区的生态环境得到了显著改善。绿水青山 (lucid waters and lush mountains) 促进了当地的旅游、健康等产业的发展，创造了可观的经济效益。如今，生态环境与人类社会和谐共存的观念在中国已深入人心。绿色经济的推进不仅能为中国可持续发展做出贡献，也为全球环境保护提供了宝贵经验。

2025年12月·第3套英语四级写作·题目、范文与解析

PROMPT & MODEL ESSAY • 写作题和范文

写作题和范文

本页写作题面、参考范文与逐段解析由懒笔记基于2025年12月·第3套 英语四级写作原卷整理。与试卷排版同一卷面：完整写作要求（Directions，含主题、文体、词数与署名约束）连续排印。写作是生产性任务、无 ABCD 标准答案——题面即整道题；卷面下方直接给出满足全部硬约束的参考范文、整篇中译与逐段拆解。

真题卷第3套(2025-12) • 英语四级

Part I

Directions: Suppose your university is organizing a forum on how students can make the best use of on-campus resources for academic development. You are now to write an essay to express your view. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.

【参考范文·142词】 写作无唯一标准答案，以下为达标示范

On-campus resources are a treasure that too many students overlook. In my view, actively making use of these facilities is one of the smartest ways to boost our academic development.

There are several practical steps we can take. First, we should visit the library and its online databases regularly, since they offer academic papers and books that turn a rough idea into a well-supported argument. Moreover, we ought to consult professors during their office hours, because a ten-minute talk often clears up confusion that hours of self-study cannot. In addition, attending academic lectures and joining study groups exposes us to fresh perspectives and keeps our motivation high.

In short, the campus is full of tools waiting to be used. Only by taking the initiative to utilize them can we truly grow as learners and get the most out of our university years.

【参考译文】

校内资源是一座被太多学生忽视的宝藏。在我看来，主动利用这些设施，是提升我们学业发展最聪明的方式之一。

我们可以采取几项切实可行的做法。首先，我们应当经常光顾图书馆及其在线数据库，因为它们提供的学术论文和书籍能把一个粗糙的想法变成有充分支撑的论证。此外，我们应当在教授的答疑时间当面请教，因为一次十分钟的交流，往往能解开数小时自学都绕不过去的困惑。再者，参加学术讲座、加入学习小组能让我们接触到新视角，并保持高昂的学习动力。

总之，校园里满是等待被利用的工具。只有主动去利用它们，我们才能真正作为学习者成长，把大学时光用到极致。

【第1段】首段两句立观点。本段用『点题引入+亮明观点』句架：一句 On-campus resources are a treasure that too many students overlook 把话题立起来，一句 In my view 抛出总观点，落实了 outline 第一段『点价值亮总观点』的功能。

【第2段】主体段并列三做法。本段以 There are several practical steps 领起，用 First / Moreover / In addition 串起图书馆数据库、请教教授、听讲座三条做法，每条都跟一句 since/because 理由，落实『分点给具体做法』。

【第3段】结尾重申并升华。本段用 In short 收束、Only by ... can we ... 强调句升华，重申主动利用资源方能成长，落实『重申升华呼应主题』。

ANALYSIS • 审题与立意

这道题到底要写什么、立意是什么

动笔前先钉死本题的核心写作任务与读者语域，再定中心立意与要展开的要点——这些是本题特有的内容判断，不是通用套路。

核心任务

为利用校内资源促学业表态

本题核心任务是就『学生如何 make the best use of on-campus resources for academic development』写一篇 express your view 的议论文——既要给出利用资源的具体做法，也要亮明你个人的观点，两者缺一不可。落点必须扣住 academic development，不能写成泛泛的大学生活感悟。

读者 • 语域

面向阅卷人的正式书面语

题目设定的场景是学校 organizing a forum（组织一场论坛），你的文章是向论坛表达看法，没有具体收信人，因此用面向阅卷人的正式书面语即可：不写称呼和落款，避免 wanna、gonna 一类口语缩写，通篇保持议论文的客观正式语气。

中心立意

主动利用校内资源是学业成长捷径

本篇中心论点：主动、有策略地利用校内资源，是推进 academic development 最聪明的途径；学生不该让图书馆、数据库、教授答疑这些资源闲置。

要展开的要点

1. 常泡图书馆与数据库查资料

第一条做法：定期使用图书馆及其在线数据库，把零散想法查成有文献支撑的论证——这是最直接服务学业的资源。

2. 利用答疑时间请教教授

第二条做法：抓住教授的 office hours 当面请教，一次十分钟的交流常能解开自学几小时都绕不过的困惑。

3. 听学术讲座并加入学习小组

第三条做法：参加学术讲座、加入学习小组，接触新视角、维持学习动力，让资源利用从个人延伸到同伴协作。

STRUCTURE • 谋篇与逐段

怎么分段、每段写什么、能套哪些句架

按写作家族给出现成的段落框架（每段承担什么功能），并为每段配可直接套用的 功能句架（留出填本题内容的空位）。段序与上方参考范文——对应。

第 1 段 点价值亮总观点

开门见山点出校内资源对学业成长的价值，并抛出全文中心论点。

第 2 段 分点给具体做法

主体段并列给出 2-3 条利用资源的具体做法，每条做法都带理由或微例证。

第 3 段 重申升华呼应主题

收尾重申观点、简短升华，呼应论坛主题，强调主动利用的重要性。

第 1 段 资源常被忽视但利于学业

本段内容：指出许多学生忽视校内资源，而主动利用它们是推进 academic development 最聪明的方式之一。

点题引入 · ... are a treasure that too many students overlook. (用『被忽视的宝藏』切入话题，主语填本题的资源)

亮明观点 · In my view, actively ... is one of the smartest ways to ... (用 In my view 直接表态，空位填做法与目标)

第 2 段 查资料+问教授+听讲座

本段三条并列做法：常用图书馆与在线数据库查文献；利用 office hours 请教教授；参加学术讲座、加入学习小组——每条都扣住怎么服务 academic development。

领起主题句 · There are several practical steps we can take. (一句话总起下文的并列要点)

并列过渡 · First, ... Moreover, ... In addition, ... (三个过渡词各引出一条做法，保持层次)

做法加理由 · we should ..., since / because ... (先给做法再用 since/because 补一句理由)

第 3 段 重申主动利用才能成长

本段内容：重申校园里满是待用的工具，只有主动利用才能真正成长、把大学时光用到极致，呼应 organizing a forum 的主题。

收束重申 · In short, ... (用收束词一句话总括全文观点)

强调升华 · Only by ... can we ... (倒装强调句拔高，突出『主动利用』的必要性)

本题在四个评分维度怎样算达标、容易在哪丢分

按阅卷四维（内容切题 / 结构连贯 / 语言准确 / 字数格式）给出本题达标要点，并把最容易踩的低分写法摆出来 + 给改法 —— 这是写作版的「狠拆诱人错项」。

内容切题

既表态又给做法且扣学业

本题达标要点：既写出 express your view 的个人观点，又给出可操作做法，且做法始终服务 academic development；最易失分处是只罗列资源不谈观点，或写偏成大学生生活感悟。

结构连贯

三段分明过渡词齐全

本题达标要点：三段各司其职、主体段过渡词把三条做法串清；易失分处是通篇一段不分，或做法之间无衔接词硬堆。

语言准确

用学业词替口水话防中式英语

本题达标要点：把口语化的『好好用资源』升级成 make the best use of 这类准确表达；易失分处是逐字直译的中式英语，如把『问老师问题』写成 ask teacher question。

字数格式

落在区间内且分三段

本题硬要求 You should write at least 120 words but no more than 180 words，写不够或超都扣分，建议稳落在区间中段；同时确认分成清晰三段、无需称呼署名。

典型低分写法 • 反面示例与改法

写成大学生生活感悟

反面示例：College life is so colourful, with clubs, sports and friends making every day exciting.

（通篇校园生活感慨，完全没扣资源与学业）。改法：换成 The library and its databases help me turn a rough idea into a well-supported paper. （扣住具体资源如何服务学业）。

只喊要利用资源

反面示例：We should cherish our resources and study hard every day.（只喊口号，没有任何抓手）。改法：We should consult professors during their office hours to clear up confusion that self-study cannot solve.（给出具体做法与收益）。

三条其实一个意思

反面示例：First, study hard. Second, work hard. Third, never stop learning.（三条同义反复，纯注水）。改法：三条各占一类资源——数据库查文献、教授答疑、学术讲座——核心动作互不重叠。

Part III Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

Earth Day is an annual celebration that honors the achievements of the environmental movement and raises awareness of the need to protect Earth's natural resources for future generations. Earth Day is celebrated on April 22 in the United States and on either April 22 or the day the spring equinox(春分) occurs throughout the 26 of the world.

地球日是一个年度庆祝活动，旨在表彰环境保护运动所取得的成就，并提高人们保护地球自然资源以造福后代的意识。在美国，地球日于4月22日庆祝，而在世界其他地区，地球日在4月22日或春分发生的那一天庆祝。

Environmental activism during the 1960s 27 Wisconsin Senator Gaylord Nelson to create a 28 celebration uniting the environmental movement. With the help of Denis Hayes, a graduate student at Harvard University, Nelson organized the first Earth Day on April 22, 1970, educating participants in the 29 of environmental protection. Attended by 20 million people across the United States, the event 30 support for legislation such as the Clean Air Act and the Endangered Species Act.

20世纪60年代的环保行动主义激励威斯康星州参议员Gaylord Nelson创立了一个将环境保护运动团结起来的全国性庆祝活动。在哈佛大学研究生Denis Hayes的帮助下，Nelson于1970年4月22日组织了第一个地球日，向参与者宣传环境保护的重要性。这次活动吸引了全美2000万人参加，加强了对《清洁空气法》和《濒危物种法》等立法的支持。

In 1990, Hayes organized a global Earth Day, with more than 200 million participants in 140 countries. Earth Day now brings 31 citizens and activists from around the world to raise

awareness and take action regarding such environmental 32 as global warming and renewable energy.

1990年，Hayes组织了一次全球地球日活动，140个国家的2亿多人参与其中。如今，地球日将来自世界各地的公民和活动家聚集在一起，以提高人们对全球变暖和可再生能源等环境问题的认识并采取行动。

Today, the Earth Day Network, which rallies more than 20,000 33 and organizations in 190 countries, supports the Earth Day mission year-round. This mission is founded on the proposition that all people, regardless of race, gender, income, or 34, have a moral right to a healthy, sustainable environment. The Earth Day Network 35 this mission through education, public policy, and activism campaigns.

如今，地球日网络在190个国家聚集了2万多个合作伙伴和组织，全年支持地球日使命。这一使命建立在这样一个主张之上：所有人，无论种族、性别、收入或地域如何，都有享受健康、可持续环境的道德权利。地球日网络通过教育、公共政策和行动主义运动来践行这一使命。

| F) imposed | N) strengthened |
| G) inspired | O) together |
| H) national | |

26. on either April 22 or the day the spring equinox(春分) occurs throughout the __(26)__ of the world.

【答案】 **M) rest** (名词)

【词性槽】 the __ of the world: 定冠词 + 空 + of, 典型名词位

【依据】 **the rest of the world: 固定搭配, 指"世界其余地方"**

本句对比的是"美国 (the United States) "和"世界其他地方"两部分——Earth Day is celebrated on April 22 in the United States and on either April 22 or the day the spring equinox(春分) occurs throughout the __(26)__ of the world. "the rest of the world" (世界其余地方) 正是这种二分对照的固定表达, 语义和搭配双双吻合。

【竞争词】 **A) concerns concerns of the world 语义错位**

concerns 意为"关切事项", "the concerns of the world"指"世界的关切问题", 与本句"在世界其余地方庆祝"的地理范围语义完全不搭。

B) expansion expansion 指"扩张", 与对比语境不合

the expansion of the world 意为"世界的扩张", 原文要表达的是"美国 vs 世界其他地方"的地域对比, 扩张没有对照含义, 不通。

D) geography geography 偏"地理学/地形", 不指"其余地区"

the geography of the world 通常指"世界的地理 (地形地貌)", 强调地理特征, 无法承担"美国以外的其他地方"这层"其余"含义。

E) importance importance 是抽象"重要性", 与地点状语冲突

the importance of the world 意为"世界的重要性", 但本句是 throughout 引导的地点范围状语, 需要的是"地方"概念, importance 完全跑题。

I) partners partners 复数指"合作伙伴们", 与 the...of the world 不搭

the partners of the world 不是一个自然搭配, 且 throughout "遍及"后接的是地理范围、不是人群。

J) potential potential 指"潜力", 不能承载"地方"语义

the potential of the world 意为"世界的潜力", 与 throughout 表达"在.....各地"的地点范围意义不一致。

L) rescues rescues 指"救援", 与本句话题彻底无关

the rescues of the world"世界的救援"在本句完全无依据, 地球日叙述中并未涉及救援行动。

27. Environmental activism during the 1960s __(27)__ Wisconsin Senator Gaylord Nelson to create a national celebration

【答案】 **G) inspired** (动词)

【词性槽】 Environmental activism ... __ Wisconsin Senator ... to create: 主语后缺谓语, 需谓语动词

【依据】 **inspire sb to do sth: 激励某人去做某事**

Environmental activism during the 1960s __(27)__ Wisconsin Senator Gaylord Nelson to create a national celebration uniting the environmental movement.——"20 世纪 60 年代的环保运动激励参议员去创立一场全国性的环保庆典", inspire sb to do 是英语里表"激发某人做某事"的高频固定搭配, 过去式 inspired 也与下文 1970 年时间线一致。

【竞争词】 **F) imposed impose 不能直接跟 sb to do 结构**

impose 意为"强加(义务/税收/规定)", 典型结构是 impose sth on sb, 无法直接构成 imposed sb to do; 语义上也偏"强迫", 与"环保运动激励议员"的正面叙述色彩相反。

K) pursues pursues 时态错 + 搭配错

pursues 是一般现在时第三人称单数, 本句叙述 1960 年代的过去事件, 时态不匹配; 且 pursue 后通常接"目标/事业"等宾语, 不接"sb to do"。

【易错】最具迷惑性的错误词是 **F)** —— imposed 时态对但结构错。Environmental activism during the 1960s __(27)__ Wisconsin Senator Gaylord Nelson to create 极易因 imposed 与 inspired 都是过去式而二选一卡壳; 防坑要诀: impose 不接 sb to do (典型是 impose sth on sb), inspire 才有 inspire sb to do sth 的固定结构——记住搭配是关键。

28. Wisconsin Senator Gaylord Nelson to create a ____(28)___ celebration uniting the environmental movement.

【答案】 **H) national** 形容词

【词性槽】 a ___ celebration: 冠词 + 空 + 名词, 定语位

【依据】 **a national celebration: 呼应"全国统一的环保运动"**

下文 With the help of Denis Hayes, a graduate student at Harvard University, Nelson organized the first Earth Day on April 22, 1970 和 Attended by 20 million people across the United States 都明示这是一场"全美"的活动; "a national celebration uniting the environmental movement"意为"一场全国性的、把环保运动联合起来的庆典", 与下文 20 million people across the United States 完全呼应。

【竞争词】 G) inspired inspired 修饰 celebration 语义牵强

an inspired celebration 字面是"一场受启发的庆典", inspired 通常修饰人或想法 (an inspired idea/leader), 用来修饰 celebration 极不自然, 且与下文"团结环保运动"的目的没关联。

J) potential potential celebration 矛盾——既然 create 了就不再是"潜在的"

potential 意为"潜在的、可能的", 但本句动词是 create (创立), 创立出来的就是真实存在的庆典, 不再是"潜在"。逻辑上自相矛盾。

29. educating participants in the __(29)__ of environmental protection.

【答案】 **E) importance** (名词)

【词性槽】 in the ___ of: 固定名词框架

【依据】 **educate sb in the importance of sth: 教育某人意识到某事的重要性**

原文语境: educating participants in the __(29)__ of environmental protection.——"教育参与者认识到环保的重要性"是地球日活动最朴素直接的目的。"the importance of + 抽象名词"也是英语高频搭配。

【竞争词】 **A) concerns concerns 偏"具体关切事项", 搭配上 the + 单数感不对**

the concern of environmental protection 即便存在也偏"环保的关切对象", 把它代回原句"教育参与者认识环保的 concerns"很别扭; 且 concerns 是复数, 与 the...of 单数框架的常见用法不顺。

B) expansion expansion of environmental protection 在本句逻辑里突兀

expansion"扩张"代回得到"教育参与者认识环保的扩张", 本段并未涉及"环保的扩张"这一话题, 与下文 support for legislation 的衔接也不顺。

D) geography geography of environmental protection 不通

"环保的地理"在本句毫无依据, 且 educate sb in the geography of... 是"教某人.....的地理知识", 与"提高环保意识"主旨完全不搭。

I) partners partners 是复数且语义不对

the partners of environmental protection"环保的合作伙伴"既不符合"教育参与者意识到"的搭配, 也与 33 题真正需要 partners 的位置冲突——本空若提前用掉 partners, 后面 33 题就会卡壳。

J) potential potential of environmental protection 偏"潜力", 与下文不接

"环保的潜力"语义上能讲通, 但下文 the event __(30)__ support for legislation 落点是"推动立法", 靠的是参与者"认识到环保的重要性"才会去支持立法, 而不是"认识到环保的潜力"。importance 与下文因果衔接更紧。

L) rescues rescues 完全跑题

"环保的救援"于本句无任何上下文支持, 是明显错项。

【易错】最具迷惑性的错误词是 **J)** —— potential 沾边但抓不准因果。educating participants in the __(29)__ of environmental protection 极易因为"the potential of"也是地道搭配而误选 J; 防坑要诀: 往下读一句, 看下文落点是"推动立法"——要让人去推动立法, 必须先认识到事情的"重要性" (importance) 而不是"潜力", 因果链才接得上。

30. Attended by 20 million people across the United States, the event __(30)__ support for legislation such as the Clean Air Act and the Endangered Species Act.

【答案】 **N) strengthened** (动词)

【词性槽】 the event __ support: 主语后缺谓语, 需过去时动词

【依据】 **strengthened support for legislation: 增强了对立法的支持**

the event __(30)__ support for legislation such as the Clean Air Act and the Endangered Species Act.——一场 2000 万人参与的环保活动, 推动并加强了对清洁空气法案等环保立法的支持, 这是因果链最自然的写法; strengthen support 是英语里高频积极搭配。

【竞争词】 **F) imposed imposed support 搭配不成立、语义对抗**

impose 意为"强加", imposed support 字面是"强加支持", 搭配上极怪; 且 impose 的对象常是 obligation/tax/sanction, 用在公众自发推动立法这一正面语境里, 色彩完全相反。

31. Earth Day now brings __(31)__ citizens and activists from around the world

【答案】 **O) together** (副词)

【词性槽】 brings __ citizens: bring 后接副词, 构成 bring together 短语

【依据】 **bring together: 把 (来自世界各地的人) 聚到一起**

Earth Day now brings __(31)__ citizens and activists from around the world to raise awareness and take action——bring together citizens and activists from around the world 是"把全世界的公民和活动家聚到一起"的标准表达, 与下文"共同提高意识、采取行动"的语义完美衔接。

【竞争词】 **c) forth bring forth 意为"产生、提出", 与"人"不搭**

bring forth 多用于 bring forth ideas/results/a child (产生想法/结果/孩子), 后接"人"作宾语极不自然; 且与下文"从世界各地聚来"的范围语义不符。

32. to raise awareness and take action regarding such environmental __(32)__ as global warming and renewable energy.

【答案】 **A) concerns** (名词)

【词性槽】 such environmental __ as global warming and renewable energy: such...as 结构里的复数名词

【依据】 **environmental concerns: 环境关切/环保议题**

such environmental __(32)__ as global warming and renewable energy——"诸如全球变暖、可再生能源等环境议题", environmental concerns 是英语里描述环保领域议题最高频的固定搭配, 与所举两例 (一个问题、一个解决方向) 都吻合。

33. the Earth Day Network, which rallies more than 20,000 __ (33) __ and organizations in 190 countries

【答案】 **I) partners** (名词)

【词性槽】 rallies more than 20,000 __ and organizations: 数量词+空+and+名词, 并列名词位

【依据】 **partners and organizations: "合作伙伴 + 组织"是地球日网络的天然描述**

the Earth Day Network, which rallies more than 20,000 __ (33) __ and organizations in 190 countries——一个推动全球环保使命的网络, 团结的正是各种 "partners (合作伙伴/成员单位) 和 organizations (组织)", 这是英文里描述全球性平台最常见的表达。

【竞争词】 **L) rescues rescues 不能和 organizations 并列指主体**

rescues"救援行动"是事件名词, 无法与 organizations"组织"并列充当 rally (团结、聚集) 的宾语——团结的对象应是"人/单位", 不是"行动"。语义错位。

34. all people, regardless of race, gender, income, or __ (34) __

【答案】 **D) geography** (名词)

【词性槽】 race, gender, income, or __: 并列名词序列的末项

【依据】 **geography 在此指"地域/地区", 与种族、性别、收入并列为人的归属属性**

all people, regardless of race, gender, income, or __ (34) __, have a moral right to a healthy, sustainable environment.——种族、性别、收入都是描述"人是谁"的范畴, geography 用作"地理 (出身/所在地)"恰好补全这一系列, 强调"无论你来自哪里"。这种用法在英语严肃文体里常见, 例如 regardless of geography"不论地域"。

【竞争词】 **B) expansion expansion 不属于"人的属性"**

expansion"扩张"不是描述人群差异的范畴, 无法与 race/gender/income 同类并列。

J) potential potential 抽象但不属"出身/分类"维度

potential"潜力"是个体能力描述, 不是天然属性, 逻辑上"不论潜力如何"在本句价值宣言中也不合常理——本句强调的是"不论出身条件", 而非"不论能力高低"。

35. The Earth Day Network __ (35) __ this mission through education, public policy, and activism campaigns.

【答案】 **K) pursues** (动词)

【词性槽】 The Earth Day Network __ this mission: 主语后缺谓语, 需第三人称单数现在时动词

【依据】 **pursues this mission: 推行/践行这一使命**

The Earth Day Network __ (35) __ this mission through education, public policy, and activism campaigns.——"通过教育、公共政策、活动倡议来推行这一使命", pursue a mission 是"追求/推行某项使命"的固定积极搭配, 时态、单复数、感情色彩全合。

15 个候选词 · 词性与词义

选词填空文后的共享词库共 **15** 个词 (A-O)，为 10 个空各选一个、每词最多用一次。
下面给出每个词的词性与中文词义；标注「用于第 N 空」的 10 个为答案，其余 5 个为干扰词。

A) **concerns** 名词 动词

名词：关切的问题、忧虑事项；动词：使担忧、涉及

用于第 32 空

B) **expansion** 名词

扩张、扩展

干扰词 · 未选用

C) **forth** 副词

向前、向外（多用于 back and forth、set forth 等搭配）

干扰词 · 未选用

D) **geography** 名词

地理、地理位置、地域

用于第 34 空

E) **importance** 名词

重要性

用于第 29 空

F) **imposed** 动词

强加、征收 (impose 的过去式/过去分词)

干扰词 · 未选用

G) **inspired** 动词 形容词

动词：激励、启发 (inspire 的过去式/过去分词)；形容词：受到启发的

用于第 27 空

H) **national** 形容词

全国的、国家的

用于第 28 空

I) **partners** 名词 动词

名词：合作伙伴、搭档 (复数)；动词：与.....合作

用于第 33 空

J) **potential** 名词 形容词

名词：潜力；形容词：潜在的

干扰词 · 未选用

K) **pursues** 动词

追求、推行、从事 (pursue 的第三人称单数)

用于第 35 空

L) **rescues** 名词 动词

名词：营救 (复数)；动词：营救 (第三人称单数)

干扰词 · 未选用

M) **rest** 名词 动词

名词：其余部分、休息；动词：休息、依靠
用于第 26 空

N) **strengthened** 动词

加强、巩固 (strengthen 的过去式/过去分词)
用于第 30 空

O) **together** 副词

一起、共同 (常与 bring/come/put 等搭配)
用于第 31 空

全文主旨

地球日的由来与全球化使命

全文围绕"地球日 (Earth Day)"展开：先点明它是一个旨在唤起环保意识、保护自然资源的年度庆典——Earth Day is an annual celebration that honors the achievements of the environmental movement and raises awareness of the need to protect Earth's natural resources for future generations.; 再倒叙它从 1970 年由 Wisconsin Senator Gaylord Nelson 发起、到 1990 年走向全球、再到今天由 Earth Day Network 在 190 个国家推动其使命的发展脉络。全篇是一篇典型的"叙事 + 说明"型科普短文，话题中性正面。

DISTRACTORS · 干扰词复盘

这 5 个词始终没被任何空选用

词库 15 词里有 5 个是命题人埋的干扰词——它们词性看着也对、词义也沾点边，却不该填进任何一个空。下面逐个剖析它们最像哪个空的答案、为什么是陷阱。

B) **expansion** 最像 26 题答案：与 the...of 框架形式贴合

expansion 是名词，在 throughout the _(26)_ of the world 里乍看 the expansion of the world 也符合"the+名词+of"框架，但语义上"世界的扩张"与 throughout 引导的地点范围彻底冲突——识破方法：固定搭配 the rest of the world 在英语里地位远高，且对照"the United States vs 其余地方"的二分逻辑只能选 rest。

C) **forth** 最像 31 题答案: 同为副词、且 bring forth 是真实短语

31 题 Earth Day now brings __(31)__ citizens and activists from around the world 里 brings 后接副词, bring forth 也是真存在的动副短语, 容易被选成 C; 但 bring forth 后接的是"想法/结果/产物", 本空后接"人", 搭配按宾语类型一卡, 立刻倒向 together。

F) **imposed** 最像 27/30 两道动词空: 同为过去式动词

imposed 与 inspired/strengthened 都是 -ed 结尾的过去式动词, 27 题 __(27)__ Wisconsin Senator Gaylord Nelson to create 和 30 题 the event __(30)__ support 都可能误选 F; 识破方法——impose 的典型结构是 impose sth on sb, 不能直接跟 sb to do; 且语义偏"强加(中性/负面)", 与本段"环保正面推动"的叙述色彩冲突。

J) **potential** 最像 29 题答案: 与 environmental protection 沾边

educating participants in the __(29)__ of environmental protection 里 the potential of environmental protection"环保的潜力"看似讲得通, 但下文 strengthened support for legislation 这条因果链要求的起点是"让人意识到重要性"才会去支持立法, importance 比 potential 更紧贴; 识破方法——把候选代回去, 看与下文因果是否衔接。

L) **rescues** 最像 33 题答案: 复数名词形式与 organizations 形式相称

33 题 rallies more than 20,000 __(33)__ and organizations in 190 countries 中 rescues 也是复数名词, 形式上能塞进去, 但语义类别错——organizations 是"参与主体", 并列项也必须是"主体", rescues"救援行动"是事件, 类别不符; 识破方法——并列同类律。

SENTENCE INSIGHTS • 句子精讲

5 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Earth Day is an annual celebration that honors the achievements of the environmental movement and raises awareness of the need to protect Earth's natural resources for future generations.

第1段，第1句

主系表加限制性定语从句的结构在四六级和考研阅读中高频出现,常用于定义概念或描述事物性质。从句内并列谓语的用法也很典型。掌握本句的拆解方法可迁移到大量类似句型,代表性较强。

Environmental activism during the 1960s inspired Wisconsin Senator Gaylord Nelson to create a national celebration uniting the environmental movement.

第2段，第1句

本句覆盖主语、谓语、宾语、宾语补足语四种核心成分，且宾语补足语为不定式短语（inspire sb to do sth 结构），是常考的动词搭配；宾语补足语内部还包含现在分词作定语，能训练学生区分不定式与分词的用法；但缺少状语从句、定语从句等复杂成分，整体训练覆盖面中等。

Attended by 20 million people across the United States, the event strengthened support for legislation such as the Clean Air Act and the Endangered Species Act.

第2段，第3句

分词短语前置作状语修饰主句,是四六级和考研阅读中的高频句式,尤其在新闻报道和学术语境中常见。掌握这种结构对于理解倒装和修饰关系具有很强的迁移性,学生可将此方法应用于大量类似句型。

In 1990, Hayes organized a global Earth Day, with more than 200 million participants in 140 countries.

第3段，第1句

简单句在真题中确实会出现，但通常作为复杂句的一部分或作为过渡句。独立的简单句在四六级和考研阅读中占比不高，本句作为句式代表性一般，学习后的迁移价值有限。

Earth Day now brings together citizens and activists from around the world to raise awareness and take action regarding such environmental concerns as global warming and renewable energy.

第3段，第2句

本句采用主谓宾加目的状语的结构，且目的状语由较长的不定式短语构成，这是四六级和考研英语阅读中常见的句式。并列成分的使用和介词短语作后置定语也具有较高代表性，掌握后可迁移到大量类似句子。

STATEMENTS & ANALYSIS • 信息匹配题和解析

信息匹配题和解析·36-45 题

本页 36-45 题的段落匹配答案与逐句解析由懒笔记基于2025年12月·第3套 英语四级长篇阅读（信息匹配）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 13 段字母标号长文（逐段附中文翻译）；之后 10 句陈述逐句排列，每句英文陈述后紧接本句解析——陈述句中译、信息所在段落、锚点强弱、定位句中英对照、陈述句与原文的同义改写对照与易混相邻段辨析。

真题卷第3套(2025-12) • 英语四级

Part III Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

Looking for a job after 45

A) Ageism and long-term unemployment are most damaging for those in the second half of their careers. Changing careers is hard. Getting back into work after you've been laid off is even harder. Those over 45 make up the bulk of the long-term unemployed, in America and elsewhere. Hiring managers admit they are reluctant to hire those over 40 or 45, arguing they probably won't be a good "fit," their experience won't be relevant to the workplace, and they'll be unable or unwilling to learn new skills.

年龄歧视和长期失业对处于职业生涯后半段的人最具破坏性。转行很难。被解雇后重新找到工作更难。在美国和其他地方,45岁以上的人占长期失业者的大部分。招聘经理承认他们不愿雇用40岁或45岁以上的人,理由是他们可能不太"合适",他们的经验与工作场所不相关,而且他们无法或不愿意学习新技能。

B) But the one thing that can really make a difference? More education and training. These are the results from a new study by Generation, a nonprofit founded by former McKinsey consultants. They've just published a global survey on midcareer employment, based on surveys of over 5,000 workers and managers in seven countries.

但真正能产生影响的一件事是什么?更多的教育和培训。这些是Generation的一项新研究的结果,这是一个由前麦肯锡顾问创立的非营利组织。他们刚刚发布了一项关于职业中期就业的全球调查,该调查基于对七个国家5000多名工人和管理者的调查。

C) "Older midcareer workers ... make up the bulk of the long-term unemployed in many countries," Generation's analysts write in their report. Those over 45 comprise over 40% of the long-term

unemployed, for example. And if you're out of work past the age of 45, there's nearly a two in three chance you'll be out of work for over a year, they find. "Midcareer individuals are finding it harder to get jobs," they write. "People age 45+ face persistent and rising pressure in the global job market. They are unemployed for much longer than the average, and their age is indeed one of the greatest barriers to their finding a job."

Generation的分析师在报告中写道:"在许多国家,年龄较大的职业中期工作者.....构成了长期失业者的大部分。"例如,45岁以上的人占长期失业者的40%以上。他们发现,如果你在45岁以后失业,有近三分之二的可能性你会失业超过一年。他们写道:"职业中期的人发现找工作越来越难。45岁以上的人在全球就业市场上面临持续且不断增加的压力。他们失业的时间比平均水平长得多,而且他们的年龄确实是他们找工作的最大障碍之一。"

- D) A substantial part of this, they report, is "widespread ageism" on the part of hiring managers. Although such managers admit that post-45 hires turn out on average to be just as good as or better than younger workers, they still don't want to hire them. "Hiring managers have a strong perception bias against 45+ job candidates — they believe that members of this age group have poor skills and low adaptability," Generation's analysts report.

他们报告说,这在很大程度上是由于招聘经理方面"普遍存在的年龄歧视"。尽管这些经理承认45岁以后雇用的员工平均而言与年轻员工一样好或更好,但他们仍然不想雇用他们。Generation的分析师报告说:"招聘经理对45岁以上的求职者有很强的感知偏见——他们认为这个年龄段的成员技能差,适应能力低。"

- E) The survey results are remarkable. Hiring managers are three times as likely to rate job applicants age 35 – 44 as a better "fit" than those over 45. They rate the post-45 job seekers lower on average on all three measures — even experience — than those ages 18 to 34. This is true even though nearly nine managers in 10 also said their post-45 workers were as good as or better than younger employees in the same jobs.

调查结果令人震惊。招聘经理认为35至44岁的求职者比45岁以上的求职者更"合适"的可能性是后者的三倍。他们对45岁以后的求职者在所有三个衡量标准上的平均评分都低于18至34岁的求职者——甚至包括经验。即使近十分之九的经理也表示他们45岁以后的员工在相同工作中与年轻员工一样好或更好,情况依然如此。

- F) Their biggest fears about hiring those over 45? Managers said they worry that older hires will be reluctant to try new technologies, and will be unable to learn new skills. Besides, the majority of hiring managers are under 45 — and seem reluctant to hire people older than themselves.

他们对雇用45岁以上员工的最大担忧是什么?经理们说他们担心年龄较大的雇员会不愿尝试新技术,并且无法学习新技能。此外,大多数招聘经理都在45岁以下——而且似乎不愿雇用比自己年长的人。

- G) But here's the good news. Older workers who've actively engaged in more education and training relevant to their jobs turn this pretty much on its head. Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials(文凭). Among those over 45 who'd successfully switched careers, 74% said training helped them get their new job.

但这里有个好消息。积极参与与工作相关的更多教育和培训的年长工作者几乎完全扭转了这一局面。四分之三的招聘经理表示,他们更有可能雇用拥有相关教育、培训或文凭的45岁以上人员。在成功转行的45岁以上人员中,74%的人表示培训帮助他们获得了新工作。

- H) "Midcareer switchers overwhelmingly say that training enabled them to shift to a new career path," the analysts write. And when they asked over-45 candidates about their attitudes, they found that "those who are excited by training are unemployed for less time, receive more job offers, and are more satisfied by the job offers they receive."

分析师写道:"职业中期转行者压倒性地表示,培训使他们能够转向新的职业道路。"当他们询问45岁以上候选人的态度时,他们发现"那些对培训感到兴奋的人失业时间更短,收到更多工作邀约,并且对收到的工作邀约更满意。"

- I) Hiring managers said training was three times more likely to get them to hire applicants over age 45 than, say, government subsidies(补贴). What training are we talking about? Obviously it depends on the job. And, yes, managers are most likely to be impressed by industry qualifications you get in school. These things cost money, and time. But these aren't the only things helpful. Those who had successfully changed careers after 45 told Generation that education and training had been a big help — and that included in-person, on-the-job training, "informal learning," and online courses — with or without certification.

招聘经理表示,培训使他们雇用45岁以上申请者的可能性是政府补贴等措施的三倍。我们说的是什么培训?显然这取决于工作。是的,经理们最有可能对你在学校获得的行业资格印象深刻。这些东西需要花钱和时间。但这些并不是唯一有帮助的东西。那些在45岁后成功转行的人告诉Generation,教育和培训是很大的帮助——包括面对面的在职培训、"非正式学习"和在线课程——无论是否有认证。

- J) If they think we're too old to learn new skills after we're 45, just learning some new skills may have an effect on its own. There's a downside to this. The people least interested in retraining are more likely to come from historically disadvantaged communities, more likely to have low incomes, and are more likely to have the least schooling after getting their high-school diploma or earlier. On average, post-45 job switchers with higher incomes participate in 2.5 training programs each. Those with lower incomes: 0.9 programs on average.

如果他们认为我们在45岁以后太老而无法学习新技能,那么仅仅学习一些新技能本身就可能产生效果。这有一个不利方面。对再培训最不感兴趣的人更有可能来自历史上处于不利地位的社区,更有可能收入低,并且更有可能在获得高中文凭或更早之后接受的教育最少。平均而言,收入较高的45岁以后转行者参加2.5个培训项目。收入较低的人:平均0.9个项目。

- K) Many years ago, I wrote about a study which found that employers are much more likely to hire a college graduate who has some work experience in the industry than a college graduate who took the "right" degree. A bank is more likely to hire a literature graduate who spent their summers working in their local bank than a finance or economics graduate who spent their summers surfing or traveling around Italy. They've learned through long experience. The person who worked in the bank is more likely ready, willing and able to be part of the team and do the job from day 1.

许多年前,我写过一项研究,该研究发现雇主更有可能雇用在该行业有一些工作经验的大学毕业生,而不是获得"正确"学位的大学毕业生。银行更有可能雇用暑假在当地银行工作的文学专业毕业生,而不是暑假冲浪或在意大利旅行的金融或经济学专业毕业生。他们通过长期经验学到了这一点。在银行工作的人更有可能从第一天起就准备好、愿意并能够成为团队的一员并完成工作。

- L) We can rail against "ageism" all we like. It gets us nowhere. And it's easy to forget that employers, like everyone else, are under time pressure and are just trying to solve problems. Any and all "training," including inexpensive and informal training, is going to help resolve their worries about hiring someone over 45. And it has never been easier or cheaper to gain instruction in new skills,

thanks to the internet. Online schools like Udemy and Lynda.com offer sweet deals at sign-up. And courses on YouTube are free.

我们可以随意抨击“年龄歧视”。这让我们一无所获。而且很容易忘记,雇主和其他人一样,都面临时间压力,只是试图解决问题。任何和所有“培训”,包括廉价和非正式的培训,都将有助于解决他们对雇用45岁以上人员的担忧。由于互联网,获得新技能的指导从未如此容易或便宜。像Udemy和Lynda.com这样的在线学校在注册时提供优惠。YouTube上的课程是免费的。

M) Bottom line? Yes, it really can be difficult getting a new job after age 45, let alone changing careers. One of the best things we can do to help ourselves is to go online and learn new, relevant skills. Sadly, the people who most need the help are least likely to take it — which raises a challenge for society as a whole. Not only do we not want to see lives go to waste, but we all benefit if more people are working and fewer are unemployed.

底线?是的,45岁以后找新工作确实很困难,更不用说转行了。我们能为自己做的最好的事情之一就是上网学习新的相关技能。可悲的是,最需要帮助的人最不可能接受帮助——这给整个社会带来了挑战。我们不仅不想看到生命被浪费,而且如果更多的人工作、更少的人失业,我们所有人都会受益。

陈述句与逐句解析

36. Hiring managers believe unemployed workers over 45 lack good skills and are less adaptable.

招聘经理认为45岁以上的失业者缺乏良好的技能且适应能力较差。

【答案】 **D** 段 (强锚点)

【锚点】 技能差+适应力低

【定位】 Hiring managers have a strong perception bias against 45+ job candidates — they believe that members of this age group have poor skills and low adaptability

招聘经理对 45 岁以上的求职者抱有强烈的偏见——他们认为这一年龄群体的成员技能差、适应力低。

【改写】 lack good skills ↔ **poor skills**

反向短语+名词化的同义替换

less adaptable ↔ **low adaptability**

形容词比较级↔抽象名词

【辨邻】 **F** 段 F Managers said they worry that older hires will be reluctant to try new technologies, and will be unable to learn new skills. 只覆盖“学技能”一面, 未提及 less adaptable 对应的“低适应力”评价, 属典型的“只覆盖局部”。

Managers said they worry that older hires will be reluctant to try new technologies, and will be unable to learn new skills.

37. Switching to a new career is difficult and getting reemployed after a layoff is even tougher.

转换到新职业是困难的,而在裁员后重新就业则更加艰难。

【答案】 **A** 段 (强锚点)

【锚点】换职业+被裁后再就业

【定位】Changing careers is hard. Getting back into work after you've been laid off is even harder.
换工作是难的。被裁员后重新找到工作就更难。

【改写】Switching to a new career is difficult ↔ **Changing careers is hard**

动词与形容词的同义替换

getting reemployed after a layoff is even tougher ↔

Getting back into work after you've been laid off is even harder

动名词搭配+形容词比较级的同义

38. People from poor neighborhoods tend to have the least interest in retraining.

来自贫困社区的人往往对再培训最缺乏兴趣。

【答案】J 段（强锚点）

【锚点】穷社区+最不愿再培训

【定位】The people least interested in retraining are more likely to come from historically disadvantaged communities, more likely to have low incomes, and are more likely to have the least schooling after getting their high-school diploma or earlier.

对再培训最缺乏兴趣的人更可能来自历史上处境不利的社区，更可能收入低，更可能教育程度仅到高中或更低。

【改写】People from poor neighborhoods ↔ **come from historically disadvantaged communities**

poor neighborhoods↔disadvantaged communities 的同义替换

the least interest in retraining ↔ **The people least interested in retraining**

形容词与名词的形式互换

39. Hiring managers who are not yet 45 years old seem unwilling to hire people their senior.

尚未满45岁的招聘经理似乎不愿意雇用比他们年长的人。

【答案】F 段（强锚点）

【锚点】未满 45 的招聘经理+不愿招更年长者

【定位】Besides, the majority of hiring managers are under 45 — and seem reluctant to hire people older than themselves.

此外，大多数招聘经理本身不满 45 岁——并且似乎不愿意聘用比他们年长的人。

【改写】Hiring managers who are not yet 45 years old ↔ **the majority of hiring managers are under 45**

not yet 45↔under 45 同义

unwilling to hire people their senior ↔ **seem reluctant to hire people older than themselves**

senior↔older than themselves 的同义替换

【辨邻】 **D** 段 D they still don't want to hire them 讲的是经理对 45+ 求职者的偏见，并未提到题干强调的 not yet 45 years old 即经理本身的年龄因素。

Although such managers admit that post-45 hires turn out on average to be just as good as or better than younger workers, they still don't want to hire them.

40. Some analysts find age 45+ jobless workers are most likely to be unemployed for more than a year.

一些分析师发现45岁以上的失业者最有可能失业超过一年。

【答案】 **C** 段（强锚点）

【锚点】 失业超过一年

【定位】 And if you're out of work past the age of 45, there's nearly a two in three chance you'll be out of work for over a year, they find.

他们发现，如果你过了 45 岁又失业，那么你将有近三分之二的概率失业超过一年。

【改写】 age 45+ jobless workers ↔ if you're out of work past the age of 45

名词化↔条件从句的等值

most likely to be unemployed for more than a year ↔

there's nearly a two in three chance you'll be out of work for over a year

概率短语↔最高级形容词的等值

Some analysts find ↔ they find

they 指代分析师的明确化

41. People who had succeeded in career change after 45 told a nonprofit organization they owed a great deal to the education and training they had received.

那些在45岁后成功实现职业转换的人告诉一家非营利组织,他们很大程度上归功于所接受的教育和培训。

【答案】 **I** 段（强锚点）

【锚点】 成功转职者+告诉非营利组织+归功培训

【定位】 Those who had successfully changed careers after 45 told Generation that education and training had been a big help — and that included in-person, on-the-job training, "informal learning," and online courses — with or without certification.

那些 45 岁后成功转换职业的人告诉 Generation：教育和培训给了他们很大帮助——这些培训包括面对面的、在岗培训、“非正式学习”以及在线课程——有无证书都算。

【改写】 People who had succeeded in career change after 45 ↔

Those who had successfully changed careers after 45

名词短语↔副词+动词的等值

told a nonprofit organization ↔ **told Generation**

专名↔属性的跨段回溯等值

they owed a great deal to the education and training they had received ↔

education and training had been a big help

owed a great deal to↔had been a big help 的同义替换

【辨邻】 **G** 段 G Among those over 45 who'd successfully switched careers, 74% said training helped them get their new job. 只给出比例，未指明对话对象，缺少题干强调的"告诉一个非营利组织"这一动作。

Among those over 45 who'd successfully switched careers, 74% said training helped them get their new job.

H 段 H Midcareer switchers overwhelmingly say that training enabled them to shift to a new career path 是作者对结论的概括式转述，没有题干的"told a nonprofit organization"动作链条。

Midcareer switchers overwhelmingly say that training enabled them to shift to a new career path

42. Older workers who actively pursue more education and training have a good chance of being hired.

积极寻求更多教育和培训的年长工作者有很大机会被雇用。

【答案】 **G** 段 (强锚点)

【锚点】 积极教育培训+较好录用机会

【定位】 Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials(文凭).

四分之三的招聘经理表示，他们更愿意聘用接受过相关教育、培训或拥有相关文凭的 45 岁以上者。

【改写】 Older workers who actively pursue more education and training ↔

Older workers who've actively engaged in more education and training relevant to their jobs
pursue↔engaged in 同义替换

have a good chance of being hired ↔

Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials

高比例+more likely to hire↔a good chance of being hired

【辨邻】 I 段 I Hiring managers said training was three times more likely to get them to hire applicants over age 45 than, say, government subsidies(补贴). 用"培训 vs 补贴"对比, 主语落在"训练"而非"求职者机会"。

Hiring managers said training was three times more likely to get them to hire applicants over age 45 than, say, government subsidies(补贴).

43. A new study finds that more education and training helps midcareer individuals find a new job.

一项新研究发现,更多的教育和培训有助于职业中期人士找到新工作。

【答案】 B 段 (强锚点)

【锚点】 一项新研究+教育培训助力中年人找工作

【定位】 But the one thing that can really make a difference? More education and training. These are the results from a new study by Generation, a nonprofit founded by former McKinsey consultants.

但真正能起作用的是什么呢? 更多的教育和培训。这是来自 Generation——一家由前麦肯锡顾问创立的非营利组织——的一项新研究的结果。

【改写】 A new study finds that more education and training helps midcareer individuals find a new job ↔

More education and training. These are the results from a new study by Generation findings↔results from 的等值

midcareer individuals find a new job ↔ midcareer employment

中年人就业话题的同义指代

【辨邻】 G 段 G Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education 用具体比例展开研究结论, 并未用"A new study"这种结论引子词。

Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials(文凭).

44. Owing to the internet, it is now more convenient than ever to receive training in new skills.

由于互联网的存在,接受新技能培训现在比以往任何时候都更加便利。

【答案】 L 段 (强锚点)

【锚点】 互联网+训练新技能从未如此便捷

【定位】 And it has never been easier or cheaper to gain instruction in new skills, thanks to the internet.

多亏了互联网, 学习新技能从未如此容易或便宜。

【改写】 Owing to the internet ↔ **thanks to the internet**

Owing to↔thanks to 同义介词短语

more convenient than ever ↔ **has never been easier or cheaper**

never+比较级↔more 比较级 than ever 等值

receive training in new skills ↔ **gain instruction in new skills**

receive↔gain; training↔instruction 的同义替换

【辨邻】 **I** 段 I education and training had been a big help — and that included in-person, on-the-job training, "informal learning," and online courses 列举了培训方式, 但 Owing to the internet 这一核心锚点在 I 段缺席。

education and training had been a big help — and that included in-person, on-the-job training, "informal learning," and online courses — with or without certification.

45. People over 45 stimulated by training suffer shorter periods of unemployment, get more job offers and have greater satisfaction in them.

接受培训激励的45岁以上人群失业时间更短,获得更多工作机会,并对工作有更高的满意度。

【答案】 **H** 段 (强锚点)

【锚点】 受培训刺激者+三项收益

【定位】 And when they asked over-45 candidates about their attitudes, they found that "those who are excited by training are unemployed for less time, receive more job offers, and are more satisfied by the job offers they receive."

当他们询问 45 岁以上候选人的态度时,发现"那些因培训而兴奋的人失业时间更短、获得更多录用、对所收到的录用更满意"。

【改写】 People over 45 stimulated by training ↔ **those who are excited by training**

stimulated↔excited 同义形容词

suffer shorter periods of unemployment ↔ **are unemployed for less time**

shorter periods of unemployment↔unemployed for less time 等值

get more job offers ↔ **receive more job offers**

get↔receive 同义动词

have greater satisfaction in them ↔ **are more satisfied by the job offers they receive**

名词化↔形容词的等值

【辨邻】 **G** 段 G Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials 只覆盖"更易被录用", 没有题干的"失业时间更短+offer 更多+满意度更高"三项收益。

Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials(文凭). Among those over 45 who'd successfully switched careers, 74% said training helped them get their new job.

13 个段落各讲了什么

逐段一句主旨 + 该段最具区分度的「信息指纹」，是逐句回扫定位的工作台。

- A** 总起段：年龄歧视与长期失业对 45 岁以上职场人士打击最大；招聘经理对 40-45 岁以上者抱有不屑录用的态度，认为他们不合适、经验过时、不愿学新技能。

信息指纹 切换职业难+被裁后再就业更难

- B** 引出关键变量：教育与培训能真正起作用；介绍一项由 Generation（前麦肯锡顾问创立的非营利组织）所做的、覆盖七国五千多名工人与经理的全球中年就业新调查。

信息指纹 新研究：更多教育培训助中年人找工作

- C** 用数据说明 45 岁以上人群在长期失业中的占比与持续时长——超过 45 岁失业，有近三分之二的概率失业时间超过一年。

信息指纹 失业超一年的近三分之二概率

- D** 把上述现象归因于招聘经理对 45+ 求职者的“广泛年龄歧视”——经理们承认这群人入职后表现并不差，但仍认为他们技能差、适应力低，故不愿录用。

信息指纹 技能差+适应力低的偏见

- E** 调查数据：招聘经理把 35-44 岁评为“合适”的概率是 45+ 的三倍，对 45+ 在经验等三项上的评分甚至低于 18-34 岁，尽管近九成经理也承认 45+ 员工实际表现不输年轻人。

信息指纹 评分对比的三倍与三项指标

- F** 招聘经理对 45+ 的最大顾虑是不愿试新技术、学不了新技能；并指出大多数招聘经理本身不满 45 岁，似乎不愿招比自己年长的人。

信息指纹 经理多在 45 岁以下且不愿招比自己年长者

G 好消息：主动参与与工作相关的教育与培训的年长求职者，能扭转上述偏见——四分之三的经理表示更愿意录用持有相关教育、培训或文凭的 45+ 者；74% 成功转职者承认培训帮了他们。

信息指纹 四分之三经理因培训愿录用 45+ 者

H 中年转职者压倒性地表示培训让他们能换赛道；对培训抱热情的 45+ 候选人失业时间更短、收到的录用更多、对工作满意度更高。

信息指纹 热衷培训者失业更短+offer 更多+满意度更高

I 经理认为培训促成录用 45+ 者的可能性是政府补贴的三倍；行业资质最受认可，但非正式学习、在职培训、在线课程同样有帮助。

信息指纹 成功转职者向 Generation 称培训帮了大忙

J 学新技能本身就有效果；但最不愿参加再培训的人，往往来自历史上处境不利的社区、低收入、教育程度最低；高收入与低收入者参加培训的项目数差距明显。

信息指纹 最不愿再培训者来自弱势社区

K 用银行招聘中文学专业有暑期银行经验者胜过金融专业去意大利游历者的例子，说明雇主重视相关实践经验，倾向能即刻上手做事的人。

信息指纹 银行宁招有实习的文学生不招游历的金融生

L 光是抗议年龄歧视没用；雇主在解决时间压力下的问题，任何培训都有助消除他们对录用 45+ 者的顾虑；多亏互联网，学习新技能从未如此便捷便宜。

信息指纹 多亏互联网，学新技能从未如此容易便宜

M 结尾段：45 岁后找新工作确实难；上网学相关新技能是最好的自救方式；最需要帮助的人最不愿接受帮助，这对社会是更大挑战。

信息指纹 结尾呼吁与社会挑战

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

Getting back into work after you've been laid off is even harder.

A段，第3句

本句包含动名词短语作主语、系表结构、时间状语从句等多种成分，且状语从句嵌入主语内部，形成了一个较典型的易错点。练习者需要区分主句谓语和从句谓语、判断状语从句的归属，对成分划分能力有较好的训练效果。

Those over 45 make up the bulk of the long-term unemployed, in America and elsewhere.

A段，第4句

主谓宾加地点状语的句子是常见句式，但过于基础，在四六级或考研真题中此类句子通常作为长难句的某一分句出现，独立作为完整句的代表性不高，学习迁移价值一般。

These are the results from a new study by Generation, a nonprofit founded by former McKinsey consultants.

B段，第2句

主系表结构配合介词短语定语和同位语，是四六级阅读中常见的信息介绍句式，同位语和后置定语的叠加使用具有较强的代表性，掌握后可迁移到大量类似长句的理解中。

They've just published a global survey on midcareer employment, based on surveys of over 5,000 workers and managers in seven countries.

B段，第3句

简单句配合现在完成时及后置定语的结构，在四六级和考研阅读中较为常见；学习者掌握后可应用于识别类似的时态加修饰结构，具有一定的可迁移性。

"Older midcareer workers ... make up the bulk of the long-term unemployed in many countries," Generation's analysts write in their report.

C段，第1句

直接引语作宾语、主句报道信息来源的结构在新闻报道类文章中非常常见，也是四六级和考研阅读中的典型句式。学生掌握这种结构后可以应对大量类似的报道引述句，迁移性强。

And if you're out of work past the age of 45, there's nearly a two in three chance you'll be out of work for over a year, they find.

C段，第3句

本句结构在四六级和考研阅读中非常典型:there be 存在句 + 条件状语从句 + 省略关系词的定语从句,这种组合频繁出现在学术性和新闻性文本中。掌握本句的分析方法可以迁移到大量类似句子,代表性强,因此典型性较高。

They are unemployed for much longer than the average, and their age is indeed one of the greatest barriers to their finding a job.

C段，第6句

并列句结构在考试中较常见，但本句的两个主句都是简单的系表结构，没有体现定语从句、状语从句等更典型的复杂句式。作为并列句的入门例句有代表性，但迁移价值中等。

A substantial part of this, they report, is "widespread ageism" on the part of hiring managers.

D段，第1句

主系表结构配插入语是考试阅读中的常见句式，尤其插入语标注来源的用法在学术和新闻语境中频繁出现；介词短语作后置定语也是典型用法，有一定代表性和迁移价值。

Although such managers admit that post-45 hires turn out on average to be just as good as or better than younger workers, they still don't want to hire them.

D段，第2句

本句是四六级和考研阅读中极为常见的让步转折句式:"Although ... , 主句 still ..." 是标准的让步状语从句结构,且让步状语从句内部又嵌套宾语从句,符合学术文章和议论文中常见的多层嵌套表达。掌握这种结构后可大量复用于理解和写作类似的让步转折句。

Hiring managers are three times as likely to rate job applicants age 35 – 44 as a better "fit" than those over 45.

E段，第2句

倍数比较结构 (three times as likely ... as ... than) 是四六级和考研阅读中的高频句式，后置定语和比较分句省略也是常考点，句子的结构模式具有很强的代表性和迁移价值。

This is true even though nearly nine managers in 10 also said their post-45 workers were as good as or better than younger employees in the same jobs.

E段，第4句

让步状语从句中嵌套宾语从句是学术阅读和考试（如考研、四六级）中非常高频的句式结构。

Besides, the majority of hiring managers are under 45 — and seem reluctant to hire people older than themselves.

F段，第2句

句中包含并列谓语、两个表语(一个介词短语、一个形容词加不定式短语)、全句状语,以及不定式内部的宾语和定语,成分种类较为丰富,适合练习划分并列谓语和复杂表语结构。

Older workers who've actively engaged in more education and training relevant to their jobs turn this pretty much on its head.

G段，第2句

限制性定语从句嵌入主语中间、对主语进行限定的结构，是四六级和考研阅读中的高频句式。这种结构考查学生识别关系代词、划分从句边界以及在复杂主语后准确定位主句谓语的能力，是长难句理解的典型考点，掌握后可大量复用。

Three-quarters of hiring managers said they'd be more likely to hire an over-45 who had relevant education, training or credentials(文凭).

G段，第3句

这是学术和新闻英语中极其典型的“调查结果/观点陈述”句式，掌握其嵌套结构对阅读理解非常有帮助。

Among those over 45 who'd successfully switched careers, 74% said training helped them get their new job.

G段，第4句

该句型在四六级和考研真题中高频出现：主句陈述调查结果 + 宾语从句说明内容 + 介词短语状语
嵌套定语从句限定范围，是典型的学术报道或调查类句式。掌握后可迁移至大量类似真题句型，代表性强。

And when they asked over-45 candidates about their attitudes, they found that "those who are excited by training are unemployed for less time, receive more job offers, and are more satisfied by the job offers they receive."

H段，第2句

这种‘背景从句 + 主句 + 复杂宾语从句’的结构在学术英语和真题中极为常见，具有很强的代表性。

Hiring managers said training was three times more likely to get them to hire applicants over age 45 than, say, government subsidies(补贴).

I段，第1句

"say/think/believe等+宾语从句"是四六级和考研阅读中的高频句式，倍数比较结构(three times more...than)也是常考点。整句结构(陈述+比较)在真题中反复出现，学会后可大量迁移到类似表达，典型性很强。

Obviously it depends on the job.

I段，第3句

简单句在真题中虽常见，但本句结构过于基础（主谓 + 介词短语状语 + 副词状语），不涉及考试高频的从句嵌套、并列、倒装、强调等典型句式，学习后迁移价值有限。

Many years ago, I wrote about a study which found that employers are much more likely to hire a college graduate who has some work experience in the industry than a college graduate who took the "right" degree.

K段，第1句

本句成分丰富且包含典型易错点：主句有时间状语、主谓宾结构；定语从句既作名词修饰又在从句内充当主语；宾语从句内含比较级结构（"more likely to hire... than..."）和不定式；两个定语从句分别修饰不同先行词。学生可练习识别多层修饰关系、区分 "who" 在不同从句中的作用、分析比较结构中的成分归属，训练价值很高

It gets us nowhere.

L段，第2句

本句虽短，但涉及双宾语结构（"get + 间接宾语 + 直接宾语"），对基础学习者有一定练习价值：需要区分两个宾语的语义角色和位置关系。同时，"nowhere" 在此名词化使用，可帮助学生理解副词充当宾语的用法。

And it has never been easier or cheaper to gain instruction in new skills, thanks to the internet.

L段，第5句

"It is/has been + 形容词 + to do" 是四六级和考研阅读中的高频句式，且句中结合了现在完成时、比较级、原因状语等常考要素；掌握本句结构后，学习者可将其迁移到大量类似表达中，典型性较强。

Bottom line? Yes, it really can be difficult getting a new job after age 45, let alone changing careers.

M段，第1句

"It can be + 形容词 + doing sth" 句型在四六级和考研阅读中高频出现，是表达 "做某事是.....的" 的典型结构。形式主语 + 动名词真正主语的组合格外常见，掌握后可大量迁移。"let alone" 引导递进强调也是地道用法，结构代表性强。

Not only do we not want to see lives go to waste, but we all benefit if more people are working and fewer are unemployed.

M段，第4句

本句覆盖了倒装结构 ("Not only do we...")、感官动词 + 宾语 + 宾补 ("see lives go to waste")、条件状语从句、主系表并列结构等多种成分类型；倒装和感官动词的宾补结构是易错点，适合作为成分划分练习；并列与嵌套的混合也有助于训练分句归属判断。

People from poor neighborhoods tend to have the least interest in retraining.

第38题 题干

主谓宾结构是考试高频句型，tend to do 的搭配、介词短语作定语、最高级修饰名词等都是常考点。虽然本句没有从句等更复杂的典型结构，但作为简单句的代表，其成分搭配模式（尤其是介词短语定语、最高级用法）在真题中反复出现，具有一定迁移价值。

Hiring managers who are not yet 45 years old seem unwilling to hire people their senior.

第39题 题干

限制性定语从句修饰主语是考试阅读中的常见句式，主系表加形容词不定式的表语结构也较为典型，学习后可应用于类似句型的分析。

People who had succeeded in career change after 45 told a nonprofit organization they owed a great deal to the education and training they had received.

第41题 题干

本句的结构——主句主语带定语从句、主句谓语接宾语从句、宾语从句内部再嵌套定语从句——是四六级和考研阅读中高频出现的复杂句式。定语从句修饰主语、宾语从句作动词宾语、关系代词省略等均为常考语法点。掌握这种多层嵌套句式的拆解方法，可以迁移应用到大量真题句子中，具有很高的典型性和复用价值。

Owing to the internet, it is now more convenient than ever to receive training in new skills.

第44题 题干

形式主语"it is + 形容词 + to do"是四六级和考研阅读中的高频句式，非常典型。比较结构"more...than ever"也是常见表达。掌握本句的分析方法后，可以直接迁移到大量类似句型（如it is important to...、it is difficult to...等），实用性强。

QUESTIONS & ANALYSIS • 阅读理解题和解析

阅读理解题和解析·46-50 题

本页 46-50 题的答案与逐题解析由懒笔记基于2025年12月·第3套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 9 段原文（段首标 P1-P9 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第3套(2025-12) • 英语四级

Part III Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

P1 New York's Eleven Madison Park has become the first vegan(素食主义的) restaurant to be awarded three Michelin stars.

纽约的Eleven Madison Park成为首家获得米其林三星的纯素餐厅。

P2 The fine dining establishment received its first three-star Michelin rating in 2011 when the menu was famed for its fancy animal-based dishes.

这家高级餐厅于2011年首次获得米其林三星评级,当时菜单以其精致的动物性菜肴而闻名。

P3 However, last year, the restaurant's co-owner and famous chef, Daniel Humm, made the bold decision to remove meat from the menu, citing our unsustainable food system. While cow milk is still served for tea and coffee, the menu is almost 100 percent vegan.

然而,去年,该餐厅的共同所有人兼著名厨师Daniel Humm做出了大胆决定,将肉类从菜单中移除,理由是我们不可持续的食物系统。虽然茶和咖啡仍然供应牛奶,但菜单几乎百分之百是纯素的。

P4 At the time, Humm acknowledged the move was risky, admitting that "it wasn't clear if guests would come", but called the gamble "a risk worth taking."

当时,Humm承认此举有风险,他坦言"不清楚客人是否会来",但称这场赌博是"值得冒的风险"。

P5 "In view of the climate crisis, I didn't want to open the same restaurant," Humm told the Financial Times in an interview. "If we can show the possibilities of eating plant-based food in this

setting, it can open a lot of doors" for others to follow.

"鉴于气候危机,我不想开一家同样的餐厅,"Humm在接受《金融时报》采访时表示。"如果我们能在这种环境下展示植物性食物的可能性,就能为其他人效仿打开许多扇门。"

P6 Now, this impressive new accomplishment validates Eleven Madison Park's decision to take meat off the menu and embrace plant-based foods, with Michelin's 2022 New York guide branding it 'a bold vision of luxury dining'.

现在,这一令人瞩目的新成就证实了Eleven Madison Park将肉类从菜单中去除并拥抱植物性食物的决定是正确的,米其林2022年纽约指南将其誉为"奢华餐饮的大胆愿景"。

P7 "We took the jump to transform Eleven Madison Park into a plant-based fine dining restaurant knowing in our hearts this is what we believed in," stated Humm on Instagram. "Last night, we were honored to be awarded three Michelin stars for the 11th year in a row. I am so grateful to the team members who contributed through its nearly 25-year history. We are also grateful to our guests and partners who believed in our vision and encouraged us to push harder."

"我们大胆转型,将Eleven Madison Park打造成一家植物性高级餐厅,因为我们内心深知这是我们的信念所在,"Humm在Instagram上表示。"昨晚,我们荣幸地连续第11年获得米其林三星。我非常感谢在餐厅近25年历史中做出贡献的团队成员。我们也感谢相信我们愿景并鼓励我们更加努力的客人和合作伙伴。"

P8 Three Michelin stars is the highest award, given to chefs who are at the peak of their profession. "Their cooking is elevated to an art form and some of their dishes are destined to become classics," reads Michelin's website, in a clear nod to plant-based foods' growing significance in the culinary(烹饪的) world.

米其林三星是最高荣誉,授予处于职业巅峰的厨师。"他们的烹饪被提升为一种艺术形式,他们的一些菜肴注定会成为经典,"米其林网站如是说,这显然是对植物性食物在烹饪世界日益增长的重要性的认可。

P9 "I think luxury companies have a real role to play and a responsibility," says Humm. "The more creative we are, the more beautiful and delicious our future will be."

"我认为奢侈品公司可以发挥真正的作用,也负有责任,"Humm说。"我们越有创造力,我们的未来就会越好、越美味。"

题目与逐题解析

46. What do we learn about New York's Eleven Madison Park?

- A) It is the first vegan restaurant to receive the highest Michelin rating.
- B) It is the first restaurant in the city to remove meat from its menu.
- C) It was famed throughout the U.S. for its fancy regional dishes.
- D) It was established as a three-star Michelin restaurant in 2011.

关于纽约的Eleven Madison Park餐厅,我们了解到什么?

- A) 它是第一家获得米其林最高评级的纯素餐厅。
- B) 它是该市第一家从菜单中去除肉类的餐厅。
- C) 它以其精致的地方菜肴而闻名全美。
- D) 它于2011年被评为米其林三星餐厅。

【答案】A (细节题)

【判型】 What do we learn about New York's Eleven Madison Park? 问的是关于某对象的客观信息，没有 infer/imply 等推断信号，属典型细节题。

【拆句】 What do we learn about New York's Eleven Madison Park? 是一句结构平铺直叙的特殊疑问句，learn about 后跟宾语，无陷阱。

【定位】 New York's Eleven Madison Park has become the first vegan(素食主义的) restaurant to be awarded three Michelin stars.

纽约的 Eleven Madison Park 成为首家获颁米其林三星的素食餐厅。

【选项】 A) ✓ 正确

the first vegan(素食主义的) restaurant to be awarded three Michelin stars ↔

the first vegan restaurant to receive the highest Michelin rating

It is the first vegan restaurant to receive the highest Michelin rating. 完整覆盖了预判的三要素，首家、素食、最高评级，且无任何额外信息，与定位句——对应。

B) 偷换概念

原文说的是首家获三星的素食餐厅，the first restaurant in the city to remove meat from its menu 把首家偷换到了全市首家撤肉上，原文并无此说。

C) 无中生有

原文 famed for its fancy animal-based dishes 说的是过去以荤菜闻名，famed throughout the U.S. for its fancy regional dishes 一改 animal-based 为 regional (地方菜)，二加范围 throughout the U.S. (全美)，都无原文支持。

D) 偷换概念

原文 received its first three-star Michelin rating in 2011 说的是 2011 年首次获三星，established as a three-star Michelin restaurant in 2011 把获评偷换成建立，与原文 its nearly 25-year history 也矛盾。

47. Why did Daniel Humm decide to remove meat from the menu of his restaurant?

A) To encourage more customers to be vegan.

B) To contribute to a sustainable food system.

C) To show the appeal of a plant-based menu.

D) To strive for the three-star Michelin rating.

Daniel Humm为什么决定从他的餐厅菜单中去除肉类？

A) 为了鼓励更多顾客选择纯素饮食。 B) 为了促进可持续食品系统的发展。

C) 为了展示植物性菜单的吸引力。 D) 为了争取米其林三星评级。

【答案】 B (细节题)

【判型】 Why did Daniel Humm decide to remove meat from the menu of his restaurant? 用 Why 直接问原因，对应原文必有显性的原因表述。

【拆句】 Why did Daniel Humm decide to remove meat from the menu of his restaurant? 主干为 Why did X decide to do Y, decide to 后接动作，无修饰陷阱。

【定位】 However, last year, the restaurant's co-owner and famous chef, Daniel Humm, made the bold decision to remove meat from the menu, citing our unsustainable food system.

然而，去年餐厅的联合所有者兼名厨 Daniel Humm 做出了大胆决定，将肉从菜单中撤下，理由是我们的食物体系不可持续。

【选项】 A) 偷换概念

To encourage more customers to be vegan. 把动机应对不可持续体系偷换成鼓励顾客吃素，原文 Humm 的关注点是体系层面而非顾客饮食选择。

B) ✓ 正确

citing our unsustainable food system ↔ To contribute to a sustainable food system.

四个选项中只有 To contribute to a sustainable food system. 含 sustainable 这个原文核心词根，且其表达的目的与 citing 的事实方向自洽。

C) 答非所问

If we can show the possibilities of eating plant-based food in this setting, it can open a lot of doors 是 Humm 对该决定后续效果的展望，而非他做决定的原因，时间和因果关系都被改写。

D) 与原文相反

三星米其林是撤肉之后才获得的结果，To strive for the three-star Michelin rating. 把它说成做决定的目的，因果关系与原文相反。

48. What did Daniel Humm think of his move to a meat-free menu?

- A) It was a worthwhile effort even though he was unsure of its success.
- B) It would set a model for many more restaurants to follow.
- C) It was a mad gamble few chefs in the fine dining world would risk taking.
- D) It would prove a right step to take in today's catering business.

Daniel Humm如何看待他转向无肉菜单的举措？

- A) 这是一次值得的尝试，尽管他对其成功与否并无把握。 B) 这将为更多餐厅树立榜样。
- C) 这是一次疯狂的冒险，很少有高级餐饮界的厨师敢于尝试。
- D) 这将被证明是当今餐饮业正确的一步。

【答案】 A (细节题)

【判型】 What did Daniel Humm think of his move to a meat-free menu? 问的是 Humm 自己怎么看，原文必有他直接表态的引语。

【拆句】 What did Daniel Humm think of his move to a meat-free menu? think of 是固定搭配，意为对...的看法，主干清晰，无陷阱。

【定位】 At the time, Humm acknowledged the move was risky, admitting that "it wasn't clear if guests would come", but called the gamble "a risk worth taking."

当时 Humm 承认此举有风险，承认不清楚客人是否还会来，但他把这场赌博称作一次值得冒险的。

【选项】 A) ✓ 正确

it wasn't clear if guests would come ↔ **he was unsure of its success**

a risk worth taking ↔ **a worthwhile effort**

It was a worthwhile effort even though he was unsure of its success. 用 even though 把值得与不确定连起来，恰好对应原文 but 引出的双面态度。

B) 答非所问

It would set a model for many more restaurants to follow. 是 Humm 在 it can open a lot of doors 中说的对外效用，而非他对自己这一举动的内心评价。

C) 过度推断

a mad gamble few chefs in the fine dining world would risk taking 用 mad、few chefs would risk 把原文的 risky 与 a risk worth taking 夸大成几乎没人敢冒的疯狂赌博，原文 Humm 并未做此横向比较。

D) 偷换概念

It would prove a right step to take in today's catering business. 把 Humm 对自己这一步的个人评价换成对整个餐饮业的判断，且 a right step 也比 a risk worth taking 多了行业普遍正确的隐含。

49. What does Michelin's 2022 New York guide say about Eleven Madison Park's decision?

- A) It elevates the restaurant's cooking to an art form.
- B) It proves the validity of ratings awarded by Michelin.
- C) It shows a daring foresight regarding future fine dining.
- D) It is an effort to transform the restaurant into a luxury one.

米其林2022年纽约指南对Eleven Madison Park餐厅的决定有何评价？

- A) 它将该餐厅的烹饪提升到了艺术形式的高度。
- B) 它证明了米其林所授予评级的有效性。
- C) 它展现了对未来高级餐饮的大胆远见。
- D) 这是将该餐厅转变为奢华餐厅的努力。

【答案】 C (细节题)

【判型】 What does Michelin's 2022 New York guide say about Eleven Madison Park's decision? 问指南说了什么，对应原文必有指南的引语或转述。

【拆句】 What does Michelin's 2022 New York guide say about Eleven Madison Park's decision? say about 后接讨论对象，结构线性、无陷阱。

【定位】 Now, this impressive new accomplishment validates Eleven Madison Park's decision to take meat off the menu and embrace plant-based foods, with Michelin's 2022 New York guide branding it 'a bold vision of luxury dining'.

如今，这一令人瞩目的新成就印证了 Eleven Madison Park 撤肉、拥抱植物饮食的决定；米其林 2022 纽约指南将其誉为奢华餐饮的大胆愿景。

【选项】 A) 张冠李戴

It elevates the restaurant's cooking to an art form. 取自 Their cooking is elevated to an art form, 而那是米其林对三星厨师的总体描述, 不是 2022 纽约指南对 Eleven Madison Park 这个决定的表态。

B) 与原文相反

It proves the validity of ratings awarded by Michelin. 把指南怎么说决定颠倒为决定证明了米其林评级的有效性, 原文 validates 的对象是 decision, 而不是评级。

C) ✓ 正确

a bold vision of luxury dining ↔ a daring foresight regarding future fine dining

It shows a daring foresight regarding future fine dining. 同时给出大胆远见与高端、未来餐饮两个要素, 且整体语气与原文引号短语一致。

D) 无中生有

It is an effort to transform the restaurant into a luxury one. 把指南的评价改成餐厅的主观努力 (an effort to), 且新增把餐厅变成奢华餐厅这一目的, 原文从未提及。

50. What does the awarding of three Michelin stars to Eleven Madison Park indicate?

- A) An optimistic vision of vegan foods becoming mainstream.
- B) A greater responsibility for the culinary world to undertake.
- C) A strong incentive for more restaurants to offer healthier foods to their customers.
- D) An explicit recognition of the rising importance of restaurants serving vegan foods.

米其林授予 Eleven Madison Park 餐厅三星表明了什么?

- A) 对纯素食品成为主流的乐观愿景。 B) 烹饪界要承担的更大责任。
- C) 对更多餐厅向顾客提供更健康食品的强烈激励。
- D) 对提供纯素食品的餐厅日益增长的重要性的明确认可。

【答案】 D (推断题)

【判型】 What does the awarding of three Michelin stars to Eleven Madison Park indicate? 中的 indicate 是推断题专属信号词。

【拆句】 What does the awarding of three Michelin stars to Eleven Madison Park indicate? 主干为 What does X indicate, X 是动名词短语 the awarding of..., 结构清晰、无陷阱。

【定位】 "Their cooking is elevated to an art form and some of their dishes are destined to become classics," reads Michelin's website, in a clear nod to plant-based foods' growing significance in the culinary(烹饪的) world.

米其林官网写道: 他们的烹饪被提升为一种艺术形式, 他们的部分菜肴注定将成为经典; 这是对植物饮食在烹饪界日益增长的重要性的明确认可。

【选项】 A) 过度推断

An optimistic vision of vegan foods becoming mainstream. 把地位上升 (rising importance) 推到成为主流 (becoming mainstream) , 且加上乐观愿景, 跨度超过原文一步可达的范围。

B) 答非所问

A greater responsibility for the culinary world to undertake. 取自 luxury companies have a real role to play and a responsibility 这种 Humm 的呼吁, 而非授星事件本身所表明的含义。

C) 偷换概念

A strong incentive for more restaurants to offer healthier foods to their customers. 一把素食或植物偷换成更健康的食物 (healthier foods) , 二把地位上升变成激励更多餐厅, 原文从未谈健康层面, 也未谈对其他餐厅的激励效应。

D) ✓ 正确

in a clear nod to plant-based foods' growing significance in the culinary(烹饪的) world ↔

An explicit recognition of the rising importance of restaurants serving vegan foods.

An explicit recognition of the rising importance of restaurants serving vegan foods. 仅把植物饮食地位上升在表达载体上落到提供素食的餐厅, 恰是从授星事件能合理外推的一步, 无超过原文的判断。

SENTENCE INSIGHTS • 句子精讲

9 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

However, last year, the restaurant's co-owner and famous chef, Daniel Humm, made the bold decision to remove meat from the menu, citing our unsustainable food system.

第3段, 第1句

本句覆盖了主语 (含并列和同位语)、谓语、宾语 (含不定式定语)、时间状语、方式状语 (现在分词短语) 等多种成分, 成分种类较丰富。同位语和现在分词状语的识别对基础较弱学生有一定训练价值, 但句子整体仍是单句, 没有从句等更复杂的成分交织, 练习收益中等偏上。

At the time, Humm acknowledged the move was risky, admitting that "it wasn't clear if guests would come", but called the gamble "a risk worth taking."

第4段，第1句

句子成分丰富且含多个值得练习的点：主句有并列谓语、时间状语、伴随状语；宾语从句包括省略 that 的宾语从句和带 that 的宾语从句；使用了形式主语 it；还有 call 加宾语加宾补的结构。这些都是考试常见的易错点和重点句型，适合作为成分划分的综合练习。

"In view of the climate crisis, I didn't want to open the same restaurant," Humm told the Financial Times in an interview.

第5段，第1句

直接引语 + 叙述框架是新闻报道和学术写作中的常见句式，四六级和考研阅读常出现此类引述结构。掌握后可迁移到大量真题场景，典型性较高。

Now, this impressive new accomplishment validates Eleven Madison Park's decision to take meat off the menu and embrace plant-based foods, with Michelin's 2022 New York guide branding it 'a bold vision of luxury dining'.

第6段，第1句

句中涵盖主语、谓语、宾语、时间状语、方式状语五类成分，且宾语带有不定式定语、句末有 with 独立主格结构，成分种类较为丰富；with 独立主格是易错点，值得练习识别和划分

"We took the jump to transform Eleven Madison Park into a plant-based fine dining restaurant knowing in our hearts this is what we believed in," stated Humm on Instagram.

第7段，第1句

这种“引语+动词+人名”以及“名词性从句套从句”的结构在英语真题阅读和外刊报道中极高频出现。

"The more creative we are, the more beautiful and delicious our future will be."

第9段，第2句

"the more..., the more..." 比较句式是四六级和考研阅读、写作中的高频结构，常用于表达因果递进关系。本句结构完整，展示了该句式的标准用法（前半部分作状语，后半部分是主句，表语前置形成倒装）。掌握这一句式后，学生可以在多种语境中复用，迁移性强，具有较高的典型性。

It was a worthwhile effort even though he was unsure of its success.

第48题, A

"主句 + even though 引导的让步状语从句" 是四六级和考研阅读中的常见句式,让步逻辑的表达在真题中频繁出现。主系表结构也是基础句型。掌握本句的分析方法可直接迁移到大量类似句子,具有较高的代表性。

It was a mad gamble few chefs in the fine dining world would risk taking.

第48题, C

本句包含主系表结构、限制性定语从句及其省略关系代词、情态动词结构、动名词作宾语等多种成分,且定语从句的宾语省略是常见易错点,适合训练学生识别定语从句边界、补全省略成分以及区分主句与从句谓语的能力。

It is an effort to transform the restaurant into a luxury one.

第49题, D

It is + 名词 + to do 句型在四六级和考研阅读中高频出现,是典型的形式主语结构,掌握后可迁移到大量类似句式

HIGH-FREQUENCY • 真题高频词

QUESTIONS & ANALYSIS • 阅读理解题和解析

阅读理解题和解析 · 51-55 题

本页 51-55 题的答案与逐题解析由懒笔记基于2025年12月·第3套 英语四级阅读理解（四选一）原卷逐题核对整理。与试卷排版同一卷面：先是 Directions 与 7 段原文（段首标 P1-P7 段号、逐段附中文翻译）；之后 5 道题逐题排列，每题英文题干与选项后紧接本题解析——题干与选项中译、答案、题型判定、题干拆句、定位句中英对照与逐选项对错归因。

真题卷第3套(2025-12) • 英语四级

Part III Section C (2)

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.

Passage Two

Questions 51 to 55 are based on the following passage.

P1 With genetic testing becoming increasingly popular, many people are left wondering exactly how accurate it is. Whether you are taking a DNA test to build your extended DNA family tree, or want precise information on inborn(先天的) health conditions, it is important to understand how accurate genetic tests are, and what information we can rely upon.

随着基因检测越来越普及,许多人想知道它到底有多准确。无论你是进行DNA测试来构建你的扩展DNA家谱,还是想获得有关先天健康状况的精确信息,了解基因测试的准确程度以及我们可以依赖哪些信息都是很重要的。

P2 How accurate DNA tests are relies greatly upon the kind of test being taken, on the specific question you ask, and on how complex the genetics behind a trait(特征) is. For example, tests for traits that depend on a single gene provide much more reliable results, because you can see whether a disease-causing trait is present.

DNA测试的准确程度在很大程度上取决于所进行的测试类型、你提出的具体问题以及特征背后遗传学的复杂程度。例如,依赖于单个基因的特征测试提供的结果要可靠得多,因为你可以看到是否存在致病特征。

P3 Ancestry tests claim to reveal our genetic identities. But saying you are 30 percent East Asian or American hardly reflects your real ancestry.

祖源测试声称能揭示我们的基因身份。但说你是百分之三十的东亚人或美国人几乎不能反映你真正的祖源。

P4 What about using DNA tests to discover distant family members? There are tools to compare one's DNA with others' to find distant relatives based on their genetic identification. These kinds of applications are generally accurate. It's relatively easy to tell whether two DNA samples belong to close relatives. With distant relatives, results become hazier.

那么使用DNA测试来发现远房亲戚呢?有一些工具可以将一个人的DNA与其他人的DNA进行比较,以根据他们的基因识别找到远房亲戚。这类应用通常是准确的。判断两个DNA样本是否属于近亲是相对容易的。对于远房亲戚,结果就变得模糊了。

P5 Genetic health tests claim to be able to detect certain hereditary(遗传的) diseases, or other health conditions. While certain rare diseases can be easily identified, most potential health conditions cannot be identified by genetic testing alone. The large majority of our traits and diseases also depend upon non-genetic factors, such as lifestyle, the environment, and many others.

基因健康测试声称能够检测某些遗传性疾病或其他健康状况。虽然某些罕见疾病可以很容易地识别出来,但大多数潜在的健康状况无法仅通过基因测试来识别。我们的特征和疾病中的绝大多数还取决于非遗传因素,如生活方式、环境和许多其他因素。

P6 Genetic tests for multi-factorial traits are often very tricky to interpret. Height, for example, depends on hundreds of genes, each contributing a little to the outcome, together with a bunch of environmental factors. A test can look at many genes at once, but it's difficult to predict how they will play together. Then you should also account for non-genetic factors that are not written in the DNA.

多因素特征的基因测试通常很难解释。例如,身高取决于数百个基因,每个基因对结果的贡献都很小,再加上一系列环境因素。测试可以同时观察许多基因,但很难预测它们将如何共同发挥作用。然后你还应该考虑DNA中没有写入的非遗传因素。

P7 Tests that offer to find your perfect romantic match and those claiming to predict personality or talents based on your DNA are pure nonsense. At the moment, the scientific bases for these applications are non-existent or incredibly weak.

那些提供寻找完美浪漫伴侣的测试以及那些声称根据你的DNA预测性格或天赋的测试都是纯粹的胡说八道。目前,这些应用的科学基础要么不存在,要么非常薄弱。

题目与逐题解析

51. What does the passage say is of importance regarding genetic tests?

- A) Knowing their accuracy.
- B) Evaluating their applicability.
- C) Utilizing the information they provide.
- D) Weighing the consequences they have.

文章认为关于基因检测什么是重要的?

- A) 了解它们的准确性。 B) 评估它们的适用性。 C) 利用它们提供的信息。
- D) 权衡它们带来的后果。

【答案】 **A** (细节题)

【判型】 What does the passage say is of importance regarding genetic tests 直接问文章"说了什么", 没有 infer/imply 这种推断信号词, 是查找型细节题。

【拆句】 What does the passage say is of importance regarding genetic tests 主干是 "What does the passage say", 宾语从句省略了 that, 完整化即 "the passage say (that) ... is of importance", regarding genetic tests 是介词短语作话题限定, 相当于 about。无陷阱。

【定位】 Whether you are taking a DNA test to build your extended DNA family tree, or want precise information on inborn health conditions, it is important to understand how accurate genetic tests are, and what information we can rely upon.

无论你是为了构建延伸的 DNA 家谱树而做基因测试, 还是想获得关于先天健康状况的精确信息, 搞清楚基因检测到底有多准、我们可以依赖哪些信息, 都是很重要的。

【选项】 A) ✓ 正确

it is important to understand how accurate genetic tests are ↔ **Knowing their accuracy**

预判说"知道它准不准", Knowing their accuracy 一字不差地说"知道它的准确度", 直接锁定 A。

B) 无中生有

Evaluating their applicability 中的 applicability (适用性/可用性) 在 P1 里完全没提, 作者只强调准确度。

C) 偷换概念

what information we can rely upon 说的是"哪些信息可以依赖"——是判断可不可信, 而不是 Utilizing the information they provide 说的"利用它给出的信息"。

D) 无中生有

Weighing the consequences they have 里的 consequences (后果) 在原文里没有任何对应——作者通篇只在谈准确度, 没谈"后果"。

52. What kind of genetic tests tend to be comparatively reliable?

- A) Those complex enough to reveal the genetics behind a trait.
- B) Those looking for traits responsible for certain diseases.
- C) Those focusing on the specific questions being asked.
- D) Those looking for traits determined by a single gene.

什么样的基因检测往往相对可靠?

- A) 那些足够复杂以揭示某一特征背后遗传机制的检测。
- B) 那些寻找导致某些疾病的特征的检测。
- C) 那些专注于所提出的特定问题的检测。
- D) 那些寻找由单一基因决定的特征的检测。

【答案】 D (细节题)

【判型】 What kind of genetic tests tend to be comparatively reliable 是查询事实性比较, 找到原文那句 "X 更可靠" 即可对答案。

【拆句】 What kind of genetic tests tend to be comparatively reliable 中 "tend to be" 是"倾向于、往往是"的弱化系动词结构, 相当于 are usually; comparatively 修饰 reliable, 是"相对来说", 并非"绝对可靠"。

【定位】 For example, tests for traits that depend on a single gene provide much more reliable results, because you can see whether a disease-causing trait is present.

举个例子，对于那些只依赖单个基因的性状，相关检测能给出准确得多的结果，因为你可以直接看到致病性状到底存不存在。

【选项】 A) 与原文相反

Those complex enough to reveal the genetics behind a trait 说"复杂到能揭示性状背后基因"，原文却是"取决于单基因的简单情况更可靠"，方向相反。

B) 偷换概念

Those looking for traits responsible for certain diseases 抓住的是 a disease-causing trait——但原文里 "致病性状" 只是"为什么单基因检测可靠"的解释，不是"哪一类检测可靠"。

C) 偷换概念

Those focusing on the specific questions being asked 把 the specific question you ask 直接搬来，但原文那一句讲的是"准确度取决于问题"，不是"针对特定问题的检测更可靠"。

D) ✓ 正确

tests for traits that depend on a single gene ↔

Those looking for traits determined by a single gene

全篇只有 single gene 这一处出现"单基因"，且就配着 more reliable，预判和 D 完全对齐，锁定 D。

53. What do we learn about genetic health tests from the passage?

- A) They are unable to identify certain hereditary diseases by themselves.
- B) They are generally unable to separate genetic and non-genetic factors.
- C) They cannot independently identify the majority of potential diseases.
- D) They cannot tell apart the impact of lifestyle and that of the environment.

从文章中我们了解到关于基因健康检测的什么信息？

- A) 它们本身无法识别某些遗传性疾病。 B) 它们通常无法区分遗传因素和非遗传因素。
- C) 它们无法独立识别大多数潜在疾病。 D) 它们无法区分生活方式的影响和环境的影响。

【答案】 C (细节题)

【判型】 What do we learn about genetic health tests from the passage 问的是文章"告诉我们什么"，属于事实查询，不是推断。

【拆句】 What do we learn about genetic health tests from the passage 句式为 "learn about X from Y"——从 Y 中了解到关于 X 的什么；about 后是话题，from 后是来源。结构平铺直叙，无陷阱。

【定位】 While certain rare diseases can be easily identified, most potential health conditions cannot be identified by genetic testing alone.

虽然某些罕见疾病能轻松识别出来，但大多数潜在的健康问题靠基因检测一项是查不出来的。

【选项】 A) **与原文相反**

They are unable to identify certain hereditary diseases by themselves 用 certain (某些) 替换原文的 most (多数) ——原文恰恰说 certain rare diseases can be easily identified, 让步从句中的 certain rare 反而是"能识别的", A 把它颠倒了。

B) **无中生有**

They are generally unable to separate genetic and non-genetic factors 凭空加了"区分基因与非基因因素"这件事——原文只说健康状况受非基因因素影响，从未要求基因检测"区分"两者。

C) **✓ 正确**

most potential health conditions cannot be identified by genetic testing alone ↔

They cannot independently identify the majority of potential diseases

predict 关键的"多数""靠它单独"两个限定词，C 选项用 the majority of 和 independently 一一对应，且主语"基因健康检测"一致，无任何过度信息。

D) **偷换概念**

They cannot tell apart the impact of lifestyle and that of the environment 把 lifestyle 和 environment 单挑出来谈区分，但原文这两词只是 non-genetic factors, such as lifestyle, the environment, and many others 的举例，且 also 之后从未谈"区分两者影响"。

54. What makes genetic tests for multi-factorial traits tricky to interpret?

- A) The challenge in determining the role of each individual gene.
- B) The difficulty of foretelling how the various genes will interact.
- C) The difficulty of telling genetic factors from environmental ones.
- D) The enormous work to identify the hundreds of genes involved.

是什么使得针对多因素特征的基因检测难以解读？

- A) 确定每个单独基因作用的挑战。
- B) 预测各种基因如何相互作用的难度。
- C) 区分遗传因素和环境因素的难度。
- D) 识别所涉及的数百个基因的巨大工作量。

【答案】 B (细节题)

【判型】 What makes genetic tests for multi-factorial traits tricky to interpret 是 What makes X Y 的句式，问的是事实层面的原因，原文里有现成原因句。

【拆句】 What makes genetic tests for multi-factorial traits tricky to interpret 结构是 "make + 宾语 + 形容词"——"使...变得难以解读"。What 作主语，问的是导致这件难事的原因；to interpret 是后置不定式作形容词补足语。

【定位】 A test can look at many genes at once, but it's difficult to predict how they will play together.
一次基因检测可以同时查看许多基因，但很难预测这些基因放在一起会怎么"协作"。

【选项】 A) 偷换概念

The challenge in determining the role of each individual gene 把"每个单基因的作用"塞进答案，但 each contributing a little to the outcome 只是顺带一提"每个贡献一点"，原文并没有说"难以确定每个基因的作用"。

B) ✓ 正确

it's difficult to predict how they will play together ↔

The difficulty of foretelling how the various genes will interact

整篇文章只有 P6 这一句用了 difficult to predict 的结构，预判"基因互动难以预测"严丝合缝地对应 B 选项的"预测基因如何相互作用的难度"，直接锁定。

C) 无中生有

The difficulty of telling genetic factors from environmental ones 编出"区分基因因素与环境因素"这件事——原文只说"还要把非基因因素也考虑进去"，从未要求"区分两者"。

D) 无中生有

The enormous work to identify the hundreds of genes involved 把焦点放到"识别这几百个基因的庞大工作量"——原文 hundreds of genes 只是说数量大，没说"识别它们工作量巨大"，也根本没说"工作量"才是"难解读"的原因。

55. What does the passage say about DNA tests to predict personality or talents?

- A) They are solid scientific bases for application.
- B) They are helpful in finding a romantic match.
- C) They do not look promising at the moment.
- D) They do not make any sense at present.

文章关于预测性格或天赋的DNA检测说了什么？

- A) 它们具有可供应用的坚实科学基础。
- B) 它们有助于寻找浪漫伴侣。
- C) 它们目前看起来并不乐观。
- D) 它们目前没有任何意义。

【答案】 D (态度题)

【判型】 What does the passage say about DNA tests to predict personality or talents——配合选项里 do not look promising、do not make any sense 这种全是态度评价的格局，本质是问作者对这件事的态度。

【拆句】 What does the passage say about DNA tests to predict personality or talents 中 "DNA tests to predict ..." 的不定式 to predict 作 DNA tests 的后置定语，等于 "DNA tests that predict ..."——"用来预测人格或才能的 DNA 测试"。

【定位】 Tests that offer to find your perfect romantic match and those claiming to predict personality or talents based on your DNA are pure nonsense. At the moment, the scientific bases for these applications are non-existent or incredibly weak.

那些声称能帮你找到完美恋爱对象的检测、以及那些号称能根据 DNA 预测性格或才能的检测，都是纯粹的胡说八道。眼下，这些应用的科学依据要么压根不存在，要么薄弱得离谱。

【选项】 A) 与原文相反

They are solid scientific bases for application 说"是坚实的科学依据"，原文恰好说 the scientific bases for these applications are non-existent or incredibly weak——科学依据要么不存在要么极弱，方向完全相反。

B) 与原文相反

They are helpful in finding a romantic match 抓了原文里的另一个例子 find your perfect romantic match——但原文是把它当作"也是胡说"的反面例子，B 却说它"有帮助"，立场反了。

C) 偷换概念

They do not look promising at the moment 译过来是"目前看起来不太有前景"——但原文是 pure nonsense (纯属胡扯)，属于强烈否定，C 把它弱化成"前景不佳"这种中性偏负的客气说法。

D) ✓ 正确

are pure nonsense ↔ They do not make any sense at present

At the moment ↔ at present

预判"作者强烈否定"对应 do not make any sense; at present 又把 at the moment 这个时间限定带上了——D 一字不漏地把作者的核心态度搬过来了。

SENTENCE INSIGHTS • 句子精讲

9 句真题句逐层精讲

下列真题句各有独立的句子解析页——中文翻译、结构树逐层拆解、成分与时态、考点讲解与真题高频词。点击句子进入完整解析。

With genetic testing becoming increasingly popular, many people are left wondering exactly how accurate it is.

第1段，第1句

"be left doing" 结构和 "wonder + 宾语从句(疑问词引导)" 都是考试中常见句式;句首 "With + 名词 + 分词" 的独立主格也是典型状语形式。这些结构在四六级和考研阅读中频繁出现,学习后可迁移到大量类似句子。

Whether you are taking a DNA test to build your extended DNA family tree, or want precise information on inborn(先天的) health conditions, it is important to understand how accurate genetic tests are, and what information we can rely upon.

第1段，第2句

形式主语搭配 "Whether" 从句以及宾语从句是学术英语和考研英语中频率极高的经典句式。

For example, tests for traits that depend on a single gene provide much more reliable results, because you can see whether a disease-causing trait is present.

第2段，第2句

本句展示的定语从句修饰主语、原因状语从句说明理由、宾语从句嵌套在状语从句内的多层结构，是四六级和考研阅读中的高频句式，掌握后可直接迁移到大量科技说明文和议论文中

There are tools to compare one's DNA with others' to find distant relatives based on their genetic identification.

第4段，第2句

there be 句型在四六级和考研阅读中较常见，不定式作后置定语也是高频考点，本句结构具有一定代表性，学习后可迁移到类似句子，但整体难度偏低，不如多层从句嵌套的句式那样典型。

It's relatively easy to tell whether two DNA samples belong to close relatives.

第4段，第4句

"It is + 形容词 + to do" 句型以及 whether 引导的宾语从句都是四六级和考研中的高频句式，结构具有很强的代表性和可迁移性，掌握后能应用于大量类似句子。

Height, for example, depends on hundreds of genes, each contributing a little to the outcome, together with a bunch of environmental factors.

第6段，第2句

本句涵盖主语、谓语、宾语、同位语（独立主格）、状语五类成分，成分种类丰富；同位结构"each contributing..."易被误认为从句或并列谓语，是值得练习的易错点；句末"together with"引出的状语也需识别其修饰对象，适合训练成分归属判断。

What kind of genetic tests tend to be comparatively reliable?

第52题 题干

结构典型性中等偏下。疑问句在考试中常见，但本句的 "What kind of + 名词 + 谓语" 结构较为简单直白，不如定语从句、状语从句、强调句等复杂句式在四六级或考研中出现频繁，迁移价值一般。

What does the passage say about DNA tests to predict personality or talents?

第55题 题干

特殊疑问句是阅读理解中常见的提问形式，"What does...say about..." 句型在真题中反复出现，具有较强的代表性和迁移价值

They do not make any sense at present.

第55题，D

主谓宾加状语的否定句是英语中的常见基础句型，"make sense" 也是高频固定搭配，具有一定代表性，但因过于简单、缺少从句或复杂修饰结构，在四六级或考研真题中不属于重点考查的典型复杂句式。

HIGH-FREQUENCY • 真题高频词

2025年12月·第3套英语四级汉译英（段落翻译）·中国发展绿色经济的客观介绍 参考译文与解析

PASSAGE & TRANSLATION • 题和解析

汉译英真题、参考译文与逐句解析

本页整篇参考英译与逐句解析由懒笔记基于2025年12月·第3套 英语四级汉译英（段落翻译）原卷题干译审整理。与试卷排版同一卷面：Directions 与一整段中文原文连续排印——整段连排、无段落标记无题号，把它切成一句句翻译单元本身就是解题动作。卷面之后先给整篇参考英译定稿，再按自切句序逐句拆分：定英文主干、降级修饰成分、逐项落实语法点、句内定稿英译，答案直显。

真题卷第3套(2025-12) • 英语四级

Part IV

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

中国政府十分重视绿色经济的发展。通过加强森林资源保护、加大污染治理力度等一系列措施，许多地区的生态环境得到了显著改善。绿水青山 (lucid waters and lush mountains) 促进了当地的旅游、健康等产业的发展，创造了可观的经济效益。如今，生态环境与人类社会和谐共存的观念在中国已深入人心。绿色经济的推进不仅能为中国可持续发展做出贡献，也为全球环境保护提供了宝贵经验。

参考译文

整篇参考英译是复盘资产，考卷上只印中文原文——四六级 Part IV 翻译按整篇「表达通顺连贯、用词准确、语法正确」四档评分。

The Chinese government attaches great importance to the development of the green economy. Through a series of measures such as strengthening forest resource protection and intensifying pollution control, the ecological environment in many regions has improved remarkably. Lucid waters and lush mountains have promoted the development of local industries such as tourism and health care, generating considerable economic benefits. Today, the idea that ecology and human society can coexist in harmony has taken deep root in China. The promotion of the green economy not only contributes to China's sustainable development but also provides valuable experience for global environmental protection.

【衔接】句2开头补「这些努力」承接句1

句1说政府重视绿色经济、句2说采取措施后环境改善，二者是「态度→行动→成效」的顺承。句2句首的 Through a series of measures 已自然承接句1，无需另加关联词；若想更显衔接，可把 Through these measures 用 these 回指句1提到的重视与行动，避免读者觉得两句脱节。

句4句首用 Today 标出时间推进

句3讲成效、句4讲观念已深入人心，是「成效积累→观念形成」的递进。保留原文 如今 译的 Today 放句首，既忠实原文又自然标出「发展到今天」的时间推进，让第四句与前文衔接顺滑，不必再加别的关联词。

句5用 not only/but also 收束全篇升华

句5是全篇的意义升华（对中国、对全球）。其 not only... but also... 的递进结构本身就有「层层拔高、收尾」的语感，放在末句正好把前面的事实托举到「意义」层面，是天然的篇章结尾，无需额外加 In conclusion 之类。

逐句解析

一整段连排中文、无段落标记无题号——把它切成一句句翻译单元本身就是解题动作，句前 N. 为逐句解析自切的句序号（非考卷题号），与卷面中文逐字对应。

【主旨】中国发展绿色经济的客观介绍

全段是一篇典型的「中国社会 / 经济成就」客观介绍：开篇 中国政府十分重视绿色经济的发展 就摆出态度，随后讲措施、成效、观念与意义，通篇陈述当下普遍存在的事实与现状，没有讲某段历史故事。这类语体决定了下面要用「陈述当前事实」的时态去翻，用词偏正式、书面。

【时态】一般现在时

通篇在客观陈述「现在的事实与现状」：政府重视、绿水青山促进产业、观念已深入人心、绿色经济能做贡献。这些都是当下成立、并非过去某一刻发生完即结束的事，所以全篇以一般现在时为基调。仅个别表「已经完成」的句子(如 生态环境得到了显著改善)才偏离为现在完成时。

【译法】绿色经济

统一译作 the green economy。这是贯穿全篇的核心词，出现在 中国政府十分重视绿色经济的发展 与 绿色经济的推进，属约定俗成的固定译名，全篇只用这一种写法，不要一处 green economy、一处 eco-economy 来回换。

绿水青山

原文已在括号里给定官方译法 绿水青山 (lucid waters and lush mountains)，直接照搬这个译名即可，不要自己另译成 green water and blue mountains 之类。这是出题人给的「白送分」，照抄不丢分。

可持续发展

统一译作 sustainable development，见 为中国可持续发展做出贡献。这是国际通用固定搭配，sustainable 不要误拼成 substantial（意思完全不同）。

1. 中国政府十分重视绿色经济的发展。

【主干】主谓宾=政府+重视+发展 (主语策略: 原句主语)

中文已有现成主语 中国政府, 核心动词是 重视, 宾语是 绿色经济的发展。骨架直接立成 The Chinese government attaches great importance to the development of the green economy, 主谓宾——对应, 不必绕弯。

【降级】本就是简单句, 无需降级

全句只有「重视」一个核心动词, 结构就是「谁+重视+什么」, 是天然的简单句, 不存在多余分句要降级, 直接照主干写出即可。

【语法】时态

回指全篇基调用一般现在时: 政府「重视」是当前一贯的态度, 谓语用 attaches (第三人称单数)。

主谓一致

主语 The Chinese government 是单数, 谓语动词须加 s → attaches, 别漏掉这个 s。

短语搭配

「重视」最稳的地道说法是 attach importance to (importance 前可加 great 表「十分」), to 后接名词; 也可用 value highly。不要写成 very value 这类中式表达。

冠词

the green economy、the development 都用 the: 特指中国正在发展的这一个绿色经济、这一项发展, 是确定所指, 加定冠词。

【译文】The Chinese government attaches great importance to the development of the green economy.

2. 通过加强森林资源保护、加大污染治理力度等一系列措施, 许多地区的生态环境得到了显著改善。

【主干】主谓=生态环境+已改善 (主语策略: 原句主语)

句子真正的主干是后半截 许多地区的生态环境得到了显著改善, 主语 the ecological environment (in many regions), 谓语「得到改善」其实是「环境被改善了」, 写成 has improved 或 has been improved。前半截 通过.....等一系列措施 只是方式状语, 不是主干。

【降级】措施块降级为 through 引导的状语

通过加强森林资源保护、加大污染治理力度等一系列措施 整块降级成介词短语作状语: Through a series of measures such as strengthening forest resource protection and intensifying pollution control。注意「加强」「加大」是两个动词, 并列后都改成动名词 strengthening / intensifying 挂在 such as 后, 不另起谓语。

【语法】时态

「得到了显著改善」强调动作已完成并对现在有影响，偏离全篇基调、用现在完成时 has improved / has been improved，这是基调允许的例外。

语态

「环境得到改善」是环境被改善，可用被动 has been improved；也可把 environment 作主语用主动 has improved (improve 可作不及物动词表「好转」)。两种都对，不要写成中式的 has been got improved。

单复数

「许多地区」是复数 many regions；「一系列措施」用 a series of measures (measures 复数，series 不变)。

动词形式

such as 之后的「加强、加大」必须用动名词 strengthening、intensifying (介词后跟 -ing)，不能用动词原形 strengthen。

【译文】 Through a series of measures such as strengthening forest resource protection and intensifying pollution control, the ecological environment in many regions has improved remarkably.

3. 绿水青山 (lucid waters and lush mountains) 促进了当地的旅游、健康等产业的发展，创造了可观的经济效益。

【主干】 主语=绿水青山，双谓语促进+创造 (主语策略：原句主语)

主语是原文给定译名的 绿水青山 (lucid waters and lush mountains)，它有两个并列动作：促进了.....产业的发展 和 创造了可观的经济效益。骨架是 Lucid waters and lush mountains have promoted... and created...，一个主语带两个并列谓语。

【降级】 两动作并列，时态保持一致

两个谓语 have promoted 与 (have) created 并列，第二个谓语可省略助动词 have，只要时态平行即可。「当地的旅游、健康等产业」译成 the development of local industries such as tourism and health care，用 such as 列举、用 the development of 承接「.....产业的发展」。

【语法】时态

「促进了、创造了」表已产生并延续至今的成效，用现在完成时 have promoted、(have) created；主语是复数概念 lucid waters and lush mountains，助动词用 have。

单复数

并列主语 waters and mountains 视为复数，谓语用 have 不用 has；「产业」复数 industries。

用词

「可观的经济效益」译 considerable economic benefits (benefits 复数)；「促进」用 promote / boost / facilitate 均可，不要用生硬的 push。

短语搭配

「健康产业」指大健康产业，译 health care (industry) 或 health industry 更准；「旅游业」tourism 本身即名词，不必再加 industry。

【译文】 Lucid waters and lush mountains have promoted the development of local industries such as tourism and health care, generating considerable economic benefits.

4. 如今，生态环境与人类社会和谐共存的理念在中国已深入人心。

【主干】 主语=观念，谓语=深入人心（主语策略：原句主语）

主干主语是 观念 (the idea / concept)，谓语是 已深入人心 (has taken root / become deeply rooted)。「生态环境与人类社会和谐共存的」整块是修饰「观念」的定语，「如今」「在中国」是时间 / 地点状语。

【降级】 长定语降级为同位语从句 / 介词短语

生态环境与人类社会和谐共存的 这串定语降级安放到「观念」之后：the idea that ecology and human society coexist in harmony (that 引导同位语从句解释 idea)，或 the idea of harmonious coexistence between the eco-environment and human society (介词短语)。绝不照中文语序把定语全堆在 idea 前面。

【语法】 时态

「已深入人心」表已完成且影响持续，用现在完成时 has taken root / has become deeply rooted；句首「如今」对应 Today / Nowadays，与完成时并不冲突。

短语搭配

「深入人心」地道译法是 take root in people's minds / become deeply rooted / win popular support，不要逐字硬译成 deep into people's heart。

主谓一致

主语是单数 the idea / concept，谓语用 has（单数第三人称）。

用词

「和谐共存」译 coexist in harmony / harmonious coexistence；coexist 是不及物动词，「与.....共存」用 coexist with 或 between A and B。

【译文】 Today, the idea that ecology and human society can coexist in harmony has taken deep root in China.

5. 绿色经济的推进不仅能为中国可持续发展做出贡献，也为全球环境保护提供了宝贵经验。

【主干】 主语=推进，谓语=贡献+提供经验（主语策略：原句主语）

主语是 绿色经济的推进 (the promotion of the green economy)，由「不仅.....也.....」连起两个并列谓语：为中国可持续发展做出贡献 和 为全球环境保护提供了宝贵经验。骨架 = The promotion... not only contributes to... but also provides....

【降级】 不仅.....也.....→not only... but also...

「不仅.....也.....」是固定的递进关联，对应 not only... but (also)...，把两个谓语 contributes to 与 provides 分别嵌进去：not only contributes to China's sustainable development but also provides valuable experience for global environmental protection。两个谓语保持平行。

【语法】时态

整句陈述绿色经济推进的普遍意义，回指全篇基调用一般现在时 contributes、provides；主语 the promotion 单数，谓语加 s。

主谓一致

主语是单数 the promotion，not only / but also 连接的两个谓语都用第三人称单数 contributes、provides。

短语搭配

「为.....做出贡献」固定搭配 contribute to（to 后接名词）；「为.....提供」provide... for...；「环境保护」environmental protection。

用词

「宝贵经验」译 valuable experience，experience 表「经验」时不可数，不加 s，前面也不加 a。

【译文】 The promotion of the green economy not only contributes to China's sustainable development but also provides valuable experience for global environmental protection.
